e standpoint of gross income, year, aided by generally favorable weather conditions, by more intensive use of fertilizers and insecticides and by more effective use of mechanized equipment. As a result, gross farm income in the

past year was some \$14,226,000 greater than it was in 1967. The facts and figures, showing how the

local area fared in comparison with others, are contained in a survey of farm incomes, released by the Standard Rate and Data Service. It lists total receipts in Lamb County

from farm operations in the past year at \$74,634,000, as against the earlier gross of

That was the gross return, before any allowances for taxes, labor costs, equipment and supplies.

It represents the overall receipts from the sale of farm products, together with government payments and the value of home-grown foods consumed on the farm.

The increase in the three years, amounting to 23.5 percent, was more than was achieved in many farm areas. The average rise, in the United States, was 13.9 percent. In the West South Central States it was 21.6 percent.

Of the total received locally from the sale of farm products, approximately 75

Merchants Plan Two Meetings

Two important meetings for Littlefield businessmen are set back to back for Thursday night, Oct. 7, in the Reddy Room of the Southwestern Public Service

At 7 p.m. Littlefield merchants will plan

this year's Christmas promotion. At 7:30, or immediately following the Christmas promotion meeting, there will be a program on shoplifting and hot checks. J. B. Hare from the Small Business Administration in Lubbock will show films on shoplifters and hot check artists and answer questions from the

Bill Payne, Chamber of Commerce manager, said since the Christmas season is almost here employers and employees should be especially interested in the second part of the meeting.

hat's Your Guess h First Freeze?

first freeze for this year come The first freeze of 1970 came on earliest freeze on record. thermometer dive to below the mark this month? Temperatures 25 degrees on Oct. 13, 1969. reeze hold off until next month? est freeze date recorded is Nov.

lonal prophets at the National

spent hours figuring the probability of the first freeze this year. According to NWS employees, there is a 50 per cent probability of a freeze here on Oct. 13 with the probability increasing to a 90 per cent chance on Oct. 28.

Over the past 76 years, the average earliest date with temperatures 32 degrees or below is Nov. 3.

Well, there's a range there of 51 days over the years 1894 through 1970 — with the mercury taking the freezing dip at almost every date from Oct. 7 through Nov. 27. On what date will thermometers dive to

the freezing mark? The best guess is worth money in Security State Bank's "Freezer"

Wildcats Dehorn Lockney, DEFENSIVELY, the Cats had a host of Littlefield's Wildcats followed a shaky center Allen Grisham and his lead man,

first half with a 17-play, 80-yard touchdown drive in the third quarter and went on to smash the previously unbeaten Lockney

Longhorns here Friday night, 28-0. It was the first District 3-AA game for both teams, and Littlefield joined Floydada, Olton and Abernathy in the winner's circle on the first weekend of 3-AA warfare.

The Wildcats held a 7-0 lead at the half, but it was an edgy one because Lockney twice knocked at the touchdown door in the second period.

"We almost lost control of the game in the second quarter," Coach Blakely conceded Saturday morning. "We could have been behind 14-7 at the half."

But that big drive in the third period upped Littlefield's margin to 14, and the Wildcats tacked on 14 more points in the final stanza.

"I thought our kids showed a lot of poise and character in the second half, because they went out and re-established our control," Blakely pointed out.

THE WILDCATS kept the ball a little more than seven minutes during the third quarter TD drive, and they kayoed Lockney's plan to take advantage of the wind.

a big factor all night, was the key to the drive that gave Littlefield a twotouchdown cushion. FB Ralph Funk, who carried 40 times for

School Sets Visitations

It's back to school for parents this week and next, with back-to-school nights set for all five Littlefield schools.

Elementary I observes the first back-toschool date Tuesday, Oct. 5 when all parents and friends of Littlefield students are invited to visit their children's schools and teachers from 7:30-9 p.m.

Primary and Elementary II will both have back-to-school night from 7:30-9

o'clock Thursday, Oct. 7.

Back school at lattlefield High School is Tuesday, Oct. 12, from 7:30-9 p.m., and Littlefield Junior High invites friends and relatives to school on Thursday night, Oct.

All members of the Primary P-TA are invited to attend a short business meeting in the teacher's lounge of the Primary Building at 7 p.m. on Oct. 7, before the visitation.

Suggestion boxes will be posted in all of the schools on back-to-school night, and those attending may write out questions, criticism and ideas which will be used as the basis for a panel program "Who Says Our School Won't Listen to Parents" which will be presented Nov. 18.

Questions and suggestions may be addressed to any of the panel members. James Settle will represent the school board, Joyce Oliver will answer health questions, Daryl Roundtree and Jerry Blakely will speak for the music and attiletic departments.

Two Injured

In Accident Two Littlefield men, Alvin R. Streety of 1217 W. 5th and Horace B. Merrifield of 1114 W. 6th are in the Medical Arts Hospital for treatment of injuries received in a two-vehicle accident on the Spade

Highway just before noon Saturday. At press time Saturday, a hospital spokesman said Streety was being observed for possible internal injuries, and Merrifield was being treated for a fractured hand and multiple contusions and abrasions.

The accident occurred just outside the city limits on FR 54 when a 1961 Ford driven by Leo Carnes Burton of 719 E. 5th Street pulled from his eastbound parked position on the south shoulder of the road into the westbound path of the 1966 Ford pickup driven by Streety.

The pickup hit the right front of the Burton vehicle, then went into a side skid and overturned on its right side.

Burton said he had been digging worms for a planned fishing trip and did not see the pickup when he pulled onto the highway to make a U-turn.

Highway Patrolman Bill Angel investigated the accident

stars, headed by tackle Danny Estrada, linebackers Matt Giles and J. E. Johnson. guard McNeese and cornerbacks Mike Carter and Hartley The Wildcats displayed their best pass

rush of the year, and they needed it because Lockney QB Tony Ford hit on 8 of 18 passes despite pressure.

Facing the best offense they have met this year, the Cats limited Lockney to 108 yards on the ground and 104 in the air, while rolling up 326 by land and 15 by air on QB Jay Trammell's only pass attempt of

LITTLEFIELD stopped Lockney's opening possession of the game, then went on a 71-yard touchdown drive. Trammell's pass to Giles for 15 gave Littlefield a first down at the Lockney 38.

Funk went the last eight yards and Littlefield had a 7-0 lead with 6:15 left in the first quarter.

Lockney came right back, sticking to the ground on the running of Charlie Mathis and Pat Bennett, to drive into Wildcat territory

From the Wildcat 32, Ford hit a pass to Mathis to the 22, and then a half-thedistance penalty gave Lockney the ball at

Ford then threw to Tight John Clark at the Littlefield one, but the play was rubbed out by an illegal procedure penalty. A third down pass looked like more trouble for the Cats, but it got past a free and clear HB Morris Ridley

Facing fourth and 14, Longhorn Dart

KOZY KITTEN catfood may be good to the last drop, but things got a mite too cozy for this kitten Friday morning when he tried to eat the food down to the last bite in the can and got its head wedged in so tight that J. K. McCurdy, 510 W. 1st Street, had to yell calfrope for the kitty and call the dog catcher to come extricate the cat from the can. The animal warden pulled the can off, and the cat shook its head in a big thank you and went about its rat killing.

Burglars Hit At Sudan

County officers are probing two burglaries in the Sudan area.

The Sudan High School agriculture shop and the Beck Gin office, located south of Sudan, were both broken into late Thursday night or early Friday morning.

At the ag building, entrance was gained by breaking the window on the west side of the building. All of the change was taken from the soft drink and candy machines and approximately \$2 was missing from the teacher's office after the door knob

was broken off and the office entered. Also missing were a six and one-half inch Black and Decker skill saw, a Rockwell sabre saw, two 12" screwdrivers, three 6" screwdrives, two 4" screwdrivers, and more than three cartons of peanuts and candy.

The tire tool that was used in breaking in was left at the scene.

At the Beck Gin office, a screen was pried off and the window broken on the southeast side of the building to gain entry.

The change box in the soft drink machine was removed, and two peanut machines were broken into. Missing items included a quarter-inch Black and Decker drill and a G.E. radio.

The screwdriver used to gain entry was

left at the gin office.

Sage Advice

Editor's note: The Sandhills Philosopher on his Johnson grass farm has some reflections on the state of the United States this week, approximately.)

A man who can't find something to complain about in this country just isn't trying, but some people, according to an article I read in a newspaper last night when I found out the new television season is about the same as the last one, have so much to complain about they'd like to

Twelve per cent of the population, according to a Gallup poll, would like to pull up stakes and move to another country. They say there's too much pollution, too much inflation, too much social unrest, etc. in the United States.

I got to thinking Where would they go, for example, to escape pollution? There's not a major river in the world that isn't polluted, from the Thames in England to the Rhine in Germany to the Seine in France. The Nile, the Danube, you name it, it's polluted. Why, I read just last night that the once beautiful lakes of Switzerland are so polluted all swimming has been banned and circuses won't even let

MEMBER

their elephants wash off in them.

How about inflation? According to figures I've got right here in front of me, in the last five years inflation in the U.S. has increased living costs 25 per cent. In Japan the increase has been 30 per cent, in England 32 per cent, in Brazil 40 per cent. Rents have risen 40 per cent in France, meat has gone up 58 per cent in England, 33 per cent in Australia. Hospital costs have skyrocketed all over the world except in some parts of Africa where they don't have hospitals.

And so it goes. Anybody hunting for a pollution-free, inflaton-free country isn't left with much outside the moon, and it might be well to remember automobiles up there cost 8 million dollars apiece.

However, say these Americans who want to leave the country do happen to locate a place that meets their standards, a country with no pollution, no inflation, no social unrest. just about a perfect place. Before they pull up stakes, un-plug their

ty and start to move there, they maybe ought to first find out if that country would

MRS. CLARA THOMPSON

Services for Mrs. Clara Thompson, 91, a former resident of Tulia and Canyon, and sister of Mrs. Mattie Axtell of Earth were conducted Thursday at Adair Funeral Chapel in Tucson, Ariz.

Graveside rites were held Saturday morning in Rose Hill Cemetery in Tulia. Mrs. Thompson died about 6:15 p.m. Wednesday in a hospital at Tucson, Ariz. Rev. James T. Carter, pastor of First United Methodist Church of Tulia officiated, and burial was under the direction of Wallace Funeral Home.

Survivors include a daughter, Miss Sarah Thompson of Tucson, Ariz.; three brothers, Gordon Jordan of Amarillo, Henry Jordan and William Archie Jordan of Tulia; a sister, Mrs. Mattie Axtell of Earth; and two grandchildren.

JIMMY MARC ELLIS

Graveside services for Jimmy Marc Ellis, 11-day-old son of Mr. and Mrs. Jimmy Don Ellis of Lubbock, and grandson of Mr. and Mrs. Reece Lowery of Paris, former Littlefield residents, were conducted Friday afternoon in Littlefield Memorial Park.

Rev Bert Homer, pastor of Diamond Oaks Baptist Church in Fort Worth, officiated. Burial was under the direction of Franklin-Bartley Funeral Home.

The infant died about 7:05 a.m. Thursday in West Texas Hospital in Lubbock. Survivors include his grandparents, Mr.

and Mrs. Reece Lowery of Paris and Mr. and Mrs. James Nichols of Lubbock; great-grandparents, Mr. and Mrs. G. D. Ellis of Muleshoe, Mr. and Mrs. Albert Odell of Lawn, Mrs. Jessie Miller and Mr. and Mrs. H. A. Nichols, all of Lubbock.

The way we were going to help out, I definitely remember hearing President Eisenhower say, was to send technicians and military experts to advise.

That was a long time ago,

Just the other day, now that lots of water, lives, money and time has gone under the bridge and the whole world knows where Vietnam is, I read some startling similar words by South Vietnam's President Thieu Thieu. (That man is just to, too much.)

What we need is not more men but more equipment to cope with what we met in Laos-heavy artillery and tanks. I mention tactical air support, B-52's, helicopters. We do not expect any participation of U.S. infantry troops by the end of 1972. What we need is technicians, advisers, maintenance people for tasks that we cannot do."

Gee, how wearily familiar Thieu Thieu

But maybe it's all been worth it. Did you know that in just a few days

there is going to be an honest, open election in that little country named Vietnam? Now the people don't have a choice of candidates. There were to have been two others, Minh and Ky, but they have been carefully outmaneuvered and eliminated. But still, a voter has a choice of voting

for Thieu Thieu or leaving the ballot blank

THE ABUNDANT LIFE= Be Watchful

THERE IS ALWAYS good reason to be watchful. In fact, there are many reasons to be watchful. This is not to say that we should live scared, because such living does not make much of a life. It does mean that the world of people in which we live is filled with dangers and pitfalls.

We must be on guard constantly, because we will suffer too much loss if we become careless. "The simple believes everything, but the prudent looks where he is going." Bible.

MANY PEOPLE CANNOT be trusted. Of course, we are thankful for the persons who are trustworthy; but nothing is more foolish than assuming that everybody can be trusted. There are people who will take what we have; who will harm us; who will lead us astray; and who will deceive us. We must accept this unpleasant reality, and be alert to make sure that we outwit these people

If we could trust everybody living would be a happier experience, and an easier experience, too. Some people can be trusted, but it is not always easy to determine which ones they are. The reality of life makes it necessary that we wait until individuals prove themselves. Even when they do, it is not wise to trust them

WISE DISTRUST and constant watchfulness are the parents of safety. We owe this to ourselves, to those who may be depending upon us; and this watchfulness is essential to an effective, on-going life for us. Whether we like it or not, our trust in others must be a restrained trust. Some

are worthy of our trust, but Everything of value must be and considered with the grains watchfulness, or it will be in valuable things are lost anyward else, wisdom teaches us to be about what we permit to enter a and lives. This must be our in individual defense, because III help in coping with the living of

"ETERNAL VIGILANCES III liberty."-T. Jefferson now, wt. true this is; and we wish that we more watchful. Even now, with our liberties greatly abridged asseem to be any more walches have been.

A price must be paid in order as good part of life, and beag "vigilant" is a big part of this post most free from danger, who was on his guard." P. Syrus.

MANY GRIEVOUS EXPERI can be completely avoided always watchful. This vigilate made a part of our sustained be fact, let it become part of of this, we lose nothing worthship able to save much that would sha

MRS. LARRY MOFFETT

Miss Clark Bride Of Larry Moffett

vows with Larry Dee Moffett Saturday evening, Sept. 25, in the Crescent Park Church of Christ of Littlefield.

Bob Wear, minister, officiated for the reading of the nuptials before an archway entwined with greenery, and adorned with turquoise bows featuring white hearts in the

Flanking either side of the archway and steps leading to the altar were candelabras holding white tapers, and decorated in the same motif as the archway.

White hobnail votive cups, holding white lighted candles, and turquoise bows were placed at the end of the pews. The entrance to the aisle featured baskets of spider mums worked in with white net hearts.

Parents of the couple are Mr. and Mrs. A. S. (Gus) Clark of Littlefield, and Mrs. Elsie Mae Moffett of Merkel.

'Whither Thou Goest" and 'Faithful and True'', were the musical selections presented.

The bride, presented in marriage by her father, wore an accessories. Empire style wedding gown of peau de soie and chantilly lace with a slightly belled skirt. The high "old fashioned" neckline was designed with a sheer yoke inset and lace medallions centered with pearls. Long scalloped rows of lace extended down the center front of her dress, around the hemline and the train, which fell from her

waistline to chapel-length. Her full Bishop sleeves featured cuffs that came to a point, and were accented with lace medallions, and pearls in Pep Slates sequin centers. Lace also extended over the shoulders of her dress, and above the elbows of the sleeves. Her chapel-length veil of silk illusion came to a point in back, and was caught to a headpiece of clusters of Lily of the valley, interspersed with lace petals. Chantilly lace

outlined the entire veil. She carried a bridal bouquet of white spider mums and stephanotis with white satin streamers, and a detachable corsage

Mrs. Bob Hunt of Plainview attended her sister as maid of honor. Bridesmaids were Miss Cheri Kierce of Littlefield, and Mrs. Ken McCormick of Plainview

Jill Yarbrough of Amherst

was flower girl. attendants were fashioned in turquoise Empire styled, floor-length, gowns of sa de peau designed with triple belled sleeves and embroidered

In the Electric Climate

Put in electric heating and we'll give you an electric dishwasher.

Put clean electric heating in your single family residence and we'll give you an electric dishwasher to clean your dishes. You may choose either a built-in model or the convertible in your choice of colors - Dark Copper, Avocado, Harvest Gold, or White. We'll deliver it to your door and you take care of the installation as you see fit.

To qualify for this "most wanted" appliance, the dishwasher, you need only be a customer of Southwestern Public Service Company and put permanently installed, whole house electric heating in your present or new home with installation beginning not later than December 1, 1971, when the offer expires.

Call us this week for complete information on the desirability of comfort electric heating. Don't miss out on the opportunity to receive an electric dishwasher free of extra cost!

Enjoy clean living in the electric climate.

If you already have a dishwasher-don't despair. We have a substitute you'll like.

Loophole Found Farmers worried about the

new laws concerning brakes on

cotton trailers can relax. The legislation exempts farm trailers or farm semitrailers operated or moved temporarily upon highways solely to transport cotton when gross weight does not exceed 10,000 pounds and when the speed of such trailers does not exceed 30 miles

per hour. The term gross weight means the combined weight of the trailer or semitrailers and the weight of the load actually carried on the highway.

The human heart rests about eight-tenths of a second between each contraction.

. . . WILDCATS Continued from Page 1

Carthel tried a 31-yard field goal, but it

was short and wide

LOCKNEY kept the upper hand in the second quarter, with QB Ford almost hitting a 52-yard touchdown bomb to Clark, and with the booming, with-thewind kicks of Cleo McGee keeping the Cats pinned deep in their own territory.

McGee got one kick out-of-bounds at the

Wildcat 2, and the best Wildcat Punter Giles could do against the stiff breeze later was a 31-yarder out to the Cat 38. The Lockney aerial artist hit Clark with

a shot to the Cat 30 with three seconds left in the half. Then Ford sent End Bill Hill on the fly and hit him at the Cat 5. Alan Mackey

came fast to knock Hill out of bounds at the

3 as the half ended.

THE SECOND HALF saw Littlefield take command, stopping Lockney's possession on three plays and a 53-yard punt by McGee.

From the 20, Littlefield made its way methodically, spending up the clock as the 195-pound Funk displayed some of his hardest running of the year.

Once at the Lockney 29, Funk carried 230-pound Lockney tackle Ramiro Hernandez on his back several strides before breaking away for an 11-yard gain.

Behind the blocking of Blevins, Giles and McNeese, Funk ripped for a first down at the six, but the Lockney defense stiffened. On fourth down from the one, Funk hit a Lockney wall at the goal line, but managed to slide off into the end zone.

Hobratschk's true conversion made it 14-0 with 3:25 left in the third quarter. Lockney came driving back to the Littlefield 29 on the next possession, but the Cats' big pass rush made Ford burry a fourth down throw

Littlefield, despite two penalties, moved the ball out to the 36 as the fourth period got under way

Giles, finally getting to kick with the wind, spiraled a punt 61 yards, out-ofbounds on the Lockney 3.

Mathis brought the Horns out of the hole with a 25-yard run, but three downs later McGee was called on to punt. This one went 25 yards.

THE CATS took over at their 44, but a penalty pushed them back to the 30. Littlefield cranked up the offense again,

with Funk going 23 yards to the Lockney 47, Hartley going twice for seven, and then Funk again on a pair of 15-yard runs.

Funk climaxed the action with a fiveyard TD run, Hobratschk converted and it was 21-0 with 5:12 left.

Lockney came fighting back, and the Longhorns reached the Cat 8 when Mathis ran for 22 yards

The Wildcat's Carter broke up what looked like a sure Lockney TD when he tipped a pass away from Hill at the last

On fourth down, the big pass rush got to Ford again, with Ricky Sanchez nailing the Lockney passer at the 20 for a 12-yard

The Cats had the ball with two minutes left and Funk cranked up again, running down the west sideline for 17 yards. Then

Hartley carried twice for five. On third down, Funk went straight up the middle, cut to his left and went all the way, outrunning Lockney's Ford as he sped the last half of the 58-yard run.

That made it 28-0 with 30 seconds left, and the Cats had their 1-0 District 3-AA record, and a 3-1 season mark, in the bag.

yard run with 1:55 left on the clock.

Two downs later Glasscock intercepted a Hornet pass and ran 20 yards for the final Wolverine touchdown. The extra point

GAME AT A GLANCE STATISTICS First Downs Rushing Yards Yards Passing Total Yards Passing Attempts Completions intercepted By Fumbles Lost Penatites. Avg.

IT TAKES A lot of Longhorns to buildog Ralph Funk, 195-pound Littlefield tailback who rushed 40 times for 282 yards in the Wildcat's 28-0 win over

THIS PASS completion on the last play of the first half was almost a Lockney touchdown. Alan Mackey (13) rushes over to knock the Lockney receiver out of bounds on the Littlefield 3-yard line.

OFFICIALS RULED a completed pass, then a fumble and a recovery by Lockney on this play which carried Lockney to the Cat 34-yard line late in the third quarter. Defenders were Mike Carter (85) and Dennis Hartley

RALPH FUNK drives for yardage and manages to keep his balance a few more steps in Littlefield's win over Lockney Friday.

Wolves Top Sudan In District 3-A Opener

Springlake-Earth's Wolverines dumped the Sudan Hornets, 27-6, at Springlake-Earth in the opening District 3-A game.

The Wolves ran their season record to 3-1 while Sudan had to settle for a 2-2 ledger. Wolverine scoring ace Hoyt Glasscock added two more touchdowns to his collection as he scored twice against Sudan. One TD was on an interception.

Springlake-Earth opened the first conference game with a score by Mike Cleavinger on a 12-yard run with 6:38 left in the first period.

Glasscock booted the extra for a 7-0 lead for the Wolverines. A short punt by the Hornets put the

Wolverines in good field position and Glasscock scored on first down on a 30yard scamper with 4:38 left in the first

Glasscock booted the extra to give the Wolves a 14-0 lead.

The Hornets lost the ball twice in the first half on fumbles and once on an interception by Wolverine Guy Davis.

Springlake-Earth lost the ball once in the

half on an interception by Mike Hedges. The third quarter belonged to the Hornets as they allowed the Wolverines only eight plays in the first period of the

second half. The first play in the fourth quarter was a fourth down pass by Hornet Bo Lance, but it was intercepted by Larry Thomas on the

Wolverine three-yard line. On the next play Sudan Tackle Hedges charged the Wolverine Line and recovered fumble on the one-foot line.

Bo Lance plowed through for a Hornet

TD with 11:46 left in the game. Lance missed the one point conversion, and it was 14-6.

The Wolverines scored twice with less than two minutes left in the game. Greg Slover crossed the goal on a 27-

Thursday night. Olton Opens District With Win Over Friona

Olton's Mustangs opened District 3-AA play with a bang at Friona Friday night, rolling up a 23-13 win over the previously unbeaten Chiefs.

Olton took a 6-0 lead in the first period on a 12-yard run by Fullback Marios May. Friona came back with a 39-yard touchdown run by Mike Royal, Bill Drake tacked on the extra for a 7-6 Friona lead at the end of the first period.

In the second quarter, QB Steve Stockdale kicked a 22-yard field goal to make it 9-7 and give Olton the lead for keeps.

The Mustangs added a pair of touchdowns before the half as Favian Minjarez scored on a two-yard run and Stockdale assed two yards to Randy McCoy. Stockdale converted after each score and the Mustangs had a 23-7 lead at halftime.

The only scoring in the second half was a one-yard dive by Royal to cut Olton's lead

Olton ran up 17 first downs to Friona's 12. Total offense was Olton 320, Friona 236. Stockdale completed 11 of 25 passes for 175 yards to complement a 145-yard

Friona rushed for 190 yards, but got only

Dawson Dragons Slay Whitharral Panthers

The Whitharral Panthers traveled to Dawson Friday and got a 53-0 spanking in eight-man football. The young inexperienced team had

plenty of company as they spent most of the game on their end of the field and Dawson plagued them with various plays around the end. Dawson's passing game was foiled by

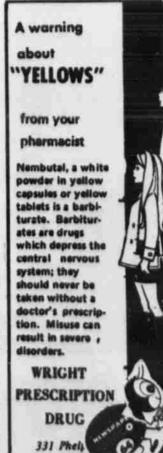

the scrappy Panthers. Quarterback Carl Hoelsher, Fullback James Hayes and Lineman Freddy Forbus

were outstanding players for the Panthers. Whitharral has an 0-4 season record and will host Garden City Friday.

46 on four pass completions out of 16 tries. Stockdale punted 8 times for a 36 yard average, while Friona kicked 7 times for a

32-yard mean. The win gave Olton a 1-3 record for the

year. Friona is 2-1-1.

leat And Potatoes Are Favorite Dishes

among residents of Lamb County, meat potatoes rate tops as the favorite

respite the fact that meat costs more it did 10 years ago, it is in greater and than it was then.

is estimated that the annual comimption of meat in the local regional area erisen from approximately 144 pounds capita in 1960 to around 167 pounds y, based upon figures obtained from Department of Agriculture.

As for potatoes, the annual intake is now that 116 pounds per person as compared to 107 pounds 10 years ago.

to the economists, more frequent use of out in the diet is a sign of a rising stanal of living.

with the increase, it now takes some tons of meat and close to 1,003 tons of

potatoes per year to satisfy the appetite of the Lamb County population.

With respect to other staples in the diet, the national figures show that Americans are eating 316 eggs per person and consuming 272 pounds of milk and cream annually.

Although the last two years were pretty much of a standoff in the race between rising incomes and rising costs, most families in the local area appear to be in better shape, economically, than they were back in 1960, and able to live better than then.

This is to be seen by comparing how much can be bought with today's average paycheck and how much the 1960 one bought.

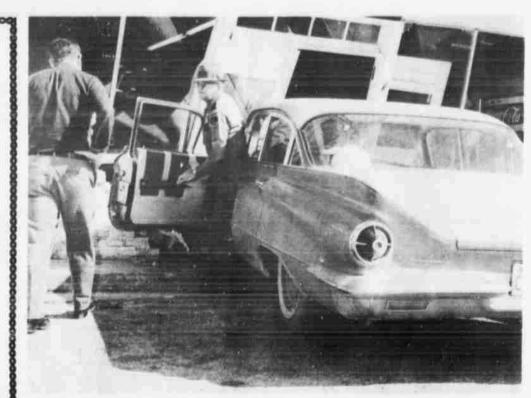

At the present scale of hours and wages,

a working man doesn't have to toil for as long a time as he did before in order to provide for his family, according to figures

from the Department of Labor and others. For example, to purchase a combination of goods and services consisting of two quarts of milk, two pair of nylon stockings, a man's wool suit, three pounds of round steak and a house visit by a doctor requires about 26.7 hours of worktime on the part of the average Lamb County wage earner.

This is considerably less time than would have been needed in 1960, because local incomes have risen 84 percent since then, much more than prices have risen.

The same market basket of goods and services would require more worktime, 30.2 hours, elsewhere in the United States.

LINDA DRAKE was driving up to Perry's Laundry to park this car when the brakes went out Tuesday morning. The car hit the south side of the laundry, destroying the entrance door and the plate glass windows on both sides of the door. Damage to the store front exceeds \$1,000. An ambulance took Mrs. Drake to the Littlefield Hospital where she was treated and released.

PCG Works On Better Cotton Program

rations of Plains Cotton Growers. ned at formulating legislative be used in securing an acceptable ent cotton program to succeed aw, officially began in Lubbock with a meeting of the 25-county roducer association's 11-man ve Committee.

mith of Littlefield is committee

esent cotton program expires with crop, so the development of a new must begin in 1972, Smith told the "And whatever success we e in getting the best program for ins cotton will depend a great deal well we do our advance rk," he said.

ng with the committee at Smith's was one of the nation's most respected cotton economists, Dr. M.K Horne of Memphis, Tenn.

Dr. Horne retired last year from the staff of the National Cotton Council, but at the request of the Council's Producer Steering Committee is now directing an indepth study of cotton's economic position and outlook, strictly from the viewpoint of cotton producers.

Smith invited Dr. Horne, he said, because I believe his knowledge and the eventual results of the study he is directing can increase our understanding of the economic factors affecting cotton production, prices and markets, both in this country and abroad. And the better we understand these things the better position we will be in to determine the kind of government program needed.

Dr. Horne's study, slated for completion in December of this year, is divided into

five "work projects," utilizing the ex-pertise of nine well-known cotton economists. From these separate works Dr. Horne is assigned the task of putting together a single, comprehensive report

for the Producer Steering Committee.

Two of the projects, Horne said, are assigned to marketing research economists with the U.S. Department of Agriculture. One will address itself to the supply situation, primarily to examine the size cotton carryover that is required each year to assure cotton's efficient movement into marketing channels. The other will consist of a "broad measurement" of offfarm costs in the cotton system, by areas of production and by the function of each cost-producing operation.

Project number three, headed by Gaylon Barker of the NCC staff, is an intensive study of consumption volumes that could

be expected at three different price levels for raw cotton, 23, 28 and 33 cents per pound. This information will be compiled for each of the 20 leading cotton uses.

Charles Russell of the NCC is doing a similar study of U.S. cotton sales in the export markets at three price levels, 18, 23 and 28 cents a pound.

Current production costs, the outlook for production costs, and possibilities for actions to reduce production costs over the next few years is the subject of the fifth study, directed by George Townsend, also of the NCC.

The other four economists, selected from universities located in four different sections of the cotton belt, are "looking over the shoulder" of these project leaders to assure that their individual reports do not conflict with regional considerations in cotton's economic picture. Dr. T.R. Timm

othony's DOLLARD

of Texas A&M was chosen from the South west area.

Dr. Horne emphasized that his job was not to propose a specific program or programs for cotton, but to "submit to the Producer Steering Committee an economic appraisal of various alternatives that may be available to the industry.

"And of course it will be up to the Producer Steering Committee and others in the industry as to what use is made of the report," he said.

Smith said other meetings of the PCG Legislative Committee will be called to evaluate Dr. Horne's report when it becomes available and to assess the legislative climate and other factors that will influence future government programs.

Trotline Tag Law Is Not Confusing

A new regulation requiring trotlines placed in public waters to be tagged with the name and address of the owner and the date the line was placed in the water need not be confusing, according to Leo Lewis, fisheries staff assistant for the Texas Parks and Wildlife Department.

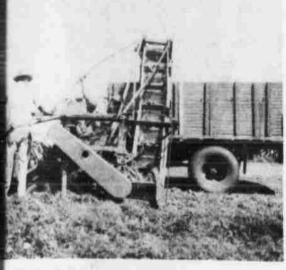

Many fishermen use an aluminum or brass plate steel-die stamped with the necessary information. They work well except for having to stamp out new ones if the line is taken from the water and later set out again.

One of the best markers for temporary or permanent use is a white piece of plastic cut from a laundry bleach bottle and marked with a laundry marking pen. The plastic is as durable as the line itself and the ink stands up to the salinity of the water very well.

Lewis recommends tying the tag to the line with the same type of line used for the

label or hangtag for m stating wateril-based stains will the fabric surface. can be easily blotted

And, if you're considering velvet for upholstery fabric, a spotshed treatment is also available. According to the specialist, it makes liquids, such as syrups, inks, ketchup and soft drinks, easy to remove from the surface with a clean cloth and water. Oil or grease stains will respond with a little cleaning fluid.

Remember these finishes are not miracle workers, Miss Bradshaw cautions. If you let stains set for a period of time, you may have a hard time removing them. So wipe up spills immediately to take advantage of the special

Purple Cards!

Play As Many Cards As You Wish

IN CASH BINGO BUCKS

DIFFERENT COLORED CARDS EACH WEEK: The color of the cards changes each week. To be a winner, you must play Bingo cards of the correct color for that week. Mutilated or altered cards will not be honored, ALL 24 NUMBERS ON A CARD MUST BE MATCHED TO WIN. CHANCE DETERMINES NUMBERS: Bingo numbers for each week's game are drawn or random at the office of this newspaper. Some duplication of Bingo numbers may appear merchants' ads-or elsewhere in the paper. This duplication does not affect the game or let numbers drawn. All numbers for each week's game will appear somewhere in the spossing numbers drawn. chants ads-and possibly elsewhere in the paper. Employees of this newspaper shi member is families are not eligible to win any of the prizes. Newspaper Bingo is a program copyright registered by Marketing-Research Associates. Minneapolis, Minnesota.

HOW IT WORKS ...

PICK UP FREE BINGO CARDS: Each week (adults only, please) pick up your FREE Bingo cards from any of the sponsoring merchants listed below. Rules of the game allow the merchants to give you only one card on each store visit. However, you may make as many visits as you wish each day of week. THE MORE CARDS YOU PLAY-THE BETTER ARE YOUR CHANCES OF WINNING.

HOW TO PLAY: Check the ads in each week's issues of The Leader -News. The ads of the merchants listed below will contain one or more "Newspaper Bingo" numbers in the "Bingo Bug" symbol (shown above). Occasionally numbers, in the "Bingo Bug" symbol, may be found elsewhere in the newspaper. Be sure to check the Classified Ad section for additional numbers. IF YOU CAN MATCH (JUST CIRCLE OR "X" THE MATCHING NUMBERS) ALL 24 NUMBERS ON ANY ONE OF YOUR BINGO CARDS WITH THE NUMBERS PUBLISHED IN THE SUNDAY AND THURSDAY ISSUES. OF THE LEADER-NEWS-YOU HAVE A "BINGO"! - AND YOU ARE A WINNER!"

AT LEAST \$50.00 WEEKLY!!! Winners will share a weekly prize of \$50.00 (in "Bingo Bucks" - they spend the same as cash with any of the sponsoring merchants listed below). If there is only one winner, he wins all of the \$50.00. If there is more than one winner, all winners will share the \$50.00 in equal amounts. If there are no winners any week, the \$50.00 weekly prize will be added to the following week's prize fund. CHECK EACH ISSUE OF THE PAPER: Each game is complete in each week's Suday in a sday's issue of The Leader-News. A new set of Bingo numbers will be published each set if sponsoring merchants ads and possibly elsewhere in the paper. A new color of Bingo card in week's game will be available at the sponsoring merchants' stores. To be eligible to via year play Bingo cards of the correct color for that week's game. The color of the cards for each means will be appounded on this name. game will be announced on this page.

BEEN MATCHED WITH THE NUMBERS APPEARING EACH WEEK IN THE SUMM

THURSDAY'S ISSUES OF THE LEADER-NEWS, print your name, address, phone number of the store where you got your winning card, and mail to this paper at Box 72, 12000. Texas 79339 the envelope containing your winning card must be received by \$100 p.m. 70000 the following week) or bring your winning card to the office of this newspaper at 313 W 65 for Littlefield. Texas by 5:00 p.m. Tuesday of the following week.

atting a chill in the Early symptoms of carbon monoxide poisoning include yawning, headache, nausea, dizziness, ringing in the ears, and abdominal pains. Gaspy breathing and unconsciousness quicky follow. The victim should get fresh air immediately and should be kept lying down and warm. A physician should be called promptly, and inhalations of oxygen or oxygen-carbon dioxide mixture administered.

Since the nerve cells are involved in the poisoning, temporary or permanent ne 30 Texans died damage can be done to the monoxide brain, with serious disturbances of vision, hearing, speech, and

Steve Owens Gets home. New NMMI Rank

One Littlefield youth was among the sixty-five New Mexico Military Institute Enochs community. He will be cadets who received promotions in cadet rank this past weekend.

Authorized to immediately begin wearing the stripes or emblems of their new rank by special order of the Colonel Eben R. Wyles, Acting pump pulling machine. Superintendent, was Cadet Sergeant Steven T. Owens, the son of Mr. and Mrs. Buster Owens Jr. of Littlefield.

Cadets are promoted on the merit of their military proficiency, academic achievement and displayed leadership potential. Open slots in the cadet chain of command are filled from the ranks of eligible cadets, who assume the privileges and responsibilities of their new rank immediately upon promotion.

Supper Fetes Young People

The Littlefield YWA's of the First Baptist Church met for a progressive supper, Wednesday, Sept. 29.

Hors d'oeuvres and fruit juice were served in the home of Miss Pat Glazener, where new members were welcomed, prospects were assigned, and the prayer calendar was presented by Miss Gail Williams, prayer chairman.

Following the entree at the home of Miss Williams, Miss Shelia Harrell was hostess for the dessert course.

Miss Williams introduced the program for the day by playing 'What the World Needs Now' while Miss Harrell, program chairman, read a modern version of the Love Chapter, I Corinthians 13:13.

A short skit was presented by Miss Harrell and Miss Cathy Nelson, after which the program was brought to a close with a prayer led by Miss

Present were Misses Lyn Ann Bussanmus, Pat Glazener, Shelia Harrell, Kim Jungman, Cathy Nelson, Tandy Talbert, Beth Williams, and Gail Williams, and Mrs. Aaron Williams, counselor.

Cub Scout Meet At Sudan Tuesday

A rally meeting to reorganize the Cub Scout program in Sudan will be held on Tuesday, Oct. 5 at 7:30 p.m. in the Sudan School cafetorium.

Parents of all 8-9-10 year old boys are invited to bring their sons to this meeting.

Program Director Warren Green of the South Plains Boy Scout Council will be present to lead the rally
