High School Drama Dept. Presents Howdy Stranger

Members of the Wheeler High School Drama Department will present their first show of the year Friday, October 6, when the curtain goes up on "Howdy Stranger", a three act comedy with a western atmosphere, begins on a dude ranch in Cody, Wyoming, operated by Ma and Pop, Ruby Barton and Bobby Treadwell, along with their son, David Dunn, and

their daughter, Gwen Barnes. Among the duds on the ranch we find Elizabeth Wiley, Marilyn Nash, Mary Holt, Annie Riley, Kent Sims, Mendall Hunter, James Ray Henderson, and Bob Hink.

A hitch-hiker from the east, Jim Jolly, stops at the ranch and is "discovered" by a big theatrical agent, Bill Green, who is at the ranch in search of talent. Bill who had almost made the horrible mistake of signing Stanley Baker as a singing cowboy, persuades Jim to go to New York and pose as a "real western cowboy singer."

TWO MINUTES WITH THE BIBLE

BY CORNELIUS R. STAM, PRES.
WORLD BIBLE SOCIETY
CHICAGO 35, ILLINOIS

THE PEACE OF GOD

"PEACE WITH GOD" is one thing; "THE PEACE OF GOD" is another. To enjoy the latter, we must first experience the former. For the peace of God, ruling in our hearts, is the result of "peace with God, through our Lord Jesus Christ."

St. Paul declared by divine inspiration that "Christ was delivered for our offences and raised again for our justification" and that "therefore, being justified by faith," we, who once were at enmity with God, may enjoy "Peace with God, through our Lord, Jesus Christ" (Rom. 4:25; 5:1).

The result of this "peace with God" is "the peace of God," the peace that He gives to His own amid all the troubles of life. This is why the apostle wrote to the Roman Christians: "Now the God of hope fill you will all joy and peace in believing" (Rom. 15:13).

While only those who are at peace with God can know "the peace of God," it does not follow, however, that all those who are at peace with God necessarily enjoy "the peace of God." Believers can enjoy "the peace of God" only as they practice Phil. 4:6: "Be anxious for nothing; but in everything, by prayer and supplication, with thanksgiving, let your requests be made known unto God." As we follow these instructions the promise which follows will certainly be fulfilled: "The peace of God, which passeth all understanding, shall keep (or Garrison) your hearts and minds through Christ Jesus" (Ver. 7).

As believers in Christ "we know that all things work together for good to them that love God, to them who are called according to His purpose" (Rom. 8:28). Therefore we should not be constantly overwhelmed and defeated by the adversities of life, but should heed the exhortation: "Let the peace of God rule in your hearts" (Col. 3:15). "Now the lord of peace himself give you peace always by all means" (II Thes. 3:16).

Sometimes It's Smart to Act a Little Hoggish

There are times for giving to others . . . and there are times for looking out for ourselves; times when charity is appropriate . . . and times when there's not even spiritual profit in it.

● One of the most common and least profitable forms of giving is the making of donations to the growth and prosperity of other communities . . . through unnecessary out - of - town buying.

● Trade builds communities. Trade is the father of Prosperity. There is no other source of better jobs, better business, better social facilities.

● Except when they're in real need we don't give to strangers the food, clothing and other necessities that our money buys . . . why isn't it also wise to keep for ourselves and our children the community-invigorating Vitamin \$ that is part of the returns — to someone — for every dollar we spend?

Notice where Uncle Sam is going to be a little different in choosing his troops over in Korea. He is going to hand pick a thousand men to go over and replace some of the boys that are now stationed there. Now if that ain't a dandy way to do things. Should eliminate undesirables like myself from Military.
Funny thing about hand pickin though, a fellow can't quite make up his mind about soldierin till things stack up in front of him. One of the Congressional Medal winners at Okinawa wouldn't have been among the picked I am sure. He was a boy that didn't believe in fightin and right up till the hour he became famous he was not too well liked due to his belief of turnin the other cheek. He got before he turned back to his Bible readin. He wuz drawn about fifty bucks a month and I have noted some of our hand picked birds that have drawn big paychecks decided to become Commies. How can Uncle Sam weigh the love a feller's got for his Country. Ribbon Clerks and John Does, win wars, no machines.

Rich new styling with Jet-smooth ride '62 CHEVROLET
Think of just about everything you ever wanted in a car—and darned if this one doesn't have it! A road-gentling Jet-smooth ride. New choice of V8 skedaddle. Beauty that stays beautiful—right down to new rust-resisting front fender underskirts.

This one may have you asking, "How did Chevrolet do it?" There's a new V8 choice ranging all the way from a standard 283-cubic-inch sizzler to two 409-cubic-inch powerhouses. And there's that '62 Jet-smooth ride with a supple Full Coil spring at each wheel and well over 700 body and chassis sound insulators and cushioners.
There are longer lived mufflers for all engines. A Grand Canyon of a trunk. Magic-Mirror finish. And, well, we could write a book about it all. Matter of fact, your Chevrolet dealer's got it all down on paper. Get a fill-in from him now.

Museum Piece
Yes, it's a clothespin. Electric clothes dryers have made it a museum piece and they've done the same thing with a clothesline.
Are you using the museum pieces — clothes pins and lines — at your house? Now's a good time to change.
FREE
A pink electric blanket is the free gift to Southwestern Public Service residential customers who buy an electric clothes dryer now. And if you buy the safe, fast electric water heater, too, you'll receive another electric blanket. Ask your Reddy Kilowatt Appliance Dealer.
