Ben-Gurion Orders Israeli Withdrawal

By WALTER LOGAN
United Press Staff Correspondent
Premier David Ben-Gurion today ordered Israeli forces to withdraw from the Gaza Strip and Gulf of Aqaba areas "as an act of faith" in the United Nations. The order was transmitted to Maj. Gen. Moshe Dayan, Israeli army chief of staff, who was told to meet immediately with Maj. Gen. E. L. M. Burns, commander of the United Nations Emergency Force (UNEF), to complete plans for the withdrawal. Ben-Gurion planned to make his formal announcement of the withdrawal to the Israeli parliament Tuesday. The announcement came after a harrowing week end in which Ben-Gurion strove desperately to save his government against opposition at home and in transatlantic telephone conferences with Washington to obtain firm U.S. assurances of Israeli security. It appeared a letter from President Eisenhower may have saved the day for him. Ben-Gurion originally had planned to make his announcement to parliament today but at the last moment postponed it until Tuesday. There were increasingly loud protests from the Arab nations over what they called Israeli stalling. The Arab League in Cairo warned the United States that "dangers" would follow further Israeli procrastination, and said it opposed the idea of U.N. administration of the Gaza Strip and the policy of free navigation in the Gulf of Aqaba. American officials in Washington expressed confidence that Israel would go ahead with the withdrawal from the Gaza Strip and Sharm El Sheikh on the Gulf of Aqaba as promised. Ben-Gurion himself was reported "extremely pleased" with a letter from President Eisenhower reassuring him on the Israeli position. Ben-Gurion hoped the letter would help him win cabinet approval before he goes before the Knesset (parliament) for the vote. **Israeli Confident**
Mrs. Golda Meir, the Israeli foreign minister, and Israeli Ambassador Abba S. Eban, also expressed confidence in New York that the withdrawal would be carried out. But the Arab nations were angry at the delay thus far, and the press of several countries condemned Israel as untrustworthy. The official Cairo newspaper said Israel was "trifling" with the issue. Further renunciation came from Syrian Premier Sabri Asali, who said Israel's attitude had exhausted the Arab states' patience. The United Nations General Assembly was to meet this afternoon on the Middle East, but all action awaited the Israeli parliament's decision. The Arab states, led by Dr. Charles Malik, the Lebanese foreign minister, were ready to demand an immediate vote of sanctions if there is further delay. The Afro-Asian bloc was meeting this afternoon to discuss its next move. **'Takeover' Meeting Postponed**
Preliminary talks between Israeli and UN officials on withdrawal technicalities were suspended "indefinitely" waiting for parliamentary approval in Jerusalem. Maj. Gen. Moshe Dayan, the Israeli chief of staff, twice postponed a scheduled meeting to discuss the UN takeover with Maj. Gen. E. L. M. Burns, UN commander of the force. (See **BEN-GURION**, Page 3)

Scout Leaders In 'Together' Meeting Here

At a recent meeting, local Scout leaders made plans for the "Together Plan" dinner to be held here March 14. The meeting was held to explain and outline the "Together Plan" and to get organized in order to call on prospective institutions and inform them of opportunities and needs in the Scouting program. The purpose of the "Together Plan" is to acquire more Scouting units. Only approximately 28 percent of the boys who are of Scouting age in the Santa Fe district are in a Scout unit. One reason, scouting leaders believe, is the shortage of units to serve the boys. Yorrel Harris, local Scout executive, outlined the needs for more units in region 9, comprised of Texas, Oklahoma and New Mexico, at the meeting. Organizational kits were distributed to leaders at the meeting and 12 prospective institutions were named for the teams to contact. The "Together Plan" dinner will be for several purposes, one of which is to inform institutional representatives of the plan and needs, and promote the organizing of more units. The next training meeting for those working on the plan will be held next Monday in the Palm Room of City Hall.

Coercion Charged In Bribery Case

By O. B. LLOYD JR.
United Press Staff Correspondent
AUSTIN (UP)—Lawyer Bob Looney charged today that Rep. James E. Cox of Coahuila was coerced by powerful forces into resigning and is being held "captive and incommunicado." Looney told Cox that unless he returns to his seat in the state House of Representatives, and fights his accusers, he (Looney) will resign as Cox's attorney. Rep. Wade Spilman, chairman of a House committee named to investigate the bribery allegation, indicated he may ask the House to broaden the scope of the committee's inquiry. **Cites Federal Case**
The committee recessed, subject to call, after Spilman pointed out the authority of the committee to investigate matters other than those pertaining directly to Cox was limited under the scope of the resolution calling for the inquiry. He said the House could correct this. Spilman pointed out that in a recent case, a federal court returned a verdict of acquittal on grounds a congressional committee exceeded its authority. In addition, the chairman pointed out Travis County District Attorney Leo Procter had urged the committee "proceed with every caution and precaution in order that the state's case would not be damaged through any disclosure made by this committee." Cox, facing the charge against himself, filed a criminal complaint against his accuser, charging him with offering a bribe. **Powers Limited**
Spilman later told the House that members should re-read the resolution which created the investigating committee and determine whether they want to broaden the scope of the investigating committee.

scope of the investigating committee. "It is clear a committee with limited powers can't go off on a fishing expedition," Spilman said. Cox, charged with offering to take a \$5,000 bribe from Dr. Howard Harmon, president of the Texas Naturopath Association, resigned Sunday night from the House of Representatives, saying the time taken by investigators of the charges against him would be "an injustice to the entire membership." **Doubts Resignation**
But Looney, who was Cox' lawyer from the outset of the scandal, said in a long statement today that he does not doubt that Cox resigned in order to avoid investigation. (See **COERCION**, Page 3)

Directors Of Chamber Hold Meet Today

At a directors' meeting of the Pampa Chamber of Commerce and Board of City Development, which was held this afternoon in the Palm Room of City Hall, the board members heard a report from Clyde Carruth, president of the Top of Texas Hereford Breeders' Association, on the recently completed Stock Show and Sale held in Pampa. Carruth thanked the chamber for the "excellent support received during the running of the show," and also praised those of neighboring communities who, he said, had contributed much toward the success of this year's show and sale. His report showed that 50 head of calves were sold for an average of 35.2 cents per pound with his market price on this day being 21 cents a pound. A total of 118 head of pigs were sold at the sale for 39.2 per pound with the market price for that day at 17.25 cents per pound. In other business taken up at the luncheon-meeting, a report was read by the finance director, and a discussion of the present status of McClellan Lake and the possibility of an improvement program was held. George Cree Jr., president of the Pampa Community Hotel Company also gave a report on the progress which the various committees have been making in connection with the location and construction of the hotel. Plans for the observation of Education, Business and Industry Day were completed, and specific assignments were given to build up the number of business people who would visit the schools as guests of the faculty.

Charges Filed After Theft

Charges were filed this morning in Wheeler County against two youths, with the possibility of more being implicated, in the theft of over \$3600 in cash which had been hidden by an 80-year-old woman in the cellar of her home. The money, hidden in about 12 Bull Durham tobacco bags in sacks of about \$300, was discovered recently by the 17-year-old granddaughter of the woman who had hidden the money. Upon finding the money, the girl reportedly took an unspecified amount of it and later told her boy friend and several others about the riches to be found in her grandmother's cellar. The boy friend later admitted taking over \$600 from the base. (See **CHARGES**, Page 3)

Rehearsal For Minstrel Tonight

Rehearsals for the various acts in the Lions Club Minstrel which will be produced in the Junior High School auditorium on the nights of April 4 and 5 are progressing. A rehearsal of the chorus for the minstrel is scheduled for 8 o'clock tonight in the music room at the High School. The chorus is under the direction of Bill Hunt, high school chorus director. Approximately 60 persons are rehearsing the chorus numbers. About half of this number are Lions and the remainder are members of the high school choral groups. The minstrel was originally scheduled for this Thursday and Friday nights, but with Harvesters going to the state basketball finals the Lions Club decided to postpone the show until the April dates.

TANE Is Muscle, Mind Of Prohibition Movement

EDITOR'S NOTE: One of the hottest issues in Texas is prohibition and the law enforcement problems it raises. What is the story of the prohibitionists, who would like to dry up the state? And how are the enforcement problems being met? United Press examines these questions in four dispatches, the first of which follows:
DALLAS (UP)—The Texas Alcohol-Narcotics Education, Inc., which is the muscle and the mind of the prohibition movement in Texas, says it helped to dry up the living spars of more than a third of a million Texans in 1936. The Rev. Albert Tucker, a Methodist minister and executive secretary of TANE, says his organization, in the end, does not instigate dry elections. He says it is an educational organization, which gives facts and figures and leaves the rest of it up to local prohibitionists. In any case, Oldham county, Carson county, Moore county, the City of Pasadena, the City of Deer Park, Baytown, Precinct 7 of Harris county, and the Oak Cliff section of Dallas (population 225,000) have been completely dried up in the last year. The Rev. Tucker says that 144 counties are "bone dry." This is one more than the Liquor Control Board's records show. The Rev. Tucker says the Liquor Control Board does not count Lipscomb county, which went dry by pre-

Here's proof that maternity clothes can be as beautiful as other clothes. In fact, these are fashions that a lady not in waiting might very well want to wear. Pampa's Jerry Pope On All-State Cage Team Condo, Other 3-4A Players Listed On Writers' Teams

By UNITED PRESS Five players, with the tallest only 6-5 but averaging 20.1 points per man, make up the Texas Sports Writers Association all-state Class AAAA basketball team. Jerry Cobb of Dallas Sunset, whose team was knocked out of the state race by Highland Park in the bi-district round, led the voting with 101 of a possible 105 points, but he had to yield the height honor to McAllen's 6-6 Steve Jordan and scoring laurels to Plainville's Bill Taegel, the shortest player at six feet even. Cobb was paired at forward with Jerry Pope, a 6-2 Pampa senior who averaged 17 points per game on a well-balanced outfit, while Jordan had a 19-point average for his valley team. Bobby Smith of North Dallas, a

6-2 senior with a 19.3-point average, was named opposite Taegel at guard. Taegel, who averaged 26 points per game, was the only junior on the team as well as the shortest. Smith, Jordan and Cobb, were all noted for their rebounding as well as shooting prowess and Smith and Cobb were talented at driving under the basket. The second team was made up of forwards Rex Ray of Texarkana and Don Lewis of Denton; center Steve Strange of Highland Park, and guards Charles Horton of Wichita Falls and James Sharp of Fort Arthur. The third team was composed of forwards Jan Loudermilk of Big Spring and Homer Inlow of Edinburg; center Wayne Clark of Harlandale, the tallest of the lot at 5-11, and guards Mike Behrens

of El Paso Austin and Joe Esquivel of El Paso Jefferson. HONORABLE MENTION—Bob Drake, Lufkin; Ted Lucas and Glenn Gregory, Abilene; Warren Tipton, Borger; Wendell Cason, Amarillo; Bill Ralston, Fort Worth North Side; Jim Turner, Amarillo Palo Duro; Donnie Lester, Longview; David Thornton, Alamo Heights; Craig Canon, Odessa; Ramon Castillo, Corpus Christi Miller; Max Hood, Lubbock; Ernest Guerra, San Antonio Tech; Dan Shelton, Dallas Wilson; George Graves, Waco; Bob Dowd, Austin S. F. Austin; Bill Moore, Victoria; Carlyle Smith, Granger Prairie; Irving Rye, Fort Worth Poly; Frank Pruzant, Houston San Jacinto; Steve Hildebrande, Har-

lingen; Robert Vasquez, Houston S. F. Austin; Arved White, Houston Lamar; James Smith, Texas City; Jerry Franklin, Fort Arthur; Will Knox, Austin S. F. Austin; Jimmy Lumpkin, Fort Worth Riverside and Sam Condo, Pampa.

in the first round at the state meet Friday it will then play for third place. Four teams are entered in each of Classes AAAA, AAA, AA and A, while Class B has eight representatives. Teams entered in the Class AAAA bracket this year are Pampa, Highland Park, Fort Arthur and Austin. Laredo won the 1956 title but was eliminated in the district race this season. The Harvesters and Fort Arthur have been given the favorites' roles and will probably be placed in opposite brackets.

Harvesters Leave Tuesday For State Meet In Austin

The Pampa Harvesters, though barely unpacked from their fruit-trip to Abilene over the week end, turned their thoughts to re-packing for a much bigger journey this week — a trip to the state basketball tournament in Austin. The Harvesters will be making their fourth excursion to the big state meet in five years. They earned the right to enter the Class AAAA event by beating Abilene 68-55 in Abilene Saturday night for the regional championship. The pride of the Panhandle will leave for Austin Tuesday morning for the tournament scheduled Thursday, Friday and Saturday in Gregory Gym on the University of Texas campus. The Harvesters will face their first opposition in their climb to the title Friday night. The winners will play Saturday at 3:45 p.m. for the crown. Drawings to determine opening-round play in all five classifications are scheduled to be held in Austin today. Dr. Rhea Williams, director of the University Intercollegiate League, will supervise the drawings. The Pampa team, 17 strong along with coaches Chilton McNeely and Terry Colley, will travel by bus, making stops to work out each day. Team members making the trip will be Bill Brown, Sam Condo, Tommy Gindorf, Dick Mauldin, Jerry Pope, Garrell Cole, Ray Stephenson, Tommie Murray, Larry Cruise, Daryl Ammons, Robert Langford, Loy Walters, Mack Layne, Coyie Winborn, Robert Murray, Charles Minor and Bobby Gindorf. It will be the first trip in representing Pampa at the state meet for most of the Harvesters and the five Shockers regulars. Seniors on the team — Mauldin, Pope, Cole, Condo, Gindorf and Murray — were Shockers on the 1955 trip. The

Harvesters last went to the state meet in 1955 but lost in the first round of action. Pampa won the state championship in 1953 and repeated in 1954. Last year the Harvesters won the northern-half title of District 1-AAAA and then lost to Odessa in the district playoffs. The Harvesters have two more games left to be played this season and they could close out with a 30-1 season record. Pampa's only loss to date has been a one-point defeat by Borger in District 3-AAAA competition. If Pampa loses

in the first round at the state meet Friday it will then play for third place. Four teams are entered in each of Classes AAAA, AAA, AA and A, while Class B has eight representatives. Teams entered in the Class AAAA bracket this year are Pampa, Highland Park, Fort Arthur and Austin. Laredo won the 1956 title but was eliminated in the district race this season. The Harvesters and Fort Arthur have been given the favorites' roles and will probably be placed in opposite brackets.

Class AAA All-State Team Dominated By Central Texas

By UNITED PRESS The central section of the state dominated the Texas Sports Writers Association's all-state Class AAA schoolboy basketball team with four of the five first-teamers coming from that area and only one West Texan breaking into the lineup. That lone youngster from the west, however, was Billy Joe Simmons, of Pecos, the only unanimous choice of the lot and a great star for four years with 16 letters in five different sports. Simmons, who averaged 22.4 points per game and was rated by many as the state's top college prospect in any division, has scored more than 1,700 points in a four-year span. Simmons' running mate at forward on the all-senior team was

John Schmidt, 6-4 of Cuero, who averaged 17.5, while the center shot to John Hoggard of Waxahachie, a 6-5 hook-shot artist who averaged 20.6. The guards were Joe Thompson of Bryan, who averaged 22.3 and James Ullrich, a 5-10 ball hawk from Brenham. The second team also was made up entirely of seniors, including forwards David Benfield of Phillips and Jesse Robinson, Beeville Negro ace; center Tom Taylor of Del Rio, and guards Elliott Craig of Beaumont French and Paul Piper of Brownwood. On the third team were Billy Mims of New Braunfels and Jack Ward of Sulphur Springs at forwards; Ira (Bubba) Ephraim of Pecos at center, and Bobby Boyd of Athens and Robert Ledbetter of Killeen, the only junior on any of the three teams, at guards. HONORABLE MENTION—Bill Mitchell, McKinney; Jerry Funk, San Marcos; Tommy Newman, Phillips; Phil Reynolds, Waxahachie; Doug Burrage, Handley; Milton Ham, Snyder; Walden Beard, South San Antonio; Lewis Qualls, Smiley; Bill McLaughlin, San Antonio Edison; Jan Overstreet, Garland; Charles Spellman, Cuero; Darrell Brandon, Nacogdoches; Rex Wilson, Lake View; Rudy Trevine, Kingsville; Marc Percival, Vernon, and Jerry Harris, Jacksonville.

Abilene's Ralph Bruton, 6-2½ center, jumps high in the air but can't get off a shot over the towering arms of Pampa's 6-6 Tommy Gindorf. Also in on the action is Dickie Mauldin of Pampa. The Harvesters played a fine defensive game in holding Abilene to 16 field goals while beating the Eagles 68-53 in regional play. Bruton scored 14 points to tie for Abilene scoring honors. North Carolinans Pace UP Rankings

By NORMAN MILLER United Press Sports Writer NEW YORK (UP)—North Carolina, unbeaten in 24 regular season games, topped the United Press college basketball ratings today for the seventh straight week, but the make-or-break test for the Tar Heels comes up this week. Coach Frank McGuire's men stake their perfect record, a berth in the NCAA tournament and their claim to the 1957 national championship in the Atlantic Coast Conference tourney which starts Thursday. If the Tar Heels falter, Kansas (19-2), Kentucky (22-4) and Southern Methodist (21-3) will make their own claims for the national crown. These three teams trailed North Carolina in that order today for the sixth consecutive week. In their next-to-last ballot of the season, 26 of the 35 leading coaches who comprise the United Press Rating Board picked North Carolina tops and gave them a score of 341 points — just nine short of perfect. Runner-up Kansas attracted seven first-place votes, while third-ranked Kentucky and ninth-ranked Louisville each had one. UCLA (21-4) and Seattle (22-2) remained fifth and sixth in that order, keeping the top six teams exactly the same as last week. Michigan State, the Big Ten leader, was this week's only newcomer in the top 10, jumping three notches to eighth place.

California advanced two places to No. 7. Louisville moved up one to No. 9 and Bradley dropped from eighth to 10th place. St. Louis headed the second 10 group, followed by a three-team tie for 12th among Dayton, West Virginia and Indiana. Brigham Young and Vanderbilt were tied for 15th place; Notre Dame and Kansas State shared 17th place, with Iowa State 19th and Ohio State 20th.

Prof Shires Meets Curtis On Mat Card

Popular Ray Gunkel, a talented newcomer to this area, teams up with veteran Dicky Davis to challenge the Great Bob and Leo (The Lion) Newman in the main event of the Pampa Shrine Club's wrestling program tonight. The bouts get underway at 8:15 p.m. at the Top o' Texas Sportsman Club. Tickets are on sale at Sportman Club ticket booth. Admissions is \$1.50 for ringside seats, \$1.25 for bleacher reserved seats, 50 cents for general admission and 50 cents for children. The main event tag team match is scheduled for one hour and the best-of-three falls. Professor Roy Shires, a top attraction around the Panhandle several months ago, comes back to the Pampa ring tonight to battle Don Curtis in the semifinal event. It's slated for 45 minutes and the best-of-three falls. Gunkel takes on the masked Bob in the 20-minute, one-fall opening event.

Gil Turner Meets Rudy Gwin Tonight

NEW YORK (UP)—Gil Turner, seasoned Philadelphia middleweight, is favored at 11-5 to beat Rudy Gwin of Cleveland at St. Nicholas Arena tonight because of Rudy's meagre professional experience. Their 10-rounder will be televised by DuMont at 10:30 p.m. EST.

Doc Hayes' Mustangs Look Ahead To Meeting Jayhawks

By ED FITZ United Press Sports Writer Sharp-shooting Southern Methodist, which has lost only four league games in three straight championship seasons looked ahead today to carrying the Southwest Conference basketball banner into the NCAA regionals next week. Coach Doc Hayes' smooth six-foot Jim Krebs, Bobby Mills, Rick Hirschler, Larry Showalter, Ned have been assured of the title role Duncan and Bob McGregor — for more than a week, but they put a bit of top dressing on the cake last week with a pair of schedule-closing victories. As a result, the poised Ponies will carry an 11-1 league mark and 21-3 season record into the first regional game against the Big Seven Conference champ — probably Kansas — March 15 on the SMU home court. Probably Face Kansas The Methodists lost out in the first round of the regionals to Bradley in 1955 by an 81-79 margin, but won the regionals last year only to fall to NCAA champion San Francisco 85-65 in the semifinals of the title tournament. This year they are likely to face the No. 2 team in the nation,

Kansas, in the opening round and will have to take care of that club's touted Wilt Chamberlain if they are to have another crack at the national crown. SMU is rated No. 4. The Methodists played like champions last week as they brushed past TCU 83-75 and Arkansas 87-59, the latter on the Razorbacks own court, to finish three games ahead of Rice, which wound up with an 8-4 record by nipping the Texas Aggies 87-85. Texas Has Bad Luck TCU bounced back from the SMU loss to trim Texas 74-60 and climb into a tie with Baylor for third place with 6-6 records, while Arkansas won undisputed possession of fifth spot by trimming Texas 70-54 early in the week. Texas, the team touted to push SMU and Rice, stumbled into a tie for the cellar with Texas A&M at 3-9, but one of its three victories was the one game which SMU lost in loop play. Read The News Classified Ads.

SMU didn't lose a league game last season and won with a 9-3 record in 1955. The Methodists played about the same pace in and out of league, averaging 78.5 points per game over the full season to 74.9 for the Jozex loop contests and allowing their foes 63.7 points in 34 games and 63.5 inside the circuit. Big Yes for Krebs The Mustangs will boast the No. 1 and No. 8 scorers as they carry the colors into the playoffs. Krebs, who has led the scoring virtually all season, wound up with 873 points for the 24-game schedule and 278 in league play, while Mills got 348 and 177, respectively. Krebs averaged 23.9 for the season and 23.2 against loop rivals. He dethroned Texas' Ray Downs as the scoring champ, Downs finishing second with 833 and 231 points. Read The News Classified Ads.
