

# NEW GRANDSTAND SEATS TO DOUBLE SEATING CAPACITY AT SEELY FIELD

**Dist. WOW Meeting Thursday, Nov. 21**

A district meeting of the Woodmen of the World will be held here Thursday night, November 21, when W. C. Braden, national secretary, Omaha, Nebraska, and State Manager George W. Hines, of Abilene, will be in attendance and address the gathering. Two hundred members are expected to attend the meeting.

Members are expected here from San Angelo, Amarillo, Brownfield, Levelland, Hale Center, Abernathy, Plainview, Muleshoe, Morton, Sudan, etc.

Dee Chapman, district manager, will preside at the meeting. Fifteen members will be initiated into the lodge.

**Last Rites Held For Mrs. Anna Birkelbach**

E. D. Birkelbach and sons, Werner and Ruben, and Mrs. Lena Schultz have returned from Burlington, Texas, where they attended the funeral of Mrs. Anna Birkelbach, who passed away Sunday, October 6, as a result of burns received from an explosion of an oil stove.

She was 76 years of age, and had lived in Burlington for the past year.

She is survived by two sons, R. H. Birkelbach of Rosebud, and B. D. Birkelbach of Littlefield; three sisters, Mrs. Lena Schultz of Littlefield, Mrs. William Strickler of Ben Arnold, Mrs. Linda Newton of Needville; five brothers, William Piel of Ocker, Henry Piel of Ocker, Henry Piel of Ithral, Albert Piel of Rosenberg, Otto Piel of Fort Worth, and Carl Piel of Bullinger.

Rev. E. Kalkbrenner and Rev. W. A. Mueller officiated at the services Friday, October 8, at Rosebud. Burial took place at Shelby.

**Petition For Beer Election**

A petition signed by 401 residents of Lamb County was presented to the county commissioners' court Monday morning, requesting the court to order a local option election for the purpose of determining whether or not wine and beer shall be sold in Lamb County.

The petition was checked by the county clerk, but there were not sufficient names of legally qualified voters on the list to make the petition legal. The required number to make the petition acceptable is 333 qualified voters.

It is reported that a new petition is being circulated, which will also be presented to the commissioners' court.

According to Judge I. B. (Dock) Holt, the 333 figure is arrived at as follows: It is 10 per cent of the legally qualified voters who cast their votes for governor in the last general election of 1944, at which time 3225 votes were cast for governor, which would require 333 legally qualified signatures to the above petition to carry.

In the above petition presented the court was petitioned to "order a local option election for the purpose of determining whether or not the sale of wine and malt liquors that do not contain alcohol in excess of 4 per cent by weight shall be prohibited or legalized in Lamb County, Texas."

**REMODEL STRUCTURE INTO BUILDING OF TWO APARTMENTS**

Payton Harrell has remodeled a building at the rear of his residence property into a two-apartment building, and will soon have it completed. He has been doing a great deal of the work himself.

Mr. and Mrs. Harrell were former owners of Annie's Cafe.

**Football Game Time Changed**

The Wildcat-Levelland game time has been changed from Friday night to Friday afternoon. Kickoff time is 4 p.m.

**Chisholm Floral to Observe Open House Sunday**

**Formal Opening Climaxes Extensive Expansion Program**

Invitation Extended Public to Call Between 1, 6 P. M.

Chisholm's Floral, of which J. E. Chisholm, Jr., is owner and operator, after carrying out an extensive expansion program, is announcing its formal opening for Sunday, November 17, and extending an invitation to the public to attend open house at the Floral from 1 until 6 o'clock p.m.

Mr. Chisholm started in the floral business back in 1936 with an 8x14 foot greenhouse, continually expanding as his business grew until now, when he is operating three greenhouses, offering a total of 8100 square feet of space, for the growing of flowers and pot plants.

The greenhouses at the present time are beautiful, with blooming carnations, chrysanthemums, snapdragons, calendulas, sweetpeas, etc., in a variety of kinds and colors. They also contain a number of other seasonal flowers that will bloom in season.

The display room, which has been enlarged, is 20 by 18 feet, beautifully decorated in pastel shades of deep cream, rose and blue, and equipped with new furniture and fixtures.

This display room connects with two work rooms, which offer a total of 200 square feet of working space.

A very special feature of the new enlarged Floral establishment is the refrigerated room, offering 1100 cubic feet for the display and storage of flowers. This room is equipped with a large plate glass window between the display room and the refrigerated room, and also with a large plate window between the refrigerated room and the street. This large

Chisholm Floral, which has just completed an expansion program, will observe open house from 1 to 6 p.m. Sunday, and the public is cordially invited to inspect this modern floral.

Presented here is the new display room, 20x18 feet, and beautifully decorated in pastel shades of deep cream, rose and blue, and equipped with the latest furniture and fixtures.

room keeps the flowers beautifully fresh, and provide a lovely display. Besides adding two new greenhouses to take care of the cut flowers and plants, the Chisholm Floral have also established a nursery one mile south of Littlefield on the Levelland highway, containing five acres, in which they are growing all kinds of nursery stock. This concern also offers a landscaping service to the public.

Chisholm's Floral, in an interview Tuesday, stated that they had always enjoyed a nice volume of business since opening the business ten years ago, and asked the Leader to extend their deepest appreciation and thanks to their many customers over the South Plains for their patronage and cooperation down through the years. Besides a large retail business, this

**Shamrock Couple Observe 65th Wedding Anniversary**

Mr. and Mrs. R. L. Drake of Spring Lake returned Friday from a few days' visit with Mrs. Drake's parents, Mr. and Mrs. W. A. Nelson, at Shamrock, Texas.

While Mr. and Mrs. Drake were at Shamrock her parents celebrated their 65th wedding anniversary, November 8, when over 100 relatives and friends enjoyed dinner, which was served buffet style at the Nelson home.

Mr. Nelson was born in Alabama and is 88 years of age, his birth date being October 30, 1858; and Mrs. Nelson, who was born in Arkansas, is 85 years old, her birthday falling on February 4.

Mr. and Mrs. Nelson were married

concern also do an extensive wholesale floral business.

Connected with J. E. Chisholm in the operation of the business are Odell Matthews and Elvis Hustand.

Mr. Matthews has been connected with Chisholm's Floral for the past eight years. He is a graduate of Crosbyton High School, and spent 46 months in the service. He served with the Field Artillery in the European theater of operations, and was awarded five combat stars. He was discharged in October, 1945.

Mr. Hestand has been connected with Chisholm's Floral for the past eight months. He is a graduate of Springlake High School, and attended Abilene Christian College. After spending 37 months in the ground crew of the Air Corps, he was discharged in February, 1946.

Mr. Chisholm entered the service in March, 1942, and was discharged in January, 1946. He served in the Signal Corps, and spent seven months in combat in the Philippines. He was also stationed in the Hawaiian Islands, Marshall Islands, New Zealand and Admiralty Islands.

In connection with the Chisholm Floral's expansion program, Ray Bildebeck was in charge of construction while Boy Taylor was in charge of painting and decorating.

**Two Routes Have Been Authorized By Department**

New Postal Service To Be Effective As of January 1

Littlefield is to have city mail delivery.

Postmaster W. D. T. Storey was notified Monday by the first assistant postmaster general, Washington, D.C., of the department's intention to establish city delivery at the local post office, effective January 1.

Two regular routes have been authorized, as well as auxiliary parcel post delivery service.

Two carriers will be appointed by the post office department to carry the first-class mail, papers and small packages, as well as one or two substitutes and one parcel postman with vehicle to carry the parcel post packages.

The carriers will leave the Littlefield post office at 8 a.m. and 2 p.m. each day, and will be employed a full eight-hour day.

In announcing city delivery, Postmaster W. D. T. Storey stated that this would, of course, necessitate the post office department furnishing the local post office with additional equipment, including separation cases, carriers' pouches, etc., and that distribution boxes would be placed over the city at various intersections and other localities for the collection of mail.

Postmaster Storey also announced that patrons will be required to install mail boxes at the front of their homes, if they wish their mail delivered, and that if this mail delivery system is to be maintained patrons must cooperate by installing mail receptacles and do everything in their power to cooperate in this progressive step forward.

Mr. Storey stated that the demand has been made for some time for city delivery, but that it will take a lot of cooperation from the public to maintain the service and, therefore, he asks that all residents secure boxes immediately and have them installed.

City mail delivery was held up until all the houses were numbered and the streets marked. This, it is now understood, has been done.

**Local Rotary Club Will Observe 20th Anniversary**

The Littlefield Rotary Club will observe its 20th anniversary Thursday night, November 21, in a special program and banquet meeting.

E. A. Bills, who served as the first president of the local Rotary Club, will be in charge of the program, which will be held in the Methodist Church, and open at 8 o'clock. Rotary-Anns will be guests for the evening.

The Littlefield Rotary Club was organized on November 19, 1926, with Mr. Bills as president, and the following men are past presidents of the club, in the order in which they served: Mr. Bills, R. E. McCaskill, Dr. Charles C. Clements, T. S. Sales (deceased), R. T. Badger, Senator Arthur P. Duggan (deceased), A. R. Hendricks (deceased), A. B. Sanders, J. S. Hilliard, T. Wade Potter, F. O. Boles, J. O. Garlington; L.

C. Hewitt, Mancil Hall, Dr. Ira Woods, Floyd Hemphill, Jimmie Brittain, Dr. Clifford Payne, Hardy Shelby and Charles Signor. J. H. Lee of the First National Bank is now serving as president.

**Rev. S. M. Dunnam New Pastor Of Local Methodist Church**

Rev. S. M. Dunnam of Dallas has been appointed pastor of the First Methodist Church, Littlefield.

Rev. Dunnam, who served as pastor of the Owenwood Methodist Church, Dallas, for the past two and a half years, was transferred from the North Texas Conference at Dallas to the Northwest Conference, and was appointed Sunday to the local church by Bishop Selectman at the session which convened from Tuesday until Sunday last.

Rev. and Mrs. Dunnam have three children, a son, S. M. Dunnam, Jr., student of the theological school at the Southern Methodist University, Dallas; a daughter, Eleanor Ruth, 15;

**Program Calls For Dressing Rooms To Be Built on Field**

Construction On Practice Field Is Underway Now

Seely Field will have twice its present seating capacity in a year or two, plus two dressing rooms on the field, if the Wildcats continue to "pack 'em in."

This announcement was made this week by Dr. William N. Orr, president of the school board.

Dr. Orr said if the Wildcats continued to win, which would keep crowds at a capacity at home games, the athletic fund would be adequate to pay for doubling the grandstand space and building a field house with two dressing rooms for the teams to use during the games.

**Practice Field Being Built**

A practice field has already been started. When it is finished the Cats will do their daily drills on it and keep Seely Field in good condition for the games. It is expected to be finished soon, but may not be ready for this season.

Dr. Orr said that plans for enlarging the grandstands and building the field house had not progressed to the point where he could give an estimate of cost. Lack of materials may keep the program from becoming a reality for a couple of years.

Seating capacity at Seely Field now is 1000. The enlargement will make room for approximately 2000 fans.

**Southwestern Public Service Co. Buys New Winch Truck**

The Southwestern Public Service Company has purchased a new 1946 winch truck with power take-off, and stationed it in Littlefield.

According to Hardy Shelby, manager, they are making Littlefield their headquarters for service for the county, adding that they will do here all service work for Anton, Amherst, Sudan and stand by in case of trouble at Olton.

Mr. Shelby said: "This is a part of the job of planning ahead by the company to expedite service for all the people of Lamb County, including Littlefield."

**ROY McQUATTERS WORKING FOR HIS INSTRUCTION RATING**

Roy McQuatters, Jr., who flew B-29's for the Army, is working on his instructor and instrument ratings at Municipal Airport in Lubbock. McQuatters, second lieutenant in the Air Forces, has his commercial license. When he finishes at Lubbock he will be qualified for instruction in flying and instrument training.

and a son, Harral, aged 12. Rev. and Mrs. Dunnam and two younger children arrived in Littlefield Monday, and are at home at the parsonage.

The Leader extends greetings to this fine family, and hope they will enjoy living in Littlefield.

# CLUBS - WOMEN'S INTEREST - SOCIAL EVENTS

## Presbyterian Women Hold Rummage Sale

Members of the Auxiliary of the Presbyterian Church staged a rummage sale Saturday on Phelps Avenue in front of Winningham's Grocery, proceeds of which will go towards the missionary fund.

Mrs. G. M. Shaw was chairman, assisted by Miss Lula Hubbard, Mrs. Ben Porcher, Mrs. Warren Rutledge, Mrs. Bob Badger and Mrs. Arbie Joplin.

Clothing, hats, shoe, etc., were sold.

## Valley View Home Demonstration Club Elects Officers

The Valley View Home Demonstration Club met Thursday last in the home of Mrs. Buck Anderson.

Roll call was answered by "One Thing I can do to improve my appearance."

Good grooming was discussed by Home Demonstration Agent Miss Fannie Eaton.

New officers were elected as follows: Mrs. Ray Denney, president; Mrs. A. A. Gray, vice president and council member; Mrs. Hollis Townsend, secretary-treasurer.

Mrs. Johnnie Miller gave her garden report, having canned 1198 containers of food during the year 1946.

The club will meet Wednesday, November 20, in the home of Mrs. G. E. Lyles. Everyone bring a covered dish for lunch.

Refreshments of sandwiches, cookies and coffee were served to the following: Mesdames A. B. Roberts, Johnnie Miller, L. F. Dowell, Ray Denney, N. T. Millican, C. W. Rosson, and Miss Fannie Eaton and Miss Sybil Dewell.

## OES To Hold Kitchen Shower For Salvation Army

Members of the Order of Eastern Star met Thursday night in regular session.

It was voted to hold a kitchen shower for the Salvation Army, and Mrs. L. M. Brandon was named chairman of a committee to arrange same.

It is reported that all the cooking utensils and dishes maintained at the Salvation Army building were stolen during the time that there was no one in charge of the work here—some time between the time Capt. Trummell left here and the time Envoy and Mrs. H. C. Seago arrived.

The shower is planned to remedy this situation.

## Miss Billie Suggs And Carl Adkins Are Married Here

Miss Billie Suggs, daughter of Mr. and Mrs. J. L. Suggs, of Anton, became the bride of Carl Adkins, son of Mr. and Mrs. D. C. Adkins, of Littlefield, Wednesday, November 6.

The single-ring ceremony was read by Rev. D. C. Lindley at his home at 6 o'clock in the evening.

The bride was becomingly attired in a white dress, with corresponding accessories, and carried a white Bible.

Accompanying the couple to Littlefield and witnessing the ceremony were Mr. and Mrs. D. C. Adkins, parents of the groom; Earl Adkins, brother of the groom; and Mr. and Mrs. Bill Self, sister and brother-in-law of the bride.

## Sudan School Carnival Is Great Success

The annual Hallowe'en Carnival staged by Sudan schools last Friday was a howling success, as lively as ever, and with \$1,000 profit cleared.

Two-thirds of this amount goes into the school activities fund, and the remainder is distributed to the various classes. Supt. Moring explained. Moring expressed appreciation for the community support which enabled the carnival to be a success, and also for the capacity attendance which marked the event.

Celene Bryant, a fifth grader in the intermediate division, won the title of "Carnival Queen," with Charlie Roark of the eighth grade, junior high school, a very close second in the race. This contest was a spirited one, and large numbers of the school pupils took part in it, selling votes in behalf of their respective favorite candidates.

## Deputy Grand Matron To Visit Eastern Star Chapter

Mrs. Ollie Ruth Chenoweth, deputy grand matron of the Order of Eastern Star, will make her official visit to the local chapter Friday, December 13.

At that time a covered-dish supper will be given in her honor.

### COMMISSIONER ILL

H. A. Hysinger, commissioner of precinct No. 1, is ill with mumps this week, and was not able to attend commissioners' court here this week.

## Miss Alma Allen Is Hostess to Members Of Junior Study Club

Miss Alma Allen was hostess to members of the Junior Study Club Thursday evening at her home on East Seventh Street.

Miss Lucille Smith reviewed the book, "The Egg and I," by Betty McDonald.

Three guests were present for the social evening. Misses Mattie Lee Seago and Frances Savage, and Mrs. Roy Hutson, Jr.

Members in attendance were: Mesdames Lucille Betts, Bill Carter, Roy Byers, Jr., Dick Carl, Olene Gibson, and Misses Margaret Coffman, Ruth Griffin, Lavern Hayhurst, Alma Faye Henry, Erna Mae Hill, Dorothy Newgent, Bernice Sanderson, Lucille Smith, June Wren, Thelma Wren and Dora Jo Valverde, and Mesdames T. A. Hibun, Ollie Robbins, and the hostess, Miss Allen.

## Sudan Couple Wed At Fort Sumner

Miss Ila E. Serratt, daughter of Mr. and Mrs. C. C. Serratt, of Sudan, and Louis E. Collins, son of Mr. and Mrs. G. H. Collins, were married Tuesday, November 5, at Fort Sumner, N. M.

The bridegroom's mother, his sister, Mrs. Robert Sharp, and Thomas Sharp accompanied them to Fort Sumner for the ceremony. The newlywed couple plan to live in Sudan for the present.

## AIRPORT NEWS

By MRS. "TEX" CROW

Jim McGuire and Wendell Rhodes have soloed all the first bunch of GI students and turned them loose to fly by themselves. They seem to be doing very well, too.

Several new students have started flying. Others getting their papers ready to start, will soon be in the air, also.

Jim McGuire and Tex Crow flew to Lubbock Saturday, and came back loaded with airplane parts.

John Standifer has sold his plane to Jimmie McGuire, but I bet he has another soon.

There were many out-of-town flyers in here Sunday. It seems that snow kept them from landing at Muleshoe, so they came back to Littlefield.

## Miss Mary Helen Williams and Floyd H. Damron Marry

Mr. and Mrs. N. W. Williams are announcing the marriage of their daughter, Mary Helen, to Floyd H. Damron, son of Mr. and Mrs. Walter Damron, of Circle Back, which took place Saturday, October 26.

The simple ring ceremony was performed by the Rev. J. R. Dyer in the parsonage at the First Baptist Church in Clovis, N. M.

Accompanying the couple and witnessing the ceremony were Mrs. Pearl Henry and Mac Reed.

Mrs. Damron is employed at the Littlefield Hospital as assistant to Dr. Wm. N. Orr, while the groom is engaged in farming at Circleback, where the happy couple will make their home.

If we don't have what you need, we will be glad to order it for you, at the Leader office.

## Anton School Honor Roll

### "A" Honor Roll—

Grade Two: Iva Nell Wimberley, Bertha Weige, Jervadean Kirk, Anita Bosquez.

Grade Three: Lonnie Clowdus, Wanda Grace, Jimmie Cummings, Jimmie Grant, Buddy Spears, Brownie Mitchell, Mary Donna Bourlon, Eula Belle Stacy.

## Mrs. Buster Tidwell Honored At Bridal Shower and Tea

Mrs. Buster Tidwell, the former Miss Maxine Winters, was the honoree at a lovely tea and bridal shower at the home of Mr. and Mrs. Henry Banks Thursday afternoon from 4 to 6 o'clock.

Hostesses for the occasion were: Mesdames Banks, E. J. Packwood, Tom Matthews, W. E. Heathman, A. S. Bolton, J. H. Hayhurst, E. O. Feagley and Maude Street.

In the receiving line were: Mrs. Tidwell, the honoree; her mother Mrs. Pirron Winters, and the groom's mother, Mrs. C. M. Tidwell.

Presiding at the bride's guest book was Mrs. E. O. Feagley. The tea table was covered with an imported lace cloth and centered with an arrangement of fall flowers in a low cut glass bowl.

Mrs. Maude Street presided over the silver tea service. Attending were: Mesdames J. H. Hayhurst, A. S. Bolton, E. O. Feagley, Maude Street, Tom Matthews, C. M. Tidwell, Pirron Winters, L. L. Massengill, Lamar Harlan, Bill Elliott, Audry Brown, A. W. Ray, Nolan Ray, Wolfe Shaw, J. J. Bolton, M. H. Stephens, D. C. Lindley, E. E. Joiner, W. F. Sowdars, Acree Barton, Viggo Peterson, Frank Rogers, A. H. Hollis, Ben Lyman, W. E. Heathman, Marguerite Heathman, W. J. Madson, Jr., T. S. Sales and Joyce Davis; and Misses Ellen Webb Massengill, Helen Heathman and Arlene and Finetta Packwood.

Those sending gifts, but unable to attend were: Mesdames Frank Leh-

man, H. R. Ferguson, Roy Wade, Paul Jenson, Otto Jones, Don Brewster, Ben Davis, Melvin Dutton, Clarence Davis, E. P. Davis, Eli Young, Jack Christian, Carl Arnold, Orville Steffey, Lonnie Taylor, J. C. Bryce, W. E. Jeffries, Sr., Clifton Petty, Lee Hemphill, J. C. Montgomery, Clabert LeBoeuf, Roy Gille, Roy Rhoten, Pat Boone, C. F. Bryce, Glenn McClendon, Floyd Jackson, R. E. McAllister, A. L. Dunn, R. J. Stuteville, J. E. Wood, Joe Edwards, Anna J. Pierce, L. D. Inclair, J. N. Walker, Joe Kloiber, Oren Kirk, A. L. Wood, J. L. Walraven, Jeff Perkins, Ora Montgomery, J. L. Lightsey, Eugene Latimer, E. R. Harlan, Mrs. G. W. DeMoss of Skellytown, Texas, R., and Mrs. R. U. Thompson of Los Angeles, Calif., and Misses Elsie Kloiber, Virginia Harlan, Gwendolyn Boles, Doloris Lehman, Ella Winters of Merkel, Texas, and Patsy Steffey.

## Altar Society To Sponsor Rummage And Food Sale

Members of the Sacred Heart Altar Society will conduct a rummage and food sale at the Harvey-Bartley store Saturday, Nov. 6. Those who have not turned in their items which are to be contributed to the sale, please bring them Saturday morning. A quilt will also be given away.

## Sudan Chapter OES Observes Anniversary

A happy occasion, the 13th anniversary of the Sudan chapter, Order of the Eastern Star, was celebrated Monday night, Nov. 4, following a regular meeting.

Mrs. J. R. Dean is the sole charter member of the chapter still living in Sudan, and she presided at the tea table during the anniversary party. Rev. M. A. Walker, Methodist pastor, was chosen to give the speech of tribute to this lone charter member.

Worthy Matron Mrs. G. G. Chesher assisted with the serving, by distributing pieces of the chapter's birthday cake, a two-tiered concoction with 18 white candles. The emblematic star of the order adorned the top layer of the cake, with each point in a color significant in OES teachings—red, blue, green, yellow and white. The numbers, "1928-1946" were written in the star, and the greeting, "Happy Birthday."

An interesting report was given by Mrs. Irene Robinson, delegate to the Grand Chapter meeting, who also was a hostess for the evening, as were Mrs. Inez Boyd and Mrs. Joe Salem. Other members present were Mrs. Cordye Walker, Noel Lumkin, Mrs. Sylvia Liston, Mrs. Warrenna Roark, Mrs. Virginia Rone, Mrs. Annie Chester, Mrs. Lela Howell, Mrs. Lora Wiseman and Mrs. Cecilia Dryden.

## Mrs. Freddie Harrell Honored at Pink And Blue Shower Friday

Mrs. G. W. Falls and Mrs. Fred Harrell, Sr., were hostesses Friday at 2 o'clock at a pink and blue shower given in the home of Mrs. Falls in honor of Mrs. Freddie Harrell.

The house was beautifully decorated throughout with white chrysanthemums and pink roses. Plate favors and napkins were baby blue and pink. Mrs. Sabina Hendrickson gave a reading, "Boy or Girl"; games were played, and Mrs. C. O. Stone gave a reading, "Weighing the Baby." Then the honor guest was presented the gifts, after which refreshments were served to the following:

Mrs. Edith Groves, Mrs. Paul Pharris, Mrs. J. D. Smith, Mrs. Mildred Legg, Mrs. Sabina Hendrickson, Mrs. Joe Wells, Mrs. A. M. Dunagin, Mrs. Darwin Pierce, Mrs. C. O. Stone, Mrs. S. B. Jackson, Mrs. Geo. A. Staggers, Mrs. O. K. Yantis, Sr., Mrs. Geo. Harrell, Mrs. Dee Chapman, Mrs. Raleigh Cox, Mrs. Allen Rhodes, Mrs. Cleve Smith, Mrs. G. W. Riggle, Miss Wanda Harrell, and Mrs. G. D. Parker and Mrs. Nannie Cox, of Abernathy.

Those sending gifts but unable to attend were: Mrs. Frank Pearson, of Plainview; Mrs. John H. Parker, of Hale Center; Miss Mildred Heath and Mrs. Carroll Cox, of Abernathy; Mrs. J. H. Parker, of O'Donnell; Mrs. Roy Blessing, Della Chapman, Mrs. Lela Stamps Elms, Mrs. Geo. Kirk, Mrs. Jess Inman, Mrs. O. K. Yantis, Jr., Miss La June Oxford, Mrs. Harry Lynch, Edith Lynch, Mrs. J. L. Walraven, Mrs. A. L. Hood, Mrs. C. H. Hale, Mrs. J. C. Hilbun, Mrs. R. A. Bigham, Mrs. J. C. Smith, Jr., Mrs. Nath Griffin, Mrs. Bob Armstrong, Mrs. Art Mueller and Mrs. L. C. G. Rissom.

## Eastern Star Christmas Party to Be Held Dec. 16

The Littlefield Chapter of the Order of Eastern Star will hold their annual Christmas party Monday evening, Dec. 16.

At this time, Mr. and Mrs. Pat Boone will be honored as grand officers.

## Lois Fox Member Of College Band

Lois Fox, daughter of Mr. and Mrs. L. G. Fox of Sudan, is a member of the 40-piece Wildcat Band of Abilene Christian College, Abilene. She plays drum and is classified as a freshman student.

The ACC band will present several

concerts this year, and play at all football games and other athletic contests.

Plans are being made for a tour of the Southwest later this season, appearing for programs before high school audiences.

# PROTECT YOUR MOTOR

with this TWIN ACTION AVIATION OIL

FLOWS FREELY at ZERO or BELOW

STANDS UP at BOILING or ABOVE

In winter your car needs an oil that flows freely and lubricates instantly. Equally important, the oil you use must not thin out or break-down after your motor gets hot.

With Champlin HI-V-I (High Viscosity Index) you get this TWIN-ACTION.

Champlin HI-V-I was developed especially to meet the weather demands of Uncle Sam's rampaging Air Forces.

N-Hexane, a remarkable new solvent, thoroughly de-waxes Champlin HI-V-I producing a remarkable new cold-pour test rating.

It flows freely at zero and below, and due to its high viscosity index it has the extra stamina to withstand extreme temperatures.

## C. H. Colbert Establishes Furniture Store on Highway 51, East of City

A program of expansion is now underway by C. H. Colbert, who has been in the mattress factory business in Littlefield for the past six years on Highway 51, just east of town. Mr. Colbert has constructed a new building to the rear of his former structure, and has moved his mattress equipment and supplies to the new building. In the former building he is establishing a furniture store with a full line of furniture, which is arriving daily.

Mr. Colbert operated his mattress factory in Amherst two years before coming to Littlefield in 1940. Mrs. Colbert is the former Miss Wilma Loyd, and daughter of the late Sheriff F. A. Loyd.

Mr. Colbert is now operating his business under the name of Colbert Furniture & Bedding Company, and announces that he is now open for business.

### 'L' Association To Adopt New Constitution Tuesday

The "L" Association will meet next Tuesday night at the high school auditorium to approve a constitution.

All ex-lettermen are urged to attend this meeting, which is considered very important because of the adoption of the constitution.

The lettermen again issue warning to fans to remain behind the wire cable during the Sudan game. A patrol, made up from the organization, will walk the sidelines to see that this order is enforced.

Mr. and Mrs. E. C. Rodgers left Thursday for Belin, N. M., on a deer hunt. They planned to return to Littlefield Wednesday.

### Lamb County Favors Three Amendments; Opposes One

Lamb County, unlike the Nation, did not go Republican in the general election. All Democratic candidates received a very decided plurality; in fact, there was not a Republican on that ticket who received as many as 75 votes.

The only special feature of the election, complete returns reveal, was the voting in Precinct 3, for commissioner. In the second primary E. C. (Buck) Ross was nominated for reelection. In the voting in the general election, Ross received 582 votes and A. E. Lichte, a write-in candidate was given 152 votes.

Lamb County voted on the constitutional amendments as follows:

For the constitutional amendment authorizing the legislature to pay for building constructed for John Tarleton Agricultural College, 580 votes; and against this amendment, 308.

For the constitutional amendment authorizing the legislature to provide a retirement, disability and death compensation system for the officers and employees of the State of Texas, and authorizing counties to provide such system for the appointive officers and employees of the counties of Texas, 362 votes; and against the amendment, 525 votes.

For the amendment providing that net revenues derived from taxes, with some exception, be used for acquiring rights-of-way for and constructing and maintaining public roadways, 666 votes; and against this amendment, 212 votes.

For the amendment creating a veterans' board, Lamb County taxpayers cast 346 votes for, and 15 votes against the amendment.

### Return From Trip To Detroit, Mich.

Mr. and Mrs. W. E. Lavender have returned after a trip to Detroit, Mich., where they report they spent two days going through the Chrysler automobile factory, and viewing the different makes of cars, etc.

Mr. Lavender states that the Chrysler Corporation are doing everything possible to produce new cars, as they are just as anxious to get into production as the dealer is to get cars. He reports that they had a wonderful setup in Detroit, including large facilities for making automobiles, and that when all their differences, including labor, are ironed out they will be in a position to make automobiles in large numbers.

Mr. Lavender added that this is true with all manufacturers of automobiles; that it is not their fault that people cannot get cars.

Mr. Lavender brought back with him a four-door Chrysler sedan, which the Lavender Company delivered to Dr. O. W. Still.

This concern had on display last week the new Town and Country car, and large numbers of people of this city and area called to view the new automobile, which is equipped with an eight-cylinder engine, gyrol fluid drive and hydraulically-operated transmission.

Mrs. Francis Lankford of Muleshoe, who underwent a major operation at the Payne-Shotwell Hospital Tuesday, is in a serious condition. Her parents and other members of the family have been called to her bedside.

### OVER 4,000 VIEW THE NEW FRAZER AND KAISER AUTOMOBILES SATURDAY

The new Frazer and Kaiser automobiles embodying 1947 styling were on display at the Batson-Payne Motor Company showrooms here last Saturday and, according to T. I. Batson, one of the owners, over four thousand persons viewed these cars, and were most interested and enthusiastic over the beautiful cars, which offer everything appealing to the motorist in beauty and comfort.

The cars on display Saturday were a Kaiser four-door sedan and a Frazer four-door green sedan.

Mr. Batson also reported that over 500 signed up to buy the Frazer automobile, which will be sold Saturday afternoon.

The Batson-Payne Motor are hoping to receive a shipment of these automobiles soon.

Their showroom are on Highway 84, west of town, in the former location of the Littlefield Truck and Tractor Company.

### TAKES PRISONERS TO STATE PENITENTIARY

Sheriff Sam Hutson, accompanied by Deputy Sheriff Sid Hopping, delivered two prisoners, James Lee Woods, Jr., and Derald Clint Draper, to the penitentiary at Huntsville Monday of last week, and returned home the next day.

## We Thank You---

IN announcing that we have sold Bagwell Cleaners to Mr. and Mrs. C. LeBoeuf, we want to thank one and all for your fine patronage during the three years we have been in business in Littlefield.

Your patronage, friendship and cooperation has always been appreciated, and it has been a pleasure to meet and serve so many people over the Littlefield trade territory. The contacts we have made will always be remembered, and we ask for Mr. and Mrs. LeBoeuf the same fine cooperation and friendship as have been extended us.

Again . . .

A THOUSAND THANKS FOR EVERYTHING!

Mr. and Mrs. Alvin Bagwell

LITTLEFIELD - PHONE 10

Jeepers! A Jackrabbit on wheels!

Your car — if its wheels are unbalanced — will be envied by jackrabbits, but sooner or later it'll be a headache to you. Wheels that are out of balance tend to "hop" much as if they were lopsided. They cause "steering shake" — forcing the driver to keep a tight, tiresome grip on the wheel. Unbalanced wheels set up vibrations that cause expensive damage to steering and wheel assemblies.

Bring your car in today and let our expert mechanics check your wheel balance with our precision John Bean Wheel Balancing System.

## LAVENDER MOTOR CO.

G. W. Miller Passes Away

George Washington Miller, 90, of Littlefield Route 1, resident of Littlefield vicinity 21 years, died at 11 o'clock Monday night at his home.

Burial is in charge of a Lubbock funeral home, and will be held in Gainesville.

Survivors include his wife, Mrs. Otha Ann Miller; two sons, Leonard Miller of Morton and George Herbert Miller of Littlefield; three daughters, Mrs. B. E. Galyon, Mrs. W. A. Fincher and Mrs. John Morris, all of Fort Worth; one step-son, K. B. Noble of Portland, Ore.; two step-daughters, Mrs. G. E. Lentz and Mrs. Forrest Moore, both of Littlefield.

PERSONALS

Mr. and Mrs. E. R. Davis are leaving Friday for Dallas on a business-trip to buy materials for their upholstery business.

Billy Lyman, student at West Texas College, Canyon, Texas, spent the past weekend with his parents, Mr. and Mrs. Ben Lyman, here.

D. C. Lindley, Jr., and M. B. Melborn, students at Wayland College, Canyon, spent the past weekend here.

Mrs. W. R. Alexander and daughter, Polly Lou, spent from Thursday until Monday recently with her parents, Mr. and Mrs. H. M. Inman, at Kendrick, Okla., and her sister, Mrs. Rose Belew, and daughter, Joy Ann, at Oklahoma City.

Dan Berg, Willis Giddens and Wolf Shaw left Sunday for Dallas to buy merchandise for their respective dry goods establishments here. They were accompanied to Dallas by Ernest Connell, who also went on business.

Stafford Shipley left Thursday for San Jon, N. M., where he will join his uncle, and they will go in the vicinity of Santa Fe, deer hunting. He planned to return here Wednesday.

Mrs. S. G. Underwood was unfortunate enough as to fall Thursday and injure her back, and she has since been confined to her home.

Pedro Escobedo and son, Joe Escobedo, and Victoria Rios, all patients in the Payne-Shotwell Hospital receiving treatment for burns received when their house was destroyed by fire Monday of last week, were released from the hospital Saturday, and went to Lamesa to pick cotton.

Miss Robbie Bigham, member of the school faculty of Sonora, Texas, spent the past weekend in Littlefield.

B. H. Howard and A. T. Walker and Othel Walker of Fort Sumner, N. M., have gone on a deer hunt and expect to be gone about ten days.

SPRINGLAKE and EARTH NEWS

MISS BARDON AND ALTON HOLLINGSWORTH WED

Miss Sue Bardon, daughter of Mr. and Mrs. Bardon of Springlake, and Alton Hollingsworth, son of Mr. and Mrs. Arlan Hollingsworth, also of Springlake, were married Saturday, November 2, at Portales, N. M.

Mr. Hollingsworth is a graduate of the 1945 class of Springlake High School, and is one of the outstanding

WALTERS DRUG STORE STOKES DRUG STORE

football players with the Springlake Wolverines.

MISS WHEATLEY IS BRIDE OF REX ANGLE

Miss Winonah Wheatley became the bride of Rex Angley at Portales, N. M., Saturday, November 2.

The bride is a daughter of Mr. and Mrs. Alvin Wheatley of Earth, and a junior in Springlake High School.

The groom is a son of Mr. and Mrs. Jim Angley of two miles west and one-half mile north of Earth, and graduated from Springlake High School in 1945. He is a member of the Wolverine football squad.

Mr. and Mrs. Alton Hollingsworth and Mr. and Mrs. Rex Angley will be honored at a double miscellaneous bridal shower at the home of Mr. and Mrs. L. T. Smith, three miles east of Earth, Saturday, November 16, at 7 o'clock.

Mrs. Smith will be assisted by Mrs. Henry Doughty, and others, in the entertaining.

Miss Ernestine Fowler, student at West Texas College, Canyon, spent the weekend with her parents here, Mr. and Mrs. Ernest Fowler.

Two Candidates Initiated Into Loyalty Lodge

Loyalty Grove No. 2178 met in regular session Tuesday, November 12, 1946, at 7:30 o'clock, at the Legion Hall, with a large crowd in attendance, including ten team members and five officers.

Two candidates were initiated into the lodge; also, two were balloted on to be initiated within the near future. The committee reported three persons ill, and it was voted to send flowers and gifts to them from the lodge.

A special vocal number was given by Mrs. Lula Taylor and Miss Ima Jean Humphries, which was enjoyed by all.

It was voted at this time to give a Thanksgiving supper on November 26, at 6:30 p.m., at the Legion Hall for all Woodmen Circle members and their families. Everyone come and bring a nice covered dish and enjoy the evening of entertainment with us. The lodge closed in regular order.

### Honor Roll For Olton Schools

The Honor Roll for the Olton school for the first six weeks' period as released by Supt. R. L. Davidson, is given below. In order to make the Honor Roll a student must maintain "A" in citizenship, a "B" average of all subjects, with a grade of "C" or less in not more than one subject, and must not have any unexcused tardies.

Second Grade — Buster Cannon, Marvin Fisher, Bobbie Johnson, Gordon Thomas, Evelyn Critchfield, Nina Kay Williams, Essie Dianna Sluder, Donna Burrow.

Third Grade — Glenda Golden, Betty Lou Sides.

Fourth Grade — LaGene Manchester, Loy Goynes, Jo Ann Dalton, Johnny Estes, Eugene Edmondson, Edna Pool, Winnie Ratliff, Jan Prestridge, Maary Jane Vaughn, Kathryn Joyce Crawford, Joyce Keasler, Linda Franks, Guy Granbery, Barbara Cornelius, Catherine Dodd, James Thommarson.

Fifth Grade — Joline Hankins, Leabelle Sluder, Gayle Silcott, Gene Davidson, Alvis Jefferies, Sharon Speer, Billie Jean LaDuke, Fern Carson, Donald Workman, Linda Allen, Wanda Faye Van Doren, Wanda June Ivey, Billy Womack, Betty Russell, Amos Walden, Nova Nell Miller, June

Savage.

Sixth Grade — Jerry Nicholas, Barraine Fisher, Duris Sue Gray, Barbara Adams, Betty Carol Dalton, Lorraine Fisher, Doris Sue Gray, Dorothy Lou Gray, Very Kinkler, Rosalie McFadden, Edward Stinson, Travis Venable, Helen Bearden, Joyce Richardson, Joyce Van Doren, LaVerl Wickware, Wanda Workman.

Seventh Grade — Johnnie Boverie Doyle Simmons, Claudine Curry, Carolyn Jones, Patsy Messer, Juanita Peters.

Eighth Grade — Jim Speer, Nellie Fern Mathis, Mary Lou Measles, Lucille Parker, Norma Jean Sides, Evelyn Wilson.

### Bagwell Cleaners Changes Hands

Bagwell Cleaners has changed name and ownership, effective last Monday.

Mrs. C. LeBoeuf has purchased the plant from her sister, Mrs. Alvin Bagwell. She has renamed it Littlefield Cleaners. Mrs. LeBoeuf invites her sister's friends and customers, as well as her own friends, to patronize her in her new business.

# CHISHOLM FLORAL

J. E. CHISHOLM, Jr.

Owner and operator of Chisholm's Floral, J. E. Chisholm, Jr., has been in the floral business for the past 10 years, and at the present location five years. He is a graduate of Littlefield High School; attended Tech College, and also Lane's Floral School in Dallas. He spent 47 months in the Southern Pacific, and was discharged from the service in January, 1945.

ODELL MATTHEWS

Odell Matthews has been connected with the Chisholm Floral for the past eight months. He is a graduate of Crosbyton High School, and spent 46 months in the service. He served with the Field Artillery in the European theater of operations, and was awarded five combat stars. He was discharged in October, 1945.

ELVIS HESTAND

Elvis Hestand, son of Mr. and Mrs. E. A. Hestand, of Springlake, Texas, has been connected with the Chisholm Floral for the past eight months. He is a graduate of Springlake High School, and attended Abilene Christian College. After spending 37 months in the Air Corps, he was discharged in February, 1946.

## SUNDAY, NOVEMBER 17th

MANY THANKS FOR  
MANY FAVORS

...and we hope that you will be our guest Sunday.

At this time when we are presenting another expansion of our business, we wish to express our deep appreciation for the nice patronage we have received throughout the years since we established our business in 1936. Your business is always much appreciated and we hope that our enlarged facilities and expanded service will warrant your increased patronage and that we may have the privilege and pleasure of making many new friends. Our greenhouses, and special displays of flowers, are very beautiful, especially at this season, and we hope that large numbers will visit us Sunday and enjoy themselves among the plants and flowers and fellowship of friends.

Pictured here is the exterior of the three greenhouses, offering a total of 8100 square feet of growing space for flowers and pot plants.

## Olton School to Stage Harvest Festival Friday Night

### Special Feature Will Be Crowning of the Queen

### Event to Open At 7:30 o'Clock In School Auditorium

The Olton schools will hold their annual Harvest Festival in the school gymnasium Friday night, according to an announcement by Supt. L. Davidson. There will be a program beginning at 7:30 which will include music and a baby show.

The feature of the festival will be the Harvest Queen contest between the representatives of the first six grades. The crowning of the queen will follow the closing of the voting.

The P-TA will conduct the main event and plenty of good eats will be served. There will also be lots of popcorn, peanuts, gum, candy, balloons, confetti and serpentine to entertain the occasion.

The various organizations will operate a dollrack, bingo game, cake-eating, fish pond and other similar games for the enjoyment of all.

Hundreds of dollars in prizes will be given away, including an automobile record player.

In the past two years, a capacity crowd is anticipated.

An admission of 10 cents will be charged all. All proceeds will go to school.

### Return From REA Meeting at Austin

Mr. Carl, manager, and Ben Gann, Manager and L. G. Fox, directors, of the Lamy County Electric Cooperative, returned Thursday from meeting the Region 10 Texas Power Commission at Austin, which opened Tuesday and Wednesday of last week at the Stephen F. Austin Hotel in that city.

The very successful and beneficial meeting is reported, at which discussion of REA programs and problems was held.

Each year an estimated 2,500,000 pounds of sausage are consumed in the United States.

### Ex-County Judge Of Lamb County Passes Away

L. E. Ensign passed away at Papago Park Veterans' Hospital, Tuesday, Oct. 8th, 1946 at 11:55 p. m., near his home in Tempe, Arizona. Funeral services were held at 2 o'clock Oct. 11th at the First Methodist Church of Tempe with Rev. Hugh N. Lomor and Rev. Ed. G. Decker officiating. Interment was made in the Double Butte Cemetery of Tempe, Arizona.

Mr. Ensign was born in Farmers, Ohio, February 2, 1872, served in the Spanish-American War in Cuba and engaged in retail hardware business in Bryan, Ohio, before going to Olton. He went there in the early pioneer days of the town, operated the first hardware store, later was in the grocery business and post master for a term of years. In the year of 1916 was elected to the office of county judge of Lamb county and served as chairman of draft board during World War I. He loved his church work and served faithfully as superintendent of the Sunday school and was choir leader. He was a man who had his home and community at heart and fit into all legitimate activities of both social and civil affairs. He had many friends and was loved by all who knew him.

In the early part of 1920 Mr. Ensign moved to Tempe, Arizona, where he made his home until his death.

He is survived by his wife, Maude, two daughters, Miss Frances Ensign and Mrs. W. W. Cole of Tempe and a son, Donald of Clarkdale, Arizona, three grandchildren; a brother, Frank of Sacramento, Calif., and a sister, Mrs. Ella Richardson of Farmer, Arizona.

### LAST RITES HELD FOR MRS. BRISTOW

Funeral services for Mrs. J. W. Bristow were conducted at 2 p. m. Tuesday, Nov. 5, in the Church of Christ, Sudan, by J. A. Bristow, minister. Mrs. Bristow, born January 2, 1880, had died Sunday, Nov. 3.

Interment was at Sudan Cemetery. Hammons Funeral Home was in charge of arrangements.

Eighty University of Texas staff members are listed in the 1946-47 "Who's Who In America." All but one are men.

## Service Station Opening Set for Saturday

### Test Tubes for the Farm

Little heralded among the maize of bills which became law during the last week of the 79th Congress was one which represented a great victory for the farmer and the public generally—the Bankhead-Flannagan agricultural research bill.

Making possible the appropriation of research funds which at the end of five years will reach an annual total of 61 million dollars, the new agricultural research measure lays the ground work for large scale economic and scientific research on farm products.

Through the activities of the Department of Agriculture, the state experiment stations, state departments of agriculture, and public and private laboratories which will be called into the program, the American farmer will be provided with less costly production methods, better marketing practices, and new outlets for the multitude of products grown on the nation's farms.

At the outset, probably a large share of the utilization of product research funds will be devoted to cotton lint and seed. Thorough justification for such action is found in the fact that cotton's markets are challenged more severely than those of any other agricultural product.

Nevertheless, every farmer in the country will be favorably affected by the expanded research program from the very outset. Every farm product will be studied to determine its needs. Farmers will constitute a majority of the board which assists the Secretary of Agriculture in determining the overall policy of the research program.

But these new test tubes for the farm do not stand to benefit the farmer alone. The entire public will benefit in better and less costly consumer goods. The expansion of agriculture's markets will bring with it a decline in the need for subsidies which heretofore have been necessary to a decent farm living standard. Practical economics, science and agriculture form an unbeatable combination.

In heading the counsel of the Department of Agriculture, the National Cotton Council, the American Farm Bureau Federation, the National Grange, the land grant colleges and other agricultural organizations, and making the Bankhead-Flannagan Bill law, the 79th Congress has taken a step which may be recorded in history as one of its most useful acts.

### Drunkenness at Games Virtually Eliminated

Drunkenness at Texas Technological College home football games has virtually been eliminated following an intensive anti-liquor campaign conducted by the athletic department, in cooperation with grid fans, the press, student organizations and local police.

Morley Jennings, athletic director, early in the season posted "No Drinking" signs inside the Raider stadium, and fans have been warned at every game against drinking by announcements over the loud-speaker system. City and college publications have carried editorials against drunkenness and police have been instructed to remove intoxicated persons from the stands during the games.

### FORAMINIFERA ASSEMBLED

A world-wide scope to geologic work at the University of Texas is noted in the reference collections of foraminifera being assembled by Dr. Don L. Frizzell, associate professor of geology. Foraminifera are microscopic one-celled animals, and they play an important role in the search for oil. Samples have come from South America, Turkey, Japan, Okinawa, and elsewhere.

The Angora goat originated in the Turkish province of the same name.

### Notice to All School Children

Dollar cash prizes will be given for the best poster on "Safety" and the best story on "Safety" (the emphasis is to be on "Traffic Safety"). The P-TA, following the suggestion of the traffic safety committee, has donated six dollars to be given in prizes—two dollars in each school—one dollar for the best poster and one dollar for the best story.

This contest will be in all three schools, high school, grammar and primary. The contest closes Nov. 27.

The best stories not just the prize winners) will be published in the local papers, and the best posters will be displayed in downtown stores. Ask your teacher for further particulars. Enter the contest and win a dollar!

Observe these traffic rules in the school zones:

- Drive Slowly!
- Drive Carefully!
- Stop at Stop Signs!

Be on the alert at all times, and watch out for the children. Remember, some children are very small and your careful driving may save a child's life!

School children, look both ways before you cross the street, then cross in Safety Zones only!

### BOWLERS TO MEET IN AMARILLO NOV. 17

Representatives of all teams in the West Texas-New Mexico Bowling League will meet in Amarillo on November 17th for a conference and breakfast get-together to lay plans for the first post-war renewal of the West Texas-New Mexico bowling meet scheduled for some time in the spring, John Laughlin, president of the association, announced today.

The meeting will be held in conjunction with the three big-money tournaments to be held in Amarillo the weekends of November 16-17 and 23-24. The meets, the Panhandle Open, Singles Sweepstakes, and the Ragtime Doubles, carry an estimated total cash prize list of \$7,000. Entries already have been received from all the southwestern states and most of the area's top-flight bowlers will be on hand to roll for a slice of the cash.

### DAUGHTER BORN TO MR. AND MRS. R. L. (BOB) TAYLOR

Mr. and Mrs. R. L. (Bob) Taylor are the parents of a girl, born Wednesday, October 23, at West Texas Hospital, Lubbock. The little miss weighed 7½ pounds at birth and has been named Betty Jean. She is Mr. and Mrs. Taylor's first child.

## Morris & Son Carry Out Improvements On Highway 51

### Special Invitation Extended to Visit Formal Opening

Extensive improvements have been carried out by H. F. Morris and son, Floy, enlarging and improving their service station property on Highway 51, just south of Highway 84.

The extensive improvements have just been completed, and a special invitation is extended all automobile and truck owners to visit the new enlarged station. The formal opening will take place this Saturday, November 16.

The Morris & Son station has always had a big expanse of concrete driveways and parking accommodations, and this has been fully utilized in the improvement program which has just been completed.

The three lanes served by six pumps have been fully covered by an attractive canopy of sufficient height to accommodate anything that rolls on the Texas highways.

The new canopy has been fully illuminated for efficient servicing of cars and trucks at night.

Attractive lettering on the exterior of the canopy proclaims some of the products handled by Morris & Son, and at night neon lights illuminate the station and contribute an important improvement to that section of the city.

In carrying out the improvements Morris & Son gave special attention to adequate rest rooms.

Morris & Son are handling Airline Oils and greases, Marathon oils and greases, and Champlin Hi-V-1 motor oil and Champlin gasoline. They also offer a special service for the sale of kerosene.

They also plan to start soon tank wagon delivery of gasoline, oils and greases.

Mr. H. F. Morris has been in the service station business in Littlefield for the past 11 years. Mr. Floy Morris has been associated with his father in the business nearly the entire period, excepting for the time spent in the service. He served with the 36th Combat Engineers in the European theater of operations, going all the way from North Africa through France, Germany, and into Austria. He was discharged October 8, 1945, after two years in the service.

Herbert Pierce, son-in-law of Mr. Morris, Sr., and brother-in-law of Floy Morris, is also connected with the Morris & Son Service Station. He assisted in operation of the station for some time before going into defense work. After returning to Littlefield he opened the Pierce Grocery and Market, which he later sold to Hawk Brothers.

Poor Roads Cost Farmer Time and Money

Trucks have taken the place of "Old Dobbin" and "Bess" on most farms, but the change-over calls for a higher type of farm to-market road, Charles M. Upham, engineer-director of the American Road Builders' Association, told county highway officials in Washington, D. C., this week.

"Studies show that it costs approximately one to three cents more a mile to haul over roads that lack an all-weather surface, and 55 per cent of our rural highways are of that variety," Mr. Upham said.

"The farmer on an unimproved road also loses a lot of time since it has been shown that travel over surfaced roads is 50 to 100 per cent faster. This is especially important in the handling of perishable farm products. Studies also show that 63.6 per cent of all rural traffic is for business purposes, so loss of time and increased operating costs af-

fect the farmer's car as well as his truck," the engineer-director continued.

Mr. Upham pointed out that in 1939, 997,000 trucks were employed by agriculture, as against 1,600,000 in 1944. The ton and a half type is the most popular, representing 50 per cent of the total. Only 5 per cent is over this tonnage, with 45 per cent of the one ton or less variety. In 1939 one-fourth of all trucks were used on the farm. In 1944 agriculture claimed 34 per cent of this type of motor vehicle.

"Farmers themselves have the biggest stake in the immediate improvement of secondary roads," the road builder continued. "Mechanization of the farm has meant great advances in agriculture, but it has also meant increased operating costs. Better highways will help cut these costs. For example, tests made over all kinds of roads show that the better the surface the longer a tire will wear under normal driving conditions. Gas and oil consumption is also reduced on good roads. The farmer who keeps a cost record is always a strong supporter of improved highways," Mr. Upham concluded.

'TOWN AND COUNTRY' CHRYSLER CAR NOW ON DISPLAY AT LAVENDER MOTOR CO.

Chrysler's sensational new "Town and Country" car is now being displayed by Lavender Motor Company at Fifth Street and XIT Drive, Littlefield. This car is entirely new in design and construction, featuring the use of ornamental woods in the body. The result is distinctive, individualistic styling and flowing, symmetrical contours.

Formerly confined to four-door sedans of six- and nine-passenger capacity, the Town and Country line now comprises a four-door, six-passenger sedan, a luxury brougham, a roadster, a convertible coupe and custom club coupe.

President David A. Wallace of the Chrysler Division, who was the first to see the possibilities of transforming a strictly "utility" vehicle into an ultra-smart passenger car, took the success of the Town and Country model introduced in 1941 as an indication that this type of vehicle would lend itself to a large variety of body styles.

The complete line of Town and Country cars now offered was conceived and contemplated for the 1943 Chrysler line, which it was not possible to build due to war conditions developing. However, the artists' designs and everything else were well developed, together with the plans for manufacture.

In the summer of 1944, when the automobile industry was given authority by the government to do some development work on new designs, Chrysler's pilot models of the Town and Country line were completed. The program later had to be held up, but production plans were developed immediately after "V-J Day."

While this complete line carries the name given to the nine-passenger station wagon that Chrysler previously built, neither the styling nor any other part of it follows the original design.

All of the cars in the Town and Country line have the common characteristic of bodies built of two kinds of ornamental wood, left in their natural colors. Body members are of heavy white ash and the panels are of mahogany veneer securely attached to plymetal plates. The result of this type of materials and construction is a car that combines distinctive beauty with great structural strength. Although the Town and Country line is a development of the station wagon type of vehicle, it offers such advances in styling and comfortable

accommodations for passengers that it has lost all resemblance to its progenitor except the use of wood in the bodies. It has the beautiful flowing lines of the Chrysler steel-body types, while interiors have been given a luxurious treatment in upholstery and fittings.

WEEKLY SURPLUS WAA NEWS

HEREFORD, Nov. 13.—All roads throughout the Panhandle will lead to Hereford today (Nov. 13) as the War Assets Administration throws open the doors of the former prisoner of war camp in a huge "site sale."

Lumber, plumbing and heating equipment and supplies; electrical equipment and fittings, all stockpiled by WAA to offer for sale to aid in alleviating the critical housing shortage for World War II veterans, will be offered November 13, 14, 15, 18 and 19 to holders of HH priorities.

For the opening five days of the sale each holder of an HH Priority sufficient to complete construction of one five-room dwelling.

It will be a case of "first come,

first served" among the HH Priority holders when the doors are thrown open at 9 a.m. today, World War II veterans exercising a priority to build their own homes, contractors buying materials to build a home for veterans or contractors buying materials to construct homes for re-sale to veterans—all will line up according to their time of arrival at the Hereford POW camp.

WAA officials advise veterans to take US Highway 60 west of Hereford and to follow "site sale" markers over the grounds of the old POW camp to the "site sale." Prospective purchasers are advised that no deliveries will be made on the opening

GEMS of THOUGHT

INDIVIDUAL EFFORT

The best way to get to the top is by being the best man at the bottom.—V. H. Jones.

Merit exists without high position, but no one can reach high position without some merit.—La Rochefoucauld.

Is a musician made by his teacher? He makes himself a musician by practicing what he was taught.—Mary Baker Eddy.

Your circumstances may be un congenial, but they shall not long remain so if you but perceive an ideal and strive to reach it! You cannot travel within and stand still without.—James Lane Allen.

Straight from the Mighty Bow this truth is driven: They fail, and they alone have not striven, Clarence Army.

The race advances only by the extra achievements of the individuals. You are the individual.—Towne.

day of the sale, and purchasers will obtain purchased materials starting the morning of Nov. 14.

A large number of the former POW camp buildings have been demolished and the materials carefully stockpiled for this event. Should any materials remain beyond the initial five-day selling period, WAA announced that it will then be offered to established sellers of building material who certify to WAA at the time of purchase that all such material will be publicly offered for sale to eligible priority holders. There will be no limitation on quantities which may be purchased after the opening five-day period.

Want to buy an island and escape from it all?

The Army is withdrawing its troops from Angel Island which it has garrisoned almost continuously for the past 183 years, and is turning it over to War Assets Administration for disposal.

No valuation has yet been placed on the 640-acre island, largest in San Francisco Bay, but plans are now being made by the WAA office in San Francisco for appraisal and classification of the property.

Relief At Last For Your Cough

Creomulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel germ laden phlegm, and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. Tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough or you are to have your money back.

CREOMULSION For Coughs, Chest Colds, Bronchitis

Priority claimants, hardware dealers, department stores, jewelry stores, hotels and restaurants will be interested in the news from WAA that, through the Seattle office unused government surplus silverware of distinctive style and appearance is being offered for sale until Nov. 15. All made by nationally known manufacturers, the silverware is offered at low prices and delivery can be had within five days. Orders may be sent direct to the Seattle WAA office.

### MOVING PICTURES ON COTTON RAISING SHOWN AT LUNCHEON MEETING THURSDAY

J. D. Hagler was in charge of the program at the regular weekly luncheon meeting of the Littlefield Rotary Club Thursday, and showed moving pictures on cotton raising in West Texas.

The main features brought out in the pictures were: how certified seed is produced, and the new type by which it is planned to grade cotton in the future—that of grading it by tensile strength of fibre, and also by its weaving qualities, instead of length of staple.

The pictures also showed students in the laboratories at Texas A. and M. grading the cotton in the above manner.

Results brought about by defoliation of cotton was also featured in the pictures.

### WAA REPRESENTATIVE TO VISIT LUBBOCK

LUBBOCK, Nov. 13. — Veterans throughout the Panhandle and West Texas areas who have not previously applied to War Assets Administration for the necessary certification to participate in surplus property disposals will have their only opportunity during November to avail themselves of a visit by WAA field representatives to Lubbock.

Doyle Smith and James L. Adkins from the Fort Worth WAA office will be at the Veterans County Service Office, 910 Texas Avenue, Lubbock, from 9 to 12 and 1 to 5 on Friday, November 15. Normally two visits are made each month but, due to the Thanksgiving holiday, there will be no second visit in November. Smith stated that there are two "site sales" of tremendous quantities of surplus goods shortly to open, the first one at Fort Worth Quartermaster Depot later in November, and another at Camp Bowie, near Brownwood, early in December.

### INITIATED INTO PHI ETA SIGMA AT TECH COLLEGE

Three students at Texas Technological College from Littlefield were initiated November 3 into Tech chapter, Phi Eta Sigma, national honorary scholastic fraternity for men students doing outstanding work in their freshman year.

They included Calvin L. Carpenter, son of Mr. and Mrs. R. H. Carpenter, who is a sophomore animal husbandry major; Pryor Hammons, son of Mr. and Mrs. Pryor Hammons, who is a freshman pre-med major; and Bobbie J. Taylor, son of Mr. and Mrs. A. B. Taylor, Sr., who is a freshman electrical engineering major.

Tech is one of three Texas colleges that have received Phi Eta Sigma charters.

**MORE EGGS SHIPPED**  
Egg shipments were higher in Texas in September, compared with September a year ago, the University of Texas Bureau of Business Research reports. Eggs received by rail at Texas stations totaled 90 carloads, while in September, 1945, only 37 carloads were received.

### Information For Veterans

#### QUESTIONS AND ANSWERS

Q. Is a veteran eligible for readjustment allowance benefit if he settles in Canada or Hawaii?

A. Residence in the United States, its territories or possessions is a definite eligibility requirement for readjustment allowances. Veterans living in Canada are not eligible. Veterans living in Hawaii are eligible if they meet all other eligibility requirements.

Q. I obtained a GI loan on which the government guarantee was \$2,500. Recently I lost my job and would like to know if I'm eligible for unemployment compensation provided in the GI Bill?

A. The fact that you obtained a GI loan does not affect your eligibility for readjustment allowances. You may receive them if you meet the requirements specified by law.

Q. My son has been pursuing a course of training under the GI Bill, but finds that he can't afford to continue and support himself and his family. Can he terminate his course at any time without notifying Veterans Administration?

A. A veteran should not quit his course of education or training without notifying or obtaining the approval of the Veterans Administration regional office handling his claim. This is necessary so that he will be qualified for further training.

### Applications For Army Commissions To Be Received

Congress has authorized an increase in size of the Regular Army Officer Corps from 25,000 to 50,000. Applications for Regular Army commissions will be received until December 31, 1946. These applications must, however, be postmarked prior to December 31, 1946, to receive consideration.

Former officers of World War II whether now on active duty or who have returned to a civilian status, may apply.

Application forms and detailed information may be obtained at any Army post, camp, station, airbase, recruiting office, or from Organized Reserve Headquarters, 115 East 4th Street, Amarillo, Texas.

### JAMES B. WHAREY LIBRARY PRESENTED TO UNIVERSITY

The library of the late Dr. James B. Wharey, described as a "scholar's collection," has been presented to the University of Texas by his heirs, Mrs. W. R. Grey of Davidson, N. C., and Mrs. Louise C. Abrams of Bellingham, Washington. Dr. Wharey was particularly interested in English literature and John Bunyan, and his books reflect this interest.

Dr. Wharey was on the University English faculty for 33 years.

### Drop In Farm Prices Foreseen

A sharp but temporary drop in agricultural prices within the next few months is foreseen by Prof. E. L. McBride, head of the department of agricultural economics at Texas Technological College.

This temporary break will probably last only about a year, and will be followed by an economic adjustment period when prices will rise again for several years, McBride predicted, to be followed by a real and serious economic depression.

The national income has increased about 250 per cent since 1939, he pointed out, while agricultural production has increased only 25 per cent and industrial production has risen about 65 per cent. National buying power so far exceeds the number of goods available, that prices have risen entirely too high. The approaching trend back to normalcy will cause a sufficient drop to be termed a market crash, McBride explained.

However, production cannot get back in line with demand for a long time, the professor said, predicting that six or more years will elapse from now before production exceeds demand, causing a serious depression.

### Examinations Given For Civil Service

South Plains Army Air Field at Lubbock, Texas, has announced that examinations are being given for several different civil service positions. Examinations may be taken from the present date through Nov.

19. The examinations are unassembled and based on applicant's statements and previous experience. The positions for which tests are given are: senior warehouseman; warehouseman, foreman, aircraft radio and electronic equipment installer; aircraft radio

and electronic equipment installer; senior automotive equipment repairer; and automotive equipment repairer.

Places of employment will be War Department establishments in the vicinity of South Plains Army Air Field.

Application blanks may be secured from any post office where notice of the examination is posted, from the executive secretary, Board of U. S. Civil Service Examiners at SPAAF, or from the regional director, Fourteenth Civil Service Region, 210 South Harwood Street, in Dallas.

Appointments will be probational and are open only to those between the ages of 18 and 62, appointments to become permanent on completion of the necessary probationary period.

"Latest reports from abroad indicate that the acreage of the next crop in cotton producing countries of the British Empire will be restricted by the need for increased food production."—The Cotton Digest.

By GRAHAM HUNTER

**Cotton and Corn Continue to Sag; Rise in Livestock Is Noted**

Cotton and corn continued to sag last week in contrast to higher prices for livestock and peanuts and mostly steady prices for other southwest farm products, according to USDA's Production and Marketing Administration.

Peanut prices to farmers advanced to about \$5 to \$10 per ton above the CCC support price. However, some trading continued at this level. Growers began to store more of their peanuts for selling later in the season.

Rice markets held firm at maximum OPA levels influenced by continued urgent demand and limited offerings. Farmers reported heavy losses due to last week's floods.

Wheat and oats remained unchanged but corn moved steadily downward with barley in tow. Sorghums rallied last mid-week, but later dropped to the lowest level of the season. Feed demand slackened as the trade began to fill its needs. Prices were still higher than former ceilings. However, wheat mill feeds and soy bean meal showed signs of weakness.

Increased movement of southwest fruits and vegetables met with fair demand at generally steady prices last week. Texas producing areas reported slightly stronger markets for beans, cucumbers and tomatoes, but somewhat weaker for peppers, eggplant and spinach. New Mexico carrots and Louisiana sweet potatoes held about steady as did Texas citrus. Colorado potato and onion sales were stymied because of snow with prices and demand dull.

Poultry and egg prices held about steady at southwest markets last week despite slow demand and increased supplies of red meats. However, movement was light due to rain. Turkeys were weaker with Fort Worth quoting toms at 25 to 27 cents a pound.

Demand for wool was slow last week due to the election which is expected to be the turning point in the trend of business since the trade sees easing of controls by new Congress.

Most lambs were steady to stronger last week compared with the previous week, but some aged sheep were off. Broad demand cleared light hog receipts at stronger prices last week. Top butchers were quoted at \$24.50

per hundred, San Antonio; \$25, Fort Worth and Oklahoma City; \$23.75, Wichita; and \$26, Denver.

Cattle prices turned upward last week as receipts declined around the market circle and trading continued active. Houston sold common and medium steers and yearlings at \$12 to \$15.5 a hundred pounds and good cows at \$12.25 to \$13. San Antonio moved medium grass steers at \$17 to \$20 and medium and good cows at \$11.50 to \$14.50. At Fort Worth medium and good beef steers and yearlings brought \$16 to \$22, and medium and good cows \$11.50 to \$14.50. Medium and good steers realized \$18 to \$20 at Oklahoma City, and \$19 to \$25, Denver. Medium and good light steers sold at \$17 to \$20 a hundred, Wichita.

overseas one year. For his meritorious achievement in combat he was awarded the Air Medal with seven Oakleaf Clusters, the Distinguished Unit Citation with several clusters, the Pacific Theater Ribbon with five stars, and the Philippines Liberation Ribbon with one star.

**GIN 2085 BALES**

Census reports show that 2085 bales of cotton were ginned in Hockley County from the crop of 1946 prior to Oct. 18, as compared with 683 bales for the crop of 1945.

## Locals to Catch Lobos on Rebound from Muleshoe Loss

Levelland No Cinch Despite Loss in Score Fest Last Friday

Littlefield will catch Lobos on rebound Friday night and locals need not expect a picnic at the expense of the Lobos.

Although they lost in a scoring fest at Muleshoe last week, the Lobos will definitely be on the comeback trail, especially since they are playing in their own backyard.

The Cats should be in pretty good physical condition, barring practice mishaps this week. They have had a week to recover from old injuries suffered in the last few games.

Unlike Sudan, who has two more "breathers" on their schedule before Thanksgiving, the Wildcats will have to be on their toes Friday night. Littlefield is always out to skin the Cats and they won't be in the mood for a loving match this time.

Next week Tahoka invades Seely field in a non-conference game, which shouldn't tax the Cats too much and certainly won't hurt their conference standing if they should slip.

### Last Week's Results

Muleshoe 25, Levelland 18.  
Morton 38, Abernathy 6.  
Springlake 6, Olton 0.

### Season's Standings

Team	W	L	T	P	OP	Pct.
Littlefield	7	0	0	217	70	1.000
Sudan	5	2	0	125	106	.714
Muleshoe	5	3	0	110	101	.625
Levelland	5	4	0	134	96	.556
Olton	5	4	0	159	81	.556
Abernathy	3	6	0	69	206	.333
Morton	2	4	1	118	163	.333

### District Standings

Team	W	L	P	OP	Pct.
Littlefield	4	0	167	26	1.000
Sudan	3	0	67	26	1.000
Levelland	3	2	108	49	.600
Muleshoe	3	2	78	89	.400
Olton	2	3	77	75	.400
Abernathy	1	4	80	160	.200
Morton	0	5	12	172	.000

### This Week's Schedule

Littlefield at Levelland.  
Abernathy at Sudan tonight.  
Olton—Open.  
Muleshoe—Open.

## Springlake Wins Over Mustangs 6-0

SPRINGLAKE.—Springlake's class eleven exploded for a touchdown in the second quarter Friday night, then staved off an Olton threat to defeat the Mustangs 6-0.

Alton Hollingsworth plunged over the Springlake tally. The Mustangs threw a scare into the locals in the third period.

## Hale Center Wins Lubbock

LUBBOCK.—A scrappy Hale Center eleven, completely dominating the first half, staved off a Cowhand Black bid during the late stages to emerge with a 19-6 victory at Chapman Field Friday night.

## OLTON-SUDAN GAME FOR NOVEMBER 21 IS TRANSFERRED TO MASTEN STADIUM; HORNETS, ABERNATHY TO PLAY TONIGHT

## C. of C. Honors Football Players

Coach J. S. Fikes' football players got a closeup of some of their supporters last Thursday night at a dinner given in their honor by the Chamber of Commerce.

After the feast, E. C. Cundiff, secretary of the Chamber of Commerce, took over as master of ceremonies. Coach Fikes introduced those football players who were present and made a short speech, thanking the Chamber of Commerce in behalf of his charges.

He warned the fans that Levelland and Sudan will be playing inspired football against Littlefield and their past record is no indication of their strength when the locals tangle with them.

Mr. Cundiff introduced Paul Pharris, president of the Lions Club, who praised the school boys for their "swell sportsmanship."

Rotary President Harvey Lee also thanked the boys for their good sportsmanship and explained the importance of it in the future when they become business men to take the place of the present generation.

Wayne Brown, who pinch-hit for Jack Pope, Junior Chamber of Commerce president, told the group his organization's job was to advertise Littlefield and the football team was doing a fine job in aiding them.

Other speakers included Jack Christian, who has officiated at several Wildcat games and spoke for the Senior Chamber of Commerce. Mayor A. C. Chesher thanked the boys for their fine play.

After the speakers had finished, Bill Chesher, manager of the local movie theaters, passed out tickets to the players and coaches to see Ginger Rogers in "Heart Beat."

## 'Holiday in Mexico' To Be Featured At Palace This Week

Six of Hollywood's top names in talent—Walter Pidgeon, Jose Iturbi, Roddy McDowall, Jane Powell, Ilona Massey and Xavier Cugat—join forces in the elaborate new M-G-M musical, "Holiday in Mexico," filmed in Technicolor and opening Sunday at the Palace and continuing through Sunday and Monday.

Pidgeon comes to his new role as the American ambassador to Mexico, following his hit portrayal as the war correspondent in "Week-End at the Waldorf." The musical marks Miss Massey's first appearance at M-G-M since she teamed with Nelson Eddy in "Balalaika," and also the first role at her home studio for Miss Powell, sensational singing youngster.

Roddy McDowall, who plays his first romantic role as Miss Powell's boy friend, was last seen in "The White Cliffs of Dover."

"Holiday in Mexico," with a vivid below-the-border setting, provides a natural background for the Latin-American rhythms of Xavier Cugat and his famous band. The picture was produced by Joe Pasternak and was directed by George Sidney, the pair who gave the screen the successful "Anchors Aweigh."

The nation's veteran population by the end of September had increased to more than 17,500,000 veterans of all wars and peacetime service, Veterans Administration has announced.

## Morton Triumphs

MORTON.—Morton deserted Abernathy in the district 6-A basement here Friday night by trimming the Antelopes, 38 to 6.

Kenneth Willis scored two touchdowns and Jack Sherley, Bobby Graham, Edward Neagle and Jimmie Willis each contributing one. Kenneth Willis, Graham and Neagle each counted a touchdown five minutes after the second half started. Abernathy scored in the second quarter. Jack Taylor, Joe Ed Sullivan, Bobby Rhine and Billy Wade were line standouts for Morton.

## New Passenger Tires Continue To Be Scarce

New passenger cars will lack a spare tire for some months to come, the Civilian Production Administration has announced.

The control agency said nationwide surveys showed that demand for tires was as great in most areas last month as in June, with a similar shortage of small truck tires. CPA said only 4 per cent of the tire dealers reported any stock on hand.

Printing at the Leader office.

## Jackets Hand Lobos District 5 Defeat

MULESHOE.—Muleshoe's Yellow-jackets handed the Lobos of Levelland a 25-18 setback here Friday in a district 5-A game, moving the Muleshoe eleven into a third place tie with the Lobos in the district standings.

With the score knotted at 6-6 at the half, Bobby Hart of Levelland returned the opening kickoff from behind his own goal line for a touchdown. Muleshoe drew even again in Jim St. Clair's pass to Wiley Moore, good for a touchdown. Moore scored again on a pass interception, and Levelland powered one over for the final score.

## Sudan to Install Traffic Light

Installation of a blinking traffic light at the intersection of Sudan's main street and the highway has been adopted as a Chamber of Commerce project, President Claude Wiseman has announced.

Since the motorcycle-truck collision last summer, and other narrow escapes from accidents at the spot, Chamber of Commerce members have decided a traffic light is needed to prevent further mishaps. It is planned to request the city to install and maintain the apparatus on a 50-50 basis, since the traffic policing is under jurisdiction of municipal officials.

Oyster dredges often pull in as many starfish as they do oysters.

Christmas Cards at the Leader office.

## Littlefield and Seminole Indians Are Only Undeclared Class 'A' Teams On Plains; Indians Down Sundown

### IS GRANDFATHER

Tom Davis is the proud grandfather of a boy, born Tuesday, Nov. 5 to Mr. and Mrs. Hugh Davis at San Angelo. The youngster was named Thomas Hugh, the same as his granddad, which made Mr. Davis very happy. He said he knew the news would finally get into all the big papers (in spite of all he could do) so he didn't want his home paper to be "scooped." Now, there is loyalty for you!—Anton News.

### SEMINOLE.

The Seminole Indians crushed Sundown here Friday night, 34 to 7, to hold onto the leadership in district 6-A.

The victory was the eighth of the season and sixth conference win for Seminole, while Sundown dropped out of second place through the loss.

Seminole and Littlefield, in district 5-A, are the only undefeated class A teams in the South Plains districts.

### ANDREWS IN SECOND PLACE

ANDREWS.—Andrews kept its second-place pace in district 6-A by walloping Seagraves here Friday night, 39 to 14.

**Sudan Flier Given Gold Star Award**

Lt. Ellis Griff Boyles, USNR, son of Henry Griff Boyles of Sudan, has been awarded the Gold Star in lieu of a second Air Medal by Secretary of the Navy James Forrestal for the President.

Lieutenant Boyles received the award as pilot of an aircraft, during a strike against enemy shipping and installations in the Bonin Islands, Aug. 5, 1944. In spite of intense anti-aircraft fire, he attacked and destroyed an enemy patrol bomber.

Text of the citation is as follows: "For meritorious achievement in aerial flight as a pilot in Fighter Squadron S, attached to the USS Bunker Hill, during a strike against enemy shipping and installations in the Bonin Islands, Aug. 5, 1944. Courageous and daring in combat, Lieutenant Boyles fought his plane brilliantly in attacking and destroying an enemy patrol bomber under extremely hazardous conditions. His coolness, courage and skill on this and numerous other occasions were in keeping with the highest traditions of the United States Naval Service."

Farm cash income in Texas was higher in September, principally because of cotton marketing, the Bureau of Business Research at the University of Texas reports. Income totaled \$135,219,000.

The history of pensions or other aid for disabled war veterans or their dependents dates back to A. D. 6, the time of Augustus, the first of the Roman emperors, Veterans Administration says.

**Smart Styling Marks 1947 Frazer**

The smart front-end styling of the 1947 Frazer automobile blends with the flowing front-to-rear fender lines of the new automobile to create a styling sensation. Note the extra large, 765-square-inch windshield, which provides exceptional visibility for the driver and passengers.

**Considerably More Cotton Ginned This Year Than In 1945**

South Plains counties had ginned more than five times as much cotton this year prior to Oct. 18 as to the same date last year, but still show only a relatively small percentage of a normal crop, it is revealed in figures released by the Bureau of the Census of the Department of Commerce.

Ginnings in 11 of the 15 South Plains counties this year totaled 33,362 bales, compared with 6,570 to the same date last year, the report shows. Figures are in running bales. Totals for the state are 983,433 this year, and 830,862 in 1945.

Running true to earlier predictions, Lubbock County, where irrigation is more extensively used for cotton than any other area county, has ginned nearly one-fourth of the territory's total. Dawson County, however, is leading Lubbock County by about 800 bales, with Lynn in third place, about 2,000 bales lower. Thus the counties account for more than three-fourths of the cotton ginnings in the entire area.

Some counties, notably Terry, Cochran and Gaines, normally heavy cotton producers, are not individually listed in the production table, but are included among "all others" in the production-total slate.

The report lists comparative ginnings by counties as follows:

County	1946	1945
Crosby	1,418	943
Dawson	9,434	682
Dickens	1,155	495
Floyd	547	84
Garza	110	62
Hale	690	133
Hockley	2,085	683
Lamb	2,072	249
Lubbock	8,666	2,235
Lynn	6,781	642
Motley	404	362

Totals.....33,362 6,570

**STORY IS DOUBTED**

U. S. Army agents in Stuttgart, Germany, are investigating with frank skepticism, the story of a recently captured SS. lieutenant colonel that Adolph Hitler is still alive and can be heard addressing his followers over a secret radio transmitter.

**Mahon to Retain Membership On Appropriations**

Congressman George Mahon of the 19th Congressional district of Texas has announced that he will retain his membership on the House appropriations committee, although as a member of the minority party.

When the 80th Congress convenes, Congressman Mahon pointed out, the appropriations committee will be composed of 19 Democrats and 26 Republicans, in view of the Republican victory in the general election. Although he was uncertain as to the number of ranking Democrats on the committee who retained their seats, he surmised he would be forth ranking committee member.

The West Texas Congressman will lose his chairmanship of the government's corporations sub-committee (which deals with about 20 corporations, including credit commodity, crop insurance, farm credit and TWVA), to Rep. Ben Jensen of Iowa. Instead of committee chairman, Congressman Mahon will be the ranking minority member.

He will continue to serve on the War Department appropriations sub-committee, as one of three Democratic members, with the chairmanship going to Rep. Elbert Engel of Michigan.

He also will continue to serve on the independent offices sub-committee (dealing with the Veterans Administration and the Public Roads Administration), as Rep. B. O. Wiggleworth of Massachusetts, becomes chairman.

Also when the new Congress meets, it will be Congressman Mahon's turn

to become chairman of the Texas delegation, replacing Rep. Milton West of Brownsville.

Congressman Mahon expressed his opinion that it is fortunate that the Democratic party, having lost control of the House, also lost out in the Senate, saying responsibility will be more clearly placed and there will be less confusion than there would be. To have one party in control of the two legislative bodies.

To have one party in control of both houses," he said, "is generally to public interest," pointing out that the South stands little chance of gaining anything at the hands of a Republican regime in any case.

**THANK YOU, MOTHERS!**

We take this means to thank each mother who so generously contributed to our food booth at the school Halloween carnival.

We sold \$130 worth of food and, without your help, it would have been impossible.

We also want to thank the school cafeteria for their donation. Come to our P-TA meeting and help plan how this money should be spent for the best interests of our children and teachers.

A. H. Maddon and wife, Beva Maddon, to I. H. Avery, all of W 1/2 of section 37, block No. 1, W. E. Hal-

**Price Control Board Closes Offices Here**

The Price Control Board at Littlefield, serving the counties of Lamb, Hockley, Cochran and Bailey, closed its offices November 4, last.

This step marks the conclusion of almost five years of unprecedented service by patriotic citizens of these counties.

Now that President Truman has announced the program for accelerating the remaining wartime controls, Price Administration Paul A. Porter has determined that the remaining functions of local boards can be continued by the district OPA office at Fort Worth, Texas.

The following information is given as to the conducting of OPA business in the future:

1. Trade and consumer inquiries about price control formerly handled by price control boards should be addressed to the OPA district office in Fort Worth.

2. Certification of transfer covering sales of used passenger automobiles may be obtained from principal auto dealers. Dealers should request additional supplies from the OPA Regional Mail Center, at Dallas.

3. Sugar rationing has been administered from the district office since last January. In the future, sugar forms required by the trade and consumers may be obtained from the district office.

4. Pending compliance, actions by the board will be transferred to the district office.

5. The local board office closed for the transaction of public business on November 4. However, the paid clerical personnel will continue on duty during the month of November in order to transfer records to the district office and to perform the many other duties involved in closing the board.

sell's subdivision, containing 320 acres of land.

Eva Halsell McCluskey and husband, to Estelle L. Davis and Henry G. Davis, Labor 13, out of League 643, State Capitol Lands, containing 177.1 acres of land more or less.

**Marriage Licenses Issued**

Remus Crowder and Lou Alice Scott, Nov. 5.

**From where I sit ... by Joe Marsh**

**How to Handle a Fortune**

Some months ago I reported in the *Clarion* how Mel Bate's uncle died up north, and left him with a tidy fortune.

Naturally, our town was curious to see how Mel would spend it: Traveling around the world . . . getting a new house or car . . . wearing fancy clothes . . . or dining on cold pheasant and champagne . . . ?

We can now report, Mel hasn't changed a bit! Drop in on him any night, and you'll find him in his shirt sleeves by the fire, chatting

with the Missus, sharing a mellow glass of beer with friends.

From where I sit, Mel has learned the art of handling money—as well as handling people. You don't let cash-in-the-bank push you around any more than you let people push you around. If you like the simple, homey life; companionship and quiet ways; a glass of beer and friendly talk—that's worth a fortune, after all!

*Joe Marsh*

Teachers' meeting Wednesday, 8:30 p.m.

"Sunbeams" singing Wednesday, 8:30 p.m.  
A friendly church with a warm welcome.

**CHRISTIAN SCIENCE SERVICES**

"Mortals and Immortals" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, November 17.

The Golden Text is: "Thou art no more a servant, but a son; and if a son, then an heir of God through Christ" (Galatians 4:7).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "The Spirit itself beareth witness with our spirit,

that we are the children of God" (Romans 8:16).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "God and man are not the same, but in the order of divine science, God and man co-exist and are eternal. God is the parent Mind, and man is God's spiritual-offspring" (page 336).

**SALVATION ARMY**

Envoy and Mrs. H. C. Seago

### FOURTH ARMY WEEKLY NEWS DIGEST

**FORT SAM HOUSTON, Texas.**—The following units of the Oklahoma National Guard have been accorded federal recognition, according to announcement in Washington by Major General Butler B. Miltonberger, Chief of the National Guard Bureau: Headquarters and Headquarters Company, 1st Bn. 18th Infantry. Headquarters and Headquarters Company, 179th Inf. 45th Division Band. Medical Detachment 45th Division Artillery. Service Company 179th Infantry. Headquarters Special Troops 45th Infantry Division.

**WASHINGTON, D. C.**—A new type heat tablet known as trioxane will be used this winter in Army Ground Forces task forces "Frigid" and "Williwaw" in Alaska and the Aleutians, according to announcement by the War Department.

Developed by the Quartermaster Corps, the trioxane tablet is approximately three inches long 1 1/4 inches wide and 5/16 inches thick. In still air one tablet supplies sufficient heat to raise the temperature of a pound

of water 100 degrees Fahrenheit. Also to be tested in the same conditions is the hexamine heat tablet, used by some American and Allied units during the recent war.

**WASHINGTON, D. C.**—Suggestions from civilian employees saved the Government \$11,853,392.78, according to announcement from the War Department of results of the first year's "Cash For Your Ideas" program.

Winning suggestions were submitted by employees at all Headquarters and Army stations throughout the country. The cash awards ranged all the way from \$5 to \$2,002.92 for a suggestion design of a technical device for repairing critical equipment.

Many Army commanding officers, not content with promulgating the campaign, took active parts in it, cooperating with the civilian employee committees.

**WASHINGTON, D. C.**—The War Department's efforts to reunite officers and enlisted men with families overseas are faced with critical conditions due to housing shortages abroad and an economy dictated shortage of suitable vessels, it was announced here.

It was reported that in spite of the efforts of theater commanders, housing in Germany has reached a saturation point and housing possibilities in Japan similarly are inadequate.

To insure fair and equitable movement of dependents, the existing priority system for transportation and housing provides a single list for each theater, without regard to rank, grade or rating of personnel concerned, but based solely upon length of overseas service and a condition that the overseas personnel concerned will be on duty a year after arrival of dependents.

Up to Sept. 30, over 15,000 dependents had been moved to all theaters. The priority waiting list numbers 6,600. Thousands of other applications which have been received have been refused by theater commanders owing to the adverse conditions.

**WASHINGTON, D. C.**—High tribute was paid chaplains who served in the U. S. Army during the war by General of the Armies Dwight D. Eisenhower, Chief of Staff, at the opening session of the 16th annual convention of the Chaplains Association of the Army and Navy of the United States held here recently.

"The chaplains of our armed forces have served with great distinction at home and abroad," said General Eisenhower. "Wherever Americans in the uniform of our country were to be found, on land or sea or in the air, at home or on foreign soil, in training and in combat, in rest camps or in hospitals, the Chaplains of our armed forces were present, responding to the religious needs of all personnel and making their inestimable contribution to morale."

**WASHINGTON, D. C.**—Competitive tests to develop leadership in cavalry platoons will be renewed during the coming year, according to announcement here by General Jacob L. Devers, Commanding General, Army Ground Forces.

Since modern cavalry and armored units are so much alike competition will be open to all tank and reconnaissance platoons alike, it was said.

The tests were instituted in 1928 when an anonymous donor gave \$35,000, the income from which was to be expended for awards. The tests, except during the war, have been an

annual event ever since. The tests have been divided into four parts:

The Army Ground Forces Fitness Test, Disciplinary record of Platoon, tactical motorized march of over two hours, bivouac and night movement to an attack position, inspection of clothing and equipment, and Army Ground Forces Firing Test.

**WASHINGTON, D. C.**—Shortage of envelopes has delayed mailing of Terminal Leave Bonds to veterans, according to announcement by the War Department.

Major Gen. W. H. Kasten, Chief of Finance, said that the shortage of envelopes of proper size will be overcome some time during November, and the bonds should be mailed by then. Bonds will be dated from date of discharge, will mature five years from that date and will bear interest at 2 1/2 per cent per annum.

**FORT SAM HOUSTON, Texas.**—Supplemental applications for commissions in the Regular Army to the number of 3,672 have reached Headquarters Fourth Army, Fort Sam Houston, according to announcement. With these were 112 new applications for commissions in the regular military establishment.

Supplemental applications are from officers who passed the examination for the first appointments and were placed on a waiting list. It is expected that many more will arrive before the closing date on which the supplemental applications can be mailed which is midnight November 30. New applications, however, may be mailed up to midnight December 31st.

**WASHINGTON, D. C.**—That all prison sentences imposed upon enlisted men in connection with the Lichfield Prison case have been rescinded was made known by Under Secretary of War Kenneth C. Royal, in an address before the West Virginia Bar Association, given at Clarksburg, West Va., October 25.

In his address Mr. Royal told of the studies being made by the Committee of the American Bar Association now studying the questions involved in procedure in the Army court martial system.

"The War Department is awaiting with interest the final action of the committee. It is our hope—and confident expectation—that as a result of the report we can recommend legislation which will give us for the future an improved court martial system—one better from every viewpoint."

**WASHINGTON, D. C.**—The War Department has announced that any Non-Regular Army officer who has completed 24 months of active service and is on duty overseas may apply for immediate separation from the Army. Applications must be received by December 1.

### How Cold Was It Yesterday? Ask O. N. Robison

If you want to settle an argument or wonder what the temperature yesterday, just drop around to O. N. Robison, the furniture man. It is a hobby Mr. Robison started years ago at the passing of Hall, late father of Jake and Hall, the grocermen.

Mr. Hall kept a daily record of temperature, rain, clouds, freezes and all the other things weather man keeps tab on. His friend, Mr. Robison, decided it should be kept up, and took it himself to carry on the hobby.

No, Mr. Robison doesn't try to forecast the weather.

### EIGHT CENTS COST PER POUND

"Facing the same weather conditions as other cotton farmers, plowing land generally regarded as sorry cotton land, one hired using the latest machinery produced cotton this season at a cost of approximately eight cents a pound the Montgomery County plantation Col. Price McLemore." — Alabama Farmers State.

Apply for immediate separation from the Army. Applications must be received by December 1.

"...here's Coffee with Quality!"

Yes, ADMIRATION is coffee with real quality—a truly distinctive blend with fine, full flavor, satisfying, mellow richness, and smooth, inviting aroma. Every pound of ADMIRATION is "Cup-Tested" to maintain its superior quality, and the personally "Cup-Tested" ADMIRATION way is the ONLY way to assure the same perfect blend, package after package.

**IT'S "CUP-TESTED"**
