Wildcats Battle Down Dimmitt

Wildcats get an victory Friday they entertain the Bobcats.

There will be an extra for the Littlefield would like to win after a week of winning after a row.

Extra boost is expected added support of Littlefield who will be back coming, and a good anticipated for the kickoff in Wildcat.

There has been an up-and-down this year, winning losing the same number.

The Bobcats have been a tremendous foe against state-ranked three weeks ago, beating it, 35-16.

The season opened the season with a victory over Farwell before dropping a game to Earth, 14-7.

The big effort against the Bobcats went flat and a 14-0 decision when the Chieftains high for their own.

Bobcats bounded back and defeated Morton, 14-0.

Bobcats were flat them against Friona and against Friona.

for Vets Receive \$49,000 In County

Calculation of how much being spent annually Lamb County's war veterans and their families may be from the latest figures.

How that expenditures form of cash benefits services are at all-ages, locally and else-

Estimated \$749,000 in kind of various kinds went local veterans and to dependents of deceased veterans during the past fiscal year.

Figure was derived from data for the State of Texas released by the Veterans Administration in its report.

The benefits received, to pensions and compensation, were hospital and care, education and business and housing insurance and other.

Local expenditure for and compensation related to the veteran of Lamb County, was \$336 per living arrived at by di-

erving their traditional pancake supper in the Littlefield Junior High School cafeteria at 5:30 p.m.

Lions promise plenty of butter and syrup to go along with the pancakes--and bacon and sausage will be served.

Kay Armistead, Rachel Jarlan and Kathie McBride, all LHS cheerleaders, are homecoming queen candidates who will be escorted to the football field at 7:15, prior to the Littlefield-Dimmitt game.

Former students will serve as escorts and will crown the 1970 queen in the pre-game coronation ceremony.

Following the game, ex-students will meet at the VFW Hall for a business session and dance.

During the business session, officers for the coming year will be elected.

Emil Shattel and the Panhandle Playboys of Memphis will play for the homecoming dance, and all profits from the dance will go into a scholarship fund for a 1971 graduating senior.

dropped a 13-0 decision a week after playing highly touted Olton almost to a standstill.

So Friday night's game could go to the team that wants it most, because both are capable of good football when they get ready to play.

Acting head coach Lyndon Gathright will have two boys back from the injured list for part-time duty this week.

Chuck Blevins, a linebacker, and Danny Estrada, fullback, will see some action after missing the last three games.

Two other boys, Nose Guard Larry Purdy and Back Lynn Barton, will be slowed by injuries. Purdy suffered a groin pull and Barton got a leg hurt in the Friona game.

Jerry McCary, who had notched himself a place in both the offensive and defensive line, will see some action after missing the last three games.

Registered Nurse Demand Hard On Lamb Hospitals

Both Littlefield hospitals say they are in real good shape as far as the number of registered nurses required to meet the medicare certification requirements. The Littlefield Hospital and the Medical Arts Hospital have six registered nurses each.

But the Olton hospital lost its certification last July. The Olton Community Hospital is only a six-bed small community hospital, according to Mrs. Nita Criswell, administrator, and the requirement for the hospital is the same as for a 50-bed hospital, she added.

At Amherst, the South Plains Hospital is having trouble keeping enough registered nurses, and has called on Rep. Bob Price for help.

The Medical Arts Hospital in Littlefield is a 40-bed hospital boasting a payroll of \$260,000. It was one of the first on the Plains to be certified for medicare patient treatment. Mrs. Carlene King, administrator, said they are required to have 4.2 RNs and they have six.

"a small boy was bitten by a rattlesnake; an elderly person suffering a heart attack was brought in; and another adult was seriously injured in a car wreck. We saved all three lives. What would have been the outcome if we had only been a first aid station?"

The Littlefield has six registered nurses, also, and every-

thing is up to requirements. Kenneth Day is administrator of the hospital which has 45 beds and employs 65 persons.

South Plains Hospital at Amherst was built in 1941, and is owned by a non-profit corporation. Floyd Rowell, administrator, said their problem is getting and keeping registered nurses. At the present time they have three part-time and three full time RNs.

One of Olton's doctors has left since Olton lost its certification. "We were exhausted trying to comply with medicare requirements," Mrs. Criswell said. "Another requirement, getting an automatic sprinkler system is hard." The Olton Hospital ordered food catered into the hospital, and HEW didn't like the source of food preparation.

Hospitals are checked by the Texas Department of Health. They surveyed the Littlefield Hospital last week, are checking the Medical Arts this week, and will be in Amherst next week.

The Texas State Department of Health makes the survey and reports its findings to the HEW. Smaller hospitals find the requirements for registered nurses out of proportion to larger ones. The 4.2 ratio of RNs is required regardless of whether a hospital is the size of Lubbock's Methodist or six bed one at Olton.

At the present time there is a shortage of from 10,000 to 20,000 nurses in Texas, and it will take 10 years to graduate enough to catch up, Mrs. King said. Texas has 14 per cent RNs to other nurses, compared to the eastern states 60 per cent registered nurses in areas where there are many more teaching hospitals and a heavier population, also.

As in previous years, noon and evening meals will be served and the general public is invited to attend.

Slated for the menu is "that famous" Pep "all-meat sausage", turkey and dressing, and all the trimmings.

Entertainment for children and adults will be provided all day in the Parish Hall, and "a cordial welcome is extended to all", Jungman concluded.

A parish meeting was held Sunday, Oct. 11, under the direction of Rev. David Greka, pastor, to begin plans for the annual event, slated for Nov. 26, at Pep.

Plans for the 25th Annual Thanksgiving Bazaar and Festival at Pep are underway, and committees for the various activities are at work, according to A. G. Jungman, publicity chairman.

DEALERS SHORT PARTS, NEW, USED CARS

Strike Wrecking Car Business

How is the strike affecting the business of Littlefield General Motors dealers?

"What business?" asked Troy Armes, Chevrolet dealer. "It shut the door," said J. L. Marcum, Oldsmobile, Cadillac and Pontiac dealer.

"Don't have any," boomed the Buick man Ray Keeling. And this applies to the new car business, where dealers aren't dealing because they can't get the cars, the used car business which is non-existent because there are no trade-ins, and even to the service departments because the strike has stopped shipment of parts, too.

The strike has hit the dealers at the peak of new car

buying. Now, instead of being able to make enough profit to cover some of the less profitable months, dealers are finding that they can't even meet their overhead.

Dealers here got their show cars only and haven't received a single order placed.

Keeling had a one car showing, and this was one of the smaller models at the time of the year when people want luxury vehicles. A lone Skylark sits on the show floor at Keeling's, its only company a withering bouquet of flowers.

"Contrary to what the public thinks," Troy Armes said, "GM has to have sold orders before a car is built." Armes received four new models for the '71 showing, he didn't have a single '70 model left. "It's made it real hard," he said, "I don't know how much money we've lost. If I don't get some cars soon, I can't pay the overhead. Psychologically, the strike has stopped everything. And some dealers, like the one in Brownfield, have just closed their business."

Armes thinks this strike is the biggest jolt to the economy since the WWII. So far, he said, the repair business is alright, but they are beginning to run into shortages of parts. Dealers aren't being generous to other dealers either; if they've got the parts, they are keeping them for their own businesses.

Neither can new cars be secured from other dealers. Armes said during the 1969 strike, dealers could pay other dealers a little over cost and

get cars. "But this time, there just aren't any."

J. L. Marcum said he had offered as much as \$450 over cost and hadn't bought cars yet.

Marcum, who handles three lines, got three luxury cars and three economy models. The big cars are gone and three economy cars are displayed on the show room floor.

Marcum is another dealer who oversold or undergessed on the 1970 models and the strike caught him without any '70s. One salesman who worked on commission has already left, and if the strike continues, Marcum said the business will have to cut to a skeleton crew.

Marcum could have delivered

20 new cars this month if he could have gotten them. There was a market for 40 new cars, which he didn't have, either. Without new cars to buy, people aren't trading in their old cars, and Marcum is buying used cars where he finds them.

This firm, too, is running into trouble getting parts. Like other GM dealers they haven't had a shipment of parts since Sept. 14.

Keeling had four '70 models when the UAW struck. He sold two of them and is offering the other two as used cars since he doesn't have any others.

Keeling, like most dealers, doesn't expect a settlement until around Christmas. Then dealers can expect 30 days before there is full production again, and 60 days from settlement until there will be a sup-

ply of cars. "And that's talking the first of the year," Keeling concluded.

SEASON LEADERS BUNCHING UP

Mott Wins Weekly Prize

Five persons tied for first place in the football contest this week, and Bill Mott, who entered for the first time last week, wins the \$5 weekly prize by coming closest to the actual score in the tie breaker box.

John Clayton III, takes the \$3 second place win with the second best tie breaker prediction, and Mrs. Byron Ford gets the \$2 third place prize.

Debbie Mitchell and Lee Roy

Nuttall predicted the outcome of 15 games, but also missed their marks slightly in breaking the ties.

Fourteen contestants named the winners of 14 games this week. The most often missed tilts were Vega's win over Springlake-Earth, and four college games, North Texas over WTSU, Oklahoma over Colorado, TCU over A&M, and Mississippi over Texas Tech.

There is a bunching up at the

top for the lead for the grand prize of tickets to the Cotton Bowl classic and expense money.

Four are tied for first place. See CONTEST, Page 11

Scouts Planning Costume Parade

Littlefield Girl Scouts will conduct a Halloween Carnival and costume parade in downtown Littlefield next Saturday, Oct. 31.

The costume parade is slated to begin at 5:30 down Phelps Avenue, with all children of the surrounding communities invited to participate.

Entries will be judged in several categories--to be announced later. A concession stand will be set up to sell items for supper, and booths will be set up for family entertainment.

County Officials File Charges

An Earth man and an Anton woman were jailed by county authorities this week on two separate counts.

Clocks Change Sunday

The clock-changer is Alvin Jones.

Daylight Saving Time comes to an abrupt halt when the clock strikes 2 a.m. Sunday--or will it be 1 a.m.--it all depends upon the fact as to whether you will have moved the hands on your time-piece backward one hour before you went to bed Saturday night.

The nation will get to sleep an extra hour that night as time goes back to Standard Time for six months.

Some people will make the change with mixed emotions. Most will enjoy getting to go to work in daylight--but some won't like going home at dark.

But in case you've enjoyed it, you have three more days.

Supper And Meeting Held For Amherst Lions Club

The Amherst Lions Club held a supper and meeting last Tuesday, Oct. 13, in the Fellowship Hall of the United Methodist Church.

Seventeen men were present, among whom were the following visitors: High School coaches Seasums and Elliot, Winston Palmer, Gary Porter, Elroy Rowell. "Stadium warmers" were assigned to members to sell at \$12.50 each. There was discussion of the recent Lion's broom sale. The "tail twister", Charles Mixon announced that Lions who do not know the motto next meeting will be expected to pay a fine.

October is International Lions Club Membership month. Application blanks were given to the visitors by the secretary, Douglas Gossett.

Among the service projects which the Lions of Amherst are presently undertaking are: the purchase of the Universal Gym for the athletic program of Amherst High School; support of Girltown USA in Whiteface; general projects through the Texas Lions; and support of the Texas Lions Krippled Children's Camp in Kerrville.

Some of the projects of the past three years are: funds for an Amherst boy's eye surgery; they sponsored the Boy Scouts of America; the Cub Scouts; Little League Baseball program; and supported the public school's athletic program.

Lions is an international organization, regardless of race, color, or creed. "Any male person, 21 or more years of age, of good moral character and good reputation in his community, may be granted membership in any duly authorized Lions Club." Those who may be interested in Lions Club membership are cordially invited to attend a meeting and or obtain an application from the Lions secretary.

Girl Scout Carnival

Littlefield Girl Scouts and their leaders are all busily engaged in preparing for a big Halloween celebration to be held Sat. Oct. 31. There will be fun for everyone in Littlefield and surrounding communities.

To start off the big event there will be a parade of costumed children through downtown Littlefield. This will begin at the courthouse square at 4:30 p.m.

Contestants will be judged in five categories. There will be a first, second, and third selected in each of these. Judges will be from three

Littlefield womens clubs. Following the parade a concession stand will be open selling hot dogs, sandwiches, brownies, cookies and hot and cold drinks.

Each troop will have one or more entertainment booths set up. Some of these will be bingo, cake walk, penny pitching, and some unexpected.

With imagination that only girls could have, there is a guarantee of delightful surprises.

Most of the carnival activity will be taking place in one or two empty buildings on the east side of the 300 block in downtown Littlefield.

SUNDAY GUESTS ARRIVING? Whether it be Sunday or any other day of the week satisfy their hunger with a platter of "Sauce-able Supper Chicken" baked to a beautiful brown and topped with a tangy tomato-green pepper sauce. You'll have the mainstay of an unforgettable dinner.

"SAUCE-ABLE SUPPER CHICKEN"
Baked Chicken:
1 egg
1 tablespoon water
One 2 1/2 to 3 lb. broiler-fryer, cut in pieces
3/4 cup pancake mix
1 1/2 teaspoons salt
Dash pepper
2 tablespoons melted butter or margarine

Sauce:
1/2 cup chopped onions
2 tablespoons butter or margarine
1/2 cup chopped green pepper
One 15-oz. can tomato sauce
2 teaspoons sugar
1 teaspoon dry mustard
Heat oven to moderate (350 degree). For baked chicken combine egg and water. Dip chicken pieces in egg wash. Combine pancake mix, salt and pepper in paper bag. Shake chicken, a few pieces at a time, in bag until pieces are well coated. Place chicken in greased baking pan; brush with butter. Bake in preheated oven (350 degree F.) about 1 1/4 hours or until tender.

For sauce, saute onions and green pepper in butter. Add remaining ingredients; simmer about 20 minutes, stirring occasionally. Serve over baked chicken. Chicken is also good served without the sauce.

CARROTS CAPRICE
1 pound carrots
1/2 cup water
1/4 cup butter or margarine
1 teaspoon salt
1/4 teaspoon nutmeg
2 teaspoons sugar
2 teaspoons lemon juice
1 teaspoon AC'cent
2 tablespoons finely chopped parsley
Scrape carrots; cut into 1/4-

YOU MIGHT WANT to include "Carrot Caprice" on your menu for the day. A new and different way to prepare carrots is always "a welcome" in any cook's kitchen. Take the humble carrot and add nutmeg, sugar, lemon juice and parsley to add a delightful taste—it's surely to appease their hunger.

inch slices. Bring water and butter to a boil in saucepan; add carrots, salt, nutmeg and sugar. Cover tightly. Cook 8 to 10 minutes, or until crisp tender. Remove from heat; stir in remaining ingredients. YIELD: 4 servings.

COOKING IDEAS
TRY SLICED cooked carrots and cooked green lima beans mixed together for another excellent and different vegetable.

LEFTOVER CAKE? Take leftover cake, crumble it and make alternate layers of cake and applesauce in a serving bowl. Chill and top with whipped cream. Quick dessert and different too.

PERK UP your white sauce with a little curry powder and try serving the sauce over snap beans.

NEW TREAT for youngsters. If you make individual baked custard, put a marshmallow in each custard dish, then add the custard. Bake as usual. Children love this treat.

INSTANT GOODIES! For unexpected "kiddie" company, mix up a batch of instant pudding and put it into ice cream cones. Sprinkle with cookie crumbs, shredded coconut or chopped nuts. Kids will go for them.

NEW PASTOR at St. Martin Lutheran Church is Rev. Thomas Lynn Lange, who was installed here Sept. 27. He and his wife, Sharon, moved to Littlefield Sept. 15 from Portland, Ore., to accept his first pastorate.

St. Martin Lutheran Introduces Pastor

Rev. and Mrs. Thomas Lynn Lange are about settled in their new home in Littlefield, and have come to know many of the members of their new church, St. Martin Lutheran, Church, during the month they've been here.

The Langes came here from Portland, Ore., where Rev. Lange was serving in an internship. This is his first call to a pastorate and he was installed here Sept. 27.

Rev. Lange is a native of San Diego, Calif. and his wife, Sharon, is a native of Grand Marais, Minn.

When asked "how in the world they ended up in this country," they replied, "We requested being sent to this area, and particularly West Texas, because we had always heard that the people here were friendly."

Rev. Lange also is serving as pastor of St. Paul Lutheran Church at Levelland, and divides his week's time among the two congregations. He preaches for both congregations every Sunday morning.

Rev. Lange is a graduate of Mount Miguel High School in Spring Valley, Calif.; studied two years at San Diego State College; earned his BA degree in 1966 from Saint Olaf College, a Lutheran College in Northfield, Minn.; and earned his Master of Divinity degree in 1970 from Luther Theological Seminary in St. Paul, Minn.

He then went into his internship at Portland, Ore., and back to the Seminary, prior to coming to Littlefield.

He met his prospective bride while both were attending Saint Olaf College.

Mrs. Lange majored in math and has taught junior high school and high school math the past four years. She says she now plans to "retire".

Rev. Lange took clinical training in pastoral clinical psychology in a Navy hospital for three months in 1968.

He enjoys music too, and was a music major in college.

He says the biggest factor in determining his going into the ministry was the influence of his Lutheran friends and pastors in San Diego.

Rev. Lange fills the pulpit, vacated by Rev. Philip Berry, who moved to El Paso.

RHONDA LEWIS

Rhonda Lewis Named Finalist For Homecoming

Rhonda Lewis, daughter of Coach and Mrs. Deverelle Lewis of Littlefield, has been chosen a finalist for Homecoming Queen at Texas Tech University.

Homecoming weekend at Tech (Oct. 23-24) will be filled with bonfires, pep rallies, parades, receptions, reunions, dinners and dances.

Football activity Saturday afternoon will see the Tech Red Raiders in a homecoming clash with the Mustangs of SMU. The queen will be crowned during the homecoming activities of the game.

Miss Lewis is one of 12 girls chosen by the student body from a field of 45 contestants. Final selection of the queen will be made in an election the week before her coronation.

Miss Lewis is a junior physical education major. She has been a varsity cheerleader for three years, Miss Playmate, first runner-up in the Miss Mademoiselle contest, is a member of Pi Beta Phi Social Sorority, Major-Minor Club (for women P. E. students), and is a Red Raider Rustler.

Average Texas well yields 16 barrels per day.

The shirty coat dress. Knits up at just \$12.

Warm, Fresh Air

... direct from the manufacturer

Natural gas is the healthiest, most economical way to heat your house this winter. Gas is economical because it's the direct way to produce heat — you don't pay to convert heat to another energy source and then back to heat. And with gas you can afford to bring clean outside air into your home this winter instead of having to re-heat the same old stale air time after time.

So, if you're building or remodeling, be sure to specify gas heating. Gas is the "natural" fuel. It's like buying direct from the manufacturer. Call your heating contractor, plumber, or Pioneer Natural Gas.

HONNY GRYS

By CORNBALL BLEVINS

IS IT TRUE that blondes have more fun?— Who knows for sure?— What with all the tints, dyes, bleaches, and false hair pieces, you can't be sure of who's a what!

It can be very confusing when you see a redhead one day, and notice she's blonde, the next. Then, in a few days, she shows up purple!

HONESTLY, wives, before you accuse your hubby, because of the strange colored hair you found on his coat, you'd better remember what color you were last week!—(or can you?)

I'm not sure about the colors, but, I think the purple is supposed to be a kind of "Over-drive grey". Of course, there's so many shades of it, that you can't be sure!—It may be a "Low-compression brown"!

THEN THERE'S the "frosted streak"— supposed to make milady look as if she's been struck by lightning, in a small spot.—Used to see the same thing on Civet-cats.

That old gag of "Hey, Joe, who was the blonde I saw you with last night?" may well be answered with: "That was no blonde, it was my wife!"

SOME OF the guys don't know what color they'll be dinin' with, to-night yet, it'll be the same ol' gal! (maybe)

Some of the girls have simplified the process. They have, simply, a whole covey of hairpieces stashed in the closet. They only have to decide the mood they're in and select the color "head according!"

I CAN SEE the convenience of this —Milady can send her "head" to

the hairdressers, while she goes shopping!— And, of course, the imagination can run wild, as to colors and hairstyles.

I can't help but feel sorry for the poor guy that had gone to the city as a guest with another couple.— He was riding in the back seat, directly behind the lady driver.

WHILE ENROUTE, their auto was "back-ended" by a car from the rear. The impact caused the driver's wig to fly off and hit this passenger in the face.— Naturally, he thought the gal had lost her head!—Quiet shocking!

Any-ho-o-o, I betcha the average Joe is proud of his wedding pictures especially, if he's 35 or better.— Otherwise, he'd have trouble remembering just what his bride looked like! (Or, was she natural then?)

AS ANYONE KNOWS, it's my intention to stay "on the good side" of my female acquaintances, but, my good intentions don't always pan out.—For instance, a few days ago, one of our lady customers was buggin' me about her car.

"I was due at the beauty-shop 20 minutes ago!" she complained. "Well," I tried to console her, "I'm sure you need to go, maybe, they can get you all straightened out, yet."— It wasn't until she'd gone that I figured out why she left in a huff.

NEXT DAY I saw her down town. —Thinkin' I'd try to smooth over the goof I'd made the day before I asked: "Did you get to the beauty shop on time, or had they closed?"— "That look she gave me, still burns!"

Wimmin!!—Oh, well, we still love 'em, after all, ain't they what kinda holds the world together?

THE ABUNDANT LIFE

Hard Work

By BOB WEAR

THERE ARE MANY important problems to be solved, numerous responsibilities and obligations to be discharged and a multitude of vital services to be rendered.

Solving these problems, discharging these obligations and rendering these services will require many things; but all of them require one thing in common.

Regardless of what may be involved, all of these require hard work -- just plain, constant hard work.

THERE WILL BE LITTLE or no glamor, and seldom any publicity or praise. Not many folk will give any particular notice to our work, because they will be unconcerned or they will be working, too.

We seem to be living in a time when many have adopted the point of view that more money will accomplish whatever has to be done. It will not.

WE BORROW more and more. The national congress, the state legislatures and local governmental units are constantly appropriating more and more money.

Of course, money is important and necessary, but money cannot solve all problems, meet all obligations or buy all needed services.

IN THE FIRST PLACE, hirelings often have no interest in the work they are hired to do.

The result is inefficiency, waste and ineffectiveness. More and more of our necessary and important work must be done by the people who have the most at stake in the ultimate outcome.

Too many of us are depending upon somebody else to do our work. We can neither buy the more important services nor wish them into being.

THE INCREASING IDLENESS of our time is not bringing personal happiness or profit to people. "In idleness there is perpetual despair."—Carlyle.

There is abundant evidence that our present-day idleness is adding to our anxiety and our unrest. We can see that working people are happier people.

THEY HAVE the satisfaction of knowing that they have done their best. "Sweet is the sleep of a laborer, whether he eats little or much."—Bible. Hard work is much better for us than worrying because something is not being done.

HARD WORK SERVES many useful purposes. In fact, there is no satisfactory substitute for it. "As a cure for worrying, work is better than whiskey."—Edison.

We also know that much of the hard luck so many folk talk about could be erased by hard work.

MUCH OF THE LONELINESS, sorrow, frustration and boredom which plague the lives of so many people could be banished by hard work. Individually and collectively, we need to go to work.

There may be a scarcity of easy jobs, but there is no scarcity of work that needs to be done -- just plain hard work that exercises the body and mind, and produces that which is useful and lasting.

THERE IS ENOUGH useful work for all of us. It may not be glamorous, or exciting, or exclusive, but it is essential.

It may not even bring monetary reward, but there will be other rewards -- rewards that money cannot buy.

A BACK-TO-WORK movement is one of the greatest needs of our time.

PAUL HARVEY Opposition

CERTAINLY it's news when a leader of war veterans announces himself in opposition to war. But it may be more than that.

VFW Comdr. Herbert Rainwater's significant break with tradition may have begun to close the door on old-fashioned war.

THE AMERICAN LEGION'S recent national convention in Portland, Ore., concluded with approval of the customary series of resolutions supporting our nation's policies in Indochina and our troops in the field.

It has been accepted without question that our nation's major veterans' organizations would always accept without question our nation's military posture, whatever and wherever.

THEN ABRUPTLY, at a news conference in early September, the new national commander of the Veterans of Foreign Wars said no.

Comdr. Rainwater says he sees "no reason to fight wars we don't intend to win" and he predicted that the 1.5 million men of the VFW will change their historic policy of supporting wars.

"WITH NO PROSPECT of victory," said the commander, "we have ground up 43,000 Americans in Vietnam: I see no reason to grind up any more."

I expect the commander will be rebuked by a segment of his own membership: I hope he will not be silenced.

OUR COUNTRY'S BEST interests require the soonest possible extrication of our forces from this unwanted, unwinnable war.

President Nixon wants us disengaged and out. He believes that he is doing all that a President can toward that end.

A WOMAN'S VIEW

Pass It On

By PEARL BRANDON

THIS WEEK, while visiting my brother in the hospital he made the remark, "Everyone has been so wonderful to me, how can I ever repay them?"

I thought of a long time ago during the depression days when we were living in Kansas among strangers. I became ill.

AS USUAL when the mother is ill and there are small children our dirty clothes piled up in hurry. This presented quite a problem especially since my husband was working long hours.

One day a kindly neighbor woman whom we hardly knew came over and took that mountain of dirty clothes home with her and washed and ironed them. When I tried to thank her she said "Don't try to thank me, just pass it on."

HOW MANY times since then when I had a chance to do something for some one else I did it silently for that wonderful woman. I can't even remember her name but for her I've tried to pass things on.

Have you ever tried to make a list of every kindly act or courtesy other people do for you? When I do this I soon find I can't begin to return all the favors I receive from other people. I can only try in my weak way to pass things on as opportunity permits.

BUT A PRESIDENT world listening to his tolerance, cannot be some of us.

You and I can call it a coverable fumble; he can't. Unfortunately, however, some very bad boys parade under the "peace" banner real intent and purpose disrespect for our leaders seek the destruction of the ment.

SO THE ENLIGHTENED interests of the United States perately need some balance on the side of peace. Comdr. Rainwater whose views cannot be impugned, natives right now are in a dilemma. If we don't mendic challenges of eroding and eroding environment increasing crime and violence own streets, then the Com can have what's soon to be of this country; it will place Americans would live.

IT TOOK A LOT of a national commander of our nation's proudest war organizations to denounce wars. That's not the kind of announcement that brings a cheer to their feet cheering. For most of them an era which will not be war was fought "for" when warriors marched objective.

TOMORROW'S international negotiations will be negotiators with their triggers on red buttons. It's in this transition traditional war is almost quite out of style, that feel so lost and so many are.

WE NEVER KNOW the effects of a kindly deed, a beautiful woman once an effort to smile at them. They will smile back at will also smile at others. It will surprise you how it will multiply through the

The Bible says, "You measure you into a measured back to you—pure, shaken down and rummaged."

EVERYTIME we have a agency in the family we all over again at all the we receive from other people.

There may be evil people somewhere in the world, good ones seem to be

I KNOW SOME of you interested to know my Travis Jacques, is still in Lubbock. He is keeper of all visitors, gifts, salutations, etc. His hospital lined with get well cards.

He says he can never return all the kindnesses received.

When he gets back to Earth he will just have to "Pass it on." All truly grateful for everything.

LHS Homecoming Slated This Weekend

Parade And Bonfire Kick Off Activities

By KATHIE MCBRIDE
This week will be a very important week for many of

us and for the people in whose footsteps we follow--the ex-students of LHS.

Why is it so important?

Many people would answer, "Because it's Homecoming! But what is Homecoming?"

To us, the present students of LHS, Homecoming means bonfires, parades, queens, and football games.

The atmosphere is touched with excitement and anticipation. A special kind of spirit slowly builds during the week and reaches its peak on Friday night.

In our eyes, Homecoming is a celebration or festival climaxing the spirit of fall weather and football.

To ex-students, Homecoming means memories--memories of hard-won football victories, practical jokes, and concerned teachers. It is a time to reunite with old friends and laugh with old enemies. In short, it is "coming home".

Why is Homecoming so important?

Because it unifies students, graduates, and townspeople in the spirit of tradition and in the spirit of thankfulness for our way of life.

FHA Girl Of Month

This year, the FHA organization has planned many new activities and projects.

One of these is the FHA Girl of the Month, who is secretly selected by the members of FHA, according to what she has done for the organization during that month.

At the last meeting, Oct. 5, Meloni Brantley was chosen FHA Girl of the Month.

Miss Brantley is 17 years old and a senior.

When asked how she felt about

getting Girl of the Month she replied, "I felt very pleased and was surprised when I heard I got it."

Last year, Meloni received first place at the county level in the "Make It With Wool" contest.

When Meloni finishes school, she plans to attend school at Texas Tech where she will major in Home-Economics Education so she can teach.

She will also take courses in fashion and design.

MELONI BRANTLEY was named FHA Girl of the Month for October.

FHA Officers

Are Installed

Thursday, Oct. 5, officers of the FHA, Patsy Lively Chapter, were installed.

They are president, Meloni Brantley; first vice president, Carol Chisholm; second vice president, Billie Ruth Richey; third vice president, Sandra Carter; fourth vice president, Cathy Nelson; fifth vice president, Jo Reid; and secretary-treasurer, Patricia Sanders.
Mrs. Francis Jones, sponsor, installed President Meloni Brantley, who installed the other officers.

Other members of FHA, parents, and friends, and Dream-boy Allen Hobratchik and Buddy Lyna Barton were present.

After the installation, refreshments were served in the Home-Economics lab.

KAT KLUB members work on the club's entry for the Annual Homecoming Parade, in hopes that their club will win first prize for the third straight year. Caught in action are (clockwise) Carol Chisholm, junior; Joan Timian, senior; Patti Foley, senior; Lisa Volpe, senior; and Mary Davidson, junior.

By ALBERT SANCHEZ

Friena blanked Littlefield, 13-0, Friday, Oct. 16, at Friena.

Littlefield's five fumbles, two of which Friena turned into touchdowns sent the 'Cats to their sixth straight defeat of the season. The loss was also their third defeat in District 3-AA.

The Cats' first fumble at the Littlefield 26 yard line in the second quarter set up the first Friena TD.

The Chiefs needed five plays, to penetrate Littlefield's goal line.

With the score 6-0 through three periods, the 'Cats still had a winning chance.

But Littlefield blew their chance by dropping three fumbles. One at the Wildcat nine yard line that gave Friena the clinching touchdown.

The Wildcats led in statistics rolling up 241 yards to Friena's 178. Littlefield also led in first downs 14-10.

It's homecoming this week for Littlefield. With activities starting Thursday, the Wildcats will try and put everything together and shoot down Dimmitt Friday, Oct. 23.

Our Junior Varsity shot down Roosevelt last Thursday night, 20-6. The points came on Jesse Davila's 25 yard run and Bill Hamlin's 12 and 20 yard scores.

Two other points came when Tim Walker and Ricky Sanchez nailed a Roosevelt ball carrier in the end zone.

Letter To Editor

AN ANSWER

Dear Mr. Editor,

I recently received your SKAT page in the mail from a very dear friend of mine attending your high school. I usually enjoy it, but this one from Oct. 1st, 1970 I did not.

The article entitled, Peace Symbol? Are You Sure drew shocking results here at Fountain Valley. Your facts are basically accurate but exceedingly irrelevant and most asinine. Word meanings change and so do symbol meanings. What was considered an atheistic and agnostic outward symbol in the Middle Ages surely cannot be interpreted as such today in the modern twentieth century. Those of us today that feel peace is desirable at any price except human lives, have rallied under this "crow's foot" in the hope of ending wars for all time. You may be able to fight fire with fire, but you do not expect to end a war with more war!

I am a devout Catholic and I wear this symbol, I attend Mass regularly and worship my Lord, Jesus Christ. Do not engage in politics. There are others who know more about it than you. Try and remain with printing PTA schedules and football scores. Don't dabble in such a fiery subject. It's over your head.

Yours truly,
s/ David Keithley

Mr. Keithley,
It is the duty of a newspaper to print both sides of an issue. The SKAT would like to bring to your attention that is exactly what we did. You will notice the other viewpoint to the article "Peace Symbol? Are you sure?" was published in the October 15 issue of the SKAT under the headline "Peace Symbol is not Sign of Communists, Anti Christ."
Sincerity, truthfulness, accuracy and impartiality are the foundations for all journalism. It is the duty of the newspaper to inform, to interpret and to entertain their readers through news columns, feature columns, pictures, editorials, cartoons and signed columns. It has been the policy of the SKAT to try and maintain these responsibilities and standards and in the future we will continue to do so.

Yours truly,
s/Miss Jo Reid,

Look Out Boys! The Girls Are A'Comin'

By JO REID
Look out boys, because the girls are coming.

The dating situation will take a reverse action as girls carry the books, open the doors and call up for the date--as well as foot the bill.

The girls will be using their most sincere pleas, their most spectacular smiles and most feminine tactics to trap that special boy for a date.

Yes, next week marks the beginning of Twirp week at LHS.

The initials T.W.I.R.P. stand for The Woman is Requested to Pay, and that is exactly what the girls will do.

Twirp week was started at LHS in 1955-56 by the student council social director, Paul Yarbrough. He got the idea for Twirp week from a comic strip. This will be the fourteenth year that the student council has sponsored the activity.

It is sponsored twice a year to offer variety in the school

QUEEN CANDIDATES for LHS Homecoming Friday night are, left to right, Rachel Harlan, Kathie McBride and Kay Armistead. They were nominated as candidates by student vote Friday.

National Honor Society Inducts 11 New Members

NEWLY INDUCTED MEMBERS to the National Honor Society include, front row, left to right, Kerry Nicholas, Cathy Giles, Gail Williams, Kathy Turner and Annelie Harris. On the back row, Timmie Campbell, Chuck Blevins, Bob Grissom, Martha Brown, Larry Birkelbach and Ralph Funk.

Eleven new members were inducted into the Joe C. Hutchinson Chapter of the National Honor Society Tuesday night in the High School Auditorium.

Robert Rodriguez, president of the Society, served as master of ceremonies, and Wayland Hutto served as narrator.

Four speeches, entitled "Leadership", "Scholarship", "Character", and "Service" were presented by Vickie Wimberley, Sandra Carter, Patricia Sanders, and Kathie McBride.

The inductees were presented with pens and candles, to symbolize the light of leading and learning.

After the ceremony, refreshments were served by Kay Armistead, Charlotte Hinds and Pam Stafford.

The newly inducted members are: Kerry Nicholas, Cathy Giles, Gail Williams, Kathy Turner, Annelie Harris, Timmie Campbell, Chuck Blevins, Bob Grissom, Martha Brown, Larry Birkelbach and Ralph Funk.

out Judy! You're getting clumsy!!! W, how's your effort coming along? (science?)

Fourth period Algebra, what's the trash bag lately? (Hey, Mr. Godeke, got ideas? That was fun!!!)

Cook - "That horse knows as much as I do!" Hatley - "Well, don't tell anybody, I want to sell him some day!"

chick looking around the electric outlets of unatched eggs: "Well, it looks like an only child Mother's blown a fuse."

Homecoming game is tomorrow night.

Don't be bashful boys. (she'll say yes!!!)

WE WOULD like to thank Mr. Burch for making the freshman football team spirit boosters. They helped a lot! THANK YOU!!!

THERE WON'T be a pep rally today. But the spirit last week was really great! The football boys really helped!!!

HEY, Debbie Crosby! Still having trouble with your umbrella?!

Debbie C. - I cleaned the bird cage and the canary disappeared.
Father - What did you clean it with?
Debbie C. - A vacuum cleaner!

Len A. - My father shot a bear in his pajamas.
Ricky A. - How did a bear get in his pajamas?

Happy Birthday, Lisa Garland.

Confusious say - "A bird in the hand feels funny."

Miss Sheffy - "Gary, I hope I didn't see you looking at Becky's paper."
Gary Parson - "I hope so, too!"

Have a good week and... keep smiling!!! (It makes people wonder what you've been up to.)

Wrecks Reported

Two wrecks were investigated by the Department of Public Safety this week.

A farmer from Lubbock was taking a trailer of ensilage to cattle north of Littlefield Saturday when he made a left turn in front of a car driven by a woman from Dimmitt.

Ralph Woods Tucker driving a 1969 Ford Ranchero north was turning on to a county road 9.8 miles north of town when he stopped to make a left turn. Mrs. Nelda Hodges Tuttle of Dimmitt was approaching from the south and the view was partially obstructed by a slight hillcrest. She hit the right rear corner of the trailer and knocked the wheels from under it.

Highway Patrolman Bill Angel estimated damages of \$500 to the car and \$75 to the trailer.

A truck owned by Jerrel Haberer of Littlefield and driven by Ivan Dale Weaver of Amherst slammed into a Bailey County electric pole Saturday afternoon when Weaver went to sleep while driving.

The '68 white truck was traveling southeast on U. S. 84 near Sudan when the truck ran off into the right ditch and hit the utility pole. Angel estimated damages of \$1,500 to the truck and \$100 to the pole.

Corduroy In Fashion Parade

'World of Fashion' for is parading an ex-ample of fabrics, includ- ing corduroy," reports Lady Phillips, County Home

ration Agent. Corduroy is a washable, all- purpose fabric which is one of the most popular fabrics made today. The market is Du- rable corduroy made of polyester fibers. Cor- duroy is a long-wearing quality fabric that makes it one of the most popular fabrics for

men. It will spotlight the scene in long pants, jackets, jump suits and pants. Corduroy is a great fabric for sport coats as well as for coats. Corduroy is washable and easy to care for, but there are a few things to follow.

Wash the garment often be- fore it becomes too heavily soiled. Turn all garments in- side out to avoid lint clinging to the pile.

When machine washing cor- duroy, use mild detergents, warm water and a short cycle. When hand washing, squeeze suds through fabric and rinse by pressing water out; never wring or twist corduroy. Group similar colors together whether machine or hand washing.

Corduroy garments can be dried in a dryer at a medium setting but should be removed while slightly damp. Hang on a hanger, smooth in shape and allow to dry thoroughly.

When dry, brush in one di- rection to fluff up the pile. If pressing is necessary, use a steam iron, holding it slightly above the fabric on the right

side. If using a regular iron, press on the wrong side with a damp press cloth.

Crushed Patents Require Special Sewing Technique

Crushed patents, a favorite fabric for rain garments and sportswear, requires special techniques for sewing, advises Lady Clare Phillips, county home demonstration agent.

A pattern with few seams makes it easier to manipulate the vinyl-type fabric. Raglan or kimono sleeves are easiest, but some of the crushed patents are soft and pliable enough to sew set-in sleeves.

The pattern should be altered to fit before the garment is cut. Seams cannot be let out without damage to the fabric.

When fastening the pattern to the fabric, place pins in seam allowances only or tape the pattern to the fabric. Cut with sharp shears.

Mark darts, seamlines and other construction details with chalk or a pencil on the wrong side of the fabric. Use a grease pencil when making markings on the right side. These can easily be wiped off.

A medium-sized machine needle and 10 to 12 stitches per inch are satisfactory for top stitching on crushed patents.

A piece of tissue paper placed between the shiny or right side of the fabric and the feed-dog of the machine prevents damage to the fabric when stitching. The tissue paper can easily be torn away when stitching is completed.

Finger press seams and darts, unless the label on the bolt or roll of crushed patents states that the fabric can be pressed with steam or a warm iron.

Both zippers and buttonholes can be used on crushed patents. The centered application makes a flat zipper closing.

Hems can be top stitched or slip stitched in place to the backing of the fabric.

Follow the fabric manufacturer's care recommendations for cleaning.

Some vinyl-like fabrics can be hand washed, while others need to be wiped clean with a damp cloth. If linings are used in the garment, they should require the same care as the outer fabric.

EARLY DIAGNOSIS

Special educational techniques for hearing handicapped children usually are more effective if a youngster starts using the aids while he is very young. For this reason, early diagnosis of hearing losses in infants is very important.

FOR 3-AA MARBLES

Olton, Floydada In Showdown

By GARY BRYSON
 Leader-News Sports Writer

This week the two powerhouses of the AA class will meet head on in a game that probably will determine the 3-AA championship.
 Olton, sporting a 6-0 season and a 3-0 loop record, will travel to Floydada to face a team with exactly the same record.

Olton will have a very powerful team to deal with, in fact, one that is ranked number two in the state in the class AA polls. Steve Stockdale, the Mustang playmaker, will be up against Floydada's top running back in Walter Harris, an Avalanche-Journal Player of the Week.

AREA SERVICEMAN

Technical Sergeant Gary A. Crabtree, son of Mr. and Mrs. R. R. Crabtree of Bartlett, Ill., has been decorated with his second award of the U. S. Air Force Commendation Medal.
 Sergeant Crabtree distinguished himself by meritorious service as a personnel technician at Hickam AFB, Hawaii. He was honored during ceremonies at Norton AFB, Calif., where he now serves with a unit of the Military Airlift Command which provides global airlift for U. S. military forces.
 The sergeant, a 1956 graduate of Naperville (Ill.) Community High School, attended North Central College and Indiana University at Kokomo, Ind.
 His wife, Arvita, is daughter of Mr. and Mrs. Paul Galvan of Littlefield.

Winner of this contest will be a candidate to go to the state playoffs in Class AA.

THREE of the eight area teams stayed at home last week-end resting up to open their district play. Of the other five only two managed to bring in a victory. Olton's sixth straight win was over a tough Abernathy team that had not lost a loop tilt. Olton overpowered the Antelopes in the last period to chalk up the 27-20 win. Sudan was the other victor with a 59-6 stampeding of the Hart Longhorns.

Springlake-Earth met with defeat at the hands of Vega's Longhorns 25-21. The loss all but knocks the Wolverines out of the district contention. Littlefield took a beating from Friona, 13-0. Whitharral was the only other team to play and they went under to the Gail Coyotes, 50-22.
 Amherst, Anton and Bula all rested Friday. They will all begin district action this week-end.

OLTON'S MUSTANGS showed Abernathy how to pull a win out of the fire in the closing minutes of that game. It was a see-saw battle throughout the entire game with the Antelopes taking the initiative in the first period. Behind by seven points, Olton drove 61 yards to score, but the Mustangs missed the extra to trail in the first quarter 7-6.
 In the second period, Olton dove 72 yards before a Steve Stockdale to Luis Rey pass netted the TD. This time the extras were good to give the Mustangs a 13-7 halftime lead. Midway through the third period the Antelopes again scored, and made the conversion, to lead, 14-13.

Olton broke the scoreboard again in the fourth quarter to give them a 20-14 advantage. Abernathy countered with a TD and missed on the extra to knot the score, 20-20. The Mustangs then controlled the ball for six minutes before Stockdale passed the winning score to Rey.
 Olton led in all the statistics by a great margin. They compiled 28 first downs, 322 yards rushing and 109 in the air. Stockdale completed nine out of 16 passes. These stats compare with six first downs for the Antelopes, 69 yards rushing and one out of four passes for ten yards.

FRIONA turned two of Littlefield's fumbles into scores Friday night to hand Littlefield a sixth straight defeat. The 13-0 loss will keep Littlefield out of contention for the district crown, even if they should win the rest of their games. The Wildcats now stand at 0-3 in the loop. Dimmitt will visit the Wildcats this week for Littlefield's homecoming game. Dimmitt holds a 1-2 district record.

VEGA'S Longhorns came calling on Springlake-Earth's Wolverines Friday night and spoiled the Wolverine homecoming, as well as their hopes for the district crown. The Wolverines tried to reconcile a poor showing in the first period

EIGHTH GRADE LOSES PAIR

Frosh Top Olton, 25-8; 7th Maroon Wins

The Littlefield 9th grade came home from Olton Saturday with another victory. The Little Cats defeated Olton by 25-8. The 7th Maroon tore into the 7th White Monday evening and came out with a 34-8 win.

The 8th "A" and "B" hosted the Plainview Estacado teams Tuesday night and both lost. The "A" went under 36-0 and the "B" was downed 28-0.

THE RUNNING of Kenny Owens, Pat Henderson and Terry Bryson did the trick for the 9th grade Cats. Owens picked up 144 yards in 17 carries, Henderson gained 67 yards in 12 tries and Bryson hit the line eight times to gain 42 yards. Bryson picked up the first Littlefield TD on a three-yard run in the opening period and Kelly Pratt kicked the extra point. Owens got two of the Wildcat TD's on scampers of 18 and 15 yards. Henderson gained nine yards in making the final score.

The Cats picked up 15 first downs through the game and completed two of five pass attempts for 31 yards. The Cats rushed for 236 yards. The Littlefield defense jumped on four Olton fumbles while the offense only lost one.

Kenny Owens was named as a standout on both offense and defense. Along with him on the offense was Henderson and Bryson. On the defense was Leo Herrera and David Kessler. The 9th will next host Tulia on Oct. 29 and will be out

to better their 2-3 won lost record.

THE 7TH MAROON just outran the White team in the game played Monday. The Maroon picked up 308 yards rushing and 12 first downs to 78 yards and 9 firsts for the White. The White did outpace the Maroon by 22 yards to eight.

Both teams had an ample amount of their passes snatched away from them. The Maroon intercepted five passes and the White grabbed off two. The Whites' only score came in the third period when Albert Ayala scampered 29 yards for the TD. Doug Perrin ran for the two extras. Loyd Chapman started off a 22-point scoring spree in the second with a 28-yard run. Chapman ran for the extras. Later in the game Chapman scored on a 47-yard scamper.

Angel Sanchez scored one TD for the Maroon and Ken Turner ran for the extras. John Baiza scored twice, on runs of 38 and 28 yards.

Baiza, Chapman, and Jasper Colbert were the offensive standouts for the Maroon team. Perrin and Reginal Payton were the stars on the White. Ken Turner, Chapman, Davy Trotter and Sammy Schlottman were the Maroon's defensive standouts while Lonnie Twitty, Brad Banner and Jerry Stamps starred for the White.

The Maroon is now 4-1 as a team while the White is 0-5. Combined the 7th Grade is 0-1. The next game for each will

be against the other at 5:30 this Monday. They will only have one more game as a combined team, that will be Nov. 10 at Abernathy.

THE LITTLEFIELD 8TH "A" took a drubbing by Plainview's Estacado 8th and the "B" was downed by Estacado in games played in Littlefield Stadium Tuesday night.

The "A" team was outrun in the 36-0 skunking by 237 yards to 56. The Estacado team picked up 14 firsts to the Cats four. The "A" attempted eight passes and completed only two for 14 yards. Estacado completed three of ten attempts for 61 yards. The "A" lost three fumbles while the Plainview squad only lost two.

Buddy Jungman and Jerry Soria were pegged for the stars offensively. Jungman gained 51 yards rushing and Soria picked up 16. Tommy Hutson and Jimmy Stanford were named as defensive standouts.

THE "B" SQUAD also met with a powerful running attack with the other Estacado squad. Plainview gained 170 yards on the ground to a -29 for the Cats. Estacado picked up only seven firsts to the Cats' four. In the passing department the Cats picked up 16 yards on three of seven completions. Estacado gained 10 yards on one of four complete.

Jerry Feagley was a standout on both offense and defense. On offense he gained 15 yards

on 7 carries. Glenn Smith and Stanley Patterson stood out on the defense.

The "A" now stands at 1-3 for the season while the "B" is 0-3. Both teams will play

this Tuesday in a contest to be equally as rough. They will travel to Plainview to take on the Coronado teams there. The "A" will play at 6 p.m. and the "B" will play at 5 p.m.

Safety Sticker Deadline Near

Texas motorists, whose vehicles display motor vehicle inspection stickers bearing the numeral "10", have until midnight, Oct. 31, to have the vehicle reinspected.

Motorists who drive cars without a valid sticker after the deadline are in violation of the law and can be fined as much as \$200.

Mechanical Stripping Fast Harvest

Mechanical stripping and spindle picking makes for a faster cotton harvest than when it was done with hand labor. One advantage of this faster harvest is lost, however, unless a complete stalk destruction program immediately follows the completion of harvests, advises County Agent Buddy Logdson.

Shredding and plowing under all refuse left after harvest, he notes, will deprive insects of a source of food and hibernation quarters. Too, soil moisture storage will be more efficient. An important piece of equipment in a good stalk destruction program is the type of shredder used.

Tests conducted for a number of years at Texas A&M University show that the conventional vertical shaft shredders do a good job; however, if you are in the market for a shredder, the county agent suggests investigating the flail type machines. It has a horizontal shaft and free swing flails which do a much better job of destroying green unopened bolls which are favorite overwintering quarters for insects.

If you use a vertical shaft shredder with knives, be sure it is in top operating condition. This includes sharp knives

in good condition and a tractor with sufficient power to pull the machine and maintain the proper rpm on the shredding mechanism.

And finally, if the stalk destruction program is not carried out immediately after harvest, then more demand is placed on seedbed preparation and tivation operations. Important, insect problems can be minimized.

Texas has 190,000 oil wells in 5,500 fields.
