Wildcats Trap Levelland To Wrap Up Homecoming

Second Half Defense Sews Up District Win

Littlefield's Wildcats, played to the hilt by a fired-up Levelland team in the first half, shackled the Lobos with superb defense in the second half here Friday night to gain a 26-6 victory in the first district game for both teams.

The win kept the "Golden Trap," symbol of football supremacy between the two schools, in Wildcat hands for the fifth straight year and thrilled a partisan Homecoming crowd.

Littlefield moved into a first place tie with Snyder and Slaton, other winners in the south zone first round, and remained a big threat in district play despite a 2-4 season record.

There were a lot of reasons for the Littlefield victory.

One might have been a 65-yard scoring bomb from QB Charlie Holt to Tight End Gary Nace on Littlefield's first play from

Another could have been Ralph

A \$50 savings bond was presented

Following the big win over Levelland,

Funk's 75-yard touchdown run on the final play of the first half.

Or it could have been QB Holt's last-minute decision to wear his glasses during combat. The senior signal caller had his best night of the year, completing 8 of 12 passes for 181 yards, and his teammates may want him to keep using his spectacles.

But the biggest single record for the victory was a Littlefield defense that: 1. Held the Lobos at the Cat "3-inch line" in the second quarter;

2. Blocked an extra point try to keep Littlefield in a 7-6 lead just 16 seconds before the half;

Intercepted 3 Lobo passes. including two by Safety Steve Owens,

and recovered 2 Levelland fumbles. 4. Shackled Levelland with only 22 yards rushing and a measly 2 first downs

the entire second half. The heroes were plentiful for Littlefield, particularly on defense.

Randy Mitchell, from his linebacker slot, and Charles Carter at defensive end. terrorized the Lobo ground game with their sure tackles

Tackle Jerrel Haberer, besides picking up one of the fumble recoveries, came up with a defensive gem in a situation that with Wildcats were able to ura to the third, and perhaps decisive, touchdown.

students to 499 and it catches us by four students.

Jones explained that local schools have been just over the Class AAA minimum of 450 the past few years, with an average daily attendance last year of 495.12 in the last four grades.

Raising of the UIL alignment figures caught eight other AAA schools in Texas, including Slaton, the same way.

Littlefield, competing in Class AAA athletics since 1956, was able to win district championships only in 1956 and 1966, as the school consistently drew schools of larger enrollment for competition. The Class AAA bracket had been from 449 to 1020.

Under new alignments, Class AA will be schools of 230 to 499 ADA, and Class AAA will be 500 to 1099.

Coach Deverelle Lewis, also caught by surprise in the UIL changes, said he first had "mixed emotions" about the switch to AA. But he added the new alignment has some "definite advantages," besides competing with schools about the same size or smaller.

Lewis said the new district-composed of Littlefield, Dimmitt, Olton, Floydada, Abernathy, Morton, Lockney and Friona-will be more closely knit for travel purposes.

He added, "It'll be a tough district. because all of these schools play top-notch football."

The Littlefield coach's aim is to keep Class AAA schools on the Wildcats'

Measles Inoculation Slated Wednesday

An all-out "German Measles Must Go TOO" Campaign is underway in Littlefield, and according to Mrs. Joyce Oliver, school nurse, they have 100 percent cooperation from the students at

"Now we hope mothers and fathers of the pre-school children will go all-out to have their children inoculated against this disease," Mrs. Oliver continued.

Doors to the Migrant Health Clinic, located at 605 East 5th Street, will be open Wednesday for pre-schoolers to receive the Rubella Vaccine from 8:30 to 11 a.m. and all other children will receive their inoculations at school that afternoon from 12:30 to 3 p.m.

"This vaccine is NOT the same as children took last year to combat Rubeola (Red Measles)," Mrs. Oliver noted, and continued by saying, "All students, ages 6-10 years old, who have had any type of measles are not immune to German Measles and should have this vaccine."

"To break the chain of infection, it is necessary that every child in Littlefield receive the vaccine. The next epidemic of German Measles is due in the spring of 1970, and the vaccine is now available for mass immunization to Littlefield

"The last epidemic in 1964 caused 20,000 birth defects in unborn children in the United States, and this is the reason German Measles are considered a major health menace.

'Vaccine quantities are insufficient for all children at this time, but Littlefield has this great opportunity to beat German Measles in our community. Let's stamp out German Measles as we did Polio and Red Measles!" she concluded.

The vaccine is provided free to school children, 6 through 10 years old but the community is required to pay the cost of vaccine which is provided for pre-schoolers. Donations for the project may be mailed to Mrs. Lavonda Bell at the School Superintendent's Office, 105 Lake Avenue.

'Cost per shot of the vaccine is \$2.25, and the community's donations would help considerably in defraying the expenses," Mrs. Oliver said. "Make your checks out to Littlefield German Measles Campaign, send them to Mrs. Bell, and we'll be forever grateful."

C-C Balloting Is Continuing

Several election ballots have been returned to the Chamber of Commerce office, naming choices for prospective new members of the board of directors for the organization.

Four new directors will be elected from the ballot of 12 nominees, and deadline for returning ballots is Friday, Oct. 24.

Remaining on the board to complete unexpired terms are John Clayton, Gerald Kehoe, Joe Montgomery, Jim Jones, Pat Downs, Doyle Patton, Jim Vandenburg and Kenneth Ware.

The new directors will be presented at the Chamber of Commerce Banquet Jan. 29 and will begin their duties Feb. 1.

1,400 SHOTS of Rubella (German Measles) vaccine are displayed here by School Nurse Mrs. Joyce Oliver, left, as Mrs. Roland Bell, treasurer, and Mrs. Maylon Smith, office assistant, look on. Children 1-5 years old will receive inoculations Wednesday at the Migrant Health Center and school age children in grades one through five will be inoculated at the Health Office in the Primary Building.

A Predicament

THE FARMER'S WIFE

By LIBBY MUDGETT

IN A RECENT ISSUE of "Newsweek" magazine, there was a special report on The Troubled American. In the section entitled The Square American Speaks Out, the interviewer made a statement that struck me as particularly

"Of the people I talked to, the most frustrated and angry were those trapped in spirit-numbing jobs and in neighborhoods besieged by pollution, noise, traffic, decay and crime. The happiest were those whose jobs gave them some relief from tedium, and a chance to live near open fields and green trees, sunlight, creeks and country roads.

THAT'S PRETTY SAD.

The reason it's sad is because more and more people are having to move to where there's less and less open fields, green trees, sunlight and country roads.

On account of because the neighborhoods besieged by pollution, noise, traffic, etc. etc. is where the money is. And the jobs.

READER'S DIGEST recently published an article. The West Is Getting Lonely Again, in which a farmer remarks, "Damned if farming ain't lonelier now than thirty years ago!

The rest of the article goes on to explain that the farmer is right, there being fewer people per square mile, fewer farms and ranches per county, and so on and so forth.

SO, TO DRAW conclusions from the two articles, it looks as though more and more Americans are going to end up in those spirit-numbing jobs in those crowded neighborhoods.

From my own front porch, I can see five farm homes, now vacant, whose occupants have gone on to other occupations.

WITH THE EXCEPTION of one of the families that I don't know about, none of them wanted to quit

THE PHILOSOPHER STATES

What Is Our Policy? 3

Philosopher on his Johnson grass can't spell,

Among the many things I've Littlefield.

never been able to get a good grip

on is what this country's foreign

policy is, makes no difference what

administration I was bewildered

under, but I got a glimer of what

part of it is right now in a

newspaper I was reading last night

to see what the five-day weather

forecast was and was feeling pretty

good about it till I discovered the

Our foreign policy, like the

weather, may have changed since then, but at that time, according to

this article, our policy is the

hold of, and I'm in favor of it, I'm

not only in favor of the

Vietnamization of Vietnam, I'm in

favor of the Australiazation of

Germany the Londonization of

London the Mongoliazation of

HIGHLIGHT of the Littlefield Homecoming pep rally Friday afternoon in Wildcat Gym was the presentation of the queen candidates, from left Jan Christian, Dianne Perkins and Diane Maner. The gym was lively decorated for the occasion, and enthusiasm was high as the sky, or at least the

THE ABUNDANT LIFE

Love Is Not Lust

MUCH THAT IS CALLED needful in general human "love" is lust, and this misuse of the word "love" is adding to the

difficulties of our time. "Love", used correctly, refers to the uplifting, wholesome, ennobling and constructive elements in human feelings and behavior. When lust is

LUST SHOULD BE CALLED "lust", and love should be called

Lust is sexual desire as a degrading passion, and it is obvious that this is the predominant component in the immoral climate of present-day society. Calling it love is not going to make it any less destructive of human well-being.

"LOVE INS", so called, which have been made part of the sad and dark life style of modern times have been characterized by promiscuous

"Lust ins" would be much more accurate and appropriate descriptions for these degrading affairs.

MANY SONGS about "Love"

are actually songs about lust. These songs do not partray anything that is high type or uplifting, but are suggestive, morbid

THIS LUSTFUL INTEREST of the sexes in each other is sometimes called sexual love, but this is a low form and usage of the word "love" It is more correctly called

but this was sensual love, it was lust. This is the origin of our word "erotic" which means: "Of, relating to, affected by sexual desire". It is

When people limit love to the erotic, they put themselves on a level with dumb brutes or lower. They make themselves like the dogs that roam the streets and alleys. This type of conduct is movement toward disaster.

THERE IS A LOFTIER kind of love. It is "agape", the love of esteem, and reverence and sacred tenderness. It includes a wholesome concern for the well-being of others, and lifts the individual to a more nearly proper plateau for meaningful living.

THE LASTING and happy husband-wife relationship, which includes sexual interest, must have the love of esteem, reverence and

This is the love that should be praised in song, in writing and in every other possible way

the more intimate and enduring

THERE IS ANOTHER level of

wholesome and much-needed love. It is "philo", or brotherly love. It is loving or being favorably disposed toward others. This is a

THE LOVE IN THE parent-child relationship will be the love of respect, appreciation, kindness, understanding and wholesome concern

family is something less than desirable. If we wish to fully know and

understand love, we must know and understand the characteristics of "love" as given by Inspirations. "Love is patient and kind; love is not jealous or boastful; it is not arrogant or rude.

not irritable or resentful; it does not rejoice at wrong, but rejoices in

"LOVE BEARS ALL THINGS. is eager to believe the best, it hopes for the best, and it endures everything (without weakening). Love never fails."

should take it out of the dirt and keep it clean in all we say and do.

DEAR EDITOR

1200 W. 9th Littlefield, Texas Oct. 14, 1969

Littlefield Press Littlefield, Texas

Dear Sir:

We, the citizens of Littlefield are really getting very lazy when it comes to showing our respect to the American flag.

very few people who will salute the flag as it is being raised; many keep walking in front of others who are saluting. There is even people talking during this period. To me and many others this is a time of complete silence. How can we expect our children to have a little respect when we as parents don't have any.

during a parade you are to salute the flag for ten (10) feet before it passes in front of you and until it is at least ten (10) feet past you.

Let us all join in showing respect for our flag and our country. After all we live in the best country there is even if we all don't agree with some of the laws and taxes. Where else could we have the freedoms we can enjoy.

Thank you for letting me blow my steam.

Mrs. Lindsey Williams /s/ Mrs. Lindsey Williams. P. S. There is even talking during the prayer before the games. Guess I had better shut up before I get

... CITY COUNCIL

premiums for the added coverage will be

\$700 per year. Besides the routine business of reading and approving the minutes of the previous meeting and approving bills for

payment, councilmen: Agreed to lease an 80-acre tract of land, located northeast of town, to Joe Montgomery.

2 Heard Charles Duval, representing Pioneer Natural Gas Co., in regard to the company's application to the Railroad Commission for an increase in the gas gate rate. Councilmen decided to send three councilmen, City Manager Jim Shearer, and City Attorney Ted Sansom to a meeting in Lubbock Oct. 23. 3. Reviewed the annual financial

report of the Board of City Development. Total disbursements the past fiscal year, which ended Sept. 30, were \$4,871. Cash balance on hand Oct. 8 was \$1,251. About half of the total disbursements was spent on promoting the electric car industry for Littlefield.

4. Considered an ordinance regulating traffic movement at the intersection of Highway 84 Business Route and FM 54, and instructed the city manager to write a letter to the district engineer in Lubbock stating that the councilmen had decided not to pass the ordinance as suggested.

Councilmen felt that "right lane must turn right" signs would not be beneficial at the intersection because of the lack of

5. Authorized Mayor J. E. Chisholm to execute an agreement with the Texas Highway Department, for the department to assume maintenance and operational responsibility for traffic signals located at the intersection of FM 54 and 385.

Councilmen had previously discussed the matter and felt some questions needed answering. Their questions were answered satisfactorily by the Highway Department, so councilmen okayed the

Watch For Prussic Acid Poisoning In Livestock Freeze damaged sorgha

The recent freeze over much of the High Plains brought an abrupt halt to cotton and vegetable production and may also prove detrimental to livestock producers if certain precautions aren't followed

Caution should be exercised when grazing livestock on johnsongrass, sudan, sorghum-sudan hybrids, grain sorghum and forage sorghum because of prussic acid poisoning, points out Buddy Logsdon, Lamb County Agricultural Agent

"When the growth of any type sorghum is slowed or stopped by freezing temperatures or drought stress, certain chemical changes occur in the plant and sometimes a high prussic acid content develops, especially in young growth," explains the agent.

'An animal that feeds on such plant material can be poisoned and can die in a very short time. Whether or not an animal can be saved depends on how soon a veterinarian can get to it

should not be grazed until they as good quality hay or until it is to four days after the free Logsdon. A week delay is prefer keep in mind that new sole appearing after the initial freest be high in prussic acid

If the crop was ready to call before the freeze, it may it immediately, provided afeçua time is allowed. Silage made for damaged plants is usually afects to three month preseration Another precaution, althou practical, is to air-dry sage feeding if prussic acid is suspect

"Young plants or seest suckers are more likely to me than older plants nearing as explains the agent. "Too be luxuriant the growth, the sp prussic acid content will per

Sex Overdose

I JUST CAN'T GET indignant as much as the I

with sex; it's too amusing. Adults insist it's their children who are abandoning traditional moral concents, yet have you seen some of the so-called grownup ladies' magazines? Most every issue sells itself with sex emphasis.

AND YOUNGSTERS with basement printing devices get out clandestine campus publications concentrating on sex talk and Saxon words. My goodness, you'd think to

read this pseudosophisticated stuff that this generation invented sex. Where do these kids think they came from? Can they really imagine that there is a star-in-the-east for each of them?

THE DIMENSIONS of the so-called sex revolution on campus have been exaggerated. Now we are leaning from comprehensive surveys that there's more smoke than fire.

Playboy Magazine surveyed five campuses this year and concluded that the sex revolution is, at some schools, nonexistent. "In spite of behavioral changes, there is no evidence of an unchecked trend toward promiscuity."

WHAT'S MISLEADING is that young, eople are now talking about the things you and I used to whisper about.

Sociologists, generally, applaud this openness.

Senior editor Sam Blum of Redbook Magazine disagrees. He says in the old days every boy was a walking encyclopedia of Technicolor ignorance and marvelous misinformation."

TODAY, he says, "by the time a boy reaches high school he knows

about all this recent preoccupation gynecologist."

But Mr. Blum think removing all the myster denying the young the std of gradual explorate discovery has left today) 'underprivileged.' mind-expanding myths the missed they substitute drup

MR. BLUM'S CONCERN bluntly, is that the sex ? could cause boys to lose at the subject "complete) forever." Anthropologist Margiel

says young men and won begun to wear unisexual con a symptom of a "switch at roles."

Increasing legal and acceptance of homosexual further manifestation worldwide erosion of the sex roles.

THE AMERICAN ME ASSN. recently conducted a meeting dealing with the and Beverly Hills psychan Ralph Greenson conclude "American males are indifferent to sex: 1 genumber want to change gender. It's horrifying and the future of the human att.

IT WAS NOT MY PURP enunciate this theory because it's fashionable the to "talk sex". What intrige the fact that so many And quite old enough and experienced enough and experienced to have exhaulted illusions, are now fascinals their new nakedness.

The proved popularity theater and motion presentations of the sex acts that youth may be altogounfathomable the second around.

TIE BREAKERS

HANDS ACROSS THE BY

Littlefield High School's 1969 edition of successful Homecoming Activities was given a big send-off Thursday night with a long parade and huge bonfire.

Approximately 25 entries were made in the colorful parade, including floats, decorated cars and the convertible bearing the Homecoming Queen candidates.

Copping first place float honors was "Lobo Cemetery" sponsored by the Kat Klub, (Photo No. 7), and taking second place was "Cage The Lobos", sponsored by Distributive Education Clubs of America, (No. 8).

Perched atop the pile of bonfire kindling was an old-fashioned "outhouse" with an effigy of a Levelland Lobo hung in the doorway. Flames licked high into the air, expressing the Wildcat aim of "whipping up" on the Lobo team Friday night.

Photo No. 1 shows the silhouette of the early day bathroom, as a youngster shields his face from

"Hands Across The Border" was the theme for the LHS Spanish Club float, (No. 2), and members of the club joined in expressing their wishes for a victory on the gridiron Friday night.

Not much "stink" was raised during Homecoming activities this weekend, but the Leader-News' pet skunk "scented" a victory over Levelland during the parade. The float (No. 3) was built entirely of Leader-News newspapers and chicken coop wire by Leader-News staffers and their families.

General Telephone's float, (No. 4) depicted several officials, cheerleaders and replicas of things to be seen at any football game. The float expressed the company's boost for the Wildcats with "Beat The Lobos" on huge signs down the

A "Mod Bug" (No. 5) owned by Mrs. Marti Toulmin, high school teacher, added color and inspiration for parade viewers Thursday night. Several students at LHS helped with the decoration

Bob Bromlow and Piggly Wiggly promoted a "Smear Levelland" campaign, and emphasized that the Wildcats "Lay Out The Lobos."

The Girls Athletics float (No. 9) copped third place honors in the parade with their illustration of "Get Those Lobos".

Honorable mention went to the Future Farmers of America float, (No. 10). The float depicted a "muscled crew" armed with a noose to "Exterminate A Lobo".

The famed victory bell, (No. 11) rang out chimes of defeat for the Lobos in the parade, and proceeded to ring out a victory for the Wildcats during the homecoming game Friday night. The Wildcats get to keep the "Golden Trap", symbol of football supremacy between the two schools. The Wildcats defeated the Lobos for the fifth year in a

HEN YOUR Through Regular Church Worship

Here's the Answer deed looped in God's Word --- The Book When Sir Walter Scott lay dying - he called for The Book. The servant who best knew his library hesitated and asked, Which Book? Being the writer and eader of many books. Sit Walter said. There is only one book for a dying man Is it not equally true for a living man? What book compares in value to aid us in better living? Do you try to find out what is your highest duty? Do you want guidance? Do you cherish peace of mind? Do you seek inspiration? Do you really want to know what tor2 This man holds The Source ... The Answer - . . The Divine Way Day by day let us enrich our minds, let us seek from the Bible, wisdom. and try to understand God's purpose for us in His World. See you in church or Synagogue this week. CHILDSOPHY

Hope For Today!

REV. WALLACE H. KIRBY First United Methodist Church

THE EARLY CHRISTIANS lived such radiant lives that someone was always asking why. Why were they so hopeful in the midst of poverty and persecution? How could they be joyous? This is a question asked by many today

in the midst of unprecedented prosperity. These early Christians were not foolhardy; they were realists. They did not just hope for the automotive development and the spiritual progress of man. They knew that for anything to happen they would have to work at it. They had sound reasons for each of their hopes.

THEY HOPED FOR CHANGES in people-in others and in themselves. They had faced the fact that it is the evil within people that brings defeat.

They had seen dramatic changes in many-in Simon Peter-in Paul-in others, They knew what could happen.

IT IS A BASIC tenet of Christian faith that people can be changed. This is a primary hope. can change. I will not forever be dominated by evil thoughts, depressions, anxieties, hates and weaknesses. You, too, can be changed. You need not always be tyrannized by sorrow or irresponsibility.

The early Christians hoped for a defeat of evil. They had witnessed God's intervening love in the form of His Son. Jesus Christ had won the victory over the most devastating and overwhelming evils. When things looked blackest and defeat most certain. He emerged

the victorious and gave us a glimpe de

SOMETIMES IT SEEMS to u to guys finish last." We read the as suicide, the growing crime man horror the news from Vietnam ma one or close friend struck by the disease, or hear that some quirk of killed hundreds.

BUT JESUS SAID, "Be of good a have overcome the world." Lines Christians we can hope for a fine of evil. The early Christians hope h death. This is a universal desire Ora and said, "As I live, you shall live say"

The early Christians considered a promise and proof of life to come by is the only hope of justice for many boy born in a tenement, me physically and mentally by the men who should protect him, what charge this world.

To the parents standing at the parents beloved child, what hope without lay of life? This gives us security and in richer, more abundant life.

THERE IS HOPE for a new toour present lives. The early Chran more than a hope for the distant to wanted a reason for beingpurpose-here and now. So they we

with the Holy Spirit and found loyer Christianity offers joy now dimension, hope for more abundances

Bookmobile Honors Readers With Reading Certificates

TEXAS CROP REPORT Yield prospects in major crops continu short of levels attack year. The Texas Con Livestock Reporting says production of sorghum, rice, hay, potatoes and per expected to be lower beets, corn, soybeans in potatoes to be higher th

vear.

The Veterans of Foreign Wars Post 4854, of Littlefield, Texas, today urge that all citizens speak out in support of the President of the United States and the efforts of the United States government to stem the flow of Communism in South Vietnam.

The delegates attending the Veterans of Foreign Wars National Convention in Philadelphia, Pa., last August, unanimously rhiladelphia, Pa., last August, unanimously urged that our government continue to seek victory in Vietnam and that all of our citizens lend their full support to the men on the fighting front. Frankly, we are sick and tired of listening to a very vocal minority undermining the bargaining position of our President and in so doing endangering the lives of our men on the fighting front. It is our belief that the time has come when the much talked about silent majority should much talked about silent majority should speak out. We must let the men on the battlefield know that they have the support of the people at home and we must let Hanoi know that the President has the support of the people in this country.

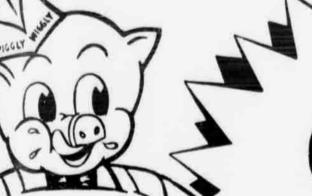

It is our hope that the people of this area will speak out on this leave and that other

will speak out on this issue and that other patriotic, civic and fraternal groups will join with us in this crusade.

No one seeks peace more urgently than the Veterans of Foreign Wars, but we will not seek peace at any price which is what the vocal minority is calling for today.

WILDCATS WIN

Continued from Page 1

Wildcat defenders Mitchell, Carter, Haberer, Monte Trotter, Kim Kloiber, Larry Purdy, Danny Estrada, Keith Sitton, Ed Hickman, Holt and Owens—and plant a star beside every name

The Littlefield offense couldn't be faulted, either, because it came up with the pair of scoring bombs in the first half when Levelland's defenses were superb.

And in the second half, a balanced attack of running and passing got the Wildcats a pair of touchdowns on hard-nose. grind-it-out football. Funk capped one march with a 5-yard run, and Hickman got the other TD on a one yard

After Levelland couldn't gain on the opening series, the Lobos punted against the wind and netted only 20 yards after Hickman returned to the

On the first play, Holf faked into the middle, then whirled and came to the left He spotted lanky tight end Nace. at least 10 yards free o defenders at the Lobo 45, and let fly. Gary never missed a stride as he caught the ball and

legged it in for the TD. With only 1:27 gone in the game. Alan Newton kicked the extra for a 7-0 Littlefield lead

The Lobos came back to midfield after the kick off, but were forced to punt a second time against the wind. This one netted 28 yards and the Wildcats took over at their 23.

Getting two first downs out to midfield, the Cats were stung by the first of five 15-yard penalties for the night

and faced third down, needing

Holt passed to Owens and the split end's leaping catch got 18 of the necessary yards. But on fourth down, Funk's try at line lost a yard and Levelland took over at the Lobo 47.

This Levelland series was to be foiled by an Owens' pass interception. The Cats took over at their 49 after Owens ran back the steal 18 yards.

Holt immediately passed for Owens again, and when Lobo defenders batted up the ball. Steve latched on while falling at the Levelland 16. Two ground plays got all

but a half-yard of the 10 needed for a first, but on fourth down. Funk's try at right guard lost a yard.

The two teams swapped series without damage, but Levelland wound up with a first down at the Littlefield 47 after the Cats were penalized twice for a total of 30 yards

Lobo backs Justin Lane and Jon Eliis began getting chunks of yardage on the ground, and Levelland gained three first downs to the Littlefield 8-yard

Ellis, Lane and Eddie Woodly carried in succession until the Lobos faced fourth and goal from the Cat 2 yard

Lane's fourth down try off left tackle was only inches short of the goal, thanks to a TD-saving tackle by Carter and Estrada.

But the Lobos got a new chance when the Wildcats were able to get out only to the six-yard line, and Mitchell's punt against the wind traveled only 31 yards to the Cat 37

Twelve plays later, the

RALPH FUNK (11) punished the Levelland Lobos with 12 carries for 121 yards in the Wildcats' second win of the year at Homecoming here Friday night. The victory was Littlefield's fifth straight over Levelland, and it gave the Cats a 1-0 record in District play.

Lobos were on the board, with 11 of the plays coming on the ound and the last one a yard pass from QB Terry Billingsly to Back Gary Gressett for the score

On the extra point try, the snap from center was bobbled, and the delay cost the Lobos a tying point. Holt smashed in from his defensive halfback slot and blocked the delayed So it was 7.6 with just 16

After Littlefield took over the Cat 25 following the kickoff, the clock showed 13

seconds left.

seconds to go. Soph. HB Funk, taking a pitch off the option from Holt, ised all the time as he turned the right corner, raced down the sidelines to midfield, then cut back and shagged to the

The TD, with the clock then showing 0:00; made it 13-6. The score stayed there at halftime, when Holt's pass for

the extras went incomplete. If the first half wound up too close for comfort. Littlefield fans could breathe easier in the last two quarters. Here came that terrific defense. The first Levelland

series was foiled by a pass interception at the Littlefield 20 by Sitton. When the offense couldn't go, the Cat kicking team got the ball back for another try when Phil Chambers recovered

punt at the Lobo 35 But the Cat offense again was stymied, so it was back to work for the defense.

a fumble of Mitchell's 35-yard

When Levelland gambled on fourth down try from the Lobo 32. Tackle Haberer was the man on the spot. He came roaring in to nail the Lobos' Roy Gregory for a yard-loss, standing the Lobo straight up at the Cat 31 so he and catch into the turf.

The big play gave Littlefield the ball with 2:17 left in the quarter, and Holt capitalized with a 24-yard strike to Eddie Hickman. From the Lobo 7 Holt gained two and then Funk took a handoff, followed the broad shoulders of Danny Estrada, and breezed in for the

Newton's point try was good and it was 20-6 with 1:24 left in the third quarter.

Once again the defense was called upon, and the Cats stopped Levelland on the series following the kickoff.

There was no Lobo gamble fourth down this time, as Punter Lane aimed for the Cat end zone and got it there, 54 vards away.

Littlefield immediately launched a 13-play, 80-yard drive that took over half the fourth quarter.

\$4.99 UP

Three straight

Holt-to-Hickman passes gained 30 yards total. Then Funk got 14. Hickman 5. Funk 5 and Hickman, 18, giving the Cats a first down at the Lobo 13.

After Eddie gained three, the Cats were penalized five, but Hickman carried for 10, then 4, then the final yard for the TD

Newton was the victim of a fumbled snap this time and his kick was blocked. But Littlefield had its 26-6 lead with 5:44 left in the game. Once again the defense

stopped the Lobos, and with left Coach Deverelle Lewis began spotting reserves in the line-ups. But Safety Owens was still

around to gather in his second pass interception, and the slender swifty raced this one back 48 yards to the Lobo 5. It was doubly painful when

the play was called back by a clipping penalty, and Owens wound up with a leg hurt when he was leveled at the Lobo 5. With the game down to its last three minutes, Cat reserves began pouring in and. defensively, they were able to

after Levelland picked up a fumble at the 28. Reserve QB Lynn Barton showed well on a keeper the Cats' final series, picking up six

stop a Lobo drive at the Cat 22

And that defense wasn't about to let Levelland have the ball. Haberer recovered a Lobo fumble of Mitchell's punt at the Levelland 40 just before time ran out.

Offensively, the Cat leaders were Holt with his 8 for 12 and 181 yards in the passing department and Funk with 121 yards in 12 carries on the ground.

Hickman got 52 yards rushing in 11 carries, and also roamed for 63 more on five pass receptions. Owens caught two aerials

for 53 yards and Nace had his 65-yard reception and run. Mitchell punted six times for a 36-yard average.

Farwell Drops Springlake-Earth

FARWELL-in a 3-A battle here last Friday night, the Farwell Steers upset the Springlake-Earth Wolverines Farwell with an early surge of scoring, The Steers scored twice in

the first quarter and never let up until the final gun. The first score was made on a nine-yard run by Danny Prince. Bob Wiman converted. Springlake-Earth came back with Hoyt Glasscock climaxing

a long drive that ate up 94 yards and a score for the Wolverines. The extra point Frank Galvan charged

through the Wolverine line, intercepted a lateral and outran the Wolverines 35 yards for

another TD for the Steers. Farwell continued scoring in the second frame with a pass from Greg Hargrove to Dean Stovall. At halftime the Wolverines trailed, 20-6.

with a 1-yard plunge by Glasscock. Again the conversion failed. Berry Williams raised the Steer score 27-12 with a four-yard run and Wilman booted the extra.

Hargrove put the cap on the game for Farwell in the final period with a one-yard plunge and another tally for Farwell. Farwell has a 3-3 record. Springlake-Earth is 4-2.

Littlefield egith meet the Plainwey teams Tuesday with game set at 6 p.m.
