PARENTS TALK TO MRS. JUDD IN JAIL

DAUGHTER IS TOLD TO TELL WHOLE TRUTH

FATHER BELIEVES NO ONE KNOWS ALL IN CASE

HAS FAITH IN WOMAN

MOTHER PLEADS WITH TEARS IN HER EYES

PHOENIX, Ariz., Nov. 14. (P)—Emerging from the county jail after a visit of more than two hours with her daughter, Winnie Ruth Judd, Mrs. H. J. McKinnell said today she had pleaded with Mrs. Judd to "tell the truth" of the recent slaying of Mrs. Agnes Anne Le Roi and Miss Helvie Samuelsen and the sending of their bodies to Los Angeles in trunks.

"I want my daughter to tell the truth," she said, with tears in her eyes. "No matter what happens, she must tell everything truthfully."

The Rev. H. J. McKinnell, the accused woman's father, visited his daughter also, but for a more limited time than the mother. Mr. McKinnell left the cell to confer with Herman Lewkowitz, Mrs. Judd's counsel.

Glad of Visit
The aged couple who came here from their home in Darlington, Ind., were taken to an unoccupied cell in the juvenile division, and their daughter brought to them there from the women's ward.

"Be brave, mamma, be brave," the clergyman urged his wife as they waited for the floor and she seated on a bench.

"Don't worry me," he said, "this is all going to come out all right. I don't believe anyone knows all in this matter. Have faith in our girl. Be glad to see her."

"We were so glad to see her," said Mr. McKinnell as he and his wife rode in the elevator from the sixth floor of the court house, where the Maricopa county jail is situated, and she was so glad to see us."

Sheriff Courteous
"She is not herself," he said, and added "maybe we are not ourselves, either."

The minister expressed gratification at treatment he said he received from county officials.

"I would not have been surprised had he searched me for saws and things," he said, referring to Sheriff J. R. McFadden, who, habitual broad felt hat upon his head, had accompanied them to make arrangements for their visit with Mrs. Judd, "but he didn't."

"He treated us like we were his friends and he is going to let mother see her every day."

Paving Totals Over 570 Miles

AMARILLO, Nov. 14. (P)—More paving is under construction now in the Upper Panhandle than the total of all paved roads in this section prior to 1931.

Projects now being paved total 226 miles at a cost of \$2,600,000 and additional projects which have been financed and on which work will be started before spring aggregate \$2,325,000 more, bringing the program now before the 20 Upper Panhandle counties to approximately \$5,000,000.

Prior to Jan. 1, this year, paved roads in this division totaled 169 miles, but when construction is completed on the five million dollar program now before the Panhandle division of the Texas highway department, there will be a total of 573 miles of paved roads.

Projects financed and on which contracts are expected to be let in January or by April at the outside total 187 miles.

The bulk of this work will be done in Moore, Hutchinson, and Ochiltree counties. Surfacing contracts are to be let soon on 102 miles in Potter, Gray, Roberts, Hemphill, and Wheeler counties, while in Lipscomb, Gray and Hemphill there is a total of 85 miles ready for grade and drainage work to begin.

Major projects where paving is now being put down are in Potter, Gray, Wheeler, Hemphill, Lipscomb, and Hansford counties.

The Panhandle division office of the state highway department is now carrying on the greatest construction program in the state.

License Forms For Truck Drivers Not Yet Received

Drivers of trucks of more than one-ton capacity will not be compelled to buy chauffeurs' licenses before Dec. 1, it was announced yesterday by Collector Tom Barnes, said that he has not received the forms.

He added that it would be unnecessary to make a driver buy a one-year license for 16 days. He has talked the situation over with local justices of the peace and the city judge and they have agreed not to fine drivers until after Dec. 1.

Following the date announced, any driver of a truck not carrying a license will be arrested and fined. W. A. Conwell, state highway traffic officer, received word last week to start arresting all drivers without licenses. He said he will not push his orders until Dec. 1.

The law requiring operators of trucks of one or more tons capacity to have a license, regardless of whether they are owner, driver, or have just borrowed the truck, was passed by the 42nd legislature.

County Court To Open On Monday

The full term of county court will convene at 10 o'clock tomorrow morning in the county court room on the second floor of the court house with Judge S. D. Stennis presiding.

The jury for the first week has been summoned for Tuesday morning at 9 o'clock. Judge Stennis will call the docket and set cases and suits tomorrow.

The criminal docket is very light according to County Attorney Sherman White, and will probably not last more than three days. Civil suits will be heard during the balance of the three-week term. The civil docket is not as heavy as usual.

College Professor Dies at Grid Game
ALPINE, Nov. 14. (P)—Dr. H. J. Cottle, head of the biology department at Sul Ross Teachers college, died suddenly today as he watched a football game between the Sul Ross Teachers and the West Texas Teachers of Canyon.

Dr. Cottle was seated in the grand stand when stricken with apoplexy. He slumped down in his seat, dead. Dr. Cottle came to the Teachers college from Nebraska six years ago.

He had made a national reputation in research and classification of plants and flowers in the Big Bend country.

He is survived by his wife. His body will be taken to Nebraska for burial.

Panhandle Press to Meet in Amarillo
AMARILLO, Nov. 14. (P)—The annual convention of the Panhandle Press association will be held in Amarillo April 21, 22 and 23, 1932.

The board of directors announced following a meeting here today.

It will be the twenty-fifth anniversary of the press association, and the program will be worked out with a fitting celebration in view, T. A. Landers, McLean, president, said.

ROLL CALL OF RED CROSS IS TO BEGIN SOON

WORKERS TO RECEIVE ASSIGNMENTS ON TUESDAY

LANCASTER DIRECTING GOALS OF 1,500 IS SET TO CARE FOR NEEDS

Plans for the annual Red Cross roll call in the Pampa district are being completed under the direction of the Rev. C. E. Lancaster, chairman of the drive to be held this week.

Solicitations will be concentrated in the latter part of the week. Assignment of territory to teams will be done at the city hall Tuesday morning at 9 o'clock. The goal this year is 1,500 members. Fifty cents of each membership is to be retained here for local relief this winter. All sums exceeding the first 50 cents of each membership remain here.

Business men will be selected by Rev. Lancaster and W. A. Bratton to canvass the business district. Mr. Bratton is chairman of the Pampa chapter. Women of the churches will canvass the residences and the oil field camps west of the city. Members of the American Legion will solicit in the oilfield areas to the south.

Women already designated to help in the drive include the following: Baptist church—Mrs. Will Benson, Mrs. C. E. Lancaster, Mrs. W. B. Henry, Mrs. R. E. Gattin; Christian church—Mrs. H. I. Ledrick, Mrs. W. A. Bratton, Mrs. Rourke, Mrs. Oswald; Methodist church—Mrs. Sherman White, Mrs. F. P. Galloup, Mrs. Tom Henry, Mrs. J. H. Marshall, Mrs. Paul Jensen, Mrs. Carl Boston, Mrs. Joe Smith.

Women Auxiliary—Mrs. D. R. Hartell, Mrs. Catherine Vincent, Mrs. Clyde Garner, Mrs. John O'Keefe, Mrs. W. M. Volles, Mrs. J. A. Pearcy, Mrs. Albert Wood, Miss Lylee Annons, Mrs. Vera Jackson.

Much relief work has been done in Red Cross cases in recent months under the direction of Mrs. W. H. Davis, welfare worker, and the direction of the chapter.

Constant correspondence with the St. Louis office of the Red Cross is maintained. Caring for disabled veterans, veterans who have applied for but not yet received hospitalization, and dependents of veterans is an important part of the welfare program of the chapter.

New Baptist Church Now Holding Revival

The Rev. J. L. Ratcliff has been called as pastor of the Calvary Baptist church of South Pampa, which recently was organized with a membership of 23.

Sunday school begins at 9:45, and sermons are delivered at 11 a. m. and 7:30 p. m. at the church, 737 South Barnes. A revival meeting is being held with the Rev. L. A. Roll of LeFors assisting. Week-day services begin at 10 a. m. and 7:30 p. m. with booster band at 6:30 and devotional at 7 p. m.

The public is invited to attend. The LeFors pastor is in charge of the music in addition to preaching one or more times daily.

Rev. Hyde Has Vivid Memory of Slain Missionary

Murder of an American missionary recently by Chinese bandits was of more than passing interest to the Rev. A. A. Hyde of Pampa.

The missionary, John Walker Vinson, was graduated by Sherman high school about two years before Rev. Hyde's graduation. He is remembered as a studious, serious youth in high school. Rev. Hyde has envelopes of letters he sent back from China to a brother, Thomas, of Austin.

The local Presbyterian minister has been a collector of canceled stamps for more than 35 years. He has a large collection of stamps and stamped envelopes. In following his hobby, he has corresponded with stamp collectors in 75 countries or more.

HUNTERS ARE TO LEAVE CITY

PERMISSION TO SHOOT IS MUCH COVETED PRIVILEGE

Local hunters are raving because the duck and goose season doesn't open at daylight tomorrow morning, instead of at 12 o'clock noon. The deer season also opens tomorrow but at sun-up. Several hunters plan to leave here this morning to be where there are deer tomorrow morning.

Duck and goose hunters got their trusty pump guns, single and double barrel shotguns, and repeaters oiled up yesterday and are all ready for tomorrow. Ducks are not what would be called plentiful, but some arrived in this territory during the last week.

Many hunters planned to spend today looking for promising locations and getting permission to shoot on several lakes in the county. Several mallards have been noticed among the flocks arriving last week, but they are in the minority. Canadian Honkers are more numerous than in former years, some hunters say. A large flock was seen flying over Pampa Thursday evening.

One of the largest flocks of ducks seen in this territory flew over White Deer Thursday afternoon. They were heading northeast toward the Canadian river. Fans attending the White Deer-Miami football game forgot to follow play for several minutes as they watched the cloud of ducks pass over the field. The few were flying high and coming fast.

As a method of building up team spirit, coaches of the West Coast Army football team award the players "block letters."

CANNON CHARGES GRAND JURY WAS PARTY TO 'ROMISH PLOT'

RICHMOND, Va., Nov. 14. (P)—Bishop James Cannon Jr., alleging that Roman Catholics had a majority representation on the Washington grand jury that indicted him for violation of the federal corrupt practices act, says it is "difficult for the average man to believe" this an accident.

The Southern Methodist bishop's views were expressed in a letter to the Richmond Times-Dispatch replying to an article by Thomas Lomax Hunter, columnist for the paper.

Says 12 Were Catholics
"By a check-up twice made by reliable persons it appears that 12 of the 23 members of this particular grand jury are Roman Catholics," Bishop Cannon said. "If it is true, as I believe it to be, it explains why the three witnesses I insisted should be called and who knew all the facts were not called by this grand jury. When the district attorney failed to summon these three witnesses, I knew that he wanted to secure an indictment regardless of facts."

Bishop Cannon's letter, which alleged that the district attorney and the foreman of the grand jury are both Roman Catholics, reviewed his recent statement from Atlanta protesting because the district attorney did not call the three witnesses he had asked be summoned.

"I state positively that the Roman Catholic church press has attacked me ever since the Asheville convention in 1928 and within the past thirty days some of their papers have been exceedingly vicious in their editorial comment," Bishop Cannon said.

Telling of receipt of abusive letters which he attributed to Catholic sources, the bishop said.

"In my Episcopal labors for 13 years I have been brought in close touch with Roman Catholic methods and work in Mexico, Cuba, South America and the Belgian Congo, and while I have some Roman Catholic friends for whom I have a very high regard personally, yet when the Romish hierarchy determines to punish or destroy the influence of a man who has helped to defeat their pet candidate, Alfred Emmanuel Smith, the three years of continued attack, added to my former experience in other lands, have taught me that I must be exceedingly watchful and vigilant at every turn, or the Romish hierarchy will by one instrumentality or another accomplish its purpose."

STUCKEY GIVEN JOB TO PAVE OVER 4 MILES

WILL GRADE AND DRAIN 9 1-2 MILES ON McLEAN ROAD

CULVERT AWARD MADE

MOTION REJECTED TO SECURE RIGHT OF WAY ON 33

The low bid of Stuckey Construction company to pave two and one-half miles on the north Miami road and two miles on the LeFors road at a cost of \$79,066.08 was accepted by county commissioners yesterday afternoon.

This figure was \$233.66 higher than the low bid of Stuckey Construction company, which was rejected a month ago by the commissioners. Stuckey's bid at that time was \$78,832.42. The company's bid yesterday was \$849.32 lower than the only other bid submitted. It was filed by the West Texas Construction company and was in the amount of \$79,015.40.

Lott Gets Contract

The commissioners let the grading and drainage contract for nine and one-half miles on the LeFors and McLean road to H. Lott & company of Amarillo. Lott's bid was for \$43,118.63. Other bids were as follows:

Huddleston & Work, Crosbyton, \$48,644.92; Trinity Farm Gravel company, Dallas, \$48,988.15; C. H. McClelland, Wichita Falls, \$49,178.81; Austin Buadce company, Dallas, \$50,405.14; R. B. Stroup, Vernon, \$50,612.18; Ernest Fletcher, Pampa, \$52,333.92; E. T. Proctor, Memphis, \$54,738.75.

Lott's bid was approximately \$1,000 per mile cheaper than similar bids rejected a month ago, commissioners said. The paving bids were higher this time than then, due to a recent increase in the price of steel, it was said. The average cost of the paving job per mile will be \$17,477.02, as compared with an average of \$17,427.39 or a month ago.

A low bid in the amount of \$1,385.47 for culverts was let to the Western Metal company at Houston.

Motion Rejected

The commissioners rejected a motion to appoint a jury of view to lay out right of way south of the railroad on highway No. 33 and secure it. Commissioners Lewis O. Cox and M. M. Newman voted for the motion, and Commissioners Judge S. D. Stennis voting with John R. White and H. G. McCleskey, against. The tie was broken. See STUCKEY CONTRACT, Page 6.

Baptist Progress Called Excellent

The Rev. C. E. Lancaster has returned from the Baptist General convention, which opened at Waco Wednesday.

With an attendance of 5,000, the convention was declared a success, and work of the denomination during the year was above expectations. Schools are short of funds but have increased attendance.

The First Baptist church here will endeavor to enlist every member in the big canvass to be held from Nov. 29 to Dec. 6.

Pampa Child Dies Of Appendicitis

Lila Boyd, 4-year-old daughter of Mr. and Mrs. Chas. Boyd who live in the Talley addition, died yesterday afternoon at 4:30 o'clock at a local hospital. She had been ill several days from the effects of a ruptured appendix.

Funeral services had not been arranged last night. Stephenson mortuary has charge. The child is survived by her parents, three brothers, Thomas, Edward and Jack, and three sisters, Ada, Anna and Alma.

BOOMED ON CALIFORNIA ROCKS

Doomed to destruction, the cargo-carrier Munleon is shown in this unusual picture helmsed on the jagged rocks near Pt. Reyes, Calif., after it had been abandoned by its crew. The Munleon went on the rocks in a dense fog while en route from San Francisco to Portland, Oregon, with a cargo of lumber and combustibles.

SHERIFF SHOCKED BY LIGHTNING WHILE TRACING LEFORS LOOTING

HOLD-UP IS PREVENTED BUT GARAGE IS ROBBED

Sheriff Lon I. Blansett received three separate lightning shocks about 2:30 o'clock yesterday morning while talking over the telephone with LeFors. He was not injured, but his hearing was affected for some time following the conversation.

The call came from LeFors during the worst part of the thunder storm Saturday. An attempted hi-jacking and a robbery was being reported from LeFors and Sheriff Blansett was trying to get the information, but failed to get a connected story at the time.

He learned on Saturday that an attempt to hold up the Tulsa cafe had been averted when employees became suspicious of a man who entered the cafe while a companion waited outside in a car. After seeing that the employees were armed, the man left the cafe and drove away.

A few hours later it was found that burglars had entered Bill Hill's garage. An acetylene torch, hose and other equipment, and a quantity of tools were missing after a check was made by Mr. Hill. He estimated the loss at about \$200.

It is believed that the two men who failed in the attempt to hold up the cafe were the burglars. They were driving an old model Chevrolet sedan or coach, covered with mud and having only one light. The man who entered the cafe was of medium height and was wearing overalls and a slouch hat. No description of the other man was available.

The car left LeFors on the McLean road, a LeFors citizen having passed the car leaving LeFors. Ram was talking hard. Sheriff Blansett called McLean officers to be on the lookout for the car, but it apparently turned off the McLean road before reaching that city.

AMARILLO MAYOR CLAIMS VICTORY IN PHONE WAR

AMARILLO, Nov. 14. (P)—Mayor Ernest O. Thompson said today that negotiations under way between the city commission and officials of the Southwestern Bell Telephone company, looking toward a renewal of the company's franchise, would provide lower rates.

"Newspapers down state got the impression that the city was whipped in the recent telephone fight, in which a large number of telephones were disconnected," Mayor Thompson said. "Nothing could be further from the truth."

"Telephone company officials came to us and announced openly at the city commission meeting Tuesday night that they would give us a 'satisfactory settlement' if we would negotiate on the renewal of their franchise. We announced at the beginning of the fight that nothing short of lower rates would be satisfactory to us. There was no other issue in the telephone fight, and if their offer to make an agreeable settlement doesn't involve lower rates, we have been misled."

Mayor Thompson said company officials had agreed to send counsel here within 10 days or two weeks to work with the city commission on the new franchise.

CATTLE RANGES GOOD

AUSTIN, Nov. 14. (P)—F. E. Finley, livestock statistician of the Texas and United States departments of agriculture, said today in his November report that livestock will go into the winter probably in the best condition in years.

REPORT PEACE TO CONTINUE FOR TEN DAYS

HINTS JAPANESE WILL LEAVE WHEN BRIDGE IS REPAIRED

GENERAL MAH CONCURS

JAPAN ASKED TO KEEP WORD TO PROTECT RUSSIA

TOKYO, Nov. 15. (Sunday) (P)—A Mukden dispatch to the newspaper Nichi Nichi today said a ten-day truce had been arranged between Japanese authorities and General Mah Chan-Shan pending completion of repairs to the Nonni river bridge in Manchuria.

The repairs to the bridge had been virtually completed, the dispatch said.

The truce followed negotiations between the two Japanese representatives at Tsitsihar, Consul Shimizu and Major Hayashi, and the Manchurian general. It was agreed upon after the Japanese had presented five conditions, which General Shigeru Honjo, Japanese commander in Manchuria, said the Chinese would have to fulfill before Japanese would be withdrawn from the Nonni river area.

Russia Outlines Stand

MOSCOW, Nov. 14. (P)—The Soviet government notified the Japanese government tonight of reports that the Japanese military command was preparing to cut the Chinese Eastern railway near Tsitsihar and reminded Japan of its assurance in interests of Soviet Russia would be protected in the Manchurian conflict with China.

This Russia took the initiative for the first time in setting forth its position regarding developments in Manchuria.

The text of the verbal declaration made by Foreign Commissar Maxim Litvinoff to Japanese Ambassador Koki Hirota revealed publicly for the first time the fact that assurances had been given the Soviet foreign minister by the Japanese ambassador.

"The Soviet government considers that these assurances remain in force now and shall not be broken," the foreign minister added.

Reminded of Promise

Russia also protested against continued Japanese allegations of Soviet assistance to warring Chinese in Manchuria. It was "with a sense of regret," that the Soviet government "is obliged to note that Japanese military circles continued to spread 'airily' unfounded rumors about Soviet assistance to this or that Chinese general," the commissar said.

Particular exception was taken to a statement reported to have been issued by a Japanese representative at Mukden Tuesday that reinforcements had been moved from Blagoveshchinsk in the form of Chinese and Korean communists.

Scores Propaganda

After calling the Japanese government's attention "to this unscrupulous anti-Soviet campaign systematically conducted by certain military circles in Manchuria to complicate relations between Japan and Soviet Russia," the declaration requested renewed assurance from Japan that Soviet interests would not be injured by events in Manchuria.

Grand Jury Will Convene Monday

The grand jury of the 31st district court will convene at 10 o'clock tomorrow morning to continue deliberations. The jury has been recessed for two weeks after returning four indictments, two on liquor violation charges, one on forgery and the other for removing mortgaged property.

No indictments have been returned in connection with the fatal shooting of R. L. Scott, negro. Other important matters are to come before the grand jury, according to C. E. Cary, foreman.

The grand jury has returned more than 20 indictments during this term of court. Twelve of the offenders have been tried and sentenced.

INDEPENDENT SCHOOL DISTRICT NOW USING FOURTEEN VEHICLES

BUSSES REPRESENT BIG EXPENDITURE IN SYSTEM

Fourteen buses carry youngsters of the Pampa Independent School district to their classes. It was stated by Superintendent E. Fisher in discussing the growth of the system. The bus system has been worked out from year to year since 1920, so that it is quite thorough and systematic now. In 1920 there were four model T Ford trucks. In 1921 three of the Fords were sold and four Douglas trucks were bought. These were run until the fall of 1925, when one Ford truck was added to the number.

In 1926 two International trucks were bought, and in 1927 four more Internationals were purchased and three of the Ford trucks were discarded. One Ford truck and the last Douglas truck were traded for two Internationals in 1928. In 1929 two six-wheel Chevrolts and one Model A Ford were bought. Then in 1930 two more International trucks were bought, making a total number of 14 trucks being run last year and this year.

The truck drivers and their runs are as follows:
No. 1, W. H. Peters, west by Burlington and Brown.
No. 2, Lyman Jackson, south to Dave Osborne's farm.
No. 3, Carl Smith, southwest, Manness run.
No. 4, Ollie Pipes, north Philips gasoline plant.
No. 5, Joe Bond, Wilcox run.
No. 6, Lee Benson, Farrington run.
No. 7, Albert Baer, northeast run by Taylors and McKamy.
No. 8, Carl Baer, north run.
No. 9, Floyd Young, southeast by Merten.
No. 10, Harold Baer, northwest to Western Carbon.
No. 11, Weldon Stewart, Kingsmill run.
No. 12, Frank Hollis, east on 33A.
No. 13, Joe Shelton, south oil field.
No. 14, Roy Kretzmer, west to Harrah lease.

Joe Shelton is the supervisor of busses and has charge of all routing, etc. He says an average of 850 children were carried on the busses last year daily and the most carried at any one time last year was 640. This year an average of 825 children are being carried daily and most yet carried any one day was 560. The cost per pupil per day for truck transportation is 15c. The cost of operating the trucks for 173 days including the summer vacation and not including the depreciation is \$12,820, or \$74 per day.

Commission Sets Fourth Truck Law

AUSTIN, Nov. 14. (AP)—The Texas railroad commission has ruled that a truck line having contracts with 33 firms at various points in the state was a common carrier truck line and not a contract carrier under the new truck regulatory law. The ruling was made at a hearing on the application of the Galveston Truck Line corporation for a contract carrier certificate. Although it held the company to be a common instead of a contract carrier, the commission did not draw a line of demarcation and failed to state the number of contracts a truck company could have before it came in the classification of a common carrier.

Pending receipt of a ruling from the attorney general the commission granted common carriers authorities to intervene in applications for contract carrier permits and prove that existing common carrier facilities were adequate and would be impaired by contract carrier service.

Y. W. A. Meets For Program Thursday

Six girls, representing six nations, took part on the program at a meeting of the Young Women's auxiliary, First Baptist church, Thursday evening in the home of Mrs. Preston Briggs.

The program was on the mission situation in Europe and Asia, and girls giving the discussions were Misses Jewel Binford, Ruth Henry, Mildred Overall, Myrtle Ethel Seeds, Claudine Haynes, and Geneva Groom. Miss Binford was in charge.

Mrs. C. E. Lancaster led the opening devotional, and a short business session was held, during which vacancies in office were filled and committees were appointed. Plans also were made for studying the mission book, Lottie Moon, and it was announced that a Christmas program would be held Dec. 10 in the home of Claudine Haynes.

Cake and coffee were served at the close of the meeting to Misses Mildred Brake, Euriha Henry, Violet Durrett, Ruth Henry, Mildred Overall, Myrtle Ethel Seeds, Jewel Binford, Claudine Haynes, Florence Bolan, Geneva Groom, Mrs. C. E. Lancaster, and Mrs. Preston Briggs.

Refreshments were served to Mrs. R. G. Montgomery, Mrs. J. E. Weeks and Mrs. Lda Weldren, guests, and to the following members: Messrs. James W. A. Webb, P. E. Fischer, W. Wilkes, L. L. Dyer, Bart L. Moore, J. E. McCall, Dewey Voyles, C. F. Naylor, and the hostess.

POTATOES' EYES TELL QUALITY

STATE COLLEGE, Pa., Nov. 14. (AP)—Practical use for the eyes of a potato has been found for the cook at the Pennsylvania State college.

They are one index showing how good a potato is likely to be after it is cooked. The fewer eyes, the more likely is it that the potato will be delicious.

This is one of the several tests established by experiments at Penn State to determine the baking, boiling, and frying qualities. The research was conducted by J. S. Cobb, professor of agronomy.

Every potato eye is a growing point, where nature has headed up the material for a sprout, a future potato vine. The substances that make new vines are conducted from behind the eyes in tiny tubes, the contents of which are mostly water not as appetizing as the other potato content, which is chiefly starch.

Furthermore, the fewer the eyes, the fewer are the tubes behind them. Potato skins also are quality indices. A slightly netted or very slightly roughened skin in all potatoes, a sign of maturity, indicates good cooking quality. Slight darkening of the skin also is a good sign. This applies no matter whether the skin color is pink, or white, or blue. Irregularly shaped and knobby potatoes are unlikely to be as good as those of symmetrical contour.

KIWANIS COMMITTEE CHOOSES POST AS NOMINEE FOR HEAD

A. G. Post has been nominated for president of the Pampa Kiwanis club by the nominating committee, of which S. C. Clayman is chairman. Others nominated for officers are: vice-president, M. P. Downs; district trustee, J. H. Hulme.

Directors nominated are C. E. McGrew, S. C. Clayman, R. W. Lane, and Art Gatton. These members, if elected, will serve a two-year term. Four members of the board of directors will serve a second term.

Mark Long, Alex Schneider, Lee Waggoner, and Edwin Viars were nominated by the committee to serve the second term. Election of the officers will be held Friday, Nov. 27. Unless at least 10 members of the club present another list to be voted on, the nominations made by the nominating committee will have no opposition.

At the regular meeting Friday the program was given by Mrs. M. P. Downs and Mrs. Grace Poole, representing the Pampa Business and Professional Women's club. Mrs. Downs gave a brief review of the work done by the club members and Mrs. Poole read an original poem concerning members of the Kiwanis club.

Prof. Otto Schick, accompanied by Mrs. Frank Keehn at the piano, gave several violin solos. He played "Can You Hear that Indian Call?" and "Idolizing You," both of which were written by Prof. Schick.

Paul Hill, president, read a letter from Lieutenant-Governor Ed. W. Miller of Plainview giving his congratulations to the Pampa Kiwanis club upon the completion of its first year's work.

Visitors included Mrs. Frank Keehn, Mrs. Glen Poole, Mrs. M. P. Downs, Prof. Otto Schick, and E. E. Fite.

Distant Exes of Texas to Assemble

AUSTIN, Nov. 14. (AP)—Graduates of the University of Texas in all parts of the United States have been summoned to attend the second annual Round-Up sponsored by the university and ex-student's association.

Dates selected for the round-up by the executive committee April 15, 16 and 17. The Round-Up will be featured by a dance, a revue, depicting progress of the university from establishment, and a barbecue. Special plans are being made to attract students who attended the university in its early days.

A special athletic program will be arranged for entertainment of the old grads. The Round-Up dates were selected so as not to interfere with other university function.

FIRST FIGHTS AND PENALTIES FEATURE TULANE VICTORY

GEORGIA SINKS BELOW GREEN WAVE 20 TO 7

TULANE NOW BIG SHOT IN NATIONAL CHAMP RACE

By ALAN GOULD

Associated Press Sports Editor. SANFORD STADIUM, ATHENS, Ga., Nov. 14. (AP)—The mighty green wave of Tulane engulfed Georgia's gallant football forces today in a turbulent climax to one of the south's most spectacular gridiron spectacles.

The final score was 20 to 7, as Tulane achieved a decisive conquest before a crowd of 26,000 spectators at packed Sanford stadium, overpowered the field and delayed the game's finish repeatedly as ineptly as it started. The game was a rioting and fist fights were waged along the side lines.

Except for a few dazzling moments of the third period when the red-shirted Georgians flashed their scoring thrust, the battle of this was turned largely into a rout by the powerful, resourceful and hard-hitting aggregation that carried Tulane's banner another big stride along the championship trail of 1931.

Rose Bowl Trip Won

Tulane's victory not only kept the green wave in a commanding position in the race for Southern conference honors, alongside Tennessee, but kept the Greenies very much in the race for national title honors. They have a few more hurdles to clear but by hurdling Georgia's stubborn resistance today, Tulane's press have cleared the main barrier in their dash toward the goal of playing Southern California in the Rose Bowl classic New Year's day at Pasadena.

The Battle of Athens was marred by close to a record crop of penalties, but was decided by a combination of Tulane's smarter play and sensational passing.

Engineered by the flashy Don Zimmerman, a triple threat halfback, Tulane's aerial attack accounted for the first two touchdowns tallied by the Green Wave and put Georgia in a hole from which it threatened only once to escape.

Georgia Scores

For perhaps five minutes of the third period as Georgia played its one big hand, the crowd of Bulldog sympathizers had plenty to cheer about and it looked for a time as if the courageous Georgians might overhaul their rivals by the sheer spirit of their comeback.

With the ball on Georgia's 40-yard line, Buster Mott, hero of the victory a week ago over New York university, took a pass over his shoulder as he stepped into the clear and outraced his would-be tacklers to the corner of the field. It was a magnificent thrust, to which Catfish Smith added the extra point on a perfect place-kick.

It looked like a typical Georgia rally, but the Bulldogs were not equal to penetrating the closely-knit Tulane defense again. The next thrust through the air was a boomerang as Francis Payne intercepted the ball deep in Georgian territory and raced to the Bulldog 20-yard line.

Shortly afterwards the Green Wave hit the Red Shirts with a final smashing impact. Payne dashed off tackle 26 yards for the third touchdown. Zimmerman boot-ed the extra point and the door was closed to Georgia's last lingering hope.

FOWL SHOW TO SLATON

PLAINVIEW, Nov. 14. (AP)—The executive committee of the Pampala Plains Poultry show today voted to hold the annual show at Slaton December 9, 10 and 11.

Morrison's Alibi Sounds Convincing

DALLAS, Nov. 14. (AP)—Coach Ray Morrison of Southern Methodist got around early tonight to solve a mystery before the case got well under way.

"I guess a lot of people are wondering why we failed to score only six points against Baylor—a team A. & M. beat 33-7 and Texas beat 25-0. The explanation, my boys were keyed for Texas. They were keyed light as a drum for Texas A. & M. Today they were as loose and unkeyed as possible. I never tried to key them up, just told them to play football and win. They won and that's the score. What matters the score?"

AGGIES GIVE OWLS GOOD LICKING 7 TO 0

HOUSTON, Nov. 14. (AP)—The Texas Aggies, that perennially undisciplined football eleven, defeated Rice Institute 7-0 this afternoon, but the Institute partisans could turn tonight to each other for comfort and say:

"It might have been worse." The Cadets brought a running attack of unexpected fury to Rice field with them and all but carried the Owls' goal breastworks on three occasions, each time getting within seven yards, or less from touchdown. Once, A. & M. was two feet away and the Institute line swayed and held.

To John Coffee, an Owl end, fell the unhappy designation of "goat." Twice, in critical times, he dropped long passes, one for 35 yards and the other for 45. A conspicuously brilliant tackle, however, relieved him of some of the onus. It was he who hauled down the racing Aston on the Rice 21-yard line when that Cadet was out in front and had gone 58 yards down the field.

A. & M. scored late in the third period with a successful quick march from the Rice 27-yard line. Spencer, a substitute back, went over and Domingue, another substitute, kicked goal.

The A. & M. attack began to look irresistible in the first period, with Aston's brilliant run. The Cadets got within 7 yards of the Owl goal before he fumbled.

CENTENARY IS VICTOR

SHREVEPORT, La., Nov. 14. (AP)—Featuring sweeping end runs and scoring in the second and third quarters, Centenary defeated Union of Jackson, Tenn., 19-0 before a small crowd today. The game started during a light rain but was finished in sunshine.

A. C. C. DEFEATED

ADA, Okla., Nov. 14. (AP)—East Central Teachers college smashed through the Abilene Christians' this afternoon in a driving second half offensive to win, 28-13.

WEST TEXAS WINS

ALPINE, Nov. 14. (AP)—West Texas Teachers of Canyon, runners-up in the 1930 Texas Intercollegiate Athletic association, defeated the Sul Ross Teachers 7-2 in a listless conference game here today. Fort-entberry scored on a 25-yard run in the first period.

GORILLAS WIN GAME 9 TO 6 FROM LEFORS

PAMPANS PUNT, PASS AND GAIN YARDS WELL

The Gorillas, future Harvesters, are apparently a "home" team. They have won three games this season and all three have been on the home lot. Yesterday afternoon the Gorillas defeated the LeFors Pirates 9 to 6 in a game played on a slippery field.

Lloyd Hamilton, Gorilla fullback, crossed the line after a series of line plunges. Norvell Stevens plunged for the point. The other Harvesters score came in the last quarter on a blocked punt which was recovered by Eckard who was tackled on his own line. The Harvester pep squad cheered the players.

The LeFors touchdown came as the result of an intercepted pass which Stewart, Pirate right halfback, carried 25 yards across the line. The pass for the extra point was incomplete.

Good Pass Caught The Gorillas made eight first downs to five for the Pirates. Three of the Pirate first downs were made on completed passes. The Pampa boys made only one first down via the air. It was a beautiful pass from Preston Owens to "Hoot" Pulling who reached over the heads of two LeFors players to take the ball for a 20-yard gain.

The Gorillas watched Stewart closely and he failed to break away except when he intercepted the pass. He tried hard but the Gorillas were on him every time he looked dangerous. Carter played a steady game and made several nice gains. Moore and Wood looked best in the line.

Hamilton was the pick of the Gorilla backfield but he was ably assisted by Stevens, Owens and Adair who plunged and blocked well. Adair was particularly effective on the defense. He saved many sure runs by his fierce tackling. His return of punts handed the Gorillas plenty of yardage.

Marbaugh Punt Swell Richardson, Pulling and Howard played stellar games in the Gorilla line. Pulling was particularly effective in getting down under punts. He was assisted by Sartin on the other end.

Miles Marbaugh, inserted into the game in the fourth quarter, probably saved the game for the Gorillas. His educated toe was putting the ball over the LeFors safety regardless of how far he got back. He punted out on the Pirate two-yard line late in the quarter. Brown also helped the defensive work in the last quarter.

Both teams lost several chances to score because of the wet field. Several fumbles changed the location of the ball repeatedly while touched punts and blocked punts put both goal lines in danger.

Both teams used line plays rather than taking to the air. The slippery footing kept pass receivers from getting down the field and the passer was usually rushed. Both

STEERS REPLY TO CRITICS BY BEATING FROGS

UNDERDOGS SURPRISE DOPESTERS TO WIN 10 TO 0

AUSTIN, Nov. 14. (AP)—Texas Christian university's chances to win the Southwest conference championship were terribly jolted today when the University of Texas, rated as the under dog, pulled a surprising upset and defeated the Christians 10-0.

Texas' defeat of the Christians almost gave the conference championship to Southern Methodist university, who today conquered Baylor 6 to 0 in the semi-final conference game. S. M. U. will play the Christians November 28 in the season final and needs only a tie to win the championship.

The Methodists have not been defeated. The Longhorns, boomed and hooted for their poor showing early in the season, staged a fighting comeback against a dogged and stubborn Christian eleven, battling for all they were worth for a chance at the Southwest's highest football honors.

Texas Leads in Downs A pre-game prediction was that Texas would be unable to do anything with the sterling defense of the Frog forward wall. Statistics of the game show Texas not only did something to it but rolled up a total of 240 yards gained from scrimmage. Texas made 14 first downs to ten for the Christians.

The Texas passing attack was far lines held well on the defensive but were weak on offense. LeFors was penalized frequently for roughing and for backfield in motion on offense.

Missouri Defeats Oklahoma 7 to 0

COLUMBIA, Mo., Nov. 14. (AP)—Gwynn Henry's Missouri Tigers, taking advantage of two costly fumbles, scored a touchdown within 12, first two minutes of play to defeat the Oklahoma Sooners, 7-0, this afternoon. The homecoming crowd estimated at 8,000.

Missouri won the game when George Stuber, Tiger quarterback, threw a 15-yard pass over the goal line to the Missouri captain, Frank Bittner. Percy Gill added the seventh point with a place-kick.

KANSAS AGGIES TRUNCATED

AHEARN FIELD, MANHATTAN, Kans., Nov. 14. (AP)—A squat little substitute quarterback, Lewis Brown, streaked 70 yards to a touchdown in the final quarter and gave the University of Nebraska a 6-3 victory over Kansas State college on a rain-soaked gridiron today.

better than it has been at any other time this year, the Longhorns being successful in seven out of 14 overhead attempts.

In a desperate attempt to even the score, the Frogs threw passes all over the lot but had miserable success. The tight Texas pass defense made it impossible for them to complete more than four out of 22 tries.

Texas scored a field goal near the middle of the first period when a crushing drive, topped by a 20-yard pass from Koy to Stafford gave the Steers the ball on the Frog 10-yard line. Koy hit the line for two, three and one yard gains on three successive tries and Weaver, a substitute halfback with an educated toe, was rushed in. He placed kicked from the 12-yard line.

Steers Pull Fake The kick was partially blocked, striking the elbow of an ambitious Frog forward and barely slid across the bar. Had the Christian line-man been a fraction of a second quicker he would have knocked the ball down.

Craig, dashing Texas back, was the hero of the drive that netted a Texas touchdown in the third period. Texas gained the ball on its 40-yard line on an exchange of punts. Koy blasted tackle for sight and Stafford made it first down on the Frog 48. Craig skinned through the Christian left tackle to the 14-yard line where he was forced out of bounds. Stafford climbed over left tackle to the three-yard line and gained another half yard in the same place.

The Frog secondary was playing close into the line, expecting another Texas effort through tackle. Koy, faking a plunge, sucked the Frog end and backs in and then ran the Christians' left end for a touchdown. He dragged three tacklers across the line with him.

WILDCAT PETE TO MEET OTIS

SURF BOARD ARTIST IS CLEAN SCIENTIFIC WRESTLER

Pampa wrestling fans are going to get the treat of the season at the Majestic auditorium Friday night when George "Wildcat" Pete of Eugene, Ore., meets Sailor Otis Clingman, Pampa's favorite son. The Wildcat is the boy who introduced the surf board hold into Pampa and Clingman was the recipient. Since that time Clingman has won several matches with the famous hold.

Pete is scheduled to arrive here from his home in Oregon Wednesday. He is one of the best built wrestlers in the game and is as fast as a streak of lightning. He is a clean, scientific wrestler and is a crowd pleaser. Pete has won many sensational matches since he was in Pampa last fall and is a strong contender for middleweight honors, the same crown that Clingman is after.

The Pampa boy was badly hurt in his match in Amarillo Friday night. Tex Watkins slipped Clingman an uppercut behind the ear after one hour and 13 minutes of the cleanest wrestling ever seen in Amarillo since coming to the country. He has beaten some clever boys in his class. The match will go two out of three falls, no time limit.

The match has been changed to Friday night on account of the all-star card to be presented in Amarillo Thursday night. All matches will be held on Friday nights in the future, Promoter Frank Hunt says.

WILDCATS ARE ALMOST STOPPED BY INDIANA

DYCE STADIUM, EVANSTON, Ill., Nov. 14. (AP)—Northwestern's gridiron machine, rolling toward undisputed championship of the Western conference, was almost stopped today, but managed to grind out a one-point victory over Indiana's scrapping Hoosiers.

The score, 7-6, indicates just how big a scare the Wildcats suffered. The Hoosiers fought the great Wildcat line off its feet from the start, and through two periods and part of another, were considerably the better. Their touchdown was the result of a dazzling 51-yard run by a negro substitute halfback, Jesse Babb.

Vic Dauer, Hoosier quarterback, attempted to place-kick the extra point, but the ball struck an upright and bounded back into the field for a heart-breaking failure.

NOTRE DAME WRECKS NAVY SHIP 20 TO 0

BALTIMORE STADIUM, BALTIMORE, Nov. 14. (AP)—The Navy's football ship, tossed about uncertainly in its campaign so far this season, ran afoul of the Notre Dame Hurricane today and floundered on the rocks of a 20-0 defeat.

The green shirted raiders of Enoch Bend smashed over the Navy goal three times in the second period, but after that a stubborn Midway defense halted the fast running backs and played the powerful line on almost even terms to stop every scoring threat.

The Midway, in holding the high scoring outfit carrying on for Notre Dame to three touchdowns, surprised those who had expected the gold helmeted steam roller to smother them under an avalanche of scoring.

Even at that, the 20 points scored by the Raiders was not a criterion of the difference between the two teams in everything but stubbornness of defense. Not one first down did the Navy register while the Red Cross Benders were counting 14 and piling up 281 yards in rushing from scrimmage.

DISASTERS HIT 38 STATES IN YEAR

In a year of unusual weather conditions all over the world, the United States was especially hard hit, and in the twelve months ending June 30, 1931, the American Red Cross had given disaster relief in 38 of the 48 states.

With the exception of a mine explosion, an epidemic of typhoid fever, a mine cave-in and a railroad accident, these disasters were all due to the elements. They were forest fires, tornadoes, floods, storms, droughts and drought.

The drought, which spread over twenty-three states in the summer and fall of 1930, and has again wrought untold havoc in northwestern states in 1931, accounted for Red Cross relief in 23 states.

The other disasters were, without exception, carried on simultaneously with the drought relief, and placed a heavy burden, not alone upon the funds of the national Red Cross but upon its trained personnel of disaster relief workers.

At the peak of the drought relief, more than two million persons were being fed, clothed or given other help, and in all of the work more than 2,750,000 men, women and children were cared for by the Red Cross.

Funds for the drought relief were obtained, in part, through public contributions, because of the magnitude of the numbers affected. The public gave, more than \$10,000,000 and the American Red Cross appropriated \$5,000,000 from its treasury.

The cost of the other disaster operations was borne from the Red Cross treasury, and local funds contributed in the stricken communities.

This disaster work of the Red Cross is supported, in part, from the annual roll call for members which occurs each year between Armistice day and Thanksgiving day. Each person who joins as a member of the Red Cross is contributing toward this effective and important emergency relief, should calamities occur anywhere affecting lives of their fellow citizens.

Buck Mundy Given Eagle Scout Rank

Buck Mundy, local boy, was raised to the rank of Eagle Scout at a Court of Honor held in the auditorium of Baker school Friday night.

Wendell Meek of Wheeler, who made application to be raised to the same rank, could not attend the court because of bad roads. His application will be considered at the next court.

Five Life Scouts and one Star Scout also qualified and were given merit badges.

Mrs. Helen Turner made the boys a very interesting talk and also gave two readings. C. A. Clark of Panhandle, executive of the Adobe Walls council, also addressed the boys. The Court was in charge of the Rev. A. A. Hyde. Members of the Court were Chris Martin, J. A. Meek and Jack Horn.

Many parents and citizens interested in scouting attended the gathering.

Tennessee Unbeaten After Vanderbilt

KNOXVILLE, Tenn., Nov. 14. (AP)—Two long, surprise passes, judiciously slipped in between running plays, today gave the University of Tennessee its fourth consecutive victory over Vanderbilt and kept the Vols in the Southern conference football championship hunt. The score was 21-7.

Touchdowns resulted directly from each of these passes, both thrown by Gene McEver, playing his final home game in a Tennessee uniform.

Javelinas Favored For TIAA Crown

KINGSVILLE, Nov. 14. (AP)—Texas A. & I. completed its 1931 eastern division Texas Interscholastic Athletic association schedule today with a 48-7 victory over the Stephen F. Austin Teachers of Nacodoches.

Today's triumph left the Javelinas undefeated in conference play and a favorite to win the 1931 T. I. A. A. grid championship.

Fisher To Speak At Church Today

In the absence of the Rev. Ray N. Johnson, Supt. R. B. Fisher will speak on training for spiritual life at the First Methodist church this morning, and a quartet composed of Mrs. Philip Wolfe, Mrs. S. J. Jones, Mrs. A. W. Mann, and Mrs. C. C. Dodd will sing.

The senior Epworth league will be in charge of the evening service at 7:30 o'clock.

SAM KIETH OUT FOR TRACK AT OKLAHOMA

A Panhandle boy making good in athletics at the University of Oklahoma according to reports received here, is Sam Kieth, graduate of Pampa high school, class of 1931, who has made a place on the freshman track squad.

Kieth is a dash man, specializing in the 100 yard and 200 yard events. He appears to be much faster than when here, according to timings.

CHICAGO WHIPS ILLINOIS CHAMPAIGN, ILL., Nov. 14. (AP)—Chicago jammed Illinois into the depths of the Big Ten cellar today, and scored its first football triumph over the Illini since 1922.

UTAH CRUSHES COLORADO SALT LAKE CITY, Nov. 14. (AP)—Utah university continued its triumph march toward its fourth consecutive Rocky Mountain conference football championship by downing a stubborn eleven from the University of Colorado today, 32-0.

Harvard Overcomes Holy Cross 7 to 0

CAMBRIDGE, Mass., Nov. 14. (AP)—The vigilant Harvard eleven ended its preliminary season undefeated today by overcoming Holy Cross, fabled passing attack and using one of its two scoring chances to pin a 7-0 decision on the crusaders before a capacity crowd of 38,000.

The Crimson touchdown came early in the opening session when its outstanding barr-carrier, Jack Crockett, ended a 73-yard march with a five-yard scoring smash inside his right tackle. Captain Barry Wood drop-kicked the extra point, but he was unable to repeat in the closing session when he attempted a field goal after Harvard's only other long march was checked on Holy Cross' eight-yard mark.

Draper Pleads Not Guilty To Murder

CHARLES DRAPER, 26, accused of slaying three men in a robbery near DeQueen, October 15, pleaded not guilty today to charges of murder. The court held him for trial without bond.

His arraignment was secret, only court officials and his guards being present. He waived examining trial.

He has been charged with shooting to death E. S. Chappell, 48, of Springdale, Ark.; Jack O'Dall, 18, of Ultima Thule, Okla.; and Eugene Harris, 23, of Antlers, Okla., in a patch of woods near DeQueen. Officers said he confessed slaying the men.

Man Stabs Wife's Partner in Bridge

ALBUQUERQUE, N. M., Nov. 14. (AP)—Angered because his wife was winning over him at bridge last night, Lewis C. Bryan threatened her and then stabbed Michael C. Wagoner, her partner, who interfered, police said today.

FOUR IN RACE FOR CONGRESS

ONE REPUBLICAN AND THREE DEMOCRATS RUNNING

SAN ANTONIO, Nov. 14. (AP)—One new candidate for the congressional seat vacated by the recent death of Rep. Harry M. Wurzbach was entered in the race Saturday and one who had announced withdrawal, leaving the total seeking the place at four.

Charles W. Anderson, local attorney, announced his candidacy on the republican ticket, while William R. Fox, attorney, quit the race, explaining his health would not permit a thorough canvass of the district in the short time intervening before the election.

Anderson had worked actively with Wurzbach in all of the latter's campaigns since 1926 and for the past two and a half years he and the late congressman had maintained offices jointly here during the recess periods of congress.

Entry of Anderson into the race was forecast Friday by Mrs. Florence T. Griswold, republican national committeewoman from Texas, who also predicted that he would receive the endorsement of the committeemen from the 14th district when they meet here Tuesday.

The other announced candidates are democrats. They are:

Carl Wright Johnson, San Antonio attorney, Thomas Smiley, county judge of Karnes county.

Richard M. Kleberg, ranchman and lawyer, of Corpus Christi.

One other candidate may be entered by a faction of San Antonioans who are opposed to Johnson. A meeting to discuss a possible candidate was scheduled for Sunday.

Meanwhile, in accordance with the governor's proclamation designating Nov. 24 as the date for the special election, County Judge William A. Wurzbach has fixed Thursday at noon as the final hour for the filing of applications by candidates for places on the ticket. Johnson is the only candidate to have filed his application to date, it was said.

Slogan Contest Is Open To Pampans

Citizens of Pampa are invited to put their thinking caps on, maybe win \$100 and do a service to Texas. The West Texas Chamber of Commerce has announced a contest to select a trade-mark for Texas as fed meats.

To the man, woman, or child who suggests the best trade-mark for Texas fed meats, which will be used to identify such meats and popularize their use and demand at markets, cafes, and hotels, the West Texas Chamber of Commerce is offering a cash prize of \$100.

Complete details may be obtained from the local chamber of commerce secretary, and anybody may qualify. A trade-mark may be a mark, a device, a symbol, phrase, slogan or a combination of any two or more of these. The entries must be sent to the Stamford office of the West Texas chamber not later than Jan. 15, 1932. Any person may submit as many entries as he desires, but each must be on a separate piece of paper and bearing the contestant's name and address.

Jury Disagrees in Trial Donley Judge

CLARENDON, Nov. 14. (AP)—A mistrial resulted today in the hearing of fee extortion charges against Judge J. J. Alexander of Donley county. The jury failed to agree on a verdict.

Judge A. J. Fries, after dismissing the jury, announced the case would be retried at the next term of district court.

Judge Alexander had been indicted on charges of collecting for himself fees not allowed by law in criminal cases and cases not really tried.

Coach Sam Williamson of Ohio State university saw his eleven defeated by Coach Dick Hanley's men, but had the satisfaction of defeating the Northwestern mentor at a golf game.

Three Wounded in Juarez City Voting.

EL PASO, Nov. 14. (AP)—One of the hottest city election campaigns in the history of Juarez was conducted today under the watchful eye of federal troops and municipal police.

Authorities took unusual precautions to prevent disturbances at the polls tomorrow as a result of clashes between adherents of Jesus Quevedo and Francisco Vasquez, candidates for mayor.

Soldiers and police were detailed to guard the ballot boxes and other strategic places, all civilians were forbidden to carry arms, and cafes and saloons were ordered closed until 5 p. m.

One man was stabbed last night, another was knocked unconscious during a fight and a third was carried to a hospital, suffering head injuries, after an argument with a mounted policeman.

Someone threw a tear gas bomb into a parade of 2,000 followers of Quevedo, creating momentary panic. Police endeavored to find the thrower without success.

M. E. MINISTER IS SUSPENDED

CANNON CRITIC FOUND GUILTY OF 'GROSS IMPRUDENCE'

ATLANTA, Ga., Nov. 14. (AP)—The Rev. Rembert G. Smith, Sparta, Ga., who criticized Bishop James Cannon Jr. for his activity in the 1928 presidential campaign, was suspended from the ministry today for one year on secret charges by an ecclesiastical jury of the North Georgia conference of the Methodist Episcopal church, South.

Twelve of the 13 members of the trial committee signed a report saying he had been found guilty of "gross imprudence and high unministerial conduct," but no explanation was given as to why the thirteenth member, the Rev. W. M. Twigg, Hapeville, did not sign.

Suspension of Mr. Smith, who recently has criticized sharply what he termed "political activities" of Bishop Cannon and several other bishops of the church, was made over protest of officials of his church at Sparta. The church recently asked he be returned to Sparta and yesterday 110 members telegraphed the conference protesting his trial and repeating the request he be sent back there.

The Sparta church also sent a memorial to the conference criticizing activities of "bishops, ministers, church boards, and church organs in personal matters and politics" and requested resignation of Bishop Cannon.

When the presiding elder of the Augusta district, in a routine report to the conference this week said charges had been brought against Mr. Smith, the presiding officer, Bishop John Moore, Dallas, Texas, relinquished the chair to a visiting bishop, W. F. McMurry of Missouri. Secrecy surrounded the trial.

Bishop McMurry, at conclusion of the trial last night, ordered the secretary to close and seal the records in the case.

Columbus, Ohio, boosters of Burgess Whitehead are predicting he will be an even greater player than Frankie Frisch next year with the St. Louis Cardinals.

Civil Suits Up For Trial in This Week

Civil suits will be heard in 31st district court this week. Several are on call for tomorrow morning at 10 o'clock but which suit will be heard will not be determined until court time. Next week will also be devoted to civil procedure.

Little activity resulted in court last week. Inability of attorneys to get together and illness of witnesses and defendants caused postponement of several suits. A few non-jury suits were heard after the jury panel was dismissed Wednesday.

GRANDI TO MISS TICKER TAPE

NEW YORK, Nov. 14. (AP)—Without putting a foot on New York soil, Foreign Minister Dino Grandi will go direct from his ship to Washington Monday to begin his momentous conversations with President Hoover.

He will be taken from the liner at quarantine and will enter for the capitol from New Jersey. Major William F. Deegan, chairman of the mayor's reception committee, said a change in plans was necessary because of the expected illness of the foreign minister's arrival.

The Conte Grande, which is bringing Grandi, his wife and six Italian experts to this country, originally was scheduled to dock at 9 a. m. Monday.

Plans for a typical reception were altered when it was stated Grandi wished to begin his discussions of world problems with the president as soon as possible.

The ship was delayed by storms and at noon today docking time was postponed to 2 p. m. Monday. That brought the further change.

STUDENTS ARE TO PARTICIPATE IN LOCAL SHOW

Vocational and 4-H club members of the Panhandle are being invited to participate in the special club department of the fourth annual Pampa Poultry show Dec. 3-5, inclusive.

The boys and girls of the clubs will compete among themselves only in their department. However, if they wish they can enter other birds in the general show. The club division will be only for those students actually having a poultry demonstration properly supervised.

Entries will be restricted to cockerels, pullets, and young pens in the following classes: White Leghorns, Barred Rocks, Rhode Island Reds, White Wyandottes. Only one bird in each class may be entered, and only one young pen.

All show entries must be received by noon of Dec. 3. Entry fees must accompany applications for space. Where there is only one entry in a class, third premium will be paid. Diseased poultry will be barred. Birds must be entered in the name of the owner. No prizes will be given unworthy exhibits. Judging of the show will begin at 9 a. m. Dec. 4. Coops, feed, water, and care will be furnished free.

The show will be held in the Priest building formerly occupied by Fatherree Drug No. 1.

POWERS TRIAL BEGINS DEC. 7

'NOT GUILTY' PLEADED BY DEFENDANT IN COURT

CLARKSBURG, W. Va., Nov. 14. (AP)—A plea of not guilty to a charge of murder today opened the fight of Harry P. Powers, 45, Clarksburg, to escape the gallows for the killing of two women and three children, whose bodies were buried near his garage at Quiet Dell, a village near here.

The date of Powers' trial on the charge of murdering Mrs. Dorothy Pressler Lemke, of Worcester Mass., was set for December 7, but his counsel will seek to have the prisoner removed from the custody of Harrison county, and if a change of venue is granted, that date will not be effective.

The man who cast a lure of matrimony to many women throughout the country entered his plea in a low voice. He was indifferent to the court procedure. His only words were "not guilty," spoken when Judge John C. Southern asked him to plead.

Powers was arraigned on only one of five indictments returned against him by the grand jury earlier this week. The others charge him with murdering Mrs. Asta Buick Eicher and her three children, of Park Ridge, Ill.

with Judge S. D. Stennis voting with White and McCleskey. In a statement recorded on the minutes, Judge Stennis said he voted against the motion for the reason "I do not think it is the proper time, everything considered, especially for obtaining the program."

Mr. McCleskey voted against letting the grading and drainage contract, and for letting the paving contract.

Outlines Objection. He stated, however, that he opposed paving any roads in the county with concrete. "The state and federal governments have quit using concrete," he said. "They are using caliche and asphalt on all roads being built by them. The approximate cost of a caliche-asphalt is \$7,000 per mile. By building the county roads of caliche and asphalt we could build two miles where we could build one with concrete." Mr. McCleskey said that highway No. 66 is being paved with caliche and asphalt.

Paving of the Miami and LeFors roads is due to start as soon as the contractor can assemble material. Mr. Lott will also start grading and drainage work on the LeFors-McLean road as soon as possible. He said that he had about 200 miles of his own and would transport them to Gray county. He said he would hire drivers here.

Cox Makes Motion. Commissioner Cox made the motion to appoint a jury of view to secure right of way on No. 33. Last week, a number of local citizens, including Clyde Fatherree, M. K. Brown, R. G. Allen and C. S. Bolton, appeared before the court and presented a verbal petition that highway

work in the county to be speeded up. Judge Stennis replied that he was opposed to rushing the work at this time because he believed the county can induce the state to pay half of the cost of paving 152 and 88, instead of one-third of the cost. Mr. Cox and the citizens present expressed doubt that the state would pay more than one-third. They said negotiations have previously been made to that end with the highway department. Judge Stennis said the court would confer with the department in the near future, and the men present promised their cooperation in aiding the commissioners to secure aid.

induced the Japanese ambassador of his previous assurances. "I have the more reason to remind you of this," he added, "as information is available that the Japanese command are preparing to cross the Chinese Eastern railway in the region of Tsitsihar which

would paralyze the railway and cause material loss to Soviet Russia." For: Chinese Killed. MURKIDEN, Manchuria, Nov. 14. (AP)—Chinese and Japanese troops fought a battle at Kaiyuan, within 75 miles of Mukden, in which 40 Chinese were killed, the Japanese headquarters announced today.

The same announcement told of a skirmish between outposts in the Nonni river area in which two Japanese were slain.

Reports from the Nonni indicate the Chinese are pressing ahead with their attempt to turn the right flank of the Japanese army. They have succeeded in establishing positions five miles east and southeast of the Japanese line.

PARIS, Nov. 14. (AP)—Indications that the United States is playing a strong part behind the scenes in effecting peace in Manchuria were seen today in the activity of Ambassador Charles G. Dawes, who came here at the direction of President Hoover to act as observer at the council of the League of Nations.

BLIZZARD DRIVES MERCURY TO 20; SNOW IS FORECAST

POWERS CLAIMS HE WAS TORTURED

WAS BEATEN INTO SIGNING A CONFESSION

OFFICERS STRUCK HIM WITH BLACKJACKS, HE SAYS

WAS PISTOL WHIPPED

BLUEBEARD TESTIFIES WAS TORTURED FOR ELEVEN HOURS

CLARKSBURG, W. Va., Nov. 21.—(AP)—Testifying in behalf of his motion for a change of venue, Harry F. Powers said today he was "tortured" into signing a confession to the murders of Mr. Buick Eicher, Park Ridge, Ill., widow and her three children following his arrest for the crimes here last August.

Powers is to go on trial in Harrison county (Clarksburg) December 7, for the slaying of Mrs. Dorothy Pressler Lenke, Northboro, Mass., divorcee, but he contends he can not get a fair trial here because of sentiment against him. He also is under indictment for the killing of Mrs. Eicher and her children.

The five bodies were found buried in a shallow sewer ditch near Powers' garage at Quiet Dell, Clarksburg suburb.

The accused "bluebeard" said he was taken to the jail and "beaten with blackjacks, guns, a cane and there was a hammer there, too. They also had rubber hose as weapons."

Counterfeit Money Passed in Pampa

Local merchants have been carefully testing all currency handed them during the last three days in an effort to find the person who has been passing counterfeit bills.

Several establishments have as souvenirs a supply of counterfeit bills. Officers are investigating the swindlers.

Firemen Find Much Smoke But No Fire

Firemen yesterday afternoon upped an old proverb, "there's bound to be fire where there's smoke."

They not all set to extinguish what appeared to be a considerable blaze in the Duncan building above the Richards drug store. Smoke boiled out the window sills and along the edge of the panes.

Both fire trucks hurried to the alley back of the drug store, hose was uncoiled and was being attached to plugs when firemen learned that the smoke came from the above in the drug store. Several days ago it was discovered, the flue was stopped up by a workman who was repairing the building and the fumes poured into a vacant office. When the room became full, the fumes were forced out through the cracks in the sill.

OUTLAW IS SHOT AND KILLED ON CASTALON RANCH

ALPINE, Nov. 21.—(AP)—Jake Billaba, when officers said was notorious as a Mexican outlaw, was shot and killed today on the Walker ranch near Castalon. Delph Walker, ranch owner, was taken in custody after the shooting by Rangers Taylor, Ghobson and Glascock but was released under bond pending an examining trial Nov. 30.

Walker told officers his life had been threatened and the man was advancing toward him with a rifle when Walker fired, as he stood on the porch of his home.

Billaba was under indictment at Alpine for the killing of another Mexican named Garcia but had escaped and fled into Mexico.

Walker said Billaba dared him to meet him on an island near the middle of the Rio Grande and when he refused, Billaba waded across the river bank and shot him.

JURY OUT IN ARDMORE CASE

FAILS TO AGREE ON VERDICT IN HOUR AND HALF

ARDMORE, Okla., Nov. 21.—(AP)—The case of W. E. Guess and Cecil Crosby, charged with murder in the killing of two Mexican college boys here last June, was given to a district court jury tonight following completion of final arguments.

The jury began deliberations immediately but had not reached a verdict at 9:30 o'clock one hour and a half later, and was locked up for the night.

Under Judge Asa A. Walden's instructions the jury was limited to three verdicts: guilty of murder, guilty of first degree homicide or acquitted.

F. M. Dudley, assistant state attorney general, closed the prosecution's arguments. Dudley directed the state's case, superseding Marvin Shilling, Carter county attorney, after the court had yielded to an order from Governor Murray.

The case grew out of the killing of Emilio Cortez, Rubio kinsman of President Ortiz Rubio of Mexico, and Manuel Garcia (Gomez) on an Ardmore street late at night.

TAMMANY FOR GARNER

WASHINGTON, Nov. 21.—(AP)—Two Democratic chiefs—John Curry, Tammany boss, and Representative Garner—probably speaker of the house after a 20-minute breakfast today, created a definite impression that the New Yorker had assured the Texan of his complete support.

Furthermore, the feeling of the powerful New York Democratic delegation of 23 would follow Garner, the party's choice for speaker, prevailed. Garner radiated pleasure over the prospect, which he described as "purely social."

This further cleared the air as to the attitude of the Tammany group, which had been uncertain since the Democrats came into a majority over the Republicans. Representative Cullen, leader of the New York delegation however, said after a recent conference with Garner that group would back the Texan for speaker and had taken no action looking toward selection of a floor leader.

The claim made by Representative John J. O'Connor, New York yesterday to the leadership, muddled that situation, until it was ascertained today there is strong opposition in the Tammany group to his candidacy.

However, the Tammany delegation desires a northern man for the post, along with groups in other states above the Mason-Dixon line.

It was Representative Cullen and Gov. Franklin Roosevelt's secretary who arranged this first meeting between Curry and Garner. Neither divulged their discussions. Garner claimed none of the issues before the party was brought up.

"I had never seen one of these animals from Tammany hall," the white haired Texas Democrat said, "and I wanted to see what one looked like. I couldn't see any horns or hoofs on him like I had seen in cartoons of the Tammany hall boys."

NEW PASTOR

The Rev. C. A. Long of Lufkin, new minister of the First Methodist church, has moved here and will preach at morning and evening services today.

NEW MINISTER NOW IN PAMPA

REV. C. A. LONG WILL PREACH TWICE TODAY

Initial sermons of the Rev. C. A. Long, new minister of the First Methodist church, will be delivered today at the usual morning and evening hours.

Rev. Long and his family have moved here from Lufkin, where he was pastor during the last 3 years. The family includes Mrs. Long, two sons, and a daughter. The sons are 17 and 13 years old, the daughter 11.

Rev. Long is a man of middle age, medium build, and pleasing personality. Prior to his tenure at Lufkin, he also was presiding elder of the McKinney district.

The new pastor's hobbies are hunting and fishing, and it was with some misgivings that he learned of the lack of game in this section. He probably will make occasional excursions into New Mexico, however.

He was a member of the Lufkin Lions club.

DEMOCRATIC LEADER PROPOSES BOND ISSUE FOR BIG DEFICIT

SAYS CARE MUST BE TAKEN IN RAISING SURTAX

WASHINGTON, Nov. 21.—(AP)—A warning that taxes must be raised with care or business improvement will be retarded was thrown into the whirlwind tax controversy today by Sen. Robinson of Arkansas, the democratic leader.

Returning to the capital, he issued a statement designed to temper demands of his party colleagues and others for big increases in levies on incomes. He proposed that instead of huge increases in a large portion of the treasury deficit.

The democratic leader emphatically opposed any policy that would bring this country into the Manchurian controversy; refused to commit himself to any non-partisan program and suggested Great Britain's new tariff policy partially was caused by the Hawley-Smoot tariff law.

COLDEST WIND OF THIS FALL HITS VICINITY

FREEZING MIST MAKES HIGHWAY TRAVEL HAZARDOUS

STOCKMEN ARE WARNED

WEATHER BUREAU SAYS PANHANDLE DUE FOR SNOW TODAY

A snowstorm forecast for Pampa by the weather bureau had not reached this vicinity at 1 o'clock this morning. The temperature was down to 20 at the Santa Fe station.

A northerly driving cold mist before it gradually blew up yesterday afternoon. The weather bureau sent out a warning to stockmen, and predicted snow would fall during the night.

The temperature had dropped to 21 degrees at midnight and persons seen on the streets at that time were scurrying to cover. The chilling wind raged them to turn up the collars of their coats and to lean heavily into the breeze, making a picture strikingly like those of real blizzards.

Buses from Amarillo were behind schedule on account of having to stop frequently to scrape ice off the windshields. Those from the east and south reported less difficulty and were less than half an hour off schedule.

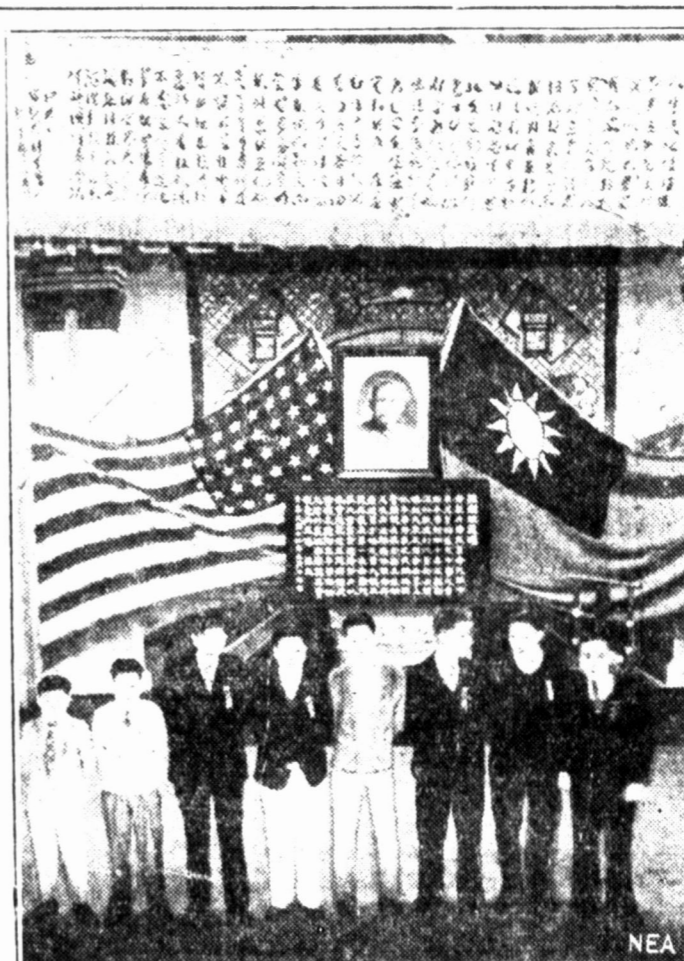

Traffic in the city was hazardous on account of frosted windshields and slippery corners, but drivers were careful to avoid accidents. Many devices were used to clear the glass—some of glycerine, some salt, and several composed of large candles fitted just inside the windshields.

With the advent of winter, all of those who had lived in make-shift quarters in the oil fields were forced to hunt more protection. In some cases there doubtless was acute suffering on account of the suddenness of the cold wave. It was believed that most families, however, had made preparation for warmth.

Extremes cold always slows down oil field activities. Aside from the fact that oil becomes less fluid in low temperatures is the difficulty of traffic off the pavement. The men of the derricks are accustomed to sudden changes and dress accordingly. When oil sells for a profit no blizzard can long halt activity.

And it is a characteristic of Panhandle weather that it is too inconsistent to stay bitterly cold long. Monday will probably be fair and see BLIZZARD, Page 6.

RELATIVE OF FAMED GOVERNOR CHARGED WITH THIRD KILLING

HARRIS SAYS VICTIMS INSULTED HIS WIFE

MEMPHIS, Tenn., Nov. 21.—(AP)—Charges he murdered two men accused of insulting his wife were added today to the long criminal record of Isham G. Harris, 38, farmer and great-grandson of Tennessee's distinguished Civil War governor of that name.

Sheriff W. J. Bacon and Harris confessed he was one of a group of men who kidnaped J. D. Smith, 60, farmer, Thursday night, took him a mile from his home and fired seven bullets into his body.

Bacon also said he confessed the slaying of Earl Sheridan, 30, negro, but when arraigned in his cell this afternoon Harris said the negro was shot by a companion whose name was not revealed.

The sheriff indicted him as saying Smith and Sheridan were slain because they insulted his wife. Harris confirmed this as regards Smith, but she declared the negro did not insult her, the other added.

The sheriff advanced the theory Sheridan was one of three men, including Harris, who went to Smith's home Thursday night, armed members of his family with shot-guns, and forced Smith to go with them for a ride.

"After killing Smith, Harris became afraid," the sheriff said. "We believe he killed the negro then acting on the theory that dead men tell no tales."

Mrs. Harris, 32, and pretty, was held as a material witness. Imprisonment was no new thing for Harris. Old timers here recalled the slaying of E. Bondi in 1919 and Harris subsequent conviction and 21 year sentence for that murder. The prosecution contended Harris fired Bondi from his home on the pretext of selling him liquor and then shot and robbed him.

Former Governor All Taylor pardoned Harris because of his friendship for Governor Harris with whom he served in the senate.

FEARS RUSSIA MIGHT ENTER CHINESE WAR

JAPAN CLAIMS ONLY WANTS TO SCATTER MAH'S FORCES

TROOPS MARCH NORTH

CHINA CONCENTRATING ALL TROOPS FOR LAST STAND

WASHINGTON, Nov. 21.—(AP)—The American government has informed Japan it believes the occupation of Tientsin in the Russian sphere of influence in northern Manchuria threatens dangerous complications.

The view was expressed by Secretary Stimson to Katsujir Debutchi, Japanese ambassador here.

The Japanese reaction is understood to be that the advance northward was necessary to scatter the forces of the Chinese General Ma, and that the Chinese Eastern railway, jointly controlled by China and Russia, has not been disturbed.

While details of the American communication were carefully guarded, officials are understood to base their concern on the possibility of some act which might lead to strained relations between Japan and Russia, thus seriously complicating the Manchurian controversy which this far has involved only China and Japan.

JAPANESE ON MARCH

MUKDEN, Manchuria, Nov. 21.—(AP)—A major concentration movement is being carried out by Chinese military authorities, Japanese army headquarters reported today.

One of the concentration centers, it was said, is Tunghiao, west of Chinchinstun. Tens of thousands of infantry arrived from the Peking-Tientsin area yesterday, according to the Japanese military intelligence, and cavalry troops also are reported to be participating.

Japan also is increasing her strength. A brigade of reinforcements arrived today from the Peking-Tientsin area, and a Japanese army headquarters reported today.

British Shook By U. S. Tariff Hike

LONDON, Nov. 21.—(AP)—News from Washington that Britain's new emergency tariff might be swayed by imposition of retaliatory American duties came as a shock to the British public today.

Official comment was not forthcoming because government offices were closed for the week-end, but the threat of a possible Anglo-American "tariff war" featured the Sunday newspapers and is certain to start parliamentary debate next week.

The British business world did not resign the "anti-dumping" emergency duties, which parliament rushed into law in three days, would produce a boomerang reaction so quickly from the United States.

American business observers here regard the first new British schedule, which goes into effect Wednesday and levies a 50 per cent duty on certain classes of manufactured goods as the prelude to a general tariff.

It is not generally understood that countervailing American tariff regulations already are effective in one important line of commodities, automobiles.

TROJANS RISE FROM LOWEST DEPTHS TO SMASH IRISH

NOTRE DAME'S MIGHTY HOST FINALLY FALLS

HEROIC MEN OF TROY BREAK OFF STRING OF VICTORIES

By PAUL MICKELSON
Associated Press Sports Writer.

SOUTH BEND, Ind., Nov. 21.—Notre Dame's mighty fortress of football, impregnable against 25 assaults in almost three years of gridiron warfare, fell at last today.

Fluttering over its ruins tonight flew the cardinal and gold battle flag of the roaring Trojans from Southern California, who astonished the world of football by ransacking it with one 15-minute rush in the last period of battle today by a margin of 16 to 14.

The final rush came just when it looked as if the big Notre Dame game, Monday, the 21st, had been Banas, seemed certain of winning the day. Trailing by two touchdowns as they entered the final period, the Trojans could not be denied as they smashed the Irish wall. They dashed and passed their way to one touchdown. The four minutes rushed over another one to come within a point of tying the battle and then triumphed as the frenzied crowd of 52,000 spectators, treated to one of the greatest struggles in the lore of football, watched Johnny Baker, Trojan left guard, arch a perfect placement kick through the uprights.

Baker's kick, coming with but one minute of play remaining was an ironic touch for old Notre Dame which has witnessed its fighting army march on through 25 victories in 26 starts. The kick beat Notre Dame as the "Fighting Irish" had three times defeated the Trojans. More ironical was it that the kick enabled the Trojans to be the first and last to defeat Notre Dame, as it was the same invader from the west who conquered Notre Dame's football army way back in 1928.

Great Comeback

If ever a football team deserved to win, it was Coach Howard Jones and his cardinal and gold-shirted giants from the west today. They rocked the Notre Dame citadel recklessly and consistently. Three times they threatened before success came. In the first period, they smashed their way to Notre Dame's three-yard line only to lose their precious chance for the first score on Jimmy Mack's fumble. Two minutes later they rammed the Irish back to the line only to be stopped by inches and once again, in the third period, they found themselves beaten back with 10 yards to go. But what looked like the saddest break of all came after they had scored their first touchdown when the Irish blocked the extra point. But they couldn't be denied after that.

The battle was all Southern California in the first period as the Trojans made their first two threats, but Notre Dame came back with a rush in the second period.

Getting the ball on its own 45-yard line after Schwartz's boots had gained a wide advantage, Notre Dame opened a 55-yard march for the first touchdown of the game. Schwartz ripped the first big hole by flipping a pass to Chuck Jack which was good for 39 yards and placing the ball on the Trojan 16-yard line. Schwartz and Banas carried it with line drives to the one-yard line, where Banas hurried center for the score. Jack's kick for the extra point was good and Notre Dame led, 7 to 0, as the first half ended.

NORTHWESTERN ROLLS OVER HAWKEYES 19-0

IOWA CITY, Iowa, Nov. 21.—Breaking down a stubborn but fast firing Iowa defense in the final period, Northwestern's great football team battered its way to another Western conference victory today by a 19 to 0 score.

But Coach Dick Hanley, who had planned to make liberal use of reserves in order to rest his regulars, was forced to keep his first team in the battle until the final minutes before the Wildcats' triumph was assured.

Iowa put in the field a great defensive combination that smothered attempts of Pub Rentner, star halfback, until the final period. Only twice did Iowa get the ball in Northwestern territory, but the slim six-point lead built up in the first period looked far more safe when Hawkeye ball carriers broke into the clear twice and had to be hauled down from behind.

Rentner was the most consistent wildcard ball carrier, making 54 yards in 16 attempts.

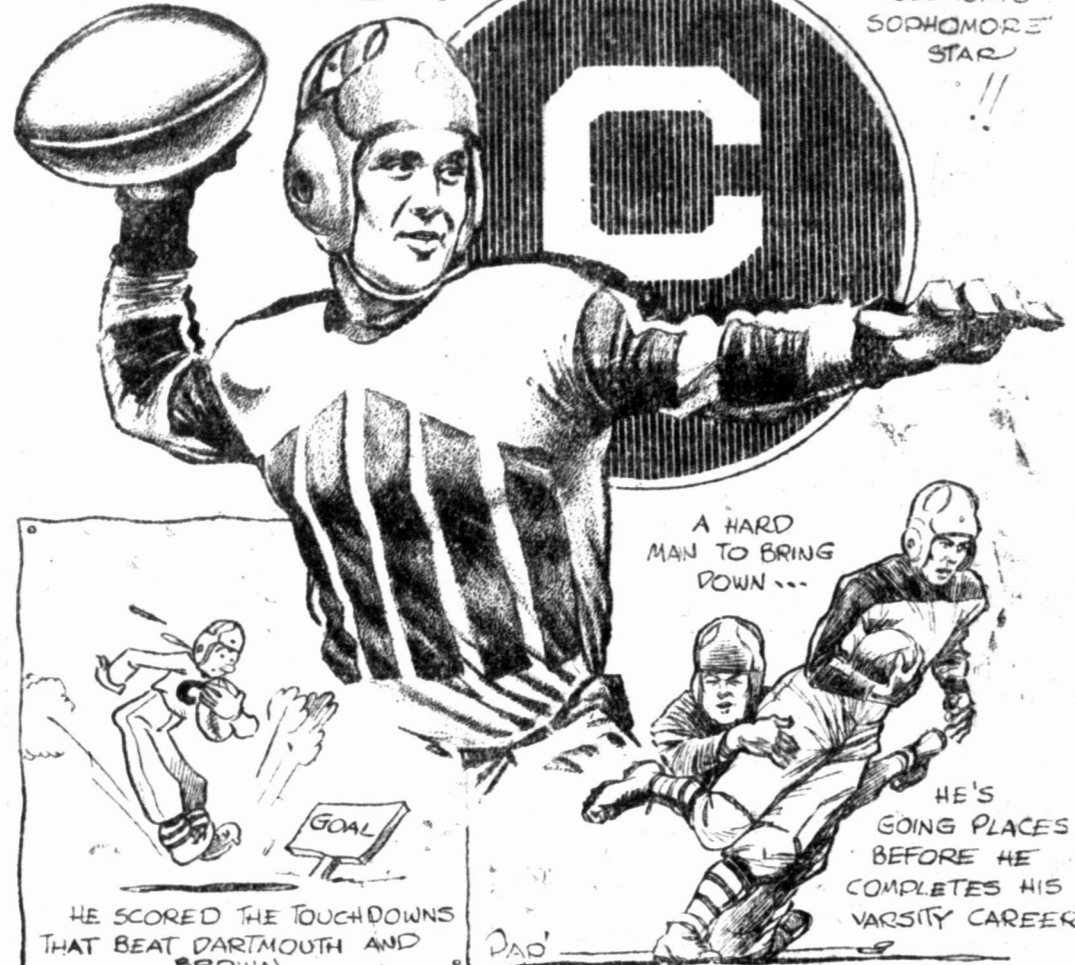

Texas Permitted To Play Charity Game

AUSTIN, Nov. 21.—Dr. D. A. Penick, president of the Southwest conference, announced tonight the conference had agreed to permit member schools to play post-season games in the interest of charity and to aid in unemployment relief.

One of the restrictions laid down by the conference was that regular squads be used in the games. The schools were left free to choose any opponent.

Texas has opened negotiations with Texas Christian university, Nebraska, Tulane, Vanderbilt, and Tennessee for post-season charity games. The Christian athletic council will vote Monday on the proposed bill. No response has been received from the other schools.

CLAUDE BEATS GORILLAS IN 13 TO 0 TILT

FORMER HARVESTER IS STAR OF MUSTANG BACKFIELD

The high school Gorillas lost their first game on a home field in three years yesterday afternoon when the Claude Mustangs won 13 to 0 in a young norther. The Gorillas couldn't handle the ball, easy passes being dropped and fumbles numerous. The loss was largely due to Roy Lewter, last year Harvester substitute, now the Claude sensation. Lewter called a heady game and ran the Gorillas ragged with his off tackle plays.

The Gorillas lost the game when three easy passes were dropped. Fulking, usually reliable, dropped two passes that were in his hands and clear line to the goal ahead. Fulking dropped the steady defensive goal line after having it in his hands. The cold had the boys hands numb and they couldn't tell when the long passes landed. Claude completed several short passes over the line.

Bert Stevens and Brown were the pick of the Harvester backfield although Adair played a great offensive game and Norvell Stevens a stellar defensive battle. Brown went in in the last half and crashed through the Mustangs for three first downs. Hamilton and Reynolds also got a chance in the backfield.

J. T. Richardson was outstanding in the Gorilla line. He tackled hard and charged fast. He will make the Harvester a valuable player next year. Faulkner played steady at end and Heard was also hard to take out.

Bagwell was the Claude backfield boy who helped Lewter on the offensive drives. He hit the line hard and made long gains. His passing was straight and hard. R. Blanton at fullback played a steady defensive game. Holman, end, was a hard man to step in the line and his ability to receive passes was advantageous. Massie and Ransom also played good games. They opened holes for Lewter to make his gains.

Blanton scored the first touchdown half way through the first quarter after Lewter had intercepted a pass and ran it 15 yards. Blanton's jaunt was six yards. Lewter put the extra point over the goal post.

Lewter scored the other touchdown in the last quarter when he shook off four Gorilla tacklers and raced 15 yards for a touchdown. He had nice interference for the first eight yards. He failed to kick the extra point. The touchdown followed at 20 yards pass received by Holman, end.

The Mustangs made nine first downs to six by the Gorillas.

Miles Marbaugh's educated toe saved the Gorillas several times. He lifted one down the field for 65 yards.

NEBRASKA WINS BIG SIX CHAMPIONSHIP

MEMORIAL STADIUM, LINCOLN, Neb., Nov. 21.—With an unprecedented flash of power and versatility, the University of Nebraska trounced the Cyclones of Iowa State college today, 23-0 to win the 1931 Big Six conference championship.

Whereas pre-game forecasts indicated a close battle, the Cornhuskers' victory was a complete rout for the Iowans. Only at one juncture did the Cyclones threaten.

Little Lewis Brown, who rested on the bench until last Saturday when he bawled the Kansas Aggie game out of a punt, today raced 80 yards for another touchdown.

Stats of show Nebraska made 19 first downs to five for the Cyclones, the Huskers' net yardage was 375 to 79 for Iowa State, while Nebraska made 8 yards from passes to 70 for the runners-up.

PONIES BATTLE NAVY 13 TO 6

THOMPSON FIELD, ANNAPOLIS, Md., Nov. 21.—Striking twice through the air in the second period, Southern Methodist university came from behind today to defeat the Navy 13 to 6 and remain on the list of the nation's undefeated, untied football teams.

The red-jerseyed warriors from Texas found the Middies much more stubborn foemen than they had anticipated and it was only by their aerial attack, judiciously employed, that they managed to gain a decision over Coach Rip Miller's team. Up to the last minute the Middies were dangerous, forging down to the invaders' 13-yard line in the closing minutes of play.

Two rifle-like passes from Kenneth Travis, Mustang quarterback, to Weider "Speedy" Mason, flashy halfback, gave the Texans their touchdowns after the Navy had taken a 6 to 0 lead in the initial period.

The first one was good for 49 yards, Mason taking the ball in a clear field and running the last 30 yards unimpeded. Travis' second peg carried 27 yards to Mason, who took it on the goal line and fell across under a burden of tacklers. Travis broke even in his attempts at the extra point.

Mason's brilliant play in the second period was by way of redemption for his miscue that led to the Navy's touchdown midway of the opening period. The Methodist ace fumbled one of Kirn's long, lazy punts and it was gobbled up by Pray, Middle end, on the Mustang 18-yard line. On the first play thereafter, Kirn whipped a pass to Davis over the goal line.

Bob Gilbert, the Pony quarterback who was reported to have turned down an offer of \$5,000 from his parents if he would not play the remainder of the season, did not get into the game. With Travis filling the signal calling post to capacity the Mustangs did not feel the loss.

NEW STAR APPEARS

ANN ARBOR, Mich., Nov. 21.—A reformed end who in his new position as a fullback scampered 57 yards for a touchdown, and an inspired line that stood firm under the pounding of Jack Manners, plunging fullback, today gave Michigan a 6-0 victory over Minnesota.

CALIFORNIA BEARS HUMBLER STANFORD

PALO ALTO, Calif., Nov. 21.—While 90,000 fans thrilled to a titanic struggle, California's Bears humbled an ancient gridiron foe today, with a brilliant 6-0 victory over Stanford that ended the seven-year reign of the Indians in this classic of the west.

Led by stocky Hank Schalldach, ball-tossing ace, the Bears smashed over a touchdown in the second period and threatened on two other occasions that saw the ball lost on downs within the shadow of the goal line.

Jubilant California rooters swarmed onto the field when the final gun barked out its message, goal posts were pulled up and hauled out of the stadium.

Late in the first quarter Schalldach booted the ball with such placement and height that Stanford's safety man, Hardy, was dropped in his tracks on his own three-yard line. Di Resta was down with the bear and rammed Hardy so hard he nearly knocked the Stanford boy back over his own goal. Rintala got off a bad punt and California put the ball in play on Stanford's 35-yard line.

Schalldach was the spark in the furious drive that resulted in the score. He punched at the line four times in a row for a gain of 12 yards and then passed to Waterbury for another dozen yards that put the oval on the eleven-yard mark. From there it was Schalldach five and one and five and over.

LITTLE ALBIE BLASTS HOPES OF HARVARD

DROPKICK GIVES YALE 3-0 WIN OVER CRIMSON

By ALAN GOULD
Associated Press Sports Editor.

HARVARD STADIUM, CAMBRIDGE, Mass., Nov. 21.—Albie Booth, Yale's Little Boy Blue, broke the Crimson spell today and dropkicked the Ellis to a spectacular victory over Harvard, 3 to 0, in a melo-dramatic twilight of his last varsity football game against the Crimson.

The climax of a bitterly waged battle, scoreless for 57 minutes as each team lost golden opportunities to break through, came with barely three minutes to go. Harvard's fading hopes had just been revived by a slashing 23-yard run by Jack Crickard, near to midfield, when Captain Barry Wood's attempted punt was blocked and recovered by Big John Wilbur, full tackle, thereby opening the way for Yale's triumphant thrust from the Crimson 44-yard line.

For most of the game Albie Booth had been bottled up, harassed and turned back as he sought to shake off the jinx that has pursued him ever since tall, rangy Barry Wood stepped into the Harvard leadership. Given another unexpected chance, Booth scuttled back, after a short run off tackle and hurled a long diagonal pass that Herster Barres, brilliant Eli end, caught, thereby tumbling out of bounds on Harvard's 11-yard strip.

Booth, Taylor and then Booth lashed at the big Crimson tackles, but the best they could do was pick up seven yards. It was fourth down, time to go, on Harvard's four-yard line. The great Harvard captain never had a chance to break through that final wall of blue. As a dramatic finishing touch, Wood on the last play of the game attempted a long pass, only to be smothered by tacklers on his one-yard line for an 18-yard loss as he failed even to get the ball out of his hands.

In this spectacular fashion Booth and Yale ended Harvard's three-year winning streak and at the same time handed the gallant Crimson forces their first setback of the 1931 season. The defeat cost Harvard

Fordham Bucknell Game Plenty Rough

NEW YORK, Nov. 21.—John Szymanski of New Britain, Conn., a substitute tackle on the Fordham football team, was seriously injured in today's game with Bucknell here. He was taken from the field unconscious to Fordham hospital, where it was said he probably had suffered a concussion of the brain and his condition was "very serious."

Three other Fordham players, Captain Jim Murphy, Connie Murphy, tackle, and Paul Howell, guard, suffered slight brain concussions and were taken to the hospital for observation.

a golden chance to capture eastern championship honors for the first time since 1913.

The swift accomplishment of this long sought triumph, with the "mighty atom" of Eli football in the heroic roll, prompted Yale's partisans to put on one of the wildest demonstrations in this ancient rivalry as the fiftieth game was brought to a thrilling conclusion.

They poured down on the gridiron before the players could depart. In less than two minutes the goal posts were ripped down and hoisted to the shoulders of the delirious throng that snaked danced about the field. Albie Booth rode from one end of the field to the other on the shoulders of his wildly yelling admirers. The rest of the Eli players were nearly mobbed in the excitement as the pent-up enthusiasm exploded all over the premises.

Rich old MRS. JUPITER is robbed and murdered during the insurance trial. The thief takes the gas for her secretary, MARY HARKNESS. The thief takes the gas for her secretary, MARY HARKNESS. The thief takes the gas for her secretary, MARY HARKNESS.

What's the bottle for? Mary asked, bewildered. "Don't touch it!" He drew it away from her pointing finger. It's his—the Fly's. He drinks a special brand. Mike sneaked it for me while Jack's back was turned. Let me get upstairs with it, quick, before something happens to it.

When they get you in the jug, you'll talk, my fine girl, she threatened through the wall. Mary read on, oblivious of having offended. It was rather fun making out who was meant by the people referred to in those small, scandalous paragraphs in the gossip magazine. No names were mentioned, of course, but it was usually made plain enough.

Both aspirants to the hand of the blue-blooded and personable young lawyer come to the post well equipped—the deb with this world's goods, and the fiancee with more than her share of looks. But if all Dame Rumor whispers is true, and the lucky girl's elderly sponsor makes legal and binding his promise to make her his heir, then the scales will tilt heavily in her favor, and she will be able to match her rival million for million.

"Hello, Kate," Bowen greeted her. "Take good care of this for me, will you? Till I come back." Kate's eyes took in Mary from head to toe, with cynical interest. "Shure I will," she promised, with enthusiasm. Kate had executed commissions for newspapers before. She would soon know what this beautiful damsel in distress had been up to. Shot her lover, perhaps. Whatever it was she'd been crying about, it thrilled Kate that she should know about it before it came out in tomorrow's papers.

MARY established herself on the shabby divan with Town and Tattle and fell to reading, more to escape the old woman's questioning than anything else. Eventually the old soul hobbled away, muttering to herself about the uppityness of some people.

"Why is it that we never appreciate what we have until it is another's? What child of great wealth—a bud of three seasons ago—is making rather a fool of herself over a childhood sweetheart whose devotion she was wont to ridicule until he took unto himself a fiancee? She is said to be relying heavily on the fact that the said fiancee is involved in a messy family scandal just now, which only the immense wealth and political pull of her sponsor has succeeded in squelching.

PAMPANS PLAY HEADSUP BALL AT PLAINVIEW

ALL ATTEMPTS BRING TOUCHDOWNS AND YARDAGE

The Harvesters clicked like the team of old Friday afternoon and sent the Plainview Bulldogs from Wayland field with their tails between their legs and the worst defeat of the season, 69 to 0. The Bulldogs never threatened the Harvesters goal line. The closest they ever reached the danger zone was the 25-yard line.

Big Paul Hill hit the line like a wildcat and the Bulldogs couldn't stop him. He made long and short gains and scored five touchdowns, one on a 62-yard run with a Plainview player hanging on his arm for 25 yards of the jaunt. It was Captain Chastain, Kahl, Saulsbury, and Sullins that placed the ball in scoring distance several times. Chastain's spinner was working to perfection, the Plainview players severally times chasing Sullins 20 yards before finding that the ball was somewhere else.

Big John Pafford was in every play after he settled down. Gerdis Schmidt and Don Reno played great games as did Moore and Pool. James Groom, big tackle, got into the game Friday for the first time since his injury before the Lubbock encounter.

Wester was the outstanding star of the Plainview team. His returns of punts were good and his passing the greatest ever seen against the Harvesters. His great passing ability was lost however when his men couldn't get places and hold the ball. Witkowski played a great losing game. Walker and Crossland were the only boys who could hit the Harvesters line and their plunges were all in the first half.

Goodwin, Bulldog center, was a dangerous man from the first whistle. He seldom missed diagnosing a Harvester play and only brilliant blocking kept him from smearing many Harvester plays. Captain Tibbels played a heads-up game until injured near the half. He had to be carried from the field. Seals, Green and Ray were other outstanding Bulldogs.

Pampa kicked off to Plainview and the Bulldogs proceeded to make two first downs without gaining an inch by two passes and two plunges at the line. Pampa players were offside and the Harvesters drew 20 yards in penalty. Moore then picked a ball out of Wester's hands as he attempted to throw a pass and ran for a touchdown but the play

was called back and the ball returned to Plainview. Midway in the quarter Captain Ray Chastain tried his spinner with such success that he romped 20 yards for a touchdown. His try for point hit the upright which slanted in. Chastain intercepted a pass on the 50-yard line and ran 10 yards when he was tackled and fumbled. Witkowski recovered the ball for Plainview. On the next play Kahl intercepted a pass on the center line. Chastain's spinner placed the ball on the 10-yard line at the quarter.

It took Hill three plays to put the ball over for the touchdown. Coach Odus Mitchell then sent seven men into the lineup with Best replacing Hill in the backfield. On the first play after the kickoff Gerdis Schmidt, guard, who was backing up the line, reached into the air, snagged a pass meant for Walker, and raced 45 yards through a broken field across the goal line. Best kicked the extra point.

The Bulldogs held and the Harvesters passed long but unsuccessfully. It was not until close to the end of the half that Chastain recovered a fumble and on the next play Best raced 25 yards for a touchdown. Chastain added the extra point.

The Harvesters went into the second half knowing that they would not be in the lineup long as substitutes would be frequent. They started clicking at the first whistle and in five minutes had crossed the Plainview goal line four times. On the first play after the kickoff he raced 62 yards for a touchdown. Chastain's try landed on top of the upright and rolled off. Hill carried Walker on his arm for 25 yards before shaking him loose.

Hill scored again after Sullins made 9 yards. Kahl 26 yards and Chastain 24 yards. His next touchdown came following two nice runs by Kahl who just wouldn't be stopped. Chastain intercepted a pass on Plainview's 40-yard line and carried it to the 20-yard line before being tackled. Kahl carried it 10 yards more and then Hill went over. Jim Pool added the extra point.

The Harvesters were assisted in their next touchdown when Westergrounded the ball when tackled. Witkowski played a great losing game. Walker and Crossland were the only boys who could hit the Harvesters line and their plunges were all in the first half.

in an attempted pass. They drew 15 yards. Sullins and Hill carried the ball to the 11-yard line and Kahl sliced through tackle for the touchdown, at the three-quarter mark.

Substitutes started into the game and Plainview started passing but still unsuccessfully. Best grabbed a ball and raced 60 yards without interference for a touchdown. It was a pretty run through a broken field with players falling from Best's stiff arm.

Not a regular was in the lineup at the close of the fourth quarter. Plainview completed a couple of short passes but couldn't gain through the line. Bill Ragsdale carried the ball over for the last touchdown with 30 seconds to go. Ragsdale intercepted a pass and made a nice gain at the final whistle.

Woodward of Fordham refereed the game. Dr. H. H. Hicks (Baylor) was umpire and Jameson of Canyon headlinesman. Workman of Pampa held the watch.

The high school band and about 100 members of the Pampa pep squad made the trip. Several Pampa fans also drove to Plainview. Fans were impressed with the great Plainview spirit. Although defeated nearly every game the 10 percent and do not "drop" the team when it loses as has been the case in several places. The Plainview band and pep squad visited Thursday night and gave them a rousing welcome. The team was given admittance free to the beautiful Granada theater.

FROGS DOWN BAYLOR BY SMASHING LINE

WACO, Nov. 21. (AP)—Smashing power plays which tore a fighting Baylor line to shreds today gave the Texas Christian Horned Frogs a 19-6 victory and allowed them to remain contenders for the Southwest conference championship.

A diminutive substitute Baylor quarterback who fired passes with abandon for gain after gain, constantly harassed Texas Christian throughout the game.

Walter, a 145-pound reserve, completed passes from all parts of the field, even flipping a sensational toss from behind his own goal line in the second quarter that resulted in Reeves, Bear end, dashing 90 yards through the Horned Frog defense. He was run down from behind by Spearman on the Texas Christian 10-yard line.

Texas Christian, plunged and passed through the Baylor team for a score in the first five minutes of play to take the lead. Oliver hit center for the score. The try for point went wide.

ARKANSAS DEFEATED BY RICE 26 TO 12

HOUSTON, Nov. 21. (AP)—University of Arkansas Razorbacks, weary and exceedingly thin from an unrelieved buffeting in the Southwest conference, was denied even a small measure of satisfaction today, falling before the Rice Institute eleven to 26-12.

Arkansas' last conference game of the season and by losing it the Razorbacks wrote a record of uniform defeat in conference competition.

For Rice it was the second victory in five starts. The Institute, conquerors of Texas and vanquished subsequently for three successive times by fellow contenders, reawakened today some of its latent power in piling up a big score against the unhappy Razorbacks.

Arkansas scored first, a 24-yard pass to Nations, an end, having left the offensive movement 20 yards away from the Rice goal. Three Arkansas backs, Murphy, Holm and Ledbetter, had a hand in the march that followed and were aided by a five-yard Institute penalty. Ledbetter made the last and touchdown yard.

Story book characters and notables in history have come to life for pupils of Sam Houston school pupils. Jointed dolls of cardboard have been dressed to represent many characters which otherwise might be dull and uninteresting.

THANKSGIVING BASKETS FOR NEEDY ASKED

NO DRIVE TO BE MADE FOR LARGE NUMBER OF GIFTS

It doesn't have to be turkey—not even chicken—to make a Thanksgiving dinner for the needy of Pampa. Anything that varies a little from beans and tomatoes will be enjoyed, said Mrs. W. H. Davis, manager of the welfare board.

WILL LECTURE

Miss Florence Hale, president of the National Education association and state rural school supervisor, Augusta, Me., will address the second general session of the Texas State Teachers association convention in Amarillo, Thursday afternoon, Nov. 26.

LOCAL BOYS TO PLAY IN OFFICIAL BAND

Every public school teacher in Pampa is expected to attend the convention of the Texas State Teachers association at San Antonio, R. E. Fisher. "To fail to attend, would show a total lack of interest in a teacher's work."

May we suggest the following old fashioned menu: Chicken or turkey. Roast Turkey and savory stuffing. Mashed potatoes. Creamed peas. Giblet gravy. Cranberry sauce. Celery.

The most unusual items on the above menu are the stuffed tomato salads. They are delicious when prepared by the following recipe: Six large firm tomatoes.

Seventy-five plates or more will be prepared when the Local Order of Moose and women of the Moose-Heart lodge entertain the Berger lodge Wednesday evening at 8 o'clock at Locust Grove club.

RECITAL IS TO BE ON TUESDAY

ADVANCED PUPILS IN PIANO AND VOICE WILL APPEAR

Advanced piano pupils of Mrs. Mary Foreman Carr and Mrs. Raymond Wilson and voice pupils of Ed J. Thomas will be presented in public recital Tuesday evening at 8 o'clock at the First Methodist church.

COMING EVENTS

MONDAY Executive board of the Pampa Little Theater will meet at 8 o'clock in the home of Mrs. Alex Lubetkin, 919 E. Francis.

The modern girl is the most cussed and disagreeable creature ever known. She causes disarrangement even among famous psychologists and others of note who study her and her problems—that was admitted by Mrs. Geraldine Green, dean of women at West Texas State Teachers college, who spoke here Thursday.

J. O. Y. Class Has Social Gathering

The J. O. Y. class, First Methodist church, attended a party Thursday evening in the John Haggard home. The class is taught by Mrs. Raymond Harrah.

WEDNESDAY

Loyal Order of Moose and women of the Mooseheart Legion will entertain the Berger lodge with a turkey banquet at 8 o'clock at Locust Grove club.

Even the girls have definite opinions and ideals in regard to their own sex. Katherine L. Kramer is stenographer for the American Nautical academy, Washington, D. C., who has been selected as the ideal stenographer by Harry Krauss, national secretary of the junior chamber of commerce, gives a number of qualifications for an ideal stenographer or secretary.

MESDAMES WHITE AND DYSON COMPLIMENTED IN WOHLGEMUTH HOME

A shower was given for Mrs. Roy Dyson and a gift was presented to Mrs. J. M. White in connection with the party given Friday afternoon in the home of Mrs. H. T. Wohlgenuth.

FRIDAY

A sing-song will be held at Merrett school at 7:30 o'clock. Skyrocket B. Y. P. U., First Baptist church, will have an airplane party at 7:15 o'clock in the church basement.

Plans are under way for two large social events to be sponsored in December by members of the American Association of University Women and the College club. A progressive bridge party will be given on Dec. 1, and a dance at the Schneider hotel on Dec. 30.

MRS. JACK BAKER IS HOSTESS AT MEETING

Turkeys were used as decorations and the Thanksgiving theme was featured in tallies, table covers, and refreshments when Mrs. Jack Baker entertained members of the Linger Linger Bridge club Thursday afternoon.

STAGE STAR IS SCREEN HIT IN LA NORA MOVIE

Edward F. Robinson, star of "Five Star Final," the first National melodrama of newspaper life which comes to the LaNora theater today, was a stage star of note before taking up pictures.

"Mr. Robinson remarked that while odd things do happen in filming, they are witnessed by but a few workmen, and are all deleted before the scene comes before the public eye.

"Francis Starr, famous Belasco leading lady, who makes her screen debut in "Five Star Final" remembers some of the classic embarrassing moments of the stage.

Miss Starr told a story on herself. The scene required that she plead with the villain to unlock the bedroom door and let her get home.

Sister MARY'S KITCHEN

By SISTER MARY NEA Service Writer Since there are several types of food which are never so good as when they are cooked in deep fat, perhaps a few suggestions regarding this method of cooking will be welcome.

The digestibility of fried foods has long been a much discussed question. There is no doubt but that fats of all kinds require a longer time for digestion than some other foodstuffs, but properly fried foods cooked in deep fat at the correct temperature do not absorb a large amount of fat.

The temperature of the fat in deep fat frying is of prime importance. It is this that determines to a great degree the digestibility of the food.

Crust Must Be Formed The principle of frying foods in deep fat demands that the fat must be hot enough to seal the outside of the food immersed in it immediately, so that a crust is formed which prevents the fat from soaking through and penetrating the innermost portions.

Vegetable oils usually can be heated to a higher temperature without scorching than animal fats can. For this reason some housekeepers prefer vegetable oils. However, drippings from roasting meats and other unsalted fats that accumulate from meats can be clarified and used.

Teletypewriter Is New Service Here

Evidencing the rapid progress of communication systems, the American Telephone and Telegraph company announced last night through its local subsidiary office that the teletypewriter service was available to subscribers everywhere.

Under this plan, a typewriter is operated by wire from any point in a city where there is a sending keyboard, or from distant cities. Moreover, the typewriters can be connected at the central switchboard with any other typewriter in the system.

Texas G.O.P. Wants Coolidge in Race

DALLAS, Nov. 21. (AP)—The Dallas News says Texas Republicans were at work today on a plan which they believed would insure a Republican victory in 1932: Drafting of Calvin Coolidge as the running mate of President Hoover on the Republican national ticket.

The plan, the News explains, was announced today by John A. Kettle, chairman of the Dallas County Republican executive committee, and for many years a leading member of the party in Texas.

"If Mr. Coolidge could be prevailed upon to run for vice-president on the ticket with Mr. Hoover whose renomination is certain," Kettle said, "I believe the Republican victory at the polls would be overwhelming."

THE NEWFANGLES (Mom'n Pop)

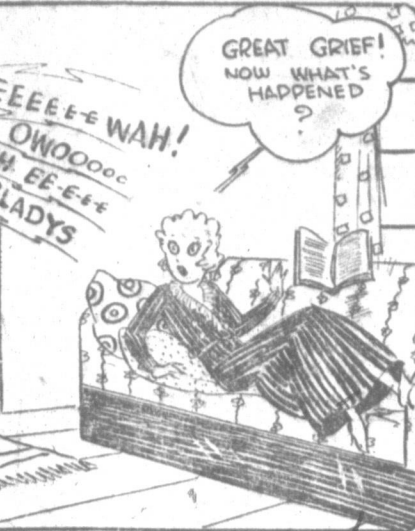

WASHINGTON, Nov. 21. (AP)—The army's oldest and most colorful cavalry regiment is to surrender before the rush of armored cars and tanks its 100 years of glory in the saddle. Known to old-timers as "The Dandy First" regiment, it will be mechanized in the spring. The stirring hunder of hoofs will give way to the roar and grind of machinery but the story of the regiment's romantic service against the Indians of the old west, in the Mexican and Civil wars, in Cuba, and the Philippines is an ineffaceable part of army history.

BLIZZARD

(Continued From Page 1)
warmer. At any rate, the oldtimers are not surprised by anything the weather man dishes out, and they can match it with tales of the frontier hardships in winter.

Snow Forecast
By The Associated Press
Texas hastily made ready Saturday night for the first blizzard of winter, expected to come sweeping southward from the Rocky mountains during the night, bringing freezing weather as far south as Fort Worth and Dallas and snow in northern and western sections of the state.

Rain began over the northern half of the state Saturday and temperatures were dropping slowly. Shippers in the north and northwestern portions of the state were advised to take precautions against temperatures ranging as low as 28 to 38 degrees and stockmen were warned of the impending cold wave.

Autumn weather had lingered unusually late with mild temperatures. Snow and the coldest temperatures thus far this season were forecast by the government, weather bureau for Amarillo and the Panhandle, the temperature being expected to drop to 20 degrees. The blizzard struck there at noon, driving the temperature from 48 to 30 degrees in four hours. A light mist froze as it fell.

At nightfall a heavy fog settled over Pampa and the North Plains and the temperature had fallen to 20 degrees. Drizzling rain which began at dawn continued in Fort Worth, Dallas, Paris, Corsicana, San Antonio and other widely scattered sections of the state.

Clear weather continued to prevail along the coast at Galveston and Port Arthur.

Warm in East
KANSAS CITY, Nov. 21 (AP)—While autumn lingered in the east, a wind-driven snowstorm on the northwest rode over the Rockies into the plains states today, routing belated Indian summer.

The storm, which had taken four days, had spread into southern Wyoming, eastern Colorado, North and South Dakota, Minnesota, New Mexico, Oklahoma and Kansas and retained still further inroads to the southwest. While butterflies fluttered at Arkansasburg, W. Va. Texas cattlemen were warned to protect their stock against impending freezes.

The storm struck Colorado today with such intensity a football game scheduled at Fort Collins was canceled. In places the snowfall measured 10 inches. Driving winds whipped a heavy wall of drifts this afternoon on the plains of Oklahoma and Texas, forcing down a mail plane at Oklahe, Kans.

While New York and other seaboard states enjoyed temperatures 70 degrees, workmen at Hugoton, Kans., faced a driving snow in an attempt to replace 200 telegraph

poles, flattened by the blizzard. Fog, too, was added to the continent's wide variety of weather disturbances. The steamer Pan-America carrying football fans from New York to Boston to the Harvard-Yale game was delayed by fog below Cape Cod.

TWENTY AT AMARILLO
AMARILLO, Nov. 21 (AP)—Sleety mist which threatened to become snow any minute and which froze on automobile windshields filtered into Amarillo tonight, and the temperature had plummeted to 20 degrees above zero, with indications of even colder before sunrise. The first real cold wave of the season fell within a few hours. The temperature had been as high as 48 early today.

JAPAN
(Continued From Page 1)
bered 300. In the engagement 31 were killed, 104 wounded and 13 are missing.

The Japanese would not hazard a guess of Chinese losses but believed them to be heavy. LEAGUE ALMOST HELPLESS
PARIS, Nov. 21 (AP)—The most of the League of Nations council was able to accomplish today in its attempt to obtain an agreement by which to consider a proposal for an investigation under league auspices.

Kenkichi Yoshizawa, the Japanese delegate, proposed that the investigation be conducted throughout China proper as well as in Manchuria. The league approved the inquiry so far as Manchuria is concerned.

Dr. Alfred Sze, Chinese delegate, emphatically clung to his position that evacuation by the Japanese troops be made a prerequisite to any investigation.

The Japanese delegate announced his government was prepared to withdraw its troops to the treaty zone as soon as it was assured property and lives of its nationals were safe.

Japan's proposal for an inquiry covering all China was made at a public meeting of the council. It contained no reference to the Tokyo government's frequently reiterated demand for recognition by China of validity of existing Sino-Japanese treaties.

This omission was looked upon by league officials as an indication Japan was adopting a more conciliatory attitude. Hope was reawakened that a peaceful solution of the conflict might be found.

GREEN WAVE DEFEATS SEWANEE BY 40 TO 0

NEW ORLEANS, Nov. 21 (AP)—By a score of 40 to 0 Tulane's Green Wave today rolled up its ninth straight victory over Sewanee in a charity game played under intermittent hard showers before approximately 8,000 spectators.

The score would have been much larger, but Coach Bernie Bierman pulled out his varsity players and let his second team carry on for half of the game.

Nollie Felts, at fullback, scored a touchdown, keeping up his record of scoring in every game Tulane has played this season.

Badgers Down Cubs In Blizzard 6 to 0

AMARILLO, Nov. 21 (AP)—Following an 84-yard punt by Bill Crass in the third quarter that traveled over the Cub goal, the Amarillo college Badgers got the advantage they needed to defeat the freshmen of Baylor university, 6 to 0, here today.

Extreme cold and a hard wind made the touted aerial attack of the Cubs a small threat, although they made many attempts to get loose.

The visiting ranch hands were powerless to advance against the Badgers and garnered one first down, result of ten-yard pass.

SWEETWATER WINS DISTRICT 4 TITLE

SAN ANGELO, Nov. 21 (AP)—The Sweetwater Mustangs virtually clinched the football title in district 4, class A, by defeating the heretofore unbeaten San Angelo Bobcats 20-0 before an estimated crowd of 4,000 people here today.

The only obstacle in the Mustangs' path is Midland, which has won only two of four district games. Sweetwater excelled in all departments, gaining 304 yards from scrimmage in registering 14 first downs, while San Angelo gained 148 yards in making 10 first downs.

Ney (Red) Sheridan was the Mustangs' outstanding performer. His pass to Sam Baugh and his 22-yard run placed Baugh in a position to score the first touchdown early in the opening quarter.

OHIO BLASTS ILLINI

COLUMBUS, O., Nov. 21 (AP)—Scarlet and gray clad football players from Ohio State ambled up and down touchdown street here this afternoon and as a result the University of Illinois eleven was handed the worst licking it ever received from an Ohio team. The final score was 40-0.

SIMMONS IS SUCKED UNDER

HOWARD PAYNE DEALS STUNNING 20-0 DEFEAT

ABILENE, Nov. 21 (AP)—A stale Simmons university football team was stunned in the opening minutes of play this afternoon by the Howard Payne Yellow Jackets, who carried on to effect the season's biggest upset in the Texas conference by a 20 to 0 victory.

Howard Payne scored when the game was less than five minutes old. Byron, Simmons quarterback, fumbled a punt at his eight-yard line and he ball went rolling into the end zone to be covered by Truett Little for a touchdown. The second counter was put across before the quarter ended. Heustis, starting to kick on the fourth down, fumbled and Howard Payne took the ball on the Cowboys' 30-yard line. From that point the Jackets scored in three plays. Underwood sweeping end for 7 yards and Worley smashing a tackle to the one-yard line, from which W. Schumann plunged across.

Truett Little converted each of the first two touchdowns. Favored by wind at their backs and by several Howard Payne fumbles, the Cowboys played in Yellow Jacket territory through the second and third periods, but a line that was led by Captain Sylvan Cloninger and Frank Stubbs and an alert secondary snarled every scoring effort. Then when the Cowboys tumbled another punt on their 30-yard line at the beginning of the fourth quarter, Bob Worley uncoiled a passing attack that quickly shoved the Simmons eleven back for another touchdown. The last of three losses was to Morrow, substitute end, who was waiting in the end zone.

Simmons continued to lead in percentage after today's let but will probably be tied for the championship by Howard Payne next week. Gib Sandfer, Simmons manager of athletics, announced after the game that in case of a tie for the title, the Cowboys and Jackets would play it off in either Brownwood or Abilene.

MANY INTERESTING GATHERINGS ANNOUNCED FOR THIS WEEK

FEMININE FANCIES

By Hollyce Sellers Hinkle

True to our promise, we will tell about a new club today, one that at least is worthy of an experiment.

For beautiful women? Yes and for all who would like to be beautiful. Before describing this type of club, we would defend it by saying that to have beauty and charm, it is no longer necessary to be born with these qualities.

Should there be any doubters among our readers we refer them to Carroll college in Waukesha Wis., where there is a specific course in feminine charm, taught by the dean of women.

We refer also to the University of Kentucky, where Mrs. Frank L. McVey, wife of the president, is leading a group of young women in a charm study course.

If there are any doubters left, we would bring them closer home: Last year at Texas Technological college, an etiquette course (which included charm hints) was quite successful and doubtless will be repeated.

Now for the clubs. According to Madame Helena Rubenstein, a beauty expert, they have been springing up in New York, Florida, Illinois, Texas, California, and Oregon.

"Needless to say, I think this idea is splendid and I can see tremendous possibilities in such a movement and Mme. Rubenstein. "It is encouraging to know that American women are taking a more sane attitude toward their beauty problems and are willing to discuss them intimately with other women."

"One thing these women should not overlook is diet. Luncheon parties at which no fattening, but nourishing food and beverages are served would be an ideal outlet for their energies. And they can compare notes on menus and recipes and take the best of them home to their own family tables."

"Another thing that should play an important part in every beauty club is exercise. They should organize hiking parties and at every meeting they should hold regular classes in exercise, perhaps to the music of a piano, a radio, or a phonograph. Ample exercise and proper diet are most important factors in thorough beauty culture."

"A good book on the art of beauty culture by a reputable author should be provided to guide each of these clubs in its activities and the members can even go so far as to give each other massages, manicures, and even facials—when they have progressed far enough in their studies."

"And by all means, beauty clubs should not overlook a study of color combinations and of clothes. The most exquisite facial makeup and hairdress can lose much of its charm unless the woman knows how to match gowns and hats with face colorings and hair effects."

Parents and Teachers of High School Will Sponsor Public Address on Modern C MANY HELP LIBRARY IN ATTENDING BRIDGE TOURNAMENT

SUM OF \$115 IS RESULT OF LIVELY MEET

AUTUMN DECORATIONS ARE USED FOR BUILDING

A sum of \$115 has been placed in the Pampa library fund as a result of the bridge tournament sponsored by the library association Friday evening at the Mitchell building.

The thanksgiving theme prevailed in decorations for the occasion. There were colorful leaves, shocks of maize, pumpkins, chrysanthemums, and other symbols of autumn.

Mrs. C. P. Buckler, general chairman of the event, was assisted by the following hostesses: Miss Virginia Faulkner, Miss Clarice Fuller, and Mesdames A. B. Zahn, Henry Thut, Lon Blansett, H. H. Hicks, Raymond Harrah, Alex Schneider Jr., George Walstad, Frank McNeill, Charlie Thut, I. Baum, John Glover, Frank C. Allison, W. C. Mitchell, H. D. Keys, F. M. Gwin, E. A. Shackleton, O. H. Booth, H. W. Waddell, James Todd Jr., W. M. Craven, Glen Pool, Julian Barrett, Henry Thut, Jim White, Blake, C. E. Hutchins, H. C. Meyers, Sam Penke and Arthur Swanson.

Among others who helped to make the event a success were Mr. and Mrs. W. C. Mitchell, who furnished the building, the Coca Cola Bottling works, which furnished the drinks, the Brown Cracker company, which furnished cookies through the courtesy of the local C. and C. System.

Mrs. James Todd, librarian, expressed the appreciation of the library association to all who assisted with the event, including boys who helped to serve.

PIRATE PARTY GIVEN GROUP

MRS. O. H. BOOTH IS HOSTESS TO QUEEN OF CLUBS

Tallies were passed in a skull at the pirate bridge party given by Mrs. O. H. Booth Thursday afternoon for members of the Queen of Clubs.

At 14 I married a young gallant, Duff McDonald, who had a farm near Tullis. I worked side by side with the men in the field—could plow more new ground, split more rails, chop more wood than any man in the country.

A few years after Mr. McDonald's death—he was a good man—I married Lee Walters, who came from New York and was a worker on the railroad.

Charley Bronson of Connecticut was working on the section at Tullis at a wage of \$1.50 a day when he won my heart and we were married and went to Urania, where Charley had secured a job as road master for the N. U. & R. railway company at \$50 a month.

Appropriate refreshments were served to Miss Fern Hughes and to Mesdames I. Baum, G. C. Malone, Young, R. L. Lawrence, Carl Boston, Jerry Boston, I. B. Hughes, L. N. McCullough, C. C. Cook, Raymond Alfred, Will R. Saunders, Frank Fore, E. M. Conley, A. B. Goldston, J. H. Kelley, and H. C. Wilson.

About seventy-five youngsters, 6, 7, and 8 years of age were entertained at the First Baptist church yesterday afternoon. The event was for the primary department, and Mrs. Wilson Hatcher, superintendent, was in charge of the games.

The department is making a special effort to enlarge its membership, and is inviting all children from 6 to 8 years of age to join its ranks.

The Pampa Lions club will be in charge of chapel services at the high school Wednesday morning at 9:30 o'clock.

Advice To Love-Lorn Girls

WOMAN FINDS THREE OUT OF ELEVEN MEN WORTHY

EDITOR'S NOTE: If anyone knows the "ins and outs" of married life, this 63-year-old Louisiana woman does. Wed late last spring to her eleventh husband, she has, in her own words, "weighed him in the balance and found him wanting."

By MRS. CAROLINE PASCHAL-URANIA, La., Nov. 14.—Yes, I know something about men and marriage. I crave companionship, especially since I am nearing old age, and because my experiences with men have not been altogether pleasant.

He walks on ahead leaving her to follow as best she can—shows in every way that he thinks he is a superior creature and then he winds up by showing disrespect for her church. He played the hypocrite to get a wife and now while still pretending to love her, shows that he is not a gentleman by nagging after her and even ridiculing her church.

He is a snake in the grass and learns his part from the picture shows or some trashy story. Keep your sweetheart at your finger's end—if he is worth while he will wait patiently and think more of you when he does win you.

I have been married 11 times—but three of these husbands were worthy of the name man, and that is about the average you will find of all males—three out of 11. Why, one of my husbands was worth a whole cowpen full of the others!

This last man, Louis Paschal, to whom I was foolish enough to marry, has given out to the press that I paid him \$5,000 to leave. I want the world to know that I never gave him a cent. I talked over the matter with him—told him that he weighed in the balance and found wanting—that he did not do enough work to earn his board and keep—that I wanted an industrious man around the place who would plow, milk the cows, look after the stock and at least do half as much work as I did.

I told him he was not the man I needed—that he was in some good man's way.

I was born 63 years ago in Jackson parish of poor but honest farmer parents and was given the name Caroline Frost.

At 14 I married a young gallant, Duff McDonald, who had a farm near Tullis. I worked side by side with the men in the field—could plow more new ground, split more rails, chop more wood than any man in the country.

SCHOOL MAN SAYS TEACHING OF CITIZENSHIP IS VITAL

IS STRESSED DURING EDUCATION WEEK

During the observance of American Education week, nothing was more emphasized than the training for citizenship, this being one of the ultimate goals of education.

Mr. McIntosh said in part: "If we desire to establish a republican government upon a broad and permanent basis, it will be our duty to adopt a comprehensive and well-regulated system of mental and moral culture. Education is a subject in which every citizen and especially every parent, feels a deep and lively concern."

It is admitted by all that the cultured mind is the guardian genius of democracy, and while guarded and controlled by virtue is the noblest attribute of man. It

is the only dictator that free men acknowledge, and the only society that free men desire.

"The influence of education in the moral world, as in the physical, renders luminous what was before obscure. It opens a wide field for the exercise and improvement of all the faculties of man, and imparts vigor and clearness to those important truths in the science of government, as well as of morals, which would otherwise be lost in the darkness of ignorance. Without its aids how perilous and insufficient would be the deliberations of a government like ours! How ignoble and useless its legislation for all the purpose of happiness! How fragile and insecure its liberties! War would be conducted without the science necessary to secure success, and its bitterness and calamities would be unrelieved by the ameliorating circumstances which the improved condition of man has imparted to it. Peace would be joyless, because its train would be unattended by that civilization and refinement which alone can give zest to social and domestic enjoyments; and how shall we protect our rights if we do not comprehend them? And can we comprehend them unless we acquire a knowledge of the past and present condition of things, and practice the habit of enlightened reflection? Cultivation is necessary to the support of our liberties. (See SCHOOL MAN, Page 3.)"

Mary Ann Hubert Honored At Party

Mrs. C. T. Hubert gave a delightful birthday party for little Mary Ann Hubert, on her third birthday. One of the birthday cake were three pink candles, and the room was decorated with pink lights.

WILL LECTURE

The public is invited to hear Mrs. Geraldine Greene of Canyon, shown above, speak on the modern girl from the modern viewpoint Thursday evening at 7:30 o'clock at the First Baptist church.

BUILDERS ARE ENTERTAINED

ABOUT FIFTY PRESENT FOR CLASS EVENT ON FRIDAY

About 50 persons gathered at the First Christian church Friday evening to attend a party by the Builders Sunday school class, taught by John Sturgeon. The class is for young married people.

The gathering was opened with a song, Revive Us Again, after which our readings were given by Robert Gilchrist and Vern Springer's Harmon band entertained with two selections. Games were directed by Mr. Sturgeon, and a short business session, presided over by Mrs. C. W. Stowell, followed.

A novelty number, Musical Romance, was given by Mrs. Stowell and Mrs. Ramon Wilson.

At refreshment time, sandwiches, pickles, coffee, jello and cake were served.

HERE AND THERE

Mrs. Hester Young returned yesterday to her home in Mangum, Okla., after a visit with Mrs. R. S. Lawrence.

Mrs. H. D. Keys, Mrs. F. Evans Leech, and Mrs. A. H. Dowsett returned Friday night from the meeting of the Texas Federation of Women's clubs in Lubbock. They were favorably impressed with the entire convention, and particularly enjoyed the large art exhibit. This exhibit included about 200 paintings of Texas scenes. While in Lubbock Mrs. Keys was a guest of Mrs. Jack Parsons.

The Rev. C. E. Lanaster, pastor of the First Baptist church, has returned from Waco, where he attended the Texas Baptist convention.

H. L. Alford, formerly of the Fair Beauty shop in Amarillo, is operating the Schneider Hotel Beauty shop here. Mr. Alford is known as an expert in his field.

The Pampa Little theater cast which will present Duley, a three-act comedy, here the early part of December will go to Amarillo Wednesday to see another group present the same play. They will be accompanied by other local persons interested in dramatics. Mrs. Helen Turner is coaching the Pampa players.

Miss Mary Burks, former secretary and young people's leader of the Central Baptist church, will return Dec. 1 to resume her duties in that capacity. She has been doing the same type of work in the Baptist church at Quanah.

Frank Robinson, John Pafford, Donnie Reno, and Ed DeMerit were recent visitors in the G. A. Bixler home at Mendota.

Mr. and Mrs. Glen Pool recently visited Mr. and Mrs. P. V. Bryant and family at Canadian.

Mr. and Mrs. H. R. Miller and Mrs. Carrie Pace of Canadian were recent visitors to Pampa.

ABOUT NEW YORK

BY WILLIAM GAINES. NEW YORK—Fable of Manhattan madness, No. 3. He's a young fellow from the west who came here and hoped to make a good connection with a conservative fishing house.

Bearing up under rather heavy responsibilities and emptying, most of the time, to wear the dignity he feels incumbent upon him, he is by nature given to occasional lapses into irresponsible roistering.

The other night he was invited to a dinner celebrating an event of moment in the lives of several patriarchal professional men. Expecting a typical starched-front evening of boring talks, he attended on his good behavior.

To his amazement and later his pain, the elder dignitaries so assembled saw to it that they and he were saturated with the stuff that turns banquets into bacchanals.

Leaving the party when he felt the hilarious mood roaring upon him, he visited a speakeasy in the roaring and roaring Forties, and completely disrupted business there for the evening.

No serious property damage, but enough of scraping, glass shoving and connection to get him tossed outside.

On the street he had encounters with more tough gentlemen who were willing to humor his playful mood to the extent that he renewed an old wrist injury, suffered when he played football at college.

Broadway Spans. Then the driver of a touring cab took him in hand at an early morning hour, but he still was disposed to cavil and cavort.

So he was conveyed to a nest of cab drivers on Broadway below Forty-second street on Broadway and there given a thorough and ungentle, but carefully distributed massage.

The next flash of consciousness he had was at Bellevue hospital, where they were taping his wrist.

"Gee," he said as they wiped the blood off his nose. "I love New York. It's the one place you can explode and have your little fire-cracker noise covered up by the big shots."

Washington Daybook

WASHINGTON—Almost two years ago to the day, a blunt spoken sailorman—Hugh Rodman—stood before a microphone in Washington and over a nation-wide radio hook-up said he was four-square behind President Hoover in the effort to obtain parity for the American navy.

Today that same man has been named by the president as a member of the commission to investigate accusations that he has shown "abysmal ignorance" as to the needs of the navy.

Rodman, who spent 31 years of his active service on the water, and who until his retirement in 1923 seldom was seen out of uniform, mimes no words when he talks about the navy and its needs.

The phrases "malicious cranks" and "misguided pacifists" punctuate his conversation when he starts talking about the navy.

"A second best navy," he says, "is like a second best poker hand. You might as well expect a lame mule to win the Kentucky derby as a country with a second best navy to win a war."

Friend of King George. Admiral Rodman since 1875 has been intimately connected with the sea. It was then that he left the blue grass region of Kentucky to enter the naval academy.

Since that time, up until his retirement, his career was an eventful one. Numbered among his close acquaintances were the rulers and officials of many lands.

While Rodman was serving as commander of the battleship division attached to the British fleet during the world war, he and King George of England became fast friends.

With Gestures. The story is told that on one of the frequent informal visits His Majesty paid to the admiral's flagship the name of the Prince of Wales was mentioned.

Later, when the king was leaving, Rowman gave him a hearty slap on the back and said: "You know, that's a mighty fine lad you have."

The king's face beamed with pride, though he was not accustomed to that form of address. After the incident, verified by members of the admiral's staff who were present, the two became even better friends.

MAN-MADE GIANT MEETS NATURE'S WONDER

PAMPA TOPICS OF OUR CITY

It is our opinion that the United States should stay out of the Sino-Japanese controversy. Reason: if we were an ally either side, how could we tell the two races apart on the battlefield?

Milk by more proration? What will the Guernseys, Jerseys and Holsteins think of that? And pity the poor farmers who will have to worry over such problems as common purchasing, ratable connections in isolated places, and proration of output! This world is getting so complex, and is doing things in such a big way that the average person cannot fit into it smoothly.

But milk is such an important health food that getting the fresh product delivered in big cities is a gigantic problem. Funny Mr. Gandhi thinks that it is a sin to drink milk which belongs to the calves and baby goats. Likewise, we suppose it is sinful to rob the bees, the birds, and the other animals. But, sinful or no, this world is a rough and ready place, where one thing's life is another's death.

Dr. Wilbur, secretary of the interior, said that education is finally approaching a well-rounded program, in which health will be properly stressed. Athletics in a competitive sense can never solve the health problem. Not more than fifty boys, or about one-tenth of the average small high school enrollment, take intensive training in athletics. Student bodies, moreover, need health training and recreational training from the kindergarten to graduation. Health is more than muscle—it involves mental, moral, and physical aspects each operating in harmony with the other. We must work, think, and play harmoniously to be truly healthy, and our defects and weaknesses must be overcome in the modern school program.

But, modern as we are in many things, our troubles in economics are not new. Harper's Weekly on October 10, 1857 carried an editorial on the alarming depression of that year. Here it is, with the same preachments which we are making today:

"It is a gloomy moment in history. Not for many years—not in the lifetime of most men who read this paper—has there been so much grave and deep apprehension; never has the future seemed so incalculable as at this time. In our own country there is universal commercial prostration, and panic and thousands of our poorest fellow citizens are turned out against the approaching winter without employment, and without the prospect of it."

"In France, the political caldron settles and bubbles with uncertainty; Russia hangs as usual, like a cloud dark and silent, upon the horizon of Europe; while all of the energies, resources and influences of the British Empire are sorely tried, and are yet to be tried more sorely, in coping with the vast and deadly Indian insurrection, and with its disturbed relations in China."

"It is a solemn moment, and no man can feel an indifference (which, happily, no man pretends to feel) in the issue of events. Of one, even from despair, no man can see the end. They are, fortunately, as yet mainly commercial, and if we are only to lose money, and by painful poverty to be taught wisdom—the wisdom of honor, of faith, of sympathy and of charity—no man need seriously despair. And yet we are very haste to be rich, which is the occasion of this widespread calamity, has also tended to destroy the moral forces with which we are to resist and subdue the calamity."

"Good friends—let our conduct prove that the call comes to men who have large hearts, however nar-

WHAT OTHER EDITORS THINK

BREAKING FROM THE RANKS. A little levity now and then is relished by most of us. Maybe you have heard this one, and maybe you haven't. Maybe it impressed you as fully humorous.

It is good for Republicans, as the finale apparently is a tribute to that party. It is good now for the Democrats, who are mindful that the national house of representatives is now controlled by them, and equally as mindful that Texas this year will swing from the G. O. P. column back to the Democratic column.

Well, not to lead into something controversial that will do no one good, we go on with the story.

An Arkansas farmer who had raised 17 sons in the fold of the Democratic party, all 17 of them having voted and drank it straight, had become precinct chairman of the Democratic party. His eldest son was running for the office of sheriff of the county.

The aged father was dumfounded when he discovered that the information was being spread that his youngest son, who had moved into Missouri, was voting the Republican ticket. He knew it, but did not know that the public did. It was a family skeleton, being paraded on the eve of the important election. Like a thunderbolt this information was given him by the county chairman of the Democratic party and he realized he was being chided:

"Eph, we have the straight goods on yer son, Bill. Since he got into Missouri he has been votin' the Republican ticket, and we want yer to know that yer son, Jake, has about as much chance bein' elected sheriff of Izzard county as his ornery gang had uv changin' the name of this here grand old state uv Arkansas."

The precinct chairman replied: "Charlie, you all know that I have raised 17 sons that has been faithful to the Democratic party and loyal in every way. Even Bill, as long as he was to home, voted right. And you all know that Bill has always been a little wayward. He didn't start runnin' with that gang until he moved out of Arkansas and started to readin'."—Plainview HERALD.

THE STORY OF TWO BOYS. The same editions of the newspaper that told how a 12-year-old boy in Washington had been sentenced to a life term in prison for murder also told of a year-old boy in Ohio who had just inherited upwards of one and three-quarter million dollars.

In that juxtaposition of two unrelated news items here is a volume of comment on the kind of civilization we have put together on the North American continent.

It is not necessary to go all the way, with the determinists to realize that the chief villain in this Washington tragedy was a bad economic situation. As one of the court officials at this boy's trial remarked:

"His case is typical of the shattered home, diseased mind and poverty."

The youngster, in plain English, never had much of a chance in life. He missed his chance because of various things, but chiefly because the things that might have straightened him out would have cost more money than anyone else was able or cared to spend for him.

So, at 12, he is a murderer and a life-terminer, in Ohio. No one, certainly, will begrudge him his good luck; nor does his fortune make it in the least certain that he will turn out to be a first class citizen. But the terrible impressive thing about it all is the fact that he starts with such an enormous advantage over the other boy. The cards have been stacked somehow. The odds are all in his favor; they were all against the Washington lad, from the moment he drew his first breath of life.

Our society will be kind to the Ohio boy. It will have a good home for him, skillful teachers, a chance to play and grow and develop normally. It will be quick to nourish any divine possibilities he may display.

But for the other boy—a cell in a state penitentiary, for life.

No person, no one group, is at fault. This dreadful contrast—it might rob you of a little sleep if you let yourself think about it—is simply part of American civilization.—Clovis News-Journal.

"Sales Day" Is Described

MAJOR EVENT TRUE SUCCESS

COMMISSIONS PAY ALL EXPENSES OF BUSINESS

(Editor's Note: This is the second of a series of articles on the "Monthly Auction Day" conducted at Miami, Okla., as found by a party of 19 Pampans who observed it last Monday.)

By R. S. BRASHEARS. Extremely noticeable on the road going into Miami were the many trucks and cars headed for Miami, some of them loaded and others empty, the owners apparently going with the expectation of buying.

Following is the story of the Miami Auction Day as told by J. R. Lane, secretary of the chamber of commerce at Miami:

"About 12 years ago Miami realized that her retail trade situation was in an unhealthy condition. It was true that the lead and zinc mining field was a bonanza, but the farm trade and small town trade had been neglected. In addition to having little rural trade, the farmers were antagonistic to Miami, and a very unwholesome condition existed, making the influence of the chamber of commerce null and void. Therefore, the sales day plan, as we know it now, was designed as a remedy for the above situation."

"As could be expected, the first and even the second and third years saw no miracles, because if you know farm folk, you will agree that they all take to a new 'fangled' plan slowly and after some neighbors had been sampled and pronounced it safe and good."

"Mistakes were made, of course. The merchants, who themselves were about as hard to sell the idea to as the farmers, insisted that the auction should be held in the uptown district, thinking thereby to get the farmers into their stores. A half block of ground was purchased and about the time we were beginning to erect a pavilion, adjacent property owners, not liking the noise from squealing pigs and bawling calves, put a stop to 'such foolishness' on the ground that it constituted a 'public nuisance.'"

Association Incorporated. The benefits were beginning to show for themselves and the chamber of commerce determined to succeed with the plan. Against the protest of the merchants the place of sale was moved to the fair grounds where space was ample and the fair buildings afforded facilities. The merchants' objections were overcome when a bus was provided by the chamber of commerce to transport, free of charge, the merchants and their families to the place of sale, and the merchants, who were assisting in the sale, had been added and the sales have grown beyond the hopes that initiated it.

"The sales day is incorporated in order to limit merchants and is now a law. In equipment, labor for conducting the sale is furnished largely by merchants; many of the merchants themselves don overalls and work, believing that the friendly contacts with the customers are valuable."

"Merchants carry ads in the newspaper Thursday before the sale on Monday, advertising certain specials of unusual value, for sales day. The ad collector is able to help the merchants select a variety of merchandise without duplicating 'specials.' While it is not necessary that sellers have to list their offerings before the day of sale, they may tell us what they have to offer and it is advertised free to seller in the sales day edition of the newspaper."

Sale in Two Departments. "We have found it necessary to divide the sale into two departments—namely, livestock, and household goods, including farm machinery. Where a sale has grown to the size of ours, requiring two auctioneers, one sells livestock and the other household goods and miscellaneous articles. The two sales continue simultaneously because the buyers for the two classes of articles easily divide themselves into two crowds."

"By 7:30 a. m. of the day of sale, our workers are on the grounds with their listing books, ready to receive, classify, tag, and receipt the seller for his articles. The listing books are in triplicate, the numbered, of course. Each article is tagged by a number which follows it all through the sale. A copy of the listing is given the seller for his receipt."

"The auction begins about 10:30. In the case of livestock, as each animal is led or driven into the ring, the clerk on a triplicate sales pad, takes the animal's number and description, adds the buyer's name, and the price sold. The animals when sold are replaced where they came from, and when the purchaser has called at the cashier's desk and paid his bill, he receives one copy of the clerk's sale ticket, which, when presented to the barn man, entitles him to receive his purchase."

Collection Is Handled. "In the case of household goods, all items are sold for immediate cash. When the sale is concluded on an article, a collector takes a copy of the clerk's sale ticket and is made necessary because many of the articles are small and therefore easily misplaced or stolen."

"With us, it requires two days after the sale to do the book work and mail checks to the sellers. Sales tickets must be assorted and selling price entered in the listing books, balanced, and commissions deducted. We mail on the average of more than three hundred checks and these checks represent thousands of articles sold."

LADY with a PAST

BY HARRIET HENRY

SYNOPSIS: After the strain of continual failure to be socially successful, Venice finds relief in telling Nolly Spalding the lowly tales of her imaginary popularity. Venice does not genuinely care for society, but she is wired to her attractiveness by her mother, who is a New York social leader. Polarization of the importance of being popular has given Venice a sensitive awareness of inefficiency. Besides the fun of fancying herself brilliantly appealing, Venice is motivated by her Nolly lists in the reflection of Venice's good times, she does not go out herself because of financial reasons and because she is lonely. Venice gives her a glowing picture of the Goadby's party, at which she was actually very unhappy, because of her lack of ease and light charm, she tells Nolly of her conquests and of three men who paid her special attention.

Chapter 6. SPOTLIGHT FANTASY. "AND how did you get, Venice?" "I looked up into their eyes and laughed softly and didn't mean any of the things I said."

"I do love hearing about it. I could do all that sort of thing quite well, really, if it weren't for Pongo."

Pongo was the ill-formed leg. Nolly had a name for everything. Anthony was her favorite chair. Her cane was Jeebel. When she referred to Pongo there was never

A spotlight caught the dancers in a yellow circle.

any path about it. It was as though she spoke of straight hair, fat hands or anything else that was not particularly attractive. She had always had it and actually she didn't seriously mind.

"Tell me more," Nolly went on. "Whom did you have supper with?" "The dark, slim one."

"Did he take you home?" "No, the botanist took me home. He was very clever. We had such an interesting discussion about—about hothouse plants. He's invited me to tea tomorrow."

Venice drew her eyes from their inner visions to look quickly towards the grey square of window with its diagonal streaks of wet. "I've got to go, Nolly, dear. It's dreadful out."

"Must you really, Venice?" "Yes, I'm going to the Lido to-night with Donny Reese."

It was the sort of thing Venice never had an opportunity to do. An evening a deux. She would have liked it better than any real party. She saw herself on one of the red plush seats against the wall. The air was intoxicatingly warm and smoke-laden. The lights were dimmed while Moss and Fontana danced. He lifted her, light as down, then let her sink slowly to the floor again. They did it beautifully. A spotlight beamed them in in a great melting circle of yellow. Suddenly Donny Reese pressed Venice's hand beneath the table. She actually crimsoned.

"Your face is scarlet from the fire."

Venice started. Nolly's voice brought her back to the shabby little sitting-room again. She scrambled to her feet and lent to Nolly a helping hand.

"You'll come soon again, Venice, and tell me more?" "They kissed each other good-bye. 'Of course I will, Nolly.'"

Halling a taxi through the steely grey slant of persistent downpour, Venice felt happy and warmed. She saw all that she had been recounting to Nolly with a latent sense of pleased excitement. She had forgotten her lack in the recital of the homage that she had never had. It was real to her for a little while.

Venice went to Lola Goadby's cocktail party with definite reluctance. She had discovered that

lola rushed to greet her, thrust a cocktail into her hand, and then hurried away to welcome some one else. Venice stood studying the rim of her glass as though it were worthy of microscopic inspection. Then she looked up and let her eyes travel the room. Suddenly she forgot herself standing, there alone, in her puzzled analysis of a girl whom she had never seen before. She was short and dark, rather untidy looking and not particularly well dressed. Almost everything about her was ill-matched, like a jigsaw puzzle whose pieces

don't quite fit. Her black, heavy lidded eyes were evasive, her wild mouth set not quite straight. Her nose in contrast was small and classic. Her legs, in fish net stockings that in no way suited the rest of her costume, were slim and beautifully shaped. Her hat was too far on the back of her head, her skirt too short, but her patent leathers were little and narrow, with intriguingly high heels. Almost every man in the room was attempting to talk to her at the earliest opportunity. Oddly enough, she did not seem to have much to say, and she rarely laughed. There was a persistent sullenness about her.

Venice could not resist staring at her. Where was her attraction? What could be her charm? At least three males determinedly hovered about her, and yet she seemed to employ none of the seductive little tricks that seem to tempt young men to one's side. Never a careless glance on a arm, no long looks into eyes, no abandon or vivacity. On the contrary, she seemed so well contained, indifferent, quiet, almost rude. Her manner of looking away from people when they talked to her was baffling and uncomfortable.

"Here, darling, do you mind passing these? Old William is as slow as a tortoise, and I'm working myself into a fever."

Venice started. She took the plate of olives tritically wrapped in coats of bacon. Lola was holding out to her. I must have looked like a country yokel gazing at the Empire State Building, she thought.

Passing the appetizers to the strange girl, Venice smelled a peculiar perfume similar to musk.

"Thank you," she raised her lids to look at Venice, giving her a smile that turned up the corners of her mouth but left her eyes cold and unloved. They were like black coals in her dark, heavy face. She had strong, short teeth like an animal's, even and white.

Venice involuntarily Lola aside at the first feasible moment.

"Who," she queried in a careful undertone, "is the dark girl all the men are fawning?"

Auxiliary Leader Sounding Call To Nation's Service

Members of the American Legion auxiliary in Pampa were urged to re-enroll for 1932 before Armistice day in a message by Mrs. A. L. Lawson, president of the local auxiliary unit.

"America today stands in great need of the type of patriotic service which the auxiliary is organized to render," Mrs. Lawson stated.

"Enrolling in the auxiliary for 1932 means existing for active service in a struggle for the maintenance of American ideals and institutions."

"These are the most critical days which American democracy has faced since it met the challenge of autocracy on the battle-fields of Europe."

Sister MARY'S KITCHEN

By SISTER MARY NEA-Service Writer. Many home-makers are faced with the problem of determining how much of the family income shall be spent for food.

The amount we spend for food is influenced by many factors. Individual tastes, nutrition requirements, avoidance of waste, economical planning control the food budget as definitely as does the size of our pocketbook.

The ability of the cook also has much to do with the cost of meals. Good cooking is essential if good meals are to be enjoyed, no matter what materials are used.

Clever marketing often makes it possible to provide excellent meals at a low cost. Buying in quantity, buying over a larger amount can be used to advantage in ways that save an economy.

"We charge of commission of 6 per cent on household goods and miscellaneous articles and 3 per cent on livestock. In \$10,000 sale, for example, our commission totals approximately \$300, out of which we pay the auctioneer 1-2 per cent of the gross sale and thus have about \$150 for other expenses. Additional revenues is secured from a hot lunch stand which is also operated by the association. The sale is entirely self-supporting. We charge a commission because the service is worth it. Many communities make a mistake, I believe, in their zeal to help the farmers by giving them something. We have not found it necessary to give anything away. The farmer is willing to pay for value received and sometimes resents our efforts to make him an 'object of charity.' It is poor psychology, to say the least."

"A most important cog in the sales day machinery is the auctioneer. We must enjoy the confidence of both seller and buyer and must be an excellent judge of values."

"You are not surprised, I am sure, to hear me say that I consider sales day the greatest trade extension plan I ever saw."

THE JUNIOR CHAMBER DEFINED

Although relatively new, the Junior chamber of commerce movement is now nationwide and firmly established.

The first Junior chamber of commerce was created in the city of St. Louis in April, 1918. It was the outgrowth of an organization called The Young Men's Progressive Civic Association, organized to provide a medium for the participation of young men in civic affairs. This organization attracted the attention of Clarence H. Howard, who at the time was president of the St. Louis chamber of commerce. As a result of his work and interest, together with that of other influential business men in St. Louis, the young men's association was given the name of St. Louis Junior chamber of commerce.

The movement has grown steadily, until now there are nearly 150 Junior chambers in the country, with others being added every month. In 1920, the United States Junior chamber of commerce was organized to federate the junior chambers everywhere. The Junior chamber idea has been enthusiastically accepted in all southern states and the Middle West. Young men between the ages of 18 and 35 are just as active in their sphere as are members of the adult chambers, who usually are men of experience, wealth, and prestige.

The Junior chamber is necessary because young men, no matter how brilliant, hesitate to argue civic problems with employers, bank presidents, and much older men, even when such discussions are welcomed. In their own organization, they are able to meet on an equal footing. Their activities are, of course, interlocked with the senior organization so there will be no duplication of work.

Pampa's Junior chamber launched its first project in promoting the caravan to Miami, Okla., to watch the 156th monthly Sales Day in progress there. Returning, the members who made the trip, together with farmers who joined the group, will work out plans for a similar project here.

Another committee is planning a pre-Christmas celebration which will stress the spirit of the season, bring people to Pampa, and entertain the children and adults.

Scores of other projects will be studied and executed by committees now being appointed.

OBJECTS OF PAMPA JUNIOR CHAMBER

The Pampa Junior chamber of commerce has been organized with no particular "axes to grind" but with a vision of much that should and will be done.

Purposes of Junior chambers have been defined as follows:

1. To assist the senior chamber in advancing its program of service to the community.
 2. To assume the responsibility of doing collectively things that help the community grow, which the younger citizens of the community are primarily interested in and best equipped to carry out.
 3. To stimulate appreciation of the responsibilities of citizenship and to provide means for its members to develop themselves to carry out such duties.
 4. To develop leadership and to inculcate the highest ideals in our dealings with our fellow men.
 5. To create a high spirit of friendship among our own members and to provide means for their contact with the older citizens of the community.
 6. To establish mediums for its members to learn of the civic, commercial, industrial, educational, and social opportunities for their services the community offers; endeavoring to assist them to think seriously and wisely concerning the best place for the fullest development and expression of their individualities and personalities.
 7. To teach its members how to effectively aid in meeting the needs of the community, the state, and the nation.
 8. To demonstrate the value of cooperation in solving common problems, beginning with its own management which is based upon the belief that its members who voluntarily assume responsibility for the division of the work will gain that dynamic ability which comes only through direct application, and that one learns by doing.
- The Junior chamber will be both definite and flexible in its program. Its activities will be principally commercial, civic and educational, although social aspects—particularly concerning the community—will not be ignored. It will attempt to accomplish what it sets out to, utilizing its large membership and its enthusiasm for the purpose.

Every Pampan Between the Ages of 18 and 35 Is Invited to Become a Member of This Organization
