## Fourth Annual Ranch Day

SNYDER—An article about Borden County history entitled "Head of Tobacco Country" by Mrs. Edna Miller and an article about Tom Love, Borden County's first sheriff by Mrs. G.A. Parks, Jr., are included in a new book published by the Snyder unit of Ranch Headquarters Association. The book is titled "Early Ranching and Water Sources in West Texas" and will go on sale for the first time on Ranch Day, Sept. 30, in Snyder.

The Snyder Ranch Headquarters will be hosting Ranch Day in the Scurry County coliseum for the fourth year. Mrs. Wilson Connell, chairman of Ranch Day activities, has announced that four cash prizes will be given for the booths which best depict activities in the lives of early settlers in the

area. The exhibits will open at 3 p.m. and remain open until 7 p.m., and there is no admission charge.

A historical pageant will be presented at 7:30 p.m. Mrs. Jess Everett wrote the script for the pageant, and Bob Clifton, Snyder radio announcer will serve as narrator. A musical comedy, "Brazos Bill and the Indians," will follow the pageant. The program is being presented by the Snyder Ranch group in cooperation with Western Texas College, and the cast is composed of Snyder residents and students at the college. Tickets for the evening program are \$1.50 for adults and \$1 for students. Tickets and copies of the book may be ordered from G.A. Parks, Jr., at 2706 28th Street in Snyder. Copies of the book will be \$3.50 by mail or \$3 at Ranch Day.

## Borden County Band Wins Competition

BORDEN COUNTY Coyote Band in one of their halftime performances.

The 55 member Borden Co. Coyote Band turned in a superb performance, and walked away with top honors in Class B band competition at the South Plains Fair-Parade of Bands in Lubbock Monday. Class B winners were: 1st-Borden Co., 2nd-Jayton, 3rd-Sundown, and 4th-Wilson. The band received a big trophy and a \$100.00 check for their performance.

Following the parade, band members spent the afternoon at the fairgrounds enjoying the midway and exhibits. Drum Major for the Coyote

Band is Kim Lockhart, Sophomore, at Borden County High School and Band Majorettes are: Sherry Jackson, Sr., Sheila Zant, Jr., Diana McHenry, Jr., and Tricia Jackson, eighth grade.

This was a particularly exciting win for the band. They are working hard and accomplishments such as this win over some of the top bands in West Texas in Class B points out the results of their hours of hard work. Band Director for the Borden County Coyote Band is Mr. Jim Parker.

RICH ANDERSON visits with Secretary of Agriculture, Earl Butz at a recent cattlemen's meeting. Rich, candidate for State Rep., of 132nd District, had speaking engagements at the Lamesa Fair Sept. 15 and 16; Lions Club in Sterling City; the Snyder Fair Sept. 21 and 23; Sept. 20, Kiwanis in Big Spring; Sept. 22, T&SWCR Association directors meeting in Midland; Sept. 26 Rotary in Snyder. Anderson plans to attend Ranch Day in Snyder Sept. 30 and the OS Ranch Roping Benefit at Post on Sept. 30 - Oct. 1.

## Roping and Art Exhibit

Preparations have been under way for months for the upcoming weekend September 30-Oct. 1- at the O.S. Ranch near Post, Texas. The event will feature the top steer ropers in the nation—some 32 professionals have entered to date and will benefit West Texas Boys' Ranch at San Angelo, Texas. Seven of these are world champions in the event and all top five of the 1972 money winners, will be present. This event will be held Sunday, Oct. 1 at 1:30 p.m. in the 300 yard long roping arena on the ranch. On Saturday, Sept. 30, jackpot calf roping, team roping and barrel races are planned for all who wish to enter.

Jim Prather is head of the Garza County Benefit Association, an organization formed by Prather to sponsor the roping. He is over-seeing the restoration of the old historic OS Ranch house— and the upgrading of the ranch road in preparation for this occasion, which promises to be the biggest attraction in Post's 65 year history. The rains have held up the work progress.

Prather said the steer roping winner will receive a saddle, now on exhibit in the First National Bank's lobby, plus a beautiful \$200 silver belt buckle, now being made in California by a silversmith especially for the

## Teacher Of The Month

MR. JIM PARKER

Mr. Jim Parker has been selected as September Teacher of the Month. Mr. Parker is band director and public school music co-ordinator for Borden County Schools.

He was born and raised in Dublin, Texas attending twelve years of public school there and graduating from Dublin High School.

His first two years of college were spent at Tarleton State University in Stephenville, Texas. The last two years he attended Sul Ross University in Alpine. He majored in music education and holds a Bachelor of Music Degree from that college. While at Sul Ross, Mr. Parker was Drum Major and a member of Kappa Kappa Psi (a music fraternity). Also, he was a member of the "Sul Ross Singers" and traveled extensively throughout Texas and into Old Mexico. One of the places the "Sul Ross Singers" entertained was the Brooks Army Medical Burns Center (for Vietnam injured men) and nearly all other Texas military bases. In addition, he was the

baritone soloist with the Symphonic Band at Sul Ross.

This is Mr. Parker's second year as band director at Borden County Schools and can be commended for the fine showings his band has performed. Last year in University Interscholastic League Competition, the Borden County Marching Band received a 1st in the Marching Contest and a 1st in the Division Concert.

Mr. Parker lists his hobbies as tennis, water skiing, reading, fishing, and singing. In addition, he added his pride German Shepherd named Matt.

His wife, Jan, also teaches at Borden County Schools. His mother, Mrs. Mickey Parker resides in Dublin. He has one sister, Mrs. Richard Little, living in Odessa, Texas.

Mr. Parker plans to work toward his Master's Degree in music possibly at Texas Tech University.

Congratulations Mr. Parker on the splendid job you have done in your brief stay in Borden County and being Teacher of the Month.

## Encounter

By JO ANN MARTIN

ENCOUNTER has "blown in" on the Gail FHA Chapter. Every girl that was in FHA last year heard about ENCOUNTER. We were all wondering about this exciting idea that was blowing with the wind in Texas.

This year we found out what this great storm was all about when we stepped into our Home Economics classes. We all learned that ENCOUNTER means just that... "to meet unexpectedly." When you ENCOUNTER, you meet a new you. You find out where you are going and what really counts in your life. It is like taking a good long look at yourself in the mirror.

You do not take ENCOUNTER lightly. You find a new you without realizing it until it is over. The storm of ENCOUNTER blew in lightly last year and stronger this year. ENCOUNTER is here in the Gail Chapter and I hope it is here to stay.

## Boosters Meet

The Borden Booster Club held its regular weekly meeting Tuesday night, September 19 in the Borden Cafeteria at 8:00 p.m. The Borden County Coyote victory over the Dawson Dragons was viewed by video tape and the game with Smyer was discussed.

Plans were made to have a Roping Booth at the Harvest Festival on October 6. Also a radio is to be auctioned off with all proceeds going to the remaining balance of the videotape player.

Another chili supper has been set for the Homecoming November 3. The supper will begin at 5:30 p.m. immediately following the pep rally and will end at 7:00 due to kickoff time at 8:00 p.m. If you missed last years chili supper, better make plans to attend this one as it was delicious besides being for a good cause.

The Boosters are eagerly awaiting the bumper stickers arrival as they are due anyday. When they come, Boosters will be everywhere so have your \$3.00 ready and back the Coyotes.

Remember, the Borden Booster Club meets each Tuesday night at 8:00 p.m. Men and women are welcome so come on out.

## Coyotes Win No. 3

The Borden County Coyotes traveled to Smyer Friday night, September 22, and brought home victory number three. Smyer had a good football team and played the Coyotes a very tough game. The final score was 24-16 in favor of the Coyotes.

Garland Williams scored the first touchdown for the Coyotes on a five yard run up the middle of the Bobcat defense. Randy Hensley ran the 2 point conversion. The Coyotes led 8-0 at the end of the first quarter.

In the second quarter, the Coyotes drove the ball 60 yards to pay dirt with Garland Williams scoring from 8 yards out. Randy Hensley again ran the extra points.

Smyer scored twice in the second quarter. Their first score came on a punt return and their second on a pass. The halftime score was tied at 16-16.

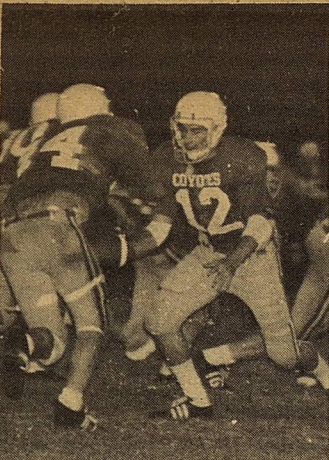

In the third quarter, the Coyotes seemed unable to get their offense going due to fumbles. The Bobcats had two field goal attempts blocked. If the game had ended at this point, the Bobcats would have won on penetrations but the Coyotes came back fighting.

In the fourth quarter, with 4:35 left in the ballgame, Quarterback Randy Crittenden, who had been sick all week with strep

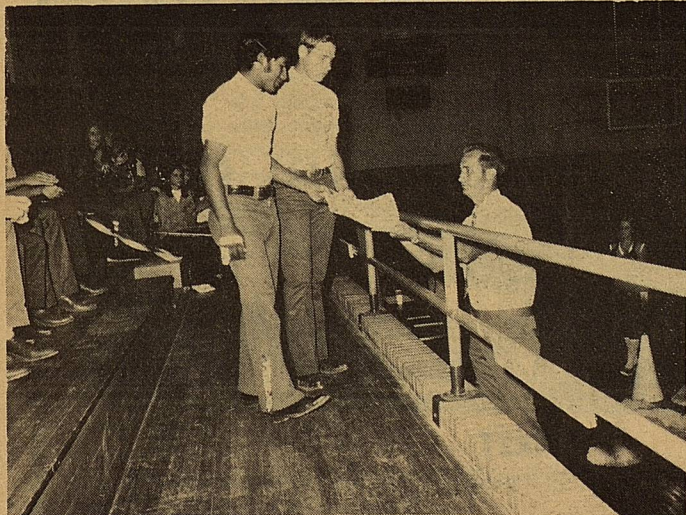

throat, and unable to play throughout the game went in to take charge of the offense. The Coyote drive started at their own 25 yard line and in two minutes had the score up to 24-16, with Randy Hensley scoring the winning touchdown from six yards out. Randy Crittenden ran the extra points.

The Coyote defense was outstanding in stopping the Smyer Bobcats from scoring in the last half with the field position they possessed.

The Borden County Coyotes met the Whitharrell Panthers at home this Friday night at 8 p.m. and will be seeking their fourth straight victory of the 1972 season.

### Singer Entertains

Mr. Tommy Lane entertained at Borden County Schools on Tuesday, September 19, 1972. He is a singing entertainer for supper clubs, television, and has been sent on several good will tours by the government.

The entire program was centered around a patriotic theme with singing and question and answer periods along with his songs.

Some of the songs Mr. Lane entertained with were "Swing Low, Sweet Chariot," "What The World Needs Now Is Love," and "The Impossible Dream."

Mr. Lane emphasized taking pride in our flag and country and also in facing ones problems and conquering them.

**Sculpture Arrives From Italy—Finally!**

POST—One of the guest artists who will be exhibiting at the OS Ranch Sept. 30-Oct. 1 is Harry Jackson, who has his western art "foundry studio" in Camaiore, Italy. He informed the exhibit committee that he was air-freighting his sculpture, valued at \$11,000 to Post, via Lubbock, from Italy. Mayor Giles McCrary, who is in charge of receiving the art works, began doing just that on Tuesday afternoon.

McCrary called Braniff Airlines, which were to have flown the works into Lubbock. They had no information on the sculpture. McCrary then called the firm of custom brokers in New York City who were to receive the art from an Italian airline, pass it through U.S. customs and ship it to Lubbock via Braniff.

The man in the New York firm whose business it was to handle such items was on vacation, he was told. The firm first said it had cleared the art Monday but when Braniff couldn't find it, denied they had received it. So McCrary cabled Italy and began his search for the artist to inform him of the bad luck.

It seems Jackson had left Italy and returned to the United States in August. Since he had formerly lived in Meeteetse, Wyoming, McCrary called there and found to his surprise that there was no Jackson listed - in fact, the town didn't even have a Chamber of Commerce - so he called the police station. The woman in the office said she couldn't be of much help because she had just returned to the job after being confined to the hospital and continued to tell McCrary of her injuries. She

finally did leave the phone to go out into the street, talked to the town marshal and reported that Jackson had stayed at the ranch in the past, but the ranch was out of the marshal's territory and he couldn't help.

McCrary did prevail upon her to have the marshal drive out with a message for Jackson.

Next morning, Jackson called McCrary from Cody, Wyo. He related how his neighbors had phoned the message on to him. Jackson reported the New York custom brokers finally told him they had cleared his art and shipped it on last Friday. So another check was made on every airline coming into Lubbock.

Now we come to the funny ending!

All the while McCrary was trying to locate the lost sculpture Tuesday afternoon, the Railway Air Express line had been given the art in Lubbock and brought it to Post. No one was at the Express station in Post except the watch dogs, they reported, so they carried it on to Sweetwater and then returned it to Lubbock. "We don't stop when the man isn't around the station - just drive right on through!" McCrary was told.

There is no doubt that McCrary will be glad when all the art treasures for the show in Post are delivered to the OS Ranch. Now all he has to worry about is getting each of the works delivered to the buyers after the show! Then he can have his nervous breakdown!

**Sands Loses**

The Sands Mustangs were beaten on home field Friday night by Ropesville 22-6. It was the first victory for the Ropes Eagles this season. The Eagles tallied eight points in the second and fourth quarters and six in the third.

The lone Sands score came on a 55 yard run by Frosty Floyd in the second period. Sands now stands 0-2.

**Fluvanna Wins**

FLUVANNA—The Fluvanna Buffalos following a precedent set in Scurry County Friday night downed the Divide Trojans 53-14.

Quarterback Richard Gill guided the Buffs quarter by quarter to an almost flawless high scoring victory. That flaw came in the fourth quarter, when Divide nailed Fluvanna for a safety.

Leading ground gainer Larry White (103 yds) put the Buffs on the scoreboard first with a 14 yard run. John Milano followed through with the P.A.T. and the Buffs were on their way.

Gill, with a sizzling throwing arm, passed 14 yards to Chuck Jones for another six points. The P.A.T. was blocked.

In the second quarter, again it was Gill to Jones for another six-points this time covering 35 yards. Halfback Larry White covered 36 yards for another T.D.

The Trojans found their way to the end zone, courtesy of Juan Chavez, who toted the ball 35 yards.

The second half began with the Buffs well ahead at 28-6. Gill sighted in on the Trojans, passing to Steve Stansell for 31 yards and a tally. J.W. White ran for 31 and a score, with Gill coming back to J.W. White for the long bomb and another score. The pass covered 53 yards.

Divide made another T.D. in the third, with Chavez going over from the one.

In the fourth quarter, Divide got a safety on the Buffs, but gave an arm for a tooth, when Larry White ran 33 yards for another Fluvanna score.

Adding up the figures for Fluvanna's first win of the season, Richard Gill passed for a whopping 182 yards and Larry White had covered 103 yards on the ground.

**Injured**

K.T. Reddell is back at his station after an injury to his thumb on Friday afternoon. He smashed his thumb with a sledge hammer while fixing a truck tire. The thumb is borken in four places and the nail had to be sewn back.

**TS&CRA  
Quarterly Meeting**

MIDLAND—Bill Donnell of Marathon, Texas & Southwestern Cattle Raisers Association President called for directors and members to contact their senators and representatives in government, on both the state and national levels to help solve problems which affect the cattle industry.

"The association has more to do now, because government keeps getting bigger and bigger and more controls are being imposed every day. We have not only had import battles, but we are now faced with tougher and tougher problems in the areas of agricultural chemicals, 'consumerism', pollution control, taxation, economic prolonging and a growing torrent of proposed government regulations that could inundate us," reported Donnell before some 200 members meeting in Midland this past week.

Donnell continued, "DES has been banned and implants are in jeopardy, so if the cost of feeding goes up as the experts say it will, it will be without the incurred cost of production passed forward in our industry."

"Therefore, if fat cattle prices remains the same, it behooves us to study the thing very carefully before we put any cattle on feed," he emphasized. Donnell said the ban on DES was the result of the DeLaney Amendment which allows zero tolerance in meat, and it is up to members of the cattle industry to try to get the amendment changed.

Members were urged to work diligently to carry out the TSCRA program - especially in getting the message across to the public. Reports were given on scabies, fever tick, and brucellosis problems. John Armstrong of Kingsville reported that he had met with USDA Secretary Earl Butz to discuss foreign livestock diseases. Commenting on the present screwworm problem, he

said, it is "not a lost cause by any means. Its just a matter of getting through the winter." Other reports were given by the legislative chairman in relation to the alien work laws, minimum wages, DES, implants, water pollution, interstate livestock movement, feed grain sales. A special program was given by State Rep. Joe Hubinak of Rosenberg, who is chairman on the special fire ant committee of the Texas Legislature. He told the group that 56 Texas counties are now infested with the dangerous ants, which first came to the U.S. in 1918. "If we don't stop them, they will go to California,

Pennsylvania and other states," he said. He related that Sen. Lloyd Bentsen and Sen. John Tower have helped on the fire ant legislation, as have Sen. Pete Snelson of Midland and others on the state level. He reported that Dr. John Thomas of Texas A&M University had conducted a research program on fire ants and found that Myrex, manufactured by Allied Chemical Co. of Mississippi is the only chemical which will control the ants. In addition to the damage the ants are doing to pastures, forests, livestock and persons, they were also found to have eaten cable insulation on underground installations of the General Telephone Co. and

Southwestern Bell Telephone Co.

"The environmental people have tried to prevent the use of Myrex, because they don't understand the danger of the fire ants to the rural areas," he declared, adding that the cattlemen must work with legislators to help pass legislation which will help the rural people, since they are now outnumbered in government. There are now 11,979 members of the Texas and Southwestern Cattle Raisers Association.

Roy and Sylvia Prescott visited relatives in Sand Springs and Forsan over the weekend.

*Here's  
Dottings*

The week of September 17 through 23 is designated each year as Constitution Week. It is that week we are urged to pause and reflect upon "the most wonderful work ever struck off at a given time by the brain and purpose of man." This "piece" will be read a week late but maybe inadvertently hit upon a good idea. Maybe it is time to review, study and reclaim the Constitution each and every week for awhile. We would soon discover what a masterful document it was and how weakened it has become through interpretation.

Our Constitution was written to be a proclamation against oppressive unlimited government. The writing of the Bill of Rights assured the adoption of the entire document. The Bill of Rights and particularly the tenth article, spelled out the powers, limits, and boundaries of the Constitution and the government therein described. The tenth article says, "The powers not delegated to the United States by the Constitution, nor prohibited by it to the states, are reserved to the states respectively, or to the people." This article thereby assured the governed that the federal government would never become one of unlimited power.

But of how we have let this magnificent guideline be turned into a fearful master. This transition toward limitless government has been accomplished not only by the apathy and naivete of the voter, but by our presidents, our Congress and most certainly by our Supreme Court.

Certainly the government should be strong in the areas relegated to it by the Constitution - national defense being uppermost in priority. But a power mad nation has usurped the original intent of the Constitution and moved into the areas of agriculture, education, and housing and welfare. In this rush for power, the desires and intentions of the states have been ignored - even sneered at. Very seldom do we now express the desires of the people through the proper process of amendment. We have become victims of the interpretations of a nine man court. This does not have to be. Congress has the power authorized by the Constitution to "curtail the appellate powers of the Court by limiting its jurisdiction to the fundamental areas of review specified in the Constitution."

Yes, each week should be Constitution Week. Let us make ourselves aware of the Divinely inspired document which can so easily become a yoke. Heed once again Woodrow Wilson's admonition, "The history of liberty is the history of limitations of government power, not the increase of it."

THE STATE OF TEXAS  
COUNTY OF BORDEN

BE IT REMEMBERED:

WHEREAS On the 8th day of September, A.D. 1972, the Commissioners' Court of Borden County, Texas convened in Regular Session at the regular meeting place thereof in the Courthouse at Gail, Texas, the following members of the Court being present and participating, to-wit: HON. GLENN TOOMBS—County Judge, Presiding.

C A R L M c K E E —  
Commissioner, Precinct No. 2.  
M. EDDIE SIMER—  
Commissioner, Precinct No. 3.  
D O N A. J O N E S—

Commissioner, Precinct No. 4.  
D O R I S T. R U D D—County  
Clerk and Ex-Officio Clerk of  
the Commissioners' Court.

and Commissioner Hubert  
Walker, Precinct No. 1, absent,  
constituting a quorum, when the  
following proceedings were had,  
to-wit:

Due to the Commissioners' Court receiving an invitation from the Governor of the State of Texas to attend the Governor's Conference in San Antonio, on September 10, 11, and 12, the regular Commissioners' Court Meeting date was changed from the 11th of September to the 8th of September, 1972.

The minutes dated August 20th, 1972, and those of a special meeting August 31st, 1972 were read. A motion was made by Commissioner Don A. Jones to approve said minutes as read, motion was seconded by Commissioner M. Eddie Simer.

Voting For: Commissioners Simer, Jones, and McKee.

Voting Against: None

Absent: Commissioner Walker.

A report from Mr. Kenneth C. Lauderdale, Director of Division of Vector Control, Texas Department of Health was read:

Mrs. Opal Evans, Rickey Evans, Leo Beaver, James Beaver and R.B. Wills appeared before the Court concerning Right of Way across their property in Precinct No. 4. Commissioner Jones explained the problems concerning the Right of Way and asked the other Commissioners to make recommendations on said desired Right of Way. Mr. Leo Beaver stated he did not want to oppose anything that would be a benefit to the County, but stated each time the Commissioner changed, additional changes and Right of Way were requested.

Mr. R.B. Wills requested either a new fence be built or the old fence moved back, across East side of Right of Way, comparable to the one built for Joe Landrum and the County build and maintain a fire guard from his house to the lake and he would give the requested Right of Way. Judge Toombs asked if the County decided to move old fence back with no additional cost to County would it be agreeable, Mr. Wills stated that it would.

Commissioner Don A. Jones made a motion that R.B. Wills fence be set back as per survey, in as good a condition as it is now in, with no agreement for a mandatory fire guard. Motion seconded by Commissioner Simer.

Voting For: Commissioners Jones, McKee and Simer

Voting Against: None

Absent: Commissioner Walker.

Rickey Evans stated he believed 45 feet Right of Way was all that was needed, and in his opinion farm land was more valuable than pasture land. He stated he had no fence to construct, however, he had measured from Survey Stakes and there is a strip of land 16 feet wide and one half mile long of farm land under actual cultivation.

Commissioner Don A. Jones stated the survey had not included 42 feet of land where water well is located and that he had offered \$350.00 for Right of

Way. Mr. Evans valued the land at \$500.00 per acre. Commissioner Jones called attention that no fence was involved. Commissioner Simer stated he could not vote for giving Mr. Evans more money for Right of Way than the others were paid for Right of Way and if Mr. Evans did not agree today he would vote to condemn and take the said Right of Way. Mr. Evans stated he would agree to give Right of Way if County would build a fence or \$500.00, Commissioners preferred to build the fence.

Judge Toombs asked the County Advisor to explain what a condemnation case would involve, said procedure was explained. Judge Toombs stated a condemnation suit would be filed in no agreement reached today. Mr. Evans stated he would meet the Court half way rather than go to Court. Commissioner M. Eddie Simer made a motion to pay at the rate of \$700.00 per mile, the existing policy, to Mr. Evans for Right of Way as surveyors report on Right of Way Deed. Commissioner Carl McKee seconded the motion.

Voting For: Commissioners Simer, Jones and McKee with Commissioner Walker absent.

Mr. Leo Beaver stated he would give the requested Right of Way if the County would build a fence, as straight as practical and as good as existing fence. Mr. James Beaver asked if the Commissioners knew the type and condition of existing fence.

Commissioner Don A. Jones made a motion to accept Right of Way from Roy Reeder at \$175.00 as per minimum set by Court, motion seconded by Commissioner M. Eddie Simer and motion carried.

Commissioner Don A. Jones made a motion that the County spend \$350.00 on fence located on the property of Joe Landrum in exchange for Right of Way Deed on said property. Motion seconded by Commissioner Carl McKee and motion carried.

A motion made by Commissioner Don A. Jones to pay current accounts in the amount of \$13,843.99 plus \$3,838.98 transferred from Farm to Market Fund, divided equally to Precincts No. 1, No. 2, No. 3 and No. 4 funds.

Mr. James E. Smith and Mr.

Murvin Swinney appeared before the Court concerning the road through the Orson Estate and Marley Section. Commissioner Don A. Jones suggested a new road 1½ miles long. Mr. Swinney preferred the old road be repaired. Judge Toombs asked Mr. Smith if he was prepared to sell the County Right of Way for new road, Mr. Smith said that he was. Commissioner Don A. Jones made a motion that the County acquire 80 feet Right of Way Easement across North Side of Section 1, Block 33, T-5-N, T&P and build a new road to the Swinney residence, to be an open road, and the County build a fence comparable to the existing fence. Motion seconded by Commissioner Carl McKee.

Voting For: Commissioners McKee, Jones and Simer.

Voting Against: None

Absent: Commissioner Walker

Commissioner Carl McKee made a motion to approve the budget for 1973, motion seconded by Commissioner M. Eddie Simer.

Voting For: Commissioners Simer, McKee and Jones with Commissioner Walker absent.

At the request of Leo Beaver, the Court went to Mr. Beaver's place to inspect Right of Way and damages that would be caused by Additional Right of Way. Commissioner Don A. Jones made a motion that the Court accept 2½ mile Right of Way from Leo Beaver at \$700.00 per mile for Right of Way Deed. Motion seconded by Commissioner Carl McKee.

Voting For: Commissioners McKee, Jones and Simer. (Commissioner Walker absent.)

After an on sight inspection, a motion was made by Commissioner M. Eddie Simer that Leo Beaver be paid additional \$750.00 for damages on relocation of corrals in Section 369; corners for 6 cross fences in new road and addition Right of Way on caliche and rock hills, whereby County would need additional acreage to maintain drainage and water flow and an additional \$250.00 be paid Joe Landrum for relocation of corrals and pens in Right of Way on Section 466, Block 97, H&TC. Motion seconded by Commissioner Carl McKee.

Voting For: Commissioners Simer and McKee and Judge Toombs.

Voting Against: Commissioner Jones

Absent: Commissioner Walker.

A motion was made by Commissioner Don A. Jones that Borden County accept Right of Way Deed 60 feet in width across Section 86, Block 25, H&TC from Eddie Simer with no cost to Borden County. Motion seconded by Commissioner Carl McKee.

Voting For: Commissioners Jones and McKee and Judge Toombs

Abstaining: Commissioner Simer

Absent: Commissioner Walker.

A motion was made by Commissioner Don A. Jones that the Court instruct the County Judge to draw up Right of Way Deeds 60 feet wide across Section 162, Block 25, H&TC, Wicker Estate and Section 161, Block 25, H&TC, across Dewey Everett, with 30 feet off of Wicker Estate and 30 feet off of Dewey Everett's property for construction of a road to the Durham Cemetery, and mail said Right of Way Deeds to Wicker Estate and Mr. Everett for signature. Motion seconded by Commissioner Carl McKee.

Voting For: Commissioners Simer, Jones and McKee with Commissioner Walker absent.

Commissioner Carl McKee made a motion that due to letter from Health Department the Court give County Judge authority to hire someone to help Ed Rinehart with mowing on the town site. Motion seconded by Commissioner Don A. Jones.

Voting For: Commissioners Simer, Jones and McKee with Commissioner Walker absent.

A motion was made by Commissioner Don A. Jones to adjourn, motion seconded by Commissioner M. Eddie Simer and approved unanimously.

Appointment of James (Randy) Mosley as instructor in electromechanical technology for Western Texas College has been announced by Gene Robertson, director, Occupational-Technical Education for the college.

Mosley attended Eastern Oklahoma A&M Junior College, East Central Oklahoma State College and Oklahoma State University, where he was awarded a bachelor of science degree in May, 1971. Prior to accepting the position at WTC, Mosley was employed as field engineer with Halliburton Services in Snyder.

He is a member of Society of Petroleum Engineers and American Institute of Mechanical Engineers. He has done extensive work with Little League.

Mosley, married, with one child, resides at Route 1, Box 377B, Snyder. He is a member of the Baptist church.

Mrs. Sylvia Diggs has been added to the faculty of Western Texas College as LVN instructor, according to Gene Robertson, director of Occupational-Technical Education for the college.

Mrs. Diggs received a Graduate Nursing degree in 1962 from Evangelical Deaconess Hospital School of Nursing in Wisconsin and, after passing State Board examinations, became a Registered Nurse in December 1962. Prior to moving to Snyder, Mrs. Diggs was attending Cooke County Junior College in Gainesville, where she was majoring in Nursing Education, and minoring in Psychology.

She worked as staff nurse, St. Agnes Hospital in Wisconsin; charge nurse, obstetrics, Ardmore Memorial Hospital, and head nurse and instructor of in-service education at Ardmore Seventh Day Adventist Hospital in Oklahoma; head nurse, Gainesville Memorial Hospital, and head nurse and assistant instructor, Gainesville Memorial Hospital School of Nursing.

Mrs. Diggs has expressed a deep interest and satisfaction in working with LVN students and in "molding each student's mind and heart into the particular kind of nurse only she had the potential to become."

Mrs. Diggs is married and has three children, ages 8, 7, and 3. Her husband, James J. Diggs, is employed as "A" mechanic with Chevron Oil Company. They reside at 3710 Avondale.

E. Welsh, of Yoakum, a relative of Opal Williams, has been a recent visitor in the J.E. Sorrells' home.

Charles, Marcia, Robbie and Stan Lewis of Lubbock visited his mother, Mrs. E.S. Lewis and sister, Margie Cleavenger in Forsan. While there he started putting shingles on Margie's house, which was finished by several neighbors.

Mr. and Mrs. Mike Wilcox, Mikeana, Zackery, and Mindy visited Thursday night with Mrs. Sid Reeder.

Mr. and Mrs. Olen Horn spent Sunday with his sister, Mrs. Emma Robinson in the Baptist Geriatric Hospital, San Angelo, and attended church in the Chapel.

Margie Cleavenger of Forsan and Brenda Rawls and daughter, Kerry, visited Sherry Newcomb in Odessa.

Mr. and Mrs. Don Bryant and family of Odessa; Mr. and Mrs. Dave Glaze and family of Ft. Worth; and Mrs. Jeanie Edwards of Houston are with their mother, Mrs. Neiman McMichael and attended their father's funeral.

Gay Sealy has been on the go again, visiting her son, Joe, in Andrews, and another son, Billy and family in Snyder.

Mrs. Denzil Poston is back home after undergoing tests in the Post hospital for several days.

Sunday visitors in the Joe Gilmore home were Bob and Nelda Traylor and children and Gertrude Rodricks of Big Spring. They also visited Vivian and Pauline Clark near Gail.

Janie Willard and her son, Jeff, of Borger, Texas, spent the weekend with her brother and his family, the Don Joneses.

David Walker is attending West Texas State U. at Canyon.

Pamela Wilson is attending Tarleton State at Stephenville.

Mr. and Mrs. Dennis Yadon are attending Sul Ross University at Alpine.

Mrs. Norval Cunningham visited in Lubbock over the week-end. She attended a birthday celebration for her mother, Mrs. Margaret Davis, who was 82 years of age.

Also attending the celebration for Mrs. Davis was her son and wife, Mr. and Mrs. J.B. Davis, Lubbock; Daughters, Mrs. Joe Stewart of Lubbock, Mrs. Guy Harrison, Fort Worth, Mrs. Edwin Townsend, Spring Lake and a number of grandchildren and great-grandchildren.

The celebration was held in the home of Mr. and Mrs. W.E. Rankin, a son.

Mrs. Guy Harrison of Fort Worth was a recent visitor in the home of her sister, Mrs. Norval Cunningham of Gail.

Mrs. Margaret Davis is visiting with her daughter and husband Mr. and Mrs. Norval Cunningham, Gail.

Mrs. Bill Drum of Faith, South Dakota visited this week with Mrs. Sid Reeder and Mr. and Mrs. Norman Sneed.

Guests in the home of Eunice and Rusty Yadon over the weekend were: their son, Ted and the Sid Martins, parents of Eunice. Sid was celebrating his 75th birthday.

Mr. and Mrs. Jack Drake returned Saturday from a vacation in Colorado, where they were fishing.

Mr. and Mrs. Joe James and daughters visited Saturday with their daughter and her husband in San Angelo.

Mr. and Mrs. Wright Huddleston spent Tuesday and Wednesday nights in the A.E. Davis home near Brownwood.

Mrs. E.S. Lewis of Forsan spent a few days with her daughter and son-in-law, Sylvia and Leroy Prescott in Junction.

Big Spring Art

An exhibit by the Big Spring pioneer cowboy artist, H. Wallace Caylor, is scheduled to open at 1 p.m. Sunday, October 1 at the Heritage Museum Big Spring.

Caylor is a native of Indiana and is a self-taught artist who followed the advice of Fredric Remington, to whom he went for lessons, to "go to nature" for his examples.

Caylor toured through the Rockies, went to the West Coast, but eventually found the area that most intrigued him here in the Plains and rugged country of West Texas. Earlier he had worked as a cowboy and at intervals ranched near Big Spring, and his love for the open range and its human and animal characters was captured on canvas with realism and feeling.

Despite a deep modesty and refusal to push his paintings, he was widely recognized by his peers prior to his death in 1932.

## Young Farmers Week

September 18-24 was officially designated as Young Farmer Week in Texas by proclamation of Governor Preston Smith. The proclamation, signed recently, gives additional recognition to this rapidly growing farm group. The Young Farmer Association is sponsored under the auspices of vocational agriculture departments in high schools across Texas and the Texas Education Agency.

Over 250 Young Farmer chapters have been organized on a local school district or county wide basis to carry out educational activities which will help the members keep abreast of the technological advancements in the field of agriculture and to develop greater skill and efficiency in management, production, and marketing. Governor Smith pointed out in the proclamation that the Young Farmers incorporate in their planned chapter programs civic and community service projects and leadership activities that are designed to improve their communities, State and Nation and to promote the welfare of all citizens. He further points out that through these efforts they are helping to strengthen the economy of our country and are

## Museum Visitors

Some of the visitors in the Museum Sunday were: Mrs. Nonnie (Kelley) Lud, whose father, Sam Kelley, was sheriff of Borden County in 1899-1900. Mr. and Mrs. Jim Calhoun of Fort Worth. Jim is President of the National Cutting Horse Association.

Mr. and Mrs. Tom B. Saunders of Fort Worth. Tom came to Borden County in 1923 and worked on the OB ranch for Andy Long. Mr. Stewart was foreman of the ranch and a few of the cowboys working on the ranch at that time were: Horace Benson, Billy Bivins, and Riley White. Mr. Saunder's father, Tom B. Saunders II was the first dealer in cattle at the Fort Worth stock yards in 1902. The late Frank Birmingham worked for Saunders and later moved to Borden County and became the foreman on the OB Ranch.

Mr. and Mrs. Adolph Telchik and Mrs. J.M. Turner of the Plains Community.

Burford Weems of Eastland, Texas. He formerly worked for Clyde Miller. Mr. and Mrs. Alvis Jackson. Mr. Jackson is coach and history teacher in Stanton and is a relative of the Ralph Martins of the Plains Community.

promoting good citizenship. It was also pointed out that as the organization continues to grow, it will play an increasingly important role in the life of rural America.

Billy Russ, president of the O'Donnell Young Farmer Chapter and Ronnie Goode, president of the Welch Young Farmer Chapter, have both reported that their organization will be celebrating Young Farmer Week and invite all interested persons to attend their next meetings, both scheduled for October 2.

The Steak House in Snyder was the scene of the Fluvanna Young Farmers' Annual Award's Night, held Saturday, September 23. Twelve couples gathered to enjoy the food and fellowship. Burl Belew was awarded the trophy for outstanding associate member, while Royce Summers was honored as past president. Jeff Martin was praised for doing a fine job as Treasurer, and a plaque was given to James Chapman, making him an honorary member.

Heading the chapter for the coming year will be Clinton Gregory. Advisor to the group is J.W. Schlee, agriculture teacher at the Fluvanna School.

## The Washington Scene

WASHINGTON, D.C.—Congressman Omar Burleson announces approval of a \$120,414 grant by the Economic Development Administration, to help demonstrate methods of eradicating diseases threatening the production of cattle in Texas.

Funds from EDA will go to the State of Texas for a one-year program. State officials have reported cases of screwworm, tick fever and scabies increased during 1972, resulting in a Federal quarantine on cattle from several Texas counties and threatening the entire cattle production in the State.

Through the Texas State Animal Health Commission and the Southwest Animal Health Research Foundation at Mission, Texas, the State plans to pinpoint the extent of the parasites within counties and to demonstrate on-the-spot eradication measures.

The funds will allow the State to hire additional animal health inspectors to conduct the program.

Cattle now in production in Texas have been valued at about \$2 billion. Without treatment, the cases of screwworm and tick fever infestations during the last year would have resulted in a direct loss estimated in excess of \$32 million.

The State of Texas will add \$131,742 in other funds to meet the \$252,156 total cost of the demonstration program.

Officials of EDA have pledged to continue to work with local and State officials to help assure the maximum benefit of this program for residents of Texas.

## Post Homecoming

### Post Homecoming

Post High School will have its annual homecoming on November 10 and will honor the graduating class of 1957. Invitations are being prepared and an all out effort is being put forth in locating all graduates of the class of 1957.

 O.S. Ranch Steer Roping—besides the biggest cut of the \$15,000 jackpot.

The Saturday events will begin at 10 a.m. with the calf roping first and probably will last until about 6 p.m. There will be belt buckles for winners in each of these events.

Admission for the weekend of roping and the art exhibit will be \$3 per person at the "cattle guard" entrance to the ranch, with the one ticket good for both days. The art exhibit will be held both days with 30 of the finest cowboy and western artists entering over 100 pieces of art. Over 300 collectors from all over the west who have received written invitations to the exhibit and art sale, have indicated they will attend. Over 20 of the 30 artists who will offer paintings, drawings, and sculpture for sale are planning to come to Post for the event.

A beef barbecue will be served at the ranch both days at \$2 per person. Twenty four boys from West Texas Boys Ranch at San Angelo will come to Post for the event.

Prather reported that only one withdrawal and one "doubtful starter" from last year's field. Toots Mansfield of Big Spring may have to undergo surgery and Shoat Webster of Lenapah, Okla. has had to pull out.

An open air dance on the big Post Stampede slab is planned for Saturday night Sept. 30 with Johnny Bush and the Bandaleros providing the music. Admission will be \$4 per person.
