

FROM THE HOPPER

By HOP

As I watched the fire boys last Friday morning making a desperate effort to put out the fire that was threatening the Lovelace elevator, I began to wonder if this group of volunteers were fully appreciated.

We often make the casual statement that we appreciate our volunteer fire department. But I am wondering if they are appreciated enough.

For months, yes even years the local department has been operated on a skeleton crew of men, despite repeated efforts to induce a larger enrollment of fire fighters. Only on rare occasions has the department been able to carry a full crew for the simple reason that eligible men have reasoned that they do not have the time to devote to this service.

Yet, every man that is presently connected with the department is a busy man; men who desert their places of business at the sound of the siren to devote it to a community service that is saving you and me money every day in insurance rates.

To my way of thinking, it's a crying shame that our fire department is under manned.

Had you ever given serious thought to what is going to happen to the nation's milk supply? It looks to me like everybody in the country that produces cattle has gone into beef production.

Demands for milk are increasing every day, and with all attention being turned to production of beef type cattle, we must begin to wonder where our milk supply is to come from.

It looks to me like the best opportunity in the country is a good dairy herd, properly cared for. To be sure, there is lots of work connected with caring for a dairy herd. But there is work to anything that enlarges the bank account. And I might add that dairying is not near the task that it used to be with all these modern milking machines and what have you.

Yes, in my opinion, there is a real future in dairying.

The boys on the farm have quit producing milk, and even the women don't breast-feed their babies any more. All of which adds up to a shortage of milk.

Walter Freeman, Texico town clerk, reminds Texico residents that it is again time to pay garbage collection fees. Payments may be made at his office.

Edward Ingram is already wondering what he will do with all his money next fall when he gathers his crop. He said he had just read in some farm magazine that every dollar's worth of work he did in applying barnyard fertilizer would return him eleven dollars in increased crop production.

Figuring his labor at current prices, Edward figures he has invested not less than \$500 in spreading manure over his farm—and is wondering what he will do with that excess cash.

Ramm Auction Sale Billed For January 24

Walter Ramm, who lives 14 miles west and one mile south of Muleshoe, today announced that he had sold his farm and would conduct a general clean-up at his farm on Thursday, Jan. 24.

Most of the Ramm listings are top-quality farm machinery and six head of cattle, mostly milking stock. A large collection of miscellaneous items, household goods and various kinds of feed and seed complete the offerings.

Col. Dick Doshier will act as auctioneer, and Orval Francis and Vernon Symcox will serve as clerks. The West Camp Home Demonstration Club will serve lunch at noon. Terms will be cash.

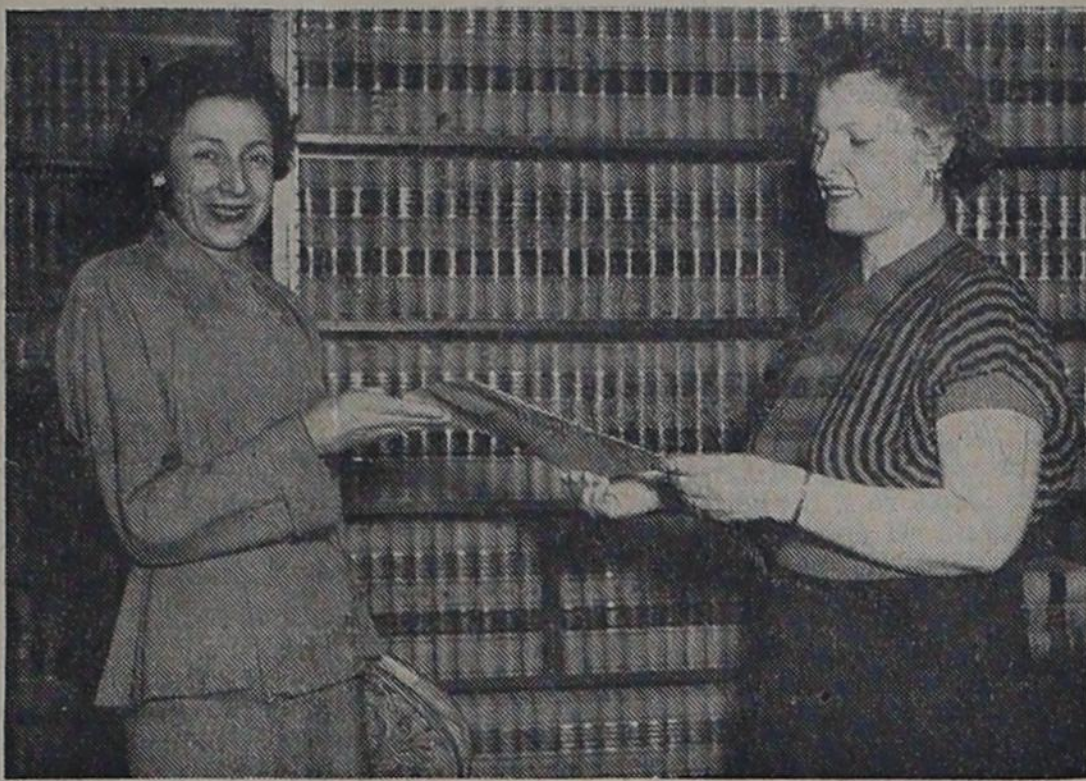

Burglary Warrants Await Clovis Pair

Sheriff Chas. Lovelace said today that he holds warrants for Harry Flemming, 33, and Fred Allen, 41, both of Clovis, who were sentenced to serve two and a half years in the New Mexico penitentiary last week by Judge E. T. Hensley Jr., in Clovis.

Both Flemming and Allen entered pleas of guilty before Judge Hensley on charge of series of burglaries.

They are charged with "house burglary at night" in Parmer County, and their cases will likely be investigated by the Parmer County grand jury when it meets in April. Officers here said that the minimum penalty for "house burglary at night" in Texas is five years in the pen.

RECEIVES CITIZENSHIP CERTIFICATE

Mrs. Irene Dyer, left, is shown receiving her certificate of citizenship from Mrs. Clea D. Evers, deputy district clerk of Curry County, in Clovis, on Monday. Mrs. Dyer has been a resident of Texico and Farwell since March, 1946, when she came here from England to be re-united with her husband, Claude Dyer, after they had been married in England while Dyer was in the Army and stationed in that country.

Mrs. Dyer, along with two others, took her citizenship oath before District Judge E. T. Hensley, Jr., in Clovis at ten o'clock Monday morning.

\$2000 Fire Damage At Elevator Plant

The grain elevator of the Lovelace Grain and Storage Co., in this city has been inactive since Friday of last week when fire broke out in the head-house of the huge concrete plant.

Herbert Potts, manager of the firm estimated that the loss would be at least \$2000, "and possibly more." Adding that the elevator would be incapacitated until new equipment could be installed.

The fire was started from a welder's torch, when a workman was doing some work in the head-house. The large conveyor belt that lifts the grain from the pits upward was burned in two, resulting in the belt dropping to the bottom of the plant, damaging most of the cups on the belt.

Potts said a new belt and cups would have to be installed and other minor repairs made before the plant could operate. He also said that grain in the lower bins suffered some water damage, but the loss could not be determined until the elevator was put back into operation. He said that all damage was covered by insurance.

The local fire department had difficulty in boosting a stream of water to the 135-foot top of the plant, but soon had the fire out after getting the water on the blaze.

Day Comes Out For County Commissioner

E. R. (Emmett) Day today authorized his announcement as a candidate to succeed himself in the office of County Commissioner of Precinct No. 1 in Parmer County.

In making his announcement for re-election, Day said that he had been a resident of Parmer County since 1929, and has maintained his home in Friona.

His candidacy is made subject to the action of the will of the voters in the Democratic primary election in July, and he will appreciate any favorable consideration he may receive in the forthcoming primary.

Commissioners Have Busy Session Monday

Judging from the minutes, the Parmer County Commissioners Court had a busy session on Monday, with a number of important matters being handled.

A road petition of Clyde Sherrieb, et al was accepted and a jury of view was named, composed of H. C. Wells, Loyd Shulk, Wesley Hardesty, Clyde Sherrieb and Herman Neff.

The court voted to accept the bid of the West Texas Equipment company for the purchase of a new motor grader, with the money to come out of the Road and Bridge Fund of Precinct No. 2.

It was voted to keep the county and precinct officials on a salary basis for the year 1952, with the salary figures being the same as last year. County Commissioners will be allowed a traveling expense of \$50 per month.

The salary of the chief deputy in the County Clerk's office was set at \$225.00 per month.

The Treasurer's Quarterly Report of Mrs. Mabel Reynolds was approved, and the current bills ordered paid.

Princeton's mascot is a tiger.

New Hudsons Shown By Farwell Dealer

Four new Hudsons were on display at the Hardage Hudson Company the past Saturday, when the seasonal unveiling of new models was held.

Displayed locally were the new Wasp, in a four-door model; the Hollywood club coupe, the Commodore 6; and two of the popular Hornet styles, also four-door models.

Walter Hardage, dealer, reported this week that approximately 150 people visited the showrooms during the day, with free coffee and doughnuts being served all comers.

Dosher Lists 'Big Sale, January 22

Col. Dick Doshier, local auctioneer, today announced a big public sale at his farm one mile west, one south and three-quarters west of the Texico Port of Entry on Tuesday, Jan. 22.

Doshier, who has been conducting public sales over this section for the past 12 years, said today that his sale would be one of the biggest held in this region in recent years. Fifty head of cattle, all of which have been T. B. and Bang's tested, will go to the highest bidder. A large collection of farm implements, much of it late model, has also been listed for the sale.

Small farming tools, household goods, a three-room house, and hog houses will also be included, in addition to a large collection of miscellaneous items.

The sale will get under way at 10 o'clock Texas time, and the ladies of the Fairied Club will serve lunch at noon. Terms of the sale will be cash.

Loyd Otten of Clovis, will act as auctioneer, and Orval Francis and Vernon Symcox will serve as clerks of the sale.

Complaints Heard On Boys Using BB Guns

"Several complaints on boys who are shooting out windows with air guns were heard at the regular meeting of Texico town council last week," Mayor Orval Francis reports. Francis adds that parents should take action to prevent such acts, but if they do not, the council will be forced to do something about it. Also reported were cases in which youngsters shoot dogs, horses and other animals.

Francis adds that the council will go along with any individual who wishes to make a contract with paving company to place paving alongside their property.

No action was taken at the council meeting, Francis says.

Buick And Chevrolet On Display Saturday

The new 1952 models of both Buick and Chevrolet will go on display on Saturday, Jan. 19, at the Meadors-Cherry Company in Clovis, it was announced today by Max Meadors, member of the firm.

Meadors said that the new models were already on hand and would be unveiled to the local public on that date. He invited the people of this section of Texas and New Mexico to visit his showrooms and see the new models.

Contributions Trickle In As Dimes Campaign Progresses Over County

PARMER COUNTY FARMING SITUATION FOR 1951 GIVEN IN AGENT'S REPORT

In his annual report for 1951 to the extension service in College Station, County Agent Joe Jones explained the economic, social and cultural situation of Parmer County. According to the report, Parmer County is about the dividing line between the wheat and row crop areas of the Panhandle. The report was inclusive through Dec. 1, 1951.

Approximately 85 to 90 per cent of the farmers and ranchers are resident land owners; and generally speaking, the Parmer farmer is in good condition financially. Bank deposits of the two banks in the county run around five million dollars, the report said.

215,000 Acres Wheat Planted
Wheat farmers seeded around 215,000 acres of wheat this year, but made very little, Jones continues, in fact only about 50,000 acres were harvested with an average yield of around 10 bushels per acre.

Grain sorghum was a different story. Farmers seeded around 270,000 acres of which practically all was either harvested for bundles or grain. Of that harvested for grain, the irrigated land averaged around 2300 while the dry land was making about 800. Some farmers had cotton, sudan, or alfalfa, but wheat and grain sorghum were major crops.

The 1952 wheat crop is seeded, but needs moisture where seed in stalks, the report says. Another prediction is that cotton will be on the increase in 1952 following a fair crop and a good price.

More Irrigation
Jones adds that irrigation is playing a bigger part in farming operations in the county. He listed approximately 500 wells which will water around 80,000 acres of the 215,000 acres now in cultivation. The agent feels that irrigation is raising the standard of living for those both directly and indirectly concerned. As a result of good wells, the price of land with irrigation possibilities is increasing in value.

The report names four schools in Parmer, with homemaking and agriculture department. Schools are in the four larger communities with children riding buses to central schools. A health officer is maintained for the county. Also listed are churches, Parmer County community hospital. The report names five veteran classes in the county, which have a total enrollment of approximately 110 veterans.

"The schools and the churches are the chief center of activities in the county," it reads.

Beef Cattle Important
Listing specific items affecting the economic, social and cultural situation of Parmer, the Agent says that beef cattle play an important roll in the over-all income for farmers and ranchers. Approximately 160,000 acres of native grass is devoted to maintaining the cow herd. In addition to native pastures, around 200,000 acres of wheat furnish grazing, on years when moisture is available.

Work is being conducted at present in Parmer to encourage commercial feeding by 4-H club members and Future Farmers. Boys are encouraged to buy good quality beef calves, run them on wheat or perennial pastures, and finish them out in the feed lot on bundles, grain and cotton seed meal. Jones feels that the program is progressing.

Dairying Also Listed
Another important phase of the income situation of Parmer, according to the report, is dairying. At present, 40 Grade A dairies are in operation. However, the trend, Jones says, is for older dairymen who are financially able, to either sell out or cut down on their dairy operation. New dairy farmers are taking their place, but many of the cattle are sold to farmers who are not in the dairy business or who live outside the county. Jones states that chief problems confronting dairymen are accurate record keeping, proper calving dates, diseases, and succulent feeds during much of the year.

A Dairy Herd Improvement association is organized in the county, and has 22 members.

Wheat Facts Given
As was stated earlier, the wheat production was light due to greenbugs and dry weather following seeding until harvest. According to Jones the county has a high percentage of good milling wheat, approximately 85 per cent.

According to Jones, various insect controls were tried on greenbugs, but none were satisfactory. (Continued on following page)

Produce House Fire At Friona, Wednesday

An early-morning fire at Friona on Wednesday partially destroyed the small produce house of S. T. Thornton, it is reported.

Thornton could not be reached for an estimate of the damages, Wednesday, but reports were to the fact that some small machines went up in the blaze. Records kept at the building were partially scorched but intact in the metal filing cabinet.

The origin of the blaze was unexplained.

Complete Right Of Way On Farm Road

A special meeting of the Commissioners Court was held here on Tuesday for the purpose of closing the final right-of-way gaps on the farm road from Oklahoma Lane to the "cross roads" north of Bovina.

Officials stated late Tuesday afternoon that agreement had been obtained on all right-of-way along the route and that the contract for the road would likely be let at an early date.

Complications in obtaining the right-of-way arose when the survey crossed valuable farm lands north of Bovina, officials said, causing a delay in opening up the route. "Everything has been worked out and we have advised the Highway Commission at Austin," County Judge A. D. Smith reported.

Friona School Closed As Influenza Strikes

The Friona schools were closed on Tuesday, due to a severe outbreak of influenza, and Supt. Dalton Caffey reported that classes would not be resumed until Monday, January 21st.

Flu cases had been showing up in the community for several days, according to Dr. Paul Spring, county health doctor and head of the hospital at Friona. Average duration of the attack is from three to five days, with most victims painfully, if not critically, ill during that time.

Supt. Caffey said that some 160 students were out of school Tuesday, with a good number of youngsters being taken to their homes after becoming ill at school.

Ownership Change At Illini Courts

Mr. and Mrs. R. D. Williams arrived here Tuesday from Plainview to take over the ownership and management of the Illini Courts in Texico.

Sale of the popular court was announced the latter part of December by Mr. and Mrs. Claude Stone, who have operated the new business for the past year. Temporarily, the Stones are making their home in Clovis, and will spend the rest of the winter in the Southwest.

Williams Announces January Clearance

The Williams Mercantile Co., of Bovina, is announcing a January clearance of winter merchandise this week in The Tribune. This is an annual feature of this progressive store and many bargains are being offered in the event.

Thrifty shoppers of this region will do well to visit the store during this special event of price-making.

LIONS TO MEET MONDAY

Otis Huggins, president of the local Lions Club, announced today that the regular meeting of the club would be held on Monday night of next week, instead of Tuesday night, the regular meeting date.

President Huggins said that the meeting was being advanced a day so as not to conflict with basketball games between Texico and Farwell. Tom Wagner will be in charge of the program.

IN AIR FORCE

John Tabor, former resident of Bovina, has entered the air force, and is stationed at Lackland Air Force Base, San Antonio.

Contributions are continuing to be recorded for the March of Dimes campaign in Parmer County, Chairman Raymond Euler, of Friona, reported on Wednesday of this week, with several special activities still on tap.

The drive got underway on January 1st and is continuing through the entire month, Euler reminded.

Very little actual financial checking has been done, the chairman said Wednesday, adding, however, that he had received reports from some special functions. On Saturday of last week, four Friona cafes cooperated in "coffee day" with coffee going at 10c per cup and all proceeds being turned over to the Dimes campaign. Total returns were \$80.35.

Also at Friona, on Tuesday night an outsider's basketball game between Farwell and Friona drew a fair crowd, with a gate receipt of \$31.65. Attendance at the game was cut in some measure by the prevalence of influenza in the Friona community.

In Farwell, the Rose Drug and Mary's Cafe are scheduling their coffee drive on Saturday, when the drink will cost 10c per cup and proceeds will go into the polio treasury. Two more benefit ball games have been announced, one for Bovina and one for Farwell.

On Monday night, January 21, the Farwell and Bovina outsiders will meet in the local gymnasium. Students are promoting attendance at the affair, and sponsors stressed that no regular admission charge would be set, with generous contributions being asked. Time, 8 p. m.

Bovina is staging a "Fats vs. Slims" game of their own on January 31st, with Coaches R. E. Everett and Clovis Ratliff doing the managing of the squads. The game is to be played in Williford gymnasium.

Euler said that he had received no information on the progress of the drive from outlying communities, other than from Rhea, where a pie supper or the night of Jan. 4 totaled \$201.94.

Brewer stated today that he had available for communities wishing to use it, a special film, entitled "Polio Epidemic, 1950". The film is 16mm, with sound, Brewer added.

Ivy Enters Race For Commissioner Job

H. L. Ivy, who is just completing his first term as County Commissioner of Precinct No. 4, today authorized The Tribune to announce his candidacy for re-election.

Ivy makes his announcement subject to the will of the voters in the Democratic primary election in July, and will appreciate any consideration shown his candidacy.

In presenting himself as a candidate, Mr. Ivy feels that the experience he has gained in his first term has given him a better working knowledge of the duties of the office, and will be able to render an ever better service that he has given the office the past two years.

Texico Farm Bureau Has Monday Meeting

Texico Farm Bureau met at the school lunchroom, Tuesday night, with 21 members and three guests in attendance. Luther Pearce opened the session, and a talk was given on the Clovis directors meeting.

Attendants discussed methods of getting new members, and also took up fire and auto insurance received through the Bureau. Mrs. W. H. McDaniels was elected reporter. A report was given on the coffee urn recently purchased by the group.

It was announced that members would meet Pleasant Hill in "42" games on January 18. Albert Matlock discussed the Farm Bureau convention in Chicago in December and quoted important facts which were given in various speeches at the convention. Directors of the Bureau emphasized that legal voters go to the polls in 1952 and vote for the officials of their choice.

The group voted to contribute \$8 to a fund to help restore the recently burned library at New Mexico Boy's Ranch.

Refreshments of cookies and coffee were served, and the evening concluded with games of "42" and visiting.

ATTEND MEETING

Chas. Beiler and Nelson C. Smith, rural route carriers of Texico and Farwell, attended a meeting on rural route carriers in Lockney last Saturday night. In addition to a profitable meeting, the visitors were served with a barbecued venison dinner.

For County Treasurer: MABLE REYNOLDS (For Re-election)

For County Judge: A. D. SMITH (For Re-election)

Farmer Co. Farming—

White grub, false wire worm and cut worm also gave trouble over the county.

As for storage of large crops, new elevators and an increase of farm storage is playing an important part in the situation.

Combine type milos dominate the grain sorghum acreage in the county. Jones adds, with martins still in the lead.

Some farmers used commercial fertilizers on their crops, and legume demonstrations (planted between the rows in early fall) are being carried on. More use of each is anticipated in 1952.

Hail Damages Cotton
Cotton acreage was cut considerably by hail and heavy rains, but was still up about 500 per cent over the last year. Acreage was near 20,000 and 'should produce something like 10,000 bales,' the report says. Insects were few, but did some damage. Several insect control meetings were held.

Discussing soil conservation, Jones said that there are about 150 co-operators, and about 450 applications for service with the soil conservation district. For 1952, plans call for an irrigation day and county soil conservation tour, with the extension service and soil conservation district cooperating. Two such programs were held in 1951.

The legume program is just beginning, but the agent feels that it has a future. A tour into Colorado was held to study soils. Winter Peas, Vetch and Clover are the most popular legumes, Jones adds.

Interest in hay production was stimulated by 1952's price for alfalfa hay; new seedings have gone in this past fall, or will next year according to plans of farmers at present, the report states. Also in the limelight are perennial pastures, as farmers strive for year round grazing.

Irrigation wells in the county pump water from 120 to 350 feet. Meetings were held last year to explain soil management, water application, fertilizers, crops to produce, in conjunction with irrigation. Similar meetings are planned for 1952.

Also in 1951, with assistance received through the District rodent control office in Lubbock, farmers and ranchers are continuing to poison prairie dogs this year. A county wide campaign was used.

4-H Work Progresses

Last on the report was the 4-H club work. Four clubs in the county have an enrollment of 210 boys. Located at Bovina, Lazbuddy, Friona

and Farwell, boys have demonstrations, with crops, gardens, home ground beautification, rabbits, swine, poultry, dairy and beef cattle.

Club meetings are held in the schools during the school hours once each month. Two shows are sponsored each year by the Parmer County Dairy Show and Fair association.

During the past year, boys exhibited livestock at Ft. Worth, Amarillo, Lubbock, Hereford, Plainview and of course at Parmer County show. About 35 boys were represented in this group who showed at shows other than the county show.

In all, about 110 boys exhibited at one show or another throughout the year.

During the past year, 4-H boys fed 74 head of beef steers worth about \$15,000, 250 head a swine that brought them around \$10,000 and besides this, fed and cared for 40 dairy animals along with their crops and gardens. During the year, 25 registered gilts were placed with 4-H boys in addition to those raised and registered by boys already raising registered swine.

4-H club boys enter Santa Fe and Home Grounds beautification contest, with Leon Langford, Farwell, winning state and national honor in the latter. The grass identification

team won 1st in district contest and attended the State Round-Up, winning 4th. Fifteen boys attended District 4-H club camp in Lubbock and the baseball team won first place, thus keeping the trophy another year.

Jamie Tidenberg was a Talent Tour winner.

Farwell Students Begin New Semester, 14th

The new semester for the current school term at Farwell schools began Monday morning, Jack Williams, superintendent of schools, said, with registration being held that morning.

The majority of courses continue on into the second semester, he added, so very few students had registration changes. Administrators had hoped to add a driver's education course, but arrangements could not be made.

Courses at the school include algebra I, plane geometry, physics, general science; agriculture I, II and III; home economics I, II and III; English I through IV; typing I and II; shorthand, junior business training, music, band and chorus. Some of the classes have two sections, the superintendent explains.

MOVE TO BOVINA

Forty students have moved to Bovina, this school year, from other schools, it has been reported. This semester, eight have been enrolled. Included are four Dunnam children from Lockney; Cathy Bell Sterling from Farwell; Wannette Lee and Jackie Dale Turner of Roby.

FAMILY MOVES

Mr. and Mrs. Kirt Crume and family, who have been residing in the house just south of the B. N. Graham residence, moved this week to the residence formerly occupied by Mr. and Mrs. Loyde Brewer.

OF THE**

ILLINI COURTS

LOCATED IN TEXICO, N. M.

*Effective Jan. 15, Mr. and Mrs. R. D. Williams Succeeded
Mr. and Mrs. Claude Stone as Owners of the Business*

THANK YOU

In relinquishing our interest in the Illini Courts, which we have owned and operated for the past year, we want to take this occasion to thank the people of Texico-Farwell and surrounding country for the favorable reception you have given us.

We have been well received here by the good people of this community and we have enjoyed a measure of success in the business venture. We put our best efforts forth in offering you a modern, up-to-date court and have given of our best endeavors in serving you and the traveling public.

You have been very generous with four favorable comments and patronage and we are deeply grateful to all of you.

MR. & MRS. CLAUDE STONE

WE GREET YOU

In succeeding Mr. and Mrs. Stone as owners and operators of the Illini Courts, we realize that we are undertaking a huge task.

But we enjoy succeeding a couple that has been so favorably received in your community and it will always be our desire and aim to merit the good will they have enjoyed during the year they have operated this modern court, which enjoys the reputation of being one of the finest in the entire Southwest.

Naturally, in this line of business, we will cater to the tourist and the transient. But we will also be happy to serve the people of this community in providing accommodations for your visitors when you are over-crowded. We invite you to call on us any time we can be of service to you.

Candlelight Ceremony Unites Texico Young Couple Recently

In a candlelight ceremony performed in the home of Mr. and Mrs. Curley Hendricks in Texico, Miss Patsy Doshier, became the bride of Bobby Blair. Saturday night at 7:30 o'clock. The bride is the daughter of Mr. and Mrs. Lee Doshier, and the bridegroom is the son of Mr. and Mrs. R. H. Blair, both of Texico.

Rev. A. T. Kersey of Oklahoma Lane read the single ring vows. Rev. Kersey is the minister who performed marriage rites for the bride's parents 22 years ago.

For her wedding, the bride chose a white two-piece dress with a brown collar and brown accessories. Her corsage was of yellow carnations. Traditionally, for "something old," she chose a rhinestone necklace; "something new" was her wedding ensemble; and "something borrowed" was an ear ring set, belonging to her aunt, Mrs. Elmo Tipton of Amarillo. "Something blue" was a garter.

Only attendants for the young couple were Mrs. W. O. Reid and Vernon Lewis. Mrs. Reid wore a two-piece dress with a full skirt, and a cape effect at the shoulder. She chose black accessories and her flowers were yellow carnations.

Mrs. Blair is a senior at Texico schools, where she is a member of the basketball team, a majorette in the band, and a member of the band. She plans to continue school and receive her diploma at the conclusion of this semester. The bridegroom attended Dalhart schools and is now employed at Sikes Motor Co. The couple plan to make their home in the apartments over the Red Cross pharmacy.

Homemakers Class Has Social Monday Night

The Homemakers Class of the Baptist church social and regular meeting, Monday night in the home of Mrs. Ralph Smith, with Mrs. Terrell and Mrs. Sanders as co-hostesses.

The devotional, based on the Baptist Orphan's Home at Roundrock, Texas, was brought by Mrs. Raymond Cook, and Mrs. Smith directed a Bible quiz. A special reading was given by Judy Smith.

Games were enjoyed, and refreshments served to twenty members at the conclusion of the evening.

CARD OF THANKS

I wish to thank my friends in Texico and Farwell who attended the ceremony Monday, in which I took my naturalization oath. Just knowing that you were there gave me much more confidence.

May God bless each of you.

Irene Dyer

Aside from cheese, rats also enjoy doughnuts, apples, sweet potatoes, and peanut butter.

Farwell FFA Attends Fat Stock Show

Members of the Farwell Future Farmers of America discussed a trip to the Fort Worth Fat Stock show at their regular meeting, Monday night, in the agriculture building of the school.

Fourteen boys plan to make the trip by car, attending on January 25-27.

Also on the business agenda for the meeting was a report on the scrap metal drive which the boys are conducting, and a box supper, planned by the FFA and FHA.

After the business meeting, Jack Spurlin was on hand to discuss the new automobile inspection law, and the boys were invited to ask questions.

A comedy film was shown, and members completed the session with ping-pong games.

Red Cross Director Visits In Parmer

R. L. Matthews, field director for the American Red Cross, was here from Lubbock on Thursday of last week, meeting with Parmer County officials who will have charge of the annual Red Cross drive, beginning in March.

Vernon Estes, of Bovina, is county Red Cross chairman; Loyde Brewer, of Farwell, will serve as drive chairman; and Mrs. O. F. Lange, of Friona, acts as home service chairman for the county.

Brewer said that a meeting would be held in Lubbock on January 31, at which time final details for the 1952 campaign are expected to be announced.

Cailouett Improving At Friona Hospital

Louis Cailouett, of Texico, was reported Wednesday morning by employees at the Parmer County Hospital, in Friona, to be showing "some improvement", after being on the critical list for several days.

The Texico man was admitted to the hospital last week for treatment of a kidney infection, which became complicated by a heart attack, it is reported.

CHILD IS BURNED

Pat, 2½-year-old son of Mr. and Mrs. Charlie Thompson, suffered burns on the palm and fingers of his right hand the past Tuesday, when he decided to feel that bathroom stove at the family home. The youngster received medical attention, and is reported recuperating from the injury.

High Herds Listed By Parmer DHIA

Eight herds were included in the December report for Parmer County Dairy Herd Improvement association; with 181 cows milking and 57 cows dry for a total of 238. Association totals were: milk production, 148220; butterfat production, 5310; average milk per cow, 623; average butterfat per cow, 22.

Three high herds were owned by: Humphrey and Ells, first; Humphrey's Dairy, second; and Roy V. Miller, third. The first two herds were holstein and the third was Jersey. High herd in the milking short-horn division belonged to Virgil Teague.

Eight of the 10 high cows for milk production belonged to Humphrey's Dairy; and the remaining two were owned by Humphrey and Ells. In the 10 high cows for butterfat production, Humphrey's Dairy placed six animals. Other owners who placed animals in this division were: Roy V. Miller with three; and Leo Witkowski, one.

TO ATTEND MEETING

Robert "Prof" Morton is to attend a mid-winter conference of agriculture teachers in Plainview, Friday night and Saturday. Several state men will be at the area meeting, Morton states.

Mulshoe Attorney To Enter Politics

Karl L. Lovelady, an attorney of Mulshoe has informed The Tribune that he will be a candidate for State Representative from the new Ninety-Sixth Legislative District. This new District was brought about by the last Legislature Redistricting Law, which places Bailey, Castro, Lamb, Parmer and Deaf Smith Counties in a new district of their own. At present the district is without a representative as the Hon. Harold LaFont, who represented the old district lives in Hale County Texas.

Mr. Lovelady has practiced law in Mulshoe for the past three years, and before that he was with the City of Lubbock in the legal department.

Mr. Lovelady has served as County Judge of Bosque County, and State Senator from the 21st Senatorial District.

Mr. Lovelady stated further that he will have a formal announcement in all of the papers of the district at a later date, but in the meantime he would appreciate the support of his friends and will try to see each voter in the district before election time.

For 52 years, it was entitled "An Act to Establish a Uniform System of Bankruptcy Throughout the United States." Recently Congress changed the name to the "Bankruptcy Act." It's encouraging to learn that the government really isn't intent on bankrupting all business.

Billy J. Goldsmith In Ford Service School

CRAIG AFB, Alabama—Private First Class Billy J. Goldsmith, son of Mr. and Mrs. Robert M. Goldsmith of Texico, is presently enrolled in a twelve-week food service school here.

During the course of their schooling, the airmen attend two weeks of classes on food preparation, and spend the remaining ten weeks in one of the dining halls on the base actually preparing the meals.

Private Goldsmith enlisted in the Air Force in September, 1951, and completed his basic military training at Sheppard Air Force Base before being sent to this installation, where aviation cadets receive advanced single engine flying training.

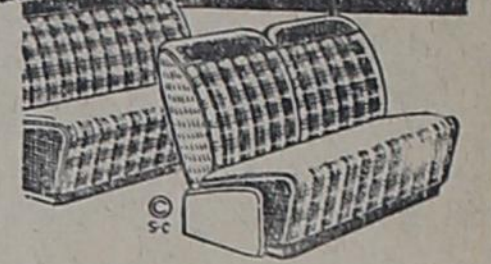

He has two brothers in the service. Pfc. R. V. Goldsmith is stationed here and is also attending the food service school. Another brother, Pfc. Milo M. Goldsmith, is now stationed as a welder at Biggs AFB.

On the girls' squad are: Marsha Peterson Reid, Texico; Kayla Felts, Farwell; Donna Miller, Friona; Bronman of Adrian; Wiseman of Vega and Carpenter of Lazbuddy. Boy all-stars shown are: Engelking of Lazbuddy; Coburn of Farwell; Young of Bovina; and Mathers and Kelly of Hereford.

Farwell Independents Suffer Loss Thursday

Farwell independents basketball team suffered their fourth consecutive loss Thursday night, when Dorris Farm Equipment of Melrose topped them 33-25, in a district 6 amateur league tilt.

The Melrose group had more reserve strength and pulled away after a tight first quarter. Halftime score was 21-16.

Joe Jones hit 8 counters for the locals, with Capps of Melrose making 12.

The victory gave the Melrose team second place with league, tied with Bovina.

PLAY IN TOURNEY

The Farwell Steers will be entered in an invitation cage tournament at Amherst this week, Coach Kenneth Livingston reports. The boys drew a bye for the first round of play, and will meet the winner of the Littlefield-Sudan tilt Friday at 12:15.

Wolverines Trounced Twice Over Weekend

Texico's Wolverines were trounced twice over the past weekend, when they traveled to Tatum and Eunice for non-conference games. Tatum defeated the locals 35-30 and Eunice smashed the visitors 45-18.

Tatum jumped to an early lead and never lagged during the game, being ahead 6-4 at the end of the initial period and on top 16-11 at half.

The Wolverines scored 7 points in the third period as Tatum got 11 and then started hitting the bucket in the final period, edging up to within five points of the Tatum lead.

In the Eunice game, the locals trailed from the opening to the final whistle. Eunice held a 22-7 first-quarter period. In the second round, very little scoring took place, with Eunice making three as the locals got one.

In the third quarter, Eunice exploded for 16 counters as the locals could amass only seven, and the fourth period repeated the second, with little scoring as Texico got 3 and Eunice 4.

Bovina Teams Take Two Over Farwell

The Bovina girls kept their perfect record by defeating Farwell, Tuesday night, on their home court. The exceptionally close game required an overtime period before the Bovina lassies edged ahead, 34-32.

Farwell grabbed an early lead and led 10-6 as the first quarter ended, but Bovina bounced back to lead 17-12 at the half. In the third quarter, Bovina squeezed by 25-24 and the regular game ended with a tie, 31-31. During the overtime, Bovina got a total of three as Farwell could account for only one free try.

Lillian Young, Bovina, led the scoring with 13; Donna Smith was close with 12. Laverna Christian scored 10 for Farwell as Marcia Foster tossed in 9.

In the boys' game, the Mustangs had no trouble handling Farwell, 50-29. The first quarter was scoreless, with Farwell controlling the ball but failing to score. Halftime found Bovina in front, 18-3 and it was all Bovina the last half.

Young, Bovina, hit the net for 23 points while Hromas counted for 19. Coburn and Dial led the Farwell scoring, with each taking 7.

The Bovina teams will go to Lazbuddy, Friday night, for a pair of conference tilts. Saturday night, the Price College boys from Amarillo come to Bovina, and on Tuesday night of next week the Rosedale's will visit Bovina for boys' and girls' matches.

Wolverines Will Play Portales Rams Friday

Texico's Wolverines will go to Portales, Friday night, for a District 6 contest with the Portales Rams, Coach Charles Sockton said today.

On Saturday night of this week, the Wolverines will be hosts to the Ft. Sumner Foxes; and Tuesday, Jan. 22, they will go to Farwell for a game with the Farwell Steers.

Texico's Whirlwinds will also play the Farwell lassies, Tuesday night, and the Field sextette, Saturday.

Last-Minute Rally Wins For Bovina

The Bovina U-Down girls' independent cage team won a last-minute victory over Hereford, Tuesday night, when they got two points out in front and froze the ball to triumph, 33-31.

Playing by AAU rules, the girls found the going a bit different from an earlier match played by Inter-scholastic League rules, when they dumped Hereford by 10 points.

Hereford led at the end of the first quarter, 10-5, after which Bovina started climbing and were within two points of Hereford at half. As the final quarter began, Hereford clung to a precarious one-point lead.

Pounds led the scoring for the locals with 12, as Wilkerson got 11 and Englant 10. Englant had a perfect free toss record, with eight out of eight. Dean Brown led the scoring for Hereford with 11 as Henne-man counted 8.

Junior High Teams Lose At Ranchvale

Junior high boys and girls from Texico visited in Ranchvale Tuesday afternoon for two cage games, coming out on the short end of the score in both encounters, the girls losing 23-14 and the boys trailing 30-22.

Play in the first half of the girls' game was tight. Texico led 6-3 in the first quarter, and were tied with Ranchvale at 12-12 at the half. The locals were held to two points in the second half as Ranchvale scored 11 to win.

The boys' game was a different story as Ranchvale took and held the lead at 10-5, then 16-10 at half.

In the third canto, Texico managed only four as Ranchvale got 10; but in the last round managed to out-point their opponents, 8-4.

Girls' Team Recognized At School Assembly

Members of Texico's girls' basketball squad were recognized in an honor assembly Monday morning, presided over by Superintendent Agrie Jones.

Special recognition went to the team and their coach, F. D. Stout, for winning first place in the Friona tournament over the weekend.

Supt. Jones stated in the assembly that he felt a special tribute should go to both Texico and Farwell for the fine sportsmanship exhibited in the final game of the tourney.

Pictures of the team, the coach, and the trophy were taken for use in the snapshot section of the year-book.

Rosedale Cowboys Trim Wolverines

The Rosedale Cowboys were visitors on the Texico court, Tuesday night, taking a lop-sided 35-14 verdict over the Wolverines.

Unable to find the bucket, the locals trailed 10-3 in the initial period and lagged 19-4 by half-time.

The locals continued to miss shot after shot in the third canto and were held to one point as the visitors accounted for 9. In the final quarter, the Wolverines ran up 8 counters as Rosedale scored 7.

The Wolverines go to Portales Friday night for a District 6 contest with the Rams, Coach Charles Sockton said today.

Outsiders' Team Wins Over Clovis Jaycees

In a game with a top-heavy score the local men's outsider basketball team on Monday night defeated the Clovis Jaycees, 52-32. The win took the locals from the bottom of the heap in league play. They had suffered four consecutive losses.

Leading from the beginning, the locals amassed a considerable lead as the game unraveled.

Junior High Teams Win Over Center

Texico's Junior High boys and girls teams went to Center last Wednesday afternoon for two ball games with the Center Juniors and were victorious in both games," stated Curtis Miller, coach, today.

The girls game was a low scoring

affair with the locals holding the Center team to two free throws throughout the entire game. The locals scored 10 points, to win the game 10-2.

The boys game was close all the way with considerable scoring. The locals finally came out on top 21-16.

Whirlwinds Take Win Over Rosedale Girls

The Texico Whirlwinds smacked the Rosedale Cowgirls, Tuesday night, 29-23, on the local court.

The first quarter was very close, ending 7-6 in Texico's favor. Tight play held through the second quarter as Rosedale got three and the Whirlwinds scored four.

Tightening up, Texico held their opponents scoreless in the third round and hiked their lead to 20-9. Rosedale threatened in the final period by scoring 14 points, but fell behind the Whirlwind final tally.

TO PLAY OUT OF TOWN

Two out-of-town tilts are slated for both boys and girls of Texico schools on the weekend following this. The local squads will play Des Moines on their opponent's court on January 25, and meet Grady, there, on Saturday, the 26th.

GAME SITES GIVEN

Farwell plays two out-of-town teams on the opponents' courts on the weekend after this. The locals meet Lazbuddy, January 25, and play Rosedale on the New Mexico court, January 29.

County Teams Contestants For Champion Honors At Friona Cage Tournament

Farmer county teams were definitely in the running for championship honors at the invitation cage meet staged here last weekend, with the final games on Saturday night pitting the Farwell and Texico girls, the Bovina and Vega boys; while the consolation matches started the Friona-Lazbuddy girls and the Farwell-Vega boys.

Curry County's Texico Whirlwinds came through for the top honors in the girls' match, ousting Farwell by a close 28-33 count, after gaining a scant one-point lead at the end of the third quarter. The Farwell squad had led at the first and second quarter, but lost their rabbit's foot in the final rounds.

LaVerna Christian hit the bucket to total 15 points for the losers, but Esther McDaniel, hot-shot of the Texico squad, came through with a grand total of 21 points to push her team into victory.

The boys' game, on the other hand, definitely belonged to Bovina from the opening round, with the final score standing 54-46. Jumping off to a quick 5-19 lead, the Mustangs had forged ahead 30-17 by the half, and led 43-27 at the end of the third round.

Mathers, of Hereford, led the scoring with 25, while Young paced Bovina with 22 points.

Consolation Matches

Preceding the finals, the Friona girls took Lazbuddy, 29-17 for the consolation honor, leading throughout the game as Haws bagged 16 points. Carpenter led Lazbuddy with 13.

The boys' consolation trophy went to the Vega contestants, who slid past Farwell 39-26, after a close first quarter which saw the count knotted at 8-8. Vega then stepped into the lead, and at the end of the third quarter, had doubled the count on Farwell, to lead 32-16. Coburn got 13 for Farwell; Cotton paced Vega with 16.

All Tourney Teams Named

In addition to the trophies given first, second and consolation winners in both divisions, individual awards went to the players selected for all-tournament teams.

On the girls' squad were Peterson, of Texico; Miller, of Friona; Felts of Farwell; Carpenter of Lazbuddy; Wiseman of Vega; and Bronman of Adrian. Listed as tops for boy players were: Young of Bovina, Coburn of Farwell, Engelking of Lazbuddy; Mathers and Kelly of Hereford.

Following is a brief resume of all games of the tournament, other than those given above:

Farwell-Lazbuddy Boys

Lazbuddy took the game over Farwell by a close three points, 39-36 as they sent Farwell into the consolation bracket. Score by quarters was close, with Lazbuddy always in the lead, at 11-12; 17-27, and 29-37. Coburn led Farwell with 13; R. Jesko had 19 for the winners.

Farwell-Grady Girls

The Farwell girls took Grady in their opening game, 36-23, after taking and holding a commanding lead throughout. Boney of Grady had six points, while Christian was the hot-rod for the winner, scoring a total of 15.

Friona-Bovina Boys

The Bovina Mustangs opened

their drive for the championship by clearing the decks of Friona in their opening game, the final count standing a lop-sided 50-70. D. Robbins hit 16 for the losers, Young had 24 for the winners.

Bovina-Lazbuddy Girls

Again honors went to Bovina, when Lazbuddy's girls were victims, 38-35 in a close, furiously contested game that saw the score tied 19-19 as the first half ended. Young was high for the winner, as she came through with 27 points but Lazbuddy's Carpenter ran her a close second as she bagged 20.

Hereford-Vega Boys

The Vega boys were first victims of the Hereford quintet, when the final scores stood 51-30 for Hereford. The winners, paced by Mathers with his 20-point scoring, led throughout the match. Dillehay, of Vega, got a total of 13.

Friona-Vega Girls

Vega took the Squaws into camp, 40-26, when the two teams tangled. The Vega sextette took an early 13-4 lead and continued to forge ahead throughout, as Price banged in 17 points, while Friona's Magness topped her squad with 9.

Adrian-Texico Girls

Esther McDaniel paced Texico to the win over Adrian, as she hooped a total of 23 points and Texico won by a long 59-28 count. Score by quarters showed the Whirlwinds always in a commanding lead. Bronnan paced Adrian with 15 points.

Friona-Farwell Boys

One of the hottest boys games of the tournament matched Farwell and Friona, with the Steers taking the measure of the Chiefs finally, 29-30. Farwell led, 10-9 at the end of the first quarter, the score was tied 16-16 at the half, and again at the end of the third round the Steers had a fair lead, 26-18. Coburn paced Farwell with 10, while the Friona count was fairly even, as Robason got 8, Barnett 6, and Robbins 5.

Farwell-Bovina Girls

The Farwell girls came from behind in the final quarter to cinch their game over Bovina, 30-27, having trailed 22-23 at the third quarter. Count was even up at the first round, 8-8, and Farwell grabbed a scant one-point lead by halftime, 15-14. Christian got 19 for Farwell, as Smith his 10 for Bovina.

Lazbuddy-Grady Girls

Lazbuddy moved on down the line over Grady, winning 37-22 in a game which saw them hold a lead throughout. Carpenter stepped in to pace her team with 18 points; White and Gregory each got eight for Grady.

Vega-Texico Girls

The Texico girls took their semi-final match over Vega by a long count, Saturday, winning 51-38, as they breezed over the opposition. Peterson came through to lead Texico with 25, as B. Wiseman got 18 for Vega.

Friona-Adrian Girls

The Squaws took their semi-final also, winning over the Adrian sextette, 39-29. Friona held a scant 10-6 lead at the end of the first quarter, but had lengthened it to 28-13 at the half and 36-25 by the opening of the last round. D. Miller, of Friona, got 24 points; Bronman of Adrian, 15.

Lazbuddy-Bovina Boys

Semi-final victory went to Bovina, 49-44, as Lazbuddy put up a battle in the last quarter. Bovina had led, 20-4, in the first quarter; 33-16 at the half, and 46-28 in the third quarter. Young was high with 16 points for the winners; R. Jesko had 12, McDonald and Engelking tied with 11 each for the losers.

Hereford-Levelland "B" Boys

The Hereford aggregation handily took the Levelland "B" team, 60-47, to insure a berth in the final match. Hereford was easily ahead throughout, as Mathers counted up 25 points, Bentley, of Levelland, got 18.

City Budget Being Set Up By Wilson

Preparation of the budget for the City of Friona is the order of business at the local city hall this week, according to Roy Wilson, manager.

Wilson said that all details of the budget had not yet been worked out.

City employees are still busy with construction of the new building which will house the city's fire equipment, and good weather of some three weeks should, according to Wilson, see completion of the building. "However," he pointed out, "we have had numerous interruptions due to weather conditions lately, and this may further delay the work."

Texas Ranger Guest Speaker For Lions

Frank Probst, Texas Ranger who was active in the solving of the Joshua Blocher murder case recently and was also active in the Tex-Thornton case, in Amarillo, was guest speaker at the regular meeting of the Friona Lions Club, last Thursday evening.

Probst devoted his talk to "Crime Prevention", and in stressing cooperation with law enforcement officers, showed slides of known criminals-at-large in the Panhandle, asking the men assembled to "keep an eye open, if you see someone acting suspicious, don't hesitate to call your officers to make a check up."

One important tip offered by the Ranfer to businessmen: chisel the name, number, etc., off office safes, if money is kept there in overnight. He explained that the large majority of hi-jackers are well versed on opening safes, pointing out that journals are issued telling how to open a safe in an emergency. "If

The Bovina Mustangs and Texico Whirlwinds, winners at the local invitation tournament last weekend, are shown above. Texico took a close hard-fought game over the Farwell girls for the title, while Bovina easily ousted the Hereford quintet.

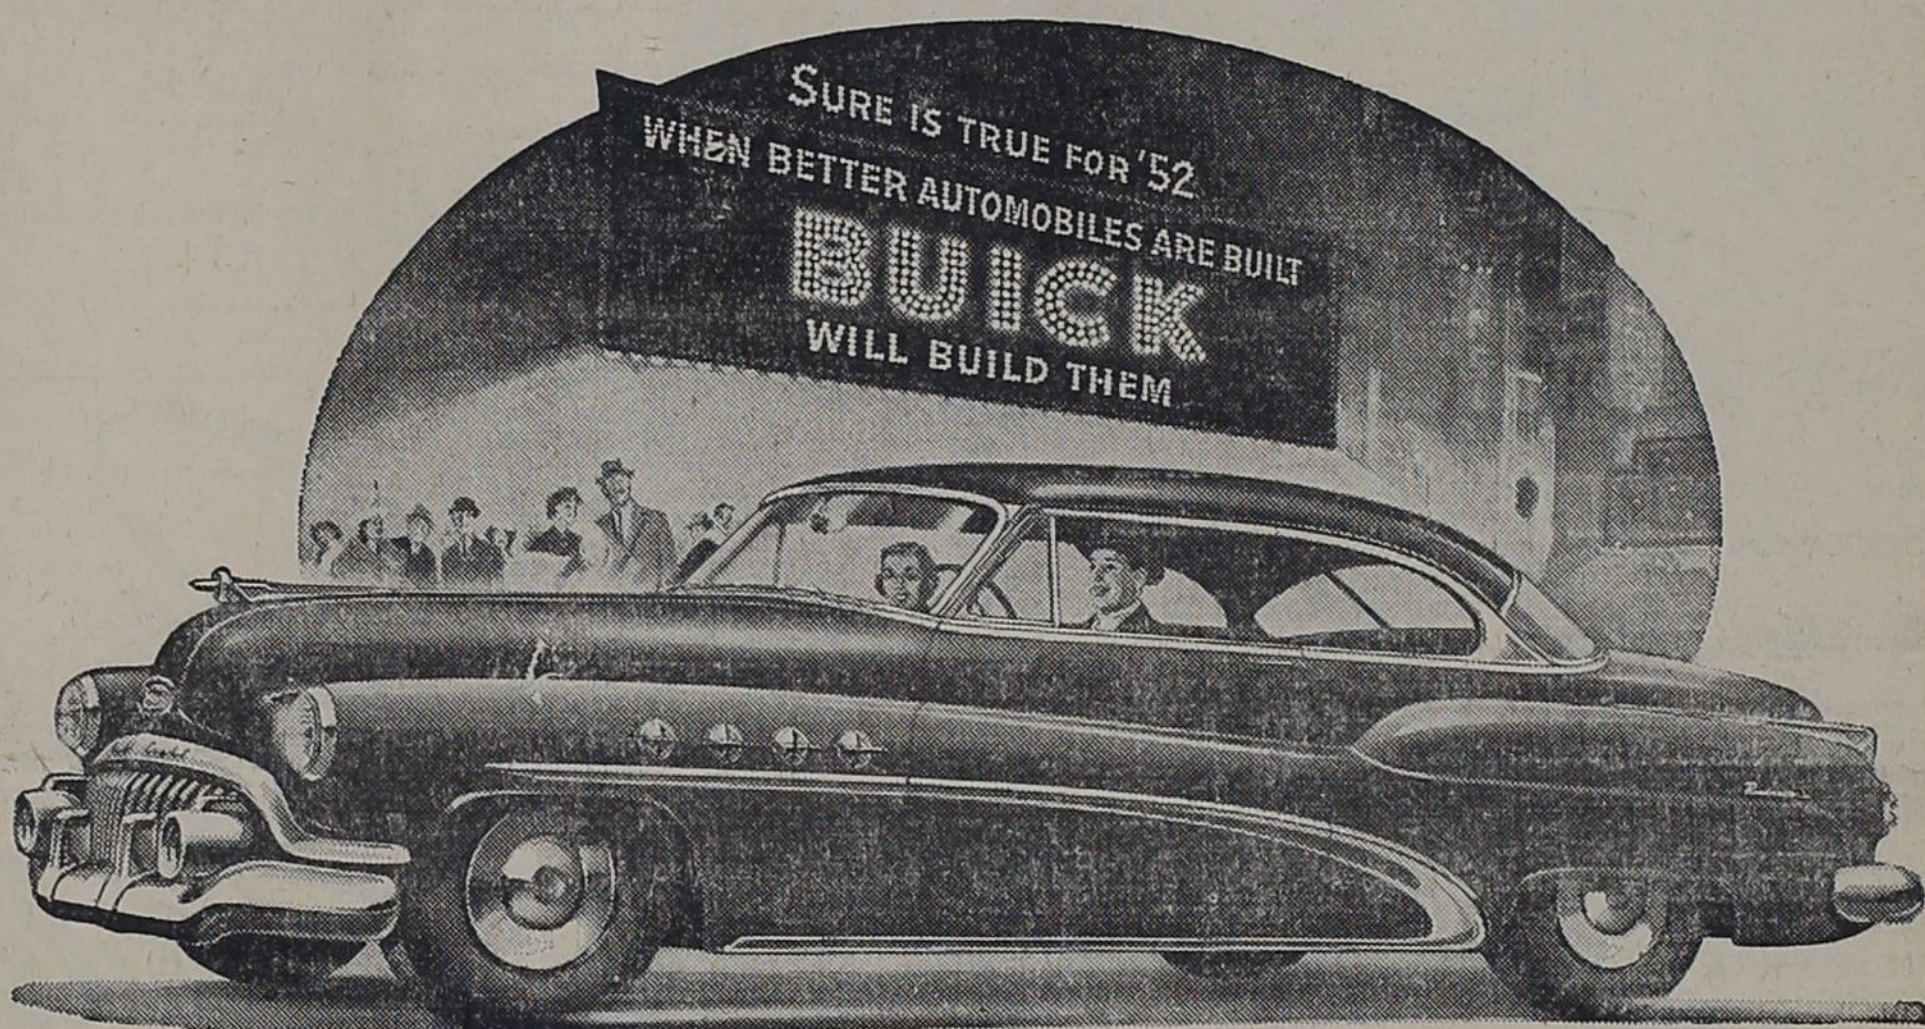

Ag Conference Will Be Held, Plainview

The annual mid-winter conference of agriculture instructors will be held for Area II representatives in Plainview on Friday and Saturday of this week, it has been announced.

J. T. Gee, instructor at the local school, is chairman of the activities. Other representatives from Farmer County are expected to include teachers from Bovina, Farwell and Lazbuddy, Gee said on Monday.

Birthdays Observed

Young Lois Ann Moyer, daughter of Mr. and Mrs. O. B. Moyer, celebrated her sixth birthday on Monday of this week, January 7th, and observed the occasion by inviting a number of young friends in for a birthday supper at the family home.

"We did it Again!"

That's the jubilant news that comes from Flint to every Buick dealer—and here we pass the thrilling story on to you. It sure is true for '52 that better automobiles are being built — and Buick is building them. Read the good word and you'll agree.

LET'S pare this down to plain statements of fact and let them speak for themselves:

The dynamic darling pictured here is the 1952 ROADMASTER.

It has the mightiest engine in Buick history.

It has the biggest brakes of any postwar Buick.

It is the quietest car that Buick ever built.

It has the richest fabrics and smartest tailoring that ever graced a Buick's interior.

It has the greatest trunk space since spare tires moved off the front fenders.

It has the most superb ride in Buick history.

It has the finest carburetor that Buick research has ever devised.

And with all its new power, it delivers more miles per gallon.

But that is not all.

For those who wish it, there is a brand-new version of power steering that works like a helping hand—gives you the same sure feel of control you have always known in straight-away driving—yet takes less than one-fifth the effort needed to turn the ordinary wheel standing at curbside.

Sure, we're putting our best foot forward when we talk about ROADMASTER.

But you'll find a host of notable features in SUPERS and SPECIALS too—plenty to make them, as always, the standout buys in their fields—for ride, for comfort, for style, for room, and for power.

Come in—look this triumphant trio over—and you'll know why every Buick dealer from coast to coast is going around with a smile on his face.

Equipment, accessories, trim and models are subject to change without notice.

CONSERVATION NEWS

By BILL KENNEDY

VISITORS HERE

The Parmer County Soil Conservation District had some interesting visitors from Lubbock this week. Their names were C. A. Hubbard, C. C. Worrell and Dale Robbins. An increasing number of farmers from the South Plains seem to be migrating toward Parmer County. Most of them are interested in cotton.

PLAN FARM JOBS

Farmers contacted this past week for various conservation jobs included R. W. Meil, Sam Cooke, Glen Splawn, Joe Blair, Clayton Taylor, A. J. Ellison, Miles Robbins and Albert Cannon. Several of those mentioned were interested in well locations, while other wanted diversions, waterways, and bench leveling areas staked out.

EMERGENCY TILLAGE

This is the season of the year for odd jobs on the farm such as repairing machinery, mending fences, constructing farm buildings. However, nearly everyone you talk to is giving first priority to his land and is using emergency tillage if it is blowing.

Monday's sandstorm makes a total of six since November first. In estimating the extent of erosion, the following may be considered. Slight shifting of soil in rows is not considered to be active wind erosion. Moderate erosion has occurred when areas are observed with 2 to 6 inches of new accumulations: Lister furrows filling, fence rows, roads and other obstructions show accumulations. Severe erosion has occurred when more than 6 inches of new accumulations can be seen along fence rows and roads. Usually the land is left hummocky and areas have blown down from 2 inches to plow depth. The land after preparation for crops will be irregular and uneven.

CHECK ON GRAZING

If any of your cows are in the gestation period, it may be a good idea to keep them from grazing broom or turpentine weeds next spring. Erick Rushing passed along this information. One of his cows had a stillborn calf last spring, which the veterinarian said, was due to the cow eating these weeds.

RACE IS ON

U. S. Economists say that once more food production is in a race with the stork.

Coming Games Are Listed For Teams

Three sets of non-conference games are slated for the Friona boys and girls during the weekend and early part of next week, the cage schedule reveals.

On Friday evening, January 18, the local will go to Rosedale, N. M., for tonies, while on Saturday night the Friona gym will be the setting for contests between Grady and Friona. Tuesday night of next week, Jan. 22, also sees some action here, when the Hereford aggregation will play.

Former Resident Dies In Oregon Hospital

Obie Sheets, 38, a former Friona resident for some years, died in a Medford, Oregon, hospital the past Wednesday morning, January 9, at 5 o'clock and funeral service were held Saturday afternoon at the First Christian Church in Grants Pass. He was rushed to the Medford hospital on January 1st for emergency surgery, and his death is believed due to peritonitis, which set in from a ruptured appendix.

Immediate family survivors include his wife and two young daughters. Others are a sister, Mrs. Laura Reed, of Grants Pass; a brother, Chester, and his mother, of Springfield, Colorado.

Attending the services from Friona were several relatives of Mrs. Sheets, including her parents, Mr. and Mrs. Ed Boggess, and her brother, Bud Reed, and wife. The local residents are expected to return home the latter part of this week.

Pack Meeting Held For Cubs, Friday

Presentation of Bobcat badges, the first achievement award for Cub Scout work, featured the Pack meeting of Friona Cubs on Friday night of last week, when the boys, along with their parents, gathered at the Congregational Church.

Mr. Delashmutt, of Amarillo, field worker, was on hand for the meeting, and showed several films of interest to the group. The badges were presented and pinned to lapels by mothers of the Cubs.

Some twenty-six Cubs were present out of a total enrollment of 30 officials said today, with an approximate attendance of sixty.

Driver Training Will Be Offered Students

A course of driver training will be offered students of the Friona school this semester, Supt. Dalton Caffey said on Monday, adding that the course would be handled by Dilley Kelly, school principal, who holds a college certificate for instruction in the work.

This is the first time such a course has been offered in the local school and officials are of the opinion that they will have no trouble securing the limit of 20 students for the course.

FLU CASES REPORTED

Numerous influenza cases have been reported over the area during the past several days, with employees at the Parmer County Hospital reporting on Tuesday that they had been busy "putting them in" and then releasing patients for the next flu victims.

Star Meets Monday

Regular meeting of the Friona chapter Order of Eastern Star was held in the local Masonic Hall on Monday evening of this week, according to Tina Bainum, with only routine business being conducted during the evening.

Attend Funeral Of Sister At Morton

Mr. and Mrs. J. R. Southward and Mrs. Fay Southward were in Morton, the past weekend, attending the funeral of her sister, Mrs. C. D. Hambright.

Mrs. Hambright, it is reported here, passed away following a heart attack.

Baptist Conference In Session at Ft. Worth

An evangelistic conference for Baptist ministers and laymen opened in Ft. Worth on Monday of this week, concluding on Wednesday evening.

Rev. Russell Pogue, pastor of the Friona church, accompanied by Dudley Robason, layman, departed here Monday morning for Fort Worth, to attend the sessions.

Special speakers included Dr. J. D. Grey, of New Orleans and Rev. Angel Martinez, with Dr. R. G. Lee, pastor of the Bellview Baptist church, of Tennessee, in general charge of the gathering.

Game Night Enjoyed By Club And Guests

Annual "game night" was enjoyed by members of the Friona Woman's Club and their husbands, the past Tuesday evening, January 8th, with the meeting being opened with a covered dish supper.

Various table games of bridge and 42 were arranged, under the direction of Mrs. Wesley Hardesty, and some 35 were present.

Hostesses for the evening were Mesdames Emmett Day, Raymond Jones, John Benger, and W. B. Stark.

Son Is Born

Joe Bill was added to the family of Mr. and Mrs. Bob Jones the past Wednesday morning, January 9th, being delivered at the local hospital at a weight of 6 pounds, 9 ounces. This is the second child for the couple, the other also being a son, Jim Bob, two.

The new youngster was officially noted as the "New Year Baby" for Friona, and received a number of gifts from local merchants.

PTA Meeting Slated For Thursday Night

A panel on "Teamwork Can Do the Job" highlighted the regular meeting of the Friona Parent Teacher Association, tonight (Thursday), when members gathered at 7:30 at the school auditorium.

Supt. Dalton Caffey will serve as mediator. Other program features include the devotional by Mrs. Hadley Reeve, and a special by members of the freshman and sophomore classes.

Banquet Date Set

Upperclassmen of the Friona high school will be honored guests on Saturday night, January 26th, when the Women's Missionary Union of the Baptist Church tenders its annual banquet, at the church educational building, it has been announced.

In Day Home

Sgt. Don Ellis, of Amarillo Air Base, spent Sunday night visiting in the home of Mr. and Mrs. E. R. Day. Sgt. Ellis was enroute to his home in San Francisco, Calif., to enjoy a 15-day furlough with relatives and friends. He departed Monday morning.

Thoughts While Not Thinking...

Hear ye!! Delores said that she wasn't going steady with any of the boys because she didn't want to hurt their feelings. She loves them all.

It's time some one said something about the recreational room out in the Ag Building. Almost any period of the day, you can go out there and see everybody playing ping pong. Some of the kids and teachers are really good, others just go to have fun. (Ain't that right, Mr. Hestand?) Let's all take care of our ping pong table, balls, and paddles, so that we can enjoy them a lot more when we get in our new building.

Speaking of our new building, Mr. Bosque says that the work on it is going along pretty well by schedule, and they hope to have it finished by March 1. (Editor's note: Hooray!!)

Have you ever wondered.....why some people are smarter than others?.....some people never study, but always manage to pull in A's, while the rest of us poor kids study like the dickens and never get above a B.....why the music trend changes so often? today it's hillbilly, tomorrow it may be popular, the next day Classic, and then the day after that it may be back to hillbilly again.

Did it ever occur to you why memory work is necessary?

Pet Peeve Department: Little or small people who just can't get over the fact. They always have to say how fat they are, so some of their friends will say "they're not either. And the sweet young thing who says, "those are cute shoes. I started

to get some like that.....only smaller." GRRRR.
 Favorite Words Department: "gangrene" and "haphazardly".

THIRD GRADE ROUNDUP

With holidays and snow storms over—they were all happy to return to their duties at school.

The 3rd grade is enjoying their skating men, which are used for spelling. When the children make a perfect mark they get different colored stars to use as eyes, mouths and buttons.

The study of Eskimos is their theme, or unit, for January. Studying the home life, home construction, food, and clothing is very interesting.

The third graders hope to make a complete model Igloo Village. An Eskimo boy was made this week with his favorite pet, a dog.

Those celebrating birthdays in January are: Tommy Williams Mike Booth and Daniel Daude. Happy Birthday!

The 3rd grade is happy to welcome two new students. They are Carolyn Willard from Greece, and Noaletta Brown from Muleshoe.

New Students Enroll In Seventh Grade

Lucille Carpenter from Texico and Jeanette Flud from Dalhart are two new comers in the seventh grade. They are most welcome and the class hopes they feel at home in Farwell," the reporter says.

Junior Basketball Tourney Starts Here

To get the Farwell Junior Basketball tournament off to a rousing start, Farwell grade school girls will tackle Bovina's eighth graders at 6 o'clock tonight. Immediately following, at 7, Farwell-Bovina 8th grade boys will play. Farwell-Bovina freshmen girls and boys will meet at 8 and 9 o'clock, respectively.

Friday at 6 o'clock, Lazbuddy and Texico eighth grade girls will be pitted against each other, and at 7, the grade boys of both schools will play. At 8 and 9 o'clock, the Texico-Lazbuddy freshmen girls and boys will play.

Losers of the Farwell-Bovina and Texico-Lazbuddy eighth grade girls games play for 3rd place Saturday afternoon at 12 o'clock. The eighth grade boys, losers of both brackets, will play at 1 o'clock. Losers of Farwell-Bovina and Texico-Lazbuddy freshmen girls and boys will play at 2 and 3 o'clock respectively.

The winners of the Farwell-Bovina and Texico-Lazbuddy clash for first and second place honors in the eighth grade girls' bracket, play at 6. At 7, boy' winner in both brackets will play, and at 8 and 9, winners of freshmen girls and boys teams will play, respectively.

First second, and third place trophies will be awarded.

Referees are W. M. Roberts and Tommy Hestand.

Concessions will be sold in the commercial room, in charge of Mrs. Otis Prescott.

Fifth Grade Reports Excellent Attendance

The attendance record of the fifth grade for the first semester has been excellent. "The average has been well above 95 per cent and the class is to be congratulated for this interest in being in school every day," the teacher says. It shows too that the health of class members has been good.

Plans are under way for the second semester's work, with many pupils resolving to do better work, than ever before.

The children's study of poetry particularly "The Village Blacksmith" called forth an effort to write poems of their own.

Here is one of Wilma Norton's, called "Work Till Night."

After a hard day's work, it is time to sleep,

For it is dark in the meadows deep,

Though we are tired, we must pull through,

For if there were no work, what would everyone do?

CHORUS NOTES

By Kayla Felts

The seventeenth of December, the FHS Chorus took a trip to two neighboring communities to present their cantata. After coaching by Mrs. Jobs and Bob Page, they felt they were ready to tackle anything and set out to prove it.

At 10 o'clock they presented the program at Friona, and were a bit nervous, but it went off pretty well. They ate at Smiley's, hamburgers and cokes, before they loaded up the bus to go to Bovina.

At Bovina, they practiced a few of the more difficult numbers, and at 1:15, presented it to the entire student body. They all seemed to enjoy it immensely, and it gave members of the chorus a lift to know that their hours of practice had really gone to good effect.

Accompanying the chorus, Mrs. Williams drove the bus, and the boys quartet went along to move the risers.

Charles Phillips, Rex Pool, Howard Jenkins, Dick Felts and Doyle Vaughan comprise the Quartet, only it has five members. Nancy Aldridge accompanied the boys in humorous numbers that were accepted quite well by the audiences.

BAND NEWS

The Band Council is to have a meeting soon to discuss this year's annual band banquet. It will probably be put on at Clovis. More than likely, the parents of the Beginner Band will be invited, as well as those of the Senior Band, reports Howard Jenkins.

Those promoted to the Concert Band this year are Betty Curtis, Angela Williams, Naomi Hubble, Johnnie Armstrong, Pat Aldridge, Bobby Magness, Dan Hammonds, Becky Foster, Mona McDorman, Betty Hubble, Phillip Crume, Don Gerles, Barbara Jack and the bass players, Mitchell Walls and Glyn McDorman. They are all doing nicely on the concert numbers and overtures the band is playing, says the reporter.

The French Horn Section of three (two new ones were added this year by the Band Mothers Club) are doing very well under the instruction of Mrs. Jobs. They are played by Glenna Davis, Betty Billingsley, and Truitt Hardage. Duane White, also in the section, plays the E-Flat Horn, Howard reports.

Panel Discussion Is Given At PTA Meet

Farwell Parent Teachers Association met in the Home Economics room Thursday evening with Mrs. Jack McManigal, president, presiding. The ninth grade won the prize by having the greatest number of parents represented.

Subject for study was "Teamwork Does The Job". A panel consisting of Mrs. Booth, Mrs. Arnold, Rex Pool and Charles Phillips discussed the subject of teamwork from three angles, that of school, the church, the home. Emphasis was placed on parent's part in child training. "The necessity for coherence and unity is essential if we are to have successful men and women," it was stated.

The hostesses served a refreshment course of spiced tea and cookies. Hostesses were Mesdames Joe Magness, Ernest Kube, Partin Austin, O. W. Pair, D. O. Rolland, June Ritchie, E. R. Pense, Travis Brown, Lester Norton, Otis Branscum, Murry Dial, Clyde Magness, and C. A. Cassidy.

MONEY! MONEY! MONEY!

If you have all the money you can use, don't read any further! However, if you expect to earn a few extra dollars during the Summer Holidays, here is some information the Social Security Administration has for you.

If you go to work for wages in private business of industry, you will need your social security card. Most employers will not even accept your application unless you have your card with you. If you have never had a social security card and are going to need one soon or if you have lost your social security card, you should go by the Post Office and get an application, fill it out and mail it to the Social Security Office, Amarillo, Texas, and you will receive your card in a few days.

Don't take a chance on missing out on that job but do not apply for a card unless you are fairly sure you are going to work. Then get one promptly.

Three Football Games Planned For Steers

Coach Hestand reports three football games to be played early in the season by the Farwell Steers, in 1952. Both Vega and Springlake will be opponents on the local field, on Sept. 14 and Sept. 19, respectively.

Definite date for a game with Melrose has not been set.

JUNIOR TOPICS

The juniors are beginning to make tentative plans for their annual Junior-Senior Banquet to be held in the Spring, reports Laverna Christian. They plan to take a junior trip to MacKenzie park in Lubbock after school is out.

SIXTH GRADE NEWS

The sixth graders decided to follow right along with that old custom of making New Years Resolutions. Their resolutions, however, concerned ways by which they could improve their scholastic standing and make their room more attractive.

Each member of the class plans to keep a close check on their activities and at the end of two weeks, they will compare notes to see what has been accomplished.

New history books and science books were issued this week. The group started out enthusiastically with this aim "Work hard enough so that no one has to take Final Ex-

ams, come next May!"

The class welcomed a new boy Tuesday. He is Donald Ray Thomas, from Muleshoe.

FRESHMEN HAVE BIRTHDAYS

Quite a number of birthdays among the freshmen are reported this month. Betty Billingsley was a

New Year's baby, and Ysleta Brown and Elaine Martin celebrated their birthdays the 1st and 9th, reports Peggy Hardage.

The freshmen are happy to welcome a new member of their class from Muleshoe High School. His name is Joe Roberts, and he excels in athletics, says the reporter.

Enter Quizdown, Have Field Trip

A group of students from the fourth, fifth, and sixth grades were in Amarillo, Saturday, taking part in a Quizdown program over station KGNC. The children were pitted against a team from the same grades of the Groom school. The locals lost, Groom scoring 650 and Bovina totaling 283.

The winning team was presented with gold badges trimmed in red, white and blue; the second placers received badges of silver with identical trim. Each student from Bovina also received a mechanical pencil and a Rand McNally globe for the school. The Groom team received an Encyclopedia Britannica for the school.

Representing Bovina were Joan Kay Ezell, Dickie Steelman, Carol Lynn Hamonds, James Stevens, Verma Marie Estes, Elmer Snodgrass, Brenda Sue Estes, Kay Hartzog and Jerry Delashaw. Teachers and room mothers making the trip with the children were Miss Grace Paul, Mrs. J. T. Hammonds, Floyd Montgomery, Mrs. Vernon Estes, Mrs. Carl Rea, Mrs. Elmo Dean, Mrs. Gene Snodgrass and Mrs. C. M. Huggins.

After the broadcast, the youngsters made a field trip around Amarillo. They visited the weather bureau, where they saw all the different instruments used in recording and forecasting the weather. The children were especially interested in automatic instruments, as the wind recorder which told the direction and velocity of the wind. They saw tape recordings that were used in giving planes weather information needed for safe flight.

Following this tour, they went to the air port, watching several planes land and take off, and were then taken through a huge four-engine TWA passenger plane. Returning to the building, they saw how cargo is balanced as it is loaded into planes.

A delicious lunch was enjoyed at the airport dining room.

Returning to town, they went to the top of the Fisk Building to get a bird's-eye view of the charred ruins of Blackburn Bros. store.

Mr. and Mrs. Howard Ellison and son Mickey left Thursday for California where they will visit about two weeks with her grandmother in Mercede, California.

Both Bovina Teams Top Friona Squads

The Bovina Mustangs and Mustangettes were hosts on Tuesday night for a pair of conference basketball tilts with the Chiefs and Squaws from Friona. It was a bad night for Friona with both of their teams suffering losses.

In the first game, the Bovina lassies defeated the Squaws with a 50-36 score. Bovina led all of the way but they didn't build up too large a lead until during the third quarter. Half time score was 24-17 in favor of Bovina. Lillian Young and Donna Smith were hitting the buck-

et for Bovina and they led the scoring with 23 points each. D. Miller of Friona led her team with 19.

In the boys game the Mustangs had no trouble and stomped the Chiefs 72-42. The Mustangs took the lead from the start of the game and they were never in trouble. They led at the halftime by a score of 38-21 score. Roy Young for Bovina was the hot shot tossing in 32 points with Glenn Hromas counting for 17 points. Ross Miller paced the Friona scoring with 15 points with Darrell Robbins counting for 11 points.

The two teams from Bovina will take part in the Friona Invitational Tournament and will play their next conference games on Tuesday

Jan. 15th when the Farwell teams will come to Bovina for a pair of games.

Mildred Young Is Painfully Burned

Mildred Young, daughter of Mr. and Mrs. E. H. Young, who live in the Oklahoma Lane community, was painfully burned on January 5 at her home. She had been eating ice cream and had moved closer to the stove, when a draft caused her dress to blow into the open flame on the heater.

The dress caught fire, but her father, seated nearby, tore the blazing garment from his daughter.

Mildred received burns on her thighs and one hand, but is improving and able to return to school this week. Young received minor burns on his hands.

IS DISCHARGED

Lawrence Rhodes, son of Mrs. A. G. White, who has been serving with the Navy, has received his discharge and has returned home. He was in Naval Reserve and recalled to active duty about a year ago. He and his wife, the former Betty Jo Moorman, and son, Randy, have moved to Odessa to make their home.

TO HAVE DEBATE

Members of the Student Council will participate in a debate on Wednesday, Feb. 13, in assembly.

They will use the state question for debate this year: "Resolved: That Universal Conscription is Necessary." The public is invited to attend. The Bovina American Legion Auxiliary is responsible for the interest in this undertaking.

Mrs. Eugene Lamb and daughter, Mary Jo and Mr. and Mrs. Ernest Mothershed of Memphis were guests in the Charles Jefferson home on Sunday. Visiting in the Jefferson home on Saturday were Mrs. Ross Terry and son George of Friona.

Hunting For Quail, He Sees Rabbit, But Hits Companion

Troy Armstrong and Harve and Don Alverson went to Childress on Friday for a few days of quail hunting before the season closed. Late Friday they had a hunting accident, which very luckily proved not too serious, though it could have been.

Troy Armstrong shot into the brush at a rabbit, not knowing that Harve Alverson was close behind the rabbit. Harve was pretty well sprinkled with shot. He was wearing a hunting jacket, which helped to protect his chest. The shot had penetrated the jacket but had not gone through his clothes. He had quite a number of the pellets in the arm and shoulder, the leg and several on his neck. The blast was just low enough that it missed his face. The men picked some of the shot out but he is still carrying about a half dozen to prove that it wasn't just another tall hunting story. Besides the accident they didn't have very good hunting luck either.

BOVINA GAMES LISTED

Two Farmer County teams will meet on the Lazbuddy court Friday night, when the Lazbuddians play host to the Bovina squads. On Saturday night, Bovina will meet Price College in the local gymnasium and on Tuesday night, Rose-dale will be on hand in Bovina for a tilt.

ENTER TOURNAY

There will be four teams from Bovina in the junior basketball tournament in Farwell this weekend. Entered are boys' and girls' teams from the seventh and eighth grades, and boys' and girls' squads from the freshman class. All four teams play opening games Thursday night, opposite Farwell.

ATTEND CONFERENCE

Rev. and Mrs. M. D. Durham are in Dallas this week attending the state Evangelistic Conference the first of the week. The last of the week they will visit with his parents. Their daughter, Marvalynne, is spending the week in the home of Mr. and Mrs. Ernest Sandel.

BOVINA BAPTIST CHURCH NEWS
M. D. Durham Pastor

On Monday night, January twenty-first, the brotherhood is planning a fish supper at the church. Henry Minter, social chairman, will be in charge of the arrangements. Every man of the church is urged to attend and bring someone with them.

The Associational Brotherhood will meet with the First Baptist Church in Hereford on January 29.

On February 4th and 5th, the Panhandle pastor's and laymen's conference will meet at Wayland College in Plainview.

The church voted to buy new chairs for the education building replacing the old pews it is now furnished with.

Last Sunday's attendance report is Sunday School, 131; Morning worship, 152; Training Union, 80; Evening Worship, 109.

The church had four additions in the morning service last Sunday. The ordinance of Baptism was observed at the close of the evening.

A cordial welcome awaits you at the Bovina Baptist Church.

CHURCH OF CHRIST
G. Dudley Stout, Minister

The Back Seats At Church

Lawrence Gould, a consulting psychologist, was asked this question: "Is it modesty that makes a person take a back seat in church?"

Mr. Gould replied, "I very much doubt it. Any clergyman who knows psychology has realized that the reason why so many do this is fear of committing themselves too completely to what being in church stands for. After all, nobody takes a back seat at a ball game if he doesn't have to, because there no one expects you to be more than a spectator. No doubt people take front seats in church for various reasons, but the ones who do are usually those who are willing to work hardest and make the most generous contributions."

METHODIST CHURCH NEWS
I. T. Huckabee, Pastor

METHODIST CHURCH NEWS

A district meeting is called by the District Superintendent at Tullia for ministers and laymen at 7:00 p. m., Tuesday. The following program has been planned:

"Town And Country Work"

7:15, Rev. J. Alby Cockrell.

7:30, Rev. Finis C. Flores, Conf. Latin American work.

7:45, Rev. John H. Crow, report.

8:00, Main address, Dr. Stotts, instructor of Rural Sociology in our Theological school at Denver, Colo.

This program, we are convinced, is one that will be helpful an interesting. I hope we will have a big representation from Bovina. The D. S. does not plan many district meetings but when he does he expects us to attend.

MARCH OF DIMES GAME

The March of Dimes basketball game to be played on January 31, is in need of more players. This is to be a game between the fat men and the slim men with the proceeds going for the March of Dimes. Coach Ratliff will coach the slims with Coach Everett acting as mentor for the fats. Anyone that will take part in this game is asked to contact the coaches so they can start "getting in shape".

Guild Meeting Held At ME Church

The Wesleyan Service Guild met at the Methodist Church, Thursday night, with seven members present. Following a short business session, the last two chapters of the book "Newness of Life" were given by Mrs. W. E. Williams and Mrs. Aubra Ellison. A study of the Service Hand Book will be started at the next meeting.

The hostesses, Mrs. Harry J. Charles and Mrs. Durwood Bell, served refreshments of gingerbread and ice cream to Mesdames Aubra Ellison, W. E. Williams, I. T. Huckabee, James Watkins, and Wilbur Charles. The next meeting will be at the church, January 31, with Mrs. Wilbur Charles and Mrs. W. E. Williams acting as hostesses.

Mrs. Whitesides Is Honoree At Shower

Mrs. George Whitesides, nee Gladys Hopingardner, was honored with a lovely post-nuptial shower, Tuesday, at the Methodist Church. The hall was attractively decorated with a floral arrangement of spring flowers centering the serving table, and a blue and white centerpiece on the gift table.

Several musical numbers were given, then Margaret Jo Venable, dressed as a bride, and her brother, Radford, dressed as a groom, entered to the strains of "Here Comes The Bride" played by Mrs. Margaret Caldwell. They carried a white satin pillow on which rested a pair of scissors which were presented to the honoree for use in opening the gifts.

Guests present included Mesdames Aubrey Brock, Joe Bell, Lloyd Batty, C. L. Buster, Margaret Caldwell and Rita, E. H. Moody, I. T. Huckabee, Mabel Newberry, Otis Floyd, Clifford Leake, T. J. Hopingardner, and the honoree.

Out-of-town guests were Mrs. John Humphries and Mrs. Eula Cox of Clovis.

Refreshments of hot chocolate and cookies were served by the hostesses, Mesdames Wilbur Charles, I. W. Quickel, John Wilson, Charles Jefferson, Elton Venable, Earl Richards and John Kimbrow.

Woman's Study Club Has Guest Speaker

The Bovina Woman's Study Club met recently in the parlor of the Methodist Church. Guest speaker was Mrs. Oscar McGenty, of Spur, who is president of the Seventh District of the Texas Federation.

Topic of her speech was "Value of the Federation to the Individual Woman."

At the close of the meeting, refreshments were served by the hostesses, Mesdames Lloyd Battey, Gene Ezell, Eddie Redden, and Clarence Jones.

Guests from the Half Century Club were Mesdames D. C. Looney, G. H. Trimble, Scott Levins, Vernon Estes, Jimmie Charles, Bill Liles, Clarence Shanks, Howard Looney, and Marion Carson. Mrs. I. T. Huckabee was also a guest. Members present were Mesdames Reagan Looney, A. B. Wilkerson, Billie Sudderth, William Thornton, J. P. Macon, H. A. Poindexter, Hilary Tidenberg, W. H. Willoughby, Frank P. Wilson, Arlin Hartzog, Frank Truitt and the hostesses.

Half Century Club Has Called Meeting

The Half Century club met for a called session on Tuesday January eighth in the home of Mrs. W. L. Liles with Mrs. G. H. Trimble as co-hostess.

Plans for the style show to be held on February 9 were discussed, committees were assigned and every member is busy getting ready for it. Mrs. A. L. Kerby was voted to associate membership from an active status and Mrs. Clarence Shanks was elected to replace her as club reporter.

Mrs. Scott Levins was accepted into the club as a new member.

Members present for the meeting were Mesdames D. C. Looney, Vernon Estes, Clarence Shanks, Jimmie Charles, Howard Looney, Lewis Hillock, Don Rountree, Marion Carson, Keith Baten and the hostesses.

Delicious refreshments of sandwiches, cookies and hot spiced tea were served at the close of the meeting.

PTA Meeting Held On Monday Night

The PTA met Monday night at the school for a business meeting and social hour. During the business meeting, Mrs. Carl Rea presided and it was voted to sponsor the newly-organized Cub Scouts. Dudley Stout is Cubmaster with Mrs. Gene Ezell and Mrs. J. T. Jones as Den Mothers.

A pie supper will be held in conjunction with the March of Dimes basketball game on Jan. 31 at Williford gym, and the PTA urges that everyone in the community back the drive to raise funds for this worthy cause.

A social hour was enjoyed, with Mrs. Pete Davies and Mrs. Aubrey Rhodes, hostesses, serving coffee and cookies.

The fourth grade, of Mrs. J. T. Hammonds, won the prize for having the largest number of parents present. The prize is two albums of records, which they will keep until another grade wins the prize.

George Stout Feted On 11th Birthday

Mr. and Mrs. Dudley Stout were hosts at a birthday party held Wednesday afternoon in the Bovina Church of Christ parsonage, honoring their son, George Royal Stout, on the occasion of his eleventh birthday.

Entertainment for the occasion featured pony riding, a magician show and boxing. Large balloons were given as favors.

Refreshments of ice cream and cake were served to the group by the hostesses.

Guests present were Zane Obenhaus, David Berggren, Ronnie Isham, Gary Turner and Robert Carmichael. A special guest was Martha Victoria Stout, sister of the honoree.

Surprise Birthday Dinner Given

A surprise birthday dinner was held the past Wednesday in the home of Mrs. Ward Thompson, honoring Mrs. Thompson and Mrs. Buck Ellison. Visitors brought covered dishes and both honorees were given many lovely gifts. Mrs. Levi Johnson baked the birthday cake.

Present for the dinner were Mesdames Levi Johnson, J. R. Caldwell, Will Parker, Elmer Venable, Elbert Ashcraft, Mel Gunn, Jim Ellison, T. P. Griffith, M. H. Martin, Steve Calhoun, Hilary Tidenberg, Mr. and Mrs. Dudley Stout, and the honorees.

Plan Style Show

The Half Century Club of Bovina is featuring a style show to be held on February 9, 7:30 P. M. at the American Legion Hall.

Clothes for the showing will be furnished by Dillon's and Vohs for the women and children and Carmack's will furnish clothes for the men and boys.

A doll will be dressed in five one dollar bills and will be given away. Price of admission will be 75c.

Birthday Is Noted

A birthday party was held recently for Mrs. Steve Calhoun when a group of friends dropped in, surprising her with gifts. In the group were Mrs. Ward Thompson, Mrs. Elmer Venable, Mrs. Tom Griffith, Grandmother Charles and Mrs. Will Parker.

who own and operate the millions of acres of land in the State.

The Magazine, called "Soil and Water," contained 40 pages of information on conservation in all the major sections of Texas, plus a cover print in color.

Established by the District Supervisors of the 164 Soil Conservation Districts representing over 142 million acres of Texas land, the magazine, to be issued monthly, points out in its first issue that "conservation isn't something you achieve and then sit back and admire like a twelve-point buck over the mantle, its a continuing job and will never be furnished as long as man makes a living off the soil."

Achieving conservation through Soil Conservation Districts, it adds, is "the very essence of democracy." The nation's Soil Conservation Districts, operated by the landowners themselves, constitute a new nationwide declaration of faith in democracy at a time when the fainthearted fear the breakdown of our type government."

Contents of the magazine, which is printed on glossy paper, includes numerous pictures of soil conservation results throughout the state, articles by experts on conservation, a statement of purposes by the President of the Association of Texas Soil Conservation District Supervisors M. C. Puckett of Fort Stockton, a short history of soil Conservation Service, an announcement of the annual meeting of the Supervisors

in Brownwood January 23-24, 1952, and numerous feature articles on soil conservation accomplishments in all its phases throughout the state. Publication offices of the magazine are in Temple.

A Message of Importance To Every Automobile Driver In The State of Texas

HERE'S WHAT YOU SHOULD KNOW ABOUT THE NEW TEXAS "SAFETY RESPONSIBILITY LAW"

- 1 **Enforcement Begins January 1, 1952.** On this date, the new Safety Responsibility Law, as passed by the Legislature, goes into effect. This law was designed to protect you against financially irresponsible drivers and owners of motor vehicles involved in accidents. It affects all drivers and motor vehicle owners (except Federal, State, County and City-owned cars).
- 2 **What Must You Do After An Accident?** Under existing laws, you must file a written report to the Department of Public Safety if your car is involved in an accident where there is a death, an injury or property damage in excess of \$25. Under the new law, a written report must be filed *within ten days* if your car is in an accident resulting in death, injury or property damage in excess of \$100.
- 3 **You Don't Have to Carry Liability Insurance, But . . .** If you are not insured against bodily injury and property damage liability, you must be able to deposit with the Department of Public Safety security equal to the estimated damage, not exceeding \$15,000.00, to cover all claims growing out of an accident anywhere in Texas in which you or your motor vehicle were involved. If you cannot establish financial responsibility for the future, your driver's license and your motor vehicle license plates are automatically suspended.
- 4 **It's Easy to Establish Financial Responsibility** with a motor vehicle liability insurance policy. If you do not now have such a policy, call your local insurance agent today. He is a qualified insurance counselor who will be happy to advise you concerning your needs.
- 5 **What is the Minimum of Your Liability?** The law permits each driver to establish the following minimum limits of liability: up to \$5,000.00 for injuries sustained by one person; up to \$10,000.00 for all personal injuries resulting from one accident, and up to \$5,000.00 for property damage. You do not have to establish such liability but it is the easiest way.
