Cats Must 'Put It Together' To Win

Floydada isn't expected to show a lot of tricks Friday night.

"They just line up in front and whip you," Coach Jerry Blakely said of the unbeaten Whirlwinds.

Big, powerful Floydada will be out to revenge the 0-0 tie Littlefield won on first downs here last year when they meet the Cats for the 7:30 battle.

Floydada's offensive line averages 185 to the Cat's 165. Add to that some of the best defensive linemen in this part of the country and a balanced attack between running and throwing for an idea of the kind of game on tap Friday.

The Whirlwinds are basically a senior team, with seven senior and four junior defensive starters and eight seniors and three junior offensive starters back from the team the Cats played last year.

In that 0-0 standoff, both teams had one penetration each and the Cats came out winners with 13 to 9 first downs.

Offensively, the Whirlwinds split both ends, with 6' 3" Hale at one and 6' 2" Smitharman at the other. Cagle, a junior quarterback, is a good passer and runner. Vincent, a 185-pound senior halfback, shows the best running. He is backed by two backs who are capable of scoring from anywhere on the field.

Traditionally the Whirlwinds backfield formation is the Texas wishbone. Two of their better offensive linemen are 175-pound Goen, a guard, and 185-pound tackle, Hale, a brother to one of the split ends. Exceptional defensive linemen include Terry Bunch,

the 215-pound starter who made second team all state last year, 180-pound Marricle and 175-pounder Goen, a pair of fine linebackers.

Floydada gave up only 40 points last year. Thus far this year they've given up 25 points, and at the beginning of the season they look like they are a stronger team than the team Littlefield played last year.

Floydada popped Crosbyton 36-2, downed Post 20-15, and held Olton 17-8.

Following Friday's loss to Muleshoe, the Cats are a little battered and bruised. Henderson suffered a hip pointer. He will be slowed somewhat, but he is slated for action Friday night.

There were several minor injuries, but the Cat starting lineup is the same as the starters for the past four games.

Of Friday's game, Coach Blakely said he was naturally disappointed that the Wildcats didn't play the Mules any better than they were able to do. At the beginning of the game the consensus was that the teams were near equal and the team which made the fewest mistakes would win.

"We didn't realize we'd make so many mistakes," he said. "The Mules are a very good, big aggressive 3-AAA team which will continue to win."

"I hope we can somehow put back together the broken pieces before Friday. It will take one great team effort to stay on the field against Floydada Friday night."

LAMB COUNTY FIREMEN from Earth, Springlake, Olton, Sudan, Amherst and Littlefield received instructions in fighting butane fires Monday night in Laguna Park. Teaching the course were representatives from Ranger Insurance Co. through A&M University.

Springlake School Marker To Be Erected Oct. 13

An Official Texas Historical Marker for Springlake School will be erected Oct. 13, according to V. M. Peterman of Amherst, chairman of the Lamb County Historical Survey Committee.

The marker will be placed at FM 302, five miles NE of Earth and dedication plans will be announced in the near future.

Made of cast aluminum with Swedish steel effect, the marker measures 18 x 28 inches and is sponsored by Lamb County

Historical Survey Committee and the Springlake-Earth School Board. The inscription on the marker reads:

SPRINGLAKE-EARTH SCHOOL
(IN 202-SQUARE-MILE DISTRICT)
Opened 1908 as one-room school, Springlake became an independent district in 1924 when Halsell ranch land was sold to settlers and local population increased. Enlarged school opened 1925 in new \$30,000 brick structure on site bought from J. F. Kelley. E. C. Martin was superintendent; Otis Brown, M. E. Cleavinger, Earl Hewitt, Arthur Edwards, George Linville, H. M. Packard, W. C. White, trustees.

Band and football squad were organized and school paper begun in 1928. Enrollment, curriculum and school plant continue to expand.

"Earth" was added to the school name in March 1964. (1972)

The marking of local historic sites and landmarks is part of the Texas State Historical Survey Committee's program of preservation activities. These include archeological investigations, small museum consultation, and administering the National Historic Preservation Act in Texas. As of 1970 the Survey Committee had erected more than 5,000 official markers.

The name and location of the present marker will appear in the next edition of the "Guide to Official Texas Historical Markers" in order to stimulate tourist travel in this area, to arouse interest in historical tours, and to acquaint the people of this locale with their unique heritage.

Methodist Men Set Annual Dinner

The Methodist Men of the First United Methodist Church of Littlefield have scheduled their annual "Turkey Dinner" for Thursday, Nov. 16, a week before Thanksgiving.

"We served about 520 last year and are expecting about 600 this year," stated James Settle, publicity chairman.

Further details about the annual event will be announced later.

Eight Persons Tied For First Place

This was the week of upsets in football contests.

Not only did many favored teams fall this week, but the list of contestants in the Leader-News football contest swelled. Eight persons are now tied for first place after four weeks.

Joe Don Parrott of 602 E. 16th picked 13 wins this week to rise from seventh place in the season standings to share second place honors for the year with six others.

A dozen contestants picked 11 of the 16 winners. Second and third place weekly money winners won by virtue of coming closest to the actual scores in the tie breaker.

T. W. Bryson wins the \$3 second place weekly prize. Kevin Humphreys, a new comer in the contest, of Rt. 2 Sudan, is the \$2 third place winner.

City Councilmen Meet Tonight

The City Council of Littlefield will meet Thursday night in regular session to discuss several items of old business and two items of new business.

They will consider the appointments of six members to the Board of City Development, and the appointment of one member to the Airport Board.

They will discuss General Telephone's rate increase request, and will consider the adoption of a junked vehicle ordinance which would repeal Ordinance No. 285 and comply with new state legislation.

In matters of new business, councilmen will discuss duck hunting at Bull Lake, and will consider the adoption of the day lily as the official flower for Littlefield.

Srygley, W. W. Fry and Winston Cummings.

Tied for second after four tries are Doug Perrin, Lilburn Bales, Jimmy Clayton, Lee Roy Nuttall, T. W. Bryson and Joe Don Parrott.

In third place are Doc Bowman, Arthur Duggan, Maurice Sexton, Kay Jackson, Doug Cummings, Richard Hopping and Ed McCanlies.

See the list of those in the top 10 spots on the sports page of this issue.

SEEING DOUBLE — With two sets of twins in one room, sometimes the teachers at Williams Kindergarten see double. "He did it," says Mitchell and Michael Stuart, sons of Mr. and Mrs. Jimmy Stuart. "She did it," says Kathie and Kellie Stanley, daughters of Mr. and Mrs. Dale Stanley.

Square Dance Saturday Night

Everyone is invited to attend the second monthly dance of the Lubbock Area Square and Round Dance Federation, scheduled to begin at 8 o'clock Saturday night. The host club for this dance will be the Square Thrus from Muleshoe. Location for the dance is Fairpark Coliseum.

The featured caller for this Federation Dance is Gaylon Shull, from Dighton, Kan. He has been a favorite caller throughout the state of Kansas for several years, and is frequently the caller for special dances in the southern part of the country.

Shull has been on the staff at Fun Valley, Colo., recently. One of his best selling records has been "Lonely Heart".

Square and round dance clubs throughout the Federation have begun new classes, and everyone is invited to sign up now. If further information is desired, call 799-0251 or 799-0143.

Spectators are cordially invited to attend all federation dances at no charge.

Needle Course Available

Vacancies are available in a short course in Creative Needle Point being offered at South Plains College.

The class meets each Monday evening from 7:30-9:30 p.m. in the Technical Arts Center on the college campus. All materials are being supplied by South Plains College.

However, persons enrolled in the course are asked to bring a pair of scissors, pencil and paper.

A number of different stitches will be shown, including the Continental Stitch, Basket Weave, Milanese Stitch, Hungarian Stitch, Jacquard Gobelin Stitch, Slanted Gobelin Stitch, Scotch Stitch, Morrish Stitch and Bargallo Stitch.

After completing the course one should be able to execute any design one would desire to make on one's own canvass. Instructor for the class will be Mrs. (Patsy) Clyde Grappe. Mrs. Grappe makes a special effort to make the class a "fun class" and not something that would be boring to those participating.

For further information, interested persons should contact the Office of Continuing Education at South Plains College, Phone 894-4921.

Teaching Exams To Be Offered

Texas Constitution teaching area examinations will be offered four times in the 1972-73 school year at West Texas State University in Canyon, says Dr. E. B. Posey, director of teacher certification in the WTSU College of Education.

Cost for the examination is \$9. The test, previously supplied by the Texas Education Agency, is now prepared by the Education Testing Service of Princeton, N.J.

Nov. 11 is the first test date, with registration closing Oct. 19, Posey says.

Other examinations dates are Jan. 27, April 7 and July 21. The registration closing dates will be Jan. 4, March 15 and June 28, respectively, he says. Registration forms are available from the WTSU Testing and Counseling Center.

department and were delivered home.

The following Thursday the FHA had their first money-making project. On the chilly afternoon the girls sold homemade ice cream and brownies at the junior high and junior varsity football games.

Coin Show Slated

The Seventh Annual Clovis Coin Club Coin Show will be conducted in the Clovis High School Cafeteria, at Thornton and Purdue Streets, Saturday and Sunday, Oct. 14 and 15.

The show will be admission free, and is scheduled from 9 a.m. to 9 p.m. Saturday and until 6 p.m. Sunday.

Cost for bourse tables will be \$15 for two days and \$10 for one day.

An auction will begin at 5 p.m. Saturday, with a

minimum bid of \$3 per lot and five lots maximum per person.

All lots must be processed before 12 noon Saturday, beginning at 8:30 a.m. Saturday morning.

According to Tennessee Pounds, a member of the club, the general public, collectors and visitors are invited to attend the show, and door prizes will be given away every hour.

HOMNY GRITS

By CORNBALL BLEVINS

I'VE ALWAYS HAD an aversion to going to the post office around the first of the month. That's when you get all those raven notices, with the little window in the front.

However, I'd forgotten about that special month, (the first of October).

THE LIGHT OF MY life called me last Saturday, and asked me if I'd please come by the post office on the way home. At first I said I'd rather not, but then I relented and agreed to do so. Somewhere in my sub-conscious mind, was the nagging suspicion that this indiscriminate public servant should be left alone.

NOW, I HAVE no quarrel with the postal people! It's just that they've made it a point to deliver more bad news to my box, than good. I get no subsidy checks, Social Security benefits, nor does my pay checks come through the mail. Even my newspapers are delivered by carrier.

Most of my mail consists of, "Please remit," "Don't you think you should buy this," or "Please help our cause"—Send check!"

BUT THIS SATURDAY (innocently enough) was SEPT 30, the LAST day of the month, yet, by box was redundant with these familiar little picture-window things!

Now it's bad enough when our local merchants just can't wait 'til the first to remind you of your wayward living, but WHEN THE TAX PEOPLE join the parade that's bad! Spoiled my whole weekend, and I CAN'T take Alka-Seltzers!

I STILL THINK that when I'm elected to Congress I'm going to submit a bill, abolishing all Mondays, each first of the month, and the entire month of October. In addition to tax notices, this is also the month I become a year older. April 15th would have to go too!

Or, come to think of it, we might just abolish the post office?

A FUNNY THING happened up at Muleshoe last Friday night—But, for the life of me, I can't remember what it

was! Guess they don't read our press notices, huh?

LOOKS AS THO Governor Smith is a 'Lame-r-duck' than he thought?

WONDER WHATEVER became of our city's program for mosquito sprayin'—? An acquaintance from a neighboring town wants to know.

"Say," Quoth he, "Whatsmatter with your town? Haven't you got enough money to scatter a little spray? I left your ball game last Thursday night at the 'half. I'd fed your mosquitoes about all I could enjoy!"

MIGHT BE NICE if we could be forewarned about these pigeon shoots. Shucks, I thought the fourth of July had misfired last Friday.

GUESS I'VE BEEN left farther behind the times, than I thought. I got a look at a modern book last week, and had a shocking surprise. The thing would have fit in with what I'd thought of as being lewd, underground, smut.—Very educational!

It spoke of the sex act in the common slang, and the use of the common obscenities seemed unrestricted. This is literature?

I KNOW THE modern trend is to "Tell it like it is", but the "Like-it-is" kinda leaves some of us old squares a bit dazed. It still neither makes it right, nor moral!

It would fit nicely with our modern philosophy: "It matters not whether the issue is right or wrong, it's your desires that count!"

DEFICIT SPENDING

"Continued deficit government spending in good times and bad is a major cause of our inflation problem. It's time that our government leaders come to grips with the crisis. They should take the steps necessary to get us out of near financial bankruptcy that is hurting all of us, particularly the poor who suffer most from inflation." —Arch Booth, executive vice president, Chamber of Commerce of the United States.

BACK TO SCHOOL nights are continuing this week, with Elementary II and High School visitation open tonight at 7 p.m. Bobbie Pylant speaks to parents of some of her physical education students during visitation Tuesday night at Junior High School. Parents also visited Elementary I classrooms Tuesday night. Parents of Primary students paid their visits Monday night. (Staff Photo)

Traditions And The Future

The "Scout Handbook" has been around for more than 60 years, and millions of copies have been used by youngsters on hikes and camps and in church basements and school gyms.

Now, there's a new "Scout Handbook" that reflects changes in the Scouting program and that should encourage more boys to join.

Behind the new "Scout Handbook" is more than four years of study and testing in order to make Scouting a more acceptable program to boys of today. And the improved Scouting program

which is being launched this fall offers relevant advancement with choices and flexibility all along the way, greater boy involvement in decisionmaking and in his own growth development, and an optional program for older boys in the troop with its emphasis on developing leadership competencies.

Still, we're happy to see that some of the traditional strengths of Scouting are still in the program. Scouting's unique patrol method has been refined so boys will have a better opportunity to learn how to get along with others.

following day Maines wrote his mother in East Texas and described in the letter in detail the figure he had seen in the clouds.

By return mail, Maines' mother mailed to him a letter and a photograph, and the photograph was identical to the picture he had witnessed in the skies

over Brownfield.

The picture had been taken by his cousin, Edith Grace Harris, who lives near his mother's place in East Texas. A negative also accompanied the photograph. According to Cushman, the reporter-photographer of the Brownfield News, the negative had not been retouched or tampered with in any way.

AND THE ANGEL APPEARED is the scene photographed recently in skies over Texas by a simple box camera and both picture and negative were sent to Brownfield where it was published Sunday.

THE ABUNDANT LIFE

The Upkeep

IN ALL OF OUR PLANNING, we must not overlook the necessity for upkeep.

Without proper plans for upkeep, the loss in personal well-being; in efficiency of people and machines; in unnecessary depreciation of houses, buildings, businesses, communities and even people; and in many other areas is astronomical.

The neglect, or perhaps it is just a failure to realize the importance of upkeep, is inexcusable.

UPKEEP REQUIRES planning, money, labor, diligence, and perseverance. Even so, it is always profitable.

Upkeep does not cost; it pays. Original investment and labor can be protected no other way.

The maximum satisfaction, usefulness, performance, and profit in both people and things are some of the rewards of continuing upkeep.

DILIGENCE AND INDUSTRY are two of the principal elements in the upkeep that is so much a part of the fullness of living, and the maximum in accomplishment.

Many things which have a good beginning never serve their intended purpose, because the upkeep is neglected. Many of our personal problems in such matters as our health would not occur if we were abiding by the established rules of recommended upkeep.

SOME COMMON SIGHTS such as rusting farm machinery, unusable automobiles, dilapidated houses, unpainted and unrepaired buildings, lots overgrown with weeds and made unsightly with junk, unpainted signs, and many other conditions of disarray

and disorder testify to the neglect caused by neglect.

None of these would exist if the rules of upkeep had been followed and the financial loss and service rendered astounding.

"IT IS NOT the original cost of upkeep" is one of the expressions frequently. This probably means different things to different people, is often made as some sort of excuse. Of course, there are many people who know, and very capably assume responsibility of upkeep. They find life and their reward and very satisfactory. Losers are the persons who neglect their obligation of "upkeep."

MOST OF US probably neglect things. Many of us neglect our being from the standpoint of this is common knowledge, frequently tell ourselves that going to do better. Here is one we must put into action.

Such action is inescapably the best of living, the kind of life we desire; unless we have lost the life. Even if this has happened, we can regain a renewed interest in life by seeing and accepting the obligation of "upkeep."

MORE IMPORTANT than any consideration is the fact that responsibility of "upkeep" is a greater responsibility of stewardship. When we make the right blessings, and care for them should, there is appropriate. We misuse and neglect our blessings, we lose what we have.

WISE PROCEDURES of upkeep enable us to make the best of the things which pertain to

Burglary, DWI Charges Filed

Two 17-year-olds were arrested this week on burglary charges.

Raulo Duran of Littlefield and Alnarez Rangel of Amherst were charged with the burglaries of the Thompson Wrecking Yard and Harvey's warehouse.

Two others were jailed in the jail this week on driving intoxicated charges.

Man Charged DIP, Minors Arrested

City police have arrested one adult male and charged him with drunk in public this past week. He is still in jail, pending payment of fines from previous similar charges.

David Clark Ward, 31, of Littlefield was arrested Sunday on a DWI and was fined \$100 plus court costs given 10 days in jail with a probation.

Sunday, two minors were arrested and charged with "minor in possession." They have been tried, fined and released.

Gilbert Lopez Recio, 31, of Littlefield was arrested Sunday on a DWI and was fined \$100 plus court costs given three days in jail.

Saturday night, officers were called to the scene of a two-vehicle accident at the intersection of East 13th at Farwell Ave.

County Precincts Court Redistricted

A 1968 Chevrolet, driven by Dorothy Lewis Spencer of Littlefield, was traveling north on Farwell Avenue, and a 1970 Ford, driven by Grace C. Haberer of Littlefield, was traveling west on 13th Street, and the two collided in the intersection. The Chevrolet struck the Ford in the left side.

Lamb County commissioners redistricted justice of peace precincts during a regular session Friday.

Mrs. Haberer was taken to Littlefield Hospital by Hammons Ambulance, and was treated for a broken rib.

JP precincts 1 and 2 will continue, precinct 3 will take in precinct 4 and voting box 4, precinct 5 will take in voting box 11, and justice precinct 6 will take in voting box 8. All redistricting will be in effect Jan. 1, 1973.

Three Men Injured

Three Littlefield men were injured, one critically, in a one car turnover one mile east of Lubbock on Highway 62 about 2:30 a.m. Wednesday.

In other action, commissioners approved time deposits totaling \$30,000 from the general fund to officers salary fund, divided the road and the bridge fund between four precincts with each receiving \$9,000 each.

Injured were Melvin Witherspoon, 1001 W. 6th, Roy Morgan and Thomas Liggins. Another occupant of the car, Albert Johnson, 1103 Houston, was in jail following the accident.

The final item of business was the passage of an order to advertise for new motor graders and one wheel front end loader.

Patrolman Jack Gladden of the Lubbock DPS investigated the accident.

No further information was available at press time Wednesday.

Benefit Country Music Show

The Whitharral Fire Department is sponsoring a two-hour country western stage show at the Whitharral school cafeteria Saturday night.

OBITUARIES

They will be crowned in pre-game ceremonies on the football field. (Staff Photo)

SPAG Receives Grants for Crime Control Aid

St. Preston Smith has secured four grants totaling \$29,259 for governmental projects in the area served by the South Plains Association of Attorneys, Lubbock. The money will come from the Criminal Justice Council, the Texas State Bar Association, the Texas State Law Enforcement Training Center, and the Texas State Crime Prevention Fund. The grants will be used for various projects including the purchase of a radio communications system, the purchase of a law enforcement training program, and the purchase of a law enforcement communications system.

and for law enforcement training. The radio communications project, funded \$28,500, will require the services of an engineer consultant, who will inventory existing radio equipment, prepare a design consistent with state guidelines, coordinate frequency allocation and assist in obtaining FCC licenses and FAA approvals. He also will prepare bid specifications and will supervise implementation of the radio system. Grantee will contribute an \$11,965 in-kind match. The other SPAG award, for \$29,259, will continue CJC support of the regional law enforcement officer training program. Two 240-hour

schools will be conducted to train 30 officers in basic police skills. Advanced courses also will be offered. In-kind match of \$53,200, the officers' salaries while in training, plus mileage, is stipulated. Cochran County's application for \$16,836 to employ a probation officer and secretary and purchase office supplies was granted. Local contribution will be \$2,730 in kind and \$4,000 cash. Approved for Lubbock County was a \$31,398 award to provide personnel and equipment for administrative support of the Lubbock County district courts. Assistants employed in the project will organize, direct and develop administrative work of the courts.

HART CAMP

MRS. EDWIN OLIVER

262-4242

VISITING IN the Edwin Oliver home Sunday night were their son and family, Mr. and Mrs. Kerwin Oliver and Elisa.

ON WEDNESDAY night last week the large grain storage tank at the Hart Camp Grain elevator either exploded or collapsed, spilling grain out as it fell to the west. Extensive damage was done to the tank as the sides split open, and collapsed. Damage was estimated to be near \$100,000. The elevator is owned by Leo Smith of Otton.

EACH DAY last week women of Hart Camp Baptist Church met for a program in observance of the State Mission Week-of-Prayer. The program emphasized the people of Texas who are in need of spiritual and financial help. In charge of the program on different days were Meses. L. W. Sullivan, Dewey Parkey, Blanton Martin and Edwin Oliver. On Sunday morning the women presented a portion of the program to the congregation during the opening church service.

DON PARKEY, son of Mr. and Mrs. Dewey Parkey, left Sunday morning for Amarillo where he will live while attending Amarillo College of Vocational Arts.

MR. AND MRS. L. W. Sullivan, Mr. and Mrs. J. W. Johnson, Jr., Mr. and Mrs. D. R. Leonard and Danny were all Sunday dinner guests of Mr. and Mrs. Roy Hendrick and Jerry of Lubbock on Sunday.

MR. AND MRS. Blanton Martin left a few days ago for a trip to Oklahoma, Kentucky and other points of interest.

MR. AND MRS. O. J. Neeley Jr. returned home Monday from a week's trip to Oglesby and Omaha. They visited in Oglesby with Mrs. Neeley's mother, Mrs. J. W. Brewer. A brother and sister-in-law of Mrs. Neeley, Mr. and Mrs. Alfred Brewer of Caldwell also visited them there. They visited their daughter and family, Mr. and Mrs. Ronnie Jones, Tyson and Casey in Omaha. While there Mrs. Neeley's sister and family, Mr. and Mrs. Samuel Paddock

of Dennison visited them. MR. AND MRS. Jones and children have just moved into a new three bedroom brick home.

MR. AND MRS. M. W. Wheeler left Wednesday to spend a few days in Center with Mrs. Wheeler's father, S. H. Latham.

MR. AND MRS. J. W. Johnson Jr. returned home last week from a two and a half week vacation trip to Washington, D.C. to visit their daughter and son-in-law, Mr. and Mrs. Guy Ballard. Mrs. Ballard is employed with the FBI and Justice Department and they live in Alexandria, just across the Potomac River from the Capitol Building.

MR. AND MRS. Johnson were given a special tour of the FBI Department. They also had passes to tour the Capitol Building, the White House, the Mint, the Smithsonian Buildings, and the House of Congress. They were permitted to sit in on a debate in the House of Congress. Mrs. Johnson said the highlight of their trip was to the Arlington Cemetery during the changing of the guard at the tomb of the Unknown Soldier.

THE JOHNSONS met Mr. and Mrs. George Mahon. He had arranged in advance for them to make the tours and he went with them on the underground railway and to the House of Congress.

75 Boys Enter Local Contest

Eighteen boys went home with trophies Saturday morning after they were declared winners in Mitchell Ford, Inc. and the Littlefield Quarterback Club's annual Punt, Pass and Kick Contest. Seventy-five boys entered the competition.

The first place winners will compete Saturday, Oct. 7, in zone competition at Lubbock at the Intramural Field No. 3. The winners from this event will compete in district competition Saturday, Oct. 14, at Dallas.

Michelin costs less in the long run. The very long run.

In fact, this Michelin steel belted radial costs less per mile of driving than any tire you can buy. Backed by Michelin's Warranty* for 40,000 miles of tread wear. (Many owners get much more. Puncture resistant Michelins give precise steering control, sure safe stops and smooth driving comfort. Stop in and start saving right now.

MICHELIN

*Michelin's Warranty for X Radial Highway Tires Without The shown here covers tread life, and not workmanship (excluding repairable punctures) for 40,000 miles, and defects in workmanship and materials, when used on approved passenger vehicles in normal service in continental United States, except Alaska. Credit is based on Michelin's opinion. It is equal to normal retail selling price multiplied by percentage of unexpired tread life on tire.

Famed Black Coach To Speak At WTSU

Bill Russell, athlete of the decade—the man who led the Boston Celtics to 11 world basketball championships and became the first black to coach fulltime in any major league sport—will speak at West Texas State University Oct. 10.

"Bill Russell Raps,"

sponsored by the Special Programs Committee of WTSU, is set for 8 p.m. in the Activities Center ballroom.

Russell was named basketball's "player of the decade" by a special Associated Press poll in 1970. The award came after 6-foot-9 Russell, as both player and

coach, had directed the Celtics to nine National Basketball Association championships during the 1960s.

The former center was described by the AP as "an unselfish player... (who) concentrated on rebounding, blocking and setting off a fast break. His presence near the

basket intimidated shooters and forced them to change their style."

Tickets are on sale at the WTSU Activities Center office. Prices are \$2 for adults and \$1 for students.

Tickets for West Texas students and faculty are free.

Area Teams Entering District

Friday was a bad night for football as all the area teams were defeated, with the exception of Sudan and Bula. The game will be played for keeps starting Friday as two more schools enter into district competition.

Sudan and Springlake-Earth will start their district play this Friday to join Whitharral, Amherst and Bula in playing the game for keeps.

As a district opener, Springlake-Earth travels to Sudan for a District 3-A game. Both teams are 2-2 with Sudan winning over Amherst and Shallowater and Springlake-Earth taking wins over Morton and Dimmitt. The Hornets lost to Plains and Anton. The Wolverines took a defeat from Cooper and from Friona.

Amherst hosts Lazbuddie in conference game Friday. So far, the Bulldogs have not been

able to be on the top end of the score this season, although they did lead Sudan until the final four minutes of the game before being dumped by two touchdowns.

Lazbuddie won their last three games.

Whitharral's Panthers have 10 conference games and will host Klondike Friday.

So far neither team has been able to win a game this season in eight-man football.

Undeclared Bula goes to battle at Hermleigh Friday, in six-man football.

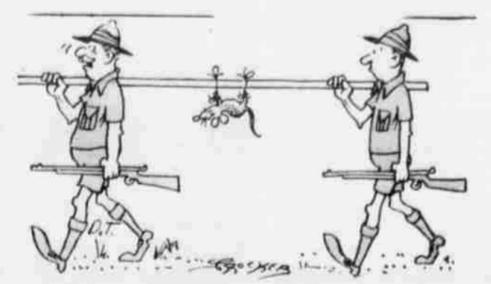

Anton entertains Petersburg Friday in a non-conference game. Anton is 3-1 for the season and suffered their only defeat when they were edged out by Hart, 35-32 Friday.

Petersburg won over Silverton, 7-6 Friday.

Olton, still looking for their first win of the 1972 season, will take on Abernathy Friday at Olton.

The Mustangs' last defeat was 17-8 squeaker from Floydada.

Abernathy is 3-1. They lost their last game to Brownfield, 35-9.

"Not much of a safari, was it, Cliff?"

Public Hunt Drawing Set

Over 2,000 deer, turkey, and quail hunters will have a chance to hunt on the Texas Parks and Wildlife management areas this year.

Prospective hunters have until 5 p.m. Oct. 24, in return completed public hunt application forms to the department's Austin offices.

A public drawing will be held at 10 a.m. Oct. 27 in the John H. Reagan Building, Austin.

The permits will be

Job Corps Vacancies Now Open

There are immediate vacancies now in the Job Corps for young men and women between 16 and 22 who lack the education or training to get a good job.

"Job Corps strengthens basic educational skills and offers a wide range of vocational training in skills which are in demand today," says Roy Wilson, manager of the Littlefield office of Texas Employment Commission.

Enrollees in this residential training program receive room and board, medical and dental care, work clothing, a nominal allowance and other benefits.

Length of training varies with the individual, some completing the training program within a year, and others taking up to two years.

Most Texas enrollees can be assigned to a Job Corps Center either at Camp Gary, San Marcos, for young men, or at McKinney, for young women.

Texas Employment Commission, at 425 XIT Drive interviews and screens applicants for Job Corps openings and sends the applications to Job Corps Headquarters for selection and assignment.

Shook Tire Celebrates 4th

Shook Tire Company, co-owned and operated by Orville Bassett a native of Littlefield, celebrates its fourth year in business in Littlefield this week.

Shook Tire, one of the largest names in the tire industry in West Texas, came to Littlefield four years ago when it bought out Bassett, then an independent tire dealer.

Bassett, with 13 years of experience as a tire dealer in Littlefield, is backed with personnel with more than 35 years of tire experience to the farmers, ranchers and car owners in the area.

At Shook Tire in Littlefield, there is a complete service department with experienced personnel and up-to-date modern equipment.

Practically any front end, brake, air conditioner, muffler and miscellaneous repair can be done at Shook Tire Co. in Littlefield.

Shook Tire Co. is also a state inspection station and offers its customers Fina service as well as on the road and on the farm service.

HONEYMOON OVER

Coach, Cats Study Goals For Season

By ANDY ROGERS

Jerry Blakely coached the Littlefield Wildcats to an 8-3 record and a district championship in his first season here, and in so doing was picked Class AA Coach of the Year by the Lubbock Avalanche-Journal last year. Considering the Cats 1-9 record the year before, Blakely was most deserving of the honor.

Now, to coin a phrase, the "honeymoon" is over, and Blakely is out to prove that last year was no fluke.

Coach Blakely, LHS athletic director, was good enough to answer some questions recently that were up in the air concerning the '72 version of the Fighting Wildcats.

Blakely's interview is followed by a similar questionnaire filled out by the Wildcat captains. They are Alan Mackey, senior defensive cornerback; Bill Hamblin, senior offensive guard and middle linebacker on defense; and J. E. Johnson, senior tailback and outside linebacker.

Q. Do the Cats look better than last year at this time? What are the goals for this year?

BLAKELY: Generally speaking, our goal is to learn how to win, be it in football or anything else we try to do, now or later in life. We do have specific goals that are shared by our team that are maybe too personal to talk about at this time.

Q. Is the spirit on the team good? Are they more enthusiastic than last year?

BLAKELY: It's hard to compare one team with another and I can't take anything away from the fine effort our team gave last year. However, I've never been associated with a group of young men who have worked as hard preparing for a season as this year's Fighting Wildcats. I hope they can have the success they deserve.

Q. Are we going to go the air more this year?

BLAKELY: Our passing game will be much improved. I feel we have the quarterbackbacks that will enable us to make the pass a basic part of our offensive plan. We should also have the receiving and line protection needed for a good passing game.

CAPTAINS

Q. You were on the team last year. How does this team compare with last year's? How does it excel and what are its weak points?

MACKEY: This year's team is a good team. With a couple of more games under our belt, we will be hard to beat. You can't compare this year's team with last year's. Last year we had a fine ball club and this year we do too. We have different personnel so it would be more like comparing people than teams. We are stronger than anybody pound for pound. We're quick and a well-disciplined team. We're not weak anywhere. We just need a little work in some areas.

HAMBLIN: This year's team is as good, if not better, than last year's. We have the potential to go to state. Our weakest point would have to be our kicking game.

JOHNSON: I think this year's team is better than last year's.

Q. How is the attitude this year on the team?

MACKEY: The attitude is great. Anytime a team is willing to work hard all winter, spring, and a very hard summer you are going to have a good team. There is a lot of enthusiasm.

HAMBLIN: The attitude this year is great. I think that if we keep the same attitude we shouldn't lose another game.

JOHNSON: The attitude of this year's team is great.

MRS. BLEVINS SAYS

Wives Of LHS Coaches Member Of 'Team' Too

(Editor's Note: This is the second in a series of features on LHS coach's wives written by Tina Russell, Shelly Grant and Rita McKinney of the Skat staff.)

"I love football, it's our life." This is the manner in which Mrs. Jeanette Blevins, wife of Coach Dee Blevins, sums up her position as a coach's wife.

"The hours are long and hard. We miss him, but as I said, 'it's our life.'"

Mrs. Blevins predicts a "super season." "You can't find a better group of boys."

They've got determination, desire and will. I'm optimistic." She wishes everyone "would have spirit."

She said she sits at the football games with the other coach's wives. Laughingly she states, "We cry and smile together." She said it hurts her to hear people "badmouthing" the coaches, officials or players.

"It's a game. If they can't enjoy it and be sportsmanlike, they shouldn't go. I yell a lot, but I watch what I say. The people on the field do the best they can."

Following Friday night football games, she said the five wives get together. "We just talk. We're a team too."

The Blevins came from a position at Vega, Tex., to Littlefield. Mrs. Blevins remarks that it was "not as nice as beautiful, wonderful Littlefield. I like Littlefield, I really do."

Mrs. Blevins was a high school cheerleader at Clarendon and met her spouse while she was attending Clarendon Junior College. They now have two sons, Michael, 10, and Todd, 4.

"We've got every kind of ball imaginable. It's football season, so we've got footballs. During track they'll run through the house."

Her pastimes are attending school functions, football games, sewing and music. "I love to listen to music."

She helped to paint the Wildcat Stadium and said she attends pep rallies. She claims to "love her work and is anxiously awaiting the next game with the 'Mean Green.'"

LOOKING OVER the Skat are the three editors. Left to right they are co-managing editors Druanne Wilkinson and Tina Russell, and editor Pam Brandt. The Skat is a mimeographed newspaper that is published every other Friday at LHS. The Skat also appears bi-weekly in the Leader-News on Thursdays.

EDITORIAL

By PAM BRANDT

Why show any respect for country and school at a football game? Who wants to sing the "Star Spangled Banner" and "Maroon and White" with the pride and respect they deserve? Who wants everyone to think he is a "weirdo" because they are singing instead of acting silly?

There were three main types of behavior Friday night at the football game as the National Anthem and both school songs were being played. During the prayer there was such behavior also. During all three songs and prayer the spectators in the student section were either standing at quiet attention, singing, scuffling and shouting, or calling attention to themselves for their "cute" patriotism.

The prayer at the opening of the game is always hard to hear and understand. Even though one cannot hear what the speaker is saying, why not be quiet and be respectful anyway?

Certainly every student attending LHS has some allegiance to his school, whether he wants to show it or not. It isn't "cute" to desecrate LHS. We have much to be proud of about LHS. We have teachers that really care about the student as an individual, we have a fine football team that is doing it's best to represent LHS, and there are many students working to make LHS a more desirable school. Often we're too busy finding fault to notice how good our school is. Certainly we should be proud to stand quietly or better still, SING our school song when it is played. The same is true for our country.

Many times we are so busy tearing down our country that we forget to count the things right with the USA. Even if one thinks that there is much wrong with the United States, and he does not feel as if his conscience would justify him putting on a front by singing the National Anthem, he should at least respect other people who might want to show their allegiance.

Respect is the important word for how to act when another school's song is being played. They think their school song is just as important as we do ours.

Helmet Big Hit At LHS

The gigantic replica of the same maroon and silver football helmets worn by the "Fighting Wildcats" can be seen putting up and down the front of Wildcat Stadium's home side whenever they score touchdowns.

The "overgrown" football helmet came into being after La Moyne Grissom got the idea that the Littlefield Wildcats should have a football helmet like the Dallas Cowboys. She told the late Jack Wattenbarger about her idea and he told David Hamblin, who came up with a golf cart and helped Byron Ford, Buster Owens and "So" Grissom weld a frame onto the cart.

It was then chicken-wired by Judy Lee and LaMoyné Grissom. Ann Owens, Marilyn Sorley, Wanda Hamblin, Jackie Wood, Sally Bradley, Judy Lee and LaMoyné then paper-mached the chicken wire frame.

James Grimes furnished the paint to cover the helmet and Mitchell Ford painted it silver. G&C Auto furnished maroon paint to make the stripes on it. Ann Owens did the interior, and Bob Grissom and Duff Wattenbarger did the finishing touches.

The Quarterback Club paid for the entire operation.

PEAK FIGURES EYED

Enrollment Down

By DRU WILKINSON, PAM BRANDT, DONA DAVIS

The enrollment in Littlefield Public Schools is expected to reach a peak this month or in November, according to Superintendent Paul I. Jones.

He stated that "people are gone temporarily. Most are gone for employment purposes and it is a quiet time for business. Approximately half will return; it's the true pattern in years gone by."

"The reduction in enrollment seems to be scattered throughout the grades," Jones stated. Figures were down from 1,942 to 1,849 to that of the figures at this time in 1971. The high enrollment so far was that in 1970 when the total was 1,948.

The enrollment in high school is down also from 378 last year to a total of 361 for this year.

There are fewer seniors than juniors and sophomores. Enrolled in LHS are 95 seniors, 49 girls and 46 boys.

Junior enrollment is down this year with 107, 53 girls and 54 boys.

Sophomores top the enrollment figures at LHS with 153; 78 girls and 75 boys. All LHS students are

required to take English years. Enrolled in English classes are 196 students. 196 are enrolled in English courses.

More LHS students taking geometry than other math courses. Three students are enrolled in geometry. Least number of students in trigonometry/analytic geometry. Two biology classes offered. Enrolled in biology are 38 students and three are in separate classes.

In the business department Typing I tops the enrollment with 120 students. It is the most popular course offered. Clerical preparation only one boy this year.

Woodworking is the enrolled vocational with 59 students enrolled and distributive education with 49. Enrolled two girls in the drafting which is usually a class.

More students are in study hall than any class offered in LHS.

CHEERLEADERS Tonya Pickrell and Shelly Grant as proud as all other LHS students are of the Wildcat football helmet shown here.

Doctor Keeps Teams Supports All Cat Sports

By LINDA McANALLY

"Oh... about 16 years, I think," was the thoughtful comment of Dr. D. J. Stafford, a Littlefield physician, when asked how many years he has been working with sports participants at LHS.

Dr. Stafford said his "interest in sports and the kids" who were a part of those games were the main reasons he offered his services to the athletic department of LHS.

At the present time, Stafford is involved in any medical care needed for the Wildcat football team. Besides giving the "Cats" their pre-season physical examinations, he is responsible for the medical attention before, during and after the football games.

In the interest of those who wonder about whether it's hectic, or just exactly what, in the locker room during half-time, Stafford laughingly replied, "No, it's not hectic!" While the "coaches have pointed and pertinent comments" to make to the team, the doctor said he is giving his attention to any injuries or problems that have arisen during the half.

In answer to whether or not he travels on the bus with the Wildcats to out of town football games, Stafford said, "I have on occasion." When he can't get away from his office he meets the team wherever they go for a game.

Besides giving the pre-season physical and pacing the sidelines every Friday night to watch the Cats in action, he goes to their

practice sessions if will permit."

Stafford is associated only with the football but also in giving the girls' basketball, girls' volleyball and track teams their physicals.

LHS Chorus Slates Performance

There's going to be "flooding" the Littlefield High School department, Dr. D. J. Stafford, Koma Sue Drake decided to perform "Music Man" by Wilson, this fall. It will be held after the opportunity musical. Additional financial help will be needed and the poster will be posted at a later date.

A joint high school trip to Lubbock September 18. Enthusiasts of the musical "Oliver!" Lubbock Theater was the beginning of field trips for the choir officers. Vice-president, Bryan Drake as secretary. Daria Sanderson as Cross heading...

Uh One An Uh Two, An Uh One,

Two, Three PLAY

A NEW SOUND on Friday mornings is the strains of "Maroon and White" and "Victory" floating into classrooms of LHS. Here, the Wildcat Band arouses

school spirit by playing the familiar songs the mornings before football games.

CHRIS POPE

J. E. JOHNSON

WILDCAT COACHES have named Chris Pope and J. E. Johnson "Wildcats of the Week" following the Muleshoe game Friday night. Pope was chosen for his blocking efforts and for catching three passes in one of his better nights at offensive tight end. Johnson got the nod as one of the defensive standouts at his defensive end position.
