"WATER'S FINE!"—AND SO ARE THESE SWIMMING STYLES

By MARIAN YOUNG

Most arresting of the current crop of fashion shows are posed against backgrounds typical of places where the clothes featured actually will be worn.

Fashions to wear on the beach are paraded beside swimming pools and beach clubs. Slim, sophisticated luncheon and cocktail dresses are shown during luncheon and cocktail hours in restaurants where smart women gather; each dress is a result—and a satisfying result it is—the potential customers don't have to sigh. "Yes, that swimsuit is pretty in this soft light. But how would it look in sunlight on the beach?"

All within the past few weeks New York have been shown clothes for the races on models parading up and down the ramp of the special fashion terrace at Belmont Racing park; luncheon ensembles for hot days during lunch hours at hotels and restaurants; striped clothes right at nearby beach clubs.

Extremely handsome were the beach fashions shown at the Huntington, Long Island, Crescent club a couple of days ago.

A brief sunsuit of white gabardine, shown above, worn by CBS actress Virginia Davis, practically stopped the show. Pockets of the shorts and the bra top are appliqued with green leaves.

Chic spectators—members of the Huntington Crescent club and their guests—applauded also the bathing suits at the right. The striped creation comes in emerald green and white. The flowered model is of white silk jersey with the South Sea islands design in brilliant colors.

Mrs. Vicars Has Charge Of Study For Loyal Women

Loyal Women's class met in the First Christian church Wednesday afternoon with Mrs. C. F. Bastion presiding.

"Stepping in the Light," and prayer by Mrs. B. A. Norris preceded the devotional given by Mrs. R. E. Kinzer and the lesson taught by Mrs. De Lea Vicars on "The First Century Church." A prayer by Rev. J. E. Gilchrist, W. G. Kinzer, De Lea Vicars, W. E. Speed, A. A. Tiemann, C. L. Thomas, L. E. Wilson, the Rev. Norris, and Miss Edith Shearer.

Dinner Given For Group At Denworth

DENWORTH, June 13—Mrs. and Mrs. Dick Brown entertained with a dinner honoring the Rev. and Mrs. Jaudon Cobb of Andrews.

Rev. Cobb preached in a two weeks revival meeting at Denworth. Relatives and friends present were the Rev. John Cobb of Plainview, Rev. and Mrs. Jaudon Cobb and two children, Mr. and Mrs. Linzy Cotham and four children, Mr. and Mrs. Bill Nichols and daughter, Tommy, Mr. and Mrs. Ace Michael and two children, Mr. and Mrs. Earl Moon and son, Marvin Earl, Mr. and Mrs. R. L. Marshall, W. R. Brown, and Mr. and Mrs. Dick Brown.

Use Of Whole Wheat Flour Demonstrated At Kingsmill Club

Kingsmill Home Demonstration club members met in the home of Mrs. M. G. Davis for a demonstration on the use of whole wheat flour in making bread and in cooking.

Mrs. O. G. Smith presided over the business session in which a report was given by Mrs. Nat Lunsford on the last Council meeting. A poultry meeting was announced for June 5 and a cake making demonstration in Mrs. Julia E. Kelley's apartment on June 23.

Mrs. S. E. Elkins, who had charge of the demonstration on bread, made whole wheat and raisin bread, hot cakes, and breakfast foods.

Bread, hot cakes, and raisin bread were served to Mmes. A. L. Walberg, P. F. Plankenburg, L. E. Twig, J. C. Payne, N. B. Cude, C. T. Nicholson, J. R. Combs, H. M. Propper, O. G. Smith, Nat Lunsford, M. G. Davis, S. E. Elkins, D. L. Lunsford, C. F. Bastion, and one visitor, Mrs. P. C. Barritt.

The next meeting will be held in the home of Mrs. C. W. Moot on June 17.

The recipe given for whole-wheat flour breakfast food is as follows: To three cups of hot water add one teaspoon of salt; let come to boil in double boiler. Mix in one cup whole wheat flour with cold water and add to boiling water. Let cook few minutes and add cup of seedless raisins and cook over slow fire 15 minutes. Serve with cream and sugar.

Bread, hot cakes, and raisin bread were served to Mmes. A. L. Walberg, P. F. Plankenburg, L. E. Twig, J. C. Payne, N. B. Cude, C. T. Nicholson, J. R. Combs, H. M. Propper, O. G. Smith, Nat Lunsford, M. G. Davis, S. E. Elkins, D. L. Lunsford, C. F. Bastion, and one visitor, Mrs. P. C. Barritt.

The next meeting will be held in the home of Mrs. C. W. Moot on June 17.

Mrs. Dauer Will Represent Council At Short Course

Gray County Home Demonstration Council met recently with seven clubs represented.

Mrs. Roland Dauer was chosen to represent the council at the short course which will be held at College Station in July.

A plan was perfected to distribute Texas Food Standards to all Gray county citizens.

Antiques were collected to be displayed during the fiesta.

Following the council meeting, a moving picture in technicolor on the arrangement of flowers was shown and favors of tiny coco, cola bottles filled with baby mums were given to each member present.

Preserver Of Man Will Be Subject

"God the Preserver of Man" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, June 15.

The Golden Text is: "The eternal God is thy refuge, and underneath are the everlasting arms" (Deuteronomy 33:27).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "And the Lord shall deliver me from every evil work, and will preserve me unto his heavenly kingdom" (II Timothy 4:18).

The Lesson-Sermon also includes the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "This is the doctrine of Christian Science: that divine Love cannot be deprived of its manifestation, or object; that joy cannot be turned into sorrow, for sorrow is not the master of joy; that good can never produce evil; that matter can never produce mind; nor life result in death. . . . The harmony and immortality of man are intact" (pages 304 and 321).

Peace-time Maneuvers

End for 70,000 Men

CAMP BOWIE, Brownwood, June 12. (AP)—Texas' greatest peacetime maneuvers, involving 70,000 men who have worked over a great half-million-acre battleground, ended today and troops prepared to return home over the weekend.

The soldiers, residents of 15 states, came from 7 army posts for the week maneuvering divided into two phases, the last of which ended today with the defending blue army striving to beat back the onrush toward Brownwood of the reds.

The final problem posed the red army southeast of Brownwood and when the go sign was given yesterday morning at daylight, the invasion started.

The blues rushed up to meet the attack but were driven back and last night the contending armies were locked in combat on a line running from Elkins northeasterly toward Cedar Gap.

OILERS BEAT BOMBERS BUT LOSE ARGUMENTS TO UMPIRES

Prather And Smith Chased For Arguing

Teams Play Last Game Of Series In Pampa Tonight

Manager Dutch Prather and his Pampa Oilers beat the Big Spring Bombers 4 to 2 last night for their second straight victory over the league leaders but they lost all the arguments to Umpire Anderson and Swindell who had a bad night.

Tonight the Oilers and Bombers play the last game of their current series, at 8:30 o'clock at Road Runner park. Tomorrow the Oilers will start a road trip that will keep them away from the home lot until June 23. Either Monte Montgomery or Frank Grabek will be on the mound for the Oilers tonight, probably opposed by Kohout, one of the leading pitchers in the league.

Arguments last night got so hot in the ninth inning that Prather and Catfish Smith, Pampa catcher, were chased from the game. Jim Reynolds took over the catching assignment and John McFarland went to first when he came through with a great play to complete a double play.

The differences between Oiler players and umpires—with fans also doing a lot of beefing—started when Umpire Anderson, behind the plate, was charged with "calling 'em all wrong." The umpire Swindell, on base, became the target of a couple of arguments on the field at first and at third. Players and fans kept up a barrage of comment at the umpires until the ninth when the game was delayed and Prather and Smith were chased.

The play which caused the final rumpus occurred after Scott had muffed Poltras' line drive to left and Janekci had hit to short. Haralson threw to Malvica at second and Malvica started his throw to Prather for an easy double play when the ball struck out of his hand. Poltras had been an easy out at second but the umpire called him safe after Malvica dropped the ball. Then the argument started. The umpires won, as usual, and the game continued with Big Spring having men on base and second and trailing by two runs.

Schultz was sent to the plate to bat for Pitcher Wheelchel and he blasted one a mile a minute at Malvica who scooped up the ball, tossed to Haralson, who cut across the bag like a streak of lightning, and then threw to McFarland who made a sensational catch of the bad throw for a double play.

When the play happened Glab was on the mound, having relieved Big Ernie Myers, rookie righthander. Glab was a lefthander and he hit to Haralson who forced Haney at second to end the game.

Myers Pitches Good Ball
Myers pitched good ball for the Oilers, excepting the sixth inning when he was nicked for three hits, one a double by Zmitrovich which scored Greer and Stevens who had singled.

The Oilers didn't earn a single one of their four runs, all coming as the result of Big Spring errors. They scored in the third, one in the fourth and two in the fifth.

Little Kelly Haralson had a busy night making five putouts, seven assists and two errors. To prove that Myers was making the Bombers hit to the infield, Malvica has five putouts, three assists and two errors.

Myers walked only two batters and fanned five. His curve ball wouldn't work with any regularity and he was in trouble several times. Catfish Smith, however, worked the rookie nicely and he always came back strong, three times saving the day with strikeouts.

Weight Slows Up Horses And Joe Is Packing It, Says Conn

Joe Louis and Billy Conn . . . thumping thoughts.

By HARRY GRAYSON
NEA Service Sports Editor

NEW YORK, June 13—William David Conn, cool as a dog's nose, talks like an old handi-capper in discussing his 15-round world with Joe Louis Barrow at the Polo Grounds, June 18.

It was suggested that Billy Conn might have waited a year. He would be bigger and stronger and Joe Louis would be 12 months farther along.

"Johnny Ray and I debated that," said Conn, "but as we kept looking at Louis we decided both he and I were ready now . . . he to be taken and me to win the big prize. Besides, we both may be in the army next year."

"Added weight that will come will enable me to hit a little harder, but it also may take some of my speed."

"And I'm not going to lick Louis by matching punches with him. I have to escape being hurt early in the going, make him miss and smother him with punches."

"I wouldn't want to be any heavier than 180 pounds. A difference of 20 pounds or so in heavyweights isn't much. Weight slows up horses, you know, and Louis is packing it, I'm not."

LOUIS ANTICIPATES
Louis expects Conn to put up a running fight.

"He ain't gonna fight me like he did Knox and Barlund," asserts Smokey Joe.

"That would be foolish of him and I got to allow he ain't foolish."

"That boy's gonna do more stuff with his feet than with his hands. But he can't win with his feet and when he uses his hands I'll be using mine. Then we'll see who can punch faster."

Louis may not be the quick and devastating hitter he was three years ago, but he isn't as bad as Manager Ray paints him to Conn.

Also don't let them sell you on Louis packing mental weight, too. The Brown Bomber is an unimagineable fellow. He takes his business pretty much in stride.

Chatting with Louis, who gaffer that he holds Conn as cheaply as Billy the Kid professes to regard him.

Conn is banking on standing up under Louis' belts as much as he is on getting away from them.

CHALLENGER HAS CHANCE THAT PUTS HIM IN RING
He points to Buddy Baer and Abe Simon absorbing Louis' best shots without as much as blinking.

He goes back to Louis' fight with Tommy Farr and mentions the titleholder's two trips with Bob Pastor in stressing the point that the Negro has trouble with a moving target.

He speaks of the Godoy and Schmalzinger crouches throwing Louis off in arguing that the Dark Destroyer is a one-track fighter. True, Louis straightened them up on return trips, but Conn is coming up with something entirely new.

Conn is the most polished fighter Louis has met.

Perhaps this explains why the Pittsburgh boy has been a slow starter. He takes time to figure the other fellow's style.

Conn had better not make a mistake while mulling over the Louis technique, but a fighter who hasn't lost a decision in three years can be depended upon to take care of himself.

Conn is big enough if he is good enough.
Billy Conn at least has the chance that puts him in the ring.

Germans Warned To Obery Raid Sirens
BERLIN, June 13 (AP)—The Berlin district air defense command advised the capital's inhabitants today to go to air raid protection cellars immediately when sirens sound because "the enemy's new-type weapon has a severe effect."

The warning noted that many persons go to cellars only when anti-aircraft artillery goes into action with the result "that there have been a great number of bomb victims."

Experience, it said, shows that rooms below ground are safest during an air raid.
British reports of recent air operations against Germany have described the devastating effects of a new super-bomb.

NEW YORK, June 13—The oft-twisted grapevine says, Greyhound, fastest trotter of all time, is lame and may never race again. . . . Felecy Sarron, former featherweight champ, writes from Camp Blanding, Fla., that Tommy Gomez, the Tampa heavy he has been hearing so much about, looks like the next champion to him. . . . Lefty Grove, who only three games ago, will be the next member of baseball's exclusive "300 club"—that is, if he wins three more. . . . Chris Dundee, who manages Ken Overlin and is one of the smartest guys in the figure racket, picks Conn to lick Louis says speed will do it. (Conveniently, we're leaning that way, too, but we'll withhold an official prediction for a few days) . . . William Brann, owner of Challenger, says his big horse is coming along nicely and probably will tangie with Whirlaway before the year's over. And that, ladies and gents, should be a race!

Baseball Anniversary
An All-Ohio Event
COOPERSTOWN, N. Y., June 13 (AP)—Celebration of baseball's 102nd anniversary here today is an all-Ohio event.

The Cleveland Indians, current American league leaders, oppose the world champion Cincinnati Reds of the National league in an exhibition expected to draw about 10,000 fans to this birthplace of the sport.

Minus club expenses, game receipts go to support the baseball museum and hall of fame dedicated two years ago in honor of the centenary anniversary of Gen. Abner Doubleday's invention of the diamond sport.

General Manager Warren C. Giles of the Reds said today's game established the Cooperstown classic on a permanent basis for the first time.

Rigny Not To Ask For Army Deferment
CHICAGO, June 13 (AP)—Pitcher Rigny has decided to take his regular turn in the army draft after all.

The 26-year-old Chicago White Sox hurler said last night he had been ill advised in asking a stay, that he had withdrawn his request (granted by his local draft board but appealed to Washington by the Illinois Selective Service director) and that he would report for induction June 20 as originally scheduled.

Derringer Hurls Reds To 1 To 0 Win Over Braves

(By The Associated Press)

A lot of tears have been shed this season over the failure of big Paul Derringer to dominate the National League pitching scene as he did in leading the Cincinnati Reds to two Pennants and a world championship. The Duke, at 33, is a little fatter and a little slower than he was last year. He was hurt during spring training and had some trouble getting started. This was not helped by the lamentable lack of hitting from his teammates. But 10 years in the big time have made this huge righthander one of the craftiest hurlers in the business. Game in and game out, even now, he can do as much with his curves, knucklers, change of pace and control as most of the rubber-armed speed-bailers. He showed how tough he can be yesterday by pitching four-hit ball to beat the Boston Braves, 1-0. The day's only other National League game also was an air-tight pitching spectacle—between Carl Hubbell and Bill Lee, with the New York Giants stopping the Chicago Cubs, 2-0. In the American League the Boston Red Sox divided a doubleheader with the St. Louis Browns in odd affairs. The Sox scored four runs in the first inning of the first game and then were shut out for the next eight frames by the impressive relief hurling of Bob Munnief. The Browns tallied five times in their half of the first inning and won 9-4. The Red Sox were held to six hits in the second game while the Browns made seven, but Boston triumphed, 3-2. The Philadelphia Athletics copped a nip-and-tuck struggle from the Detroit Tigers, 5-3.

What with John Duncan Rigney withdrawing his request for a deferment, Joe DiMaggio hitting his 12th homer of the season and running his hitting streak to 26 straight games, and Manager Jimmy Dykes of the Sox filling a protest, the New York Yankees and Chicago White Sox had a high old time of it in their night game. The Yankees finally won in the 10th, 3-2, on DiMaggio's four-bagger.

Bert Burden, outfielder, and Hawkins, first baseman, are back from last year's team. A special section will be reserved for white fans at both games.

Rivercrest Tourney
Into Quarterfinals
FORT WORTH, June 13 (AP)—Minus the medalist and defending champion, the River Crest invitation tournament in its quarter-finals today with two remaining favorites in for tough matches.

Tall Harry Todd, low amateur in the National Open last week, meets Bill Roden, University of Texas sophomore from Glen Rose who was two-under-par yesterday and Chicago and round, Iverson Martin, Fort Worth's toughest remaining entry after the titleholder, Billy Bob Coffey, was dumped, goes against another homeowner, Derald Lehman.

Bob Sikes, T. C. U.'s golf captain, and the boy who removed Cofa's face, another local golfer, Charley Moore, and Jack Malloy, who recently moved to Fort Worth from Tulsa, will face Bitsy McCray of Denton. McCray defeated Mally Reynolds yesterday afternoon after Reynolds had upset the medalist, J. T. Hammett, in the morning round.

Semi-finals will go off this afternoon.

Greenberg Now With Anti-Tank Company
WITH THE ARMY IN TENNESSEE, June 13 (AP)—A tall, slant-shouldered guy shuffled up to the cook tent, the 20th in a line of 52 soldiers waiting for noon mess.

Any teen age kid from Texas to Maine could have told you who he was—Henry Greenberg, the home-run clubber by the way he towered over everybody, his familiar flat-footed walk, his prominently dark eyes, his delectable way he knitted his eyebrows.

Greenberg, late of the Detroit American league baseball team and the most publicized seletectee taken into the army last month, is trying to throw off his fame and become just one of the boys here where 55,000 soldiers are participating in war maneuvers of the second army.

But his mates are still a bit awed by Greenberg's glamour as one of baseball's highest salaried stars.

"I like the army fine, but a rifle is a lot different than a baseball bat," Hank grinned, shuffling uneasily and juggling his mess kit. "I don't know whether I've gained weight or not, but I'm working hard."

The big outfielder nightly jams his 6 feet four inch frame into a tiny pup tent not large enough to cover an average-sized man.

"Greenberg is making a swell soldier," said Capt. Glenn Sikes, commander of the anti-tank company of the 2nd infantry. "He started out as part of a water detail, getting water to fill the canteens. Now he uses a Garand semiautomatic rifle as part of the protection around our anti-tank gun. If he keeps learning he'll be put on the crew of a 37 mm. anti-tank gun handling ammunition."

Qualifying For City Golf Tournament Ends Saturday

(By The Associated Press)

Pampa golfers are warned that tomorrow is the deadline to qualify for the city golf tournament to be played over the Pampa Country club course, beginning Sunday. Pairing will be made Saturday night and announced at a Dutch lunch and Calcutta pool at the clubhouse at 8 o'clock. Everyone entering the tournament will be eligible to attend the Saturday night event. The course is in the best condition in many years. Fairways have been mowed again and the rough is being made less rough—if possible. F. Nossent, club pro, is working on the greens which are packed by the recent rains. He will have them all ready for opening of play. The top 16 players will be in the championship flight and there'll be flights and prizes for every class of golfer down to the dubs.

Talbot Picks Louis To Beat Billy Conn In Three Rounds

By GAYLE TALBOT

NEW YORK, June 13 (AP)—Joe Louis will knock out Billy Conn in about three rounds next Wednesday night at the polo grounds. If it goes longer than that, Billy will be just plain lucky.

This is said after a personal tour of inspection of the champion's training camp at Greenwood lake, just up the Hudson, where the large negro is getting ready to defend his championship.

There has been considerable talk about Louis being worn out by his strenuous campaign of the past spring, during which he has fought more often than necessary. It has been said and believed that Joe has turned into an old man.

There is nothing to it, folks. This Joe Louis still is the greatest fighting man you or I will see in a lifetime. He has taken them all on, one after the other, and it is your argument against mine when you say Jack Dempsey or Gene Tunney could have whipped him.

There is nothing Joe Louis lacks to make him a great fighter. Yesterday I saw that he was a much finer boxer than Billy Conn. Against our sparring partners, who were doing their poor best to emulate Conn, he picked off their punches with his right glove, a flick at a time, and then tore them to shreds. Joe's trainer, old Jack Blackburn, twice had to call time prematurely to keep him from knocking a couple of sparring partners silly.

What makes it worse for Conn, a mere light-heavyweight trying to fight a big man, is that Louis is not feeling friendly about this fight. Joe reads the papers, and he has noted that Conn repeatedly has referred to him as a "dumb negro" and "old man." While Louis realizes that a "ghost writer" has been responsible for those remarks, he still feels that Conn has condoned them, and he is sore about it. He intends to knock Billy on his head—quickly.

Russian-German Disagreement Hinted In London
LONDON, June 13 (AP)—British dreams of a Soviet Russian-German agreement bordering on active warfare were nourished today by repeated but unconfirmable reports that Berlin demands on Russia were of such magnitude that acceptance would loosen Moscow's military hold on the Baltic and Black Seas.

Informed quarters said discussions between Sir Stafford Cripps, British ambassador to Moscow, and government leaders here were "primarily concerned with Russian-German relations."

It must be emphasized that reports of disagreement between Berlin and Moscow and Nazi concentrations on the Soviet border conceivably fit into the pattern of the British diplomatic nerve war which, by scaring Russia, it is hoped here might force the U. S. S. R. into more friendly relations with Britain and eventual collaboration in the war.

Reliable sources said that demands made by the Germans had been received in Moscow and were under study.

Eucharistic Congress Ends
CHIHUAHUA, Mexico, June 13 (AP)—Thousands of Catholic pilgrims and high church officials, including the archbishop of Mexico, Luis Martinez, took part in a mammoth procession within the cathedral yesterday ending the Eucharistic congress.

The congress commemorated the 50th anniversary of the creation of the Chihuahua bishopric.

Rain encountered in flight will, according to Aero Insurance Underwriters, eat the varnish off wooden propellers within 25 minutes if the downpour is at all heavy.

Ed Greer Wins Another For Cats

(By The Associated Press)

It's well enough to sing the praises of the swift young ballplayer, but there's something warming about the sight of old Ed Greer out there pitching game after game—and winning 'em, too. The veteran hurler—who admits to forty summers, half of them or more devoted to his beloved baseball—must rely on craft rather than strength of youth, but he gets there. The Fort Worth Cats, on whose roster old Ed is listed, would be delighted to have more hurlers like him. For instance, the veteran chucked a four-hitter for a 4-0 victory over the Missions at San Antonio last night.

In other Texas League contests, Dallas split a doubleheader with the Buffs at Houston, losing the first 2-1 and taking the second 3-0; Tulsa posted a 6-3 defeat on the Sports at Shreveport, and Oklahoma City lost 7-3 to the Exporters at Beaumont in the only afternoon game.

The main feature of the Dallas-Houston schedule was the professional debut of 18-year-old Carl Harms, Houston high school student, who allowed a measly three hits, two of them of the scratch variety, in the second game. The youth was charged with a defeat, but he was put down as a likely prospect.

Today's schedule: Dallas at San Antonio (night), Fort Worth at Houston (night), Oklahoma City at Shreveport (night), Tulsa at Beaumont (day).

PAMPA AGAIN WELCOMES MIAMI BAND

Always a "regular" at the Top O' Texas Annual Fiesta is the splendid Miami High school band. The Roberts county musicians are one of the many groups that show their friendliness for Pampa by coming to this city at the time of the annual celebration. The Miami band has made nearly every one, if not all, of the 10 Fiestas — and they were bound to attend the "Folks Fiesta," keynoteed by friendliness and hospitality in typical Texas fashion.

Record-Breaking Crops Predicted By Farm Service

AUSTIN, June 13 (AP)—The second largest wheat crop in Texas history was predicted for 1941 today by the United States Department of Agriculture marketing service. A record-breaking barley harvest was forecast, as well as a better than average oats crop. The report said hay crops and pastures were in good condition and fruit crop prospects were excellent. Because of excessive rains hindering harvest and retarding the maturity of grains, thus increasing hazards of rust, army worms and weather, some decline in prospects since June occurred.

Production of wheat was expected to reach 56,116,000 bushels, exceeded only by the 1931 crop of 67,983,000 bushels. The 1940 crop was 29,355,000 bushels and the 1939-1939 average 31,360,000 bushels. Increase was chiefly due, the survey said, to an average yield of 12.95 bushels an acre, compared with the 10-year average of 9.6. There was an increase in acreage for harvest to 3,401,000 acres, compared with the 10-year average of 3,124,000 acres.

An oats crop of 39,803,000 bushels was anticipated, much of it being already harvested. Condition of corn was reported at 67 per cent of normal, compared with 72 per cent for each of the two preceding years.

French Sailors Join Free French

By LARRY ALLEN
 CAIRO, June 13. (AP)—Officers and men from French warships interned in Alexandria harbor are joining the Free French in increasing numbers, observers said today, and Syrian developments may bring definite showdown on the status of the fighting vessels demobilized last July after the French-German armistice.

The Allied advance into Syria is known to have had strong repercussions among the crews remaining on the French battleship Lorraine, four cruisers, three destroyers and one submarine at Alexandria.

The warships, besides being stripped of their ammunition and oil supplies by agreement with the British, had their crews cut by almost 2,000 men who chose to return to France.

The warships have not moved from their moorings since last July, and there has been a steady stream of sailors from them to the Free French.

The newspaper Le Phare Egyptien reported many of the officers and men "indignant" over reported German use of Syrian air bases and said many of them were quitting their ships.

British Report Raid On Ruhr Valley Area

(By The Associated Press)
 LONDON, June 13.—Many an industrial building was blown into the sky and numerous fires were started last night in Germany's great manufacturing region, the Ruhr valley, by a large force of British bombers in the heaviest raid of the war on that region, it was claimed officially today.

The blasting, fiery success cost the RAF six planes acknowledged missing from the bomber command. Within a 50-mile radius in the Ruhr area about three-fourths of Germany's whole coal output is mined and about the same proportion of her iron and steel industry is there.

The district is linked by a network of roads, railroads and canals between closely-set industrial towns. Many of these were believed to have felt the weight of the RAF's blows since the communiqué dealt with the valley as a whole without mentioning any center specifically.

A bomb-burst in one railroad yard, the air ministry news service reported, "was followed by a succession of explosions in line, one after the other, over a period of ten minutes as though a store of ammunition had been hit."

Guest Evangelist Will Speak Three Times On Sunday

The revival meeting at Central Baptist church, under direction of the Rev. H. T. Sullivan of Amarillo, continues to grow in spirit and interest. Under consideration of vacation time with many members out of the city, the crowds are very fine. Rev. T. T. Sumral, pastor, announced today.

The music is conducted by O. H. Gilstrap and his local choir. The old songs with a gospel message rendered in spiritual power are proving to be a blessing to all, the pastor added.

The preaching by Rev. Sullivan is the plain and personal type, with the very word and breath of the Bible from start to finish. "He leaves no one guessing about where he stands. You don't need a dictionary to understand what he has to say about sin. He does not preach to please men." These and many similar statements have come from the people who have heard him these few nights.

The meeting will continue through next week. Day services at 10 o'clock each morning and evening services at 8 o'clock. Rev. Sullivan will preach three times Sunday as follows: Sunday at 10:45 a. m., "A Bible Revival"; Sunday afternoon on radio at 3 o'clock with Mr. Gilstrap and choir; and Sunday evening at 8 o'clock, "God's Answer to Man's Greatest Question."

Rev. Sumral insists that everyone hear this preacher Sunday and next week.

Shamrock Attorney Called Safe Driver

Expert automobile driving of Clayton Heare, Shamrock attorney, was the subject of a letter sent by Homer Garrison, Jr., director of the department of public safety, to the Shamrock man.

In his letter, Director Garrison states that Heare's ability as a driver had been mentioned by Charles H. Ballard, Texas Highway patrolman, stationed at Pampa.

The commendation of the state director was based on the efficient and courteous manner in which Attorney Heare operated his automobile west of Canadian on U. S. Highway 60 on May 29.

A vehicle he was meeting went out of control and on the wrong side of the road. Mr. Heare maneuvered his automobile to a shoulder of the highway, thereby averting possible injury or death to seven persons.

FOOTSTEPS IN THE FOG

BY ELINORE COWAN STONE

Copyright, 1941, NEA Service, Inc.

YESTERDAY, Angela brings word that there are men near who will try to keep Stephan from getting away. But Stephan seems to have escaped. Deborah watches him go. The telephone rings. Bridgie hurries to answer it.

STEPHAN IS HURT

CHAPTER XI
"HELLO!" Bridgie bellowed amiably into the instrument. "Sure 'tis Bridget Lanahan, Miss Lovett's housekeeper spahkin'..."

happen to be informed—speaks highly of your own discretion. He'll come on ahead of us."
DR. BINGHAM, himself, came in almost immediately—big and wholesome and comfortably mated in the midst of this insane nightmare.

street.
"Hi, my dear," the doctor said wryly. "happens to represent the United States government. And there seem to be some matters he is very anxious to talk over with your young man as soon as he is able to talk at all."

When Deborah went out, picked up the receiver, and said, "Deborah Lovett speaking." it was a man's voice which answered—crisp, impersonal, and somehow terrifyingly guarded.

DEBORAH sat down limply on the chair before the telephone table.
"Are you there, Miss Lovett?" the voice asked sharply. "Can you hear me?"

"Howly Mither of Heaven!" cried Bridgie, lumbering down the remaining flight of stairs. "It isn't the Captain! What in the name—Sure, where would you be puttin' himself but in the Master's room? ... An' don't stand there lookin' feckless entirely, Miss Debby! Put some wather on to boil."

FROM that moment it was Bridgie who took charge—Bridgie who led the little procession upstairs, who found linen and extra covers, and stood by while Dr. Bingham did his grisly work. For when Deborah tried to follow the stretcher into the upper room, the physician took her arm and led her gently away.

MUCH later, it was the little man with the bright eyes, who slipped down to the front hall to carry on a conversation with someone at the front door. Deborah could not hear much, although she crept to the top of the stairway and shamelessly strained her ears. A few phrases she did catch:

"Clean," another voice answered from the doorway. "And say! If that lad pulls through, his skull's sure made of good honest stuff. We found what he was hit with—and it was plenty."

Southwest Rail Shipments Rise

FORT WORTH, June 12 (AP)—A fifteen percent increase in shipments of all commodities by rail in the southwest during the next three months was forecast by the southwest shippers advisory board at its eighteenth annual meeting here today.

Gains predicted in the committee reports over the same quarter last year include a thirty percent increase in shipments of grain and sixty percent hikes in shipments of ore and concentrates and gravel, sand and stone required for defense projects.

Effect of the defense program upon industry also was noted in the prediction that shipments of automobiles, trucks and parts will decrease sixty percent.

Railroads definitely face a car shortage in transporting the bumper crop. Warren Howard of Dallas declared. He listed as reasons the fact that there are between 30,000,000 and 40,000,000 more bushels of wheat to handle in the southwest this year than last, that the harvest will be over a wider territory at the same time and that facilities for storage already are in heavy use.

A. H. Grass, Washington, D. C., manager of the military transportation section of the Association of American Railroads, declared at a luncheon that the railroads are fully prepared to meet demands which the government may make during the war emergency.

A pursuit plane has 15,000 parts in the fuselage and wings, all held together with 78,000 rivets, plus welding.

German Army Admits 5,893 Killed In Crete

BERLIN, June 13 (AP)—The German army and air force seizure of Crete on Adolph Hitler's personal orders cost 5,893 officers and men in dead, wounded and missing, the high command announced today, and proved that "nothing is impossible to the German soldier."

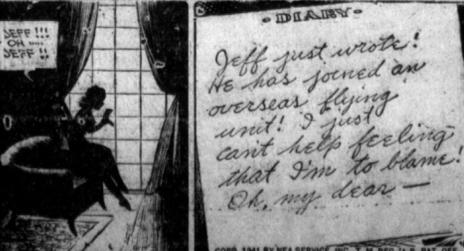

The announcement also claimed that between Jan. 1 and May 30 thirty allied warships were sunk in the Mediterranean, including 23 at Crete, and that "a great number of other units, including several battleships and plane carriers" were damaged.

In the same five-month period, according to this announcement, 103 merchant ships, totaling more than 520,000 tons were sunk in the Mediterranean.

300 Riders Will Be In Bicycle Parade June 21

Nearly 300 costumed riders on gaily decorated bicycles are expected to participate in the Bicycle Safety parade to be held in Pampa on June 21.

The event is sponsored by Montgomery Ward & company with the cooperation of the Pampa police department and the state highway department.

Prizes will be awarded to the best and most originally decorated bicycles. First prize is a handsome 19 1/2-inch trophy to become the permanent possession of the winner.

Seventeen other valuable merchandise prizes are:

Joe Gordon baseball glove, major league baseball bat, official league baseball, softball, two tennis rackets, three tennis balls, roller skates, King air rifle, bicycle light, bicycle horn, bicycle tire, luggage carrier, croquet set, two 10-swim tickets to the city pool, one pass to the LaNora and bottle of Coca-Cola to each contestant.

All prizes were donated by Montgomery Ward & Co., and are now on exhibit in Ward's store.

In addition to the many prizes, every contestant will be given a free pass to the LaNora theater and a free bottle of a soft drink. Passes and soft drink will be given only to those contestants that have filled out an official entry blank by 4 p. m., June 19.

Leon Holmes, manager of Ward's sporting goods department, states that final selections of judges for the contest have just been completed. The names of the three judges, prominent local citizens, will be announced in the Pampa News tomorrow.

Optomist's Wife Charged With Murder

COMMERCE, June 13. (AP)—A murder charge was filed yesterday against Mrs. Upton G. Sayle, pretty brunette, in connection with the death of her husband, Dr. Upton G. Sayle, 31, optometrist, who succumbed to gunshot wounds suffered in a garage apartment back of his office Wednesday night.

Mrs. Sayle was released under \$3,500 bond. The complaint was filed by the dead man's uncle, Major Frank R. Campbell, commanding officer of the 42nd battalion of the Texas defense guard.

Dr. Sayle declared his brother was shot through the head and that near him was a .45 caliber automatic pistol.

Funeral services will be held this afternoon, with burial in Campbell, Texas.

Flashes Of Life

(By The Associated Press)
PHILADELPHIA—American war fliers won't get shot in the pants, if military authorities can help it. A major product of a new armor factory here, is thick plate to go under the seats of military airplanes to prevent what might be called "unlucky hits" from below.

INDIANAPOLIS—Decorator Joseph Evans, gathering up props after the Shriners' national convention, couldn't find 15 papier mache camels that had stood on downtown street corners.

He said they were worth \$100 apiece and weren't insured, so police joined the search.

They found five in baggage cars, one in Union station and four in hotel rooms.

TOPEKA, Kas.—Kansas floods produced a fish story with an irony touch.

V. E. McIntyre, newspaper deliveryman, put his golf bag in his car so he could take part in a golf tournament at Lawrence later in the day.

His trip halted by high water, he calmly took out his No. 2 iron and bagged a dozen carp.

ALBUQUERQUE—The pickings must be good in Julian Cheve's icebox.

"It's getting darned monotonous," he said in complaining to police about the sixth theft from his refrigerator in two weeks.

account. The average June pension payment thereby will be increased, it was estimated from \$9.00 to \$18.00.

Also approved by the governor was a bill, passed quickly by both houses, remitting to Shackleford county, because of flood damages, one-half of the state ad valorem tax for 10 years. O'Daniel had expressed the opinion the people of the county had suffered "a great public calamity" and were "in dire need of financial assistance."

Striking out an amendment which would make the plan apply only to students from states according the same privilege to Texas youths, the house returned to the senate a bill waiving non-resident fees in state colleges for children of military men stationed in Texas.

Appropriate Dishes Suggested For Father's Day Sunday And Special Flag Day Celebration On Saturday

FATHER'S DAY
The battle over what to give father reaches a new annual high; But we might have saved all the bother—
It ended, again, in a TIE!

Celebration of the third Sunday in June as a day of thanks to the man who has provided for the family, dates back to 1909, when one of the women thought something should be done in honor of Dad. The movement received official approval a year or two later, and in 1911 the late beloved Jane Addams gave the idea a boost, saying, "Poor father has been left out in the cold!"

Of course, dad will get a lot of neckties, handkerchiefs and also some Good, Bad, and Indifferent cigars, but the real way to dad's heart is the old reliable rule of "feed the brute." Follow some of these Father's Day recipes and watch the smile grow on dad's face.

Here is an easy recipe for the aristocrat of corn breads, fit for a king—or a father on HIS day!

YEAST COFFEE CAKE
1 package fast yeast.
1/2 cup lukewarm water.
2 1/3 tablespoons sugar.
1/2 cup fine corn meal.
2 cups boiling water.
1 1/2 teaspoons salt.
2 cups scalded milk.
About 5 to 6 cups white flour—(sifted).
1 tablespoon melted butter.

Pour the yeast into the 1/2 cup lukewarm water and add 1/2 teaspoon sugar. Stir the cornmeal slowly into the boiling water. Stir in the salt and keep stirring for several minutes until smooth and thoroughly cooked. Beat well, adding the hot milk and remaining sugar. When cornmeal mixture is cooled sufficiently, add the softened yeast and just enough of the sifted flour to make a thick sponge. Beat thoroughly and set to rise. When sponge is light, add enough more flour to make a medium stiff dough, put on floured board and knead, adding more flour if necessary, until dough is elastic and smooth. Replace in bowl, cover and set to rise until double in bulk. Then knead slightly and separate into two parts, placing in greased bread tins. Brush tops with melted butter. Let rise until light, and bake about an hour in medium oven.

HAM PIE—COUNTRY STYLE
(For use with Johnny Cake)
(Serves 8)
2 cups diced potatoes.
1 cup diced carrots.
1/2 teaspoon salt.
3 cups diced, cooked ham.
1 cup green peas (cooked).
2 or 3 sprigs parsley (chopped).
1 beaten egg.
1 tablespoon melted butter.

WHITE SAUCE
3 heaping tablespoons flour.
3 tablespoons butter.
2 cups milk.
Salt and pepper to taste.
Cook the diced potatoes and car-

rots in small amount of water to which the 1/2 teaspoon salt has been added. Mix with cooked, diced ham and cooked green peas.

Make a white sauce by blending the 3 tablespoons each of flour and butter, and gradually add the 2 cups milk. Thoroughly cook until thick and smooth, salt and pepper to taste, and pour over the ham and vegetable mixture. Place in a casserole or any shallow baking pan (do not use metal pan). Sprinkle with the chopped parsley. Prepare several thick slices of the Johnny Cake as per previous recipe, cutting into diamond shaped pieces. Dip each piece in the beaten egg and place on top of hot creamed meat and vegetables in neat design. Brush with the melted butter. Place in hot oven until Johnny Cake covering is nicely browned.

Here is a recipe for tasty nut muffins that can be served hot for breakfast, dinner or supper, or cold as a midnight snack with coffee.

PECAN POP-OVERS
(About 18)
1 1/2 packages fast yeast.
1/2 cup lukewarm water.
5 1/2 tablespoons sugar.
2 cups milk.
1/2 cup shortening.
1 teaspoon salt.
4 1/2 cups flour (sifted).
3 eggs.
1/2 cup floured raisins.
1/2 cup rolled pecans.
1 teaspoon cinnamon.

Pour the yeast into the 1/2 cup lukewarm water and add 1/2 teaspoon sugar. Scald the milk and add the shortening (butter or other rich shortening), three tablespoons sugar and the salt. Allow to cool, then stir in part of the sifted flour, alternating with the beaten eggs. Mix well and add the softened yeast, stirring until smooth. Cover and set to rise until about double. Flour the raisins and mix into the risen dough with half of the rolled pecans. Fill greased muffin tins half full, cover and set to rise again for 1/2 to 3/4 of an hour. Mix the remaining sugar, the cinnamon and the remaining rolled pecans. Sprinkle over the muffins.

Bake in moderate oven (375 to 400 degrees F.) for about 20 minutes.

REFRIGERATOR ROLLS
(About 3 dozen)
2 packages fast yeast.
1/2 cup lukewarm water.
1/2 cup egg.
1/2 cup mixed shortening.
1 cup boiling water.
1 cup cold water.
2 eggs.
1 1/2 teaspoons salt.
7 cups flour (sifted).
3 tablespoons melted butter.

Pour the yeast into the 1/2 cup lukewarm water and add 1/2 teaspoon sugar. Melt the shortening in the cup of boiling water and add the cup of cold water. Beat the eggs well and mix with water and shortening. Add the sugar, salt and softened yeast, then mix in the sifted flour. When thoroughly mixed and smooth, place in large greased bowl and set in refrigerator.

Two hours before baking time, knead small lumps of the dough gently, in fingers, forming balls the size of a walnut. Roll each ball in melted butter (not hot) and place three balls in each muffin cup. Cover and set in warm place to rise. When risen, bake about 25 minutes in hot oven.

"HE-MAN VITTALS"
Give Dad what he likes best on Father's Day. If the women of the family put their heads together and work together, they can delight father with a regular he-man banquet.

You'll find that the following menu will be just what he likes best:

Broiled steak with fried onions, French fried potatoes, sweet garden peas, celery and radishes, old-fashioned strawberry short cake, and coffee.

If the smaller members of the family want to make the dessert for Father's Day, select a simple gelatin dessert which is easy for them to prepare. This fruit mixture is colorful and delicious, and will make dad proud of his little cooks:

RASPBERRY AND PINEAPPLE SUPREME
(Serves 4 to 6)
One package raspberry-flavored gelatin, 1 pint hot water, 1 cup raspberries, 2 or 4 slices of pineapple, cut in halves.

Dissolve gelatin in hot water. Turn into mold. Chill until firm. Unmold. Arrange pineapple halves around mould. Garnish with rasp-

Raspberry jellatin with pineapple slices and whole raspberries.

berries and whipped cream, if desired.

However, if possible make the old-fashioned strawberry short cake made famous at the Eastern Shore of Maryland annual strawberry festival. The recipe is given by Mrs. Oscar L. Morris, of Salisbury, Md., a noted hostess.

TRADITIONAL OLD-TIME MARYLAND STRAWBERRY SHORT CAKE
(Makes 6 generous portions)
"No sweetened cake—it's shortbread so short it melts in your mouth, served piping hot, well buttered, with layers of chilled berries. Here's how:

"Cap and wash 1 1/2 quarts of strawberries. Sugar to taste and mash. Put in refrigerator to chill. Sift together two cups of flour, five teaspoons of baking powder, and one teaspoon of salt. Cut in eight slightly rounded tablespoons of shortening until it is about the size of small peas. Add half a cup of milk; stir in with a fork. Pat out into six wide, thin biscuits and bake about 15 minutes in a 450 degrees F. oven. Cut biscuits apart with a fork and butter inside and top. Pour on berries, making two layers, and serve at once."

FOR FLAG DAY
Every school child knows the history of our flag, and on June 14 millions of Americans, young and old, will renew their Pledge to the Flag. This year the Stars and Stripes will fly from United States embassies and consular offices throughout the world as one of the few remaining symbols of tolerance and freedom. For this flag of ours is not the symbol of a party; it is not the personal banner of one man or a group of men with a lust for power. The Stars and Stripes are the symbol of a national conscience; our reverence of the flag is but an indication of love of State—but love of Country!

As Flag Day falls on Saturday this year, some special baking recipes will be right in order to add to the week-end supply of good things from the oven.

Here is a recipe for cheese muffins that makes a grand addition to breakfast menus. The muffins are also good served cold or split and toasted.

YEAST CHEESE MUFFINS
(About 15 muffins)
1/2 package fast yeast.
1/2 cup lukewarm water.
3/4 teaspoon sugar.
1 1/2 cups milk.
3 cups flour (sifted).
1/2 teaspoon salt.
2 eggs.
1 tablespoon butter.
2 or 3 tablespoons grated cheese (American).

Pour the yeast into the 1/2 cup lukewarm water and add 1/2 teaspoon sugar. Scald the milk and allow to cool. Sift the flour with the salt and stir in the scalded milk (well cooled) and the softened yeast. Beat well, cover and set to rise about two hours. Beat the eggs very light with the balance of the sugar and mix with risen batter, adding the butter, melted but not hot. Mix in the grated cheese and stir well but do not heat. When smooth, fill greased muffin tins two-thirds full with mixture and allow to stand in warm place about 15 minutes. Bake 20-25 minutes in quick oven (about 425 degrees F.). Serve hot.

COCONUT JAM DANITES
(About 15 cakes)
1 package fast yeast.
3 tablespoons lukewarm water.
1/3 cup shortening.
2/3 cup sugar.
2 eggs.
1/2 teaspoon lemon extract.
2 cups flour (sifted).
1/2 cup milk.
1 cup strawberry jam.
2/3 cup shredded coconut.
1 tablespoon powdered sugar.

Pour the yeast into the 3 tablespoons lukewarm water, add a pinch of the sugar, stir and allow to stand. Cream the shortening, sugar and salt until fluffy. To this add one egg well beaten, and the lemon extract. Mix the softened yeast with 1/2 cup of the sifted flour and blend with the creamed shortening and sugar. Add the remaining flour and milk alternately, mixing well with each addition. Blend in the beaten yolk of the other egg and when the mixture is smooth, turn into greased muffin tins, filling slightly more than half full. Set to rise in warm place (1 1/2 to 2 hours).

Bake at 375 degrees F. for 20-25 minutes. After baking, allow to cool and remove sides of cakes with cover top and sides of cakes with jam and roll the cakes in shredded

coconut. Beat the remaining egg white until stiff and stir in the powdered sugar. Top the cakes with this and place in oven on a cookie sheet at 350 to 375 degrees F., until meringue is nicely browned. Decorate the cakes with small American flags, and try them on the children (ages 6 to 8).

CEREAL BREAD
(2 small loaves)
1 1/2 packages fast yeast.
1/2 cup lukewarm water.
1/2 teaspoon sugar.
1 1/2 cups scalded milk.
1 teaspoon salt.
1/2 cup molasses.
3 tablespoons shortening.
2 cups graham or whole wheat flour.
2 cups ground flakes (corn, wheat or rice flakes).
1 teaspoon vanilla extract.

Pour the yeast into the 1/2 cup lukewarm water and the 1/2 teaspoon sugar. Place the scalded milk (cooled until lukewarm) in a mixing bowl with the salt, molasses, and two tablespoons ground flakes and the other shortening. Stir in half of the flour and half of the cereal flakes. (Flakes are rolled out fine and must be crisp to prepare properly). Add the softened yeast and gradually work in the balance of the flour and cereal flakes and the vanilla. When smooth, cover and set in warm place to rise for two to three hours, in two greased bread tins.

When well risen, brush tops with remaining spoonful of melted shortening, if desired. Shortening should be done with pure butter. Bake at 375 to 400 degrees F. for 15 minutes, then reduce heat to 325 to 350 degrees F. and bake for another 45 minutes or until done. This makes moist loaves which remain fresh for a number of days. The bread should not be eaten until the day following baking if full flavor is desired.

For delicious cereal bread sandwiches spread slices with a half-and-half mixture of Roquefort (or Danish Blue) cheese and butter.

RUSKS
(About 25 pieces)
Rusks, those delicious crunchily pieces of slightly sweetened bread, are a conventional standby in many homes. Here is an easy recipe for these tasty tidbits:

1 package fast yeast.
1/2 cup lukewarm water.
1 1/2 teaspoon sugar.
1 egg.
1 cup flour.
3/4 teaspoon salt.

Four the yeast into the 1/2 cup lukewarm water and add 1/2 teaspoon sugar. Beat the egg well and mix with the flour, salt and remaining sugar, blending well. Add the softened yeast and mix thoroughly. Set to rise in warm place until double in bulk. Roll out on floured board to a scant 1/4 inch in thickness. Place on buttered pan and bake in hot oven about 15 minutes or until light brown in color. When cold, cut in narrow strips and serve plain, or frost with any plain white icing.

Gasoline Found In Plant Extinguishers, Marin Dies Declares

(By The Associated Press)
Continuing to embroider the themes with which they started the Texas senatorial campaign, three candidates took their cases to voters in the prairie sections of the state last night.

The fourth major aspirant, Gov. W. Lee O'Daniel, conducted his campaign by radio and through the medium of sound trucks in charge of his sons, Pat and Mike.

Congressman Martin Dies told an Amarillo audience that he had been informed by telephone that investigators of the house committee he heads had unearthed positive evidence that gasoline was found in fire extinguishers at the North American Aviation plant at Inglewood, Calif., which the army took over last Monday.

Congressman Lyndon Johnson, on whose candidacy President Roosevelt has smiled, said at Midland that Texas "needs a senator who has worked with the President on the army and navy. It needs a senator who can get justice and bring new army and navy camps to Texas, electricity to the farmers of Texas and old age pensions for our people."

Attorney General Gerald C. Mann, in his eighth address of the day, reiterated that the senatorial race is between him and Governor O'Daniel.

"I was the first to announce in this race," he said "I am first to night and I will be first when the votes are counted the night of June 28."

Germany Quiet On Robin Moor Sinking

BERLIN, June 13 (AP)—An authorized German source said today "we won't be buffeted by American and English discussions concerning the Robin Moor."

"Whenever any ship with contradictory claims for England will shoot at it, whether it is the Robin Moor, the Exmoor or anything else."

(The Robin Moor, 5,000-ton United States freighter which was sunk in the south Atlantic May 21, was bound for Capetown, Union of South Africa. She formerly was the Exmoor.)

(Survivors said a torpedo from a German submarine sent her down, although the submarine commander knew her identity.)

Authorized sources said many ships going to England already had been sunk and Germany was in no hurry about participating in discussion of the Robin Moor incident.

The question was exclusively military, these sources said, but certain American quarters were giving it a political angle "in order thereby to further a war psychosis."

"And, of course," it was added, "England tries in every manner to make political capital thereof."

Investigations by German military authorities were continuing, meanwhile, these sources said, and Germany would decide "in due time" whether or not to say anything concerning the incident.

Churchill Speech Called 'Swan Song' By German Spokesman

BERLIN, June 13. (AP)—Prime Minister Churchill's address yesterday when he envisaged a new European order without Adolf Hitler was called by authorized Berlin commentators today "a political dance of death."

"The speech, in the shadow of fallen governments, was his swan song," a spokesman said.

Churchill addressed representatives of the refugee governments of Belgium, Czechoslovakia, Greece, Luxembourg, the Netherlands, Norway, Poland, Yugoslavia and Free Frenchmen, along with representatives of the British commonwealth of nations.

World population is estimated at 2,000,000,000, one-third of which is the white race.

ELECTRIC REFRIGERATION

The low operating cost of the 1941 electric refrigerators is one of the many ways you can save. You save too, on foods... you are able to take advantage of the week end specials and stock up for the week to come. One of the outstanding features of the new refrigerators is the moist cold, dry, cold, and freezing cold compartments, enabling you to select the proper cold for your different foods. You will be surprised at the "extra savings" with an electric refrigerator.
