9 Changes Suggested By City Charter Group

Council To Study Proposals

Nine recommended changes in Pampa's city charter were submitted to the City Commission today by Ed Myatt, chairman of an 11-man charter advisory committee which has been studying the present charter since early February.

The recommendations deal with annexation, integration, taxation, terms of city commissioners, commission meeting times, reduction in time required to pass an ordinance, raising the limit city officials can spend without taking bids, waiving the reading in full of city ordinances and changing the time period for public advertisements.

The advisory group recommended the following charter changes:

1. **ANNEXATION.** Giving the city commission power by ordinance to fix city boundary lines and to provide for alteration and extension of boundary lines and the annexation of additional territory adjacent to the city with limits as provided by applicable state law.

2. **INTEGRATION.** Calling for the repeal of Sec. 7 of Article III in the charter dealing with segregation of white and Negro races.

3. **TAXATION.** Providing for repeal of the charter section which limits to \$1 per \$100 property valuation the amount that can be levied for general operating purposes and the maintenance of streets and bridges. (The state limit now is \$2.50.)

4. **TERM OF OFFICE.** Amendment of Sec. 2 of Article VII to provide for the staggering of the two-year terms of city commissioners. (To effect the change Commissioners in Wards 2 and 4 would be elected for one year in 1967 and thereafter they would be elected in April of even-numbered years. Commissioners for Wards 1 and 3 would be elected in April of 1967 and thereafter in each odd-numbered year.)

5. **COMMISSION MEETINGS.** Changing the regular meeting time of the city commission from once a week to twice a month.

6. **ORDINANCE ENACTMENT.** Providing that it shall be only necessary that an ordinance not an emergency measure be voted on by the commission two times to become effective. (The present charter requires that an ordinance be read at three regular meetings.) This change also would provide for the waiving of the full reading of an ordinance providing commissioners have been given copies of it. (See CHANGES, Page 2)

200 Red Sympathizers Are Arrested in Algiers

ALGIERS (UPI) — Algeria's new military regime has arrested at least 200 Communist sympathizers of deposed President Ahmed Ben Bella, informed sources said today. Calm returned to Algiers after two days of pro-Ben Bella demonstrations.

Fatrols of heavily armed soldiers and tough, steel helmeted riot police were withdrawn from the streets early today and the city appeared normal for the first time since Saturday when Ben Bella was ousted.

A call for a general strike and mass protests in favor of Ben Bella failed to produce results and tensions eased. Normal communications resumed between Algiers and Paris.

Some Algerian sources put the number of arrested Communists as high as 600 but there was no official confirmation.

Japan, Koreans End Disputes

TOKYO (UPI) — Japanese and South Korean officials today capped 14 years of negotiations by signing a treaty aimed at establishing normal relations between the two countries. Thousands of students in both nations rioted against the accord.

More than 10,000 fanatical Zengakuren students swarmed through the streets of Tokyo and battled police near the U.S. Embassy. The United States favors the treaty.

Authorities said 90 policemen were injured by rocks and stones hurled by the leftist students. Police said 18 students were arrested in the "illegal" demonstrations.

Matson Asks AAU to Throw Against Russia

HOUSTON (UPI) — Randy Matson, the world's top shot putter, said today, he had formally asked the AAU to choose him for a U. S. team against the Russians despite a knee injury which kept him from competing in an AAU meet this weekend.

Later 200 Japanese attempted to march on the foreign ministry but were forced back by ranks of helmeted police.

Students charging a government "sellout" in the treaty battled club-wielding police in three major cities.

Matson, a Texas A&M sophomore, is in Houston for a summer job.

The treaty, and four agreements settling outstanding disputes between Japan and South Korea, culminated 14 years of tough negotiations and put a formal end to a half-century of enmity.

The United States, allied to both countries, has been pressing hard behind the scenes to encourage the accords.

His knee has pained him for several weeks, including the May 8 weekend when he set the new world record of 70 feet, seven inches.

The left knee has hurt him mostly in discus throws, but has bothered him some on the shot put and refuses to get well, Matson said.

Only parliamentary ratification is now required to open up a new era of diplomatic and economic cooperation between Japan and South Korea. But that was by no means certain, especially in Seoul, where opposition to the treaty was stiff.

Whatever the knee problem it neatly took Matson out of the storm of controversy over the AAU meet in San Diego. AAU Executive Secretary Don Hull had charged some NCAA officials, "intimidated" athletes not to enter the AAU meet that will decide the make-up of the U. S. team.

Foreign Ministers Tong Won Lee of South Korea and Ftsusaburo Shira of Japan signed the historic documents at 11:24 p.m. CST at Prime Minister Eisaku Sato's official residence here.

—SJR 24, by Sen. Dorsey Hardeman of San Angelo, won the No. 1 spot. This proposal would increase the state ad valorem tax from 5 cents to 10 cents per \$100 evaluation for the state college building fund.

Matson said today he has not been pressured by anyone, but (See MATSON, Page 3)

—SJR 27, permitting a wider investment of teacher retirement funds.

—HJR 11, to authorize the Legislature to establish a student loan fund.

—SJR 7, to exempt certain charitable organizations which expend at least \$1.5 million annually for free hospital and medical care from local ad valorem taxes.

—HJR 57, providing for forced retirement of aged judges and setting up ground rules for forced removal of judges for misconduct.

—HJR 8, to permit the Legislature to set the annual salary for the speaker and lieutenant governor, and raising per diem allowances of members of the Legislature from \$12 to \$20.

—SJR 47, providing four-year terms for members of the Texas House of Representatives.

—HJR 81, to allow the state to participate in the federal "medicare" program when it passes Congress.

—SJR 14, providing for four-year terms for the Governor and all other state-wide elective officials and the secretary

of state.

of state.

of state.

of state.

NEW UNIFORMS — David Tucker, right, vice president of the Top O' Texans, new public relations arm of the Pampa Chamber of Commerce, helps President Floyd Watson, center, on with his new coat, part of the uniforms club members will wear. E. L. Green, left, president of the Chamber passed out the uniforms at a get-together banquet Monday night at the Coronado Inn. Wives of the members were special guests at the banquet.

13 Per Cent Hike in Car Insurance Rates Asked

AUSTIN (UPI) — The staff of the State Insurance Board today recommended a 13 per cent average increase in rates paid by automobile insurance policy holders in Texas.

The recommendation means Texas auto insurance buyers will be paying some \$55 million more annually for their protection effective Aug. 1.

The three-man state insurance board was expected to follow its own staff recommendations when the new rates were announced later today.

Based on total auto insurance premiums paid in Texas during 1964—\$404 million—the new rates will give the auto insurance firms in Texas at least \$55 million more annually.

The new rates mean the average automobile insurance policy—based on minimum liability

and collision premiums—will go up about \$15 per year. Some rates, however, will be higher and some lower, depending on where the auto owner lives.

Houston area residents traditionally pay the highest auto insurance rates in the state and residents of far West Texas counties the lowest, based on the frequency of accidents to the ratio of residents.

The staff recommended increases of 20.7 per cent in bodily injury and property damage liability, 3.6 per cent in medical payments and 20.8 per cent in collision insurance rates.

Decreases of 7.1 per cent in full coverage comprehensive insurance, 17.4 per cent for \$50 deductible premiums and 5.9 per cent in fire and theft insurance rates were recommended.

The new premiums for minimum liability would range from \$130 annually for an unmarried Harris County auto owner under age 25, to \$38 for an automobile used solely for pleasure in Southeast Texas.

Different rates are set in each of eight risk classifications and 26 geographical areas. Harris County and Southeast Texas are the high and low extremes.

Rates Vary
The new rates represent an increase of \$23 for the Harris County policy holder under age 25, and \$6 for the Southeast Texas auto owner. Other rates vary according to loss payments and other criteria used by the board to figure the rates.

Board chairman William Hunter McLean said even with the new rates there would be 33 states with higher auto premiums than Texas.

The Texas Automobile Insurance Service Office said its statistics agree with data presented today by the insurance board staff.

"Our constitution says that rates may not be confiscatory. Therefore we think your duty is clear," the service office said in a statement to the board.

McLean said under the new rates, about 63 per cent of the premium dollar in Texas would go for payment of claims and claims adjustment. The rest would go to the insurance companies for expenses and profit.

U.S. Jets Bomb Targets Close to Communist China

SAIGON (UPI) — U. S. Air Force jets today bombed two military targets in North Vietnam less than 100 miles from Communist China. It was the deepest penetration of the air war and the first time American planes struck north of Hanoi, the North Vietnamese capital.

Hanoi itself was spared from attack.

A total of 41 Air Force jets took part in the raids against Son La army barracks and the Ban Nuoc Chieu ammunition depot, 120 miles and 70 miles west-northwest of Hanoi.

The spokesman said 16 of the 41 jets actually took part in the bomb runs while the remaining 25 flew support against anti-aircraft fire and interceptors.

The 16 striking F105 Thunderchief jets dumped 17 tons of bombs and rockets on each of the targets.

Communist MIG fighters steered clear of the attacking planes. The spokesman said no enemy aircraft were sighted. Moderate anti-aircraft fire was thrown up but all planes returned safely.

Both the Son La army barracks and the Ban Nuoc Chieu ammunition depot are situated in mountainous country just north of the Black River.

At Son La, returning pilots reported destroying nine buildings and damaging 20 others.

In the strike against the ammunition dump at Ban Nuoc Chieu, pilots reported "moderate damage."

It was not immediately known whether any secondary explosions were observed. Such explosions usually indicate direct hits on ammunition stores.

The spokesman said more than 100 sorties were flown by U. S. Air Force, Navy and Marine aircraft and propeller driven skyraiders of the Vietnames air force over North Viet Nam today.

The raids began before dawn and continued throughout the day in perfect flying conditions.

Special Amendments To State Constitution Set

AUSTIN, Tex. (UPI) — A proposal to double the ad valorem tax for the state college building fund will be listed at the top of 10 proposed amendments to the Texas Constitution in a special election to be held on Nov. 2 this year.

Secy. of State Crawford Martin held a special drawing Monday to determine the order in which the 10 proposed amendments will appear on the ballot.

SJR 24, by Sen. Dorsey Hardeman of San Angelo, won the No. 1 spot. This proposal would increase the state ad valorem tax from 5 cents to 10 cents per \$100 evaluation for the state college building fund.

The other nine proposed amendments in order that they will appear on the ballot include:

—HJR 5, to increase the veterans land fund by \$200 million.

—HJR 81, to allow the state to participate in the federal "medicare" program when it passes Congress.

—SJR 14, providing for four-year terms for the Governor and all other state-wide elective officials and the secretary

New Rains Add to Kansas Flood Woes

UNDER WATER — Surging floodwaters of the Arkansas River spread wide over the south section of Dodge City, Kan., where U.S. Army and Kansas National Guard helicopters carried on search and rescue missions and established courier service between the isolated south shore and the city. The main portion of Dodge City is out of the picture at left.

GREAT BEND, Kan. (UPI) — The Arkansas River, which has already forced more than 18,000 persons in three states from their homes, slowed its pace today but new rains added to the threat of the worst flood in western Kansas history.

Another 2,000 people packed what belongings they could Monday and moved from South Great Bend to shelters set up in schools and churches in the northern part of the city.

The river had been expected to crest at Great Bend shortly after midnight, but new estimates revised the time to late today.

At Larned, 50 miles upstream, the Arkansas rose to flood stage late Monday night. Businesses were sandbagged and 600 persons took refuge in churches.

A 1.5 inch rain at Great Bend hampered workers in their efforts to shore up dikes and sandbag main street business. (See RAINS, Page 3)

FAA Plans Crack Down On Resort Area Showoff Pilots

WASHINGTON (UPI) — The Federal Aviation Agency (FAA) served warning Monday it will crack down on showoff pilots who buzz crowded beach and resort areas.

FAA Administrator Najeeb E. Halaby said the agency is prepared to take "vigorous enforcement action" against such stunting airmen.

"The beach buzzer cannot be written off as just another seaside showoff, like the proverbial bully who kicks sand in everyone's face," Halaby said.

"His capacity to kill and maim innocent people takes him out of the beach pest category. He must be regarded as a dangerous menace as well as a public nuisance, and treated accordingly."

Pilots who violate minimum altitude restrictions over beach areas are subject to a civil penalty of up to \$1,000 for each violation, plus revocation of their pilot certificate.

Halaby said in a recent 12-month period, buzzing and low altitude acrobatics killed 73 persons, seriously injured 62, and destroyed 96 aircraft valued at \$750,000.

Spacemen Begin Final Round With Doctors

HOUSTON (UPI)—With more work on the schedule, but vacations on their minds, astronauts Ed White and James McDivitt today began their final round with scientists and doctors.

The Gemini-4 space twins came home Monday from a whirlwind trip to the International Air Show in Paris. There they showed visitors around a model of their space capsule and chatted with Russian cosmonaut Yuri Gagarin.

But today, back at their home base, they were slated to begin the final days of their flight "debriefing." That consists of going over the tapes made during their four day trip through outer space earlier this month, and the last session with the medical experts.

Extensive tests conducted in the days following the four-day space mission showed the two astronauts condition to be much better than hoped for.

But the doctors have some final experiments they want to run.

Although the work concerning their space flight comes first, the astronauts are understandably looking forward to a little rest with their families. After all, they traveled almost two million miles on the job in the last month.

When McDivitt and White touched down on their trip home Monday, the first thing newsmen wanted to know was if they were going to take a breather.

"Yeah," said McDivitt, "I want to get a boat and do some water skiing around here."

Mrs. Pat McDivitt is ahead of her husband in that department this season. She got in a little water skiing while her husband was in orbit.

White said he and his family want to get away to Colorado for a vacation.

Doctors to Air Views on Strike Against Medicare

NEW YORK (UPI)—Doctors air their pro and con views today on whether to strike against medicare or go along with it if and when it becomes law, and Wednesday they will cross their Rubicon.

Today's spirited speech-making was before a committee of the American Medical Association which is having its annual convention.

The talk was either for or against 10 resolutions introduced in the House Monday. All called for "non-participation" by the medical profession in tax-supported medical care for all persons over 65.

They differed only in the degree of heat in their wording. AMA leaders, including the new president, Dr. James Z. Appel, see "non-participation" as only another way of saying strike or boycott. This course they oppose as promising more harm to the profession than medicare could bring about.

The 234 member House of Delegates will have the final say-so. It establishes AMA policy. It referred all 10 resolutions to its committee on legislation and public relations for discussion and recommendation.

Lions To Install Officers Tonight

Installation of new officers for the Pampa Noon Lions Club will highlight the annual banquet scheduled at 7:30 p.m. today in the Coronado Inn.

Dr. Harbord Cox, Pampa dentist, will take over as president of the club, replacing Rufe Jordan.

Tom Snow is the newly elected first vice president and Dr. Howard Greenlee is the second vice president.

The installation ceremonies will be the program for the buffet banquet.

Harvest

(Continued from Page 1)
cury stood at 65 degrees.

Springlike showers, ranging up to more than an inch at Del Rio, continue to dampen many areas of Texas today.

At daybreak, the Weather Bureau reported light showers in South Central Texas and along a line from the Lower Pecos Valley northeastward over the Edwards Plateau to the Wichita Falls area.

Forecasts called for all sections of the state to get showers during the day although skies generally will be partly cloudy. The shower activity will diminish by Wednesday, but a few will linger on into the afternoon.

It was still raining at dawn in Del Rio, where 1.18 inches fell up to 6 a.m. Palacios reported 99 inches, Abilene 80, Childress 69, Victoria 62, Junction 41, Corpus Christi 51, Amarillo 49, Lubbock 46, Wichita Falls 34, San Angelo 24, San Antonio 20, Galveston 12, Mineral Wells 03 and Alpine 02.

Early morning temperatures generally were in the 70s, but Dalhart, Alpine and Amarillo reported 59-degree lows, Lubbock 60, Midland 62, El Paso 64, Wichita Falls 67, Presidio 63 and Abilene and Del Rio 69.

Monday's highs ranged from 96 degrees at Laredo to 80 at Alpine and Lubbock.

Edmondson to Attend Workshop

Jack Edmondson, Pampa school superintendent, will join with 500 other superintendents from throughout Texas June 28-30 for a three-day school administration workshop to be held at the University of Texas.

University of Texas faculty members, Texas Education Agency staff members and visiting consultants will conduct laboratory sessions, seminars and lectures.

Dr. Bascom B. Hayes, professor of Educational Administration at Texas, said once a school administrator makes a policy decision, "There is seldom, if ever, a complete turning back."

"Decision-making, then, is a primary source of control and a definer of action," he said in announcing plans for the workshop.

Senate Finance Welfare Bill

WASHINGTON (UPI)—The Senate Finance Committee continued sessions today on a wide-ranging welfare bill which includes health care benefits. A struggle loomed with administration forces over changes made in the House version of the legislation.

Houston Public Schools To Be Integrated by 1967

HOUSTON (UPI)—The Houston Public Schools, buffeted by a Negro protest demonstration and federal pressure, voted Monday night to integrate all grades by September 1967.

Civil rights demonstrators picketed the meeting, complaining the speed up was going at half speed. They planned to march again today.

An organization calling itself "People for the Upgrading of Schools in Houston," or "PUSH" wants all grades open to all races this fall.

The school board also reversed a long-standing policy and voted to go after federal aid.

The vote on integration was 4-3, with both Negro board members and liberal Mrs. Howard Barnstone opposing the plan as being too slow.

Schools will be open to all through grade seven, plus the 10th grade this fall. Next year the 8th and 11th grades will be integrated with grades 9 and 12 to be integrated in September of 1967.

Houston schools have integrated on a grade-a-year plan for the past five years under a federal court order.

Rev. William Lawson, the PUSH leader, said "the school board is offering a few desegregated grades, a study of faculty desegregation and a few bones of federal aid."

Several thousand Negroes met under a light rain at Emancipation Park after the meeting and voted to march on the School administration building today.

Lawson said Houston schools could just have easily integrated 10 years ago.

The school board had before it at their meeting a letter from John Doar, a troubleshooter for Atty. Gen. Nicholas Katzenbach.

Doar said it would take "unavoidable administrative difficulties" to justify denying full integration this fall. By its action, the board indicated such "difficulties" would prevent the complying with his request.

Group Takes Tour Of City Projects

City officials conducted a tour of city buildings and projects for new commissioners, and study committee chairman this afternoon.

The group left City Hall by special bus at 1:30 p. m.

City Manager Jim White said it was just an orientation and briefing tour to give the commissioners and study group chairmen a closeup look at city operation and problems.

Rains

(Continued From Page 1)
es. The river ahead of the crest was barely high enough to cover the 100 - yard wide main stream bed but Civil Defense officials feared the rain would add to the flooding problem.

Although Larned was braced for its worst flood ever, a sheriff's office spokesman said "everyone feels well organized and ready." But he warned that if a 2.16 inch rain in the Pawnee Creek watershed caused rapid runoff into the Arkansas, "we're in for trouble."

All previous flooding along the Arkansas was triggered by torrential rains last week in eastern Colorado. The downpours turned the normally placid stream into an unruly torrent extending through northern New Mexico and into Kansas.

In Nebraska, the South Platte River was smashing a path of destruction similar to that of the Arkansas River in Kansas.

Waters covered about half of Kinsley, Kan., Monday and the river at that point was as much as four miles wide.

Ahead of the flood, farmers raced to harvest their wheat crop before fields were swamped by water.

The Arkansas was half bankful at Syracuse, the first Kansas town to feel the fury of the flood. The river had dropped within its banks at Garden City and was expected to recede to bankful at Dodge City today.

Changes

(Continued From Page 1)
7. CONTRACTS. Raising from \$100 to \$1,000 the amount city officials may spend for supplies without receiving sealed competitive bids. This recommended change also would alter the public advertising requirement from the present 15-day to a 7-day period.

Myatt said the recommendations were unanimously reached by the 11-man advisory group.

Other members of the advisory committee are: Crawford Atkinson, Arthur M. Teed, Ray Duncan, Joe Tooley, Calvin Whalley, H. H. Boynton, Jack Vaughn, Travis Lively Sr. and Gene Lewis. City Atty. Bob Gordon acted in an advisory capacity to the committee.

Myatt explained that the recommendations were only the conclusions of the advisory committee members and that it would be up to the city commission to adopt, reject or add to them.

In the final analysis it will be up to the city commission to decide what action should be taken. Before any charter changes can be made the proposals would have to be submitted to city voters.

It was stated that any proposed charter changes will be submitted to voters by individual amendments. Voters would have the opportunity to approve any proposed change they wanted and to reject any proposed change they did not want.

Mayor Jim Nation said today that the commission would study the proposed charter changes and probably take action on them at next Tuesday's regular meeting.

Obituaries

Fred E. Young
Funeral services for Fred E. Young, 73, Lubbock attorney and former resident of Pampa and Amarillo, will be conducted at 2 p. m. tomorrow in First Baptist Church with Rev. E. Douglas Carver officiating. Interment will follow in Fairview Cemetery under direction of Duenkel Funeral Home.

Mr. Young was born Sept. 21, 1891, in Jonesboro, Ark. He died Monday morning in Amarillo Veterans' Hospital following a one-year illness.

Mr. Young was born Sept. 21, 1907 with his parents from Comanche, Okla. He was a graduate of Pampa High School, Clarendon Junior College and the University of Texas Law School.

Mr. Young practiced law in Amarillo from 1922 to 1934 and served in the Amarillo school board from 1929 to 1931. He served as state adjutant for the American Legion in Austin from 1934 to 1946, at which time he was appointed chief attorney for the Veterans' Administration in Lubbock. He retired from this position in 1961 and was engaged in private law practice in Lubbock the past four years.

Mr. Young served two years in the U. S. Army in WWI, serving in France and Germany, and served four years in WWII. He was a member of Lubbock First Baptist Church, Lubbock Lions Club and the State Bar Assn.

Surviving are his wife, Mrs. Bessie Young of the home; one daughter, Mrs. Ralph Edgar of Rocky Ford, Colo.; mother, Mrs. E. F. Young of Pampa; three sisters, Mrs. H. B. Taylor of Pampa, Mrs. Bessie Gerber of Lubbock and Mrs. Joe Elliott of Los Angeles, Calif.; one brother, Floyd Young of Englewood, Colo., and three grandchildren.

Palbearers will be Lew Fields, Lou Roberts, Rhea Smigh, Roy Beard, Bruce Autry, Royce Gaut, Seldon Rose and George Bromme, all of Amarillo and past commanders of Amarillo American Legion Post.

Pampan Injured In 2-Car Wreck

A two-car wreck at 1:55 p.m. yesterday slightly injured a 37-year old Pampa resident.

Forrest B. Cloyd of 808 N. Dwight, received minor bruises when the pick-up he was driving was struck from the rear by an automobile driven by Dell Rich, 36, of 625 N. Christy.

The accident happened near Hobart and Foster.

An estimated \$350 in damage was done to both vehicles.

TOT Kiwanians Have Calendars for Sale

Discussion of the annual birthday calendar sale by the Top O' Texas Kiwanis Club highlighted the regular meeting of the club last night in the Coronado Inn.

Anyone interested in purchasing one of the calendars, which is handy for listing important dates, notes, and reminders, is asked to contact any member of the club.

Matson

(Continued From Page 1)
that the NCAA could make athletes ineligible if they competed in the AAU meet, "and that all the pressure you need."

Matson said he had sent a letter to the selection committee of the AAU, asking it to pick him despite the injury.

"I think my knee will be alright by the time of the U. S. - Russian meet," the 6'6, 200-pound Aggie said.

"A doctor has been treating it."

Matson said he is still trying to contract Col. Hull personally to talk the situation over with him.

Wiring Short Causes Small Home Blaze

A short in the air-conditioner wiring system caused a small blaze at the home of C. P. Buckler, 410 Buckler, yesterday.

Firemen answered the call at 6:02 p. m. Only very light damage was reported.

Panpan Injured In 2-Car Wreck

A two-car wreck at 1:55 p.m. yesterday slightly injured a 37-year old Pampa resident.

Forrest B. Cloyd of 808 N. Dwight, received minor bruises when the pick-up he was driving was struck from the rear by an automobile driven by Dell Rich, 36, of 625 N. Christy.

The accident happened near Hobart and Foster.

An estimated \$350 in damage was done to both vehicles.

Asthma Formula Prescribed Most By Doctors—Available Now Without Prescription

Stops Attacks in Minutes... Relief Lasts for Hours!

New York, N.Y. (Special)—The asthma formula prescribed more than any other by doctors for their private patients is now available to asthma sufferers without prescription.

Medical tests proved this formula stops asthma attacks in minutes and gives hours of freedom from recurrence of painful asthma spasms.

"This formula is so effective that it is the physicians' leading asthma prescription—so safe when used as directed that now it can be sold without prescription in most states—in tiny tablets called Primatene®. These Primatene Tablets open bronchial tubes, lessen congestion, relieve tight nervous tension, all without painful injections.

The secret in Primatene combines 3 medicines in full prescription strength found most effective in combination for asthma attacks.

No look forward to sleep at night, and freedom from asthma spasms.

5-YEAR/50,000-MILE WARRANTY

Chrysler Corporation confidently warrants all of the following vital parts of its 1965 cars for 5 years or 50,000 miles, whichever comes first, during which time any such parts that prove defective in material and workmanship will be replaced or repaired at a Chrysler Motors Corporation Authorized Dealer's place of business without charge for such parts or labor: engine block, head and internal parts, intake manifold, water pump, transmission case and internal parts (excepting manual clutch), torque converter, drive shaft, universal joints, rear axle and differential, and rear wheel bearings.

REQUIRED MAINTENANCE. The following maintenance services are required under the warranty—change engine oil every 3 months or 4,000 miles, whichever comes first; replace air filter every second oil change; clean carburetor air filter every 8 months and replace it every 2 years; and every 6 months burnish evidence of this required service to a Chrysler Motors Corporation Authorized Dealer and request him to certify receipt of such evidence and your car's mileage. Simple enough for such important protection.

You'll never get burned with this famous brand!

One of the extras you get in dealing with the Dodge Boys is the longest warranty in the auto industry! Add that to the low prices, high trades and easy terms on every head of '65 Dodges on the spread... and you'll see why the Dodge Boys are sell-bent-for-leather on another great sales year! They've got a herd of bargains just waiting for you. Go cut out the one you like right now during **SUCCESS DRIVE '65!**

58TH YEAR

Dear Abby... Is Reader Pulling Abby's Leg, or Udder-Wise?

DEAR ABBY: The woman who "talked to her plants" and made them grow is not ready for the booby hatch. There is definitely something to it. Plants not only respond to the right "language," they are affected by music. This is far from a new development. For years the Carnation milk people have had music piped into their barns to keep their cows contented.

CLARA IN PHOENIX
DEAR CLARA: Are you pulling my leg, or udder-wise?

DEAR ABBY: Our daughter is a 17-year-old high school dropout. And it's not that she didn't have the brains to graduate. She was just lazy. She's very pretty and has always been very mature (physically) for her age. But she's spoiled and selfish and emotionally immature. She does not want to get a job and go to work. She wants to get married. The boy is 22. He is a nice enough boy who has a steady job, but he's just a kid. My husband is all for her getting married. He says, "Let her. It will grow her up in a hurry." I say she isn't ready to accept the responsibilities of marriage and, if she got married, it wouldn't last a year. Can you give me some good arguments on my side?

ONE AGAINST TWO
DEAR ONE: Marriage is not a kindergarten where wide-eyed, immature adolescents learn to "grow up" in a hurry. It's a difficult school of experience for even the most mature and aware. Lazy, self-centered girls who turn to marriage in order to escape the realities of life learn all too soon that they have jumped from the frying pan into the fire. Let her "grow up" first.

DEAR ABBY: My mother died

nine years ago, and my father has lived alone in the house next door to me ever since. My problem is how to get him to let me clean his house. There are only my husband and myself so I have lots of free time. The house is so dirty I get upset every time I go over there, and I go every day. I want so much to give that house a good cleaning, but my father says he likes everything just the way it is. I don't know how much longer I can stand going over there, Abby. It's too filthy for words. You are my last resort. What can I do?

D IN DELAWARE
DEAR D: A mentally sound person does not live in filth for nine years. Your father could be emotionally disturbed. For goodness sakes, get him to a doctor for a thorough checkup and give his house a thorough cleaning.

DEAR ABBY: What's all the ruckus about women wearing pants? I used to live in Lancaster, Calif., and anyone who went downtown in a dress was out of her ever-lovin' mind. Why? Because the wind blows there like there's no tomorrow, and who wants to give a grade review of the latest in underwear? Not me! We're now stationed in Panama, where it's hot and muggy and windy. Most of the women down here wear dresses. But tell me which looks worse—nearly topless dresses, transparent dresses, skirts with blouses half in and half out, or nicely fitted slacks with a neat loose overblouse? I've asked my husband how he felt about my wearing pants, and his response was, "As long as you're comfortable, it's okay by me."

PANTS IN PANAMA
Problems? Write to Abby.

Canadian Bride Is Honored at Shower

CANADIAN (Spl) — Mrs. Frank Cook gave a miscellaneous bridal shower recently honoring Mrs. Adolph Bressler, the former Miss Karen Jan Crosier. Co-hostesses were Mmes. Bill Hodges, J. C. Clark, L. H. Bussard, Bryan Eckles, Kenneth Mee and Vernon Cline.

The serving table, covered with a cream lace cloth over yellow, was centered with a bride doll under an arch of yellow and white pom-pom mums. Yellow punch, cookies, mints and nuts were served. Lana Rogers and Janet Bussard presided at the serving table.

Guests were registered by Mrs. Weldon Walser and Misses Janie Mee, Marie Hodges and Zoe Cook assisted the bride with her gifts.

Those attending the affair were the honoree's mother, Mrs. G. W. Crosier, the bridegroom's mother, Mrs. Gottlieb of Follett, Mmes. Ruby Blackburn, Evelyn Meek, Alice Bell Helton, Albert Walker, Archie Swires, Virgie Reagan, Norene Howard, Edith Howard, Iris Abraham, L. F. Etheredge, Mammie Walser, Annette Walser, Flora Marks, William M. Karr, Emma Borst, Fred Spruell, Elizabeth Bressler, E. T. Barker, Ruth Weatherford, Robert Rogers, Norma Hutton, Mardell Cook, Delberta Wainwright, Louise Bussard, Bertha Eckles, Jean Mee, Vernon Cline, Bill Hodges, Zona Clark, and Misses Lynda Blackburn, Sandra Meek, Marsha Crossland, Peggy Walker, Jane Mee, Janet Bussard, Zoe Ann Cook, Lana Rogers, Marie Hodges and Mary Bell Fish.

Bor 69700, Los Angeles, Calif. For a personal reply, enclose a stamped self-addressed envelope.

Hate to write letters? Send one dollar to Abby, Box 69700, Los Angeles, Calif., for Abby's booklet, "How To Write Letters For All Occasions."

Manners Make Friends

Poking fun at fat and skinny people may make them want to poke back.

Pampa Women And Their Professions

(Photo by PEEK JO ORMONSON)

NO. 1 IN A SERIES—Mrs. Earl (Irene) Smith, is the first subject of a Women's Page feature picture series of Pampa women occupied in various professional categories. Mrs. Smith, a graduate of Amarillo College and Winona School of Photography, has been associated with her husband in the photography business for 28 years. She is a member of Altrusa Club of Pampa, serving as president and was appointed by the Altrusa governor of District Nine as official photographer of the District Convention held here in 1963. Mrs. Smith is also a member of First Methodist Church, Treble Clef Club and the Chamber of Commerce. She is the mother of two children, Mrs. Blair E. Wilkins of Austin, and Dwayne L. Smith, senior at West Texas State University. She is also the grandmother of Gail, Glenna and Gregg. Wilkins, ages 6, 3 and 2.

Theta Rho Girls Receive Trophies At State Meeting

Pampa Theta Rho Girls Club received a second place trophy in competitive degree work at the Annual Theta Rho Girls State Assembly, held June 10-12 in Dallas. Trophies for individual charges were presented to Shirley Hollis for the president's charge and Janice Kennedy for the vice president's charge. Mrs. Harold Lawley, local club advisor, was named head woman advisor for the United Nations Pilgrimage for 1966.

Senior Center Corner

By MRS. O. A. WAGNER

Good for a laugh: A man had rescued another man from drowning. After reaching shore, the rescuer was told, "It was splendid of you to jump from such a magnificent height and save this man's life." The rescuer snarled, "What I want to know, is who pushed me?"

Two new members were welcomed to the Center this week, Mrs. Minnie Chandler and Mrs. Noma Mitchell.

T. W. McMillan was bidding everyone goodbye until next fall. Mr. McMillan, who usually spends the winters here in the home of a son, was leaving Saturday for Springdale, Ark.

Mrs. P. H. Gates was missed this week, as she was in Amarillo.

Miss Lucy Herlacher spent last weekend in Groom with a sister, Mrs. T. H. Fields. While in Groom Miss Herlacher also visited with a niece and family, Mrs. H. K. Christian of Colorado Springs, Colo.

Mrs. May Flavin was welcomed at the Center Thursday after a month long absence while she visited a brother and family, W. L. Smith, in Farmington, N.M.

Wednesday evening guests of Mrs. Mollie Hethcock and sons was a friend of long-standing, Harry Devers of Dalhart, and son.

Mrs. Lona Webster traveled to Amarillo last week to visit a sister, Mrs. Carrie McBride, who is recuperating in St. Anthony's Hospital from a broken hip.

Mrs. J. C. Moseley was watching television Wednesday evening and saw a son-in-law, Cleo Vaughn, placed in an ambulance following an automobile accident.

Mrs. Katie Vincent and granddaughter, Miss Marilyn Steele, spent the weekend in Dumas visiting Mrs. Vincent's daughter-in-law, Mrs. Joe Vincent, Miss Steele and Miss Betty Tatum departed Thursday noon by plane for Los Angeles, Calif.

Mr. and Mrs. Ernest Traylor and daughter, Betty, of Roswell, N. M., were weekend house-

Astrological Forecast

By CARROLL RIGHTER

FOR WEDNESDAY, JUNE 23
GENERAL TENDENCIES: Although this is not a good day for serious social matters, you are nevertheless able to get some answers you need to help and be helped. Get in touch with the powerful. State your aims clearly and get ahead in the future.

ARIES (Mar. 21 to Apr. 19) — You are able to understand pretty much what others are thinking now and can do much to help and be helped. Get in touch with the powerful. State your aims clearly and get ahead in the future.

TALIES (Apr. 20 to May 20) — A little butting up of friends is essential today so that they get out of the doldrums. Be sure to make quiet arrangements with the powerful. Get your future running more smoothly.

GEMINI (May 21 to June 21) — Much social running around will increase prestige and opportunity to join forces for some good cause project. Reach mutual personal aims. Make new friends who are desirable.

MOON CHILDREN (June 22 to July 21) — You have only to go directly to persons involved if you want to improve credit, career, etc. A powerful person appreciates your ability and gives boost. Be courteous.

LEO (July 22 to Aug. 21) — Be alert to novel ideas that can be put in use quickly for your betterment. Contact persons afar who can do much to assist you. Be enthusiastic and ethical and get right results.

VIRGO (Aug. 22 to Sept. 21) — New ideas occur to you on how to get present obligations properly attended to and labor completed rightly for which you are being paid. Use them. Be accurate.

LIBRA (Sept. 22 to Oct. 21) — Talk over your future with partners and impress them with your ability. Cement far better relations by being open-minded. Give credit where credit is due, also.

SCORPIO (Oct. 22 to Nov. 21) — Instead of procrastinating, jump into that work that is awaiting you and complete it efficiently. Please co-workers. Take exercises, other treatments that make you strong and healthy.

SAGITTARIUS (Nov. 22 to Dec. 21) — You need very much to get out for amusement, since you have had your nose to the grindstone too long. Do only essential duties. Then meet with congenials for fun.

CAPRICORN (Dec. 22 to Jan. 20) — There are several methods you can use now to start an evening in all of your affairs. Pick out the most practical and use it. Confer with kin and get their advice.

AQUARIUS (Jan. 21 to Feb. 19) — Keep your eye on the job of gold at the end of the rainbow and make daily duties more pleasant. Get cooperation from partners. Career data to enhance your ideas.

PISCES (Feb. 20 to Mar. 20) — An idea in your field of endeavor can be carried to show you how to have a greater abundance with less work. Get useful budget systemized — balance it. Live more wisely in future.

DRESSING SCOOP
Use a small sugar scoop to insert dressing into chickens or turkey.

Many Activities To Be Enjoyed at Girl Scout Established Camp Next August

Quivira Girl Scout Established Camp will be held at Camp Kiowa, August 8-19, and is open to every girl 10 to 17.

Established camping is done on a permanent campsite with facilities provided by the Council. It is supervised by qualified, experienced, employed personnel. Individual girls from different troops from all parts of the Council camp together for a continuous period of at least 12 days. The campers use the patrol system in planning their camping activities. This system is the representative form of government basic to all scouting and helps to develop good citizenship, initiative and self-reliance.

At camp, each girl is part of a small group or unit. Under the unit plan, from 12-20 girls live, work, plan and carry out the Girl Scout program with their leaders or counselors. Campers are placed in tent units according to age grade and degree of camping experience to ensure each girl's feeling at home and living comfortably within her own small group.

Established Camp offers a variety of activities for the adventurous young camper. She will have an opportunity to learn skills or become more proficient in already acquired skills. She may become more adept through practice in the arts of campcraft, knotcraft, and lashing; firebuilding and cooking; camp fires and ceremonies; safety, on land and in water; conservation; singdances, folk games and new songs; archery and riflery (progressing to 22's); compass and wide games, and hiking and trail blazing. Many of these activities help fulfill requirements for badges.

It is the aim in Girl Scout camping to have the income from camper's fees cover the direct services to them. Direct services mean salaries for directors, counselors, program

specialists, nurse, food supervisor (cook), program supplies, health and service supplies.

The registration fee of \$47.50 may be paid with a minimum reservation fee of \$10, another payment by July 12, and the balance due July 30. The fee for non-Scouts is \$50. (The entire fee may be paid at the time of registration.) Buccaneer, Frontier, and Gunn Bros. Savings Stamp Books are worth \$2. Registrations are still being accepted, and forms are available from the Quivira Girl Scout Council, P. O. Box 459, Pampa. Parents are urged to register their girls as soon as possible so that she may be assured a place in camp.

Since a full camp can be operated much more economically than a small one, let's fill our camps to justify the purchase of our Established Camp of the future!

CURTAIN DRYING TIP

To keep curtains from drying unevenly, hang them from the selvage edge or top hem. Use regular or springtype clothespins, closely spaced.

Ex-Band Leader Will Speak Here

LOWELL MCMANES
guest speaker

Lowell McManes of Durant, Okla. former dance band and night club entertainer, will be the guest speaker at 7:30 p. m. Wednesday at the Church of God and Sunday at Immanuel Temple.

McManes led the band that played for the late famous singer, Jim Reeves, in his first recording session that started the velvet voiced singer on his fast climb to become one of the nation's leading vocal artists.

McManes serves on the board of the Durant Chapter of Full Gospel Businessmen's Fellowship International and is an ordained deacon in the First Pentecostal Holiness Church of Durant. He is assistant manager of the Coffey Funeral Home at Durant.

Polish Commie Leader Listed As 'Gravely Ill'

WARSAW (UPI) — Polish Communist party leader Wladyslaw Gomulka is "gravely ill," Western diplomatic sources said Monday.

The sources said they had heard unofficially that Gomulka, 60, had entered a hospital near Warsaw about June 10 with a persistent, unexplained high fever. It was speculated that he might be suffering from circulatory or respiratory difficulty.

Government leaders and members of the ruling Politburo have consistently sidestepped questions about Gomulka's protracted absence from public view. He was last seen May 30 when he voted in elections for the new Parliament.

VISITS KING
COPENHAGEN (UPI)—Italian President Giuseppe Saragat arrived Monday in Copenhagen on a one-day private visit to King Frederik the ninth of Denmark.

Insurance Would Protect Family If Mom Gets Ill

HARTFORD, Conn. (UPI) — Aetna Insurance Co. introduced Monday a new health insurance plan to compensate a housewife's family if she is hospitalized.

The company said the program was started because the extended absence of a housewife from her duties, "presents a real economic problem" for the family.

The homemakers disability income plan pays \$200 monthly for up to a year toward costs of help in housekeeping duties usually handled by the wife. Aetna said it is believed to be the first program of its kind.

APPOINTMENT

NEW YORK (UPI) — The Rev. Ralph Norman Mould of Philadelphia, Pa., has been named general secretary of the World Council of Christian Education and Sunday School Association.

The Rev. Mould, who is scheduled to take office Jan. 1, 1966, will succeed the Rev. Nelson Chappel of New York City, who retires Dec. 31 after 12 years as WCCCE head. The Rev. Mould is an ordained minister of the United Presbyterian Church in the U.S.A.

Collins Tapped for Commerce Secretary

WASHINGTON (UPI) — Former Florida Gov. Leroy Collins, a grocer's son who became a "new South" spokesman and the nation's top civil rights mediator, was nominated Monday to become the new undersecretary of commerce.

President Johnson picked the 56-year-old Collins to succeed Franklin D. Roosevelt Jr., who recently resigned. He indicated he may seek the Democratic nomination for mayor of New York City. Collins has been serving as director of the Community Relations Service since passage of the 1964 Civil Rights Act.

HAIL DEMONSTRATIONS

TOKYO (UPI) — Communist China today hailed the demonstrations in Manila against sending Filipino troops into South Viet Nam. Peking said the demonstrations were a "timely and powerful blow" against the United States.

EPIDEMIC KILLS 1,000

NEW DELHI (UPI) — A recent outbreak of gastroenteritis has claimed more than 1,000 lives in Assam state, it was reported today.

Read the News Classified Ads

In announcing Collins' nomination, the White House praised Collins as a "super salesman" of his native state and an "outstanding executive." Collins was in Miami at the time of the announcement and had no immediate comment on his new job.

Collins presided over the 1960 Democratic National Convention that nominated John F. Kennedy for president and Johnson

for vice president. Collins, a successful lawyer, has been in government most of his life. He represented his home county in the Florida legislature — in both the House and Senate — for 10 years before winning election for governor of Florida in 1954.

He served two years of the unexpired term of Gov. Dan McCarty who died in office. He then won a four-year term on his own. During that time he won national prominence for his "moderate" racial views and his determined campaign to sell Florida to the nation as a year-round playground and land of industrial opportunity.

After stepping down as governor, Collins was chosen president of the National Association of Broadcasters (NAB) but gave up this post at Johnson's request to head the Community Relations Service which sought to insure peaceful compliance with the Civil Rights Act.

Korean Students Riot to Protest Treaty Signing

SEOUL (UPI) — Police tossed gas bombs Monday to break up a demonstration of more than 7000 rock-throwing South Korean students protesting the planned signing Tuesday of the controversial Korea-Japan normalization treaty.

About 600 university and high school students were arrested as the city's entire police force went on "extraordinary alert" until further notice.

Opposition parties announced that their "struggle committee" against the treaty would stage a massive demonstration Tuesday through every means possible, including violence.

As a move apparently to prevent the students from taking part in the demonstration, officials of 11 private universities and colleges in Seoul said they would close classes for "summer vacations."

President Park Chung Hee rejected the struggle committee's demand that he meet representatives of the group to discuss the normalization issue. The treaty is to be signed in Tokyo but it will be subject to ratification at a later date by the parliaments of both countries.

Congolese Rebels Slaughter Police

LEOPOLDVILLE, The Congo (UPI) — A survivor reported that Congolese rebels slaughtered police in a village 200 miles northeast of Leopoldville Monday. They then laid siege to a factory in which 30 Europeans sought refuge.

The report came from a European who fled the village of Nioki and radioed an appeal for help.

The 30 Europeans, including men, women and children, were reported to be armed and fighting for their lives.

The European who escaped and radioed Leopoldville army headquarters said the rebels killed all of the handful of defending police and gendarmes in the village.

The whites sought safety in the factory building of the Forcosem Timber Exploitation Company. They included 17 male employees of the company, 10 women, including two social workers, a male missionary and two children, the reports said.

Other unconfirmed reports from a mission radio broadcast monitored in Leopoldville said two of the Europeans were killed.

Nioki is close to an area which was invaded last year by rebels who crossed the Congo River from Brazzaville, headquarters of the Congo rebel movement.

SUGGESTION OFFERED

SAN FRANCISCO (UPI) — Chair-bound officers of the San Francisco police department have been falling out of their swivel chairs recently.

So today city purchaser Frank Conway recommended spending \$4,500 to install broader bases on the chairs.

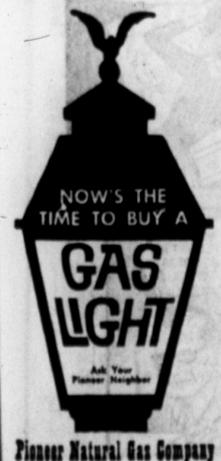

"It would be more feasible than installing seat belts," Conway said.

DOES ITS PART

NEW YORK (UPI) — Doing its bit to relieve the city's drought, one New York cafe has a scheme to save half the water it normally uses in making ice cubes.

A spokesman for the Hotel Edison's Rum House says all its rum drinks contain ice cubes made of 3/4-part rum and 1/4-part lemon juice.

MR. STASHAWAY FELL DOWN A FLIGHT OF STAIRS... AND SHORTLY AFTER THAT HE MOVED IN WITH A NEPHEW, WHO IS TAKING CARE OF HIM!

WHAT NEPHEW?

HIS NAME IS ROGER LUKE, AND I WOULD GUESS YOU KNOW HIM, IF MR. STASHAWAY IS ALSO YOUR UNCLE?

WELL, ALL I KNOW ABOUT UNCLE SIMOLEON'S OTHER RELATIVES IS THAT THEY'RE A BUNCH O' CREEPS!

NOW WHERE DOES THIS GUY, ROGER LUKE, LIVE?

JUST A MOMENT... I'LL GET HIS ADDRESS FOR YOU!

6-22

RAPID RATTLER — Jimmy Wells of Stinnett sparked the Pampa Track Club's sprint medley relay team to a 3:38.8 win at Andrews Track Meet last weekend as he turned in a blazing 48.5 quarter. Wells also placed in the 100-yard dash and ran a leg on the third-place sprint relay team. The 17-year-old will represent Pampa Jaycees in the senior 440-yard dash at the state meet next month.

Ralston Resumes Wimbledon Play

WIMBLEDON, Eng. (UPI)—Dennis Ralston, his injured right thumb somewhat better with the benefit of additional rest, returned to the center court today ready to "go all out" when he resumed his first round match against Hamilton Richardson in the Wimbledon Lawn Tennis Championships. Ralston, the top-ranking player in the United States and the fourth seeded here, hurt his thumb during a doubles match of the London Tournament last Friday. Weekend treatment brought the swelling down and Ralston further was benefited when rain halted his match against Richardson after just 13 games had been played Monday.

Rifle & Pistol Club Notes

Even though some of the pistol shooters are gone on vacation there was a good turnout last night. Many of our new shooters are getting enough practice to start to turn in some good scores. We would like to remind everyone again that there will be a bench rest match July 4 at the Big Bore Range. Everyone is invited. Scores of last night's pistol shooting are: 22 — Ralph Day 238, Paul Geiser 235, Rauger Mabra 225, Earl Brown 212, Fred Carothers 256, W. E. Cobb 115, Fred Brown 286, Center Fire — Jess Goad 257, Paul Geiser 223, 45 — Carl Lavin 137, Phillips 238, Fred Brown 264.

LA Bats Fail To Support Pitching

By United Press International
The Los Angeles Dodgers have a 3½ game lead in the National League and about the best pitching staff in baseball—and they're in trouble. Just ask Claude Osteen or any of the other Dodger pitchers who are about ready to throw up their hands in despair over their non-support grievance with the Los Angeles hitters. Osteen, in his last two starts, pitched 13 consecutive no-hit innings and has only one victory and one loss to show for his classy effort. Six Hitless Innings The Dodger lefty was working on a no-hitter against the New York Mets Monday night until Joe Christopher beat out a bunt down the third base line opening the seventh inning. Billy Cowan finally reached Osteen for a home run leading off the ninth — his first of the season — and the Mets won 1-0. The Houston Astros defeated the Philadelphia Phillies 6-2 in the only other National League game scheduled. All 10 American League teams had the day off. The Dodger offense never really threatened little Al Jackson, who allowed only three hits in beating Los Angeles for the first time after eight consecutive defeats. It was the third triumph in 12 decisions for the Met lefthander, and the first time the New York entry has ever beaten Los Angeles twice in succession. Facts On Dodgers The frightening facts about the Dodgers are: —They rank 20th in the majors in home runs and 15th in runs scored and runs batted in. —Lou Johnson, their only legitimate 300 hitter, is sidelined along with the Davis boys, Willie and Tommy. All three have broken bones. —Don Drysdale has hurled complete games in his last two starts and lost both. And the Dodgers' 3½ game bule is misleading. They actually trail second-place Milwaukee by one game in the important loss column and are only two games ahead of fourth-place San Francisco in that category. Dick Farrell hurled a six-hitter and singled in two runs while earning his fifth victory in seven decisions for the Astros. Lee Mave tripled home two runs to break up a 1-1 pitching duel between Farrell and Ray Culp of the Phillies in the seventh and accounted for another with a single. The crowd of 18,271 in the Astrodome gave Houston a new single season record with 931,568 customers in 36 home dates this season.

BRAWNY BUCK — Burly Charlie Smith, White Deer's all-state griddler, is a versatile type as he throws the shot put and discus for the Pampa Track Club and ran a 220 on a winning sprint medley relay team. Smith will represent the Pampa Jaycees in the senior discus at the state meet.

Player Gives Away Open Prize Money

ST. LOUIS (UPI) — Gary Player was so happy with his playoff victory for the U. S. Open golf championship he gave away his \$25,000 prize money — but not his putter. "I'm not giving that away," he smiled, holding on tightly to the club which was chiefly responsible for his three-stroke victory over Kel Nagle. "It's a good thing my putter behaved and Nagle's didn't," said Player. "Putting was the difference." The statistics bore him out for Nagle required 36 putts while Player needed only 31. Besides, Nagle was inside Player on 15 of the 18 greens. Nagle, however, disagreed. "The fifth hole turned out to be the ball game," insisted the 44-year-old Australian. "That's the hole on which Nagle, only one stroke down, took a double bogey as he hit two women spectators, first with an errant drive and then with his second shot. Both Play Even As it turned out, he played Player even from that point on but his performance starting with the sixth tee was not as good as it appeared. For the 29-year-old South African, with a five stroke lead going to the 17th, decided to play it safe on the final two holes when he drove the rough on each of them. Player knew, once he parred the par three 16th, that he had the Open in the bag — the tournament he wanted to win more than any other. It was on that 218-yard hole on Sunday where he blew his chance of winning the Open without a playoff for he double bogeyed it, missing an 18 inch putt. "Once I got past that hole," said Player, "I felt pretty good."

Sporting Sidelines

SOME PLEASANT notes in the mailbag, as follows: Dear Jeff: As our son Steve has left for Florida we want to take this opportunity in trying to say "thanks" to some of the good people here in Pampa that have made it possible for him to take this big challenge of becoming a professional baseball player. Jeff, to you, we want to say "thanks" for the many wonderful write-ups you gave to Steve while he was a member of the Harvester and Rebel baseball teams. To Warren Hesse, for the many nice things he has said over the radio about Steve. To the Pampa Independent School District, we say thanks for teaching our boy the way they have, and giving him the chance to become a boy that we are really proud of. Thanks to Mr. Wayne Jones who managed Steve while he was in Little League. To Vernon Roper, we want to say thank you for coaching Steve while he was in Pony League. To you, Jeff, and Mr. Hal Gregory and Bobby Stephens and Cliff Daniels, "thanks" for everything while he was playing with the American Legion Rebels. Especially, do we want to thank Mr. Tom Snow for getting Steve a scholarship. It's the hardest thing for me to do as to tell Tom that Steve had signed a professional contract. Just hope he did the right thing by signing and turning down the scholarship. To the Optimist Club of Pampa, we want to say thanks for giving our boy and all the rest of the boys here in Pampa the opportunity to play baseball under their baseball program. To Mr. Deck Woldt, his last high school baseball coach, we would like to say, thank you and to Joe Fortin for giving Steve some tips on how to play first base. So in closing we know that Steve would like to thank you, but better yet, maybe in the near future, when some of you good people go to Houston, Steve can give you a free pass to the ball game to watch him play in the "Dome" Mr. & Mrs. Max Molberg EDITOR'S NOTE: Well that certainly covers a lot of ground, but it took the help of a lot of folks to get Steve where he is, and on behalf of all of them, sincere appreciation for your letter. However, it was primarily Steve himself who did it, the rest of us helped, but it was his desire and determination that made it for him. One other person who deserves a lot of credit is you, yourself, Max. As a former pro player and a coach of the Rebels, you did as much, if not more, to help Steve become a fine athlete than anyone else. When Steve came up to the Rebels in his sophomore year, there was very little he needed to be taught of the fundamentals of baseball, and the credit for that should go to you, as well as to "Weakeyes" Jones and Vernon Roper. Although I don't think I will need a pass to get in, I sincerely hope that can be sitting behind first base when Steve makes his major league debut. A KIND LETTER from that eager-beaver YCC director, baseball and softball umpire, near-sighted basketball referee and Jaycee, "Cousin" George Smith: Dear Mr. Cohane: I wish to thank you personally for the privilege you gave the Jaycees in their recent Jr. Tennis Tournament. Although we had very few to enter, I feel that those that did enter read about it in your column. With your continued help the Pampa Jaycees may again attain first place in State Competition in the Records and Recognition Department. If the Jaycees can be of any service to you, please let us know. Sincerely yours, George D. Smith, Chairman Jr. Tennis Tournament THANK YOU for those kind words, Cousin. It is a shame that there isn't as much interest in this area as there is in track, baseball, golf and the other spring and summer sports, but you did the best job you could and I am sure the Pampa and White Deer youngsters who will represent the local Jaycees in the state meet will do their best. As far as Jaycee service, their help in backing the Pampa Track Club and enabling youngsters to continue sports in the off-season is all we need and we appreciate it deeply. SPEAKING OF THE Pampa Track Club (and I guess I do at every opportunity), two of the youngsters had the heartfelt satisfaction of beating old Crossland of Pampa won the broad-jump, beating out Duane Gray of Odessa, Permian, who had nipped Crossland in the 4-A regional meet this spring. Half-miler Fred Cooper of Stinnett, on the last leg of the sprint medley relay, literally ran Milton McCrum, state 4-A finalist from Monterey who had beaten the Stinnett soph in a previous meeting, into the ground to spearhead a 3:38.6 win. Cooper was aided by two of his teammates though, 440 man Jimmy Wells who ran a fantastic 48.5 quarter and Charles Smith of White Deer, who got so excited as Cooptook the lead, that he swung his arms and hit McCrum in the mouth. Although the PTC was minus a number of its best runners due to the wheat harvest, it still made an extremely strong showing against some tremendous competition, including the Andrews, Kermit, San Angelo and Jai track clubs, and a Lubbock club which showed much stronger than it had in its own Junior Champ meet. The PTC will meet these same powerful teams at Seminole this Saturday, if the necessary finances can be raised. This scribe feels kinda embarrassed asking the same folks for

Long Road Down for Bill Dailey

PAMPA DAILY NEWS
Sports

Tues., June 22, 1965 Page 14

By BOB MARTEL
United Press International
ST. PAUL - MINNEAPOLIS (UPI) — If you walk into the Celebrity Bowling Lanes in suburban Golden Valley most any night you'll be greeted by a tall, slim, dark-haired gent who will assign you an alley, take your money, get you a cup of coffee or do anything else that bowling lane employees generally do.

Two years ago you would have had to pay several dollars to see him and would have probably thrilled at the chance to talk with him.

In the short span of two years, Bill Dailey, former relief pitcher supreme of the Minnesota Twins, has touched all the bases on the way down.

Looking For Jib

"I'm looking for a job in this area," Dailey said. "In the meantime I'm helping out at the bowling alley because most of my friends are around here."

Dailey isn't convinced that he's through as a pitcher, but he's willing to concede the fact if he can get a job with a future.

"Baseball has always been my second love," he said. "My family is my first. If I can get a good job I'll forget about baseball. But if I can't get a good job I'm going to pitch around here this summer and if things work out take another shot at the major leagues next spring."

Dailey's main frustration is that no one will take him seri-

ously when he tells them he wants to work for a living.

Wants A Chance

"Everybody seems to think that all former baseball players want to do is sit behind a desk, doing nothing and pocketing a big salary," he said. "All I want is for somebody to give me a chance to prove that I can do a job as well as anybody else."

"The most money I ever made in baseball was \$16,000 and that was last year," he said. "I'm only 30-years-old and I have a family that is depending on me to take care of it. All I want is a chance."

It was in 1963 that "Won't You Come In, Bill Dailey" was the top tune at Metropolitan Stadium. That year Dailey made 66 appearances and post-

ed a 6-3 record with a 1.98 earned run average.

Last year he developed arm trouble and was out for virtually the entire season. This spring he was on the Denver roster when the parent Twins released him.

Sports Parade

By MILTON RICHMAN
UPI Sports Writer

ST. LOUIS (UPI)—You never saw a better loser than Kel Nagle, who stood there perspiring in the parking lot, patiently answering all questions and knowing deep down he muffed his biggest moment of glory, most likely for all time.

Gary Player, the new U.S. Open champion, had tried to be charitable during the presentation ceremony. He laughingly predicted "a spring chicken" like Nagle would have many more chances to win the Open.

But he didn't fool the unassuming, 44-year-old Australian loser one bit.

This was more than an hour after the whole business was over. He already had started his car in the parking lot of the plush Bellerive Country Club and apart from his wife, Jean, who was alongside him in the front seat, there was no one else around.

Suddenly, a handful of newsmen, who had been busy listening to Player down in the press tent, discovered Nagle just as he was about to put the gear into drive. They hollered at him and he opened the door and got out although he left the motor running.

Age Creeps Up
"No use kidding myself," he replied amiably to one of the first questions, "at this age, how many more chances can I expect?"

"I don't drink, I don't smoke and I try to stay in as good shape as I can, but a man starts tapering off when he gets past 30 and there isn't a whole lot he can do about it."

"Don't get me wrong. It was a great thrill to finish in a tie for first place and even to take part in the playoff. Maybe it was even the thrill of my life, but I can't really say if I'll ever be able to get that far again."

Nagle, a professional golfer for the past 27 years, has won his share of tournaments, including the British Open, in such far off places as Hong Kong, Switzerland, France and the British Isles but never won

one in this country.

Hits Two Women
Monday was as close as he ever came and he actually was never close after hitting two woman spectators with as many shots on the fifth hole where he took a double bogey six and fell three strokes back of Player.

"You have no idea how awful I felt when I hit that lady (sic) with my tee shot," said Nagle, who speaks with a slight Australian accent that makes the words aches and pains come out like and pines.

"How'd you feel right after that when you hit another woman with your next shot?" someone inquired.

Nagle closed his eyes in recollected anguish.

Bad To Worse
"Like going from bad to worse," he replied.

"That was the ball game right there and then. Oh, I didn't play too badly from that point on, but I was never really in it anymore after that."

"What I was trying to do on the fifth was keep my ball up on the left. Not that far left, though," he grinned again. "That was too much. I have only myself to blame."

Fort Worth Buzz-Bombs Sonics, 5-3

By United Press International

The El Paso Sun Kings, fighting to get back onto the top spot in the Texas League's western division, whipped the Austin Braves 10-7 to remain two games behind the division-leading Albuquerque Dodgers.

The Dodgers kept their two-game margin with a 7-5 victory over the Tulsa Oilers and the Dallas-Fort Worth Spurs increased their Eastern Division lead by edging the Amarillo Sonics 5-3.

El Paso and Austin traded home runs, with each side picking up three. Most of the action came in the latter innings, with both teams getting four runs in the seventh and each adding a pair in the eighth.

J. W. Porter and George Kopaz hit homers for Austin in the seventh and Porter smashed another in the eighth. All were with no one on.

Chuck Dees and Charles Vinson picked up home runs for El Paso in the seventh. Dees' coming with two mates aboard.

Albuquerque came from behind with a big five run fifth inning off Tulsa hurler Larry Jaster. The Oilers narrowed the gap to one run with home runs by William Ball and John Kindl in the sixth, but the Dodgers came right back with two of their own in the sixth to ice the game away.

Amarillo jumped off with three runs in the first inning against the Spurs; but that was all the Sonics got.

Spur pitchers Leroy Harris and Dick Burwell set the Sonics down with only five hits.

Amarillo made four errors, which did not help their cause.

East-West Golf Prelim

KNOXVILLE, Tenn. (UPI)—

An East-West exhibition match winds up preliminaries today for the NCAA golf championships starting Wednesday at Holston Hills Country Club.

Seventeen two-man teams from each side of the Mississippi River were to compete in today's best ball event with Terry Small of San Jose (Calif.) State and Randy Petri of the University of Houston paired against Georgia's Vinny Giles and Tennessee's Bert Greene in one of the featured matches.

Coach Dave Williams of the University of Houston sees Oklahoma State, San Jose State, Georgia, Purdue and New Mexico as the strongest challengers to his Cougars, seeking their eighth NCAA team title in ten years.

The team championship will be determined on the basis of scores Wednesday and Thursday. The field will be cut to the low 60 and ties at the end of Thursday's play, with survivors competing over 36 holes Friday for the individual championship. Thirty-three five-man teams and 39 individuals are entered.

New Civil War; Battle Of Atlanta

NEW YORK (UPI)—The National Football League began preparations for its invasion of the South today as Commissioner Pete Rozelle expressed confidence that his circuit will win the Battle of Atlanta from the rival American League.

The NFL owners voted unanimously to make it a two-way fight for Atlanta at a closed-door meeting that lasted for seven hours Monday. Rozelle then announced that the league will grant Atlanta a franchise for the 1966 season on the condition it obtains a stadium lease.

"We're all tremendously impressed with what we've heard about Atlanta," Rozelle said. "I really can't speak for the AFL, but we feel that we have what the city wanted. I feel that Atlanta wants an NFL franchise."

The National League refused to divulge the names of those parties who have expressed an interest in the Atlanta franchise pending further investigation.

Two weeks ago the American Football League granted a franchise to the Cox Broadcasting Corp. for permission to establish a team in Atlanta for the 1966 season. This move had barely been agreed upon, however, when Rozelle stepped in and said that the NFL also was interested in placing a team in Atlanta.

Ken Fannon To Permian

KERMIT, Tex. (UPI)—Ken Fannon, who coached Kermit High to the state Class AAA track title last year, resigned Monday to become head track coach at Odessa Permian High School.

Fannon, a native of O'Donnell, will also be assistant football coach.

Hearing Aid \$99⁵⁰

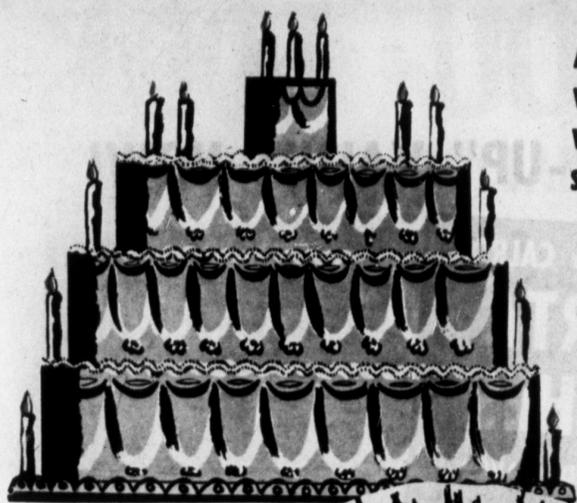

Heinz Reach now is keeping a permanent stock of small behind the ear hearing aid to sell for \$99.50. The instrument is manufactured by an old reliable firm and carries a full year's guarantee.

Like many high priced instruments it has a special telephone pick-up. It is made with 3 transistor's and can be worn in either ear.

Many people in the Panhandle are happy and satisfied users of this hearing aid; therefore Mr. Reach's decision to offer it continuously, along with his complete line of other top hearing aids from Acousticon, Fidelity and Qualitone.

To try this wonderful \$99.50 instrument, come to our monthly hearing air service at the Adam's Hotel in Pampa, on Wednesday, May 19 from 11 a.m. to 5 p.m. or call Mr. Reach to come out to your home. There is no cost or obligation on your part, and budget terms can be arranged.

ACOUSICON-REACH CO.
1400 Tyler, in Doctor's Bldg.
