

DAVIDSON was named 1971 Homecoming Queen during a half-time ceremony here Friday night, when the Wildcats defeated the Friona team 35-0. Her runners up were Debbie McAnally, left, and Debbie Hartley, right. Crown bearer was Devron Duke, 3-year-old son of Mr. and Mrs. Duke, and flower girl was Michelle Mills, 3-year-old daughter of Mrs. Ernest Mills.

Mary Davidson Gets Homecoming Tiara

MARY DAVIDSON, 17-year-old blue-eyed daughter of Mr. and Mrs. J.E. Davidson of Littlefield, was crowned Homecoming Queen of LHS during half-time Friday night in Wildcat Stadium.

Senior cried tears of joy after she was placed on her head by Ex-Students Association President Ernest Hartley. The setting formed by the Wildcat band during half-time of the game between the Friona Chieftains.

The honor by secret ballot was given to Davidson by ex-students from the field by ex-students from automobiles provided by local dealers.

Mills escorted Debbie Hafley, and Debra McAnally—were escorted to the field by ex-students from automobiles provided by local dealers.

Activities for this year's Homecoming were begun Thursday night when the parade down Phelps Avenue followed by the bonfire and pep band in the parking lot near Wildcat Stadium.

Ex-Students Association members of the National Honor Society of the National Honor Society won second; and the sophomore class took third place.

The Wildcat Band paced the rhythm and spirit for the bonfire pep rally, as a huge pile of wood went up in flames.

A spirited pep rally in Wildcat Gym Friday afternoon wound up the Wildcat team and student body for a victory over the Friona Chieftains Friday night.

Students, ex-students, cheerleaders, twirlers, team members and the Wildcat Band whooped it up to gain all the spirit they needed for the victory.

Lions Club members served pancakes, bacon and sausage to approximately 500 hungry citizens during their annual pancake supper in the Junior High School cafeteria prior to gametime.

America of LHS entered the first place float in the homecoming parade, the Kat Klub took second place honors with their float, and the Girls' Athletic Association and Distributive Education Club tied for third place honors on their floats.

In the best-decorated-cars division, the Business Club at LHS won first place; the National Honor Society won second; and the sophomore class took third place.

New officers for the Littlefield Ex-Students Association were elected in a business meeting at the Littlefield Country Club following the homecoming game.

New officers are Lloyd Jaquess, president; Rex Foust, vice president; Sharon Collins, secretary; and Alice Sell, treasurer.

A dance and early morning breakfast at the country club closed out activities for homecoming for the exes.

Handling Of Gift Leads To Dismissal Of Chief

By BILL TURNER
Leader-News Editor, Publisher

The manner in which a \$100 gift to the Littlefield Police Department was handled led to the dismissal of Chief F.A. Fitzgerald, it was learned following City Manager Pat Bradley's firing of the veteran officer Thursday.

The gift from a Littlefield family in appreciation for police work was sent in the form of a check for \$100 to "F. A. Fitzgerald and The Littlefield Police Department," Fitzgerald told the Leader-News Friday.

"I cashed the check and told some of the people in my department about it," Fitzgerald said. "I told them we'd use it for a Christmas party."

Fitzgerald said he kept the \$100 in his billfold for that purpose. "The city manager called me in and told me I'd lied to him. He asked me to resign. I told him I wouldn't, so he said, 'I'll fire you then,'" Fitzgerald said.

City Manager Bradley, contacted Friday, said he relieved Fitzgerald for "a violation of ethics."

Bradley added: "I did this with a clear conscience and if I had it to do over, I'd have to do the same thing again."

The city manager declined to go further into details of the dismissal.

Mayor J. E. Chisholm, contacted Saturday, said: "After a study of the facts presented, the city council was unanimously in accord with the city manager's decision."

An acting chief has not been appointed, but an officer has been appointed on each shift to be responsible for his shift until the department is reorganized, Bradley said.

The city manager said he expected a new police chief will be employed "very soon."

Fitzgerald came to work here on Jan. 12, 1967, as a patrolman. He was named acting chief in May of that year and became chief of police in July, 1967.

The city manager says he asked me if I'd received the gift, and he says I told him

I hadn't," Fitzgerald told the Leader-News.

"But he never asked me about it," Fitzgerald said. "I never said anything about it to him, because I didn't think it was any of his business."

Fitzgerald said the check came with a letter of appreciation, "for us to use the money as we saw fit."

Asked if standard procedure on receipt of money is to turn the funds over to the city treasurer's office, Fitzgerald said: "Yes, but not a gift, it was for the police department to use as we saw fit."

He said he had the money in his billfold when he was called in by the city manager, and that he later turned the \$100 over to Mayor Chisholm.

Fitzgerald said he had no plans at present for the future.

Fitzgerald began his law enforcement career Aug. 1, 1949, in Clarendon. Prior to coming to Littlefield, he was chief deputy of Donley County, where Clarendon is the county seat.

Big Plays Bomb Friona, 35-0 As Cats Stay In Title Chase

Littlefield's Wildcats stayed in the thick of the District 3-AA race Friday night with a 35-0 mauling of Friona before a partisan homecoming crowd at Wildcat Stadium.

The victory gave the Cats a 2-1 mark in district play and left them at 4-2 for the year, one step behind front-running Floydada.

Floydada racked up Lockney for its 3-0 mark and Abernathy and Olton muddled things with a 21-21 tie. Morton upset Dimmitt in the night's biggest shocker.

"We made a lot of mistakes, but we made a lot of big plays, too," Coach Jerry Blakely said of the Wildcats' 35-0 win.

THE BIG PLAYS came fast, as the Cats romped to a 21-0 lead midway in the second quarter, then polished off the triumph with 14 points in the last half of the final period.

Ralph Funk, the district's leading scorer, and J. E. Johnson, flanker man deluxe, led the scoring parade with two touchdowns each. Split End Mike Carter

got the other tally on a 21-yard pass from QB Jay Trammell.

Larry Hobratsch had a perfect night adding the extras, kicking high and long with a 5-for-5 performance.

BUT THE VICTORY wasn't as easy as the score. Except for the big plays, Friona outdistanced the Cats in a number of ways, and the Chieftains dominated things in between the Littlefield scoring rampages.

Friona actually had the edge in first downs, 14-12, and ran 74 plays to the Cats' 53. The Chiefs just couldn't make them count, thanks to a Littlefield defense that bent, but wasn't about to break.

Friona rolled down to the Littlefield 5 on two different occasions, mainly on the running of FB Bill Bailey, who was the game's leading rusher with 18 carries for 127 yards.

The first time, just before the half, Cornerback Mike Carter, one of the top Cat defenders, plugged a gap and downed the Friona runner at the Cat 5.

The other time Friona threatened, late in the third quarter, Friona QB Johnny Bandy was hit so hard by Linebacker Lenearl Lewis that he fumbled. Linebacker Bill Hamblin was johnny-on-the-spot with the recovery at the Cat 5.

COMMUNITY GARAGE SALE

Bargain Hunters Flock To Market

By NILAH RODGERS
Leader-News Staff Writer

What can fly higher than an airplane? Leap over giant buildings in a single bound?

Women at garage sales, that's who. And it was a garage sale-goer's paradise in Littlefield Saturday with 35 garage sales combined into one big flea market.

A look around found everything but fleas on the city parking lot on Phelps Avenue throughout the day Saturday.

The Chamber of Commerce sold spaces for 35 booths and the contents offered something for just about everyone.

People from Littlefield, Sudan, Bula, Amherst, Friona, Hereford, Plainview, Lubbock and Morton flocked downtown Saturday to unload their wares and goods that ranged everywhere from antiques to cookies and cakes hot out of the oven.

A booth operated by two Amherst women, Mrs. William P. Holland Jr. and Mrs. Gerald Coffey, featured an array of nine cakes, 10 pies, 18 pounds of candy, 12 dozen cookies, caramel corn and cup cakes baked and cooked by the two women Thursday and Friday especially for the sale.

small easels, representing hours of craft work.

Sandra Austin and her son Cary of Enochs filled their 15'x20' space with unique "rock lings"—figures and faces and scenes painted on various shaped rocks.

Antique glassware and other collectors' items filled several of the booths and proved big drawing cards.

Clubs, groups and individuals filled the other spaces, and the merchandise included just about everything that could be brought down from the attic and dragged up from the basement.

C-C Manager Bill Payne declared the community garage sale a whopping success, and added that he'd like to have the public's opinion on staging another flea market at a later date.

\$300 Ring Taken

City police are investigating the theft of a \$300 diamond ring, which was reported to them Thursday.

Hospitalized

Warren and George Pannell were hospitalized at Littlefield Hospital by Hammons Service Saturday morning at the scene of the vehicle in which they were involved 180 feet at the east end of Business 84.

The 1961 Ford was x-rayed and released, but the driver was admitted with injuries.

Clarence Jordan of Levelland was driving a 1963 Pontiac eastward on Business 84 and came upon a sharp curve at the intersection of Business 84 with Business 84. The vehicle failed to negotiate the curve and the vehicle rolled 188 feet and struck its side.

Passenger, Artis Dale Jackson, was injured. All are students at South Littlefield High School. An investigation of another wreck in the area is being completed Friday.

LITTLEFIELD'S FIRST flea market brought a large crowd to the city parking lot Saturday. Thirty-five 15' x 20' spaces offered a variety of items and drew participants from Littlefield and area towns as far away as Friona, Hereford, Plainview and Lubbock. This view was taken from the top of Pat's Record Center looking east.

MRS. STAN HUCKABEE

Miss Black Bride Of Stan Huckabee

Miss Elaine Black became the bride of Stan Huckabee in a double ring ceremony Saturday evening in the First Baptist Church of Amherst.

Glenn Willson, pastor, officiated for the reading of the wedding vows. Parents of the couple are Mr. and Mrs. Clarence Black of Amherst and Mr. and Mrs. Bud Huckabee of Olton.

Given in marriage by her father, the bride wore a formal-length gown of white peau de soie and silk organza. It was designed with an Empire bodice covered with lace and forming a high neckline. The sleeves were fashioned in a series of organza puffs accented with lace. Attached to the gown was a chapel length train of lace and organza. She carried a bouquet of stephanotis atop a white Bible.

Serving as matron of honor was Mrs. Don Moore of Hart. Bridesmatron was Mrs. Sammy Maxfield of Shallowater.

The attendants were attired in formal-length gowns of pink berry satin peau and miramist. They carried bouquets of fresh flowers in shades of pink.

Steve Huckabee of Lubbock, the groom's twin, was best man. Jim Huckabee of Canyon, served his brother as groomsman.

Ushers were Larry Black, brother of the bride, and Kent Bickley, cousin of the groom. Guests were registered by Mrs. Bob Mills.

Following the ceremony a reception was held in Fellowship Hall of the church. Presiding at the serving table were Miss Kathy Peterson and Mrs. Steve Huckabee. Miss Kammie Campbell distributed rice bags to the guests as they were served.

The new Mrs. Huckabee is a May graduate of Texas Tech University where she received a Bachelor of Business Administration degree in Secretarial Administration. Huckabee, also a May graduate of Texas Tech, received a Bachelor of Science degree in Agricultural Economics.

Following their wedding trip, the couple will make their home at 1211-R 16th Street in Lubbock.

TOPS Club Hosts ARD

The Be-Little TOPS Club of Littlefield hosted an Area Rally Day at the Community Center Saturday, Oct. 9.

Invocation was given by Rev. J. B. Cagle. Roll call was answered by the following clubs: Ropesville, Lamesa, Muleshoe, Plains, Sudan, Post, Springlake-Earth, Brownfield, Levelland and Littlefield.

The following special guests were recognized: Mona Spencer of Plainview, area supervisor; Nell Hobbs of Ropesville, area Captain; Eugene Davis, Carol Hayes, and Wimpy Price, all of Plainview's Sir Plop TOPS; Helen Rogers of Lubbock, eight year KOPS member; and Jeanie Shade of Lubbock.

A comic reading of "my first TOPS meeting" was given by Fabye Elliott of Plainview. A dress parade was conducted by members with a 50 lb. or more loss. KOPS members were recognized who had one to eight years standing.

Graduation was held for the following KOPS members: Verdine Gann and Thelma Walker, both of Sudan; Sofia Martinez of Post; Mabel Pharr of Denver City; Martha Tedder and Lucille Robinson, both of Littlefield.

Following graduation, Jeanie Shade of Lubbock gave a talk followed by Rose Zybura giving her "success story".

The Plains Club took the award for traveling the farthest distance. Springlake-Earth received an award for most members attending.

Seventy-five members were in attendance.

MR. AND MRS. MICHAEL RAINS

Miss Donna Veach Re Vows With Michael Rains

Miss Donna Veach and Michael Lee Rains pledged double ring wedding vows Friday evening, Oct. 1, in the home of the bride's parents.

Leon Kessler officiated for the reading of the ceremony before an archway entwined with greenery, adorned with yellow and white carnations and ribbons.

The bride, presented in marriage by her father, wore a street-length dress of pale yellow linen featuring sheer pleated sleeves with an Empire waistline. She carried a bouquet of white carnations with yellow streamers.

Serving as maid of honor was Mrs. Mike Hanna of Sudan. Dr. Robert Rains, father of the groom, served as best man.

A reception was following the ceremony. Guests were by Mrs. Dorothy Rains, Jack King and Janice King. Parents of the bride and Mrs. A. W. Veach of Littlefield.

The groom's parents, Robert Rains of Littlefield and Mrs. A. W. Veach of Littlefield.

The couple will reside at 19th, Apt. 45, in Lubbock.

Mrs. Holland Hosts Meeting

AMHERST—The Annie Armstrong Circle met Monday evening, Oct. 11 in the home of Mrs. James Holland. The opening prayer was led by Mrs. Glenn Willson.

Mrs. J. P. Brantley was in charge of the program. She began a new Bible study using Apostle Paul's letter to the Romans, and the book "How to be a Christian Without being Religious" by Fritz Ridenour.

Mrs. Don Carter, circle chairman, presided, in the business session. Mrs. Randall Crawford led in prayer for missionaries.

The next meeting will be Oct. 25, in the home of Mrs. Charles Jones.

Following adjournment of business the hostess served hot apple pie, cheese swirls and coffee to seven members and one new member, Mrs. Crawford.

Neinast-Light Vows Exchanged

HART CAMP—In a double ring ceremony Saturday afternoon, Oct. 2, Miss Ramona Neinast became the bride of Willie Gene Light in St. Martin's Lutheran Church of Littlefield.

Rev. Thomas L. Lange, officiated for the ceremony. Parents of the couple are Mr. and Mrs. A. C. Light Jr. of Olton.

and 1/2 oz. The maternal grandparents are Mr. and Mrs. Judson M. Farmer of Littlefield and the paternal grandparents are Mr. and Mrs. Paul Mannings of Texas City. Maternal great-grandparents are Mr. and Mrs. B. M. Farmer of Knox City and paternal great-grandfather is George Nevil of Byron.

The bride, given in marriage by her father, wore a formal-length gown of candlelight silk organza over peau-de-soie and satin fashioned with a portrait neckline and long bouffant sleeves. Lace, appliques and seed pearls enhanced the sleeves and bodice of her dress.

Two bands of lace with seed pearls extended down each side of the A-line skirt almost to the hemline. Her shoulder-length veil and her chapel-length mantilla train of matching silk illusion and lace was attached to a headpiece enhanced with seed pearls. She carried a tapered bouquet of white miniature roses centered with a white orchid.

For "something old," the bride wore a watch belonging to her late paternal grandmother; "something borrowed," was a necklace belonging to one of her bridesmaids; "something new," was her wedding attire; and "something blue," the traditional blue garter.

The nuptial setting was a large wrought iron candleabra (flanked on each side with large baskets of white gladioli with large blue bows).

Maid of honor was Miss Cindy Neinast, sister of the bride. Serving as bridesmaids were Miss Judy Truelock and Miss Vicki Kelly, both of Olton. Bridesmatron was Mrs. Steve Miles of Macon, Ga., cousin of the bride.

They wore formal-length gowns of blue satin with matching headpieces of blue silk illusion. Each carried a long

stemmed white gladioli with flowing streamers.

Flower girl was Miss Christi Dawn Metcalf of Springlake, cousin of the bride. Ringbearer was the groom's cousin, David Light of Olton.

Candlelighters were Jeff Neinast, brother of the bride and Stacy Critchfield of Olton, cousin of the groom.

Mark Smith of Olton served as best man. Groomsman and ushers were Larry Smith, Bob Hall and Kenneth Gallagher all of Olton.

Following the ceremony a reception was held in the fellowship hall of the church. The bride's table was laid with a white cloth featuring blue accents. The centerpiece was the bride's bouquet. Serving the four-tiered wedding cake and punch from crystal and silver appointments were Debbie McClain and Annette Kirby of Olton.

A cloth of natural antique white covered the groom's table. The centerpiece featured a blue candle under a crystal globe. Appointments were silver and crystal. Donna Hodges of Olton and Bennie Mills of Spade served the chocolate cake and coffee.

For a wedding trip to Red River, N. M. the bride chose a two-piece orange check suit with a beige blouse and black boots. Her corsage was the orchid lifted from her bridal bouquet.

The couple will be at home on a farm north of Olton. The bride will continue her studies in Olton High School. The groom is a former student at Olton High School and is now engaged in farming.

Among pre-nuptial parties was the rehearsal dinner held Thursday night at the Coachman Restaurant in Olton hosted by Mr. and Mrs. A. C. Light, Jr.

In ancient times, the Pyramids of Egypt were used as tombs of the rulers.

Seeds Of Destruction

EDITOR'S NOTE: This guest editorial comes from Archie K. Davis, president of the Chamber of Commerce of the United States.

THE COUNTRY FACES a different world today from what we faced 25 years ago. Rapid and very deep changes within and without have created many uncertainties.

The postwar era of total American industrial and technological supremacy has yielded to a period of intensifying competition.

ANOTHER MAJOR CHANGE to be confronted is that inflation has become a chronic problem with us.

Finally, we Americans have not yet faced the fact that a price must be paid for improvements in the environment and in the quality of life that we are demanding.

WE CONTINUE to escalate our demands on government with no thought of the cost. Consequently, recent estimates of the Federal Budget deficit for fiscal 1972 run as high as \$30 billion.

Even more disturbing, projections of existing federal programs to the year 1975 show that these programs alone will require nearly all of the increase in the

Gross National Product expected by that date.

AND YET, against this background, the House of Representatives has passed H.R. 1—with the so-called "family assistance plan." This bill calls for a guaranteed income of \$2,400 a year for a family of four to start with. Already forces are at work to increase that allowance to \$6,500, which would cover half the population and cost \$75 billion a year.

As if that isn't bad enough, H.R. 1 also provides for automatic increases in Social Security benefits based upon increases in the cost of living. By 1980, the proposed Social Security taxes would be 95 percent greater than those under the present law, and the combined tax of \$2,086.80 would represent an increase over this year's tax of 157 percent.

WITHIN THIS ONE bill is the potential to destroy our private economy as we know it today.

The conclusion is inescapable: We must either reduce our demands on government or accept higher taxes. But so far, we have chosen to postpone the day of reckoning by borrowing from the future to finance our profligate spending in the present. While this technique may buy time, it guarantees a most painful final awakening.

THE WILDCAT BAND paced the activities for the spirited pep rally at the huge bonfire Thursday night following the homecoming parade. Hundreds of students, their parents and friends turned out to cheer the Wildcats to a victory.

THE FARMER'S WIFE

Double Pay?

By LIBBY MUDGETT

OVERHEARD in the business office of the largest hospital in the largest city on the South Plains. "Well, gollee, I didn't want there to be any doubt about where this place is."

"Mr. U. R. Stuck? Yes, we already have your bill totaled up. Here you are, and we do hope you enjoyed your stay."

"Wait a minnit. Just a little minnit, here. You got me charged for that fifty dollar a day room for three days."

"That's correct, Mr. Stuck."

"No, it's not correct. I check in about seven o'clock Monday evening and it's not quite seven Wednesday evening. That's forty eight hours."

"Why, Mr. Stuck, that's not the way we figure it."

"I'll bite. How do you figure it?"

"We start counting a day at midnight. Therefore, you were here three days."

"Aw, c'mon. I had to wait a spell for 'em to get my room ready because somebody else wasn't quite out of it, so THEY had it Monday."

"That's beside the point, Mr. Stuck."

"It most certainly is NOT beside the point. Or did we BOTH have to pay for Monday?"

"You are getting away from the subject, Mr. Stuck."

"I am not. I didn't even get supper Monday night. They said I'd missed it."

"Well, certainly you had by seven o'clock."

"But I have to pay for the whole bloody room and all three meals for Monday?"

"It was five hours before midnight when you started your occupancy."

"So? You're drawing double for Monday."

"Mr. Stuck?"

"And no doubt some poor bloke is this

very minute being told that he's missed supper in that same room and he'll be charged for Wednesday and you'll get double for Wednesday too!"

"It's five hours before midnight right now, too."

"You mean to tell me that you get \$100 bucks a day for that room on days that someone checks out and someone else checks in while the bed is still warm?"

"We change linens."

"Ye gods! And all I got Monday night was two pills!"

"Those two pills were necessary for your test the next day, Mr. Stuck."

"Two pills I could take at home and come up here after midnight."

"That's not the way it goes, Mr. Stuck. Your doctor likes to know that you're here and ready for the next morning."

"So for the doctor's peace of mind I have to pay fifty bucks for two little pills?"

"Well, yes, that's one way of saying it."

"So you can send the doctor the bill for Monday. It was HIS peace of mind that was at stake."

"You're being absurd, Mr. Stuck."

"Worse than that. I'm getting sick all over again. I don't believe I'll check out, I'll just go back up to my room and go to bed again."

"That's impossible. There's someone else in it by now and your doctor has already dismissed you."

"But I'm a sick man! Get ahold of my doctor and tell him to sign for me to enter again."

"That's not the way it's done, Mr. Stuck."

"No, I'm gonna sit out in the lobby until after midnight and then you're gonna find out how it's done."

THE ABUNDANT LIFE

A Good Temper

By BOB WEAR

BOTH PEOPLE AND METAL are useless without temper. The high quality metal is metal in which the temper is good or right.

Its tensile strength is the greatest. That is, it can withstand the most strain and stress.

If used for a cutting tool, it will hold a better edge longer. It is more desirable because it is more dependable and durable.

WITH PEOPLE, it is about the same as with metal. The high quality people are people in whom the temper is good or right. They can cope with the strain and stress of life in the best possible manner.

In a figurative sense, these people have a better cutting edge. They can maintain the higher level of keenness for living. They are not made dull by difficulties and obstacles.

They live! They are more desirable because they are more dependable and durable.

"AN ATTRIBUTE so precious, that it becomes a virtue, is a gentle and constant equality of temper. What an unutterable charm does it give to the society of the man who possesses it! How is it possible to avoid loving him whom we always find with serenity on his brow, and a smile on his countenance."—Stanley.

"TEMPER," as we use the word, probably means different things to different people. As it is used in referring to people, we generally mean "mental disposition".

The temper can be desirable or un-

desirable; it can be good or bad; it can help us or hurt us; it can be just about what we want it to be.

IT SEEMS THAT many people think the "temper", like the color of our eyes, is inherited and not subject to change or modification.

We may inherit certain inclinations which affect our disposition, but we do not inherit "temper". We can cultivate the kind of temper we desire.

IT MAY BE EASIER for some persons to develop a good temper than it is for others; but none of us can afford to excuse a bad temper by blaming our ancestry.

It is our personal responsibility to do whatever may be necessary to acquire a "good" temper. We are accountable to God and man for the way in which we meet this personal obligation.

WITHOUT TEMPER, an individual is about as undesirable as a piece of metal which has lost its temper. Of course, we choose our temper and make it good or bad.

We must decide which it shall be, and the decision must favor the "good" temper.

"IF YOU HAVE a good temper, keep it; if you have a bad temper, don't lose it."—Anon.

THERE IS NOTHING WEAK, or timid about a good temper; but it is a strong and courageous and very helpful life element.

Abundant living requires temper that is wisely controlled and effectively used, but it does require temper.

PAUL HARVEY

Russia, Red China And Sam

SUDDENLY RUSSIA and Red China are more afraid of one another than either is of us. What's that all about?

Russia's Red Army newspaper, Red Star says Red China "is preparing for war with the Soviet Union."

At the same time, Red China's leading theoretical journal, Red Flag, fingers Russia as "The now enemy."

FOR TWO DECADES those governments have held their people together in fear of us—the United States.

Now each identifies the other as its enemy number one.

If President Nixon meant his overture to Red China to fuel this fire, it has.

Since Peking agreed to a summit meeting with President Nixon, every issue of Red Star has turned its wrath, fear and suspicion toward Moscow. Similarly, almost every day since the July 17 announcement, Red Star has attacked Mao Tse-tung and his "ruthless military rule."

"RUTHLESS MILITARY rule"—genocidal slaughter—characterized the establishment of communism in Russia under Stalin. So Russia knows what Red China is going through. The story of Peking's 22 years of iron rule has blood on every page.

And where Red China has enough real estate, Mao would like to surround himself with nations "friendly to Maoist communism" even as Russia has sought to surround herself with Hungary, Poland, East Germany.

Both have sought through indigenous organizations to subvert or "convert," as they see it, as many other nations as possible, including ours. And by whatever means.

COMMUNISM HAS NOT captured a following in the United States, and supporting worldwide espionage and sabotage is astronomically expensive.

Recently, instead, Russia has been tending to smile our way. Russia has sought to establish a dialogue with the United States on such vital subjects as nuclear arms limitation, easing Berlin tension, so forth.

While Moscow moves more and more Russian troops to her long, long border with Red China.

SIMILARLY, RED CHINA has parted the bamboo curtain enough to allow American visitors, is increasing trade with us, has agreed to a summit meeting with our President.

But Red China is no less red, the Peking regime no less militaristic. Of the 25 members and candidate members of the ruling Politburo, 15 are military officers. Of the 279-member Central Committee of the Chinese Communist Party, 145 are military men.

Of the 29 provincial revolutionary committees 24 are headed by military men.

PRESIDENT NIXON is not deluded about the nature of either of these world powers. He does not imagine that either the paranoid bear or the fire-breathing dragon is suddenly broken to harness.

But each needs an external enemy for its own internal cohesiveness; they need one another right now.

Today's diplomats cannot think in terms of victory or defeat. Each year that the world does not make an ash of itself is a victory of sorts for us all.

PHILOSOPHER

Trouble Ahead

(Editor's note: The Sandhills Philosopher on his Johnson grass farm examines a new form of pollution this week.)

Dear editor:

I hadn't thought much about it, but the time you get through thinking about water pollution, air pollution, and ground pollution you don't have much time left, but according to an article I read yesterday a new kind of pollution now confronts us. It's noise pollution.

In fact, the discoverers of this new one have become so sensitive to noise they've filed suit against a church for ringing its bells too often, but the main complaints are against jet airplanes, roaring trucks, bumper-to-bumper traffic, automobile horns, construction noises, etc.

The courts had better get ready for some complicated suits.

For example, take the automobile horn. If you've worked hard all day and go to bed around 8 p.m., a horn blast in front of your house right after you've dozed off is clear-cut noise pollution and the honker ought to

be thrown in jail. But if you're across the street waiting for your horn blast signaling his arrival, music.

A big jet roaring overhead to house is an unmitigated nuisance. Understand it's so bad you can't see your own lawn mower running, you're waiting at an airport to get some in-laws after a three-week sounds wonderful.

Or take a mocking bird. Who would consider it guilty of noise pollution something you write poetry about, let one open up outside your window a.m., get stuck on the same three and continue whistling away for two and you're ready to file suit against universe.

I won't go into the noise rock make, but if I were a candidate Supreme Court I believe I'd give second thoughts about taking the had to rule on laws trying to define pollution.

Yours faithfully

HONNY GRAYS

By CORNBALL BLEVINS

I APOLOGIZE FOR any nasty jibes I've taken at Jim Carlen. While I must admit that, in my opinion, he may not be the smartest man in the coaching business, he's still my kind of man.

I'll even admit that he may have taken advantage of the circumstances, at hand, to vent his frustration on his tormentors. A sawed-off shotgun at point-blank range is a deadly weapon. So is a blanket indictment of all in range, of a verbal barrage, such as he delivered!

TO BE SURE, he owes the innocent an apology I just hope he isn't crucified, before he can make amends in this respect.

Yet, the life of a coach is one of considerable ups and downs. There is always that very thin line between his being HERO, or, HEEL!—Maybe just a point after touchdown!

SPECTATORS, on the average, are just that! They can only see the surface of the matter. That is to say, they see the scoreboard and the guy that's carrying the ball, and that's about it! They aren't aware of the hard work that goes into the preparation and planning for each season.

They aren't aware of the hours spent in study and arranging for these games. Of the plotting and scheming on how to use each boy to the team's best advantage.

THE AVERAGE SPECTATOR doesn't even see the blocking that goes on for the ball-carrier, or, quarterback when he drops back to pass.

Most of them are unconscious of the hours and days of training these kids subject themselves to. The constant conditioning exercises, the windsprints and the time spent in drills and play-execution practices.

ALL THIS, because they want to be a part of something important. Something

that can bring pride to their school and community.

Perhaps it's 48 minutes of glorious entertainment, or, the same amount of time of disappointment and frustration. Either way, they seem to be able to cope with the situation better than the spectators!

NEVERTHELESS, both kids and coaches are out there giving their best in behalf of a sport that's outcome may, entirely, depend on just which way the ball bounces!

Yet, the armchair quarterbacks and the (in many cases) half-stewed spectators can judge in half a second, whether they're heroes or bums! There is no middle ground! Either, we love 'em or hate 'em!—Sad, isn't it?

THERE ARE MANY valuable lessons the kids learn from sports. One of them is sportsmanship. The lesson of respect for others is invaluable in itself. AND, they are trying to prove something to themselves.

The idea of being able to take victory or defeat in stride is pretty important, too. The lessons of the value of cooperation and consideration for others are there. The ability to take instruction and to recognize authority and respect it, is being built and enlarged in these kids.

THESE, TO SAY NOTHING of the strength of character.

When a kid can keep trying, even when victory is hopeless, when it seems that every muscle and bone in his body aches, even when he's bruised and bleeding, that spirit of competition is still prominent. Surely, he merits respect.

YET, WE KNOW that headlines are not made by losers. The spectators can't seem to respect them—and the coach is soon on his way out of town—Like I said, sad, isn't it?

Mrs. Ruth Gautier Discusses "Glass" To Olton Study Club

OLTON—"Glass" as an arts and crafts medium, was discussed in a meeting of the Olton Study Club Monday night by Mrs. Ruth Gautier of Lubbock.

She exhibited art objects, ranging from what she called "fun things" to more serious pieces. Mrs. Gautier explained methods of creating, decorating and firing glass to achieve beauty.

The artist, a former resident of the city, has presented one of her four "One Man Shows" in Olton's School Cafeteria.

Holding a masters degree from Texas Tech she has studied under many famous art teachers, including Doll Reed, Eugene Larkin, Grace Hamilton and Elsie Leitch Bowan.

Mrs. Gautier has taught art in Lubbock Public Schools 14 years and is now retired. She offers some of her work for sale including original costume jewelry.

Mrs. W. G. Green and several of her art students were special guests for the meeting.

Guests in attendance were Mrs. Merle Sharp, Oliver

Rose, Lonnie Smith, Burley Favor, W. T. Hankins, Frank Struve, W. E. Andrew, Bob Daugherty and Miss Wendy Rogers.

Members present were Mrs. Barton Prestridge, J. C. Brown, Ray Slatten, Raiford Daniel, Sr., J. E. Fuller, Roye Aikman, Jack Straw, H. B. Carson, Bailey Hair, E. R. Spain, C. S. Silcott and the hostess, Mrs. Paul Burrus.

Danny Spies Back At Home

Danny Spies, who is 10 years old today, returned home from Methodist Hospital yesterday after a six-day stay with spinal meningitis.

According to his father, Gene Spies, Danny will get to go back to his third grade classroom Wednesday, Oct. 27, for a half a day.

Postmen are limited by law to 50 pounds of mail per trip.

Mrs. Mary Britt Honored On Her 80th Birthday

AMHERST--Mrs. Mary E. Britt was honored with a reception on her 80th birthday Sunday at the Amherst Community Center.

Among the guests were her brother, V. L. Yarborough and Mrs. Yarborough of Plainview; her two sisters, Mrs. Dewey Bearden and Mrs. Archie Somers of Lubbock, and their husbands.

Mrs. Britt was born at Arkadelphia, Ark. and moved to Memphis, Tex. in 1905. There she married the late D. L. Britt in 1911, and they moved to Amherst in 1925. He died in 1960 and Mrs. Britt has continued to live in the family home in Amherst.

Her children, who arranged the reception in her honor, were all present. They were Wade Britt of Lovington, N. M.; Donald Britt of Slaton; Mrs. Joe Heathcock of Carlsbad, N. M.; Mrs. P. M. Nelson of Victoria; and Roger Britt of Littlefield. They were all accompanied by their families. Mrs. Adele Cole of Farmington, N. M. was also present.

The serving table was covered with a white cutwork cloth, over pink. The centerpiece was pink gladiolas and baby's breath. Pink punch was served from a silver punch bowl. The wall behind the table was draped with pink and white streamers, caught by pink sunbursts. The cake was decorated with pink frosting.

The honoree was dressed with a white dress from her children.

Her granddaughter, Bobby Bars of Hale registered the guests.

Her other granddaughters, Lisa and Janet Hulse, Scott, Ann Harlan, Doug Yarborough and punch. Her law served coffee and coffee service.

FALLING LEAVES

Falling leaves—aimlessly they drift to earth as they usher in the season of Thanksgiving and winter. They descend and die. Left to the mercy of the elements they disintegrate and go back to earth. Unforgettable in life but they are wasted away in death.

Godless lives are much the same. For they too, drift without direction. They look without finding, strive without succeeding, reach without grasping, exist without knowing why. They are alive but not living...wasted in life and forgotten in death.

In Isaiah, Chapter 35, we can learn more of this mirage, this rendezvous with death. As leaves must cling to the tree to survive, so must lives cling to God. Falling leaves have lived and died. Godless lives have died.

AMHERST

MRS. LESTER LA GRANGE 246-3336

MR. AND MRS. Leonard Tittle will be leaving soon for their new home in Tulsa where he will head a Western Auto Store. They will go to Kansas City for two weeks "schooling" on the operation of the store and will return to Amherst to conclude his ministry at the Amherst Church of Christ where he has served seven years.

A HOUSEWARMING for Mr. and Mrs. Arlis Humphreys will be given at 8 p.m. Tuesday night, Oct. 19, at their home. All friends and relatives are invited.

MRS. DOUGLAS YARBROUGH and Barry were here last weekend from Austin and attended the birthday party for her grandmother, Mrs. Mary E. Britt at the community center.

MRS. C. A. THOMAS went to Temple Wednesday for a visit with Charlie at the Veteran's Hospital.

MR. AND MRS. Ray Blessing and their guests, Mr. and Mrs. Stanley Sanders were supper guests Wednesday with the Jedd Blessings, in Lubbock.

MR. AND MRS. Ed Nicholson and Morine are on their annual fall fishing trip to Corpus Christi.

RECENT GUESTS of his sister, Mr. and Mrs. L. C. Rhodes were Mr. and Mrs. Larry Atkinson of Phoenix, Ariz. While in Texas they visited their father, L. M. Atkinson and Mrs. Atkinson in Brownwood.

MR. AND MRS. E. L. Schovajsa heard from their son, Larry, who is in the Armed Forces, stationed in Korea.

THE AMHERST Study Club will meet Monday, Oct. 16, at 7:30 p.m., in Mrs. W. P. Holland's home. Mrs. Bill Elms will be co-hostess.

MR. AND MRS. Eddie Henderson and daughters, Davon and Diane of Amarillo visited her sister, Mrs. Leroy Maxfield and family Sunday.

THE SAM HARMONS, Delvin Batsons and Clois Tomes were spending last weekend at their places in Ruidoso. They all went together on the Aspencade tour

Parkview Baptist Church Begins Revival Today

Parkview Baptist Church is promoting an evangelistic campaign through a revival meeting starting Sunday, Oct. 17, and continuing through Sunday, Oct. 24, morning service time, according to the pastor, Rev. R. N. Tucker.

Hugh Jack Norwood, the evangelist, will join Bob Strait, the song leader, for this evangelistic campaign with the Parkview Baptist Church. Hugh Jack Norwood bridges the generation gap, in boldly proclaiming Jesus Christ as "the Way, the Truth, and the Life."

Bob Strait is the minister of music and youth with the First Baptist Church in Tahoka.

In this revival, Strait will be directing music with modern tempo aimed toward youth. Special activities for the youth will be throughout the campaign.

A special emphasis arranged for one night of the revival meeting, youth from a visiting church will participate in the score.

The church's instrumentalists, Jean and Jane Shipley, will play piano and the organ services.

Luncheon will be Monday through Friday church.

All youth are especially invited to come to these meetings.

"The public is cordially invited to attend any of these services and they will be open at all times," the pastor said.

Irvin Street Church Slates Fall Revival

Irvin Street First Baptist Church of Littlefield has scheduled its annual fall revival at the church, beginning Monday, Oct. 18, and continuing through Oct. 24.

Guest evangelist will be Rev. Adolphus Cleveland, pastor of the Jerusalem Baptist Church of Lubbock.

"Come thou with us as we seek to save the lost and strengthen the saved. All are welcome to attend," stated Dr. William A. Terry, pastor of the church.

Elaine Black Honored With Bible Ceremony

AMHERST—Elaine Black, bride-elect of Stan Huckabee was honored Oct. 12 with a white Bible ceremony in the home of Mrs. Jimmy Cowan.

All girls who have been in YWAs or Acteens are given this ceremony prior to their marriage.

A white Bible was presented to her, and candles were used throughout the program.

Girls on the program were Lisa Landers, Rita McAdams, Debbie Cummings, Darla Hedges, Lorna Jeffreys, Tonya Bearden, Gina Young and acteen leaders, Mrs. Dick McDaniel, and Mrs. Jimmy Cowan.

Following the ceremony a lingerie shower was given. Others attending were Mmes. Clarence Black, M. V. Cowen, Ernest Black, Sammy Maxfield, Rodney Maxfield, Guy Hufstедler Jr., and Miss Stefani Yates.

Baptists Slate Meeting

The annual meeting of the Llanos Altos Baptist Association will convene at the First Baptist Church in Earth Friday morning at 9:30.

Lunch will be served at the church and the meeting will close at 2 p.m.

Douglas Brown of Dallas will speak for the 10 a.m. session, when the Cooperative Program will be discussed.

Rev. R. N. Tucker, pastor of Parkview Baptist Church, will preach the annual sermon at 11:25, and Dr. Strauss Atkinson of Plainview, Associational missionary, will bring the closing message at 1:30 p.m.

South Plains Fair Reports Record Crowds

Record-setting crowds of 291,319 have gone to the midway music and rides have silenced, and have been removed and appearances the Panhandle South Plains Fair closed out for another year but not quite so obvious to public continues daily as personnel tend to the details follow a big fair—like it out more than 3,000 checks totaling in prize money, checking exhibits to owners, and setting the records for this exposition as well as ahead toward another year.

Panhandle South Plains Fair is directed and operated to the agricultural and stock production, making foster goodwill to the people of the area, to the cultural and entertainment opportunities for people of all ages, help lecturers and dealers take new ideas and new ideas for a more prosperous life for consumers and by alike.

The course of carrying out goals the fair logged such and figures as the PARADE—Some 3,100 students from 39 bands, including 33 competing bands.

EXHIBITORS IN VARIOUS EVENTS—More than 6,000 in 1971 with over 10,600 exhibits. Nearly 400 cattle in all, with 90 in the youth cattle shows, and 133 swine were shown by more than 65 livestock breeders and owners.

MERCHANTS—85 commercial exhibitors, most from the local area had exhibits at the fair.

WOMEN'S DEPT.—4,328 entries by 2,061 exhibitors with departments for nearly all homemaking skills.

COLISEUM SHOWS ATTENDANCE—Tennessee Ernie Ford (three days) 10,782; Mexican Variety Show (one day) 3,856, and Merle Haggard and Bonnie Owens etc., 10,458 (two days).

The Panhandle South Plains Fair is a non-profit corporation that has thousands of volunteer workers united as a team to achieve its goals, said Steve L. Lewis, Manager.

The grounds are leased from Lubbock County but the fair is self-supporting and operates from its own income. No tax money is received and all improvements and expenses are paid from operating profits each year if any. The fair is in the top 50 fairs in the U.S. and Canada attendance-wise, but most of the larger fairs receive financial subsidy from local or state taxes.

The carnival provides local jobs during the week of the fair for midway help and the payroll exceeds \$10,000.00 each year.

The fair also employs nearly 200 others for Security, ground maintenance, gate keepers, ticket sellers and takers, for a total exceeding \$25,000 during the week. The fair also has expenditures for local utilities, local advertising and supplies during the year all contributing to the area economy.

The fair makes its coliseum available on a year-round basis for sports events, dances and special meetings at a reasonable rental fee and hosts the Junior Livestock Show each Spring, plus numerous sales and shows throughout the year.

Some 20 food concessions sponsored by local civic clubs, churches and non profit organizations earned more than \$60,000 during fair week, which will go into charitable and worthwhile projects.

Country roads are almost always sixty-six feet wide because that was the width of the original surveyor's chain.

Farmers Need 'Hidden Subsidy' Like Industry Tax Write-Offs

Farm income from cotton production, and therefore cotton production itself, is facing perilous times. This reference is to that portion of producer income that since 1966 has been in the form of direct government price support payments which compensate for the difference between cotton's market price and the farmer's cost of production, including a meager return to capital, labor and management.

It is noted that the danger lies in strong and growing opposition to cotton program payments in Congress, and of course producers are dependent on Congress for both legislation and for annual appropriations.

"There is now no doubt that a majority of both the House and the Senate is opposed to farm program payments to producers in proportion to their volume of production," Don Echols said, "and this situation makes it imperative that we begin now to search for another type farm program that will be acceptable to Congress, or for an alternative source of income."

House Appropriations Committee Chairman George Mahon, who is in an excellent position to assess the mood

Congress, has since expressed his concurrence in Echols' belief. The Congressman said he sees no chance for continuing a direct payments type farm program without a limitation on payments at the \$20,000 level-or below.

When congress stipulates how much a farmer may receive, without considering how much he produces, they are placing farm payments in the category with welfare payments, "and payments on that basis cannot be expected to sustain the cotton industry," Echols states.

So the poser becomes "What are the alternatives?"

This question was asked recently at a meeting of the Texas Association of Cotton Producer Organizations (TACPO). Discussion did not reveal a pat answer, but some conclusions were reached.

It was agreed that Government aid for the cotton industry in the future, if aid is to be had and if it is to bear any degree of permanency, will have to be in the form of a "hidden subsidy," such as the subsidies enjoyed by industries getting tax-write-offs and other forms of preferential treatment. The nearest thing to a hidden subsidy seen in the cotton industry was the pre-1966 high loan program which provided a floor under the market price for cotton at a level reasonably adequate to cover production costs.

But there are severe problems with this approach. A market price for cotton at the higher level, without a subsidy on cotton for export such as was in effect under similar programs of the past, would virtually exclude U.S. cotton from foreign markets. And an export subsidy would take the industry back to "two-price cotton," which is something to which U.S. mills are violently opposed. Most producer groups, too, and others in the industry would be reluctant to give up the one-price system established under the first direct payments program, the Agriculture Act of 1965.

So for the moment at least, no one appears ready to propose a return to the old high loan approach to cotton's problems. Nor has anyone to date come up with another type farm program which meets the criteria of long-term acceptability to Congress and to the industry.

Which leaves higher prices to producers in the marketplace as the only other door to continuing cotton production as a commercial enterprise. And there are problems here, too.

Without prices being held up by a high-loan government program, and without creating and maintaining a perpetual short supply situation which would inevitably drive our customers to man-made fibers,

Trees Available For Windbreaks

Although it's a little late to be thinking about spring winds, now is the time to submit applications for windbreaks, according to Texas Agricultural Experiment Station.

Applications for tree seedlings are available from local county extension agents or from the Lubbock Nursery, Box 337, Lubbock, on a first-come, first-served basis. However, shipments won't be made until December.

The seedlings come from Texas Forest Service Mound Nursery and are priced at \$2.50 per 100. The nursery agrees that the seedlings be used for ornamental purposes.

Some 16 species of trees are presently available and include bald cypress, locust, black walnut, Chinese elm, cottonwood, eucalyptus, green ash, mulberry, box elder, orange, ponderosa pine, slash pine, sweetgum, and sycamore.

keeping the market cotton at a level that make production profitable is not easy.

It could be that producers had the mechanism for production control means to prevent depressing effective annual carrying charges and hold for cotton a share of the risk against stiff competing fibers growths.

These are big ones nothing yet on the bill. But with the hands over the board production in Congress are well worth pondering.

DISTRICT 3-AA STALEMATE

Abernathy, Olton Tie

The Abernathy Antelopes came from behind in the fourth quarter to tie Olton's Mustangs, 21-21, at Abernathy Friday night, in a District 3-AA battle.

Abernathy took over at the Olton one late in the fourth quarter after a high snap from center on a fourth down punting try. HB Bobby Rogers scored on his second

attempt from the one and the Antelopes were successful in their try for two extra points. That brought the score to its 21-21 point.

The Ponies are 2-3-1 for the season and 0-1 in loop play, and the Lopes are 4-1-1 overall and 1-1-1 in district standings. So if the Friday night tie plays a part in District

3-AA, the Antelopes will be winners because they came off the field with seven penetrations to Olton's four.

Abernathy kept the Mustangs corralled during the first quarter while the Antelope QB Steve Riley paced Abernathy 77 yards in 11 plays, hurling a 21-yard TD to Bruce Kinast on the last play. Joe Evans booted the PAT to give the hosts their lead.

Olton jumped ahead in the second quarter when Steve Stockdale got his throwing arm going and hit on three of four passes for 70 yards.

Al Mosqueda recovered an Antelope fumble on the Olton 33, and Stockdale hurled a 13 and 23-yard aeriels to Robert Ahrens and Marlos May, and added a screen to Keith Workman.

Favian Minjarez capped the drive with a two-yard run.

Later in the quarter, Minjarez tallied again on a three-yard run and Olton had a 14-7 lead.

May ground out 80 yards for the Mustangs in the first half. The Ponies were in good shape to score again before the halftime whistle blew until two clipping penalties wiped out their hopes.

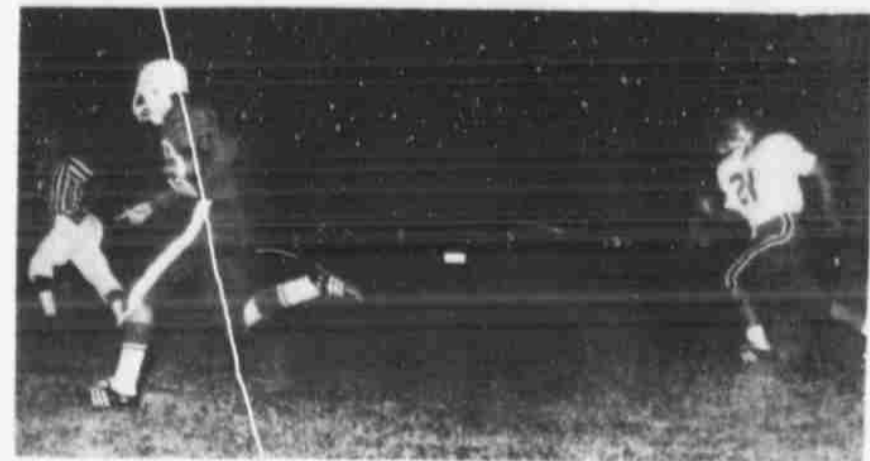

It was the Antelopes' game again in the third quarter when Riley scored from the one. The Antelope kick failed, and Olton led 14-13.

Olton's other TD came with 10:43 left in the game on Stockdale's pass to May and the Stockdale kick made it 21-13.

Riley connected on six of 13 passes for 139 yards, and Stockdale hit eight of 12 for 135 yards.

JIM RISINGER scores for the Bula Bulldogs as he outruns Dragon Jessie Martinez on a 72-yard scamper. Bula went on to defeat Flower Grove, 65-18, in six-man football.

Bula Blasts Flower Grove, Game Called On Lead Rule

It was the same song but another verse for Bula Friday night as they dropped Flower Grove, 65-18.

The undefeated Bulldogs have racked up a total of 375 points thus far this season and have had about the half century mark scored against them.

Bula opened the game with Kenneth Turney scoring on a 10-yard pass play from Jim Risinger.

Ron Risinger sprinted 40 yards for another Bulldog TD and then kicked the extras.

Keith Claunch scored on a 20-yard pass play from Joel Sinclair.

The boot for the extras was good. Bula scored once in the second quarter on a 72-yard run by Jim Risinger. His brother Ron booted the extra points.

Steve Newton got into the action in the second half as he plowed five yards for another Bulldog TD. Ron Risinger kicked the conversion.

Flower Grove scored three times in the third stanza. Garza and Soliz each scored once on three-yard plunges and Soliz bulled for 5-yards for the third TD. The points after failed each time.

Newton scored again in the fourth quarter on a 30-yard pass play from Jim

Risinger. R. Risinger kicked the extras and later ran 50 yards for his last points of the game. He missed his extra point kick.

Steve Cox took a pass from Jim Risinger and charged 10 yards for the final TD of the night.

The game was called by the referees because of the 45-point lead rule.

Hart Comeback Tips Sudan Hornets, 26-23

It was turn around football Friday night at Sudan, as Hart came back in the second half to score 20 points and upset the Hornets, 26-23.

Hart crossed over first for their only score in the first half on a six-yard sprint by Johnny Ethridge. The point after failed.

Gary Edwards scored from the three for the first Sudan TD. Bo Lance added the two points.

Edwards scored again in the second period from the three-yard line and a pass

from Lance to Roger Bellar added the extra points.

Roger Boyles took his turn in crossing the goal on a 10-yard sprint and Lance kicked the extra.

Sudan went to the dressing room at the half leading the Longhorns, 23-6.

Early in the third period the scrappy Longhorns scored twice and began stirring up the Hornet's nest.

Ethridge got his second TD of the night as he carried over from the three.

Jimmy Brown narrowed the gap in the score by charging seven yards for another Hart TD.

Brown put the cap on the game with his six-yard scamper to give the Longhorns a one point lead. Erasmo Castillo caught a pass for the extra two-points.

Hart has a 1-1-1 record for district and 3-2-1 for the year.

Sudan is 0-3 in conference play and 2-4 for the season.

The Hornets will travel to Happy for another conference tilt Friday.

J. E. JOHNSON (45) is shown taking one of QB Jay Trammell's six pass completions. Johnson scored twice for Littlefield, once on a pass reception and again on a 55-yard run.

MATT GILES (43) returned this pass interception 34 yards and Littlefield scored a play later Friday night. Up front blocking is Danny Estrada (74).

RALPH FUNK got some clear sailing because of vicious blocking, such as this one by Kenny Pratt (78) who turns a Friona defender topsy-turvy.

PEP'S GAIL ALBUS (10) out jumps Spade's Debra Myers (24) in a tip-off during the Spade versus Pep girls' basketball game at Pep Friday night. Other girls in the action are Karen Green (11), Gayla Freeman (40), Juanita Demel (13) and Brenda Hopper. Pep girls won their game, 59-45 and the Pep boys won over Spade, 66-48.

Horns Hook S-E, 10-0 On Fumbles, Turnovers

Springlake-Earth had trouble holding onto the ball at Vega Friday night, and five fumbles and a secondary defense that found the Horn's wishbone defense too versatile and too well executed to contain let the Vega Longhorns roll past the Wolverines, 10-0.

Vega's defense forced four drive-stopping turnovers, and the unbeaten Longhorn offense got an early touchdown and a late field goal to down the once beaten Wolves before a packed crowd at Vega.

Vega's running halfback Dick Robinson turned in a fine performance as he gained almost three times as much rushing as S-E gained on the ground and scored for the Horns before the Wolverine defense got stingy, too.

Brent May scored a TD for Vega and Tim Ward made the conversion. Ward kicked a 22-yard field goal in the fourth quarter for the final score.

Then the Wolverines plowed 67 yards on 13 plays on their first possession only to fumble the ball away at the Vega three, a fate which was repeated twice more in critical situations. Fate occurred again late in the fourth quarter when a S-E pass was intercepted at the Vega 42 and was returned to the S-E 46.

Greg Slover was S-E's leading ground

gainer, but the yardage came the hard way with 45 yards on 13 carries.

The Longhorns ran 65 plays to S-E's 55 and led 12-8 in first downs.

Hoyt Glasscock scooped up one of Vega's passes and recovered a fumble in the first half to keep Vega with bad field position most of the first half.

The loss, the Wolverine's first to the Longhorns at Vega in the two schools' history, dropped S-E to 4-2 for the year and 2-1 in loop competition. Th win propels Vega to a 6-0 and 3-0 record in District 3-A and gives the Horns the best shot at loop championship.

JV Bops Tahoka, 46-0

The Littlefield Junior Varsity clobbered the Tahoka JV, 46-0, here Thursday.

The first of Littlefield's seven touchdowns came on a two-yard run by Kenny Owens. Pat Henderson added another six points on a three yarder, and Kelly Pratt passed to Chris Pope for the two-point conversion, and a 14-0 halftime lead.

In the second half Henderson scampered 40 yards for another TD. Clotis Twitty connected on a 45-yard TD pass from Terry Bryson. Larry Hodges ran 40 yards for six; Pat Henderson scored from 60

yards out, and Kenny Trotter made a 45-yard TD play. A Pratt to Pope pass tacked two points on the last TD.

Outstanding players offensively were Henderson, tailback; Danny Cushion, fullback; both QBs Pratt and Bryson; Randy Cook, guard; and Larry Wright, center.

Named defensively were Bennie Saenz and Kenny Owens, linebackers; and linemen Floyd Smith, Ricky Richards and Nato Trejo.

Point System Again In Effect On Duck Hunting This Year

The popular "point system" for duck bag limits goes into its second year of use in Texas when the curtain rises on the 1971-72 waterfowl season this fall.

The system is basically the same as last year, but two species of ducks have been given a higher point value by the Texas Parks and Wildlife Commission. Canvasback and redhead ducks each will carry a 100-point designation instead of last year's 90 points.

All other species have the same point rating as last year.

The duck and goose seasons are approximately the same as last year, too, with both starting Nov. 3. The duck season, however, closes Jan. 11 while goose hunting continues through Jan. 16.

The seasons, as usual, were set within the framework recommended by the U. S. Fish and Wildlife Service.

Shooting hours for ducks and geese will be one-half hour before sunrise to sunset daily, a change from last year when ducks could not be taken before sunrise. Bag limits on geese remain the same, five daily and in possession.

Daily bag limit on ducks will be "one to 10," with possession the maximum number which could be taken legally in two days.

The point system specifies that "the daily bag limit is reached when the point value of the last bird taken during the day and added to the sum of the point value of the ducks already taken that day reaches or exceeds 100 points." So a hunter who kills a redhead or canvasback first has filled his limit for the day and must cease hunting.

Next to the canvasbacks and redheads, the highest rated ducks are 90-pointers. They are mallard hens, black ducks, wood ducks, New Mexican ducks and hooded mergansers. Ducks counting 20 points are mallard drakes, pintail hens, ring-necked and mottled ducks. All others count 10 points, except for the closed season on all tree ducks.

The commission also changed shooting hours closing time for the special teal duck season Sept. 11-19 to "sunset" daily, rather than the "one hour before sunset" as earlier specified by federal regulations.

day. "Chuck Blevins and Scott did a good job in the line blocking, Dennis Hartley got blocks, and J. E. Johnson had offensively and defensively."

Blakely said Jerry Cox, junior, did a fine job on defense moved into Danny Estrada's for much of the game.

"We pulled Danny into the when Friona was driving in on field," Blakely said. "We Danny could play earlier in because of his knee injury, but in awfully bad, and we put him in situations."

Other defensive stars, other Carter and Johnson, were Hart and Alan Mackey.

"They all played well," Blakely said.

THE SCORING STARTED Littlefield, after Lewis recovered at the Friona 16.

On fourth down from the Trammell hit Carter on a pass alone in the end zone. Mike behind Bandy to take Trammell money heave for a 7-0 lead with the first period.

The teams exchanged points in the quarter, when Funk returned yards to the Cat 48.

Trammell cranked up with a toss to Hartley, and Dennis yards to the Friona 13, thanks chilling block by Johnson alone.

A play later, Funk went the carrying Bandy and another P across the goal line with Automatic Hobratsch's kick with 22 seconds left in the quarter.

Friona came roaring back to but linemen Ricky Sanchez and Grisham put a crimp in the when they dropped a Chief back yard loss. Bandy then threw a pass Giles' territory.

Giles speared the throw and interception 34 yards to the Friona 16.

Funk fooled the Friona strategy as he went wide right the halfback pass to Johnson. broke stride as he moved past defenders and took the aerial. That made it 21-0 with 7:48 left.

The Cats stopped Friona, then back to the Chief 24 only to the downs.

Friona got a break later when punt touched Johnson, and recovered at the Cat 43. They marched to the 5 before time ran out at the

Friona got another break in quarter, when the Wildcats drove the 10, only to fumble.

Given this lift, the Chiefs showed loose on a 40-yard run to midfield marched down to the Wildcat's at quarter's end approached.

But the Chiefs, thanks to La fumbled it back, and Littlefield the ball.

Midway in the fourth, Funk returned to the Friona 43.

Then he went wide right again, keeping Funk just bowled over pound Bandy, and he was too much last Friona defender, Larry Falve raced down the sidelines for a score. That made it 28-0 with 5:30

Friona then went to the air, but the Littlefield line rush had Sanchez and McNeese once got a 10-yard loss, and Blevins nailed minus seven on another rush.

Friona's last play saw Grissom Bill Bailey for a five-yard deficit. There were seven seconds left clock, and Johnson took the ball Littlefield 45. He raced the distance the right side.

The clock showed 0:00, a TD in son, and a field of sprawled tackling wake, thanks in part to a key by Hartley, who was just returning to the one Johnson laid for him at the half.

Hobratsch put the icing on the final went to 35-0.

HOMECOMING PARADE

1971

FIRST PLACE FLOAT in the Homecoming parade Thursday night was entered by the Vocational Industrial Clubs of America at Littlefield High School. Second place float was entered by the Kat Klub, and the Girls' Athletic

Association and Distributive Education Club tied for third place with their floats. Other pictures of homecoming activities may be found inside this issue of the Leader-News.

'BUSINESS CLUB says run the Chiefs out of Wildcat country' was the reading on placard of the first place best decorated car entry in the homecoming parade.

'STEW THE CHIEFS' was the title of the second place float in the homecoming parade Thursday night. Members of the Kat Klub portrayed a Friona Chief in a big black pot, and showed the skeletons of Crosbyton, Slaton and Lockney teams who have already been stewed and picked clean.

A LOW-FLYING AIRPLANE is dropping a "bomb" (football) on symbols of the Chiefs, on the Girls' Athletic Association float in the homecoming parade Thursday night. The float tied for third place honors in the parade, along with the Distributive Education float.

'SEND 'EM BACK to the Reservation' was theme of the Distributive Education float, which tied for third place honors in the homecoming parade Thursday night. A Wildcat sits on the goal line, daring the Chief to come near.

SECOND PLACE car entry in the parade was decorated by the National Honor Society. "De-feather the Chieftains" was theme of the decorations.

LIONS CLUB MEMBERS advertised their pancake supper during the homecoming parade Thursday night, and Littlefield children flocked to the car to collect "goodies".

VARIETY STORE HAS 'EVERYTHING'

Mrs. Wilson's Still Store Keeper At 75

RODGERS
Staff Writer

MRS. MOLLY WILSON

Two cane-bottomed chairs in the Amherst Variety where Mrs. Wilson can sit when there's time and see who passes by on the cobblestone pavement.

More than 30 years Mrs. Wilson in business she's seen many changes. But the biggest change is in the tax. "And tax," she declares, "is the penny that does a piece of candy that used to be a penny now costs a penny and a nickel on top of that there's a penny tax on top of that."

"I can't get used to having to pay taxes," she said. "Sometimes I'm here for candy and just have to pay the tax. Sometimes I tell them that I'm here for the penny some other way you know, they nearly always get it."

Her customers say her variety store has everything—if they'll take the time to find it. "No telling what you'll find," she said. "I'm in the store room. Years ago we had more room. We took all the room. Somebody's coming in wanting a certain bolt, let them go back there and find it."

Things may be under the counters or in the back, the neat and orderly shelves are with the same staples found in every store. But there are several things that couldn't be found in stores of larger towns.

Everyone who walks through the store is called by name. There are signs under the counter, and "this on the book" is a common sight.

People charge is unusual here. Mrs. Wilson said she's quite a few unusual things here. We give stamps, too, and I'm probably the only variety store in the world that does that."

Mrs. Wilson said they don't have the things they used to have when she had two variety stores, two drug stores and several grocery stores. Then she and Earl had more stores. The store still draws plenty of customers from Amherst, Earth, Sudan, Littlefield. Mrs. Wilson added that the rest home and hospital at Littlefield, some of the customers come from places. "And even those who say the prices are as good here," Mrs. Wilson said. "We're so much overhead."

At the staple merchandise has been over the years. There is no longer

a demand for heavy ducking to make into cotton sacks, nor for gloves for pulling cotton. But the stock includes wicks and parts for kerosene lamps, and we've always carried notions," Mrs. Wilson added.

Mrs. Wilson never misses a day coming to the store, even though the Wilson's daughter, Jewel Humphries, is the "real boss" now. "I come up every day," she said, "but I don't do much work any more. I've had arthritis six years, now." Not even a slight arthritic walk gives a clue that she is 75 years old.

The Wilsons first came to Lamb County in 1924 and bought land in the Rocky Ford community. They moved here in 1927, and Mrs. Wilson put in a ready-to-wear store in Amherst in the fall of 1928. In the years between '29 and '33 she added notions and went the variety route. "Then I went back to the farm until I bought this store out in 1946. Mr. Wilson was a county commissioner when Mrs. Wilson first went back into business. "Now he's mostly retired," she said. "And I keep working. That's the way these men do."

Tax Bite Felt By Residents

How much richer would Lamb County residents be today if they had not had to pay taxes during the past 10 years?

How big a chunk was extracted from their pay envelopes in that period for Federal income and social security taxes?

For those people who have often thought about their tax load and wondered how much of their income is shuttled off each year without their ever seeing it, the Tax Foundation has done some figuring and come up with some answers, based upon family averages.

Currently, it finds, the first 13 hours of worktime in any week go to pay Federal, state and local tax bills. In other words, a local worker has to put in all day Monday and part of Tuesday to earn enough for his taxes.

A major part of it represents the amount Uncle Sam withholds from paychecks for his two biggest taxes—income and social security. This combination more than doubled in the last 10 years, due partly to higher earnings.

In Lamb County, as in most parts of the country, gross income rose sharply in that period.

All told, the average family in the local area earned a grand total, prior to taxes, of about \$104,300 in the past 10 years, the statistics show.

A considerable part of it, approximately \$13,600, was skimmed off, before they ever got hold of it, to cover Federal income and social security tax deductions.

Nationally, by way of comparison, incomes averaged \$74,870 and taxes, \$10,070. This is only part of the tax burden, however. It is the visible part. There are, in addition, the so-called "hidden" taxes, such as the Federal excise taxes on automobiles, gasoline, liquor, telephones, tobacco, transportation and the like.

The Tax Foundation estimates that if these and the other levies passed on to consumers were included, it would be found that the government collects another \$74 in taxes for every \$100 it receives via income and social security taxes.

Work Complete On 84 Overpass

Work was completed Thursday on the U.S. 84 overpass at FM 54 west of Littlefield, after 18 months of construction.

According to Rhea Bradley, resident engineer of the Texas Highway Department, total cost for the construction was about \$980,000.

Work was begun on the project April 16, 1970 by Boswell and Crafton, Inc. of Lubbock, contractor for the job.

LION JAMES LEE catches a flapjack at the annual pancake supper in the junior high school cafeteria prior to the homecoming game here Friday night. Leon Burch observes the "flapjack flipping art" and is prepared to pour more batter on the grill.

Rep. Bill Clayton Presents Resolution

In Minneapolis, Minn. last month Rep. Bill Clayton of Springlake presented a resolution to the Resolutions Committee of the National Legislative Conference which would be a resolution putting the Conference, if adopted, on record as opposed to busing to achieve racial balance in our schools, and requesting that the states take action in preparing and adopting a constitutional amendment to the federal constitution to state that the concept that neighborhood schools is constitutional.

"This resolution received favorable consideration by the Resolutions Committee and was referred to the Inter-Governmental Relations Committee," Clayton stated.

"This committee of the National Legislative Conference will consider the resolution, and I believe will report favorably to the entire body at its next annual meeting; however, since returning to Texas and seeing the many problems associated with forced busing students, I would like to take this opportunity to express to the people of Texas that I have taken the initiative and will

introduce in the Texas Legislature a Joint Resolution calling for a Constitutional Convention to amend the federal constitution.

"This can be initiated by the states with favorable action of 2/3rds of the states. The amendment submitted to the Convention would prohibit compulsory busing to achieve racial balance unless ordered by local school officials. This is in no way an act to segregate our schools or to continue racial prejudice amongst our people, but this is to see that each and every student has an opportunity to be educated in a school nearest their homes without any thought to color, race or creed.

"The emphasis should be placed on the quality of education in all of our schools and our neighborhoods should be so that any race can move in or out freely as they choose. In the history of our country the states have not used this method of amending our federal constitution.

"This action seems necessary because it is apparent the federal congress is not going to move. I think that the American people have spoken. They are in

need of relief from the harrassment and the unnecessary edicts of forced busing which is threatening their freedom and causing more prejudice and hate than ever before.

"It is my understanding that a Joint Resolution of this nature will not require permission for introduction in a called session; therefore, I will introduce, at the first opportunity, the resolution which is already in the process of being drafted by the Legislative Council. I am hopeful the resolution will gain the support of my colleagues in both the House of Representatives and the Senate.

"Let me reiterate that the proposed Constitutional Amendment would leave the busing of students to the discretion of the local school officials. It would not outlaw busing of students if local officials feel they should be so transported.

"It would head off one of the most malicious, and disastrous attempts in our national history to remove one of our most cherished freedoms—the right to an education that is controlled at the local level."

MILK PRODUCTION

A dairy cow producing 11,000 pounds of milk a year (about 5,000 quarts) consumes an average of 45 tons of feed—8 tons of feed and 37 tons of water. That's 247 pounds a day.

Ten Accidents Occur On Lamb County Roads

The Texas Highway Patrol investigated ten accidents on rural highways in Lamb County during the month of September, according to Sergeant Thurman Kefler, Highway Patrol supervisor of this area.

These crashes resulted in none killed and no persons injured.

The rural traffic accident

summary for this county during the first nine months of 1971 shows a total of 66 accidents resulting in five persons killed and 34 persons injured.

The rural traffic accident summary for the 60 counties of the Lubbock Department of Public Safety Region for September, 1971, shows a total of 489 accidents resulting in 33

persons killed and 268 persons injured. This was 82 less accidents, eight more fatalities, and 132 more injured than during August.

The 33 traffic deaths for the month of September, 1971, occurred in the following counties: Potter, seven; Lubbock, four; Parker and Childress, two each; Archer, Clay, Garza, Kent, Lynn, Montague, Palo Pinto, Wise, Yoakum, Carson, Dallam, Deaf Smith, Gray, Hansford, Moore, Parmer, Swisher and Wilbarger, one each.

To The Members & The Board Of Littlefield Country Club:

I'd like to take this means of expressing my thanks to all of you for your kindness to me and my family during my 13 1/2 years with the Country Club.

Woman Injured In 1-Car Wreck

Susie McVea Langford was brought to the Medical Arts Hospital Friday afternoon following a one-car accident two and one-half miles east of Littlefield on FR 34.

The 1964 Pontiac the woman was driving ran off into the right ditch, jumped an embankment and traveled about 180 yards before the driver fell out of the vehicle.

Highway Patrolman Bill Angel investigated.

THE BULLDOGS still hold an undefeated record in 4-B, six-man football, with winning over Southland Friday evening 66-19 on Bula's field. At half time Sheila Medlin was crowned football sweetheart and Ron Risinger, football hero. Sheila's escorts were Terry Claunch and Susan Layton. Ron's escorts were Jimmy Risinger and Steve Newton.

MID-SEMESTER tests will be Oct. 20 and 21 for all grades in school.

SCHOOL WILL dismiss Friday, Oct. 22, so teachers may attend the district TSTA meeting in Lubbock.

WMU MET Tuesday afternoon with five in attendance. Mrs. P. R. Pierce was in charge of the lesson with topic of study being "Mission Work in Africa." Each one present contributed to the study. Mrs. Richardson read the prayer calendar and Mrs. Black gave the opening prayer. Mrs. Battles offered the closing prayer. Attending were Mmes. Rowena Richardson, E. O. Battles, P. R. Pierce, E. W.

Black, and C. A. Williams. MR. AND MRS. Clarence Cannon were in Clarendon over the weekend to visit with relatives, Mr. and Mrs. Frank Hardin, Mrs. Nollie Simmons and other relatives.

MR. AND MRS. George Bahlman received a phone message Monday that his father, C. F. Bahlman of Winters had been stricken with a severe heart attack. They left immediately, but his father had died before they got there.

Bahlman has been in ill health several years. Services were at the Winters First Methodist Church Wednesday afternoon.

MR. AND MRS. Richard Stanley of Hereford spent Friday night with her parents, Mr. and Mrs. John Hubbard, and all ate Mexican food in Clovis Friday night.

MRS. NOLAN HARLAN enjoyed having her mother, Mrs. Mary Britt of Amherst and her sister, Mrs. Adele Cole of Farmington, N. M., spend the day with her Friday.

MR. AND MRS. W. R. Adams visited Sunday afternoon with

friends, Mr. and Mrs. J. P. Machan at Morton.

MR. AND MRS. A. M. McBee are spending this week at Brownwood to be near his mother, Mrs. Mary McBee, a patient in a rest home there.

MR. AND MRS. Lawrence Hall arrived Tuesday evening from Anaheim, Calif. for a visit with their parents and other relatives in the Enochs and Bula community.

REV. RONNIE GREEN, Barbara Black, Janice Tiller, Joel Sinclair and Douglas McCann attended the Llanos Altos Association Rally at Sunnyside Baptist Church Monday evening. Rev. Jack Norwood, former pastor of Three-Way Baptist Church was the guest speaker for the evening.

MRS. W. T. CARTER of Lovington spent the weekend with her mother, Mrs. Nettie Blackman at the Muleshoe Nursing home, and made a short visit Sunday afternoon with the John Blackmans.

MRS. BILL BREWER and son, Billy, accompanied by her mother, Mrs. Bertie Clawson of Littlefield, visited Friday through Sunday in Hobbs with Mr. and Mrs. Travis Webb and son, Mark, and with Mr. and Mrs. Tiner Wardlow.

MR. AND MRS. Nolan Harlan and children, Ann and John David, attended a family get-together and dinner at the home of her mother in Amherst Sunday. In the afternoon, a birthday reception was given for Mrs. Britt, honoring her on her 80th birthday. The reception was given at the Amherst community center.

SEVERAL FROM the community attended the birthday party given for Mrs. H. B. Berryhill at her home in Littlefield Sunday, honoring her on her 90th birthday. Mr. and Mrs. Berryhill lived in our community before moving into Littlefield.

MR. AND MRS. E. O. Battles and Mr. and Mrs. George Bahlman ate lunch in Lubbock after church Sunday, and later attended the Air Show at Reese Air Force Base.

DEBBIE ADAMS, daughter of Mr. and Mrs. Bobby Adams of Morton and granddaughter of Mr. and Mrs. W. R. Adams of Bula, is at home doing fine after her recent heart surgery, but she hasn't been able to return to school.

MR. AND MRS. John Blackman visited Monday in Amarillo at the Veterans' Hospital with a neighbor, J. P. Morris, and at the Medical Drive Convalescent Home with relatives, Mrs. Gertrude Lemaster and Mrs. Addie Roark and a friend, Mrs. Lessie Terry. Mrs. Terry lived in the Bula community many years before moving to Amarillo.

Three students from Littlefield have enrolled for the fall semester at Wayland Baptist College.

Included in the group are Jackie Howell, son of Mr. and Mrs. Donnie Howell; Wayland Hutto, son of Mr. and Mrs. Doyce Hutto; and John H. Walker of Star Route 2.

Howell, a 1971 graduate of Littlefield High School, is a freshman at Wayland.

Hutto is also a 1971 graduate of Littlefield High and is a freshman majoring in religion with a minor in English.

Walker is a junior, majoring in religion with sociology as his minor.
