## Shirley Goes To Hawaii

Speaking of Castles in Spain, how about Temples in Hawaii for a vacation tip? Evidently the whole family thinks it's a good idea, from dippy Shirley to papa and mama, who are Mr. and Mrs. George Temple to everyone else. And from the fan-handling given other stars vacationing in Hawaii this summer, it's a good thing Shirley has the parents along. The family is pictured on shipboard leaving San Francisco.

## COURT ORDERS TRAXLER SENT BACK TO TEXAS

ADA, Okla., Aug. 6 (AP)—Roy "Pete" Traxler, wounded southwestern badman, faced return to the Eastham, Texas, prison farm today from which he escaped last July 8, after District Judge Tal Crawford dissolved court orders designed to hold Traxler for prosecution in Oklahoma.

Two Oklahoma counties sought to try Traxler on charges of armed robbery in connection with his flight, halted when two hostages wounded Traxler and killed his companion, Fred Tindol.

Extradition papers already had been signed by Gov. E. W. Marland, turning the outlaw over to Texas.

Jess Dunn, McAlester penitentiary warden, said he did not know when Texas authorities would return Traxler but said he expected them as soon as they were notified of the court's decision, probably Saturday.

## DOCTOR CHARGED WITH CHANGING BIRTH CARD

CHICAGO, Aug. 6 (AP)—A city attorney began an investigation of a doctor's alleged falsification of a birth record today as Donald Horst's real and foster mothers mapped a legal fight for custody of the 31-month-old abducted victim.

The bitter record issues by Dr. John A. Rose, was uncovered after Donald was snatched Tuesday from the arms of Mrs. Martha Horst by John Regan and Lydia Nelson, the boy's natural parents. The child was surrendered the next day and placed in an orphanage pending settlement of the custody dispute.

## 12 JAILED IN MEXICO AS FASCIST SPONSORS

MEXICO CITY, Aug. 6 (AP)—Twelve persons were under arrest today after raids on the headquarters of groups suspected of sponsoring a fascist movement in Mexico.

The attorney general of the federal district ordered the arrests, following charges last week by Vicente Lombardo Toledano, secretary general of the Confederation of Mexican Workers, the fascists were conducting an intensive propaganda campaign in Mexico.

# BIG SPRING LANDS NEW STATE ASYLUM

## Surgeons Fight For Baby Born After Death Of Mother

PHILADELPHIA, Aug. 6 (AP)—Out of death came life today. In a stirring drama of modern surgery, a three and one-half pound baby girl was delivered—with a faintly flickering heart-beat and a temperature of 109 degrees—one minute after her disease-doomed mother had died.

Physicians struggled to keep the new-born infant alive despite a raging fever temperature. Immediately after the post-mortem operation, the baby was placed in an incubator and fed oxygen. Hospital attaches said there was a "fair" chance the baby would survive.

Doctors had waited for the mother, Mrs. Mary Baccassini, 27, to die. Incubably afflicted with tubercular meningitis, she was on her death-bed as the time approached for the birth of her child.

She was too weak to endure an operation for the delivery and at the same time her consuming fever was endangering the life of the unborn baby.

Dominick Baccassini, the father, was grief stricken at his home. "I went to the hospital last night to see my wife," he said. "I knew when I saw her she was going to die. I'm glad, though, they saved the little bambino's life. I'll do what I can for her, but it isn't much."

Dr. John Carbit, who performed the operation, said there was nothing unusual about the case. Six hours after the baby was born its temperature had been reduced to 102.

## WIND STORMS RIP THROUGH 6 TEXAS TOWNS

(By The Associated Press)  
One death and thousands of dollars worth of damage to buildings and crops was the toll of capricious wind storms laden with rain, hail, sand and electricity, that struck in a half dozen Texas communities last night.

Roy Hedrick, Negro youth, was killed at Terrell when an awning collapsed during a wind storm, attended by heavy rain.

Several persons received minor injuries as wind, hail and lightning swept a strip two miles wide running through the northern portion of Navarro county. Reports from Corsicana said all houses in Tupelo, 12 miles northeast of Corsicana, were wrecked or damaged. Lightning started a fire that destroyed a barn in the Rice community and a similar fire was reported from Dawson.

Oil Well Runs Wild  
An oil well near Laird Hill, two miles south of Kilgore, was brought under control several hours after it ran wild because wind had blown over the derrick.

A 20-minute twister swept a roof from a Falls City school building, wrecked windows and ripped down telephone lines. An inch of rain fell. The Kilgore baseball park was torn up and buildings were damaged when a heavy wind storm struck. Three oil derricks toppled. An oil well near Laird Hill two miles south of Kilgore was reported running wild after the derrick was blown over.

Flying sheet iron torn from Sulphur Springs roofs smashed residence windows during a sand-laden wind storm. Another gusty wind blew down a home, destroyed small structures and damaged business houses in Hubbard. Damage was set at \$100,000.

Temperatures tumbled at Corsicana when a heavy rain, accompanied by a strong wind, fell.

## NEW COMMERCE PACT SIGNED WITH RUSSIA

WASHINGTON, Aug. 6 (AP)—President Roosevelt proclaimed today a new commercial agreement with Soviet Russia by which that country agrees to purchase at least \$40,000,000 in American products during the next year.

This is an increase of \$10,000,000 over the amount of goods the Soviet government obligated itself to buy in this country by a somewhat similar agreement which expired on July 31.

In return, the United States granted unconditional most favored-nation commercial treatment to Russia for the first time.

## SMALL LAD PIERCED IN CHEST WITH PITCHFORK

TYLER, Aug. 6 (AP)—Nolan Edward Richardson, seven-year-old Van, Texas, boy, was seriously ill in a hospital here, his chest pierced accidentally with a pitchfork in the hands of his father, Gordon Richardson.

The boy played as his father raked hay in a meadow. He dodged behind a stack as his father's eyes were turned and a few moments later was struck by the fork.

## Crowded? Well, Take A Look At This

The plank roof of this open, one-room lean-to is home for nine members of the mountaineer Higgins family of Randolph county.

W. Va. Gathered about their ancient cookstove and one sagging bed, the Higgins' were discovered by Representative John W. Bosworth of Elkins, who has asked the State Department of Public Assistance to find better living quarters for them.

## CANAL PROJECT DESCRIBED AS THORN IN SIDE

The proposed Trinity Canal to Dallas and Fort Worth would be detrimental to West Texas, is uneconomical and unfeasible, and would be detrimental to the railroads serving Texas, Dudley Foy, traffic manager of the Wichita Falls Chamber of Commerce, declared here yesterday at a called meeting of members of the Board of City Development transportation committee, and directors.

The meeting was called at Foy's request, who is on a tour of West Texas cities outlining Wichita Falls views on the proposed project.

Foy declared the \$106,000,000 project would be economically unsound because the tonnage over the proposed canal would never be sufficient to justify such a large expense and that the tax payers of the United States would pay the bill, while only a relatively few jobbers and manufacturers located in Fort Worth and Dallas would get the major benefits along with some minor benefits to shippers throughout the state.

He declared that Fort Worth and Dallas shippers would receive freight rate reductions from fifty to eighty per cent as compared to a maximum of twenty per cent reduction to Pampa and other interior points with an average of ten per cent reduction, and that only on products that move over the canal.

This would cost practically all manufacturing and jobbing for West Texas in Fort Worth and Dallas to the detriment of present jobbing.

NEW ORLEANS LEADING U. S. COTTON TRADING

NEW ORLEANS, Aug. 6 (AP)—Henry Plauche, secretary of the New Orleans Cotton Exchange, announced that New Orleans and Galveston, respectively, led the United States ports in cotton receipts from the interior and cotton exports during the season which ended July 31.

Receipts here totaled 2,178,135 bales as compared with 1,712,773 at Galveston and 1,303,635 at Houston, his report disclosed. Exports from Galveston totaled 1,538,461 and from New Orleans 1,380,641. Houston, which held first place in this item during the previous season, showed only 953,928 bales exported, Plauche said.

## PORK HITS \$13.65 FOR TOP PRICE IN 11 YEARS

CHICAGO, Aug. 6 (AP)—An upward swing in retail pork prices was in prospect for housewives in the middle west today as quotations for hogs on the Chicago market soared to \$13.65 a hundred pounds, the highest level in 11 years.

Wholesale pork prices rose in proportion, and beef and other meats followed. Chicago packers yesterday received as high as 32 cents a pound wholesale for best, light, fresh pork loins, compared with 27 1/2 cents top last month and 21 cents in January. Market experts estimated the retail price would range from 10 to 15 cents higher.

## ICKES VOTED CONTROL OVER FEDERAL HOUSING

WASHINGTON, Aug. 6 (AP)—The Senate voted, after a warm debate today, to put administration of the Wagner housing act under Secretary Ickes' interior department.

The chamber adopted 40 to 37 an amendment giving the department "general supervision" over the housing program. Ickes asked for the provision.

In the debate preceding adoption, the pending amendment to the Wagner bill to place the program under Ickes, contending creation of a separate agency would be a reflection on the administration by the interior secretary of public works administration housing.

## Zero Hour Nears In China War

NANKING, Aug. 6 (AP)—China's capital verged on war fever tonight while Japanese bluejackets in Hankow, central China's great trading center far up the Yangtze, feverishly evacuated their people and faced Chinese soldiers across street barricades.

A Nanking air defense association bought gas masks, trained its members, and told the people what to do in the case of bombs or gas attacks.

Such simple directions were necessary because most of Nanking's more than a million people do not have the money for masks.

"Be prepared," said one city-wide slogan. "The enemy airplanes are expected to drop bombs momentarily."

This actual preparations for participation in the month-old undeclared war spread afar from its Peiping cradle.

All Japanese in Japan's Hankow possession and nearby areas were ordered to concentrate at the Yangtze river waterfront for wholesale evacuation, which was to be completed tonight. River steamers are carrying the Japanese down to Shanghai.

Three hundred Japanese marines were ashore at Hankow. Chinese troops in and near the city were estimated at 30,000. Japanese marines and Chinese infantrymen in full war kit were facing each other across barricades only the width of a street apart.

The United States consul-general at Hankow, according to dispatches to Nanking, advised all Americans in that part of his consular district north of the Yellow river, to withdraw southward to places of safety.

This action followed closely an official Japanese intimation that the North China zone of hostilities might extend southward to the Yellow river, the natural boundary.

It represents accounts of 5,746,045 persons. Most of the amounts are small, some just a few cents, yet 1,211 accounts are between \$10.01 and \$50.00. Sixty-five are over \$50.00.

All sorts of people forget money. Wading through the dormant accounts not long ago, a capital teller dusted off this name—F. H. LaGuardia.

A letter to the mayor of New York and his reply established him as the phantom depositor. The mayor explained he opened the account 18 or 19 years ago when he was in the militia here and forgot it.

Later, when he came to Washington as a representative, he continued to forget it.

Senator Burton K. Wheeler (D., Mont.) introduced a bill in the congress letting the government take charge—after notice—of money forgotten for over 20 years.

Still before the Senate banking and currency committee, the bill is beginning to look as if it's been—forgotten.

## INVESTIGATION STAFF HEADED BY WESTBROOK

WASHINGTON, Aug. 6 (AP)—Lawrence Westbrook, former assistant works progress administrator, will head the staff of investigators for an agriculture subcommittee instructed by the Senate to investigate activities of the American Cotton Cooperative association.

Chairman E. D. Smith (D-SC) of the full committee said today Westbrook and two assistants yet to be named will maintain headquarters in Washington, making field trips to cotton producing states to obtain data for the sub-committee.

They will start work "by the end of next week," Smith said, but the subcommittee probably will not meet to consider their findings before the next Congress convenes in January.

## Oilers To Get Last Crack At Denver Money Saturday

The Pampa Oilers will battle for life or death in the Denver Post tournament at 4 o'clock, Pampa time, tomorrow afternoon with the Bay City Refiners of Denver, managed by Roger Hornsby, as their opponents. A win will put the Oilers in the money while a loss will send them home with \$100 in game prizes.

Last night the Oilers dropped a game to Huber of Berger after taking a commanding lead. Herman "Smoky" Drefs hurled sensationally for the Oilers until taken from the game in the seventh. The game tomorrow afternoon will be presented on the electric scoreboard at city auditorium by the Jaycees.

The only explanation of Drefs' removal from the mound that can be made here was that he went to the hill with his left arm and a portion of his body covered with a fine rash as a result of coming in contact with poison ivy a few days before leaving for the tournament and that the pain forced him to retire. In a telephone conversation with Mrs. Drefs yesterday morning, "Smoky" said that he was in such agony that he probably wouldn't be able to pitch during the tournament.

Manager Fred Brickell will have available for mound duty tomorrow Bud Ross, Sam Dalley and Dale Mills.

Tonight the Huber Blackfaces meet the Dominican Negroes led by Satchel Page.

## WORK TO BEGIN ON \$817,000 UNIT AT ONCE

AUSTIN, Aug. 6 (AP)—The board of control announced today selection of Big Spring as the site of the new state hospital for the insane.

Fourteen cities had sought the hospital, which by act of the legislature was to cost \$817,000 and be located in West Texas.

Claude Teer, board chairman, said Big Spring had been definitely chosen with the only condition that it complete certain proposals contained in its bid.

"The board of control is of the opinion the city of Big Spring offers the best opportunity of conveniently serving the people of west Texas," a statement said, "and will locate the hospital on a site offered by Big Spring if and when the terms of their application and proposal and all legal requirements have been met."

Begin Work at Once  
The board said it desired immediately to begin construction of the buildings and "architects and superintendent of the institution are standing by ready to carry on the work in an efficient and rapid manner."

"It will very likely take a year to complete various units provided for by the legislature and when they are completed it will be necessary for the legislature to make an appropriation for support and maintenance and for the staff of the institution," it said.

"Very likely the appropriation will not be made before the legislature meet in January, 1938, unless perchance the legislature should make it at some special session in 1938. The board of control hopes to make this the most modern institution in the system of seven state hospitals."

McMahan is Head  
Dr. George Thomas McMahan recently was chosen as superintendent of the institution. He was graduated from Baylor college, at Dallas, and was a member of the staff of the San Antonio State Hospital for six years during which time he served as senior physician and clinical director of psychiatry.

Big Spring proposed to give the state 580 acres of "fertile tillable" land overlooking the city about one and one-half miles north of the center on the west side of Highway No. 9 and bounded on three sides by public highways.

It also agreed to furnish water, electric power, sewage, and natural gas facilities, as well as a railroad spur, to the buildings without cost to the state.

The city would furnish sewage service at five cents a day per person and give the state the choice of two things with reference to water supply.

Water For \$1 a Year  
It agreed to furnish 300,000 gallons of water from the city's sources at 10 cents per 1,000 gallons, or to deed the state a tract of land on which five water wells are located and which will produce 300,000 gallons daily. The state, under the latter arrangement, could pump water through the city's lines for \$1 a year.

"In other words," the board said, "the state can pump its own water or purchase it from the city of Big Spring, whichever it finds the most economical and satisfactory."

The Big Spring chamber of commerce was informed of the board's decision and advised to proceed in carrying out terms of the city's proposal; namely, obtaining assurance from the railroad company and county as to construction of the spur, furnishing an abstract on 880

## BOOKER RANCHER SHIPS 128 STEERS TO MARKET

HIGGINS, Aug. 6 (AP)—Three carloads of 128 head of medium quality steers were recently shipped from here to Kansas City by Ben Lippold, Booker rancher. The steers averaged of Lipscomb county's leading out-past at the market, Lippold, one factory, and will be followed by other steers to cost \$12,000 and be melon growers of this region.

In an effort to protect watermelons from grasshoppers, other insects, and rabbits, Ed Beebe, local truck gardener is sacking the melons as they first appear on the vines.

The plan has proved highly satisfactory. It was to cost \$12,000 and be melon growers of this region.

## I SAW

A woman who saw Aaron Meek, the school principal, out shooting grasshoppers from the trees in front of his home. And she reports that Mr. Meek's B-B gun aim is one that which there is none deadlier.

# MRS. HARTMAN HONORED BY MISSES McCALLISTER AND HINTON

## Achievement Day Program Is Given

A summary of all kitchen achievements was given by members of the Bell Home Demonstration club at their Achievement Day program in the home of Mrs. Clyde King last Wednesday.

Mrs. Keahy was in charge of the program in which each chairman of committees gave goals attained by committees, and members as co-operators told the things which they had done to improve their kitchens. The most convenient labor saving devices added to the kitchens were five Electrolux boxes.

Refreshments of frosted ginger ale

and cookies were served to nine club members and the following visitors: Mrs. Mary F. Donahoe, Eugene Morris, David Hodges, W. D. Collins, C. A. Holmes, Willard B. Franklin, R. I. Davis, Travis Lively, Thompson, Cude, Walberg, Chester Nicholson and Julia E. Kelley; Misses Gertrude Kurtz, Doris King and Dorothy Skibinski.

## Shamrock News

The new First Christian church building, located at 800 North Madison street, will be completed within the next two weeks, and the first services will be held on August 15. Rev. Powell Smith of Amarillo will open a two weeks revival meeting on August 16, and formal dedication services will take place on October 1.

Gene Caperton, son of Mr. and Mrs. E. K. Caperton, made a talk at the weekly luncheon of the Shamrock Boosters club yesterday, telling of his experiences at the recent Boy Scout Jamboree held in Washington, D. C. and of the places he visited in New York City. "Spec" Fry of Miami, formerly employed at the White House lumber company of this city and Hubert Rook, graduate of West Point military academy, were also guests of the club.

Leading softball teams of the Eastern Panhandle will compete here Tuesday, Wednesday and Thursday, Aug. 10, 11 and 12, in a big softball tournament, according to the committee in charge of arrangements. All games will be played after five o'clock. There will be four games each day, two by daylight and two under the lights. The teams that have already entered are from Texola, Marie City, McLean, Wheeler, Kellerville and Shamrock.

Members of the Y. W. A. organization of the First Baptist church enjoyed a picnic at the southside park Monday night. Lois Buice led the devotionals and Permelia Scruggs gave a reading. Plans for the Y. W. A. house party to be held here this month were discussed.

Mare's milk is used extensively in Russia to manufacture alcoholic drinks.

"Nope—I gotta have one with a back view of the hotel—we're staying in a \$2.00 room."

## PROPER WAY TO COOK VEGETABLES IS TOLD BY MRS. KELLEY AT CLUB

"Baking preserves the flavor and nourishment more efficiently than any other method," said Mrs. Julia E. Kelley, home demonstration agent to a group of Bluebonnet club members at the home of Mrs. Claude Schaffer in Groom last Monday.

"The potato is not the only vegetable which can be prepared in this manner. If it is impossible to leave the vegetable whole, cut it in rather large pieces to conserve the food value. When baking onions, sear the top with crisp cross to prevent the center from coming out. Medium carrots, scrubbed well and placed in a baking dish with a small amount of moisture, may be baked in their skins as you would potatoes. You have never really tasted the flavor of carrots unless you have eaten them prepared in this manner," Mrs. Kelley urged that small amounts of butter be used in seasoning vegetables and frying foods, because pork fat is so hard to digest.

"Perhaps the most widely used method in preparation of vegetables is boiling," she stated. "The food value of vegetables can be conserved in boiling if the proper method is followed. Often the water in which vegetables are cooked contains more of the flavor and minerals than the vegetables themselves contain. In days gone by, the vegetable waters were poured down the drain, but today we do not discard this mineral water. If you have never tasted the broth off potatoes, corn or other vegetables, try it once as a beverage served piping hot with a little cream and salt added. Tasty soups and gravies can also be made from these broths," Mrs. Kelley pointed out.

Vegetables correctly prepared by Mrs. Kelley were baked potatoes, onions with white sauce, leafy vegetable mustard, and glazed carrots. These with iced tea were served to Miss Jimmie Schaffer, a visitor, a new member, Mrs. John Lill, and eight members of the club. The next meeting will be August 17 at the home of Mrs. Gus Davis with Mrs. F. C. Knight as hostess. Plans will be completed for the club picnic which is to be the last of August.

## MIND your MANNERS

Test your knowledge of correct social usage by answering the following questions, then checking against the authoritative answers below:

1. If a bride has no father would it be correct for her mother to give her away?
2. Might the bride's mother serve as maid of honor?
3. Is it correct for a bridegroom to wear a boutonniere of lilies of the valley?
4. At a wedding reception, who usually proposes the toast to the bride and groom?
5. Should women propose toasts? What would you wear if—  
You are a bridegroom dressing for an informal late afternoon wedding in hot weather.  
(a) A white linen suit?  
(b) A dark blue or dark grey jacket with white flannel trousers?  
(c) A tuxedo?

Answers  
1. Yes.  
2. No.  
3. Yes.  
4. Best man.  
5. No.  
Best "What Would You Do" suggestion—(b), although (a) is not incorrect.

S. D. Flora, federal meteorologist, said 1936 was the driest year in Kansas in the 50 years that statewide weather records have been kept.

## Whittenburg News

By Evelyn Burnett  
Mr. and Mrs. Grant Henley are visiting in California.

Montela Martin is attending the Baptist encampment in Miami.

Mr. and Mrs. Claude Abers left today on a fishing trip in New Mexico.

Mrs. Cleve Hagan and Mrs. Glen Vandever and daughter, Delores, have returned to their home in Jay, Okla., after a visit with relatives here.

Bobby Crawford underwent a tonsillectomy Tuesday.

Mrs. Ora Harselson underwent a tonsillectomy Tuesday at the Pantex hospital.

Mrs. Ernest Tilman of Durant, Okla., visited Mrs. Bert Ryder Monday.

The Merry Stitches sewing club met Tuesday afternoon in the home of Mrs. Vera Ruth Winans. The afternoon was spent working on the colonial girl motif on tea towels.

Refreshments were served to Misses Lois Fisher, Lurien Ester, Ruby Ford, Virgie Robinette and the hostess.

The club will meet next week in the home of Lois Fisher.

It is unlawful in Texas to possess the undried pelt of a fur-bearing animal more than 15 days after the close of the legal open season.

## The Social CALENDAR

SUNDAY  
The Christian Endeavorers of the First Christian church will meet at the church at 8 o'clock Sunday afternoon. From there they will go on a picnic and hold their service out in the open.

## Party Is Given At Bell School

The Bell community enjoyed its monthly 42 party at the Bell schoolhouse last Saturday evening. High scores were made by Mrs. C. McKnight and Mr. Laddie Kotara. Visitors present were Messrs. and Misses C. F. Branch of Hobbs, N. M.; R. I. Davis of the Hopkins community, and S. C. Kalka and children of Sunray. The club is planning a picnic for the last of August.

## CENTRAL BAPTIST CHURCH

Harold Holmes, a former Pampa boy and recent graduate of Wayland college, will fill the pulpit at both the 11 o'clock and 8 o'clock preaching hour on Sunday in the absence of the Rev. J. O. Scott who is in a revival at Lamesa.

Services will be held in the new building on East Frances and Starkweather. All members and friends of the church are tried to be out to hear the Rev. Holmes.

## RECENT BRIDE COMPLIMENTED ON THURSDAY

Complimenting Mrs. Del Hartman, who was married last month, Misses Clotilde McCallister and Lois Hinton entertained with a luncheon at the Eagle Buffet yesterday.

The table was centered with an arrangement of mixed spring flowers and a miniature bridal party. Orchid and green place cards also carried out the bridal theme. Mrs. Hartman was presented with a corsage and a gift from the hostesses.

Guests were Misses Jewel Fahle, Ann Kay, Sybil Weston, and R. M. Klinger; Misses Maxine Burris, Marjorie Tucker, Josephine Lane, Dee Polson, Jimmy Gafford of Crowell, the honoree, and the hostesses.

The cash value of principal field and commercial crops harvested in South Carolina during 1936 was estimated at \$2,188,000 by U. S. Department of Agriculture statisticians.

paned by wind, set in communication lines went down temporarily isolating Roane, Rice, Bary and Elmhouse. Considerable damage was reported in those communities.

Northeast Dallas bore the brunt of heavy winds that toppled trees and caused other minor damage. The 42-mile-an-hour winds brought quick relief from 103-degree heat, the seasons record. Three persons were prostrated. Hall peppered Longview during a blow and 59 inch rain.

In West Texas the heat was unrelieved. Wichita Falls continued to be the state's inferno at 107 degrees. Gainesville reported a record 106 degrees. It was 102 at Austin, 92 at Houston.

Strong winds which swept other Texas cities failed to materialize in Pampa last night. Also noticeable for its absence was the rain which has cooled Pampans for the previous two evenings. However, a slight breeze early this morning brought relief to many sleepers.

Old Sol continued to shine strongly today as the mercury soared high. At 2 o'clock, the temperature was 103 degrees. Weather prediction for this vicinity tomorrow was for continued warm and slightly cloudy weather.

and manufacturing points in West Texas, Foy declared.

Foy declared the effect on the railroads might force railroads into government ownership with resultant loss to taxpayers.

Foy quoted statements from several sources charging that no U. S. waterway projects are economically sound, charging that taxpayers are footing the bill for the benefit of a few beneficiaries.

The action of the West Texas Chamber of Commerce traffic and the executive committee in July, endorsing the project at a meeting in Fort Worth, was criticized as not at all representative of the cities of West Texas, by Foy, who declared his city and a dozen more who opposed the project in 1935 had no chance to present their views. He declared the matter should have been submitted to the directors of the West Texas organization.

No action was taken by the Pampa Board of City Development and Chamber of Commerce at yesterday's meeting. President Collins announced that the matter would be considered at a later meeting.

BUGGY CONVICTS.

MANCHESTER, Conn., Aug. 6 (AP)—A crowd gathered quickly in a field when word spread that five police officers were hunting an escaped convict.

Interest in the hunt waned, however, when it developed the "convicts" were Japanese beetles and the "cops" five uniformed department of agriculture inspectors seeking them.

In the early days of American settlement, sugar was shipped sewn up in plain leaf hats.

AMARILLO TENNIS CLUB TO PLAY PAMPA SQUAD

Members of the Amarillo Tennis club will invade Pampa for 25 matches on Sunday, according to word received here this morning by Rob Brown, president of the Pampa Tennis club.

Because of the large number of players coming over, play will begin at 10 o'clock on courts at Central park and at the water wells. Pairings will be made tomorrow.

Local players made a good showing recently in Amarillo and since then the Pampa Tennis club has been organized and a tournament begun. Close play is expected.

ary between North and central China.

The Hankow consular district includes a small part of Honan province above the Yellow river, but not the larger area in Shantung province, where United States citizens, on advice of their consul at Tsinanfu, already were reported concentrating at Tsingtao, on the coast.

In troubled Hankow itself were about 101 Americans, with several score more in mission centers nearby. At Kikungshan, famed central China summer resort in Honan about 100 miles north of Hankow, were about 300 Americans, missionaries with their wives and children.

The Japanese civilian evacuation of Hankow gave every evidence of fears of early trouble.

WOODUL HONORED.

DALLAS, Aug. 6 (AP)—Lieut. Gov. Walter Woodul, acting governor while James V. Alfred is in Mexico, was a guest of honor last night at the Pan-American exposition's cavalcade of the Americas. He plans to leave tonight by air for Oklahoma City.

BOYS NET TITLE AT STAKE CULVER, Ind., Aug. 6 (AP)—Robert Carrothers of Coronado, Calif., and Richard Bender of Elizabeth, N. J., won their semi-final matches in the National Boys' singles championship here today and will play each other tomorrow for the title.

The United States ordered all amateur radio stations dismantled during the World War.

In the fifteenth century sugar sold in London for \$2.75 a pound.

Castaway Kitty 10 Miles Out

Floating on a small raft, 10 miles at sea off San Pedro, Calif., this tiny "Puss in a Boat" was rescued by fishermen who found her bravely defying death as she clung to her bobbing craft. The sea-going cat evidently had been cast adrift on the sail raft by her small boy owner.

Modern Menus

By MRS. GAYNOR MADDOX

Men may neglect their wives for their business, but women at this time of year often neglect everything else for canning. While the rest of the world is preparing for the next war, American housewives are preparing for next winter.

The only thing wrong with jams and jellies is that there aren't always enough of them on the shelves. Faddists rant about their harmful qualities. Expert dieticians deny, according to high authorities, jellies and jams having fruits and

sugar in them are not only rich in flavor, but have high energy content and are easy to digest. They are particularly good for active children at breakfast and luncheon along with other foods.

Pectin Dictates Do you know your pectin? That knowledge is the beginning of sweet wisdom. A good jelly is made with juice that contains ample proportions of sugar, acid and pectin. Many delectable fruits are deficient in pectin and require a friendly lift from other fruits or from bottled or boxed commercial pectin. These fruits are usually unreliable on the pectin side—peaches, pineapple, cherries and rhubarb. But apples, crabapples, currants, grapes,

quinces and lums are as reliable as Old Dog Tray.

Selecting fruit for preserving is a lot like selecting a man for marriage. There may be more sweetness or more acid than you bargained for. In other words, don't rely on a set formula for success—you must test out your fruit for its acid, sugar and pectin and change your basic recipe according to your luck in the lottery. Too many jelly makers labor under the belief that there is just one tried and true formula for each kind of jam or jelly. But nature is at the bottom of the jelly jar, not any printed formula.

Sugar Kills Tartness

In general, however, this rule works with minor variations. For a heavy and sweet jelly, use 1 cup sugar for each cup of fruit juice. But two-thirds cup of sugar to each cup juice makes a really more delicate jelly. In making jellies of tart fruits, such as currants, use as little sugar as possible because the tartness of the fruit should be preserved in the jelly.

If your jelly turns dark, it has been cooked too long. To cut down cooking time, and consequently darkening, use a wide, shallow kettle. This will allow for greater surface evaporation and therefore require less cooking of the juices.

One important don't—don't try to be heroic and put up the winter's jelly all on a summer's morning. It just won't do. Make jelly in small quantities. Six quart jars of berries or eight pounds of fruit is a full time job for one day.

NO. FOUR

acres of land to be approved by the attorney general and "such other necessary and legal steps and conveniences as may be proper." The board also suggested that the city prepare a contract covering the water and sewage situation.

BIG SPRING, Aug. 6 (AP)—Jubilant over decision of the state board of control to locate the West Texas hospital for the insane here, Big Spring citizens set about today to meet final requirements for the institution. The city will raise funds to provide the state the hospital site, on which options are held.

Proffered and accepted was a tract of 580 acres, located a mile and a half north of the city, a parcel of plains land just above the caprock. The city made concessions on water and sewerage rates and tentative contracts have been offered for other utilities. Preliminary arrangements have been made for a railroad spur to the site. Business and civic leaders have been called to meet Saturday morn-

ing to finish the city's campaign for financing the land.

PAMPA RESIDENT DIES AT OLD HOME IN OHIO

News of the death of Oliver Whiting, 70, at his home in Marietta, Ohio, on Wednesday, was received yesterday by Dr. E. L. Buckner, Mr. Whiting was called home on June 1 by the sudden death of his wife and had not returned to Pampa. During his two-year residence in

Pampa, Mr. Whiting was representative of the South Chester Tool company. He also spent some time in other oil fields in the state but made Pampa his headquarters.

MESSAGE FROM MILLER

A telegram received early this afternoon from Business Manager Harold Miller of the Oilers said that Drets left the game last night with a sore arm, due to poison ivy rash. Sain will be behind the plate tomorrow afternoon, he said. "Please tell fans not to criticize the lineup, Freddie doing his best," the wire read. Sleep while your want-ad works.

# TEXAS COMPANY TEAMS MEET TONIGHT IN FEATURE TOURNAMENT GAME

## TOP JOUSTS BILLED FOR BOTH PARKS

Softball games that fans have been waiting for will be staged tonight as the Panhandle District Softball tournament nears the quarter final stage. Four of the top games of the tourney to date will be staged, with first games set for 8:15 o'clock at each park, as follows:

**At Road Runner Park**  
Texas of Amarillo vs Texas of Pampa.

**At Recreational Park**  
Stanford of Pampa vs Taylor Grocery of Amarillo.

**At Recreational Park**  
Dancer vs Coltex "A" of LeFors.

**At Recreational Park**  
Gulf of Borger vs Shamrock of LeFors.

Last night at Road Runner park Phillips downed Skelly, 7 to 1, and Bordens of Amarillo swamped Roberts-Oliver, also of Amarillo, 18 to 9. Panhandle Laundry of Amarillo upset Gray County Creamery of Pampa, 6 to 4. Rig Service Station of Borger beat Smith Brothers Refinery of McLean, 16 to 7.

Phillips took advantage of Skelly's errors to jump into a lead. J. Mayo allowed the Phillips sluggers only seven hits while his teammates got to J. Dewey for five bingles, one a home run by Smith for Skelly's only score in the sixth.

Roberts-Oliver took a five-run lead over their townsmen in the first inning but saw it fade as Bordens scored five in the third and five more in the fourth to coast to victory. Mitchell went the route for Bordens with Gatlin doing the same for the losers.

A three run rally in the last inning pulled Panhandle Laundry from behind to eliminate Gerhart Creamery from the tournament. Piet of Gerhart and Stockton had tangled in a nice hurling duel until the final inning.

Rig Service Station of Borger showed terrific power at the plate to down Smith Brothers of McLean.

Games tonight will feature four winners and four losers headed by the game between Texaco Firechiefs of Amarillo and Texas of Pampa who will meet at Road Runner park at 8:15 o'clock.

Phillips and Skelly are the best of the two ace speedball pitchers of the tournament and one of them will fire against their company opponents who will probably use Stanford on the hill.

Stanford and Taylor Grocers will be fighting to stay in the tournament in the second game.

Dancer and Coltex are both defeated clubs and they also will be in the game to stay in the tourney.

The second game at Recreational park will see Gulf of Borger and Shamrock of LeFors, two strong contenders, in action.

Schedule for tomorrow night will be:

**At Road Runner Park**  
Cities Service vs Texas of the Texas of Amarillo-Loser of Pampa game.

**At Recreational Park**  
Canadian vs King Oil.

Skelly vs loser of Gulf of Borger and Shamrock of LeFors.

Smith Brothers Refinery of McLean vs Roberts-Oliver of Amarillo.

## FILM CHIEFS SEEKING MUSSOLINI'S FAVOR IN 'ITALIAN HOLLYWOOD'

HOLLYWOOD, Aug. 6 (AP)—Rivalry between aggressive Hollywood producers to have a hand in the making of motion pictures in premier Mussolini's "Italian Hollywood" broke into the open today, with Roach already en route to Rome and Walter Wanger preparing to follow him Sunday.

Roach, before leaving by airplane, said he would confer with Il Duce on film possibilities. Wanger, also a skilled hand at motion picture-making, said he would attempt to carry to his long cherished ambition to collaborate with Mussolini in the production end of the industry.

Erection of an "Italian Hollywood" about six miles from Rome was begun more than two years ago. First units of the new film city, the total construction to cost \$10,000,000, were dedicated last spring.

There are national forests in 37 states.

An automobile mounted on railroad wheels and drawing a trailer carried mail, express and passengers for several years between Albany, Ga., and Boston, Ga., on the Georgia Northern railroad.

## Pampa Defense, Relief Pitching Collapse And Borger Wins Game 7-5

### FOOTBALL "DREAM GAME" SET FOR TOMORROW NIGHT AT WACO

(Special to the Pampa News)  
DENVER, Aug. 6 (AP)—Forty-five youngsters prepared today to say farewell to high school football in cream of the crop from last season's "dream game" matching the son's Texas interscholastic league.

The gridders—each of whom has finished his eligibility and is now considering the best college "offer"—went through final practice sessions today under the direction of Dana X. Bible, coach of the University of Texas Longhorns, and Raymond (Bear) Wolfe, mentor at the University of North Carolina.

The game, scheduled for tomorrow night and with a crowd of 10,000 forecast, will climax the annual coaching school of the Texas High School Coaches' Association. Three hundred high school grid tutors attended the school.

Wolfe is coaching the North Texas squad which is composed of boys from the upper eight districts of the interscholastic league.

Pre-game favorites are the North Texans who boast three all-stars in the backfield, namely Odell Herman of Abilene, Bobby Clesson of Amarillo and Marion Pugh of North Side, Fort Worth. This team also has the advantage in weight. But the south has its stars though many of them were unheralded due to playing in class B ranks.

The other member of the all-state backfield, Roy Holbrook of Kerrville, will perform for the south which also boasts all-state guard Henry Kaiser of Kerrville and all-state end E. L. Keeton from Hillsboro.

### HANDICAP TOURNEY PAIRINGS ANNOUNCED TODAY BY LOVE

First round of play in the Pampa Country club handicap tournament must be completed Sunday. Del Love announced today as pairings for the event were released. Opponents may get together before the deadline day or may play Sunday.

Many additional caddies are needed at the Country club. Mr. Love said. Any boy 12 years or older and weighing more than 85 pounds desiring to become a caddy should see Mr. Love at the clubhouse Saturday morning for instructions.

Handicaps were set according to U. S. C. A. rules. For example, player No. 1 has a handicap of 12 and No. 2 a handicap of 4. The difference is 8, but the handicap is not the 8, it is three-quarters of 8, or 6 strokes.

Pairings with handicaps, all handicaps plus excepting where a minus appears before number:

John Austin, -4, bye.  
Jet Brumley, 7, vs Jack Goldston, 5.  
Charles Graham, 2, vs Sid Patterson, 10.  
R. J. Hagan, 14, vs C. P. McGinnis, 2.  
C. P. Conover, 3, vs Harry E. Hoar, 12.  
R. G. Allen, 6, vs Frank Perry, 10.  
Charlie Thut, 5, vs Fred Thompson, 10.  
Church Barrett, 0, bye.  
Grover Austin, Jr., -4, bye.  
Dan McGrew, 8, vs Lynn Boyd, 7.  
Jim Hatfield, 5, vs Art Swanson, 5.  
Mark Heath, 1, vs Frank Showell, 7.  
Ward, 1, vs Jess Patton, 7.  
Grover Austin, Sr., 6, vs T. O. Sierling, 3.  
Gene Green, 5, vs Marvin Harris, 4.  
Jimmy Richesin, 1, bye.

### BAUGH MAY PLAY TOMORROW WHEN OILERS FACE RAJAH

DENVER, Aug. 6 (AP)—The battle for the winner's purse—worth probably \$5,000 or more—grew hotter in the Denver Post baseball tourney today with two undefeated clubs clashing tonight.

These are the Negro All-Stars from the Dominican Republic and Huber Carbon of Borger, Texas. Each has won three games, the Negroes holding all three opponents scores.

Grover Cleveland Alexander's Springfield, Ill. outfit, fighting to stay in the running, was paired for this afternoon's game with the Eason Oilers of Enid, Okla., runners-up last year, at 3 p. m. Mountain standard time.

Each team has won two and lost one.

Borger stayed in the undefeated class by handing the other Texas entrant, the Pampa Oilers, its first licking last night by a 7-5 score.

The Oilers were handicapped by the loss of "Slingin' Sammy" Baugh, sparkling shortstop and former Texas as Christian football passing ace, who hurt his leg when a Borger runner slid into him.

Baugh was confident he would be able to play against Rogers Hornsby's Denver Refiners team in one of tomorrow afternoon's two contests. Two Oklahoma teams, the Duncan Hallbrutons, will tangle in the other game tomorrow.

Duncan, winner of the National Semi-Pro tournament crown at Wichita last year, stayed in the tournament yesterday by the narrow score of 4 to 3, beating Denver Midget when Otto Ott, 250-pound second-string catcher, pounded an inside-the-park home run with the score tied in the eighth inning.

Borger's guns did their hottest firing in the last two innings when six runs were chased over. The winners mixed two singles, a walk, an error and a double steal for three in the eighth after Pampa had run up a 4 to 1 lead.

Catcher Frank Warren's sizzling two-base knock off Sammy Hale's glove with the bases full in the ninth broke up the game.

Jim Carithers, Borger southpaw, was relieved by Byron Chody in the eighth but was credited with the victory. Pampa used Drefs, Hutton and Mills on the mound.

Left-handed Mike Pruitt did a great job of relief hurling for Duncan against the Denver club, granting only one hit and one walk in 5 1/3 scoreless innings.

Every team except the two undefeated leaders has won two and lost one. The eight survivors include the negro club, three from Oklahoma, two from Texas and each from Colorado and Illinois.

### FAVORITES IN QUARTER FINALS AT BROADMOOR

COLORADO SPRINGS, Colo., Aug. 6 (AP)—The 17th annual Broadmoor Invitation golf tournament was ready today for the quarter-final round.

George Matson, Wichita, the Kansas open champion, Jack Malloy, of Tulsa, Oklahoma open champion, and Ray Lowell, Jr., of Colorado Springs, tournament medalist, appeared to have the best bids for the favorites' positions.

Yesterday's upsets eliminated Harry Straubinger, Coffeyville, Kan., the 1927 and 1934 champion and runner up last year; E. J. Rogers, Jr., Oklahoma City, winner the past two years; Eddie Heid, of Denver, twice Transmississippi winner, and Rufus King, Jr., Wichita, Tex., former Colorado State champion.

## INDIANS LEAD CHALLENGED BY THE MISSIONS

(By The Associated Press)  
WHERE THEY PLAY TODAY  
Dallas at Fort Worth.  
Tulsa at Oklahoma City.  
Galveston at Houston.  
Beaumont at San Antonio.  
(All night games)

San Antonio again pops up as the challenger to Oklahoma City's Texas League title hopes.

The Missions took a long jump from fourth to second place last night, returning to a height they failed to hold on several recent occasions. They got there by mauling Beaumont 16 to 6 in a game in which seven San Antonio players got at least one hit. A trio of Beaumont hurlers had no luck against the Padre powerhouse.

The loss dropped Beaumont from second to fourth.

Galveston applied a thick shelling, jumping on Houston for 16 hits and a 11-5 victory. Houston did its best to lose the game by fumbling the ball to let in six unearned runs in the first inning. Fort Worth and Dallas couldn't play because of rain at Tulsa and Oklahoma City were idle.

## TRUDY SWAM CHANNEL 11 YEARS AGO TODAY

HEMPSTEAD, N. Y., Aug. 6 (AP)—The page one streamers said: "Trudy swims channel."

That was 11 years ago today—and today Gertrude Ederle sat on the little porch at her frame home as some of those who remembered came by and said hello.

She said she might go into the water later in the day. "Not for a swim," she explained. "I don't go swimming any more; I go bathing."

She still keeps "in condition," even though it was only recently, after months of suffering, that she came out of a plaster cast. She had hurt her back in a fall.

"But I'm out of swimming competition forever," she said. "I'm thirty now, and time to be an old lady. Besides that, the swimming records they're hanging up now make some of my old marks look silly."

She didn't even mention the fact that her crossing of the English channel in 14 hours, 21 minutes still is the record for women.

"What do I care?" said Trudy. "The only thing left to swim is the Atlantic ocean, and nobody can do that."

## YESTERDAY'S STARS

(By The Associated Press)  
Lou Gehrig, Yankees: Hit two homers driving in five runs in 13-8 win over White Sox.

Bucky Walters, Phillies: Slugged Cubs 4-2 with four hits.

Buck Newson, Red Sox: Famed five and allowed eight hits in beating Indians, 5-4.

Clyde Castleman, Giants: Banned Red Sox from game.

Hank Greenberg, Tigers: His homer in eighth with two on beat Athletics, 5-3.

Vince DiMaggio, Bees: Hit homer, single and scored three runs in 4-1 win over Cardinals.

Mills, Doublet: Hit two doubles, single and drove in one run in 7-4 win over Senators.

Heinie Manush, Dodgers: Drove in two runs with two doubles in beating Pirates 9-6.

## Home Courts See Davis Cup Team

NEW YORK, Aug. 6 (AP)—Don Budge and his teammates in the Davis Cup victory turned today to the tennis courts of their homeland for further glory after a reception that reminded New York of the gala homecomings for the famous a decade ago.

Budge with his doubles partner, Gene Mako, will play in the doubles of the eastern grass courts championships, which open today, at the Westchester Country club, Rye, N. Y.

After that he will play both singles and doubles at Newport in the Casino invitation tournament. Then he points for his first national singles title in the tournament at Forest Hills, N. Y.

Budge's teammates, Frank Parker, Bixy Grant, Wayne Sabin and Mako, will all participate in the singles at Rye, but Don will wait until the Newport tourney before unlimbering his terrific service and uncanny volleying.

Budge again declared he will remain amateur for another year, despite possible pro offers in box car figures.

"I have received no professional offers and I am not interested in any," Budge said. "I will not turn professional this year, maybe not at all."

Trust the whiskey that NEVER CHANGES

Every bottle of Glenmore you buy is exactly like each succeeding bottle. For Glenmore is all distilled and bottled in our own distillery at Owensboro, Kentucky.

Glenmore now comes in both 100 proof (Gold Label) and 90 proof (Silver Label).

Glenmore Distillers Co., Incorporated  
Louisville—Owensboro, Kentucky

## Phils Take Second From Cubs As Giants Win One

(By SID FEDER (By The Associated Press))  
Ask any National league pitcher to describe an egg crate, and the answer, nine times out of ten, will be the Phillies ball park.

"You can stand at home plate in that shoebox," is the general reply, "and pretty near throw a grand piano over that short right field wall."

That's the reason the Phils are playing cellar ball at home in the National league, and show nearly a first division record on the road. It also explains why two of the better hitters, Buck Walters and rookie Lefty Lamaster, each have better than 500 averages away from home this season, and get their ears knocked off more often than not in Philadelphia.

Yesterday's whipping out of the Cubs led to five games as the second-place Giants outdistanced the Cincinnati Reds to take a 2-0 decision in 12 innings. Clyde Castleman allowed eight hits to best Lefty Lee Grissom in a close one.

Iron-horse Lou Gehrig found the range with a pair of homers, and the Yankees swept their four-game series with the White Sox and stretched their American league lead to nine full games with a 13-8 decision. Jake Powell was sent to the hospital after being tagged by one of Monte Stratton's fast ones.

The Red Sox staggered through a 5-4 edge over the Indians, thereby extending their streak to ten games without a loss. Hank Greenberg's homer gave the Tigers a 5-3 win over the Athletics. The Browns belted the Senators 7-4.

Brooklyn's Dodgers made it two in a row over the Pirates by a 9-6 margin. Danny MacFayden, tight in the pinches, pitched the Bees to a 4-1 win over the Cardinals.

## ROOKIES IN FINALS

SOUTHAMPTON, N. Y., Aug. 6 (AP)—Three "rookies" of big time tennis enter the semi-final round of the Meadow Club's 47th invitation tournament today.

With Bobby Riggs, of Los Angeles, Hal Surface of Kansas City, and Arthur Hendrix, of Lakeland, Fla., in the penultimate round is Jiro Yamagishi, the wily Japanese Davis cup star.

The youngsters won their way into the semi-final by victories over some of the game's outstanding stars.

Statisticians estimate it cost \$25,000 to kill each soldier slain in the World war.

### "BETTER SEE A DOCTOR"

Yes, it is much better to see a doctor, if you are not physically up to par. Home dosage may be dangerous. The remedies that worked wonders for your well-meaning friends are likely, in your particular case, to do more harm than good.

Two good rules to remember: Don't accept an amateur diagnosis of your condition; and do not postpone a visit to a reliable physician. A precautionary trip to the doctor, now, may forestall serious trouble and greater cost later.

# SPAIN TROOPS BLAST REBELS' FORT FROM AIR

(By The Associated Press) Insurgent commanders admitted today that a powerful government force, including the rejuvenated Catalan army, virtually has encircled Insurgent Generalissimo

Francisco Franco's upper Aragon stronghold, Huesca. Government troops were reported facing "almost impregnable" insurgent fortifications on three sides of the city and government air squadrons were blasting it from the skies. Insurgent artillery again pumped explosives into Madrid, killing several persons and wounding others. Communications from both sides reported demoralization in the other. Insurgents declared Gen. Jose Maja, commander of government troops in central Spain, was to be replaced because of the failure of his offensive west of Madrid. Government reports said Franco had resorted to mass executions because of uprisings in his army, particularly among the Moors on the southern front.

In London, the non-intervention committee, unable to break a deadlock over plans to isolate the Spanish civil war, arranged for a vacation. Insurgent Spain's new ambassador to Germany, Rear Admiral the Marquis Antonio de Magaz, expressed Franco's "immense gratitude" to Adolf Hitler when he presented his credentials at Berchtesgaden, der fischer's summer home. Frontier dispatches continued to predict the impending fall of Santander, last government-held Biscayan port, against which the northern insurgent army has driven from Bilbao. Souvenir hunters have chipped away two tombstones from the grave of Sam Bass, notorious outlaw, at Round Rock, Texas.

## Market Briefs

NEW YORK, Aug. 6 (AP)—Late selling in today's stock market knocked down leaders fractions to 5 points. There were a few wider setbacks. Frontal stocks, rails, utilities, arm implements and druggers were among the principal sufferers. At the same time of ferrous were far from volatile. Selected mining issues and specialties managed to buck the trend. Rising metal prices both here and abroad speculative company profits brought support for the latter.

There was little in the news to inspire liquidation, brokers said, but notable inability of the market's bellwethers to make headway in the past few sessions tended to discourage trading forces. Transfers approximated 700,000 shares.

### KANSAS CITY LIVESTOCK

Dep't. Agr.—Hogs 800; top 18.10; good to choice 18.20; 12 to 15.10; heavy and lights scarce; odd sows 11.75 down. Cattle 1,200; calves 300; choice 10.45; 913 lb grassers 10.50; few beef cows and heifers 5.00-7.50; bulls mostly 4.50-5.75; slaughter calves 4.50-8.00; little done on stockers; bidding 25 or more lower. Hogs 900; packer top 12.70; small killers paying to 12.50; most good and choice butchers 10.20-10.50; medium grades lights 11.50-12.00; packing sows 10.50-11.00. Sheep 400; lambs 25 higher; top natives 10.00; most sales 9.50-10.00; throwouts down to 8.50; other classes mostly nominal.

### CHICAGO GRAIN

CHICAGO, Aug. 6 (AP)—Late tumblers carried the Chicago wheat market down today more than 3/4 cent a bushel, following 1/2 cent drop at Winnipeg. Increased selling of futures against newly harvested domestic wheat was a feature, together with lack of any export business of consequence either in United States or Canadian wheat. There were also indications of corn belt rains where needed.

At the close, wheat was 2 1/2-3/4¢ under yesterday's finish, Sept. 1.13 1/2-1/4, Dec. 1.13-1 1/4, corn 1 1/2¢ off to 1/4¢ up, Sept. 1.00-1.00 1/2, Dec. 66 1/2-3/4, and oats 3/4-5/8¢ down.

### OKLAHOMA CITY LIVESTOCK

OKLAHOMA CITY, Aug. 6 (AP)—U. S. Dep't. Agr.—Cattle 2,400; calves 800; good medium weight steers 11.75; medium 9.13 lb grassers 10.50; few beef cows and heifers 5.00-7.50; bulls mostly 4.50-5.75; slaughter calves 4.50-8.00; little done on stockers; bidding 25 or more lower. Hogs 900; packer top 12.70; small killers paying to 12.50; most good and choice butchers 10.20-10.50; medium grades lights 11.50-12.00; packing sows 10.50-11.00. Sheep 400; lambs 25 higher; top natives 10.00; most sales 9.50-10.00; throwouts down to 8.50; other classes mostly nominal.

## FALL SESSION CONGRESS SEEN

WASHINGTON, Aug. 6 (AP)—President Roosevelt refused to take a public stand today on a suggested special session of the congress in the fall to take up farm legislation. Asked at a press conference if he was in sympathy with the move in the senator where 40 senators have signed a petition favoring an extra session in October, the President said that it was up to the senate.

Simultaneously at the capitol, Speaker Bankhead, majority leader Rayburn (D-Tex.) and Chairman Jones (D-Tex.) of the house agriculture committee, told a caucus of approximately 50 farm state representatives that they saw no necessity for a special session.

Published every evening, except Saturday, and Sunday morning by the Pampa Daily News, 322 West Foster Street, Pampa, Texas.

MEMBER OF THE ASSOCIATED PRESS (Full Listed Wire). The Associated Press is exclusively entitled to the use for publication of all news dispatches credited to it or not otherwise credited to this paper and also to register news published herein.

Entered as second class matter March 15, at the post office at Pampa, Texas under the act of March 3rd, 1879.

Subscription Rates—By carrier, 15c per week; \$2.00 for 6 months. By mail payable in advance in Gray and Adjoining Counties, \$5.00 per year, \$2.75 per 6 months, 90c per month; outside Gray and Adjoining Counties, \$7.00 per year, \$3.75 per 6 months, 75c per month. Price per single copy 5c.

An Independent Democratic newspaper, publishing the news daily and impartially at all times and supporting in its editorial columns the principles which it believes to be right and opposing those questions which it believes to be wrong, regardless of party politics.

FOR THE PUBLIC HEALTH

No move ever started in Pampa is more deserving of public support than the current campaign of state health authorities to enforce the sanitation laws in various places where food and food products are prepared for public consumption.

The law is clear in that respect. It requires health certificates for employees and sanitary conditions throughout.

If conditions in some places are such as the state health department investigators report, then it is time for a clean-up.

There is a great deal of protest from persons cited in these cases on the grounds that publicity will ruin their business.

The health investigators are doing a good work in checking up. Some of the violators already have admitted their guilt and paid fines.

Second offenders, signifying that they have not heeded the warning, will receive no consideration from the publicity angle.

When they knowingly and willfully violate laws regarding sanitary conditions they are giving public expression that they are not concerned with the state of the public health.

To permit such a condition to exist would mean that the health of the community would be endangered.

It is to be hoped that the state health inspectors will continue on the job and see to it that violations of this type are erased from Pampa and Gray county.

TRAFFIC'S DEATH VISION

Through scientific tests being made among automobile drivers, many new hazards and means of correcting them are being revealed. One of the most startling items in this line comes from the last Milwaukee automobile show.

Of 5,000 visitors tested there for sight, 48 per cent were found to have defective vision, and 240 of those examined used only one eye.

Tex's Topics

Well, look what the mailman brought you! It's another note from our old friend, Nick Totalloss, who still is at sea to know why his Greek wrestlers can't get a break in Pampa.

"Dear Ed: I am onerster dees Mister Cliff Under-The-Bed she is make wise-cracker from letter with I am rite you lost wick to telling you that my fran, Mister Popolopus, she is swell rassel man from my netive Grick knorty.

"I am expect to seeing Chinamen boys in dees ring at wot you call House of Horros next. Rassel game she is like old gray mare—she ain't what she used to be no moar, and that is because fallies like dees Mister Cliff, she is no geev my Grick boys a chance to brak the boans, wich is to giving the paying kostumers plenty for her monny.

Glad to see your back, girls! No doubt that's what the judges will say, and therein lies a challenge to Pampa girls (with pretty backs) to enter the Galveston Beach Association contest to be held in Galveston a week from tomorow.

The only way a pretty girl can remain in this contest is to "back out". The contest, dedicated to the glorification of a part of the figure usually taken as a matter of fact—the back—is sponsored by the Galveston Association, which years ago originated the International Pageants of Pulchritude.

In order to make it a "back" proposition, the Association decreed that contestants for the title of "the woman with the most perfect back" would wear sport clothing in the afternoon judging and formals in the evening.

The first American patent on a typewriter was granted to William Austin Burt, of Detroit, in 1829. First in the Washington Patent Office, destroyed the only model of this machine in 1836.

Yesteryear In Pampa

TEN YEARS AGO TODAY Aaron Meek, an associated arts graduate of Wayland college, was elected principal of the south ward school.

Miss Annie Laura Sawyer and Otto Studer spent the day in Amarillo.

There are 177 pairs for rearing game birds in California, maintained by the state or sportsmen's groups.

THE REBEL YELL

Man About Manhattan

NEW YORK—Meymo Holt, the dancer, was telling a more interesting story than she fancied when she recalled some of the long runs her brother used to make for the University of Hawaii.

Two seconds later the boy came back and asked me to step inside. There stood the V. P., grinning out from beneath his shaggy brows, blue eyes twinkling, hand outstretched.

Presently the waiter returned. "They say, thank you, but they can't use the champagne." Shaking off the dizziness which was produced by this statement, Billingsley steadied himself with a hand on the bar.

Now, however, everything is clear. The lady with the editor was his wife, and she is a prominent Dry.

POKER PETE OF '37 ADVERTISES HIS GAME

HAMILTON, Mont. (AP)—Shades of Pecos Pete and Black Jack Bill! A sound car traveling the streets of Hamilton telling the world that a poker game is in progress at such and such a beer parlor.

Bike Kayoes Car

BIRMINGHAM, Ala., Aug. 6 (AP)—A car-climbing bicycle rider came out of a head-on collision with an automobile better than the motorist.

How's Your Health?

EDDED BY DR. LAGO GILDSTON for New York Academy of Medicine INFANTILE PARALYSIS: I There is good promise that medicine has evolved an effective measure against infantile paralysis.

It is believed that protection against infantile paralysis can be secured by spraying the mucous membrane of the nose with a solution containing 1 per cent zinc sulphate, 1 per cent of a local anesthetic known as pontocain, and 1-2 per cent of sodium chloride (table salt).

Three years ago, two scientists, Orlitzky and Cox, working with the virus of another disease, demonstrated that mice whose nasal membranes were treated with a solution of tannic acid, were temporarily made resistant to the action of the virus even when the latter was deliberately placed in their noses.

A crowd of more than 80 persons, composed of Kiwanis club members and their wives, enjoyed a picnic near Canadian yesterday evening. The outing, an annual one for the club was held at the Whitehouse Lumber company's park beginning at 7:30 o'clock.

Around Hollywood

HOLLYWOOD—Hal Roach, Jr., finally has won his argument with his dad. Instead of sharing a joint bank account with his producer-father and going to school, young Hal draws \$50 a week as a second assistant director at Dad's studio.

The argument was over the 18-year old sprout's ambition to quit school and start learning about pictures the hard way. Dad thought he ought to stay in school, but the bulky, chubby-cheeked son this summer convinced him that it was time he learned a thing or two about Dad's business.

Sixteen years ago, Hal, Jr.'s ideas inspired his father with the idea for "Our Gang," which in a sense makes the son already an important contributor to pictures.

His immediate ambition is to get an assignment on a feature, but he says seriously, "I wish I knew someone who could put it across to Dad." And then—

KIWANIS CLUB HOLDS PICNIC AT CANADIAN

A crowd of more than 80 persons, composed of Kiwanis club members and their wives, enjoyed a picnic near Canadian yesterday evening. The outing, an annual one for the club was held at the Whitehouse Lumber company's park beginning at 7:30 o'clock.

Answers To Questions

By FREDERICK HASKINS

A reader can get the answer to any question of fact by writing The Pampa Daily News Information Bureau, Frederick J. Haskins, director, Washington, D. C. Please enclose three (3) cents for reply.

Q. Any prop. considered vain who have their features changed by plastic surgery? B. C. A. When features are not normal, it cannot be considered vain to desire to look one's best, and to present to the world an attractive appearance rather than a repulsive one.

Q. Does the air contain salt? D. J. A. Substantial quantities of salt are suspended in the air, especially near sea coasts. Often salt air gathers so thickly that it produces a fog known to meteorologists as salt haze.

Q. When was the 8-hour work-day introduced? L. A. In 1867, Illinois and Connecticut made 8 hours a legal day unless otherwise agreed. Progress was slow, and it was 1917 when it was generally accepted without pressure. Railroads came to the 8-hour day in 1916.

Q. How many military airplanes are there in Japan? S. L. A. The first of this year, the number was estimated at 2,000.

Q. Is there any preventative for chigger bites? H. S. A. A good preventive is said to be flowers of sulphur which may be bought at any drug store, and sprinkled inside the clothing. Other precautions are the wearing of leggings, or a light application of kerosene to the outer clothing.

Q. When was William Jennings Bryan elected as a reporter on the Omaha World Herald, C. D. Mr. Bryan was never a reporter on this paper. At the conclusion of his two terms in the House of Representatives 1881-85 he was employed by the late Senator Gilbert M. Hitchcock, then owner of the World Herald, to act as editor of the paper at a salary of \$150 per month. Bryan continued in this capacity until he received the nomination for the Presidency at the democratic convention in Chicago in 1896.

Q. When did George Arliss first play in America? M. R. A. The actor made his first tour of America in 1901 with Mrs. Patrick Campbell's company.

So They Say

The villain is Tom Girdler. The hero is the C. I. O.—Heywood Brown, president, American Newspaper Guild, addressing a C. I. O. rally in Cleveland.

Are You Preparing For College?

If you are planning to enter college this fall you will want a copy of the Pampa Daily News service booklet, How to Get a College Education.

Prepared from the most recent surveys of the United States Government, indicates actual costs and living expenses at various types of schools for every State; suggests ways and means of self-support; outlines in detail all the new Federal aids available to students through the well organized National Youth Administration.

This helpful booklet is available only through our Washington Information Bureau. Send for your copy today, enclosing ten cents to cover cost, handling, and postage.

USE THIS COUPON.

The Pampa Daily News Information Bureau, Frederick J. Haskins, Director, Washington, D. C.

I enclose herewith TEN CENTS in coin (carefully wrapped in paper) for a copy of the booklet, HOW TO GET A COLLEGE EDUCATION.

Side Glances

By George Clark

Book A Day

By BRUCE CATTON

With ever increasing volume, "Literature" of the Civil War period pours forth on the county these days in biography, in the thesis, the novel and the scenario. And for the most part the war of the states is passed over as the "irrepressible conflict."

But not so in the "Civil War and Reconstruction" by Prof. J. G. Randall (D. C. Heath and Co., \$5). Here at last is a writer wholly "unconvinced that the tragic conflict has been proved to be inevitable."

Professor of history at the University of Illinois, Dr. Randall has sought to focus the whole Civil War era in the light of new findings and many years of careful research.

He accepts the striking conflicts between the industrial north and the agrarian south. But "what is not so clear," he points out, "is that because of the agrarian-industrial controversy, the Civil War was inescapable." From this point he proceeds to analyze the forces of those times.

He speaks, for instance of the "professional patriotism, slogan-making, fact-storing, political clamoring and propaganda existing on both sides."

Frankly, the book is no eulogy of Lincoln as a constitutional president, but neither does it charge Lincoln with dictatorship. It concludes more than while the Constitution was stretched pretty much by the Civil War chief it was not subverted.

Passing over military and naval operations rather more hurriedly than most writers on this era, Professor Randall devotes more space to the reconstruction movement. He concludes the term "reconstruction" is a misnomer and labels the period "one of the most deplorable in American annals." Failure of Congress and President to agree on a reconstruction program was in a large measure the real cause of the imbroglio, he points out.

The book fills a long need as a research offering but it appears more noteworthy for the mistaken views it corrects and the prejudice and political partisanship it lifts from the whole picture.—F. G. F.

ITALIAN AND BRITISH SHIPS BOMBED AT SEA

LONDON, Aug. 6 (AP)—Lloyds, the British underwriters, reported from Gibraltar today that an Italian and a British steamer had been bombed by warplanes at almost the same spot off the coast of Algeria, near war-torn Spain.

The British tanker British Corporal dashed an SOS that she was being bombed. It was canceled and it steamed into Algiers, 30 miles southeast. Her crew of 43 was safe and her wireless receiver, which she had reported smashed, was repaired.

A few hours later, Lloyds said the Italian steamer Mongolia dispatched an SOS saying that she was bombed from the air. The ship, of 6,113 tons, was bound from Genoa to New Orleans.

In neither case was the aerial attacker identified.

Let the neighbors yell!

Some day they'll be tuning us in on their radios and boasting that they knew us when.

# In the CHURCHES

**CALVARY BAPTIST CHURCH**  
Sunday school, 9:45. John Knox, superintendent.  
Praying, 11.  
B. T. U., 7:15. Bill Braxton, director.  
Praying, 8. B. L. Lunsford is to supply Sunday.  
Wednesday, prayer meeting. Friday, choir practice.

**ST. MATTHEW'S MISSION EPISCOPAL**  
R. J. Snell, minister-in-charge  
Holy Communion, 8 a. m.  
Church school, 9:45 a. m.  
Morning prayer and sermon, 11 a. m.

**FIRST BAPTIST CHURCH**  
Kingsmill and West Streets  
9:45. Sunday school.  
11. Morning worship.  
7. B. T. U.  
8. Evening worship.  
Rev. J. G. Solomon of Hollister, Okla., will bring both morning and evening messages Sunday. Rev. Solomon is an excellent Bible student and a man of God. Come and bring your friends.

**EVERY MAN'S BIBLE CLASS**  
The Every Man's Bible class meets in the city hall auditorium each Sunday morning at 9:45. Each man not in another class in Pampa is cordially invited to attend this class. Come Sunday and bring a friend.

**CHRISTIAN SCIENCE CHURCH**  
"Spirit" is the subject of the lesson-sermon which will be read in all Churches of Christ, Scientist, on Sunday, August 8.

The golden text is: "No man hath seen God at any time." Hereby know we that he dwelt in him, and he is in us, because he hath given us of his spirit" (I John 4:12, 13).

Among the citations which comprise the lesson-sermon is the following from the Bible: "He whom God hath sent speaks the words of God; for God giveth not the spirit by measure unto him" (John 3:34).

The lesson-sermon includes also the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "When we realize that life is spirit, never in nor of matter, this understanding will expand into self-completeness, find all in God, good, and needing no other consciousness" (page 264).

Sunday 11 a. m.  
Sunday school 9:30.  
Wednesday, 8 p. m.  
Reading room in church edifice open

Tuesday and Friday 2 to 4 p. m. The public is cordially invited to attend our services and use the reading room.

**FIRST CHRISTIAN CHURCH**  
John S. Mullen, minister  
Corner Kingsmill and Starkweather  
9:45 a. m. Church worship. Speaker, J. L. Lester. Subject, "Why Shout There by Hypocrites in the Church?" Solo, Billy Hawkins. The Lord's Supper is always observed at this hour by this church.

10:45 a. m. Bible school. The Nursery, Beginners and Juniors meet in the class rooms at 9:45 and remain until 11:45. The other classes meet in the auditorium for the Church worship, and go from there to their class rooms at 10:45.  
7 p. m. Christian Endeavor. The Intermediate Society for young people of Junior High age and the Senior Society for those of High School age or older.  
In the absence of the minister, there will be no night services.

**JEHOVAH'S WITNESSES**  
"Why Must Jesus Die?" is the subject of the Bible lesson to be given Sunday evening by the local company of Jehovah's Witnesses.

Why must the holy and sinless Man, Jesus, die in such an ignominious manner as that in being nailed to a tree? Gal. 3:13. Was there no other means whereby man could live and Divine Justice be satisfied?  
Services are held on Sundays and Tuesdays at 8 p. m. in the commissioners room at the city hall.

**FIRST METHODIST CHURCH**  
Sunday school at 9:45.  
Singing in adult department assembly.  
Morning worship at 11 with the Rev. A. W. Gordan, pastor of the Methodist church of Higgins preaching. His subject will be "The Peril of Postponement." There will be no evening service.  
The public is cordially invited.

**THE SALVATION ARMY**  
834 S. Barnes street  
Capt. Herman G. Lambrecht  
Sunday, 2:30 p. m., Company meeting.

Sunday, 6:30 p. m., Young people's service.  
Sunday, 8 p. m., Salvation service. Sermon subject, A Sure Refuge.  
Tuesday, 2 p. m., Home League service.  
Wednesday, 8 p. m., Mid-week prayer service.  
You are always welcome at the Salvation Army.

## PAMPA HEALTH OFFICER AIDING SYPHILIS FIGHT

Dr. R. A. Webb, county health officer, announced yesterday that he had received four reels of film, released by the United States Public Health Service, on syphilis.

The films are on the nature, prevention, and cure of the dread disease, and should be seen by every citizen, Dr. Webb stated.  
The pictures show graphically the effect and prevalence of the disease in this country, and have been shown in cities everywhere. Dr. Webb urges anyone who would like to see the films to come to his office any afternoon. When several persons desire to see them, Dr. Webb will exhibit them free of charge. Any civic club or other local organization which would like to show the films in meetings may use them at any time. A projecting machine will be furnished with the pictures. There is nothing immoral or objectionable about the pictures, the barrister pointed out, and they will aid greatly in the fight to rid the U. S. of the disease.

## EARLY START SEEN ON BRAZOS FLOOD WORK

TEMPLE, Texas, Aug. 6 (AP)—Sponsors eagerly awaited today an early start on the \$50,000,000 Brazos River Flood Control program, basing their hopes on President Roosevelt's allocation yesterday of \$4,500,000 for the Possum Kingdom dam.

The entire project consists of 13 dams thrown athwart the troublesome Brazos river. Surveys have been completed on all 13 units in the district's flood control program and mapping has been completed of eight.

## Gray County Records

Compiled by Pampa Credit Association

Assignment: Albert Beck to Rob Sullivan et ux. W 1/4 of NW 1/4 of section 135, block 3, L&N.

Extension of lien: Chas. E. Cooke et ux to H. W. Finley, Jr. Interest in and to the east 29 feet of lots 16, 17, 18, 19 and 20 in block 37 of McLean, Texas.

Bill of sale: Roy E. Holt to L. M. Evinger, barber shop equipment.

Mechanics' and Materialman's lien contract: T. C. Lively Jr. et ux to Lynn Boyd, lot 6, block 1, Channing addition.

Warrantly deed: W. S. Roberts et ux to J. T. Meyer, lots 17, 18, 19, 20, 21, 22, 23, 24, 25 and 26 in block 28, Wilcox addition.

## The Capital Jigsaw

AUSTIN, Aug. 6 (AP)—This is another story of a fish that got away, or rather how C. V. Terrell, chairman of the railroad commission, got away from a fish.

Terrell told it after returning from a fishing trip off Port Aransas, on which he was accompanied by Mark Marshall, chief of the motor transportation of the commission. Not far from the jetties Terrell and Marshall espied some rayfish feeding in shallow water and sneaked up. With a mighty heave, Terrell sank a harpoon in one of the largest, whereupon things began to happen.  
"That baby weighed 3,500 pounds," said Terrell, "and when he felt the harpoon he immediately had thoughts of home. He took out for the open sea, dragging our boat by a half-inch rope."  
"We hauled us for seven or eight miles, but finally the harpoon came out and we got loose."

Governor James V. Allred, who has preached law and order many years and done what he could to keep Texas as a district attorney, attorney general and the state's chief executive, was told what's what the other day in his own precinct.

With press correspondents and others, the governor climbed into an automobile and started to the municipal airport where he was to officiate at ceremonies christening Jimmy Mattern's new airplane.  
The only thing wrong with the proceeding was that the automobile headed in the wrong direction down a one-way drive through the capitol grounds, taking a short cut to reach the governor's mansion.

The eagle eye of a watchman was not to be evaded, however. The watchman's shrill whistle and the stern waving of an official arm directed the party to do an about face and leave the grounds in the proper manner.  
Rep. Fred Felty of San Antonio is back from Mexico breathing words of praise for officials of that country.  
Felty is a member of a committee of the Texas house of representatives investigating marketing methods of cement manufacturing companies and, especially, the price the State has been paying for cement for highway building.  
As a sub-committee of one, Felty went to Mexico to determine whether it would be practicable for the state to purchase cement from foreign sources or manufacturing its own. Mexico has had considerable experience in the latter connection.  
"I had the most courteous reception and officials of the Mexican government went to a great deal of trouble gathering statistics for me," Felty said, displaying a heavy loose-leaf volume crammed with pages of data in Spanish.  
As Felty grew up in San Antonio and speaks and reads Spanish well it was easy for him to deal with the Mexicans.

was observed laboriously pawing among the papers and another weighed until curiously had to be served.  
"What," queried the latter, "are you looking for?"  
"For the bodies of the Blantonas," said the former. "You never can tell!"  
The disappearance of Luther and John Blanton from their farm home near San Feleita last year has not been solved to date.

## MEXICAN MOVIE SHOTS MADE OF THE ALLREDS

MEXICO CITY, Aug. 6 (AP)—Gov. James V. Allred of Texas and his family here for a vacation, were guests of the Mexican government today on a sidetrip to Puebla.

tures of the official family of Texas were arranged in the patio of the American embassy by the government department of press and publicity.  
The Allreds spent Thursday viewing local places of interest and seeing that their seven-year-old son, "Jim Boy," stayed in bed. He became slightly ill en route to the city and was ordered to rest by a physician.  
At the embassy the Allreds are occupying the quarters of Ambassador and Mrs. Josephus Daniels, who are out of the city.

**CAT AND 9 LIVES.**  
CROFTON, Neb., Aug. 6 (AP)—D. A. Cross found his cat lying in the road, apparently dead. So he buried it. Next day the cat, shaking off a little dirt, scampered up to the house for food.

## International Sunday School Lesson

**GOD FEEDS A PEOPLE.**  
Text: Exodus 16:1-30; 17:3-6.  
By WM. E. GILROY, D. D., Editor of Advance.

The symbolism of the promised land and of God's leading, the children of Israel from bondage to liberty comes into every detail of that momentous march of a people.

Here in our lesson is the story of the quails and the manna, with the teaching that the Lord will provide for those who hear His word and obey His call.  
Bread from heaven was this manna, and we are apt to forget, in the intricacies of modern life and in the abundant productivity of our modern world, exploited with all the wonders of agriculture, that all bread comes from heaven.

Man cannot create so much as a loaf without the help of the mystery of nature, and the miracle of the manna is, after all, no more wonderful than the miracle of our daily bread. It is a miracle simply of a somewhat different sort and different emphasis, and possibly it requires a different sort of apprehension and belief.

Moreover, the symbolism reaches very deeply into the realities of human responsibility. Manna was given only for the day. It was not some miracle by which everything was provided for man, with no responsibility resting upon himself. If he did not do his part in gathering the manna while it was fresh, there was none left over for the next day, for it became spoiled if they sought to keep it.

It was a great lesson in receiving and using today what God gives in opportunities and resources that we may not have tomorrow; and we all depend for the effectiveness of our journey thru life upon this immediate use of all that God gives.

With the hunger for bread was the thirst for water, and thirst afflicted these children of Israel as it has afflicted the thirsty in every age. They murmured against Moses. Why had he brought them out of Egypt, that they and their children and their cattle should suffer and die?

Like the manna, the water came through the miraculous smiting of the rock. Here is the symbol of refreshing and renewing, of God's provision of leaving water for the discouraged and famished.

We speak of this as a miracle, but it is no more wonderful than the miracle by which the water comes to us. Moreover, the water that came from the rock may have been a natural spring. It was the method of sacred writers to attribute all such things to the provision and act of God, and they were right in seeing the hand of God where we today tend to forget all about God, and speak only of "Nature."

Our failure to see wonderment and miracle in natural processes is only because we choose to call nothing a miracle that we can explain according to the science and laws; but the conclusions of our experience and our laws do not explain things or account for sources of power and of blessing.

The mysteries by which man's wants are supplied are none the less mysterious because we choose to call some things "natural" and other things "miracle."

The lesson of the story of God's feeding the people in the wilderness and of satisfying their thirst is that all along the journey of life, the goodness of God and the rich provision of His grace are available for man.

## 4 MEMBERS OF FAMILY ARE SHOT TO DEATH

PITTSBURGH, Aug. 6 (AP)—Four members of a West End family were shot to death today. Frank Gregor found the bodies of his two sisters, his mother and a brother in a bedroom of their home.

The dead were Marian Gregor, 13; Betty, 17; Mrs. Gregor and her son, Barney, 14.  
A rifle lay beside the body of Barney.

Frank Phillips, Bartlesville, Okla., president of the Phillips Petroleum company, says indications point to the best year for the oil industry in 1937 "since the depression."

**POETIC JUSTICE**

CHARLOTTE, N. C., Aug. 6 (AP)—Ray Sprague is one traffic officer who has lost in court. Judge Russell R. McPeck ruled Sprague had to pay \$400 damages and costs as the result of an automobile accident Nov. 14, 1935, while he was pursuing a speeding truck. The judgment was in favor of Mrs. Mary Metes, one of four persons injured in the wreck.

**Stamp News**

BY I. S. KLEIN

THE new commemorative stamp to be issued July 13, on the 150th anniversary of the adoption of the Ordinance of 1787 and the establishment of the old Northwest Territory, will bear portraits of the Rev. Dr. Manasseh Cutler, first high-powered lobbyist in the United States, and of Rufus Putnam, who led the settlement of this territory. Between them will be a map of the land which now includes the states of Ohio, Indiana, Michigan, Illinois, Wisconsin and Minnesota east of the Mississippi.

The stamp will be a three-cent purple, of regular commemorative size. It will be issued first at New York, N. Y., where the ordinance was signed, and at Marietta, O., first city to be settled in this territory.

There still may be time to send first-day covers to the postmasters at these points, with the necessary money to cover cost of the stamps. Not more than 10 should be sent to each postmaster.

The other commemorative stamp, on the 350th anniversary of the birth of Virginia Dare, first child of European parentage native to this country, will be one inch square and will be printed 8x4 on a sheet. First day of issue will be Aug. 18 at Manteo, N. C.

Following this, on Aug. 26, at Asheville, N. C., will come the souvenir sheet, containing the 10-cent National Parks stamp in the center. This sheet will measure 3 1/2 inches by 2 1/2 inches. Space on first-day covers should be allowed for this size sheet.

**SPORTS ROUNDUP**

BY EDDIE BREITZ

**NEW YORK** Aug. 6 (AP)—No American league batter hit for the cycle (single, double, triple and home run) in 1936. Three have done it this year—Gerald Walker, Joe DiMaggio and Lou Gehrig. . . . Just to make it look good, DiMaggio contributed a second homer. . . . Big Ten coaches expect Harry Stuhldreher's Wisconsin eleven to toss a few bombshells this season. . . . Mike Jacobs' wife gave him merry "L" for taking her to the garden. . . . Said he has been working too hard, anyway. . . . Mike was afraid to go home after signing the lease.

New York baseball writers with the Giants were back Bill Terry has given up on Memphis Lou Chiozza and is eyeing Joe S. Ripp of the Dodgers as his 1938 third-sacker. . . . Don't go to pitying Jimmy Johnston for losing out at the Garden. . . . The guy is likely to wind up as director of sports for the forthcoming World's Fair. . . . So far the Yankees have belted 126 home runs, of which 76 were contributed by Messrs. DiMaggio, Gehrig and Dickey. . . . What are you going to do with a team like that?

Ask Blondy Ryan of the Giants about some screwy base running he did in a recent game at Minneapolis. . . . He tried for second on a Texas leaguer, found the ball ahead of him, ran around the bag and finally stuck back to first. . . . The fine President Will Harridge plastered on Bill Dickey, of the Yanks, was Bill's first since he socked Carl Reynolds in the kisser down at Washington a few years back.

**WHEN THE TRAFFIC WAS SPEEDED UP**

ZANESVILLE, O. (AP)—Policemen Lacey and Crozier stopped at a traffic light to check up on motorists and were amazed to note that most were driving with unusual speed and ignoring the light in their haste to get away from something.

Along rumbled a truck, and the officers' noses gave them the answer. They stated the driver on a charge of driving a slaughterhouse truck without an airtight container.

**APPLICATION FOR LIQUOR PERMIT**

"The undersigned is an applicant for a Retail Liquor permit from the Texas Liquor Control Board and hereby gives notice by publication of such application in accordance with provisions of Section 10, House Bill No. 77, Acts of the Second Called Session of the 44th Legislature, designated as the Texas Liquor Control Act.

"The Retail Liquor permit applied for will be used in the conduct of a business at 832 West Foster Street, Pampa, Texas.

Call your local agent at Bus Terminal, Phone 871.

### Best Boat Won America's Cup Sopwith Says

NEWPORT, R. I., Aug. 6 (AP)—Even the vanquished conceded today the better boat won when Harold S. Vanderbilt's record-breaking Ranger Yacht club during its annual cruise, to recover the America's cup by taking four straight races from T. O. M. Sopwith's Endeavour II.

Sopwith would not say whether he would challenge again, and Vanderbilt, "glad the strain is over," declined to indicate if he would attempt a fourth successive defense of the famous trophy if a challenge were forthcoming.

Sopwith and Vanderbilt both turned attention today toward a series of races scheduled by the New York Yacht club during its annual cruise, which will start at New London, Conn., August 16.

Competing in these races will be five class J boats, a record for this country.

Sopwith, among the first to congratulate Vanderbilt after Ranger's decisive triumph yesterday, said without reservation the defender possessed more speed than his big blue challenger. He predicted Ranger had ushered in a new era in yacht construction.
