More this and that today.

Ray McGehee, county commissioner for the Lazbuddie area, called to further state his views on the controversy involving the request of Friona officials for county financial help toward buying Friona a fire truck.

In a nutshell, McGehee believes that each commissioner should take care of his own community: his is Lazbuddie, Tom Ware and Bovina, Ernest Anthony and Friona, and Robert White and Farwell.

Clarification time: we ran a headline last week saying that the Farwell school tax rate was going up 3 percent.

Actually, the 3 percent figure was above the effective tax rate. As for the actual tax rate, it's staying almost the same.

Hate to say it, but it's a pain in the neck trying to continually explain that regular tax rates are different from effective tax rates and what both mean. Are you as confused as I am?

Bill Brigham, who attended Farwell High from 1967-71, has returned to the area. He's working at Berry & Kirkland CPA firm.

Bill and his family live north of Pleasant Hill: wife Terry and three children - David, 11, Matt, 8, and Marcia, 6. The kids attend Texico Schools.

Awhile ago, we carried a short item saying that the funds from the former Jaycees had been turned over to the Farwell Study Club.

Not so. No disposition of the remaining funds has been made yet, said David Kube.

Farwell Postmaster Otis McMillan will be leaving us for awhile: he's been appointed postmaster at Spearman, Texas.

This is a step up for Otis and we congratulate him and wish him well.

Janene Berry is in Florida this week trying out for the professional golf tour. We wish her the best of luck.

Doc Bill Green has seen lots of patients with allergies, colds, sore throats, and bronchitis lately. Even the doctor was sick this week. Guess it is time to make some chicken soup.

Bovina's Scott Scaff has been sidelined from football action due to knee problems. His dad, Tommy Scaff of Sherley Anderson Pitman Elevator D in Farwell, reports that Scott is making excellent progress after surgery, and he hopes to be playing soon.

Mike Williams of Texico has been sidelined all season because he broke his foot before play began, but he and his family have attended the Wolverines games to show support for the team.

While they were at the Eunice game recently, his mother broke her foot. Now there are two Williams family members on crutches cheering for the Wolverines.

Farwell School Supt. John Grigsby has started a faculty newsletter and the recent issue had a couple of interesting notes.

"It's time for my annual 'Support Our Local Business' sermon," Grigsby wrote.

"Folks, these local businesses are a key part of our district. Without their taxes, we could not provide our students the services we now offer.

"The loss of local businesses would hurt the district dramatically. Please give them your business. Without them, our kids and our

Green tops 2nd football contest

It was a real tough week on contestants in the 30th annual Merchants Football Contest, with only 2 entrants getting as many as 10 correct.

However, 11 was the top score you could get because of the postponed Alabama - Texas A & M game. Where most entrants lost out were in the pro games, led by Kansas City's upset of Denver.

Those with 10 right were Cheryl Green and Katrina Stewart. Cheryl won the first place prize of \$10 because she was closest to the tie breaker: Farwell 27, Gruver 14. She was 12 off the tie breaker. Katrina was 14 off, and will receive the \$5 cash prize for second place.

Cheryl, of Littlefield, Texas, is the daughter-in-law of the Mr. and Mrs. Doyle Green.

With 9 right were: Mario Lara, Robert Lucio, Pat Marshall, Janene Berry, Albert Lucio, William Brigham, Lezlie Castleberry, Larry Gregory, Gracie Dane, Ralph Franse, Carl Dean Goettsch.

Also, Mike Goettsch, Phillip Hubby, Fred Libby, Daniel Rubio, Cheryl Scott, Dana White and Jerry Cochran.

Although it's still early, with only 2 weeks of the 12-week contest completed, the leading scores are in the high teens. Starting next week, we will begin listing the overall leaders.

Results of last week were: Eunice over Texico, Denver City over Muleshoe, Clovis over Artesia, Oklahoma over Arizona, Notre Dame over Michigan State, Florida State over Clemson, Texas over New Mexico, Kansas City over Denver, Miami over Green Bay, N.Y. Jets over Houston, and Minnesota over Chicago.

All the totals are on display at the Tribune office. Entrants must be 12 years old or older.

All entries must be turned in at the Tribune office before 5 p.m. Friday (today) or, if mailed, must bear a Friday postmark.

The grand prize of the 12-week contest will be two tickets to the Dallas Cowboys - Philadelphia Eagles game Dec. 18 in Dallas. The prize also includes lodging at the Airport Hilton, transportation to and from the game, and to and from the stadium, free brunch and \$50 spending cash. These all go to the person with the most points at the end of the 12 weeks.

Tommy Scaff of the Sherley Anderson Pitman Elevator D (the former Worley Mills elevator in Farwell) presents the first place check to Mrs. Doyle Green. Last week's winner was her daughter-in-law, Cheryl, of Littlefield, Texas. Cheryl and her husband made a point of filling out their contest forms when they were in Farwell last Thursday. Sherley Anderson elevators in Farwell and Lariat are two of the contest sponsors.

Local winners of the Sierra Classic Horse Show on Sept. 17 include Shalei Herndon, Deon Billingsley, Amber Bruce, and (back) Cindy Billingsley.

Iron chlorosis strikes area plants

This year's growing conditions on the High Plains, which resulted in early growth, have accelerated the onset of iron chlorosis on trees, turf grasses, and ornamentals, said Dr. Michael Hickey, soil chemist and director of the Texas Agricultural Extension Service Soil Testing Laboratory in Lubbock.

Hickey said the condition is usually caused by alkalinity of soil and water. West Texas soils and water fall in this category, and the presence of early growth has made the problem more widespread this summer.

"The leaves of chlorotic plants range from light green to yellow to almost white,

usually accompanied by striping," said Hickey. However, Hickey added that leaf veins will remain green on an affected plant.

Bermuda grass, flowers, and ornamentals and some shade trees are usually attacked by iron chlorosis. "This summer we're seeing chlorosis on trees we haven't seen it on before," Hickey noted.

Hickey recommended foliar applications of iron sulfate coppers or iron chelate. For spraying lawn and turf grasses, iron chelate should be mixed at a ratio of three level tablespoonfuls of iron chelate per gallon of water; for ornamentals, one level tablespoon of iron chelate per gallon, and for fruit trees, two level tablespoonfuls of iron

chelate per gallon of water. By adding one or two drops of dishwashing detergent, the iron chelate spray will cling to leaves. Plants should be

sprayed until thoroughly saturated. Results will be noted in several days.

For more complete instructions, see your county agent.

Deficiency payments due

Sorghum farmers will receive the balance of their 1987 sorghum deficiency payments this fall.

The payment will be approximately 43 cents per bushel (77 cents per cwt.) times the farm yield in 1987. Deficiency payments will only be made to farmers who participated in the 1987 sorghum program. Eighty-four percent of the base sorghum acres were enrolled in the program in 1987.

The deficiency payment is the difference between the basic loan rate which was \$2.17 bu and the local loan (Findley amendment) of \$1.74 bu. national average. These payments are not subject to the limitation of payments. The weighted average received by farmers for the year (Sept. 1, 1987- Aug. 31, 1988) was \$1.60-\$1.70 per bu. Final calculations will be made in October and there is a remote possibility that they will raise the final average above the \$1.74 level. This would reduce the payment proportionally.

Booster Club slates 'fry'

The Texico Booster Club is sponsoring a hamburger fry in the school cafeteria before the Springer game on Sept. 30.

They will serve grilled hamburgers with all of the trimmings, potato chips, beans, cobbler, tea and coffee.

Bill Adams and Guy Leeder will man the grills. Food will be served from 5 to 6:30 p.m. MDT.

Adult tickets are \$3; preschool children can get 1/2 hamburger for \$1.50.

The Boosters will also feed the Springer team after the game. Springer feeds Texico's teams when they go there.

WMU sponsors training clinic

Texico Baptist WMU sponsored a training clinic for WMU members and Auxiliary members from Plains and Portales Associations attended.

On Sept. 14, WMU gave the State Mission Program at Texico Baptist Church. Slides of Baptist Children's Home were shown. Bro. Joel Horne explained how the State Mission Fund was divide between the needs of New Mexico.

On Sept. 15, a number of women met at the Texico Baptist Church and canned food to be used by the needy.

Hail hits crops

Some area farmers will not be enjoying the harvest this year. As most are looking forward to a good harvest this year, the farmers in Hub have nothing to cheer about. Martin Chandler of the Parmer County ASCS office reports that hail destroyed the crops of several farmers in the Hub area on Sept. 14.

He said that an area about 2 miles wide and 10 miles long extending along the Dim-

mitt Highway from Hub into Deaf Smith County was affected.

"Some of the fields had 6 inches of hail in them," said Chandler. Chandler also reported that in some places the hail took the shucks off the ears of corn.

Martin Chandler also reported that heavy swirling winds on Sept. 14 blew crops down in the Lazbuddie area.

More land takeovers?

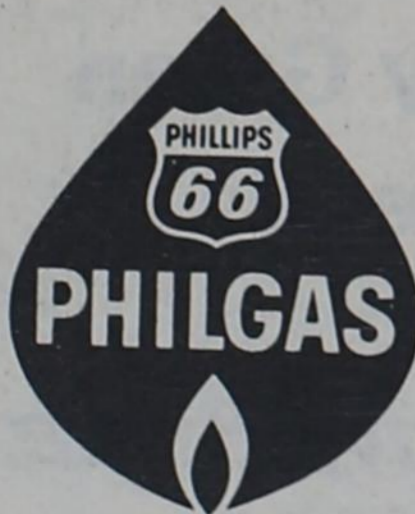

The Texas Corn Growers Association reports that under a proposed bill before Congress, the "American Heritage Trust Act of 1988," the federal government would have authority to purchase additional private land as wildlife habitats.

TCGA believes playa lakes on local farms could be purchased under this or some other act. If the government has control over playa lakes, it could drastically effect agricultural programs across the region.

They urge local producers to contact their congressmen and senators about this issue. The federal government is already the biggest landowner in the nation.

Lazbuddie crushes 5th-rated Silverton

"I don't know what happened, it was supposed to be a close game; Silverton was ranked No. 5 in the state," said Lazbuddie coach C.W. Williams.

Silverton was the target of the Longhorns' long bombs; it fell 52-6.

In the first quarter, Wes Jarman caught a 35 yard pass from Michael Williams to score the first TD. Eddie Zamora caught a second pass, 10 yards, from Williams to score the second TD. The quarter ended 12-0 in Lazbuddie's favor.

In the 2nd quarter, Zamora scored on a 4 yard run. Then Jarman caught a 43 yard pass from Williams to score again. Williams caught a 25 yard pass from Kevin McGeehee to score the next TD. Donnie Holt kicked the PAT to end the half with the score 32-0.

Jarman caught a 10 yard TD pass from Williams to open the third quarter, and Brian Glover kicked the PAT.

In the 4th quarter, Silverton's Brian West ran 55 yards to score their only TD. Lazbuddie came back to score again when Donnie Holt caught a 30 yard pass from Kirk Jesko. Jesko then made a 20 yard run to score the final TD of the game.

The game ended with 2:33 left on the clock because Lazbuddie had taken a lead of more than 50 points.

Videotape

shown club

The videotape of the junior high football scrimmage was shown at Farwell Booster Club's meeting Tuesday, and coach Kendall Devault identified the players.

The next Booster Club meeting will be Tuesday at the Farwell Cafeteria. All of the Junior High players will be introduced with their parents. This week's junior high game film will be shown.

Randy Harrison videotaped the game and the club is grateful for it. The videotape of the Gruver game was also shown.

The club voted to continue the Booster bus for all of Farwell's out of town games at a charge of \$2 per person. Woody Woodson was given special recognition for his work getting the Booster Bus started.

The club is sponsoring the homecoming King and Queens. They are also sponsoring the photos of players that have been placed at local businesses. J. R. Ivins did the photography for the club.

Oct. 7 will be parents night.

Marriage Licenses

There was one marriage license issued in Parmer County this week. It was issued to Bruce Porter and Kristi Zuber.

"In our style of play, the quarterback is either the hero or the goat," said Williams. He was proud to see that his son, Michael, was not the goat. Williams completed 10 out of 19 passes to gain 353 yards. Three of his passes led to TD's. He also caught one TD pass.

Jarman was the leading receiver of the game. He caught 4, gained 121 yards, and scored 3 TD's.

Zamora was the leading rusher. He carried 8 times for 67 yards.

The outstanding defensive players were Scott Miller, Brian Glover, and Eddie Zamora.

Lazbuddie plays at Groom on Sept. 23.

Comeback falls short

by Janice Jenkins

The Texico Wolverines suffered a hard loss last Saturday night against Eunice.

The defense played tough and held Eunice to only 25 yards the last half with 13 plays for losses. But Eunice won at home, 12-7, dropping Texico's record to 1-3 for the season.

"This game was our biggest disappointment without any

question. We are as good as any team we've played this year. We should be undefeated because we've outplayed everybody offensively and defensively this year, and I thought for sure that we were going to win this one," said Texico coach Curt Cook.

The first quarter ended with a 0-0 tie as the defenses predominated. Then with 8:29 left in the 2nd quarter, Jimmy Benham scored

for Eunice on a 13-yard sprint. The extra point failed.

Less than three minutes later, Eunice tallied again, this time on a 32-yard pass from Craig Hughes to Jeff Good. The PAT run failed and Eunice was up 12-0.

Texico came out in the second half fired up. Robbie Edwards scored on a 1-yard plunge. The extra point kick by Larry Powell was good.

Texico had excellent scoring opportunities in the second half but their luck didn't hold. A lost fumble hurt.

Statistically, it was all Texico. The Wolverines had 13 first downs to Eunice's 3. Texico had 39 rushes for 108 yards; Eunice 36 for 51 yards. Overall, Texico had 211 total yards; Eunice, 156.

Mark Holmes intercepted two Eunice passes. Both teams had 4 punts, with Texico's adding up to 143 yards; Eunice, 116. Texico had 1 penalty for 5 yards; Eunice, 6 for 50.

Edwards rushed 16 times for 37 yards; Lance Akers, 9 for 9; Powell, 10 for 27.

Keith Harrison caught 5 passes for 46 yards; David Johnson, 3 for 56; Edwards, 1 for 1. Powell completed 9 of 22 passes for 103 yards and 1 interception.

Defensively, Paul Brown and Lance Akers had 11 tackles each. David Johnson had 8; Jason Longo, 6; Robbie Edwards, 5; Byron Martin, 4; Dwayne Hamilton and Joe Pierce, 3 each; Keith Harrison and Steve Laredo, 2 each.

Key defensive plays were turned in by Holmes, Brown and Akers. Harrison, Hector Orozco and Pierce recovered fumbles.

David Johnson and Lance Akers were named defensive players of the game by Coach Cook, who also credited Brown for his special team play.

"I really like the character of our team. They really battled back," said Cook.

Wolverines of the Week

Lance Akers was defensive player of the week.

Byron Martin was named Big Lick player of the week.

Paul Brown was the Special Teams award winner.

David Johnson was named both offensive and defensive player of the week.

Aaron Stanley

Brett Norvell

Falcons wallop Bulldogs, 42-0

The Texico-Farwell Falcons, the 3rd and 4th graders coached by Rick Stanley in the Play Inc. football league, blasted the Clovis Bulldogs, 42-0, in their opener.

Scoring were Josh Lynn and Preston Ketcherside, each

with 2 TDs, and Roby Askev and Russell Williams, each with 1 TD.

The coach said the outstanding defensive player was Brett Norvell. The top offensive player was Aaron Stanley.

Eagles shut out Vikings, 22-0

In Play Inc. football action, the Texico-Farwell Eagles blanked the Vikings, 22-0.

Nicholas Ketcherside, Clay Maxwell and Tyrone Gooden scored TDs. Gooden and Chase Hardage scored extra points for the 5th-6th grade team.

Coach Rick Ketcherside na-

med Chase Hardage, Clay Maxwell and Nicholas Ketcherside as his offensive players. And the Big Lick awards

on defense went to Raymond Attaway, Pat Chumley, Blaze Hardage and Michael Phillips. Hardage and Phillips had interceptions.

Texico wins volleyball tournament

Folks in Tatum probably now wish that they had not been so generous to Texico.

The Texico bus carrying the volleyball team broke down in Tatum, and the Tatum coach gave the Lady Wolverines a ride to the Hobbs Tournament. Texico's Lady Wolverines volleyball team went on to win the Hobbs tournament for the second straight time.

They beat Brownfield 15-10, 15-5, and 15-3. Then they beat Carlsbad 11-15, 15-5, 15-10, and 15-8 in the semi-finals. They won the Hobbs Tournament championship by beating Clovis 10-15, 15-10, 17-15, and 15-8.

The Lady Wolverine volleyball team now is 6-1 and 1-0 in district. "After we got on track, we played pretty well," said coach Michael Littlejohn. "We had 24 ace services and 20 kills. Our serving and passing wasn't quite where we wanted it, but we were able to overcome this."

In the first round, Jennifer Williams had 12 aces, 5 kills, and 2 excellent passes. Jennifer Gentry had 2 aces, 9 kills, 4 excellent passes. Leslie Steward had 5 aces, 3 kills, and 11 excellent passes. Denise Gonzales had 9 assists and 4 excellent passes. Valerie Cavallero had 8 assists and 1 excellent pass. Penny Pierce had 2 aces, 3 kills, 4 excellent passes. Dena McDaniel had 2 aces, 3 assists, and 2 excellent passes. Amy Chadwick had 1 ace and 2 excellent passes. Krystala Cross had 4 excellent passes.

In the semi-final round, Texico had another slow start, but they were able to take control of the match. "Jennifer Gentry had a great match with 20 kills, and 12 excellent passes. Valerie Cavallero and Denise Gonzales had good games setting the ball to our hitters. Valerie had a very good serving game," said Littlejohn.

Stats for the second round include: Leslie Steward, 3 aces, 5 kills, 10 excellent passes; Valerie Cavallero, 11 aces, 2 kills, 15 assists, 5 excellent passes; Jennifer Williams had 7 aces, 4 kills, 10 excellent passes, 2 blocks; Jennifer Gentry, 1 ace, 20 kills, 12 excellent passes, 1 block; Denise Gonzales had 1 ace, 3 kills, 2 excellent passes; Penny Pierce had 1 ace, 3 kills, 2 excellent passes; Dena McDaniel had 2 aces, 2 kills, 6 assists, 3 excellent passes.

"This was just a super match from start to finish!" said coach Littlejohn of the final match. "Both teams were hustling and making great plays. Everyone on the team played very well. Leslie Steward and Jennifer Gentry make All-Tournament, but we could have had another one or two named to the team. This team is playing defense as well as any team we've had in the last three years. They are also starting to jell as a team on the court. We are young and inexperienced still, but we are progressing very well. This along with the all out hustle is what pleases me most along with the tournament championship."

In the final match, Steward had 9 aces 12 excellent passes, 11 kills, 1 assist, and 5 blocks; Cavallero had 4 aces, 8 excellent passes, 2 kills, 25 assists, and 1 block; Williams had 4 aces, 6 excellent passes, 4 kills, and 4 blocks; Gentry had 12 excellent passes, 25 kills, and 9 blocks; Gonzales had 1 ace, 3 excellent passes, 12 assists; Pierce had 3 aces, 4 excellent passes, 6 kills, and 3 blocks; McDaniel had 1 ace, 2 excellent passes, and 5 assists.

PUBLIC NOTICE

BRIEF EXPLANATORY STATEMENTS
OF PROPOSED

CONSTITUTIONAL AMENDMENTS

GENERAL ELECTION
NOVEMBER 8, 1988

PROPOSITION NO. 1 ON THE BALLOT

Senate Joint Resolution 8 proposes a constitutional amendment providing that when the federal government reimburses the state for expenditures of state funds dedicated to acquiring rights-of-way and for constructing, maintaining, and policing public roadways, such federal funds must also be used for those purposes.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment and/or clarification providing that federal reimbursement of state highway dedicated funds are themselves dedicated for the purpose of acquiring rights-of-way and constructing, maintaining, and policing public roadways."

PROPOSITION NO. 2 ON THE BALLOT

House Joint Resolution 2 proposes a constitutional amendment to establish an economic stabilization fund in the state treasury. The fund would consist of one half of the unencumbered balance of general revenues at the end of a biennium and three fourths of the difference between the net oil and gas production taxes received in a fiscal year and the net oil and gas production taxes received in the 1987 fiscal year. During any fiscal biennium, the amount in the economic stabilization fund could not exceed 10% of the total deposited in general revenue in the preceding biennium.

The state comptroller and the state treasurer could decide to trans-

fer monies from the fund into the general revenue fund to alleviate a temporary cash shortage in general revenue. The legislature could make appropriations from the fund on approval by a three fifths vote of each house to make up the difference between anticipated general revenue and appropriations. On approval of two thirds of the members of each house of the legislature, the legislature could appropriate monies from the fund for any purpose.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment establishing an economic stabilization fund in the state treasury to be used to offset unforeseen shortfalls in revenue."

PROPOSITION NO. 3 ON THE BALLOT

House Joint Resolution 5 proposes a constitutional amendment that establishes the Texas growth fund. All investments of the Texas growth fund must be directly related to furthering economic growth and employment opportunities in Texas. At least 50 percent of the fund must be invested in equity and/or debt security for the initial construction, expansion, or modernization of business or industrial facilities in Texas. Not more than ten percent of the fund may be invested in venture capital investments. Of the funds available for venture capital investments, not more than 25 percent may be invested unilaterally, and the remaining investments must be matched at least equally by funds from other sources. The Texas

growth fund will be managed by a board of trustees consisting of four members appointed by the Governor and one member from and elected by the membership of each of the following: The Board of Regents of the University of Texas System; The Board of Regents of the Texas A&M System; The Board of Trustees of the Teacher's Retirement System of Texas; The Board of Trustees of the Employee's Retirement System of Texas; and the State Board of Education. The trustees may set the investment policy of the fund, enter into investment contracts, and take any action necessary for the creation, administration, and protection of the fund. The amendment authorizes the Board of Regents of the University of Texas System and the State Board of Education, in managing the permanent university fund and the permanent school fund, to acquire, exchange, sell, supervise, manage, or retain any kind of investment, including investments in the Texas growth fund. The fund will be phased out after the tenth anniversary of its creation, but the Legislature may create a second growth fund by a two thirds vote of each house.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to provide for the investment of the permanent university fund, the permanent school fund, and public employee retirement systems in the Texas growth fund created by the amendment, which will directly create, retain, and expand job opportunity and economic growth in Texas."

Estos son los informes explicatorios sobre las enmiendas propuestas a la constitucion que aparecerán en la boleta el dia 8 de noviembre de 1988. Steers win 3rd in row

The Farwell Steers kept their record spotless with a 28-14 victory over Gruver Saturday at Amarillo. The Steers are now 3-0.

Gruver won the toss and elected to kick with the wind. The Steers moved the ball downfield over a 7-minute span, ending with a 15-yard

TD pass from Greg Actkinson to Shawn Stewart. The extra point kick failed.

Gruver was unable to get a first down and Farwell again drove into the wind. At the start of the 2nd quarter, the Steers scored again on a 31-yard pass from Actkinson to Stewart. Jeff Actkinson ran

for the extra points as Farwell took a 14-0 lead.

Again, Gruver was held. This time Farwell had the wind behind them as they moved the ball with runs and passes. Nine yards out, they ran a pitch play with Clint Kelley scoring the TD. The

extra point kick failed.

Then Gruver mounted a successful drive, and scored on a 25-yard pass play with 1 second left in the half. The kick was good and Farwell led 20-7.

Gruver kicked off to start the third quarter. Farwell drove to the Gruver 29. Then the Steers sent out 3 wide receivers and Stewart slipped out of the backfield, taking a 5-yard toss from Actkinson, then running the remaining 24 yards to score again. Darren Haseloff kicked the point after.

Gruver came out in a shotgun formation and had better success, ending with 150 yards passing. They scored their second TD in the third quarter and the kick was good.

There was no scoring in the fourth quarter. Stewart and Greg Actkinson both had interceptions.

Coach Rex Cumpton said Stewart and Greg Actkinson has his offensive players of the game. Stewart had 83 yards rushing, 83 yards receiving and 3 TDs. Actkinson hit 5 of 10 passes for 97 yards.

Defensive players of the game were Kyle Stancell, with 11 tackles, and Bruce White, with 10. And both had two tackles for negative yardage.

Farwell had 232 yards rushing, and 93 yards passing. They had 23 first downs, and 5 penalties for 55 yards. The Steers averaged 34 yards on their two punts.

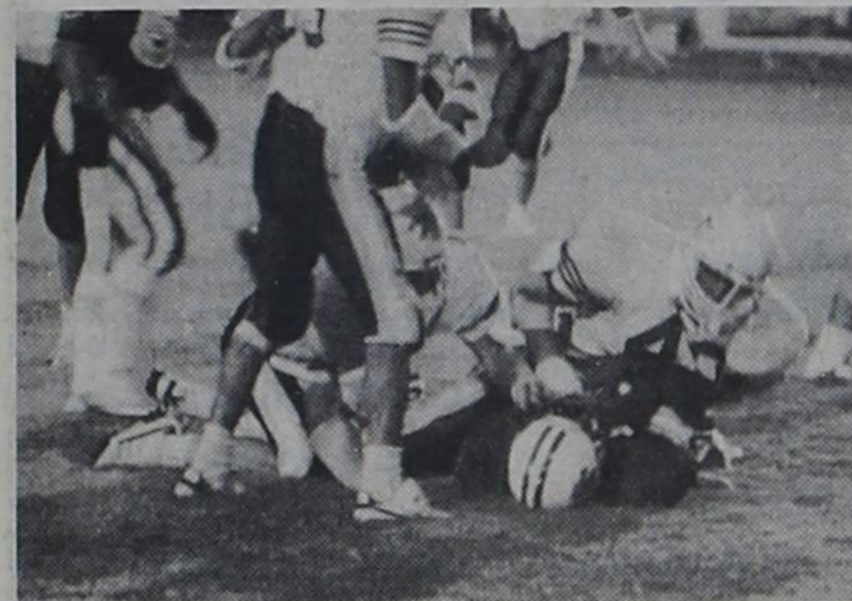

Gruver had 63 yards rushing, and 150 yards passing. They completed 10 out of 19 passes. They had 14 first

FFA booth wins second

The Texico FFA booth won second place at the New Mexico State Fair.

"It looked a lot better at the state fair than it did at the Curry County Fair because we had more room to spread out and it was behind a glass partition instead of behind chicken wire," said FFA sponsor Eddie West.

Individual Texico students who won agricultural prizes at the state fair included:

Cody Drager who showed hogs - a York that won 5th and a spot that placed 8th, and Justin Bolinger whose suffolk sheep placed 8th and 13th.
