THE COUNTY SEAT NEWSPAPER

## Wheeler Candidates in Run-off Battle

Craig and Adams Emerge Victors in Saturday's Balloting

### WORLEY WINS OVER PURYEAR

Is Nominee for Governor in Hotly-Contested Race Against Hunter

In a total vote of 3,563 ballots Saturday's run-off election, was only 116 tallies short of primary figures, Wheeler's electorate evinced a lively interest in the contest. The final showed a clean sweep for candidates who live in Wheeler. Puryear, with 1,843 votes, led a 190 margin over W. O. Worley, who received 1,653.

(Dick) Craig defeated his opponent, Nathan Lummus, 1,984 to giving Craig a majority of 178 over the office of county clerk. W. Adams, another Wheeler resident, obtained a lead of 28 counters to S. Sims, Mobeetie, for commissioner in precinct one. In precinct three, southwest Wheeler, R. W. Griswold won the assessor's race with 74 majority over Tom Montgomery.

**Worley Is Winner**  
In the contest for representative of the 122nd district, composed of Wheeler, Gray, Donley and Collingsworth counties, Eugene Worley of Wheeler, defeated the incumbent, Puryear, Wellington, by approximately 2,000 tallies. This count: Worley 2,064; Gray county, 2,454, Puryear 1,180; Donley, 1,038, Puryear 1,132; Collingsworth, Worley 1,430, Puryear 1,488. Total—Worley 7,036; Puryear 5,050.

In the state-wide race for governor, James V. Allred piled up approximately 46,000 votes over his opponent, Tom Hunter. Wheeler county Allred 2,072 and Hunter got

## Wheeler Family Enjoyed Picnic Reunion Sunday

Three Relatives and Friends Spend the Day in Fun and Feasting

The Rogers family and friends enjoyed a picnic on the Bradstreet tract, southeast of Wheeler Sunday, with all the children of the late Mrs. Rogers were home except one daughter, Mrs. J. D. Kutch of California. It will be remembered that Mrs. Rogers was chosen county treasurer of Wheeler county about 12 years ago and was re-elected for a second term.

At the noon hour a bountiful dinner was served to 53 guests. During the afternoon group pictures were taken and many 10 and 15 year ago photos were recalled, while the children played games.

Relatives present were: Mr. and Mrs. C. A. Lindstrom, Mrs. Cleo May daughter, Joan of Glendale, Mrs. Mary I. May of Albuquerque, N. Mex., Mr. and Mrs. John Rogers and six children, Mrs. Frank Rogers and two children, Frank Rogers and family, Mr. and Mrs. M. V. Rogers and Mr. and Mrs. Floyd Rogers.

The friends were: Mrs. C. H. Clay, J. A. Page and sons, Amos and Mrs. Gladys Ogleby and daughter, Geraldine, Mr. and Mrs. H. H. Liser, Mr. and Mrs. Claude Cox and four children, Mrs. Linda Clay, Raymond Page, Mr. and Mrs. Cliff Bradstreet, Grandma Bradstreet, Mrs. Beene and daughter, Patricia, J. E. Cox, Mr. and Mrs. Lloyd Davidson, James Martin and Ben Martin of Glendale, Calif.

## MEEK STARTS REMODELING OF NEW OFFICE BUILDING

Under supervision of Clarence Gibson, carpenter-contractor, remodeling work was started this week on the former Pennington store room, preparing it for occupancy by the Abstract Company, of which C. M. Meek is manager. Extensive remodeling plans include carpenter work, wall paint and other improvements, which will be completed in the near future. Meek expects to move the abstract office from the court house to its new quarters as soon as the remodeling job is completed.

## AND IT RAINED FROGS, ASSERTS W. F. WRIGHT

The Times prints this tale on authority of W. F. "Deacon" Wright, local truckman, whose truth and veracity none can deny, and who declares that while driving in a heavy rainstorm between Clinton and Oklahoma City on Wednesday night of last week, he saw frogs hopping about on the pavement. On closer observation, Wright found (so he says) that the critters were coming down with the rain. So positive is he concerning the unusual sight that he has offered to produce an eye witness to corroborate his statement.

## Small Boy Hurt by Truck Monday

Grant Riley, 6-year-old son of Mr. and Mrs. Perry Riley, who live seven miles north of Wheeler, was seriously injured Monday afternoon when struck down by a truck on the highway four miles south of Briscoe. The little fellow, in his first year of school at Briscoe, had gotten out of the school bus which carries the children to and from school, at the intersection of the pavement and the road leading to his home. He is said to have stepped from behind the bus directly into the path of an oil field truck, loaded with explosives. The accident was wholly unavoidable, it is reported.

The boy was thrown some distance, sustaining a skull fracture on the right side of his head, besides severe bruises. The truck driver stopped and returned to the scene of the accident. He stated that he did not see the child as he stepped onto the pavement.

The little victim, accompanied by his aunt, Miss Tamsey Riley, who was a passenger in the bus, was brought to the Gaines hospital by a passing motorist. An operation to relieve pressure on the brain was thought necessary at first, but is not so considered now. He was resting easy Thursday and chances appear favorable for early recovery.

Miss Virginia Riley, a registered nurse from Amarillo, arrived Monday to care for the injured lad.

### ATTENTION, GIRL SCOUTS

There will be a joint meeting of both troops of Girl Scouts on Friday evening at 7:45, in the basement of the Methodist church.

MRS. C. J. MEEK, Captain.

### MASONIC MEETING

A stated communication of Wheeler Lodge No. 1099, A. F. & A. M., will be held at the hall on Monday night, Sept. 3. Work is listed in the first and third degrees.

H. J. GARRISON, W. M.  
O. B. MILLER, Secretary.

## School Enrollment Begins Next Monday

All High School Teachers Asked to Meet at School Saturday

"Each teacher in the high school is requested to meet at the office of the superintendent on Saturday, Sept. 1, at 10 a. m., to perfect a schedule for the coming session," announced Supt. J. L. Gilmore in a communication sent The Times today for publication.

The article outlined the following enrollment plan.

All grammar school students will meet at the high school auditorium Monday, Sept. 3, at 9 a. m., when they will be informed from which rooms they will receive their books and lesson assignments. Classwork in this department is to begin Tuesday.

Seniors and juniors will meet in the study hall at 10 a. m., Monday. Sophomores and freshmen will report at 9 a. m., Tuesday, at the same place.

These two days will be devoted to enrollment, classification and assignments. Regular classwork will not begin in high school until Wednesday.

## Wheeler Business Man Weds Shamrock Girl

Glen Porter and Miss Madge Glass Quietly Married Monday Evening

Glen Robert Porter of Wheeler and Miss Madge Glass of Shamrock, were married Monday evening, August 27, at the Methodist parsonage in Shamrock. Rev. C. E. Jameson, pastor, performed the ceremony in the presence of Miss Adeline Forbis and Mr. and Mrs. Claude Carnes.

Mrs. Porter is the youngest daughter of Mr. and Mrs. H. M. Glass. She has lived most of her life in Shamrock, where she has received her education, graduating with honors last spring. She is a member of the Methodist church of that city and has taken an active part in religious affairs.

Mr. Porter is a son of Mr. and Mrs. J. M. Porter of Wheeler. He attended both grade and high school here, graduating with the class of '27. He enrolled for a two-year term at John Tarleton college, followed by three years at A. & M., Stillwater, Okla. Since completing his studies he has engaged in business in Wheeler. He owned and operated the City Drug store until last spring when he sold it and bought the Wheeler Water company, of which he is manager.

Immediately after the ceremony, the happy couple left on a wedding trip which will include a visit to the Century of Progress fair in Chicago.

Upon their return, they will make their home in Wheeler, where a host of friends will hasten to extend congratulations and well wishes for a long and happy wedded life.

### COUNTY INTEREST SHOWN IN CENTENNIAL PROGRAM

Wheeler County, in common with the remainder of the state of Texas, is showing an interest in plans for the state-wide centennial celebration in 1936. Dr. H. E. Nicholson, as a member of the county board, has been supplied with a quantity of literature and publicity material on the proposed program.

Other members of the board include J. B. Clark, Mrs. Walter Pendleton and Mrs. D. F. Spruill of Shamrock, and Judge W. M. McMurtry and Dr. F. N. Reynolds of Wheeler. Dr. Reynolds is in receipt of a letter dated August 22, from Will H. Mayes, secretary of the state centennial commission, confirming his appointment as a member of the Wheeler county group.

### CLARKE TAKES POSITION WITH FORD DISTRIBUTOR

Joe K. Clarke, formerly of Wheeler, but who now lives at Lefors, has recently taken a position as salesman with the Turner Motor Co. of McLean, Ford sales and service. Clarke has been staying temporarily in Wheeler and vicinity for a few weeks and has been contacting prospective buyers for V-8 cars and trucks.

He will return to Lefors the latter part of this week, but will continue to cover this territory, spending a few days here each week.

The Turner Motor Co., of which E. L. Turner is the head, took over the McLaughlin & Reeder dealership at McLean some two months ago. The new firm is an aggressive, wide-awake organization, with excellent prospects for outstanding success.

### CORRECTION IS MADE IN LOSS OF BARN BURNING

The Times cheerfully offers the following correction of the loss sustained by C. W. Whitely of the Kelton community, when his farm barn burned August 13, and as reported in this paper two weeks ago. According to Mr. Whitely, who was a pleasant caller at this office Saturday, the loss was much less than reported. The barn was valued at \$1,000. This, together with the contents, 100 bushels of corn, only about eight tons of feed and harness for 14 horses, made a total loss of \$1,500, instead of the much larger sum reported. His big barn burned four years ago and was valued much higher than the one recently lost.

Mr. Whitely and family were away from home at the time of the fire, making it difficult to obtain accurate figures. They returned last Thursday from a visit with relatives and friends at Muskogee, Okla., and Clarksville and Russellville, Ark.

### ROBISON TAKES FIRST ON ELECTION RETURNS

In the Democratic run-off election, Saturday, Clarence Robison, in charge of Stanley Box, No. 5, took first place for prompt report of returns. When the polls closed the figures were ready. R. L. McClain, Wheeler No. 3, was a close second for the honor, while McBee box, No. 6, and Allison, No. 4, were clamoring for the wires to turn in reports. Complete figures were known in Wheeler by 8:30 p. m.

## Fine Herefords Shown Saturday

Bringing them to town in order to learn their exact weights, W. L. Williams & Son, Hereford breeders living two and a half miles southwest of Wheeler, exhibited two outstanding Hereford bull calves here Saturday afternoon. Although the animals were brought right in from the farm and were not "dolled up" for show purposes, they attracted much attention and brought many complimentary remarks on their self-evident quality from stockmen and others who inspected them.

Both are linebred Prince Domino stock and are being developed as future herd sires on Glendale farm, operated by Mr. Williams and his son, Glen.

The younger animal, Onward Prince Domino, is 10 months old and weighed 860 pounds. He was sired by H. A. Talley's great herd bull, Prince Domino.

The other calf is Onward Mischief 65th, 12 months old, and weighing 980 pounds. His sire was Onward Mischief, a former herd sire at the Williams farm. His dam was Gladiate Mischief, sired by Mischief 2nd; he being a son of Superior Mischief, a \$22,000 bull. Gladiate 3rd G, a double Bright Stanway cow, is the grand-dam of Onward Mischief 65th. This cow, said to be one of the greatest in the Panhandle, has been the foundation female for the fine group of cattle belonging to Williams & Son.

Twenty head of top-notch linebred Herefords constitute the cream of the herd. These are the "pick of the crop," although there are many more good ones, and every one of them registered.

## Mobeetie Schools Open Monday, September 3rd

New Courses Offered in High School—Enrollment of 200 Expected

Doors of the Mobeetie schools will swing open Monday morning, Sept. 3, to begin the largest school year's work in the history of Mobeetie, asserts Carl Chaudoin, superintendent of the schools.

Thirteen teachers have already been employed with a possibility of need for more. Twenty-eight courses are to be offered in the high school. Home economics, vocational agriculture, typing, art, public school music, and many other new courses are being added this year. It will be remembered that 13 credits of affiliation were obtained by the school last year.

Eight rural schools will transport their high school pupils to Mobeetie high school this season. These are Corn Valley, Spring Creek, Hay Hollow, Union, Mountain View, Dixon, Mt. Zion and Lone Star. Four new buses have been purchased for this purpose. The high school enrollment is expected to pass the 200 mark this year.

Following is a list of the faculty at present:

J. M. Knowles, high school principal; Jennie Lynn Walker, history; Hazel Cooper, English; Winfred Fowler, agriculture and coach; Elsie Simpson, commercial; Mrs. Winnie Hinson, home economics.

Noah Cunningham, grade principal; Mrs. J. M. Knowles, 5th grade; Mrs. Leonard Green, 4th grade; Miss McKenzie, 3rd grade; Ethel Beasuel 2nd grade; Lillian Davis, 1st grade.

The Mobeetie schools will again be under the able guidance of Carl Chaudoin as superintendent.

Mrs. Owen Sullivan and daughter, Joyce Marie, and Mrs. C. G. Fox and daughter and son, Bonnie Grace and Chester of Shamrock, were visitors in the Ficke home Sunday afternoon.

## Wheeler County Club Fair Here Next Week

Event Occurs on Sept. 7 and 8 —List of Prizes Is Complete

Friday and Saturday of next week, Sept. 7 and 8, will witness the annual Wheeler County Demonstration and 4-H club fair, which will convene in Wheeler on those dates. The former Hunt furniture store building, at the southwest corner of the square, has been obtained as a display room.

The fair is an annual gathering of demonstration club women and 4-H club girls from all over the county. Displays of clubs and individual members will include canned fruits and vegetables, cheese and other food-stuffs; also dresses, rugs and many articles of clothing. Notebooks kept as a record of each club's books are also entered.

The club fair attracts much attention each year, creating a fine spirit of friendly rivalry among the contestants. Winning entries in the county meet form the nucleus of an exhibit which is shown at the Tri-State fair at Amarillo, and later at the Dallas fair.

Notwithstanding the severe drought which has seriously affected food division entries, Miss Viola Jones, home demonstration agent, evinces an optimistic spirit in the following comment:

"We have as good an opportunity to send quality produce to the Tri-State and Dallas fairs as any county in Texas," asserts Miss Jones. "For it is said that Wheeler county has been more prosperous this year than many other counties, and therefore will have just as much to can." She urges each club and every individual to bring what they have, even though it may seem little.

All exhibits must be in place by 12 o'clock noon, Friday, Sept. 7. They may be removed after 4 o'clock p. m., Saturday, the 8th.

The Wheeler Board of City Development was requested by officials of the club fair to arrange for prizes in four groups. This service was performed Monday and Tuesday and the following list, together with the donors, was reported:

### High Point Club

1st—Two dozen plates, Puckett's Store No. 4. 2nd—Two dozen cups and saucers, Houston's Cash Grocery and Crump-Mundy Service Station. 3rd—One dozen fruit jars, City Market and Grocery.

### High Point Women

1st—Pyrex baking dish, Ernest Lee Hardware. 2nd—Mixing bowls, Brazil's 5c to \$1.00 store. 3rd—Preserving kettle, J. P. Green & Sons.

### High Point Senior Girls

1st—\$5.00 on expenses of trip to Dallas fair, Board of City Development. 2nd—Material for wool dress, Garrison Service Station, C. H. Clay Grocery and The Wheeler Times. 3rd—Memory book, Royal Drug store.

### High Point Junior Girls

1st—Memory book, City Drug store. 2nd—Print dress, The People's store. 3rd—Print dress, Melhany's Dry Goods.

### TEACHERS RETURN HOME

The following teachers who were attending summer school at Canyon returned home Friday of last week: Mrs. Loyse Bolton, Mrs. Lloyd Davidson and Misses Flora Mae and Fannie Gordon. Mrs. C. C. Crowder will return this week. Mrs. J. E. Cox, who had spent two weeks with her daughter, Mrs. Davidson, came home Friday.

### GETS MORE EGGS THAN TOTAL NUMBER OF HENS

"Very unusual" partly describes the poultry situation at the W. M. Lohberger home, in the Briscoe community, where on some days egg production from a small flock of hens falls short of the number of layers. The peculiar angle, according to Lohberger, is that on other days he gets more eggs than the total number of hens. He figures that some of the biddies undoubtedly lay more than once during the day, thereby accounting for the discrepancy. He has less than a dozen hens and has been keeping close tab on the matter.

## A SERIOUS PROBLEM

"Man proposes—God disposes," says the old proverb. It proves a fact that has the department of agriculture and high government officials giddy and dismayed.

Main administration program for the farmer has been crop and acreage reduction. Working on the theory that unless drastic action were taken, the American market would be glutted with agricultural surpluses for many years to come, thus keeping prices at bankrupt levels, steps were taken to kill pigs, plow under wheat and cotton, and otherwise attempt to adjust demand and supply. The government paid out checks totaling millions to farmers in order to recompense them for crops thus destroyed.

Everything went along well—until the power of God appeared, in the form of the worst drouth in generations. The wheat and cotton crops of whole states were literally burned to dust—cattle died of thirst and starvation—high winds whirled away seed and top-soil, making a desert of what had been the finest and richest farm land in the country.

Outside of the afflicted areas, the American people had little idea of what the result of this would be. They read the headlines, felt pity for the farmers whose year's income had vanished, agreed that the government should administer relief. What they did not realize was that the drouth, following upon the man-made campaign to destroy produce, had turned the crop surplus into a crop deficit. And that means but one thing: Soaring food prices to the consumer. Private crop experts say that it will take five or six years to make up for the crops we have lost. Every one of these experts is of the belief that during the coming winter food prices will be higher than for many years past—and that, coming at a time when the national income is still heavily depressed and millions of families are earning just enough to get by on, contains the fruits of potential tragedy.

President Roosevelt, Secretary Wallace and others have said that all the power of the government will be used to prevent profiteering, that the consumer will be protected. But no law exists which can keep farmers from hanging onto what crops they have left in the hope of higher prices—no power has yet been called into play that can prevent speculation all along the line, from the farm to the grocery store.

Washington is worried and uncertain—and in the meantime the government is in the odd position of

forcing crop reduction on one hand, while administering relief to crop sufferers on the other!

## THE A. B. C. OF SAFETY

The cause of safety has a very simple and important A. B. C. The letters mean—Always Be Careful.

That motto should govern conduct in every home, in every place of business—and especially in every automobile. Because it is constantly violated thousands of people die needlessly each year, 33,000 of them in motor accidents alone, and property damage runs into the billions. In no other nation do accidents take so great a toll.

There is nothing difficult about "playing safe." The main thing to remember is to never take a needless chance—never do anything unnecessarily that might lead to injury. An automobile driver, for example, can probably pass cars on curves nine hundred and ninety-nine times without anything happening. On the thousandth time he may kill and maim and injure. The element of risk is always there—a little thought will reduce it to a minimum.

There is no greater and more absolute waste than that caused by accidents. No kind of waste possesses less justification—the unavoidable accident is so rare as to be almost non-existent. Nearly every accident is caused because someone was reckless, careless, ignorant. Remember the A. B. C. of safety—and you will be doing your part to eliminate hazards that menace every citizen.

## PROFITLESS PROSPERITY

Here are some facts for everybody to consider because they underlie the future earning power and employment foundation of the United States:

Marshall Field & Co., Chicago, second largest store in the world, sold \$45,000,000 worth of drygoods and commodities in the first six months of 1934. That was a \$10,000,000 increase over the first half of 1933. But it lost nearly \$2,000,000 on the turnover. The president of the company told his stockholders: "Our sales failed to increase to the extent necessary to cover the increased burden put on us by NRA and other national and local government agencies. During the second quarter our payroll was \$1,088,000 more than a year ago and our taxes were \$626,000 more."

Consolidated Gas Company of New York, one of the outstanding public utilities in the world, had gross revenues of \$53,000,000 for the second quarter, practically the same as for a year ago. But profits per share of common stock dropped from 83 cents to 41 cents. The drop was caused wholly by the rise in the cost of doing business. For the first half of this year taxes and operating expenses were up 10.9 per cent from last year. For the June quarter they were up 14.4 per cent.

General Motors' quarterly report showed its three months' sales at \$303,000,000, an increase of no less than \$100,000,000 but wages and material jumped even faster so that its three months' profit was actually \$1,000,000 less than the same period in 1933.

Along with talk about new ways of taxing industry, soaking the investor and cutting the rates of public service companies and railroads, it is well to bear in mind that the rank and file of United States citizens depend upon industries for their jobs and they also depend upon them to make earnings on savings which they have invested in them.

We simply cut our own throat when we cut the throat of industry with destructive legislation and taxation, and destroy its lifeblood of earnings.

## Our Exchanges

Items of interest culled from newspapers on The Times' exchange list.

If the cost is not prohibitive, Harvester park will be lighted for night games, according to present plans of the athletic committee of the Pampa school district which met Monday. Supt. R. B. Fisher is chairman of the committee, and the other members are Joe M. Smith and Lynn Boyd. Employment of a caretaker and the building of a caretaker's house on the southeast corner of the park was also approved.—Pampa Advocate.

Rev. W. I. McClung of Petrolia, Texas, has accepted the call of the First Baptist Church of Panhandle and will move to the local field about September 1.—Panhandle Herald.

During the fall and winter months some kind of made jobs are going to have to be provided. Especially is

this true of those who must live by their hands, having no farms, no cows to milk, no regular job to which to apply themselves. This is why Floyd Chamber of commerce, local officials and the business community generally, as well as the relief agencies, are trying so hard to get more than one road project under way before too late in the fall. This is why the highway commission and the state relief commission are being asked to hurry. We might wait another year or two for the road improvement but we can't wait another year or two to provide jobs for heads of families. Something has to be done. If permanent improvements can be made at the same time relief jobs are furnished the double-barreled program would be of immense value.—Floyd County Hesperian.

The Chief was in error in a statement made last week regarding the beer election being held in connection with the second primary in order to avoid expense and trouble of holding two separate elections. The expense of holding the second primary election is paid for by the candidates, while the expense for holding the beer election is paid for by Roberts county. Both elections, however, will be held in separate rooms at the court house on the same day, Saturday, August 25.

The Chief is glad to make this correction in behalf of the both defeated and winning candidates.—Miami Chief.

County Agent Ralph Thomas Wednesday morning received \$10,140.30 in checks under the corn-hog reduction plan and will give them out as rapidly as the farmers call at his office. About one-third of the checks are for farmers in precinct 3, while the others are well scattered over the county. The hog payments were on the basis of \$2 per head on 75 per cent of the adjusted average number of animals farrowed and sold during 1932 and 1933. The corn payments were on the basis of 15 cents per bushel on the adjusted average production of land rented to the government. Farmers were paid in sums ranging from \$4.50 to \$374 each.—White Deer Review.

There seems to be a growing opinion over the country that the proper thing to do in times of greatest production is to lay by in store for times of famine, as was recommended in the scriptures, in place of killing stock and destroying crops already made.—McLean News.

Glad tidings come out of Washington this week which is a great relief to dry weather sufferers. It is announced that some provision is to be made to take care of the men past fifty. It has been our idea that we would all be killed off something on the order that cull cattle are being handled now. Buy up the cull husbands, shoot them and use them for fertilizer. A lot of husbands have never been of any use otherwise.—Donley County Leader.

The drouth is blamed for many things. Bad as it is in many counties, it is not as bad as conversation and newspaper stories lead people in other sections to believe. Gray county is fortunate in having the big oil payroll, as we have repeatedly emphasized. The B. C. D. is justified in asking the railroad commission to refrain from cutting the Panhandle oil allowable. Reduction of allowable would entail a reduction of operations upon which employment depends. We do not expect the allowable to be much changed. At most there would be no more than a small cut. In view of the recently hiked potential, it would be tantamount to a cut to let the allowable stay where it is.—Pampa Post.

The Dalhart Texan devoted some space the other day to a discussion of those folks who get so peaved with a newspaper over some political stand or policy, and in advising moderation closes as follows: "However, as a general rule, remember this and check it carefully. When you agree with a newspaper and its news policy the paper is fair and the editor a fine fellow, but when you disagree, as a general rule, the same paper is unfair and the same editor is not so hot. That is an old newspaper saying which as a general rule, works out."—Clarendon News.

Imagine a busy deputy county clerk's discomfiture when after issuing a marriage license to a couple last Tuesday, the couple began counting pennies in payment for the license. Because the groom was not yet of age, a separate legal paper must be issued, making the total charge \$2.00, which was counted out in 200 pennies. Some time ago, it is reported, Travis Dunlap and Miss Bernice Moore residing some 20 miles north of Tullia, agreed that when they had saved enough pennies between them, they would be married.

In their excitement over the ordeal, they counted out too many pennies and Townsend Douglas, honest boy that he is, returned ten of the pennies to the happy pair.—Tullia Herald.

Hemphill county's commissioners court has lowered the valuation on all real estate in the county 25 per cent and raised the county levy from \$1.30 to \$1.40, Judge W. L. Helton, reports. The state's tax levy is 77 cents on \$100 valuation. This plus the county's levy of \$1.40 and whatever the school levy will be is the basis for county and state taxes this year. Last year the valuation of certain items of the county were lowered 15 per cent, and the levy was increased from \$1.24 to \$1.30, which is an increase in the levy for two years of 16 cents and a reduction in valuation of 40 per cent.—Canadian Record.

District Judge W. R. Ewing was a business visitor in Miami Friday. Judge and Mrs. Ewing recently returned from a ten days vacation in the mountains of Colorado. The judge stated that the weather was so dry and hot that it was rather tiresome to make a long days drive and it was more restful to remain at home during a vacation. Judge Ewing opens a two weeks term of court in Miami next Monday.—Miami Chief.

Mr. and Mrs. Sam Hale and children, Janette, Sammy Nancy and Tommy, returned Friday from Tulsa and Oklahoma City, where they have been making their home since early in March.

## BILIOUS

Condition Needs Double Action Treatment

Stimulation of liver bile flow is not enough for complete relief, but combined with intestinal stimulation that relieves temporary constipation, quick, soothing results are certain. Herbine, a combination of herbs, combines BOTH actions and so those dizzy, headachy, indigestions, gas, rundown feelings get relieved when both liver and bowels return to normal action. Get your bottle of Herbine from druggists.

## Mobeetie Hornets Start Football Training Work

**Light Letter Men Report—Fowler Is New Coach—Prospects Fairly Good**

The Mobeetie high school Hornets started their fall football season in city at 9 o'clock Monday morning, under direction of their new coach, Winfred Fowler of W. T. S. C., and former assistant coach of Lockney high school squad. The Hornets are working out twice daily this week. Practice starts at 9 a. m. and ends at 11 in the forenoon. The afternoon session is held from 3 to 5 o'clock.

Approximately 25 boys, including light letter men, are showing up this week, and Coach Fowler reports that prospects look reasonably favorable for a good season this fall. Work-outs this week consist mainly of exercises of various kinds to get the boys in shape to start the regular grind when school opens next Monday, Sept. 3.

The eight letter men are as follows: Everet Sims, end; J. P. Meeks, back; Lee Slagle, end; George Robinson, back; Thurmen Ring, back; Lee Risley, guard; Bull Rush, center; and Lynn Myers, back.

Among the others coming out, including squadsmen, are: Gordon Owens, Wilber Sims, Junior Sims, R. C. Dunn, Rex Setton, James Hicks, Dewey Hicks, Bill Bartram, Ray Williams and A. B. Crump.

Mrs. Nora Putty of Pampa, is visiting her sister, Mrs. Clara Selby, this week.

Britten Pounds of Slaton, Texas, is visiting his mother and sister, Mrs. M. Pounds and Mr. and Mrs. A. L. Burch, this week.

Miss Verdine Lee Meadows is visiting her sister, Mr. and Mrs. Henry Lee at Briscoe.

Miss Jennie Lynn Walker, who spent the summer months at her home, returned to Mobeetie Tuesday for the school term.

Mr. and Mrs. Earl Davis and little daughter, Joyce Ann of Lela, visited in the P. L. Meadows home Friday night.

Little Miss Eldna Gean LeCroan, who has been visiting her grandparents, Mr. and Mrs. John E. Collins, returned to her home in Shawnee, Okla., Sunday. Mrs. Collins accompanied her home.

Mr. and Mrs. Jim Selby visited his mother, Mrs. Clara Selby, Monday.

Mrs. Smith and Mrs. L. Hewitt were Magic City and Kellerville visitors Sunday.

Mrs. P. L. Meadows and Earl Meadows and Weldon Case were Briscoe visitors Tuesday.

Earl Dunn of Oklahoma City, is visiting his grandparents, Mr. and Mrs. George B. Dunn, this week.

### Methodist Revival

Rev. Willis arrived in Mobeetie Sunday afternoon to conduct a week's revival. If you have not heard Rev. Willis deliver a message then you are very unfortunate and have missed a great blessing. In the

## An Appreciation

I desire to extend my sincere thanks to the voters of Precinct 1 who, by their support, gave me the nomination for County Commissioner from that precinct. To those who did not see their way clear to vote for me, I hold only the friendliest feelings and ask their co-operation and help after I take office that we may work together for the good of all.

W. W. ADAMS

morning services our thoughts are centered around, "Counting Our Blessings," which are many if we only stop for one moment and give this serious attention.

In the evening services Rev. Willis is giving his full attention to showing poor blind sinners the light through Jesus Christ.

### Cream Station Operator

Changed Last Saturday A change in the operation was made Saturday when Miss Wilber Burch was made operator of the Swift Cream Station in Mobeetie. We are now paying .25 for cream and hoping the price will rise even more before Saturday.

The station is now situated in the Puckett warehouse but as soon as arrangements can be made it will be moved into the rear of the Mobeetie Shoe Service shop.

### Card of Thanks

We wish to thank the people of the entire Mobeetie community for the kindness shown us during the lingering illness and death of our mother and grandmother. We especially thank Dr. Walker for his untiring efforts to relieve her suffering. We also appreciate the good dinner the ladies of the community brought in on Sunday.

Mr. and Mrs. H. F. Dyson, Mrs. Sarah J. Vernon and other relatives.

### KELTON NEWS

#### Lorena Wall

Mr. and Mrs. Tom Webster had in their home as guests last week Mr. and Mrs. R. O. Walkup of Amarillo, and Mr. and Mrs. J. W. Richerson of Erick, Okla.

Mrs. Elsie Maye Hood and little daughter, Johnnet, Miss Ruth Holland and J. T. Green were visiting in Kelton Tuesday and Wednesday. Mrs. Hood was enroute to Oklahoma City, where she plans to spend a few days vacation before entering school again.

Claud Davis made a business trip to Amarillo, this week.

Rev. Lollar of Shamrock, and Rev. Johnson of Magic City, are holding a revival meeting at the Baptist church this week and next. Some good sermons are being rendered and large crowds attending. Everyone is urged to attend all services, beginning in the morning at 10, and at night at 7:30.

Alteena Harvey, Tommy Henderson, Edd Webster, Marie Garner, Leroy Wall, Katherine Rutherford, Marvin Webster, Pauline Garner, J. D. Rutherford and Lorena Wall attended the show in Shamrock Wednesday evening. Everyone reported a splendid time although it rained on them all the way home.

Miss Rachael Davis of Shamrock, is spending the week with her parents, Mr. and Mrs. Claud Davis.

Miss Ina Mae Jolley of Twitty, is visiting her sister, Mrs. A. C. Brown, this week.

Dear old school days are here again. School opened at Kelton Monday morning at 9:30. Rev. Lollar had charge of the devotional exercises, reading a portion of the 119 Psalm, followed by a prayer. Teachers for the year were introduced as follows: Mrs. Frank McInnis of Wellington, Miss Rankin who taught here last year, Frank McInnis of Wellington, Miss Louise Harvey of Guymon, Miss Mary Heriag, Miss Hicks of Wheeler, Mrs. Bolton of Wheeler and Mr. and Mrs. C. B. James. Floyd Mooney gave a short talk concerning the building program. B. T. Rucker, the future county superintendent, made a very interesting talk. Rev. Lollar delivered an impressive address. General assembly was adjourned and the students assembled in their respective class rooms for further instructions concerning the program for the coming year.

The Missionary ladies met with Mrs. Scott for the study of Missions in Japan and China. Refreshments were served to the following ladies: Mesdames Claud Davis, J. A. Tucker, Marvin Cockrin, E. L. Wall, Pete Rives, Bradstreet, Williams, Rathjen and Carmon. Everyone reported a splendid lesson.

Mr. and Mrs. Henderson of Shamrock, were in Kelton Sunday afternoon.

Miss Alteena Harvey of Guymon, Okla., who has been visiting Lorena Wall, returned home Sunday evening.

Mr. and Mrs. Clarence Killingsworth had as guests in their home last week, Mr. and Mrs. Tommy Killingsworth and family of Mayfield, Okla., Mr. and Mrs. Edward Killingsworth and family of Erick, and Aunt Maude Coons of Erick.

Dorothy McLaugh of Elk City, is visiting Mrs. Mac Scott this week.

Mr. E. L. Smith and two children of Amarillo, spent Sunday night and Monday at the C. R. Weatherly home.

### LOCAL ITEMS

W.N.U. SERVICE

THE STORY

CHAPTER I—Seeking death by throwing her from the summit of Lone Mesa, to escape dishonor, Sonya Savarin allows herself to be rescued by her suddenly sobered and repentant attacker. The girl is a self-appointed physician to the Navajo Indians, living on an Arizona sheep ranch with her brother Serge, his wife, Lila, and their small daughter, Baba. For a year she has been engaged to Rodney Blake, wealthy New Yorker, but her heart is with the friendly Navajos and she evades a wedding.

cross-continent railroad. Parks—who could so easily send small flat crates of contraband to New York city in crates of innocent western produce: lettuce, say, from the Imperial valley, or even bales of hides. She knew now why she had always disliked him, why she had felt a repugnance to his speech, his oily handshake.

Water department, under supervision of A. W. Nelson—38 months without a lost time accident. Gas department, under supervision of A. W. Nelson—22 months without a lost time accident.

its heat) and harrow this in the soil. The rows should be six feet apart. "Before planting, classify seeds as short life, medium life or early and long life. Perennials such as asparagus, winter onions and rhubarb should be planted near one side of the garden, but not so close as to interfere with plowing."

ing for me," Mrs. Jones, county auditor, as she was... I am going to eat greens and a beef... foods that I do not like.

The 128 quarts of pantry consists of 14 quarts of peas, three quarts of chicken broth, 40 quarts of chicken, 40 quarts of four and one-half quarts of nine quarts of plums, 29 quarts of apples, four quarts of ter, four quarts of 30 quarts of beef.

Riley, Imogene Valoise Evans. Mrs. Allen I. Smith, Sponsor.

## OUR AIM

We have no subjects affiliated as a school are striving to many subjects accredited as well. It is necessary to do this it is necessary for a pupil to do his best. All to understand what the goal is in attending and to make grades. The attendance has been well. If we as a school keep there will be great possibilities of getting affiliation in many ways.—F. W.

## OPENING DAY OF BRISCOE SCHOOLS

Briscoe schools opened August 30, 1934. Everyone was very glad to see school opening again to the braces of Briscoe school. B. Miller, county superintendent, made a very interesting talk on how to make our schools better. The board and the board of trustees introduced by the superintendent, A. W. Graves. Everyone was glad to see so many parents present. Next year we are going to strive to climb higher on our ladder of success. We expect to get many subjects accredited.

## PHYSICAL EDUCATION

Briscoe school, which started at 13, is progressing nicely in physical work. R. G. Russ, the boys' physical education teacher, is practicing them in basketball. Due to the warm weather, the boys are playing volley ball at present time. The fifth, sixth and seventh grade are organizing ground ball under their supervisor, Miss J. E. Dodd has control of the

fifth, sixth and seventh grade boys. They are also organizing ground ball teams.

They are all expecting to keep climbing, and win many ball games this coming season.

## DEPARTMENTAL WORK

A change has been made in the teaching of the fifth, sixth and seventh grades this year. The change was made in order that the grades would have more time in which to prepare their work.

Miss Scott, Mr. Evans and Mr. Dodd have charge of the junior high school.

Miss Scott teaches the fifth and sixth English, seventh geography, fifth, sixth and seventh girls' physical education.

Mr. Evans teaches the fifth, sixth and seventh arithmetic and history.

Mr. Dodd teaches fifth and sixth geography, seventh grade agriculture, reading and spelling, fifth and sixth, and he has charge of the boys' physical education. Dodd also teaches two subjects in the fourth grade.

Mrs. Russ has charge of the other fourth grade subjects and half of the third grade. Miss Cormack teaches the remaining part of the third grade.

## Corie, the Snooper

## BRISCOE CLUB NOTES

Members of the Briscoe Home Kraft club gave the clubhouse a shower at their last meeting. A number of utensils, dishes and silverware were brought.

Mrs. Clarence Zybach, Mrs. Louis Smith and Mrs. Alvin Richerson were elected as trustees of the club, to serve three, two and one year respectively. Plans were discussed for remodeling the clubhouse; also plans were made for the fair exhibit.

Hostesses for the day were Mrs. Henry Lee and Mrs. Sam Standlee, who served refreshments.

Members present were Mesdames Weaver Barnett, John Zybach, Alvin Richerson, Clarence Zybach, Louis Smith, Charley Candler, Henry Lee, Sam Standlee and Jack Vice.

Meeting adjourned to meet again on Tuesday, Sept. 4, at the clubhouse. Each member is requested to bring anything she can for the fair exhibit.

## Assembly Revivals to Close

A revival meeting at the Assembly of God church in Briscoe, conducted by Rev. Alvin Walls of Wheeler, will close this week. Large crowds have attended the services and good interest has been manifest. The revival at the Wheeler church, under leadership of Rev. J. P. Newman, will come to a close at the end of the two-day fellowship meeting in the local church next week.

children, Jean and Leroy, and Miss Bootsie Hendrick went to Shamrock Wednesday, where they visited Mrs. J. R. Brown.

Mr. and Mrs. Burke and daughter of Shamrock, visited in the Roy Oswalt home Tuesday.

## Capital Punishment

Is the death penalty the proper method by which the criminal should pay his debt to society? Does it serve its purpose as a means of preventing crime? Is it in keeping with the teachings of the Bible, especially those laid down after the advent of Christ? This is the big question in the minds of the people. Is it right or wrong?

F. Newton Reynolds

If taking the life of a person by law is beyond question the thing to do; if those who sentence the condemned and those who press the button or trigger, are convinced beyond any doubt that it is the thing to do, why do most death traps have some means of shifting the responsibility of causing the death? If it is the just thing to do why do the authorities in death-penalty states most generally perform this act of destruction behind closed doors? If it is the reasonable thing to do and is beyond any doubt a promulgation of Biblical teachings, why do so many judges, prosecutors and jurymen who render the death verdict, fall in line afterwards and beg the governor to save the life of the condemned?

I do not feel there is much argument to it. I feel that it is a heinous enactment of ancient barbaric laws which have followed us down through the ages. I feel that it is a law which has slept on our statute books while only a few of our more unfortunate brothers have gone through the portals of death in this manner. This law has held its dusty place on our statute books while the trend of civilization has made an effort to move forward. The poor and unfortunate are the ones who most generally pay the price exacted by this brutal law. Yes, that is so.

Death to a criminal is not punishment. It is generally relief. Punishment as far as the law is concerned is the hiding away of a person from society, where they are forced to work at hard labor to help support their fellowman and to atone for their sins against society.

We all believe that the cold-blooded murderer should be punished to the limit of the law. But the great question is, what should be the limit of the law? It is also wise to remember that the death of an innocent victim at the hands of government is just as heinous and unreasonable as cold-blooded murder. The intention is not the same but the blood of innocence has been spilled just the same. Society has no way to atone for it. This kind of murder has, no doubt, been done. Since it is a fact that no small number of people have served long terms in prison through mistake, it seems reasonable to believe that at least one innocent person has been put to death through mistake or carelessness—government murder.

According to statistics, crime in states which do not have the death penalty law is no more, and in many cases less, than in states which have it.

If the life sentence were certain in the event of cold-blooded murder, the criminal would take just as much note of it as he does in the face of death. This does not sound reasonable, but the state records make it so. If it is not true, why do death penalty states have as many, and oftentimes more murders, than the states where the life sentence is the maximum penalty? The farce of setting criminals free to prey upon society is the chief argument in favor of the death penalty. The majority of people would be pleased with the life sentence if it were enforced.

Swift verdicts by intelligent men and continued confinement will impress the criminal mind as much as the extreme penalty.

Murder will never stop murder.

Your Confidence Is the Bulwark of Our Strength

## Citizens State Bank

# Sincere Thanks

I wish to express my deep appreciation to the voters and friends of Wheeler County who, by their support and votes, gave me the nomination for Sheriff of Wheeler County in Saturday's run-off. My sincere thanks are extended for the confidence placed in me, and I shall strive to merit this confidence in the future. I also wish to compliment my opponents, in both the first and second primaries, on their clean, straightforward campaigns.

I shall appreciate the co-operation and assistance of the good people of Wheeler County in administering the affairs of the Sheriff's office after assuming my duties next January.

# Raymond Waters

## THANK YOU

I wish to express my deep appreciation to the voters of Wheeler county for the splendid vote given me Saturday which elected me county clerk.

I will handle the office to the very best of my ability and will make every effort to make you a good county clerk so that no one will have cause to regret supporting me.

I wish also to express appreciation to my opponents for their clean races.

## F. B. CRAIG

## Hunting Season Opens Here Saturday, Sept. 1

Doves May Be Hunted from Sept. 1 to Oct. 31—Chickens Are Protected

The fall hunting season opens in Wheeler county on Saturday, Sept. 1. From that date until Oct. 31, doves may be legally hunted. According to a booklet issued by the state game commission for 1934, this county will not have an open season on prairie chicken this year.

Bag limit on doves is: 15 a day and not more than 45 a week.

Beginning Dec. 1, and ending Jan. 16, both days inclusive, covers the open season on quail and chachalacas for Wheeler county.

The bag limit is: 12 a day and not more than 36 a week.

Waterfowl and shore birds: Seasons and bag limits governing migratory birds are subject to federal regulations and have not as yet been designated. This information will be given to papers and generally publicized, states the booklet, when authorized by federal authorities.

While local inquiry fails to reveal the presence of deer in this county, the open season on bucks with pronged antlers is from Nov. 16 to Dec. 31. Limit is two bucks a season. Hemphill county is closed this year against shooting deer.

**Licenses**

Resident hunting license of \$2.00 is required of every citizen of the state above the age of 17 years who hunts out of the county of his residence.

Non-resident license fee is \$25.

Each migratory waterfowl hunter's license must bear the \$1.00 federal duck stamp, which may be purchased at any county seat postoffice or postoffices in cities of 2,500 or more population. This is a federal law and proceeds are to be used for game conservation and propagation.

### FELLOWSHIP MEETING AT ASSEMBLY OF GOD CHURCH

Two-day Session of North Plains District Occurs Next Monday-Tuesday

The Assembly of God church in Wheeler will be host, next Monday and Tuesday, Sept. 3 and 4, at a fellowship meeting of the North Plains section of the Texico district of the Assemblies of God. Rev. A. C. Bates, district superintendent, from Clovis, N. Mex., and the sectional presbyter, Rev. E. R. Foster of Amarillo, will have charge of the services.

According to Rev. Alvin Walls, pastor of the local church, a large attendance is expected, with many present from out of town.

"This will be a time of refreshment from the Lord," declares Rev. Walls. "Come and see if you have heard the truth concerning our church," the minister says, in extending a cordial invitation to the public to the special meeting, which is expected to mark the end of a revival which has been in progress at the church.

A basket lunch will be served at the noon hour each day of the meeting.

A fellowship meeting for this section is held monthly. The gathering in October will be at Borger, with Rev. J. A. Thomas and his church, it is reported.

### KELTON SCHOOLS OPENED ON MONDAY OF THIS WEEK

With a large crowd of patrons and visitors present, the Kelton schools opened for the 1934-35 season at 9 o'clock Monday morning, August 27. Supt. C. B. James made a short talk to the audience assembled in the school auditorium. He then introduced the faculty, which includes besides Mrs. James, the following educators:

Frank McInnis, principal and coach; Mrs. Frank McInnis, English; Miss Ina Bolton, 6th and 7th grades; Miss Mary Heriage, half of 4th and all of 5th grades; Miss Louise Harvey, home economics; Miss Maude Hicks, 3rd and half of 4th grades; Miss Effie Rankin, 2nd, and Mrs. C. R. James, 1st grade. Five of the teachers were held over from last year.

B. T. Rucker, county superintendent-elect, made an address in which he highly complimented the superintendent, the board and patrons of Kelton school on the splendid spirit shown in educational affairs. The school, according to Rucker, has made greater progress during the past year than any other institution of its size in this part of the state.

Eleven credits were earned by the school last year; two buses, at a cost of \$883, were provided for the transportation of pupils; and a bus is operating from Center.

Mrs. Bee Handley of Shamrock, visited Mrs. Paul Green Thursday.

## WHEELER COUNTY FOLK ATTEND OLD SETTLERS PICNIC AT WELLINGTON

With more than 1,200 persons present, the largest crowd in the history of the Old Settlers Reunion, gathered at the Small grove, five miles east of Wellington last Thursday for the annual picnic, reports the Wellington Leader.

Continuing, the account includes in a "Sideglances and Personalities" article the following mention of Wheeler county folks who attended the reunion:

T. P. Hyatt of Wheeler was one of the oldest men and one of the earliest settlers at the picnic. He came to this county first in 1877.

Mrs. Jeff Kelley of Mobeetie, brought great joy to many of her old Collingsworth friends by attending the picnic. Mrs. Kelley's husband, who died more than a year ago, will be remembered as one of the early Haycamp Cowboys. Mrs. Kelley came to this county in 1886.

Carey Dysart of Mobeetie, was present as usual with a word of cheer and encouragement for everyone. He came to this county as a boy of eight years, back in 1889, and it will be remembered that the county's first sermon was preached by Poppy Seale in his father's home. Mr. Dysart has always helped with the reunions and this time served on the grounds committee, spending Wednesday night on the picnic location.

A. B. Melton of Wheeler, came with Mr. Dysart to the reunion and will be remembered as a cowboy on the old Diamond Tail ranch back in 1885.

B. B. (Blutch) Walker of Shamrock, greeted old friends that he knew in 1890. Mr. Walker lived in the Elm Community at that time.

### NORTH FORK BAPTISTS TO MEET AT McLEAN, SEPT. 6-7

The North Fork Baptist Association will meet at the First Baptist church in McLean on Thursday and Friday, Sept. 6 and 7, according to Rev. Alamo Starkey, local Baptist pastor. A good program has been arranged which includes some of the best denominational speakers in the state. During the business session plans for another year's work will be discussed and perfected. It is very desirable that all churches in the association select messengers who will go and attend the entire two-day meeting.

Rev. Starkey is listed for a report on home missions. E. W. Carter, a member of the Wheeler church, also has a subject on the program.

### YOUNG PEOPLE'S REVIVAL AT METHODIST CHURCH

Beginning Sunday morning, Sept. 2, Rev. J. Edmund Kirby, pastor of the Methodist church, will begin a series of services for the young people of the community. Although it is a young people's revival, the general public is invited and urged to attend, Rev. Kirby announces.

Services will be held each evening at 8:15. The young people themselves suggested the sermon topics for the series, with the exception of the first two. They are as follows: "The Unemployed Gallecan," "Some Reasons Why It Pays to Be Honest," "Prayer," "What Is Right and What Is Wrong?"

"How Will Following Jesus Solve the Problems of Our Day?" "God, and the Creation of the World," "Christianity and the Other Great Religions of the World," "Immortality."

The pastor will preach Sunday morning on "The Unemployed Gallecan" and Sunday night on "Some Reasons Why It Pays to Be Honest."

## At the Churches

### METHODIST CHURCH

J. EDMUND KIRBY, Pastor  
Get the habit of attending church and you will find that that emptiness you have been experiencing in your life will disappear. Find your place in one of the churches of Wheeler next Sunday morning.

This church welcomes you to its services.

### FIRST BAPTIST CHURCH

REV. ALAMO STARKEY, Pastor  
Sunday school begins promptly at 9:45 a. m. Preaching at 11. B. T. S. meets at 8 p. m. Evening sermon at 8:45. Sunday is the Lord's day. Let us honor Him by attending services at church next Sunday.

### WANT ADS

FOR SALE—A good Holstein milk cow with heifer calf four months old. Price only \$25.00. C. J. Meeck. 37t1c

## Emergency Loan Time Extended

Information recently issued from Washington states that permission has been granted for additional advances to farmers in the drouth areas for the purchase of wheat, rye or barley, for winter seeding or summer fallowing, according to the emergency crop loan office at Dallas.

The time for making loans for summer fallowing or for purchase of seed wheat has been extended to Sept. 15.

It is stated that in no case can a borrower obtain a loan for the purchase of winter seed wheat, rye or barley, or for summer fallowing or both, during the year 1934, in excess of \$400 or an aggregate from the 1934 Emergency Crop Loan fund exceeding \$750.

As an explanation, a borrower who has received a crop loan of \$250 and a wheat loan of \$200 will be eligible for an additional wheat loan of \$200 if located in the drouth area. If the borrower has received a wheat loan of \$400 he will not be entitled to an additional loan to assist him in the planting and cultivating of his wheat crop.

### MRS. PERRIN IS HOSTESS TO B. T. S. INTERMEDIATES

Mrs. Bill Perrin was hostess to the intermediate group of the B. T. S. at the Baptist church Friday evening, August 24.

After a number of indoor games were played, the hostess served refreshments of fruit and sandwiches to the following members and guests: Mamie Lee Starkey, Lavell Jaco, Jennie Lewis, Orveta Puett, Ella Pearl Starkey, Beatrice Miller, Gerolde Lewis, Mary Genthe and W. J. Ford, Carlisle Robison, Herbert Whitener, Wallace Pendleton, Henry Shelton of Miami, and Vaughn Buster of Childress.

### CORNELIUS-WALKER

Miss Jeanette Walker and Conley Cornelius, both of Mineral Wells, were married in that city Saturday evening, August 25. Mrs. Cornelius is a favorite among the younger set of Mineral Wells, where she has made her home for a number of years.

Mr. Cornelius is the only son and youngest child of Mr. and Mrs. J. D. Cornelius, who live east of Wheeler. He attended school in Wheeler, graduating with the class of 1931. Later he attended Amarillo Junior college, and after helping his father on the farm for awhile, went to Mineral Wells and enrolled in the CCC. He is employed in a factory there at the present.

The young couple will make their home in Mineral Wells.

### HOWE BUYS RESIDENCE

Melvin Howe, manager of the Royal Drug store, purchased on Wednesday of this week the Floyd Pennington residence property on South Main, which has been occupied by Dr. Wm. Joss for some time. Mr. and Mrs. Howe have been living in the Raymond Allred property in the east part of town. They expect to move soon to their new home.

### Mrs. Trout Entertains

Mrs. Jim Trout was a charming hostess to the seniors of last year and a few friends at a party Wednesday evening at her home. The games, which were mostly new and all well-planned by the hostess, were played inside because of the rainy weather. At the close of the evening the group was divided into couples and refreshments consisting of doughnuts and all-day suckers were served.

The ex-seniors present were Exie Creekmore, Inez Shipman, Texas Miller, Anna Mae Puett, Bessie May and Marguerite Ficke, C. L. Balch, John Ficke, J. C. and A. B. Turner and Earl Farris. Others present were Loula Clarke, Cordie Lee and Ruth Farris, Barbara Miller, Haskell Turner, R. P. Farris, Lindsay McCasland, Demaris Holt, Dudley Callan and Mr. and Mrs. Jim Trout and son, Jackie.

### NOTICE

Members of the Farmers New Deal Gin are requested to meet at the gin office on Saturday, Sept. 1, at 3:30 p. m.

Signed:

37t1c BOARD OF DIRECTORS

### CITY ASKS SEALED BIDS FOR POSITION

The City of Wheeler hereby requests that applicants for the combined position of marshal and night watchman submit sealed bids stating qualifications and salary wanted. Only such bids will be considered. Same must be filed with the city clerk on or before 5 p. m. on Wednesday, September 5th.

C. R. WEATHERLY, City Clerk.

### BIRTHS

Mr. and Mrs. Marshall Adams of Amarillo, announce the arrival of a son, on Thursday, Aug. 23. He has been given the name of Bobby Joe.

Mr. and Mrs. L. J. Boone of Canadian, are the proud parents of a baby girl, born Tuesday, Aug. 28, at the Gaines hospital.

### Baptist W. M. U. Meeting

The W. M. U. of the Baptist church met Monday afternoon at the church with the president, Mrs. Ernest Dyer, in charge. After the Bible study and a short business meeting, the associational president, Mrs. C. A. Dysart of Mobeetie, made a very interesting talk. At the regular meeting last week the following officers were elected for the ensuing year: Mrs. Lee Guthrie, president; Mrs. Raymond Waters, vice president; Mrs. R. E. Brazil, secretary and treasurer.

### Younger Girl Scouts Meet

The younger group of Girl Scouts met for their regular meeting Tuesday night at the Methodist church with Florence Merriman, leader, in charge. They practiced on tenderfoot and second class tests.

Scouts present were Jennie Faye Templeton, L'Ombre Brazil, Joyce Faust, Melba Wiley, Louise Genthe and Lois and Silva Louise Ficke.

Mrs. C. J. Meek will entertain the group with a party at the church Friday night at 7:45.

### LOCAL NEWS ITEMS

E. E. Jackson of Mobeetie, was a business visitor in Wheeler Monday.

Mrs. Buck Britt and children went to Childress Monday on business and to visit friends.

Mr. and Mrs. H. M. Wiley and children returned Monday night from a month's vacation spent in the mountains near Therman, N. Mex.

Mrs. John Ficke and children and Mrs. L. C. McBee and daughter, Caroline, spent Tuesday with Mr. and Mrs. Henry Carman and children in the Kelton community.

Mr. and Mrs. W. E. George and grandchildren, Fern, Billie and R. E. George of Allison, spent Saturday night and Sunday with the children's grandmother, Mrs. M. L. Gunter and family. They were accompanied home Sunday by Albert Gunter, who will spend the week.

Miss Bernie Addison, who has been attending the university at Columbia, Mo., this summer returned Sunday to get ready for the opening of the Wheeler schools. She went to Quitaque, Monday for a visit with her father, Rev. Addison, and family.

Mr. and Mrs. R. E. Brazil returned Thursday where they visited relatives for the week. They also visited with their
