# Rising Star News

By MRS. LEE WHITE

District Highway Engineer, Ed Fritchard of Brownwood and his staff met Tuesday noon January 14, with the local Chamber of Commerce for a conference with the local members to discuss a safety program needed to protect school children from traffic hazards on North Main Street. This street passes in front of the high school building and a drive-in cafe, direct across the highway which has students patronize. North Main Street is also Highway 33 and through traffic of trucks and tourists adds to the daily hazard.

The New Year found five residents enjoying the pleasant and comfortable surroundings of Twilight Acre Nursing

Home, Rising Star's new home for its elder citizens.

These are M. S. 'Doc' Sellers, Mrs. J. E. (Aunt Mary) Smith, Ben Wilson, Gratton Adams and Miss Nancy Ann Duggan. The residents enjoy the companionship of each other and of their visitors as well as the recreational facilities the home provides.

Other residents are expected at Twilight Acre within the near future.

Blake Forehand announced last week that he will be a candidate for constable for Precinct No. 7, Eastland County. He is now serving an appointive term and has served two previous terms as constable.

His appointment came about when George Carter accepted the position as county jailer at Eastland.

The Buck Collins of Rising Star were honored recently by the presence of a distinguished visitor, Mr. Singh, a native of India and an agricultural technician spending a year in this country studying American farming and ranching methods. He came to Rising Star at the invitation of his host, C. T. Parke, Runnels County whom he is studying. They were here visiting Mr. Parker's mother and Mr. Collins.

Other visitors at the time were Mr. and Mrs. M. O. Proctor and Mr. and Mrs. Paul Jones of Fort Worth, Harry Jones of San Antonio and Mr. Claude Parker. Mrs. C. T. Parker and Susan came with Mr. Parker and Mr. Singh from Ballinger for the day.

Two places on the Rising Star City Council will be filled in the city general election to take place next April. The two vacancies will occur when terms of Bill Dennard and Willie Cooper expire.

Georgeann Johnson, 15 year old daughter of Mr. and Mrs. spending several weeks in Abilene Hendricks Memorial Hospital following injury when struck by a car, was able to be returned to her home on New Years Day. Doctors say she is improving satisfactorily and that complete convalescence may require four to six weeks. Georgeann is walking again with the aid of crutches and is looking forward to returning to school.

Sgt. John D. Holt, son of Mr. and Mrs. William H. Holt of May, was graduated from the non-commissioned Officer Academy (NCO) at the Army Artillery and Missile Center, Fort Sill, Okla., in mid-December. His wife, Joann is residing at 1511 Vincent, Brownwood.

The sergeant entered the army in June, 1960 and has served in Germany. He attended high school at May. During the training course, Sgt. Holt received training in command, map reading, history of military weapons and military teaching methods.

AIRMAN THOMPSON

## Former Ciscoan Is Assigned To Navy Air Center

Linden O. Thompson, son of Mr. and Mrs. H. L. Thompson of Lewisville and formerly of Cisco, reported to Whitting Field, Milton, Fla., Dec. 23, where he will be stationed for several months prior to being assigned to a technical training school at the Naval Air Station in Millington, Tenn.

Airman Apprentice Thompson completed basic Naval training at the Naval Training Center, San Diego, Calif., late last month, and spent two weeks leave at home with his parents.

At the end of his nine-week basic training, which included naval orientation, history and organization, seamanship, ordnance and gunnery, military aid and survival, Thompson was awarded a letter of commendation from his commanding officer for outstanding performance during the recruit training.

The letter said in part, "As a result of your diligent effort, you have maintained the highest average score on the weekly examinations given to your company while undergoing training. 'Well done.'"

Pvt. James D. Walker, son of Mr. and Mrs. G. M. Walker, Route 1, Rising Star has completed a 15 week radio teletype operation course in December at the Army Southeastern Signal School, Fort Gordon, Ga.

The course trained him to use radio transmitters and receivers and teletypewriter equipment, using both morse code and voice.

Walker is 23 and entered the army in 1963 and completed

ed basic training at Fort Polk, La. He is a graduate of Cisco High School and attended Cisco Junior College.

A singing was held Sunday afternoon at the Rising Star Church of Christ. Church groups from the surrounding congregations in the area attended. Each Sunday a singing is held in one of the local congregations in the area.

Airman 3-C Jerry D. Bibby, son of Mr. and Mrs. John D. Bibby, Canova Park, Calif., was a visitor over the weekend with his uncle, Jack Bibby and Velma, and other relatives.

Airman Bibby and his parents resided at Rising Star until they moved to California in 1950 and they will be remembered by a lot of the local residents and in the Rising Star area.

Bibby, who is a pilot, is now stationed at Lackland AFB, San Antonio. He is attached to Squadron 3276 and appreciates hearing from his box number is 1547-816 in case anyone would like to write to him. He left Rising Star Sunday for a visit in Dallas before returning to his base at Lackland.

Miss Marcell Lee of May was honored on her 14th Birthday Monday with a dinner by her mother, Mrs. Ida Murphy.

The honoree's sister, Mrs. Fred Lemmons provided the birthday cake, gayly decorated in pink and red, for the occasion.

Marcell received several gifts and following the dinner games were enjoyed by the group.

Eastland County Chapter, Division No. 64, Licensed Vocational Nurses Association will meet on January 8 at Rising Star. Mrs. Lee, director of nurses at Eastland Memorial Hospital, will be one of the hostesses.

The Rising Star Chamber of Commerce has scheduled its annual banquet for a date during February, the time and place to be announced later by a committee composed of Elgie Crisp, Robert Butler and Bob Shults.

Each year at the annual event, an outstanding farm family and a Rising Star citizen are chosen for honors by a committee, namely, Jay Koonce, Cecil Shults, and W. E. (Bill) Tyler.

Program committee in charge of the banquet program are Ed Croan, A. D. Jenkins and Benny Butler.

The Eastland County Singing convention will be held at the American Legion Hall in Rising Star, Sunday, Jan. 12, beginning around 11 o'clock. A number of quartets and out-of-town singers will be on hand. Lunch will be spread in the Legion dining room. Bring a covered dish and come help sing.

**If you'd like to have your own business Don't miss the Humble Career Planning Conference**  
The Jade Room, Starlight Inn on West Highway 80, Tuesday, Jan. 21, 7:30 P.M. For additional information, call OR 4-3351, Mr. Joe Sparkman.

If you've sometimes thought you'd like to go into business for yourself—but haven't had time to look into the possibilities—this meeting may help you decide.

At the Humble Career Planning Conference, you'll hear Humble Marketing Department representatives talk briefly about the opportunities in the service station business here. You'll see some interesting movies. And you'll be able to ask all the questions you want.

Humble is holding this meeting because our market is growing. Several new stations will be constructed in the northwest Texas area and existing stations will be available for lease.

As America's Leading Energy Company more than 30,000 service stations coast to coast. Humble is a good authority on what you need to be a success in the service station business. So if you want to get straight facts, and talk with men of different backgrounds who've made a success of this business, come to our conference. You'll not be obligated in any way. And you'll find the information you've needed to get started in business for yourself!

# ARRESTED IN AREA CASE; ALL IN JAIL

Saturday of 19-year old completed the court in Cisco and sent to the county jail in lieu of \$1,500 bond. All four young men were still in jail at Eastland Tuesday.

The other three were John L. Eute, 24, and Alvin E. Eute, 22, brothers of California, and Robert B. Sheets, 25, of Baltimore, Md.

Police Chief S. E. Parkinson of Cisco reported that the four bought a case of beer in Ranger and gave a \$32 check with the name of an Eastland physician forged on it. Later, they cashed a similar check at a Cisco grocery store.

Attendants at the store became suspicious after one of them dropped a gun near their car outside the store. They called police. It was determined that the checks were forged, and Cisco police soon spotted the youths and moved in for the arrest. Poe got away and the other three were picked up.

Sheriff Lee Horn and Deputy Lefty Sublett arrested Poe at Carbon late Saturday. Two guns that the young man had stolen from a pickup in Eastland were recovered.

One of the men told officers that they had "cashed" a store in May and two in East-

# Eastland Support Sought For Lions Dist. Governor

James McCracken, president of the First National Bank in Cisco, will be backed by the Cisco Lions Club for District Governor, the Eastland Lions Club members learned at their regular weekly meeting Tuesday, when their support for Mr. McCracken was asked.

International Counselor O. L. Stamey of Cisco made the announcement and urged the Eastland Club to help elect the Cisco man as district governor.

Technicalities of the recently enacted Safety Responsibility Act, recently made stricter by legislation, was explained to club members by Department of Public Safety Sergeant Roger Sosebee as program.

I'll be frank: I'd rather Vance didn't smoke, ever. So why should I teach him?

And really, I guess this was the purpose in the ordinance. Not to "prohibit" our smoking, but to make us think about it, in the light of recent scientific reports.

**Chevrolet's new low-cost quality delivery truck!**

Introduces you to Chevy-Van—our new economy truck. Its low price tag, over 40 sq. ft. of completely flat floor 7½ ft. long, the engine up front, and quality features which make it a better buy. The body and frame-floor are welded together. The strong, rigid, stable. Doors are double-wall construction.

Chevy-Van has unusual resistance to rust corrosion. Especially vulnerable areas like front stepwells are galvanized. They are used at all critical joints inside and out. Certain sections are treated with high-zinc-content primers; others with an aluminum-wax preservative.

The windshield is a big flat practical one-piece unit. The big 90-hp 4-cylinder standard engine is more powerful than some 6s, yet is remarkably economical. If you need more power, Chevy-Van offers a 120-hp six at extra cost. Side doors and rear windows also cost extra.

Last but not least, it's a Chevrolet. Which means that it is built to work for you a long time at minimum cost.

Telephone your Chevrolet dealer about Chevy-Van or any type of truck!

## Jehovah Witness Llano Assembly Set For Jan. 17

Jehovah's Witnesses, Texas Circuit No. 1, will hold their semi-annual assembly in the High School Auditorium at Llano, Texas, January 17 through 19.

Eugene B. Sipe, presiding minister of the Eastland Congregation, said, "The activity for the assembly will be built around the words of Jesus, 'Feed My Little Sheep'."

The Watchtower Bible and Tract Society, sponsors of the event, has delegated District Supervisor, H. A. Fetzik, and Circuit Supervisor, C. W. Sarakin from the Witnesses' world head quarter in New York to oversee the three-day ministerial instruction and activity.

Fetzik and Sarakin, with about 80 other district and circuit supervisors in this area, attended a special week of training in Dallas, December 15-21, to enable them to effect the stepped-up program outlined for the Llano assembly.

Fetzik, supervisor of circuits in Oklahoma, Texas and part of New Mexico, will give the climatic talk of the assembly, "The Bible Triumphs in a Scientific World," at 3 p. m., Sunday.

## Band Booster Club Shown Parade Pictures

Band Booster members enjoyed pictures taken of the Cotton Bowl parade and shown by Dr. M. A. Treadwell Monday night at the meeting of the Band Booster Club.

Dr. Treadwell showed slides of the band students preparing to leave for the trip New Years morning. The first slide shown was that of the new banner, which the band so proudly displayed during the parade. Other slides included pictures of the instruments being loaded on the chartered Greyhound buses and of the band students inside the bus. Pictures of the band enjoying their breakfast at Howard Johnson's Cafeteria in Fort Worth and many pictures of the band as they marched down the street in the Cotton Bowl parade.

Dr. Treadwell also showed slides made of the band at the Ranger-Eastland football game and of the Peanut Bowl parade.

Following the showing of the slides, a short business session was held by the members. Plans were discussed for new projects to raise money for the band. Among those discussed was a talent show which will be held at the first available date following basketball season.

Mrs. L. E. Huckaby and other band parents who accompanied the band to the Cotton Bowl parade and on other band trips this year expressed their appreciation of the band students on their politeness and behavior on these trips. It was announced that the waitresses at Howard Johnson's Cafeteria had nothing but praise for the students when they stopped there for breakfast New Years morning.

Next meeting of the Band Booster Club will be February 10 at the Band Hall.

Behind many "For Sale" signs there is a sad story: A family borrowed more than they could afford to pay for a home, or payments and interest rates were too high; the home had to be sold, often at a loss. This tragedy could often be avoided if the families would seek help from a home loan specialist, such as our Association.

We work with you to arrange for a loan that's as easy to handle as monthly rent.
