To You, Our Friends & Customers
 For It Takes Friends To Make Customers

Closing our books for the year without thank-
 ing you for the business you have given us, would
 leave one of our principal debts unpaid.

Our biggest asset is the good will of our associ-
 ates, and your business has been a steady, comfort-
 ing thing, and has helped us to give to others the
 grateful support you have given us.

We, therefore, sincerely thank you, not only for
 the business you have given us, but for the most
 agreeable way in which you have given it.

We trust that 1924 will bring nothing but happi-
 ness to you and yours.

 Improved, but priced as Raw Land

THE

Neal Douglass Land Co.
 of Littlefield, Texas

A Striking Value—at \$295

Considering the improved
 appearance of the new
 Ford Touring Car, one
 would naturally expect a
 proportionate advance in
 price.

Larger scale production,
 however, has made it pos-
 sible to incorporate in this
 new type touring car a
 number of decided im-
 provements without in-

creasing its cost to the
 purchaser.

A comparison extending
 over a long period of years
 will reveal the fact that
 the present price is actu-
 ally the lowest at which
 the five-passenger open
 car has ever been sold.

The Ford Touring Car
 stands today, as it always
 has, a most remarkable
 value in the motor car field.

This Car can be obtained through the Ford Weekly Purchase Plan

**THE MUNGER RANCH
 IS BEING IMPROVED
 FOR NEW SETTLERS**

Nine sets of improvements
 were begun on the M. A. Mun-
 ger ranch, 14 miles southwest of
 Sudan, this week. Chas. Brown,
 of Abilene, general manager for
 the Munger Co., is in Sudan di-
 recting the work of construction
 which is being done by J. H.
 Nelson and J. L. Greene, con-
 tractors from Abilene.

On this ranch 3321 acres have
 been surveyed into farms of 360
 acres each, and every farm will
 be fitted with dwelling, barn,
 well, etc., ready for occupancy.

The cost of improvements are
 estimated at \$30,000.

When the buildings have been
 finished the land will then be
 placed on the market for sale.
