## Second Peanut Bowl Festival Day Planned

Ben McKinnis and Mike Collins were named as co-chairmen of the outstanding annual Peanut Bowl Day festival to be held Sept. 30, at the Eastland Junior Chamber of Commerce meeting Thursday night.

Plans began to progress as the activities of the big day were outlined for the Jaycee members. The festival day will begin at 8 a.m. with a twirling contest of which Phil Hewett is chairman.

Dale Trout, Phil Hewett, Don Kinnaird and Ben McKinnis have been named on the parade committee. Plans are being made to make the Peanut Bowl Parade the biggest and the most colorful parade ever to be in Eastland.

Herb Weaver heads the committee of James Johnston, Jerry Carter, L. A. Bennett, Kinnaird and Richard Fletcher for the Jaycee float. Kinnaird is in charge of the floats which will represent various clubs, cities and businesses in the county.

Plans are being made for the largest number of riding groups ever to ride in an Eastland parade, according to McKinnis, chairman of the riding groups. Eastland County Sheriff Posse, Posse-Anns, Rising Star Junior Roping Club, Gorman Roping Club, Parker County Sheriff Riding Club, Stephen County Sheriff Posse and May Rodeo Club have already made arrangements to ride in the parade. Three trophies will be awarded to the three top riding clubs.

Dick Spalding is chairman of the sweetheart contest and is responsible for inviting the special guests.

Rev. Ray Heckendorn heads the concession committee. His committee consist of Milton Underwood, Wayne Bailey and Herb Weaver.

George and Glenn Gilliam will be in charge at the Peanut Bowl game.

## Hardin - Simmons Youth Center to Be Constructed

Construction will start in the next few days on a new student center at Hardin-Simmons University in Abilene, following the awarding of contracts totaling \$787,395.

Completion of the building is expected in approximately a year. General contractor will be Oates Construction Co. of Abilene, with a contract of \$581,982. Air conditioning and heating will be handled by Abilene Air Conditioning Co. on a \$120,035 contract. Employees Electric Co. of Abilene won the electrical contract with a bid of \$49,449, and Batjer & Associates, also of Abilene, received the plumbing contract on a \$35,929 bid.

The building will be erected just south of H-SU's new chapel-auditorium, completed only about two months ago at a cost of about \$800,000.

When the new student center is completed, furnished and equipped, it will be valued at approximately \$1 million, university officials estimate.

The building will include Hardin-Simmons dining and recreational facilities, and will have a faculty lounge, small lounge for women, a large student lobby, hobbys and game rooms. It also will have two private dining rooms, a snack bar, bookstore, combined banquet and assembly hall for large gatherings, and three conference rooms. Recreational facilities will include bowling lanes and game rooms for such activities as table tennis.

The building also will have offices for student organizations and the H-SU Student Association, the office of alumni affairs, and possibly other groups.

Being torn down to make room for the student center is the oldest building on the Hardin-Simmons campus, Ann Hall built in 1903, it has served numerous purposes, including girls' dormitory, fine arts department, library and, for the last 10 years, student center. Structural failures have resulted in condemnation of the old building.

We are now on the last leg of our journey around the world, on the "America," of the United States Liner. This morning the sun is shining. For the last twenty-four hours we have been plowing through dense fog with the ship's deep voiced whistle sounding a long blast every eighty seconds. I figure that we now are off the coast of Newfoundland and in two days more will dock in New York.

The boat train took us from London to the dock in Southampton in an hour and a half. On the way the ships representative and the immigration officers interviewed each one on the train. Arriving at Southampton we found no porters due to the maritime strike so we had to handle our own luggage. Customs inspection consisted merely of asking us how many English pounds we were taking out of the country. Once aboard ship we had the nicest cabins we have had on the entire trip.

After leaving Southampton we called briefly at La Harve, France, and at Cobb, Ireland, taking on passengers and mail at both places, but leaving many automobiles behind. I understand that the cars now on this ship cannot be unloaded in New York as the strike continues. Many tourists will be disappointed. At LAHarve we took on more than two hundred passengers, who were scheduled to sail on a French ship, because its sailing was canceled.

Life aboard this ship has been pleasant with good American food, entertainment of various kinds, reasonably good weather, except for fog, and a very smooth sea. In the dining room we are seated at a table with five young folks, three American students returning from school in England, and two tourists from the Continent returning to America from their holiday. These young people are stimulating with their bright thoughts and interesting comments on travel, religion and education. I am convinced that travel is an education in itself.

The largest first grade class in years has caused a complete revision of school boundary lines and teacher assignments for the 1961-62 school year as the Eastland Public Schools prepared to open Monday at 8:00 a.m.

With first grade enrollment nearing the ninety mark an additional section was added at South Ward making a total of four first grade sections in the system. Mrs. Harold Durham and Mrs. Charles Marshall will teach the two sections at South Ward and Miss Nettie Thornton and Mrs. Homer Smith at West Ward.

The increased enrollment has also led to the transfer of the entire fourth grade from West Ward to South Ward for the coming year, and all available classrooms will be filled when school opens Monday.

Transportation for fourth grade students who normally would have attended West Ward will be furnished from West Ward to South Ward and return each day. A bus will depart from West Ward each morning at 8:00 a.m. by way of Plummer Street, making stops to pick up passengers at the intersection of Connelley and Seaman streets. Immediately after school the bus will return to West Ward retracing the same route.

Parents wishing to transfer students from one school to the other may secure a transfer request application from the school principal Monday morning, and file it with the principal by noon of the same day. Consideration will be given such requests when such transfers will not lead to unbalanced enrollments in the grades concerned, or

## Around the World Trip Completed By Perkins

(Editor's Note: This is the final of a series of articles giving a step by step account of Joseph M. Perkins trip around the world.)

We are now on the last leg of our journey around the world, on the "America," of the United States Liner. This morning the sun is shining. For the last twenty-four hours we have been plowing through dense fog with the ship's deep voiced whistle sounding a long blast every eighty seconds. when apparent hardship cases exist.

**Teacher Assignments**  
Teacher assignments at South Ward are as follows: Mrs. Harold Durham and Mrs. Charles Marshall, first grade; Mrs. D. E. Frazer, second grade; Mrs. Jimmy Young, third grade; Mrs. J. M. Cooper and Mrs. Pearson Grimes, fourth grade; and Miss Opal Hearn, fifth grade.

Teachers at West Ward are Miss Nettie Thornton and Mrs. Homer Smith, first grade; Miss Gladys Green and Mrs. Jimmy Hughes, second grade; Mrs. Frances Cooper, third grade; no fourth grades will be at West Ward; and J. W. Turner and Mrs. Eugene Green, fifth grade.

**Boundary Lines**

**First Grade**  
South Ward—All students living on Daugherty Street (either side) and all living east of Daugherty Street.

West Ward—All students living West of Daugherty Street and all Eligible Bus Students.

**Second Grade**  
South Ward—All students living east of an area bounded by a line running North on Daugherty Street to Main Street, then East to Seaman Street, and North on Seaman Street to the T & P Railway.

West Ward—Students living West of the area bounded by a line running North on Daugherty Street to Main Street, then East to Seaman Street, and North on Seaman Street to the T & P Railway. (This would include students living on North Green, North Mulberry, North Lamar.)

**Third Grade**  
Daugherty Street is the dividing line for both Schools.

**Fourth Grade**  
All students assigned to South Ward.

**Fifth Grade**  
Fifth Grade students follow same boundary line as Second Grade students.

On Sunday we attended church in the ship's beautiful auditorium. The service was a church of England service conducted by a Lutheran minister returning from years in Hong Kong, and his remarks were most interesting.

This ship is refreshingly American. We are given drinking water without having to ask for it and butter comes with the evening meal, which it does not on the British ships.

Also we have baked potatoes for the first time in several months. In the corridors and on the stairways we pass others on the right, instead of the left hand side as on British ships and in British countries.

Our food is the best and I had a choice of seventy-two items on the breakfast menu this morning.

Today we have been packing our luggage for the last time on our trip. Each time it becomes more and more difficult as things accumulate. I am reminded of the advice given by some noted traveler who said, "Take half the luggage and twice the money and you will enjoy the trip."

During my travels I write down notes in my notebook and cross them off as I use them in these reports. I have just looked through my notes and found several that are not crossed off. They are:

"Tailwaggers' Kennel", a sign at a pet shop in Australia

"Frost grit", a pile of sand on a steep highway

"Fruitree", a fruit store

"Drapers", mens clothing store

"Make Good-night a Certainty", sign on a blanket mill

"Lay By", a turnout parking space off a main highway.

**Jehovah's Witnesses**

Local delegates to a 40-state gathering of Jehovah's Witnesses in Oklahoma City, Okla., are back home with instructions to step up their house-to-house teaching in this vicinity.

Curtis Boase, newly appointed presiding minister for the Eastland Congregation of Jehovah's Witnesses, said seven delegates from this area were present at this six-day convention, which ended August 13. Unity of worship as the key to survival was the assembly's theme, he said.

Principal speaker for the gathering was Watchtower Society president Nathan H. Knorr, who climaxed the sessions with a public address entitled, "When All Nations Unite Under God's Kingdom." According to Boase, Knorr told a peak crowd of 12,744 that world unity will be attained only under God's Kingdom.

The speaker declared that even though Jehovah's Witnesses are now active in 181 lands and islands they have united in the worship of the one God, Jehovah. He reasoned that the preaching of the "good news of the kingdom" by Jehovah's Witnesses is vital to helping others attain unity of worship, Boase said.

Other lectures, reports and demonstrations during the convention were designed to teach the Witnesses better ways of conducting their unique house-to-house ministry.

The assembly, held at the Oklahoma State Fairgrounds, was one of a series of 13 sponsored by the Watchtower Society this summer throughout the United States, Canada and Europe. A mass baptism of 299 newly ordained Witnesses was a convention highlight in Oklahoma City.

"As a result of this assembly we of the Eastland congregation of Jehovah's Witnesses are better equipped to fulfill our Scriptural commission to help others learn the Bible's answer to world problems," Boase concluded.

## Double Ring Ceremony Unites Sidney L. Seale, J. W. Barfoot

MRS. JOHN WAYNE BARFOOT  
Photo by Canaris Studio

A formal double ring ceremony, read by Rev. W. S. Fisher, pastor, united in marriage, Miss Sidney Luc Seale and John Wayne Barfoot, Saturday, August 26th at 8:00 p.m. in the First Methodist Church in Eastland.

Vows were repeated before a background of greenery, palms, baskets of white Gladiolas and Chrysanthemums, softly lighted by many tall white candles.

Mr. and Mrs. Sidney E. Seale, 418 Foch Street, Eastland are the parents of the bride. The bridegroom's parents are Mrs. Faye Barfoot of Abilene, and Royce E. Barfoot, Phoenix, Ariz.

Given in marriage by her father, the bride wore a gown of Antique bridal satin, an original creation trimmed with applied motifs of beaded alencon lace, which swept gracefully into a wide band, across the chapel length train. The trim was repeated on the back of the fitted bodice. Her veil of French illusion was held in place with a Queen's crown. She carried a crescent bouquet of white butterfly roses.

Mrs. Glenn Hogan of Danville, Indiana was her sister's Matron of honor. Mrs. Robert D. Batjer, Jr. of Dallas was bridesmaid. They wore bouffant-skirted dresses fashioned of maize silk organza with portrait necklines of softly pleated embroidered organza of muted gold, with matching

head pieces. Each carried a bouquet of gold- fiji Chrysanthemums.

Thomas E. Scott, Austin was best man. Other attendants included Robert D. Batjer, Dallas, Glenn Hogan, Danville, Indiana, Booth S. Henson, and Billy G. Edwards of Abilene.

Mrs. Seale chose for her daughter's wedding a dress of beige draped chiffon with matching accessories, accented with autumn green.

Mrs. Barfoot, mother of the bridegroom wore a dress of blue silk brocade with blue accessories. Both mothers wore corsages of Gardenias.

Preceding the ceremony, Mrs. Donald Kinnaird, organist, played, "Love Duet" by Gounand, "Drink to Me Only With Thine Eyes", Ben Johnson, and Kreisler's "The Old Refrain". As the bridal party entered she played "Bridal Chorus" from Wagner's "Lohengrin". A medley of classical selections was played softly during the ceremony. The bridal party made their exit to the strains of Mendelssohn's Wedding March.

A reception was held in the Woman's Club immediately following the ceremony. Assisting the parents in receiving and entertaining the guests were Mes. Emmett Powell, Milton Day, O. B. Hogan, Jack Jernigan, Jerry Carter, H. W. Sims, Mrs. LaRue Broussard of Bronte, Mrs. A. K.

Tartt and Mrs. M. D. Richards of Abilene, and Mrs. Michael Tyson of Austin.

A French linen heirloom cloth in white covered the Bride's table, which was centered with an arrangement of white Chrysanthemums in a silver bowl. The beautiful white wedding cake was covered with white roses and bells. Other appointments were of crystal.

When the couple left for their wedding trip to Red River, New Mexico Mrs. Barfoot was wearing a going away suit of tan silk with soft beige and brown accessories.

Mrs. Barfoot is a 1959 graduate of Eastland High School. She attended business school in Abilene, where she has since been employed. Barfoot is a School and a 1961 graduate of School and a 1961 graduate of the University of Texas.

Major and Mrs. W. Ancil Owens Jr. and children, Kaye, Linda and Billy Brent, spent Saturday of last week visiting in the home of his parents, Mr. and Mrs. W. Ancil Owen Sr.

From here they went to Del Rio where they visited her parents before returning to their home at Vandenberg Air Force Base in California.

### Sunbeam Focus Week Concluded With Conference Program Monday

The four Sunbeam bands of the First Baptist Church concluded their "Focus Week" activities Monday night with a trip to Ranger where the primary group presented a skit for the monthly worker's conference.

Participating in the skit were Jill Wright, Bobby Upchurch, Alan and Christy Jolly, and Evelyn Chapman. They were costumed to represent children in various countries.

On Wednesday, Aug 16, members of the bands and their parents met in the Fellowship Hall of the church for a combination birthday and "Christmas in August" party.

A large pink birthday cake, decorated with the number 75 and that many multi-colored candles, honored the anniversary of the organization.

### First Methodist Church

Church School begins at 9:45 a.m.

Morning worship service is at 10:55. The pastor, Rev. Wm. S. Fisher, will be in the pulpit to bring the message titled "The Challenge of Christianity." The choir will present an anthem. The organ music will include the prelude "Prayer of Thanksgiving" by Demorest, the offertory, "Lyric Interlude" by Schreiner and the prelude "Andante" by Gabriel will conclude the service.

The Youth Fellowship will meet at 6:15. The evening worship begins at 7 o'clock with the pastor again bringing the sermon.

His subject will be "The True Church". Wendell Siebert will conduct the song service.

The Methodist Men's Club will meet at the church in fellowship hall, Tuesday evening at 7:30 for an ice cream supper, followed by a film, showing the highlights of the Southwest Conference Football Games. Donald Kinnaird, Jr. President, urges all men of the Church to attend.

For their "Christmas in August," an annual event complete with decorated tree, the children brought such articles as Bibles, school supplies, toys and books. These will be sent to missionaries, who will later gift-wrap them for distribution among children of other lands in celebration of the real Christmas.

Parents at the party were invited to see a display of handicrafts and posters completed by the children.

Mrs. Warren Chapman is Sunbeam director. Other workers are Meses. C. W. Boles, J. O. Tanner, Don Farmsworth, Bob Perkins, Joe Ed Ingram and Misses Sara Peel and Judy Blevins.

Thirty-eight children are enrolled in the four bands. Approximately 25 participated in the week's activities.
