

Wildcats Meet Eagles Here Friday For Homecoming

Littlefield Wildcats host the Eagles Friday night in stadium in a game that is in three areas: number one is the 'Cats' last non-district number two is that it is the home game for Littlefield, and three and perhaps the most important is whether or not Coach Blakely's team can rebound from its defeat at the hands of

Last year at this time, Littlefield had also been defeated by Floydada (by a score of 7-6), but came back to shock the Eagles who were ranked high in the state going into the game, by a score of 27-0.

"Even though it is a non-district ball game," Blakely stated, "it has developed into quite a rivalry and they haven't forgotten what we did to their Homecoming last year."

Roosevelt, who was highly impressive in last week's victory over Frenship, is

the defending 5-AA champions. They have defeated Lorenzo and Crosbyton this year along with Frenship.

"What is really significant about their victory last week," Blakely added, "is that Frenship beat Tulia and Tulia beat us in a pre-season scrimmage."

The Eagles' offense is similar to Littlefield's as the run out of the "I" formation and their tailback logs almost as many running plays as does the 'Cats' Bill Turner. While they do not depend upon their passing game to a great

extent, it is termed as "adequate." Cat coaches rate the Eagles as "probably the second best offensive team we've seen."

Defensively, their line is "constantly slanting and stunting and therefore blocking assignments are often hard to pick up against them."

The kickoff is set for 7:30 p.m.

In talking about the Floydada game, Blakely stated that "we have to congratulate them on the job they did in getting ready to play. They were ready

and they came out and got after us. They are a good football team with several real good athletes. They were the first real good offensive team we've played this year and we simply could not cope with their power. We could have perhaps played a closer scoring ballgame, but after they got ahead, we felt we had to pen up to try to win."

Blakely noted two key turning points in the game that had a bearing on the final outcome.

The first was when Floydada was deep

in their own territory, their punter took a bad snap, and instead of being dropped for a loss, he scrambled for a first down.

Second, was a long pass that the receiver was not able to hold onto after getting behind the Whirlwind defenders.

Rick Hopping, who saw limited action against Floydada is expected to be at near full speed Friday. Buddy Jungman will definitely miss the Roosevelt game as he suffered a re-occurrence of a leg injury.

In summing up the two games, Blakely said "we're not going to panic due to last week's loss. We'll get back to the basic fundamentals and do those things which we know we can do best."

Urban Victims Aided Here

Food, clothing and money are being solicited for the victims of the recent hurricane in

those wishing to donate any of these items should do so by leaving them at the Baptist Church rectory, 8th Street East, or by going by the Lamb Community Action Center on Highway 385.

Mano of Levelland has been named as representative for the area as a member of the committee for the "Needy In Honor" and will be picking up the items for delivery.

granting Amoco Production Company the right of way to cross two county dirt roads with pipe lines.

The court passed an order to pay Lamb County's share of a new Bookmobile unit and to pay the County's share of insurance on the Bookmobile program. Lamb County pays 26.66 percent. That percentage of \$18,196 for the Bookmobile van is \$4,851.05, and this county's share of the \$391 insurance premium is \$104.24. These funds are to be paid out of Revenue Sharing.

In another motion, the Commissioners voted to return certain expenditures designated to be paid out of Revenue Sharing back to the general fund. Funds deemed to be paid through the general fund include maintenance, the Xerox contract, the McNaughton library contract, feeding of the prisoners, and payment of the courthouse utilities.

Commissioners voted to transfer \$20,000 from the general fund to officers salary fund.

Jack Peel asked for competitive bids for a new pickup for precinct 3. Letters were sent to all automotive dealers in Lamb County.

County Cancer Unit Holds Meeting Monday

Monday night, members of the Lamb County Unit of the American Cancer Society met for a business session in the home of Mr. and Mrs. Melvin Rape in Earth.

Miss Johnson of Littlefield, chairman, presented reports besides

presenting reports besides the vice president, Mrs. Rape; the secretary, Lucy Phillips of Littlefield; the campaign chairman, Lady Clare Phillips of Littlefield; special events chairman, Miss Ernestine Lichte of Littlefield; and staff chairman, Ed Jones of Lubbock.

A film, titled "On the Edge of Life", which depicted the progress of annual physical examinations, and particularly the proctology examination, was presented.

Representatives considered selecting a representative from each of the communities to serve as service representatives who would be a contact point for those who seek help or information about the American Cancer Society. That representative, when selected, will be listed in the phone book under the ACS.

Members of new business, members to look for advantages to

present programs on educating the public about cancer, its warning signals, and about services available. Any groups, teachers or clubs wishing to view films on several cancer-related subjects may contact members of the ACS in their communities, and a program will be presented by qualified personnel.

Members were urged to attend the Third Annual Health Fair, slated at the South Plains Mall in Lubbock Nov. 2-8, when numerous items will be on display, along with the showing of films and slides.

Those attending from Littlefield were the president, Lucy Moreland, Lady Clare Phillips and Ernestine Lichte.

Those from Earth were Jackie Freeman and Jody Ellis.

And from Olton, the hosts, Mr. and Mrs. Melvin Rape; Mary Cary; and Olton's new physician, Dr. James Kirkpatrick.

Pierce, Huber, Liles Weekly Contest Winners

Seven football fans missed only one game each last week to tie for first place in the Leader-News guessing game.

By virtue of the tie breaker scores, Floyce Pierce emerges the \$5 first place weekly winner. Leonard Huber wins the second place \$3 check and Walter Liles gets the \$2 third place money.

Others missing only one contest each were Jeff Birkelbach, Robert A. Moore and Arthur Duggan, all of Littlefield, and Jimmy Randolph of Earth.

Fifteen contestants missed only two of the 16 games. The tie-breaker scores are counted only to break ties in the weekly contest.

With scores of 14 for the fifth week of the contest were Lewis Adkins, Bill R. Smith, Virginia McLelland, Teddy Jackson, Brad Walden, Mozelle Hutson, Pam Huber, Dennis Cowen, Kim Hill.

William P. Holland Jr., Herbert Spencer, Beth Smith, Raymond Duvall, John L. Smith, and Dianne Blume.

Jeff Birkelbach leads the field with 58-18 total points after five weeks. Lloyd Pollard is next in line for the two tickets to the Cotton Bowl Game on Jan. 1 and \$25 expense money. He has a 57-19 record.

The Pollards are keeping leading contestants in the family. Lamar Pollard is in third place with a total of 56 right and 21 wrong.

There is a five-way tie for fourth place with Kim Hill, Virginia McLelland, See CONTEST, Page 4

Traffic Problems Noted At School

Parents who have been picking up their elementary children in the driveway immediately north of the Junior High school building, are asked to pick them up in the parking lot that is further north of the Junior High, according to Superintendent Jack York.

York explained that the driveway is a fire lane and also during the time the children are being picked up, junior high classes are still in progress and the activity outside is a distraction.

Plans are being studied to provide a more convenient place to pick up the elementary students, York added.

Homecoming Begins Tonight For Ex Students, Teachers

Activities get underway today in preparation for homecoming for all former Littlefield students and teachers this weekend.

A parade, featuring decorated cars, floats, the Wildcat Band, the Wildcat helmet, victory bell, and a color guard from the U.S. Army, is scheduled to begin promptly at 7:30 p.m. The parade will form south of the courthouse, proceed down XIT and back up Phelps Avenue, where it will disband in front of the courthouse.

Several merchants and school organizations will be placing entries in the parade. The annual staff, choir, DECA, FTA, Business Club, Industrial Arts, National Honor Society and journalism class will decorate cars, and the cheerleaders and pep squad will display the bell and helmet. The FFA and VICA will have floats entered.

The Wildcat Band will march, with Monty Angel, Doug Allen, Marshall Allen and Paul Parsons serving as color guards out front. These former students of LHS are in the First Cavalry Division of the U.S. Army and have volunteered to participate as color guards.

Immediately following the parade, a huge bonfire will be lit near Wildcat Stadium, when a pep rally will get underway, with the band and cheerleaders in charge of the spirit boosting.

Then Friday night, the Littlefield Wildcats meet the Roosevelt Eagles on home territory at 7:30 p.m.

During halftime, the homecoming queen will be crowned. Candidates vying for the title are Shebra Johnson,

Cindy Purdy, and Sharla Grant, who were chosen by the student body.

They will be formally introduced to the public by last year's homecoming queen, Barbara McBride, during a pep rally in the high school gym Friday afternoon at 3:30. They will also be riding in the parade tonight.

The queen candidates will be escorted to the field by former students David Jones, T. J. Reed and Donny Heard. Carrying the crown and floral bouquet will be Mike Pierce, 6-year-old son of Mr. and Mrs. Floyce Pierce, and Michelle Jones, 7-year-old daughter of Mr. and Mrs. David Jones.

All day Friday, a former student tea will be served in the high school library. Registration will begin at 9 a.m. and continue until 4 p.m., when all former students are invited to register for gifts that will be given away during the ball game Friday night. A \$1 registration fee will be charged.

Littlefield commemorative medals will be given to the man and woman from the oldest class represented, and to the man and woman who traveled the farthest to attend.

Prior to the homecoming game, Littlefield Lions will serve their annual pancake supper in the Junior High School Cafeteria, beginning at 5 p.m. and continuing until 7 p.m.

Tickets are \$1 per person for all the pancakes, sausage, bacon, butter and syrup you can eat.

Following the game, a dance will be staged at the VFW Hall with a live band playing the music. Tickets are \$5 per couple and \$3 tag.

CHARLES FENWICK, an experienced bicycle rider, has peddled his way from Montreal, Canada to Littlefield on a specially built bicycle that is equipped with all the necessities of life. He stopped here a few days to find a job so he can go on to Santa Rosa, N.M., where he will be seeking to find his daughter, whom he hasn't seen in two years. (Staff Photo)

Homecoming Gets Underway Today

THE WILDCATS will once again tear onto the field Friday night at the 1974 Homecoming when the Wildcats play the Roosevelt Eagles at 8 p.m. (SKAT Staff Photo)

PRESENTING the Pride of Littlefield High, The Mighty Wildcat Band entertaining with a half-time show. (Staff Photo)

Friday night the "Mighty Wildcats" will battle the Roosevelt Eagles in the Littlefield Homecoming game.

A bonfire and parade tonight precede Friday's game. The theme of this year's parade is "Wildcat World." The parade

begins at 7:30 p.m. led by the Wildcat Band, with cars and floats made by the clubs at high school. Prizes of first, second, and third will be given to the best entries in the parade.

The bonfire will be held immediately after the parade on the parking lot of Wildcat

Stadium, with the band and cheerleaders boosting the spirit of the football players.

There has been an abundance of hard work put in on making the floats. All townspeople are encouraged to attend the parade, bonfire, and football game.

Annual Staff Gets New Sponsor

The 1974-75 Wildcat Annual Staff started off the year with a new sponsor, Mr. Loman Jones. Mrs. Lucille Betts sponsored the yearbook for 27 years.

This year the staff started by selling advertisements for the yearbook and also by attending a workshop in September at Texas Tech.

Along with Mr. Jones as sponsor, there are three editors: Angie Aleman, Stephanie Benner, and Janice Cannon. Co-picture editors are Viv Davis and Michele Sawyer; other members are Rhonda Hall, Cena Stowers, Cris Montalvo, Jan Jeffrey, and Susan Friday.

Together with the help of the school and the annual staff, the 1974-75 WILDCAT yearbook promises to leave happy memories of Littlefield High School.

Littlefield seniors have been reminded by Tommy Brawley that they are to have their school pictures made by the end of October. The Annual Staff will receive two glossy prints for the yearbook.

Football pictures, which include a full color photo of the individual player and a group photo of the entire team, are also on sale by Journalism and Annual Staff members. Girlfriends, parents, or players wishing to purchase one or more may do so by contacting any of those Journalism students. Pictures are on sale for \$9.95 (frame included).

Pep Squad Joins In LHS Homecoming Activities

This year the pep squad is joining with the other clubs to make homecoming the best yet. The pep squad and cheerleaders plan to decorate a car for the homecoming parade, and they will also be in charge of

decorating the gym for the festivities.

The pep squad sponsor, Mrs. Jerry Blakely, said "We plan on doing something extra to promote spirit, but we don't have any definite plans yet."

LINDA SANDERSON, 4 feet 6 1/2, walks in a Littlefield parade every day at LHS. Two of the giants are David and David Davis. Linda is the smallest girl in the parade. (Photo by Viv Davis)

Big Spirit In A Small

Linda Sanderson is unique. She's the shortest student in Littlefield High School, a 4'6 1/2" senior. Linda's 17 years old and is the mascot for the Wildcats this year.

Her parents are Mr. and Mrs. Larry Sanderson of Littlefield. Her father is 6'5" and her mother is 5'7". Her sister, Darlah, "tree tops" Linda, Lavonna, age 12, is already 5'5", and the youngest sister, Deanna, 8, is 4'8".

When asked about her "little" sisters, Linda said, "They always want to wear my clothes, mainly tops and pants and shoes, even though my clothes are already too small, and my shoes are too. I wear a size one shoe."

Linda loves all kinds of animals, especially cats. She has two cats, "T.C.", which means top cat, and "Tiger."

Linda is restricted to sit on a cushion while she drives. So if "you" see a green and white van coming at you that looks driverless, never fear; more than likely, Linda is behind the wheel.

Art Students Work On Entries For National Art Anthology

This week LHS students in Art I and Art II are working on studies for publication in the National Art Anthology.

Entries can be any kind of landscape, still-life, or portrait. They must be black-and-white, and they must be the work of a high school art student. They

may not be any larger than 5x7. Mrs. Hazel Ward, art teacher, will choose several of the best pictures and send them to the publishing company where the final decision will be made. LHS students will be competing with students all over the United States for a place in the anthology.

EDITORIAL

It was revealed today that Justice died late last night after being in a tragic accident on September 15, 1974. Witnesses at the scene revealed that Justice was driving along Pennsylvania Ave. in Washington D. C. in his Watergate Grand Jury when a custom-made Ford Pardon heading west toward California struck him on the side. Justice sustained several broken bones, cuts, abrasions, and serious internal injuries. He died at 11:05 p.m. at Bethesda Naval Hospital on October 3, 1974 after a valiant struggle to survive.

Others hurt in the accident were Justice's wife T. Ruth and his two daughters Faith and Hope. T. Ruth is still in serious condition, while Faith and Hope are now recovering at home.

Attending funeral services for Justice were his two sisters, Li Bertie and Dem O'Cracy. Others attending were John Sirica, Leon Jaworski, Archibald Cox, Eliot Richardson, and J. F. TerHorst. Millions of Americans sent their respects and condolences.

NOT ALL GROCERIES
All that's on the grocery bill isn't food. About \$6.06 of every \$20 supermarket bill is for non-food items that help keep a house in running order.

Area Students To Attend OEA Training Meet

Five officers of the South Plains College Office Education Association will attend a state conference Oct. 11-13 in Austin. They are Gail Albus of Pep, chapter president; Karen OEA officers' training con- Aubrey of Sundown, chapter

historian; Miki Demel of Littlefield, chapter parliamentarian; Alma Aguirre of Littlefield, state sergeant at arms, and Teresa Caswell of Levelland, state parliamentarian. Their sponsor, Mrs. Dianne Bridges, instructor in Business Administration, will accompany the students on the trip.

The SPC chapter will conduct sessions on effective chapter meetings and officers' duties during the conference. Other subjects under discussion will include parliamentary procedures and leadership.

About 75 OEA officers from chapters throughout the state are expected to attend the affair, Mrs. Bridges estimated. The SPC representatives will be staying at the Ramada-Gouldier in Austin.

LHS Graduate To Direct Center

The appointment of Fredy E. Briggs, Littlefield High School graduate, as director of the Texas Tech University Center at Junction has been announced by President Grover E. Murray. Briggs served as director of the Office of Research Services the past five years.

The 411-acre campus in the hill country of Texas has living and study facilities set among pecan and oak trees within a few hundred feet of the South Llano River.

Center facilities are available for educational uses by associations or groups, and classes are scheduled by the university in the summer.

Briggs, who will live in Junction, is the first resident director to have been named.

Dr. William E. Oden, the center's first director, has returned to Texas Tech University's Lubbock campus for full time teaching and research within the Department of Political Science.

"By having a full-time, year around director at the site," Briggs said, "it will facilitate keeping the center in operation on a 12-month basis."

He said that state agencies, schools, professional associations which license their members, or other associations engaged in developing members' life-long educational skills and interests access to center facilities.

The center has three new study units, and renovation has improved the academic and classroom buildings, the seminar house and lecture hall.

Briggs is a graduate of Littlefield High School. He earned the BBA degree in 1960 and his master's degree in 1966—both were awarded by Texas Tech University.

He began working at Texas Tech in 1968 as coordinator of operations in the Textile Research Center.

Prior to that he was assistant manager of the Rio Grande Electric Cooperative in Bracketville and earlier worked with the General Electric Co., Southwestern Investment Co., and the General Acceptance Corp.

He and his wife, Dixie, and their three children will be moving to Junction soon, he said.

Spade P-TA Holds Meeting

Spade P-TA met Thursday, Oct. 3rd.

The "Pledge to the Flag" was led by some of the seventh graders, and the meditation was given by Mrs. Anne Orr.

The program was presented by the superintendent, Joe Bailey, on the school budget.

Members decided to serve Frito pie, dessert pie, coffee and Kool-Aid at the P-TA Food Booth for the Halloween Carnival, which will be Oct. 24.

There was discussion on how to create more interest in P-TA, and members decided that the class with the largest percentage of parents attending P-TA would receive a prize.

Refreshments were served in the lunchroom by the Junior mothers.

XYZ Club Hears Speaker

The XYZ Club met Oct. 4th for their non luncheon with Mrs. Freida Cunningham as hostess.

Rev. Claude Woods brought the devotional, "What is Happiness". He said it wasn't found in wealth, nor pleasure, nor military power, nor political power. It wasn't found in unbelief. True happiness is found in trusting in God.

He explained that the Bible is plain and simple, telling us how to be saved, and then let God direct our lives and then we would find true happiness.

A short business meeting followed and the group was dismissed in prayer by T. S. Tisdale.

Thirty-two members signed the register along with the guest, Rev. Claude Woods and wife.

He comes to Littlefield from Dalhart where he was employed by the Federal Land Bank Association there, and accepted his new duties here Sept. 23.

The Abilene native was reared in Levelland, and is son of Jay B. Harbin of Muleshoe, Farm Bureau Agency manager.

Harbin graduated from Texas Tech University with a BS degree in agricultural economics, and his wife, Mary L. Harbin, has a degree in home economics education at Texas Tech. She is presently serving as County Extension Agent of Hartley County.

The couple has a son, Jay Bradley Harbin, 5; and a daughter, Jeni D'Lynn, 1.

Electrification Course Scheduled At Whitharral

A farm electrification short course on electric motors for adult farmers will be held Oct. 14-17 under the sponsorship of the Whitharral High School Vocational Agriculture Department, according to Ar-

chie Sims, Superintendent and Max Hyatt, teacher of vocational agriculture.

The short course is being sponsored by the vocational agriculture department of Whitharral High School.

Bob Jaska, Farm Electrification specialist with the Vocational Agriculture Division of the Texas Education Agency and the Department of Agricultural Engineering at Texas A&M University, will do the instructing in the course. He is headquartered at Texas A&M University.

Jaska holds a Master's Degree in Agricultural Engineering. Since 1947 he has been prominent in research work in farm electrification at A&M University, in addition to teaching farm electrification in the Agricultural Engineering Department. His research and field work carried him over the entire state so that he is very familiar with all types of electrical problems on the farm.

"Many Farm Electrification short courses in various parts of the state have been taught by Jaska and all have met with outstanding success," according to Walter Labay, area supervisor of vocational agriculture, Plainview. Arrangements for the adult education short course in Farm Electrification and in other fields are made through Labay's office.

The short course at Whitharral is scheduled to begin Oct. 14-17 at 8 p.m. in the vocational agriculture building. Other meetings in the series will be held Oct. 14-17. During the dates the short course is in progress, Jaska will be available to assist farmers with individual problems and to provide on-the-farm instruction, according to Hyatt.

Farmers interested in attending the short course should write or call the superintendent of schools, Archie Sims or the teacher of vocational agriculture, Max Hyatt. An entry fee of \$5 will be charged. Farm Electrification Short Course Certificates will be presented to each farmer who attends all the training sessions.

In addition, the members initiated a blood drive on campus, assisted the Heart Association fund drive with volunteer clerical work, helped with the Cancer Society's annual fund drive, assisted with the engineering honors banquet, provided the annual faculty award for their college, developed a brochure for alumni, and were on call for various chores within the College of Engineering.

"These projects were all student motivated and student performed," according to Dean John R. Bradford of the College of Engineering. "The winning program is indicative of the creativity and the overall caliber of the students in Tau Beta Pi."

The chapter had 91 members last year, including 10 graduate students and five faculty members.

Percy R. Millard, director of the Bureau's Regional Office in Dallas, said that the interviewer will visit homes to obtain information about the number of school years completed by household members. There will also be questions about the number of children attending nursery school or kindergarten.

Questions on education will be in addition to those asked regularly in the monthly survey on employment and unemployment conducted nationwide by the Bureau for the U.S. Department of Labor.

The survey provides a continuing measure of conditions in the labor force. The August survey found the Nation's employment situation little changed from July.

All information provided the Bureau is confidential by law and can be published only as statistical totals in which no individual or household can be identified.
