LITTLEFIELD VS. ROOSEVELT

Bi-District Battle At Lubbock

District 3-AA Champion Littlefield will meet Roosevelt, 4-AA winner, for the bi-district title next Friday night at 7:30 at Lowrey Field in Lubbock.

Officials of the two schools met in Lubbock Saturday morning to determine the neutral site.

"We couldn't agree on a home-and-home flip of the coin," said Coach Jerry Blakely, "because the Roosevelt stadium seats only 800 on the visitors' side."

The only coin toss of the meeting came when the coaches determined which would be the home team at Lowrey Field. Littlefield lost the flip, and will be the visiting team.

WILDCAT FANS will sit on the west side of the stadium. Adult tickets will be \$2 and students will be admitted for \$1. There are no reserved seats, and no

tickets will be on sale in Littlefield. Ticket offices at Lowrey will open at 6:30 p.m. Friday.

The Lubbock Chamber of Commerce provides the field, tickets, programs and ushers at no cost to either school.

BOTH TEAMS will go into the contest with 8-2 season records and 6-1 marks in their respective districts.

"They're a very, very good team," said Blakely, "particularly on defense. They'll be the best team we've met, other than Floydada, and on defense, they'll compare with Floydada."

The winner of the bi-district clash will meet the victor between Phillips and Childress the next weekend in regional Class AA play.

Wildcats Quell Indian Attack

Everything came up roses for the "Comeback Kids" from Littlefield Friday night.

The Wildcats of Coach Jerry Blakely cinched a District 3-AA co-championship, an 8-2 season record, and the right to meet Roosevelt in the bi-district round of the state playoffs.

Things rounded off nicely for the Wildcats as they put down an uprising by the Morton Indians on the Redskins' home grounds, 28-7.

BLAKELY'S CREW ran their season scoring total to exactly 250, while limiting the opposition to 50 in the 10-game schedule.

And Ralph Funk grabbed individual honors for the entire South Plains in scoring all four Littlefield TD's and rushing 301 yards in 45 carries.

The performance brought the Wildcat tailback's season totals to 150 points and 291 ball totes for 1,718 yards—almost a mile of rushing yardage.

It was quite a comeback for the entire Littlefield team, which lost nine straight games last year before getting a win over Morton in the season finale.

AND THE CATS had to come back from a 7-0 deficit Friday night as Morton came out with visions of an upset.

But Littlefield, locked in a 7-7 tie at halftime, returned to bury the Indians with a second half grinding offense and a defense that squeezed the Indian ground game in half.

The Wildcats couldn't quite come off with a full hold on the 3-AA title, because Floydada rallied to defeat Abernathy, 7-3, and end the year with a 6-1 mark, same as the Wildcats.

But Littlefield's previous victory over Floydada sent the Cats into the playoffs for the first time since 1966, when Littlefield fell to Vernon in bi-district.

"WE DIDN'T have one of our better games," said Coach Blakely, "but the boys did the job they had to do in the second half."

The Wildcat mentor said the offense "didn't execute well" and that the defense had a poor tackling game in the first half.

"Morton was ready to play and we weren't. We were fortunate to win," Blakely said.

"Funk ran well, and Dennis Hartley did a good job of blocking. On defense, Allen Grisham and Jerry Cox (front four members) had pretty fair games."

THE WILDCATS gave Morton a good opportunity early, fumbling their opening possession away with only 45 seconds elapsed.

Morton quickly took advantage from the Littlefield 39, driving the distance in seven plays. Larry Thompson drove in from the 1-yard line, after Elton Patton set it up with a 14-yard run.

Littlefield missed a scoring chance on its next possession, when Split End Mike Carter, open at the Morton 20, couldn't find the handle on QB Jay Trammell's first pass of the game.

The Indians took over at their 20 following Matt Giles' only punt of the night, a 53-yarder, and drove to the Wildcat 27 before defensive end Chuck Blevins recovered an errant pitchout at the Cat 31.

Littlefield fumbled it right back at the 36, but a 15-yard penalty and a stiffening Wildcat defense stopped this Morton threat.

THE CAT OFFENSE took the nod from the improving defense, and drove 80-yards in five plays, with Funk breaking a 53-yard touchdown run.

Area Gins Await Late Crop Harvest

At this time last year many farmers were through gathering their cotton crops and ginners over the entire county were 50 to 65 per cent through.

Through Friday of this week, not more than a dozen bales had been ginned in the immediate Littlefield area.

Where the bale count was high this time last year, not enough cotton has been harvested or ginned at this time to warrant a survey.

The current cotton crop is two to three weeks later than normal due to inclement

planting conditions. Add to that this year's late Nov. 7 freeze, with no really killing temperatures yet, compared to the 1970 Oct. 7 freeze date.

On this date last year, the cotton classing office in Lubbock was running from a week to 10 days behind with 137,000 bales unclassified.

A check at the Littlefield Farmers Co-op Gin in Littlefield showed only six bales ginned so far this season. Only three grade cards had been returned, with the predominant grade strict low middling light spot, averaging one inch staples and 3.2 micronaire.

The Lamb County Farmers Co-op had ginned only three bales through Friday and the only grade returned was a strict low middling one-inch with a 3.6 micronaire.

The largest number of bales ginned in Lamb County thus far this year have been in the Beck Gin area where crops were badly damaged by a hail storm in October.

Adrian Martin at Beck reported 550 bales had been ginned through Friday afternoon, and all of these came off hail-beaten crops. Grades are low, with returns showing strict low middling straight spot and low middling straight spot.

Some crops in the Beck area was crisscrossed with hail during three separate storms in August, September and October.

Approximately 100 bales of dry land cotton had been ginned in the Pep area through this week.

As a general rule, machine harvesting of cotton crops begins about 10 days after the first killing freeze. If favorable weather continues, the cotton harvest will be in full swing soon.

'March-A-Thon' Slated Monday

Approximately 400 band students from area cities are expected to attend a "Contest March-A-Thon" in Wildcat Stadium Monday night, beginning at 6 p.m.

Band students will undergo a mock contest in preparation for their UIL marching contest in Lubbock Tuesday and Wednesday of this week.

Band Boosters will operate a concession stand at the stadium, and all guests at the event may watch the marching free of charge.

Students are expected from Whitarral, Anton, Smyer, Levelland Junior High School, Sudan, and Littlefield Junior and Senior High Schools.

The public is invited to view and support the marching bands.

Amarillo Speaker Named For Banquet

Bill Hayes, 53, of Amarillo, formerly known author, lecturer and consultant, will serve as speaker for the Annual Chamber of Commerce Banquet, set for Jan. 29 at the High School Cafeteria.

The Annual Banquet will honor an "Outstanding Citizen", an "Outstanding Woman of the Year", and the new slate of officers for 1972 will be named.

The banquet speaker is president of the Chamber of Commerce Associates, a personnel development firm, and he has a varied background starting with 14 years in professional baseball, when he won two World Series.

Hayes served an elected term as a member of the New Hampshire House of Representatives, and as major-aid to the Governor of that state.

Hayes was twice nominated for a major office in Texas, including that of Governor.

Hayes is the author of many articles on self-development, and his book, "Your Road to Success", has sold over a million copies.

Hayes has also written numerous articles for national magazines.

Five years ago, he received an international humanitarian honor by being named the late King Peter the Second of Yugoslavia.

Hayes served as vice president of both sales and personnel development of two Texas insurance companies. His firm has completed thousands of personal surveys and buying habits of West Texans.

Choir Boosters Organized Here

"Choir Boosters" were officially organized in a special meeting Tuesday in the choir room of Littlefield High School and members are already making money-making projects.

Plans are call for a bake sale on Friday, Dec. 18. Several other projects are discussed, but no final plans were announced.

Officers for the new organization are Freddie Harrell, president; Mrs. Anderson, secretary; Ed Jennings, treasurer; and Mrs. Herbert Jennings, publicity chairman.

Members voted to meet every second week of the month at 7:30 in the choir room.

Membership dues will be \$2 per person per year, and memberships will entitle members to free admission to the choir room during the year.

The choir director is Mrs. Warren Jennings, and she will supervise the "Sound" and "The Sextets"—two groups out of the choir who will be performing for civic organizations and

home', contains suggestions that can reap a rich reward for his listeners, and it is liberally sprinkled with humor," according to Bill Payne, Chamber of Commerce manager. Hayes says, "I have the most interesting job in the world."

15 MERCHANTS GIVE TURKEYS

With Thanksgiving Day only 11 days away, it's time to be thinking turkey, and 15 Littlefield merchants are giving away a turkey in a drawing Monday, Nov. 22, at 5 p.m.

Registration for the 15 turkeys began Thursday, and every adult who registers at any of the participating businesses has a chance to win.

You don't have to buy anything, and you need not be present to win. If you win, you will be notified to pick up your turkey.

Merchants giving away turkeys are Pioneer Supermarket, Pratt's Jewelry, Tasty Taco, Roden Drug, Perry's Laundry and Car Wash, Littlefield TV Service, J. C. Penney Co., both Pay and Save grocery stores, Roberts Lumber Co., Renfro Brothers Super Market, The Fair Department Store, Gary's Gulf, Hill Rogers Furniture and Appliances, and Case Power and Equipment.

Information Sought

The Chamber of Commerce office is seeking information on past presidents of the Chamber of Commerce.

Anyone who knows who the presidents were from 1938 through the most recent years is asked to call the C-C office, 385-4451.

Quail Date Question Is Finally Resolved

At one time Thursday, there were three "official" quail hunting dates for Lamb County, according to Pat Donnelly, game warden.

But the issue was resolved, and the Texas Parks and Wildlife Department in Austin declared their supplement to the 1971-72 Hunting Digest showing the 76-day quail season in Lamb County invalid, and the 46-day season set by the Lamb County Commissioners' Court binding.

The question arose after the quail season for Lamb County was set after the state put out its supplement on quail saying Lamb County's season would be from Dec. 1 through Feb. 15.

The supplement was mailed last week, and the Court didn't act on the setting of the quail season until Monday of this week.

The quail season in Lamb County has been under the jurisdiction of the commissioners' court for the past several years following an act of the Texas Legislature.

In a regular session Monday, the four county commissioners tied their vote two for and two against on the questions of

whether the season should be set by the Texas Parks and Wildlife Commission and whether Lamb County should have a 76-day season as proclaimed by the Commission.

County Judge G. T. Sides settled the dispute on both issues by voting against turning the setting of the season back to the Texas Parks and Wildlife Commission and voting to disapprove the 76-day proclamation. By disapproving the proclamation, Lamb County's quail season reverted to the old general law of 46 days, or Dec. 1 through Jan. 15.

Hunters questioned the county decision since the supplement arrived in the mail two or three days before the commissioners' court met and because the supplement did not show Lamb County to be under other regulations.

After spending three hours Thursday on microwave and telephone, Donnelly said the quail hunting supplement was to be disregarded and that the dates set by the commissioners' court were binding.

Thus, the quail season in Lamb County is 46 days, or Dec. 1 to Jan. 15.

Mortgage Burning Set

Members of the Irvin Street First Baptist Church in Littlefield have paid off the indebtedness on their building, and will celebrate with a mortgage burning and homecoming service Sunday, Nov. 21.

The dedicatory sermon at the 3 p.m. service will be brought by a former pastor, Rev. Walter Griffin, now of Plainview. Another former pastor, Rev. F.D. Con-

wright of Floydada, will lead the dedicatory prayer.

Lunch will be served in the fellowship hall of the church following the morning worship hour, and the special service will begin at 3.

Mrs. Barbara Simington will serve as master of ceremonies for the event, and Mrs. Eula McCarty will present a history of the church and its progress through the 18 years it has served that community.

Special music will be presented by the church's choir, the youth choir, R. Cassidy of Levelland, George Hearne Jr. of Littlefield, the Floydada Baptist Church Choir, Galilee Baptist Church Choir, and the United Baptist Church Choir of Plainview.

Among the featured speakers for the afternoon are the pastor, Dr. W.A. Terry, Quentin Hodge, William McCarty of Paris, Norman Jackson of Brownfield, J.C. Mason of Littlefield, James Holmes of Littlefield, and Rev. J.J. Josey of Littlefield.

"We are inviting all of our former members to come and take a part in this service", concluded the pastor.

ROTARY SEEKS BOOK DONATIONS

The Littlefield Rotary Club is now collecting books for its annual book sale.

Persons who have books to donate to the sale may call 285-4474 and a member of the Rotary Club will come by and pick up the books.

Proceeds from the sale will go to Rotary community projects.

MRS. C. H. MESSER makes floral arrangements by the hundreds. In addition, she is active in garden club work, and sometimes gives groups demonstrations and is called on from time to time to judge creative efforts of others.

Her Hobby Is Flowers

Mrs. C. H. Messer has been making arrangements — flowers that is — for more than 10 years.
 "When you're left alone, you need something to do to keep from feeling sorry for yourself," Mrs. Messer said.
 So Mrs. Messer surrounds herself with flowers, containers, wire, styrofoam and florist clay, and time on her hands become decorative floral arrangements for others.
 Mrs. Messer is called simply "Messer" by many of her friends, and she claims she lives up to her name.
 She started making flower arrangements even before she got her sales license in 1962. "My husband lived three and a half years without raising a finger," she said, "so I really got started in this business before he died."
 Mrs. Messer's living and dining rooms at her home on the Springlake Highway are covered with flower arrangements. She guesses she has at least 125 arrangements made up most of the time. "I had company the other night, and I had to clear the card table for a place to eat," she laughed. "The dining table was completely covered."
 "No, I don't make a living at it," she admitted, "but I have a lot of fun. When I need something, it gives me an excuse to get out and go places. And people come by here."
 "I've been asked why I don't put in a shop," she said. "But I don't want to be tied down. When I want to go somewhere I can go, and I don't have to stay here and work."

Texas Tau Chi Sorority Welcomes New Pledges

Texas Tau Chi Chapter of Beta Sigma Phi held a Preferential Tea Sunday, Nov. 7, in the home of Jane Maddox, honoring all new pledges of the sorority.
 The serving table was centered with an arrangement of yellow long stemmed roses. Cake and spiced tea were served from a silver service. New Pledges attending were Dot Simmons, Bonnie Stephens, Wynelle Champion, Judy Vaughn and Linda Sinnacher.
 Texas Tau Chi members present were Linda Merrifield, Jeni D. Brunson, Glenda Young, Kathie Fitzgerald, Jane Maddox, Kathy Eddings, Carol Brooks and Mary Lynn Kochanowsky.
 Exemplar Chapter members present were Veda Walker, Paula Schroeder, and Carolyn West.

Record Crowd Attends XYZ Club's Luncheon

A Thanksgiving luncheon, given by the XYZ Club for senior citizens, was attended by a record crowd of 45. Five were visitors and three were new members.

Guests were Mrs. Mary E. Tidwell of Lubbock, Mrs. Jack Hicks, Lamb County librarian, Mrs. Katherine Priboth, Mrs. Hazel Cole and Mrs. Ruth Burk. New members included Mr. and Mrs. Virgil Reed, and Mrs. Lena Logan. Mrs. Rose Bass registered those attending.

The invocation was given by U. E. Kelly, and Mrs. Kay Houk brought a Thanksgiving devotion.

Mrs. Hicks spoke on the different types of books available at the local library. Among the books that she displayed were several books with larger type for those with poor vision.

Mrs. W. M. Davis, president, presided during the business. Officers elected for 1972 were Mrs. Addie Abernathy, president; Mrs. L. L. Brawley, vice president; Mrs. J. W. Wisdom, secretary; and W. M. Davis, treasurer.

New officers will be installed at 2 p.m., Friday, Dec. 10th. Mrs. Flora Bessie Boone will serve as installing officer. The program will include an exchange of Christmas gifts, each gift not costing more than \$1.

BUTLER
Congratulations to Mr. and Mrs. Jim Butler of Amarillo on the birth of their new baby girl, Kristen Elizabeth. Kristen was born at High Plains Hospital in Amarillo, Nov. 6, weighing 7 lbs., 6 3/4 ozs. Paternal grandparents are Mr. and Mrs. Wayne Butler of Littlefield, and maternal grandparents are Mr. and Mrs. Joe Chambers of Amarillo.

LITTLEFIELD HOSPITAL OFFFIELD
Nov. 5 at 8:17 a.m. a new baby girl was born to Mr. and Mrs. Robert Offield. She weighed 7 lbs., 1 oz.

SATURDAY, NOV. 20
"We, The Women" will hold their annual food fare at 9 a.m. until they run out of food, in the Old Knit Shop, next door to Clark's Restaurant.

12 Accidents Investigated On Highway

The Texas Highway Department investigated 12 accidents on rural highways in Lamb County during the month of October, according to Sergeant Man Keffer, Highway Supervisor of this area.

These crashes resulted in one killed and eight injured.

The rural traffic summary for this county the first ten months shows a total of 78 accidents resulting in five persons and 42 persons injured.

The rural traffic summary for the 60 counties of the Lubbock Department of Public Safety Region, October, 1971, shows a total of 12 accidents resulting in 24 persons killed and 294 injured. This was 36 more accidents, 14 less fatalities and 26 more injured than September.

The 19 traffic deaths occurred in the following counties: Carson, four; Lubbock, three; Robert Wheeler, two each; Hale, Parker, Stoneham, Hemphill, one each.

POPCORN
According to latest released by the United States Department of Agriculture, more than 462 million pounds of popcorn harvested from acres per year.

YLOVIA WILLIAMS, state president of the Ladies Auxiliary to the Veterans of Foreign Wars, will speak here today during the District Thirteen VFW meeting. Mrs. Williams is from Lubbock and was elected and installed as the head of more than 20,000 members of the women's organization at the state convention in San Antonio.

WINTER PASTURES
Grazing management is a key item in the proper utilization of winter pastures. Winter pastures produce a top quality forage and should be grazed with livestock that have high market value. Grazing should be withheld until winter is approaching so that pastures have time to become thoroughly established and to make sufficient growth.

Guidelines Needed

Not long ago, I witnessed a play at the Hayloft in Lubbock in which the bride-to-be locked herself in the bathroom and wouldn't come out for the wedding, despite repeated pleas from her parents.

Dad threatened to break down the door. Mom cried, and it was all very funny. But the bride-to-be didn't budge, didn't even answer her parents' distraught requests.

The folks couldn't get a point, any point, across.

IN THE PAST WEEK, it's been my impression that the point hasn't been coming across in the controversy about whether the Wildcat Band is allowed to play "Southern Special."

That tune with a few bars from "Dixie" is stirring up more noise than it merits. I don't know all the facts about why the song isn't allowed. I doubt that anyone does.

Whether the song is played or not, in my opinion, is not the real issue.

Fitting somewhere into all this puzzle is a point that should be made about "respect for authority."

All of us have to learn it at some point, because there are laws to obey, and trouble on the way if we do not respect them.

With the decision now made, at two

different levels, not to play the song, the ruling should be respected.

We parents have an obligation, I think, to teach our children respect for authority. It's not the same thing as bowing to every puff of wind, either.

When the time comes that authority can no longer be respected, there are orderly changes that can be sought. Open defiance is not the way.

THE MORE SERIOUS question that has been brought up in the controversy over the song is, "Who's running the school?" The students most certainly should have a voice, but even more certainly, should not be allowed to run the school.

The administrators should administrate, and the school board should set the policies under which they operate.

Some guidelines between the two, administration and policy, should be set and followed.

Until they are, I'd like to offer the same two words that the groom told his bride-elect to get her out of the bathroom and to the wedding, which she did post haste: "Cool it."

—Bill Turner

THE ABUNDANT LIFE

Life Harmony

By BOB WEAR

THERE IS NO WAY to eliminate individual differences or the necessity for a certain amount of competitiveness from the living experience.

Of course, both can be, and are sometimes grossly mismanaged. This is not necessary, and it is better for all concerned to seek "life harmony."

IT IS ADVOCATED in the book "The Mature Mind" that the "project method" should be used in our schools, "so the success of each is the success of all, and the failure of each the failure of all."

The need for learning to co-operate seems to be the author's justification for this view.

CO-OPERATION is essential in many areas of life, but it does not require that everybody be pulled down to the lowest common denominator.

Life cannot be maintained on the "project method" where the success of each is the success of all, and the failure of each is the failure of all. This is not true co-operation, but fatal social disaster.

IT IS NOT either co-operation or competition; it is both. The best practical concept and practical reality is "life harmony." Let there be co-operation whenever and wherever indicated, but without destroying the natural competitiveness.

We differ in many ways. We differ in our interests; in our skills; in our mentality; in willingness to work; in judgment; in aptitudes; and in many other ways.

SOME WILL SUCCEED, and some will

fail; in a relative sense; and some seem determined to fail totally.

This failure is not necessarily the failure of all, even though it may touch the lives of many persons. The successful persons do not and cannot, in some mystical way, pass their success along to all people. It is true, however, that many will profit from this success; and, in some instances, untold thousands will be benefitted.

CUT-THROAT COMPETITION, the dog-eat-dog variety, has nothing to recommend it in the schools or anywhere else.

It must be said, however, that it is no worse than the tragedy of dragging everybody down to the lowest common level. Neither is desirable, and both will be rejected by mature, sensible people.

THERE IS A COMMON GOOD, and we have many things in common; but not all things. There is a very real degree of interdependence which must not be ignored, but this does not eliminate the individuality of individual differences.

The man who works hard, and the man who loaf, must never share and share alike. The thrifty man, and the prodigal must not be given equal prosperity.

THE TRUTH IS that wholesome competition is the only view of life that will make the necessary co-operation serve any useful purposes.

We are different in many ways, and the sooner all of us admit it, accept it without resentment, and make the best of it; the sooner we will realize the "life harmony" we desire and must have.

DEAR EDITOR

What Our Readers Think

Stand Up And Beef

November 11, 1971
Mr. Bill Turner
Editor, The Leader News
Littlefield, Texas

Dear Mr. Editor,

I can't understand people getting so steamed up over the stop signs. Evidently the city council thought it was needed, so they put it up. What burns me up so about the letters are the people that write them haven't the guts to even sign them. These unsigned letters remind me of a remark the Judge made this week in court. There were several people called to jury duty this week. I being one of them, there were several that got off for various reasons, some good reasons and some not so good. But the point that the Judge made was that the jurors that came and served their time have a right to disagree when other cases are brought up and they don't like the way they turn out, but the ones that make excuses not to serve have no right to say a thing about the way someone else does his duty. These people that don't sign their names to their letters in my opinion fits the jurors that make excuses not to serve. You haven't the right to criticize others when you haven't the guts to stand up for your own convictions.

I also notice on the front page of the paper today about the school board decisions. I wonder if some of these people haven't realized by now that the Civil War has been over for well over one hundred years. If people get so upset listening to a few bars of Dixie in a song the band is playing they can always take along a little cotton and plug their ears when these few bars are being played. There are still some of us that like Dixie. We have a band director that is well qualified to pick the music his band is to play and to be told they can't play a certain song and then given no valid reason why is getting pretty absurd. When we as citizens vote these people on the school board we feel that we are putting good people on the board that

will serve to the best of their ability but then when you read the word abstaining vote you begin to wonder. They have the duty to vote one way or the other. There is no middle of the road way of life any more. You are either for it or you're against.

This country was built and has progressed on the rights of all people being the same. It didn't get where it is today by people abstaining or middle of the roading. If you have a beef then stand up and beef about it. I guess I have aired my beefs pretty well. I am sure there are those that disagree with me, but it is their right to disagree.

Please correct the misspelled words and print my name under my letter.

Reason Wanted

November 11, 1971

Dear Editor,
We would like to thank the members of the school board who defended our rights in the matter of which songs the band plays—particularly "Southern Special."

We felt and still feel we should at least be given a reason on why we can't play this song. Everyone likes the song and it certainly helps build spirit. We feel it is unfair for something that means so much to the student body to be taken away by one person.

As for the reason that was given to the school board concerning rumors, none of the student body that we know has heard any of the rumors which could cause trouble. If one person wants to cause trouble, he can. You can make a problem out of anything.

Thank you,

Our Policy

Our columns are always open to anyone who writes a letter to the editor. The Leader-News will accept all letters that are signed, however, the name of the writer will be withheld upon request. Such letters are kept on file for inspection by anyone who wishes to see them. Letters are printed as space permits, with shorter letters having a better chance of being printed on time than those which are extremely long. The fact that a letter is printed does not mean the Leader-News necessarily agrees with the opinion stated.

Farmers Warned Of Thefts

The sheriff's office advises farmers to remove alternators, generators and batteries from irrigation motors following a rash of recent thefts.

Jimmy Rose reported the loss of five 12-volt batteries, two alternators and a generator sometime Monday or Tuesday. The equipment was valued at \$173 and was taken from irrigation wells northwest of Littlefield.

Saturday morning two farmers reported thefts. Two 6-volt batteries, a shop hammer, a 12" and 15" crescent wrench, two power handles and some sockets were taken from Burley Faver's farm southwest of Olton.

C. E. Jones reported the theft of a battery, generator, alternator and starter from a well two miles north and one and one-half east of Littlefield.

Two business places were broken into earlier in the week. The cold drink box at Tide Products was broken into and the change taken after entry was gained to the building Wednesday night by prying the east door.

The Littlefield Delinting plant office was broken into late Wednesday night or early Thursday by prying the west door. A desk drawer was pried open, but nothing was missing.

OBITUARIES

MARTHA HOLLINSWORTH

Funeral services for Mrs. Martha Elizabeth Hollinsworth, 81, of Lubbock, mother of Oscar Hollinsworth of Littlefield who died Thursday morning at Lakeside Nursing Home in Lubbock after a long illness, were conducted Saturday afternoon at the First Four-Square Church in Lubbock.

Rev. James Phillips, pastor, officiated and burial was in the Resthaven Memorial Park with Resthaven-Singleton-Wilson Funeral Home in charge of arrangements.

Mrs. Hollinsworth was born in London, Ky, and moved to Lubbock in 1928 from Saint Jo, Tex. She was a member of the First Four-Square Church in Lubbock.

Surviving are five other sons, Lank F. Hollinsworth, Johnny Hollinsworth, R. C. Hollinsworth, Ed Hollinsworth and Loyd Hollinsworth, all of Lubbock, four daughters, Mrs. Lillie Weed of Saint Jo, Mrs. Mazell Trim, Mrs. Ozell Neal and Mrs. Lois Gregory, all of Lubbock; four brothers, Tommy Hodge of Saint Jo, Green Hodge of Pueblo, Colo., L. B. Hodge of Arlington and Jimmy Hodge of Fort Worth; three sisters, Mrs. DeLila Williams and Mrs. Bessie Warren, both of Gainesville, and Mrs. Tilda Wood of Saint Jo; 26 grandchildren; 31 great-grandchildren; and one great-great-grandchild.

Grandsons served as pallbearers.

Membership Drive Currently Underway

"The 'voice' for future water for West Texas and Eastern New Mexico is Water, Inc., the non-profit educational and promotional organization," said C. A. Duval, chairman of the current membership drive for Lamb County.

"We now have a total of 78 members in the Lamb County Unit of Water, Inc., and have signed up 17 new members in the first few days of the 45-day membership drive," Duval stated.

"Water, Inc. boasts of more than 2,500 members—who are combining their money and efforts in a unique organization dedicated to 'Action Today for Water Tomorrow,'" Duval emphasized.

He continued, "Anyone who is interested in membership is asked to contact the member of the membership committee in their community. At Earth, they may contact Jerry Kelly; at Springlake, Elroy Wisian; at Olton, Percy Parsons and Kenneth Burgess; at Sudan, Alvin Messamore; at Amherst Benny Harmon; at Fieldon, Allen Yoakum; at Spade, Jimmy Duke; and at Littlefield, Roy Howell, Warren Dayton and C. A. Duval.

The county unit will meet again Dec. 3. Deriving its principal financing from membership dues, its education program is carried out, in the main, through county units.

These units, comprised of all members living within a given county, are spearheading this year's drive for members.

Dues are set on a formula basis by directors, taking into consideration the size and of the business or farming operation of the prospective member. At the present time, individual dues range up to \$5,000 per member for several larger businesses and organizations.

TOM JONES

Funeral services for Tom Jones, 72, a resident of the Springlake community for 46 years will be conducted at 3 p.m. this afternoon in the First United Methodist Church at Earth.

Rev. Charles Dunnam, pastor, and Rev. David Hartman, pastor of the First Baptist Church, will officiate. Burial will be in the Earth Cemetery under the direction of Parsons-Ellis-Singleton Funeral Home.

Jones died Friday morning at his home of an apparent heart attack. He came to the Springlake area in 1925 and resided there until 1959 when he moved to Lubbock. He then returned to the Springlake area in 1970.

Survivors include his wife, Velma; two sons, Carrol Jones of Pea Ridge, Ark. and Dwayne Jones of the home; two daughters, Mrs. Joyce Lowery of Earth and Mrs. Lynda Hall of Lubbock; seven sisters; Mrs. Elva Ellis of Monnet, Mo., Mrs. Ida Allen, Miss Ruby Jones, Mrs. Minnie Bulls and Mrs. Naomi Burgess, all of Earth; Mrs. Lessie Messamore and Mrs. Alma Moore, both of Amherst; three brothers, Joel Jones, Budd Jones, and Buzzy Jones, all of Earth; and seven grandchildren.

JEFF DAVIS

Funeral services are pending at George Price Funeral Home in Levelland for Robert Jefferson "Jeff" Davis, 62, of Tokio, Tex., who was dead on arrival Saturday morning at a Levelland hospital following an apparent heart attack.

Davis was born May 5, 1909 in Comanche, Okla., and had farmed near Pep, Pettit, Levelland and at Tokio.

He was a member of the First Baptist Church at Tokio.

Surviving are his wife, Hazel; four daughters, Mrs. John Williamson of Uvalde, Mrs. Percy Wade of Levelland, Mrs. Joe Ann Lucas of Littlefield and Mrs. Bill Stuart of Lubbock; a brother, Howard Davis of Kermit; three sisters, Mrs. Joe Moore of Levelland, Mrs. Jimmy Gibbs of Dallas and Mrs. Josephine Dillard of San Jose, Calif.; and 17 grandchildren.

Methodist Men Slate Turkey, Sausage Dinner

The annual Methodist Men's Turkey Supper will be served Thursday evening from 5 to 8 p.m. in the church's fellowship hall.

Buster Owens is chairman of the ticket sales, and urges an early purchase of the \$1.75 and \$1 tickets so that the amount of food may be determined.

Some tickets will be available at the door.

On the menu will be turkey and dressing, giblet gravy, sausage, green beans, tossed salad, candied yams, cranberry sauce, bread, pumpkin pie, and tea or coffee.

Persons wishing to take plates of food home with them may do so, as special plates for carry-out orders will be available.

HONNY GRV

By CORNBALL

I HAVE TO FEEL A little sorry for Mr. Nader & Company. They came along a little too late.

Had those guys been around in the thirties, they could have had a field day. When you think what the automobile was like then, you wonder how we survived.—But, we did and loved it!

'COURSE, YOU GOTTA be just past 39 to remember those cars.

Take, for instance, the lowly "T" model! (There are still a few of them around). The only thing safe about them was their lack of speed!

They came complete with two-wheel brakes. (That worked SOME of the time) and a steering radius rod that was an even bet as to whether it stayed coupled up or came loose. When this happened, you applied what brakes you had and covered your face with your arms.

THEN CAME THE model "A". It was a dandy little car and as tough as a boot. It would run too fast for its own good, AND, if you had a wreck with the thing, you had the comforting knowledge that the gas tank was in your lap!

Many of their owners went out in a blaze of glory.

I SUPPOSE the topper of the bunch, that I owned, tho, was an unpredictable '35 Chevy. It was a gasser!

Of course the thing was well used when I bought it.—Think I gave a whole 75 bucks for this plush vehicle.

ANYWAY, LEST YOU'VE forgotten, it was Chevy's first "Turret-Top" model. Mine was a two door, and believe me, those doors were at least four feet wide!

AND, as progress would have it, the doors opened from the front! Many hours were idled away by the street loafers, down in front of the bank, watching the ladies get in and out of them.—'Course, nowadays, they wouldn't expose anything new.)

BUT, COULD YOU imagine the shock of driving down the road at 50 plus, and having one of those doors come open?

Either the check strap broke or, you went into the ditch owned was very adept at mischief.

Being as mine was the "T" (none of that cheap stuff had that modern "Knee-Axle" front axle. This was a co-spring and shock absorber unit. Only thing, they had a of giving down and spreading bottom, like the town drunks.

"RATTLE-PANTS", as we her, had a nasty habit of she wheel (either one, she was at the most unpredictable had the nuts welded, still manage to get rid of them, or Like most females, she guessing! You didn't know on the look-out for a door fly an errant wheel taking someone's cotton-patch.—In your time would be occupied adventure to drive! Most in

DERIDE HER AS I will, TH a soft spot in my heart for drove her across country total of something like 40 roads and at speeds up to and MPH.

Praying as we went that a dependable vehicle, that our three-year-old daughter The child was in convulsions

SHE NEARLY MADE IT half mile from my brother's gave up the ghost with a hammer-like noise and the cold. I kicked her out of coasted on into his yard!

THEN, TO ME, SHE was well as a challenge, but as Nadar & Co. could have had those older models!

Actually, when I raise the our current models and protector's handiwork, I homesick for them.

THE FARMER'S

It's Not Peanut

By LIBBY MUGGETT

LADY, there just ain't nothin' free in this world. Most of you will say a hearty amen to that.

BUT IF YOU'RE one of those jillion of women who gleefully lick gobs and bobs of little tiny trading stamps and stick them in a book (provided FREE by the stamp company) and trot delightedly to the stamp redemption store in the childish belief that you're going to get a FREE gift, then you are thinking contradictorily.

Now not all women that do this think they're getting something for nothing, nor do they do it delightedly. A lot of us know darned well that we've already bloody well paid for whatever we select back at the store that first GAVE us the stupid stamps.

WE'RE SIMPLY FORCED to go through with this child's play in self defense since we've already purchased the item and to throw away the stamps would be like throwing money in the trash.

But we highly resent being coerced.

WE FEEL that it is your absence of horse sense that makes you insist on stores carrying your little paper play pretties in the fantasy-like belief that you're saving money.

Once in a while we'll find a store that refuses to go along with the whole foolish idea and believe you me, they get our trade and not as much of our money as the stores dealing with the stamps get of yours.

BUT THERE'S NOT enough stores like that.

You think that those sticky little stamps are your reward for paying cash? Don't kid yourself.

THE ONLY REWARD you can really get for paying cash is a cheaper price on an item.

Stripping Too Early Can Cause Problems

While it is understandable that producers harvest cotton early to avoid unfavorable weather, stripping before plants have time to "cure out" can cost money in reduced lint yield.

Buddy Logsdon, Lamb County agricultural agent says more lint per acre will be harvested if most green bolls are allowed to open and fluff out on the stalk rather than catching them in the green boll separator and dumping them on the turn-row.

"When considering cotton prices this year, it becomes even more important to harvest every pound we produce," Logsdon adds.

After a field has "cured out" and most bolls have opened, a little more patience can mean extra money in the pocket for cotton producers.

The idea is to wait late enough in the day that the cotton bolls have a chance to dry out before stripping.

Logsdon says that sometimes moisture in seed cotton cannot be seen or felt, but it is still there. And it can still cost the

producer money. This unseen moisture can cause three types of loss. Too much moisture during harvest usually results in less efficiency because the damp lint, leaves, stems and stalks cling together and cause lint tagging. Also, more trash is harvested under damp conditions. This damp trash causes lint staining and grade loss, Logsdon explains.

Perhaps most important, damp cotton that is stored on a trailer for more than four hours will heat. This can reduce the

seed quality and produce in a poor stand next year. The agent says moisture meter is used to determine moisture. But if a meter is not there is a simple reliable test.

The producer can handful of cotton, tightly and release the cotton fluffs over enough for stripping. Have an extra cup of wait until the cotton enough to bring top

Three Way Thrashes Whitharral Panthers

In eight-man football Friday night the Three Way Eagles won over the Whitharral Panthers, 60-20, at Three Way. The last half of the game was probably one of the best performances put on by the Panthers during the whole season as they scored twice in the third period and held the Eagles to only two TDs in the final half. The first stanza of the game was dominated by the Eagles as Larry Neutzler ran for three touchdowns and caught a pass for another. James Partlow opened the game with a 56-yard scamper for the first TD of the evening. George Duarte ran for the extras. A 29-yard blast by Neutzler gave the Eagles another 6-pointer. Neutzler came back with a 58-yard dash for his second TD of the evening. A pass from Manuel Nino to Neutzler netted five yards and another 6-pointer for the Eagles. The initial period was ended with a 39-yard scoring run by Neutzler. Durante and Neutzler each rushed for a two-point conversion in the first quarter. The Eagles opened the second period with a 20-yard pass play from Neutzler to Terry Pollard who raced 30 yards more for a TD. Duarte carried for the extra. Whitharral came alive in the second stanza with a 10-yard sprint by Carl Hoelscher. The point after failed.

James Partlow returned the Panther kick-off 72 yards and a TD. Durante ran for the extras. The Eagles went to the dressing room at the half leading the Panthers 46-6. The Panthers came up with a new game in the third quarter as Hoelscher opened the half with a five-yard charge for a TD. Mike Lopez ran for the two points after the touchdown. Ronald Pence came back for the Panthers with a two-yard blast for another Whitharral score. The PAT failed. Nino scored in the final minutes of the fourth quarter on a 50-yard run for Three Way Duarte ran for the two points.

TERRY GRAVES carries a Kress tackler a few yards during the Sudan homecoming game. Mike Hedges (61) comes in on the action for Sudan. Kress won the game in the last quarter, 30-12.

Olton Kicks Dimmitt In Final Grid Game

The Olton Mustangs stomped Dimmitt 33-6 in a home game Friday night to end their season 4-5-1 and finish district play 4-3. Mustang Marlos May scored three times to lead Olton in the loop victory. Olton got off to a slow start and squeezed out with a 7-6 margin at halftime. May scored the first of three Olton touches in the first quarter on a 10-yard run. Steve Stockdale kicked the point after. The Bobcat score came in the second quarter on a seven-yard pass from Jerry Matthews to Terry Powell. The Dimmitt PAT attempt failed. May had the crowd standing when he returned the opening kickoff of the second

half 85 yards for an Olton touchdown. Steve Stockdale booted the extra point. Before the third quarter ended, May scored again on a four-yard run. The TD followed a 59-yard drive set up when Robert Ahrens intercepted a Dimmitt pass and returned it to the Olton 41. Again Stockdale's talented toe added the extra point. Split receiver Collin Johnson scrambled 22 yards in the last stanza for another Mustang TD. The point-after attempt failed. The final touchdown concluded a 56-yard drive on six tries. Sophomore quarterback Vic Allcorn passed to sophomore split receiver Dale Parsons for the last tally.

GLASSCOCK LEADS S-E

Wolves Dump Happy

Senior fullback Hoyt Glasscock blasted across the goal line three times and booted two extra points plus adding a two-point conversion at Happy Friday night to lead the Springlake-Earth Wolverines to a 42-12 win over the luckless Cowboys. The scoring spree boosts Glasscock's standing in South Plains scoring, where he was the third leading scorer over the entire area before the Friday night game. This was the final game of the season for both teams. The Wolverines finished the season with a 7-3 record and are 5-2 in District 4-A loop play. Happy wound up 5-5 for the season and 2-5 in district.

Glasscock made his touchdowns on runs of 30, 1 and 4 yards. Larry Thomas, a junior back, gave fans a preview of what they may expect next year as he barreled over for a Wolverine TD from 33 yards out in the first quarter and passed 26 yards to Greg Slover in the fading moments of the game. Senior back Mike Cleavinger scrambled five yards in the fourth quarter for another S-E score, and center Barry Pittman tackled Cowboy Steve Cole in the end zone in the last frame for a safety.

Bula Schedules Turkey Day Tilt

In six-man football, Coaches Loyd Hallbrooks and Pat Risinger will pit their District 4-B champs against Highland in a bi-district game Thanksgiving day at Sudan. The game will start at 7:30 p.m. Bula and Highland are both undefeated in gridiron action. Highland has 24 members on its roster, six being seniors. Bula's roster consists of 11 players, two seniors, four juniors, four sophomores and a freshman. Highland will use the seniors for starters with the heaviest weighing 200 pounds. The Bulldog's heaviest starter also weighs 200 pounds. Both teams will be rather even in the weight department. Bula won the toss and will be the home team Thanksgiving Day.

Lazbuddie Blasts Bulldogs, 38-0

The Amherst Bulldogs were blanked 38-0 by Lazbuddie, the Number Two team in District 3-B at Lazbuddie Friday night. Quarterback Ricky Seaton sparked the Longhorns as he passed to Loy Dale Clark for 25 yards and a TD. The PAT failed. Seaton returned a punt for 75 yards and another six-pointer. The points after failed. Arthur Graves scored the third time in the first quarter on a 61-yard scamper. The PAT was no good. Graves scored again in the second period on an eight-yard run. Mark Barnes kicked the extra point. Barnes scored on a two-yard run for the Longhorns last TD in the first half. Seaton passed to Barnes for a 24-yard pass play for the only score in the second half of the game. Barnes kicked for the point after. The Amherst Bulldogs will host the Anton Bulldogs in their final game in District 3-B football action next Friday.

Anton Trips Swifts, Grabs District Title

In District 3-B, the Anton Bulldogs, clinched the playoff berth by downing Nazareth, 32-8, at Anton, Friday night. The Bulldogs romped for 284 yards against the Swifts. Tommy Betts carried the ball 17 times for 139 yards to lead the rushing for Anton.

Anton controlled the first half as they scored three times and blanked the Swifts the first two quarters. Alvin Williams crossed from the one yard line for the first Bulldog TD but the points after failed. Betts scored for the Bulldogs in the second period on a 33-yard run. The PAT failed. Leroy Medlock collected a pass from Brent Couch and charged 19-yards for the final TD in the first half. Couch passed to Bill Walthall for a two-point conversion. Nazareth's only score in the game came in the third period as Pete Gonzales ran 34 yards for a TD. Neil Dobmier crossed over for the extras. In the fourth quarter, Anton scored on a 13-yard pass from Couch to Medlock. The PAT failed. The final Bulldog TD was on a 40-yard pass play from Couch to Medlock and the extras failed. Anton travels to Amherst Friday for their last district game before going into bi-district action.

Final Quarter Gets Hornets

The Kress Kangaroos rallied in the fourth quarter to spoil the Sudan Hornets homecoming, 30-12, at Sudan Friday night. The keyed up Hornets opened the initial period of the game by scoring twice and held the Kangaroos on two drives that were stopped inside the 10-yard line. Roger Boyles charged 12 yards to open the game for Sudan with 7:10 left in the first period. The PAT failed. Gary Edwards scored in the final seconds of the first stanza on a drive from the one yard line for Sudan's second TD. The try for the extras failed. Mike Motherall dove over from the one-foot line for Kress' first TD of the game. Harley Terrell ran the extras to narrow the margin to 12-8 at the end of the first half. Neither team scored in the third quarter, but Kress rallied in the fourth by scoring three times. The first TD was on a 18-yard run by Weaver McClure and Roy Jackson scored twice on 70-yard runs to clinch the win. Terrell's two TDs were iced with two-point conversions on a pass from Terrell to Motherall and a cross over by Terrell. The win gives Kress a tie with Vega in District 3-A. Vega will represent the district in bi-district play.

"You've got to stop yelling 'Ouch' every time you get hit."

IT'S A TOUCHDOWN and the ballcarrier is Ralph Funk, barreling in behind Dennis Hartley, shown blocking Morton's David Palmer (70).

IT'S RALPH FUNK gaining and Porfirio Cristan (12) blocking as the Wildcats rolled up 345 yards on the ground against Morton. In the background is Wildcat Scott McNeese (75).

IT TAKES A LOT of Indians to cope with Littlefield's durable Ralph Funk (21), who rushed for 301 yards in 45 carries Friday night. Funk brought his season rushing total to 1,718 yards in 291 tries.

A BIG CROWD gathered at the fieldhouse to cheer District 3-AA's new champions after the ball game Friday night. The Wildcats meet Roosevelt for the bi-district title.

VARSITY FALLS

JV Slaps Shallowater

The Littlefield JV ended their season by ripping the Shallowater varsity 34-8 there Thursday. The first quarter was a defensive stand off. Then tailback Pat Henderson opened the scoring on a 21-yard trot, and Leon Hodge passed to Danny Cushion for the extra points to make it 8-0 at half-time. Henderson got on the board early in the second half with a 14-yard TD and scooted the JV ahead 14-0. Shallowater ran back the kickoff 95 yards for their only score. Kenny Owens lunged three yards for another Littlefield TD and Cushion kicked the extra point for a 28-8 lead at the end of the third quarter. Henderson scored again in the last quarter on a 9-yard run and Cushion added the extra point. Littlefield's final score was on a pass play from Kelly Pratt to Gary Brown for 40 yards. The win was the fifth in a row for the JV and gives them a 6-4 record. The JV rushed for 356 yards to Shallowater varsity's 90. Littlefield completed three of six passes for 62 yards for a total of 418 yards against 161 for Shallowater. In the first down department, the JV piled up 25 to the varsity's 8.

Henderson carried 27 times for 163 yards; Kenny Owens made 96 yards on 14 attempts; and Leon Hodge got 81 for 14.

Freshmen Finish Season With Win

Littlefield's Freshmen closed out the 1971 season on a victorious note, defeating the Shallowater Frosh, 32-12, at Shallowater Thursday evening. Jerry Soria scored the first two Cat TD's on runs of five and seven yards. Buddy Jungman ran a 12-yard touchdown and Rodney Logsdon scored on a three-yard plunge. Littlefield held a 24-6 halftime advantage. The other Cat tally came in the third quarter on Jungman's 8-yard sweep. Jungman passed to Ricky Hodge for the two extras. Outstanding offensive lineman was Meredith Boyd, and the standouts on defense were Doug McCain, Stanley Patterson, Danny Moore, Jimmy Lopez and Hodge, said Coach Robert Bolton. The victory gave the Frosh a 2-5-1 season record.

WILDCAT

Continued from Page 9

it was deadlocked at 7-7 with 8:10 left in the first half. From there until the half, the defense allowed Morton only two possessions, and in both Wildcats drove 66 yards to the only to fumble away a scoring left. So the teams went to the dressing room with the tie on the board and a 2-1, Littlefield. But it had become apparent Wildcats were beginning to take the front four of Grisham, Estrada and Ricky Sanchez, also versatile Blevins, began to show Morton offense. The Cats lost Blevins in the second half with what was termed a mild concussion but the team physician said the senior tackle probably would be in action next weekend against

THE WILDCATS and Indians favored to each other early in the quarter. Morton fumbled on the first from scrimmage and Giles ran the Indian 24. Two plays later, a pass was picked off by Thompson Indian 10. Morton rolled back to the end zone before Giles was the man on the recovering for Littlefield at the end zone. It took the Wildcats eight plays to negotiate the 54 yards, with starting it with a six-yard run finishing it off with a six-yarder. Ralph dragged Thompson across the goal with him. Hobratsch missed the conversion the score remained too close, 4:08 left in the third quarter.

BY NOW the Wildcat defense control, and the Cats got the lead with 1:03 left in the period. Eleven plays, plus a pair of against Morton, saw the Cats gain with Funk getting the TD from out with 8:45 left in the game. Trammell's pass for the extra caught by a leaping Larry Birt the northeast corner for a 21-7 lead. Morton's next possession resulted in a fake punt on fourth down but Pat four yards in the process as snagged a jersey, and Kenny P in to nail him to the grass. This time the Morton defense stop the Cats at the 7, but again, after moving out to their bled on fourth down. Linebackers Giles and Bill H the quietest to that, and the Cats Indians shouldn't have taken the chance. Funk went 26 yards for an app but it was called back to the Morton a clipping infraction. Ralph just again and in three plays he scored the five, dragging Redskins with Hobratsch kicked the extra and 28-7 with less than a minute to play.

Anton Students Attend Registration Conference

ANTON—A four man panel of state representatives and senators were featured speakers at the Youth Voters Registration Conference held Saturday at Texas Tech.

Attending the conference from Anton were Carolyn Hodges, Bill Walthall, Alan James, Quinnon Williams and Ruben Rendon.

The purpose of the conference was to acquaint the students with the mechanics of voter registration and the issues about registering young voters as this is the statewide project of schools that are members of the Texas Association of Student Councils.

Representative Fred Agnich of Dallas; and a four panel representing gubernatorial Dolph Briscoe.

Most spectators were drawn to a seminar on voter registration law and techniques.

An estimated 750 attended. Bill Walthall, Student Body president, said "Most of the people there were college students. Anton had a large delegation of high school students. We went to learn more about registering young voters as this is the statewide project of schools that are members of the Texas Association of Student Councils."

MORE THAN 400 cotton men were in Lubbock for a meeting of the Cotton Board. The group included John I. Bowling of Hale Center, Paul Bennett, Amherst, and Raymond Scott of Muleshoe. They heard a report on research and projects being conducted by Cotton Incorporated. The Cotton Board receives bale from growers to finance the program and contracts with Cotton Incorporated to carry it out.

the rainbow

After that great flood, God made a covenant with Noah saying He would never destroy all life upon the earth again. He sealed that covenant with His Son and gave us the rainbow as a reminder. We all know the colors of the rainbow, each so distinct and yet a part of the others. Smoothly and effortlessly they blend together forming one spectacular sight. One for all and all for one, so to speak. God has another rainbow, the rainbow of mankind. And again the colors are familiar, and they are the colors of all the different races. But, unfortunately, in this rainbow, the colors don't always blend. Each hue seems more concerned with emphasizing its own individual virtues than with creating a beautiful harmonious whole. Remembering the covenant and the deep meaning of the first rainbow, shouldn't we, as true Christians, ask God for the opportunity to truly unite the colors in the rainbow of man? Let us make our covenant with God to see that all the colors harmonize.

WMU Concludes Book Study

AMHERST--Mrs. T. L. Bennett was hostess for the meeting of the Annie Armstrong Circle of the Baptist WMU Monday evening.

Mrs. James Holland led the Mission study program. The book "New Drums Over Africa" by Milton E. Cummings Jr. was concluded. Debra Hedges tape recording of an African song with her accompaniment on guitar was played.

Mrs. Glenn Willson's devotional was Isaiah 55:1-11.

In the study it was learned that the gospel is being spread throughout portions of Kenya and other countries by way of television and radio. Mrs. Holland had a map showing those countries. Each one present told of what they thought of the study and a tape recording was made of their remarks and was replayed. Mrs. Charles Jones presided in the absence of the chairman and vice chairman.

Punch bowls and cups were presented to be used at the church. The prayer calendar was read and prayer offered for missionaries with birthday in November.

Community mission days action was sending cards at Thanksgiving to the elderly and shut-ins.

Pumpkin tarts topped with whipped cream, and coffee, and spiced tea were served to Mmes. Bill Bradley, J. P. Brantley, A. O. Dickson, James Holland, Vic Reynolds, Charles Jones, Glenn Willson and T. L. Bennett.

Panther Of The Week Is Named At Whitharral

"Panther of the Week" is WHS Sophomore Bud Reding, son of Mrs. and Mrs. Don Reding. "Panther of the Week" for Whitharral High School is chosen each week after the football game by the Whitharral Young Homemakers. They are chosen as the outstanding player for the game, both offensive and defensive. Sportsmanship is also an outstanding factor in the selection.

The boy chosen each week has his name engraved on a plaque donated by the Young Homemakers.

Bud has been a student at Whitharral Schools since he started in the first grade. He is a favorite of the student body because of his pleasing personality and his positive attitude.

Bud was chosen for his efforts

Former LHS Grad Is New Firm Head

Donnie Blackman, a Littlefield High School graduate, has been named manager of the new TG&Y Family Center in Midland. The big store had its grand opening last week.

Blackman took his first job with TG&Y as assistant manager at Lubbock. In 1965 he was promoted to manager and transferred to Plainview. Soon after that he was assigned to Abilene as manager. He remained there until the move to Midland in October.

Blackman married the former Linda Martin, the daughter of Mr. and Mrs. O. L. Martin of Whitharral, and the couple has two children, Debra, 10, and Dennis, 8.

Class Of 1955

Holds Reunion

OLTON--Members of the Class of 1955 had a get-together after the football game Friday night at the Olton Recreation Clubhouse.

All former teachers and persons, who at any time attended school with this group, were cordially invited to attend, according to Mrs. Leon Griffin, one of the class members.

Approximately 50 were present for this class reunion. Coach Jeff Smart of Hereford showed slides of their senior trip, made in 1955.

Social Fetes

Sudan SS Class
