

Bi-District Title At Stake Friday

Wildcats, a team which rose from the bottom to the top in the bi-district championship, will clash Friday night for the bi-district title. The game is 7:30 p.m. at Lubbock's Lowrey Field, located just west of the exit of U.S. 87.

THE 3-AA CHAMPION Wildcats are back in the play-offs for the first time since 1966, when they lost a Class AAA bi-district battle to Vernon, 21-12. Roosevelt is in the play-offs for the first time, dethroning the perennial 4-AA champion, Denver City. Both teams enter the contest with 8-2 records for the year, and 6-1 marks in district. Littlefield came back from a 1-9 seasonal showing last year in this, Coach Jerry Blakely's first year at the helm. The Eagles, coached by Houston Powell, have shown steady improvement in the past three years, going 6-4 and 7-3 before putting it all together this year.

STATEWIDE RATINGS compiled by the Harris Rating System show Littlefield will be a slight favorite Friday night. Harris gives Littlefield a six-point nod. In other bi-district games in this quarter of the state, Phillips is favored over Childress by 15, Coahoma over Alpine by 13 and Eastland over Stamford by 13 in the Harris system. The winner of Littlefield-Roosevelt will

play the winner of Phillips-Childress, and the Coahoma-Alpine and Eastland-Stamford winners will meet in regional play the following weekend.

THE COACHES involved in this struggle for supremacy on the South Plains aren't saying much. Neither wants to make the other mad. Both are claiming their teams will have

to be at their "very best" to win. Blakely compares Roosevelt's defense to Floydada's, and that one was good enough to keep the Cats out of the end zone. Littlefield assistant Rod Hench, who made the scouting report to boosters Tuesday night, feels the Eagles have a balanced attack. "They throw well, as good as anybody we've played, outside of Olton," says the Littlefield defensive secondary coach.

QB RICKY HIGHTOWER is the man with the arm, and he's also a nifty runner who's adept at the sprint-out pass. Hightower, a junior, has been running the ball club most of the season as a

replacement for the injured all-district star, Don Jackson. Jackson is expected to be ready to play against the Wildcats, but there's some conjecture at this point whether he can get his job back. The speed merchant of the Roosevelt backfield is David Vasquez, 150-pound slotback and halfback. He's rated at 9.8 in the 100. But the toughest runner is Walter Mann, 190-pound fullback who has great quickness in hitting the line. Hosea Brown, 150-pounder, rounds out

TROPHY was presented to the Junior High School Band Tuesday in honor of their winning the first Division I in marching in UIL competition at Lubbock. In a similar performance at Lubbock Wednesday, members of the Wildcat Band also won the Superior Division I rating. Shown with the trophy are, left to right, Gary Parson, eighth grade representative (band council); Director Mike Threadgill; and Sheldon Zahn, president of the JHS Band.

Littlefield Bands Win Top UIL Rating

Both Littlefield bands earned Division I superior ratings in UIL competition in Lubbock this week, and received the royal "roll out the red carpet" treatment when they returned to town. The Littlefield Junior High Band won the

superior rating in the contest at Jones Stadium on the Texas Tech campus Tuesday, and the Wildcat Band won the same rating in contest Wednesday morning. The elated groups were given police

escorts into town both days, and were paraded down Phelps Avenue. This is the third straight year the Wildcat Band has come up with the top honor, and the second year for the Junior High School Band.

The 97-member Junior High School Band competed against 31 junior high, Class A and Class B high school bands. Of the 31 bands, only seven made I's, 9 made II's, 15 made III's, and one made a IV.

Seminole and Estacado were the only other junior high bands who made I. Four area high schools competing in the UIL marching contests Tuesday won ratings.

Springlake-Earth High School Band received a I rating, and Sudan High School Band rated a III in the Class A division.

Whitharral and Anton High School Bands in Class B schools, each received Division III ratings.

Further results of the high school competition Wednesday will be published in Sunday's edition of the Leader-News.

CAROL SANDERS holds a bouquet of colorful maple leaves from one of the planters on Phelps Avenue. But while there are occasional showers of brown, gold and red leaves, the tree makes a multi-colored fall umbrella. Carol's parents are Mr. and Mrs. Walter Dean Sanders, 117 S. Westside.

Thanksgiving Eve Community Service Set

The Annual Community-Wide Thanksgiving service for Littlefield will be held at the First United Methodist Church Wednesday night, Nov. 24, at 7:30.

Most churches within the community will participate in the service, and all citizens are invited to attend.

The Thanksgiving sermon will be delivered by Rev. A. J. Kennemer Jr., pastor of Littlefield's First Baptist Church.

Leading the music will be Albert Castro, Baptist evangelistic singer, and special music will be presented by Rev. Joe James of the Sacred Heart Catholic Church.

The host pastor, Rev. David Hamblin, will preside at the meeting, which is sponsored by the Littlefield Ministerial Alliance.

Officers of the Alliance are Rev. Joe James, president; Rev. A. J. Kennemer

Jr., vice president; and Rev. David Hamblin, secretary-treasurer.

Rain, Hail Strike Area

Rain and hail on the heels of a hurrying wind smacked the Littlefield and Lamb County area early Wednesday morning.

Damaging hail and as much as two inches of rain whopped the ill-fated Beck Gin area. Marvin Bowling was one of the farmers around Beck who reported the big rain and more hail. Some parts of this area between Bula and Sudan had been hit by hail three previous times since July.

Ed Ray, who lives two miles east and four miles north of Bula, said he received heavy hail and more than an inch of rain about 1 a.m. Wednesday.

While Littlefield proper received only .7 inch of rain, farmers living east of the Littlefield Country Club measured totals of 1.7 inches.

Area rainfall totals weren't complete at press time, but an average of .5 to .7 fell over most of the county.

Symposium Slated For P-TA Meeting

A symposium on "Who Says Our School System Won't Listen to Parents?" will be presented tonight at 7:30 at a P-TA meeting in the Junior High School Auditorium.

Members of the panel will be answering and discussing the questions that were put in the suggestion box on back-to-school nights.

Coma Sue Donworth will direct her choir in several selections.

Panel members will be Superintendent Paul I. Jones, moderator; Glen Batson, school board member; Mrs. Ann Pullig, teacher; James Settle, principal; Joyce Oliver, school nurse; Daryl Rountree, band director; and Jerry Blakely, coach.

Last Rites Held For Morley Drake

Longtime newsman Morley B. Drake, publisher of the Lamb County Leader in Littlefield for 23 years, died early Sunday afternoon, Nov. 14, in Lubbock's University Hospital.

Funeral services were held Tuesday afternoon in Littlefield's First Baptist Church, and burial was in the Resthaven Mausoleum at Lubbock.

Drake purchased the Lamb County Leader from Jess Mitchell in 1930 and sold it to Sam Williams and Doug Poe in 1953.

He was a native of Canada, and came to the U.S. in 1924.

Other details may be found in the obituaries column of this issue of the Leader-News.

Chamber Members Vote On Directors

For the election of four new members to the board of directors of the Chamber of Commerce, were held in the mail Monday.

On the list of nominees are 12 members.

They are: Otis Bennett, owner of Ben-Bennett; Ernest Connell, owner of Office Supply; Rev. David Hamblin, pastor of the First United Methodist Church; J. L. Marcum, owner of J.L. Marcum Pontiac and Cadillac; John

McAnally, owner of McAnally Jewelry; Nelson Naylor, owner of Nelson's Hardware; Cliff Smith of LeBoeuf Trophy Co. and Murphy Baxter Oil Co.; Jerry Tunnell, a farmer; Dr. Craig Wallace, O. D., of Armistead and Wallace Optometry; and Doyle Winfield, partner in AAA Truck and Auto Parts.

The marked ballots are to be returned to the Chamber of Commerce office no later than 12 noon Wednesday, Nov. 24.

Members of the board of directors who still have two years of service are Jerry Kehoe, Mrs. Elouise Cox, Benny Zahn and Roger Lowe.

Those who still have one year terms to serve are J. T. Brittain, Kip Cutshall, Buddy Bingham and Bob Roden.

Those who will retire as directors are Kenneth Ware, Pat Downs, Jim Vandenberg, and Doyle Patton, who will become president of the Chamber of Commerce in 1972.

Turkey, Sausage Dinner Tonight

Methodist Men will begin serving their Annual Turkey Supper tonight at 5 p.m. and will continue until 8 p.m. in the church's fellowship hall.

Included on the menu will be turkey and dressing, giblet gravy, sausage, green beans, tossed salad, candied yams, cranberry sauce, bread, pumpkin pie, and tea or coffee.

Carry-out orders will be filled for those who wish to take plates home with them. Tickets will be available at the door, and are \$1.75 for adults and \$1 for children.

Littlefield Man Hits Road To National Fame

Gollehan is just a lick away from national champion.

Gollehan is a roquet player. And he has won the national title at the national championships on six different occasions. "But I've won first," he said.

"It's similar to croquet. "Or kind of like pool," Gollehan said, "but you're down there playing with

the ball. It's a fading sport now. "Way back when, roquet used to be played all over the place. "But our older guys is about

the same. "I used to have a roquet court in my back yard when old man H. O. Gollehan lived there.

"I got one over here at Anton," he said, "but the court's no good. It's made of concrete and has holes in it."

"The main difference between roquet and croquet. "But I used to use old cross ties for the

borders," Gollehan said. "The balls wouldn't bounce off the cross ties."

Gollehan has been playing roquet for about the same number of years he has been in the grocery butchering business. "I've been playing more than 35 years," he said, "and that's about how long I've been a butcher."

Gollehan still works a little bit every weekday, and he still plays roquet two or three times a week. "And I'm 72 years old," he said. "I've been drawing social security for seven years now. But I work two or three hours or so every day."

Gollehan does his part time work at Pioneer Grocery. Then he drives to Lubbock two or three times a week to play roquet. He said there are just 10 or 12 clubs there now compared to 25 or more that were there a few years ago.

Playing roquet is becoming a lost art because the younger generation isn't taking it up. "It's playing out," Gollehan said, "because there are so many other things for the kids to pick up. And it's hard to learn," he concluded.

ROBERT GOLLEHAN has won second place in the national roquet playoffs six different times. He plays the game for exercise and to occupy his spare time and keep him a young 72.

DAFFY DUCK thinks he's a dog. The Curtis Wilkerson family brought eight mallard duck eggs home with them from a trip to Buckanan in April. The eggs were put in an incubator and turned twice a day, but only one egg hatched. Daffy Duck pecked his way out of his shell May 14th. And the green-headed mallard has been leading a dog's life since then. He not only eats dog food with Pity Pat and Jon Jon the poodles, but when the dogs come in the house, Daffy Duck pecks his bill on the door and wants in, too. Sally Wilkerson poses with Daffy and his doggy friends.

EDITORIALS

New Censorship

WHEN THE NATIONAL magazine "Look" ceased publication, a major reason given by the publisher was drastic postal rate increases.

The new postal rates, it was said, would have increased "Look's" postal bill from \$4 million to \$10 million in five years. The demise of "Look" magazine is a symptom of a rising threat to freedom of the press.

In the case of larger publications, the danger is dramatic and apparent. The proposed 142 per cent increase in second class postal rates under which newspapers, magazines and periodicals are mailed to the public is "potentially ruinous" in the opinion of Life magazine.

run may be the impact of postal rate increases on the thousands of smaller daily and weekly newspapers that make up the bulwark of the U.S. free press, so far as independent thought is concerned.

These thousands of papers have given substance to a basic concept of Western civilization—the concept of a loyal opposition which protects the rights of the minority, gives meaning to legislative processes of self-government and is a champion of the oppressed.

No vehicle of communication can ever take the place of the press as a defender of freedom. It has survived attempted censorship in many forms and is now threatened by the economics of postal rate increases.

THE ABUNDANT LIFE

Finish The Job

By BOB WEAR

JOBS BEGUN, but never finished is the life story of many people. To some extent, most of us have some of this experience. If we are wise, however, we will keep the unfinished jobs to a minimum.

We will keep these to a minimum, because one of the greatest hindrances to personal satisfaction is the displeasure we feel because of unfinished jobs.

UNWISE BEGINNING is one of our faults.

We may begin too many jobs, or we may start jobs without thinking them through, or our failure to finish what we start may be lack of perseverance. Any one of these can just about make one's life ineffective and miserable.

THERE IS NO ROYAL ROAD to anything. One thing at a time, and all things in succession. That which grows slowly endures.—Holland.

We must not begin too many projects at the same time. This, in itself, regardless of how hard we work, can be discouraging and defeating. We know our capabilities and our limitations, and must let our plans and our work be governed accordingly. If we do not, we are in trouble.

WHEN WE START a job, it is usually wise to stay with it until it is completed. The sense of completion is a source of much-needed personal gratification.

One job well done is always more satisfactory than a number of partially finished jobs or poorly done ones.

TOO MANY OF US release ourselves

from a task before finishing it, with the well-meaning intention that we can finish it later. Before we return to this task, we start something else.

This process is often repeated until we are overloaded with work; unfinished work. To make the situation worse, we are now less able to function effectively. We may even be disgusted with ourselves. We must not put ourselves in this unhappy and discouraging predicament.

WE MUST MANAGE our time, energy and ability with the greatest possible good judgment. If we will do this, we can plan and finish our jobs with a reasonable degree of success.

This will give us the feeling of accomplishment which is so essential to meaningful living.

WE CANNOT AFFORD the feelings of disorder, confusion, frustration and dissatisfaction which eventually develop from an accumulation of unfinished jobs.

Worse than all else, perhaps, is the inevitable coming of the day when we will not only feel overburdened; we will be overburdened, and we did it to ourselves.

WE ARE CAPABLE of doing many good things, we have the time, ability and energy.

If we will be sensible, exercise wholesome self-discipline and do what we do the very best we can; we will finish our jobs. We will respect ourselves, and be respected and appreciated by our fellowmen.

JET-AGE SEWING Sewing Knits

By FRANCES JONES

(PART TWO)

WITH KNITS, use very fine pins and sharp scissors. You will need to have your scissors sharpened more often because the synthetic knits make them dull.

To prevent stretching always cut on a flat surface. Cut on a large table, or on several tables pulled together, or on the floor. Never allow part of the cloth to hang off the table or part of it will be stretched out of shape.

TO SEW, be sure the machine tension is set light and well balanced between the top and bottom threads. This will prevent seam popping.

Many consider the roller presserfoot to be of help to prevent stitch skipping. Use a small size machine needle (size 9 or 11) and be sure it is not blunt.

The ball point needle that slips between the fibers instead of piercing them has been developed for knits but a regular needle is also satisfactory. Use the throat plate with the small round hole for the needle instead of the plate with a wider slot for zig zag stitching.

Try putting tape over the throat plate to prevent the needle from pushing the cloth down into the needle opening.

Check the plate for smoothness and rub it with an emery board if a rough spot is detected. All these things help prevent stitch skipping.

USE POLYESTER-CORE thread for seams since it has more stretchiness than mercerized cotton thread. However, good results can be obtained with mercerized cotton thread and a stretch-as-you-sew technique.

Sew with average length stitches; longer stitches tend to break and very short stitches tend to pucker.

Some of the new machines have a special setting for sewing knits but it is too slow to use on all seams and should be reserved for places such as armhole and crotch seams. A stitch with a slight zig zag allows for stretching without breaking.

With knits it is more important than ever to strengthen the necklines, armholes, and shoulder edges with staystitching. Often it is wise to underlay the neckline with interfacing to hold correct shape. Sew woven edge seam binding in shoulder seams. Figure A.

DO NOT UNDERLINE or back knits with another layer of cloth since this would defeat the purpose of elasticity.

Linings should always hang free from the armholes to the hem. Machine worked buttonholes do not usually turn out so well in knits so it is best to make bound buttonholes, loops, or other types of fasteners.

HEMMING STITCHES must be loose so as not to draw. A "floating thread" or pickstitch is recommended. Also, a catch-stitch may be used.

In a wider hem in heavy cloth, first make a row of hemming stitches halfway up from the bottom of the hem and a second row at the top. Figure B.

PRESS KNITS with a low heat setting and use steam, produced either by the iron or by a damp press cloth. Avoid over pressing which produces an ironed flat look.

Always use the wooden beater to set creases. To do this, use the iron and a damp cloth to fill the spot with steam, remove the press cloth, and hold the steam in with the wooden beater.

Never press the right side of knits without the protection of a press cloth. Use scraps to test-press and also to test-sew.

THE FARMER'S

Food For Thought

By LIBBY MUGDETT

HAVE HAD OCCASION to meet several young men from Scandinavian countries the last year or so.

The ones I got to know the best were from Denmark and Norway and were here in America to get their pilot's training from our Air Force. (No foreign aid here—their governments paid quite a hefty price to ours, a fact said governments didn't fail to keep reminding their boys of over and over.)

SEVERAL THINGS struck me about all of them that made them markedly different from our American fellows at the same stage of training, not the least of which was their extreme youthfulness.

All of the Scandinavians were nineteen, whereas our boys were averaging twenty-three, four and five. I checked with their instructors and found that not only were their grades and aptitudes above average, the overwhelming majority were not married, and about half of the American officers just beginning the same training were already.

NOT LONG AFTER this a couple of bright young Norwegians were visiting in my home and I flat out asked them how come they could finish college, join the Royal Norwegian Air Force, get to America for their pilot's training, finish the first phase of it and still be nineteen.

They both laughed and said it wasn't hard, everyone in Norway finished when they were eighteen.

I SAID the majority of American kiddos were just getting out of high school at age eighteen.

They replied that in Norway high school and college were combined and everyone attended.

I ASKED HOW was it financially possible for everyone to attend and they replied that the government paid for it, just like our high schools, BUT once the

student was out he was required to earn certain amount of it back when he was earning money.

I said that sounded pretty good, having a poor old Ma and Pa themselves trying to fully educate young 'uns, but how did they finish at such a young and tender

THEY SAID they were young from tender, adding that by the time they were at an age when they had been supporting themselves for years past.

When I told them how old the doctors, dentists, lawyers, and people requiring special training college were before they could stand on their own two feet, great pity for us poor American

THEY ALSO FELT pretty sorry for poor American students and wasted years. Seems that in Norway is no such thing as summer vacation weeks for Christmas and the brother.

Also, there's no subjects curriculum like home here (everyone learns that at home is toilet training), marriage training can be trained for THAT, education (we all get enough of it or walking to school), sex education people need to be taught that!

DON'T GET the idea they were mimes, either. They held their own boys, and they each knew four besides their native one. They started in the fifth grade. They speak French, Russian, and German, and speak fluently in all of them.

Well, it was food for thought. I hope some of our education administrators would do something about it.

Mail Early For Christmas Postmaster Advises Here

Postmaster George Thompson is urging Littlefield citizens to begin thinking about mailing Christmas parcels to soldiers in the armed forces overseas.

Space available mail (SAM) should be shipped by Friday, Nov. 19, to be assured of delivery by Christmas, and the deadline for mailing parcel airlift mail (PAL) is Friday, Nov. 26.

All airmail parcels should be mailed by Dec. 10, to arrive on time.

"When preparing your packages, include your name and address and the name and address of the person who is to receive the package on a label inside the package," Thompson urged. "Many times the outside label is destroyed, and if we had a list of items which were included, and both addresses, we could assure delivery," he stated.

"And another thing," he continued, "ZIP codes are very important. Packages are worked by machines, and ZIP codes play an important role in getting mail where it belongs."

"We also want to urge persons who send local mail to put the word 'Littlefield' instead of 'city,' on their envelopes and parcels. If a letter is processed in the central office at Lubbock, it would get lost with 'city' on it," Thompson stated.

Mail to persons in distant states, except Alaska and Hawaii, should place parcels in the mail by Dec. 1, and greeting cards by Dec. 10.

That for Alaska and Hawaii should be sent by Nov. 30, for parcels, and Dec. 5, for greeting cards.

Domestic mails to local and nearby areas should be mailed by Dec. 10 for parcels and Dec. 15 for greeting cards. All airmail parcels should be sent by Dec. 15 and airmail greeting cards should be sent by Dec. 22.

Two new colorful 1971 Christmas stamps went on sale last Thursday morning at the

Littlefield Post Office, and the stamps have a total of 30,000 of the stamps.

The stamps—one a nativity scene and the other a reproduction of the Wyeth painting, "A Partridge in a Tree"—are in tones of red, green and gold.

County Jails

OBITUARIES

MORLEY B. DRAKE

Last rites for Morley B. Drake, retired publisher of the Lamb County Leader, who died early Sunday afternoon, Nov. 14, in the University Hospital in Lubbock, were conducted Tuesday afternoon in Littlefield First Baptist Church.

Drake, who was publisher of the Littlefield paper from 1930 until 1963, had been hospitalized since Friday, and died of apparent heart failure.

Officiating were Rev. Lee Hemphill of Abilene, former pastor of Littlefield's First Baptist Church, and Rev. A. J. Kennemer, pastor.

Burial was in the Resthaven Mausoleum in Lubbock, with Hammons Funeral Home in charge of arrangements.

Drake was born in Brantford, Ontario, Canada, and was a graduate of Toronto University in Ontario.

His first newspaper job was for the Brantford Expositor, and later worked for the Toronto Telegram.

He came to the United States in 1924, and worked on the Minneapolis Tribune, The Fargo Forum at Fargo, N.D., The San Antonio Express, and a brief period with the Paris, Tex. paper, prior to coming to Littlefield.

He purchased the Lamb County Leader from Jess Mitchell, and began publication on July 24, 1930. The paper was sold to Sam Williams and Doug Poe in 1953, when he retired.

In recent years he has worked as correspondent and special feature writer for the Lubbock Avalanche-Journal. He and his wife have spent their winters in Arizona during the past years because of illness.

Drake was a member of the First Baptist Church, the Masonic Lodge, Amarillo's Khiva Shrine, and Sigma Delta Chi, a professional newspaper fraternity.

He is survived by his wife, Ethel Maye; a sister-in-law, Mrs. Mary Drake of Brantford, Canada; and two nieces, all of Canada.

REED PARNELL MARKHAM

Funeral services for Reed Parnell Markham, 74, longtime lumber merchant at Sudan, who died Monday morning, Nov. 15, at South Plains Hospital in Amherst, were conducted Wednesday afternoon in First Baptist Church of Sudan.

Rev. J. R. Manning, pastor, officiated, and burial was in the Sudan Cemetery, with Hammons Funeral Home of Littlefield in charge of arrangements.

Markham was born March 1, 1899 in Floyd County, and had lived in Sudan since 1932. He was the longtime manager of the Foxworth-Galbraith Lumber Company before his retirement.

Surviving are his wife, Mary; a son, Harvey Markham of Delevan, N. Y.; two daughters, Mrs. Sara Woods and Mrs. Mary Pearl Bellar, both of Sudan; a brother, Otis Markham of Sudan; two sisters, Mrs. J. T. Henderson of Sudan and Mrs. C. L. Fry of Leonard; and six grandchildren.

MORLEY B. DRAKE

H. R. "WHITEY" WALLACE

Funeral services for H. R. "Whitey" Wallace, 74, of Spade, who died Monday morning at Knight's Rest Home in Littlefield, were conducted Tuesday afternoon in the First Baptist Church of Spade.

Officiating for the service were Rev. Johnny Lee, pastor, and Rev. J. J. Terry, former pastor. Burial was in Littlefield Memorial Park with Hammons Funeral Home in charge of arrangements.

Wallace was born March 22, 1897 in Dallas and had been a resident of Hall County until 1943, when he went to Spade as a farmer.

Surviving are his wife, Mary Lois; five sons, Dean Wallace and LeRoy Wallace, both of Spade, Carlton Wallace of Fontana, Calif., Robert Wallace of Calimesa, Calif., and Herbert Wallace of Plainview; a daughter, Mrs. Evelyn Hailey of Fontana, Calif.; a brother, Ike Wallace of Corpus Christi; three sisters, Mrs. Bessie Colvin of Fort Worth, Mrs. Minnie Brown of Plainview and Edna Wallace of Carrollton; 14 grandchildren; and three great-grandchildren.

JENEVA NEWTON

Funeral services for Mrs. Geneva Newton, 82, who died in Amherst Manor at Amherst early Saturday morning, Nov. 13, were conducted Sunday afternoon at the Amherst Church of Christ.

Leonard Tittle, pastor, officiated, and burial was in the Plainview Cemetery Monday, with Payne Funeral Home of Amherst in charge of arrangements.

Mrs. Newton had managed several hotels on the west coast before her retirement in 1968, when she moved to Amherst to be near relatives. She had been a resident of Amherst Manor four years.

Surviving are three sisters, Mrs. Lula Morgan of Amherst, Mrs. Mattie Tyson of Port Arthur and Mrs. Sudie White of Sudan.

J. W. Johnsons Celebrate 50th Wedding Anniversary

Mr. and Mrs. J. W. Johnson will celebrate their 50th wedding anniversary with a reception from 2 till 4:30 p.m. in the Lamb County Electric's Willie Room at 2415 South Phelps Avenue, Littlefield, Sunday, Nov. 21.

The reception will be hosted by a son, J. W. Johnson Jr. and family of Littlefield, and a daughter, Mrs. E. H. Williams and family of Garden Grove, Calif.

The former Miss Tressie Margaret McLeod and James Wilbur Johnson were married Nov. 20, 1921, at Kirkland, Texas.

They moved to the Littlefield area in 1940 where Johnson was engaged in farming until retiring in 1964. They are members of the Church of Christ in Littlefield.

Mrs. Dennis Wachs and Miss Donna Pierce of Garden Grove, Calif., and Miss Kay Johnson of Littlefield, granddaughters of the couple, will serve.

Assisting will be the couple's grandsons, Edgar Hugh Williams of Fullerton, Calif., and John Johnson of Littlefield. Friends and relatives of the

couple are cordially invited to attend.

Reception And Banquet Fetes Sudan Ex-Students

Some 169 persons attended the reception and banquet, including special guests, at the annual homecoming activities Saturday night, Nov. 13, in the Sudan school cafeteria.

Philip Gordon, president of the ex-student organization served as master of ceremonies and introduced ex-student, Kenneth Johnson of Kingston, Okla., who came the farthest distance.

Representing the earliest graduating class of 1924 was Mrs. Findley Roberson.

Decorations of red, white and blue carried out the patriotic theme with miniature flags in arrangements.

Musical entertainment was

provided by a group formerly known as "Texas Melody Boys." The group composed of Noble Dudgeon and Harlan Pickett of Sudan; L. J. Pickett of Lubbock; Kenneth Johnson of Kingston, Okla.; and Tommy

Wright of Lubbock, was introduced by Raymond Harper, vice president. The group had not played together for a number of years.

New officers elected for 1971-72 were Raymond Harper,

president; Billy Chester, vice president; Loretta Reid, secretary-treasurer.

The Student Council hosted the reception with the Band Parents Organization preparing the meal.

Funk Runs A Mile In Regular Season

Like the fellow who would walk a mile for a Camel, Littlefield's Ralph Funk ran a mile for the Wildcats.

The 190-pound tailback accumulated the feat last week when he ran for 100 yards and that topped a mile by just a few inches.

Funk had his best single game performance for distance against the Morton Mustangs, rushing for 100 yards and making the gridiron for 301 yards. The 45 carries he made were a high for the season.

Funk's fourth time this season for rushing more than 200 yards during a game. He rolled for 201 against Slaton, 200 against Lockney and 226 against Morton.

At the time he was held under 100 yards in the muddy Levelland game, Funk got 58 and the Wildcats fell, 6-2. The 254 yards came this way: 1,718 yards and 46 passes. He did the ground game in 29 carries—that's 29 per game—completed one of three passes for 16 yards. The lone pass completion, in fact, was for a touchdown.

Funk has 700-294 plays for his total, 400 carries out an exact 6-yard average. He may be his lucky number, 29, as he scored 35 touchdowns during the season to tally 150 points and lead the district scoring parade in all classes.

The running highlights the offensive statistics compiled by the Wildcats this season. The Wildcat tailback would be the

RUNNIN' RALPH FUNK

first to credit a line offensive line and a superb blocking job by Dennis Hartley, a fullback who has cracked down on many a would-be tackler in Funk's path.

The Wildcats also have chalked up a fine defensive record, allowing the opposition only 30 yards per game on the ground and 73 in the air, on the average.

THE MAROON COLOR IS FOR 'GO WILDCATS'

Cats Wrap Up 3-AA Title, Shoot At Roosevelt Eagles

It was a night for singing. Auld Lang Syne was appropriate around District 3-AA. The league was singing goodbye for the 1971 season and to three of its members.

But, only Littlefieldites could stand and sing the victory march, as well as make plans for another chorus or two in the next few weeks.

District 3-AA's eight members played their last round of games, with next year's alignment being vastly different from the past two years. The district's playoff representative will be back, but not the co-champ.

The league wound up in a two-way tie, between Littlefield and Floydada, but thanks to its 13-9 first down count in their 0-0 defensive standoff of two weeks ago, Littlefield is on its way to the playoffs.

THE WILDCATS will play Roosevelt, undisputed winner in 4-AA, in bi-district next Friday night. The two teams will tangle at Lowrey Field in Lubbock in a 7:30 p.m. contest. Winner of that game will advance to regional against the Phillips-Childress victor. Phillips and Childress will collide at Amarillo Friday night.

The district alignments, as announced last month by the Interscholastic League, grouping Olton, Morton, Friona, Dimmitt and Littlefield in 3-AA, Abernathy, Floydada, Idalou, Lockney, Ralls and Tula will form 4-AA, and District 5-AA will have Denver City, Lubbock Cooper, Roosevelt, Post, Slaton, Tahoka and Frenship.

LITTLEFIELD saw its playoff spot in jeopardy at Morton last Friday night before the Wildcats regained the initiative. After Morton scored in the first period and dominated the quarter, Littlefield bounced back on four Ralph Funk touchdowns to win 28-7.

The Indians had driven to the Littlefield 27 and were leading 7-0 before fumbling and Littlefield recovered. The Wildcats pushed across the matching points in the second quarter, on Funk's 53-yard sprint and Larry Hobrathsch's extra-point boot, and marched on to the victory.

The win matched Floydada's 7-3 victory over Abernathy and created the co-championship. Floydada was preseason favorite for the title and Littlefield was picked second.

WALTER HARRIS' fourth-quarter run of one yard pulled the whirlwinds from behind and into the 7-3 lead. Abernathy had taken the lead in the third quarter on Joe Evans' field goal. The verdict went down to the final play, however, as Abernathy fumbled on a long pass-and-lateral maneuver.

Friona and Lockney engaged in an offensive orgy at Lockney, with yardage

spewing in all directions. From scrimmage Lockney had 424 yards, Friona 386. That adds up to 810 steps. Pitch in the return from punts, kickoffs, interceptions, yardage, and the game's fans saw the football advanced 1042 yards.

EDDIE HICKMAN, ex-Littlefield performer, has been a big contributor to Northwood Institute's 5-2 football record so far this season. Only a freshman, the defensive nose guard was the leading tackler in last week's 33-6 victory over St. Benedicts in Atchison, Kansas. Marlin May ran for three touchdowns as Olton outscored Dimmitt 33-6 in their finale.

Littlefield will be playing a surprise team in bi-district Denver City was the favorite to win in 4-AA, but Roosevelt dropped the Mustangs 16-6 and weren't touched in district until losing 20-10 to Slaton last Friday night. Roosevelt had the district and playoff spot clinched before that game.

School Nurse And Aides Have Busy Schedule

By KATHY FERRY

Mrs. Claude Oliver, Jr., the Littlefield school nurse, has been busy with school children for the past week.

"I have been very busy this week," she said. "I have been checking up on the children's health and giving them their shots. I have also been checking up on the children's vision and hearing."

The nurse's schedule is very busy during the week. Mrs. Oliver has been checking up on the children's health and giving them their shots. She has also been checking up on the children's vision and hearing.

results of vision and tuberculosis tests. There are also records of accidents and the students visit to a doctor.

Mrs. Oliver has one full-time and one part-time. Mrs. Byron Ford. They are very efficient in the work and seem to enjoy it as well," says Mrs. Oliver.

Since both Mrs. Oliver and her husband work for the school, "it is sort of a community project," replies Mrs. Oliver. They have one son, Mike, who is working on his master's degree at Tech.

CAKE FOR THE BOYS—Mrs. Jimmy Crosby, on behalf of Tommy Crosby, presents a cake to the Wildcat football team before the group left Littlefield Friday. Accepting the cake is Co-Captain Scott McNeese.

ON THEIR JOBS

Principals Have Varied Views

By DEBRA McANALLY

What does a principal do all day long, anyway?

How does he feel about the students under his supervision?

The answers, according to Littlefield's five principals, are just about as different as the principals are themselves.

Beryl D. Harris, LHS principal, attended Texas Tech University, receiving his BS in Education in 1949 and his MS in Education in 1951. Among his duties are being an educational and instructional leader as well as overseeing student activities programs.

Mr. Harris held other jobs before this, such as band director, and in 1960 he became

an elementary principal. He held that position until he became high school principal.

When asked how he feels about the students of LHS, Mr. Harris said, "I think the students are the finest young anywhere. By and large, they have good attitudes and demands that they leave little to be desired."

Helping people set their own constructive life gives Mr. Harris satisfaction from his job, he says.

Tommy Brantley, principal of the elementary school, also has a varied background. He became principal in 1960.

FFA Planning Turkey Shoot

The FFA meeting was held last Friday night in the vocational building to discuss plans for the FFA annual turkey shoot. Committees were appointed for the various duties which have to be done for the turkey shoot.

All greenhands went to a class Saturday to a chapter meeting. Results of the class are being put into effect.

HEALTHY PEOPLE—Keeping Littlefield students happy and healthy at the school nurse's office is part of these ladies' job. In the center is Mrs. Claude Oliver Jr., school nurse. Her assistants are Mrs. Johnny Talburt, left, and Mrs. Byron Ford.

Sewing Contest Scheduled Here

The sewing contest will be held in the vocational building on Friday, Nov. 19, from 7:30 a.m. to 1:30 p.m. The contest is open to all students in the school. The contest is a good opportunity for students to show their sewing skills. The contest is a good opportunity for students to show their sewing skills.

LHS SPEAKS OUT

New Stop Sign

This week's question was "What do you think about the new stop sign by the courthouse?"

Most of the students were opposed to the new stop sign as they said they felt it had no purpose, would cause wrecks, and stall traffic going to lunch. On the other hand, a few approved of the sign.

Here are some student opinions:

JUDY CURRY—I think it will serve a purpose because it will show if people are alert or not. Everyone is used to just going on down the road and never looking up, so I think it will serve a purpose.

VERA MOYA—Yeah, jails need company and cops need more money.

ALLEN GRISHAM—I don't think it serves a purpose. It seems stupid to stop before going down a one-way street.

RALPH FUNK—No, there has never been a wreck or anything at this spot. They just ruined the best through street in town.

MR. BYRON FORD—Yes, it makes you stop.

ANGELA PURDY—No, really it does not help the driving any. People half the time don't stop for it or either yield it. So what is the use for it?

JIMI BRUDON—No, I sure don't. I think it is just a waste of money to our city. I have never seen a wreck there at all. And it is not a Four-way stop.

LHS SPEAKS OUT

New Stop Sign

DEAN TROTTER—I don't know what purpose it serves, but it is going to take some getting used to.

RANDY DAYTON—No, because it slows down traffic, and XIT is used more than Fifth Street. Anyway it says it's a four-way stop sign, but traffic can only come from three.

RONNIE ELLIS—Yes, because it's hard to get out on the one-way street.

MICHAEL CARTER—It just keeps me from getting to dinner faster but it may save what could be a wreck.

THERESA TURVAVILLE—No, because I don't really think that corner is a hazardous spot, but evidently the city officials do, so I won't argue with them about it.

BOBBY MATTHEWS—No, the people who have lived and

driven here all their lives will just run the stop sign because they are not adjusted to it. This makes it a hazard.

LARRY CRUMPTON—Yes, because without it we would have several wrecks due to the old people dragging across the road not looking either left nor in front of them.

DANNY MEARS—No, it is just another nuisance to the drivers in this town.

DONALD BRITT—Perhaps I am not very well informed, but I cannot recall any accidents which have taken place there. Traffic signs are supposed to help the flow of traffic.

"Smile" Buttons Are Given To Band

A smile is a curved line that says many things.

All band members have been wearing "smile" buttons recently. These are spirit buttons sent to the Wildcat Band members from some of the seniors who were in band last year. They also sent a letter wishing the band good luck and telling them that they are behind them 100 per cent.

These buttons are little reminders of that division "I" the band seeks.

NEW TEACHER

Henchman Hene

"I enjoy Littlefield and the people. Any place you go the most important thing is the people. I think all the coaches, as well as myself, are pleased with the situation here."

These are the words and opinions of Mr. Rod Hench, one of Littlefield's assistant football and track coaches. Hench, a mathematician, teaches related math and Algebra I.

Coach, a native of Titonka, Iowa, is a graduate of Titonka High School, where he participated in football, basketball, baseball, track, and band, lettering all four years in each of the four areas.

Having received a B.S. degree, majoring in math and minoring in physical education, Hench is an Alumni of Mestmar College, LaMars, Iowa. Shortly after graduation, the coach reported to Manila, Iowa as a math teacher and head football coach. There he stayed two years. Coming west to Portales, N. M., Rod Hench began his studies once more at Eastern New Mexico University, where he majored in physical education and was granted an M.A. degree. Working one year on a ranch near Tucson, Ariz., falls next in line in the life of Coach Hench. When asked of

COACH HENCH

anything exciting that he had done, he says, "I have done nothing special. Athletics and horse riding are listed as some of my favorite activities. Coach Rod Hench and wife Mary reside at 1115 Mrs. Hench, also being played by the school in fifth grade English.

Leaf Collections Rolled In Friday

Seen any bare bushes or trees lately? There are probably two reasons for this. Either it is because of the freeze or some last minute leaf collectors from biology have hit the poor tree in full force!

Biology students were very lucky this year as the freeze came much later than last year. This year, even after the freeze, there are still many leaves in protected areas.

Leaf collections were due Friday, Nov. 12. The leaves must be mounted and the shape, margin, venation, arrangement must be noted with them. Leaves are to be separated into two 1/2" samples and composed.

Mrs. Charlene Reast, biology teacher, stated that she expected many more leaf collections because this is the first year in many past that the freeze came late.

LEAF COLLECTION—Biology students turned in leaf collections last Friday. Looking over the collections, from left to right, are Kelly Pratt, Kim Jungman, and Cindy Huber.

SHARRISE COWEN

SHARLA GRANT

FOOTBALL SEASON is over and now it's time for basketball! One good thing about basketball is that it's inside where it's warmer. The boys started work-outs Monday.

Q: Do you know what a dog with a basketball nose is?
A: A dog with a nose that dripples a lot!

LAST THURSDAY we had our last pep rally. The cheerleaders presented Mrs. Pylant, Coach Bolton, and Coach Carter with presents. They also gave the ninth grade football team a cake.

Mary had a little watch,
She swallowed it and it's gone.
Now everywhere that Mary goes,
Time marches on!

THE EIGHTH grade finished up their season with a victory over Abernathy, 62-0.
CONGRATULATIONS!
The seventh grade lost to Abernathy, 28-0.

Little boy—What is a library?
Little girl—I think it's a little green berry at the end of a lie tree!

Christy P.—If you had only ten cents and five minutes to live—what would you buy?
Janet G.—Life-savers!

Carrie W.—Do caterpillars taste good?
Patti C.—Why do you have to ask a

question like that when I am eating?
Carrie—Well one was on your salad, but it's gone now!

Ronald P.—I'm keeping a record of all the good times we've had together.
Becky D.—Oh! Are you keeping a diary?
Ronald—No, stubs in my checkbook!

IF ANYONE would like to make a bulletin board, please notify one of the Student Council members.

Jill H.—Did you hear about the man who drowned in bed?
Carolyn M.—No. What happened?
Jill—The bed spread, the pillow slipped, and he fell into the spring!

Rick H.—How do you tell a happy motorcyclist from a sad one?
Kyle S.—I don't know. How?
Rick—By the number of bugs on his teeth!

MONDAY the 7th, 8th, and 9th girls basketball team will play Floydada at 5.

Confucious say: Some people are blisters—they show up when the work is done!

Have a good week and . . . **BEAT MULESHOE!!**

Last Thursday the ninth grade went and finished up their season with a win over Shallowater. The score was 32-12.

CONGRATULATIONS!

Sharla C.—Knock, knock.
Regina W.—Who's there?
Sharla—Wooden shoe.
Regina—Wooden shoe who?
Sharla—Wooden shoe like to know!

Stephanie B.—Fall down and go BOOM!!

Monday night a practice was held at the Wildcat Stadium for all the bands in this area that are going to contest Tuesday and Wednesday. The bands that attended this practice session were Whitharral, Levelland Jr. High, and the Littlefield Junior High and High School bands.

Happy Birthday—Liz Harlan, Michele Sawyer, Kim Wood, Regina Williams, and Sharrise Cowen!

Rodney L.—What are the three words most often used by students in school?
Doug Mc—I don't know.
Rodney—Correct!

Today the 7th, 8th, and 9th grade girls will travel to Muleshoe at 4. Good Luck!

SWING YOUR PARTNER—It's fun and dance time in girls' PE classes at LHS, where Miss Debbie Collins is now teaching students the art of folk dancing.

LCHS Downs Girls JV Team

Tuesday night before a spirited crowd, LCCHS went ahead of JV girls by a slim two-point margin and held on to win the game.

In a game with very few fouls the lead exchanged hands many times.

Littlefield's high scorer for the game was Jill Owens, who hit for eight points. Lubbock Christian's high scorer Nancy Agner, also hit for eight.

The scoring in the quarters went thus: first quarter, 6-5, LCCHS; second, 12-7, LCCHS; third, 14-12, LFD, and the score ended 18-16 in triumph for LCCHS.

Student Council District Meet Set

The LHS Student Council met Tuesday morning, Nov. 2, at 8 in the biology lab.

Attention was given to the district Student Council meeting to be held Dec. 4. The meeting will be held in Floydada this year.

Plans involving the meeting will be definite at a later date.

ROTC Scholarships Will Be Offered

The Army has announced that 1003 four year scholarships will be offered to high school seniors for matriculation at colleges and universities throughout the United States in school year 1972-73. These Army ROTC scholarships are awarded annually to outstanding male high school seniors who are motivated toward a career as Army officers. The scholarships are worth \$6,000 to \$12,000 depending upon the university or college the recipient attends.

The scholarship includes tuition, fees, books and laboratory expenses, plus \$50 per month for the duration of the scholarships, and may be used at any of the more than 280 colleges or universities in the United States offering Army ROTC in the fall of 1972.

Selection for these four year scholarships is competitive and is based on the results of the CEEB-Scholastic Aptitude Test or the American College Test, high school academic record, and participation in athletic and extracurricular activities. Applications must be submitted by Jan. 15, 1972.

Young men interested in competing for a scholarship should make the necessary arrangements with their high school counselor to register for and take the CEEB-Scholastic Aptitude Test that will be administered Dec. 4 or the American College Test that will be administered Dec. 11. The closing date of Jan. 15, 1972 for scholarship applications will not allow sufficient time for receipt of scores from later scheduled testing dates.

What you can do if our toll billing machine slips a digit.

It's a "long distance" problem.

A billing mistake can happen, we're only human. When one does it's probably on a long-distance toll call. For example, part of a number might get reversed. Say someone calls Nome, Alaska from 564-1234. Then, man or machine slips up and records 654-1234. Unfortunately that's your number. So the call is billed to you. But, don't worry. You don't have to pay for a call you didn't make. (Of course, there are also other types of mistakes. Like a call you did make and then forgot.)

Don't pay for mistakes.

We don't expect you to pay for our slip-ups. In fact, we don't want you to pay for your own mistakes either. If you place or dial a long-distance number incorrectly tell the operator right away. She'll give you credit.

Wait till next month.

Once we know a charge is not right our billing people take over. If at all possible they'll get your next bill credited. However, because billing is done in cycles (one batch at a time) the adjustment may not show up till the bill after that. It all depends on when your report reaches us.

Everything will come out all right.

We've been doing business with you for a long time and hope to continue. So, you know we don't want to lose your trust and confidence over one little long-distance call. Even if it is to Alaska.

Call us and complain.

Call your local telephone business office and tell us if you think we goofed. We'll investigate and credit your account, if it's not your call.

PRINCIPALS

Continued from page 8

principal, received his MS from Texas Tech. Brawley's jobs are as a principal, supervisor, and teacher as well as disciplinary duties and after building maintenance.

Brawley was a teacher of 1988 before becoming principal.

He supervises the students under supervision are making adjustments to maturity. He has most of the interests of older students and the interests of younger students. They are more than high school level," he said.

He supervises the progress of students in academic areas as well as accepting responsibilities from his work.

Mr. Christian is principal of elementary II. He attended and graduated from Abilene School. He graduated from A&M in 1932. He did post graduate work at McMurry, Hardin Simmons, and Texas Tech.

Mr. Christian is guide in all activities. He oversees a body of 326 ten-eleven year olds with eleven classes, plus one special reading classes, and library.

Mr. Christian is accepting the principal job. He was assistant principal at Abilene High School from 1932 to 1936. He was coach of social studies teacher in Abilene City High School from 1940. After that, he was principal of Texaco, Inc. at Littlefield from 1946 to 1968. He was assistant coach of P.E. instructor for Littlefield Junior High in 1968.

Mr. Christian describes his job as being "bright eyed and bushy tailed."

Mr. Christian is teaching the young citizens from childhood to young men and gentlemen gives Mr. Christian a feeling of satisfaction from his work.

Mr. Settle is principal of elementary I. He received his degree from the University of Texas State University. He then attended Texas State University. He received his M.A. degree. Mr. Settle did further study at Texas Tech. He is certified by the Texas State Agency in the following areas: Elementary, Secondary, Principal, Superintendent, and Superintendent.

Mr. Settle's duties include accounting for the fiscal presence of the children and counseling them, parents and teachers. He also acts as disciplinarian, nurse, and general fixer.

Mr. Settle has been a science teacher, band director, high school principal, and he was a superintendent of schools for years before taking on the job of Elementary I Principal. Mr. Settle feels the third and fourth graders are becoming mature in their ideas.

Mr. Settle is able to watch the children grow emotionally and intellectually, as well as socially, is stimulating to Mr. Settle. "I am simply a teacher—I want to help children discover the world as it is," he said.

Mr. Forrest Martin, principal of elementary I, attended East Texas State Teachers College. He received his B.S. degree in 1942. He then attended Texas Tech in 1955.

Mr. Martin supervises grades 1 and 2 and he heads the instructional program.

Mr. Martin has several jobs. Mr. Martin includes being a coach at Littlefield during 1942-43, Naval Academy during 1944-45, coach at Littlefield during 1946-47, assistant principal at Littlefield during 1948-49, junior high principal during 1947, Elementary II Principal during 1968-69, and in 1969 took the title of Primary Principal.

Mr. Martin feels these young students are very easy and pleasant to work with. Making young students make necessary adjustments at home to school, and giving a good beginning for an education gives Mr. Martin satisfaction from his work.

Bulldogs Pitted In Final 3-B Clash

The Anton Bulldogs are the big dogs in District 3-B. They will represent 3-B in bi-district competition. They will also be out to put an end to a nine-year dry spell against the Amherst Bulldogs Friday at Amherst.

This rival game between undefeated Anton and 2-6 Amherst will put a cap on District 3-B warfare for this year.

Amherst was defeated by Anton, 40-30, in 1961 and has held Anton on the slim end of the score since that time with the exception of a 12-12 tie in 1963 and a 32-32 tie last year.

From 1961 to present, the Amherst Bulldogs racked up 313 points to Anton's 137.

In 1962, Amherst won over Anton, 41-8 and the Bulldogs clashed to a 12-12 tie in 1963.

Amherst took a 10-point lead in 1964 by downing Anton, 24-14, and in 1965, Amherst tripled Anton, 36-12.

Amherst represented the district in 1966 and also won over Anton, 37-6.

In 1967, Anton was held to only one touchdown as they were defeated by Amherst, 20-6.

Amherst blanked Anton, 31-0, in 1968 and captured a 50-7 win over Anton in 1969.

Last year the Bulldogs battled to a 32-32 tie.

Spade Boys, Girls Defeat Union Teams

The Spade boys got their first win of the season by dropping Union 49-38, at Spade Tuesday night.

The win gives the Longhorns a 1-7 record for the season.

Spade had a 13-8 lead at the end of the first period and widened the margin to 30-14 at the half for the go-ahead in the second half, to win 49-38.

A couple of new faces were added to the list of players hitting in the double figures. Ronnie Nix took the scoring spotlight for the Longhorns by bucketing 15 points. David Gray, another newcomer, sank 14 and Jimmy Sewell bucketed 11.

Don Nance paced the losers with 18 points and Collie Booth hit 10.

The Spade Fems made their season record 6-2, by beating Union 55-41, at Spade.

Debbie Myers and Gayla Freeman were pulled in the second quarter after scoring 20 and 13 points. Brenda Hooper and Sheri McCoy hit nine points each.

Sheri McNeil took high point honors of the night by sinking 33 points for the losers.

Spade will play Bula at Bula Friday night.

In other basketball action Saturday night, the Spade Longhorns bowed to Bledsoe 43-37, at a homecoming game at Bledsoe.

Free throws seemed to have been the deciding factor as to a win or a tie, as Bledsoe made the six-point margin for the win on their six free throws. Spade was unable to score on free throws.

David Gray was the high point man for the losers by bucketing 12 points. Gaylon Reed hit for 10.

Terry Young hit 16 points for the winners and Terry Davis hit 11.

Debbie Myers led the Spade girls in basketball action against Bledsoe Saturday, by scoring 23 points for the winners to assist in giving them a 51-41 win.

There was only a one point spread at the end of the first stanza and a five point lead at the half. Bledsoe was held to 14 points in the second half.

Debbie Myers took the high point honors for the night by bucketing 23 for the winners. Gayla Freeman followed with 18 and Brenda Hopper hit 10.

Bledsoe was paced by Cindy Banning with 21 and Debra Burns with 13.

Pep Takes Wins In Doubleheader

The Pep boys and girls came home from Smyer Tuesday with each bringing home another basketball victory.

The boys took a 69-45 win to make their season record, 5-2, and the girls made their record, 6-2, on a 45-25 victory over the Smyer fems.

Randy Kuehler was high point man for the Buffaloes with 17 points. Dave Shannon hit 15, Johnny Demel, 14, and LaFayette Demel bucketed nine points. Other scorers for Pep were David Demel, Roger Vick, Curtis Albus, Gary Albus and Tom Albus.

Willie Sanders hit 23 of the 45 points made by Smyer. No other player hit in the double figures for the losers.

"A simple handshake is all that's necessary, Capt. Flipson."

In the girls' action, Pep took the lead at the end of the first period, 6-4, and finished the first half by leading 12-5. The winners went on in the second half to score 33 more points.

Miki Demel paced the winners by sinking 15 points. Mitzi Albus and Gail Duesterhaus tied with 11 points each. Pam Demel made six and Barbara Glumpler shot two.

Gail Berry scored 16 points for the losers.

Pep travels to Shallowater Friday.

9 out of 10 new Chryslers registered in the last 10 years are still on the road.

1962 Chrysler

That should tell you a lot about the cars we sell.

Every Chrysler Imperial is road-tested at the factory.

Whether you own a big or small car, pay a little or a lot, the one thing you don't need from a car is trouble. You want a car that will hold up. A car that's built to last.

Well, we're with you. Just look at this figure:

9 out of 10 new Chryslers registered in the last 10 years are still on the road.

This includes all the various owners, any kind of terrain, and numbers of miles. But every Chrysler is designed and built the way you want it—to last. So even if you won't be keeping a car for years and years, it's good to know you've got all that quality going for you in your first year as well as in later years.

Newport Royal 2-Door Hardtop

You gotta have heart.

The quality of a Chrysler starts deep down in the heart of the car. That's where you've gotta have it. That's where you get it. With such time- and road-proven features as Chrysler's torsion-bar suspension and Torque-Flite automatic transmission. The rigid strength of unibody construction. And a 7-step dip-and-spray anti-rust process. Extra care like that is why so many Chryslers stay in great shape.
