

CHIANG HANDS OVER BURDEN TO LI

Pampa News

VOL. 47—NO. 214 (8 Pages) PAMPA, TEXAS, FRIDAY, JANUARY 21, 1949

HELPING OUT—These 11 girls from Brownie Troop 1 met in the Girl Scout office in the City Hall this week to stuff, stamp and seal envelopes for the March of Dimes drive for funds to fight infantile paralysis. The envelopes, which will go to all residents having a water meter, contain slotted tabs for contributions of dimes and dollars for the annual drive. Beginning at the corner of the tables at left center, the girls above are, left to right: Martha Lou Hubbey, Peggy Hawn, LaVantia Beckerdite, Sherran Gillet, Linda Stevens, Jovena Morgan, Barbara Vaughn, Seba Simonton, Bonnie Rowden, Jimma Sarreks and Peggy Mesenak.

Manager and Directors of Co-op Quit

CANADIAN — (Special) — Several applicants for the position of manager of the Canadian Grain Co-op, left vacant by the resignation of Ross Zenor, have been interviewed this week but no selection has yet been made. Another meeting of the group's Board of Directors will be held tomorrow. Zenor and the entire membership of the Board of Directors resigned in a body at the annual meeting of the co-op's stockholders last Saturday. With one exception, a whole new board was elected. Paul Ramsey, whose resignation had been submitted with the others, was re-elected. New officers and directors are: Harry Haines, president of the board; Virgil Brock, vice president; Carl Jahnel, secretary; and Ramsey, Jack Porter, A. V. Longhofer, and W. E. Ramp, directors. Zenor plans to leave by Feb. 1 for a short stay in Mineral Wells and has said he would probably move to his farm in Arkansas. Although several applicants have been interviewed, no successor has yet been selected.

Carver Again Heads Council

The Rev. E. Douglas Carver was reelected president of the Adobe Walls Area Council last night at a meeting of 29 Scouters in the Palm Room of the City Hall. Following a banquet, officers were elected and 1949 activities were planned. Other officers include: A. W. Paris, Phillips, R. W. Durham, Memphis, and James B. Langston, Guymon, vice presidents; Hurn Laycock, council commissioner; and C. A. Huff, treasurer.

WE SAW ...

That "deep purple" — and it wasn't from the frosty air either — creep up Juvenile Officer H. A. Doggett's neck yesterday in the police station. The boys were looking over his shoulder at his mail. There, in big letters, was one addressed to him from the League of Women Voters of Texas. Good Morning, Miss Doggett.

Thousands of the current March of Dimes drive envelopes all addressed and sealed in the Girl Scout office this morning. After the efforts of the Scouts quite a few Pampans will be receiving the drive mail.

LINDA'S THANKS

HONEST, FOLKS, YOU'LL BE HAPPY — AND SO WILL LOTS OF OTHERS — TO SEE THE MARCH OF DIMES DRIVE ENVELOPES AND THANKS!

Meat-on-the-Hoof Isn't Gold Anymore

CHICAGO — (AP) — Meat-on-the-hoof isn't the four-legged gold it used to be. Prices of both hogs and cattle are far down from the record highs made last year. And livestock experts agreed today that the slump in the past few weeks has been much more than just "seasonal." Take hogs, for example. For a time last year hogs were the "black gold" of the Midwest, bringing fabulous prices. Hogs at Chicago hit a top of \$31.85 a hundred pounds last August 24, Thursday the best price was \$21.50. The same story applies to cattle. Average cost of slaughter steers at Chicago this week was \$18.75, down from \$23.75 a hundred pounds. That compared with an all-time high last July of \$36.85. What's behind the price drop? Mrs. Stevens, secretary of the Corn Belt Livestock Feeders Association, said, "There are just too darn many of the critters coming to market." He said he thought it would take from 20 to 60 days to "clean up" the present market glut. In hogs, Pickell said one factor was the sharp break inlard prices. Lard is now selling below the former OPA ceiling. He said it was backing up in cold storage warehouses and was one reason packers were lowering their bids for live hogs. H. M. Conway, market analyst for the National Livestock Producers Association, said some cattle feeders were a "little panicky" and therefore had started to send their cattle to market. He said he thought the price slump was greater than justified by the supply situation. He added he expected the market to come back in the next 60 days, and then to ease off again around May and June. This, he said, would be the normal seasonal pattern. An Agriculture Department marketing specialist offered as one reason for the cattle selling at a department report of last Thursday. It showed that cattle in the nation's feed lots were 19 percent greater than a year ago. The number — 548,000 head — was the largest on record. With the single exception of Jan. 3 this year, the hog price Thursday—both the top and average figure—was the lowest since Oct. 14, 1946. The average steer price this week was lower than in any 1948 week and the lowest for any week since that of May 10, 1947, when it was \$23.42.

Stevens Rites Are Held Today

Funeral services for Mrs. Bezie Stevens, 45, who was found dead at her farm home near Spearman Wednesday, were held at 2 p. m. today from the Dueneke, Carmichael Chapel. The Rev. Clyde Smith, pastor of the First Methodist Church, officiated, and burial was in Fairview Cemetery. Mrs. Stevens, who was born June 2, 1903, in Hutchinson County, moved to Pampa the same year and lived at 204 W. Brown for many years. She moved to Spearman four years ago, and had been in ill health for several years. She is survived by one daughter, Mrs. C. W. Weaver of Spearman; one brother, Melvin Wright of Pampa; two sisters, Mrs. Willie Setts of Spearman, and Mrs. J. Neil Kinard of Dallas; by her mother, Mrs. Carrie Wright of Spearman; and by two grandchildren. Pallbearers for the funeral to be held at the Lewis Meers, B. O. Montgomery, Henry Clay, Billy Taylor, A. N. Thorn, and Francis Hukill.

Truman Sets His Administration on Road to 'Peace, Plenty and Freedom'

WASHINGTON — (AP) — President Truman put aside early this morning the golden moments of his greatest day and set his administration on a course of world leadership toward "peace, plenty and freedom." That was the shining goal he chose for himself and the nation in yesterday's inaugural address. And the first real business of his new administration was the swearing in of the man who will share with him the responsibilities for piloting a strongly anti-Communist foreign policy. Dean Acheson, who resigned a year and a half ago as under-secretary, moves up to the top cabinet post of secretary of state in a late morning ceremony in Mr. Truman's office. The Chief Executive himself is settling into that office for the year, standing straight as a string against an icy winter wind yesterday noon. Mr. Truman took the presidential oath in an ancient, dramatic ritual. After that, the inaugural ad-

The Story About Allen Is Told

Seems like there's no better place than Sheriff's office to get a good look on the jaw. The story came to light last night of how Deputy Sheriff Louis Holmes had to go running for the smiling salta for Chief of Police Louie Allen Allen the other day. The report goes on that Sheriff G. H. "Skinner" Kyle and Highway Patrolman E. J. Robertson were "warming up" when in walked Allen who thought he would referee. Allen got in the way, intercepting Robertson's blow square on the button. The chief's hat hit the floor, — in the corridor—and his cigarette and cigarette holder wound up in the inner office. The chief, well, he smelled some smelling salts and decided the refereeing field is a little crowded anyway.

Acheson in New Post as Secretary

WASHINGTON — (AP) — Dean Acheson took over as secretary of state today the task of translating into action, in Congress and around the world, the four-front anti-Communist foreign policy to which President Truman has committed his second term. Foremost among his major tasks as successor to retiring Secretary George Marshall will be the development of a plan for stimulating the flow of American private capital into foreign investments. Mr. Truman's inclusion of this point in his inaugural speech indicates that the administration has reached a major turning point in its foreign financial policies. While the European recovery and other announced aid programs will go ahead as scheduled, officials expect increasing stress on the use of private capital abroad and a decreasing use of direct American government financing. Congress was frankly puzzled by guaranteeing American investments abroad. How the lawmakers will finally react apparently depends on the form in which Mr. Truman presents his plan in this connection. Acheson's formal taking of office was set for today (10 a. m. CST) at the White House. (See **ACHESON**, Page 5)

Hi Athletes Are Honored

The Pampa Junior High School and Senior High School football and basketball teams were guests last night of the School Board at an athletic banquet in the Senior High School cafeteria. Football awards were given out to the Reapers, Guerrillas and the Harvester underclassmen footballers. In addition, all members of the basketball teams were introduced to the crowd. The cafeteria was very neatly trimmed in Green and Gold and the school color theme followed through the entire program. The lights were decorated in green and gold. The table decorations, place cards, balloons, ice cream, gum drops and even the meal with green beans and golden corn carried the Green and Gold color scheme. The decorating committee was headed by Mrs. Marie Torvie, who were unable to attend. The awards were given to the players by their coaches. Gold footballs went to the Reapers, letter sweaters to the Guerrillas and letter jackets to the Harvesters. Music for the dining and for a short dance afterward was furnished by Ken's Combo.

Poll Taxes Are Climbing Slowly

Poll tax payments and exemption certificates were climbing slowly, records in the county tax collector's office showed this morning. To date 788 poll taxes have been paid and 221 exemptions granted. This figure does not include poll taxes paid or exemptions granted at the McLean office for the past week. That office turns in its weekly work Saturday nights to the main office in Pampa. Jan. 31 is the deadline for paying poll taxes or securing exemptions, in order to vote in any regular or special election during 1949.

Rest and Possible Retirement Talked

NANKING — (AP) — President Chiang Kai-shek handed the burden of war or peace today to Vice President Li Tsung-jen and flew to Hangchow for a rest and possible retirement. Li, accepting the acting presidency, faces the immediate problem of settling with the Communists, whose arms have steadily pressed Chiang back since last fall. Officially Chiang, who threatened many times in his stormy career to walk out, did not resign or retire. He just left. Behind he left a statement saying he took the step "to lessen the hardships of my people," an informed source said. Li, in an acceptance statement, said he took on the presidential duties "in the hope the people will give me their full support." As is his annual custom, Chiang flew south to "sweep the tombs" of his ancestors. But many felt that he would not be back if Li were successful in dealing with the Communists. Chiang's official destination was given as Hangchow. Later, an official statement said, he expects to go to Fongshu, his native place in Chekiang Province, south of Shanghai. The Generalissimo's departure was secret. He left behind his luxuriously appointed \$500,000 airplane and hopped into a smaller twin-engine ship. High officials poured over Chiang's statement. It has not yet been revised to allow its presentation to the public in the most favorable light. It was reliably reported Premier Sun Fo visited Li and submitted the cabinet's resignation en bloc. It was unknown whether Li accepted.

Godbey Tells Of 17-Year Hate Killing

EL PASO — (AP) — Roy Frank Godbey last night told how he kept a 17-year-old promise to kill the lawyer who sent him to prison. "I didn't want to shoot him in the back," he told an El Paso Times reporter. "I wanted to get him across a desk from me. Then I wanted to shoot him. But it didn't work out that way." Godbey is charged with the fatal shooting of Earl Pruet in his Oklahoma City office on Jan. 11. Pruet prosecuted Godbey for a \$9 holdup in 1932. Acting Chief of Police J. W. Fitzgerald and FBI Agent D. K. Brown—both night announced that Godbey had admitted the slaying. He was interviewed by the reporter, Scott Thurber, after Oklahoma officers had questioned him. Pruet was framed and I told him then I'd kill him if it," Godbey told the reporter. "It took me nearly 17 years to do it, but I kept my promise." Pruet walked out of his office into the reception room," he said. (See **GODBEY**, Page 5)

Lions Back Dimes Drive

Lions Club members were urged to leave the current March of Dimes tabs on their lapels yesterday at the weekly meeting in the basement of the First Methodist Church. Lion Paul Brown reported on the club's drive, by fining members who were unable to either placing them in the containers stationed around town or by placing them in parking meters. Tail-wister H. M. Luna assisted in the framing, by fining members who were unable to either placing them in the containers stationed around town or by placing them in parking meters. Ken Bennett was appointed Program Committee Chairman, after which he introduced Dr. Roy Webb, who presented the guest speaker, G. P. "Slim" Davis. Davis is game warden of Pampa and five other communities. He gave a short talk on the history of cartridges and cited the danger of using American-made bullets in foreign guns. O. L. Statton was taken into the club as a new member. Clarence Kennedy reported the progress on the annual Lion's Minstrel.

Students Give to March of Dimes

Sixty-six percent of the students at Sam Houston School have turned in their contribution cards, containing a total of \$105.04 for the annual March of Dimes drive for funds to fight infantile paralysis. Principal J. A. Meek reported this morning. Sam Houston is the first school to report its donations for the fight against the disease that took a total of 23 victims in Pampa last year.

THE WEATHER

U. S. Weather Bureau
WEST TEXAS: Mostly cloudy this afternoon, tonight and Saturday. Rain for the week-end. High today 19-21, low 10-12. Wind light S. Colder west portion tonight and east portion Saturday. High today 19-21, low 10-12. Wind light S. SOUTHWEST: Mostly cloudy with scattered light rain east portion, much colder northwest portion. Cloudy tonight with snow north central portion and extreme west portions, changing to snow Saturday. Colder west portion tonight and east portion Saturday. High today 19-21, low 10-12. Wind light S. Need lamps? Get them at Lewis Hardware Co.—adv.

Newsboys Want to Thank Subscriber For Compliment

In the mind of at least one of The News' subscribers, the carrier boy is more than just a kid earning a little money after school — he is a representative of one of the highest traditions in American journalism. The newsboys are proud of this compliment. Her letter to the editor follows: "I think it is high time that someone says a good word for all The News' carrier boys who have so faithfully delivered their papers during all of this cold and blizzard weather. They surely need to be commended for their efforts. Many adults have given up their jobs due to the weather, but we continue to receive our News promptly. "These boys should be commended along with the Post-office Department that maintains that the mail must go through," and with the theatrical people who maintain that the show must go on. "If these boys are a sample of our youths' determination and character, then America need not fear the future. These junior businessmen of today are our leaders of tomorrow." (signed) Mrs. John W. Sexton

Red Counsel Will Prove Contention

NEW YORK — (AP) — Counsel for 11 indicted high U. S. Communists promised to "get down to business" today and begin proving their contention that the federal jury-picking system in New York is all wrong. Not only did they pledge to start sending witnesses to the stand to show that the system favors the wealthy but they also announced yesterday they might call presiding Judge Harold R. Medina himself, and all other federal jurists in the Southern District of New York to testify. If such a move is made, U. S. Attorney John F. X. McGohey said, Judge Medina might be disqualified from further connection with the conspiracy trial of the 11 Communists. The indicted Communists are members of the American Communist Party's National Committee. They are charged with working for the forcible overthrow of the U. S. government. Medina termed the plan an "extraordinary maneuver" and said he would have to study the law to determine if such a thing is possible. At a news conference after adjournment yesterday, a defense lawyer, George W. Crockett, Detroit Negro, said it had not yet been determined whether Medina would be called. He insisted, however, the defense has "sufficient legal basis for doing so." Since the trial opened Monday, defense lawyers have tried to get Medina to disqualify himself by covering up their numerous motions to this effect. The defense contends that the jury-picking system here discriminates against Negroes, Jews, labor groups, women and others, and in favor of the wealthy. The defense lawyers' promise to begin calling witnesses to prove their contention came after Medina had prodded them continually with such remarks as "I wish you'd get down to it" and "go ahead and call your witnesses and start proving it."

WE HEARD ...

That Mrs. G. R. Hudson received almost 300 phone calls from persons who were willing to take her black checker Spanish and give it a good home. She finally placed it with a woman whose dog had died about two or three weeks ago, she said.

Dispute on Boundaries Delays Talks

RHODES — (AP) — Israel and Egypt have become snagged on the thorny question of determining Negev boundaries in their armistice talks. A United Nations spokesman said both sides were in disagreement over important points concerning boundaries to be observed in Southern Palestine. He added, however, that they were in accord on a number of other points in the boundary matter. In Tel Aviv Foreign Minister Moshe Shertok yesterday said Israel and Lebanon were negotiating but had not yet reached the decisive stage of straight armistice talks. Shertok added that Israel and Trans-Jordan were in communication, but no official armistice negotiations have started. Details of the Israeli-Egyptian talks were still under blackout. Dr. Ralph Bunche, the acting United Nations mediator, saw both delegations twice yesterday. The U. N. spokesman said that once the complex boundary question is thrashed out, the issue of withdrawing and reducing forces would be solved easily. There was no indication when the next joint meeting will be held. Unofficially it is known that the calling of the next meeting will indicate armistice terms have been reached.

Israel Also Negotiating in Lebanon

TEL AVIV, Israel — (AP) — Foreign Minister Moshe Shertok says Israel is negotiating with Lebanon and Trans-Jordan but the talks have not yet reached a decisive stage. Shertok's statement to the State Council yesterday was the first official comment on armistice reports current here for the past few days. Preliminary talks were said to have taken place between Israeli and Lebanese representatives along the Lebanese-Israeli frontier. In connection with the Trans-Jordan talks, informants said they were being conducted on a far broader basis than a mere cease-fire or truce arrangement. They said they have been shrouded in secrecy to avoid any embarrassment on the part of King Abdullah with Britain. Shertok reiterated Israel's stand that dispatch of British troops to the Trans-Jordan port of Aqaba constituted a threat to Israel's territorial integrity. He said the present situation cannot justify any request by Trans-Jordan for implementation of the Trans-Jordan treaty. The Israeli minister added that he welcomed British Foreign Secretary Ernest Bevin's action in agreeing to release Jews of military age still held on Cyprus. Meanwhile preparations were made for Israel's first elections. Balloting takes place Jan. 25. The governments of the United States and Israel will publish advertisements in today's newspapers here warning American citizens in Israel that they will lose their American citizenship if they vote in the elections. The advertisements call attention to Section 401 (E) of the American Nationality Act of 1940 which provides that American nationality is forfeited by "voicing in a political election in a foreign state."

Students Give to March of Dimes

Sixty-six percent of the students at Sam Houston School have turned in their contribution cards, containing a total of \$105.04 for the annual March of Dimes drive for funds to fight infantile paralysis. Principal J. A. Meek reported this morning. Sam Houston is the first school to report its donations for the fight against the disease that took a total of 23 victims in Pampa last year.

WHEN SHE HITS THE HAY, SHE SURE DOES—It's hard work to take care of 22 head of cattle, and Linda Ruth Cooper, 5, is plump tucker out. Linda Ruth was taking care of some white-faced Herefords at the Denver, Colo., National Western Stock Show. The cattle are from Phoenix, Ariz. Over 10,000 horses, cattle, sheep and hogs, from 22 states and Mexico, were entered in the show.

Stock Show Opens This Weekend

FORT WORTH — Holiday-minded residents of nearly 16 Texas communities will virtually "close shop" to attend the Southwestern Exposition and Fair Stock Show here from Jan. 28 to Feb. 6.

Almost all plan to cheer a hometown "cowgirl sweetheart" who will ride in the grand entry at one of the 19 rodeo performances.

Special days include: Jan. 28, Sonora and 8th Air Force Day; Jan. 29, 4-H Club, FFA, Soil Conservation District, Stamford and Ennis Day; Jan. 30, Palo Pinto County; Jan. 31, South Carolina dn Georgia; Feb. 1, Graham and Decatur; Feb. 2, Nocona and Bowie; Feb. 3, Waco; Feb. 4, Hamilton, Seymour, Eastland and Fort Worth public school; Feb. 5, Jack County and Sherman; Feb. 6, Electra and Weatherford.

Prize horses from 14 states have been entered.

Included are about 300 Quarter horses, and 51 cutting horses.

Three Eras Found in Uvalde Cave

AUSTIN—Excavation of a cave bearing artifacts of a civilization 10,000 years old has been completed in Uvalde County by Texas Museum geologists at the University of Texas.

The cave is located on the Sabinal River near Sabinal. Geologists spent the past three months there digging relics for study and for preservation in the museum. All earth found in the cave was passed through a wire screen in the search for materials. Dr. E. H. Sellards, museum director, said.

Three civilizations are represented by materials found — the Folsom culture, Edwards Plateau, and Indian. Oldest is the Folsom, represented by spear points and fossils of animals including the elephant, sloth (a clumsy land animal), camel, buffalo, and horses.

From the other cultures the geologists found scrapers used in cleaning hides, grinding stones, beads, ornaments, arrow points, pottery, bows and arrows.

The cave has a 40-foot opening and its semicircular interior is about 35 feet in depth. Dr. Sellards said. Two Uvalde County boys, Charles Mear and Kenneth Rochat, were the first to discover relics at the cave unlike any seen in that area. University museum geologists were notified, and after an exploratory trip through the cave,

Carl Fisher and Lee Johnson, Phillips, visited in Pampa yesterday.

For your next suit, slacks, coats, skirts and western togs, see our Spring and Summer samples for 1949. Just received. Hawthorne's 320 S. Cuyler, Ph. 920.

WORK'S DONE FASTER Electrically

ON THE farm and on the ranch work is done faster when electric service is effectively used.

Today more farms and ranches have electricity than ever before, and those who already have dependable electric service are finding more uses for it than ever before.

These progressive men are finding that electric lighting in the work areas, electric refrigeration, electric power tools for repairs and maintenance, electric milkers, brooders, incubators, choppers, and loaders all mean that more work can be done in a shorter period of time... at less cost.

When the time saved is compared with the low operating cost of modern electrical farm and ranch aids, the answer is obvious. That's why so many are using so much electric service. Check with your nearest county agent, REA or Public Service representative to see where electricity can help you.

Hopkins HD Has Home Discussion

Members of the Hopkins Home Demonstration Club met recently at the home of Mrs. Robert Orr to hear the demonstration on "Parlor or Living Room—You Choose." After a short business meeting, a discussion of year books was held and the program for the new year was planned.

Mrs. George Adams translated a letter from a French woman who had received a Christmas package from Hopkins Club. Mrs. Mary Anne Duke, country home demonstration agent, gave the talk on the subject. Living rooms were chosen, since a living room shows the needs and interest of the family living there.

Refreshments were served to Meses. C. H. Brickey, A. W. Griggs, Paul Rice, Joe Stone, Siler Hopkins, Claude Johnson, W. E. Melton, and Duke.

A napkin from England was given each member by the hostess.

In partial color blindness only some colors seem gray.

Plateau Singing Convention Plans Near Completion; Presented Sunday

Sunday at 11:30 a.m. is the time set for the semi-annual Plateau Singing Convention which will be held at the United Pentecostal Church, 1046 Brown.

The music fest will last until 4:30 p.m. Sunday with time out only for lunch. Participants are to bring their lunches and at 1 p.m., the group will go to the nearby CIO Union Hall to spread lunch.

Many churches have been participating in the singing conventions in the past and this year have entered a variety of musical combinations.

Members of the local barber shop quartets plan to take part in the singing convention.

John Ed Taylor, Canyon, is president of the group. Committee members from Pampa are J. E. White, M. M. Keeton, Thomas C. Tosh, G. R. Pfeil, J. P. Stephens and the Rev. Luther Reed of the Pentecostal Holiness Church.

The public is invited to attend the singing convention which is free of charge.

Local concerns which have contributed goods and services to the convention are, Puritan Bakery, Pampa Bakery, Tarpley Music Store, Piggly Wiggly, Your Grocery and Market, McCurtis, M&N Grocery, Red and White Grocery, Jones Food Market, McLaughlin Grocery, Hunter Grocery, Clegg School, Ideal Food Stores No. 1 and 2, Plains Creamery, Panhandle Packing Company, Miller's Grocery and McDaniel Grocery.

The Social Calendar

FRIDAY
7:30 VFW Auxiliary meeting at the VFW-Legion Hall.
8:00 OES, Masonic Temple.
SATURDAY
10:00 Blue Ribbon 4-H Club, home demonstration agent's office.

Gilbert-Fritts Vows Exchanged

SHAMROCK—(Special)—Miss Jean Gilbert, daughter of Mr. and Mrs. R. T. Gilbert of Amarillo, recently became the bride of Marvin Vernon Fritts, Jr., son of Mr. and Mrs. M. V. Fritts, Amarillo, at Clovis, N. M.

Vows were exchanged in a double-ring service with Judge P. B. Hartley officiating. Mr. and Mrs. Frank Walsh of Amarillo were the attendants. A reception was held at the home of the bride's parents, Thursday evening. Peach gladioli were used in decorations, and the tiered wedding cake was encircled with pink rosebuds.

Mrs. Fritts is a graduate of the Goodnight High School and has been employed by the Bell Telephone Company.

Fritts was reared in the Samnorwood community and attended the Samnorwood High School before moving to Amarillo with his parents in 1942. He attended Amarillo High School before entering military service. He was with the United States Navy for two years.

They will make their home in Amarillo where Fritts is associated with a biscuit company.

Peas are a good addition to a number of other vegetables. Here are some of the possible combinations: with carrots; with cauliflower; with new potatoes; with corn.

Ice hockey will be added to Michigan State College's program in the 1949 season. A huge new indoor ice rink on the campus is nearing completion.

Zion Lutheran Church News

In the regular Sunday morning services at the Zion Lutheran Church, the pastor will speak on the theme, "The Centennial Faith," basing his sermon on the words of Scripture as found in Matthew 8, 5-13.

In the afternoon at 2:45, the church's assembly will meet in the church for its annual meeting.

The story of the child Jesus in the temple will be the Sunday School lesson, while the Adult Bible Class will continue its study and discussion of Christian Stewardship. The hour of worship at Zion Lutheran Church

Fat Is Not a Nice Word When Applied to the Body

Don't say it's your thyroid while reaching for the box of chocolates. Possibly one bulgy person in 100 has some glandular disturbance and that is truly a case for a physician. Never take any treatment for a gland condition without your doctor's advice.

But for the other 99 per cent who are trying to fight the "Battle of the Bulges" common sense is the watchword. It is not necessary to overeat and it is not necessary to go hungry, either. Furthermore, it just doesn't make sense to go on a strenuous diet—take off weight and then quickly put it back on again when the diet period is over. For it is obvious that one cannot continue a starvation diet over a protracted period. Within the last year or so, several diet and vitamin "plans" have appeared on the market, which means cut down on the food intake and fortify with vitamins for hunger distress. But as mentioned above, you can't keep this up very

Load of Styrene Bound for Nowhere

HOUSTON—Twelve drums of styrene have been shipped on a South American cruise on the S. S. Tidane Victory bound for no specific port and consigned to no specific customer.

But the styrene is not merely going for the ride. The Monsanto Chemical Co. at Texas City has shipped it to learn how the product will stand up under climatic conditions at sea. Six of the drums are on deck and the remainder stowed in the hold.

Styrene is used in the manufacture of plastics, synthetic rubber and some types of paint.

It is 11 a.m., with Sunday School and Adult Bible Class at 10 a.m.

American Indians made no use of water-power, but the Pilgrims used it to grind corn as early as 1627.

When selecting spinach, buy leaves that are free from sand and dirt and have a fresh green color.

NOW COMES THE LEADER WITH A 7-YEAR ADVANCE IN ONE

CHEVROLET

Welcome the New **CHEVROLET**

The most Beautiful **BUY** of all

We cordially invite you to see the new Chevrolet for '49—the first completely new car the leader has built in more than seven years—and the most beautiful buy of all

You'll find it's the most beautiful buy for styling, for driving and riding ease, for performance and safety, and for sturdy endurance born of quality construction throughout... because it alone brings you all these advantages of highest-priced cars at the lowest prices and with the low cost of operation and upkeep for which Chevrolet products have always been famous.

Yes, here's the newest of all new cars—pretested and preproved on the great General Motors Proving Ground—and predestined to win even wider preference for Chevrolet as the most beautiful buy of all, from every point of view and on every point of value. Come in and see it!

First for Quality at Lowest Cost

OH LADY! SAVE A DAY A WEEK WITH A NEW FRIGIDAIRE LAUNDRY!

WASHING LESS THAN 30 MIN.

Frigidaire Automatic Washer With "Live-Water" Action

Put in clothes and soap, set the dial... and forget it! In half an hour "Live-Water" action does a washful cleaner, whiter than ever. The "Rapid" spin leaves clothes so dry, some can be ironed immediately. Loads from the top... no boiling down. See it demonstrated.

\$314.75

DRYING 20 MIN.

Frigidaire Automatic Electric Clothes Dryer

Fully automatic. Toss in clothes and in 15 to 25 minutes clothes come out sweet-smelling, fluffy-soft... ready for ironing. Saves lifting, reaching, carrying clothes. No storms, dirt, soot or broken clothes-lines to worry about.

\$239.75

IRONING 1/2 TIME

New Frigidaire Electric Ironer

Sit down to iron and do it better, easier, and in half the time of hand ironing. Open and roll, full 30 inches and snap-proof, takes large-size tablecloths easily. Has Friction-Matic Foot Control.

\$199.75

Leaders' Club Elects Officers

The Leaders' Club of the Pampa Girl Scout Association met at the Scout House yesterday to elect 1949 officers.

Mrs. R. H. Nensiel was elected president to succeed Mrs. H. H. Butler. She will represent the Leaders' Club on the board of the association.

Mrs. W. E. Moore was elected Program Committee chairman.

Following the election of officers Mrs. Butler served refreshments to the club before it was divided into three groups.

Mrs. Nensiel instructed one group, metal craft, and showed the women how bracelets, copper plaques and designs were made.

Mrs. O. L. Stratton and Mrs. Ervin Purley directed the second group in ceramics while Mrs. K. E. Thornton taught the remaining group several Scout songs.

Mrs. Glenn Radcliff, executive board member of the association, announced plans for the Girl Scout program and Brownie Revue, which will be held at the Court of Awards March 11-12, commemorating the 37th anniversary of the Girl Scout program.

The Leaders' Club meets the third Thursday of each month.

The "pennweight" originally was the weight of the English penny.

GODBEY

(Continued From Page 1)

related. "And asked me what I wanted. I think he recognized me then. He put his hand in his hip pocket—he might have had a gun there for all I know—and left it there."

"I said I wanted legal advice about a divorce and property division. He said his firm usually didn't handle such cases. I said I hadn't known that, but wanted to talk to him anyway, since property division is a complicated matter."

"All this time I had my hand on my gun, in my overcoat pocket. I saw I couldn't get to be alone with him, as I'd planned, and I pulled my gun and shot him as he turned away."

"I fired four shots. He fell after the first one."

ACHESON

(Continued from Page 1)

ached with three main immediate problems:

1. Completion of the North Atlantic security treaty binding the United States and Canada in a military alliance with the key nations of Western Europe. The treaty should be ready to go to the Senate by mid-February.

2. Final development of an overall foreign aid program. This would include not only economic assistance for the second year of the Marshall Plan in Europe, but also a plan for giving military arms and equipment to friendly nations, principally those in Western Europe.

3. Formation of a detailed plan for making good Mr. Truman's pledge that this nation will undertake to raise living standards by increasing production of goods in backward areas of the earth.

Public Links Golf

GALVESTON—(AP)—The Texas Public Links Association's 22nd annual State Championship Golf Tournament will be held at the Municipal Golf Course here June 23-28.

Man Sentenced in Theft of Bicycle

The five dollar sale of a stolen bicycle yesterday afternoon landed Sam G. Batson, 521 S. Russell, in the County Jail for 30 days after he pleaded guilty to the theft charge in County Court a few hours after his arrest.

Batson, who has a record of misdemeanor offenses in California, New Mexico, Louisiana, Idaho and Pampa, stole a bicycle from Opal Bramlett, who resides in the same apartment house as Batson according to police and court information, and sold it to H. F. Walker, 113 W. Tuke for \$5. Immediately after the sale Walker called police. Patrolman Goff Williams and D. L. Day picked up Batson at his apartment about 1 p.m.

Batson was brought before County Judge Bruce Parker between 4 and 5 p.m., pleaded guilty and was sentenced to thirty days.

Old-world peasants believed that goatsuckers—whippoorwills—subsisted on milk stolen from their herds.

The cornerstone of the nation's capitol was laid in Washington in 1793, but the government did not move into the city until 1800.

The Carolina parakeet, which once ranged as far north as Wisconsin, now is restricted to Florida and is almost extinct.

Hank Iba's Boys Topple St. Louis Billikens Again

Folks down here say it takes a miracle for a basketball team to whip the Oklahoma A&M Aggies on their home floor.

And today the St. Louis University Billikens, rated the nation's no. one squad, are thinking it—if not saying it, too.

Last night a standing-room-only crowd of 9,600 saw the Aggies topple the Bills from the country's unbeaten ranks by the low, narrow score of 29 to 27 in a one-period overtime game.

St. Louis came to town confident of victory. Coach Eddie Hickey said earlier this week he wasn't bringing his team here "to play mumblety-peg—we're going to win at Stillwater this week."

A&M Coach Hank Iba wasn't talking. He just said the "game is in the hands of the boys."

The Aggies, ranked no. 5 in the Associated Press first national basketball poll, have lost only eight games out of 136 played in 14 years.

The lead changed three times before the overtime period began with the score at 25-all.

J. L. Parks counted a field goal within a minute to send the locals ahead. A&M's Jack Shelton, substitute center, followed with another two points.

The scoring was closed out when "easy" Ed Macauley, St. Louis' mighty center, followed with two points.

The Aggies were the only team to defeat the Billikens last year. In fact, they beat them twice.

DiMag Likes Yanks

NEWARK, N. J., (AP)—Joe DiMaggio thinks the Yankees are going to win the American League pennant next year, but he's afraid of the Boston Red Sox.

Addressing the ninth annual All-Sports Award Dinner of the Newark Athletic Club last night, DiMaggio said, "I look for Joe McCarthy's Red Sox to provide plenty of trouble."

WARREN'S WARM UP

By Warren Mason—News Sports Editor

QUESTION: What is the regulation size of a bowling alley?

REGIONAL NEXT: The District Golden Gloves came to a finish last Wednesday after three furious nights of leather-slinging action. Champions were crowned in all high school weight classes and several in the open division. Many of the boys look like they might go somewhere in the regional meet at Amarillo this coming week.

Throughout the tournament the fine show of sportsmanship and the eagerness to mix it on the part of the boxers was outstanding. There were very few full fights, all of the boys throwing and receiving lots of punches. The fights moved along rapidly through the fine work and organization of the dressing room crew, who consistently had the fighters ready to enter the ring when their turn was due.

The ring officials did an excellent job of keeping the boys in action, out of clinches, and warned of the rules. They stopped several of the fights when one of the boys was taking too much punishment, and they were constantly on the lookout for cuts or other injuries that might become permanent if not caught. The judges had many tough fights to make decision on. Several of their selections drew criticism from the crowd, but the judges had a better knowledge of the scoring system and what to base the points on, and their opinion was final.

How seriously the boys took these fights is evidenced by the scenes in the dressing room after the fights. Many of these boys who, only minutes before were getting hit with everything but the ring posts and didn't bat an eye, could be seen unashamedly crying over their defeat. The boys wanted to win, and they gave all they had to do so.

The crowned champions will put in some hard days of work this weekend to polish up their attacks and defenses for the Amarillo affair, where victory will qualify them for a trip to the state meet at Fort Worth in February. And the Pampa team is filled with boys who are capable

Harvesters Seek to Extend Win Streak Against Cubs

A long fifteen-game win streak goes on the line tonight when the Brownfield Cubs come to town to challenge the district supremacy of the Pampa Harvesters. The Harvesters sit on top of the league standings, the only unbeaten team, with two wins and no defeats. The men of Coach Clifton McNeely will be shooting for their sixteenth win in a row.

The Green and Gold held a fast workout Wednesday afternoon, looking very sharp. Yesterday they had a light workout to taper off for tonight's game. Brownfield played Lubbock at Brownfield last Tuesday night and went down to a 45-17 defeat.

The Harvesters are all in good shape, with no injuries incurred at the athletic banquet and dance held at the High School cafeteria last night. The probable starting lineup will remain the same, with Gallimore and Bond at forwards, Davis at center, and Douglass and Howard at the guards. For Brownfield the likely starters will be Glenn Gorby and Jody Lane at forwards, Jim Billings at center, and Calvin Farris and John Thompson at guards. The Cubs lack excessive height, having only two boys reaching six feet. Their season's record is eight wins and six losses.

The Harvesters will be strengthened by the return of Jack Sutton, a Junior, who has just completed a year's enrollment in Pampa High, which is the eligibility requirement after transfer from another school.

A preliminary game will start at 7 o'clock between the B squads of Pampa and Borger.

In other conference games Friday, Amarillo plays at Plainview and Borger goes to Lubbock. Saturday night Brownfield plays Amarillo.

Olson, LaDue Meet Tonight In Tag Match

An Australian Tag match will be the feature event on the Sportatorium wrestling card tonight, but there won't be any Australians entered in it. There will be a varied assortment of talent, though. There will be a French-Canadian, Monte LaDue. Teamed with him will be a fellow from south of the border, Gorilla Poggi from Argentina. On the other team are two more foreigners, Milt Olson, a big Norsky from Wisconsin, U. S. A. His partner tonight will be an Okie, Balk Estes. All of that foreign blood ought to make for much excitement. Added to that is the bad feeling between Milt Olson and LaDue as a result of last week's bouts. LaDue took the state title away from Olson in a hard-fought battle that saw Olson apparently having the upper hand in the deciding fall, but being on the bottom after stunning himself with a missed kangaroo kick.

The first event of the evening will be between Billy Hickson of Pampa, and Billy Parks of North Bay, Ontario, Canada. This will be Parks' first showing here after two weeks of fine work in Amarillo.

The referees for tonight are Billy McEun for the first event, and McEun and Hickson for the tag match. Fight time is 8:15. The tag match will be a one-hour time limit, with the preliminary a 45-minute affair.

the Chamber of Commerce Athletic Banquet... A dime is cheap polo insurance. Ken Palmer and Carl Livingston did another fine job on the broadcasting of the district boxing tournament, despite the fast action — The March of Dimes drive is underway now. Help! Help!

SLIPPERY WARNING WHEN WET

HOW ARE YOUR BRAKES?

You don't know? Better do something about it *right now* — before a sudden emergency catches you. And the best *something* we know is to bring your Buick to us for a thorough brake check.

Our Buick-trained mechanics, using Buick-approved testing methods and Buick-engineered replacement parts, will give your brakes a complete check — turn them out fit to meet new-car specifications, no matter how far you've driven already.

Better come in today — and give your car a good brake!

Babe in Fourth Spot

TAMPA, Fla., (AP)—Babe Zaharias' stock in the Tampa Women's Open Golf Tournament has fallen several points just as her score rose yesterday.

The Babe, who had smacked out a 66 and a 67 in practice, took a 78 on the opening round, four more than the leaders, Louise Suggs, Peggy Kirk and Marjorie Lindsay. Men's par for the 6,593-yard Palma Ceia Course is 70; women's par 75.

Others well up were Polly Riley of Fort Worth, 76; Mrs. Betty Mims White of Dallas, Patty Berg of Minneapolis and Mary Mezel of Portland, Ore., all
