## TidBits

By H.V.O.

THE WHOLE TOWN DID OUT for the carpet Friday and Saturday to participate and visitors to the annual Eastland County Pecan Show in the lobby of the courthouse. As an honor for this attraction to be in our town, and we all want to visit to show our appreciation. (Besides, the pies and cakes are always welcome taste-treats.)

MRS. Jim Norton reports that Eastland's Old Rip was mentioned (incorrectly at 2 years in the cornerstone) in a recent issue of Life Magazine Nov. 2, issue, page 19. . . We're enjoying as always, our copy of the "Original" Farmer's Almanac, courtesy of rat milers at The Bender Co. . .

PHIL KENDRICK of Kendrick Music Center reports that the Schugart Photographer is due at his store Friday, Dec. 12, not "Thursday" as indicated in an announcement earlier.

THE SOCIAL Security Administration is holding open house at its offices in Abilene Dec. 18 in observance of the S. S.'s 30th Anniversary. Mrs. Fay Grant, local representative, says that Eastland County has been part of the district served by this office for entire period.

ENJOYED READING a copy of the Gladwater Mirror brought us by EX-GI 36 Gene Rhodes. . . Contributor Glen Bryant here suggests: "A friend may let you down, but a grin is kin to a friend."

NEW RADAR speed checking device in use by the Eastland Police Dept. is a marvel of safety through electronics and it should help improve local traffic conditions. Acting Chief John Morren demonstrated its effectiveness this week, and for those of us who need a frequent reminder of our speed on city streets, it's a natural. Places where it's most apt to be in use. S. Seaman, Plummer, S. Daugherty, Masdera, and of course, East and West Main St. All points where we need to slow down.

## Navyman Murray Completes Course

Aviation Fire Control Technician First Class Harley G. Murray, USN, son of Mr. and Mrs. Leon L. Murray of Eastland, completed an aircraft maintenance course with Naval Air Maintenance Training Department 1098 at the U. S. Naval Air Station at Miramar Calif. The course dealt with one of the systems of the F8 Crusader weapons system. Training Detachment 1098 is one of 59 similar detachments in the United States which provides on-site maintenance training for both Navy and Marine Corps personnel.

DOLLS, DOLLS, DOLLS : BIG, LITTLE, AND LIVING. Members of the Afternoon Hobby Club dressed big and little dolls for distribution through Eastland Goodfellows. The living dolls will be waiting for Santa Clause to visit them at the homes of Mr. and Mrs. Kenneth Johnson, Mr. and Mrs. Robert D. Bird, and Mr. and Mrs. Walter Loudermilk. Playing with the dolls are, from left, Amy Loudermilk, Diane Johnson, and Molly Bird.

## Goodfellows On Way To Sharing

SHARE. (A verb meaning to distribute; to give; to enjoy jointly.) ENJOY JOINTLY. (Meaning to be partners in happiness.) GOODFELLOWS. (Meaning the way you can SHARE and ENJOY JOINTLY.) Eastland Goodfellows are accepting contributions to help provide Christmas clothing, food, and gifts for those families who are unable to share in Christmas giving without help. You may "enjoy jointly" by giving to the Goodfellows; you will have the joy of helping another; someone will have the joy of being a part of the season.

Send your contributions to James Reid, treasurer, P. O. Box 391, Eastland, 76448.

## 'Best Dressed To Delight Small Ones'

Eastland's "best-dressed" list would have to include the more than 30 dolls dressed by members of the Afternoon Hobby Club. The dolls, which will be distributed to local children through Eastland's Goodfellows, are on display in the building next to Maverick Barber Shop on the east side of the square. The dolls now wear clothing which includes hand-stitched lace trim, panties and petticoats or diapers and blankets, shoes made to match dresses, (the shoes vary from red velvet buckletype to the "scuff" like slippers made of leather and elastic.) Members of the club are Mrs. Roy Mayfield, president; and Mmes. Marcus Grieger, Arthur Wright, Dick Yielding, Russell Turner, Jess Taylor, Pat Crawford, Fannie O'Brien, John Nicholas and John Cooper.

JOE C. HANNA

## Joe Hanna of Breckenridge Announces Here

Joe C. Hanna announced today that he would be a candidate for State Representative of the 53rd Congressional District in the coming election which is composed of Callahan, Eastland, Palo Pinto, Shackelford and Stephens Counties.

In announcing, Hanna, 49-year old Breckenridge business man, stated that he hoped to represent this district in Austin with mature judgment and fair and sensible thought and action.

Hanna recently sold his business, the Stephens County Abstract Company, after 24 successful years in Breckenridge.

"For the first time in my life I feel I have the time to become involved in public service rather than private business," Hanna stated.

Hanna attended Johns Tarleton College and the University of Texas. He went into the Naval Air Corps as a fighter pilot in World War II, and after four years returned to Breckenridge with a wife and a daughter. He bought into the Stephens County Abstract Company and later assumed full control of the business.

Hanna served on the school board 13 years, and has been active in the business and civic life of the area. He has three children, a daughter, Judith, 24, and two sons, Steve and Mark, 21 and 17. His wife, the former Betty Elliott was born in Breckenridge.

Stating that he would make a formal announcement later, Hanna said he planned to meet with many of the people of this district as possible, and personally visit with them.

Guests in the home of Mrs. R. A. Poole were her daughter and her family, Mr. and Mrs. Dillard Morgan, Mary Ann, Marcia and Melissa, of Fort Worth.

## Pecans To Be 'For Sale' First Time At Local County Show Dec. 12 & 13

### Funeral Services For Mrs. Williams Held Wednesday

Funeral services for Mrs. Ophelia Williams, 61, of Lake Leon were conducted at 4 p. m. Wednesday at the Gorman Church of Christ with Charles Prestige, minister officiating. Burial was in the Oaklawn Cemetery at Gorman.

Mrs. Williams died about 6. 25 p.m. Monday at the Eastland Memorial Hospital, following and apparent heart attack.

She was born April 20, 1908 in Gorman and was a member of the Gorman Church of Christ.

Survivors include her husband, L. C. Williams of Lake Leon; a son, Bill Darnell of Hobbs, New Mexico; a stepdaughter, Mrs. J. H. Taylor of Tulsa, Oklahoma; her mother Mrs. May Stovall of Haskell; two brothers, Truett Stovall of Odessa and Paul Stovall of Balumore, Maryland; four sisters, Mrs. Mitchell Campbell of Eastland, Mrs. Vernon Hamilton of Cisco, Mrs. Glenn Alsbrook of Haskell, and Mrs. Marcella Darnell of Costa Mesa, Calif., and three grandchildren.

### Jaycees Get 'Thank You' For Viet Gift

The Eastland Jaycees have received the first thank-you letter for the packages sent to county servicemen in Vietnam.

The letter says, "Dear Sirs, This is just a note to let you know how much I appreciate the package you sent. I assure you everything will be put to good use."

I read in the paper about your Flag Flying project. I would like you to know that I feel the Eastland Jaycees are doing an outstanding job. Thanks for everything. Sincerely, Greg Daniel, 1-Cpl., USMC. P.S.: Merry Christmas!

### Music Study Club Sets Yule Dinner Friday, Dec. 19

Eastland Music Study Club will hold its Christmas dinner at 7 p.m., Friday, Dec. 19, at Lone Cedar Country Club.

Hostesses will be Mmes. Weaver Russell, Sallie Bishop, Richardson, Don Pierson, Ita Parrish and Gene Rhodes. For reservations, members are asked to call Mrs. Ruth Hallmark, 629-1580, between 8:30 a.m. and 4 p.m. Reservations should be made before Dec. 17, it was said.

The dinner will honor husbands & guests. All members are urged to attend and invite guests.

COFC BOARD TO MEET The Board of Directors of the Eastland Chamber of Commerce will meet noon Thursday, Dec. 11, at the White Elephant Restaurant. All members are urged to attend.

Horton Tire Co. Presents BREAD of Life

To him give all the prophets witness, that through his name whosoever believeth in him shall receive remission of sin. — Acts 10:43. When this sweet message in God's own Word I see Whosoever will may come: I know 'tis meant for me.

A. D. ELLINGTON of Cisco, vice-president of Eastland County Pecan Growers Association, looks over an entry of pecans in the 1969 Pecan Show set for December 12 and 13. Shown are some of the trophies and ribbons which will be awarded during the show.

## Diana Maynard Chosen New County Pecan Queen

Diana Kay Maynard, 19, daughter of Mr. and Mrs. Truman Maynard of Eastland was chosen 1969 Pecan Show Queen Tuesday at Eastland High School.

Miss Maynard was sponsored by the Eastland Chamber of Commerce and was crowned Queen by Mary Letha Hubbard of Rising Star, the 1968 Queen.

First runner-up was Lynne Phippen, 17, daughter of Mr. and Mrs. Irven Phippen of Cisco. She represented the Eastland County 4-H Club.

Both girls were hostesses at the annual Pecan Show to be held Friday and Saturday in Eastland. Miss Hubbard was also to be a hostess.

The contest was sponsored by the Eastland Chamber of Commerce and the Eastland Jaycees, in cooperation with the Eastland County Pecan Growers Association.

Dick Dixon was master of ceremonies for the event and introduced the contestants. An organ prelude was presented by Ben Karnes of Breckenridge. Background music for the "March of Beauty" was presented by Karnes, pianist; and Stacy Blair of Eastland, on the drums. The organ was furnished by Kendrick Music Center of Eastland.

The new Queen will enter the State Pecan Queen Contest in Dallas in July, 1970. Diana, a freshman at Cisco Junior College, is a graduate of Eastland High School. Her hobbies are skiing, knitting, sewing, swimming, cooking and playing basketball. At EHS, she was a member of the Beta Club, FHA, Spanish Club, annual staff, Thespian Club, and the office staff.

Miss Phippen is a senior at Cisco High School, where she is a member of the National Honor Society, a class officer and girls' vice-chairman of the County 4-H Council. She was selected "Most Studious" girl, most "Valuable" girl & "most athletic" girl. She was also selected "Most Likely to

## Youth Conference Sets Bake Sale, Open House

The Eastland Youth Conference will hold a bake sale Saturday, December 13, at Safeway, Super Save, JRB, and Central Drug Store. Pies, cakes, cookies, and other items will be sold beginning at 9 a. m.

The money earned from the sale will be used to sponsor various youth conference projects, including a coffee house set for December 23 at the Teen Center, in the bank building. The EYC members will hold open house all day to let parents and other inter-

ested adults see the conference meeting place. From 7:30 to 11:30 p. m. Some ten different folk singers and groups will entertain youth conference members. Refreshments of hot chocolate, coffee, cold drinks, and cookies will be served.

The Youth Conference will assist Goodfellows in collecting, buying, and distributing gifts.

Pecans and pecan baked goods will be on display in the Eastland County court house Friday and Saturday, December 12 and 13. The event will be the seventeenth annual Eastland County Pecan Show sponsored by the Eastland Chamber of Commerce and the Eastland County Pecan Growers Association.

Ben McKinnis, Chamber of Commerce chairman for the event, says visitors will see some of the best quality pecans in Texas as well as prize pecan pies, cakes, candies, nut bread and cookies. A third feature will be a display of centerpieces using pecans in various forms.

In-shell pecans as well as baked goods will be sold at the pecan show reports Anton White, president of the pecan growers association. The Home Demonstration members will operate a concession where coffee and pecan food will be sold.

White estimates that about 160 entries of top quality pecans representing over 40 different varieties will be on display. Each entry consist of at least 40 pecans. They must have been grown in 1969 by the person entering the pecans in the show. All entries of pecans must be entered by noon on Friday. Ribbons will be given to the top three places of each variety. Plaques will be awarded to the exhibitor of the champion shelling pecan, the champion in-shell pecan, the champion native pecan and the overall Grand Champion pecan entry of the show.

Top place entries in all varieties will be entered in the regional pecan show at Waco January 8 and 9.

The bake show and centerpiece arrangement division will be supervised by the county Home Demonstration Council. These entries are due on Friday, Dec. 12 at 11 a. m. in the courthouse lobby when judging will begin.

The divisions in the bake show are pies, cakes, candy, nut bread, and cookies. All of which must feature pecans as part of the ingredients. The top three places will be awarded ribbons and prize money. Any adult or youth of Eastland County is eligible to enter.

The centerpiece arrangements must be composed with some part of a pecan tree such as leaves, wood or nuts. Prize money and ribbons are awarded to the top three places in this division.

Judging for the pecan show will be done Friday afternoon by Blueford Hancock, Extension Horticulturist of Texas A&M University and L. D. Romberg of Brownwood, Romberg, world known pecan scientist, developed many of the top varieties grown in this area such as Barton, Mohawk, Comanche, Sioux, Chocaw, Wichita, Apache and Shawnee.

The best time to see the exhibits, according to the officials is Friday afternoon and Saturday morning.

The new pecan queen, the runner up, and the 1969 pecan queen will be honored at the queen's luncheon Saturday at the White Elephant restaurant in Eastland.

## FULLEN MOTOR Co. LAUGH-A-DAY

A senior English class was involved in a heated discussion of literature. The topic was whether most authors felt man could have a more meaningful life by working out his problems within society or by dropping out. "Even Thoreau couldn't take Walden Pond for more than two years," remarked one boy. "Thank God," murmured a coed in the back of the room. "If he stayed longer he might have written even more!"

Countain...  
"Since the County School Superintendent's office is now costing approximately \$19,000 per year or \$76,000 per four year term of office the cost is expensive considering there are no more rural schools in the county. Now each remaining school has its own Superintendent and the duties of the County Superintendent are very limited.

"His salary and assistant's salary come out of the available school fund and even if the County Board allowed the County Judge the maximum salary allowed by law the amount to be divided between the remaining school districts in the County for the next 10 years would be \$187,400.00.

"The petitions that are now being circulated are not asking that any of the offices that work out of his office be abolished, as we feel that those programs are good programs. These existing offices would continue under the County Judge there would be no change in those programs."

## Local Nat'l Guard Unit To Be Commended

AUSTIN—A Texas National Guard Unit with elements in Breckenridge and Cisco has been recommended for a commendation from the Texas Adjutant General.

The recommendation was made by the State Inspector General following conclusion of the annual general inspection of Battery B, 2nd Battalion, 131st Artillery Group.

Battery commander is Capt. Winford H. Hogan of Breckenridge. In charge of the Cisco portion of the battery is 2nd Lt. William E. Watson. The battalion commander is Lt. Col. Richard W. Martin.

The unit was cited for its overall noteworthy condition by Lt. Col. Douglas W. Blacklock of the 4th U.S. Army's Inspector General Department, San Antonio.

### Letters TO THE EDITOR

Dear Sir:  
A big "thank you" goes to our City Commission for asking some questions before acting on Lone Star Gas rate increase request.

A twenty-five percent rate increase request makes me wonder if Lone Star has words "fair profit" and "excess profit" confused.

Recently Lone Star Gas gave its hard-working employees a three point five (3.5) salary increase. They must figure a 25 per cent rate increase will cover this huge salary boost.

Lone Star Gas is well known for its economy measures within its ranks. Many of its plants have been put on automation TO SAVE. Operators were cut in half (not the work, just the number of operators) TO SAVE. Cottages are being disposed of and are no longer provided for employees, even in isolated areas, TO SAVE. Many men are forced into retirement before they can reap benefits of social security TO SAVE. Employees are being thinned out (again, not the work load, just the number to do the work) TO SAVE. Now the question is this: "Where has all the money gone that's BEEN SAVED?" If economy measures at the low levels haven't reaped savings, maybe they should thin out their crop of vice-presidents to make a better profit.

In good faith, we purchase gas dryers, hot water heaters, air conditioners, outdoor lights and on and on. Aren't we entitled to a "Fair" operating expense on OUR "investments"? If this increase is put into effect, it will be a "ROB-WELL-DONE".

Sincerely,  
Mrs. L. O. Trout

Editor, Eastland Telegram  
Sir:  
I want to correct a misleading statement you had in your paper last week in regard to the county school superintendent.

You stated that it did not cost the county and money to have a county superintendent. That is a false statement. The people of the county help to pay in taxes to the state.

I know that it would be several hundred dollars cheaper to let the county judge handle this job; would stop paying superintendents and his assistants salary; also office space, and other expenses.

So help us abolish this useless expensive office. Remember that "we the people" pay the taxes for those salaries and incidentals. Taxes are too high. So start now.

## Range-Anns Will Host Olympic Team Fri.-Sat.

Ranger Junior College Range-Anns began the 1969-70 season by beating Ouachita Baptist College of Arkansas by one point in a game played Nov. 17. They won their second game against Abilene Independent, 80-19 on Nov. 11.

The Range-Anns open conference play with Temple Jr. College in Temple at 6 p.m. Thursday. This will be an important game as Temple has been a big rival in past years.

The Range-Anns play the Mexico Olympic team on Dec. 12 and 13, starting at 8 p.m. The Mexico team is presently touring the Southwest and has defeated the Wayland Flying Queens, Ouachita Baptist and Temple Junior College. The team is made up of experienced players who have participated in the Pan American games in Winnipeg, Canada.

The Range-Anns are coached by Ron Butler. Team roster is as follows:

Donna Howard	G	5'2"	S
Glenna Grayson	G	5'5"	S

## Lions Enjoy Game Warden's Wildlife Talk

"No man-made creation can duplicate or replace the wonders of nature," it was pointed out in outdoor slide film presentation for members of the Eastland Lions Club at their regular luncheon meeting Tuesday at the White Elephant Restaurant.

County Game Warden Kenneth Payne was in charge of the program, introduced by Tip Arther, and the color pictures were beautiful and very descriptive of the abundance of wild life in Texas. Produced by the Parks and Wildlife Dept., the program urges wise management of the natural resources.

"The next few years are going to be crucial for our wildlife abundance," the program stressed. We will either preserve or deplete our wildlife, it showed.

During a question and answer session, Warden Payne, who recently replaced Retiring Warden Maurice Dry, said that the screwworm eradication program in the Southwest substantially improved the deer population.

Wild turkeys range about five to ten miles, unless they are being "hunted," he said. Deer range about three miles, depending on the ground cover available, he said.

Asked if the deer east of Ranger actually move to the peanut fields and back, he doubted that they would move that far under normal circumstances. The pushing of brush near Strawn has increased the deer population in this area (east of here) and has resulted in a higher concentration of deer, which in turn must be harvested to keep down the increased numbers in one area.

"Too far," when asked how far a rattlesnake will range, he said, and guessed "about a mile."

Asked about the percentage of quail that survives, he said only from 15 to 20 percent make it through the year. "So we just as well harvest them," he said. Only about one per cent of the pen-raised quail are able to survive after being loosed. Quail feeders are good during bad years, he said, but scarcely effective during a good year.

Mike Collins has the program next week.

Jeff Glazner presided and guest included Leland Everett.

## Grant of \$18,790

A work-study grant of \$18,790 to Cisco Junior College for 93 student awards has been approved at Washington, a telegram from Congressman Omar Burelson said Wednesday.

The grant will provide 80 per cent of the student payroll affected, Cong. Burelson said. The college must provide the remaining 80 per cent.

## Leland Willis Assumes Presidency Of TJCF

Leland Willis, President of Cisco Junior College, assumed the presidency of the Texas Junior College Football Federation in the organization's annual meeting held at Temple Junior College Friday, December 5. The organization is responsible for the organization and administration of football in the eight junior colleges in Texas with football programs.

Willis had served as Vice-President of the TJCF during the preceding year. He is also currently serving as President of the Texas Junior College Athletic Association, a larger organization made up of 23 junior colleges participating in intercollegiate basketball, track, baseball, tennis, and golf. Willis is the first person to head both organizations at the same time in Texas junior college history.

The eight colleges participating in football are: Kilgore, Tyler, Henderson County, Navarro, Wharton, Cisco, Ranger and Blinn.

Three important rules changes were adopted at the Friday meeting in Temple. August 24 was set as the first day workouts may be held, changed from the prior date of September 1. This was occasioned by the eight schools all being under the "common calendar" semester system with school beginning on or before September 1 and ending prior to the Christmas-New Years vacation. Another basic change in the junior college athletic code approved was the allowing of 33 full scholarships for each school as opposed to the

maximum 22 full and 11 part scholarships allowed previously. A full scholarship consists of room board, tuition, and books. The conference officials also adopted a conference letter of intent for the first time, meaning that when a player signs a letter with one school in the conference he cannot be contacted by any other school in the conference.

Willis' term of office is for one year, the calendar year 1970.

## New Almanacs Now Available At Newspapers

Many new features have been combined with traditional information in the 1970-71 edition of the Texas Almanac published by the Dallas Morning News.

The 704-page publication includes, among other material, the following information not found in previous editions. Walter Moore, editor, said.

Texas athletic records since World War II.

A new map for use in calculating sunrise and sunset times in Texas.

A summary of major non-petroleum minerals in Texas.

A history of the sheep and goat industry in Texas.

Number of deer killed in each Texas county.

The original account of Col. Wm. B. Travis drawing a line with his sword in the Alamo as first published in the 1873 Texas almanac.

New listing of courts Congressional, Texas Senate and House districts by counties.

Latitude and Longitude of 254 county seat towns.

Literary awards to Texas authors, and list of poets laureate of Texas.

Updated information will include the vote in election, names of state, county and municipal officials, members of appointive boards, officials of state and regional civic organization, enrollment in colleges and universities, estimated populations of cities and counties, statistics on employment, payrolls, banking, insurance, public welfare and much other material.

Other features include the complete text of the Texas Constitution, up-to-date maps and historical, agricultural and economic information for 254 counties, and chapters on minerals, agriculture, business, transportation, and other phases of Texas today.

Tourism and recreation are emphasized in the 1970-71 edition, with a description of recreational attractions written especially for the Texas Almanac by Texas Tourist Development Agency.

Elisabet Ney's famous statue of Sam Houston, which stands in the Texas Capitol is shown on the cover. The new edition contains more color photographs than any previous Texas Almanac, which has been published since 1857.

Texas newspaper editors, county agriculture agents, chamber of commerce, trade association and civic organization executives, authorities of the University of Texas Bureau of Business Research and Bureau of Economic Geology, U. S. Department of Agriculture, Texas A&M University and many others have contributed information for the new edition.

## Final Rites for Frank Eubank Held Tuesday

Frank Eubank, 76, died at 3:50 p. m. Sunday in Ranger General Hospital as a result of a gunshot wound suffered near his home at Mingus about 11 a. m. Sunday.

He was carried to the hospital by an Edwards Funeral Home ambulance. The Palo Pinto Sheriff's Department is investigating the circumstances of the shooting.

Funeral was held at 2 p. m. Tuesday in Mingus Baptist Church. Burial was in David-son Cemetery under the direction of Edwards Funeral Home.

Born July 29, 1893 in Mingus, he married Nov. 7, 1925 in Thurber. He was a former employee of Thurber coal mines and brickyard and was recently employed by the Mingus Lake as caretaker.

Survivors include his wife, Mrs. Maggie Eubank and several nieces and nephews.

## Thursday Club Notes Bible Day at Meet Here

On the afternoon of December 4th the Thursday Afternoon club met in Woman's club house for their Bible Day program. Mesdames Iral Inzer and T. E. Richardson were the hostesses.

A yellow pot plant of Chrysanthemum gave color the meeting room. The focal spot in the room was the table with sequined fruit in a silver bowl, accompanied with silver candle holders and white candles. A red velvet runner with a long woven pine limb entwining the holders.

Mrs. Joseph Perkins, the president, presided during the business session. The collect for clubwomen was given and then followed with the pledges of allegiances to the United States and Texas flags.

The club voted to send a Christmas box to the State Hospital in Wichita Falls. Also to give a contribution to the local United Fund and Good Fellows Fund.

Mrs. Perkins welcomed Mrs. Martin Jean Morton as a new member and Mrs. Jack Frost as a visitor.

Mrs. Roy Young was program leader and she presented Mrs. Guy Patterson, who gave a review of Explorers of the Bible and she closed with a

prayer of thanks and dedication of the club members.

Mrs. Jack Frost, accompanied by Mrs. Donald Kinnaird, Sr., rendered the song, "O Come, O Come Emmanuel." She then led the members in singing, "O Come All You Faithful."

The refreshments were served by the hostesses from the tea table. These were Christmas cookies, nuts and spiced cranberry tea.

Those present were the members: Mrs. C. L. Bigby, Turner Collie, Pat Crawford, A. E. Etheridge, J. F. Francis, Ben Hammer, C. W. Hoffman, Sr., James Horton, Iral Inzer, D. L. Kinnaird, Sr., Guy Patterson, Josepa M. Perkins, E. G. Rice, T. E. Richardson, Floyd Robertson, E. R. Townsend, Esco Walter, R. L. Young, and Martin Jean Morton and the visitor, Mrs. Jack Frost.

The next meet will be the evening of December 18th, at Lone Cedar with a banquet for the husbands and guests.

## Millionth Telephone May Have Been Installed In Ranger Area

Monday, December 1, "special" telephones were installed in Ranger to commemorate a milestone in the growing communications systems used by customers of Southwestern Bell.

Somewhere in the telephone company's five-state area the 10 millionth telephone was connected. According to James Grigsby, local manager, it could have been one of the new connections here.

"Since it is impossible for the company to determine the exact 10 millionth telephone installed, we are making all new telephones installed throughout the company symbolic of this growth milestone. A special gold-colored number plate will be placed on these telephones."

The first telephone in Southwestern Bell territory was installed in 1878. It didn't look much like a telephone by today's standards. It was more like a wooden box with a hole at one end which served as both the transmitter and receiver.

Over the years the quality has improved. Early telephone users had to shout to be heard. Today, a whisper is audible across continents.

As service improved, so did the telephone instrument. From the crank telephone of the early 1900's, the telephone has undergone numerous

changes in size and shape and color.

"Telephones in Southwestern Bell territory started to increase before the turn of the century and this growth hasn't let up. To reach the first millionth telephone in our service area took a period of 43 years, between 1878 and 1925. The five million mark was reached in 1956, 39 years later. To reach nine million took less than 12 years, an event which happened in April last year — just 20 months ago. The 11 millionth telephone will be installed in about 18 months."

"Here in Cisco, more than 100 telephones have been added this year bringing our total telephones to 2,760. This compares with 1914 telephones in service just five years ago."

Grigsby also pointed out that Texas has the largest number of telephones of any state served by Southwestern Bell. In 1926, when the millionth telephone was installed, Texas had 337,000 phones. Today that number has risen to 4.8 million.

Throughout the company, this fantastic growth has resulted in expenditures of more than 5.5 billion on construction during the past 35 years. This represents \$618 for each telephone added.

During 1969, the company's construction program required an expenditure of \$544 million.

Present forecasts indicate that 620,000 telephones will be added in Southwestern Bell territory this year. This is equivalent to more than the number of telephones now serving the Fort Worth and Austin metropolitan areas combined.

"Keeping up with the growth of such dynamic area on the way to this 10 millionth telephone milestone hasn't been easy," Grigsby said. "As expansion of our communications systems continues, we will keep on doing our best to achieve our goal of giving customers the kind of telephone service they want, when and where they want it."

WARDS RANGER

Emaciated and doomed Biafran child

## Plight Of Besieged And Starving Millions Told

The tragic plight of 8,000,000 starving Biafrans crowded into a section of eastern Liberia 100 miles by 80 miles, surrounded and besieged by Liberian forces supplied with Russian and British arms and dependent solely upon food hazardedly flown in by the churches, was graphically told a group of students and other interested people at Harrell Fine Arts Auditorium, Cisco Junior College last week.

The speaker was the Rev. Joseph M. McHugh, Catholic missionary to Biafra and representative of Joint Church Aid, an organization of Catholic, Jewish and Protestant churches, dedicated to Biafran relief. His description of what is happening in a land caught in "The Politics of Starvation" was made even more graphic by a film made in Biafra last summer, showing conditions of starvation among

### Thanksgiving Service Message

SERMON SUMMARY  
By Robert W. Marsh  
"MISSING THE POINT"  
(John 5:9-10)  
Introduction

"... the man was healed, and he took up his pallet and walked. Now that, day was the sabbath. So the Jews said to the man who was cured, 'It is the sabbath, it is not lawful for you to carry your pallet.'"

Instead of the Jews' being thankful that a man had been healed, they were concerned about sabbath observance. But Jesus answered them, "My Father is working still, and I am working." (Jn. 5:17) For Jesus human need took precedence over the usual rule of rest. The Jews had missed the point. They were giving priority to what was less important. They were not thankful when they ought to have been thankful.

We are thankful for the obvious; but what about the not so obvious? Before we criticize the Jews for missing the point, is it possible that we may miss the point as well? What are some things for which we ought to be thankful?

#### I. The Disobedience of a Child

Paul wrote: "When I was a child, I spoke like a child, I thought like a child, I reasoned like a child; when I became a man, I gave up childish ways." (I Cor. 13:11) But we do not become men in a moment. Adolescence, the process of growing up, is necessary and right, but a good part of the process is painful.

The child about whom we need to be concerned is the child who never disobeys. The commandment, "Honor your father and your mother . . ." is not to be interpreted so as to justify continued parental domination or authority. Discipline is essential; but the point is this: adolescence is the time in life when we put away childish ways; and disobedience is a part of the process.

The next time your child disobeys, instead of losing sleep, pray a prayer of thanksgiving to God that your child is becoming an adult; that he is taking on that individuality which is God's gift to every man! We may, like the Jews, miss the point. We may complain about the disobedience and not see the greater good. This Thanksgiving, be thankful for the disobedience of a child.

#### II. Disappointments of Life

Paul wrote: "I want you to know, brethren, that what has happened to me has really served to advance the gospel . . ." (Philippians 1:12) And what has happened to Paul—Paul was in prison! His ambition had been thwarted and his plans scratched; yet he writes: ". . . what has happened to me has really served to advance the gospel . . ." Paul is the embodiment of his own declaration: "We know that in everything God works for good with those who love him . . ." (Romans 8:28)

God can turn and often does turn our disappointments into joy. The ultimate evil he transforms into the ultimate good: the death of his Son into a victory over death. The disciples were as disappointed a band as we can imagine.

Think of the disappointments of life: the job you were unable to obtain; the girl you wanted to marry; the home you could not build. But out of the disappointment, good has come.

#### III. The Struggles of the Christian

Paul begins practically every one of his letters with a prayer of thanks for the church (Romans, 1 Corinthians, Ephesians, Philippians, Colossians, 1st and 2nd Thessalonians, and Philemon) And the churches to which Paul refers are churches undergoing difficulty and even persecution.

Paul struggled; the early church struggled; and the church at its greatest moments in history struggled. "We are surrounded by a great cloud of witnesses . . ."

The Christian life itself is a struggle. But suppose we were not conscious of our sins and our failures; suppose we assumed we had arrived—that we were in harmony with God's will and that the details our lives were quite pleasing in God's sight . . . The very fact we recognize our need for God's grace is reason for thanksgiving. "They shall call his name Jesus, for he will save the people from their sins." "I came not to call the righteous but sinners." "Those who are well have no need of a physician." "Blessed are the poor in spirit . . ."

#### Conclusion

Don't miss the point (as did the Jews). Be thankful for the disobedience of a child; the disappointments of life; and the struggles of the Christian.

the Biafrans and the methods of feeding them.

The church organization owns big transport planes purchased from the U.S. government, which daring pilots fly through Liberian barrages carrying about 250 tons of protein rich foods into Biafra daily. The food, collected in the United States and other countries, is shipped to the island of San Tome from which the planes operate.

Despite the hazardous flying conditions, which have cost lives of 25 pilots and crewmen are obtained to keep the air lift going. Each flight is forced to evade anti-aircraft bar-

rages, flying alternating courses "under radar" and landing on improvised airstrips in darkness. The air strips and feeding stations are under constant threat of bombardment by fliers particularly Russians, who are incredibly cruel, and merciless, searching out civilian stations and avoiding military targets, Father McHugh said.

The theory is that the populace, deprived of food, will be starved into submission.

From the airstrips the food is distributed by truck to about 1,000 feeding stations where the Biafrans and their children obtain one meal a day if conditions are favorable.

and one meal in two or three days if the bombing interrupts. There are 40 Protestant and 80 Catholic missionaries directing the food stations.

About one-third of the Biafrans are adequately fed, another third about half sustained, and a final third starving, Father McHugh said. Heart-rending decisions are forced upon the church groups in their efforts to direct the supplies to the portion of the population which can be saved, he said.

Intertribal Jealousies and persecutions created the Biafran crisis, he explained in a preface to his remarks. The Ibo, most intelligent and best educated of the Liberian peoples, were subjected to persecutions which forced them to withdraw into the eastern, or Biafran area of the country, and when their efforts to obtain relief failed, to declare their independence. Massacres, bombings and military sieges have been the lot of the Biafrans since their attempted separation from Liberia in July, 1967. British and Russian supplies and military aid sustain the 60,000 Liberian army and its air force against the almost militarily destitute Ibos. Some 2,000,000 of them

have died during the period, and the remainder of 8,000,000 are compressed into a beleaguered area, where they attempt to hide themselves from the rain of bombs while they seek to grow or find something to eat.

A disease caused by lack of protein is decimating the starving population at a terrible rate, he said.

Anyone wishing to help with a contribution may send a check made out to "Joint Church Aid" and addressed to: Joint Church Aid, One Main Place, Dallas, Texas 75250.
