

# THE PAMPA NEWS

7-1979-222  
D 79-Ja-12

VOL. XVII

PAMPA, TEXAS, FRIDAY, FEBRUARY 15, 1924

NO. 46

## ITEMS OF INTEREST FROM OVER THE STATE

**Amarillo.**—Artley Miller, charged with statutory assault, went to trial in the Potter County District Court. The trial is well under way.

**Mount Pleasant.**—The third conviction in the killing of Otis Ballard, in which Clem Gray is now waiting final decision of the Supreme Court on a death sentence, resulted Tuesday, when the jury returned a verdict against Paul Keith, 21 years old, as an accomplice in the killing and assessed his penalty at six years.

**Amarillo.**—Annual spring sale of the Panhandle Hereford Breeders Association, to be held in connection with the Panhandle Live Stock Producers' convention March 4 and 5, will be the largest yet held, both as to number of consignors and animals offered, advice to local offices indicate.

**Bonham.**—C. H. Van Zandt of this city has three wild ducks that he captured which he kept with some chickens. The chickens were fed a poultry food to make them lay and the ducks also imbibed of it, with the result that they laid 50 eggs in one month.

**Cameron.**—Dock Glover, 18, Tuesday confessed that he shot and killed his father, J. E. Glover, while the latter was asleep in the Glover home near Jones Prairie, Milam County. The boy was placed in jail on a charge of murder, following his confession to County Attorney Jack Lewis and Sheriff D. S. Rogers.

### FOR COUNTY JUDGE

C. S. Rice of McLean requests that we place his name in the announcement column this week for county judge, subject to the action of the July primary. Write-up will appear next week.

**THE CHRISTIAN CHURCH** subject for Sunday at 11 a. m., "The Summer is Ended, the Harvest is Passed and I Am Not Saved." This is one lesson among many. Do not miss it.

We will have services at Kingsmill Sunday at 3 p. m. Great crowds are coming to these services.

G. W. DAVIS, Pastor.

### CITATION BY PUBLICATION

The State of Texas:

To the Sheriff or any Constable of Gray County—Greeting:

You are hereby commanded, That you summon by making Publication of this citation in some newspaper published in the County of Gray, if there be a newspaper published therein, but if not, then in the nearest County where a newspaper is published, once in each week for four consecutive weeks previous to the return day hereof, Miley Allen Powell Fitzgerald whose residence is unknown, to be and appear before the Honorable District Court, at the next regular term thereof, to be held in the County of Gray on the 31st day of March, 1924, at the court house thereof in Lefors, Texas, then and there to answer a petition filed in said court, on the 15th day of Dec. A. D. 1923, in a suit numbered on the docket of said court No. 1161, wherein J. M. Fitzgerald is plaintiff and Miley Allen Powell Fitzgerald is defendant. The nature of the plaintiff's demand being as follows, to-wit: To dissolve the bonds of matrimony existing between the plaintiff and defendant herein for the reason that the defendant, Miley Allen Powell Fitzgerald, voluntarily abandoned, in the month of November, 1913, plaintiff's bed and board, with no intentions of returning and has not returned to plaintiff's abode since that date.

Herein fail not, and have you before said court, on the said first day of the next term thereof, this writ with your endorsement thereon, showing how you have executed the same.

Given under my hand and seal of said court, at office in Lefors, Texas, this, the 15th day of December, A. D. 1923.

(SEAL) R. B. THOMPSON,  
Clerk District Court, Gray County, Texas.

R. O. Dunkle, county agricultural agent, was in town yesterday.

Some spring wheat will be sown and lots of cotton will be planted.

Mrs. S. M. Wise and little son have returned from an extended visit with relatives in Dallas.

## FOSTERS WEEKLY WEATHER BULLETIN

Washington, D. C.—Generally cooler weather is promised following Feb. 9, but the severe storms of the week centering on 13 will bring higher temperatures on all parts of the continent. That storm period will be very severe and may bring moisture to some of the dry spots. Last half of February promises much more quiet weather and better for outdoor affairs. The great storms are making strenuous efforts to dislodge the drouth, and in some cases have had some success. This unusual war of the elements makes weather forecasting difficult. I overlooked the important fact that the western parts of the Caribbean Sea and Gulf of Mexico are strongly magnetized and therefore are furnishing unusually large amounts of moisture that goes to meet the storms coming from the middle Northwest and, for that reason, the drouth has, so far, been continuously broken in Western Texas and Southwestern Oklahoma.

Indications are that the storm forces of March will be near the ten-year average and therefore not strong enough to break the drouth where it will have started during the quiet weather last half of February. Considering the drouth conditions March promises to be a fair crop weather month. I am hoping that the voyage into the vicinity of our North magnetic pole, by the great airship, will be a great success, not so much in discovering new lands, as seems to be the purpose, but in learning more about that immense weather-breeding nest that surrounds our magnetic North Pole. Our storms are bred by planetary influences outside our atmosphere, come down through our North magnetic pole and are hatched in that far Northwestern hatchery of the storms. Tell us more about that great storm nest and I will make better weather forecasts.

A recent dispatch from San Francisco, to and published in, the Washington Star, says:

"The unusually dry year in California is having a depressing effect on wholesale trade in nearly every line. Stockmen are faced with heavy losses and buying by farmers, it is estimated, has decreased from 25 to 50 per cent. Precipitation is about 400 per cent under normal. Auto accessory dealers report a decline. Wholesale butchers declare that an early rise in the price of lamb and beef is inevitable. Farmers are abandoning plans for the purchase of new equipment."

Similar results have come to all the Pacific Slope west of Rockies crest and to two large sections east of that. I do not miss the great drouths, but I do miss some of the details. I am publishing above as a warning to you that a much greater and more disastrous drouth is coming to a large section of the best agricultural lands of North America during the whole of the 1925 crop season. I am positive in warning you to save all the grain you can to tide over that more disastrous drouth than has ever struck North America.

Western Europe will get a dangerous and destructive drouth during the crop season of 1925. Nature can not go back on itself and that European drouth is as sure as the sun will rise. I wish I could whisper into every farmer's ear, through a vast radio, the immense importance of a great drouth, both in Europe and North America, during the 1925 crop season.

### NOTICE TO TAXPAYERS

Those who have not yet paid their city taxes should do so as soon as possible, as those remaining unpaid will be turned over to an attorney for collection on March 1. If paid this month the penalty will not be charged, but after that date it will be collected in full.

BEN LIPPOLD, City Tax Collector.

The cream industry is growing rapidly and express shipments of country produce are extremely heavy at this time.

Miss Stella O'Neil arrived Saturday night from Olney, Texas.

Banker Geo. T. Courtright of White Deer was here Monday.

Mr. and Mrs. Carol Purvins of Panhandle were guests of Dr. and Mrs. W. Purviance here Tuesday and Wednesday.

Mr. and Mrs. D. W. Osborne returned Monday from an extended visit with relatives and friends at Fort Worth and Navasota.

## WASHINGTON DAY BANQUET FRIDAY

A Washington Day banquet will be spread in the basement of the high school building Friday evening, Feb. 22, by Misses Patterson and Foster, assisted by the students of the economics department of the school.

The banquet is being given for the benefit of the Pampa Fair Association, and the profit derived from same will be donated to the cause of a fair in Pampa this fall.

The five-course menu will be as follows:

Fruit Cocktail	
Pressed Turkey	Dressing
Gravy	
Potato Nest	Creamed Carrots
Buttered Rolls	
Olives	
Perfection Salad	
Crepe de Menthe Ice	Cake
Cafe Noir	Cheese Crackers
After-dinner Mints	
Nuts	

The feed will be followed by a good program, consisting of several musical numbers, a reading and short talks, after which the principal address of the evening will be delivered by President J. A. Hill of the West Texas State Teachers College at Canyon.

Tickets, which are \$1 each, can now be purchased from any club in town or in the country, and at both drug stores Friday, Saturday and Sunday.

A good feed and a pleasant evening's entertainment are assured all who attend.

## BROKE SPRAY HEADS AT DISPOSAL PLANT

Mischiefous boys continue to commit depredation upon city property, and seem to have a special grudge against the water and sewer systems.

The latest havoc wrought by town boys occurred at the sewer disposal plant when six brass spray heads in the filter bed were broke off with rocks. These fixtures screw down in the spray proper and were broke off leaving the threaded end in the pipe, which will necessitate having them removed before new ones can be installed. The damage wrought will in all probability amount to \$25 or \$30, and must be borne by the taxpayers.

Trespassing signs have been posted at the plant and hereafter when boys are caught around the plant it will mean a fine of several dollars, if not a trip to the city bastille.

Several times the past few months boys have thrown debris into sewer manholes, causing trouble and expense. It is the duty of every citizen, and especially every taxpayer to report the fact to the city marshal if they see boys tampering with any of the city water or sewer lines or other equipment.

### WARNING

The Texas Oil Co., hereby warns all visitors at its well near Lefors to keep a safe distance away from the well, as the presence of so much escaping gas makes it extremely hazardous. Read the signs posted about the premises and avoid striking matches or smoking.

### Harvesters Will Probably Enter District Meet

The next game will decide which of the two teams will represent section 3 in the district meet, on the Canyon Normal court Thursday night, Feb. 14.

The Pampa High quintet went to Canadian last Saturday to play Canadian High. At 8:30 the two teams were on the court ready for the first tip of the game. After the whistle blew the teams were passing the ball swiftly until the breaks of the game started, and from then until the first half ended the Pampa team had not a chance to overcome the lead gained by Canadian.

When the second half started the Harvesters seemed to have regained some of their pep, making a field goal and a throw from the 15-foot line. This pep did not stay with them long, however, for they slackened and the Canadian team was successful enough to make two goals from the field and three from the 15-foot line.

This was the second game between the two teams. The first being played in the Pampa court, and resulting in a victory for Pampa. The standing is now Pampa, 1; Canadian, 1.

Thursday of this week the Harvesters went to Canyon where they are billed to play Canadian the third game on the W. T. T. C. court. The boys feel confident of sending the Canadian team home with the small end of the score. If the game is successful as far as Pampa is concerned, the Harvesters will participate in the District meet.

The line-up of the game follows:  
Pampa—Canadian—  
Jameson, f (c) Allen, f  
Stewart, f McCallum, f  
Duenkel, c Boyd, c  
Cary, g Ammons, g (c)  
Barrett, g Moore, g  
Referee—Boatright, Canyon Normal

Program Rendered by Fourth and Fifth Grades

The following program which was given Feb. 12 in the auditorium by the fourth and fifth grades was enjoyed by all those present:

Song, Lincoln Day—Fifth Grade.  
Reading, Life of Lincoln—Florence Baer  
Reading, Lincoln—Janice Purviance.  
Four February Days—Audrey Noel, Albert Lard, Gene Fathere, LeFors Doucette, Darrel Dean.  
Reading—Della Dean.  
Song, Lincoln—Fourth Grade.  
What Kind of a Boy was Lincoln?—Roy Lewter.  
Flags of the Year—By ten boys.  
Reading, A Boy's Thoughts on Lincoln—Louis Edgar.  
Drill, Flag of the Free—By twelve girls.

The Girls' basketball team met and defeated the Training School team of W. T. T. C. of Canyon Friday, Feb. 8. The game was played with a strong wind blowing which made it look impossible to play real basketball, but to the surprise of everyone, the game was very fast and was featured by good team work on both sides.

At the end of the first half the score stood 6 to 4 in favor of the Canyon team, but in the last half the tide turned and the Pampa girls were more successful in locating the hoop, and at the end of the game the score stood 10 to 6 in favor of the Pampa High School girls.

### High School Visitor

U. S. Villars, representative of the Southwestern Division, Red Cross, visited the school Tuesday morning in the interest of the Junior Red Cross, when he emphasized the need of a nutrition nurse in this community. A vote was taken and it was decided that we would have a nurse for both school and mothers.

### Surprise Party

On Friday evening of last week Mr. and Mrs. Chas. R. Smith were reminded that they were still newlyweds by the teachers of the local school, who gave them a surprise party. The teachers gathered at the home of Mr. and Mrs. Emmett Osborne and went in a group to the home of Mr. and Mrs. Smith. At the door they gave a yell for company. Mr. and Mrs. Smith were somewhat surprised to see such a crowd, all calling for something to eat. The house was searched but not enough food was found to quiet the cries. Mr. Smith became panic-stricken and while searching for his hat to rush out in search of eatables, Mr. Spangler, dressed as a delivery boy, came in with sandwiches and dishes.

(Continued on Back Page)

## IN THIS LOCALITY OIL FIELD ACTIVITY

One of the pending drilling contracts was signed up during the week, in which Phil Engel of Wichita Falls and Clarendon will drill a deep test on a block of acreage between here and the river and which includes parts of the Ledrick ranch, Dave Lard, Ray Morrison and Frank Reasor lands.

The location for the well was made in the northeast quarter of section 7, E. L. & R. R. Co., survey B1, block A5 Roberts County.

This block of acreage has been passed on favorably for oil production by eminent geologists, and the present contract calls for actual operations to begin about May 1.

Mr. Engel comes highly recommended as an operator of over 20 years experience in Wichita County and in the Panhandle field. He drilled a wildcat well near Lefka Lake to a depth of 3660 feet and one at Goodnight to 3600 feet.

J. M. Ellinger and Bob Moore, the latter of the Waggoner interests, arrived here Wednesday afternoon and are now busy getting lease details arranged in order to pay the rentals on leases held around the Tipton No. 1 McConnell well west of town. Work will commence as soon as possible on the well and it is thought that actual drilling can be resumed within ten days, which is good news to the oil fraternity, as well as landowners in vicinity. The "Waggoner No. 1" was drilled to about 3050 feet before being shut down, and the new contract calls for 300 feet more hole.

The Texas No. 1 Saunders is under-reaming for 8-inch casing, which will probably require two or three more days to complete. Additional wet gas has been encountered in this hole, and officials of the company feel good over the outlook.

Material has been purchased at the Panhandle Lumber Yard in Panhandle for the Wilcox No. 1 Coombs & Worley and will be trucked to the location an early date.

Messrs. Kelleher and McMahon of the Wichita Falls office and Geo. Melton, field man of the Texas Co., are here this week, as well as representatives of the Magnolia Co., the Pulasco Oil Co., Roy Schenck of Schenck & French and other of the fraternity.

The Simpson-Hale well south of Sayre, Okla., in section 32-9-23, came in a good producer Friday of last week. The first flow lasted about 15 minutes from a depth of 3,000 feet. It is believed to be a good well. It is about a mile east of the Martin well.

### ANOTHER MILLION FOR CANADIAN BRIDGE

Plans for the Santa Fe system's million-dollar bridge across the Canadian river at Canadian, Texas, are now being checked over at the railway's offices in Amarillo.

The bridge will consist of twelve 115-foot spans, in addition to four spans already in place. It is estimated that the concrete piers must be sunk 85 feet and that 300 men will be employed for nearly a year.

### KINGSMILL

Mr. and Mrs. Chas. T. Mullen spent Sunday in Pampa.

Mr. and Mrs. John Nitschke and family returned from Kansas Monday. W. E. Cobb, who was seriously ill at Mineral Wells, is reported as improving.

Mr. and Mrs. R. T. Abersold entertained a number of friends at a forty-two party Saturday evening.

Mrs. C. B. Barnard left Monday for Brandon, Texas, on account of the death of her mother, Mrs. T. S. Fox, of that place, who passed away Monday morning. Mrs. Fox has visited in Pampa several times and made a number of friends here who will be grieved to learn of her demise.

E. S. Langdon and Jonathan Bixby have moved from Missouri to White Deer, and ordered The News changed accordingly.

### CROP WAS SUCCESS

More than 100 cars of broom-corn were marketed at Perryton last fall. Because of lack of storage facilities much broom-corn went to other. It is planned to provide storage and better facilities for handling the 1924 broom-corn crop.

A turtle lives to be 3,000 years old, but it doesn't mean anything—Green-ville Morning News.

## KANSAS CITY STOCK MARKET

CHAS. M. PIPKIN  
Market Correspondent

**Kansas City Stock Yards.**—Monday the five western markets received 169,000 hogs, and of this total number Chicago had 95,000, and prices were lower. Here the market was down 15 to 25 cents. Trade in cattle opened slowly, but later became fairly active, and prices were unchanged in the average. Stock and feeding cattle were stronger. Sheep and lambs sold 15 to 25 cents higher and into a new high position for the year. Lambs sold up to \$14.50.

### Monday's Receipts

Receipts Monday were 11,000 cattle, 16,000 hogs, and 4,000 sheep, compared with 12,000 cattle, 12,000 hogs, and 7,000 sheep a week ago, and 15,500 cattle, 15,675 hogs, and 10,225 sheep a year ago.

### Beef Cattle

Receipts of fat cattle were not as large as expected Monday, and while buyers were slow in entering the market the closing trade was active at strong prices and a close clearance was reported. The bulk of the fat steers offered sold at \$8 to \$9.25. They were plain to fairly good quality, 60 to 90 day fed. Some of the better quality steers with good flesh sold at \$9.35 to \$10. Nothing prime was offered. Half fat steers with quality received considerable support from country demand. Most of the cows fat enough for killers sold at \$4 to \$5.25, choice kinds up to \$6.50. Fat heifers were rather scarce. Veal calves were steady, best selling at \$11 to \$12.

### Stockers and Feeders

Moderate weather increased the demand for stockers and feeders. Prices were quoted stronger, and everything with any quality sold early. Some of the thin steers bought Monday are intended for summer grazing.

### Hogs

Hog prices broke 15 to 25 cents. The hog market, and packers tried to hold the market here to a full quarter decline, but were unsuccessful as there was too much shipping demand. The top price was \$6.80, and bulk of sales \$6.40 to \$6.75. Common light weight hogs sold at \$5.75 to \$6.25, and packing sows \$5.90 to \$6.25. Pigs brought \$4.50 to \$5.

### Sheep and Lambs

Urgent demand for fat sheep and lambs forced prices up 15 to 25 cents. All the good lambs sold at \$14.35 to \$14.50, and ewes up to \$9, the highest prices paid this season at any of the river markets.

### Horses and Mules

Demand for horses and mules remains active at fully steady prices. Most of the demand is from Southern States.

### AT THE BAPTIST CHURCH

The work at the Baptist church was never more encouraging than it is now. Large crowds attend both services on Sunday. Fifty-one attended the Wednesday night prayer-meeting. The prayer-meeting is a spiritual thermometer of a church.

Sunday school at 10 a. m.  
Subject for 11 a. m. "False and True Refugees."

Subject for 7:15 p. m.—"A Righteous Life and Its Reward."

H. R. WHATLEY, Pastor.

### THE BUTTERFLIES

There has ever been a spirit of contempt in the manner in which the "home man" is regarded by some of his acquaintances, and there seems to be an underlying vein of sarcasm in the comments of some as they refer in withering scorn to those of their fellow men, who are perhaps in every way their moral and intellectual superiors. The "home man" is the good man, the honest man and the manly man, and the more time he spends at home with his family, after his day's work is done, the more it is to his credit and eternal happiness. The gal fellow who spends his time away from home as much as possible with a coterie of equally gay associates, lives the life of the butterfly, which is devoid of benefit, to himself or anybody else, and which when it has been lived, has made no one any better. The "home man" who spends his leisure time at home with his wife and little ones, or, if he is unmarried, with his mother and sisters is the sensible man, the man for whom life holds something broader and better than the shams and so-called pleasures of a butterfly existence. —Chillicothe Valley News.

**POLITICAL  
ANNOUNCEMENTS**

The following candidates here-  
with submit their names for the  
various offices, subject to the ac-  
tion of the Democratic primary,  
July 26, 1924:

**FOR COUNTY JUDGE:**  
F. P. REID  
C. S. RICE

**FOR COUNTY AND  
DISTRICT CLERK:**  
CHARLIE THUT

**FOR SHERIFF AND  
TAX COLLECTOR:**  
E. S. GRAVES (Re-election)

**FOR TAX ASSESSOR:**  
D. M. GRAHAM (Re-election)

**FOR COUNTY TREASURER:**  
R. L. COTTRELL  
MIRIAM WILSON (Re-election)

Revision of the revenue laws and re-  
duction of taxation will be of no last-  
ing benefit to the country unless the  
taxation remains lowered. A reduc-  
tion in this year's taxes to be followed  
by a deficit and a consequent increase  
in next year's levy would be worse  
than useless. It is assumed that the  
Treasury Department's estimate of  
the amount that taxes can be lowered  
is based on the best estimates pos-  
sible. But assurances that lower tax-  
ation has come to stay can only lie  
in a gradual tightening of the expendi-  
ture limits, the steady elimination of  
unnecessary government bureaus, and  
the practice of wise economy all along  
the line. There are points below  
which reduction in revenues cannot  
safely go. Government functions must  
continue, and their continuance will  
always cost money. But the limits of  
reduction have not yet been reached.  
—Dearborn Independent.

This is leap year and also has five  
Fridays in February, the first time in  
many years. This will cause the  
News to publish five papers in the  
shortest month of the year.—Pampa  
News.

Here too. But as publishing papers  
is our business, we suppose we might  
as well take our medicine and make  
the best of it. If we did not have the  
extra day in February we would get  
it in March and if not in March, then  
in April. It would catch us somehow.  
And if there is something to put in the  
paper, all will be well. Of course leap  
year means much to the girls who  
want to wade in and catch a poor man  
unawares and drag him to matrimony  
or distraction, but that is the right  
given the female of the species whether  
it is leap year or not and so we  
may have news after all. It is not  
hard to get out a paper if the folks  
give us something to play up and  
make a paper out of, but with five is-  
sues in one short month when nothing  
happens is a task to try the strength  
of the strongest nose for news. Come  
to Higgins.

**THE HEN HAD IT ON MA**  
The coal oil light's a burning bright,  
(It will sometimes, when it feels right)  
Pa sits there reading, slick as sin,  
The latest Poultry Bulletin;  
Then half to Ma, and half to me,  
Pa up and speaks: "I see," says he,  
As how correct illumination  
Will make hens lay like all creation.  
I've thot it out, the help's all hired;  
I guess I'll have the henhouse wired."  
Ma stops and peers, and sews away—  
"I wished I was a blamed old hen,  
Maybe they'd wire the homestead  
then!"—Quannah Tribune-Chief.

China is behind the times. A Pek-  
ing woman lived with her husband 40  
years before shooting him.—Kaukakee  
News.

**Among Our  
Exchanges**

**Higgins News:** Do not broadcast  
your troubles. Folks have troubles of  
their own. But broadcast your smiles,  
kind words and good humor. Nobody  
likes static but how they do love the  
perfect product tuned in at its best.

**Groom Booster:** Of course it grieves  
the soul of any editor to have one of  
his patrons all peeved and provoked,  
and swear that he will never spend  
another cent with the "Insignificant  
sheet," but one consolation is that  
the same fellow will read it, even if  
he has to steal it from his neighbor.

**Wellington Leader:** Old timers  
here were getting restless until the  
sandstorm came Sunday. It was so  
homelike and natural that they now  
have no desire to leave. The house-  
wives, however, were not so good  
natured, as house cleaning had to be  
done all over. It's a great country,  
and we wouldn't be in favor of giving  
it back to the Indians.

**Randall County News:** We are not  
in sympathy with the counties which  
have injunctions against turning over  
the automobile tax to the state. The  
law passed by the last legislature may  
not be a good law; it may be unwise  
to empower the state with all of the  
road building of the state. But the  
law has been passed and the counties  
should respect this law until it is given  
a thorough test before discrediting  
it.

**Hall County Herald:** We have al-  
ways heard that if you keep everlast-  
ingly at a thing you will finally bring  
it to pass, and that is why we kept  
everlastingly at the matter of a new  
Denver station for this city. The sub-  
mission by the Denver Road last  
Thursday of the complete plans for a  
new depot here and their acceptance  
by the City Council justified our be-  
lief that perseverance always wins.  
As the result, Memphis is at last to  
have a railway station in harmony  
with our other splendid public build-  
ings, and one of which we will be  
proud. We wish to extend to the Den-  
ver the hearty thanks of our people  
for the new structure which is to be  
erected.

**Randall County News:** The eyes of  
Texas are upon the Panhandle-Plains  
country. Cotton is no longer an experi-  
ment in this section. It has been  
demonstrated that a good farmer can  
raise twice to three times as much cot-  
ton in the Panhandle as he does in  
the older part of the state with the  
same amount of labor. Those who  
know the cotton industry are firmly  
convinced that cotton has come to the  
Plains as a permanent crop and that  
if any section is forced out of the cot-  
ton growing business it will be the  
older section with its high priced land  
and its pests which makes cotton  
growing a hard job. Plant some cot-  
ton this year, but don't plant all the  
land to cotton. Stay with the feed  
crops.

**HOOCH**

Extract of bootleg will kill you dead-  
er than pickled eels. One drink of it  
will cause alarm clocks to explode  
and tie raincoats up in knots. One  
sniff of it will make iron deer gallop  
off from lawns. One aroma of fra-  
grant disinfectant will cause butter-  
flies to flutter into museums and  
give themselves up to science and re-  
search.

When two drunks can clean their  
clothes by breathing on one another,  
you have some idea of its penetrating  
qualities, its corrosive ambitions and  
its combatant zone.—Ex.

**GET IN ON THE SECRET**

A 14-year-old boy, George Black,  
built himself a wagon out of four old  
wheels, an egg crate and some other  
material, then went to peddling mer-  
chandise for eggs among farm folks  
around the town of Pigeon, Mich. He  
became known to every farmer for  
miles around. A few years later he  
opened a store. The business outgrew  
it and he bought a big factory build-  
ing. Recently he built a three-story  
addition to that. Black now does a  
business of \$350,000 a year in this  
town of 800 population. People for  
miles around trade with him. Sales-  
men in his store work on commission;  
his hardware clerk averages \$250 a  
month, and a woman at his notion  
counter makes \$30 a week. His busi-  
ness nets about \$1,000 a day. Not  
long ago a merchant in a larger town  
solely to ask George Black if he cared  
took a day off and went to Pigeon

## Society and Clubs

BY MRS. JOE M. SMITH

Phone Local News and Society Items to No. 72

#### BIRTHDAY PARTY

Elizabeth Corsen and Claudine Pope celebrated their birthdays Sunday at the Pope home by having a few of their girl friends at dinner. Those enjoying the occasion were, Margaret Buckler, Bonnie Carr, Lillian Mullinax, Virginia Faulkner, Frankie Barnhart and Clara Brown.

#### WAYSIDE CLUB

The Wayside Club met Monday afternoon with Mrs. E. F. Adams. An interesting talk on spring underwear was given by Mrs. E. W. Hogan. The ladies voted to have a food sale in the near future for the benefit of the Fair Association. Eleven members were present. Next Tuesday the club will meet with Mrs. Paul Caylor when a demonstration of basket weaving will be given.

#### W. M. S. PROGRAM

The Woman's Missionary Society of the Methodist church will meet Wednesday, Feb. 20, at 3 o'clock with Mrs. A. R. Sawyer for voice lesson. Following is the program:

Song, followed by prayer.  
Roll call—One thing the Centenary fund has made possible.  
By Airplane Mail Service from Mexico—Mrs. Roy Tinsley.  
Protestant Missions and Mexico Today (Voice)—Mrs. Emmett Osborne.  
Poem—Mrs. Dave Pope.  
By Airplane Mail Service from Cuba—Mrs. Joe Shelton.  
Bible lesson—The Illumined Task—Acceptance as Christ's Co-worker, Luke XIV 25:33—The Leader.  
From My Circuit Rider Grandfather's Diary—Mrs. H. F. Barnhart.

#### MUSIC CLUB

The Pampa Music Club met with Mrs. A. H. Tinsley Friday afternoon with 11 members present. The third chapter of the Fundamentals of Music was taken up with Mrs. Andrews as leader. Following the lesson and a short business session, the time was spent practicing for the Gypsy Musical Revue, to be presented March 6.

#### KINGSMILL CLUB

Mrs. Roy Sullivan was hostess to the Kingsmill Club Friday, Feb. 1, at which time Mrs. W. W. Massey was elected president to serve in the place of Mrs. Ed Cobb until she returns. The meeting was called to order by the president and the minutes read. Roll call was answered with favorite hot drinks. Mrs. Chas. Mullen then gave an interesting talk on table serving. Plans were made for the club to have a cooked food sale sometime during the year. After adjournment delicious refreshments were served the eight members and one visitor present. The next meeting will be held at the home of Mrs. J. G. Wears Feb. 15.

#### FRIENDSHIP CLUB

The Friendship Club will meet at the home of Mrs. J. C. Noel Monday, Feb. 18, at 2:30 p. m. The subject for the afternoon was millinery, and the following program was enjoyed:

Selection of hats—Mrs. I. B. Hughes.  
Flower Making—Mesdames Joe Lewis and E. A. Shackleton.  
Renovation of Hats—Club members.  
Making of hats—By club.  
Piano solo—Ruth Noel.  
Closing prayer.

#### EL PROGRESSO CLUB

El Progreso club met in regular session at the home of Mrs. L. C. McMurry Tuesday afternoon at 3 o'clock. The subject for study was "Art." Each member responded to roll call with the name of an American artist and interesting incidents concerning his life. The leader, Mrs. Jno. Andrews, opened the program with an interesting discussion of the history and development of art in America. A discussion of the art centers of America was quite interestingly given by Mrs. T. D. Hobart. Mrs. Dave Pope very ably handled the subject of Landscape Painting. Portrait Painting was given by Mrs. A. Cole. The Life of John Sargent was given by Mrs. Fatherree, and Mrs. Hunkapillar concluded the lesson with interesting facts and incidents concerning the life of James Whistler. The hostess then served delicious refreshments to the following: Mesdames Jno. Andrews, C. P. Buckler, A. Cole, V. E. Fatherree, T. D. Hobart, C. T. Hunkapillar, P. C. Ledrick, Dave Pope, G. C. Walstad and Edwin S. Vicars.

#### MISSIONARY SOCIETY

The Woman's Missionary Society of the Christian church met Wednesday, Feb. 6 at the home of Mrs. H. L. Ledrick. The business period was opened

by all repeating the Lord's prayer in unison. After the business was transacted the following program was given, which was enjoyed by all.

Song—"More About Jesus."  
Bible study, Daniel 2:30-35—Mrs. Davis.

Gleaners and Gleaning—Mrs. Duenkel.

Housing a Homeless Child—Mrs. Kinzer.

Pocket Testament League—Mrs. Ledrick.

A Well Rounded Church—Mrs. Vicars.

How Native Africans Fish—Mrs. Woodward.

The Burial of Livingston—Mrs. V. E. Fatherree.

Who is the New President of Drake University?—Mrs. Lee Banks.

What were the Total Receipts From the Mission Field Last Year—Mrs. A. H. Tinsley.

The hostess served delicious refreshments to the 10 members present.

#### SURPRISE SHOWER

The faculty members of the local school surprised Mr. and Mrs. Chas. R. Smith Friday evening after school, with a miscellaneous shower. Upon arrival the uninvited guests announced that they had all come for supper, but later W. E. Spangler arrived with a basket of eats which saved the day, and an oyster fry with trimmings was enjoyed.

#### ECONOMICS CLUB

The Pampa Home Economics Club will meet Thursday afternoon, Feb. 21 at 2:30 o'clock with Mrs. F. P. Reid, when Miss Patterson will give a demonstration on millinery. Roll call will be answered with millinery hints. Each member is requested to bring needle and thread and scraps of material. Part of the month's lesson will also be given.

#### W. H. M. S.

The Woman's Home Missionary Society met Wednesday afternoon at the home of Mrs. Joe Shelton with 12 members and one visitor present. The first chapter of the mission study book "The Child and America's Future" was taken up. An interesting article on "Shall We Teach Religion in Our Schools," was given and discussed. It was brought out that America's greatest asset is her boys and girls, and that fathers, mothers and teachers are responsible for the future of the country by the materials which are being put into their lives. Next Wednesday the society will meet with Mrs. A. R. Sawyer for voice lesson.

#### BIRTHDAY PARTY

Mrs. L. H. Sullins delightfully entertained a number of boys in honor of her son, Claude's ninth birthday. Those present were: Wilks Chapman, Leo Saulsbury, Don Saulsbury, Burton Doucette, Wayne Kinnison, W. P. Davis Jr., Ray Eldridge, L. D. Blanton, Rufus Walker and Orvil Heiskell.

#### SURPRISE PARTY

Mrs. L. H. Sullins gave a surprise party in honor of her daughter, Helen, Saturday night at the Turman home. At a late hour delicious refreshments were served to the following guests: Texola Harlan, Elva Williams, Fanny Fry Wright, Zella Patton, Margarette Davis and Helen Sullins.

#### BAPTIST CIRCLES

Circles two and three met Wednesday afternoon at the home of Mrs. Jas. H. Balthrope with ten members and three visitors present. The meeting opened with prayer, followed by an interesting business session. Rev. H. R. Whatley gave an interesting talk on missions, after which refreshments were served. Adjourned with prayer.

Circles No. 1 and 4 of the Baptist church met Wednesday afternoon with Mrs. O. M. Anderson, when devotion was led by Mrs. Lane. Rev. H. R. Whatley was present and gave an interesting talk on missions. A short business session followed and the ladies decided to take up the study book "Stewardship and Missions." Twelve members and two visitors were present.

## All Nations Marching to ARMAGEDDON

But—"Millions Now Living Will Never Die"

—Judge Rutherford.

THE world faces conditions never before experienced. Fear has taken hold upon all classes of people, because they see in a measure the things coming upon the earth. The nations are in distress and perplexity. The War did not make the world safe for democracy. The very foundations of civilization are now shaken by revolution, labor strikes, official lawlessness, profiteers, bolshevism and anarchy. Both capital and labor are resorting to extreme measures. The common people have lost confidence in their leaders. The clergy have abandoned the Word of God and joined hands with big business and big politicians in an attempt to control the world, and these are opposed by radical forces.

EUROPE is completely bankrupt, with her restless host of unemployed and discontent hourly increasing, belligerent organizations are rapidly numbering their men and taking account of their strength. All contending forces are hastening to the great battle of Armageddon. The disaster resulting is beyond the description of human words.

BUT let the people take heart. The Lord will cut short the trouble, bring order out of chaos, and establish peace and righteousness; and millions of people now living will become obedient to His order of righteousness and will live on earth forever in peace and happiness.

You are invited to Hear a Lecture on this Remarkable Subject by

**J. W. COPE of Brooklyn, N. Y.**

**Christian Church, Pampa**

FRIDAY NIGHT, FEBRUARY 22, 1924, 7:30 SHARP

These lectures have awakened widespread interest in Bible subjects relating to our day. So great has been the demand for them that the following have been published in book form: "Millions Now Living Will Never Die!" 128 pages, 20 cents; "Can the Living Talk with the Dead?" 128 pages, 20 cents. Send your orders to I. B. S. A., 23 South Nogales, Tulsa, Okla.

Auspices International Bible Students Association, organized by the late Pastor Russell. Judge Rutherford, New York City Bar, President.

NO COLLECTION

SEATS FREE

## THE WHOLE STORY

A little fun, a little play,  
A little laughter day by day.  
A little school, and we'll confess  
A bit of waywardness.

A little grief, a little woe,  
As down the latter years we go.  
A little love, a little strife  
A deal of hope—and that is LIFE.  
—The Prairie.

## STOP THAT ITCHING

Use Blue Star Remedy for eczema, itch, tetter, or cracked hands, ring worms, chapped face, poison oak, sunburns, old sores or sores on children. It relieves all forms of sore feet. For sale by Pampa Drug Co.

Some people discontinue their old morning plunges in the winter; others keep on lying about it.—Paris News.

### RAGGED ENDS

Edited by Public School Students

(Continued From First Page)

Soon fresh oysters were brought in and Mr. Smith became more calm. While Mrs. Spangler and Miss Foster fried oysters the other teachers told jokes. After the oysters were served Mr. and Mrs. Smith were presented with presents from different teachers. Many good wishes for a long and happy life were extended.

### THE COMMERCIAL DEPARTMENT

(By Laura Kirkwood Plumb)

The new Commercial Department which the High School installed this fall with Mrs. Parker in charge has more than justified its existence. At present it has outgrown the one-room designated for that purpose and an overflow class in bookkeeping meets across the hall in the natural science room. This shows how needed the department is. The equipment consists of 10 Underwood typewriters placed in line on a well-made table, at the west side of the room, constructed by the Vocational Department under the direction of Mr. Spangler. A Burroughs adding machine costing \$175 is a feature which adds to the practicality of the course. Two long tables of sufficient length and width to accommodate the equipment of ten students each in bookkeeping occupy the center of the room.

At the east end of the room the most interesting part of the equipment has recently been installed. This is a bank which was designed and constructed by the Vocational Department. This adds much to the practicality of the course, as its monetary transactions can be carried on exactly as they are in the business world. Notes, drafts and other papers beside the college currency, pass under the cashier's barred window, the same as the real articles pass over the First National or the Gray County State bank counters. This adds interest to the course as a bit of realism always does to any subject, for performing the actual transaction is more impressive than mere study about it. This bank even carries the regulation signs, denoting the hours of opening and closing. Hubert Phillips, as cashier, administers the affairs of the institution.

The work of the department is in keeping with its equipment. There are 30 enrolled in the bookkeeping course. Each one spends two periods a day in actual work on the subject. Forty-three are studying typewriting. These work in relays for two periods also. Eleven are enrolled in shorthand and for which a third recitation room is used. One period a day is devoted to this.

The work of the shorthand class is more than satisfactory. The students write more words per minute now than the state course requires at the end of school. The typewriting class equals this achievement. Two Underwood student certificates for writing over thirty words per minute have been won by Hubert Phillips and Florence Walker, and each student has already acquired the writing speed that the state course requires for the completion of the year. It is the hope of the department that some of the students in typewriting will be able to write fifty words by the end of the school. As the required number is 20, this will be more than double the amount.

As an aid to the practical knowledge of business affairs and actual practice in stenography the department is handling work for the townspeople. It has been very busy with orders for year books for clubs and missionary societies. Two hundred and fifty books have so far been completed.

From the facts which face him, the observer realizes that the Commercial Department in equipment and results has already gone far beyond the goal set for its first year's achievement. Credit is due to Mrs. Parker who, seated behind her businesslike desk, has directed the activities of the department since its inception.

## Amusements

"Pilgrims Progress" will be shown at the high school building Thursday and Saturday nights, Feb. 21 and 23. Friday night's show will be omitted on account of the Fair Association banquet to be given at the school building that night.

Bunyon's life will be shown first, then his dream. This book, next to the Bible, is the most widely read of any book in the world. It has been translated into 75 different languages and dialect.

Friday night, Feb. 15, Irving Bachelor's classic, "The Light in the Clearing," a seven-reel masterpiece, will be shown, as well as a travel film.

## Chapel Breezes

Chapel exercises were held at 10:30 Wednesday, Feb. 6. The following program was given under the direction of Miss Settles:

"It Wasn't a Success" — Yvonne

## Be a Loyal Senior

Be a loyal Senior,  
Give the best that's in you,  
Lend a helping hand to any  
Who might make use of you.

Be a loyal Senior,  
Stand by your classmates true,  
For comradeship and friendliness  
Still push a hard task through.

Be a loyal Senior,  
Run valiantly your race,  
Truthfulness to your classmates  
Give courage your grade to make.

Be a loyal Senior,  
In everything you say;  
In everything you do,  
Even in the exams you must take.

Be a loyal Senior,  
Turn defeat into victory;  
Don't let your courage fade,  
For college is now awaiting you.  
—Eulis Cobb.

## Jokes

Daisy Shackleton, coming up to a group of girls the morning after the report cards were given out, remarked wearily: "Oh, girls, I got so many C's on my card that I am positively sick."

Mrs. Parker, in shorthand class—"What is the matter today, Miss Youngblood? Can't you speak any louder? Be more enthusiastic; open your mouth and throw yourself into it!"

Bonnie—Dad, can you sign your name with your eyes shut?  
Mr. Carr—Certainly.  
Bonnie—Well then, shut your eyes and sign my report card.

Miss Keeter to Ainsley—This is the third time you've looked on Price's paper.  
Ainsley—Yes, ma'am, he doesn't write very plainly.

## Mother Says—

"In home emergencies, first aid means 'Mother aid.' At such times it is good to know that bandages and remedies are handy."

A feeling of confidence, both in Mother and in her first aid outfit, is a feeling the whole family enjoys.

### Promptness in Emergencies

comes first, but cleanliness and quality must not be sacrificed.

We have a full supply of bandages, ointments, disinfectants, medicated cotton and adhesive plaster in family size packages. Your hands will be the first to touch these carefully prepared materials. We can supply hot water bottles, syringes and other rubber goods of the best manufacture. When emergency finds you lacking any needed article, a call will find us prompt to respond.

## OWN YOUR HOME

¶ We believe it is the desire of every American to own his own home. It need not be a mansion, but it must be his own if it is to be a real home to himself and family

¶ Let us assist you to plan and build your home. We will cheerfully estimate it for you, without obligation, of course.

¶ Perhaps the problem of financing the building is troubling you. If so come and discuss it with us and let us help you to solve it.

¶ And remember, the house is not complete until it is decorated with

MONARCH 100 PER CT. PURE PAINT
