formance of the season into their third heartbreaking loss. But the 'Cats defense rose to the occasion and turned the Whirlwinds into a rippling breeze.

The scoreboard clock couldn't take the pressure packed performance and blew a fuse mid-way through the first quarter. The lead changed hand five times and was

tied twice in the see-saw affair.

The stopped clock could have spelled defeat for Littlefield. Ralph Mendez booted his second field goal of the night in the third quarter to knot the score at 13-13. Only 31 plays were reeled off in the abbreviated third period.

Then came the fourth quarter and the game went on and on and on. A total of 41 plays were run in the lengthy quarter. Early in the fourth quarter Floydada turned one of those pesky Wildcat

City manager resigns

In a specially-called meeting Friday at noon, City Manager Jim C. Blagg presented his resignation to Mayor J. E. Chisholm and members of the city council.

In his written letter of resignation, Blagg stated: "Effective Oct. 15, I will be resigning my position as city manager of the City of Littlefield to join the staff of the City of Lubbock as assistant city manager.

"This decision is accompanied by mixed emotions on my part. It is always difficult to leave friends and places that have meant so much to you. The future for Littlefield looks so bright and I am sad that I will not be a part of its growth. However, this new opportunity presents challenges both professionally and personally that I cannot pass up."

"I want to take this opportunity to express my appreciation to you for the support and leadership you have provided over the last 3 1/2

years. I could not have asked for a better group of men with which to work.

"The years spent in Littlefield will hold many memories for me and my family and we will always cherish them," Blagg concluded.

Blagg came here in April 1973 from Amarillo, and the council will begin an immediate search for his replacement.

New sheriff's deputy named, one re-hired

Lamb County deputy sheriff V. L. "Smitty" Smith Jr. has resigned his position at Olton. His resignation was effective Thursday.

Former Olton chief of police Ed Hesskew has been named to replace Smith. Hesskew had just resigned his city position prior to Smith announcing his resignation.

Elmer Hall resigned as deputy sheriff at Earth recently. After being out of service one month, Hall has again joined the sheriff's department as deputy and will remain at Earth. During this leave of absence Earth was without a deputy.

Commissioners' Court meets

Lamb County Commissioners' Court discussed ambulance service for the county, Revenue Sharing fund projects, and combined several county funds to reduce bank account numbers among other business matters considered in the end-of-month meeting Thursday.

The ambulance service contract between the county and the city of Littlefield is expiring, and some changes in a new contract were discussed.

Proposed state prison not coming to County

In an interview with Speaker of the House Bill Clayton this week, Rep. Clayton stated that reports of plans for locating a proposed \$90 million Texas prison unit in Lamb County are now out of the question.

He was contacted last week by the Amarillo Daily News concerning the rumor, and he advised Leader-News Publisher Jerry Tidwell that the proposed prison system would have to be located on one block of land—20,000 acres with water—and offered at a regular price. Clayton stated, "I doubt if there is that much land in Lamb County that would be offered."

Clayton advised that the contact from the Amarillo Daily News was the first he had heard about his supposedly "pushing efforts to get the new prison unit located in Lamb County", particularly because he is from this county.

Clayton said the Texas Department of Corrections is seriously considering University of Texas-owned land in the Seminole area for the new prison.

The proposed prison unit will be located on land that can primarily supplement the cotton supply for TDC.

Texas Air Tour flies in today

The All-Texas Air Tour, which is dedicated to the promotion of aviation, will arrive in Littlefield's Municipal Airport, beginning at 9:30 a.m. this morning, when 200 persons fly in in about 73 planes.

Littlefield citizens are urged to help welcome the fliers at the airport and refreshments will be served all morning.

Chamber of Commerce Manager Sherry Campbell said, "This is a real opportunity for us to show our fellow Texans what Littlefield hospitality is. I urge you to attend and take part in the welcome to 'Likable, Livable Littlefield'."

Quarterback Club sets Ladies' Night

Littlefield Quarterback Club will conduct a Ladies' Night event Tuesday night at 7:30 in the Willy Room of the Lamb County Electric Co-op building.

Wives, sisters, daughters and friends of the Quarterback Club members are invited.

A prison unit and a 75-bed hospital unit will be pushed in the next Legislature and cost of the two projects has been budgeted tentatively at \$200 million.

The area the unit would serve would include an area down a line straight east from the El Paso-New Mexico line, and then northward through San Antonio to the Panhandle line, encompassing 35 percent of the state.

Judge Kirby sets cases for trial

Judge Ruth Kirby has set the first week of October as jury week for criminal cases pending in county court.

Docket call starts at 10 o'clock Friday morning for the 45 cases. A list of 60 petit jurors have been notified to appear for jury duty Tuesday, Wednesday and Thursday.

Pleas, sentencing or trials are set for 45 persons on 43 counts.

Pending are 22 charges of driving while intoxicated. Ten are charged with possession of mari-

juana. One is charged with possession of a controlled substance; five are charged with liquor law violation. Three are charged with carrying a prohibited weapon, three are charged with theft of money, and one is charged with theft by check. One speeding case transferred from justice of peace court is set.

This is the first setting of criminal cases for Judge Kirby. Twenty-three of the cases set for trial have been filed during her term, and this jury week brings up

most of Lamb County's unsettled cases.

Judge Kirby said future plans call for county court sessions every three months and regular dates for hearing pleas.

The following persons have been called to appear in county court as notified:

Ernest C. Legg, Sudan; Patty McGeath Moore, Earth; Edward D. Wuerflein, Rt. 1, Muleshoe; Opal Holland McCaghen, Sudan; George Brockington, Littlefield; Jomeryl Harmon, Amherst; John H. Oyer, Littlefield.

seen the innocence of boyhood and the dignity of man, we sturdy creature called a football player. Football players in assorted weight, heights, colors, and numbers, but all players have the same ability to play every second of every minute of every period of every game to the best of their ability.

When your team is behind, a football player is a composite of many things: indecisive, lazy, uncoordinated, and stupid. Just when the team threatens to turn the tide in battle, he misses a block, fumbles the ball, drops a pass, goes offside, falls down, runs the wrong way, or completely forgets his assignment.

A football player is a composite of many things: more often than not, plays like a gazelle, the strength of an elephant, the swiftness of a fox, the agility of a gazelle, the quickness of a gazelle, the quickness of a gazelle, and the ability of Red Glendavis, Bronco Naylor, and Jim Thorpe-combined. For his own coach he had, for purposes, the stability of a snail, the fleetness of a snail, the ability of a mule, is held together by adhesive tape, bailing wire, sponge rubber, and has as much chance of playing Saturday as would his own father.

An alumnus a football player someone who will never kick as far as far, block as viciously, run as hard, fight as fiercely, score as little ground, score as many points, or generate nearly as much amount of spirit as did

National 4-H Week

National 4-H Week Oct. 3-9 will provide a challenge for youngsters across the United States to fulfill this year's theme, "4-H— Room To Grow."

With a 7.8 per cent increase in membership nationwide, this year's enrollment includes 5.6 million young people between the ages of 9 and 19 who will try to increase membership and leadership during the weeklong observance.

"National 4-H Week is scheduled annually by the Cooperative Extension Service to bring public attention to the values of 4-H as an informal, youth educational program that stresses development of practical skills, leadership and citizenship," points out Dr. John T. Pelham, state 4-H and youth leader for the Texas Agricultural Extension Service.

Some 120,000 4-H youngsters

across Texas will also be participating in different countywide activities, notes Pelham.

Texas enrollment includes about 3,000 youth under nine years of age, 45,000 in the pre-teens (9-11), 46,000 in their early teens (12-14) and 24,000 between the ages of 15 and 19.

A little over half of the Texas young people enrolled in 4-H live in towns with populations over 10,000. The rest of the youngsters live in the ever-increasing suburbs and on farms.

"The 14 Extension Service districts in Texas will have different activities planned during National 4-H Week in an attempt to attract new members as well as to encourage current members to expand their involvement in 4-H and thereby increase their learning experiences," adds Pelham.

Dear Runt,

When I started learning English by myself, three years ago, I could not imagine that I should have so soon the opportunity of visiting the United States. Thanks to you and thanks to the American Host Foundation which selected me although my English was not very fluent, my dream once a vague idea has become true.

I have now come back from America and to my friends and acquaintances who ask me how my stay was, I untrillingly repeat: 'Fine, Wonderful, Fantastic, I shall live there! I am not having the feeling of exagenerating and if I am getting so enthusiastic it is not without reason.

It is not the country itself that is the cause— of course I visited a great number of beautiful areas—but my feelings are the result of the contacts with people I met.

The most pleasant experience I made was to find out how extremely friendly American people are and this is not easy to communicate. For Europeans, America means: Capitalism, Business, C.I.A., Watergate, the conquest of space... they ignore all about the people who live there. They are astonished to hear how enjoyable and unforgettable my association with the Americans has been and how happy I was to share their way of life.

In order to be grateful to you, dear Runt and to the American people who have been so kind to me, it belongs to me, to be a messenger and to inform my friends and neighbors of all what I know, all what I love about my American experience. I shall try my best.

I thank you for all you have done for me and I shall be very glad to see you again. Write a few lines soon.

Yours sincerely,
s/ Jean-Marie

TODAY'S THOUGHT

Ben Franklin said, "A good newspaper and Bible in every house, a good schoolhouse in every district, and a church in every neighborhood, all appreciated as they deserve, are the chief support of virtue, morality, civil liberty and religion."

Newspapers are published everywhere. Every individual person must determine his or her extent of appreciation. Nearly every home has a Bible. Too few are read; hence unappreciated by the many who own a Bible as a mere possession. Schools are in every district. They and their purposes simply can not be appreciated when small but determined militant minorities successfully shackle the ideas and ideals of the majority of students and teachers. Churches are seen in every neighborhood. They can not be appreciated when people absent themselves from devotional participation and refuse to change patterns of daily conduct.

Isn't it obvious that if virtue, morality, civil liberty and religion are to be supported, a lot more people will have to change their thinking, attitudes, and actions?...

OBITUARIES

OTHA F. DENT

Funeral services for Otha F. Dent, 70, former Lamb County Clerk and Lamb County Judge, who died at 8:45 a.m. Friday in the intensive care unit of Seton Hospital in Austin, are scheduled for 3 p.m. today, Sunday, in Cameron Road Church of Christ in Austin.

Officiating will be Ruel Lemmons, minister of the Westover Hill Church of Christ, and Leslie McGallard of Houston, former minister of the Cameron Road Church of Christ.

Burial will be in State Cemetery for state officials, with Cook-Walden Funeral Home of Austin in charge of arrangements.

Dent was born Feb. 2, 1906 in Robert Lee, and had lived in Lamb County during most of his married life. He was a former county clerk and county judge. He went to Austin in 1953 when he went to work for the Texas Water Commission.

Surviving are his wife, Hettye; four daughters, Mrs. Ruie Williamson of Hemphill, Mrs. Lowell McGill of Olton, Mrs. Don Davis of Austin and Mrs. Howard Worley of Cisco; a son, Don Dent of Amarillo; two sisters, Mrs. Roy Boone of Salem, Ore. and Mrs. Foster Wells of Stockton, Calif.; two brothers, L. H. Dent of Earth and Braxton Dent of Salem, Ore., 15 grandchildren and eight great-grandchildren.

WILLIAM ROBERTS

Services for William Ross Roberts, 56, of Olton were conducted Wednesday afternoon in Lee Street Baptist Church with Rev. Bobby Gordon, pastor, officiating.

Burial was in Hart Cemetery under the direction of Dennis Funeral Home of Dimmitt.

Roberts died at 5:40 p.m. Monday, Sept. 27, in the Veterans Administration Hospital in Amarillo.

Roberts was employed as a construction worker for Joe Hall Construction Company in Olton.

Survivors include his wife, Izola; two sons, Jackie of Dimmitt and Ross Jr. of Spearman; two daughters, Mrs. Barbara McCoy of Pampa and Mrs. Debbie Gee of Perryton; his mother, Letha Robert of Dallas; a sister, Mrs. Frank Wallace of Dallas; and a brother, H. R. of Amarillo.

JOHN PAUL TEAL

Services for John Paul Teal, 62, of Deming, N.M., were conducted Friday afternoon in Missionary Baptist Church with Rev. Jerry Haley of Edmonson officiating.

Burial was in Littlefield Memorial Park under the direction of Hammons Funeral Home.

LENA GIBSON SHOTWELL

Funeral services for Mrs. Lena Gibson Shotwell, 59, who died from a heart attack at her home Friday morning, Oct. 1, at about 1:30 a.m., were conducted Saturday afternoon in the First Methodist Church.

Officiating were Rev. Wesley Daniel, pastor of the First United Methodist Church, Rev. Rodney Howell, and Dr. Sam Nader of Lubbock.

Entombment was at Resthaven in Lubbock with Hammons Funeral Home in charge of arrangements.

Mrs. Shotwell was born in Jacksonville, the daughter of Judge and Mrs. G. W. Gibson. She graduated from the University of Texas at Austin where she was a member of Phi Beta Phi.

She came to Littlefield as a bride on Sept. 1, 1937, and was a member of the First United Methodist Church. She was active in civic affairs.

She is survived by her husband, Dr. I. T. Shotwell Jr.; a son, Tom Shotwell III, who is in the U.S. Navy stationed at Norfolk, Va.; a daughter, Mrs. Bruce Robinson of Boulder, Colo.; and a brother, George W. Gibson Jr. of Shreveport, La.

Palbearers were J. D. Hagler,

those particular players of his own yesteryear.

A football player likes game films, trips away from home, practice sessions without pads, hot showers, long runs, whirlpool baths, recovered fumbles, points after touchdowns, and the quiet satisfaction which comes from being part of a perfectly executed play. He is not much for windy sprints, sitting on the bench, rainy days, aftergame compliments, ankle wraps, scouting reports, or calisthenics.

No one else looks forward so much to September or so little to December. Nobody gets so much pleasure out of knocking down, hauling out, or just plain bringing down the enemy. Nobody else can cram into one mind assignments for an end run, an off-tackle slant, a jump pass, a quarterback sneak, a dive play, punt protection, kick-off returns, a buck lateral, goal line stands, or a spinner cycle designed to result in a touchdown every time it is tried.

A football player is a wonderful

creature—you can criticize him, but you can't discourage him. You can defeat his team, but you can't make him quit. You can get out of a game, but you can't get him out of football. Might as well admit it—be you alumnus, or fan—he is your personal representative on the field, a symbol of fair and hard play, may not be an All-American, he is an example of the American way. He is judged, not for his religion, not for his social standing, or not for his finances, but by the democracy yardstick of how well he blocks, tackles, and sacrifices individual glory for the over-all success of teams.

He is a hard-working, untiring, determined kid doing the very best he can for his school or college. And when you come out of the stadium, grouching and feeling upset that your team has lost, can make you mighty ashamed with just two sincerely spoken words— "We tried."

for a Hallsell Foundation grant for the purchase of a new ambulance, and several possibilities and alternatives were discussed.

The question of whether or not to continue membership in SPAG was raised after a six-month trial period. A motion to discontinue membership died from lack of a second and no action was taken.

The tax assessor-collector's delinquent and insolvent tax records and errors in assessments for 1975 were examined and court members signed affidavits.

Some discussion centered on whether or not Lamb County wants a child welfare board. The court's feeling was that a board would increase the county commitments for providing welfare services.

Six motions were made concerning combining various county accounts to reduce the number of separate accounts at the bank and simplify bookkeeping.

Commissioners voted to discontinue the collection of two and one-half percent of money coming into the officers' salary fund.

Projects for using Revenue Shar-

ing funds through the first of the year were discussed, and the funds were earmarked for property accounts.

Railroad warning lights at the newly paved cross near the dam plant were discussed after an engineer approached Commissioner Jack Peel concerning the need for off-system signal lights.

In the second Monday session, Roger Jones was appointed to the board of directors of the Lamb County Hospital Authority to fill the vacancy created by the resignation of J. L. Marcum.

The court resolved that the J. E. Ware tract of land on Highway 14 and Sunset Ave. should be turned back over to Lamb County since the land is no longer needed for use as a road.

Routine county wide bills and monthly reports from the agricultural extension office, county treasurer's office, county clerk's office, district clerk's office, justice of peace offices, and veterans report were approved.

Bassett-Sides wedding planned

Mr. and Mrs. Orville Bassett of Littlefield announce the engagement and approaching marriage of their daughter, Denise Lyn Bassett, to Raymond Ross Sides of Limon, Colo. He is the son of Mr. and Mrs. Al R. Sides of Limon.

They plan a Nov. 20 wedding at 7:30 p.m. in the Crescent Park Church of Christ. The bride-elect is a 1975 graduate of Littlefield High School, and is employed by Shook Tire Co. Sides is a 1975 graduate of Limon High School and is employed by Troy Lance Custom Combining.

Bussanmas-Roberts vows read in home

Double-ring wedding vows were pledged between Lynn Ann Bussanmas of Littlefield and James Darrell Roberts of Amherst Monday evening, Sept. 13, in the home of the bride's parents in Littlefield.

The bride's parents are Mr. and Mrs. Harley J. Bussanmas.

Parents of the groom are Mr. and Mrs. C. R. Roberts of Amherst.

Rev. Glenn Willson, pastor of the First Baptist Church at Amherst, officiated for the reading of the double-ring vows as the couple stood beneath an archway which was centered in the background with a candelabra.

As Harley Bussanmas

presented his daughter for marriage, she wore a floor-length ivory gown of Indian gauze, designed with a full skirt, Empire waistline and square neckline. Her fingertip veil of illusion was attached to a lace capulet.

Mrs. Dana Ogletree of Lubbock was her matron of honor and Doug Eady of Amherst served as best man.

Traditional musical selections were played by Rita Anne McKinney.

A small family reception was served in the bride's home following the wedding. A three-tiered wedding cake, decorated with rosebuds cascading down the side, was served with slush fruit punch from a table laid with a linen cutwork cloth. Serving were Mrs. Larry Dempsey and Mrs. Mike Cosson.

Following their wedding trip to New Mexico, they are residing at Amherst where the groom is engaged in farming.

Simington-Kemp wedding solemnized here Sept. 11

Double-ring wedding vows were recited between Brenda Annette Simington and Jerry Lynn Kemp Saturday evening, Sept. 11, in Greater First Baptist Church in Littlefield.

Parents of the couple are Mr. and Mrs. Leonard Simington Jr. and Mrs. Bernell Kemp Sr.

As Leonard Simington presented his daughter for marriage, she wore a formal-length gown of white organza designed with a high Victorian neckline, long tapered sleeves with pleated rucking. Heavy Venice lace motif accented empire bodice is scattered with seed pearls extending to the A-line skirt, which flows into a chapel-length train, with deep ruffle of permanent pleated rucking framing the hemline of the skirt and train. The skirt is applied with roses.

Her veil was a Juliet cap of matching lace holding lace-edged chapel-length tier of illusion with a shoulder-length lace edged

tier of illusion and blush veil.

Her bouquet was fashioned from chiffon flowers shaped into large bouquet, then encircled with white net and tied with blue streamers.

"Something old" were her shoes; "something new", her gown; "something borrowed", her bouquet; and "something blue", her garter.

Officiating for the reading of the vows was Rev. Wilson Baldwin, pastor of the church.

Laquetta Lynn Simington, sister of the bride, was maid of honor. Mrs. Danny Johnson of Lubbock was matron of honor. Bridesmaids were Mrs. Vernell Kemp Jr. of Lubbock, Miss Diane Kemp of Littlefield, Miss Linda Williams of Littlefield and Mis Patricia Fance of Houston.

They wore floor-length blue double-knit princess gowns trimmed with blue and white lace, featuring short raganle sleeves. They carried blue long-stemmed

carnations with blue satin ribbon streamers, and wore wide-brimmed blue hats trimmed in white lace, flowing into streamers hanging down the back. The maid and matron of honor wore white hats with white lace and carried white carnations, long-stemmed and tied with blue satin ribbon streamers.

Flower girls were Thasa Monique Lewis of Houston and Charva Andranette Mitchell of Oklahoma City.

Elisha Thomas of Anton and Raymond Rosemond of Littlefield were best men. Groomsmen were Vernell Kemp Jr. of Lubbock, Narva Ladell Simington, James Earl Kemp and Melvin Johnson, all of Littlefield.

Rings were carried by the maid of honor and best man.

Lighting the candles were Teresa Arlene Kemp and Flecia Diane Hodge, both of Littlefield.

The aisle side of the pews were closed off with blue crepe paper chain and artificial flowers. The altar was flanked with two candelabras with 15 candles each, large bows of blue satin ribbons and artificial greenery. The arch was draped with the same type of greenery, and blue artificial carnations made from facial tissue were tied with large white satin bows.

"We have just begun" was sung, and the wedding march procession and recession were played by Dedria Uvonne Hodge.

For her daughter's wedding, Mrs. Simington wore a floor-length gown of blue Jersey knit with chiffon sleeves and chiffon stole attached to the front of the dress in a V-shape draped over shoulders and flowing down the back.

Mrs. Kemp wore a blue floor-length gown of crepe

MRS. JERRY LYNN KEMP

with ruffles at the V-shaped neckline and at the bottom of the sleeves.

Following the wedding, a reception was served in the Fellowship Hall of the Greater First Baptist Church. Hostesses were Mrs. Tommy Johnson, Mrs. Joel Henderson Jr., Bobby Willard, Mrs. Vestella Williams, Mrs. Leo McCarty, Mrs. Joseph Johnson and Mrs. Holbert Coston.

The bride's table was covered with an off-white Venice lace cloth with blue panel underneath, and was centered with a punchbowl, flanked by crystal candelabra containing blue candles.

A four-tiered, seven-layer white bridal cake trimmed with a cluster of blue roses and green leaves, was served with punch. The cake was made by Mrs. Robert Nielsen of Littlefield.

The groom's table was covered with a white linen cloth, centered with a white vase holding blue and white

flowers arranged by his mother, Mrs. Betty Kemp. A heart-shaped chocolate cake designed with the bride and groom's names was served with coffee.

For their wedding trip to their new home in Lubbock, the bride wore a blue two-piece pants suit.

The bride attended Kilgore Junior College in Kilgore, and South Plains College in Levelland.

The groom attended Tyler Junior College at Tyler.

Special guests for the wedding were: Mr. and Mrs. Quentin Hodge Sr., grandparents of the bride; Mrs. Willie Mae Coleman and Mrs. Manish Rosemond, both grandmothers of the groom, from Littlefield and Amherst, respectively.

Out-of-town guests included Mr. and Mrs. Quentin Hodge Jr. of Aniston, Ala.; Mr. and Mrs. Elter T. Lewis of Houston; Ladell Hodge of Dallas; Mr. and Mrs. Robert Starling of Granger; Carolyn McClinton of Houston; and Angelia Walker of Houston.

Mrs. Ricky Miller honored

AMHERST - Mrs. Ricky Miller was honored for a "pink and blue" shower Tuesday afternoon, given in Mrs. George Harmon's home.

The refreshment table

had a white dotted swiss runner edged in lace.

The center decoration featured a stork overlooking a cradle of eyel embroidery. It was filled with

miniature flower shades.

Mary Brown lime zherbert pastries and an assortment of home made cookies.

Hostesses were Weaver, LaJone, Doris Stone, Gayle Cowan, Lesnie Mary Brownlow, Harmon, Darlene Margaret Harmon, Payne, Pearl Blanche Burton, Lee Roy Robertson, Priddy, Bill Brown, rene Holland, Truenter, Verneil Brown, Velma Harmon. They were a peignoir and wooden high chair.

Miss Magness honored with champagne party

Martha Melissa Magness of Lubbock, bride-elect of Anthony Schlottman of Pep, was feted with a champagne toasting party Thursday morning, Sept. 16, in the home of her aunt, Mrs. W. B. Agee, hostess.

Flower arrangements throughout the house were in the honoree's chosen colors of raspberry and green, with the serving table centerpiece tiers of champagne glasses filled with sweetheart rose buds.

Guests were greeted at the door by Miss Magness, her mother, Mrs. Martha Magness, and Mrs. Edward Schlottman, mother of the prospective groom.

Following the toasting party, lunch was served to friends who made up the party. The wedding is to be held Dec. 11 in the First Methodist Church of Lubbock.

Martha Melissa Magness and Anthony Schlottman were also honored at a punch and fondue party Saturday in the home of

Mr. and Mrs. Blair Cherry Jr.

Special guests were Mrs. Martha Magness, mother of the bride-elect, Mr. and Mrs. Edward Schlottman of Pep, parents of the future bridegroom, and Julee Magness, sister of the bride-elect.

First Christian Church members attend meeting

Members of the First Christian Church who attended the Christian Women's Fellowship meeting at Cedar Glenn during the weekend of Sept. 19-20, were Mmes. Lena Lewis, Ruby Reid, Joyce Smith and Opal Robertson.

Special speaker was Mrs. Kathleen Bailey Austin of Indianapolis, Ind., from Christian World service. Those from the church who attended the Good News Workshop at the First Christian Church in Amarillo Saturday, Sept. 25,

were Mr. and Mrs. E. Lewis, and Mr. Lee Roy Robertson.

Outstanding speakers included Floyd L. Diehm of City, Okla., Dr. Boughman of the Christian Church of dletown, Ky., and Robert Hemphill Mrs. Marlyne Hill the Church Finance cil.

the automatic savings account.

It works even if you don't want to save every month.

So you're worried about those months when you'd rather not make your regular automatic savings deposit. There's no need to be. If you'd prefer to skip a deposit now and then, all you have to do is call First Federal a day or two before your chosen deposit date and tell us not to make the transfer that month. That's all there is to it. And there's never a withdrawal penalty. Because Check-Mate interest is paid from date of deposit to date of withdrawal.

After all, it's still Your money. All we want to do is help it grow.

GIVE US 10 MINUTES AND WE'LL SHOW YOU WHY **ELECTROGATOR** WATER DISTRIBUTION IS SUPERIOR

Electrogator utilizes a wide sprinkler water pattern to help prevent runoff, caused when too much water is applied to an area in a short time. Illustrated is the Electrogator wide pattern and competitive narrow pattern. If 1" of water is applied through both types of systems illustrated, with the same gallonage and traveling at the same speed, the Electrogator pattern will cover a much greater area, thus more time for that amount of water to be absorbed.

ALPHA LAMBDA ZETA'S scrapbook placed third in the Northwest Area Convention competition last weekend, Sept. 25-26 in Dumas. The book was judged with 24 other chapters. Charla Rountree, left, and Darlene Maxfield, right, made the scrapbook, and Brenda Denton, center, will get to keep it. She is immediate past president. [Staff Photo]

Texas Tau Chi Chapter served Spanish buffet

The Flame Room was the setting for a Spanish Food buffet served to guests and members of Texas Tau Chi Chapter, Monday, Sept. 27. After the dinner, Pat Stubbs, president, called the meeting to order. The roll was called, and minutes of the last meeting were read and approved.

The chapter received a Three-Star rating certificate from the Beta Sigma Phi International office.

Cards from Alpha Lambda Zeta Chapter and Xi Nu Nu Chapter were read, and a thank you note from Gerry Thomas was read.

Officers and chairman of Standing Committees gave their reports as plans for the year are finalized.

Plans for the Halloween Carnival sponsored by Alpha Lambda Zeta were discussed. The evening promises to be fun-filled and spooky.

With Thanksgiving a few weeks away, general plans were discussed for the annual dinner.

This week being Homecoming for Littlefield, arrangements were made to enter a car in the parade Thursday.

Being flu season again, it was voted to assist the nurses in giving the Swine Flu vaccine in Littlefield.

Freddie Duke will represent Texas Tau Chi as Valentine Sweetheart for the year.

The program of the evening was presented by Freddie Duke and Bobbie Wagley. Natural Science was the topic of the evening as the relationship of humans and plants was discussed.

Our guest, Beverly Trimmer, won the drawing for the door prize, a potted

plant and basket.

The meeting was adjourned as guest and members, Kris Bean, Freddie Duke, Janice Graves, Cynthia Roberts, Barbara Starnes, Bonnie Stephens, Pat Stubbs, Gerry Thomas, and Bobbie Wagley, stood for the closing ritual and Mizpah.

Armstrong Circle conducts social

AMHERST— The Annie Armstrong Circle of the Baptist WMU met with Mrs. Vera Reynolds, hostess, Monday night for the last meeting of the church year and gift exchange.

Prayer sisters were revealed and names for the new year were drawn. The gifts were in paper bags as each was announced for a special award by her prayer sister, thus revealing her identity.

The awards were for the teacher of the year, traveler, driver, reader, mover, secretary.

A special award was for Savannah Brantley, who presented the program for fun time. She closed in a more serious, reading a prayer poem, entitled

"This I Know" by Eliza M. Peacock. She read from First Corinthians 9-24-25. This is what Paul said about winning awards. He compared athletic awards to a spiritual crown. Lori Carter presided in business. Officers for the coming year are the same with the exception of Dorothy Abbott, who replaced Mrs. Carter who had held the office several years.

Refreshments of homemade orange sherbet, pound cake and coffee were served to Juanita Bradley, Savannah Brantley, Bertha Black, Glenn Willson, Dorothy Crawford, Elton Faust, Marie Payne, Helen Mixon, Don Carter, Bill Phillips and Reynolds.

Sorority members hold first 'mixer'

Members of the Alpha Lambda Zeta chapter of Beta Sigma Phi and their guests, Debbie Page and Vana Tidwell, met Monday evening, Sept. 27, at the home of Ruan Richardson for the beginning of a "Getting to Know You" party.

A "Follow the Rainbow Road" race transported those in attendance to the home of Sharon Adams where appropriate prizes were awarded to both the winning and the losing teams.

A fill-in-the-blank story entitled "I Was a Lonely Teenager" and an amateur artist drawing contest added additional merriment to the evening before

refreshments of sandwiches, chips, dips, relishes, cake and Cokes were served.

AVOID EXPOSURE

One of the reasons hearing loss problems have become so widespread in recent years is because so few Americans actively seek to safeguard their hearing ability. Avoid prolonged or continuous exposure to harmful noise and protect your hearing.

Wildcats defeat Whirlwinds

RALPH "THE TOE" MENDEZ boots his first field goal of the night in first quarter action Friday night against Floydada. The 22-yard effort gave the 'Cats a 3-0 lead. Mendez also kicked a 24-yard field goal plus the extra point that gave the Wildcats their 20-19 Homecoming victory over Floydada. [Leader-News Photo]

turnovers into a touchdown and took a 19-13 lead. On what proved to be the decisive point, Blake Wood roared up the middle to block the extra point kick attempt.

A team with less character might have curled up and quit at that point, but the courageous 'Cats battled back once again. On the ensuing kick-off Jay Lee caught the kick at the 10 and zoomed straight up the middle of the field. About the 'Cat 40 he found a big opening and sprinted to daylight. 'Winds speedster Randy Ratheal finally over-took Lee and dropped him at Floydada 28.

Four plays later Rudy Ayala scored from the four and Littlefield had once again tied the score. Mendez' talented toe was true to the mark and the 'Cats had bagged their first victory 20-19.

FIRST QUARTER

On Littlefield's first possession of the night, the Wildcats moved from their 39 to the Floydada 5 in eight plays. The big play was 28 yard pass from Ayala to Rudolph Smith.

When the drive stalled, Mendez' 22-yard field goal gave the Wildcats a 3-0 advantage.

Floydada took the kick-off and drove in for the go-ahead touchdown. Jay Womack scored from two yards out and Mckey Minnett kicked the PAT and the Whirlwinds held a 7-3 lead.

Littlefield took the kick-off and began to drive.

SECOND QUARTER

On the first play of the second quarter, Ayala made a beautiful fake to Smith on the draw before pinpointing a 35-yard pass to Mendez. The play carried to the Whirlwinds 5. On third down Wood scored from a yard out and following Mendez' EP Littlefield was ahead 10-7.

The Wildcats forced the 'Winds to punt and then started coughing the ball up. Floydada recovered a fumble at the Littlefield 17. On fourth down Minnett drilled through a 42 field goal and the

game tied at 10-10.

Littlefield took the ball and began to march only to fumble the pigskin away. Floydada gained 21, 25 and 15 yards on consecutive plays and on the final play of the first half Minnett booted a 26-yard field goal to put Floydada back out in front 13-10.

THIRD QUARTER

Littlefield took the second half kick-off and promptly fumbled the ball away. Floydada took over at the 'Cats 26. On the first play the 'Winds were spotted holding and penalized back to the 38. Three plays netted 21 yards and brought up fourth down and one on the 'Cats 17. Minnett got the call and was met by the whole defensive line and the Wildcats held.

Littlefield moved the length of the field. The big play of the drive was a 44-yard pass from Ayala to Mendez. Mendez kicked a 24-yard field goal and tied the game once again. This time at 13-13.

FOURTH QUARTER

Floydada punted and then intercepted a Littlefield pass and promptly scored on a seven yard pass from Womack to Morris Kele. Minnett's kick for the extra point was blocked and the score read in Floydada's favor 19-13.

The Wildcats then charged back into the lead. Lee returned the kick-off 62 yards to the 'Winds 28. Mendez gained 10 yards by rolling out around right end.

Jeff Ratliff was given a giant hole by the Wildcat line and the junior tailback rolled for 15 yards to the three. Two plays later Ayala scored on the option and the score was tied 19-19.

Mendez' all important extra point was again perfect and the Wildcats led 20-19.

Neither team threatened the rest of the contest.

Defensive standouts for the Wildcats included Jett West, Terry Foley, Vernon Johnson, David Jones, Ronnie Milligan, Jack Speck, Blake Wood, Jeff Birkelbach and Tony Cowan.

Blues-yodeling Cowboys stung by Hornets, 41-0

By EMIL MACHA

Sudan had the Happy Cowboys yodeling the blues after the Hornets blanked the Cowboys, 41-0, in football action Friday at Sudan.

It seemed more like a one-sided game on a pinball machine with scoreboard lighting up six times for the Hornets and most of the action tilted on the Happy end of the field.

In the first quarter Sudan took the opening kick-off and had to punt after they were only able to gain eight yards on their first series of downs.

Happy took the ball on their 22, gained only four yards in three plays after being stopped by the Hornet defense led by Ricky Stanford. On the fourth down, Happy punted to the Sudan 30. John Miles plowed for four yards, Kyle Martin picked up about five more, then the Hornets fumbled and Happy recovered.

Again the Cowboys failed to get the necessary yardage for the first down after their drive was shut down by Lonnie Williams on the first down. Dennis Flowers and James Graves teamed up to stop Sammy Moore, a Cowboy back, on the second down. Brad Pierce came in for a tackle on the third down play to force the punt.

Sudan took the ball on their 35. Joel Williams went eight yards for Sudan on the first down. On the second down Quarterback Craig Pickett rocketed to Kevin Pickett who went over for the Hornets after a 50-yard pass play with 5:02 left in the first quarter.

The kick after the touchdown went to the right.

Sudan led 6-0. The Cowboys had to give up the ball after again failing to make enough yardage for the first. This time they punted to the Hornet 40.

Sudan earned three first downs and had the ball on the 18 when the first quar-

ter ended.

After a first down made in the opening play of the second stanza by Miles, drove the ball to the eight. Martin took the ball to the five and then charged through from that point for another Hornet TD with 10:29 left in the half. Martin's two point attempt was stopped short.

Happy took the kick off on their 22 then punted on the fourth down from the 46. A pass interference call and a recovered fumble then set the Cowboys back to their four-yard line. On second down after a loss of two, Happy decided to boot out of the hole and the kick netted only ten yards.

Sudan took the ball on their ten and Martin plowed over to make the score 18-0 in favor of the Hornets. Martin again took the hand-off from Pickett and charged over for the two point conversion. The score stood, 20-0 in Sudan's favor.

Happy played with the ball for three downs, gained four yards then booted to their 31. Sudan with the running of Martin, Jerry Williams, Joel Williams drove to the 15 for a first and ten. It was Joel Williams driving to the nine, Martin to the seven and Jerry Williams ran over to the two to get the first and then jumping through the middle for another Hornet score with 3:29 left in the half.

Martin made the score 28-0 on his two point carry. At intermission Sudan led Happy, 28-0.

Coach Jackie Stewart played all the players that were suited out in the second half.

The Cowboys took the kick-off, drove for two first downs, each time the all carried was met by the Hornet defense led by Miles, Stanford, Roy Don Dudgeon, Flowers or Steve Richards.

After a punt to the 46, Sudan drove to the 13 with

Miles carrying, Pickett sneaked to the ten and Miles jumped over the stripe to make the score board read 34-0 with 6:29 left in the third period.

Jerry Williams booted the extra.

In the fourth quarter action, Miles returned a Cowboy punt 60 yards for another Sudan score with 6:35 left in the game. The scoreboard read, 41-0.

The try for the extras was no good.

Sudan dominated the remainder of the game after gaining possession when Happy had to punt from their 34.

Sudan, now 4-1 in season play travels to Motley County Friday.

Officials to conduct business

The West Texas Chapter of Southwest Basketball Officials Association of Littlefield will hold its first meeting of the year Wednesday night, Oct. 6, in the XIT Room of Security State Bank in Littlefield, at 7:30.

The Association is to meet every two weeks thereafter through the Christmas holidays.

"All interested persons and area coaches are cordially invited to any or all of the meetings," stated Ronnie Vaughn.

For further information, contact Ronnie Vaughn, secretary-treasurer; Joe Bellar of Sudan, vice president; or Arlen Simpson, president. Dues are \$7.50.

"COME HERE" SAYS WILDCAT Ralph Mendez as he pulls Floydada's Mickey Minnett to the ground on top of him. Coming in to assist are Jett West and Jack Speck. Minnett ripped the Wildcat defense for 54 yards on four carries in the first half. Littlefield toughened and allowed the all-purpose 'Wind back only 13 yards on six carries in the second half. Eagles bomb Christians

The Galloping Ghost rides again.

Albert Rand would have made Red Grange take notice as he completely ran wild to lead Three-Way to a 48-0 win over West Texas Christian Friday night.

Rand touched the ball only seven times all night and scored five touchdowns. The red-haired youngster accounted for 279 yards for the night.

The game was called with 6:43 to go in the third quarter due to the six-man football 45 point rule.

Rand tallied three times in the first quarter. He scored in a 33-yard run, a 60-yard punt return and a 66-yard run. Donnie Young kicked the extra point following the first TD.

The Eagles tacked on a safety in the first period for good measure.

In the second quarter, Rand scored on a 39-yard run. Robert Layton scored from 32 yards out on a pass from Donnie Young.

In the third period, Young connected with Louis Key for a 38-yard touchdown. Adam Rodriguez booted the two extra points. Rand scored the final points on a 43-yard run.

Three Way had nine first downs to WTC's five. The Eagles soared to 467 totaled yards while the Christians managed only 28.

The entire Eagle defense shone. On offense standouts were Rand, Young,

Rodriguez and the line.

Three Way travels to Southland next Friday

night. The Eagles have only

one loss to blemish an otherwise perfect record.

Cowboys lasso S-E Wolverines, 41-0

Plains crushed the Springlake-Earth Wolverines during the Cowboys homecoming, 41 to 0.

In the first quarter of play the Plains defensive unit tackled one of the Wolverines behind the goal line for two points.

During the second quarter the Cowboys added 11 more points to their total on a 26-yard field goal by Sharron and an 8-yard TD by Wynn. The Cowboys went for the 2-point conversion and were successful on a pass play.

The third quarter was also controlled by Plains as Wynn carried the ball five yards into the end zone for his second TD. Sharron kicked the extra point.

The Cowboys burst things wide open in the

fourth quarter by scoring 21 points. To start thing off in the fourth quarter Martin Duran scampered for a 29-yard TD run. The extra point conversion for two points was good as John Willis hit Gayle in the end zone for the two points.

Wynn hit playdirt again for his third TD on a 10-yard run. Sharron kicked the extra point to give the Cowboys a 35 to 0 fourth quarter lead.

The last Cowboy tally came on a 13-yard run by Willis. The two point conversion failed.

Defensive Standouts for the Wolverines were Willis and Flores.

Offensive Standout was Mark Barton, who caught passes for 21 and 34 yards.

Anton whips Smyer

Anton, now 4-1 in season play and 2-0 in district "Whipped upon" Smyer, 22-7, Friday night at Smyer.

The Bulldogs behind the rushing attack on Lonnie Timms dominated the whole game as they scored in the first, second and final stanzas of the game.

In the initial quarter, Timms charged through from the five-yard line for Anton's first score of the game. The point after was no good.

The second quarter was catch up time for Smyer and no you don't time for the Bulldogs as each team scored. Anton scored first in the second period with Timms scoring again from the 31. Vane Butler pegged Rex Jones for two points after touchdown to give the Bulldogs a 14-0 lead.

In catch up time, Danny Gholson swept around the end and scampered 63 yards to score for Smyer. Nick Sander kicked the PAT.

At intermission the scoreboard read Anton 14, Smyer 7.

Neither team scored in the third quarter but Anton did ice the win when their scoring ace, Timms charged for two yards for the final tally of the day. Butler passed to Jones for the two point conversion.

Defensive standouts for the Bulldogs were Mike

Amherst Bulldogs held scoreless, 47-0

The heavily favored Amherst Bulldogs were held scoreless as the Sundown Roughnecks rolled up a 47 to 0 win.

Sundown found the goal line with 7:40 left in the first quarter when Jerry McKee ran for a 6-yard touchdown. Robert Smith kicked the extra point and gave Sundown a 7-0 lead.

In the second quarter Sundown really got their offense going as they scored a total of 27 points. To start things off Jerry Arnold raced for 9 yards into the end zone. Robert Smith again came on to kick the extra point which gave Sundown a 14 to 0 lead with 11:57 left in the second quarter.

Sundown's third touchdown was set up with an interception which started a Sundown drive. Don Day scampered for the six points from 8 yards out. Sundown went for the extra point conversion but fell short and had a 20 to 0 lead with 9:01 left in the second quarter.

With 5:35 left in the second quarter Steven Smith went from the 1-yard line for the touchdown. Robert Smith kicked the extra point to give the Roughnecks a 27 to 0 lead. Terry Anthony rambled for 36 yards for another Roughneck touchdown. Robert Smith again kicked the extra point to give them a 34 to 0 halftime lead.

In the third quarter with 4:30 left McKee went in from 8 yards for his second TD of the night. Robert Smith came on again to kick the extra point.

In the final quarter of

action Raymond Garcia closed the scoring on a 6-yard TD run. The try for the extra point was no good.

Grant scampered 20 yards to score and Chavez booted the extras and Bobby Avery ended the third quarter scoring for Whitharral on a three-yard run to score and Chavez again booted the extras.

Southland scored twice in the third quarter. Wayne Buxkemper charged 20 yards for the first six-pointer and then passed to Eckert for the second. Points after both touchdowns failed.

Twenty four points were scored by Whitharral in the final quarter as Polk tossed to Grant for a 35-yard TD. Marcus Salinas passed to Chavez for another 35-yard score and to top the scoring for the host team was a 45-yard run by Polk to ice

Whitharral zips past Southland, 70-31

After a zip-all first quarter, Whitharral exploded in the second stanza with 24 points to win over Southland, 70-31, in six man football at Whitharral, Friday.

It was more like keep away instead of football as the Panthers scored three times in the second quarter, the first TD was a 40-yard pass play from Bobby Avery to Jimmy Avery. Gary Chavez kicked the two pointer.

Mitchell Grant scored next for the Panthers from three yards out, again Chavez kicked the extras for a 16-0 lead.

Jimmy Polk got into the scoring act by passing to Jimmy Avery for a 40-yard pass play to give the Panthers a 24-0 halftime lead.

In the third period, Polk passed to Jimmy Avery from 15 yards out to make the score 30-0. Extras failed.

Grant scampered 20 yards to score and Chavez booted the extras and Bobby Avery ended the third quarter scoring for Whitharral on a three-yard run to score and Chavez again booted the extras.

Southland scored twice in the third quarter. Wayne Buxkemper charged 20 yards for the first six-pointer and then passed to Eckert for the second. Points after both touchdowns failed.

Lamb County

Leader-News

**DOLLAR DAYS BUYS THAT MEAN
EXTRA BUCKS FOR YOU!**

Signs of better living evident

How high is the standard of living in Lamb County? How does it compare with the standard in other communities?

On the basis of an index rating used by the Department of Commerce, it ranks above many areas in that regard.

During the last decade or so, local families have been steadily upgrading their style of living, despite the periods of self-imposed restraint brought about by inflation and depressions.

Except for the last two or three years, when they held themselves in close check, they have been spending a considerable part of their disposable income for major appliances and for luxuries in general.

It went for such items as food freezers, color TV sets, washing machines, new cars and the like.

As a result, the proportion of local families who are now equipped with such amenities of good living has become much greater.

With respect to freezer units, for example, they are now to be found

in some 51 percent of all Lamb County households. In 1960, by way of comparison, only 32 percent had them.

Similarly, there are many more air conditioners in use locally. The proportion of homes so equipped has reached 29 percent, as against 10 percent in 1960.

As for TV sets, over 97 percent of local families have one or more. In 1960 the ratio was 88 percent, the Commerce Department's figures show.

Car ownership has also increased. Approximately 92 percent of families in the area have at least one car, compared with 86 percent previously.

The extent to which people in each part of the country have these four kinds of equipment at their command is taken as an indication of their well-being and their standard of living.

The maximum rating for a community, if every one of its families had all four of them, would be 400. Lamb County has a rating of 269, a marked gain over its 1960 rating of 216.

Elsewhere in the United States, the rating is 240 and, in the Southern States, 258.

As would be expected, the acquisition of expensive durables is directly related to income. When income rises, as it has been doing locally, people tend to spend more in that direction.

...money to the American Cancer Society? Think about these facts. Over the years, cancer strikes two of three families in this country. More than 300,000 Americans die of it every year. Medical science and research are making great strides towards the day of victory over this killer. But your bequest could hasten that day. Ask your local ACS Unit how a legacy will help fight cancer.

Bulldogs chew Meadow in 33-7 Homecoming victory

By RICHARD ROGERS

The Anton Bulldogs came away with not just one, but two gems Friday night.

A homecoming victory for a sellout crowd, and their first district win in as many tries.

For Anton, it was no gimmicks or frills, just good solid football. Occasional outbursts by runningbacks Rex Jones and Lonnie Timms and the passing combination of Zane Butler to Timmy Belcher spelled the doom of the Meadow Broncos, 33-7.

Meadow failed to progress the ball with its next possession, leaving Anton with good field position on the 40. After two plays with no gain, Butler dropped back to pass under good protection and tossed a 60 yard scoring bomb to Belcher putting Anton on top, 14-0. Later in the game, Butler hit Belcher with identical scoring passes from 14 and 27 yards.

The Anton defense allowed Meadow to move the ball between the thirties, but allowed the Broncos one score. Richard Alvarado, and Belcher picked off Meadow aerials to halt possible scoring threats.

Anton's other score came on an 85-yard take punt run by Timms on the last play of the first half.

Anton dominated the game statistically compiling 16 first downs and 374

total yards to 11 first downs and 219 yards for Meadow. The game produced relatively few turnovers, but had an amazing seven face-mask violations.

Offensive standouts for Anton include Timms, who carried for 196 yards on 19 carries and Belcher who nabbed three tosses for 102 yards. Defensively, the play of 118-pound junior Steve Green and Alvarado led the Bulldogs.

Next week, the Bulldogs face another tough district opponent in Smyer.

Amherst bites county rival 41-19 in season opener

By EMIL MACHA

In a head knocking bout, Amherst grilled Springlake-Earth on the Bulldog gridiron, 41-19, Friday night.

In the first 24 seconds of the game, Amherst HB Terry Sterling took the opening kick-off on the Bulldog 20 and returned it to the 47 and the very next down a 53 yard pass play gave the host team a 6-0 lead. The point after failed.

For the next 10 minutes it was ball swap as each team was plagued with fumbles and

Wolverine RB Billy Houston took the kickoff and returned it to the 38 before being stopped by Barry Brown of Amherst. Ben Johnson and Houston each took turns in carrying the ball for the Wolverines to the midfield stripe only to have the gain annulled with penalties. QB Kevin Kelly in a desperate attempt with only a couple of ticks left in the first quarter unloaded to teammate Mark Barton who ran 73 yards to tie the score again as the count went out on the quarter.

Polo Gonzales, From Sterling, Rosemond, Ronnie Bearden and teamed up in ball carrying rooted out behind the ers 66 yards before Amherst a 24-0 charging through the on a one-yard plunge mond plowed over for of points to put the ahead, 26-0.

The Wolverines had right in the start in quarter. Barton took the

Wolverines over Silvertown

Oh, how sweet it is, could be the thoughts of football fans from Springlake-Earth after the Wolverines won over Silvertown, 27-20, for their first win of the 1976 football season at Springlake-Earth, Friday.

The Wolverines (1-3) started the game with winning ways when Mark Barton ran the opening kick-off 90 yards for his first three touchdowns in the first quarter.

George Flores blocked for the extra point.

Silvertown, who seemed to have reverted on their mind, tried to give the fans a repeat performance of Barton's unback except with Silvertown ball carrier David Strange took the Wolverine kick-off after touchdown and ran the ball

back 70 yards stopped on 19 yard later G punched make 7-6 'fav wide. The v wide. With 5 initial p crossed ov yard line f of the gam no good. 13-6.

After a ping, Barton sprinted yards for TD number three for him and the Wolverines, again the PAT failed.

The score stood, 19-6, at the close of the first quarter, neither team scored for the next two quarters.

Eagles back in business; Three Way wins 50-34

Three Way is back in the football business after a couple of years rest and they really mean business as Coach Pat Risinger's Eagles clawed Wellman, 50-34, Friday night in a six-man season opener at Three Way.

The Eagles hit paydirt first as Albert Rand took a 65 yard pass from Donnie Young for a six pointer. Adam Rodriguez kicked the extra two points.

(For the readers information, in six-man football, on points after the touchdown, you kick for two and run for one).

Wellman came back with a 65 yard run by Allen Berryhill to narrow the gap in the score, 8-6. The kick after was blocked.

Three Way retaliated with two TD's from the five yard line and a 25-yard line. Respectively, Rodriguez's toe made the score 22-6 in favor of the Eagles.

Wellman got their second

score of the night on a 19-yard run by Berryhill and Doug Matney's kick after TD brought Wellman within eight points of the host team.

During the second quarter, the Eagles scored twice on five and nine yard plunges by Jerry Waltrip. Rodriguez put icing on each to the TD's with a pair of extra points.

At intermission, Three Way led, 38-14.

Rodriguez opened the third period for Three Way by scoring on a 22 yard pass play from Donnie Young. The point after was blocked as the Eagle widened the scoring gap to 50 points.

Louie Key plunged over from the one yard line to give the Eagles a 50-14 lead over Wellman.

Wellman tried to make a comeback as they went on a scoring rampage with Terry Sansing catching a 75 yard pass from Larry Oliver and Metney booted the two point

conversion for a 50-22 score going into the final stanza of play. Jessie Leora romped 72 yards for another Wellman six pointer and Matney drove over from the five yard line to put Wellman within 16 points of the Eagles.

Albert Rand was the leading rusher for the winners by gaining 160 yards in 18 carries.

Coach Risinger picked CB Bill Hodnett, DE Craig Kirby, DE Ken Eubanks and Rand as outstanding defensive players. He also cited the offensive unit as excellent in blocking.

Three Way has an open date Friday and will travel to Cotton Center on the 17th.

Panthers trip Three Way

By EMIL MACHA

Whitharral continued their winning ways by downing the Three Way Eagles, 50-0, Friday at Three Way in a six man football.

A first half scoring rampage by the Panthers was enough to give the winners the edge for the remainder of the night. Three Way tried every trick in the book to play catch up football.

In six man football the QB is only allowed to hand-off or pass the ball, the only time he can run with it is when the ball is either passed or handed back to him.

It is not uncommon to see a couple of hand-offs and then a pass or a couple of passes in the backfield before a loss downfield. All players must be able to hit like a pro, have stamina like soccer players, pass with the accuracy of a rifle, be able to tackle or be tackled.

The field is 80 yards long and it takes 15 yards to make a first down.

Back to the game, Whitharral took the opening kickoff from their 16 and drove to the mid-field strip

play of signal caller Rudy Ayala. The Wildcat senior hit on 9 of 16 passes for 169 yards and two touchdowns. Smith was on the receiving end of both TD passes. Ayala's performance might have even been better had it not been for the kamikaze Levelland pass rush. Ayala was sacked 7 times by the Lobo rush.

After an exchange of punts, the Wildcats set up shop on the Levelland 44 yard line. Jay Lee gained 16 yards

Hornets sting Bulldogs

By EMIL MACHA

When rivals meet, one team must fall and this year it was Amherst as the Sudan Hornets stung the Bulldogs, 24-14, in football action Friday at Amherst.

During the first half the Hornets employed the running of Joel Williams, Jerry Williams and Kyle Martin to grind out yards but in the second half it was mostly Martin plowing through the middle behind excellent blocking. Actually, in the second half, Martin carried the ball 19 out of the 42 times Sudan yielded the ball from scrimmage. The remainder of the time it was Johnnie, Ricky Stanford, Joe Williams, Jerry Williams, Matt Hanna, Edgar Tamplin with an occasional sneak by quarterback Craig Pickett.

For the Bulldogs, it was David Rosemond, Donald Johnson, Webster Johnson, Johnny Rosemond, Terry Sterling and Ronnie Bearden doing most of the ball carrying chores.

The Hornets first scoring drive was set up when Steve Richards recovered a Bulldog fumble on the 43 yard line and two plays later Pickett passed to Miles for a 33-yard pass

play at a six pointer for Sudan with 4:08 left in the first quarter. The PAT went to the right side of the uprights for no points.

At the end of the quarter, the score stood 6-0 in favor of the Hornets.

Amherst took the ball to Sudan and they fumbled the ball on their third play from scrimmage in the end stanza only to receive it the next play as

Brad Enloe pounced on after Sudan fumbled the 31-yard line. The Bulldogs drove the 22 via ground transportation before Brad hit Johnny Rosemond a bomb to knot the tie with Sudan. Gary McBooted the extra point give the Bulldogs a lead.

Amherst allowed Sudan first down and then

Wildcats lose opener to Lobos, 25-17

By JERRY TIDWELL

"Hello operator, give me long distance."

And long distance gallops by Levelland proved decisive as Littlefield lost a 25-17 thriller in their opener.

Three times Levelland dialed the right long distance number and scored on streaks of 63, 71 and 91 yards. The Wildcats hit the right combination for one long touchdown and drove another TD. Levelland managed a sustained drive in the whole game.

First game mistakes were the

difference in the contest. Littlefield's tackling was sloppy on all three Lobo scoring jaunts, plus the 'Cats lost two fumbles. The game was Levelland's second and the Lobos didn't make big mistakes.

The Lobos had three men to carry the ball last night and all three had their rushing average. Mark Patterson rambled for two touchdowns and gained 175 yards while teammates Ivan Mitchell gained 118 and quarterback Lance Anthony added 66.

Littlefield's brightest spot was the

play of signal caller Rudy Ayala. The Wildcat senior hit on 9 of 16 passes for 169 yards and two touchdowns. Smith was on the receiving end of both TD passes. Ayala's performance might have even been better had it not been for the kamikaze Levelland pass rush. Ayala was sacked 7 times by the Lobo rush.

Late interception gives Olton win

Olton's offense failed to score in its opening contest against Tulia Friday night, but an 80 yard pass interception return for a touchdown and a rugged defense were enough to carry the Mustangs to a narrow 7-6 win over Tulia.

Until deep in the final quarter it looked like the game would end in a scoreless tie, but with only 2:30 remaining Steve Johnson picked off a Tulia pass and returned 80 yards for a touchdown.

Brad Alcorn proved to be the difference as he booted the extra point to put the Mustang out front 7-0.

The Hornets offense swung back and marched in for a touchdown. Larry An-

erson scored from only 46 ticks left in the clock to make the score 7-6. Springlake-Earth won the game on a conversion pass that failed and Olton led the season with a familiar winning ways.

David Johnson was workhorse for the Mustangs. Johnson rolled up 136 yards on 28 carries. Anderson passed Tulia with 85 yards on 11 carries. Mustang Coach Ed Johnson praised his rugged standouts included Brad Lloyd, Martin Brown, Gary and Mark Williams. The Ponies host Amherst Friday night.

erson scored from only 46 ticks left in the clock to make the score 7-6. Springlake-Earth won the game on a conversion pass that failed and Olton led the season with a familiar winning ways.

BULA NEWS

MR. AND MRS. Ewell Battles spent Saturday and Sunday in Canyon, where they attended the Battles reunion in the Community Center in Canyon. The late Mr. and Mrs. J. A. Battles were the parents of eight. One son, Everett, died several years ago. All of the living brothers and sisters

were present. The children are Clara Childers of Dumas; Ethel Lowe of Amarillo; Ruby Holly of Hollis, Okla.; Raburn Battles, Shamrock; Shelby Battles of Lovington, N.M.; Roy Battles of Dimmitt and Ewell Battles of Bula. Several of the grandchildren with their families and

also great-grandchildren were present. Eighty-one relatives registered. The two days were spent in visiting, eating and reminiscing about past days. All had a good time together.

ANOTHER nice rain fell early Monday morning, varying from 1 inch to 2.8 inches. Small hail accom-

panied the fast-moving cloud in part of the community, doing much damage. The wheat farmers are smiling, while the cotton and feed farmer would like to see some hot, dry weather. A few farmers had started harvesting milo. Cotton is opening, which will be hindered by the cold rainy weather.

SCHOOL DISMISSED at 2:30 Monday and most of the children went to the South Plains fair. The rainy weather at the fair grounds during the late afternoon gave them problems.

WE WERE GLAD to hear that Mr. and Mrs. C. A. Williams, were able to return to their home Wednesday. He spent two weeks in the Methodist Hospital and on leaving there they spent a few days with their son and wife, Mr. and Mrs. David Williams of Slaton. Williams continues to suffer from all of his broken ribs, but says he is improving every day.

MR. AND MRS. L. H. Medlin drove early Tuesday morning to Amarillo for a visit with his brother and wife, Mr. and Mrs. Buddy Meldin, who have recently moved into a new home there. They returned back to Friona and Tuesday night attended the "Little Miss Friona" contest. Their granddaughter Shelly Salyer, daughter of Mr. and Mrs. Glen Salyer, was a contestant. This is one of the feature attractions for Friona during their annual observance of Maize Days.

MR. AND MRS. Gordon Walden of Littlefield ate dinner Sunday with his mother, Mrs. Pearl Walden.

MR. AND MRS. Clarence Carter of Lovington, N.M., visited Friday afternoon in the home of the F.L. Simmons. Carters lived at Bula before moving to Lovington.

MR. AND MRS. W. R. Adams visited Saturday afternoon at the Lubbock Methodist Hospital, with A. P. Fred. Fred hopes to be back home last of this week. We hope he will be feeling better.

MR. AND MRS. A. J. Messer from Bailey, Colo. recently visited here with relatives. Mrs. Messer's brother and wife, Mr. and Mrs. Ed Crume, and also her sister and husband, Mr. and Mrs. Hoyt Tiller, and a nephew, Mr. and Mrs. Dewitt Tiller. Also at Plainview with another brother, Mr. and Mrs. Everett Crume.

MR. AND MRS. Joe Price and son, Timmy of Plains and Mr. and Mrs. Kenneth Johnson of Muleshoe, attended services Sunday at the Church of Christ and were dinner guests of the ladies' parents, Mr. and Mrs. Jack Withrow. The occasion being the birthday of their father. Other children to enjoy the day were Jeff, Jarrod and Karla of the home.

MR. AND MRS. Warner DeSautell and boys Chris and Cliff of Slaton spent Sunday with her parents, the J. L. Lathams.

JUDY CHISUM a Tech friend of Janice Cannon, who's home is in El Paso drove out Sunday and spent the day with Janice and her parents, the Jimmy Cannons and also both visited with Janice's grand-

parents, Mr. and Mrs. C. L. Cannon.

CECIL JONES continues to be a patient in the Littlefield hospital. He is feeling much improved.

THE REVIVAL at the Baptist Church closed Sunday with dinner served in the fellowship hall of the church.

MR. AND MRS. Ray Kennison and girls, Kim and Dusty of Olton, visited Sunday night with her parents, the Tom Bogards.

MISS KATHERINE Pierce of Lubbock, spent Saturday with her mother, Mrs. Ben Pierce and son, Jack.

MR. AND MRS. Lowell Walden of Earth, spent Saturday night with his mother, Mrs. Pearl Walden. Sunday they spent the day with the C. A. Williams. The women are sisters.

MRS. ROWENA Richardson, continues to show improvement, but it still confined to the Littlefield Hospital.

MRS. LUAL HARLAN, is a patient in the South Plains Hospital, Amherst. She is feeling much better, but the doctors feel she is not able to return to her residence at Knight's Rest home, Littlefield.

LARRY JONES of Comanche, Okla. spent the weekend with friends, the Ben Davilas.

MRS. RODNEY Marshall and small daughter, Melanie Ann of Whitharral, spent the weekend with her parents, Mr. and Mrs. Nolan Harlan and John David. Her husband drove to Jal, N.M. where he preached for them at both services Sunday at the Church of Christ in Jal. Also to be with them Sunday was Tim Marshall, student at L.C.C.

MR. AND MRS. John Blackman drove to Portales, N.M., Saturday and spent the day with their kids, the Cashes.

feed supplements

dangerous if mishandled

During the winter, the protein supplement balanced cattle is generally the cause of the cost of protein nitrogen such as cotton seed meal, urea nitrate, urea nitrate substituted for one-third of the protein in a ration. Symptoms arise in the aged feeding of supplements, which are avoided by following guidelines: Do not feed urea to cattle; Do not feed low quality urea; Control consumption of urea in animals who do not suddenly add levels of urea to a ration; Limit urea to one per cent of the total dry ration; Do not feed urea to pregnant animals; and Be certain that the urea is of natural protein. Carbohydrates in the ration are in the ration for the benefit from the urea. The least danger of urea poisoning is, almost without exception, caused by improper mixing of feeds and feed supplement. Symptoms associated with urea poisoning are rapid, usually within 30 to 60 minutes of ingestion of toxic feed. Death is usually in less than three hours. Signs that may be observed are: uneasiness, salivation, muscular twitching, difficult breathing, bloating, incoordination, dangerous belligerency, and paralytic spasms. In the final stages, the animal falls on its side with its legs stiffly extended. Stimulation by touch or sound may exaggerate the paralysis. Grinding of the teeth is almost always noted. When cattle deaths occur and urea poisoning is suspected, call your veterinarian to autopsy the animals as soon as possible, remove animals from suspected feed and save at least one pound of the suspected feed for laboratory analysis. The use of urea can be a very economical and valuable cattle feeding additive, but only when the proper feeding guidelines and precautions are followed.

The Promises of God

By CARL F. KASTEN

How all of us need the Peace of God. This Peace is a deep and serene calmness that cannot be disturbed by anything that may happen. The secret of the Peace of God is the surrendered life, which is the recognition that God has purchased us with the precious blood of Christ and that now we belong to Him. Therefore, our lives and anything that may touch our lives are His business. As we then leave all things in His hands, face our problems, and depend upon Him to see us through them, the Peace of God flows over us. —The Promises of God.

home economics-business

career seminar scheduled

Panel members will include a home service advisor of a local utility company, a district extension agent, a program director of Big Brother/Big Sisters, an interior designer and a buyer-coordinator of a local clothing store. A relatively new area of endeavor for home economists will be represented by a special services consultant from a major banking institution. There are other business fields currently using the services of home economists in innovative ways. Building contractors, realtors and insurance agencies are employing them to advise prospective customers. For example, home economists training in housing management and finance can help families invest their resources to secure goods and services tailored to their individual needs. Likewise, home economists are employed in advertising, media and public information services to advise consumer groups. Lubbock and the surrounding counties are the target population for this seminar. Professionals in business, agriculture and home economics are invited to participate.

Cotton battling synthetics

Cotton urgently needs increased research and promotion funds to maintain and strengthen its current momentum in the battle for markets against synthetic fibers.

This point was stressed in Dallas Tuesday at a U.S. Department of Agriculture hearing to determine grower sentiment on proposed amendments to the Cotton Research and Promotion Order.

Under the proposed amendments, grower assessment for research and promotion would be increased by four-tenths of one per cent of the gross sales price of each bale of cotton, beginning with the 1977 crop. Current assessment under the program is \$1 per bale.

Hearings also are set in Phoenix, and previously were held in Memphis and Atlanta. If the USDA determines that grower sentiment favors the proposed order, it will call for a referendum in which producers will vote on the increased assessment.

Most of the session was occupied with testimony of Cotton Incorporated (CI), Cotton Board (CB), National Cotton Council (NCC), and cotton grower organizations.

CI officials testifying in support of the amendments included E. Hervey Evans, Laurinburg, N.C., board chairman; Dr. C. R. Sayre, Greenwood, Miss., vice chairman; L. C. Unfred, New Home, secretary; and Joe A. Sheely, Tolleson, Ariz., treasurer. They also are cotton growers.

All four producers emphasized progress that has been achieved under the current \$1-per-bale assessment.

Cited as a prime example was research leading to a more efficient system of seed cotton processing and handling. It was reported that the system saved producers \$7 million in 1974 and that the saving could

exceed \$10 million during the 1976 harvest season.

Grower-financed work to increase the percentage of cotton—and thus its market share—in broadcloth, oxford, and other lightweight fabrics also is paying off.

As a result of the CI effort, the growers testified, six mills and converters are producing "Natural Blend" shirt-making fabrics. Twelve prominent shirt brands are using the fabric which must contain at least 60 per cent cotton.

The growers pointed out, however, that cotton faces tremendous odds in research and promotion.

They estimated that in 1975 producers of synthetic fibers spent \$230 million in fiber research compared to CI's \$5.4 million. The odds in fiber advertising ran \$60 million versus \$3.4 million for cotton.

It also was emphasized that inflation has hurt cotton's research and promotion effort. The \$1 per bale approved by growers in the 1966 referendum will buy only 60 cents worth of research and promotion today. In addition, supplemental government funds now have been eliminated.

There is a great need, the CI grower officials stressed, for increased funding to help close the gap in research and promotion expenditures and to take advantage of needs and opportunities for cotton.

Development of short season cotton systems and finding solutions to the cotton dust and flammability problems were among examples cited in the research area.

Opportunities to increase cotton's export markets and stepped up advertising and merchandising needs also were cited.

W. D. Lawson, III, Gastonia, N.C., merchant, testified in his capacity as NCC president.

He explained that delegates at NCC's last annual meeting unanimously approved a resolution calling for initiation of legislation to enable growers to develop more adequate research and promotion funds and pledging its full education and legislative support.

He said the NCC "strongly supports producer efforts to be competitive in research and promotion and gives its full and unqualified endorsement to the proposed amendments."

Lawson's testimony was supported by Herman Propst of Anson, grower and vice chairman of the Producer Steering Committee.

Propst explained that this committee represents the largest segment of the NCC. It is made up of producers from each of the major cotton states, and each man is elected by his fellow producers in the state.

Testifying as treasurer of the Cotton Board, Billy W. Golden, Seymour, Tex., producer, stated the proposed order would give farmers an effective means of raising funds and operating the program.

Under the proposed order, the supplemental assessment could be increased after 1977 in increments until it reaches the limit of one per cent of the gross sales price if results of the current program warrant.

Golden stated the CB would not recommend such increases to the Secretary of Agriculture without an in-depth examination of the need, economic conditions, and producer sentiment.

CB Manager Ed Gillespie, Memphis, described procedures followed in collecting and administering the grower funds and stated that these procedures could be applied just as efficiently if the supplemental assessment is approved.

BILL WEAVER, left, Lamesa, J. D. Smith, center, and Donnell Echols, also of Lamesa, were among those testifying in favor of proposed amendments to the Research and Promotion Order at a hearing in Dallas. The hearing is one of a series being conducted by the U.S. Department of Agriculture to determine grower sentiment on increased assessments for research and promotion. [Nat'l. Cotton Council Photo]

\$12 million in licenses

Revenue from the sale of 63 types of hunting, fishing and trapping licenses earned the Texas Parks and Wildlife Department a total of \$12,265,011 during the 1976 fiscal year.

The total represents a \$221,173 decline from the previous year.

P&WD license sales officials said big losers during the year were \$4.25 fishing and \$8.75 resident combination hunting and fishing licenses.

Some 53,000 fewer fishing licenses were sold, accounting for a drop of \$211,243. Sales of resident

combination licenses dropped by \$213,966 less in funds available for 1975 fiscal year.

Other notable decreases were among commercial fishing licenses. Revenue from commercial bay shrimp boat licenses dropped \$24,196; commercial Gulf shrimp licenses \$9,350; commercial fisherman, \$6,347; large fish dealer, \$2,500; wholesale fish dealer, \$2,250.

Sale of such licenses makes up the bulk of revenue for the department's Game and Fish Fund.

Monday deadline nears for hunt applications

Monday, Oct. 4, is the last day Texas Parks and Wildlife Department officials will accept applications to hunt deer on wildlife management areas this fall.

A total of 951 permits will be issued for two-day hunts on the Chaparral, Engeling, Gene Howe, Kerr and Sierra Diablo Areas.

On Oct. 7 at 10 a.m. in the Austin offices of the P&WD, a public drawing will be held to select hunters.

A \$20 fee will be charged each hunter who participates in the management area hunts. Those who received a permit to either with gun or bow in 1975 or an archer permit this year are ineligible to participate in the 1976 arms hunts on P&WD life management areas.

In 1975, 180,000 members shared in the program provided by private donors through the NCC 4-H Service Committee.

Reese AFB sponsoring open house Oct. 11th

Edward Mendel, commander of Reese Air Base's 64th Flying Wing has revealed the base will sponsor an open house Monday, Oct. 11, between 12:30 and 4:30 p.m. The event will honor the anniversary of Reese's active service as a Thunderbird from the Air Force Base and the separate operating on Sept. 18, 1947. U.S. Army's "Golden Knights" parachute team and the Force's "Thunderbirds" aerial demonstration team will share the billing during the activities. "Golden Knights" is scheduled for "Thunderbirds" is scheduled for

A T-37 "Tweety Bird" and a T-38 Talon from Reese will also be on display. The Confederate Air Force will also send an old T-6 Texan trainer of the type formerly flown from Reese and a Japanese VAL bomber. The Lubbock SPARKS, a radio controlled model airplane club, will demonstrate their version of the Thunderbirds maneuvers and have some of their exotic models on display. Two area bands will also perform. Lubbock Army Air Field (later to become known as Reese AFB; came into existence on June 23, 1941. The field was officially opened Jan. 22, 1942, and remained active throughout World War II until it was closed down on Dec. 31, 1945.

THE THUNDERBIRDS will be flying these T-38 Talon jets for Reese Air Force Base's Open House Monday, Oct. 11, at 3 p.m. The open house is scheduled between 12:30 and 4:30 p.m., and will honor the 27th anniversary of Reese's continuous active service as an Air Force Base, and the designation of the Air Force as a separate operating service on Sept. 18, 1947. [Air Force Photo]

year the "Thunderbirds" will again be flying the T-38 Talon jets flown by student pilots of the Reese in the later part of their year-long graduate Pilot Training program. Some of the Air Force's latest high performance aircraft are scheduled to be on display for inspection along the line. Among the aircraft will be flown from Air Force bases throughout the country to the static display are the Corsair II, A-37, C-130H, HC-135 Stratotanker, Thunderchief, F-106, Dart, F-111D, O-2, OV-10 Bronco, and F-4 Phantom.

The base was reactivated by the Air Force Oct. 5, 1949, and officially named Reese AFB on Nov. 5, 1949, in memory of First Lieutenant Augustus F. Reese, a Shallwater native killed in combat in 1943. Reese has remained continuously active since 1949 and to date has graduated more than 20,000 pilots from its training program. Experience in global war convinced the American people that a separate organization should be established to specialize in air operations at all levels of warfare. Accordingly, the Air Force began functioning as the Nation's primary air power source on Sept. 18, 1947.
