## 1275 ATTEND OPENING OF THE NEW PARKVIEW HOSPITAL SUNDAY MAY 9

Dedication ceremonies for the Parkview hospital were held in Wheeler Sunday May 9, 1965 from 2 until 6 p.m. with 1275 persons signing the guest registers. Speaker for the dedication was Representative Grainger McIlhany. He was introduced by Tom Britt, master of ceremonies. Rep. McIlhany explained to the people how the hospital district was brought about

and gave a short history of medicine in Wheeler as he recalls it during his lifetime in Wheeler.

Archie Hibler, Wheelers' Mayor, gave the welcoming address. In his address he stated that he came to Wheeler a number of years ago looking for a place to establish a business. Wheeler appeared to have a promising future and he has found that to be true.

Mr. Britt gave those attending a run down of events as he witnessed them in the planning and building of the hospital. He named those representatives from the surrounding communities which met Thursday December 27, 1962 to kickoff the dream of a hospital for the north half of Wheeler county.

The board of directors for Parkview hospital were introduced. Directors are Tom Puryear, president, of the Kelton community; Herbert Finsterwald, vice-pres., of the Briscoe community; Hiram Whitner, secretary, of Wheeler; Clyde Dukes of Allison; and Lester Leonard of the Mobeetie community. These men were commended for the many hours of work which they put in while serving as directors of the hospital board.

Recognized and introduced from the crowd were Paskell Bottoms Jr., contractor for Southwestern Brick Laying Co of Amarillo builders of the hospital and Gene Hollar of Pampa, architect for the hospital. With the introduction of Mrs. Cecil Snellgroves, administrator and head nurse, the doors to the hospital were unlocked and the registering of the guests began. Registering guests were Mrs. Hiram Whitner, Mrs. Herbert Finsterwald, Mrs. Lester Leonard, Mrs. Clyde Dukes and Mrs. Tom Puryear. These women, the wives of the directors are to be recognized for the many hours which they put in working with their husbands on this project.

The hostesses for the afternoon were the women of the Federated clubs of Wheeler county who served refreshments to the guests. Mrs. Paula Britt, who served as chairman of the donation committee was also in charge of the reception.

Selected to represent their community at the first meetings which were to bring about this hospital were: Bruce Harrison, Rex Miller and R P Grayson of Allison; Leonard Rathjen, Joe Henderson and David Britt of Kelton; N J Tyson, Grady Harris and Woodford Williams of Mobeetie, Clarence Zyback, Grady Dodd and Herbert Finsterwald of Briscoe; Hyland Weaver, A L Hibler and T J Daughtry of Wheeler. Tom Britt served as chairman of the group and presided at the first meeting.

The \$250,000 voted to build the hospital received a \$12,500 boost from donations. These donations furnished the 15 patient rooms and supplied other needed equipment for the hospital. Donations were not solicited but were made of the donors own free will. Donations are still being received with the Natural Gas Pipeline Co of America sending in a \$350,000 check.

The hospital opened for patient admittance Monday

May 10 at 7:00 a.m. The first patient was Mrs. D V Miller who was admitted Monday night. The first baby to arrive at Parkview hospital will receive a total of 26 gifts from the merchants of Wheeler.

Hospital personnel include Mrs. Cecil Snellgroves, administrator and head nurse-nurses, Mrs. Florence White, Mrs. Kathy Williams, Mrs. Lonna Mayfield, Mrs. Verna Markham and Mrs. Leo Lamb; Mrs. Gene Pike, receptionist; Mrs. Cora Lee Lowden, Lab technician Glen Markham, custodian and kitchen personnell, Mrs. Bernice Hooker and Mrs. Lucille Laycock.

Geneva Snellgroves, administrator, opens doors of hospital following dedication ceremonies.

Representative Grainger McIlhany is shown being registered by Mrs. Dukes of Allison. Shown registering guests at the grand opening of the Parkview hospital May 9 are Mrs. Odessa Whitner and Mrs. Herbert Finsterwald.

**A Chat with The Editor**

As for the third matter, she like Wheeler county Produce and Wheeler Redmix will have to forgive us for overlooking them on the ad. These two firms just mentioned will tell you that people read those names; they had several customers ask them why their name was not on the ad.

Norma's Beauty Salon has had its share of illness. Norma Lee Black returned to work May 5 after being gone about three weeks. Then Monday evening Velda Miller, Norma Lees, assisting hair stylist was the first patient admitted to Parkview hospital. During all this misfortune, Norma's Beauty Salon was omitted from three communities efforts.

These three omissions were Kelton Appreciation Banquet, First Baby prizes and the Signature page on the opening of the hospital. To the first person from Kelton community who calls Saturday May 15, Norma Lee will give a \$10 permanent wave free. To the first new mother at Parkview hospital a free \$10 permanent wave.

Wheeler county was at the top of the list in oil activity for last week with two new locations, six oilers and three gassers.

## Youth Employment Service City Council Held Special Meeting

The youth activities committee of the Chamber of commerce have one project going that should be of interest to everyone especially the young people of our town.

In a survey to arrive at the greatest need of our young people, they have found most of them would like some type of employment, even on a part time basis.

It is not the purpose of

this committee to create jobs but to enroll all interested high school students in this program. Their names will be on file, with the applicant stating their job preference and experience if any.

Most young people can do or are willing to learn to do any of these things, lawn mowing, yard work, clean up, fence painting, repair work, babysitting, car washing, farm work, deliver-

ies, typing, sewing, tutoring, ironing, window washing and house cleaning.

Most people need this type of work quite often.

All you need do, when you do need some one is to pick up the phone and call, the number will be given later, the person answering the telephone will contact one of the young people who can help you, and they will be there on the double.

Even if you have only a few hours work for them, please call, they will be glad to serve you.

For further information contact Mrs. Thomas Daughtry, Mrs. Jesse Moore or Fred Wood.

Hire a youth this summer Turn your chores over to YES and go fishing.

A special meeting of the city council was called Monday May 10 at 7:00 p.m.

The council met with Bill McMorries, consulting engineer for McMorries and Associates, for a report on the Wheeler water system.

The firm was employed to study the water system and advise the council as to what improvements could be made to overcome the present situation. Several recommendations are being studied at the present time, but no definite decisions have been made.

Mayor Archie Hibler, stated that he hoped something can be done this summer to relieve the water shortage which will result when people begin watering their lawns.

**INTRODUCING:** Eddie Quillin has been employed by the Wheeler Boot shop and Western Wear to serve as the new manager. Eddie attended high school in Amarillo. He served two years in the Marine Corp and has worked for a year at the Frephervous Western Store in Amarillo. Elgie Dearing will continue to operate his shoe repair shop in the back of the store. Welcome to Wheeler, Eddie.

## Wheeler Co. 4-H W. C. Crouches Texans to Meet 50th Anniversary

The 4-H Texans will meet Sunday afternoon, May 16 at 2:30 p.m. at the Wheeler Rodeo Arena. This is the last opportunity for new members to join for the 1965 season. Anyone interested in horses and are between the ages 9-21 should certainly be a member. Mrs. Bus Freeman of Wheeler is adult leader for the group and she has a well balanced educational program planned for this year, that will include horsemanship, leadership, citizenship and further development of youth.

## Co. Agent Reports

By Charles Jackson

Wheeler county livestock producers would be money ahead to consider a grub control program this year. According to Dr. Dixon Hubbard, area livestock specialist for the Texas Agricultural Extension service calf weaning weights can often be increased by as much as 40 pounds per calf if a grub control program is followed. The specialist says that grub infestations can reduce a beef cows milk production day. With a 205 day suckling period it means a loss of more than 500 pounds of milk.  
 Experiment station research indicates that 500 pounds of milk can make a difference of 40 pounds in the 205 day weaning weight of a calf.  
 Grubs may be controlled at a cost of 2 cents for spray, 50 cents for pour-on and 12 cents for dipping.  
 Grubs can also be controlled through feed that contains a systemic. Control measures should begin in our area around June 15 and should not continue past September 1.  
 One precaution is that cattle should not be treated for grubs and drenched for internal parasites on the same day.  
 Information on controlling grubs with systemics, such as Co-Ral spray, Renel mixed with feed and mineral, and Ryelene spray and ready mixed pour-on, may be obtained from extension service publication, Texas Guide for controlling external parasites of livestock and poultry (MP-691), available at the county agents office.  
 The Buster Callens went to Ft. Polk and Leeville, Louisiana and picked up Randy who had served 6 months in the army and is still in the National Guard.  
 They also went to Houston and Galveston to visit Mr. and Mrs. Marvin Dale Barker and back up to Dallas and Rush Springs, Okla. to visit Mr. and Mrs. Henry Kinnard. They returned home Saturday morning.

**TOP PATROL LEADER:** Donny Manning displays the trophy presented him for being selected top patrol leader of the camporee at Wellington recently attended by Wheeler boy scouts. Donny is the son of Mr. and Mrs. John Manning.

## PANTS QUESTIONS AND ANSWERS ON RURAL CIVIL DEFENSE

Q. What is Rural Civil Defense?  
 A. It is a program of education and preparation for the survival of people and livestock, protection of food feed, water and plans to resume production in case of natural disaster or enemy attack in all areas of 10,000 or less people.  
 Q. What chance do I have to survive an enemy nuclear attack?  
 A. Yes. Everybody everywhere is in danger of radiation from nuclear fallout. Rural areas would probably not be targets, but radioactive fallout would be a danger.  
 Q. What is radioactive fallout?  
 A. Radioactive material produced by a nuclear explosion that falls to the earth from the upper air is called fallout. When a bomb explodes close to the earth large quantities of soil and other materials are drawn up into the mushroom cloud and become radioactive. As the radioactive cloud carrying these particles is moved by the altitude winds, the particles fall back to the earth and constitute fallout.  
 Q. What happens when a nuclear bomb explodes?  
 We are all familiar with the mushroom cloud that follows an atomic explosion. We also know that what goes up must come down. This is known as fallout. There are four main parts of a nuclear explosion; blast, heat, initial radiation and residual radiation.

CARD OF THANKS

We cannot find words to express our heartfelt thanks to the people of Wheeler and surrounding communities for the many wonderful acts of kindness to us during the illness and passing of our precious one. We thank you for the many prayers for us, the food, the flowers, the cards. Thanks to those who sat up at the hospital, or did any of the things for us that made it just a little easier to bear. We also wish to say thank you to Dr. Blackletter who was so patient, kind and worked so hard, trying to help him, to the nurses who were so kind and good to him, to Dr. Walker and Mrs. Connell and Wilma Atwood who tried to relieve and help him and to Rev. Dale Cain and Rev M B Smith for their wonderful word of comfort. May God Bless and Keep each of you. Mrs. Hiram Grimes Mr. and Mrs. LeRoy Pierce Judy Janette and Bobby Pierce

SMITH PLACES SECOND AT STATE IN 880 DASH AND BROADJUMP

Tom Smith proved himself as one of the most outstanding tracksters in the state. His performances at the state meet were no less than fantastic. Tommy is one of the few athletics to gain a place in the state meet in two individual events. It is a great honor to be able to participate in such an event and is a much greater honor to bring home to Wheeler two second places. In the opening event Friday morning Tom ran a good 2:03.7 seconds in the 880 dash to place 3rd in his heat and good enough to qualify for the finals Saturday afternoon. The best time was turned in by Jerry Sellers of Carlisle with 2:01.8. At 12:00 the finals of the broadjump began. Toms best jump was 21'9 1/2" which was good enough for second place. His jump was 13 inches short of his best of the year at 22'10 1/2". The event was won by Douglas Jordan of Trinidad with 22'10 1/2. Jordan was the second place winner in 1964. In Saturdays final 880 yrd dash event in class B Tom had the 5th best time of the runners as recorded throughout the year. This didn't mean anything to Tom as he ran his best time of the year at 2:00.2 seconds only one-tenth of a second behind Sellers for second place. Sellers ran 2:00.1 Tom is a junior at Wheeler high school this year and is already looking forward to the state meet next year. Tom has vowed to be a Gold Medal winner and bring home the first individual championship in the history of Wheeler high school. Incidentally, this is the highest placing ever by a Wheeler athlete. Tom has put in much hard work and long hours for his outstanding achievements and is to be congratulated for a job well done.

## Local Farmers Will Testify

The Wheeler county farmers union in cooperation with Texas and National Farmers Union has started a Washington flyer project where a farmer from Wheeler county will be flown to Washington to testify before the House Agricultural committee on the upcoming omnibus farm bill. He will be stating the economic situation of the farm community and especially the price spread between what we receive for our products and the cost of farm operating and living expense. Information is now being gathered from lending agencies in the county to support his testimony.

Anyone wishing to contribute to his project may make a deposit to Washington Flyer Project % Farmers and Merchants State Bank in Shamrock or contact Norbert Schlegel or Morris Pillers.

## Baptist Girls Auxiliary Meets

The Baptist Girls auxiliary held their house party May 30-A. 11 at the First Baptist Church in Shamrock.

Attending were A Gs from Wheeler, Wellington, First Wellington, Faith, Lela McLean and Shamrock.

The highlight of the house party was the guest speaker, Mrs. Edwin Lowe, a missionary from Nigeria.

The Lela GAs presented "A Challenge of Indian Missions." A play called "Accepting the Challenge" was given by the Shamrock GAs. A GA of McLean gave a pantomime of "We've a story to tell." The association presented Mrs. M E Wyatt, our associational G A Director with a going away gift.

We want to say thank you to all the mothers who helped with our houseparty.

## Engagement Announced

Mr. and Mrs. E G Fillingim announce the approaching marriage of their daughter Laurel Lee Singleton to Edwin C Hershman, son of Mr. and Mrs. Samuel Hershman of Lebanon, Indiana.

Miss Singleton is a 1960 graduate of Briscoe High school and has attended Cliff Mann Floral School in Denver and is now a floral designer for Husser the florist in Colo. Springs, Colo.

Mr. Hershman is a 1959 graduate of Lebanon High school and has attended Purdue University. He is now stationed at Fort Carson.

The young couple plan to move to Lebanon, Ind. in July and make their home on Mr. Hershman's pairy farm. A June wedding is planned.

## CARD OF THANKS

I want to take this means of saying thank you, to all my many friends for their visits, cards, flowers, kind deeds and words of encouragement which meant so much to me during my recent stay in the Shamrock hospital. Also to all the nurses and Dr. Zeigler for their patient and kind attention.

Mrs. A B Griffin

## Briscoe Plays Are Successful

After the sound of laughter ceased everyone present agreed that the Briscoe Night of Plays was a success. Four plays, ranging in types from drama to farce were presented to a relatively small but responsive audience.

Following the final play awards were given to outstanding members of the cast. Named best actor was Richard Meadows in the "Bishop's Candlesticks."

Judy Finsterwald was voted best actress for her portrayal of the Bishop's sister. "Tell it to Tommy" was announced as the best play. It was a farce in which David Zyback played a womens part. It was filled with laughter and fun.

Those named to the all-star cast were Lou Meadows, Noveta Francis, Lyn Heffley, James Heffley, Tommy Hays and Garry Parker. David Zyback received a special award for his role as Ted "Theodora" James.

The Plays were directed by Jack Cody and included "Albuquerque Ten Minutes" "The Bishops Candlesticks"

## WHEELER SCHOOLS

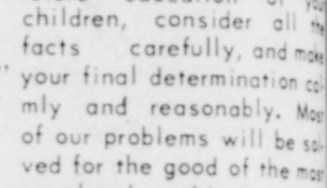

By Arling Cordell  
"The most powerful thing on the earth is an idea whose time has come." So said the philosopher, Rousseau.

Your board of education and I with the advise and assistance of McMoran and Company appraisers, D Floyd Golden of Rittenberry and Rittenberry, architects and Underwood Neashaw and Company who are representing have brought to you an idea for the future progress of education in this community. This is a new school plant.

A complete one which you will see and read about in this issue of the "Times". You, the people have the final decision to make. Only you can decide what you believe to be best for the future education of your children, consider all the facts carefully, and make your final determination calmly and reasonably. Most of our problems will be solved for the good of the people when this is our method.
