Arrest of Two
Robbers

CHEROKEE, Okla., Aug. 14.—(AP)—The Bank of Driftwood at Driftwood was robbed by two masked bandits today of approximately \$3,000. Driftwood is about 10 miles north of Cherokee.

SAN ANTONIO, Aug. 14.—(AP)—Within an hour after two armed, unmasked bandits had held up A. H. McLean and Frank Wiemer, bank messengers on a downtown street and robbed them of \$7,400. Sheriff Alfonso Torres, Jr., and two deputies had arrested the men under arrest and recovered most of the money.

The money, carried in a satchel, consisted of \$6,000 currency and \$1,400 in gold.

Part of the money was recovered from Collins garden house, and officers now are searching for the remainder.

A holdup was staged near the intersection of Navarro and Villita streets. McLean and Wiemer, employees of the Guarantee State Bank, were en route to the Federal Reserve branch at the time.

The bandits were sitting in a car.

The bank employes walked past, and the bandits leaped out leveled their guns, grabbed the money and jumped back into the car.

The driver then stepped on the gas and the bandits fled out Villita onto Presa street. McLean fired two shots but failed to halt the bandits.

Rotary District Head in Pampa

Bernard Bryant of Stamford, district governor of the 41st district Rotary International, will be the guest of honor at the Rotary and Rotary Ann banquet to be held in the basement of the Methodist church tonight at 8 o'clock. Mrs. Bryant will accompany her husband.

The program will be in charge of M. K. Brown, president of the local club.

Plane Co-Pilot Is Missing—Ship Is Forced Into Lake

CLEVELAND, Aug. 14. (AP)—A Cleveland-Detroit amphibian plane of the Thompson Aeronautical corporation today was forced down in Lake Erie, 4 miles west of Pelee Island.

Cy Caldwell, Cleveland, pilot, and Mrs. Robert Little, Cedar Rapids, Ia., were picked up by the freighter "Midland King." C. A. Lupolo, Patterson, N. J., mechanic, was rescued by the freighter Denmark. The co-pilot, Jack Kasper is missing.

BUFFALO, N. Y.—(AP)—The Holders and Merkers, neighbors, are not speaking. Frank Holder, in sound sleep, was awakened by a stream of water from a garden hose, directed thru his bedroom window. He hailed Mrs. Rose Merker to court on an assault charge, but she convinced the court the hose had broken at a kink just beneath the window, and went free.

Navy's First All-Metal Dirigible Soon Ready

Here's the ZMC-2, the first all-metal dirigible built for the United States navy at Detroit and soon to be delivered. The huge fins above and below the cigar-like body control the craft and embody new principles in dirigible operation. The dirigible is 150 feet long and 5 feet in diameter and is inflated with helium gas. It will carry a crew of four and a load of 1000 pounds over 1200 miles at a cruising speed of 55 miles an hour. The weight is approximately the same as that of a fabric-covered dirigible as the welded metal envelope is very thin and fewer braces are required. Below is the control car.

Labor Day Will Be Gala Event If Plans Are Realized

Plans for Labor Day celebrations are going forward through work by Labor union committees. A monster parade, free picture shows, athletic events, base ball, motion pictures, and other attractions will be on the program.

President Bourland Visits in Pampa

Andy Bourland, president and acting manager of the West Texas Chamber of Commerce, and J. E. Biggs, field manager of the same organization, was here for a short time yesterday. Mr. Bourland makes his headquarters at Vernon. Mr. Biggs is from Amarillo.

FIGHT IS POSTPONED

NEW YORK, Aug. 14. (AP)—The Vittorio Campolo-Tom Heeney fight scheduled for ten rounds tonight at Ebbets field was postponed until tomorrow night because of threatening weather. Humbert Fagazy announced the postponement just before the men weighed in. Campolo scaled 233 pounds and Heeney 204.

IMPROVEMENTS TO BE PASSED UPON TUESDAY

City Hall, Auditorium
One of Several
Projects

EACH ISSUE IS TAKEN SINGLY

Fire Station, Parks
and Paving Are
Desired

Growing interest is being noted in connection with the municipal bond election to be held next Tuesday at the city hall. Local citizens will vote upon four separate projects, in which defeat of one or more would not endanger the others.

The projects are:

1. City hall-auditorium to be located on Albert square, \$100,000.
2. Fire station, new equipment, and comfortable living quarters for firemen, to be located on present city hall site, \$33,000.
3. Paving of streets and alleys already petitioned for to amount that would double present paving, \$85,000.
4. Beginning of city parks and playgrounds system, \$20,000.

The ballots will show these projects as distinct issues, and the voters will indicate their opinion in each instance.

The city hall is proposed to keep faith with the donors of Albert square, and to provide needed city hall headquarters, auditorium, women's club and rest rooms, and general facilities for public programs, lectures, band concerts, mass meetings, and the like. Albert square may not be used for any other than a municipal purpose, under the terms of the gift to the city.

Gift Is Conditional

The fire station is likewise needed as a separate unit if the city is to hold the half block just south of Albert square. This land is in the Albert square grant, and if used for any except strictly municipal purposes may be forfeited and the title lost. Moreover, the city may not trade or lease this land for any purpose whatever, the deed specifies. Proposals have been heard suggesting that the city lease the half block or permit brick commercial or fraternal structures to be placed there, rounding out the business section on that side of the square. Such a course is impossible, inspection of the land grant reveals. The city must either improve and use the property for its own purpose or turn it back to the owners of the White Deer lands.

No objection has been raised by representatives of the White Deer lands, however, to placing of the American Legion hall on the city property, and the proposed fire station plans would in no way affect the status of the Legion's location.

The paving bond item has been inserted in lieu of issuing warrants, as has been done in the past, then refunding the warrants into bonds. By issuing bonds in the first place, the city will save the difference between 5 1/2 and 6% interest over the period the warrants would be held. Petitions for much of the proposed paving, representing nearly every section of the city, were placed in the hands of the city commission before the bond election was called.

The paving bond money would be used to pay the city's share of new street surfacing, with the property owners paying the remainder. The financing status of paving work here would be unchanged.

City Planning Urged

The parks and playgrounds item grew out of lengthy agitation for beginning such work. It is also in line with city planning activities just getting under way as an aftermath of the coming of John Surratt of Dallas, secretary of the Kessler Plan association.

OPERATORS' NO. 4 COMES IN AS GUSHER

Central Gray county held the spotlight today as Operators' No. 4 Cook-Faulkner, a north offset to No. 2, hit for a flow of 7,600 barrels daily. It also has 30 million cubic feet of gas.

Bottomed at 2,842, a single foot into the pay, the big gusher was taxing the Texas pipeline capacity and could not be drilled further. Coaxed to capacity, it probably would be Gray county's biggest well by initial flow. The test came in at 10 o'clock this morning. It is in the west 90 acres of section 30, block B-2.

The same company's Nos. 5 and 6 have been standardized and will be completed within the next few days, or as soon as pipeline facilities are available, according to Tom Doswell, superintendent.

Well No. 4 was the scene of a dangerous accident last night. Jack Kellamos, about 35, lost his right hand when he was thrown into the engine. The plank on which he was standing was struck and jerked from under him by the belt. His hand was severed about half way between his knuckles and wrist. He was given emergency treatment then rushed to a local hospital.

Self Defense Is Pleaded Again by Woman's Slayer

CANYON, Aug. 14. (AP)—Mrs. Levi P. Stallworth, slayer of Mrs. Grace Morrison, pinned her faith today on a double theory of defense in her murder trial. Her counsel had about 12 additional witnesses to question before closing direct testimony.

The prosecution rested yesterday after drawing its picture of the shooting, which occurred in front of an Amarillo hotel May 13, through declaration of eye witnesses.

The defense, which in a previous trial an Amarillo had emphasized its contention Mrs. Stallworth killed Mrs. Morrison of Plainview, because the victim and Stallworth had been intimate, presented witnesses to swear Mrs. Morrison had been carrying a weapon and the Amarillo woman feared for her life.

Mrs. Stallworth's mother-in-law, Mrs. E. M. Stallworth of Fort Worth, was with the younger when she slew Mrs. Morrison.

AMARILLO, Aug. 14. (AP)—While sleeping in a hotel room here early today with her roommate at her side, Mrs. Hallie Parkie, 29, was shot to death. O. H. (Jack) Parkie 32, her husband, was found slumped to the floor at the foot of the bed with a bullet through his head.

Parkie was rushed to a hospital, and although he was alive at noon it was said by physicians his chances for recovery were slight. He had not made a statement.

The Parkie's had been separated, and friends said the husband had been pleading with his wife to return to him. He was a waiter in a cafe here, and Mrs. Parkie had been here two or three days seeking work as a waitress.

Parkie had taken a room on the same floor of the hotel after he had learned his wife had registered there. Miss Ludie Raynes, Mrs. Parkie's room mate, was the only witness to the shooting. She said Parkie had come to the room early yesterday evening with another man and appeared in the best of spirits. He returned about 3 o'clock this morning, she said, and argued with Mrs. Parkie, finally leaving only to return about an hour later.

At this time, Miss Raynes said, he appeared extremely nervous and threatened Mrs. Parkie if she did not return to him. Miss Raynes said the next thing she remembered was being awakened by a shot and seeing Parkie standing by the bed.

She said Parkie after firing four times at his wife turned the gun on himself. Miss Raynes then said she ran to another room and called the "Tired of Living".

A note found in Parkie's pocket read: "Dear: feeling bad, tired of living. Am going to end it all. Am going to

City Bond Election Data

WHAT—Municipal bond election to authorize needed public improvements.

WHEN—August 20, Judge J. B. Ayres in charge.

WHERE—City hall, corner Foster and Russell.

WHO—All property taxpayers who paid the poll tax are qualified to vote; also those having age or disability poll tax exemptions and those who have been in the state a year and city six months, but who came here after January 1, 1928, and because they were not assessed for taxes are not required to show a poll tax receipt. By "property taxpayers" is meant any person owning property subject to taxation in the city of Pampa.

PROJECTS—1. Erection of a city hall, with city jail and necessary equipment, and an auditorium with club rooms, at an approximate cost of \$100,000. Levy required, 14 cents on the \$100 valuation of taxable property assessed.

2. Erection of fire station and purchase of needed equipment, entailing an expenditure of about \$33,000. Levy required, 5 cents on the \$100 valuation of taxable property assessed.

3. Construction and improvement of streets and alleys, \$85,000. Levy required, 12 cents on the \$100 valuation of taxable property assessed.

4. Construction and improvement of public parks and playgrounds, at cost of \$20,000. Levy required, 3 cents on the \$100 valuation of taxable property assessed.

BONDS—To be 30-year serials bearing 5 1/2 per cent interest, totaling \$238,000. Total levy required, based on actual property valuation of the 1928 tax roll (\$5,580,000), 34 cents on each \$100 of the taxable property.

(The 1929 tax roll, not yet complete, is estimated at \$6,000,000. This increase would reduce the total levy to 30 cents per \$100 valuation.)

Women Proclaimed "Good Bosses" as They Increase in U. S. Employ

By MARGUERITE YOUNG Associated Press Staff Writer WASHINGTON, (AP)—There is a woman in the state department whose special business is to act as liaison officer between the diplomatic corps and the treasury, and her duties include arranging for smooth operation of diplomatic liquor permits.

For other departments, women do jobs varying from lighting lamps at dusk on lonely streams to supervising a personnel of 4,000 individuals in the postal service's headquarters. Officials universally proclaim women successful. They invariably volunteer, when referring to feminine assistants, "she runs that job, too," or "she is the boss of that work."

The woman who assists the diplomat is Miss Margaret V. Bennett, she attends to all troublesome details. Miss Alice B. Sanger, who worked for President Harrison as a stenographer, is appointment clerk of the post office department.

Besides three full fledged trade commissioners, the commerce department has in its service eight other potential eminine commissioners, now scattered in trade jobs over the globe. Miss Jessie Dell has demonstrated eminine capability in the office of the civil service commission, and Miss Mary Emma O'Reilly takes her duties as assistant director of the United States mint with ease and charm.

There are many others: the Army Nurse Corps is under the direction of Miss Julia C. Stinson and her assistants are women. In the Navy, Miss Mabel Debois is chief of the libraries division directing buying and distributing of reading matter, not only in all naval stations, but on the high seas as well.

With the resignation of Mrs. Mabel Walker Wilebrandt, the outstanding woman official of the justice department was removed, but even in that branch of the government, women still hold important posts as special assistants.

Wind, Hail, and Fires Leave Trail of Heavy Damage

NEW YORK, Aug. 14. (AP)—Wind, rain, hail and lightning, sweeping through three eastern states left a trail of destruction, marked today by damaged buildings, blocked highways and ruined crops.

Regions in Pennsylvania, New York state and Vermont were visited by a series of storms yesterday in which damage by fire and flood was added to the havoc wrought by wind and hail.

A wind of hurricane force cut a swath 25 miles wide through Vermont from Lake Bomoseen to Middlebury, overturning cottages and damaging other buildings.

The main highway between Rutland and Middlebury was blocked by fallen trees and communication between Rutland and Lake Bomoseen was cut off. Several floating parties on the lake reached shore with difficulty, but there was no loss of life.

Farmers in the path of the storm lost sheep and other stock and suffered severe damage to barns and other farm structures. In the vicinity of Reading, Pa., a series of electrical storms fired three barns while the torrents which accompanied the wind and lightning poured streams over their banks, flooded property and made bridges impassable.

Teacher Gives Party for Her Methodist Class

Mrs. Joe Hodges, teacher of the Loyal Workers' class of the First Methodist church, yesterday afternoon entertained members of her class and several guests with a "tacky" party in the class rooms at the church. Seventeen members and guests attended the delightful event, which lasted from 5:30 to 7 o'clock.

Mrs. Hodges served dainty refreshments, after which Josephine Lane received a prize for the best costume. The class of active workers is made up of 12-year-old girls.

Gibraltar Club Is Entertained by Mrs. J. S. O'Brien

Members of the Gibraltar bridge club were entertained yesterday afternoon at the home of Mrs. J. S. O'Brien. Decorations in yellow and green color scheme were used.

Following a delightful luncheon served by the hostess, Mrs. Gladys Jaynes was awarded high score prize. Second high went to Mrs. T. A. Robinson. Mrs. Pebble Collins was given the consolation prize.

Others attending the delightful affair were Mrs. R. B. Sewell, Mrs. Walter Voyles, Mrs. W. S. Green, Mrs. C. S. Barrow, Mrs. Arthur Jaynes, Mrs. Roy Kilgore and Mrs. Raymond Brown.

Mrs. T. A. Cox left last week for Cleburne, where she is visiting family and friends. Mr. Cox will leave today for Fort Worth, where his wife will join him in a tour of Southern Texas. Mr. Cox is employed by the Santa Fe at Pampa.

Mrs. Jess Stalls was the recipient of social honors last night when Mrs. T. A. Perkins and Mrs. Bob Chafin entertained in her honor.

The Chafin home was beautifully decorated with zinnias. After playing of bridge during the evening, refreshments of sandwiches and tea were served.

The guests included the following: Mrs. H. H. Hicks, Miss Ennis Hicks, Mrs. Frank Catterton, Mrs. W. A. Gray, Mrs. C. M. Carlock, Mrs. Roy Dyer, Mrs. Ralph Arnold, Mrs. Lula Bramer, Mrs. F. W. Byrd, Mrs. E. A. Hampton, Mrs. M. D. Oden, Mrs. Roger McConnell, Mrs. J. R. McSkimming.

RUM RUNNERS SCORE WINDSOR, Ont., Aug. 14. (AP)—(Canadian Press)—Rum runners broke through the U. S. Coast Guard blockade yesterday and were successful in landing several cargoes of liquor in daylight at the Detroit docks. The runners waited until a Coast Guard Patrol boat had passed out of sight below the Ambassador bridge and then transferred 40 cases of whiskey from a speedboat to an automobile.

Schneider, are defendants, the nature of plaintiff's demand being substantially, as follows, to-wit:

BRIEF STATEMENT OF THE CAUSE OF ACTION.

That on November 15, 1927, the City of Pampa, Texas, issued its certificate of special assessment, payable to Stuckey Construction Company, or assigns, for the pro rata cost of paving of Francis Avenue in said City, said certificate reciting that by ordinance dated August 8, 1927, there was levied and assessed a special assessment against the following property, to-wit: Lying and being situated in the

City of Pampa, Gray County, Texas, being Lot 12, in Block 22, of the original town of Pampa, and against the said Stuckey Construction Company, the real and true owner thereof, said assessment being in the sum of \$1,509.19, payable in three annual installments, beginning November 14, 1928, and annually thereafter, bearing interest at 8 per cent from November 14, 1927, and providing for accelerated maturity and reasonable attorney's fees, if placed in the hands of an attorney for collection.

That default has been made in the payment of the first installment due on said certificate, and Realty Trust Company, the present legal owner and holder thereof, has declared same wholly due and payable and has placed same in the hands of attorneys for collection, and reasonable attorney's fees of \$300 have accrued. That defendant, W. J. Conaway, has some interest in said real estate, but same is inferior to the lien of plaintiff's assessment.

Plaintiff prays for personal judgment against Dr. Elgin Hughey Conaway and foreclosure of lien against all defendants, including W. J. Conaway.

BRUSHING UP SPORTS . . . By Laufer

In Wesley Ferrell, 21-year-old righthander, the Cleveland Indians appear to have the pitching find of the season. This, his first year as a major leaguer, finds him well on his way to win 20 ball games, something in these days of the crazy ball that only the very best pitchers can achieve.

Best of all, three of his most recent wins came at the expense of the Athletics and Yankees. Wesley stopped the hard-hitting Mackmen twice within a week. All of which makes Billy Evans and Roger Peckinpaugh glow with anticipation, for in this young Ferrell kid they see a consistent winner that will help them in their quest to bring a pennant to Cleveland within the next few years.

Strangely enough, another member of the Ferrell family is in his first year as a major leaguer. Fandom will recall the mighty ballyhoo that ushered Richard "Rick" Ferrell into the American League as a member of the St. Louis Browns. Rick had

been the outstanding catcher in the American Association last season and when declared a free agent during the winter, sold himself to the Browns for a reputed \$25,000.

Naturally, this gained him columns of newspaper space. Correspondents wrote reams of copy from the Brownie training camp about the budding young catching star. Wesley, meanwhile, was getting in shape with the Indians at New Orleans and although the Indian management was very optimistic about his future, his brother hogged most of the fame for the Ferrell family.

Rick has done well for a first-year man with the Browns. Supplanting Wally Schang as firststring catcher is a task young Ferrell has not yet come up to. Not being in the lineup regularly has hurt his batting, although he gives much promise of living up to all the nice things said about him. In this respect Wesley was lucky. He had no glowing reputation to sustain, but the big blond kid started right out to build one.

Hartnett's Bad Arm Is Cause of Split in Opinions

CHICAGO, Aug. 13—(AP)—There continues to be a difference of opinion as to the status of Gabby Hartnett's throwing arm which has been lost to the Chicago Cubs throughout the season's chase of a National league pennant.

Hartnett still complains of a pain in his shoulder and is unwilling to attempt to burn the ball from the plate to second base. Manager Joe McCarthy, however, inclines to believe that Gabby's trouble is more imaginary than real.

Despite Hartnett's failure to handle the behind-the-plate job this year, the Cubs have managed unusually well by the services of the veterans Gonzales and Taylor, aided and abetted at various times by rookie talent.

New threats to the lineup continue to appear in reports from the eastern front on which the club is now performing. Hack Wilson's slender ankles are beginning to evidence their annual rebellion against carrying the weight of the bulky centerfielder. Wilson is slightly less speedy in the outfield and on the bases and lumps somewhat when running.

Cuyler has been an irregular for more than a fortnight because of injuries. With McMillan and Heck out of the game, Blair remains the only available man for third base.

ninth after the day had been lost. Home runs by Sammy Hale and Jimmy Foxx, his twenty-seventh, provide Quinn with his winning margin.

The Red Sox escaped from Chicago with the last game of this series 3 to 2. The Browns turned on the Senators 14 to 2, in the getaway game at St. Louis.

With half of the National league clubs idle because of the advancement of games in the schedule at Brooklyn and Philadelphia, the Bruins nosed out the Braves 4 to 2 in the last game of the series at Boston and increased the Chicago lead to eight and one-half games.

The Reds trimmed the Giants 3 to 1 in the last of five games at the Polo grounds, and at the same time broke the spell Fred Fitzsimmons had held over them.

WICHITA FALLS PARK IS SCENE OF BIG CRISIS

By GAYLE TALBOT, Jr. Associated Press Sports Writer

A four-game series that in all likelihood will settle the second half championship opens at Athletic park at Wichita Falls today with the Fort Worth Cats making their supreme bid. It will be a torrid quartet of encounters.

Manager Frank Snyder of the Cats probably would be willing to settle for an even break and take his chances against the six other clubs. Odds are in favor of the Spudders.

George Payne, who has had two full days of rest and should feel like a new man, probably will be Galloway's choice to face the Kittens in the opener. If George doesn't start, he doubtless will get in before it's over. It's getting where a Wichita box score isn't official unless Payne's name appears some where, and its appearance almost is synonymous with victory.

As a sort of warm-up for the "crucial" bouts starting today, the Spuds toppled the Sports, 5 to 4, in the last game of their series. Rabbit Benton, who either is or is not the greatest shortstop in the Texas league, dependent upon one's place of residence, cracked a double in the eleventh frame to score Crouch with the deciding run.

The Steers bade farewell to La Grave field for the season by banging out an 8 to 5 decision off Snyder's hopefuls. They fell on Dick Whitworth for six runs before he could get anybody out in the ninth.

Bill Harris, slim Waco righthander, further qualified as the league's hard luck champ when he held the Exporters to five hits and was licked, 2 to 1, in the opener at Stuart stadium. Bill Kelly, slugging Shipper first sacker, punched one of Bill's fast ball's over the palings in the ninth, and Bill Huber rode in ahead of him.

Houston, as anticipated, hopped a-1 in the last of five games at the Polo grounds, and at the same time broke the spell Fred Fitzsimmons had held over them.

Giant Argentine Will Fight Heeneey in Battle Tonight

NTW YORK, Aug. 14—(AP)—Fistic observers expect to discover within the next 24 hours whether Victorio Camp-

-olo is to be rated among the heavyweight contenders.

The giant Argentine, who is 7 feet 7 inches, is to meet Tom Heeneey, the "Honest Blacksmith" from Zealand, in the ten-round feature at Ebbets Field, Brooklyn, tonight.

Heeneey has been established a favorite for tonight's bout. Observers, who know too much ring lore for the green and inexperienced South American,

ANOTHER LOSS PUTS YANKEES FAR INTO REAR

By WILLIAM J. CHIPMAN, Associated Press Sports Writer.

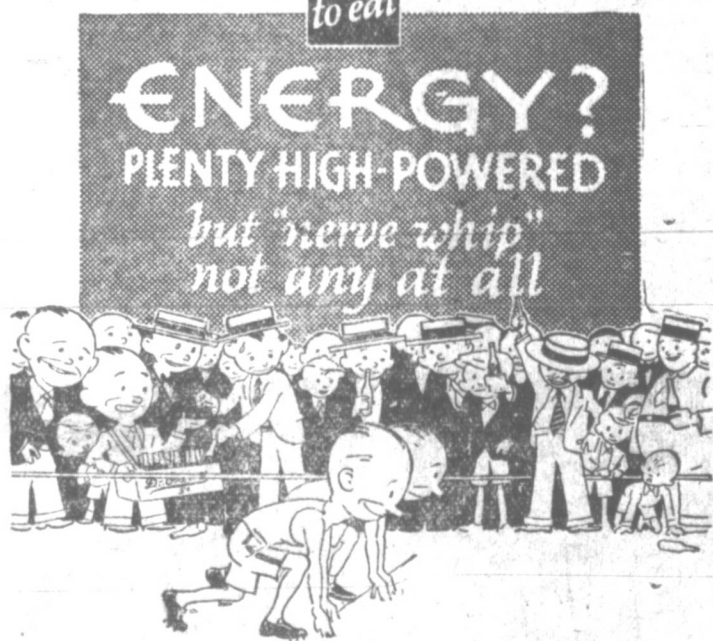

The Athletics are skipping merrily along again as eastern American league clubs prepare for the second series of their final western invasion.

Following Rube Walberg's brilliantly pitched effort against the Tigers on Monday, Old John Piesus Quinn turned in a neat game yesterday to shade Victor Sorrell by 4 to 3 in the Mackmen's last appearance of the season in Detroit. It now remains only for Mose Grove to turn in a good game, and if he probably will get his chance at Cleveland today.

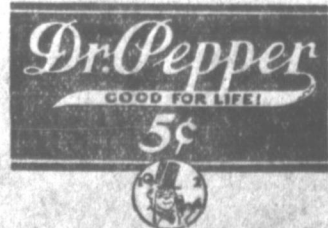

The victory of the Athletics gave them three out of four in Detroit and enabled them to stretch their lead to twelve and one-half games, their biggest margin of the season. The Yanks were nosed out at Cleveland 3 to 2. Quinn gave the Tigers eight hits,

two more than the Macks exacted from Sorrell, but the game was not nearly so close as the score sounded. Cronin's

ALL GRAIN HIGHER
CHICAGO, Aug. 14. (AP)—Reports of frost in Canada did a good deal to send wheat upward here today after a decline at the start. Notable strength which the corn market developed was likewise a factor on the side of higher prices for all grains.
 Opening 3-8c to 1 7-8c off, wheat afterward rose sharply above yesterday's finish. Corn started at 1-3c decline to 1-4c advance and subsequently scored rapid general gains. Oats followed corn. Provisions went lower.

Suspended Panther Can Play Today

WICHITA FALLS, Aug. 14. (AP)—The Fort Worth Texas league baseball team will meet the Wichita Falls club at full strength this afternoon here because President Alvin Gardner of Wichita Falls wants his boys to meet the worst team the visitors can offer.
 Mr. Gardner's request that outfielder Larmon Cox of the Panthers be reinstated was granted last night by William B. Ruggles, acting president of the league.
 Cox had been suspended for three days starting yesterday because of an altercation with an umpire Monday.
 Gardner said that "in view of the close character of the pennant race and the already crippled state of the Fort Worth club, I believe the best interests of baseball will be served by having the full strength of the Fort Worth club in the four day series with our team. The Wichita Falls club would appreciate it as a personal favor of Outfielder Cox is reinstated in time to play in this series."
 Cox will pay a \$25 fine in lieu of two additional days of bench riding.

Theora Hix Given Blame in Affair

COURTROOM, Columbus, Ohio, Aug. 14. (AP)—Responsibility for the three-year love affair between Dr. James H. Snook, former Ohio State professor, and Theora Hix, the girl he killed last June, was placed on the shoulders of the girl today by Max Seyfert, defense attorney, in his closing arguments to the jury.
 Seyfert drew a picture of Miss Hix when she went to work as a stenographer three years ago in the veterinary building at Ohio State university where she met Dr. Snook, described her as the moving spirit in the affair that grew up between them.

 Based on present valuations, the levy necessary for all the projects would be 34 cents on the \$100 valuation accounted on the basis of the year, the tax levy necessary would be 30 cents. Should only a part of the projects carry, the levies would be taken from the successful ones. The levy in each case, based on present valuations, follows:
 City hall-auditorium, 14 cents on the \$100.
 Fire station and equipment, 5 cents on the \$100.
 Paving, 12 cents on the \$100.
 Parks and playgrounds, 3 cents on the \$100.
 Only property taxpayers who have paid the poll tax or are exempt from such a tax may vote. By "property taxpayer" is meant anyone who has property that is assessed or with a car, watch, piano, or other taxable property may vote. In the list of poll tax exemptions are those persons who have moved to the city since January 1, 1928, and who, therefore, arrived too late to be assessed before that date. All voters, however, must have been in the city at least six months, and in the state a year.

Graf to Be On Trip to Tokyo in Less Than Day

FRIEDRICHSHAFEN, Germany, Aug. 14. (AP)—Final preparations were made today for the Graf Zeppelin, mighty German dirigible to take off before dawn tomorrow for Tokyo in continuation of its round-the-world flight.
 The Zeppelin's five engines were gone over once again, a last inspection was given the fabric which clothes its rigid framework, food supplies and the ship's cargo of mail were stowed away, and a final checkup made of every element.
 In the Zeppelin company offices maps, charts and weather reports, furnished in part by Soviet observers, were subjected to intensive scrutiny by Dr. Hugo Eckener, the ship's master, and his aides. They expected prior to departure to state somewhat more definitely the dirigible's course across Northern Asia.
 As the time for the take-off approached recognition became more and more general that the Graf was undertaking a voyage which will test its speed, endurance, and airworthiness considerably more than any mere trans-Atlantic crossing.

Russians Claim Attacks by Chinese

MOSCOW, Aug. 14. (AP)—Official notice of actual combats on Soviet soil growing out of Sino-Russian antagonism in Manchuria, Northeastern China was given today in an announcement published by Tass, official news agency.
 The Tass announcement said Russians on Russian soil had been killed and wounded by "White Russians" supported by Chinese troops of the Manchurian garrison. It was said the attacks had been dispersed "by determined actions of our troops."

Minneapolis Girl Is Slain—Body Found Tied Up

MINNEAPOLIS, Minn., Aug. 14. (AP)—Bound in a ginsack, the body of a girl apparently about 12 or 13 years of age, was found in South Minneapolis today. Her hands were tied, and she apparently had been strangled.
 Two ice-men, William C. Hoag, Minneapolis, and William Stokes, St. Paul, found the body and notified police who summoned Mr. and Mrs. Andrew K. Aune, whose daughter, Dorothy, has been missing since yesterday.
 Police Captain Einar Jonasson said the child apparently was lured into an automobile, attacked and slain. Her body then was bound in sacks which were tied together by a piece of wire and tossed into the street.
 Police started a search for a middle aged man seen loitering about the neighborhood of the Aune home for the past several days. Sylvia Aune, a sister of Dorothy, told police she had seen the man several times, driving around and trying to entice girls into his automobile.

Former Texas Girl in Double Suicide

POUGHKEEPSIE, N. Y., Aug. 14. (AP)—Miss Montell Mansfield, 27, and Gail Hamilton, 33, both of New York, died today in what a Dutchess county coroner said was a double suicide.
 Miss Mansfield was found by her guests dead on a bed at her country home, Springtop Farm. When they went to telephone a doctor they heard a shot and returned to find Hamilton dead on the floor with a .32 calibre revolver lying near him.
 Visiting Miss Mansfield in addition to Hamilton were Rudolph Brackett, Fred Navarre, and Miss Elizabeth McJannet, all of New York, and Mrs. Henrietta Vavulis of Los Angeles.
 According to their story, Brackett, Hamilton and Miss Mansfield went for an automobile ride early today, during which Hamilton and Miss Mansfield quarreled. Miss Hamilton went to her room on returning and Hamilton did likewise a few minutes later. The guests said they heard him cry out: "Why did you ever do it, Monty?" and rushed upstairs to find Miss Mansfield lying on the bed and Hamilton attempting to rouse her.
 Hamilton was said to have a wife, Mrs. Elise Hamilton, at present in Paris with their eight-year-old daughter, Betty. Miss Mansfield's father, W. E. Mansfield, was said to live in Farwell, Texas, while her mother, who had remarried, lived in Toronto, Ont.

Three Men Are Killed in Battle Near Sanford, N. C.

SANFORD, N. C., Aug. 14. (AP)—Three men, two of them alleged bandits, were killed and a woman seriously injured in a battle at a filling station on the outskirts of Sanford early today.
 The dead men are: Ola Birdsong and his brother, Lee Birdsong, said to be from Kentucky, and Gaither Edwards, who operated the filling station. Mrs. Edwards is in a hospital here seriously wounded.
 Mrs. Beulah Montgomery, who, with her 18-month-old baby was in a car with the Birdsongs, is held by police pending investigation.

Elks Will Close Charter Membership List at Meeting

The charter membership list of the Pampa Elks club will close tonight at a Dutch lunch in the Schneider hotel dining room at 8:30 o'clock. Names of transfer members and applications for membership will be sent to Elks headquarters tonight and a request for a charter.
 A temporary home has been secured from Dr. V. E. von Brunow. Institution of the lodge is expected soon. It is estimated that the charter membership list will contain 100 names. Anyone wishing to make application for membership is invited to attend the meeting tonight.
 The Elks will sponsor a mammoth air circus here Sunday afternoon. A number of planes will be on the field to take up passengers at reduced rates. Daredevils of the air will give performances. Stunt flying and races will be part of the big program, which will be under the supervision of I. Van Nattan, manager of the West Texas Air Service.
 An admission fee of 25 cents will be charged at the airport. All proceeds of the day's circus will go toward buying a lot on which to erect an Elks home.

Publicity Agent of Pantages Missing

LOS ANGELES, Aug. 14. (AP)—District Attorney Byron Fitts disclosed today that William Jobelman, publicity agent for Alexander Pantages, had disappeared on the eve of the magistrate's preliminary hearing on charges of criminally attacking 17-year-old Eunice Pringle, a dancer, in his office last Friday. The state had counted upon Jobelman as a star witness in the preliminary hearing scheduled for today.
 Three other witnesses, as a result of Jobelman's disappearance, were taken from their homes last night and placed in custody of deputy sheriffs. They were W. C. Hale, W. L. Gordon, and Fred Wise, who told police they heard Miss Pringle's screams and ran to the office of Pantages' private suite of offices in time to see the young woman stagger out.

Colquitt Would Retain Hoovercrats

DALLAS, Aug. 14. (AP)—The formation at least temporarily, of a third party—

a party of "Hoover Democrats"—in Texas is advocated by former Governor O. B. Colquitt, appointed by President Hoover to the U. S. Board of mediation.
 Mr. Colquitt, here yesterday en route to Texas City to act in official capacity, declared the "Hoovercrats" should stay out of the Democratic primaries next summer, hold a convention of their own and nominate a slate from governor down.
 The former governor foreses, he added, "no coalition with the Creager Republicans since fully 50 per cent of the old Republican party of Texas voted for Tarifmany and Smith in the 1928 national election."

Traffic Impeded by Band Audience

A large, appreciative audience heard the American Legion band give its weekly concert in front of the Legion home last night. The sidewalk in front of the home was crowded with listeners and cars were parked three deep until city officers cleared the street.
 The need of a bandstand for the band to play in was noticeable when the strteeehn etactn shrdtu etactn et set became blocked with parked cars whose occupants desired to listen to the music. The band gave its best concert of the season last night. Every piece was well played.
 Band members were in summer regalia of white service caps, white shirts with black bow ties, blue sash with gold tassle, and white trousers.
