Cotton Short, Ginnings 4,474

Monday, Lamb County gins ginned 4,474 bales of cotton ginned their yards.

Total is about 9,000 bales short of gins for this time last year.

New grade returns also show lower which will bring lower prices.

Earth area leads in ginning with bales at five Earth gins when the week was made.

Olton gins reported 1,082 bales and on their yards.

Gins in the Hart Camp-Fieldton weighed in over 355 bales of gins in Littlefield and gins at

Bainer Switch, Lums Chapel and Lumsden reported 324 bales.

Two hundred-ninety bales had been ginned at Springlake; Sudan gins had received 214 bales, Amherst gins 136 bales, and Spade gins reported 111 bales.

The lowest percentage turn out reported was 17 to 18 per cent, and the highest was 28 per cent with an overall average of about 22 per cent.

Very few grades were in, with the majority of the gins having no grade cards back on this year's crop. "The grades are low this year," the manager of the Farmers Co-op Gin at Sudan said, "that if a farmer gets a low middling spot it's considered good."

Businessmen Tipped Against Shoplifting

"They're Out To Get You" and "The Paper Hangers" were shown to approximately 60 retailers, business men and citizens who are interested in preventing crime in Littlefield.

Colored movies on shoplifting and checks were shown Thursday by Bill Tipton of Lubbock, who is assistant administrator of Small Business Administration.

and tucked them away in clothing or in a bag," he stressed.

"The Paper Hangers" stressed how merchants or anyone accepting checks should be sure the "paper" they accept is legitimate, and named several points which combine to make it legitimate.

Among one of the first "dos" is to make positive identification of the person passing a check, by asking for more than one kind of identification. Have personal checks made payable to the company.

Among other things to look for are smudges or erasures, post-dated or stale-dated checks, checks written on out-of-town banks or faraway addresses, illegible writing, checks bearing second endorsements offered by strangers, printed restrictions, or where the amount in words do not match the amount in figures.

In commenting on the check film, Tipton urged employees to "have all checks endorsed in your presence—and in ink. If there is any doubt, take down information about the passer on the back. He won't object too much to giving his phone number and address if he's OK."

"Be doubly cautious on weekends and holidays when 'the bank is closed and I need extra cash,'" Tipton cautioned, "and don't permit yourself to become flustered by the shopper who is in a rush."

Retarded Children Aided In Satellite School Here

Some Youths Coming 'Out Of Their Shells'

By NILAH RODGERS

Last year he stood out in the street looking up in the trees or at the sky for hours at a time, or just sat in a corner doing nothing.

After he started attending the satellite school for retarded children each morning he began to talk. And after a year of attending the class, he became one of Mrs. Oleta Richardson's talking students.

This year he is in public school. "That in itself justifies the program," director Phil Berry said. "Of course he was mostly socially retarded, but that shows up on tests just as though it is all mental retardation."

Mrs. Richardson has another student now who wouldn't talk when he first came in the class. The tall, lanky student wouldn't even talk to his family. "Now he talks all the time," Mrs. Richardson said, "and likes school so much that his parents can't keep him home when he is sick. He cries to come even when he doesn't feel like sitting up. I've had to put him to bed two or three times, but he won't stay home."

This retarded child is one of 11 in the Littlefield area who are being drawn out of their shells in two 12-month classes here through the extension service of the Lubbock State School.

For most of the children, even though they are in their teens, this is their first time to attend school.

Mrs. Richardson teaches the older group, or those 12 years and older in the Parish Hall at Sacred Heart Catholic Church.

Mrs. Hazel Mackey teaches pre-schoolers and retarded children under 12 years in the Fellowship Hall at Saint Martin Lutheran Church. These two classes for retarded children are celebrating their first anniversary Nov. 20.

The teachers are paid by the Lubbock school, but almost all materials and supplies are donated. Milk and cookies are donated by various clubs and

Band Begins Tree Ticket Sales

Members of the Wildcat Band begin Christmas tree ticket sales tomorrow.

A ticket purchased from any member of the Littlefield band at \$1 is good for \$1 off on the purchase of a Christmas tree at the Littlefield Optimist tree lot on Hall Avenue. The purchaser is also eligible to win a transistor radio, two Wildcat football season tickets for 1970, and a turkey or ham in a drawing that will be just before Christmas. Prize winners do not have to be present to win.

The tree lot opens Dec. 1, and all money received on Christmas tree ticket sales benefits the Littlefield school band program.

organizations, too, and everyone who helps with the classes volunteer their services.

"People who come in here to help for the first time usually get a funny look on their faces," Mrs. Richardson said. "You can see on their faces that they are thinking, 'Oh, I'm in the wrong place, or, oh no, now I've done the wrong thing.' But they leave here laughing and feeling they've accomplished something."

"And almost everyone comes back to help again," Mrs. Mackey added.

Mrs. Mackey is luckier than Mrs. Richardson when it comes to volunteer help and money. The teacher of the younger class has a helper every day, from about 15 different volunteers. Mrs. Mackey attributes this to people being "just naturally more drawn to the younger children. And my supplies, like puzzles, peg boards and plaques, are more permanent than Oleta's because her students work with crafts so much and need more."

Mrs. Mackey compares her group to a nursery school class with work and play on the three and four year level. "Even though the child is 11 or 12, his mental capacity is about the same as a three or four-year-old," she said.

The older group does craft work daily, and keeps Mrs. Richardson busy coming up with ideas for the next project. They are working on Christmas wreaths now, gluing different shapes of macaroni to paper plates that will be sprayed gold and hung from big bright bows.

"They just love to glue," Mrs. Richardson said. "We use it by the gallons." The group has made hats out of bleach bottles, key chains, pillows and house shoes out of wash cloths, papier mache waste baskets and plaques. Each of the students has looped several rugs and made giant candles out of stacked bottles and plaster of Paris.

H&M Fabrics displays and sells some of the crafts for the class so money can be put into supplies for more projects and the Littlefield Lions Club recently voted to give the board \$15 a month for the next 10 months.

Both groups go on field trips. Mrs. Richardson takes her class to local stores. They especially like the variety stores. They've taken a ride on a school bus. "Oh, Rosinda loved that," Mrs. Richardson said. "We're going bowling one of these mornings soon. And we could swim in the summer if I had enough help to watch after them."

"The Association is the main thing in this class," Mrs. Richardson said. "When

\$3 MILLION IN COUNTY

Teens Big Spenders

Lamb County's teen-agers have never had it so good. They have an affluence that goes far beyond anything their parents could have imagined at their age.

The unprecedented amount of money at their command, estimated at no less than \$2,960,000 in the past year, went for the whole gamut of personal items and leisure-time activities that are so important to them. And it went fast.

In addition to what they spent themselves, they exerted a strong influence on family purchases—from food to furniture and from carpets to cars.

All of which increased the importance of the teen-ager as a consumer in the eyes of the manufacturer and the retailer. The spending figures were based upon surveys and studies made by the Institute of Life Insurance, the Youth Research Institute and others.

They found that the 25 million teen-agers in the United States had an income of well over \$20 billion in 1968, which averaged out to \$800 each, with the older group getting more than that and the younger fry less.

For the 3,700 teen-agers in Lamb County, it added up to \$2,960,000 in the year.

MRS. OLETA RICHARDSON drives in from Olton to teach a class of retarded children 12 years or older in the Parish Hall at Sacred Heart Catholic Church. The boy with his arm around the teacher finds special significance in a picture near his teacher, Mrs. Frank Rogers helps with the class every Thursday morning. The girls are playing Old Maid with playing cards after wearing out three sets of Old Maid cards.

MRS. HAZEL MACKEY, standing right, teaches the younger group of students in the Lubbock State School satellite program for retarded children here. Mrs. Bill Anderson is one of several volunteers that help with the class in Fellowship Hall at the Littlefield Saint Martin Lutheran Church each weekday morning.

VFW Meeting Today

The District 13 Meeting of Veterans of Foreign Wars is continuing today at the VFW John Henry Chapman Post 4854 Home.

Representatives from 15 cities are in Littlefield to attend the district meeting, including posts from Matador, Dimmitt, Tulia, Wellington, Silverton, Childress, Muleshoe, Amarillo, Hereford, Canyon,

Floydada, Lockney, Plainview, Paducah and Littlefield.

The John Henry Chapman Post is sponsoring the meeting, with Allen Purdy as host commander and Stella Pugh of Littlefield as local Auxiliary president.

Mrs. Robert O. (Theima) Pugh of Houston, state president of the Ladies Auxiliary to the Veterans of Foreign Wars, is making an official visit to the District this weekend.

The official program began yesterday, and continues with registration at 9 a.m. this morning, prior to coffee and doughnuts served by the Auxiliary.

A memorial service and joint meeting of the VFW and Auxiliary will begin at 10 a.m.

Littlefield's Mayor J. E. Chisholm will See VFW Page 4

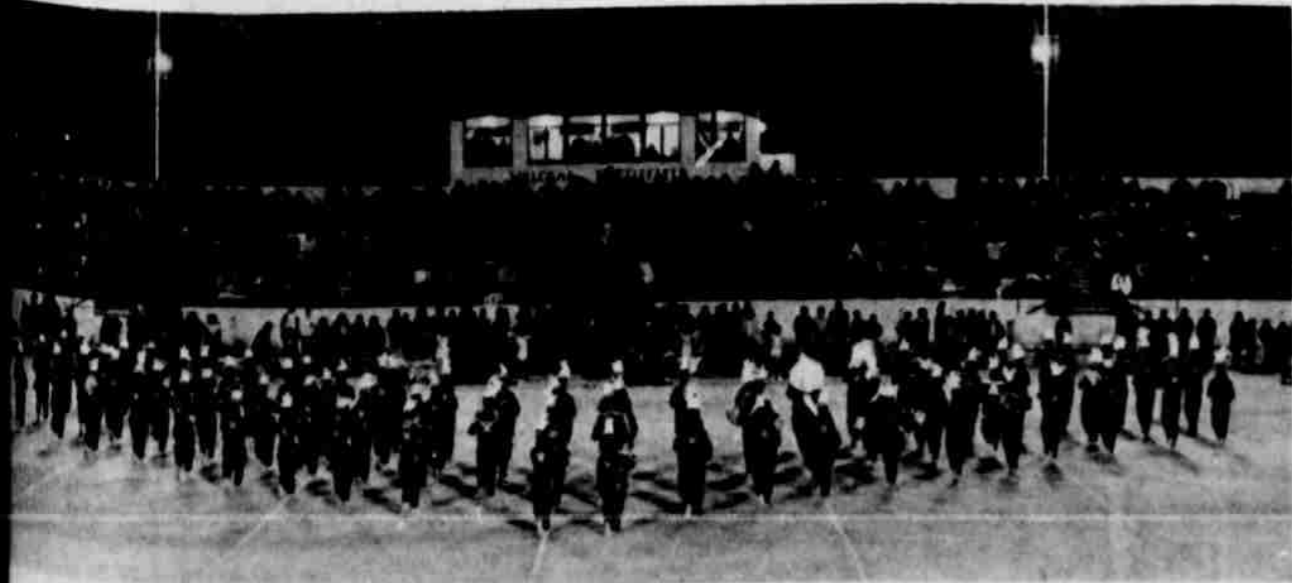

Kids Piggy-Backed To School In Mud

Jack Peel, commissioner of Precinct 3, is very special to some people who do not even know him personally.

Mrs. Hazel Keeling is one of these. During the recent wet weather, the dirt road she lives on became impassable in passenger cars, and school buses were running on paved roads, only.

But the Keeling children didn't miss a day of school, because Commissioner Peel sent pick-ups and men out to get the children, dig mud, or whatever was necessary for a full week and a day. "One morning the men even carried the children piggy back," she said.

Mrs. Keeling doesn't know whether Peel was one of those who helped her, her widowed mother and her children or not since she doesn't know Peel, she said. "But I just want to let people know what a nice man he is."

WILDCAT BAND MARCHING SEASON ENDS, CONTEST NEXT

Gary Wooten Wins Honor

ANTON—Gary Wooten was chosen first place winner in the high school boys division at the Six State Regional Meeting of the National Association of Teachers of Singing in Oklahoma City this week. He received a cash award for this honor.

The three-day meet, held at the University of Oklahoma, started Sunday. Gary competed in the preliminary semi-finals and finals to be announced the winner late Tuesday afternoon.

His winning baritone selection was "Si tra! Ceppi" by Handel from Italian Opera. He won third place last year in the Six State Regional Meet.

Wooten is a student of Miss Sue Crites of Lubbock. He has

been taking lessons from her the past two years.

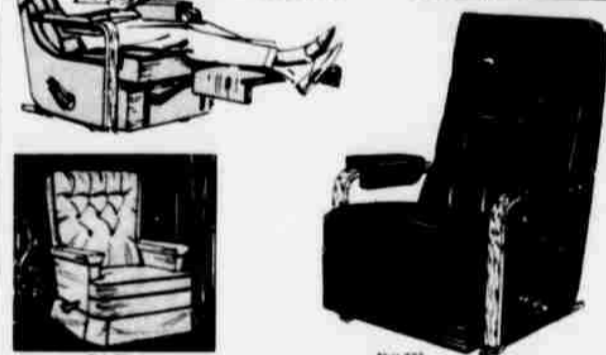

He is the son of Mr. and Mrs. Leon Wooten and had lived in Anton until June 25 when he married Miss Charlotte Crawford and moved to Amherst. He is a senior in Amherst High School.

Mrs. Leon Wooten and Mrs. Gary Wooten accompanied him to Oklahoma City. Other students of Miss Crites in the competition were Miss Malva Teague, a student at Texas Tech University and daughter of Mr. and Mrs. Douglas Teague of Anton, Steve Bell and Lynn Christy of Lubbock.

Christmas Seal Campaign Begun In Lamb County

Wednesday was opening day of the 63rd Annual Christmas Seal Campaign, sponsored by West Texas Tuberculosis and Respiratory Disease Association.

More than 110,000 letters will be delivered to the citizens of the 23-county West Texas Area, including Lamb County.

Mrs. J. M. Farmer is Lamb County chairman, Dr. J. R. Fain is on the executive committee and E. J. Wicker serves on the board of directors.

In making a statement about this year's campaign, Mrs. Farmer stated, "Because last year 3,216 Texans had TB; 440,000 Americans had emphysema; and 913,000 in all found for the first time that they suffered from a disabling lung ailment, we ask you to show the world you that you are doing something about it. Use Christmas Seals. It's a Matter of Life and Breath."

Dr. Taylor Evans, Lubbock orthodontist who is area campaign chairman, said, "Although the actual work of fighting tuberculosis and other respiratory diseases falls upon the medical researchers, and official health agencies, the responsibility for continuing the fight lies within the generosity of every West Texas resident."

Primary purpose of society is to raise the standard of military education at university; to unite members of the military departments, encourage the same qualities of good and efficient officers; and to provide fellowship among officers.

About 40 advanced students are pledged to ROTC fraternity.

AREA SERVICEMEN

STAFF SGT. KEN HUTCHINS Staff Sgt. Kenneth Hutchins leaves Dec. 12 for a two-year tour of duty in Panama. His family will join him there in January.

Hutchins is a 1959 Spade High School graduate and is the son of Mr. and Mrs. Ted Hutchins, 517 E. 17th, Littlefield.

Hutchins joined the Army in January, 1960. He has served two tours in Korea and one in Vietnam.

He was recently commended by his commanding officer, Capt. Richard Price, who praised Hutchins for his dedication, initiative and loyalty, saying, "Hutch is my right hand man, a truly outstanding NCO of highest caliber."

RUFUS RAMIREZ Private Rufus Ramirez, son of Mrs. Lorenza Ramirez of Littlefield, graduated recently from Chaparral/Vulcan Course at the U. S. Air Training Center (Air Detachment) at Fort Bliss, Texas.

He was assigned to Battery, 4th Battalion, Advanced Individual Troop Brigade.

During the course of training he learned all phases of firing and tracking systems, the automatic air defense weapons.

Excellent Opportunity For Part-Time Sales of Fire Casualty Insurance.

The SIC Insurance group is looking for someone to sell fire and casualty insurance on a part-time basis in the Littlefield area. May be developed into a full-time position. Insurance for automobiles, boats, houses, household goods, personal property, and life insurance.

Contact will be made from a system of leads on present customers. A program is also available for developing sales outside of present customer sources.

The right party can work in the evening after 5 P.M. If interested call George Davis at 385-4492 for an appointment.

John D. Nail Chosen Pled

John D. Nail has been selected as a pledge to Scabbard and Blade, an honorary Reserve Officer Training Corps (ROTC) West Texas State University.

Nail, son of Mr. and Mrs. John Nail, formerly Littlefield, is a junior major at the university and cadet major in the ROTC here.

Scabbard and Blade is to select military students who maintain point grade average in all courses and a 1.3 academic average. The student must be a member of advanced ROTC course.

Primary purpose of society is to raise the standard of military education at university; to unite members of the military departments, encourage the same qualities of good and efficient officers; and to provide fellowship among officers.

About 40 advanced students are pledged to ROTC fraternity.

Cooking Hints Given On Preparing Turkey

LADY CLARE PHILLIPS
 Co. H. D. Agent
 The U. S. Department of Agriculture's Consumer and Marketing Service reports plentiful supplies of turkeys for our 1969 Thanksgiving on Nov. 27 and for the rest of the month, too. So consider serving turkey for your family this season.

Three ways to thaw frozen turkey:
 All frozen turkeys should be thawed slowly; the slower the thawing the better. Follow turkey bag directions or:
 (1) Defrost on tray in refrigerator in original plastic bag, allowing 2 to 4 days, or 24 hours thawing time for each 5 pounds of turkey.
 (2) Thaw in original unopened plastic bag in cool running water, or water that is changed frequently. Allow approximately 2 hours thawing time for each 5 pounds of turkey. (Never use warm or hot water.)
 (3) Thaw at room

temperature leaving the bird in a large paper bag or wrap in several layers of newspaper which will provide some insulation and result in more even defrosting. Allow approximately 1 hour's thawing time for each 1 pound of turkey.
 Approximate time for roasting turkey which is ready for roasting in an oven with temperature set and heated at 325 degrees F.
 6 to 8 pounds, 3 to 3 1/2 hours;
 8 to 12 pounds, 3 1/2 to 4 1/2 hours;
 12 to 16 pounds, 4 1/2 to 5 1/2 hours; and
 16 to 20 pounds, 5 1/2 to 6 1/2 hours.

COFFEE FROSTING
 When making up vanilla frosting (in the powdered form), flavor with instant coffee. Good on chocolate cake!

Art Classes Have Show

AMHERST—The local art classes of Mrs. George (Bub) Stewart presented an art show in the school lunchroom Sunday afternoon.

Several other artists in the area had paintings on display. Door prizes were donated by Hart-Thaxton, the Littlefield Glass Works and Amherst Variety.
 Pamela Yantis, Kyla Harmon and Verena Kay Stagner registered the artists and those attending.
 John Harmon of Littlefield had artistic articles displayed made from roots and stems of plants.
 Refreshments of assorted homemade cookies and coffee were served. Mrs. George Harmon and others of the classes assisted Mrs. Stewart with arrangements. Approximately 200 paintings were on display.
3 MILLION CITIZENS
 The population of Uruguay is about 3 million.

SEASON RECORD 3-7 FOR 3RD YEAR

Cats Bow To Slaton, 32-20

LITTLEFIELD'S CHARLIE HOLT drives in for the Wildcats second touchdown in the season finale at Slaton Friday night. The Cats scored 20, but dropped the game as the Tigers tallied 32.

THE WILDCAT DEFENSE plows in to stop Slaton's Alan Fondy. In the play are Jerrel Haberer (74), Kim Kloiber (72), Lynn Barton (10), Phil Chambers (54) and Eddie Hickman (37).

Battle Of Bulldogs Goes To Amherst, 50-7

By EMIL MACHA

ANTON—The Bulldogs from Anton and Amherst fought it out here Friday night to see who was top dog in the area. Amherst won out, downing Anton 50-7.

For Amherst it was another big night for Bobby Clayton as he crossed the double stripe five times.

Anton's Tom Gilbert passed to David Rodriguez 19 yards for the one Anton tally.

Amherst began the game by grinding out yards, using Luis Jimenez for a long gain. Clayton charged for a first on the Anton 42, then bulled for another three yards. The next handoff was to Clayton, who broke in to the open and scampered for an early Amherst TD. The extra point was booted by Eddie Moates.

Amherst took a 7-0 lead with 10:10 left in the first quarter.

Moates booted the ball deep in the Anton territory. Williams brought it back to the 23.

Anton used Williams and Danny Spradley for ground gainers. A first was earned when John Cantu charged to the Amherst 41. Anton took to the air as they neared the goal, but QB Gilbert was unable to complete his passes. Anton reached in the bag for a trick. This called for a field goal, but instead a pass was attempted but it turned out to be incomplete.

Amherst's Clayton charged out to the 31, then fumbled. Anton's Spradley recovered.

Anton drove to the Amherst 22, lacking a yard for the first and had to again give up the ball on downs.

James Moore gained a couple of yards for Amherst before being downed by Spradley. Amherst ground out four first downs on the trek to the double stripe. With 9:17 left in the second quarter, Clayton went 10 yards for another Amherst TD. The boot

for the extra was no good. Amherst deepened the lead to 13-0.

Moates' kick was returned by Anton's Randy Jones with Moates putting the stop on him at the Anton 46.

Anton charged for a first, but a pass by Gilbert was intercepted by Tony Jimenez and carried back to the Amherst 45. Clayton and Moates teamed up to drive the ball to the Anton 2. A field goal signal was called and Moates booted a 17-yarder through the up-rights.

Amherst led 16-0 with 3:40 left in the first quarter.

Spradley returned the Amherst kick to the Anton 30. Gilbert passed to Williams for a 9-yard gain, but lost 10 yards on a hand off to David Rodriguez.

The Amherst defense began to tighten as Larry Edwards charged the Anton line to set them for another 5 yard loss. Spradley punted on fourth down.

Three plays later after first using Mickey Johnson, then Clayton of Amherst found Clayton planning seven yards for his third TD for the night. Moates kicked the extra.

With 1:45 left in the first half Amherst led 23-0.

Anton had the ball for two downs before a pass from Tom Gilbert was intercepted by Amherst's Jimmy Humphries, who ran 60 yards for a TD.

Amherst 30, Anton 0, with 1:22 left in the half.

Anton was forced to punt on the fourth down in the final seconds of the first half.

A pass from Moates to Johnson set the ball on the Anton 10, setting the stage for Clayton to go in from the 10 for another Amherst 6-pointer, as the gun sounded to end the half.

At the half it was Amherst over Anton, 37-0.

The third quarter started with an Anton runback to their 35. Anton seemed to be fired up as they charged for three first downs before having to

punt. The ball was downed on the Amherst 10.

Moore gained enough yards for an Amherst first. Clayton ran for another, and a pass from Moates to Clayton, yielded still another Clayton then work-horsed his way in the next series of downs to set the ball in position for another Amherst TD. He went all the way from the Anton 34.

The score was 43-0 with 5:01 left in the third quarter.

Williams returned the Amherst kick to the Amherst 48. Spradley charged to the 36, for a first and 10. Cantu broke loose and made it to the Amherst 12 before being brought down from behind by Clayton. Gilbert set the ball on the 7. Then a pass from Gilbert to Rodriguez netted an Anton tally. Williams converted the extra.

It was 43-7. Amherst over Anton, with 2:52 left in the third quarter.

Jimenez returned the Anton kick to the Amherst 43. Clayton took a Moates' handoff for enough yards to get a first.

Anton recovered a fumble on Amherst 45. The next down Cantu charged to the Amherst 21 for a first. Spradley, Williams, then Gilbert ground out yards, but Anton was forced to give up the ball on downs at the Amherst 7.

Amherst gained three first downs and on a fourth down fumbled. Anton Bulldog Spradley charged in and took control of the ball on the Amherst 38.

Cantu raced to the 17 for an Anton first. Anton then fumbled the ball on the Amherst 11, with Moore recovering for Amherst. A pass from Moates to Cummings was stopped at the Anton 38. Clayton gained enough for a first on the 23. Moates reached the 16, then Clayton on a handoff from Moates crossed over for another TD. The extra was good.

With 3:53 left in the game Amherst led 50-7.

Bulldogs Win First

Bula's Bulldogs clamped down on the Union Wildcats and didn't release their powerful grip until they'd ripped a 42-12 district win from the Cats.

Bucks Ron Risinger and Tom Newton led the Bulldog romp to the first Bula win on the home field Friday night. Newton plowed over from the 3-yard line for the first Bulldog tally and Risinger added two points on the conversion.

Marvin Jackson scored for Union, but failed to add any points after.

Risinger and Newton both galloped for a Bulldog touchdown and sophomore end Wayne Wood added two more points.

Jackson scored for the Wildcats again, leaving Union trailing in a 22-12 halftime score.

Risinger came back for a second touchdown and added his third TD minutes later while the Bula defense held Union scoreless in the last half.

Wayne Wood tore loose for a 20-yard run and another six points for a final 42-12 victory.

BIRTHPLACE
Ohio is the birthplace of the nationwide Easter Seal movement, which is celebrating its 50th year of service.

Slaton's Tigers came out on top in a fine offensive show, but Littlefield's Wildcats gave them a run for the money before dropping a 32-20 decision at Slaton Friday night.

It was anybody's ball game after Littlefield dominated play in the third quarter and closed the scoring gap to 19-14 with 16 minutes left in the District 3-AAA clash.

But Slaton marched 63 yards in 12 plays and controlled the ball for more than six minutes in taking a 25-14 lead. Then the Tigers used Wildcat miscues to thwart any Littlefield visions of ending the season on a winning note.

The Tigers, playing before a Homecoming crowd, had to have all the support they could muster as the Wildcats, 4-touchdown underdog, carried the fight to their larger opponents.

The loss gave Littlefield a record of 3-7 for the season and a mark of 2-3 in zone play. It was the third year in a row for the Cats to go 3-7.

Twenty Wildcat seniors played their final game, and their work accounted for the first 14 Littlefield points. Defensive play of the seniors also kept the Wildcats close for three quarters.

But there were a couple of bright spots for the future, too. Soph Ralph Funk led Littlefield ground gainers with 71 yards in nine carries, and another sophomore, Danny Estrada, accounted for six points when he stole the ball from Slaton QB Terry Mosser and ran 85 yards for a TD.

The running of Larry Moore, Slaton's 212-pound senior fullback, was the big attraction, however. He carried 26 times for 193 yards.

Mosser's timely passes accounted for two Slaton tallies, as he hit five of 13 for 72 yards.

On the Tigers' second possession, they drove 78 yards in 10 plays, with Mosser sneaking in from a yard out. Allen Sanders' point try was wide and Slaton led, 6-0, with 3:54 left in the first quarter.

The Wildcats came roaring back in a drive to the Slaton 29 but a fourth-and-three try by QB Charlie Holt failed to gain.

Slaton then ate up the clock for five minutes in a 69-yard drive that ground out TD in 12 plays. Moore scored the TD on an 8-yard run and Slaton had a 13-0 lead after Sanders kicked the extra. The clock showed 9:48 left in the second quarter.

Only two minutes later, the Wildcats were on the board. Funk got off on the game's longest run, 51 yards, after taking a pitchout from Holt. The carry was to the Tiger 10, and two plays later, Holt passed to Split End Steve Owens for a 9-yard tally. Alan Newton's kick made it 17-7 with 7:38 left in the half.

Slaton came right back with a 70-yard drive in 13 plays, using up six minutes and overcoming two penalties for 20 yards.

The Wildcats shut off the Tiger running game at the Littlefield 11, so Mosser hit a fourth down pass to Alan Fondy, good for the distance and six points. Sanders' kick missed and it was 19-7 with 1:09 left in the half.

Two straight pass completions from Holt to

Funk and Holt to Eddie Hickman put the Cats on the Slaton 30 just before the half ended. It was Hickman's 10th straight game for a pass reception, and he was the only Wildcat who could make that claim.

Opening the second half, the Cats drove to the Slaton 18, with Holt's 34-yard pass to Hickman the big gainer. But four straight passes went incomplete and the Tigers thwarted that drive.

Littlefield had another chance four plays later when Wendell Horn returned the Tigers' only punt of the night to the Slaton 46.

The Cats scored in 11 plays, with FB Randy Mitchell and Funk carrying for one first down, and Holt hitting Gary Nace on a 9-yard pass for another to the Tiger 28.

After Holt ran for almost 10, Funk got the first down at the Tiger 16. Mitchell picked up four and then Holt ran for the TD. Newton's kick made it 19-14 with 4:15 left in the third quarter.

Slaton then marched 63 yards for a cushioning TD. Mosser threw 17 yards to End Robert Englund for the score and Slaton led 25-14.

Things started to go bad for the Wildcats, when a high snap sailed over Punter Mitchell's head and Slaton took over at the Cat 6-yard line.

But the Wildcat defense, led by Kim Kloiber and Monte Trotter, held at the Littlefield 7 and a fourth down pass was intercepted by Holt in the Cat end zone.

Littlefield marched out to the 38, but Slaton's LB Ted Dixon intercepted and returned to the Cat 41.

Moore carried five straight times, finally scoring from the 10, and Slaton had a 32-14 lead after Sanders' kick was good. Only 2:36 remained in the game.

Slaton seemed on the verge of padding its lead after another Dixon interception at the Littlefield 37. The Tigers drove down to the Cat 10, where Mosser went back to pass.

On the way, the Cats' Danny Estrada just took the ball away from the Slaton signal-caller, and from the Cat 15 set sail goalward.

Danny nearly was caught at midfield, but he slashed away from the last Tiger and was escorted the rest of the way by a pair of Wildcats who were around in the event they were needed.

Estrada was clear the last 50 yards, as a surprised Slaton offense wondered what hit them.

Newton's kicking try was no good, but the Cats pulled within 32-20 with 1:12 left on the clock.

The Wildcats held off a Slaton advance to the Cat 20 as the game ended.

SUDAN'S DAVID WEAVER is hit hard during Hornets' loss at Farwell Friday night. The Steers took the district championship title after Sudan won the crown two years in a row.

Farwell Ends Hornet 3-A Title Domination

The powerful Sudan Hornets' winning tradition fizzled Friday night and Farwell grabbed the District 3-A crown with a 24-8 win on the Steers' playing field.

Sudan's fighting Steers kicked off to Sudan, and the Hornets unsheathed their stingers and were going pretty good until Farwell intercepted a pass.

Farwell failed to make the turnover count, however, and displayed symptoms of a bad case of fumbleitis. Their first-quarter illness allowed Sudan to take over on fumbles on Farwell's 44, 25 and 20.

But the Hornet offense failed to move the ball, and the Hornets and Steers were scoreless in the first quarter, despite Sudan's penetrating Steer 20-yard line three times.

Steer back Gary Erwin began a succession of drives that netted him 151 of Farwell's 229 ground yards for the night and went over from the nine-yard line for Farwell. Bob Wiman's kick was good and the Steers were on a stampede for the district championship and a swat at next week's bi-district playoff against Petersburg.

The Steers took advantage of a Sudan miscue late in the second quarter when Doug Harriman recovered a Hornet fumble at the Farwell 49.

Three plays later Greg Hargrove hit Danny Prince with a 29-yard bomb in the right corner of the end zone. Wiman converted again for a 14-0 halftime lead.

Wiman widened the gap with a 31-yard field goal early in the third before the Hornets buzzed into action.

The defending champs for the past two years galloped 57 yards in 10 plays with Sudan fullback Larry Hanna and halfback Jerry Bellar leading

the offense. Bellar zipped across from the three-yard line on a pitch out to the right for a TD. A penalty against the Steers moved the ball half the distance to the goal line, and Bellar lunged 18 inches for a two-pointer.

Farwell took over on its own 17 and began a drive of 14 plays that ate up three minutes of play. Erwin carried on nine plays for 46 yards, then Hargrove fired a 21-yard TD pass to Dean Stovall and Wiman converted for the final 24-8 win.

Both Sudan and Farwell

have 7-3 season records, the third year of owning the district championship is with the Hornets.

S-E Wolverines Claw Kress Team, 43-18

KRESS—It was Springlake-Earth all the way here Friday night as the powerful Wolverines trounced the Kangaroos, 43-18, and captured third place in the District 3-A race.

Springlake-Earth raced to a 35-0 lead midway in the second period, with Terry Bridge scoring twice, Willie Wilborn and Steve Sanderson each scoring on passes from Hoyt Glascock, and Tony Barton scoring once.

The Kangaroos scored all their 18 points in the second quarter.

Bridge scored twice on 2-yard runs, with Glascock kicking for the extra on the first TD, and having his kick blocked on the second TD attempt.

Glascock and Wilborn teamed up on a 4-yard pass-play and another Wolverine TD. Bridge booted the extra.

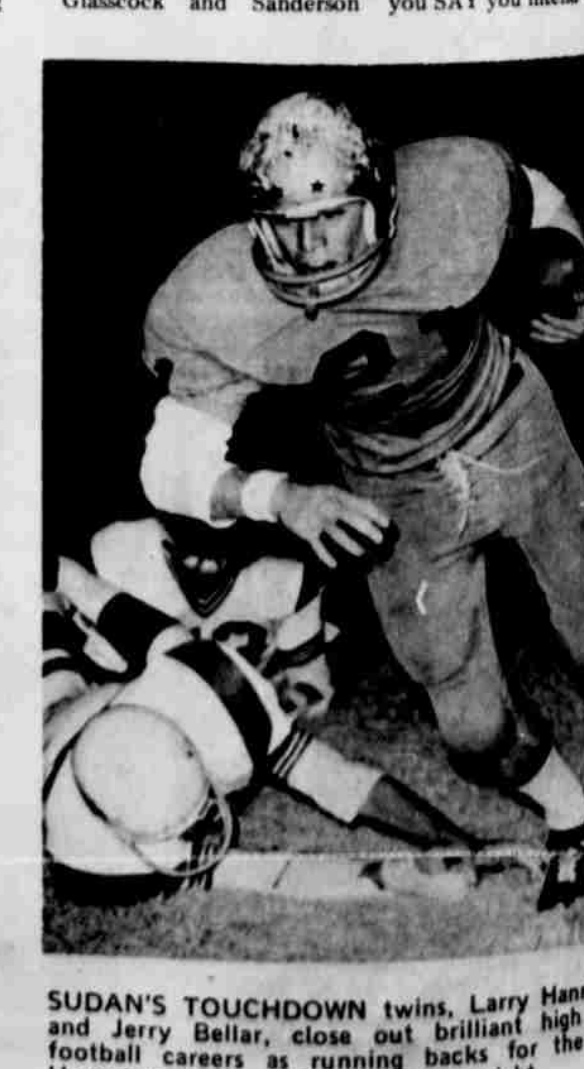

Glascock and Sanderson

scored on a 65-yard pass for the fourth Wolverine. The extra was good.

Barton broke loose and 50 yards for the Wolverine TD in the first quarter. Glascock charged over for extras.

The Kangaroos made a run in the final minutes of the second quarter to get in game as Johnny Jackson ran 10 yards to score one TD. 35 yards for another two-point conversion after each TD. Gary Stovall added a 40-yard touchdown run before halftime.

The second half was defensive duel with no scores in the third quarter. In fourth, the Wolverines came over with a 5-yard run. Barton. Glascock ran the extra two points.

SUDAN'S TOUCHDOWN twins, Larry Hanna and Jerry Bellar, close out brilliant high school football careers as running backs for the Sudan Hornets in the Farwell game Friday night.

Top Final Games Of Season

Littlefield eighth graders scored 28-14 in their final game here. Bryson scored on a run, and Gary Brown to Andy Rogers for 35 yards in the second quarter. Kenny Owens led with a 30-yard pass for another TD in the third period. Owens was the leading rusher with 40 yards and led the team with 39 yards for an average of 5.6 per carry. Brown and Owens led the team with 15 and 10 yards respectively. Leo Herrera led the team with 10 yards.

quarter lead against the Abernathy seventh here Tuesday. But the visiting team scored in the third period and made their conversion count for an 8-6 lead that couldn't be overcome, and ended their football year with a 2-3 record. Tommy Wilson led in ground gaining with 35 yards in two runs and Morris Dickson carried four times for 16 yards to get the outstanding offensive nod along with Soria. Morris Dickson, Rodney and Cory Logsdon and Joe Padillo were outstanding defenders.

Randy Dayton and David Barton. Ricky Sanchez intercepted a Slaton pass for a fine defensive effort along with defensive players Ray Mendoza and Alan Mackey.

JV DROPPED 26-12

Slaton's junior varsity topped the Littlefield JV 26-12 in the final game of the season here Thursday night, giving the little Cats a 3-6 record for the year.

Jay Trammell and Dennis Hartley scored for the Littlefield JV on two and 12-yard runs in the first and last quarters.

Leroy Danford led in rushing with 11 carries for 86 yards. Porfirio Cristian gained 43 yards on 10 carries, and Matt Giles punted four times for 37.8 yards.

Hartley was named best offensive and defensive player in the game, along with Danford on offense and Giles on defense.

MRS. EDWIN OLIVER 262-4242

MR. AND MRS. Paul Hukill and Mr. and Mrs. Royce Goynes accompanied Mr. Hukill and Mrs. Goynes' brother, Calvin Hukill of Clovis, to Mangum, Okla., Wednesday, where they attended funeral services for Mrs. Frank Hukill. They returned home Thursday night. Mr. and Mrs. Homer Hukill also went to Mangum for the services. They spent several days there visiting relatives.

VISITING IN THE V.L. Foster home last week was Mrs. Foster's sister, Mrs. B.J. Ferguson of Carizzo Springs. She also visited a daughter in Lubbock who is a student at Texas Tech.

MR. AND MRS. V.L. Foster and Kimmie spent the day Sunday near Lamesa in the home of Mr. Foster's brother and family, Mr. and Mrs. T.J. Foster. Also visiting there were Mrs. Foster's mother, Mrs. Minnie Barnes of Brownfield, a sister, Mrs. B.J. Ferguson of Carizzo Springs and a sister and family, Mr. and Mrs. Kelly Kendall and children of Brownfield.

MR. AND MRS. M.W. Wheeler spent several days last week in Houston at the bedside of Mr. Wheelers sister, Mrs. Pearl Hooks. She suffered a heart attack two weeks ago. Her condition was improved at the time the Wheelers left for home Sunday.

MR. AND MRS. Kerwin Oliver of Littlefield visited in the home of his parents, Mr. and Mrs. Edwin Oliver and Debbe Monday night.

DEWEY PARKEY, Dan Puckett, George Stewart and Bill Johnson left last week for South Texas to hunt deer.

MRS. M.W. WHEELER was in charge of the General Mission program at the WMS Meeting at the Baptist Church Monday morning. The program was a study of witnessing to migrants. Assisting with parts on the program were Mmes. J.D. Nelson, Elma Burleson, Edwin Oliver, Dewey Parkey and Blanton Martin.

DOC LEONARD of Spade, father of D.R. Leonard, showed the champion Komorner pigeon and the best opposite sex in the District 5 Komorner Tumbler Show last week in Shallowater. Leonard's birds were among 84 in the show. He also won other trophies on his birds in the

show. Leonard has been raising Komorners for about nine years. He also raises bantam chickens and showed them in area fairs and state fairs for several years. He won many trophies on them through the years.

MR. AND MRS. Blanton Martin visited Sunday afternoon in Lubbock with Mrs. Martin's sister and nephew, Mrs. Jo Spikes and Jimmy Spikes. They also called at the Methodist Hospital with Mrs. J. C. Pendleton and Mrs. Townsend.

SOFT FLOW COIFFURE—Easy Wave movements distinguish this Flow Coiffure, one of the new soft and free hair fashions designed for the coming holidays by the Official Hair Fashion Committee of the National Hairdressers and Cosmetologists Association. The soft waves flow easily, then bounce away freely at the sides into loose and airy curls. Note the off-center parting, a subtle touch that adds to the natural look of this look. The brow is open, hair of medium short length, added complications and easy care touches. Soft permanent waving and professional haircutting add to the easy look of uncontrived softness.

THE SOFT CURL COIFFURE—Buoyant curls crown this Soft Curl Coiffure, designed for the holiday season ahead by the Official Hair Fashion Committee of the National Hairdressers and Cosmetologists Association. In keeping with the soft and free look so important for the season, the curls give a soft and airy height at the top, a particularly happy touch when additional height is needed in the top crown area. Soft waves, curves and light curls frame the face, leaving most of the brow free and open. Hair at the nape and lower crown area hugs the head in soft waves giving the head a natural proportion.

THE SOFT FLING COIFFURE—A burst of airy curls brushed up and away at the sides gives a soft and free look to this Soft Fling Coiffure, one of the new hair fashions designed for the holidays ahead by the Official Hair Fashion Committee of the National Hairdressers and Cosmetologists Association. Very little wave can be seen in the hair where it is brushed gently from the high parting on the right. This gives an easy but definite contrast to the more spirited action in the softly textured curls. The brow is uncovered, but if hairline or facial requirements call for aid, the soft curls drape easily onto the face.

HOLIDAY HAIR STYLES LOOK SOFT AND FREE

By Constance Charm

There is a soft and free look in the new styles designed for the holidays by the Official Hair Fashion Committee of the National Hairdressers and Cosmetologists Association, the hair on authority of the beauty profession.

The new styles were premiered before a thousand hairdressers from across the nation, meeting in New York at the National Hair Fashion Show.

The softness in the new look is more than one of touch, although the hair simply must feel soft and silky. It must look soft, as well as feel soft. This was apparent in all of the new styles shown, in their design and texture, regardless of whether the hair was dressed into flowing waves, curls and curls, in clusters, or individual flips.

This swing to softness continues a happy trend that has been easing into hair fashions for some time, and now appears to be here to stay, at least for a little while.

The free part of the new look is one of spirit. It is in harmony with trends that have been influencing clothing fashions, as well as hair styles.

In hair styles, this feeling of freedom makes a definite breakaway from the now dreary concept of a single look being "in" for all women, and the even more misguided idea that there is only one best look for anyone. Now you can expect to have a different hair style from one day to another, from one mood to another, and expect this to be the general rule, not the need for a rare and special occasion.

If waves are better for you at sometime, waves let it be. If curls are your best friends at another time, enjoy them. If you're like most women, you'll gain the most using both, waves and curls, in different degrees and combinations at different times. The important thing is to feel free to vary your own thing.

But, know what each change needs. Be sure that whichever style you choose it is proportioned to your own particular requirements, taking into consideration the shape of your head, face and body. The actual length of the hair at the premiere was determined by individual requirements, although it appeared to range from short to medium on most models, and in all cases was short enough to give a head-conscious fit to the styles.

This requires superbly cut hair, and a soft permanent wave that has been carefully prescribed for your hair. These are vital in helping your hair retain a memory of the curve you need, and give it the manageability required for the variations you will want.

This was done with the models presented at the premiere. Their styles were changed from mood to mood, and from one costume to another, and all within minutes.

Every new hair style featured a natural head size, and delineated the head gracefully. For special effects for either day or evening wear, this same natural head proportion was a base for increased heights, widths and lengths. For maxi and midi effects, falls and switches were used lavishly. For heights and widths, clusters of see-through curls were most effective.

Most of the new styles featured an open forehead. Where special brow treatment was needed, wave formations were brought over the hairline. Bangs were seldom seen.

Some of the new styles had a soft rise at the crown area. This was a natural lift from which hair usually flowed down in easy waves and then burst away at the sides in soft curls. In other styles, clusters of transparent curls crowned the top of the head, while soft waves framed the face and defined the nape. In all cases, the effect was one of natural grace, and apparent easy wear.

In hair coloring, expect your hair to glow as if a soft light had been

'Humane Treatment' Effort Intensified By Red Cross

"The American Red Cross is intensifying its efforts to open channels of communications and relief to U. S. servicemen being held as prisoners of war in North Vietnam," according to Mrs. Ruth Wade, Lamb County Red Cross executive secretary.

Mrs. Wade was notified of the effort from Red Cross headquarters in Washington, D. C.

During the regular monthly meeting of the Red Cross Board, held Friday, Nov. 7, Mrs. Wade said that "a resolution sponsored by the American Society urging that prisoners of war be given the benefits and protection of the Geneva conventions was adopted without dissenting vote last month by representatives of 77 governments and 91 national Red Cross societies attending the Quadrennial International Conference of the Red Cross in Istanbul."

She also stated that American Red Cross followed the action with a cable to Red Cross society of North Vietnam to take appropriate steps to assure that American prisoners are receiving the humane treatment called for in the conventions.

Mrs. Bonnie Haberer of Pleasant Valley, board chairman, presided for the

meeting which was opened with a prayer led by Rev. C. P. McMaster.

Mrs. Norman Frey introduced a new board member, Mrs. John A. Price, who will serve as public information chairman.

The 1970 fund drive will be organized early in January, and chairmen for area cities will be revealed at the January meeting of the board.

County Judge G. T. Sides read a letter from National Red Cross headquarters, commending the local chapter for meeting its quota for Hurricane Camille disaster relief.

Attending the meeting were Mmes. D. R. Leonard, A. H. Scivally, Norman Frey, John A. Price, Roy Wade and Bonnie Haberer, and Judge G. T. Sides, James P. Arnold and Rev. C. P. McMaster.

Anton WMU Has Meeting

ANTON—Ten members of the WMU at Central Baptist Church met at the church Monday for a mission lesson.

Mrs. L. L. Anderson read the prayer calendar and Mrs. Homer Lowrance taught the lesson from the mission book, "Sons of Ishmael".

Following the program, a short business meeting was held.

Those present were Mmes. Lowrance, Anderson, E. G. Pool, Bill Hart, T. C. Talkington, Jim Huggood, Bert Harper, Alton Bollington, Earl Glass and Eva Dee Wright.

TODAY'S DEVOTIONAL

In God We Trust

REV. JAMES GILLENLINE
Foursquare Gospel Church

WE TAKE a good look at the world in we live today, we find a world full of hunger, strife, rioting, and general almost the world over. Bible declares this to be a sign of the times, as Paul records in II Tim. 3:1-5. "This also, that in the last days perilous times come. For men shall be lovers of their own covetous, boasters, proud, blasphemers, defiant to parents, unthankful, unholy; without natural affection, trucebreakers, false accusers, incontinent, fierce, despisers of those who are good, traitors, heady, highminded, more lovers of pleasures more than lovers of God; holding a form of godliness, but denying the power thereof: from such turn away."

THESE MAY SEEM to be harsh words, but they are the Word of God, and truer words cannot be found to illustrate the conditions exist about us today, even in Christian lands.

There are those among us today that seek to deny the real truth, and disrupt the entire world by hiding behind false fronts, having a form of godliness, but denying the true Power and Presence of God. Jesus said, "By their fruits ye shall know them." Man's actions speak out louder than their words.

THIS SEASON of Thanksgiving, may we know anyone or anything to disrupt or deny the true hope of this great nation that still have a hope that has been engraved in the hearts of men and even upon every cent piece of currency of America, which GOD WE TRUST.

It is indeed the great hope of America yet that thru simple faith, and obedience to the Word, miracles are still brought unto us Name today, according to our faith.

THE PROPHET Jeremiah put it this way: "saith the Lord, Let not the wise man in his wisdom, neither let the mighty man in his might, let not the rich man glory in

his riches: But let him that glorieth glory in this, that he understandeth and knoweth me, that I am the Lord which exercise lovingkindness, judgement, and righteousness, in the earth: for in these things I delight, saith the Lord." Jer. 9:23-24.

WE MUST THEN recognize the truth, that the reason for the despair of our world today lies in the fact that men have forsaken their trust in God, and are endeavoring to work out their own problems, which man cannot do in himself.

Truly, without Him, we can do nothing as an individual or as a nation. Prov. 14:34 says, "Righteousness exalteth a nation: but sin is a reproach to any people."

THERE IS AN answer in God's Word that will bring true peace and joy unto those who are in the midst of despair, who truly seek for it.

In Luke 5:12-13 we read of a man who found what he needed. "And it came to pass, when He was in a certain city, behold a man full of leprosy: who seeing Jesus fell on his face, and besought Him saying, 'Lord, if thou wilt, thou canst make me clean.' And He put forth His hand, and touched him, saying, 'I will, be thou clean.' And immediately the leprosy departed from him."

INDEED WE BELIEVE that the leprosy of sin and despair can be instantly taken away today by the touch of the Master's hand. It is God's desire that all might come unto Him as the leprosy man, with that trust and faith that He is able to meet our needs today.

He will prove Himself unto all who call upon Him, because Heb. 13:8 declares "Jesus Christ the same yesterday, and today, and forever."

WHY NOT GIVE Jesus the opportunity to satisfy that longing desire in your heart today for peace, and joy, and victory in each thing in life.

Do not end in despair, but put your trust in Him today. He will answer thee.

STRENGTHEN YOUR FAITH

Through Regular Church Worship

not so loud

DO you blow your horn too loudly? Are you too boisterous? Are you playing in good harmony with your fellows? Harmony is a fine word. It means a high order of team work. We modulate our voice, our instrument, so it becomes lost in the ensemble. We make music together. Everyone of us is playing the game of life. How terrifying if we are not performing under the baton of the True Leader. Then, let us not 'toot' our horn too loudly. We must not lose sight of the fact that we are playing with others and for others. An ardent disciple said to the Master, "I will follow Thee, wherever Thou goest." What a resolve! Let us be true disciples and follow our Master to church to worship God every week.

Cotton Short, Ginnings 4,474

Monday, Lamb County gins ginned 4,474 bales of cotton ginned in their yards. The total is about 9,000 bales short of gins for this time last year.

Low grade returns also show lower which will bring lower prices.

The Earth area leads in ginning with 1,082 bales at five Earth gins when the week was made.

The Olton gins reported 1,082 bales and on their yards.

The gins in the Hart Camp-Fieldton area weighed in over 355 bales of cotton gins in Littlefield and gins at

Bainer Switch, Lums Chapel and Lumsden reported 324 bales.

Two hundred-ninety bales had been ginned at Springlake; Sudan gins had received 214 bales, Amherst gins 136 bales, and Spade gins reported 111 bales.

The lowest percentage turn out reported was 17 to 18 per cent, and the highest was 28 per cent with an overall average of about 22 per cent.

Very few grades were in, with the majority of the gins having no grade cards back on this year's crop. "The grades are low this year," the manager of the Farmers Co-op Gin at Sudan said, "that if a farmer gets a low middling spot it's considered good."

Businessmen Tipped Against Shoplifting

"They're Out To Get You" and "The Paper Hangers" were shown to approximately 60 retailers, business owners and citizens who are interested in preventing crime in Littlefield.

The colored movies on shoplifting and checks were shown Thursday by Bill Tipton of Lubbock, who is assistant assistance officer of Small Business Administration.

The key point on any shoplifting case is press charges against persons taking from your store. You're not doing them a favor by reprimanding them and then go you need to take measures," Tipton said in the character in the film, a national shoplifter, said he'd been in 10 or 12 times before one man decided to press charges," he said. In the movie, the shoplifter is in prison and was explaining to a judge the things to look for when going to a store to determine whether it is a "easy take."

County Attorney Curtis Wilkinson said that merchants and their eyes should not be afraid to press charges when they have sufficient proof items have been picked up. "You have to let them get out of the store to prove they've picked up things

and tucked them away in clothing or in a bag," he stressed.

"The Paper Hangers" stressed how merchants or anyone accepting checks should be sure the "paper" they accept is legitimate, and named several points which combine to make it legitimate.

Among one of the first "dos" is to make positive identification of the person passing a check, by asking for more than one kind of identification. Have personal checks made payable to the company.

Among other things to look for are smudges or erasures, post-dated or stale-dated checks, checks written on out-of-town banks or faraway addresses, illegible writing, checks bearing second endorsements offered by strangers, printed restrictions, or where the amount in words do not match the amount in figures.

In commenting on the check film, Tipton urged employees to "have all checks endorsed in your presence—and in ink. If there is any doubt, take down information about the passer on the back. He won't object too much to giving his phone number and address if he's OK."

"Be doubly cautious on weekends and holidays when the bank is closed and I need extra cash," Tipton cautioned, "and don't permit yourself to become flustered by the shopper who is in a rush."

Retarded Children Aided In Satellite School Here

Some Youths Coming 'Out Of Their Shells'

By NILAH RODGERS

Last year he stood out in the street looking up in the trees or at the sky for hours at a time, or just sat in a corner doing nothing.

After he started attending the satellite school for retarded children each morning he began to talk. And after a year of attending the class, he became one of Mrs. Oleta Richardson's talkiest students.

This year he is in public school. "That in itself justifies the program," director Phil Berry said. "Of course he was mostly socially retarded, but that shows up on tests just as though it is all mental retardation."

Mrs. Richardson has another student now who wouldn't talk when he first came in the class. The tall, lanky student wouldn't even talk to his family. "Now he talks all the time," Mrs. Richardson said, "and likes school so much that his parents can't keep him home when he is sick. He cries to come even when he doesn't feel like sitting up. I've had to put him to bed two or three times, but he won't stay home."

This retarded child is one of 11 in the Littlefield area who are being drawn out of their shells in two 12-month classes here through the extension service of the Lubbock State School.

For most of the children, even though they are in their teens, this is their first time to attend school.

Mrs. Richardson teaches the older group, or those 12 years and older in the Parish Hall at Sacred Heart Catholic Church.

Mrs. Hazel Mackey teaches pre-schoolers and retarded children under 12 years in the Fellowship Hall at Saint Martin Lutheran Church. These two classes for retarded children are celebrating their first anniversary Nov. 20.

The teachers are paid by the Lubbock school, but almost all materials and supplies are donated. Milk and cookies are donated by various clubs and

organizations, too, and everyone who helps with the classes volunteer their services.

"People who come in here to help for the first time usually get a funny look on their faces," Mrs. Richardson said. "You can see on their faces that they are thinking, 'Oh, I'm in the wrong place, or, oh no, now I've done the wrong thing.' But they leave here laughing and feeling they've accomplished something."

"And almost everyone comes back to help again," Mrs. Mackey added.

Mrs. Mackey is luckier than Mrs. Richardson when it comes to volunteer help and money. The teacher of the younger class has a helper every day, from about 15 different volunteers. Mrs. Mackey attributes this to people being "just naturally more drawn to the younger children. And my supplies, like puzzles, peg boards and clay, are more permanent than Oleta's because her students work with crafts so much and need more."

Mrs. Mackey compares her group to a nursery school class with work and play on the three and four year level. "Even though the child is 11 or 12, his mental capacity is about the same as a three or four-year-old," she said.

The older group does craft work daily, and keeps Mrs. Richardson busy coming up with ideas for the next project. They are working on Christmas wreaths now, gluing different shapes of macaroni to paper plates that will be sprayed gold and hung from big bright bows.

"They just love to glue," Mrs. Richardson said. "We use it by the gallons." The group has made hats out of bleach bottles, key chains, pillows and house shoes out of wash cloths, paper mache waste baskets and plaques. Each of the students has looped several rugs and made giant candles out of stacked bottles and plaster of Paris.

H&M Fabrics displays and sells some of the crafts for the class so money can be put into supplies for more projects and the Littlefield Lions Club recently voted to give the board \$15 a month for the next 10 months.

Both groups go on field trips. Mrs. Richardson takes her class to local stores. They especially like the variety stores. They've taken a ride on a school bus. "Oh, Rosinda loved that," Mrs. Richardson said. "We're going bowling one of these mornings soon. And we could swim in the summer if I had enough help to watch after them."

"The Association is the main thing in this class," Mrs. Richardson said. "When

MRS. OLETA RICHARDSON drives in from Olton to teach a class of retarded children 12 years or older in the Parish Hall at Sacred Heart Catholic Church. The boy with his arm around the teacher finds special significance in a picture near his teacher. Mrs. Frank Rogers helps with the class every Thursday morning. The girls are playing Old Maid with playing cards after wearing out three sets of Old Maid cards.

MRS. HAZEL MACKEY, standing right, teaches the younger group of students in the Lubbock State School satellite program for retarded children here. Mrs. Bill Anderson is one of several volunteers that help with the class in Fellowship Hall at the Littlefield Saint Martin Lutheran Church each weekday morning.

VFW Meeting Today

The District 13 Meeting of Veterans of Foreign Wars is continuing today at the VFW John Henry Chapman Post 4854 Home.

Representatives from 15 cities are in Littlefield to attend the district meeting, including posts from Matador, Dimmitt, Tulla, Wellington, Silverton, Childress, Muleshoe, Amarillo, Hereford, Canyon,

Floydada, Lockney, Plainview, Paducah and Littlefield.

The John Henry Chapman Post is sponsoring the meeting, with Allen Purdy as host commander and Stella Pugh of Littlefield as local Auxiliary president.

Mrs. Robert O. (Thelma) Pugh of Houston, state president of the Ladies Auxiliary to the Veterans of Foreign Wars, is making an official visit to the District this weekend.

The official program began yesterday, and continues with registration at 9 a.m. this morning, prior to coffee and doughnuts served by the Auxiliary.

A memorial service and joint meeting of the VFW and Auxiliary will begin at 10 a.m.

Littlefield's Mayor J. E. Chisholm will See VFW Page 4

Kids Piggy-Backed To School In Mud

Jack Peel, commissioner of Precinct 3, is very special to some people who do not even know him personally.

Mrs. Hazel Keeling is one of these. During the recent wet weather, the dirt road she lives on became impassable in passenger cars, and school buses were running on paved roads, only.

But the Keeling children didn't miss a day of school, because Commissioner Peel sent pick-ups and men out to get the children, dig mud, or whatever was necessary for a full week and a day. "One morning the men even carried the children piggy back," she said.

Mrs. Keeling doesn't know whether Peel was one of those who helped her, her widowed mother and her children or not since she doesn't know Peel, she said. "But I just want to let people know what a nice man he is."

\$3 MILLION IN COUNTY

Teens Big Spenders

Lamb County's teen-agers have never had it so good. They have an affluence that goes far beyond anything their parents could have imagined at their age.

The unprecedented amount of money at their command, estimated at no less than \$2,960,000 in the past year, went for the whole gamut of personal items and leisure-time activities that are so important to them. And it went fast.

In addition to what they spent themselves, they exerted a strong influence on family purchases—from food to furniture and from carpets to cars.

All of which increased the importance of the teen-ager as a consumer in the eyes of the manufacturer and the retailer.

The spending figures were based upon surveys and studies made by the Institute of Life Insurance, the Youth Research Institute and others.

They found that the 25 million teen-agers in the United States had an income of well over \$20 billion in 1968, which averaged out to \$800 each, with the older group getting more than that and the younger fry less.

For the 3,700 teen-agers in Lamb County, it added up to \$2,960,000 in the year.

THE WILDCAT BAND says its final goodbye to the 1969 football season with its half-time performance at the Slaton-Littlefield game Friday night. Here band members are playing for Slaton fans just before leaving the field.

THE FARMER'S WIFE

Pinch Your Pennies

By LIBBY MUDGETT

THAT ADORABLE MAN, Prince Phillip, has let the cat out of the bag on a national TV program. Meet The Press. Queen Elizabeth is having terrible, terrible trouble making ends meet on her salary of nearly \$22,000 a week.

The average American housewife can fully sympathize with the Queen, what with inflation and all, and we should every one of us pitch in with our little penny pinching suggestions inherited from our Scottish ancestors or just learned from pure dee old housekeeping experience.

SNICKER NOT at that \$22,000. That has to keep a 600 room mansion, which come out to only a little more than \$37 per room, so you can see her problem, just with plumbing bills alone.

My first impulse was to suggest that she send that living doll husband of hers to Hollywood. Most females would pay as much to watch him as they would Cary Grant, but there's probably some kind of a royal law against that sort of sensational shenanigan.

SO HERE YOU ARE, Queen Liz—tight fist tips free gratis for nothing.

You probably have gobs and gobs of watchdogs around Buckingham Palace.

(If not, you should get some and let those scarlet coated guards go. Throw tradition to the winds and let people watch the changing of the guards in some other country. Dogs are much cheaper than men.)

BUY YOUR DOG FOOD in those 50 pound bags. Your grocer won't want to handle these because they hurt his back, but insist on it. You can save from 70 to 75 cents per bag and a small tube of Heet for your wrenched back costs less.

NEVER, NEVER use a whole soap pad to do your scouring. Cut it into halves, or maybe even fourths, and keep your scissors sharpened at the same time.

And don't fall into that tempting habit of grabbing a paper towel for just every little thing. Before you know it, a whole roll is gone and it's a lot cheaper to wash terry cloth towels than to buy paper ones, which should be saved just for draining greasy food.

BY THE WAY, do you have sand in your water? If so I urge you to run, not walk, to your nearest house well filter dealer.

You have no idea how much money sand in major appliance

parts and plumbing costs in repair bills.

FOR YEARS I thought I could not afford a house well filter until one day, in the middle of one of my tearful tantrums that I have each time I have to call the appliance repairman, he figured out for me how many expensive calls he had had to make to my house (plus ten miles mileage, mind you!) just because of sand in the clothes washer, dishwasher, hot water heater, commode tank, air conditioner, etc. etc.

I could have saved literally hundreds had I gotten a filter several years back.

NO DOUBT you have to do lots of entertaining and this does eat into one's budget UNLESS you mete out some of the food furnishing to your guests.

Instead of putting RSVP on your invitations, (which would make it too easy for everyone to refuse) put PLEASE BRING ENOUGH SALAD FOR 12 or PLEASE BRING DESSERT FOR 30. ALSO, IF YOU WISH TO IMBIBE, PLEASE BRING YOUR OWN IMBIBING LIQUID.

I REALIZE that you must have silver coming out of your ears at Buckingham Palace. About all you can do with the larger pieces is to polish them with silver polish, but don't waste any on your flatware. Gracious no! Drop them in a quart of boiling water in an aluminum pan with one tablespoon of baking soda and the same amount of salt. Much cheaper AND easier!

NOW THEN, about amounts of things. Don't ever follow the directions for amounts to use on any soap box, scouring powder can, bleach bottle, etc.

They're out to sell more, see, so start out with about half as much as they say to and if that doesn't get the job done, increase the amount until you're satisfied. Believe me, you'll be satisfied long before you reach the amount given in the directions.

USE BOTH SIDES of a sheet of stationery, too.

Sometimes this does make the reading a little difficult in case of thin stationery, but if the recipient of your letter isn't interested in what you have to say enough to struggle a little, then he or she didn't deserve a letter from you in the first place.

I have more suggestions, but I've already used two sheets of paper and I have a budget, too.

A SPIRIT-BOOSTER poster is being displayed by Patricia Wedel and Pam Huber prior to the Junior Wildcat game with Slaton Thursday night. The poster was put in Leon Burch's room at Junior High School. The young 'Cats faced defeat Thursday night, just as the Senior 'Cats did Friday night.

they stay at home all the time, they do go into a shell. Many of them are never around anyone but their family. I had a little boy from Amherst who was horrified of balls when he first came here. If someone pitched him a ball, it would scare him to death. But he got to just love it. I guess no one ever played ball with him before.

"We do anything in this town that can broaden their minds," Mrs. Mackey said. "We went to a farm, to see the pigeons, hunted Easter eggs in a wheat field, visited the fire station. This summer we went swimming twice a week and jumped on the trampoline every week." The teacher of the younger class said, "The Girl Scouts even gave my group a three-day day camp.

Church facilities for the classes are donated, and Women's Club, Beta Sigma Phi, Oklahoma Avenue H. D. Club, the Garden Club and various churches and Sunday school classes help. "But we still need supplies and donations," Rev. Berry said.

Various individuals and groups have paid for milk and cookies for mid-morning snacks and milk for the children's lunch, but no one has ever supplied milk on a steady basis.

"The children always have something to drink with their lunch," Rev. Berry said, "but sometimes it's Kool-Aid instead of milk. Any individual or club who wants to help with the milk program can call Mrs. Albert Perkins."

Helpers in the program are always welcome, and another director, Mrs. Bess Coen, or either of the teachers can be contacted by those who will donate their time.

There are a few children who don't have transportation to school, and Rev. Berry can be called about this.

Sid Hopping is another board member, and he handles funds that help defray expenses.

Board members are Rev. Clem Sorley, chairman, Joan Jordan, Hopping, Rev. Joe James, Rev. Berry, Mrs. Coen, and Mrs. Perkins.

Ex-officio board members are Paul I. Jones, Joyce Oliver and Ann Largent.

Library Friends To Meet Today

Annual meeting of Lamb County Friends of the Library and open house of the library are scheduled for this afternoon in the courthouse.

"Friends" will first meet in the District Courtroom at 3 p.m. to hear Austin Hoover of El Paso, new field service consultant for Texas libraries, and hear musical selections presented by local talent.

The Forum Club will serve refreshments in the Lamb County Library, located in the basement of the courthouse, following the session.

The general public is invited to attend.

present a welcome address during the morning program, followed by presentations by Department Commander Elmer Chappell and Department Auxiliary Representative Thelma Pugh.

Lunch will be served at the Post home at 12:15, followed by a meeting directed by District Commander Shorty Flowers of Canyon at 1:30. At the same time, the Ladies Auxiliary will meet in the Post home, with Eupha Mae Griffin, district president in charge.

State President Thelma Pugh will make a presentation prior to the adjournment. She is head of the more than 16,000-member organization.

Howdy Neighbor

The column this week is for men. Hold on to your wife because she will improve with age. Some things don't improve much with age but wives are exceptions. The longer they are married, the better person they become. Of course this is not true in all cases but it is in most.

A 10-year-old car is about ready for the junk yard. It's gloss is gone, it creaks and squeaks, its performance is faulty and it costs too much to have it overhauled. Some men think wives are like that and they want to get a new model. But they are wrong.

Every year she gets better and better and more useful to her husband. After 15 or 20 years, she may need an occasional repaint job but she is certainly well worth it. After 25 years a wife becomes an indispensable woman. A wise husband then begins to treat her as a member of the family. He even quits insisting that she salute him whenever he comes into the room.

A mature wife has a lot of advantages over the young flighty

bride. She may not look as glossy but she has more under the hood. Her feet get tired as soon as yours do but she doesn't demand to be taken out every other night. The buttons she sews on stay on longer. When she occasionally has to carry out the garbage she doesn't make a federal case out of it. She no longer yells about going home to mother if you overdo anything. Her biggest threat is "I'll tell your doctor on you." The meals she fixes don't taste like a misprint in an Armenian cook book. The old girl knows which dishes make you happy and which give you heartburn. She no longer whines, "You never listen to me." Instead, now and then, she'll even listen to you.

Yes, it takes a lot of time, trouble and understanding for a husband to take a fliberty-giberty young bride and turn her into man's greatest masterpiece. A perfect wife nobly planned.

But in what more rewarding manner can a fellow spend his years?

THE ABUNDANT LIFE

Magnanimous Mood

By BOB WEAR

WE MUST TRY to always be at our best. This is the posture of the magnanimous mood.

We can do better in solving problems, and coping with difficult situations. We will be less discouraged by the constant challenges, and the undesirable happenings which are all around us.

THE ALTERNATIVE is the mood of pessimism, hopelessness, discouragement and defeatism.

This is a malefic mood, and will make us less capable to live with meaning and nobility. It is not the mood we need for our time.

WE MUST ALWAYS include the things that are right in all of our considerations. If we think only of what is wrong, or what seems wrong, it is almost the same as if nothing were right.

We must keep the whole picture in view, and be grateful for all we have left to give us hope.

ALL OF US will live more satisfactory lives if we maintain a constant view of the whole.

If we permit the undesirable part of the life situation to absorb our attention, the result will be a deteriorating mood of despair.

When hope is gone, all is lost. Without hope, there is little strength or courage for living. This hope we must maintain finds its roots in moral and spiritual values. Hope is inherent in a magnanimous mood.

THERE IS HOPE. And we must maintain a constant awareness that there is. The hopeless say that we are losing everything worthwhile. We may be, but we haven't lost everything yet.

Of course, we must be concerned. There is good reason to be concerned.

We are still free enough to do our very best. We must use this and

other blessings wisely effectively, or we may lose the kind of life mood, we are adding to our troubles. We must not

SOME SAY that our society is perishing from the earth. Many folk seem to think that is nothing to do but stand and watch it go. It is true that there is some internal decay and alien forces are trying to destroy us. We are involved in these entanglements.

It may be that the Americanism has been stronger in the past than it is today. If this be true, it need not be a word. With the right effort, we can be strong again.

A DEFEATIST viewpoint of harmony with our heritage

We must always be intelligent, concerned, perhaps some alarmed, but we must not let our mood that is filled with despondency and other attitudes and feelings which weaken and undermine our efforts.

IN A MOOD OF DEPRESSION we are not keeping faith with who lived before us; and forsaking our posterity.

Let us not be numbered with the people who never whether they could have succeeded because they gave up before ultimate effort was made.

WE CAN SURVIVE, if we want to survive.

The price will be a devoted actions sustained by level of faith and confidence.

IN THE CLIMATE of magnanimous mood, our courage and work will be enhanced and made more effective.

Our cause has not been lost. It is a just cause.

THE PHILOSOPHER

Revitalization

(Editor's note: The Sandhills Philosopher on his Johnson grass farm reviews a new plan out of Washington. He may not have it just right.)

Dear editor:

You'll never catch me standing in the way of progress or anything else if I can find a place to sit down, so it was with considerable interest I read in a newspaper last night that Washington has announced the creation of a Rural Affairs Council.

The purpose of the Council is to "revitalize the nation's small towns," to keep people from moving away to the big cities.

While some people argue that the reason small towns are such nice places to live is that a lot of people have left and gone to the city (why, I heard one man in town the other day say while it's true Lubbock is a better place because a good many people from Littlefield have moved there, still you have to remember Littlefield may be a better town because they left, but that's out of my province, I wouldn't care to say whether this is true or not), still I guess a little revitalization wouldn't hurt most towns, provided you didn't over-do it.

But the thing that has me pondering is that this council to revitalize small towns is made up of big city people.

I don't want to throw a damper on their plans, but if they've got

some ideas that'll work, I place to try them out would be whatever city they happen to live in. The way it looks to me, the problems are about a thousand times bigger than small town problems, but still the move since because if I was living in city I'd be hollering for improvement in rural areas. Anything to get the spotlight on me.

Moreover, the Council says "60 per cent of rural housing is sub-standard," and I suppose right, if you use city standards.

I mean, most rural houses are surrounded by fresh air, sunshine, and for a city dweller, breathing smog and getting a glimpse of the sun between buildings for 30 minutes a day, that's certainly sub-standard.

Come to think of it, I'm living in a sub-standard house myself. It's over a hundred years old, the roof needs fixing and the closest neighbor lives a mile away. But don't tell the Council about it.

Yours faithfully

Gary Wooten Wins Honor

ANTON—Gary Wooten was chosen first place winner in the high school boys division at the Six State Regional Meeting of the National Association of Teachers of Singing in Oklahoma City this week. He received a cash award for this honor.
The three-day meet, held at the University of Oklahoma, started Sunday. Gary competed in the preliminary semi-finals and finals to be announced the winner late Tuesday afternoon.
His winning baritone selection was "Si Trai Ceppi" by Handel from Italian Opera. He won third place last year in the Six State Regional Meet.
Wooten is a student of Miss Sue Crites of Lubbock. He has been taking lessons from her the past two years.
He is the son of Mr. and Mrs. Leon Wooten and had lived in Anton until June 25 when he married Miss Charlotte Crawford and moved to Amherst. He is a senior in Amherst High School.
Mrs. Leon Wooten and Mrs. Gary Wooten accompanied him to Oklahoma City. Other students of Miss Crites in the competition were Miss Malva Teague, a student at Texas Tech University and daughter of Mr. and Mrs. Douglas Teague of Anton, Steve Bell and Lynn Christy of Lubbock.

OLTON—Kay Schultz is one of 27 students named to "Who's Who in American Colleges and Universities" from McMurry College in Abilene.
A 1967 graduate of Olton High School, she is the daughter of Supt. and Mrs. Ray Schultz. She is a junior majoring in elementary education.

The 18 seniors and nine juniors were selected by the faculty and Student Association Government. Criteria for selection are scholarship, leadership, service and character.
Miss Schultz is a member of Delta Beta Epsilon social club, Waitaysee and Student Education Association.

Salutatorian of her high school class, she was also named Miss OHS, DAR Best Citizen and Betty Crocker Homemaker of Tomorrow.

She was chosen Most Likely to Succeed and was candidate for Annual Queen and Basketball Queen.

Miss Schultz was named Best Girl Basketball player and was listed on the All-Tournament volleyball team.

Mrs. Bentley Celebrates 90th Birthday Nov. 8

Mrs. J. C. Bentley celebrated her 90th birthday Nov. 8 in the home of a daughter, Mr. and Mrs. Clarence Deaver, in Littlefield.
All of Mrs. Bentley's offspring, six daughters and seven sons, six grandchildren and seven great-grandchildren, attended the celebration.
Following the birthday dinner at 1 p.m., the afternoon was spent opening gifts, reminiscing and taking pictures. In the evening, everyone spent about two hours singing gospel hymns in the living room.
This was the first occasion Mrs. Bentley has had all her family together since 1957, when J. C. Bentley died.
