WHITEY WALKER TRIAL CONTINUED BY AGREEMENT SENATORS APPROVE RESOLUTION CONDEMNING BINGHAM

ACTION FIRST OF THIS KIND FOR 27 YEARS

Senator Defends His
Action But to
No Avail

WORDING MADE LESS BITTER

Question as to His
Motive Avoided
in Vote

WASHINGTON, Nov. 4. (P)—The senate today voted to condemn the conduct of Senator Hiram Bingham, Republican of Connecticut, for taking Charles L. Whelan, an officer of the Connecticut Manufacturers' association, into secret possession of the senate finance committee's file on the time the tariff bill was being passed.

It was the first set of censure in 27 years.

The vote was taken after a protracted discussion during which Bingham defended his action.

Attacks by the senator's friends to soften the language of the resolution of condemnation, which was offered by Senator Norris, Republican Independent of Nebraska, prevailed to some extent and as finally approved cleared Bingham of any intention of corrupt motives.

The vote was 54 to 22.

That the action of the senator from Connecticut, Mr. Bingham, in placing Mr. Charles L. Eynson upon the official rolls of the senate and his use by Senator Bingham at the time and in the manner set forth in the report of the sub-committee of the committee on the judiciary, while not a result of corrupt motives on the part of the senator from Connecticut, is contrary to good morals and senatorial ethics and tends to bring the senate into dishonor and disrepute, and such conduct is hereby condemned.

The sub-committee of the judiciary committee referred to in the resolution is the lobby committee which inquired into the case. Both Bingham and Eynson appeared before the lobby committee and gave details of the employment.

The last time the senate had occasion to censure any of its membership occurred in 1902 when "Pitchfork Ben" Tillman and John McLaurin, South Carolinians, engaged in a personal encounter on the floor.

The roll call follows:
For condemnation—Republicans: Allen, Blaine, Borah, Brookhart, Capper, Coughlin, Cutting, Frazier, Glenn, Goldsborough, Jones, LaFollette, McNary, Norris, Norris, Nye, Pine, Robinson of Indiana, Schall, Steiwer, Thomas of Idaho, and Vandenberg—22.
Democrats—For: Ashurst, Barkley, Black, Brantton, Brock, Broussard, Caraway, Connally, Copeland, Dill, Fletcher, George, Harris, Harrison, Hayden, Heflin, Kendrick, McCellar, Pittman, Ransdell, Sheppard, Simmons, Smith, Steck, Stephens, Swanson, Thomas of Oklahoma, Trammell, Tydings, Walsh of Massachusetts, Walsh of Montana, and Wheeler—32.
Against condemnation—Democrats: None.

Girl Is Held on Charge of Threat

Claudia Myrick, waitress, was released this morning in justice court on a \$150 bond, pending trial on a charge of threat to do bodily injury she is alleged to have made against Christine Smith, telephone operator, Saturday.

Six other women appeared in court as witnesses. According to the charge, Miss Myrick is alleged to have told Mrs. Smith over the telephone that she "would cut her in two."

HANDWRITING WILL BE COMPARED BY EXPERT

Thomerson Promises to
Throw Defense
"on Ears"

DALLAS, Nov. 4. (P)—The Dallas Times Herald today printed an exclusive news story quoting Edward W. Thomerson of Amarillo, district attorney in charge of the prosecution of R. H. Hamilton at Weatherford, as saying testimony of a handwriting expert would be introduced in the murder trial.

Thomerson frankly admitted that the state will endeavor to prove that in many instances, the enclosures of certain letters introduced at the trial were written at a different time from the date shown on the envelope post-mark and with different pen and ink from the shade of ink shown on the outside of the envelope," said the Times Herald's item.

Mr. Thomerson was accompanied here by Leo Sparks, Potter county attorney, and Chidy Haselwood, assistant district attorney under Thomerson, and visited William A. Weaver, handwriting expert of national reputation. To him they submitted a number of letters, said the Times Herald, adding:

"Mr. Weaver examined these letters, both envelopes and enclosures," Thomerson said. "I am not at liberty at this time to reveal just what his testimony will be, but you can say that it will stand the defense on their ears."

Numerous letters introduced at the trial dealt with alleged threats against Hamilton.

WEATHERFORD, Nov. 4. (P)—The state today presented rebuttal evidence in the trial of R. H. Hamilton, Amarillo attorney, charged with murder in the slaying of his 17-year-old daughter's husband, Tom Walton, Jr., 21, in Hamilton's office last May 4.

The first witness in an effort to disprove the defendant's self-defense plea was Bryan Blalock, Austin justice of the peace, who had said he married Walton and Theresa Hamilton on Feb. 10.

Before Blalock had testified, R. E. Underwood of defense counsel objected on the grounds the defendant had no knowledge of the marriage and consequently evidence to that marriage was "irrelevant, immaterial and prejudicial." He also contended "proper predicate" had not been made.

Objection Overruled
District Judge Carter overruled the objection and Underwood asked that the jury be instructed to consider the testimony only if it was shown Hamilton had knowledge of the marriage.

Blalock said he "celebrated the rites of matrimony between" Walton and Theresa and then identified a marriage certificate which was marked for identification. Underwood objected to its introduction since the certificate, he said "has not been filed according to the" (See HAMILTON, page 6.)

—AND A FROWN
NEW YORK. (P)—The adage about letting sleeping dogs lie has new significance for Motorman—Manson Hume. He stopped an elevated train when he saw a dog asleep on the track and thought it was a man. Another train came along behind and smashed into the first one. Eight persons were slightly hurt, Hume most severely.

CALHOUN GETS MORE TIME TO STUDY MURDER

Needed Witnesses Are
Absent, Judge
Is Told

DEFENDANT IS DISAPPOINTED

He Says Trial Should
Have Begun in
Two Years

STINNETT, Nov. 4. (P)—The trial of William J. (Whitey) Walker, held on three murder indictments, was passed until the next term of court by agreement of attorneys today after District Attorney Clem Calhoun had told the court some needed witnesses were absent and he wanted more time to investigate the charges against Walker.

Walker is under indictment for shooting to death Policeman Coke Buchanan on a Berger street March 18, 1927, and of sheriff's deputies Elmer Terry and Pat Kenyon in an outlying district of Berger April 1, of the same year.

Representing Walker was Dewitt Bommer, Temple attorney, and W. C. Wichter of Berger. Among the witnesses in court today was Hugh Walker, brother of the defendant, and indicted on two of the charges against "Whitey." Ed Bailey, indicted with the Walkers in the slaying of the two deputies, was not in court.

Walker told reporters after the case was continued he wished "they would try me and get through with it. It looks like they could have tried me in two years, doesn't it?"

CIVIL SUITS UP FOR TRIAL NOW IN COURT HERE

Beginning a week in which civil cases will be tried, the suit of W. B. Saulsbury and others vs. James E. Parker was called for trial this morning. A jury will be chosen this afternoon.

In this suit, the plaintiff is asking for \$20,000 for an alleged breach of contract, while the defendant in counter action is suing for \$10,000.

Cook, Smith and McLynn is representing the plaintiff, while W. M. Lewright is attorney for the defendant.

The suit in which J. M. Shaw and others are suing H. E. Needham was continued until the next term of court this morning by agreement of the attorneys, Cook and Lewright.

CHORUS WILL EXAMINE NEW GROUP MUSIC

New music has been received for the community chorus. It was announced today by Thomas Fannell, director. It will be examined at the regular week-long practice this evening at the music cottage on the Central campus.

Practices are held at 7:30 o'clock. It is expected that tonight's rehearsal will be participated in by several new members, since a membership committee was appointed to increase the roll.

Among the visitors in the city yesterday were: Mr. and Mrs. Ernest Naylor and infant son, Mr. and Mrs. Earl Naylor, Miss Mae, Miss Eula, Mary, Loren and Elbon Naylor, all of Clarendon.

Palo Duro Is Issue

At Murder Trial of Texas Judge

Here's a view of the Weatherford, Texas courtroom where Judge R. H. Hamilton of Amarillo is now on trial on a murder charge in connection with the killing of his son-in-law, Tom Walton. Young Walton was shot by Judge Hamilton, indicated by arrow, when he learned of Walton's secret marriage to his daughter, Theresa, at right, while they were students at the University of Texas. Judge J. E. Carter is presiding.

Panhandle Men Will Press Claims for Park

A local delegation will probably go to Amarillo Wednesday to attend a meeting of Panhandle residents and members of the Texas good will motorcade. The session will be held at the municipal auditorium at 8:15 p. m.

Speakers from the motorcade and from various Panhandle cities will talk on means for making the Palo Duro canyon a state park. The project must be formulated for presentation to the state legislature.

The motorcade will be conducted through the Palo Duro branches Thursday and a barbecue will be served at some point of interest en route. Delegations from several counties are expected to make the trip.

D. E. Colp, chairman of the Texas state park board, heads the motorcade. Among the men making the trip are:

- Ernest C. Cox, state commander of the American Legion.
- Robert O. Whiteaker, adjutant of the Legion.
- Hunter Metcalf, Rotary district governor, Amarillo.
- Robert Lee Bobbett, attorney general.
- W. F. Ely, state highway commissioner.
- O. C. Dancy, county judge at Brownsville.
- Perry S. Robinson, county judge of Bexar county.
- Justo Penn, county judge Webb county.
- Dr. I. E. Gates, pastor First Baptist church, San Antonio.
- H. L. Brenna, Laredo Chamber of Commerce.
- W. A. Williamson, San Antonio, state senator.
- Joe M. Moore, Greenville, state senator.

STATE LEGION COMMANDER WILL BE HERE FOR ADDRESS ON NEXT THURSDAY—TO PLAN RECEPTION

TWO RESIDENCES ON FIRE SUNDAY

The residences of Elbert Thomas in the Hillcrest addition and of Ralph E. Johnson in South Pampa were slightly damaged by fire yesterday morning. Both alarms were turned in between 12 o'clock and 1 p. m.

Flames in the Johnson home were almost smothered by an extinguisher from the Acme Lumber company, just across the street, before the fire department arrived. The fire was due to faulty electric wiring, it was reported by the fire department. Damage to the Thomas home was very slight. The roof caught fire from the hot water heater.

Chapman Leases Big Oil Tract

Alexander J. Chapman has leased seven-eighths interest in north one-half of northeast quarter of section 69, block 25, a total of 80 acres to Cockrell-McClroy Oil company, according to terms of a lease contract filed Saturday in the office of county clerk.

A document of general interest filed today in the county records is the first mortgage on the Clinton-Oklahoma Western railroad company to Guaranty Trust company, New York City. The mortgage places the value of the railroad at \$2,500,000.

Motion for New Trial Is Filed in Bowman Case

Contending that the court failed to try Johnnie Bowman for larceny before his trial, a motion for a new trial was filed in district court here last Saturday by counsel for the defense, Ben Baldwin.

WACO STORE IS BADLY DAMAGED IN FIRE TODAY

WACO, Nov. 4. (P)—Fire of undetermined origin last night caused an estimated loss of \$150,000 in merchandise stock of the R. E. Cox Dry Goods company here. No estimate was made of the damage to fixtures.

The blaze raged for two hours before a force of 100 men was able to bring it under control. Adjoining structures were filled with smoke, but no other damage was done.

The second floor of the Cox store was swept by the flames. The rear half of the lower floor and the offices on a balcony, where the fire started, also were damaged.

The company has stores in Marlin, Corsicana and Stephenville.

Mrs. C. L. Garber is leaving shortly for Phoenix, Ariz., where they will spend the winter with their son, Ben Garber.

CAR SALESMAN IS KILLED BY FUMES OF GAS

George Aldridge, 35 Is
Victim at His
Residence

WAS ALONE IN SMALL HOUSE

Body Is Discovered
This Afternoon
at Court

With two gas jets burning hot and the windows and doors shut tight, George Aldridge, 35, was found dead in bed in one of the small cottages at Garfield Camp, about 1 o'clock today.

Aldridge had been employed as a salesman for the last two weeks at the Culbertson-smating Chevrolet company.

The coroner's inquest was postponed until late this afternoon or tomorrow morning by Justice of Peace T. M. Wolfe in order to inquire more fully into the death.

Aldridge is survived by his wife and 8-year-old girl, who left the cottage last evening to spend the night with her brother at an oil company camp near Pampa.

The body was discovered about 1 o'clock today by L. H. Prichard, manager of Garfield Camp. Constable Parrish stated that he found two gas jets on the small cooking range burning low. He stated that the man apparently died from the fumes.

The body was taken to G. C. Malone Funeral Home where Mr. Malone estimated that the man had been dead about two hours, however, he said it was hard to estimate how long he had been dead.

T. F. Smalling said Aldridge had been working as a car salesman for the Chevrolet company for about two weeks. He said he had known Aldridge in Odessa before he came to Pampa. Mrs. Aldridge's brother, whose name has not yet been learned, is to bring the widow and her child into town this afternoon. They were immediately notified of his death.

RACE SUICIDE GETS BIG JOLT IN TWO PLACES

BEAUMONT, Nov. 4. (P)—Four stars born Nov 1 to Mr. and Mrs. Philip Ferricome of Beaumont continued today in the best of health. With the exception of one of the babies, they weighed four pounds each at the time of birth. The exception was a half pound lighter.

More than 600 Beaumonters called at the Ferricome home yesterday to pay their respects to the mother and the quadruplets, Antonio, Vincent, Donald, and Bruno.

The father is 39 years old and the mother 33 years old. They have five other boys.

THE HEAVY DIVORCE RATE SHOWS LITTLE CHANGE ACCORDING TO LATEST STATISTICS. BUT MARRIAGE LIKEWISE IS AS POPULAR AS EVER AND THE COMPANIONATE NOTE SEEMS TO HAVE DISAPPEARED.

Federal releases show that there were 76,340 marriages performed in Texas during 1928, as compared with 74,042 for 1927. This was an increase of 3.1 per cent. In other words, the divorce rate has a slight increase over the marriage rate, but not an alarming difference.

Federal statisticians say "the estimated population of the state of Texas on July 1, 1928 was 5,487,000, and on July 1, 1927, 5,397,000. On the basis of these estimates, the number of marriages per thousand of the population was 13.9 in 1928, as against 13.7 in 1927; and the number of divorces per thousand of the population was 3.29 in 1928, as against 3.20 in 1927.

A brief compilation of figures for Panhandle counties, and a study of them reveal no sensational trends. The oil field district naturally shows higher percentages, but not as high, comparatively, as do the most populous counties of the state. There is no appreciable difference between 1928 and 1927. If there is any reliable trend, it is for the older counties, with very stationary populations, to show lower divorce rates.

Comparative figures on 1928 marriages and divorces in nearby counties:

- Carson—165 marriages, 23 divorces.
- Childress—285 marriages, 30 divorces.
- Collingsworth—289 marriages, 19 divorces.
- Deaf Smith—72 marriages, 2 divorces.
- Floyd—126 marriages, 15 divorces.
- Donley—120 marriages, 14 divorces.
- Gray—189 marriages, 53 divorces.
- Hale—253 marriages, 28 divorces.
- Hansford—30 marriages, 1 divorce.
- Hemphill—75 marriages, 5 divorces.
- Hutchinson—173 marriages, 98 divorces.
- Lipscomb—61 marriages, 7 divorces.
- Lubbock—556 marriages, 85 divorces.
- Ochiltree—60 marriages, 6 divorces.
- Oldham—20 marriages, 2 divorces.
- Potter—644 marriages, 193 divorces.
- Randall—117 marriages, 6 divorces.
- Roberts—31 marriages, no divorces.
- Scurry—162 marriages, 17 divorces.
- Swisher—63 marriages, 11 divorces.
- Wheeler—286 marriages, 12 divorces.

For comparative purposes,

we add the figures for a few of the more populous counties of the state:

- Bexar—3,829 marriages, 1,602 divorces.
- Dallas—4,219 marriages, 1,932 divorces.
- El Paso—1,669 marriages, 393 divorces.
- Harris—4,578 marriages, 2,005 divorces.
- Jefferson—1,821 marriages, 849 divorces.
- McLennan—1,436 marriages, 450 divorces.
- Tarrant—2,583 marriages, 1,165 divorces.
- Wichita—1,022 marriages, 416 divorces.

These figures are furnished The News from the federal department of commerce, and are taken from county and district clerks' records.

Texas University Annual in Demand

AUSTIN, Nov. 4. (Special)—Reservations have been made for more than 2,000 copies of the 1929-30 Cactus University of Texas year book, according to Burt Dyke of Orange, business manager of Texas Student Publications, Inc. This is a slight advance over sales at this time last year and the business management of the annual is well pleased with the increasing popularity of the book. A total of 3,400 copies of the 1928-29 Cactus were sold and indications are that the final sales of the book for the current year will approach the 4,000 mark.

Efforts are being made to make the 1929-30 year book a genuine reflection of campus life. Editor Bill Bond of Groesbeck has declared. Plans submitted by the engravers promise a more elaborate book than ever before but one that will serve as accurately as a record of the year on the campus. The theme of the book has not been announced as yet, but it will be one closely related to campus life.

Plans of the editors are to return to a more standard arrangement of the material in the year book. The usual sections devoted to photographs of the various classes, of the various societies, fraternities and other organizations, and of the administration will be included. One section will be devoted to campus beauties, one to various campus activities and a third to the "grind" section. In addition, a new feature this year will be the inclusion of an index to the sections.

Physical Well Being Will Be Topic at Meeting

AUSTIN, Nov. 4. (Special)—Teachers of physical education in schools throughout the state are urged to attend the meeting of the State Physical Education association which convenes as a part of the Texas State Teachers' association in Dallas Nov. 29 and 30, according to Dr. D. K. Brace of the University of Texas, president of the Physical Education association. This invitation is open to all teachers who supervise any phase of physical activity in Texas schools, whether it is physical training, the study of physiology or hygiene or the teaching of physical education or the coaching of athletics.

A membership drive is being started by the state organization this month, Dr. Grace said, and it is hoped that the final enrollment will include between four and five hundred. Those teachers wishing to join may register with Major George D. Bronson of Houston.

The principal speaker for the meeting in Dallas will be Dr. James E. Rogers, director of the National Physical Education Service of New York. During the afternoon, Dallas school children will present a demonstration physical education program. A luncheon will be held at which a number of speakers will appear.

Methodists' W. M. S. Will Observe Week of Prayer in Two Programs

Two programs in observance of a special week of prayer for missions will be held this week by the Women's Missionary society of the Methodist church the first on Wednesday afternoon, preceding the regular mission study, and the other, on Thursday afternoon. Both will open at 7:30 o'clock, instead of at 3, the usual hour for the W. M. S. meetings.

Two inspirational topics, "That I May Know Him," and "A Meditation on the Goodness of God," will be the basis of the first program, which will be led by Mrs. W. Purviance. A responsive prayer of thanksgiving will be led by Mrs. O. T. Nicholson.

"The Discovery of God's Creative Power" is the theme of the second program, which will be conducted by Mrs. R. W. Lane. The life story of Miss Maria Layng Gibson, one of the outstanding women missionaries of the Methodist church in the last fifty years, will be told by Mrs. Edwin Vicars, Mrs. F. L. Elliott will be in charge of the music for both programs.

On each occasion an offering will be taken for the Maria Laying Gilson memorial, a fund to be used in the building of a retirement and relief endowment with which to care for the retired missionaries and those who become sick. The gift will be dedicated at the close of the second program. During the dedication a duet, "Saviour, Thy Dying Love" will be sung by Mrs. C. C. Dodd and Mrs. Tom W. Brabham.

The program of Wednesday afternoon will be on the fifth chapter of "The New Africa", on the subject of Christianity and Life". Mrs. S. A. Hurst, superintendent of mission study, will be director.

Miss Atteberry Becomes Bride of Clyde Naylor

Miss Adaline Atteberry, charming elder daughter of Mr. and Mrs. C. G. Atteberry, and Mr. Clyde E. Naylor were married on Saturday evening, with the Rev. D. H. Truhitte, pastor of the First Baptist church, officiating in the ring ceremony at his study. Miss Cecelia Atteberry, sister of the bride, was the only attendant at the wedding.

The young couple will live in Pampa. The bride has been a resident of the city a little more than two years. She came with her family from Clarendon, where she attended high school.

Mr. Naylor, also a former resident of Clarendon, was prominent in Interscholastic League athletics and was a valuable member of Clarendon college athletic teams. He is now in the sales department of the City Steam Laundry.

Evangelist to Speak to Women of Baptist Church on Wednesday

The Rev. George P. Kelley, pastor of the Kendall Street Baptist church of Tulsa, who is conducting an evangelistic meeting at the First Baptist church, will address the women of the church at 2:30 o'clock Wednesday afternoon at a meeting of the Women's Missionary Union.

Officers of the union have urged that all women of the Baptist church attend the service.

Visit of Eastern Bankers Caused Them to Have Faith in Plains and to Grant Finance to Utility Firms

In reviewing the history of the phenomenal development of the electrical industry in West Texas recently, Judge I. R. Kelso, president of the Southwestern Public Service company, noted the following facts:

"That as late as October, 1924, one of the great banking institutions of the country expressed the opinion that any attempt to finance the requirements of the Texas Utilities company by issuance and sale of first mortgage bonds would not prove successful, giving as a reason for such opinion that the territory served by the company was too scattered and also too remote from the bank's retail bond market.

"That, in October, 1925, at my request a party of leading investment bankers from Boston, New York, Chicago, Detroit, St. Louis, and other eastern cities visited West Texas and Eastern New Mexico. The citizens of West Texas arranged and managed a tour of the Plains country. The bankers, at various receptions and banquets given them, promised without qualification to finance all of the requirements necessary for the Texas Utilities company and the New Mexico Utilities company to take care of their share of the development of the Plains country. They have made good that promise, and today the two utilities are owned and operated as a connected property. . . . Since that time the management of the Texas Utilities company has built up a property supplying electrical service to 63 towns in West Texas and Eastern New Mexico, covering a territory equal in area to the state of Pennsylvania, with approximately 1,000 miles of transmission lines in operation or under construction at this time."

Judge Kelso has stated that cooperation of Plains people in impressing upon eastern bankers the possibilities of this area made possible the expansion of the electric lines into undeveloped but potentially rich territory. He has pledged to reduce rates wherever this development produces sufficiently large volumes of business.

"ON WITH THE SHOW" APPROVED AT LOCAL HOUSE

"On With the Show," Warner Bros. first 100 per cent natural color, talking, singing, dancing Vitaphone picture at the Rex is the most important milestone of this year of grace in the film industry.

At least that is the consensus of Hollywood, ever alert to progress in this new art.

There is not a single scene in "On With the Show" which is photographed the old-fashioned way. The glamorous stage and back-stage story is seen through the medium of enchanting, ever-changing color.

An entirely new color process is being used which brings out each hue in its proper value. Jack L. Warner, vice-president in charge of production, was quick to seize on this new art and combine it with Vitaphone. The wedding of the two, bids fair to start another revolution in the film industry. Vitaphone pioneered by Warners, it will be remembered eliminated the silent picture.

UPSETS LEAVE LESS MEANING TO 'BIG' TILTS

By ALAN GOULD
Associated Press Sports Editor
NEW YORK, Nov. 4. (AP)—The race for sectional and national football honors has narrowed down to a handful of surviving contenders, with the November campaign just gathering headway due to the most spectacular series of upsets along the college gridiron fronts.

Georgia Tech, Illinois, and Southern California, all top-ranking in 1934, have been tumbled to defeat in the general melee while such sectional titleholders as Nebraska in the Big Six and Texas in the southwest are barely hanging on in the title hunt.

On the basis of latest performances, the most powerful arrays are Pittsburgh and Yale in the east, Notre Dame, Purdue, and Minnesota in the Middle West, Tennessee, Kentucky, Vanderbilt, and Tulane in the southern conference group and in the Rocky Mountain area and California's surprising Golden Bears on the Pacific Coast. In the other main sectors, Texas Christian holds at least a temporary edge in the race for Southwest conference honors while Oklahoma bars Nebraska's path to the Big Six top.

Of the "Big Four" contenders for National honors who entered Saturday's fray so confidently, only Notre Dame and Pittsburgh emerged with prospects that are brighter than before, as a result of smashing victories over Georgia Tech and Ohio State respectively.

Southern California and Dartmouth fall by the wayside as two of the most distinguished games of the season, the Trojans before the charge of California's Bears, led by Henry Lon, the Dartmouth Indians before the Blue, led by Albie Booth and "Hot" Ellis, a new Bill hero.

In spite of an early season setback at the hands of Georgia, no team in the country looks any more formidable now than Yale, conqueror of Brown, Army and Dartmouth on successive Saturdays.

The ballsmakers of Purdue, with one of the hardest-hitting backfields in the country, stepped into the national picture as well as the Big Ten lead by winning Wisconsin for their fifth straight victory. Minnesota also has a clean slate, with Indiana as the latest victim, but the two remaining contenders for western conference honors, field for the past two years by Illinois, do not meet this season. Minnesota tackled Iowa this week while Purdue

has an easy intersectional assignment with Mississippi.
This week's program is featured by two of the most colorful east-west engagements of the year, with Army invading the stronghold of Illinois and Harvard journeying to Michigan, but defeats have altered their early promise of significance. Nevertheless there will be a battle when Red Cagle's mates tread the gridiron made famous by the galloping ghost, Red Grange.

Notre Dame, after five straight victories, expects to have comparatively little difficulty in disposing of Drake. If so the Hoosiers will stake their national championship bid in the game with Southern California at Chicago Nov. 16.

Pittsburgh's steamroller, after six victories in a row, faces the undefeated though twice tied, Washington & Jefferson eleven, then it only has to tackle Carnegie and Penn State in succession to make it a rousing finish. If the Panthers can wade through these rivals without a setback, no one will dispute their claims to national honors.

Oklahoma must beat Kansas to stay in the Big Six race after this week. In the southwest, Texas faces a real struggle with Baylor while Texas Christian meets Rice and the Texas Aggies oppose Southern Methodist.

Georgia Tech, though beaten three times already, hopes to upset the southern conference title hopes of Vanderbilt in the Dixie headliner. Kentucky's Wildcats, fresh from mopping up Clemson, will seek Alabama's scalp. Tulane and Tennessee face comparatively easy assignments.

With California now in the van, awaiting the decisive clash with Stanford, the "Big Three" on the Pacific Coast take on distant foes. Stanford plays Washington at Seattle, while California entertains Montana and Southern California meets Nevada at Los Angeles.

Canyon to Greet Park Board Next Thursday Morning

CANYON, Nov. 4. (Special)—Canyon is making preparations for the visit of the Texas State park board which is scheduled to take place November 7. The park motorcade, headed by D. E. Cole, chairman, of San Antonio, and Ernest C. Cox, state commander of the American Legion will spend some time in this city, and will be taken for a short tour of the easily accessible parts of the Palo Duro canyon.

Canyon will unite with Amarillo in helping the Park Board to do its work in this region of the state.

TEXAS-BAYLOR CLASH LOOKS LIKE BATTLE

BY GAYLE TALBOT, JR.
Associated Press Sports Writer
DALLAS, Nov. 4. (AP)—The eyes of Texas will be on the mighty Texas university Longhorns again this week. The team that has gone through three Southwest conference tilts without meeting defeat is to engage one of the most promising Baylor university elevens of all time Saturday at Austin.

Longhorn stock suffered scarcely at all as the result of last week's scoreless draw with Southern Methodist. Coach Clyde Littlefield's machine still looks like an even bet to capture its second straight conference crown. Although the Steers failed to score against the Mustangs, they clearly outplayed the Methodists. An S. M. U. line that rose to sublime heights in the pinches was all that saved the Morrismen from a disastrous last-half rout.

Baylor apparently is ready for the vital encounter Saturday. After taking an unexpected licking from Centenary the previous week, the Bears pulled themselves together and walloped Texas Tech, 34 to 0. The team functioned smoothly against the Matadors, and Jake Wilson and Ernest McCreath were their dynamic selves again.

The week's second most important tilt will see Southern Methodist and the Aggies locked in their annual duel at College Station. The Mustangs still have an outside shot at the title, but their indifferent showing against Texas Saturday closed a slump in their stock. A. & M. already definitely out of the chase and with nothing to lose, may be expected to give the Ponies a fit. They displayed plenty of punch in mauling Stephen F. Austin, 54 to 1, last week.

Texas Christian will be favored to jump up its second conference victory and its seventh straight triumph of the season when it entertains Rice Institute at Fort Worth. Rice dropped its third decision in five stars when the St. Edward's university Saints humped the Fowls, 20 to 7, Saturday. It was a signal triumph for Al Sarafino, youthful St. Edward's mentor, over his former coach, Jack Meagher, who transferred his allegiance to Rice during the summer.

Coach Francis Schmidt's Frogs won their sixth game at the expense of the Denton Teachers, 25 to 0. Cy Leiland added three touchdowns to his

imposing string. The Christians are the only outfit in the circuit that have not experienced an off-day of some kind. They are consistently potent. Their clash with Baylor two weeks hence at Waco promises to be one of the high spots of the campaign.

Arkansas gave further proof of its power by trampling Louisiana State, 32 to 0, at Shreveport. The victory gave the Porkers a conference record of two wins and two losses. It was unfortunate the big Razorback eleven was forced to meet Texas and Baylor in its first two tilts and get bumped off. Many critics believe Arkansas now ranks with the stoutest teams in the conference. Coach Thomsen's pupils play the Central Oklahoma Teachers at Fayetteville this week.

Eight Flyweight Contenders to Meet in Ring Tonight

NEW YORK, Nov. 4. (AP)—Flyweights weighing 86 pounds, about the tonnage required for two heavyweight bouts, appear in one ring at Madison Square Garden tonight. Eight contenders for the flyweight championship will engage in a tournament designed to produce a recognized holder of the 112-pound crown.

Eugene Huat of France, who meets Izzy Schwartz of New York. Ernie Peters of England meets "Dark Cloud" Ruby Bradley of Holyoke, Mass., in another of the ten rounds. The other bouts bring together Midget Wolgast of Philadelphia and Johnny McCoy of Buffalo and Willie Davies of Charleston, Pa., and Back Bill of Cuba.

The survivors of tonight's battles will meet in semi-finals and the two winners of those bouts will engage in a 15-round final battle. Davies is generally picked to meet Huat in the deciding contest. Sammy Mandell, holder of the light-weight crown, ventures into a higher division at Chicago tonight to meet Jimmy McLarnin in a ten-round bout. The weights for the battle are 145 pounds. Mandell easily beat McLarnin when Jimmy attempted to take his title from him in New York a year ago.

One Japanese flour mill company purchases annually about 15,000,000 bushels of wheat on the Pacific Coast, the bulk of it from British Columbia.

Perryton to Be in Festive Dress for Nov. 11 Tilt

PERRYTON, Nov. 4. (Special)—November 11 may be a time for the celebration of peace by nations, but it will also mean a signal for battle for both the Pampa Harvesters and the Perryton Rangers.

The Harvesters and Rangers will meet on the local gridiron November 11 to fight for sectional honors in the Interscholastic League race, and the Harvesters will also be fighting to revenge the 17 to 7 defeat handed them last year on their own gridiron by the Rangers.

Both teams have been training for weeks for this one game, and the boys representing the two schools will be keyed to top form for this mix. The Pampa team has the advantage in weight, and reports are that Coach Odus Mitchell's Harvesters are not only big but fast. Coach Shupe of the Rangers will have to use all his skill and cunning and will have to have some tricky plays up his sleeve to overcome the advantage of the Harvesters' weight. Local fans are looking for a real battle.

but will not concede a victory for the Harvesters. The Rangers should take the field in good shape, if Marion Tucker, star passer and broken field runner is able to return to the lineup.

Pampa plans to send a big delegation here to back the Harvesters, and the whole town of Perryton will have the flags flying, the band and pep squad will be arrayed in their new uniforms, and the fans will be out in full force to witness what promises to be the best game that will be played in Perryton and this section of the Panhandle this season.

MANY men have sought words to describe that "extra something" in Chesterfield.
It is there, undoubtedly... a "sparkle" of spicier aroma, an extra touch of flavor, a certain added "character," unmistakably Chesterfield's own.
No one word describes it—but only the most inexperienced smoker could fail to mark it. Between other cigarettes and Chesterfield, there is the clear-cut difference between just something to smoke and the cigarette that puts—

Association Will Show How Profits Made on Swine

COLLEGE STATION, Nov. 4. (Special)—It is object to help Texas farmers make profits on hogs already on the farm rather than to promote hog sales, the Texas Swine Breeders association recently re-organized at the State Fair of Texas, has begun active work for good premium lists for hogs at next year's county fairs and special prize lists at the large shows as a means of encouraging young Texas breeders.

Three Students at Michigan U. Sell Liquor to Friends

ANN ARBOR, Mich., Nov. 4. (AP)—A charge that three students were working their way through the University of Michigan by selling liquor to other students was made by police today after a raid Saturday in which they asserted a case of wine and a case of whiskey were confiscated in a men's dormitory.

Harold McKee, 24, of Pittsburgh was held in jail and two others were sought. The liquor, police said, was brought from Canada and smuggled into the dormitory under overcoats.

HELEN sat back in her chair, feeling most unappreciated. "I'm not jealous," Helen answered scornfully. "You'd have come to me and said it was all right."

HAMILTON

(Continued from page 1.)

That objection also was overruled and Blalock was excused without further question. The defense did not cross-examine Blalock, and over another defense objection the certificate was read to the jury and introduced as evidence.

G. W. Dodd of Amarillo, shop foreman for the Amarillo iron works, testified Walton worked for him for a "week and a half" and that he lived for about six months in the same neighborhood as Walton.

When District Attorney E. W. Thomerson asked the witness whether he knew whether Walton was "peaceable," Underwood objected, but the objection was overruled and Dodd said Walton's reputation was that of a peaceable citizen.

On cross-examination Dodd said he had come in contact with Walton many times and that once while Mrs. Grace Walton, with whom Walton lived, was working, Walton had dinner with Dodd and his wife for three weeks.

Was Common Laborer

Walton worked as a "common laborer, you might say," while employed at the iron works, Dodd testified. Doug Hammond, Amarillo policeman, once told him Walton "conducted himself like a young gentleman," the witness said. Underwood, cross-examining Dodd attempted to bring out that Hammond was a "discharged" policeman, but the witness said he did not know.

An employe at the Amarillo National bank, Orville Hinkle, said he lived at the Tourist Inn, the residence then of Mrs. Grace Walton, Tom's mother, and overheard a telephone conversation Walton had on May 4.

Defense counsel objected to introduction of that testimony and for the second time since the trial began a week ago today the jury was taken out of the courtroom.

While the jury was out, Hinkle said he heard Walton make a telephone call and say: "Is Judge Hamilton there? This is Tom Walton. Judge Hamilton, I understood you wanted to talk to me?"

Then, Hinkle declared, Walton said "Hello" in the telephone several times, returned to the coffee shop where he had left his mother and said, "He hung up on me."

Underwood brought out that Hinkle did not know whether Hamilton had answered the telephone. During the subsequent argument, Underwood, C. B. Reeder, Sam Shadle, F. O. McKinzie and A. E. Simpson of defense counsel, contended the testimony was not admissible while District Attorney Thomerson and special prosecutors Hugh Cooper and E. H. Grindstaff insisted it was.

Admits Part of Story

Judge Carter said: "I will not admit all the testimony at this time, but I will permit the witness to testify Walton asked for Judge Hamilton, and said 'This is Walton speaking.'"

The jury was brought back into the courtroom and Thomerson continued the examination.

"Walton went to the telephone, dialed a number and asked: 'Is Judge Hamilton there?'" the witness said. "Then he said, 'This is Tom Walton speaking.' He remained in the telephone booth a short time."

"How long after that was it you heard of Walton's whereabouts?" "About 15 minutes."

Hinkle said he heard an ambulance shortly thereafter.

Without cross-examination Hinkle left the stand, and court was recessed for a few minutes.

R. E. Moore, county clerk at Georgetown, Williamson county, took the stand to testify to the issuance of the marriage license at Georgetown on Feb. 10. Moore said he issued the license, after a defense objection on the ground that testimony of that character "impinges the defendant's right of self-defense" had been overruled. The license was granted to "John Thomas Walton, Jr. and Miss Theresa H. Hamilton," and was filed with the county clerk Feb. 11.

Underwood questioned the initial "H" and asked the witness whether he had required affidavits to the ages of Theresa and Walton. He had, Moore declared, and got two, one from Walton and one from Theresa. They were made before Justice of the Peace Blalock of Austin.

Grain Man Talks

An Amarillo grain dealer, M. W. Lemons, next state rebuttal witness, said he was foreman of the grand jury which investigated the Walton slaying. W. Burks, Thomerson, Grady Hazelwood, assistant district attorney, and Lemons had a conversation in Thomerson's office the afternoon of the shooting, the witness said. Burks was a defense eyewitness who testified he saw the scuffle between Hamilton and Walton.

Thomerson asked the witness whether at that conference, he had not heard Burks say he stepped back from the door after the second shot was fired. The witness said, "Yes."

Thomerson also asked whether Burks said he had not heard Hamilton make any statement until after Hamilton had written a telegram to Mrs. Hamilton, but the defense objected, and Thomerson rephrased his question asking whether Burks had testified before the grand jury "with reference to a telephone call Hamilton had the morning of the killing." The witness said Burks read a statement he made to the grand jury and signed it. Burks previously testified he signed the statement after Thomerson read it to him.

BRUSHING UP SPORTS

By Laufer

They thought he was too puny to mix it with big, rough, football boys, but little Albie Booth, 145-pound Yale halfback, made monkeys out of the master minds.

Being held on the sidelines for brief substitutions caused Little Albie to foam at the bridle strap, but he remedied that for once and all in the Brown game. He proved he was so good that Coach Mal Stevens simply had to leave him in there. And it is a good bet he'll be at his post regularly in the remaining games this fall.

When they sent him into the game at the beginning of the second quarter to give Quarterback Snead a little breathing spell, Booth started things buzzing.

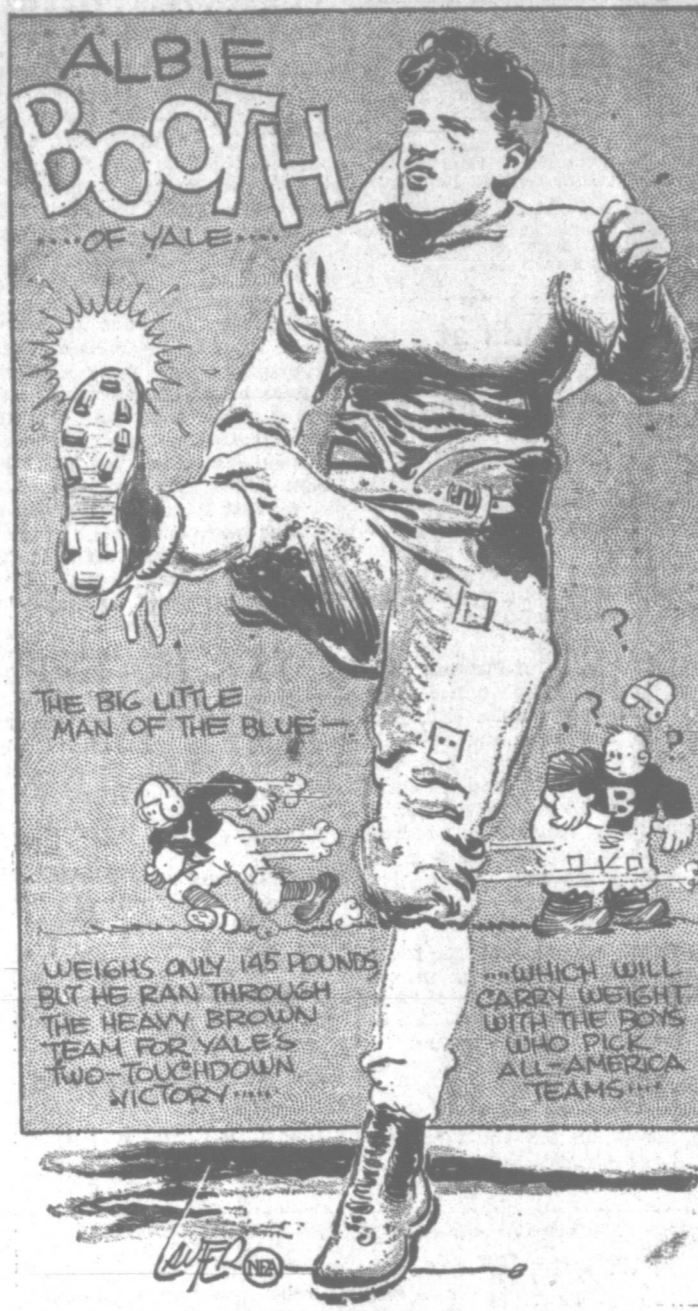

Brown was leading at the time but not for long. Booth started right out with his running, squirming, dodging and kicking that finally beat Brown by two touchdowns. In reality the little riot did it single-handed. He warmed up to his job and did all of the Yale punting.

Eight plays—slashing off tackles, squirming around the ends, plunging through the lines and Yale had a touchdown. A moment later Yale was in the lead when Albie booted a perfect drop-kick over the cross bar.

From that time on all eyes were on Albie Booth. Brown tried in vain to stop him, but his white helmet kept bobbing through those 200-pounders for gains. Finally Iron Brown's 14-yard line, Albie left them with their eyes popping by sneaking through the whole gang for his second touchdown. He followed with the extra point which clinched the contest for dear Old Eli.

With the Army leading Yale, 13-0, Little Albie was sent into battle again. Almost single-handed, he rolled up three touchdowns to beat the Cadets, and kicked the three points after touchdown.

When the names of the All-America team are called off, Albie Booth's may lead all the rest.

Flyweight Row Will Be Decided in Pla-Mor Fight

Two 16-year-old youths, both of whom are laying claim to the flyweight championship of Texas, will fight eight rounds at the Pla-Mor auditorium Thursday night to decide which one is mistaken.

The boys are K. O. Kitchens, now of Miami, but formerly of Fort Worth, and Neal Grubbs of Borger, formerly of Oklahoma. When Kitchens heard that Grubbs announced he was flyweight champion of Texas, he said, "Why, I'm supposed to be that myself—anyway they told me that at Fort Worth last year when I knocked out Dude Francis, the flyweight champ of Dallas at Fort Worth."

Kitchens has fought 18 fights up to date without losing one. He has scored nine knockouts. Fourteen of them took place in Fort Worth and four here. Grubbs fans just can't believe that there is a boy in Texas that can whip Grubbs. Kitchens is working out every day on the Miami football team and in boxing bouts among his cronies at Miami. He says he's going in to win.

Also on Thursday night, the terrible slugger, "Cyclone" Bonds of Las Cruces will meet Elmer Rignon of McLean in a 10-round battle. Another feature of the same card will be a 4-round bout between Kid Arthur and Dick Salmon.

Airplane Slam

Technically, Dick Shikat, German wrestling star, has a half nelson and crotch hold on his opponent above but in the parlance of the grappling game he is about to execute the "airplane slam," a stunt that usually leaves the foe in a stunned condition and easily pinned to the mat. Yes, it's a breath-taking stunt, especially for the opponent.

GAME WITH WHEELER HERE ON TUESDAY TO BE LAST CHANCE TO PERFECT HARVESTER PLAY

Pampa's Harvesters will enter the game with Wheeler here tomorrow afternoon in hopes of having a good work-out without sustaining injuries. With Schmidt just about recovered from rib injuries and Don Reno back in school, the Harvester stock is looking more like par for the Perryton game of Nov. 11. Carl English, whose nose is mending after being broken in the Miami game, will probably recover in time to see service at Perryton.

The Pampa machine has already passed expectations, but the weakness of other Class B teams in this section has made it difficult to match games of sufficient competition. Perryton's Rangers will play in Borger this afternoon. They have an imposing record, and the comparative score with Borger may give some idea of their strength in comparison with Pampa's.

It should be remembered that last year Wheeler surprised the Harvesters and gave them a real battle. Skeet Roberts suffered a broken collar bone—a fact that may have cost the team a victory in the Perryton game. Wheeler has built a strong offensive around Sutherland, formerly of Childress. Sutherland was out with injuries when Wheeler tied Miami, but is back in form and may give the locals some trouble tomorrow.

Canyon took a surprising defeat at Hereford through failure to convert points after touchdowns. This may well serve as a warning to Perryton and Pampa coaches, for evenly matched teams need educated toes to ring up the margin of victory.

Coach Mitchell is not expected to uncover some of his best plays here tomorrow, but he will be forced to perfect much of the play in this last game prior to the biggest test of the season.

It is possible that a few post-season games may be scheduled for the Harvesters.

Hereford through failure to convert Tomorrow's game will begin at 3:30 o'clock at Harvester field.

Several Hurt in Rioting in Mexico

MEXICO CITY, Nov. 4. (AP)—Six persons were wounded and many arrested during political rioting at Tampico yesterday.

The correspondent of El Universal said shots were fired from headquarters of the anti-re-electionist party at a parade of followers of Pascual Ortiz Rubio, revolutionary party candidate for the Mexican presidency.

The Ortiz Rubistas returned the fire. Four occupants of the building and two paraders were the wounded. Troops restored order.

State elections were held yesterday in Yucatan without disorder, dispatches from Meridian said. Bartolome Garcia Correa, only candidate for governor, received 100,000 votes. He is a supporter of Ortiz Rubio for the presidency.

Body of Drowned Man Is Missing

CORPUS CHRISTI, Nov. 4. (AP)—Search was renewed today for the body of Joseph Brim, 30, one of two hunters drowned near Rockport Saturday night when their outboard motor boat capsized during a squall.

The body of Clifford H. West, 37, was recovered yesterday. Lieut. James B. Flannery of Brooks field, third member of the fishing party, swam ashore for aid when the boat capsized. When he returned to the scene of the wreck with help, neither boat nor the men he left clinging to it could be found.

Airplanes aided in the search for Brim's body. All three men were from San Antonio.

Violent Volcano Eruption Likely Fatal to Many

GUATEMALA CITY, Nov. 4. (AP)—Violent eruption of the volcano St. Maria is believed to have cost the lives of a number of persons residing near its base.

The city of Quetzaltenango is greatly alarmed, although eruption of sand and lava has diminished somewhat. The government has sent aid to the affected region.

WHEAT HAS WEAKNESS

CHICAGO, Nov. 4. (AP)—Wheat underwent a decided fall in price early today, largely as a result of stock market weakness.

Opening at 3-4 to 2 1-4 drop, wheat values later showed but little power to rally. Corn, oats and provisions also were weaker, with corn starting 3-8 to 7-8c off and continuing to sag.

COLDS MAY DEVELOP INTO PNEUMONIA

Coughs from colds may lead to serious trouble. You can stop them now with Creomulsion, an emulsified creosote that is pleasant to take. Creomulsion is a medical discovery with two-fold action; it soothes and heals the inflamed membranes and inhibits germ growth. Of all known drugs, creosote is recognized by high medical authorities as one of the greatest healing agencies for coughs from colds and bronchial irritations. Creomulsion contains, in addition to creosote, other healing elements which soothe and heal the inflamed membranes and stop the irritation, while the creosote goes on to the stomach, is absorbed into the blood, attacks the seat of the trouble and checks the growth of the germs. Creomulsion is guaranteed satisfactory in the treatment of coughs from colds, bronchitis and minor forms of bronchial irritations, and is excellent for building up the system after colds or flu. Money refunded if not relieved after taking according to directions. Ask your druggist. (adv.)

MEXICAN ARMY STRENGTH CUT

MEXICO CITY, Nov. 4. (AP)—Thirty infantry battalions, 20 cavalry regiments, and one artillery regiment have been mustered out in order to cut army expenses, the war department announced.

This involves a total of about 15,000 men and leaves the standing army an approximate strength of 50,000.

The war department's budget for 1930, to be submitted soon to the chamber of deputies for approval, provides for total disbursements of \$41,000,000 as compared with \$33,500,000 during the present year.

The Rev. David E. Gibson of the Cathedral Shelter, Chicago, has assisted 1,000,000 unfortunates in the last 10 years.

The Hartman hotel at Hollister, Cal., has not had a lock or key for its front door since it was founded 50 years ago.

Florida produced 32,000,000 bulbs this season, nearly 43 per cent of the total production of the United States.
