Charles Martin, 18, who lives southeast of Pampa, was fined \$25 and costs in Justice of the Peace Bill Graham's court this morning after he pleaded guilty to a charge of assault upon a 15-year-old Pampa boy.

Originators of the get-together are Roy Dyson, former barber shop owner here; and Sam Turner, an ex-Pampa High School football star.

The afternoon will be devoted to visiting and games for the children.

In a letter to The News, Vernon O. Lawrence of Glendale, Calif., stressed that in addition to seeing the ex-Pampa people out there, the meet afforded a chance to make indirect contact with friends still living in Pampa.

Ex-Pampa residents living in and near Long Beach, Calif., are set to stage their eighth annual "Pampa picnic."

Sunday, June 16 at 11 a.m., has been set as the time, and Recreation Park in Long Beach will be the place.

Surprisingly large and increasing attendance has been recorded during the past eight years. Over 500 came to the picnic last year.

Bob Cecil, formerly with Thompson Hardware here, has been chairman of the reunion for several years. He has been assisted by C. Jones, a former Pampa groceryman.

Miami Lions Club Presented Charter

MIAMI — With the presentation of the club charter last night, the Miami Lions Club officially became a member of Lions International.

The charter was presented to Charles Clark, president of the Miami club, by Don Stark of Amaillo, district governor of district 2-TI of Lions International, at a dinner meeting held in the Miami High School gym.

A total of 59 men of Miami and the surrounding area are charter members of the new club, which was sponsored by the Pampa Evening Lion Club, which is only a year old. Tribute was paid to Frank Lard, member of the Pampa Evening club, last night for his efforts in forming the new club.

Following the presentation of the charter to the Miami Club, D. V. Biggers, president of the Pampa Evening club, presented Clark with the traditional gift from the sponsoring club, the Lions bell and gavel.

Governor Stark was the speaker at the meeting and spoke of "What is a Lion?" He stressed the fact that Lions were the "backbone of the community and that the purpose of Lionism is to better the community through civic work. He urged the new club to start a project as soon as possible that will be for the betterment of Miami.

Biggers acted as toastmaster for the meeting. The pledge of the flag and the singing of America was led by "Bunny" Shultz, a member of the Pampa Noon Lions Club. Shultz also led the group singing. Miss Judy Neslage of Pampa accompanied the singing at the piano.

Miss Neslage and the "Stardust" provided dinner music and entertainment for the evening, which was provided by Miss Charlotte Christ, who sang several numbers, accompanied by Miss Juanita Haynes, and by the "Lionhearted Four" of the Pampa Noon club. Members of the "Lionhearted Four" are Shultz, Dude Balthrop, Hansford Ousley and E. O. Wedgewood.

Lions and their wives from McLean, Canadian, the two Pampa clubs, Amaillo, Perryton and Claude attended the charter presentation.

Charter members of the Miami Lions Club are: Grady Bailey; Royce Bailey, third vice president; David Bean, first vice president; R. J. Bean; Bill Benge; L. E. Breeding, director; Ed Bridwell, director; Odie Calcutt; W. H. Carr; Charles Clark, president; Willis Clark; Ford Cowan; Ramon Cowan; Newton Cox; Bob Dedmon; J. O. The Millers lost their house and belongings when lightning struck the house Wednesday afternoon during a thunderstorm that moved through the Top of Texas area. Attempts to summon aid were unsuccessful due to the muddy roads and the house was destroyed by the fire that resulted from the lightning.

Allies Say Reds Told More Than They Were

By K. C. THALER
United Press Staff Correspondent

LONDON (UP)—Western diplomats complained privately but angrily today the Russians know more about Harold E. Stassen's latest disarmament plan than the United States' closest allies know themselves.

The new American plan still has not been presented to the five-power London disarmament conference which resumes today although Soviet Communist leader Nikita Khrushchev discussed it Thursday in Helsinki.

Weighty Mystery Solved; Another Is Created

One weighty mystery was solved today by the sheriff's department and another created.

For several days, County Attorney Don Cain and others in the County Courthouse had been wondering why the elevator rode so jerkily.

Quite by chance this morning, Deputy Sheriff Shirley Nichols happened to glance between the side of the elevator and the shaft. Noticing some obstruction he grabbed hold and started pulling. After considerable tugging, Nichols extracted a 12-foot fishing cane with a crude wire hook attached to its end.

It was so long that Nichols had to break it to get it down. And so the deputy solved the bumpy-elevator mystery.

But who had a 12-foot fishing pole in the Courthouse elevator, and what were they fishing for, and how the heck did they get it there?

Army Forms Government In Haiti Coup

PORT AU PRINCE, Haiti (UP)—The army today overthrew the provisional government in a bloodless early morning coup and arrested President Daniel Fignole.

Army Chief of Staff Gen. Antonio Kereau headed the coup. He was expected momentarily to announce plans for a new military regime. Officers were reported to have surrounded Fignole's home after midnight. They presumably took him into the fortress-like Dessalines barracks.

The city was in a turmoil but no violence was reported. Kereau's action came less than three weeks after Fignole was proclaimed president on the heels of the May 25 revolt.

The army defied Fignole despite his promise of last Monday that he would raise the whole army's pay in October if he still were in office then.

Work Delayed On 273 Bridge

Construction on the bridge seven miles north of McLean on state highway 273 has been delayed by building difficulties.

According to the highway department, the construction company has suffered serious equipment breakdowns and trouble with quicksand in its work on the bridge.

The bridge, taken out by downpours this spring, has stopped all traffic from using that road. Gilvin - Perrill Construction Company of Amarillo is doing the work.

Peterson Sent To Denmark Post

WASHINGTON (UP)—President Eisenhower today accepted the resignation of Val Peterson as federal civil defense administrator and nominated him to be the new ambassador to Denmark.

Igo A. Hoegh, former governor of Iowa, was nominated to succeed Peterson as head of the Civil Defense Administration.

Peterson, a former Republican governor of Nebraska, has served as civil defense chief since February 1955.

What Happens After They Leave? How Many Who Make 'Decisions' In Crusade Are Converted?

Editor's Note: This is the third of four special reports by the United Press on Billy Graham's New York crusade.

By LOUIS CASSELS
United Press Staff Correspondent
NEW YORK (UP)—Of the hundreds who respond each night to Billy Graham's invitation to make "decisions for Christ," about 60 per cent fall into the category that the church traditionally has called "converts."

Allies Disagreeing On Disarmament

Foreign News Commentary
By CHARLES M. McCANN
United Press Staff Correspondent
NEW YORK (UP)—The Western Allies are disagreeing with each other instead of with Soviet Russia on disarmament negotiations.

Britain and France are complaining that Harold Stassen, chief United States delegate at the disarmament conference in London, is taking Russia into his confidence on new American proposals and slighting them.

He agreed with his critics that others, who may have been genuinely moved to accept Christ, fall along the wayside in the difficult transition from a revival atmosphere to the less-stimulating environment of a local church.

Graham pointed out, however, that he has tried to minimize the "low system" that is unique in even in annals of mass evangelism.

Accompanied by Counselor
It goes into operation the moment an "inquirer" starts down the aisle at a Graham meeting. Before he reaches the front of the auditorium, the inquirer will find at his side a person of the same sex and approximately the same age—a "counselor" who has had nine weeks of special training for his role.

After the service, the counselor accompanies the inquirer to a large auditorium in the basement. When everyone is seated Graham or one of his assistants makes a brief talk.

The inquirers are urged to return each evening at 8:30 for the duration of the crusade, to attend the classes of instruction. They also get individual interviews with the

not particularly approve of Graham's methods, resent what they regard as an attempt to draft them into his crusade.

Graham does all he can, at ministerial conferences and private talks, to win the wholehearted cooperation of local clergymen.

Many attempts have been made to determine what proportion of the "decisions" made at Graham's meeting bear lasting fruit. Admirers have demonstrated through spot-checks that many converts are now active, witnessing church members.

British Survey
The only survey which seems to have covered a statistically significant sample was conducted in 1955 by the British Weekly, an interdenominational church paper in England which has never been identified as pro or anti-Graham.

On the basis of a poll of British clergy of all denominations, the paper reported that 64 per cent of the converts who joined churches during Graham's London crusade were "still attending church and taking part in church life regularly" one year later.

Graham himself will not venture a guess, in terms of percentages, as to how many signers of decision cards become true, lasting converts to Christianity.

"Frankly," he said, "I don't think there is any way we can tell, this side of heaven. If even

14 Soldiers Killed By Truck Following Plunge Over Bank

FT. CAMPBELL, Ky. (UP)—Fourteen soldiers of the storied 101st Airborne Division died pinned under a truck which plunged 25 feet into a creek Thursday.

to cause the laws to be enforced." day. Nine others were injured.

A spokesman from the Ft. Campbell public information office said some of the men apparently were drowned and others crushed to death when the big truck skidded off a gravel road through a guard rail into shallow Piney Ford Creek.

"We don't know yet just how they died but an investigation already is underway," a spokesman said.

Pvt. Ronald J. Curtis, 21, of Kalamazoo, Mich., who escaped with his face bloodied from cuts, said survivors held the heads of trapped men above water to try to keep them from drowning.

Curtis said only about three of the men got out from under the wreckage. A helicopter had to be used to lift one end of the truck off the bodies of the other men.

The one and one-half ton Army truck was returning 25 men of the 101st from field training when it skidded on a curve in hill country near the Kentucky-Tennessee border and hit the rocky creek bed.

Curtis said he felt the truck "swerving to the right" on the curving downgrade but said, "I thought the driver would bring it out of the skid--then I saw the bridge come up."

Curtis said even then he thought it was only "a pretty good scare--nothing serious," but the next moment he "had a falling sensation, followed by a thud, not a crash."

house. The others charged liquor or gambling violations.

Bert Nichels, manager of the Texas Employment Commission's Galveston branch, said Thursday that applications for jobs was on the increase in his office. He declined to release any figures and said that applications were confidential. But the United Press gamblers and jobless bar men at closed-down gambling dives had filed applications for work.

Under Texas law, they can draw up to \$28 per week if jobs can't be found. Benefits are limited to \$600 in any one benefit year.

Governor Daniel disclosed in a letter conferred early in February with Garrison and W. E. Dyche, chairman of the Public Safety Commission, regarding gambling and vice in Galveston and the Gulf Coast.

He said "the policy was agreed upon by which local officials would be given every opportunity to enforce the gambling laws in Galveston and elsewhere and if they were not successful the Rangers would be moved in. It was further agreed that once the Rangers moved into such areas they would stay until the unlawful actions are completely abated."

Daniel pointed out the law gives the governor authority to direct the Texas Rangers to assist in "performing his constitutional duty

Gray Grand Jury To Meet Monday

The Grand Jury for the June term of the 31st District Court will be impaneled at 10 a.m. Monday in the District Courtroom, according to Judge Lewis M. Goodrich.

A total of 16 residents of Gray County have been notified that they have been selected to serve on the Grand Jury and of this number, 12 will be selected to serve during the June term of the court.

District Attorney Bill Walters reported this morning that several cases that have been filed in District Court will be presented to the Grand Jury Monday but that he did not know today how many cases there would be.

One Collision Reported Here

A police department patrol car was damaged in the only collision reported within the city limits yesterday.

The '57 Ford patrol car was driven by J. O. Dumas, 1233 Garland, ass't. chief of police, when it was involved in a collision at 4:20 p.m. yesterday by a '54 Chevrolet pickup driven by Paul O. Pletcher, 1060 Varnon Dr. According to the report of the investigating officer, the accident occurred on Frost, 100 feet south of Kingsmill, as Dumas was pulling onto the ramp at City Hall. As Dumas pulled into the driveway the pickup started backing up and the collision resulted.

"There was a feeling of pressure against us. Everyone was being tossed around. There was no panic, no screaming, no yelling. My left leg was under someone and my head was under water. "I wrenched free and got out somehow."

The nine injured including Curtis, none believed badly hurt, were taken to the base hospital.

Girard Case Nears Climax

By LEE NICHOLS
United Press Staff Correspondent

WASHINGTON (UP)—U.S. Atty. Oliver Gasch predicted today Federal Judge Joseph C. McGarraghy will back up the government in the Girard case and preserve America's prestige in the eyes of the world.

The celebrated case that has caused a furor at home and abroad heads toward its first big showdown today.

McGarraghy has given GI William S. Girard's lawyers until 4 p.m. e.d.t. to file legal precedents to back their contention. Girard would be brought home from Japan and tried by a U.S. court martial for killing a Japanese woman.

The government also plans to submit a final list of court decisions supporting its claim Japan should try the 21-year-old Army specialist from Ottawa, Ill., under a U.S. "status of forces" agreement with Japan.

McGarraghy is generally expected to issue his anxiously awaited decision next week. But Gasch told the United Press "it wouldn't surprise me" if the judge gives his decision today.

"He's been working the same as the rest of us on this case and I guess he has come up with the same legal cases we did. He may rule today. He's not the kind of judge who holds up a decision."

Gasch predicted the government will win because "ours is the correct position."

Girard's American lawyers, who have been working around the clock preparing a list of court cases they think back their demand that Girard be tried by U.S. authorities, also have forecast their own victory.

Whichever side loses is expected to appeal promptly to the U.S. Court of Appeals here and the case may reach the Supreme Court soon. However the Supreme Court is slated to quit for the summer Monday.

Unless the high court stays in session because of the international importance of the case, the time factor might postpone a final decision until next fall. In that case the courts presumably would order Girard held in U.S. custody until then. This in turn might delay his Japanese trial, now expected to start in August.

Least Possible Charge

Girard is accused of killing Mrs. Naka Sakai, a Japanese woman who was picking up empty shells on a firing range in Japan, by shooting an empty cartridge from a grenade launcher attached to his rifle. The U.S. government decision to turn the young GI over to Japan for trial has aroused stiff protests from a number of organizations and congressmen here.

"The Japanese have charged Girard with 'death by wounding,' the least possible charge for such an action. It is punishable by a sentence of 2 to 15 years. The United States says that while Girard was 'on duty,' his act in firing the shell was unauthorized."

The Girard case has roused considerable feeling in Congress.

Billy Graham Says Crusade Slumping

By ALBIN KREBS
United Press Staff Correspondent

NEW YORK (UP)—Bill Graham said Thursday night that his New York crusade had fallen into an expected fifth-week slump that requires Christians to pray and act to pump new spiritual vigor into it.

Attendance at his sermons has not fallen off noticeably. Thursday night's crowd of 17,000 was about average and more than 535,000 persons have heard Graham's sermons since the crusade began May 15.

But Wednesday night's 338 "decisions" was roughly two-third the number Graham has averaged averaged nightly.

Falling Down

"I feel myself, and members of our crusade team agree with me, that we're falling down in our prayer," Graham said. "This always happens in the fifth week of our crusades. It happened in London and Glasgow."

"I'm asking you to pray with all your hearts for this crusade, and then go a step farther—go out and be an evangelist yourself—bring in your unchurched friends."

He recommended the crusade's "Operation Andrew" program based on the biblical story of Andrew who upon being converted went immediately and found his brother Peter and brought him forth to be converted, too.

Texas Baptists Approve Record Budget For '58

DALLAS (UP)—A record \$10,500,000 budget has been approved for 1958 by the executive board of the Baptist General Convention of Texas.

The budget is \$500,000 larger than the 1957 program.

Mission work in Texas will account for \$4,725,000, and Baptist schools in the state will receive \$1,875,000. The seven Baptist hospitals will get \$650,000.

Spanish missions, stewardship and direct mission, retirement funds, building, administration and other expenditures were allocated \$2,030,000.

About 50 per cent of the budget will be used outside Texas.

The directors also approved the establishment of two junior colleges, at Houston and Dallas. The Dallas school would be a branch of Baylor University.

These girls, who work as waitresses in an exclusive New York club while they further their careers, must wear make-up especially adapted to the softness of gaslight. Their make-up tricks are just as good for any woman dining out in a softly-lighted restaurant or having dinner at home by candlelight. We show

here (left) Marlene Manners, who's now studying voice and drama, Ann Altmar (center), drama student and Jean Valenti, a psychology major at Columbia University. All three girls use a peach-tone powder base, heavy eye make-up, and rose mauve lipstick to create a prettiness that will not fade away in soft light.

Girl Scouts Are Attending Camp

Special to The News) PERRYTON — Fifteen Girl Scouts and one leader from Perryton are attending camp at Bolling Springs, Okla., at the invitation of the Girl Scouts of the Panhandle area. This group represents five troops from Perryton.

The camp is located one mile south and four miles east of Woodward, Okla. While there the girls will decide on activities such as overnight, cook - outs, exploring, camp crafts, swimming, nature, campfires, and dramatics.

Those attending are Misses Cheryl Cutting, Betty Lou Cudd, Judy Anderson, Rebecca Ann Witt, Rita Taylor, Thomassene Swink, Georgie Ann Swink, Sharon Seago, Sarah Beth Pierce, Nancy Walker, Elaine Trum, Donna Jones Shri Redfern, Gij Mize, Candace Mutchler, and Mrs. Vernon Witt.

Special Make-Up Needed For Soft Evening Lights

By ALICIA HART
NEA Beauty Editor

Countless times you've tried on that soft, filmy gown that turns you into a princess. For days you've practiced just the right make-up to set it off to perfection. You're happy. Your escort is handsome, and you know you will look your best for that very special date.

But what you may not have taken into consideration is that the

lighting in most restaurants is soft and dim. And the make-up that looked so lovely at home will be washed out. Color will be drained. Lips that were red and inviting will fade into the face. And rouge, so carefully applied, will give the appearance of hollow cheeks.

Believing that there must be a solution to this problem, one famous beauty expert conducted make-up experiments in New York's Gaslight Club. It was an ideal spot to choose for these ex-

periments, for the exclusive Gaslight Club, on New York's East Side, has lush red satin walls and lighting as soft and dim as you'll find anywhere.

The models used for these experiments were girls who work as waitresses at the club. They wear ball gowns of the 1920's, and must look their loveliest during working hours. This is a difficult task indeed, since they work in a room lighted by gas globes brought from old United States Hotel at Saratoga Springs.

A solution was found and by following the suggestions of this famous beauty house, we can all learn to use the kind of cosmetics that will give us a soft, glowing look even in the faintest light.

The ideal make-up for this type of illumination is light, with no rouge (to create hollow cheeks), drama around the eyes, and a special trick with lip make-up.

Most of the job can be done at home, but the lip trick is applied in the powder room at the club. At home, apply a rachel or peach-tone base. The eyes can be lavishly made up, using either a black or brown liner and brow pencil, black mascara and opalescent pink eye shadow. The cosmetic house that carried out the make-up experiments offers a rose mauve lipstick that is a perfect shade for soft lighting.

Before leaving home, tuck into your purse a platinum eye shadow stick. In the club's powder room, carefully outline your lips with eyebrow pencil, then lightly heighten the drama with a layer of platinum eye shadow over your lipstick. This may sound startling, but when you return to the dim lights, you will find that your lips are molded into a soft, supple and alluring line. You might practice this kind of make-up at home, in dim lighting, just to see the glamorous effect for yourself before you try it out on the man in your life.

You'll find that no matter how soft the lighting, you'll have a little allure you'll need to keep your escort entranced.

Wearing rubber gloves is helpful in protecting hands during work. However, wear them only for short periods. Normal hand perspiration does not evaporate from inside the gloves. The acid reaction may cause eczema or other hand - skin problems.

Calypso Beat, A New Off-Beat Color Is The "Coolest" Shade In Years

It just had to happen — and it did! A truly great, new offbeat lipstick has just been created by Max Factor which changes your entire fashion personality. Called Calypso Beat, it's the first departure from clear colors in nearly two generations.

Burning and bursting with youthful spontaneity, the timely new lipstick color not only appeals to the fashion-minded woman, but the young crowd is hailing it as one of the "coolest" shades in years.

Inspired by the Calypso music from the land of the sun and the sea, it is described as a happy color charged with the great emotional appeal of the popular idiom of music for which it is named. In tune with all the new high fashion Calypso clothes and summer fashion shades, the color fairly dances on the lips.

To try to describe the unusual appeal of Max Factor's Calypso Beat lipstick by paralleling it with the other lipstick shades would be impossible, for there isn't another color like it. It could be called a pulsating pink terra cotta, but even that would be like trying to describe Calypso music to one who had not heard of its colorful form. Therefore, the new magic of Calypso Beat and the way its off-beat color plays on the lips will have to tell its own exotic beauty story when you try it.

Calypso Beat should never be applied over any other lipstick shade, according to Max Factor, because the true color - balance is as important to this new shade as the 24 beat is to Calypso music. Instead, apply it over clean, color-

free lips and you'll capture its full color impact.

Calypso Beat is irresistible with suntans — the first new thing that has happened to suntans in years! This off-beat shade glorifies every skin color pigment the sun has ripened, and gives the entire face a new look — just as though you had been on a month's Caribbean cruise. Even pale skins melt under the beat of this new shade, and take on a muted tawny tone.

And, the dancing Calypso Beat off-beat color will not change. It comes in Max Factor's exclusive Hi-Fi lipstick formula whose color remains Calypso Beat until it is removed. No blotting or setting is ever required, and it keeps the lips soft and smooth. Once you go Calypso, your summer beauty will be

In touching up the eyes, the goal is for a natural look. A heavy straight line drawn with an eyebrow pencil only makes the face look hard.

An icy shower on hot days just makes you hotter. It stimulates your circulation instead of calming it down. A tub of warm soapsuds will reduce body temperature to a comfortable level.

It's a good idea if you're buying a hat to wear with a particular suit or coat to wear the costume for which it's intended while you're shopping. You'll know in a moment if the hat is right.

one of new, laughing color and endless appeal.
Calypso Beat, in its smart gold-tone faceted case, is now available at the cosmetic counters of all leading drug and department stores. It retails for \$1.25, plus tax.

Christian Scientists To Discuss Healing

The healing and protecting power of effective prayer will be brought out at the Christian Science Church, 901 N. Frost, services Sunday in the Lesson-Sermon entitled "God the Preserver of Man."

Scriptural passages will include the following from Psalms (145: 18, 19): "The Lord is high unto all them that call upon him, to all that call upon him in truth. He will fulfil the desire of them that fear him: he also will hear their cry, and will save them."

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy the following selection will be among those read (231, 8): "If God heals not the sick, they are not healed, for no lesser power equals the infinite All-power; but God, Truth, Life, Love, does heal the sick through the prayer of the righteous."

The Golden Text is from Hosea (12:13): "By a prophet the Lord brought Israel out of Egypt, and by a prophet was he preserved."

Two Protestant Churches To Be United

NEW YORK — The most significant venture in church union in the history of America will take place in Cleveland, Ohio, June 25-27, when representatives of the Evangelical and Reformed Church and the Congregational Christian Churches meet in a Uniting General Synod to form the United Church of Christ.

EARN AND SERVE—These five McPherson College students are spending the summer in Pampa on an "Earn and Serve" basis for the Pampa Church of the Brethren, 600 N. Frost. McPherson College, located in McPherson, Kans., has sent five such missionary teams into the western states, to hold down regular jobs and help with church work in their spare time. From left to right are Dale Shenefelt, Lois Fager, Eileen Oltman (seated) Barbara King, and Bill Gripe. (News Photo)

Assembled in the Cleveland Music Hall will be 714 delegates half of them representing the General Council of the Congregational Christian Churches, the other half the Evangelical and Reformed Church.

The vent marks the first union in the United States or Europe since the Reformation of two major Protestant denominations with differing backgrounds, practices and forms of church government.

Of greatest significance is the joining of the two groups in the difference in governmental structure. The Evangelical and Reformed Church operates under a presbyterian system in which local congregations have certain defined relationships to regional and national bodies called synods.

The Congregational Christian Churches are traditionally "free churches," with each local congregation autonomous and not subject to denominational control. There are, however, voluntary cooperative relationships with regional groupings of the churches and with the denomination's General Council, which represents the overall fellowship.

Church mergers which have taken place in the United States heretofore have been in the nature of reunions, such as that of the Northern with the Southern Methodists and the coming merger of the United Presbyterian Church with the Presbyterian Church, U.S.A.

The Weekly Message Of Inspiration

REV. BURGIN WATKINS

VACATIONING

Warm weather has brought an increased interest in summer vacations. Those who have not already enjoyed their annual retreat to their favorite vacation spot are making plans to do so. The fast pace of modern living has made this free time a necessity.

As one seeks to enjoy this period of relaxation he attempts to accomplish several things. First of all he wants to escape from the daily routine of his work. Performing the same task every day in the year is as monotonous as the routine of the housewife.

Secondly, he wants to do something out of the ordinary during his vacation. Rest comes not only with lack of routine but also with new scenes and new activities. Any diversion will help him perform his duties more efficiently the rest of the year.

And again, one seeks relaxation and refreshment during this period away from the commonplace. A new outlook or perspective makes one seek his job in a new light and with new enthusiasm and may even bring new insights.

But why all this sales talk on vacations,—everyone agrees that they are wonderful? The point is this, you do not have to wait fifty weeks to receive this much needed escape from daily routine and to seek refreshment while doing something out of the ordinary. It was to this end that God gave man the DAY OF REST which has been called the Sabbath, Sunday, or the Lord's Day.

The service of worship of your church can do these things for you and make life more meaningful and daily living a pleasure instead of mere routine.

Try it Sunday!

Fists Fly As Braves Club Dodgers 8-5; Take First In NL

Expected Crackdown On "Rowdiness" In Majors

By FRED DOWN
United Press Sports Writer
League presidents Will Harridge and Warren Giles are expected today to crack down hard on fist-swinging hot heads in an effort to prevent "rowdiness" on major league baseball fields.
Fines of at least \$100 are expected to be levied on the five participants in Thursday's brawls in Chicago and Brooklyn, while sharp warnings will be issued to all 18 teams to stop the fistcluffs.

That has been followed by the now-famous Copacabana incident involving the world champion Yankees and the assorted free-for-alls.

The situation reached a climax Thursday when the Yankees and White Sox engaged in a 28-minute free-for-all in Chicago and the Dodgers and Braves staged an impromptu fist fight at Brooklyn's Ebbets Field. Only last Sunday the Yankees and Tigers had a near free-for-all in Detroit and two members of the Yankees and White Sox threatened each other Wednesday night after a game won by the White Sox, 7-6.

touched off the swinging. The "duster" is a pitch thrown near enough to a hitter to drive him out of the batter's box but is not designed to hit him. It is a device the pitchers use against almost all long-ball hitters and it is a matter of course for it to be thrown to any batter who follows a teammate who has hit a home run.

Pitcher Art Ditmar of the Yankees and outfielder Larry Doby of the White Sox squared off in Chicago Thursday after a "duster" while pitcher Don Drysdale of the Dodgers and shortstop Johnny Logan of the Braves battled in Brooklyn over a similar pitch.

Doby, Walt Dropo, Enos Slaughter and Billy Martin all were ejected from the Chicago game while both Drysdale and Logan were kicked out of the Brooklyn game.

Williams Sets HR Record As Yanks Down Sox 4-3

By MILTON RICHMAN
United Press Sports Writer
Milwaukee bounced into first place in the National League today with fists flying and the Yankees literally fought their way to within four games of the American League lead. But Ted Williams got in the best "punch" of all with a record-smashing home run spree.
The Braves moved a half game ahead of the N.L. pack by beating the Dodgers, 8-5, in a contest that featured a fist fight between Milwaukee's Johnny Logan and Brooklyn's Don Drysdale, while the Yankees defeated the White Sox, 4-3, after both clubs had engaged in a 28-minute free-for-all.

Williams, who didn't have to resort to his fists, became the first American League player ever to hit three home runs in a single game twice in the same season when he led the Red Sox to a 9-3 victory over the Indians. In Thursday's other A.L. games, Detroit edged Baltimore, 2-1, and rookie Jack Urban pitched Kansas City to a 6-2 victory over Washington in his first major league game.

The Pirates registered their ninth victory in 13 starts by licking the Redlegs, 3-2; the Giants beat the Cubs, 7-4, and the Phils snapped the Cardinals' eight-game winning streak, 8-1, in other N.L. contests.

Reserve catcher Carl Sawatski drove in four runs for Milwaukee with two doubles and a homer in a victory that was credited to Bob Trowbridge. Bill Bruton hit two homers for the Braves and Gino Cimoli connected for Brooklyn.

The fight between Logan and Drysdale erupted in the second inning after the Brooklyn pitcher hit the Milwaukee shortstop in the back with a pitch. First the two players exchanged words, then traded punches as players from both clubs rushed out onto the field.

There was even more action in the Yankees-White Sox game after Larry Doby of the White Sox had to hit the dirt in the first inning to avoid being struck by one of Art Ditmar's pitches. Doby and Ditmar swung at each other and a number of other fights soon broke out, involving Billy Martin, Bill Skowron and Enos Slaughter of the Yanks on one side and Walt Dropo and Doby of the White Sox on the other.

The Tigers, who had lost seven straight games to Ray Moore dating back to 1955, scored both their runs off him in the sixth. Charley Maxwell hit his 12th homer and J. W. Porter doubled home the deciding run in the same frame.

Urban's debut with Kansas City was a dandy. Called up from Denver of the American Association last week end, the young right hander allowed only five hits and struck out four. Bob Cerv, Harry Simpson, Her Lopez and Joe DeMaestri homered for the A's.

Gene Baker's ninth inning sacrifice fly scored Bill Mazeroski with Pittsburgh's winning run. Bob Friend limited the Redlegs to six hits in posting his fourth victory and giving the Pirates a sweep of the four-game series. Both of Cincinnati's runs were the result of homers by Don Hoak.

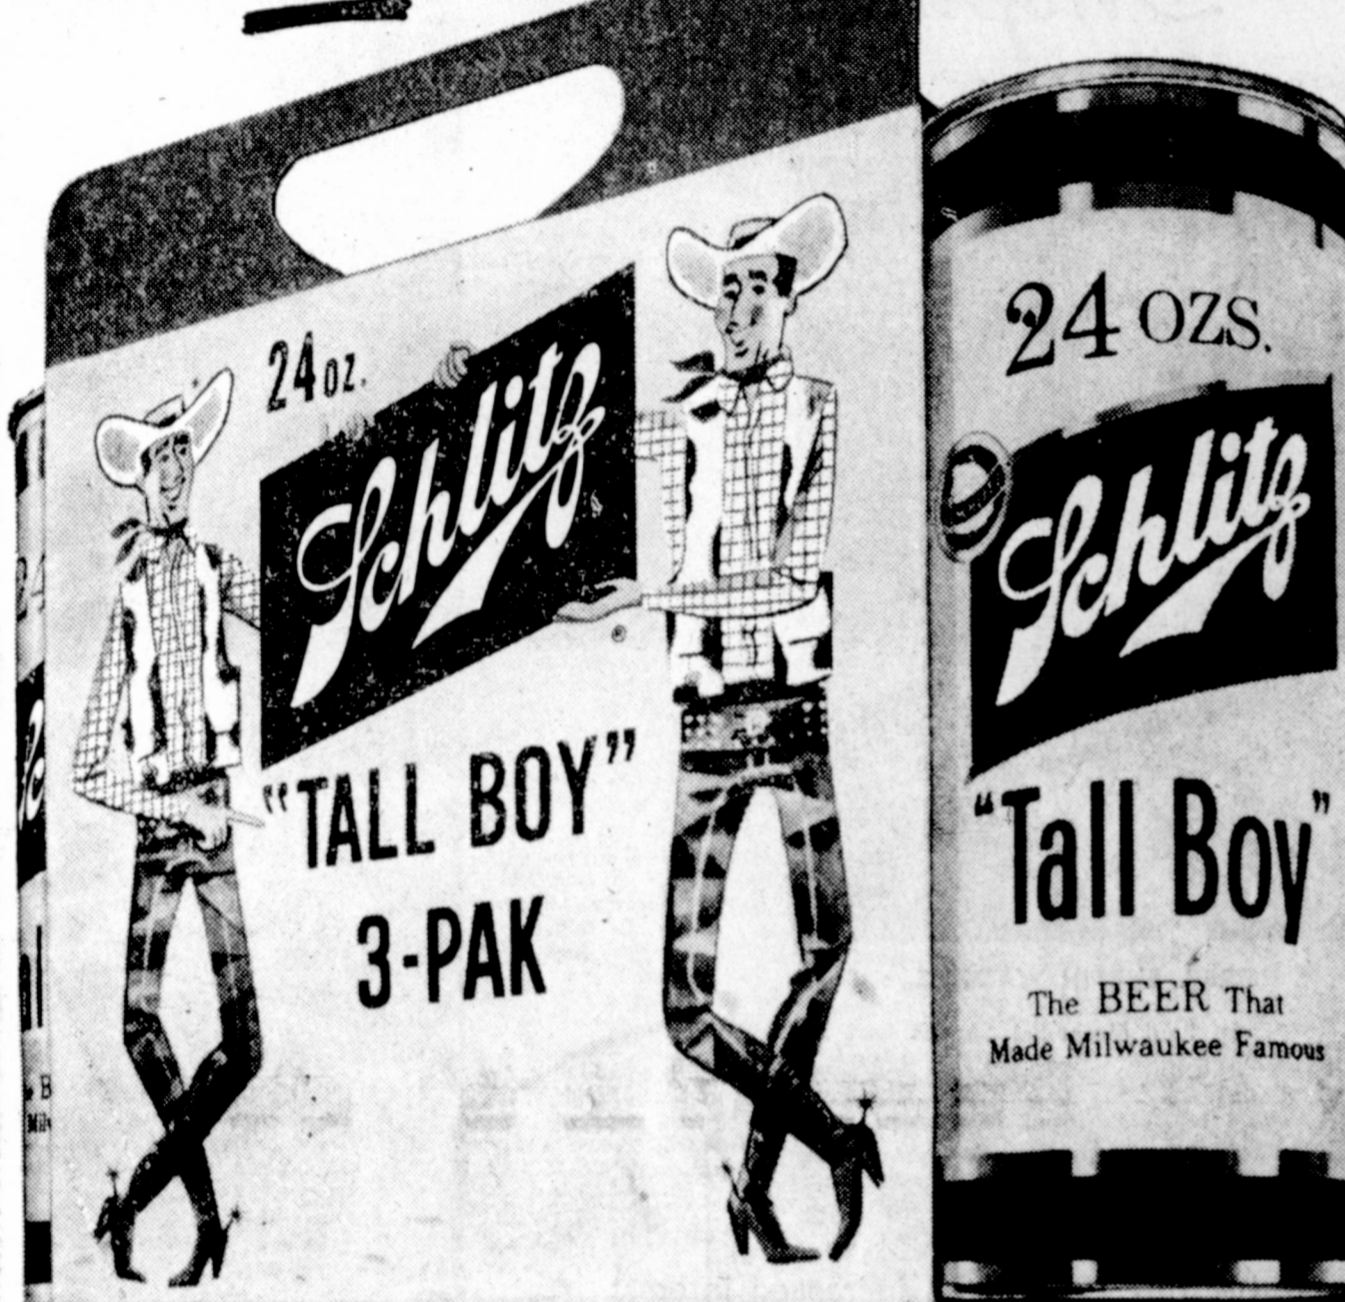

Home runs by Whitey Lockman, Ray Jablonski and Red Schoendienst powered the Giants to their triumph over the Cubs. The Phils' victory over the Cardinals vaulted them into second place, a half-game back of Milwaukee.

KNOW THE ROPES

By GORDON H. MILLER
Terrific! Yes, terrific is the word to best describe the regular Monday evening wrestling program, your promoter, the Pampa Shrine Club, has lined up for your pleasure.
Let me say a little bit in regards to wrestling promotion. Do you know that we have the top notch wrestlers in the entire country wrestling right here in the Panhandle? Most of these fellows are in great demand in various cities and towns from coast to coast. It is the policy of the Pampa Shrine Club to give you the very best of the best in professional wrestling entertainment. However, there are times when it is impossible to get the men you want, so it boils down to this, we have to take our turn along with other cities for the best in wrestling.

The first event brings back an old favorite to the local mat scene; one Sterling "Dizzy" Davis. It has been some time since we have seen the man from Houston with his famous pile driver and back breaker holds. He will do battle against Tommy Phelps. This event will be a one fall or twenty minute bout. You know this bout might be better than you think; it was Tommy Phelps who was laying them low down in Dallas not long ago when he was wrestling as Nature Boy, long hair and all. Seems to me as the Davis was but one of his victims; the Amazing Zuma, Mr. America, Elephant Boy and Jack Kennedy to name but a few, were some who met there Waterloo before Mr. Phelps received a severe back injury. Could be its not too late for him to see a good Chiropractor; I'll

Home Game Tickets On Sale

Home game ticket books for the American Legion junior baseball team, the Rebels, went on sale today.
The ticket books contain 11 transferable tickets and sell for \$5. Legion representatives pointed out that they hoped ticket book buyers would give tickets to friends in case they couldn't attend a particular game.
The books went on sale this morning at Richard Drug, Pampa Hardware and Johnson's Cafe. The period of sale will be from now through next Wednesday and the ticket books will be effective beginning Thursday, June 20.
Those who purchased box seats for the Oiler season may use those seats for Rebel games, Lester Jones, local Legion commander, said today. All they need do is show their receipt. Also, the programs which were to be used during the Oiler season, will be used for the Rebel's games.

SW Decides Pony Fate

PLAINVIEW, Tex. (UP)—A Southwestern League meeting will be held today to determine what view's announced withdrawal from the circuit Thursday night.
The Plainview board of directors voted unanimously to "cease" operations after Saturday's game. The move came after a meeting last Monday, in which a group of club stockholders and fans advised the team fold before it went in debt.
League President W. J. Green said Thursday night San Angelo, presently being operated by the league, will probably be dropped and the circuit will attempt to finish the season with six teams.
Green said he talked to several members of the league's board of directors and all favored such a move.
San Angelo was put under operation of the league after the Pampa club folded earlier this season and its franchise was shifted to San Angelo.
Green said no site for today's meeting had been chosen.

Pet Bobcat Lost From Pampa Home

This one year old pet bobcat was lost on May 24 from the home of Perry Rogers, located south of Pampa near Phillips Ball Park. The cat, named "Puttee", had never missed a meal in her one year abode in the Perry home, and when she failed to make breakfast the Rogers began searching the area, she is still missing. "Puttee" came to the Rogers home when she was 10 days old and was bottle fed for the first few months of her life. Last winter she became involved in a fracas with a dog and suffered a broken back, requiring several months of nursing to regain her health. She was operated on when only a few months old and according to Mrs. Rogers is not at all vicious. In fact, added Mrs. Rogers, the cat had genuine friendships with other pets of the household. Mrs. Rogers is certain the cat would be friendly to any finder and would willingly submit to being brought home. Or a call to MO-4459 will bring the family to retrieve the wanderer.

9 Clovis Batters Hobbs 25-14

By UNITED PRESS
Clovis and Hobbs, in a spectacular bat duel, produced almost three-fourths of a total of 12 home runs for 27 runs in Southwestern League action Thursday night. Clovis battered Hobbs 25-14 in a home run contest that produced eight roundtrippers for 21 runs. In other, tamer games, Plainview warded off a chance to respond in the cellar with a 5-4 victory over San Angelo. Plainview, and probably San Angelo, won't be around next week. Midland dumped El Paso, 4-1, and took over fifth place, while Ballinger kept pace with muscle-happy Clovis, beating Carlsbad, 10-8. Clovis and Hobbs produced home runs in all sizes, shapes and forms, in addition to quantity. Hobbs had three, Clovis five. **Inside Park Homer** Everett Moore poked a two-run inside-the-park homer for Hobbs, Mike Brito, with a three-run homer, and Ozzie Walker with a two-run blow, paced an eight-run eighth for the Sports. Clovis, however, shaded this with a 10-run sixth, featuring grand slam home runs by Ernie Sharp and Chico Alvarez, the league's leading manufacturer of home runs. It was Alvarez' 23rd. Marty Roselle poked a solo, and Jesse Gonder picked up two, good for three runs, to add to the Red-leg total.

Demaret, Harbert Lead Pack In First-Round Play of US Open

Hogan Forced To Withdraw Because Of Back Ailment

By LEO PETERSEN United Press Sports Editor
TOLEDO, Ohio (UP) — Long-driving Chick Harbert tied the veteran Jimmy Demaret for the first round lead in the U.S. Open golf championship today. He shot a 33-65 on completing the last two holes of the round which was halted Thursday because of darkness. The graying, 42-year-old Harbert clicked off two regulation pars on the final two holes under gray, rain-threatening skies to polish off his first round 68 and tie the 47-year-old Demaret for the lead. "I'm playing as well as I ever did—at least for this round," said Harbert, the 1954 PGA champion from Northville, Mich. "Anyhow, it's as good as I know how to play." While Harbert and 14 others were finishing up the first round, the other players started the second. And some of them were going strong.

Hogan Forced To Withdraw Because Of Back Ailment

Three of the most inspired challengers will be Masters champion Doug Ford, 1952 champion Julius Boros and young Ken Venturi, each of whom shot a fine one-under-par 69 which left them just one slim shot off the pace. **Four At 70** And only one more shot back, at even par 70 were a quintet of hopeful shotmakers which included square-jawed Bud Ward of San Mateo, Calif., Billy Joe Patton of Morganton, N.C., Dick Mayer of St. Petersburg, Fla., and Billy Maxwell and Bo Winger, both of Odessa, Tex. Most everybody in the list, particularly those with a good first round, was more hopeful than when they reported for the start of the tournament because the major casualty of the opening day was the man most of them feared worst of all—Bantam Ben Hogan. Hogan, favored to become the first man to win the Open an unprecedented five times, came down with a chronic neuralgic pain which made it impossible for him to swing. He was given a delayed starting time, darted off to town to see a doctor and receive diathermy treatment, but then had to withdraw. As he moved into today's second round, which will decide the low 50 and ties who battle it out in Saturday's two final rounds, there were a number of others still in contention. Sammy Snead, four times a runner-up but never able to crack through, wasn't too happy with his opening 74. Snead Not Out But you still had to count the Slammer among the possibilities, along with a group at 71 which included curly-haired Jackie Burke, three-time British Open champion Peter Thomson and defending champion Cary Middlecoff. Within striking distance, too, at 72 were such as Harvie Ward, Fred Hawkins, Roberto Divicenzo, Jack Fleck and home town hope Frankie Stranahan. Gene Littler was at 73, along with long-hitting George Bayer. Ed Oliver and Walt Burkemo shot 74; Ed Furgol, Jerry Barber and Shelley Mayfield 75; Johnny Revolta, Dutch Harrison, Ted Kroll, Arnold Palmer, and George Fazio 76 and, apparently out of it already, were Lew Worsham and Pete Cooper at 78 and Lloyd Mangrum and Gene Sarazen at 79.

"Stop worrying, Butch! There aren't any policemen around!"

Elvis Presley's New Leading Lady Is Named Judy Tyler

By VERNON SCOTT
 HOLLYWOOD, June 13 (UP)—Elvis Presley's new leading lady is Judy Tyler, a cutie whose only previous picture is a nifty titled "Bop Girl Goes Calypso."
 A long-lashed beauty with hazel eyes, Judy reveres her sideburned co-star and hopes to become the first feminine rock and roll sensation.
 "Not a single female vocalist has been able to cash in on the craze," says Judy. "There's no reason why a girl can't do as well with rock and roll as Elvis, Pat Boone and Tommy Sands have done."
 When Judy isn't talking about Elvis she doesn't have much to say.
 "I only met him two weeks ago when I reported for work," she sighed. Two hours after we were introduced we had a date.
 "We talked about our careers, and Elvis' new home. We even sang a few songs."
 Since then dark-haired Judy and

her knight in shining ducktail have been dating regularly. She won't say whether she is in love with the stomp and holler singer, but at the mention of his name her eyes light up like the "tilt" sign on a pinball machine.
 "He's the most popular singer in the country today because he's sincere," Judy went on. "Elvis is warm and friendly—and he's got a pixie side, too."
 As his co-star in MGM's "Jailhouse Rock," Judy believes she will be seen by millions of moviegoers who somehow will miss her first movie epic.
 "I star in 'Bop Girl' with Bob by Troupe," she smiled. "The picture is aimed at teenagers. You can tell that by the title. Who knows? If it's a big hit they might make a sequel."
 "The producers could follow up with 'Return of Bop Girl Goes Calypso,' or 'Bop Girl Goes Calypso Strikes Back,' even 'Daughter of Bop Girl Goes Calypso.'"
 Elvis and rock and roll are a far cry from Judy's early aspirations. She once studied with Leek Strasberg, voice instructor in New York, and was a serious vocal student.
 "Starting with Elvis is a turning point in my career," Judy said. "I have a deal to make more pictures from Metro. And I've learned a lot about acting from Elvis."
