**Health Note**

Texas State Department of Health

AUSTIN—"There is no easy road to the abatement of insects and rodents," says Dr. Geo. W. Cox, State Health Officer. Frequently people get enthusiastic about the destruction of the insects and believe that, if a huge fogging machine rolls through town, spreading an insecticide, insects will be killed instantly and peace from the insect nuisance will remain forever. This is an erroneous and, unfortunately, bad practice because it creates an unwarranted sense of security.

Before any killing is anticipated, a thorough clean-up of the community should be carried on. This means cleaning up the rubbish and garbage and eliminating all insect feeding and breeding places. It might mean the draining or filling in of wet areas for destruction of the mosquito larvae. When this is done, one will be surprised how few insects are left to become a nuisance and, perhaps, a public health problem.

Following this, it is suggested that insecticides be sprayed manually to those places inhabited by the insects. Experience has shown that a 2 per cent to 5 per cent solution of DDT is still the most effective insecticide to use for general sanitation. This is spread to form a thin coat on the surface, where it can remain for future destruction. A spray that will just moisten the surface is sufficient to be effective. Spray only those areas where you know the insects gather.

**Plainview Gets Ready For Spring Showing**

PLAINVIEW—The nation's third largest dairy show has once again moved into the front of the show world with the installation of milking facilities for all exhibitors. In cooperation with the Surge Milking Machine Company, stalls at the Panhandle-Plains Dairy Show have been provided with vacuum pipes and stall cocks. It is believed that these are the only show facilities in the nation so equipped. The Panhandle-Plains Dairy Show will be held April 10-14, and a record number of exhibitors from Texas, New Mexico, and Oklahoma is expected for this year's advent.

**POLITICAL ANNOUNCEMENTS**

The State Line Tribune is authorized to make the following political announcements, subject to the action of the Democratic primary election in July:

W. S. MENELEE  
(Re-election)
- For District Attorney, 64th Judicial District:**  
JOE SHARP
- For County Treasurer:**  
ROY B. EZELL  
(Re-election)

**Easter Seal Sale Is Opened In Texas**

DALLAS—More than one million Texans are being asked to buy and use Easter Seals during the rest of March and through April 9. The colorful Easter Seals have been mailed state-wide with a reminder that the sale of the seals represents the only support of the Texas Societies for Crippled Children.

Dr. J. G. Flowers, San Marcos, president of the Texas Society for Crippled Children, points out that no other agencies in the state duplicate the work of the Texas Society or its county affiliates. And that there is not one phase of the humanitarian work that can be neglected.

There are now 125 counties with local societies carrying out specific projects for handicapped children. Eight of these have been added during the past year. In other counties aid is furnished through the Texas Society for Crippled Children.

The aid to handicapped children takes the form of gifts of therapeutic appliances and provision of medical, scientific and educational facilities. The cerebral palsy treatment centers with which Texas leads the nation in help to young victims, all are under the sponsorship of county societies for crippled children.

**Preston Smith, Lubbock Seeks Lt. Governorship**

Preston Smith, 38-year-old Lubbock business man, entered the political arena this week by announcing his candidacy for Lieutenant Governor.

Smith is a three-term veteran of the Texas House of Representatives. He was first elected in 1944 to represent District 119.

During his service in the House Smith has been for four years a member of the appropriations committee. He has also served as chairman of the sub-committee on higher education. He is a firm believer in the application of sound business methods in the operation of the state

PRESTON SMITH

government.

Born on a Williamson County farm son of Mr. and Mrs. C. K. Smith, he stayed with farm life until 1931. He is the seventh child in a family of 13 and has six brothers and six sisters.

Much of his career in the House has been devoted to championing the cause of Texas' rural people. He was author of the rural hospital bill and co-author of the rural telephone bill and has also been active in the fight for farm-to-market roads and soil conservation. Smith has been a supporter of all veteran legislation.

Of his hospital plan, Smith says, "This measure will go a long way toward solving the doctor shortage in small communities. If the counties will vote bonds for hospitals and then lease them to some young doctors just out of college who have no financial means to build their own hospitals, the younger men will not be so inclined to go into the large towns where facilities are available."

Commenting on his race for Lieutenant Governor, Smith said, "Much of Texas' population is centered in rural areas and small communities. Unless you have lived on a farm or in one of the very small towns, of

which there are many in the state you can't realize how much is needed in the way of worthwhile legislation for the rural areas. Texas needs the services which the rural population provides. The rural population needs better facilities for day-to-day living. As Lieutenant Governor, I will continue my efforts to see that this important segment of our population receives as many needed improvements as possible, along with other necessary and important legislation."

Smith also authored the bill, in the House, which would require all boards, bureaus and state agencies that spend state tax money to hold open meetings and to advise the press, in writing in advance of such meetings. The measure passed the House but did not get through the Senate.

Smith has been a Lubbock resident for 18 years. He has been in the theater business since 1936.

His schooling includes a diploma from Lamesa high school and a degree from Texas Technological College in Lubbock where he studied auditing and accounting.

In 1935 Smith joined forces with

another Smith—Miss Ima Smith by name—who is now Mrs. Preston Smith. She also is a Texas Tech graduate, born and reared in the state. The Smith's have two children, Preston Michael, 9, and Jan Lauren, 5.

A member of the Methodist Church, Smith is also active in the Kiwanis Club and is a 32nd Degree Mason.

**Teachers May Get Overseas Jobs**

AUSTIN—Teachers interested in overseas positions should contact the University of Texas Teacher Placement Service immediately to obtain and fill out forms before Army interviews April 7-8 here, Placement Director Hob Gray announces.

Yearly salaries are \$3,829 plus free transportation and living quarters. Minimum qualifications for the one-year tour of duty are: college degree, 18 semester hours education courses at least two years' recent teaching experience and a valid teachers' certificate. Maximum age limits are 40 for women and 50 for men. Experienced elementary teachers

are in greatest demand for the 400 posts at American schools in Germany, Austria, Trieste, Japan and Okinawa, Dr. Gray said. Necessary forms may be obtained from Placement Director, Box 2138, University Station, Austin.

**HOUSEPARTY PLANNED**

PLAINVIEW—The annual Baptist Young Women's Auxiliary house party will be held at Wayland College March 24-25. Margaret Bruce, Southwide young people's secretary, and Ruth Thornton, state young people's leader, will be the special guests and give general direction to the program.

Time of registration will be Friday afternoon, and the opening meeting will be a banquet at 7:30.

**THE NAKED TRUTH**

The dowager who visited the nudist camp was asked if she were a member.

"I'm not," she replied definitely. "I'm only aghast."—Santa Fe Magazine.

### Some Things To Check As Spring Arrives

COLLEGE STATION — Spring weather is bringing on the usual crop of weeds and new growth in pastures. To most livestock producers this is a welcome development, but to the dairyman who is selling milk it brings on problems. Chief among them, says R. E. Bureson, associate extension dairy husbandman of A. & M., is the off flavors in milk. To prevent this condition, he says pastures should be grazed during the morning. Cows should be in several hours before milking time. Dairyman, says Bureson, are justified in spending money for fertilizers and for other practices that will lead to better pastures. He points out that a good dairy cow will return approximately 7 times as much income from an acre of improved pasture as will any other type of livestock. For this same reason, he continues, dairy-cows also require better pastures to

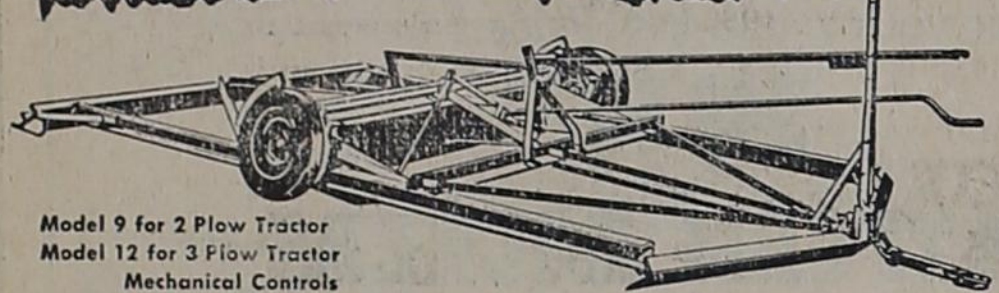

do an efficient job of producing milk. It should be remembered, he says that feed costs represent about 50 or 60 per cent of the total cost of producing milk and anything that can be done to reduce this cost will increase income. In one dairy herd improvement association, a few dairy-men are producing milk at a feed cost of around \$2 per hundred lbs while costs for other members in the same association run over \$4 cwt. The difference, he says, is the feeding program being followed by the dairymen. The cheapest production comes from improved pastures followed by silage, hay and concentrates. He reports that 1949 cost figures show that 100 pounds of 4 per cent milk can be produced from grazing on an improved pasture for 40c as against \$3.60 for concentrates. Cost of production factor is going to determine which dairyman are going to stay in business and make money and which will be forced out because of inefficiency. With these facts in mind, he says the conclusion is obvious: dairymen must produce as much milk as possible from roughages, including improved pastures, silage and hay.

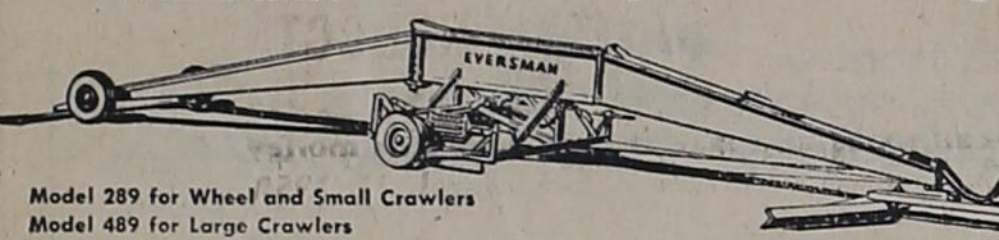

FRANKLIN INSTITUTE HONORS MARSHALL . . . Gen. George C. Marshall stands in front of statue of Benjamin Franklin in Franklin Institute, Philadelphia, holding award of honorary membership presented the general in recognition of his outstanding ability as a military leader and statesman. The membership award is given rarely by the institute and only to recipients of the Franklin medal, highest honor conferred by the institute on scientists or those who have served their country and humanity.

# MORE ROOM

THAN ANY OTHER CAR—  
another extra value  
in "The New  
Step-Down Ride"

LEADERS IN RESALE VALUE . . .  
"step-down" designed Hudsons lead in resale value, coast to coast, according to Official Used Car Guide Books.

Room! GLORIOUS ROOM! More room and comfort than in any other car at any price!

That's just one of the wonderful advantages awaiting you in the new Hudsons for 1950!

Your first look inside these beautiful new cars reveals seat cushions in all models, including the lower-priced Pacemaker, that are up to 12 inches wider than in cars of greater outside dimensions—and more head room than in any mass-produced automobile built today!

Door and window controls are nested in recessed panels to give you even greater elbow room!

Hudson's all-around roominess is the result of exclusive "step-down" design with recessed floor. Through this unique design, space wasted under the floor and between frame members in all other cars is brought into Hudson's passenger compartment and skillfully utilized for your comfort.

Your own experience tells you that Hudson's fabulous roominess means greater driving and riding comfort than you've ever known before—comfort in which to loll away the miles—comfort that permits you to drive safely and easily at all times!

You are cordially invited to see these great new cars—to enjoy "The New Step-Down Ride" and discover how Hudson's amazing roominess is combined with gorgeous new interiors—Hudson's new, no-shift Super-matic Drive†—and scores of other fine-car features that add up to extra value right down the line. Won't you come in soon?

†Optional at extra cost.

Available with Hudson's exclusive Super-matic Drive!

If you're going to buy a car in the low-price field, see the

New, Lower-Priced Pacemaker

that, for just a few dollars more, brings you all of Hudson's exclusive advantages.

## Lone Star Ticks On The Move

COLLEGE STATION—The mild winter has brought out early the lone star tick. According to James A. Deer, assistant extension entomologist of Texas A. and M. College, rather heavy infestations are already showing up on cattle and in some areas lawns are heavily populated with the pests.

As cattle parasites, Deer points out these ticks are bloodsuckers and in addition to sucking blood, cause secondary damage by leaving raw wounds where the screwworm fly can deposit her eggs. Earliness of treatment may aid considerably in combating the lone star tick, says Deer, and the animals should be sprayed or dipped when the ticks first appear.

If a dip is used, Deer says it should contain eight pounds of 50 percent wettable DDT and four pounds of 6 percent gamma BHC to each 100 gallons of water. For a spray, the DDT-BHC combination or 10 pounds of 40 percent wettable toxaphene may be used in 10 1/2 gallons of water. Either of the solutions will kill the ticks present and will protect the cattle against reinfestation for a period of two to four weeks.

Lone Star ticks in the lawn, says Deer, can be controlled by dusting the surface of the lawn with 10 percent DDT dust at the rate of one pound of dust to each 1,000 square feet of area.

Bugs are likely to cause serious losses in stored grain unless control measures are taken. Check grain at regular intervals for live insects, and fumigate if needed.

## Membership Meeting To Open Convention

A general membership meeting Sunday night, March 26, will be the first order of business at the 36th Annual Convention of the New Mexico Cattle Growers Association in Albuquerque, according to G. W. Evans, Magdalena, president. Purpose of the session will be to open discussions and seek cattlemen's views on the many current problems today confronting the industry, Evans said.

Matters of top importance to be considered at the meeting will be taxation, both state and national; freight rate and transportation; cattle theft; public land and forest problems; ranch and cattle improvement; predatory animal control; livestock marketing; public relations and livestock health and sanitary regulations. "No formal action will be taken at this preliminary meeting but discussions and views of association members will assist the resolutions committee and officer in working up a sound program for the convention to consider later during the convention," Evans said. J. S. Culbertson, Lordsburg, is chairman of the resolutions committee.

The convention proper will open March 27 with the invocation by Rev. Everett King of Albuquerque. Elmer Elliott, president of the Albuquerque Chamber of Commerce, will

deliver the welcome and Joe M. Evans, El Paso, will respond.

Other speakers on the morning program will be Hon. Thomas J. Mabry, governor; Loren Bamert, president, American National Live Stock Assn.; Ralph Trigg, Washington, D. C., president of the CCC, USDA; and annual reports by Pres. G. W. Evans and Horace H. Hening, secretary.

"All Flesh is Grass", a sound-color film prepared by the National Public Relations committee, will open the afternoon program. Balance of the session will be devoted to introduction of honored guests from various state government offices and officials of state organizations. Floor discussions and committee meetings will follow.

Presidents of state cattlemen associations in Texas, Arizona and Colorado will highlight the convention program on March 28. Ray Willoughby, San Angelo, president Texas and Southwestern Cattle Raisers Assn.; John Babbitt, Flagstaff, president, Arizona Cattle Growers Assn., and Henry Bledsoe, Cheraw, president Colorado Stock Growers Assn., will

participate in the discussions.

Gen. Harry H. Johnson, American director of the Aftosa Eradication Program in the Republic of Mexico; Congressman John E. Miles and Frank Boice, chairman, National Live Stock Tax Committee of Sonora, Ariz., will also appear on the morning program.

Afternoon of March 28 will be de-

voted to association business, committee reports and election of officers.

A new feature of the convention will be ranch and livestock exhibits displayed throughout the mezzanine floor of the Hilton Hotel. This part of the meeting is under direction of Ivan Watson, Extension Animal Husbandman, State College.

**HOUSEWARMING HELD**

A house warming was given Friday night honoring Mr. and Mrs. Gene Hawkins. Mrs. Hawkins was ill but was able to sit up long enough to help open the many lovely gifts received for their new home.

Cookies and pop were served to Mr. and Mrs. Jack Kesler, Mr. and Mrs. Henry Minter, Mr. and Mrs. E. H. Moody and family, Mr. and Mrs. Al Kerby and daughter, Mr. and Mrs. Tyson Eubanks, Rev. and Mrs. E. J. Speegle and girls, Mr. and Mrs. Charles Hawkins and daughter, Mr. and Mrs. Harold Hawkins, Mr. and Mrs. Pete Davies, Mrs. Lester Norton and children of Farwell, Mr. and Mrs. Darrell Stephens and Mr. and Mrs. Roy Hawkins and family of Clovis, Mr. and Mrs. Charles Foster Jr., of Clovis and the honorees.

Hostesses for the occasion were Mr. and Mrs. Jack Kessler and Mr. and Mrs. Henry Minter.

A pallet knife is a painter's tool. Cheese soufflé and other hot cheese dishes make a tasty main dish for fall days.

**Questions & Answers**

**Q. I dropped \$5,000 of my \$10,000 NSLI term insurance after my discharge from the Army. Will I be permitted to reinstate the amount dropped and again carry \$10,000?**

**A. Yes, but if the insurance has been lapsed for more than three months, a physical examination is required. This will be given without charge at any VA regional office.**

**Q. Is compensation ever paid for disability due to misconduct?**

**A. Under provisions of Public Law 439, 79th Congress, compensation may be paid for such disabilities if it is shown they are not due to the veteran's own willful misconduct or vicious habits.**

**Q. I have been told by friends that my disability, which I claim is due to service, cannot be service-connected because I had it before I entered the armed forces during World War II. Am I entitled to file for compensation?**

**A. Yes. A claim should be filed as soon as possible. The decision as to service-connected or service-aggravated disability will then be made by**

**Food Brokers Woo Housewife; Cite 50 Years' Top Ten Advances**

Jewell Lain's armload represents food brokers' selection of the greatest grocery advances of the first half of the 20th century.

ATLANTIC CITY, N. J.—May be the housewives of the nation won't agree, but the mere men who set the pace in the food-brokerage business have picked the "top ten" advances in grocery products and services over the past half-century.

However, they don't expect many women to disagree with the nominations, because at least half of the goods and services named were included because they represent savings in time and labor for the homemaker. Here's the "top ten" named at a convention here:

1. Frozen foods, sharply reducing meal-preparation time; 2. ready-mixes, spectacular shortcuts

to perfect pastries; 3. such laundry products as detergents, improved soaps, the new Perma Starch which stays in clothes through eight to 15 washings, and ready-to-use bluing; 4. vitamin-enriched flours with fine textures; 5. improved containers and processing for foods such as meats and juices, previously unpackageable.

6. Dehydrated foods, saving hours of preparation; 7. pre-packaged foods, especially meats and poultry, reducing shopping time; 8. freshness-control methods, especially with regard to eggs; 9. high-speed transportation, making fresh foods of all sections available in all seasons; 10. improved and more versatile shortenings.

the proper agency of VA.

**Q. I have a service-connected disability for which I receive compensation. If the injury becomes permanent and total, may I receive compensation and insurance benefits simultaneously?**

**A. Yes, because there is no legal ban against receipt of compensation and insurance benefits simultaneously.**

**SPEAKERS AVAILABLE**

AUSTIN—Speakers on any subject, for any occasion, anywhere in Texas are offered as a free service of the University of Texas Speakers Bureau.

The service is free except for transportation costs from Austin for the person requested. Applications should be made to the Speakers Bureau, Speech Building, University of Texas, Austin.

**Texas Retail Sales Show Slight Increase**

AUSTIN—Texas retail sales in February rose 1 percent from January to an estimated \$401,056,000, an 11-per-cent gain from January 1949, the University of Texas Bureau of Business Research reported.

Sales of durable goods stores stepped up 5 percent in February from January and rose 25 percent from February a year ago.

Automotive stores turned in the largest January-to-February rise in durable goods sales—8 percent. During the monthly period sales of building materials, lumber, and hardware rose 4 percent. Jewelry store sales fell 7 percent, while sales of furniture and household goods dipped 4 percent from January.

In comparison with February 1949, jewelry store sales slid 20 percent. On the other hand, automotive sales gained 30 percent; building materials, lumber and hardware, 25 percent; and furniture and household goods, 12 percent.

Total nondurable goods store sales slipped 4 percent in February from January and dipped 1 percent from February 1949.

Almost all stores in the nondurable

goods group turned in January-to-February sales declines. Sales of office, stores, and school supply dealers dropped 8 percent, while apparel store sales slid 7 percent; eating and drinking places, 4 percent; department stores, 4 percent; and general merchandise, 3 percent.

Florists' sales rose 10 percent from January to February, while sales in drug and food stores gained fractionally.

Compared with February 1949, drug stores registered a 7-percent increase in February 1950. Other February-to-February gains were recorded by general merchandise stores, 2 percent; and office, store and school supply dealers, 1 percent.

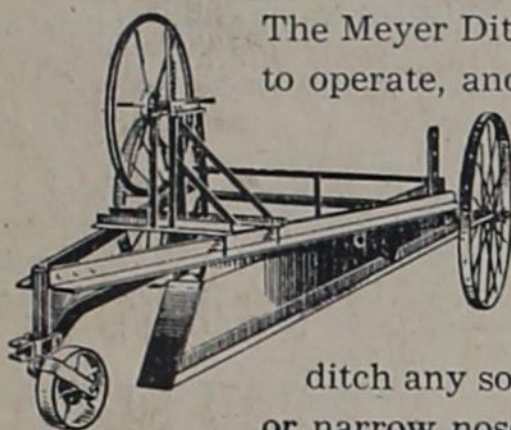

During the 12-month period sales of department stores fell 5 percent; eating and drinking places, 3 percent; country general stores, 3 percent; apparel and food stores, 2 percent; and florists, 1 percent.

**DRIVING SHORT COURSE**

AUSTIN—A short course for high school teachers on driver education will be conducted May 29-June 2 at the University of Texas.

Enrollment is limited to fifty, and two semester hours of junior credit will be given. Application forms may be obtained from the Physical and Health Education Department, University of Texas, Austin.

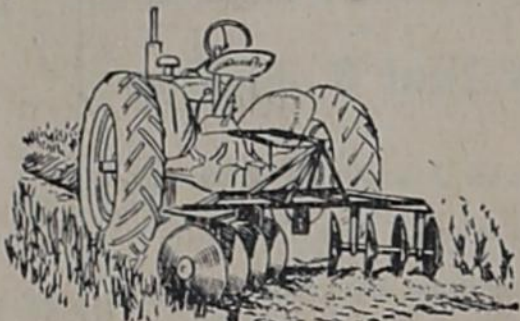

**Meyer Ditcher**

The Meyer Ditcher is low in price, easy to operate, and built for strength from all-steel construction. It makes or cleans any size ditch up to five and one-half feet from bank to bank. Will ditch any soil without plowing. Wide or narrow nose.

**Meyer Ditch Filler**

The Meyer Ditch Filler will fill your ditches so there is no slowing up when crossing them and does not waste any crop. Adjustable for different size ditches. Can be used very successfully for making borders.

### Texico Faculty To State Convention

School will be dismissed at Texico on Thursday afternoon of this week in order that all faculty members may be in Clovis on Friday, when the New Mexico Education Association holds its annual convention. It was announced Tuesday by Supt. Agrie Jones.

Discussions will be held on various school problems, with Dr. Cornette head of West Texas State College in Canyon, President Floyd D. Golden and Dean Cole, both of Eastern New Mexico University, Portales, among the notable visitors to appear on the one-day program.

Supt. Jones added that regular class sessions would be resumed on Monday morning at the school.

**"I GOT ONE TOO"** . . . Dr. Wellington Koo (left), Chinese ambassador to the United States, tells Maj. Gen. William J. Donovan, wartime O.S.S. head, that he received the Alexander Hamilton medal last year. Donovan received the medal this year. It is presented to a Columbia university alumnus each year for distinguished public service.

### School Calendar Is Given By Williams

Supt. Jack Williams on Monday released the calendar of events remaining for the Farwell school for the 1949-50 term winds its way to a close. The only exception on the calendar is the date for grade school graduation activities, which had not been determined on Tuesday.

The various dates and activities include:

March 24—Band to festival at Whiteface.

March 31-April 1—County interscholastic league meet, Bovina.

April 21—Senior class play.

April 28—Junior-Senior banquet.

May 5—Farwell band concert, at school auditorium.

May 14—Senior baccalaureate exercises, 11:15 a. m., in school auditorium, with Rev. R. L. Butler, Monday, as speaker.

May 16—Senior commencement exercises, 8:15 p. m., at school, with R. B. McAlister, Clovis, as speaker.

May 19—School dismissed.

#### BOND APPROVED

The Commissioners Court met in special session here Tuesday to approve the bond of Mrs. Della Ezell, recently appointed to succeed her husband as county treasurer. She is to assume her duties as soon as her physical condition permits.

#### OUT OF OFFICE

Joe Camp, head of the local PMA office, was confined to his bed the first of the week, suffering an attack of influenza.

### Drawing Field Notes For City Election

Attorney John Aldridge said today that field notes, designating the corporate limits of the City of Farwell were being prepared in anticipation of an election being called in the near future to determine whether or not the city shall be incorporated.

Aldridge said that the field notes had to be set out in the petitions before they are circulated, calling for the election. The petitions, he added, are expected to be in circulation within the next few days.

The primary object behind the move to incorporate the city is to secure a sewer system for the town and if the incorporation is adopted a move to vote bonds for a sewer system will then be in order.

### Health Inspector At Texico School

Warren Griffin, State Health Inspector for Curry County, visited in and inspected the Texico school on Monday, March 20.

Griffin commented favorably on the moving of the typing room to the new building, expressing the opinion that modern facilities would show class improvement.

#### MORE PER ACRE

The reduction of acreages planted to cotton emphasizes the need for using practices and methods of production that will lead to greater per acre yields, lower production costs and wise use of diverted acres.

### Candidate For State Office Visits Here

Tom Fairley, candidate for commissioner of agriculture of Texas, was here the latter part of last week in the interest of his candidacy.

Fairley, a former resident of Amarillo, now lives near Austin, where he is engaged in farming. "When a fellow lives in the shadow of the capitol he sees so many things going on that need correction, he wants to do something about it," Fairley said in explaining why he was in the race. This is his first attempt at a political office.

While here, he was accompanied by his son, Robert, and they were guests in the home of Mr. and Mrs. M. C. Roberts.

### No Recovery Made On Stolen Car

Sheriff Chas. Lovelace reported Tuesday that as yet no recovery had been made on a Frazer car, belonging to Buck Hawkins, which was stolen on the night of March 11 from in front of the Jess Newton home in Farwell.

Mr. and Mrs. Hawkins, who live in Clovis, stopped at the Newton home for a brief visit, and when they prepared to go home their car was missing. A stranger driving a Frazer car that fitted the description of the Hawkins machine, had the car serviced at a Texico filling station just about 20 minutes ahead of Sheriff Lovelace, but no trace of the man or machine has been found since.

#### TO MOUNTAINAIR

Johnnie Lewis, operator of the Home Grocery & Market in Texico left the latter part of last week for a visit with relatives at Mountainair. Lewis has been suffering with sinus trouble for the past several weeks and made the trip in hopes of receiving relief.

## Over One Hundred In Attendance At Tea And Fashion Show

Over one hundred ladies from Bovina, Farwell, Muleshoe, Clovis and Hereford enjoyed the fashion revue and tea sponsored by the Bovina Women's Junior League, last Thursday afternoon, March 16th, when exclusive spring styles from the Vohs Company in Clovis were displayed.

Models for the afternoon were Mrs. D. C. Looney, Mrs. Clarence Jones, Mrs. J. P. Macon, Mrs. Bass Elliott, Mrs. Billy Sudderth, Mrs. Bob Sudderth, Misses Elizabeth Ann Berggren, Dorothy Moorman, Lavelle Bounds, June Gay Looney, Jeanne Ellison, Carolyn Wilson, Ella Bradshaw, Clair Derrick, Loretta Thompson and Katherine Jefferson Little Misses Jackie Davies and Harriet Lou Charles acted as flower girls for the bridal party.

Miss Eva Clair Barnes, of Clovis was a special guest, and delighted the visitors with two of her outstanding tap dance routines.

Fashion commentator for the review was Mrs. Bernard Gamera of Clovis. Mrs. Harry Vohs was also in attendance.

Hostesses for the afternoon were Mesdames Pete Davies, Bob Johnson and D. C. Looney. The tea table was beautifully laid with a lace cloth and crystal appointments, centered with a floral arrangement of yellow and orchid flowers, courtesy of "Flowerland" in Clovis. Huge potted plants added to the beauty of the hall.

Mrs. Bob Johnson, assisted by Mrs. Pete Davies, served fruit punch and cookies to the guest present.

## Life In Rome Shown At School Banquet

The Age of Augustus in Rome was recreated Tuesday night, March 21, on the campus of Hockaday School in Dallas, with the annual Roman banquet of the Latin department.

Attendance at the banquet is limited to those students whose grades in Latin comply with certain requirements. Miss Jane Claire Overstreet, daughter of Mr. and Mrs. Hamlin Y. Overstreet, of Farwell, served as "head slave" at the banquet.

of Hockaday Preparatory School, presented palm branches to all Vergil students who made honor grades throughout their study of Latin, and presided at the crowning of each with an ivy wreath. This ceremony, customary in Roman times to signify the end of the banquet, climaxed the Hockaday banquet.

## Miss Christian Given Birthday Honor

Misses Darlene Kay Sprawls and Shirley Smith were hostesses, last Friday night in the Aubrey Sprawl home in Farwell, honoring Miss Bernice Christian on her birthday.

St. Patrick's Day colors were carried out in decorations and refreshments.

After games of Canasta and monopoly were enjoyed, a beautifully decorated birthday cake was served with sherbet and punch to Bernice Christian, Jo Ann Cochran, Nancy Aldridge, Beverly Lovelace, Mary Joyce Rolland, Mary Krieger, Ann Whitley, Laverna Christian, Bob Gerles, Bob Daniels, Harold Dear Doshier, Ted Magness, Bobby Crume Junior Potect, Frank Gully; Mr and Mrs. Everett Christian and Barbara.

Miss Twila Strickland, who is employed in Lubbock, spent the weekend visiting in the home of her parents, Mr. and Mrs. Ralph Humble in Farwell.

## Hammonds-Foster Rites Performed In Portales

Marriage rites for Miss Modelle Hammonds, daughter of Mrs. Willie Smith of Clovis, and Charles E. Foster, Jr., son of Mr. and Mrs. Charles E. Foster Sr., of Clovis, were performed recently in the home of Rev. Thurman Harris, of Portales, with Rev. Harris officiating.

The bride wore a dress of rose shadow-stain with black accessories. She was attended by Miss Nell Summers of Clovis and Mrs. Fred Erwin Jr. of Portales, both of whom wore blue with black accessories.

The bride formerly lived in Farwell and is well known here. She has been attending the Clovis high school and until her marriage was worthy advisor of Rainbow Assembly No. 158 of Bovina.

The groom is a graduate of Clovis High School, where he was a member of the "C" Club. Following a short trip to Odessa, Mr and Mrs. Foster are residing in Clovis, and he will be associated with his father in farming.

## Mexican Dinner Enjoyed

A Mexican dinner was enjoyed in the home of Mr. and Mrs. C. D. Houghtling, near Texico, Saturday night, March 18.

Those present for the feed were Mr. and Mrs. Paul Clark and children of Clovis, Mrs. Edna Stuffer of Illinois; Mr. and Mrs. Les Means, of Texico; the host and hostess and son David.

## Play In Hereford

Two piano students of Mrs. Florence M. Vinyard, local instructor, gave piano solos in the National Federation of Music Clubs meeting held in Hereford last week. Sally Osborn, daughter of Mr. and Mrs. Sloan Osborn of Friona, rated excellent. Don Edwin Lewis, son of Mr. and Mrs. H. C. Lewis of Friona, rated very good. On voice, Don rated superior and Sally was rated excellent.

## Goes To Amarillo

Mrs. Roy B. Ezell left the first of the week for Amarillo, where she will spend several days in the home of her daughter, Mrs. El D. Parker. Mrs. Ezell is convalescing from a relapse of pneumonia, following her recent dismissal from a Clovis hospital.

## To California

Mrs. J. T. Hulsey left here Tuesday for Los Angeles, in company with her son, J. W. Hulsey, and family who had spent a week here visiting his mother. Mrs. Hulsey said she planned to spend at least a month on the West Coast.

## Are Dinner Guests

Mr. and Mrs. R. D. Smoot of Clovis were dinner guests in the home of Mr. and Mrs. Les Means one evening last week. Mrs. Smoot is a sister of the local man.

## Leaves For Home

Mrs. F. E. Garner, mother of Mrs. Dorothy Magness, departed the first of the week for her home in Edinburg after spending several weeks here.

## Recitals Slated

The public is invited to attend the piano recital of pupils of Florence Millwee Vinyard, local instructor, at the Hamlin Memorial Methodist Church on Monday evening, March 27th, at 7:30.

## Parents Are Honored At Sneak Preview

A sneak preview of the "Adventure of Grandpa" was given by the members of the Texico senior play cast, last Tuesday night, to which parents of cast members were invited as special guests.

Participating in the affair were Peggy and Betty Donahey, Joyce Holland, Billie Roberts, Paul Clark, Raymond Morgan, Mark Leavell in Billington and James Harding.

Following the preview a reception was tendered the group by Mr. and Mrs. Agrie Jones. Colors of green and white were carried out in a St. Patrick's Day motif. The serving table was covered with a lace cloth and centered with a floral arrangement of white snapdragons.

Betty Lu Donahey presided at the crystal punch bowl. Billie Roberts, Peggy Jo Donahey and Joyce Holland assisted in the serving.

## Seniors To Be Honored At Banquet, April 4

Local senior classes have accepted an invitation to a banquet honoring the Texico-Farwell 1950 graduates to be held in the basement of the local Baptist Church on April 4.

The banquet, being sponsored by teachers of the young people's department of the church, is to be held at 8:00 p. m.

## Visit In Oklahoma

Mr. and Mrs. Odie Huggins and family spent last weekend visiting with relatives in western Oklahoma. They were accompanied by Mrs. E. E. Huggins of Littlefield, mother of the local man.

## Back To California

Mrs. Blanche Leinen and son Jack, who have been visiting with her parents, Mr. and Mrs. E. E. Booth, left Sunday for their home in Sunny-meade, Cal. Also guests in the Booth home Sunday were Mr. and Mrs. Lee McDaniel and children, of Lubbock. Little Miss Tracy Lee McDaniel remained here to spend the week with the Booths and the Ralph Humbles.

## Visit In Canadian

Mrs. Vance Crume and daughter, Judy, of Friona, spent the weekend visiting in the home of Mr. and Mrs. W. A. Kessie, Jr., in Canadian. Mrs. Kessie, nee Lovilla Clay, formerly was connected with the Farm Security office in Farwell and is well known locally.

## Here From Taos

Mr. and Mrs. Jim Cleve Dixon have been here spending several days with his mother, Mrs. Ruby Dixon, and grandmother, Mrs. J. C. Temple. The Dixons reside in Taos, New Mexico.

Mr. and Mrs. W. H. Graham and daughter, Sammy, visited Thursday evening in Friona with Mr. and Mrs. Vance Crume.

**WANTED**

Farwell, Texas

## Attend Two Schools Of Instruction

Several members of the Bovina Chapter, Order of Eastern Star, were in Plainview and Amarillo last week attending schools of instruction in OES work.

Those attending the Plainview classes on Tuesday were Mr. and Mrs. Charley Ross, Mr. and Mrs. Hubert Ellison, Mr. and Mrs. Troy Fuller, Mr. and Mrs. Sam Rundell. All attended a banquet at the Baker Hotel in the evening.

A second school of instruction was held at Amarillo on Saturday, and the Bovina Chapter was represented by the following members: Mr. and Mrs. Charley Ross, Mr. and Mrs. J. P. Macon, Mr. and Mrs. Sam Rundell, Mr. and Mrs. H. T. Edwards, Mrs. Lucy Jones, Mrs. Gertrude Potts, Mrs. N. E. Bonds and Troy Fuller. Mrs. Ross is a member of the Grand Credentials Committee of the Texas chapter.

## Attends Dinner

Mrs. Florencia Vinyard attended the progressive dinner of the Amarillo Music Teachers Association held in Amarillo on Saturday.

Ralph Humble was a business visitor in Amarillo, the past Thursday.

Mrs. Bess Henneman, former local resident who now lives in Friona, attended business and visited friends here on Saturday.

Van Crume, of Hereford, visited the latter part of the week with his cousin, Wayne Cason, in Farwell.

Mrs. O. C. Sikes returned home the first of the week after enjoying a week's visit with her sister in Sar Antonio.

Mrs. Lena Bonine, of Ralls, spent the weekend visiting here with her sister, Mrs. Roy B. Ezell.

Mrs. Clara Green and Mrs. Ray Hill, of San Jon, N. M., spent Friday in the home of Mrs. Mae Means in Texico.

## Hospital Notes

Patients admitted: Mrs. Tom Griffith, medical, Bovina; Mrs. Lee Sudderth, medical, Farwell; Charles Shulk, medical, Friona; Mrs. J. J. Miller, maternity, Friona; Mrs. M. B. Buchanan, medical, Friona; Mrs. W. J. Sides, medical, Bovina; Julia Dennis, medical, Friona; Dudley Bainum, medical, Friona; W. J. Sides, medical, Bovina; Mrs. N. C. White, medical, Friona; Mrs. J. B. Johnson, maternity, Bovina; Mrs. Martinez, medical, Friona; Mrs. Tom Lloyd, medical, Bovina; Paul Strickland, medical, Friona; Ben Galloway, medical, Friona; Mrs. Paul Koeltzow, medical, Friona; Ann Lynn Wilson, medical, Bovina.

Patients dismissed: J. T. Gee, Friona; Mrs. Rudolph Renner, Friona; Treva Rolen, Friona; Chas. Rauh, Bovina; Patricia Barker, Friona; Elmer Thompson, Bovina; Charles Shulk, Friona; Mrs. Tom Griffith, Bovina; Mrs. M. B. Buchanan, Friona; Cynthia Ann Caffey, Friona; Mrs. Lee Sudderth, Farwell; Dudley Bainum, Friona; Paul Strickland, Friona; Mrs. N. C. White, Friona.

**SOUTHBOUND—SANS DIAMONDS . . .** Mrs. Billy Rose (right), who lost some jewelry to burglars, waits with Mrs. Nick Blair, Philadelphia, in Miami for Pan-American clipper to take them on a vacation in Nassau. Mrs. Rose, wife of the showman-columnist, is the former Eleanor Holm, Olympic swim star. Police were searching in the East river in New York for the safe that contained her stolen jewelry and two suspects were in duration awaiting questioning.

## Texico Seniors Give Hilarious Comedy

Exceptionally good casting resulted in an unusually good performance, last Friday night, when seniors of the Texico school, under the direction of Mrs. Agrie Jones, presented a three-act comedy, "The Adventure of Grandpa".

Seating capacity at the school auditorium was full for the hilarious play, which detailed the adventure of Grandpa (James Harding) in a quarantined dancing school.

Members of the cast included Jim Billington as the grandson, Monte Ray; James Harding as Grandpa; Raymond Morgan as Ted Hunter; Betty Donahey as his wife; Paul Clark as Officer McCormick; Mark Leavell as a coy widow; Peggy Donahey as Monte's true love, Dorothy May; Joyce Holland as Kloompie, the maid; Billie Roberts as Marie, the French dancing instructor.

Mr. and Mrs. Jess Coburn, Mrs. H. Ross and Mrs. Mae Means attended a singing in the St. Vrain school, on Sunday.

Rex Lynn Herrin and John Wayne Call of Clovis were Sunday afternoon visitors in the Jimmie Williams home in east Farwell.

Hang on to your War Bonds!

## Farwell Band To Music Festival

The Farwell school band, under the direction of Mrs. Erma Jobs, will be in Whiteface on Friday of this week, attending a band music festival, it was announced today.

Mrs. Jobs reported Monday that the festival would continue through the day and into the evening, with bands from a number of schools in the area being invited to participate in the affair.

M. J. Newman, of West Texas State College, Canyon, will be on hand for the festival, Mrs. Jobs added. No judging will be done, but Newman will criticize each group, reporting to the instructors the various improvements needed.

The Farwell band, which now has 51 students, has been making rapid progress under the direction of Mrs. Jobs during the past term, and is looking forward to the festival this weekend.

**"MILLIONAIRE PAUPERS" . . .** Too "poor" to call a doctor, he dies with \$83,000 . . . another "pauper" banks \$26,098 and then goes on relief! What motivates these and other misers and recluses? # Bovina Happenings

BY MARIE VENABLE

## RUMMAGE SALE SLATED

A rummage sale will be held by the Bovina American Legion Auxiliary, Saturday, March 25, in the Legion Hall in Clovis. Anyone having donations is asked to call Mrs. Elton R. Venable or any Auxiliary member. Contributions will be appreciated.

## BASKET SUPPER HELD

The Legion and Auxiliary of the Bovina Post met Monday night, March 20, for the regular social night and a basket supper was enjoyed honoring the Legion's birthday, on March 15th.

Present were Mr. and Mrs. Howard Looney and girls, Mr. and Mrs. Marion Carson and sons, Mrs. Mable Newberry, Mr. and Mrs. Elton R. Venable and son, Mr. and Mrs. Fred Langer and daughter, R. T. Harbor Garland White, Mr. and Mrs. Loyde Brewer and son of Farwell.

## BIRTHDAY DINNER

A birthday dinner honoring Billy Bob Alverson and Mrs. Al Kerby was given in the Harvey Alverson home, Sunday. Present were Mr. and Mrs. N. C. White Jr. of Friona, Mr. and Mrs. W. B. Douglas and son, Mr. and Mrs. Al Kerby and daughter, Mr. and Mrs. Billy Bob Alverson, Mr. and Mrs. Harvey Alverson and family.

## TWINS ARE BORN

Congratulations to Mr. and Mrs. Bedford Caldwell on the birth of twin boys, Sunday night, at Clovis Memorial Hospital. Mother and babies are doing fine at this writing.

## SURPRISE PARTY

A surprise birthday party was given Mrs. Al Kerby in her home, Sunday night, after church. Refreshments of ice cream and cake were

served to Mr. and Mrs. Gene Hawkins, Mr. and Mrs. Tyson Eubanks Mr. and Mrs. Darrell Stephens, Mr. and Mrs. Henry Minter and Billy ev. and Mrs. E. J. Speegle and girls Mr. and Mrs. Jack Kesler, Mr. and Mrs. J. W. Gooch and Janet, Mr. and Mrs. Floyd Montgomery. The Pal's Class of the Baptist Church acted as hostesses.

## NOTES 90TH BIRTHDAY

A number of relatives gathered in the home of Mrs. Elo Looney the past Sunday. Mrs. Looney will observe her 90th birthday on March 25 and the gathering was in celebration of the event. Those present were Mr. and Mrs. Hall Looney and family, Myers Looney, Mr. and Mrs. Weldon Slaton and children, Marvin and Perry Looney, all of Abernathy; Mr. and Mrs. Reagan Looney and June of Bovina. A covered dish dinner was served at noon and many lovely gifts were received by the honoree.

## BAPTIST WMU MEETS

The WMU of the Baptist Church met Wednesday at the church for Bible study. Mrs. Hilary Tidenberg led the discussion from Matthew.

The adult department in training unit of the church gave the assembly program Sunday night. It was an impressive program, ending with pi-

ano selections.

## QUILTING CLUB MEETS

The quilting club met in the home of Mrs. Ward Thompson last Thursday, quilting two quilts, one for Mrs. Tom Rhodes and one for the hostess. Twelve attended, including Misses Carrie and Lula Smith; Mmes. Harrell, J. R. Caldwell, Steve Calhoun Mel Gunn, Levi Johnson, H. D. Bradshaw, Tom Rhodes, O. V. Venable, and the hostess. The next club meeting will be with Mrs. Oscar Venable on March 23.

Several people attended the funeral of Marie Barker in Clovis, Saturday. Sympathy is extended to her parents, Mr. and Mrs. Claude Barker and son, Bobby.

Mr. and Mrs. Oscar White of Woodward, Okla., and Mr. and Mrs. E. G. Genser of Lazbuddy, spent the past weekend in the A. G. White home.

Rev. and Mrs. Speegle made a business trip to Vega, Monday. He is remaining in Vega to hold a meeting this week.

Mr. and Mrs. Leroy McDonald and

son, David, of Muleshoe, spent Sunday in Bovina with friends.

Mrs. Harold Hawkins is now up after two weeks' illness with mumps. Mr. and Mrs. R. A. Kelley are visiting their daughter in Fort Worth this week.

Mrs. Scotty Berry is on the sick list this week.

Several Legion and Auxiliary members attended the zone meeting in Farwell, Tuesday night. From here were Mr. and Mrs. Marion Carson and sons, Garland White, Lee Hopingardner, Mrs. Mable Newberry, Mr. and Mrs. Fred Langer, and Mr. and Mrs. Elton Venable. The next meeting will be in Friona, April 11th.

Mr. and Mrs. Black and son, Mr. and Mrs. Belvin Hall and children of Amarillo, visited in the Oscar Venable home, Sunday.

Mr. and Mrs. R. W. Standefer and children, of Channing, Texas, were weekend guests in the Elton R. Venable home. The Standefers formerly lived in Bovina. He is now superintendent of the Channing school.

S-Sgt. Clyde Blalock and Sgt. Mills, of San Antonio, visited here

last weekend in the Elton Venable Fred Langer, Joe Langer and Hinton Blalock homes. Mr. and Mrs. Blalock returned to San Antonio with them to spend a few days.

The Bovina and Lazbuddy baseballers wound up the regular innings in a tied game, Sunday, with the playoff going to Lazbuddy, 7-6. The next game will be with Farwell, in Bovina, on March 26th.

Mr. and Mrs. Gene Ezell and children visited Mr. and Mrs. L. E. Parker in Roswell, Sunday.

Mrs. C. A. Norton and Mrs. Buster Cochran of Farwell spent Thursday in the S. A. Calhoun home.

Mr. and Mrs. James Taylor and children, of Farwell, visited in the Eimer Venable home last weekend.

A chili supper in the Elmer Venable home, Saturday night, was enjoyed by Mr. and Mrs. M. H. Martin Mr. and Mrs. Mel Gunn, Mr. and Mrs. Oscar Venable and Mr. and Mrs. Will Parker.

Oscar Parker of Amarillo, visited his parents, Mr. and Mrs. Will Parker, on Tuesday.

Mr. and Mrs. W. J. Sides are both in the Friona hospital with the flu. An old-fashioned pounding was given Rev. and Mrs. E. J. Speegle on Wednesday night. Coffee and doughnuts were served approximately 75 friends.

Mrs. A. D. Compton and children of Grier, N. M., visited the first of the week with her sister, Mrs. Al Kerby.

Mrs. J. W. Gooch and Janet spent Thursday with relatives in Dimmitt. Mr. and Mrs. Floyd Montgomery spent the weekend with his mother in Floydada, Tex.

Mr. and Mrs. Frank Barnett spent the weekend in Clinton, Okla., with their daughter, Mrs. Eldon Ward.

Mr. and Mrs. Aubrey Rhodes and son left the past weekend to visit relatives and friends in Duncan, Okla. for a few days.

Al Kerby, Troy Armstrong, and Harvey Alverson left Monday morning on a fishing trip to Possum Kingdom Lake. They planned to be back Wednesday.

Mrs. Ezra Englant and Mary Alice were Clovis shoppers, Friday.

Lee Hopingardner is in Lubbock this week, having a medical checkup.

Mr. and Mrs. Bill Venable and Rev. and Mrs. Duard Lee attending the singing in Earth, Texas, Sunday.

Walter Neal Westmoreland spent Thursday night in the Bill Venable home. He was on a return trip to his home in Kermit, Tex., after a business trip to Liberal, Kan.

Mr. and Mrs. Loflin and family, of Jal, N. M., spent the past weekend with friends and relatives here.

# HUSKY, Dependable Power

THE POWER AND ECONOMY LEADER OF THE 3-4 PLOW CLASS

## THE MASSEY-HARRIS 3-4 PLOW "44"

Here's a 4-cylinder husky that's built for more than just average conditions... a tough, versatile, dependable tractor, the "44" walks away with the most stubborn 3-4 plow jobs on your farm. It's out on a tough field job that you really get to know the "44." That you really discover its lugging ability and economy. You take heavy plowing and discing jobs in stride... plant, cultivate, haul seemingly with no effort.

And you do it on less fuel!

There are more acres of work in every tank of gas with the "44." More furrows plowed, more rows planted, more dollars and cents savings in every operation. See us soon for complete details on the Massey-Harris 3-4 Plow "44." Get the power and economy leader for your farm.

## Agricultural Census Coming Next Month

COLLEGE STATION—Texas farmers and ranchmen will soon be receiving a copy of the 1950 agricultural census questionnaire and each is requested to fill it out and have it ready for the census taker when he calls next month. The questionnaire is being sent to all rural route boxholders and to boxholders in small towns where there are a considerable number of farmers. The copy should not be discarded, says Tyrus R. Timm, extension economist of Texas A. and M. College, but should be studied carefully and completely filled in with accurate information. Here's why.

The Census of Agriculture provides an inventory of our farms and farm resources. It gives facts indispensable in dealing with current farm problems. It benefits everybody, says Timm, because it gives a picture of what is happening in the rural areas of the state and nation and includes facts on land use, crop and livestock production, how many people live on farms, kinds of machinery used, farm home facilities and a large number of other equally important items.

In most states, it provides the major source of county figures on agriculture as well as the basic information on the changes, growth and improvements in agriculture in each county. Timm points out that the information taken from the census often is used in planning programs designed to improve farming and rural life and farm organizations likewise base many of their decisions on this

information. The annual estimates of the production in the nationwide farm census but most important, provides the basis for the making of allocations among counties of quota for the acreage of many important farm crops.

Timm says the information you give the census enumerators is confidential and cannot be used for taxation, investigation or regulation. An Act of Congress provides the protection. Every person who fills out a census form or answers the questions asked by an enumerator are likewise required to give accurate and truthful information.

The accuracy of the farm census will depend upon the cooperation of every farmer and ranchman. The accuracy of the county totals depend upon accurate returns from each individual for county total are obtained by adding the individual reports together.

When you get the agricultural census questionnaire, don't throw it away, but answer every question asked completely and accurately for as Timm points out, the farm census is mighty important to agriculture.

### PRODUCERS PARTICIPATE

A total of 109,763 Texas cotton producers participated in the 1949 Smith-Doxey program. They were members of 1,148 cotton improvement groups and planted almost 8 percent of the state's 1949 cotton acreage. The program provides free classing and market news service for all farmer members. It is supervised by the USDA's PMA.

A number of ceremonial Indian mounds are to be found six miles west of Alto, Texas.

## TOPS IN DOGDOM

American dogdom has its own Man and Woman of the Half-Century, as determined in a national poll of dog fanciers by the Gaines Dog Research Center, New York. George F. Foley (right), Philadelphia, shown here receiving the congratulations of Harry Miller, director of the Center, is the country's veteran dog show superintendent and was voted the honor because of his many contributions to all dog interests and in promoting the purebred dog. Mrs. Geraldine R. Dodge (inset), Madison, N. J., is famed as "the first lady of American dogdom" and won her citation because of her efforts in popularizing many breeds, in promoting dog welfare in general and because of her sponsorship of the Morris and Essex Dog Show, the world's most important outdoor dog event. In the same poll Capt. Will Judy, Chicago, was voted Dogdom's Man of the Year 1949; John P. Wagner, Milwaukee, Dog Breeder of the Year; Phil Marsh, Fort Wayne, Ind., Dog Handler of the Year; Mrs. Beatrice H. Godsol, Canoga Park, Calif., Dog Judge of the Year; Henry P. Davis, Bridgeport, Conn., Dog Writer of the Year; Dr. C. P. Zepp, New York City, Veterinarian of the Year; Charles W. Friedrichs, San Francisco, Humane Worker of the Year—each receiving the Center's traditional "Fido" trophies which in the dog world correspond to Hollywood's "Oscars."

## Social Security Forms At Post Office

"Application forms for social security numbers can be obtained at any post office," John R. Sanderson, manager of the Amarillo social security office, stated today.

The post offices provide forms for the following purposes:

1. Application for original numbers.
2. Application for duplicate cards where the original has been lost.
3. Applications for change of

name on social security cards (when a woman marries, for instance).

4. Application for employers' numbers by owners of new businesses.

"Many persons write our office for these forms when they could save time and trouble by calling at their local post office," Sanderson said.

The completed applications should be mailed to Social Security Administration, Amarillo, where the numbers will be assigned or necessary change in records will be made.

Tribune job printing is best.

## The Critical Season

The most critical season your car goes through is now, when the air is full of sand and dust.

To protect your engine from cutting sand and dust it must be kept free of these damaging elements. Drain the oil often, see that the air intake is kept clean, replace your oil filter elements often.

Bring your car to us for this type of service

## Six Already In Congress Race, Seeking Post Being Vacated By Eugene Worley

AMARILLO — The 28-county square at the top of the Texas Panhandle is in for two warm congressional races this year—both of them for the same seat in Congress.

Although Gov. Allan Shivers has not yet called a special election to fill the vacancy created when Rep. Gene Worley of Shamrock was named to the United States Court of Customs and Patent Appeals, six persons already have entered the race for his office.

One of them is Worley's former secretary, Mrs. Altavene Clark, a strong candidate whose victory in the election would give Texas its first congresswoman.

Whoever wins the election would gain an inside track in the regular July primaries for the Eighteenth Congressional District nomination. The special election will award the office to the candidate receiving the highest number of votes. No runoff is required.

Whoever wins will have to run in July for the regular term nomination. And the winner is almost certain to be challenged by one or more of the candidates who lose in the special election.

That gives the topmost Panhandle district a chance to elect two congressmen in less than four months. And voters could put in one person in the special election and another one in the primary.

Those who have entered the race so far have raised few issues. Apparently they are waiting for the starting gun, which will come when Worley officially resigns his congressional seat to take the lifetime judicial post. The election must be called from twenty to ninety days after the Governor is officially notified of the vacancy.

Entrants so far are: Mrs. Altavene Clark, Worley's former secretary who has been in Washington since 1933 when she became a committee clerk on the staff of Rep. Marvin Jones. Later she served as secretary to Worley and ran his office when the Shamrock congressman served in the Navy. She resigned in January, 1949, to become an administrative officer on the House committee on agriculture.

J. Blake Timmons, 33-year-old State Representative from Amarillo who has represented the Potter, Randall, Carson, Armstrong, Oldham

and Deaf Smith counties district in the Legislature for two terms. Timmons is an overseas veteran of World War II and has aligned himself with the liberals in the Legislature. He is bidding strongly for the Panhandle district's labor vote.

LeRoy LaMaster, a bachelor-farmer from Perryton, on the Panhandle's far-northern tip in Ochiltree County, is making his first try in politics. LaMaster's family has long been prominent in Panhandle agriculture. He said he had been planning to run for Congress even before Worley resigned. He is a Navy veteran of overseas service and was once connected with the Farm Security Administration.

Walter Rogers, a tall, lean Pampa attorney, who in two terms as district attorney lost only three cases said he was entering the race to protect the constitutional rights of individuals. Rogers feels many rights are being taken away and that "we are fast nearing the point of no return". He was reared in McKinney Texas, and said he has no affiliation with any groups "that could or would shackle or hinder me in an unbiased and unprejudiced representation" in Congress.

E. T. Burk, a 74-year-old former Amarillo furniture man, is said to have hundreds of friends throughout the 28-county district who remember that he was the first man in this country to sell furniture without a down payment. When the going got

tough in the depression, he refused to foreclose on a single customer. In many cases he suspended furniture payments while there was sickness in a family, and when his customer went to the war he bought back their furniture, sight unseen, at the price originally paid for it. Many persons believe Burk has a good political machine he built without knowing it. At any rate, the well-to-do Amarillo businessman has already started taking out large newspaper advertisements telling his qualifications for office.

H. J. Bice, an insecticide manufacturer, is running on a platform of government reform. An anti-administration Democrat, Bice will concentrate his campaign in the farm and ranch districts. He was raised in Hood County and came to Amarillo three years ago. Bice has no previous experience in politics, says he got into the race for Congress because he believes the Panhandle district should have a representative who will stand up in Congress and fight for constitutional government.

Mentioned as possible candidates are Deskins Wells, Wellington publisher, who gave Worley a tough scrap for the office several years ago, and Van Stewart of Perryton also a publisher. In addition, there are two potential Republican opponents—Frank T. O'Brian, Amarillo attorney, and J. Evetts Haley, rancher and author.

The district covers the counties of Dallam, Sherman, Hansford, Ochiltree, Lipscomb, Hartley, Moore, Hutchinson, Roberts, Hemphill, Oldham, Potter, Carson, Gray, Wheeler, Deaf Smith, Collingsworth, Pecos, Castro, Swisher, Briscoe, Hall, Childress, Motley and Cottle.

## Dr. White Will Deliver Sermon

LUBBOCK—Dr. W. R. White, president of Baylor University, will deliver the baccalaureate address at Texas Tech on May 21.

Pres. D. M. Wiggins said the former Lubbock minister will deliver the sermon at 8 p. m. on the Sunday preceding the awarding of degrees to approximately 950 Tech seniors. On the following day, Russell B. Brown, Washington, D. C., lawyer, will talk at the commencement ceremonies scheduled for 8 p. m.

Dr. White is former president of Hardin-Simmons University at Abilene and one-time secretary and director of the Texas Baptist General Convention.

# NOTICE

The Parmer County Commissioner's Court has received many complaints about the illegal practices of dumping trash and rubbish upon the public roadways, streets, and off of bridges, etc., in the county. You are reminded that the law provides for penalties by fine up to \$200.00 for anyone caught doing so. It is the opinion of the Commissioner's Court that this law should be enforced, and anyone caught dumping such trash or rubbish on other than public dumping grounds will be subject to prosecution.

Also, it is ordered by the Commissioner's Court, meeting in Regular Session this 13th day of March, that no waste paper, cardboard boxes or other such trash that will blow be dumped in the dumping grounds, but that such be destroyed by burning before taken to the public dumping grounds.

## Sen. LeBlanc Continues Rationing of Hadacol

The continued increasing demand for HADACOL, one of the truly great medical discoveries given to the world by Senator Dudley J. LeBlanc, has made it necessary to decrease the ration allowance on HADACOL from six bottles to two bottles.

"We placed the limit at two bottles to a customer only after trying every other alternative," said Senator LeBlanc. "The de-

mand for HADACOL has increased 100 per cent in the past year as more and more people have learned the blessings of its five B Vitamins and four important Minerals. Despite our new \$250,000 plant equipped with the most modern machinery and our fleet of 30 great trucks to speed delivery, we just cannot keep up with the demand.

"We placed a ration limit of six bottles to the customer several weeks ago but still cannot catch up with production. Our 300 em-

ployees are working shifts around the clock but one bottleneck after another comes up. We expect to lick them all but meanwhile we are asking our customers to have patience and accept no inferior substitutes.

"For instance, when I created HADACOL I read every available authoritative medical and drug book in order to use the very finest ingredients regardless of cost. For instance, I read on page 234, U. S. Dispensary, 23rd edition, that 'Theoretically Calcium Glycerophosphate should for many purposes be superior to most other calcium salts because it represents both calcium and phosphoric acid in a soluble combination.'

"Little did I realize when I made Calcium Glycerophosphate a part of the now famous HADACOL formula that in time the demand for this great medical discovery—HADACOL—would be so great that we would use up the entire available supply in the United States of this product. But that is exactly what we have done and great plants throughout the nation are now working to increase their facilities to expand production of this essential ingredient which blends with other expensive products to help so many million suffering people in distress."

Yes, in HADACOL Senator LeBlanc envisioned the medicine that would bring blessings to folks of all ages, and in perfecting this formula he worked in his own small laboratory, sometimes 18 to 20 hours a day. Perhaps others could have placed the same ingredients in a medicine, but it remained for him to develop a formula which contains the most expensive ingredients of their kind. For instance, he uses Vitamin B-8 which costs at the factory \$550 a kilogram, which is less than half a gallon.

## Use White Cotton Or Linen Goods Often

COLLEGE STATION—Homemakers often make an unpleasant discovery when they go to the storage closet for their favorite white cotton or linen goods. They may find that the sheets, curtains or tablecloths have been in storage too long and that the fabric isn't as white as it once was—may be yellowed in spots or all over.

Then comes a very logical question—what can be done to restore the original whiteness? Mrs. Florence Low, extension home management specialist of A. & M., advises trying the simplest method first. Launder the yellowed article carefully and hang it in the sun to bleach as it dries or dampen discolored areas and spread it in the sun. If this method isn't practical or doesn't work, she recommends using a chemical bleach. The chemical bleach, she warns, must be used with care. If left too long on a fabric, the material will

be weakened or may even rot. If a commercial packaged bleach is used, follow directions given on the package.

You can make your own bleach from sodium perborate. It is one of the safest to apply and for treating a small stain, dissolve two or three tablespoons of sodium perborate in a cup of water and soak stained area for a minute or two. Rinse thoroughly, repeat if necessary. To treat a larger stain, prepare the solution in larger proportions, but regardless of the kind of bleach used, be sure to wash it out of the fabric immediately after treatment.

It is a good idea, she says, to try to locate the cause of yellowing and correct it. Check and air materials that must be kept in storage over long periods of time. Heat and light in storage places may hasten aging effect and soap left in a fabric too long may cause yellow stain. Tea and coffee stains darken with time and iron rust stain can develop from some iron compound in bluing or wash water.

Mrs. Low says that white articles must be thoroughly cleaned before

storing—wash out any soap or bluing. If fabrics have been treated with chlorine bleaches in laundering, neutralize the chlorine by adding a little vinegar to rinse water and then rinse in clear water. Store articles where they will get the best possible protection from heat and light.

## Water Development Program Sponsored By WTCC Group

ABILENE—Significance of a \$200,000,000 domestic and irrigation water development program sponsored by the West Texas Chamber of Commerce and West Texas Domestic Water Association in cooperation with the Bureau of Reclamation was highlighted in a news letter released Saturday from J. M. Willson, WTCC president, to the 180 directors of the WTCC-WTDWA.

The letter also transmitted a brief prepared by the Domestic Water Rights Committee of the WTDWA for President Truman's Water Resources Policy Commission which recommended that federal water laws be amended to recognize "inadequate water as a menace to the national welfare" and that "municipal water be given first priority use in federal water projects, and established as a criterion for dam building."

Commenting on the municipal and irrigation water program for West Texas, Willson commended the work of management and officers committee, Homer D. Grant, of Lubbock WTDWA president, and of the association for rapid development of the projects.

Five group meetings have been held during the period, March 1-15 in pursuance of the multi-city reservoir program instigated by WTCC last year when the Bureau of Reclamation was invited to survey watersheds of the Brazos and Colorado rivers for dam sites to serve all West Texas communities in need of water. A further study of the Red River basin was launched at the Quannah meeting on March 16, when the Upper Red River Basin Water Development Association was organized.

Prior to launching the studies on the Brazos and Colorado River watersheds, the Bureau of Reclamation processed the Canadian River project near Borger to provide a 2,000,000 acre feet reservoir serving cities south to Lamesa. Cost of the reservoir and pipelines is estimated at \$85,000,000.

All municipal water project costs are based on present laws covering the work of the Bureau of Reclamation which provide for a 50-year loan at 2 percent interest and are calculated to fully repay the government on those terms.

### BACON DOES IT

Make your lunchtime salad bowl extra tempting by adding bits of crisp bacon. It's exceptionally good when mixed with a celery, apple, walnut and mayonnaise combination.

## Greenbugs Threaten Small Grain Crop

COLLEGE STATION—Weather conditions have been favorable for greenbug development in most of the grain-growing areas of the state and if this continues, widespread outbreaks may develop, says Dr. H. G. Johnston, extension entomologist of Texas A. & M. Serious damage has already been caused in some areas and their spread should be checked early when possible.

Research work has and is being conducted in an effort to find methods and insecticides for controlling the pest, says Dr. Johnston. Preliminary experiments indicate that the bug can be controlled but whether or not it will prove practical on a large scale has not been determined. Unfavorable weather conditions at this time of the year makes control somewhat hazardous.

When weather conditions are favorable, he says, a 3 per cent gamma benzene hexachloride dust applied at the rate of 15 to 20 pounds per acre is effective. Temperatures below 65 degrees Fahrenheit or wind above 3 or 4 miles per hour during the first 3 or 4 hours after the application may cause very erratic results. Benzene hexachloride may cause damage to barley, he adds.

Due to difficulties usually encountered at this season of the year in applying dusts, spray applications may be the answer, especially when the new low-pressure, low-volume sprayers are used. Dr. Johnston says one-half pint of 40 percent TEPP per acre in 7 or 8 gallons of water applied with a low pressure sprayer has given promising results under rather adverse weather conditions. Temperatures as low as 50 degrees Fahrenheit and winds up to 15 to 20 miles per hour do not seem to greatly affect the results.

Applications, he points out, should be made on heavily infested spots when they first develop in the field to prevent spread to larger areas. These spots may require a second application if weather conditions favorable for greenbug development continue.

Dr. Johnston gives this word of warning on the use of TEPP. He says it is highly poisonous to man even in small quantities and is readily absorbed through the skin. Care must be taken to prevent contact with the skin and inhaling the mist or fumes from the spray. Extreme caution should be observed in handling the 40 per cent TEPP concentrate. One should bathe and change clothes immediately after using it, he says.

Robert A. Taft, U. S. Senator from Ohio: "There isn't any bi-partisan foreign policy and there has not been any for the last year."

## SCS Districts Will Banquet May 16

LEAGUE CITY, Tex.—Plans for several hundred farmer-businessman dinners to be held all over Texas on May 16 have been announced by Waters S. Davis, president of the Association of Texas Soil Conservation District Supervisors.

There are 156 soil conservation districts, each divided into five sub-districts, covering about 90 per cent of Texas and with whom 65,000 farmers and ranchers are already cooperating. The local Chambers of Commerce are cooperating in helping stage dinners over the state.

These dinners, to be called District Cooperator-Businessman banquets will be held simultaneously with a dinner in Houston. Senator Clinton Anderson of New Mexico, former secretary of agriculture, and other agricultural and business leaders will participate in the Houston dinner.

"The reason for these soil conservation district supervisor dinners is to get the business man to under-

stand that soil conservation districts are efficiently working for the good of the entire community," Davis said. "Essentially our district work is much the same as that of a manufacturer who improves his plant facilities with modern tools. We are rebuilding and maintaining the efficiency of our soil, the farmer's factory to turn out a better product for the consumer and reduce unit production cost."

Fort Parker, five miles north of Groesbeck, Texas, has been completely restored from pioneer days.

## Bob Wills Hears Folks Tell Of Hadacol's Many Blessings

Hundreds of folks, who are benefiting every day from taking HADACOL meet at the Trianon Building in Oklahoma City where Bob Wills, famous band leader, and his Texas Playboys broadcast each noon for HADACOL.

"It looks like all my fans are getting wonderful benefits from HADACOL," said Wills. "It is a real pleasure to broadcast for HADACOL because the folks taking HADACOL are so enthusiastic that I feel like I am performing a real service for mankind."

Hundreds have told Wills of the blessed benefits of HADACOL and the following statement by Miss Carol Jean White, 3636 West Park St., Oklahoma City, is a good example:

"One of the luckiest days of my life was when I heard Bob Wills tell about the wonderful blessings of HADACOL. I had lost my appetite, my energy was down. I suffered with gastric disturbances and indigestion. I took the advice of Bob Wills and took HADACOL. I felt better right off and have felt better and better as I have continued to take HADACOL. I now recommend HADACOL to my friends."

Miss White suffered with a deficiency of B Vitamins and important Minerals which HADACOL contains.

A lack of only a small amount of the B Vitamins and certain Minerals will cause digestive disturbances. . . . Your food will not agree with you. . . . You will have an upset stomach. . . . You will suffer from heartburns, gas pains, and your food will sour on your stomach, and you will not be able to eat the things you like for fear of being in misery afterwards. Many people also suffer from constipation. And while these symptoms may be the results of other causes, they are

### Bob Wills Hears About HADACOL'S Blessings

Bob Wills, famous western music band leader, loves to talk with his fans at the Trianon Building auditorium in Oklahoma City about the blessings of HADACOL. In the picture above Miss Carol Jean White, 3636 West Park St., Oklahoma City, tells Bob how much HADACOL has helped her. Hundreds of folks who are obtaining rich blessings from the precious B Vitamins and Minerals in HADACOL visit Wills each week for his network broadcast, which is originated from KBYE, Oklahoma City, Oklahoma's western music station, and sent over a leased wire to stations, KRMG, Tulsa; KWHN, Fort Smith; KGLC, Miami, Oklahoma; KLYN, Amarillo, and KWFT, Wichita Falls.

surely and certainly the symptoms and signs of the lack of the B Vitamins and Minerals which HADACOL contains. And if you suffer from such a disorder, there is no known cure except the administration of the Vitamins and the Minerals which your system lacks.

HADACOL contains not only one, but 5 of the B Vitamins. HADACOL contains not only one, but 4 of the necessary Minerals. It comes to you in liquid form, easily assimilated in the blood stream so that it can go to work right away.

It is easy to understand, therefore, why countless thousands

have already been benefited by this amazing tonic, HADACOL.

So, it matters not who you are . . . it matters not where you live . . . or if you have tried all the medicines under the sun, give this wonderful preparation a trial. Don't go on suffering. Don't continue to lead a miserable life. Many persons who have suffered and waited for 10 to 20 years or even longer, are able now to live happy, comfortable lives again because HADACOL supplied the Vitamins and Minerals which their systems needed. Be fair to yourself. Give HADACOL a trial. Demand the genuine HADACOL. Accept no substitutes.

## Farwell Takes First Invitation Track Meet When Three Teams Compete In Friona

Taking ten first places, the Farwell Steers walked off with the first of the spring track and field meets, the past Thursday when Friona played host to a three-way meet featuring the Steers, the Chiefs, and the Whiteface aggregation from Hereford.

Speedster Jerry Pool probably captured high point individual honors for the day, although no figures were released on single counting, as he took first in the 100, the 220, the mile and the broad jump. Donald Ford put Farwell at the front in the shot put; John Christian claimed the low hurdle event; Jesse Coburn paced the 880 and two relay squads running the 440 and the mile, each got a blue ribbon for the Steers, and Bob Gerles clinched the high hurdles.

Team points at the conclusion of the day stood 68 for Farwell; 44 1/2 for Hereford, and 36 1/2 for Friona.

The complete record of events follows

120-yard high hurdles — Gerles Farwell (19.9); Walker, Hereford, Christian, Farwell.

100-yard dash — Pool, Farwell (10.4) first; Terry, Raney, Poteet, of Farwell, Walterscheid and Shirley of Hereford, tied for second; Kelly, of Hereford, third; Laceywell, Friona 4th; Robbins of Friona and Stanton and Dement of Hereford, tied for 5th; Rettemna, Hereford, sixth; Houlette, Friona, 7th; Irwin, Hereford 8th.

440-yard dash — Massey, Friona (57.5); Gresham, Hereford; Morton, Hereford; McKillip, Farwell; Jordan, Farwell.

220-yard low hurdles — Christian, Farwell (26.5); Laceywell, Friona; Robbins, Friona; Walker, Hereford; Gerles, Farwell; Click, Hereford; Dial, Farwell; Schrawder, Farwell; Poteet, Farwell; Phillips, Hereford; Crume, Farwell.

440-yard relay — Farwell (Pool, Poteet, Ford, Terry), time, 48.7; Hereford (Kelly, Stanton, Shirley, Gresham); Friona (Laceywell, Barnett Robbins, Massey).

880-yard dash — Coburn, Farwell (2:25.5); Barnett, Friona; Teed, Hereford; Jordan, Farwell.

220-yard dash — Pool, Farwell (24.8); Laceywell, Friona; Shirley Hereford; Robbins, Friona; Raney, Farwell; Morton, Hereford; Gaylor Hereford.

Mile run — Pool, Farwell (5:46.8); Allman, Hereford; Schlabs, Friona Ingman, Hereford.

Mile relay — Farwell (Jordan, Poteet, Ford, Christian), time 3:57.8 Friona (Robbins, Cruse, Fulks, Massey); Hereford (Walterscheid, Rose Doaks, Gresham).

Vault — Laceywell, Friona, 8 ft. 8 in.; Nix, Farwell; Pool, Farwell.

High jump — Hutson, Hereford, 5 ft. 8 in.; Christian, Farwell; Pool Farwell; Laceywell, Friona; Fields Hereford.

Shot — Ford, Farwell, 35 ft. 3 in. Morton, Hereford; Poteet, Farwell Massey, Friona; Fish, Hereford Cruse, Friona; Dement, Hereford Freeman, Hereford.

Discus — Stanton, Hereford 101 ft 8 in.; Massey, Friona; Fish, Hereford; Morton, Hereford; Nix, Farwell.

Broad jump — Pool, Farwell, 18 ft 9 1/2 in.; Engman, Hereford; Laceywell, Friona; Walker, Hereford; Teed, Hereford; Jordan, Farwell.

Jefferson, Texas, in the middle 1880's was a metropolis surpassing both Houston and Galveston.

## Volleyball Tourney Slated At Texico

Girls' teams who are currently engaged in volleyball will have an opportunity to try their skills against competitors on March 31st, when the Texico school will play host at an invitation tournament.

Primarily, Curry county teams are to be featured, Supt. Agrie Jones said Tuesday, in announcing the affair, although others may be included.

At present, teams expected include Rosedale, Ranchvale, Grady, Melrose, Forrest, Field and Texico. The bracket will be drawn and released the first of next week, in sufficient time to reach coaches before play begins on Friday.

## Parmer Tracksters Groom For Meet

Improved weather on Tuesday stimulated track and field activities over Parmer County, as representatives from the various schools prepared for the seasonal county meet which will be held next weekend in Bovina.

Little actual time has been spent by the boys trying out for various activities, coaches at the different schools said 'his week, due to continued high winds which prohibit workouts.

Farwell men made a nice record for themselves, last weekend, when they captured a lion's share of first places at a three-way invitation affair held in Bovina, and are hopeful that the Thursday showing was indicative of the rating they will get when the county events are run off.

The 1950 interscholastic league meet is scheduled to be held in Bovina on March 31st, April 1st.

## May Slate Track Meet Locally

Coach C. B. Stockton said on Tuesday that it is "possible" the Texico track and field squads would hold an invitation contest on Friday, March 31st, although plans at this time are in the tentative stage.

Due to weather conditions, very little preliminary track has been carried out, he added ruefully, explaining that sandstorms are not considered tops for track workouts.

A large number of juniors and seniors are working toward the coming track events under the direction of Coaches Stockton and John Armour, with the first definite activity slated for the middle of April, when the teams plan to take part in the Fca Relays at Fort Sumner.

### CHAMBER TO MEET

President C. M. Henderson today called attention to the monthly gathering of the Chamber of Commerce at the Legion Hall on Monday night March 27. All members and interested parties are requested to bring the usual "eats" for the light lunch to be served at 7:30.

CONGRESSMAN PLEADS GUILTY . . . Rep. Fred Crawford (R. Mich.), who was jailed for striking amateur boxer Ray Hanbury, makes friends with Lt. Elon Turner of the Prince Georges county, Md., police shortly before his appearance in court. The 62-year-old lawmaker, who remained in jail over a weekend in protest against Maryland bond system, pleaded guilty to assault charge and paid \$25.

## Judging Teams Take Part In Contest

Three judging teams representing the Texico Future Farmers of America Chapter, were in Portales the past Saturday, when a practice judging meet for FFA teams from New Mexico and West Texas was held on the campus of Eastern New Mexico University.

Fern Stout, head of the ag department, was unable to be in Portales due to a recent operation, but stated on Tuesday that his teams apparently did not place in the top ten. A scoring sheet released from the University gave only the teams placing in the first ten, Stout explained.

Participating from Texico were Jesse Cox, Robert Tucker and Billy Murdick, dairy; D. J. Brown, Kenard Harris and Buddy Joe Sparks, livestock; Brown, Sparks and Donald Ray Engarm, crops.

The district judging session is slated for ENMU, Stout added, and the state judging, at Las Cruces, comes April 13-14-15.

## Attend Funeral Of Nephew, Tuesday

Mr. and Mrs. George Dannheim, of near Muleshoe, have returned from Giddings, Texas, where they were called recently by the death of a nephew, Gilbert Mitteciash. The young man died following injuries in a pickup smash which occurred on the 11th, and was buried at Giddings last Tuesday. He was the son of Mr. and Mrs. John Mitteciash, and was 16 at the time of his death.

Dannheim reported that the pickup was driven by Carl Kalbas, a cousin of the victim, and another passenger was Willie Mitteciash, brother of Gilbert. As the vehicle was passing a truck the steering control locked, with the machine leaving the road and crashing into a tree.

Gilbert Mitteciash died four hours later, and Kalbas is still hospitalized with a broken leg, bruised arm and face. Willie Mitteciash sustained cuts about the face and bad bruises.

Also attending the funeral with Mr. and Mrs. Dannheim were Carl Noack, of Clovis, and Max Kalbas of Lamesa.

### MARSHALL TO SPEAK

PLAINVIEW — Dr. J. W. Bill Marshall, president of Wayland College, will bring the inspirational message at the evening session of the Baptist Training Union Convention in Shreveport, La., on March 24.

## Bovina Church Plans Gospel Series

Special gospel services have been announced this week for the Bovina Church of Christ, beginning on Sunday, March 26th, and continuing through Sunday, April 2nd. Services will be held at regular hours on Sunday, with week-day sessions at 10 a. m. and 8 p. m., officials added.

Sol Morgan, of the Farwell church, will be the guest speaker on Sunday, taking up "Mission and Work of the Church" at the 11 o'clock hour and "Personal Evangelism" in the evening.

On Monday morning, Joe Banks Amarillo, will discuss "Rightly Dividing the Word of Truth", and the evening topic will be "The Two Covenants". Murray Marshall, of Melrose, is to appear on Tuesday, speaking on "Women's Work and Place in the Church" and "The Establishment of the Church".

"The Christian Home", and "The Great Commission" are the themes for Wednesday, to be handled by Homer Winett, of Dimmitt; and on Thursday Herb Swinney of Friona will discuss "Financing the Church" and "Growing in Grace and Knowledge".

Walter Bostick, of Sudan, is to be in charge of the services on Friday, speaking on "Dangers Facing the Church Today" and "Young People's Work in the Church". The Saturday topics, "Officers in the Church" and "Religious Unity", will be handled by L. L. Freeman of Lazbuddy.

Final services will be held on Sunday, April 2nd, with Debs Smith of Portales, taking up "Worship of the Church" at the morning hour, and "Evidences of the Christian Life", in the evening. At three that afternoon, gospel singing will be enjoyed by the church.

A cordial invitation is issued the public to attend the services.

## Judge On Bench Here, Tuesday

Judge E. A. Bills, of Littlefield, will be on the bench for the March term of district court in Parmer County, Tuesday, it was announced on Monday by Loyde A. Brewer, county and district clerk.

Clerk Brewer added that only civil cases would be handled, and that a docket would not be prepared, other than the regular civil file docket on hand in his office.

Court will convene at 10 o'clock in the district courtroom of the courthouse in Farwell. No jury summons have been ordered by Judge Bills, it was added.

### HOPPER—

(Continued from Page 1)

The Tribune office was visited by Mrs. Mary E. Payton and members of the journalism class of the Texico school on Tuesday afternoon. We enjoyed having them, and hope they will pay us another visit.

High school students who are graduating this spring and who, because of finances, see little prospect of being able to attend college, would do well to consider learning something about the printing and newspaper business. There is a dearth of printers and linotype operators at all colleges and universities, and students having experience of this kind will have little difficulty in being able to make their way through college. We would be interested in taking in a boy or a girl who has ambitions to learn the printing trade as a means of furthering their education, or as a beginner who wants to learn our profession for his trade.

## Surplus Material Given Cafeteria

At the invitation of Chris Anderson, war surplus commodity director, Supt. Agrie Jones visited the inactive air base in Clovis last week,

and acquired a number of war surplus materials for the school cafeteria and FFA workshop, at no cost to the school.

Included in the assignment were an electric motor and speed changer valued at \$150; an oxygen drum and carriage, a steel tool stand; 100 knives, 4 cooking caldrons, butcher knives, meat cleavers, a meat grinder valued at \$30, a large griddle, 20 large spoons, and various odd items.

A partial promise was made Supt. Jones that the school receive a steam table, with the Texico school getting second chance at the table. It is valued at \$400 and would be of tremendous aid in the school cafeteria.

## Grain Sorghum Notes Mature March 31

Loans on 1949 grain sorghum crops mature at midnight, March 31, members of the local PMA office personnel reminded this week.

"The market," they report, "is somewhat lower than the loan price received. However, everyone wishing to redeem the grain may do so at the local PMA office or at the bank from which the loan was secured, by paying the principal, plus 3% interest."
