

TWO NEW PASTORS BEGIN WORK HERE

REV. C. M. FIELDS

REV. LANCE HURST

FROM THE HOPPER

By HOP

Most big game hunters, returning from their annual trek to the mountains of New Mexico this year, agree that they realized a real saving on ammunition expense this year.

Speaking about deer hunters, Sloan Osborne, Friona postmaster tells this one on himself. A few years ago he went deer hunting for the expressed purpose of reducing his waist line.

At the time of leaving home, he tipped the scales at 202. He said that he really put in lots of miles climbing the hills and crossing the canyons and was taking up a notch in his belt every day.

On returning home a week later he gingerly stepped on the scales in happy anticipation of the pounds he had left in the hills. Imagine his dismay when he discovered that he had gained three pounds.

Noticed in the paper where the Federal Reserve Board has asked that bankers begin curbing loans to individuals in an effort to fight inflation.

That may be good advice for some bankers but we happen to know a certain thin-haired banker down next door to the Fox Drug Store who don't need that advice.

Add to accommodating and genial business women, Mrs. Lucy Brown, Texico postmaster.

When you get notice that your subscription is soon to expire, we hope you will understand that it means what it says. Our policy is to discontinue all subs that expire; postal regulations and sound business principles make that imperative.

We don't want to lose a single subscriber, but we cannot continue sending the paper when our notices are disregarded.

And here's a letter from Mrs. Leora Heck, down at Kilgore, congratulating us for the AA rating The Tribune has received. Other congratulations, expressed personally during the past week, have come from Mr. and Mrs. Jack Dunn of Clovis, and Duane Sprawls of Beaumont.

We are sincerely appreciative of these compliments. Now, if we can succeed in convincing our advertisers what a great paper we have, all would be lovely.

Here's something that you probably didn't know. Neither did we until recently. Operators of school buses in New Mexico are required to attend a school each year.

Norman W. Peyton, Texico and Pleasant Hill school bus operator, attended one of these schools just before the fall term began. And he brings back this report.

Teen-age school GIRLS who drive buses in New Mexico have the best record of accident-free operation of any category of drivers. Over school ladies are next in line, followed by school age boys, and lastly by over school age men.

What was that remark about women drivers?

Reflecting the student reaction to the recent downfall of the highly-tooted Mustangs, was a card from our offspring down at SMU, bearing this terse advertisement: "For Sale—Two tickets to the Cotton Bowl, Jan. 1, cheap."

REV. CARPENTER ILL

Rev. Mayo Carpenter, Baptist pastor of the Oklahoma Lane Church, was taken to the Farmer County Hospital at Friona the first of the week, suffering with an attack of pneumonia. He is reported to be recovering satisfactorily.

Rev. Lance Hurst Continues Work As New Local Pastor

Rev. Lance Hurst, new pastor of the Hamlin Memorial Methodist Church, has been occupying the pulpit at the church now the past three weeks.

Originally from Spur, Texas, Rev. Hurst has worked with several congregations since he began his evangelistic career. His first pastorate was at Pyote and Wickett, in the New Mexico conference.

He has been situated in the New Mexico conference since 1944. During the past few years, he has spent four years at Aztec, and two and one-half years at Santa Rosa.

Rev. Hurst attended college at Texas Wesleyan in Ft. Worth, and did seminary work at Southern Methodist University in Dallas, and Boston University in Massachusetts.

Discussing his work in Texico-Farwell, Rev. Hurst says that he plans to follow the program of the Methodist Church. Asked about his reaction to the Twin Cities, he said, "I am very favorably impressed with the town and am happy to be in the community."

Rev. Hurst succeeds Rev. Murphy Duncan, who transferred to Oklahoma and is now located at Maysville.

Dies Here In Home Of Sister-In-Law

J. A. Oliver, 76, who had been making his home with his sister-in-law, Mrs. Rosa Barlow, in northeast Farwell for the past year and a half, passed away last Thursday evening following an illness of long standing.

The body was taken to Albuquerque in a Steed ambulance and interment was made there, following graveside rites conducted by Jehovah's Witnesses. He was buried by the side of his wife, who preceded him in death some three years.

Survivors include one son, J. W. Oliver, of Philadelphia; and one grandson, Jerry Oliver, of Los Angeles.

Lazbuddy Road Job Finished This Week

Surfacing of better than seven miles of farm-to-market road in the Lazbuddy community was completed this week by Purtell and Jones, Littlefield contractors.

Originally, the plan called for caliche surfacing of nine miles, starting at the end of FM 690 paving and continuing east for this distance. Plans were altered to include three-quarters of a mile from the Lazbuddy store north to the north property line of the school grounds.

Such changes in the original plans leaves two miles of the east-west road unsurfaced. "We would like to have closed this gap, but we didn't have enough money," Commissioner W. S. Menefee stated. Money for the project was furnished from the road fund of Precinct 4.

Parking aprons in front of the school buildings and driveways to the bus barns also received a coat of surfacing, which was paid for by the school district.

SPECIAL SHOWS

Scotty Levins of the Border Theatre, announced today that two special shows would be shown this week. On Wednesday night, starting at 11 o'clock, a preview of "The Eagle and the Hawk" will be shown and on Thanksgiving Day the same film will be shown starting at 2 p.m. and run continuously through the afternoon and evening.

Sunday's High Wind Halts Harvest

Two Hi-Jackers Slug Station Attendant

Rev. C. M. Fields, Baptist Pastor, Arrives On Friday

Rev. C. M. Fields, new pastor for the Texico-Farwell Baptist Church, arrived Friday to take over his duties.

Rev. Fields, who is 33 years old, replaced Rev. O. O. Holladay, former pastor who was called into the armed forces last month.

Although Comanche, Texas, is his original home, Rev. Fields has been living in Dallas, where he was pastor of the Letot Baptist Church.

He also attended Southwestern Theological Seminary in Ft. Worth, for 18 months, but did not complete his work there. He finished college work at Howard Payne in Brownwood.

Prior to going to Dallas, the minister had pastored the Woodrow Wilson Baptist Church, in Lubbock.

Discussing the local church, he says he plans to follow the regular church program, and "to be a friend and pastor in the community". Rev. Fields adds that he is quite impressed by the friendliness of the Texico-Farwell people.

The past Sunday, Rev. Fields delivered his first sermon as pastor of the local church. He had conducted services twice previously before he was called.

For his first official appearance, the minister spoke on "What Is In Your Hand?" and the "Voice of God".

Rev. Fields and his wife have three children.

New 1951 Ford Goes On Display Friday

The new Ford for 1951 will go on display here Friday along with other public showings throughout the nation. O. C. Sikes of the Sikes Motor Company, announced this week.

Sikes said that he had been promised at least three of the new models for the showing, but it began to appear the first of the week that only one of the new cars would be available here. He gave a shut-down at the Ford plant as the reason for the one-car showing.

Refreshments will be served throughout the day at the showrooms of the local dealership, and the public is invited to come in and inspect the new model.

To Attend Austin Meet This Weekend

Members of the Farmer County Commissioners Court will leave this weekend for Austin, where they will attend the annual convention of the State Judges' and Commissioners' association.

The convention will be in session in the capital city on November 27, 28 and 29th. Registration will begin on Sunday preceding the regular sessions.

County Judge A. D. Smith; Charlie Calaway of precinct two; and W. S. Menefee, of precinct four, plan to make the trip.

While there, the Farmer County group has arranged a conference with the State Highway Commission, for the purpose of discussing additional farm roads in the county, Judge Smith says.

The convention was held in San Antonio last year.

Special Services Slated At Oklahoma Lane 23rd

Community Thanksgiving service is scheduled at the Oklahoma Lane school gymnasium Thursday night, with Rev. Frank Beauchamp, pastor of the Methodist Church, of Littlefield, delivering the special holiday sermon.

Sponsored by the Oklahoma Lane Baptist and Methodist churches, the annual service begins at 7:30 in the evening.

A special song service will also be presented by a joint choir of Methodist and Baptist members.

Rev. A. D. Moore, of the Methodist church, and Rev. Mayo Carpenter, Baptist pastor, invite everyone to attend the community service.

CHAMBER MEETS MONDAY

The Farwell Chamber of Commerce will hold its regular monthly meeting at the Legion Hall, Monday evening, beginning at 7:30, with the attendants bringing light lunches.

President C. M. Henderson said today that he would be out of town at that time, but O. C. Sikes, vice president, will have charge.

Henderson said there were several matters of importance that needed to be attended when the group meets.

Prominent Citizen Claimed By Death

J. O. Ford, age 78, one of Farwell's most prominent citizens, died at the Memorial Hospital in Clovis late Sunday afternoon, after an illness of some weeks.

Mr. and Mrs. Ford were returning home by bus from a visit to their old home at Madisonville, Tex. when he was stricken with a heart attack.

They were able to continue their journey, however, arriving here Sunday morning.

Mr. Ford was taken to his home, later moved to the hospital, where the end came late in the afternoon of the same day.

Funeral services were conducted at the Baptist Church, Tuesday afternoon by Rev. C. M. Fields, pastor, assisted by Rev. W. C. Wright, former local pastor, of Morton, and Minister Sol Morgan of the local Church of Christ. Burial was at Bovina under the direction of the Steed Funeral Home of Clovis.

Mr. and Mrs. Ford came here from Vernon in 1921 and purchased a two-section stock farm some six miles north of here, where they resided and prospered until his health failed a few years ago. Last year they built a new and modern home in this city, where they had since resided.

Ford was an active worker and supporter of the Baptist Church, and had been recognized for many years as one of its most influential and staunchest members. He was one of the city's most worthy citizens, and his passing brings grief to all who knew him.

Immediate survivors are his wife, and five sons, all of whom were here for the final rites. They are: A. O. Ford, Clovis; F. R. Ford, Fresno, Calif.; J. C. Ford, El Paso; R. B. Ford, Hereford; and Gilbert Ford, Farwell. Sixteen grandchildren and eight great-grandchildren are also listed among the survivors.

Commissioners Air Building Ordinance

Realizing the importance of fire prevention in the city, the Farwell City Commission, in its regular meeting on Monday night, discussed the adoption of building ordinances inside the city limits.

While no final action was taken, the Commissioners voiced the opinion that some regulatory measures must be taken to restrict certain types of buildings in the business section of the town. Ordinances dealing with this problem are expected to be forthcoming out of the discussion.

TO DEDICATE CHURCH

A special dedication service will be held at the local United Pentecostal Church, located 3 blocks north of the Texico Fire station, on Monday night, November 27.

The service is scheduled to get underway at 7:30, with Rev. Mack D. Abbott, District superintendent of the Texico District, from El Paso, assisted by Rev. G. W. Hamilton, district presbyter of Amarillo, holding the dedication services.

Rev. C. A. Hatcher, local pastor, extended a cordial invitation to the public to attend this special service.

CARS DAMAGED

Two cars were damaged Tuesday afternoon when Sonny Spurlin, driving south on Third Street in Farwell, clipped the rear of Loyde Brewer's new Ford, parked in front of Aldridge and Aldridge law office. Damage to the Brewer car was estimated at \$200.00 with the Spurlin car escaping with slight damage.

AT CAMP POLK

Bill Johnson, son of Mr. and Mrs. Russell Johnson of Texico, is now stationed at Camp Polk, La., serving with the medics of the 188th Infantry.

Quenton Jacks, 20-year-old filling station attendant, was slugged with a blackjack shortly before 6 a.m. Sunday morning when two hi-jackers robbed the No. 1 Bagley Station on Highway 60 in north Farwell.

Two men have been arrested in Albuquerque, and are understood to have confessed to two robberies the past week, one at Muleshoe and the other at Lubbock. Local officers are of the opinion they are the same pair that did the local job.

Jacks, who was alone at the time of the robbery, said that two men drove up in a dark blue Mercury and asked that the oil be checked. The driver of the car alighted and raised the hood of the machine, and while Jacks was stooped over checking the oil, the man slugged him in the back of the head with a blackjack.

Then the two men took hold of Jacks, carried him into the station and flung him into the grease pit, then proceeded to rob the station. Failing to open the cash register, the pair gathered up the register and drove off with it and the contents.

Jacks said that he knew exactly how much he had in the register, because he had just completed checking up in preparation of changing shifts at 6 a.m. In addition to the register, valued at \$350.00, the hi-jackers got off with \$170.00 in cash and some checks, amounting to approximately \$25.00.

Jacks said that he was positive he could identify one of the men—the one that slugged him—and the car. Sheriff Chas. Lovelace and other officers of the region have been working on the case, and a solution is believed near.

Former Bovina Lady Is Buried At Ralls

Funeral services for Mrs. Flora Nitler, age about 45, were held at the Methodist Church in Hale Center, on Monday afternoon, and burial took place in the Ralls Cemetery.

Mrs. Nitler, the wife of Will Nitler, lived at Bovina for a number of years, moving to Hale Center some five or six years ago. She was a Past Matron of the Order of Eastern Star at Bovina, and was secretary of the Hale Center Chapter at the time of her death.

She had been suffering with cancer for some time and was a patient in a Plainview hospital at the time of her passing last Friday.

Eastern Star rites were conducted by the Hale Center Chapter, assisted by members of the Bovina Chapter. She is survived by her husband, and one daughter, Millda Jane, who is employed at Plainview.

Five-Year-Old Girl Survives Fall From Car Moving 70 mph

Linda Palmateer, five-year-old daughter of Mr. and Mrs. M. A. Palmateer of the Pleasant Hill community, is recovering satisfactorily from a serious fall out of a car traveling at seventy miles per hour.

The accident occurred near Canyon last Tuesday as the family was enroute to Amarillo. Little Linda was endeavoring to roll a glass down when she accidentally struck the lever which opened the door and the rush of wind threw her out of the car.

The child was immediately rushed to the Canyon hospital for first aid, and later moved to Memorial Hospital in Clovis. She suffered cuts and bruises but was able to return to her home that same day.

Friona Elevator Has Big Run Of Grain

Arthur M. Drake, manager of the Friona Wheat Growers Elevator at Friona, said his elevator handled more than three million pounds of grain on Nov. 6 for a record run at the plant.

The new concrete and steel elevator, constructed the past summer, has a capacity of 1,300,000 bushels, and Drake expressed the belief that it would be filled before the harvest was completed. Stored wheat, amounting to 250,000 bushels from last summer, occupies some of the space, Drake said.

Harvesting of the feed crop over this region, which had begun to reach the final stages, was slowed down to a snail's pace the first of the week following an unseasonable wind storm that laced this section on Sunday.

While operations were complete in many fields, there are many farmers who yet have much grain to be gathered. Most unharvested fields were laid low by the wind blast, resulting in a difficult task to gather the grain by combines.

Farmers were reported to be rigging up their combines with "fingers" the first of the week, making a valiant effort to salvage much of the fallen feed crop.

Meanwhile, with the slowing of the harvest rush, grain men here reported that the storage situation was not so serious as had been anticipated over the past weekend, when all storage facilities were nearing the capacity stage. Rail cars are coming through on a very limited scale, but with the tapering off of the rush season most grain buyers expressed the belief that they would be able to handle the crop without piling the grain in the open.

This hope was expressed only on the condition that the car situation shows some improvement.

The fact that there is considerably more storage available this year than in recent years is also a vital feature in handling the current crop, grain men added.

Local FFA Chapter Conducting Team Is Second In District

Members of the Farwell Future Farmers of America chapter conducting team won second place in district FFA contests held in Hereford the past Saturday. First place winner in conducting was Canyon.

Local team members were Jerry Pool, president; Dennis Raney, first vice president; Junior Poteet, second vice president; Leon Langford, third vice president; Teddy Magness, secretary; Buil Dolan, treasurer; Ronnie Dial, reporter; Oris Jones, parliamentarian; Billy Medley, historian; Rex Pool, sentinel; and Lynn Carpenter, advisor.

Caryetta Grissom, local FFA sweetheart, competed against six other contestants for district title; Miss Carolyn Wilson of Bovina was elected as district sweetheart. Miss Grissom was accompanied to the contest by Miss Jeanean Lunsford.

Also attending were Robert Morton, FFA sponsor, and Teddy Frank Gulley and Wayne Morris. The local chapter had planned to enter members in the FFA junior quiz, but one of the boys was absent.

The Hereford boys won first places in the junior FFA quiz and in the junior chapter conducting contests; winning the junior and senior farm skills demonstrations was Friona, Hart took second honors in senior demonstration and Dimmitt won second in junior demonstration.

Judges who made the decisions Saturday were W. W. Hall of Littlefield and Travis Scott, Spring Lake, in junior chapter conducting; Edgar Chance of Sudan and L. B. Gibson of Spade in senior conducting; Edward White, Muleshoe, and Robert Morton, Farwell, junior demonstration; T. L. Devin, Canyon and Ross Stuard, Lazbuddy, in senior demonstration; and T. L. Leach, Lubbock, quiz.

Dimmitt and Bovina won second and third, respectively, in the junior quiz.

Chapter contests are an annual affair in the Hereford district, which is composed of Farwell, Bovina, Friona, Hereford, Canyon, Hart, Dimmitt and Lazbuddy.

Vice president of the State Association of FFA, Bobby Warren of Dimmitt, presided at the affair.

Mrs. Humble Breaks Hip Bone in Fall

Mrs. Ralph Humble, 65, suffered a broken bone in her left hip shortly after noon last Thursday when she slipped and fell while engaged in mopping her kitchen floor.

She was taken to a Clovis hospital, where she underwent surgery for setting the broken bone and is reported to be recovering satisfactorily. She will be required to use crutches for some time after being dismissed from the hospital.

Kenneth Stone, mechanic at the Sikes Motor Company, attended a two-day school, held in Clovis the first of the week for Ford tractor mechanics.

LIGHT COFFEE CAKES

What's the secret of making yeast coffee cakes so light they can be served in place of cake? The use of enriched flour is one factor, since this product is especially blended to provide the best baking. When mixed to a dough, it handles easily and rises to superior lightness. The proper proportion of ingredients is important, too, since milk, shortening and sugar must be present in just the right amounts to stimulate the yeast to action and flavor the flour perfectly.

DUMPLINGS, HOLIDAY TREAT

Plump, tender dumplings add that needed bit of glamour to stewed chicken left from the holiday bird that has been folded into a cream sauce along with carrots, peas and mushrooms. Easiest way of all to make the dumplings is to use a drop biscuit batter which takes just a few minutes to prepare. The dumplings add important food values, too, since their base is enriched flour.

MEXICAN LUNCHEON

For a quick main dish with a foreign touch prepare this Mexican luncheon. Brown a lb. of bulk sausage in a frying pan with diced onion and green pepper. Pour off the drippings. Add a can of tomatoes, 2 cups of sour cream, 2 cups uncooked macaroni. Season with chili powder, a bit of sugar and salt, then cover and simmer for about 20 minutes.

They say you are an old timer if you can remember when a bureau was a piece of furniture.

KING RETURNS FROM EXILE . . . King Leopold III of Belgium, who recently returned to his country to re-assume his throne after spending six years in exile, kisses his daughter, Princess Josephine-Charlotte, just before the monarch left Switzerland. At right is Princess de Rethy, Leopold's commoner wife. There has been much demonstration in Belgium against Leopold's return to the throne. He offered to abdicate if his opponents would forego civil war. Protest against him in the form of strikes disrupted the nation's economy.

RAT POISON EFFECTIVE

The new rat poison, Warfarin, appears to be one of the most effective poisons yet developed for controlling rats and mice. It is poisonous to all warm-blooded animals, but the

amount recommended for controlling rats and mice is so small that there is little danger of farm animals or people being poisoned accidentally.

EATING HABITS CHANGE

Research studies show that good

eating habits tend to go downhill as school children grow older. With the onset of the teen years, continuing through high school, food habits decline still further.

BACON, CANADIAN STYLE

Smoky Canadian-style bacon is sure to awaken morning appetites. To prepare, place the slices in a frying-pan and cook slowly, turning frequently, until lightly browned. This takes from 6 to 8 minutes. Serve with fruit, French toast and syrup.

DRIED BEEF MORSELS

Entice guests with these clever tidbits. Roll thin slices of dried beef into cornucopias, fasten with colored picks, then stuff with chive cottage cheese or smoky cheese.

CORN ACREAGE IN HYBRIDS

Approximately 60 percent of the 1950 corn acreage in Texas was planted to corn hybrids. This compares with the national average of 77.2 percent.

Engineer Draws Plans For Water Main Expansion, Friona

FRIONA—Mr. Smith, of the engineering firm of Parkhill, Smith and Cooper, of Lubbock, was here during the past weekend, doing work on the outlining of the water main enlargement program slated for the city, Mayor Mack Bainum reported this week.

In a recent bond election, Friona citizens voted to improve and enlarge the local water main system, install paving on residential streets, and erect a new city hall, with the water program being first up for actual development.

Bainum reported that larger mains would be installed in the business district, and the smaller lines would in turn be moved into the outlying residential areas to permit more room for growth.

Promises of pipe delivery have been received, the Mayor went on, adding that it was hoped that this improvement program would actually get underway in the near future.

Paving petitions, which will outline the number of streets in the city to be paved, have been practically complete, but work on this project will of necessity be delayed until spring, when the danger of freeze is past. The tentative map for such work shows that a large portion of the paving, which will include some 50 blocks in all, will be in the thickly settled western part of Friona, with some streets on the north and east side also to receive all-weather topings.

Methodist Church Organizes Choir

Members of the Methodist Church organized a choir at a meeting last Wednesday night, at which time Mrs. John Armour was selected choir leader, with Woody McDermitt as assistant director.

Pianists are Mrs. Bobby Anderson, Mrs. Glenn Phillips, and Beth Sharp. Miss Sharp was also elected president and Mrs. Claud Dyer was chosen vice president.

A music committee was chosen to be responsible for all the music needs and problems of the entire church. Woody McDermitt heads the committee with Paul Wurster, Mrs. Bob Anderson and Mrs. Glen Phillips assisting.

Choir members at the present time include Iris Thornton, Sandra Bate-man, Paul Wurster, Woody McDermitt, Beth Sharp, and Mesdames Irene Dyer, M. C. Roberts, John Armour, Jim Moss, Dick Walker, Glenn Phillips, W. H. Graham and Caroline Anderson.

"We are looking forward to having a fine choir, which will be a real contribution to the church," Rev. Lance Hurst, pastor, says of the new organization.

Lions View Picture Of Chicago Meeting

As an entertainment feature, the Texico-Farwell Lions Club were shown a film Tuesday night of the annual meeting of Lions International which was held in Chicago last July.

John Getz presided over the meeting in the absence of President Jack Williams. Secretary Otis Huggins read a letter from President Williams offering his resignation in view of pressing school matters. The Club voted to reject Williams' resignation and to pass the responsibilities of the presiding officer to Fern Stout, first vice president.

Lion Getz called attention to the fact that the Club had been functioning about a year now without undertaking any worthwhile community projects, and he made the suggestion that the organization begin to consider some worthwhile project of that nature.

Duane Sprauls was introduced as a guest during the dinner hour. Baked chicken and dressing was served by the Legion Auxiliary.

Church Organizations Re-Decorate Rooms

Various organizations of the Methodist church have undertaken the redecoration of basement rooms of the church, officials said today.

The Wesleyan Guild has redone the north Sunday school room, which has been plastered, and painted a rose-beige color. Cornices of the same shade have been placed on the windows, Mary Lou Cason, president of the organization, says. Gray curtains have been made for the windows, and the group plans to have the floor tiled, and to re-do the chairs and screens.

The Methodist Youth Fellowship furnished paint and did the work in the lower hall, and the Wesley Bible class has bought and made curtains and refinished the north room.

DIMMITT REPRESENTS DISTRICT IN FOOTBALL; POOL ON SECOND STRING

Dimmitt was chosen to represent District 3-B as the football champion, in the final work-off of a three-way tie-between Dimmitt, Olton and Sudan, Supt. Jack Williams reported here on Tuesday.

The Dimmitt eleven will play the District 4-B winner, New Deal, some time in December.

With the three above teams as contenders for the district gridiron title, members representing all schools in the district met both Sunday and Monday to determine the champion.

On hearing a case of contested eligibility against a Sudan player, the officials dismissed the grievance for lack of competent sufficient evidence and it was agreed to draw names for the title—with Dimmitt being on the lucky end of the drawing.

Coaches of the various district teams then pooled their choices to select the all-district squad and the second team players. Principal W. M. Roberts, of the local school, represented Farwell in the absence of Coach Tommy Hestand.

Selected as members of the first team were four Dimmitt boys, three Olton team members, two boys from Sudan, one from Friona, and one from Spring Lake.

Boys on the first string were: ends, Ross Miller, Friona, and Gleason Eakin, Sudan; tackles, Jim Jowell, Dimmitt, and Toby Smith, Sudan guards, David Behrends, Dimmitt and Joe Hall, Olton center, Marvin Axe, Dimmitt backs, Jerry Mill-sap of Olton, Gene Easley of Dimmitt, Jerry Maynard of Olton and Duane Barrett of Spring Lake.

Second-string all-district players included four members from the Olton squad, two from both Sudan and Dimmitt; one from Friona, Farwell, and Spring Lake.

The boys are: ends, G. W. Mayfield, Sudan, and Jimmy Cluck, Dimmitt; tackles, Earl Powell of Olton and Doyce Barnett, Friona; guards, Max LaDuke, Olton and Donnie Dand, Spring Lake; center, McAdams, Olton; backs, Bobby Lynch of Sudan, Jack Dyer of Dimmitt, Jerry Pool of Farwell and Gerald Alcorn of Olton.

All in all, the title holders, Dimmitt, placed six all-district men; Sudan rated four; and there were seven selected from Olton.

Fourth-place winner in the conference, Spring Lake had two players chosen; Farwell in the fifth spot with one player on the district; and Friona, in cellar position, had two all-district men.

Camp And Jones Attend Farm Meeting

Joe Camp, secretary of the PMA, and Joe Jones, County Agent, attended a cotton outlook meeting in Plainview on Thursday.

Purpose of the meeting was to show what the cotton goal was for 1951, says Jones, actually to report on the cotton situation and present the outlook for the next two years.

The Texas Agricultural Extension Service, which had charge of the cotton outlook meeting, advised farmers to buy fertilizer now and store for future use; not only for cotton, but all crops.

The supply for the coming year is expected to exceed the 1949-50 supply, but that does not mean that every crop producing area will be well supplied, the extension service pointed out.

Transportation facilities are not adequate to move fertilizer where it is needed in a short time, therefore, those who purchase early will help the situation.

Fertilizer should be stored in a dry, well ventilated barn or shed, to prevent deterioration, Jones points out.

Considering cotton insecticides, the extension service said, don't wait. Jones added that the supply was short in 1950, and the 1951 output will be about the same. Most manufacturers increased their production to the limit last year and raw materials for the products will remain hard to get for a considerable period.

Dusts and sprays can be safely stored without loss of strength, Jones says; dusts should be stored in a dry place and spray materials should be handled carefully to avoid denting or bending the metal containers.

Planting seed should be plentiful, but farmers should make arrangements for the seed, Jones states. Farmers should check their own cotton seed and should not allow it to heat. Small lots should be stirred with a feed fork.

When cut with a knife, seed should have a light grey color. Seed treating recommendations should be followed, Jones emphasized.

Discussing farm machinery at the meeting, it was emphasized that repairs and orders of new parts for machinery should be made early.

Earl Deaton, former local lad, who is now stationed in Japan, writes that he would like to hear from some of his old friends, and gives his address as follows: Wm. E. Deaton, SN, 890-03-16, USS Jason, ARH-1-2nd Division, Care of Fleet P. O., San Francisco, Calif.

Rainbow Girls Hold Monday Night Meeting

The Rainbow Girls entertained their grand visitor, Mrs. Ila Stinson of Olton at their regular meeting in Bovina Monday night.

Gloria Jean Sanders was initiated. The program consisted of one number from each town, Bovina, Friona and Farwell. The Bovina group served refreshments of sandwiches, cookies and hot chocolate to approximately 25 people.

Mary Lou Miller, worthy advisor, presided over the meeting.

A Thanksgiving motif was used for the decorations.

Farwell Student Council Holds Monday Meet

The Student Council of Farwell schools met Monday at 12:20 to discuss current school problems, Jesse Coburn, reporter of the organization, says.

The group decided that the Senior class should have charge for the annual Christmas gift exchange and party, and also plan the program.

Members of the organization then discussed ways and means of enticing more students to use the school lunch room, Coburn stated.

Farwell Boy Scouts Plan Saturday Hike

The Farwell Boy Scout troop is planning a hike on December 2, a week from Saturday, Kenneth Livingston, leader, reports.

The boys will outline maps, say Livingston, and the best one will be selected for patrol use.

If weather conditions are poor, the Scouts will have a bonfire and cook a meal in the back yard of the Livingston home.

The troop now has 18 members.

Local Schools Dismiss Today

It's no more school for students at Farwell, Texico and Bovina for four whole days.

Schools are to be dismissed today (Wednesday) and will not be resumed until Monday morning at the regular time.

November 23 and 24 are listed as scheduled Thanksgiving holidays, Supts. Jack Williams, Argie Jones, and W. H. Willoughby announce.

Mumps Scare Eases In Bovina School

During the past two weeks, over 15 and under 30 students (and faculty members) of the Bovina school have been victims of mumps, Principal R. E. Everett said on Tuesday, adding that the epidemic did not seem to be spreading.

Indications the first of the week were that the disease had eased off some, and is not spreading as much as it had been feared.

Superintendent W. H. Willoughby, now back on the job, was one of the first to contract the disease.

Eastern Star Holds Meeting At Bovina

The Order of the Eastern Star held its regular meeting, Thursday night, at the Masonic Hall in Bovina with members and one guest in attendance, Mrs. Mae Porter said Tuesday.

Guest at the affair was Clea Robinson. Those attending the affair enjoyed a covered dish Thanksgiving supper.

The Hall was beautifully decorated in the traditional Thanksgiving motif, featuring shocks of feed and the horn of plenty. The entire decorative scheme was emphasized with fall leaves and turkeys, all of which was revealed to the guests in a candlelit atmosphere.

For the meeting room, Mrs. Rhineheart presented an unusual bouquet of fall leaves and Mrs. Lura Rundell presented a lovely arrangement of flowers in the Star colors, in keeping with the decorative idea.

A. D. Smith gave the invocation and the Thanksgiving story was told by Lillie Fuller.

Mrs. Lura Rundell presented a report on the program attended in Littlefield last Tuesday night, Nov. 14. Attending the affair were Mrs. Rundell, Mrs. Gertrude Potts, Mrs. Anne Lovelace, and Mrs. Mae Porter, all of Farwell; Mr. and Mrs. O. W. Rhinehart, Mr. and Mrs. Hubert Ellison and Charles Ross of Bovina.

The program, held at the Littlefield Country Club, honored Flora Best Boone, who is associate grand matron of the grand chapter of Texas, OES.

Principal feature of the program was a floretta on "This Is My Life", which was the story of Mrs. Boone from birth until marriage. Narrator was Katherine Storey, who wrote the floretta.

Soloist was Grace Findley and the pianist was Babbs Brown. Characters in the story were members of the Littlefield OES, Mrs. Boone's home chapter. "It was a lovely tribute", said Mrs. Porter.

The meeting closed in regular form.

Teachers Relate Plans For Holiday Outings

Texico teachers plan various activities during Thanksgiving holidays, according to reports from instructors themselves this week.

Among those planning to spend a quiet Thanksgiving Day at home are Mr. and Mrs. John Armour, Mr. and Mrs. LeRoy Faville, Mr. and Mrs. Fern Stout, and Mr. and Mrs. Carl Schmitt.

Those who will stay at home, but who are expecting weekend guests include Mr. and Mrs. Agrie Jones and Mr. and Mrs. B. A. Rogers.

Visiting Mr. and Mrs. Jones will be their daughter and her husband, Mr. and Mrs. Marion Hughes; another daughter, Lona Mae, all of Eastern New Mexico University in Portales; and a son, Monte, from State College in Las Cruces.

Guests in the Rogers home will be the twins, Jean and Peggy, along with Peggy's husband, George Hill, all of Eastern New Mexico University in Portales.

Mr. and Mrs. E. U. Scott will visit Mrs. Houston Runnels in Ft. Worth; and Mr. and Mrs. Frank Seale will be with her parents, Mr. and Mrs. J. B. Sheriff, in Lubbock.

Planning the longest holiday trip are Mr. and Mrs. N. W. Peyton, who plan to visit her parents, Mr. and Mrs. C. E. Daniel, and his mother, Mrs. J. A. Peyton, in Altus, Okla.

Beverly Lovelace and Mrs. W. W. Vinyard attended an Alec Templeton piano concert in Amarillo, Tuesday night. Templeton is a well-recognized blind pianist and entertainer.

Local Auxiliary Plans Christmas Functions

Meeting of the local Auxiliary was held at the American Legion Hall, Monday night at 7:30, with ten members in attendance.

Mrs. Joe Helton, president of the organization, was in charge of the meeting.

During the business session, the group voted to send \$25 to the Veteran's Hospital in Amarillo for the Christmas gift shop, available to vets so they may select gifts for their families.

Also, the local Auxiliary plans to send \$12.50 to the state department for gifts for the disabled veterans themselves.

The Auxiliary will sponsor a Christmas party for the Texico-Farwell Legion and Auxiliary, to be held on Friday, Dec. 16, at the Legion Hall.

On December 8, the Bovina and Texico-Farwell units of the Legion and Auxiliary will sponsor a bingo party for hospitalized veterans. Each unit will bear half the expense of the social.

Anyone in the community desiring to have a part in the entertainment may do so by donating 25c or 50c for prizes. If the donor wishes, he may personally select and donate a gift. Crowley's Grocery and Farmer's Supply in Texico, and the State Line Grocery and City Cleaners in Farwell, will receive gifts or donations.

Hostesses for the Monday night meeting were Mrs. Dorothy Quickel and Mrs. Dardanella Helton.

Hot doughnuts and coffee were served to Mesdames Marjorie Meeks, Ruth Meeks, Nell Walling, Joan Getz, Johnnie Crawley, Mary Lou Cason, Mae Porter, Ruth Thornton and the hostesses.

Back To School Night Staged By Texico PTA

At a regular Meeting of the Texico Parent-Teacher Association, Thursday, November 30, the parents will have what is called as "Back to School Night", according to announcements from Principal Fern Stout, today.

The parents will have a general assembly at 7:30 p. m., at the Texico auditorium and will register for classes. The class periods will be five minutes long and the teachers will give a brief outline of the work taught, just the same as on regular school days.

The student council members will act as guides for the parents and show them where each class is being held.

The object of the "Back to School Night", is to show the parents just what is happening in the school, said Stout.

Wesleyan Guild Meets In Agrie Jones Home

The Wesleyan Guild of the Methodist Church met in the home of Mrs. Agrie Jones, in Texico, recently.

"TWIRP" Season Ends With Party, Friday

School life is back to normal at Farwell schools this week, after the official ending of "twirp" season with a party at the home economics building Friday night.

Sponsored by the Future Homemakers of America Club, the party began at 7:30. The group members played games, after which a treasure hunt ended the party.

As is customary during "twirp" season, the "girls pay the way." The femmes asked the fellows for dates, went after them, and took them home after the party; they also paid the expenses of the evening.

Among those attending the "twirp" party Friday night were: Katherine Magness, Nicky Foster, Wanell Hughes, J. B. Sudderth, Jo Ann Spurlin, Ted Magness, JoVeta Billingsley, Melborn Jones;

Also Laverna Christian, Darrell Norton, Bobby Ann Christian, Jesse Coburn, Caryetta Grissom, Dot Kent, Gerald Norton, Jeanean Lunsford, Sandra Bateman, Orie Jones, Wilma Nell Smith, Donald Joe Pipkin, Delores Goldsmith, Leon Meeks, Darla Doshier, Rex Pool;

Kayla Felts, Dennis Raney, Darlene Sprawls, Bob Gerles, Bernice Christian, Jerry Pool, Mary Pair, Ronnie Dial, Lou Ellen McCoy, Buddy Cook, Lueta McKillip, and her escort, Nelda Martin, Robert Armstrong;

Rose Hines, Charles Phillips, Philip Cassidy, Jimmie Bateman, Mr. and Mrs. Jay Anderson, Mr. and Mrs. Jack Horton and Mrs. John Lovelace.

Discussing the party, two of the FHA members stated "we had a wonderful time, even the boys looked forward to the party."

The home economics club hopes to make "twirp" season an annual affair. Last year was the first year it was scheduled.

Five Local People Attend Zone Meeting

Five local members of the Legion Auxiliary attended the zone meeting of the organization in Hereford Tuesday night of last week.

Among those attending the meeting were Mr. and Mrs. Joe Helton, Mr. and Mrs. Wilfred Quickel, and Zone Commander Loyde Brewer.

Officers from all over the district participated in the program with approximately 90 members in attendance.

Principal speaker for the evening was Tom Hairell of the Veterans' Agency in Lubbock. He told of his experiences as a Legionnaire and outlined the aims and objectives of the American Legion since its organization. He stressed the subject of finding jobs for disabled veterans.

A sizable group of Legion officers were present including Zone Commander Brewer, Sid Lowrey of the regional office, Lubbock; 18th District Commander Rhea Smith;

Also 18th District Auxiliary President, Mrs. L. A. Pitt of Amarillo; Mrs. George Farlow of Canyon, representing the Veterans' Hospitals; Fifth Division Chairman Jimmy Faulkner of Amarillo; and 18th District Adjutant Roy Beard.

Regular business of the zone was discussed at the meeting, and Mrs. Roy Ivey of Vega was elected as Zone 1 chairman of the Auxiliary.

Thanksgiving Supper Scheduled Tomorrow Night At Church

The Thanksgiving basket supper, scheduled tomorrow (Thursday) night at the Baptist church, will get underway at 7:30.

The affair is open to members of the entire church and everyone is invited to attend, Mrs. Carrie Hardage, reporter of the Golden Circle Sunday School class says.

The affair is sponsored by the Golden Circle class. Members are urged to bring a friend to join in the Thanksgiving festivities.

No special program has been planned for the affair.

Mr. and Mrs. Kirt Crume and sons, Van and Tim, of Portales, spent Sunday visiting relatives and friends in Farwell.

MR. AND MRS. WILLIE JOE CARPENTER

MISS GLENDA DOSHER IS BRIDE OF WILLIE JOE CARPENTER IN CHURCH CEREMONY, 19

In an informal candlelight ceremony, Miss Glenda Doshier, daughter of Mr. and Mrs. Dick Doshier of Rt. 1, Clovis, became the bride of Willie Joe Carpenter, son of Mr. and Mrs. Lon Carpenter, Texico, at the First Baptist Church in Texico, Sunday, at 2:30 in the afternoon.

Rev. C. M. Fields, pastor of the Baptist Church, performed the lovely double-ring ceremony before a lattice-work archway entwined with pink carnations and greenery and flanked on either side by graduated candelabra. The entire floral pattern was banked by a basket arrangement of fern.

Ushers were Ernest Foreman and T. W. Parton.

Mrs. Orval Francis, pianist, played "I Love You Truly" as a pre-nuptial selection. Mrs. Billy Moore of Clovis sang "Always" and "A Perfect Day" accompanied by Mrs. Francis.

"Danny Boy" was the theme of soft background music which began as the candlelighters, Misses Betty and Peggy Donahay, entered. They wore fitted blue taffeta dresses with brown accessories.

Billy James Moore attended the bridegroom as best man.

Matron of honor was the bride's sister, Mrs. Ronald London, who wore a navy crepe dress with navy accessories. Her corsage was of white carnations.

The bride, given in marriage by her father, Mr. Doshier, wore an aqua taffeta dress with fitted bodice and full skirt, complimented with brown accessories. Her colonial bouquet, featured yellow rosebuds with yellow and brown ribbon carrying out an autumn theme.

For something old, the bride wore pearls belonging to Mrs. Billy Moore; "something borrowed" was a blue lace handkerchief belonging to the maid of honor, Mary Lou Hatcher. The wedding dress was "something new" and the bride wore the traditional blue garter. Her gift from the groom was a pair of colonial-style gold earrings. The bride also wore a coin in her shoe for good luck.

Ring bearer for the nuptials was Malcolm Lynn, brother of the bride. For her daughter's wedding, Mrs. Doshier chose a navy blue crepe dress with matching accessories and wore a white carnation corsage.

The bridegroom's mother, Mrs. Carpenter, was at the altar in a black suit with matching accessories and also had a white carnation corsage.

A reception was held immediately following the ceremony in the church parlor. The lace-covered serving table was centered with a bouquet arrangement of white carnations.

The three-tiered wedding cake was decorated with candy rosebuds and lovebirds, and was topped with miniature bride and groom figurines.

After Mr. and Mrs. Carpenter observed tradition by cutting the first slice of cake, punch and cake was served to the guests. Mrs. Francis furnished a soft musical background with piano selections during the reception.

Mrs. Carpenter attended the Texico High School and Carpenter was graduated from the Farwell high school in 1948. He is now employed by Tom Martin.

After a short wedding trip to Palo Duro Canyon, the young couple will reside in Clovis.

Immediate family of the bride attending the wedding were Mr. and Mrs. Doshier and Gerald, Alfred, Mel-

LAZBUDDIE HARVEST FESTIVAL DRAWS LARGE CROWD; THREE QUEENS CROWNED

Southern Union employee to receive the company's five-year service emblem.

Banks has served as a "one-man gas company" here since his employment by Southern Union on November 28, 1945. He has complete responsibility for Southern Union's operations here and in Texico. His duties, which he performed alone until the recent employment of a part-time office helper, include reading meters, installing appliances, setting and removing meters, doing service work and making collections and keeping office records.

Wilson stated that Southern Union now has 364 employees who have been with the company for five years; 128 have ten years' service; 53 have 15 years of service and 14 have been with Southern Union for 20 years, almost the entire lifetime of the 22-year-old utility.

The minimum sized septic tank should hold no less than 500 gallons. Tanks that are too small soon become overloaded with sludge and raw sewage and this will pass into the disposal field and clog up the system.

The Lazbuddy school staged its annual fall carnival Friday night of last week, with more than 1000 residents of the area on hand for the fun and festivities, Supt. Archie Sims reported this week.

Gross receipts from the affair totaled \$1007.34, with the money to be divided as follows: expenses, \$247.84; PTA, \$129.50; senior class, \$63.55, and other classes, \$181.09. The balance of \$385.26 will be spent for library books, repair on the home economics and agriculture building, and for boys' basketball suits.

Coronation of the various queens climaxed the evening. Queen Corretta Watkins, of the second grade, was crowned by King R. L. Porter, and reigned over grades one to four. Her court consisted of Lady Eva Dean Ivy and Lord David Koelzer, of the first grade; Lady Oma Lee Porter and Lord Derrell Jennings of the third grade; Lady Caroline Hinkson and Lord Ronnie Briggs, fourth graders. Train bearers were Julia Hollis and Jimmy Brown, with Clyde Purnoy as train bearer.

Queen Carolyn Beavers was crowned by King Leland Gustin, to reign over grades five to eight. Her court was made up of Lady Janis Clark and Lord Eugene Howard, fifth grade; Lady Alma Jean Winn and Lord John Malouf of the sixth grade; Lady Glenda Hall and Lord Robert Ivy, eighth grade. Train bearers included Lynda Sims and Gary Foster, and crown bearer was Billy Hardage.

Queen Levina Clark was crowned by King Albert Clark. She reigned over the high school. Court members were: Lady Charlotte Graef and Lord Leonard Smith, freshmen; Lady Trixie Steinbock and Lord Richard Engelking, sophomores; Lady Mary Hall and Lord Max Crim, juniors.

The train bearers were Minnie Redwine and Theron Dalton; crown bearer was Ronald Elliott and Jerry Gleason served as court jester.

What If Someone Else Had Your Name?

Jim Moss feature by: Dee J. Brown

Have you ever wondered what would happen if someone else had the same name as yours? There are two boys at Texico that have just that problem. They are Jimmie Don

Moss and Jimmie Moss, whose real name is James Luther, but goes by Jimmie because it's shorter.

Both of the boys have lived at Texico all their lives and have often received each other's mail and have been mistaken for each other.

Jimmie Don is in the eighth grade and Jimmie is a Freshman; therefore their grades have never been mixed, but Jimmie recalled one Christmas when the two rooms had their tree together they received each others

presents. They both say it's confusing and embarrassing at times, but really very funny at other times.

They have little in common except they are both dark, and good looking. Jimmie (that is James Luther Moss) is 15 years old, 5' 8", weighs 128 pounds, maintains a "C" average in his studies. He prefers agriculture to other subjects, football to other sports, and is partial to brunettes, and plans to be a rancher after graduation from high school.

Jimmie (of course we mean Jimmie Don Moss) is 13, 5' 1", weighs 90 pounds, is a "B" student. He prefers Math to other subjects and tracks to other sports; and as for girls "he just likes them all." He plans to attend college after finishing high school, and hasn't as yet decided upon a vocation.

They say that although they are often mistaken for each other neither would ever be happy with another name.

The Origination Of A Day Of Thanksgiving

By: Carmen Roth

Today we still give thanks to God for our harvest and the blessings of the year. It all started more than three centuries ago at a place called Plymouth. Plymouth Colony's first

dread winter, during which half of the Pilgrims had died, was passed, and renewed hope had sprung up with the summer.

In the fall of 1621, Governor Bradford proclaimed a day of thanksgiving. Great preparations were made by the housewives, who baked, boiled, and roasted various food for days. Even the children did what they could to help in the preparations.

As their guests, the Pilgrims invited the friendly Indians of the neighboring tribes who had befriended them that first hard winter.

This first Thanksgiving was not merely a feast—there were prayers, sermons, and songs of praise; three days went by before the Indians returned to their homes.

From Plymouth the custom spread to the other colonies until, in time, the governors issued a proclamation each year. For many years there was no uniformity; each state was in charge. Some had a day of thanksgiving and others did not.

President Lincoln was the first president of the United States to proclaim a Thanksgiving Day. The same day was set aside each year for seventy-five years. President F. D. Roosevelt changed it to the third Thursday in November when he came in office, but in 1941 congress passed a law which set aside the last Thursday in November as a national holiday for Thanksgiving.

Legion Post Plans December Program, 7th, On Democracy

On Thursday, December 7, the 777 American Legion Posts in Texas join in "Operation Democracy," the second state-wide campaign sponsored by The American Legion to combat complacency and neglect of civic responsibilities. The local post plans a program in conjunction with the campaign, Wilfred Quickel, commander says.

Secretary of State John Ben Shepperd of Gladewater, state chairman of The American Legion's Americanism committee, will again lead 100,000 Texas Legionnaires in a series of programs designed to keep the fires of freedom burning forever by having an alert and aggressive citizenry.

Originator of last year's successful "Democracy Beats Communism Day," Sheppard estimates that three million Texans in more than 600 communities will once again link hands with The American Legion in "Operation Democracy."

Bill Elkins, state commander of The American Legion, and Legionnaire Governor Allan Shivers will make state-wide radio addresses on December 7.

The four-fold program emphasizing Democracy's strength through religion, education, civic duty and citizenship will be launched by a state-wide "Go To Church" program on the eve of "Operation Democracy Day." Texas pastors, priests and rabbis will be invited by local American Legion Post to participate in "Operation Religion."

"Faith in God and faith in our Democracy walk hand in hand in keeping America strong," Shepperd says.

Breakfasts sponsored by local American Legion Posts begin the activities at 7 a. m., December 7. The day's timetable also calls for a meeting of the women of the community to discuss "Democracy's Concern"; "Operation Heritage" for student participation; a noon luncheon of business men to honor local, county and state officials; and a public meeting on education.

The plan stressing Democracy was first tried out in the Spring of 1949 in a week-long program by Gladewater and gained national recognition. Texas Legionnaires decided last year to make it an annual event and Legionnaires all over the nation have adopted the idea of selling Democracy as their own one-day program.

New Telephone Directories Distributed

New telephone directories for Texico-Farwell, containing many new and changed listings and other helpful telephone information has just been distributed.

Approximately 250 new directories have been delivered to homes and offices, according to L. L. Gracey, manager for the Mountain States Telephone and Telegraph Company.

The new directory has a green cover, which makes it easily distinguishable from the old gray covered telephone book.

Gracey asks that telephone users refer to the new directory for the desired number. Looking up the number helps avoid the possibility of getting a wrong number, and frequently saves time for the calling party as well as the party who might be called in error. Consulting the directory also helps make the best use of central office equipment. "Information" should be called only when the desired number is not listed in the directory.

The directory includes the classified section—yellow pages—containing helpful information conveniently arranged as to types of businesses and services.

FRIONA CHIEFTIANS AND COACHES ARE HONORED WITH BANQUET FRIDAY NIGHT

Members of the Friona Chieftian 1950 gridiron squad, Coach Raymond Cook and Assistant Coach Gene Tyre were honored on Friday night of last week, when the Friona high school building was the setting for a lovely banquet given the boys and their coaches by the mothers of the players.

Unique and intricate were the placecards by which the guests found their places at the long table. Miniature football players, constructed of chenille sticks and complete with helmets, numbers and picture faces of the actual players themselves served as the placecards. These were in turn fastened on to paper footballs, inside of which was given the program and menu. Centering the banquet table was a miniature football field, complete with one-inch players, in red (for Friona) and black (for the opposition).

W. L. Cleveland, quarterback of the Chief squad, served as toastmaster for the banquet, first presenting Supt. Dalton Caffey, who offered the invocation. The welcome was given by Mrs. Bud Reed, with Doyce Barnett responding, and two numbers were sung by Mary Lou Miller and Margie Burnett, with Mrs. Eva Miller at the piano.

A trio composed of Joyce Miller, Laura Nell Hardesty & Beverly Sue Jones sang, with Mrs. Miller accompanying; Coach Cook gave the "Signals of the Year", introducing the boys, who in turn presented their dates. Coach Tyre conducted the "Huddle", in which he expressed the appreciation of the coaches and players to S. T. Thornton, and through Thornton to the city's business men, for the purchase of hooded wraps used by the team on cold nights.

Ruby Shaffer read an original verse concerning the player, which was written by Vera Ann Jones, and Mary Joyce Renner, named as football queen and crowned at the Friona-Farwell game, offered her thanks to the boys for the honor. A special football film was run at the

conclusion of the program for the entertainment of the guests.

Attending the affair were Frankie Allen, Doyce Barnett, Mary Joyce Renner, Jay Cobb, Patsy Reed, Gary Crow, Carol Blackburn, Max Cruse, Joyce Miller, J. Vonne Fulke, Walter Haws, Helen Carr, Dale Houlette, Oneida Coffman, Ben Jordan, Dorothy Robbins, Ross Miller, Billy Nazareth, Jimmy Norwood, Johnny Parker, Gay Ann McFarland, Frank Reed, Peggy Creel, Ralph Reed, Ruby Shaffer, Glen Reeve, Jack Redfern, Beverly Sue Jones, Carrell Robbins, Laura Nell Hardesty, D. O. Robason, Margie Haws, Edmund Schlabs, W. A. Tinney, Bonnie Creel, Max Wells, Ed Spring, W. L. Cleveland, Leatrice Walker, Eddie Wilkins, Virginia Lindsey, John Rife, Dale Stowers;

Supt. and Mrs. Dalton Caffey, Coach and Mrs. Raymond Cook, Coach Gene Tyre, Dilly Kelly, Glenn Cunningham, Mary Belle McGlothlin, Virgil Phipps, Mary Lou Miller, Margie Burnett, Mr. and Mrs. DeWayne Cleveland and Mr. and Mrs. S. T. Thornton.

FFA Boys Winners At District Meet

Friona FFA boys got in on the honors at Hereford, last Saturday, when a district meeting was held, with the various schools present competing in a variety of contests for FFA members.

J. T. Gee, head of the local chapter, reported that the senior boys were rated first in their demonstration of vaccinating against sleeping sickness in horses. Members of the team included Ben Jordan, Darrell Robbins, D. O. Robason, Jr., and M. C. Osborn, Jr.

In the junior division, the team demonstrated vaccinating, castrating and dehorning of cattle also took the first-place banner, with Jim Dix-

on, Jackie Rule, Virgil Phipps and Gray Crow as members of the team.

Preceding their visit to Hereford, the boys had conducted a public demonstration at the ag barn on Thursday night, showing various farm skill demonstrations, Gee said.

"Vaccination" was the theme of the Thursday night program, with the boys demonstrating vaccination as protection against pink eye, black leg, treatment of mastitis in dairy animals, vaccination for hog cholera and sleeping sickness in horses.

Bovina Sweetheart Wins
Miss Carolyn Wilson, 15-year-old daughter of Mr. and Mrs. Frank P. Wilson, was the sweetheart nominee of the Bovina FFA group, and was chosen the district sweetheart from a group of seven candidates.

Judges at the contest included W. W. Hall, Littlefield, and Travis Scott, Spring Lake, junior chapter; Edgar Change of Sudan and L. B. Gibson of Spade, senior chapter; Edward White, Muleshoe and Robert Morton of Farwell, Junior demonstration; T. L. Devin, Canyon and Mrs. Ross Stuard, Lazbuddy, senior conduction; and T. L. Leach, Lubbock, quiz.

Dr. Henderson Guest Speaker At PTA

Dr. Chas. Henderson, staff member of the Parmer County Community Hospital, was the guest speaker at the regular meeting of the Friona Parent Teacher Association the past Thursday night, at the school building.

Health problems of the community were discussed by Dr. Henderson, and musical numbers were played on the piano by Pat Cranfill.

A regular business session was held preceding the program, with only routine matters being taken up, officials said today.

To Visit Parents

Miss Sue Crow, who is teaching at Kress, Texas, is expected in today (Wednesday) to spend the Thanksgiving weekend with her parents, Mr. and Mrs. L. M. Crow.

Conservationists Are Visitors In Parmer

Hershel Bell, zone conservationist from Fort Worth, and Miles Kelly, district conservation officer from Dimmitt, were in Parmer County the past Wednesday, making a tour over various farms, as conducted by Bill Kennedy, of the Parmer County Soil Conservation Service, in Friona.

Kennedy reported that the conservationists visited the farms of Sterlyn Donaldson, Harold Carpenter, W. E. Verner, C. C. Christian, Wendol Christian, N. L. Tharp, Triplett and Pringle, J. G. McFarland and Ralph Wilson, in a rather hurried tour of the county.

Both Bell and Kelly were complimentary on a number of conservation practices being carried out at the present time by Parmer County SCS cooperators, and in addition, listed a number of other practices which have paid off in increased farm production.

Among these, Bell stressed that farmers follow legume crops with a sorghum planting rather than sowing wheat, as wheat on such land is too apt to attain a tall growth and then be blistered by the customary hot winds which are expected during the growing season.

Kennedy expressed his regret that the conservationists were not always able to talk to the farm operators themselves, but due to the time allotted their visit, and the fact that several operators are in the middle of harvesting, only a few of the men actually had time to talk with the visitors.

Special Program Is Planned By Church

Rev. George E. Meyer, pastor of the local Congregational Church, today issued a special invitation to all residents of the area to attend the special Thanksgiving services to be held Thursday morning at the church.

The program will begin at 10:30 a. m., and will include special music and thoughts for the Thanksgiving period. Dr. Meyer reports, urging that the public be on hand for this, the only church service slated in the community, on Thursday.

Mr. and Mrs. J. K. Anthony and son, Darrell, were business visitors in Amarillo, the past Friday.

Thanksgiving Holidays Begin On Wednesday

Thanksgiving holidays for the Friona school faculty and students will begin this (Wednesday) afternoon, Sup. Dalton Caffey announces, with classes to be resumed as usual at the school on next Monday morning, November 27th.

A number of the faculty plan visits out of town, it was revealed. Supt. and Mrs. Caffey and family will go to Alpine; Mr. and Mrs. Cecil Robinson expect to visit in Oklahoma with his parents; the Dilly Kellys will go to Cossie, Texas, near Waco, to see relatives; Coach and Mrs. Raymond Cook will be in Lamesa; Glen Cunningham is planning to go to Sundown; and Miss Margie Burnett will be a visitor in Alpine.

Speaking of holidays, Supt. Caffey further announces that the Christmas holidays at the school will be observed from December 21st, at noon, to the morning of January 2nd, when classes will resume.

Musical Program Is Enjoyed By Club

"Personalities in Music", featuring the singing of the Friona high school chorus, under the direction of Glen Cunningham, was presented at the regular meeting of the Modern Study Club, at the Women's Club building on Tuesday evening of this week.

An hour-long program of varied musical selections was given by the talented group of high school youngsters. Special guests at the meeting were members of the Friona Senior Woman's Club.

Hostesses for the evening included Mesdames Doris Boggess, Fay Reeve, and Ilene Osborn.

College Students To Visit During Weekend

Numerous local college students are expected to be home for the Thanksgiving holidays this weekend, with the majority of them arriving at their respective homes Wednesday night for the vacation period.

Included in the group will be Ray Nell Foster, Maridee London, Murna Welch, Bill Jones, Bill Connor, John Smith, Tim Magness, Bob Davis, Dorothy Guinn, R. B. Miller, Harold Joe Wells, Roy V. Miller, Marvin Massey, Lavon Rogers, and Viddian Weis, all of Lubbock's Texas Tech;

Lila and Wanda Robason, H. T. and Alice Ruth Carr, Harold Joe Southward and Steve Messenger, all of West Texas State, in Canyon.

Business Houses To Close On Thursday

Friona business houses, as well as the county offices of the Soil Conservation Service, and the local school, will observe the Thanksgiving holiday on Thursday of this week.

A survey over town indicated that the drug store, cafes and filling stations were the only local businesses which expected to "operate as usual" during Thursday.

District Meeting Held In Dimmitt

District conference for Methodist churches in this area was held on Tuesday, November 21st, in Dimmitt, with Dr. Eugene L. Slater, of Polk Street Methodist Church, in Amarillo, delivering the address at the worship service on Tuesday morning.

Representatives from the Friona church, including the pastor, Rev. James Tidwell, were on hand for the meeting.

Here For Holidays

Mrs. Marion Woody, of Great Neck, New York, arrived here on Sunday for a visit in the home of her daughter, Mrs. Bill Kennedy, and family. Mrs. Woody will remain with the Kennedys through the Yuletide vacation.

Other visitors in the Kennedy home during the weekend included Mr. and Mrs. Pete Smith, of Hereford, Jo Buchanan and Pete Smith, both of Friona.

To California

Mr. and Mrs. E. R. Day, of Friona; their daughter, Miss Tila Rue of Amarillo and Miss Billy Joyce Adams, of Skellytown, will leave this (Wednesday) afternoon for California. They will visit, Emmett, Jr., who is in the Navy and stationed at San Diego, and will also spend some time with Mrs. Day's sister and family, in San Bernardino. The travelers expect to return to their home here on Monday night of next week.

Leave On Friday

Mr. and Mrs. A. W. Anthony, Jr., and son, Larry, left the past Friday for Hiawatha, Kansas, where they are spending the week with Mrs. Anthony's parents. They are expected to return to their home near Friona the last of this week.

Questions & Answers Given for Veterans

Q. My nephew is a paralyzed veteran who lost control of his hands and therefore is unable to sign his name. How may he apply for a grant for "wheelchair housing", when he cannot sign the necessary papers?

A.—Forms and application papers will be acceptable if he merely makes a mark or symbol, which should be attested by a witness.

Q. I am going to school under the GI Bill and I have just received notice that I am to return to active military duty. Need I inform VA to stop my subsistence payments?

A. Yes. Write the VA regional office which has your records, and include your full name and address, "C" number, the amount of the VA payment and the date you are to go back into the service. You are entitled to any VA benefit payment covering any period after you have returned to military service.

Q. My husband received a Certificate of Commitment on a GI home loan, and he died a few days later—before he had a chance to sign a mortgage or any other papers. May I, as his widow, go ahead and buy the house on a GI guaranteed loan basis?

A. Under your circumstances, VA does not have the authority to issue a Certificate of Guaranty, even though your husband already has a Certificate of Commitment. How-

ever, you may be entitled to a GI loan on your own rights as a deceased veteran's unmarried widow,—if he died because of injury or disease incurred in or aggravated by line-of-duty service and was discharged under other than dishonorable conditions.

HOT LIVER SAUSAGE

Prepare a quick hot main dish with ready-to-serve liver sausage. Have the sliced about 1/2 inch thick. Place the slices on your broiler rack, brush with melted fat, then insert the rack so that the top of the meat is 2 inches from the heat. Brown on one side, turn and brown on the other side. This will take only about 5 minutes.

BARBECUED CUBED STEAKS

To barbecue cubed steaks, first dredge the steaks in seasoned flour, then brown on both sides in lard or drippings. Add chopped onion and brown lightly. Add a barbecue sauce, cover and cook slowly until tender. Total cooking time will be about 30 minutes.

Distinctive new styling of both front and rear of the new 1951 Fords is shown in this photo of the Convertible and the Custom Club Coupe. The dual-spinner grille and longer, wrap-around bumpers give the front end a wider, more massive appearance and additional chrome and wider tail lights add to the rear end appearance. The 1951 models feature Fordomatic Drive, the new automatic transmission, as optional equipment.

Thanksgiving

For 329 years, since the first year after the original colonists landed at Plymouth Rock, Americans have paused following the harvest season to offer Thanksgiving for the benefits that have been theirs.

There have been lean years as well as those that were bountiful. Peace—the credo of all Christian men—has in some years been replaced by warfare and strife. But on every Thanksgiving occasion there has been much for which we—and our forefathers—could give thanks.

At this Thanksgiving season there will be those of us who will discount the riches and blessings that have been our lot. But now—as never before in history—humanity looks to the United States for Thanksgiving. And all our people can be thankful that we share our bounty with the peoples of other lands in the cause of a permanent peace.

1951 Ford Goes on Display Here Friday, November 24

The 1951 Fords, featuring Fordomatic Drive the new automatic transmission, will be introduced in Ford dealerships throughout the nation Friday.

Ford cars for 1951 accomplish notable refinements in styling, beauty, engineering, riding qualities, economy, safety and ease of handling," L. D. Crusoe, vice-president and general manager of Ford Division, announced.

Addition of the new automatic device will make available to Ford buyers a choice of three transmissions and two engines—six different power combinations in all.

Both the conventional three-speed transmission and the Ford overdrive will continue to be available. These, with the new Fordomatic Drive, will be offered with either the 100-horsepower V8 or the improved 95-horsepower six engines.

Introduction of Fordomatic climaxes several years of intensive engineering research by the company to develop a fully automatic transmission that is simple to operate, economical, long wearing and easy to service. The device, which will be optional at extra cost, combines the advantages of a hydraulic torque converter and a planetary gear train to provide maximum performance and a smooth and economical flow of power.

The distinctive styling of the 1949 and 1950 models has been retained, but with refinements and improvements both in interiors and exteriors.

A lowered hood, a new dual-spinner grille and a wider, longer wrap-around bumper give a more massive appearance to the front end. Parking lights are restyled and larger chrome headlamp rims extend beyond the lenses. Added chrome and new, larger tail lamps add to the appearance of the rear end.

Rear deck lids on the new Fords have been counter-balanced and are opened by a new key release lock. Springs then assist in raising the lid and hold it in open position.

The new models have a wide range of color combinations, and a choice of upholstery, headlinings and other interior trim to harmonize with body colors. This wide choice is a Ford exclusive in the low-price field.

The '51 "Safety Glow" instrument panel is completely new. A "Chanalited" instrument cluster adds safety and convenience, and the speedometer pointer has a glowing ring which encircles and illuminates the figure showing the speed. The instrument control knobs are mounted in depressed caps, each individually lighted.

Key starting is provided by the new ignition switch which incorporates the starter control. The steering wheel also is re-designed, with a full-circle horn ring on custom models. A posture control front seat is mounted on curved tracks and when it is moved forward or backward, the entire seat assembly tips to the correct position for tall or short drivers. An assist spring moves the seat forward automatically.

An outstanding feature of the new cars is a new "softer" ride which is made possible by suspension improvements and automatic ride controls. A new control valve was developed in the hydraulic shock absorbers, which adjusts the cushioning effect. The combination of new tension-type rear spring suspension and softer front spring rate maintains a proper balance between the front and rear for a level ride on all roads. Rubber engine mounts also have been redesigned.

The Ford deluxe line includes the business coupe, tudor and forder models. In the custom line are the club coupe, tudor, forder and convertible. The Country Squire station wagon and the Crestliner complete the passenger car line. The V8 engine or the Six are optional on all models except the convertible and the Crestliner.

There will be a choice of 10 basic colors in all models except the convertible which will have 12 and the Crestliner which will have four two-tone color combinations.

New colors are Coral Flame red, Alpine blue, Culver blue, Sea Island green, Greenbrier Metallic and Mexacalli maroon. Other colors are Sheridan blue, Silver-tone gray, Hawaiian bronze, Hawthorne green and Raven black.

Sportsman's green is reserved for the convertible and Crestliner. Coral Flame red is reserved for the convertible.

The '51 models have a winged hood ornament, and "Deluxe" and "Custom" nameplates are on the sides of front fenders. Chromed V8 insignia on the fender identify eight-cylinder models.

The chassis frame has been strengthened by extending heavy box section side rails almost to the rear end. Brake drums and backing plates also were redesigned.

Several important engine changes have been made. Valve rotators have been incorporated and the top compression ring on each piston in V8 and Six engines now is chrome flashed. A weather-proof ignition system also is a feature.

The new fuel pump is designed to assure reliability under all kinds of operating conditions. A larger windshield wiper motor improves wiper operation.

New mounting of the intake manifold on the Six insures more uniform fuel distribution for quicker cold weather starting and smoother performance. Quieter operation is accomplished by installation of expansion control Autothermic pistons and by adoption of a redesigned camshaft and a three-blade fan.

Gears have been redesigned and strengthened in the conventional three-speed transmission and in the unit used with the overdrive.

CHICAGO—Recipe for traffic tragedy: mix alcohol and gasoline—and steer!

The National Safety Council says that in one out of every four fatal traffic accidents in 1949 the driver or a pedestrian was reported to have been drinking.

The 1950 edition of the Council's statistical yearbook "Accident Facts," also shows that one out of seven drivers in fatal accidents who were violating traffic laws was driving while under the influence of alcohol.

FIRST GRADERS ARE STUDYING COLONIAL DAYS

"Pilgrims and Indians" are the main items of interest in the discussion of Colonial Days, being studied by the First graders. They are building Pilgrim homes out of shoe boxes. The furniture was designed in their workbook, then it was colored with crayons, cut out of the book and pasted in the boxes. The pottery is being made of clay. Wigwams will be made to complete the series before the Thanksgiving holidays," stated Mrs. LeRoy Faville, teacher.

on the spinning wheel and then dyed it by using bark from off the trees, says Mrs. C. B. Stockton, teacher. The children are bringing boxes from home to make Colonial rooms.

HAPPY BIRTHDAY GREETINGS

Happy birthday greetings go to the following this month.

Frank Hapke, Senior; Darrall Harris, 9th; Darrell Smith, 8th; Jimmy Henson, Anita Sharp, Allen Kelley, 7th.

THIRD GRADE NEWS

Third graders have decorated their room with poster calendars featuring a large turkey. Also the room boasts an attractive border of pilgrim dolls made by the boys and girls.

Mrs. Frank Seale, teacher, stated that the group were taking six-week tests this week.

Dicky Harmon withdrew from school to move to Lubbock. His mother, Mrs. Lolete Harmon was one of the third grade room mothers.

Donna Faye Crawley wasn't at school Thursday because of illness.

SECOND GRADE NEWS

The Second grade room is getting ready for Thanksgiving. They are decorating the room with Pumpkins and Turkeys.

Being close to Thanksgiving, the children are enjoying the study about Pilgrims, how their methods differed from present day methods in obtaining their food, clothing and houses. Most interesting to the children is the way the Pilgrims clothes were made by first spinning the wool into yarn

INTRODUCING TEXICO SENIORS DEE J. BROWN

Dee J. Brown was born August 4, 1933. His father and mother are Mr. and Mrs. D. J. Brown who operate a farm 7 1/2 miles south of Texico. Dee J. is a senior at Texico High School this year. He is taking 5 subjects including typing, bookkeeping, boys chorus, journalism and American government.

Dee J., who is six feet and two inches tall, and weighs 180 pounds, participates in all phases of athletics which are offered at Texico. He was awarded a state farmer degree this summer in agriculture which is an award not easily won.

Upon completing his high school at Texico, Dee J. plans to attend college at New Mexico A. and M., which is located at Las Cruces, where he plans to major in agriculture.

TEXICO WOLVERINES OPEN BASKETBALL SEASON NOVEMBER 22

The Texico Wolverines open the 1950-51 basketball season against the Rogers Eagles at Rogers Wednesday night, November 22. The first game of the evening will be held between the Texico B team and the Rogers B team or the Texico jr. high boys and the Rogers jr. high team.

The varsity will play the nightcap with the Eagles who were strong contenders for the district championship last year. The starting line-up for Texico is not available at the present.

SCHOOL MASTERS MEETING

Five Texico teachers attended the monthly School Masters Meeting at Melrose, Thursday night, said Fern Stout, principal, today.

They were: Agrie Jones, superintendent; Fern Stout, principal; C. B. Stockton, coach; Carl Schmitt, Ag. instructor; and John Adams, History instructor.

At the meeting two referees were agreed upon for the county basketball tournament. The names of the referees chosen will be announced at a later date. Also definite rules for

the traveling trophies were decided on, and girls basketball rules were discussed.

Several movies taken by Ray Lorton, superintendent of the Melrose schools were shown. The movies were taken on a trip to New York and Canada.

THANKSGIVING DINNER

"Turkey dinner and all the trimmings will be the menu to be served at the Texico High School Lunch Room, Wednesday, November 22," stated Mrs. Russell Johnson and Mrs. Leona Bailey, cooks.

The government furnished the turkeys for this special occasion.

TEXICO FFA STARTS FEEDER PROJECT

The Texico F. F. A. has purchased 30 head of Hampshire pigs from J. E. King to feed out for market. This is the first large project the local chapter has attempted in several years and the first under direction of Carl Schmitt, instructor.

The boys have been hard at work the last two weeks building another new hog barn and repairing a shed for storage of the fifteen tons of feed they will purchase for the project.

M. C. Roberts, has greatly aided in the project by promising to donate all the protein supplement needed.

The chapter expects to have the hogs on feed for about four months and make some badly needed money on the project as well as giving the boys some practical experience.

FOURTH GRADE NEWS

The Fourth graders are making Thanksgiving turkeys and posters to decorate their room for Thanksgiving, according to Mrs. B. A. Rogers, teacher.

The children have completed one reader this semester and have started another. They are also writing business letters.

Since the cold weather has limited the outside activities, the fourth graders have been playing basketball in the gym.

FIFTH AND SIXTH GRADE NEWS

Verlene Thigpen and Kenneth Smith were elected policeman and policewoman of the fifth and sixth

grade rooms in a class meeting on November 9. Their duty will be to help keep the restrooms clean.

Oneita Autrey, Fay Autrey, Kenneth Smith, and Alex Brown were elected captains of the basketball teams.

The fifth grade is glad to welcome Doyle Winegeart from Pampa, Texas, as a new pupil.

EIGHTH GRADE NEWS

Darlene Rhoten, formerly of Lubbock, enrolled in the Eighth grade last Friday. She and her parents, Mr. and Mrs. A. B. Rhoten plan to stay in Texico the rest of the year.

She was here in the fifth grade. Her favorite subject is math.

MUSIC BOOSTERS CLUB MEETS

Music Boosters Club met Friday, November 17, in the music room with Mrs. Jim Moss presiding. The club voted to buy uniforms and a rhythm set for the rhythm band.

The uniforms will be white and green satin capes with white trousers. Uniforms for the other musical groups were discussed, but it was decided to postpone a decision until the next meeting.

MISS HARBIN DEMONSTRATES FOR HOME ECONOMIC GROUPS

FINAL ANALYSIS GIVEN ON FARWELL STEERS AS FOOTBALL SEASON CLOSES

The Farwell Steers tied their first and last football game, lost four games in a row and won three consecutive games, in their 1950 season which ended recently. They ended the season in fifth position in the six-team conference, with Friona in cellar spot.

The locals received their worst beating of the year at the hands of the Olton squad, who dumped the Steers 69-12 in a conference tilt. Dimmitt was the only team which held the Farwellites to a zero count, with a 54-0 lead. Tieg Melrose and Spring Lake, the Steers played two other close games winning both of them by a low margin.

With only a 14-12 win over Bovina and a 20-19 win over Friona, these games were two of the most exciting of the season for Steer fans.

As for touchdown data, the locals made a total of 16 scores during the season. Pool made six of the counters with Jordan, Gerles and Pipkin making two each. Also scoring for the Steers were Raney, Doshier, Norton and Coburn.

The longest run was made by Pool who took the ball on the 8-yard line and scored; Jordan also made two long runs in the Friona tilt when he made two touchdowns, one after an 82 yard dash and the other after a 75 yard run.

Six touchdown passes helped chalk up counters for the locals. In the first season game, Gerles passed to Raney for a counter and Pool heaved a 20 yard pass to Doshier for paydirt.

In the Sudan tilt, Pool's pass to Norton was good for the only score. Gerles' 35 yard pass to Coburn scored in the Bovina game; Pool to Gerles and Gerles to Pool scored twice in the Frenship battle.

Pool ran from the 25 yard line twice for touchdowns in the Olton game and made a one yard plunge in the Friona battle. Gerles ran 13 yards for one counter & Pool ran 70 yards for another one in the Frenship game. Then Donald Pipkin scored two counters from the 2 yard line, when Farwell met Spring Lake. It was the first time he had ever carried the pigskin in a ball game.

On defense, Doshier, Christian, Nix, Dial, Pool, Norton, Poteet, were outstanding. Gerles and Pool were passers. Pool bucked the line for an outstanding number of ground gains during the season and Nix showed up well on punting.

On ground gainage, the Steers didn't come out ahead until the Bovina game when they topped the Mustangs. The remainder of the time they were trailing in yard gains.

Sundown topped them 264 to 137; Dimmitt, 424 and Farwell 137; Sudan, 257 to Farwell's 125; with the locals coming out with 162 to Bovina's 112; and they came out on top again with 250 to Friona's 186; Spring Lake gained 302, Farwell, 202.

First down statistics show Farwell on the low end of the count in that respect. Against Dimmitt, the locals made only five firsts, and the opponents made 19; Sudan made 20 and Farwell made five; Bovina made 24 to the local's 14.

In their first actual offensive showing of the season, Farwell made 17 first downs, and Friona only made

14. Spring Lake topped Farwell 17 to 7 on downs.

Farwell also made less penetrations than their opponents, topping only Bovina with three to the Mustangs two. Sudan made 6 and the Steers none; Friona 4 and Farwell 3; and Spring Lake 6 with the locals making two.

Christian and Pool were co-captains of the team. Gerles and Curris were out of the line-up because of injuries during the season.

Other team members who sparked the Steer offensive and defensive were Jesko, Rex Pool, Vaughn, Dollar, Poteet, Phillips, Crume, Gulley, and Magness.

Coaches were Tommy Hestand and Kenneth Livingston.

Game Round-Up

Concluding a hard drive in the final quarter that saw the use of both long passes and line plunges, the Melrose Buffaloes tied Farwell Steers 12-12 in the first game of the season for the locals.

Both touchdowns in his game were made from pass plays, with Bob Gerles tossing to Dennis Raney for the first counter, and Pool heaving the pigskin 20 yards to Doshier for the second score.

Doshier's defensive play was particularly commendable in this encounter; at one time, he overtook an opponent in the backfield and tackled him with such force that the Melrose boy fumbled and Farwell recovered.

Quarterback Jerry Pool also made crunching tackles in this game.

The locals held the Sundown Roughnecks to a close 6-2 score in their second game, until the fourth quarter when the Sundowners made two fast touchdowns winning the ball game 18-2. The last touchdown for the Roughnecks was made in the last two minutes of the game.

Farwell's only score was made in the second quarter when a member of the opposing team dropped the ball behind the goal line for a safety and two points for the Steers.

The breaks were bad for the Steers in this encounter, especially on fumbles. The locals lost the ball several times.

In their third game of the season, the Steers suffered one of their worst defeats, when riding the crest of a victory streak, the Dimmitt Bobcats trampled the local team 54-0 in the Farwellites first home game and first conference game of the season.

The Steers were on the defensive from the beginning whistle, though they put up a terrific battle.

Scoring a lone touchdown against the Sudan Hornets in their second conference game, the Steers allowed the opponents 35 points.

The Hornets had the breaks in the first half making four of their five touchdowns. But the Steers scored on a pass from Pool to Norton in the second period of play, and held the Sudaners to one touchdown in that half.

Suffering their worst defeat of the season, the outclassed, over-powered Steers went down before the Olton Mustangs, 69-12, but the locals didn't quit fighting during the entire encounter.

outstanding runs for Steer counters; both runs began at the Steers own 26 yard line.

In the sixth game of the season, Farwell slipped by the Bovina eleven with a two-point victory, and their first win of the season.

The Bovina team, who fielded an eleven man squad for the first time, led 12 points before the locals made a counter, but Jerry Pool ran 92 yards for paydirt and Gerles kicked the extra point.

Then Gerles sailed a 35 yard pass to Coburn who headed for paydirt. Pool ran the extra point.

The Steers won again the next week when they played the Friona Chiefs who fell before the locals, 20-19 in a close match.

Top thrill of the game was when Pike Jordan took the ball on the 18 yard line and raced to the goal line for a touchdown for the trailing locals.

Also spectacular was the last touchdown, when Jordan took the ball again on the 25 yard line and ran 75 yards for a winning score. Pool also carried a counter on a line plunge.

Playing their seventh game of the season with Frenship, the local gridsters won an easy victory, 26-0.

Gerles scored on a pass from Pool and then Pool scored on a pass from Gerles.

The Springlake Wolverines and the Farwell Steers tied in the last game of the season, which was also Homecoming for Farwell. Donald Joe Pipkin, tackle for the locals made both touchdowns for the Steers on 2-yard line plunges. The Spring Lake tilt was the first time he had ever carried the ball.

The season ended with two ties, three wins and four losses for the Farwell Steers.

HERE FOR FUNERAL

Mrs. I. H. Taylor and son, Billy Joe, left for their home at Fairax, Okla. on Tuesday, after being called here to attend the funeral of J. A. Oliver, who died last Thursday evening at the home of Mrs. Rosa Barlow in the northeast corner of town.

Winners of the bi-district title for district 1 and 2 in six-man football will be decided tomorrow when the Bovina Mustangs and the Gruver gridsters meet in a Thanksgiving Day clash at Gruver at 2 o'clock in the afternoon.

The Mustangs, undisputed rulers of District 2, and the Gruver team who are champions of District 1, will renew old rivalries in the Thanksgiving football game, with the winning sextette scheduled to play the winner of the District three-four title bout for the regional crown.

Bovina had won all six-man encounters this year until Friday when they lost to Bula, 40-28. Playing the second string, the Mustangs were too far in a slump to be pulled out by the first string. The Mustangs made the top score over Lazbuddy, Pettit, Three-Way, and Bula previously with large score margins.

Fielding an eleven-man team in a try-out game, the Mustangs came within two points of the local Farwell Steers, making 12 points to the Steers 14.

Making their second consecutive district championship, the Mustangs are hoping to turn the tables on the Gruver squad, who won out over the Farmer Countians for the bi-district title last year. So, meeting for high honors for two consecutive years, the Mustangs will strive all the harder to edge the Gruver sextette, with the Gruver squad trying to repeat last year's performance.

Since neither has met any of the teams contacted by the opposition, there is little actual pre-game comparison. Gruver has dropped one game in conference play.

Coach Ratliff of Bovina feels that the teams are evenly matched although the Gruver squad will outweigh the Mustangs.

Line-up for the Bovina team includes Loren Thompson, center; Willie Denney, quarterback; Billy Ray Derrick, fullback; Jimmie Ware, halfback; Denzil Young and Glen Hromas, offensive ends; and Kenneth Lowrie and Jamie Tidenberg, defensive ends.

Sparkplugs of the opponent's team are Hart, Schraeder, Fox and Sanders, with the Mustangs relying strongly on seasoned players Hromas, Derrick and Denney.

Game time Thursday is 2 o'clock in the afternoon.

Cage Games Slated With Hereford For Boys And Girls

Both boys' and girls' basketball teams of Farwell schools are scheduled to play against the Hereford teams in the local gymnasium, next Tuesday night.

The next matches will be with Grady, on the New Mexico court, on December 5, and the locals' first tournament play will be in the Vega invitation meet, scheduled for December 7-9.

The girls' team began workouts several weeks ago, but the boys, engrossed in football, did not begin practice until last week. The Steers will hold practice sessions during the holidays to ready themselves for their initial cage game. So far, they have held one night session, working last Saturday night.

Game time for the Hereford-Farwell tilt is 7:30, with the girls to hit the floor first for the opener.

Coach Hestand reports that 21 boys are working out for basketball. This group includes Jerry and Rex Pool, Jesse Coburn, John Christian, Billy Don Crume, Ted Magness, Bobby Joe Crume, Ronnie Dial, Sonny Spurlin, Pike Jordan, Donald Jesko, Beryle Nix, Lynn Carpenter, Bob

Women's Outsider Basketball Team Is Organized

A women's outsider basketball team was organized in a meeting held in the gymnasium of the Farwell schools Thursday night.

The group, under the direction of W. M. Roberts, principal of the schools, held a short work-out.

Those attending the meeting were Iris Thornton, Ruby Meeks, Jeanne Dudley, Merle Clements, Joyce Doshier, Valarie Heneman, Joyce McGuire, Beverly Gulley, Billie Christian, Hazel Gulley and Ardith Bruce.

Seniors Plan Farwell Christmas Party

The senior class of Farwell school is responsible for decorating the Christmas tree and taking charge of all present for the high school party scheduled at the school, Jerry Pool, reporter, reveals.

All students enrolled in the high school will draw names and exchange gifts at the annual Yuletide affair.

The seniors will also be responsible for the Christmas program, Pool says.

Farwell Annual Staff To Begin Lay-Outs

Members of the annual staff plan to begin lay-outs for class pages over the Thanksgiving holidays, Caryetta Grissom, editor, said Tuesday morning.

Several new students missed having their pictures made, and Miss Grissom said that Shugart representatives will be back in Farwell on Monday for this work. Students who did not approve of their first poses may have pictures remade for extra cost.

Annual staff members are also ready to begin drawings, she added.

FINED IN COUNTY COURT

Freddie Neal Miller, who gave his address as Post, Texas, was given a fine of \$100 and costs in County Court here last Thursday after entering a plea of guilty to a charge of driving while intoxicated. Miller was picked up at the edge of town by Sheriff Chas. Lovelace as he entered the city from the east on Highway 70.

Mr. and Mrs. H. Y. Overstreet and daughter, Jane Clair, are enjoying the Thanksgiving holidays with relatives in Mansfield.
