## UF Drive Begins Monday Here

Try Plainview Here

### Area Gridders Will Tangle Friday

This should be a game we can win," John Howle, head coach of the Plainview Bulldogs, said today. The game in question is the Plainview Bulldogs' Friday night.

Game time for this one contest is 7:30 instead of 8, because of the Plainview schedule. Continuing his comments about the game, Howle said, "Don Williams will have his team ready and probably high for the game because he wants to make a good showing for the Littlefield fans." Williams was head coach here for the past four years leaving this season to take a similar position at Plainview. Plainview is winless this season having lost to Big Spring, Hereford and Amarillo Sandies. They are reported to have a young inexperienced team. "Our boys have been working hard this week," Howle remarked, "especially on moving the ball inside the 20 yard marker." The Wildcats have been able to penetrate several times in each game, but can't

seem to find the magic to move on into the end zone. The Wildcat starting lineup will be the same as last week according to Howle. "We hope the local fans will come out Friday night and support the team," the coach concluded. Every area team except the undefeated Whittarral Panthers will take the gridiron Friday night. Two county teams, Amberst and Springlake, will square off against each other in their annual traditional grid battle. The Amberst Bulldogs will play host this year and will be trying to avenge last year's 35-20 defeat at the hands of the Wolverines. Both Amberst and Springlake won last week's contests. The Bulldogs downed Lazbuddie (See Grid on Page 4)

### TOWN and COUNTRY by Wendell Tooley

THE BIG news every time the industry comes to Lamb County and it's big news when the major ones increase facilities and plant capacity. Fertilizer has just advanced another 125 feet to the north of its main plant. This is the third major expansion of the company.

This is one industry that has even faster than its own. Around Abilene they are defoliated and are beginning to machine harvest. Snyder the hand pullers are doing a very good looking crop. The south of Abilene there was an unhappiness as it had been for two or three days the cotton crops were watered.

WAS IN Brownwood Tuesday and saw all kinds of cotton conditions between here and there. Around Abilene they are defoliated and are beginning to machine harvest. Snyder the hand pullers are doing a very good looking crop. The south of Abilene there was an unhappiness as it had been for two or three days the cotton crops were watered. By the way, there's a gas station at Abilene, bought for \$22.9. You Lamb County dealers may want to go and load up a few gallons.

The United Fund campaign is into action next week. It's a big goal, yet not an impossible one. Some who did not last year will have to give this year, everyone will need to increase his or her gifts over last year.

Three new organizations have joined the United Fund since last year. . . the big one of these is our local youth based group. In the paper, we gave them separately last year. It was no trouble to put the two together in one call and one and that's the main advantage of having the United Fund in Littlefield. Our workers have made only one call on a merchant, likewise the merchant is asked to give the one time gift more efficient. We're sure there's no doubt as to the need of the money for participating agencies. . . all worthy. . . all are important to our community. . . and each of us. If you are asked to work. . . ### Earth Drug Burglars Nabbed In Oklahoma

Lamb County Sheriff's officers were notified Tuesday afternoon of the arrest of two persons in Clinton, Okla., suspected of taking part in the burglary of the City Drug in Earth. The pair was arrested by Clinton police Tuesday and at that time the police confiscated about \$3,000 worth of cocaine and other drugs believed to have been taken from the Earth drug store.

when they were taken into custody at the Clinton bus station. The two have been identified as Melvin Leo Bowen, reportedly an Oklahoma ex-convict, and Hazel Lorraine Rabb Bowen, reportedly of Casper, Wyo. Dyer said he talked with Bowen over the phone Tuesday evening and at that time the suspect said he refused to sign extradition papers. Dyer also said that Oklahoma authorities were considering possession of narcotics charges against the pair. "We don't send anyone up there until the extradition papers are received," Dyer added, "and that usually takes two or three weeks."

### Commissioners Seek Barn Bids

Bids have been requested by the Lamb County Commissioners for the construction of a new machinery barn for Precinct Number 1. The request came during the court's regular meeting Monday.

### Presbyterians Plan Revival

Rev. Frank D. Travis, pastor of the First Presbyterian Church in Plainview, will conduct revival services at the Littlefield Presbyterian Church beginning Monday. Announcement of the services was made this week by Rev. John W. G. Hill, local pastor. Services are planned for 7 a.m. each morning and at 7:30 (See Revival on Page 4)

### Truck Misses Curve, Turns Over Near Bula

Extensive damage resulted in the turn over of a tractor-trailer rig hauling anhydrous ammonia from Phoenix to Littlefield early Wednesday morning. The mishap occurred at the sharp curve near the Bula School about 20 miles west of Littlefield. Lawrence Russell, driver of the truck, received knee, head and rib injuries as a result of the accident. He was reported in "good" condition at a local hospital late Wednesday. Russell told a Press reporter that he "tried to straighten

out a curve." The tractor-trailer unit turned over one-and-a-quarter times coming to rest on its left side. The tank - trailer was loaded with 40,000 pounds of anhydrous ammonia, but none leaked from the tank. Unloading operations began as soon as units from Caprock Fertilizer in Littlefield could reach the scene. The trailer was delivering the fertilizer to the local concern. Russell, of Amarillo, was spelling the regular driver, Bernie Parks, who apparently (See Wreck on Page 4)

The coronation will take place during the Plainview - Littlefield football clash. The candidates from left to right are Gennie Baker, Kathie Steed and Martha McQuatters. (Photo by Jerry Potts)

### Battle Of "Old Men" Local Outsiders Try Springlake Saturday

Jodie Mahon's flashy Springlake "old men" will host the Littlefield "old men" Outsiders in a mighty tussle for the pigskin Saturday night. The game is scheduled for 8 p.m.

The Littlefield Outsiders are sponsored by the Junior Chamber of Commerce and the Springlake Outsiders are through the courtesy of the Lions Club of that area. Sponsors provide necessary liniments and bandages plus team spirit.

Two clashes are planned for these two grid powers, both set for Springlake. The games will be played under high school rules. . . and others. Quarters will be 12 minutes long. A game spokesman said the necessary medical personnel and ambulances will be on hand during the contest. Several local wrecker services have offered to help the players out of bed Sunday morning. At the helm of the Littlefield Outsiders are two infamous coaches, Don Avery and Bill A. (See Outsiders on Page 7)

### Fire Poster Winners Told

Fire Prevention Week posters were judged Monday and Tuesday for the Littlefield elementary and primary schools. Three winners were selected in each of the six grades and prizes were awarded. The winning posters will be displayed in business houses in Littlefield this week.

### County Makes Ten Arrests

County officers kept busy over the weekend as they made ten arrests on charges ranging from violation of the liquor law to drunk. Ben Wells of Littlefield was charged with violation of the check law in connection with worthless checks given to Rodeo Drug in Littlefield. Milton Vinson of Anton was arrested three and a half miles north of Anton and charged with violation of the liquor law. Officers found eight cases of quart beer in the man's possession at the time of his arrest. He was (See County on Page 4)

### Two Tie For First In Press Grid Test

Football guessing, a sport for many years, has developed several forecasters who might classify as experts. However, Littlefield and the area also has its share of forecasters who might fit the "expert" category. This week's football contest ended with four persons tying with just three games missed. Upon checking the tie breaker game, Littlefield - Denver City,

it was discovered that the two closest to the actual score had picked the game exactly the same. So, Jimmy Craig Clayton of Littlefield and Lamar Pollard of Rt. 1, Sudan, ended in a dead heat and will divide first and second place money. They both predicted the tie - breaker score at 28 - 6 while the actual score was 21 - 6. In third place, also as the result of the tie - breaker contest, Terry Hyatt of Littlefield walked off with the \$2.50 prize money. He picked the tie - breaker game as 27 - 13 and edges out Earl Byerley of Canyon who said the score would be 40 - 6. One contest was not counted on any of the entries in this week's event. The Springlake - Idalou game was cancelled because of the death of the Idalou head coach and an assistant in a traffic accident. Springlake defeated Memphis Friday, but the game was not counted (See Contest on Page 7)

### Chamber Board Meets Tonight

Board of directors of the Littlefield Chamber of Commerce will meet at 7:30 tonight in the Council Meeting Room of City Hall according to Kenneth Ware, chamber president. On the agenda are proposals from the Highway and Tourists committee and reports from the Public Relation and Membership Selling committees. Ware urged all board members to attend.

### "All In One United Fund"

Complete United Fund Drive schedules were released Tuesday during a meeting of the UF board by drive co - chairmen, H. A. Mitchell and C. W. Conway. First drive will kickoff Monday with a 7 a.m. breakfast at Thornton's Cafeteria. The breakfast will sound the beginning of the Advanced Gifts division of the "All in one, United Fund," campaign. This year's drive is aiming at a budget of \$29,190 for seven participating agencies. The Advance Gifts division is scheduled to end on October 24. On October 29, the General Gifts division of the UF drive kicks off also with a 7 a.m. breakfast at Thornton's. David Casey, a leader in the Texas United Fund from Lubbock, will speak. The General division will end its portion of the drive on November 2. Another breakfast on November 5, will start the Employee Drive. This drive will last a week. Today, a United Fund program will be presented to the Littlefield Rotary Club during their noon luncheon. Speakers from the seven agencies will be on hand to tell of the work of their organizations. In addition, a girl's trio from the high school will sing the UF song, composed by Waddell Burge, school choral director. The trio is composed of Judi Penn, Janice Koeller and Sue Hebel. The song will be used throughout the campaign and carries through the general drive theme. Students of the Seventh and Eighth Grade have been engaged in making United Fund posters and prizes have been offered to the first and second place winners in each class. Posters will be displayed in local businesses after judging. Stickers will be provided to each business who contributes to this year's United Fund drive. In addition, certificates will be given to each employee group who donates to the fund. Participating in this year's budget will be: Boy Scouts, \$4,000. The (See UF on Page 4)

### Weight Room Accepted By School Heads

Littlefield School Trustees accepted an offer by the Wildcat Quarterback Club for the construction of a weight room to be extended onto the present field house at Wildcat Stadium. Action by the trustees came during their meeting Monday night. A group of Quarterback Club members headed by Bill Kelly, president, met with the trustees and presented their proposal. The room will be used as part of the physical conditioning given athletes. Construction of the facilities is expected to begin either Saturday or Monday morning, following the Plainview football clash Friday. The trustees called a special meeting for later this month with the Building Advisory Committee to discuss a report made by the committee concerning a remodeling and building program. (See School on Page 7)

The Claunches, Aury and Latimer will race in the twin - engine class which begins at 10 a.m. Carr will race in the single engine class which starts at 2 p.m. Jim Pat Claunch will pull off one of his engines and enter the single engine division. (See Go Kart on Page 4)

### Girl Visits Littlefield Friend

When Cleo picked the Mexico City Junior High School to write to when one of her teachers started a contest to see who could get an answer from the farthest distance. Ana Bertha said she got Cleo's address and wrote to her but didn't know whether she was male or female from the name. Cleo stated that it was quite a surprise to get the letter addressed to Master Cleo Harrell and immediately sat down and wrote to Ana Bertha saying "I am a girl." Ana Bertha worked for three years as a secretary to an American Company to pay her way to the States. So far she has visited Laredo, San Antonio, Houston, New Orleans, Tampa, Miami and Orlando, Fla., Washington, D. C., New York, Boston, Montreal, Niagara Falls, Detroit, Chicago, Salt Lake City, San Francisco, Los Angeles, Las Vegas, Albuquerque, the Grand Canyon and here. From here she will go to Eagle Pass and home. She left Mexico City on the last day of July and plans to be home by the 15th of this month. She makes her home with her mother and younger sister and attends the University of Mexico City as a sociology major. Ana Bertha said one thing that seemed strange to her was that when President Kennedy visited in Mexico City she got close enough to him to take his picture and when she visited Washington she couldn't even see him. (See Pen Pal on Page 4)

### Pen Pal Sees U.S.

By Bernita Ratiff "See America First" is the label of a bus ticket which has brought the dream of Ana Bertha Sanchez - Romero of Mexico City to real life after working for three years just to make it possible. Today Ana Bertha is visiting in Littlefield with a pen pal, Cleo Harrell, daughter of Mr. and Mrs. Freddie Harrell. She arrived in Littlefield Sunday morning at 6 a.m. and called the Harrell home. They had been expecting her for several weeks but stated not so early in the morning. Ana Bertha and Cleo started corresponding four years ago

MARTHA SLATE

**Miss Martha Slate Awarded High Honor**

Martha Slate, daughter of Mr. and Mrs. Don Hevern, Amherst, was recently awarded the highest honor in the Girl's Auxiliary organization of the Baptist church, Receiving her green and white satin cape in a coronation service at her local church, Martha became a queen regent. While a member of the Junior and the Intermediate GA organization, she worked her way up the "Forward Steps" from Maiden to Queen Regent. This program is voluntary, and a girl advances only as far as she accomplishes the necessary requirements. Each step re-

quires more time and greater effort.

As she came forward to receive the high honor, she told about a few of the many things she did to earn this particular recognition. She also had on display her notebook, maps and charts and four dolls which she had dressed in the costume of different countries.

Martha is a member of the First Baptist Church of Amherst, and the Ella Solesbee Intermediate GA's where she served as president last year. She has been active, also in the Llanos Altos Associational GA's, acting as community missions chairman in 1960-61.

### From Your Chamber Office

By Gene Garrison  
Here are 9 men who are doing a good job for Littlefield: Nelson Naylor, Ernest Connell, C. W. Conway, Otis Bennett, Milburn Fuller, Allen Hodges, Kenneth Reast, Don Avery, Bob Manley, Chairman.

They are the membership selling committee for the Littlefield Chamber of Commerce. The membership selling committee is working on the premise that every business and professional man or woman who recognizes the intrinsic value of making the community in which we farm, work, live and do business, a better place, should be a member of the Littlefield Chamber of Commerce.

They realize that if the Chamber of Commerce were abandoned today, tomorrow new problems would develop and immediately, groups of business and professional men would seek their solution through some form of organization, thus showing the necessity of a chamber of commerce or some such organization. We are privileged to have men who will work at this job for a very special reason: They are not involved in the project work that receives attention from crowds of people, the press, radio, etc. It should be noted that these other projects depend directly on the efforts of these men. The members of this committee must sell their own goods and services, plus manage their own business, compete with their competitors and in addition they are selling the chamber of commerce. To date 48 new members have joined this year.

We are proud of both the new members and the committee members who took the time to go to their office and place of business and tell them about the organization.

The Buffalo Lakes Race Track Kart Club is sponsoring the races, the third meeting of the International Kart Endurance Championship in Texas.

The 4.6 mile paved public road used for the races is regarded the reputation of being the best all-around kart endurance course anywhere, according to Laxner.

"This type of racing has its own classes, rules, steering and safety rules," he continued. "The races will be split into two series with a winner being crowned in each class."

**UNITED FUND**

(Continued from Page One)  
Boy Scouts reserve the right for the troops to have small sales of flags, cards, etc., throughout the year.

Girl Scouts \$3,500. The Girl Scouts reserve the right to have small sales and also to sell cookies.

Red Cross, \$4,500. The Red Cross reserves the right to hold an emergency drive in case of a disaster, national or local.

Salvation Army, \$5,000. The Salvation Army reserves the right to have a Christmas kettie on the streets in Littlefield during the Christmas season.

Gonzales Foundation, \$500. Texas United Fund, \$500. Secretarial and office supplies, \$2,000.

Emergency Fund, \$2,500. Baseball Association, \$6,000. The budget committee did not grant the right to the Salvation Army to sell "War Cry" in the Littlefield city limits. It did not grant the right to the Girl Scouts to have a building drive this year. The committee granted the right to the Boy Scouts to have a membership drive, provided this drive is held after the UF drive and provided this drive is held only for Boy Scout parents.

Attending Tuesday's meeting were Milburn Fuller, Bob Manley, Rip Elms, Huston Hoover, Joe Fenn, Arnold Neumann, James Lee, Betty Teck, Nell Cotter, Lee Burnett, Conway, Mitchell, Curtis Wilkinson, Lloyd White, Kenneth Ware, Bob Saunders, David Penn and Gene Garrison.

**GRID**

(Continued from Page One)  
White Springlake edged past Memphis in an unscheduled contest.

Olton's Mustangs will host undefeated, untied Tulia in their contest Friday. Tulia is ranked as the number two AA team on the plains and the Mustangs are not expected to knock them out of that position. Olton was drubbed by Lockney last week. The two teams did not meet last year.

Sudan's Hornets will host the crew from Frenship this Friday and are expected to come out with a victory. The Hornets lost last Friday to a powerful Plains team. Frenship will probably be up for the game attempting to get revenge for last year 25-0 defeat at the hands of the Hornets.

Buda's Bulldogs, idle last week, will host Roaring Springs Friday night in an eight-man contest. The two teams did not meet last season and the game this season is a toss up.

Anton will travel to Petersburg where they will try to make it three straight wins. The chances are slim for an Anton victory since they are stepping up a class and are taking on a team ranked sixth in the area in their class.

(Continued from Page One)

Cleo was given a necklace by Ana Bertha that she had made from their native Huisache tree and the fruit of it which is called "the eye of the cow." The necklace is accented with black jet beads.

After getting acquainted with several of Cleo's friends and visiting for awhile Ana Bertha ask them what they did for entertainment.

"Draig Main" they stated and of course Ana Bertha was anxious to see what they meant as she had never heard of dragging main.

Ana Bertha said after returning home that she felt they had wasted their time as she got very sleepy just riding up and down the same street.

Ana Bertha visited school with Cleo Monday and gave a lecture to the Latin Class on the bull fights in Mexico. She stated that she thought the schools here were very nice. The schools in Mexico City are not mixed as here. They are either for boys or girls. There are no bands in the schools there and she enjoyed the band class here very much.

She stated the teen-agers

here and there are much the same. The records you play here are played there and the teen-agers in Mexico City do the twist and go to the movies but always chaperoned. They are chaperoned until they become engaged. They do not have as much liberty as the teen-agers here. She stated that the clothes and hairdoes are much the same.

Ana Bertha said she had enjoyed television so much as they do not have it there.

She attended the First Baptist Church with the Harrell family Sunday morning and said it was quite an experience as she is Catholic. She said she did not understand the sermon but enjoyed being there.

Pecan pie has become her

favorite food in the home and she really decided whether she liked the okra or not.

Ana Bertha plans to see the Plainview-Littlefield football game which will be just another step in "the America."

# EXCITING! GO '63 CHEVY II

**SPUNKY NEW WAGONS THAT LEAD LONGER, HAPPIER LIVES**

What a new kick you'll get out of going places in this one! And what a solvent feeling you'll get as the savings on upkeep mount! There's a full line of models, including three wagons. Basically, we've kept Chevy II's liveliness and roominess and easy loading ways. Kept its crisp looks, too (with a bit of freshening here and there). The changes we've made weren't for change's sake, you see—but for yours. Just for a sample: the brakes are self-adjusting. The new Delcotron generator gives you more electrical reserve power and helps your battery reach a vigorous old age. The Body by Fisher

beauty lasts longer, too; air pushes rain and wash water down through the rocker panels (where most rust begins!) in a clever new flush-and-dry system. The ride is smoother and quieter because of a large number of small improvements we've made. And things are a lot plusher inside. Now you've read this far, haven't you? Isn't that good evidence that Chevy II is made for you? The clincher will come when you take the wheel at your Chevrolet dealer's.

See four entirely different kinds of cars at your Chevrolet dealer's... Chevrolet, Chevy II, Corvair & Corvette.

## Penn Point

By D.H.P.

Several familiar faces will be seen on the "visitor's" side of the field Friday night as the Wildcats play the Plainview Bulldogs. The faces include four former Littlefield coaches, Don Williams, Deverele Lewis, Gerald Richey and Ben White. Plainview is winless this season and the former coaches will be trying to down the Wildcats... this is the one game Williams said he thought the Wildcats might lose. He made the statement just before he left and included it in wishing the Cats good luck this season. Plainview and Littlefield have played on several occasions in the past and if the football historians are correct, the Wild-

cats have never lost to the Bulldogs... and this isn't the year for a loss either. On paper it looks this way. Plainview lost to Hereford. Hereford lost to Muleshoe. Littlefield crunched Muleshoe. However, Williams may have his boys higher than a space ship for this tilt and it could prove to be a pretty good game. Whatever you have to do Friday night can't be any more important than getting out and support the Littlefield team. Game time is 7:30 p.m. at Wildcat stadium.

Visiting in the K. Sorenson home over the weekend were a son and daughter from Houston.

Mr. and Mrs. Joe Gipson, Jo Ann and Ivan were in Levelland last Sunday where they visited Mrs. Gipson's sister, and her husband, Mr. and Mrs. Kenneth Fallon.

Fred Riney and Layton Covington enrolled in Texas Tech last week.

Mr. and Mrs. Aubrey Mayfield and children moved to Ropesville Wednesday. Mr. Mayfield will be employed at a gin near there.

The serious crystal - ball gazers who pick just about every football game correctly on the Press grid contest are about to drive our staff nuts... crazier than usual.

This week there were four who missed only three games thus throwing it into a tie and bringing in once again the tie-breaker game to decide a winner.

Things weren't had enough yet, as two of the winners picked the tie breaker game exactly the same and really ended in a deadlock. So the first place winners will divide first and second money... Jimmy Craig Clayton of Littlefield and Lamar Pollard of Rt. 1, Sudan. Third place went to Terry Hyatt of Littlefield who edged out Earl Byerley in the tie breaker contest. For the first time in quite a

while the tie - breaker was guessed exactly by Pratt of Littlefield, the Denver City - Little game would end in a 21 - 0 victory for DC... and

If you ever need anything for anything just leave it to the youngsters, I helped test this week and the students came up with were amazing.

The one that struck me most was the simple statement... "Trees should glow!"... and it was a trated. Pretty good from a Fourth Grade student. There were many others the next time you are down you might take a minute and look at the posters in many businesses.

And then there's this "If there's anything with me," the man told his doctor, "don't scare me by it a complicated name. Just tell me in English."

"Well, to be frank," said doctor, "you're just lazy."

"Thanks," sighed the man. "Now give me a scientific for it so I can go home and my wife."

Or how about this one. A wealthy Texas man cashed a huge personal check which came back from the bank with "Insufficient Funds" stamped across the face. Beneath the stamped was the handwritten note "Not you... us."

## TOWN

(Continued from Page One) please say you will . . . if you are asked to contribute, do so cheerfully . . . All In One, United Fund."

I received the following letter from Congressman George Mahon Wednesday:

"Over a period of weeks West Texas cotton farmers have expressed concern to me over the rumor that the national cotton acreage allotment may be reduced for the 1963 crop. The allotment this year is 18.1 million acres. I have discussed this problem with the Secretary of Agriculture and other USDA officials and have urged that no reduction be made. A reduction in the national allotment would in my opinion, be a serious mistake."

"We need to continue the allotment at not less than the present level in order to supply domestic needs and keep U. S. cotton in world markets."

"Our exports for the cotton year ending last August totaled 4.9 million bales. It is generally agreed that we must not fall below exports of about five million bales per year."

"On or before October 15 the Secretary of Agriculture is required to announce the 1963 national cotton acreage allotment. He can go as low as 16.3 million acres. This would be about a 10% cut below the 1962 allotment."

"The Cotton Advisory Committee meets in Washington on Monday morning, October 8th, and there is no doubt but that the cotton allotment problem will be one of the principal subjects discussed."

"Wilmer Smith of Wilson, Texas, and George Pfeifferberger of Lubbock, are on the Advisory Committee and are scheduled to be in Washington for the meeting, where I know they will seek to be helpful to West Texas growers."

The cotton picture is complicated by the fact that there is a government subsidy on all cotton that is exported and by the further fact that domestic consumption of cotton is presently declining below anticipated levels.

## CONTEST

(Continued from Page One) on anyone's entry. Clayton missed the Army - Michigan, Southern California - Iowa and UCLA - Ohio State contests while Pollard missed the Army - Michigan, UCLA - Ohio State and LSU - Georgia Tech games. Hyatt stubbed his toe on the UCLA - Ohio State, LSU - Georgia Tech and Sudan - Plains games while Byerley missed the UCLA - Ohio State, Sudan - Plains and Penn State - Rice contests.

Another contest was in Sunday's County Wide News. Entry deadline is Friday at noon. It is simple to enter and easy to win.

Cotton, at present prices, is finding it more and more difficult to compete with synthetic fibers. There are many cotton farmers who tell me that despite increasing production costs they had rather have a reduction in support prices than a reduction in allotments.

I have an appointment to discuss the cotton allotment problem with Under Secretary Charles Murphy prior to the meeting on Monday of the advisory committee. Mr. Murphy will preside over the meeting of the committee."

Mr. and Mrs. Iris Limbocker, Patricia, Sharon, Kenneth and Betty Martin, all visited in the home of Mrs. Bessie Webb at Bovina Sunday.

Members of the Olton Study Club are holding a rummage sale each Saturday in the building next door south of Community Clinic.

Mrs. Opal Sims of Oklahoma City visited in the home of Mrs. L. A. Blackwell last week.

Guests in the L. A. Blackwell home recently were Mr. and Mrs. Larry Cunningham and son Jerry Mack of Clovis, N.M. Mrs. J. C. Measles of Plainview; Mrs. Daniel Cooke and two sons of Seminole; Mrs. Billy Tom Grant and three daughters of Littlefield; Mr. and Mrs. Lewis Lambert, San Jose, Calif.; and Mrs. Retha Watkins and son, George of Lubbock.

Mrs. D. A. Barnett has as her guests her five sisters, Mrs. Bell Rasmussen, Breckenridge; Mrs. C. H. Bailey, Rose Bud; Mrs. J. C. Allen, Gustine; Mrs. A. D. McNatt, Cleburne, and Mrs. G. E. Smith of Temple. This group enjoyed a birthday dinner in the home of Mr. and Mrs. John Gilbert at Sunnyside Wednesday in honor of Mrs. D. A. Barnett's birthday. Mrs. Gilbert is the daughter of Mrs. Barnett. Mrs. Barnett and her five sisters all visited relatives in Amherst Thursday.

## Midget Girls To Wrestle At Local Arena Saturday

Midget Girls feature matcard this week at the local Arena. The Daltons rode into town last week and every one who was at the local arena will swear to the fact. Wrestling fans saw some of the wildest and best wrestling last week that has ever been held in Littlefield. The Daltons along with other wrestlers kept the fans on their feet most all night as fans watched with delight as perhaps their favorite wrestler went down in defeat. In the main event, the battle royal, Big Bob Ellis won the \$400 match, as he was the last man in the ring.

This week the Daltons return to meet Ricki Starr and Tito Carreon in a big main event Tag Team Match. A special added feature this week will be the Midget Girls as Baby Cheryl meets Darling Dagmar in a one fall to a finish match with no time limit. There are very few midget girl wrestlers in the sport today and John Ussery feels lucky to have them on the card as they are very much in demand all over the States. The opening event this week will see Tito Carreon taking on Jack Dalton in a one fall 20 minute match. The second match will feature Ricki Starr as he meets big brother Jim Dalton. Ricki returns to Littlefield after an absence of two years and will be remem-

bered as one of the best wrestlers to ever wrestle in the local arena.

The main event will be a tag team match with a one hour time limit and will have The Dalton brothers meeting Carreon and Starr. After last weeks matches and fans seeing the Daltons in action Ussery said he knows that most anything can happen and you will want to see these matches. Matches start at 8:30 p.m.
