

**JUNIOR LIVESTOCK SHOW AWARDS** — More awards were received here this week end for the 8th Annual Junior Livestock Show and sale here Feb. 4 and 5. The show is being sponsored by the Top of Texas Hereford Breeders Assn. Holding the first-place award, left to right, are Quentin Williams, superintendent of vocational agriculture judging contest, and Paul Wayne, vocational agriculture teacher at the high school. Second and third place awards are shown in the background.

# Nation-Wide Political Poll Shows Taft Ahead; Ike Second

By BELMAN MORRIS  
NEW YORK (AP) — A nationwide political survey indicated today Sen. Robert A. Taft has been promised more than half the necessary delegate votes to win the Republican nomination for President. But supporters of Gen. Dwight D. Eisenhower are pressing him hard.

The survey, conducted by all Associated Press bureaus, brought reports from each of the 48 states. It indicated 12 states are virtually solid for Sen. Taft. Assuming the dozen gave him all their convention votes, he would have a total of 312. It will require 603 to win the GOP nomination at Chicago in July.

Gen. Eisenhower appeared to be the popular choice in six states, with a total convention vote of 210. However, a number of large states are still unknown quantities, so far as the decisive of even promised convention balloting is concerned. California's 70 votes, at this point, are all fastened to Gov. Earl Warren's standard.

Both Sheltan and Davis are regularly attached to the high speed minesweeper, USS Doyle, which has been operating in the Korean area since the early days of the conflict.

The pre-convention battle begins Feb. 11 when Oklahoma Republicans meet to select delegates. The New Hampshire primary follows March 11, and the great majority of primary conventions will be held in April and May.

Following are AP Bureau reports from other key states: bracketed figures show the convention votes; Alabama (14). Taft's backers already claim 10 delegates.

Arkansas (11). Taft has the support of national committeeman Wallace Townsend and national committeewoman Mrs. A. Remmel, but there has been no organized activity for any candidate. The state convention meets April 25.

Colorado (18). Supporters of Taft, Eisenhower and Stassen are expected to enter; slates at the state convention, in May. Gov. Theoton has indicated he favors Eisenhower and U. S. Sen. Eugene Millikin is for Taft. Other state leaders have refrained from formal commitments.

Connecticut (22). Gov. John Lodge and other GOP heads officially are uncommitted. However, Mansfield D. Sprague, speaker of the state House of Representatives, recently was named chairman of the Eisenhower forces. Sprague has close connections with the state GOP organization, and his appointment has been regarded as a forerunner of official party support for the general.

Illinois (60). All the top Illinois Republicans are endorsing Taft. Indiana (32). Some 60 state leaders, including officials and legislators, have endorsed Taft. More than half the districts have been organized for Taft by his Indianapolis headquarters.

Iowa (26). Taft's supporters are claiming Iowa for him. However, Gov. William S. Beardsley has announced for Eisenhower.

Kansas (22). Both Eisenhower and Taft have supporters in the General's home state. U. S. Sen. Frank Carlson, Congressman Clifford Hope, and National Committeeman Harry Darby are for "Ike." However, U. S. Sen. Andrew F. Schoepel favors Taft.

Louisiana (15). The national committeeman, John E. Jackson, and national committeewoman, Mrs. Julia Grimmet Fortson, are backing Taft. But the president of the Louisiana Republican club, John M. Wisdom, is leading the Eisenhower movement. They disagree about the popularity of the two men. Jackson said "on the basis of today's market, I believe Sen. Taft would have all 15 delegates." Wisdom predicted at least half of the delegates would go for Eisenhower. Neither candidate has headquarters yet. The selection of delegates will take place some time within the next 60 days.

Leading Republican names have already lined up in both the Taft and Eisenhower camps. Minnesota (25). This appears to be Stassen's strongest area. Headquarters have been opened for him and a county-by-county organization is under way.

Mississippi (4). There has been no activity in behalf of any GOP candidate. Missouri (26). Here is another scene of a three-way battle among Taft, Eisenhower and Stassen. A Democrat, ex-Gov. Lloyd Stark, recently said he would support Eisenhower if "Ike" wins the GOP nomination.

MacArthur's admirers say they will enter his name. Tennessee (20). Party regulars who control the state organization are almost solidly for Taft. Some have publicly endorsed him. One delegate selected in a district convention has been instructed for the senator. Eisenhower has some popular support, and two separate organizations are working for him. They expect only "a very few" delegates to be for the general. The state

convention is April 2, but a majority of delegates are picked in district meetings beforehand. Wisconsin (36). This is one of the key states in the national battle for convention delegates. Both Taft and Stassen have headquarters in the state. Taft's headquarters are in the state capital, Madison. Eisenhower's headquarters are in the state capital, Madison. Stassen's headquarters are in the state capital, Madison.

Washington (24). Although no top state leaders have committed themselves, backers of both Taft and Eisenhower claim a majority of party support.

Texas (38). National committeeman Henry Zweifel is urging an uncommitted delegation but has personally declared himself for Taft. The Eisenhower movement is headed by Jack Porter, a Houston oil man. He recently toured the state with Sen. Duff, Pennsylvanian, to line up support for "Ike." The state chairman, Orville Bullington, favors an uncommitted delegation. May 27 are Loyal Eddy, former chairman of the state young Republicans. The primary will be held April 1, and delegates entered in between will have committed themselves, backers of both Taft to him.

## Stars and Stripes

WHEELER — (Special) — Among recent honor graduates from the Air Force Technical Training school, Chanute Air Force base, Rantoul, Ill., was a Pfc. Billy H. Erwin. He is the son of Mr. and Mrs. W. L. Erwin of Wheeler.

## Dogs Attack Deer

NEW GLASCOV, N. S. — (AP) — Loud barking of dogs brought Stanley Porter from his home. An injured deer was being attacked by three large dogs. He and Frank Adamson drove the dogs away and took the deer to a barn where it is recovering.

### "Out of thin air" comes the HIGHEST HORSEPOWER in Buick history

**NOTE FROM YOUR BUICK DEALER:**  
Presented here is the story of a great new engine development, as told by the men who did the job. We reprint the story here in its entirety — as we couldn't beat it if we tried.

No, we didn't have to build a new engine. We took Buick's valve-in-head Fireball Engine—which makes the most of high compression. We drew on 12 patient years of Buick carburetion research.

And we came up with more might, more miles, from gas—right out of thin air, in more ways than one.

When you talk about "miles per gallon" you think of fuel, because that's what you buy. But air's free—and for every gallon of gasoline, a busy engine can gulp more than 8,000 gallons of air.

The problem is to deliver air in the right proportions, throughout the full range of speeds at which you drive.

A carburetor—big enough to supply the air needed at full throttle—can be wasteful in stop-and-go driving. A carburetor sized for thrift in city traffic literally smothers your engine when you really give it the gun.

So Buick engineers developed the Airpower carburetor—a four-barrel automatic—and here's how it works.

Loading along, two barrels are working, two stay closed. And you get a low-speed

thrift and smoothness that's out of this world. As you pick up speed, the "stand-bys" come into play—feeding not just more gas, but more air too—so you keep getting maximum power from each drop of fuel.

You have 170 effortless horsepower when you need it—a tremendous reserve ready to go into instant action at the nudge of your toe.

You have the satisfaction of knowing that you get this power with a frugal use of gas. At 40 you use less gas than you formerly used at 30.

That's the story of Airpower carburetion in facts and figures straight from the factory. But statistics can't tell you the breath-taking joy of heading for new horizons in a great-powered new ROADMASTER.

When can you do that? Better come in soon. Lots of other folks are flocking into our showroom these days to see the greatest array of new Buicks we've had in years.

Equipment, accessories, trim and models are subject to change without notice.

Sure is true for '52

## In Amarillo: Cuss Panhandle Weather If You Are A Panhandle Citizen

all right to cuss Panhandle weather, but only if you're a Panhandle citizen. That reminder is pointed especially at members of the Texas Associated Press Managing Editors' association. The Texas APME meets here Feb. 24. "The people of Amarillo are proud of the weather here," explained staff writer Paul Timmons of the Amarillo News in a piece written especially for the APME. "To a native son of the plains, Amarillo is the place where it can get hotter sooner (and colder, too), blow harder and gustier, rain more and dry up sooner, than any place on earth. "But, cussing Amarillo weather is a privilege paid for by living here and Amarillo residents get riled up when some downstate paper comes out saying 'it's worse in Amarillo.' "If the weather will let them, the editors will have an opportunity while here to see the "most Texas" town of them all. Although surrounding cow pastures are filling up with new homes, Amarillo is still the world's Hereford capital. Cattle sale receipts often equal those at Kansas City. "Big grain elevators mark the skyline of a city which no longer pays attention to its official 1950 census figure of 74,246. More than 2,000 new homes were built in 1950, and even more in 1951. But the Panhandle capital is also an industrial center. At the northwest corner of the city the smokestack of the American Smelting & Refining Co., one of Amarillo's largest employers in the last 30 years, rises 400 feet in the air. Three major oil companies and a horde of smaller ones have general offices here. Inside the city limits is a Texas company refinery which plans a \$20 million addition. Amarillo has a corner on the world's helium supply. Helium is a government monopoly and

country of the south plains." Tradition is that anyone who stays here long enough to wear out a pair of shoes is here to stay.

### Eisenhower's Plan For United Europe Dates Back For Years

WASHINGTON — (AP) — General Eisenhower's proposal that the nations of Europe unite is not new, even with Eisenhower. He suggested it last July and repeated it again this week. The idea of European unity — one government, a kind of United States of Europe — has quite a history. It's gathered more steam in the past few years than ever before. In 1930 the French proposed a European federal union. In 1940, when France was falling to the Nazis, Winston Churchill offered the French union and common citizenship with Britain. Again nothing happened. When the war ended a number of groups organized to push the unity idea, through federation or in some other way. Churchill formed a United Europe committee in January, 1947. In March of that year the Independent League of European federalists was created; this was followed by the Union of European federalists in April, 1947; and in September, 1947, Count Richard Coudenhove Kalergi started the European Parliamentary union. In the midst of this — in March, 1947 — the U.S. Senate approved a resolution offered by Senator Fulbright, Arkansas Democrat: "Congress favors the creation of a United States of Europe within the framework of the United Nations." In December, 1947, the various groups mentioned above got together as "the international committee for the coordination of movements for European unity." At that time the countries of Western Europe were getting together in the economic field to decide what help they needed from the Marshall plan. In May, 1948 the International Committee for Coordination had its first conference and agreed there should be a European assembly. In August, 1948, it urged Britain, France, Belgium, The Netherlands and Luxembourg to take the lead in creating such an assembly. "In the movies, I've been able to reach audiences all around the world with the same message. As a matter of fact, I have the figures from Paramount accounts. From 1913 to 1949, my pictures played to a total of 3,214,000,000 admissions, a most one and a half times the population of the earth." This council met first on Aug. 1, 1949 and has met a number of times since. Even so, the council as it stands has no real power. No member nation has to follow the assembly's recommendations. Still, the assembly is a place where the delegates can represent public opinion in Europe. There have been various economic agreements between the nations of Europe. The biggest single step they've taken has been the creation of the North Atlantic pact, of which this country and Canada are part. This is a military alliance. The members are pledged to help one another. And out of the pact has come the European army with Eisenhower in command, moving toward military unity. This is still a long way from a United States of Europe and it seems pretty clear that Churchill doesn't want to put Britain into a United States of Europe. Eisenhower says he can understand this in Churchill since Britain has so many connections overseas with the other members of the British commonwealth. But Europe is in bad economic shape, so bad that this country has to act as its crutch. Eisenhower not only suggests real economic unity, so all the nations of Europe will benefit, but also political as well. Since they are moving toward military unity, if they took the next steps to economic and political unity they'd have a European federation or United States of Europe.

### Spanish Painter Stirs Up Row With New Work

GLASGOW, Scotland — (AP) — Salvador Dali, the 47-year-old Spanish painter who used to paint watches curled like potato chips, has started another lively row with his art. The city corporation of Glasgow announced purchase of his latest work, "The Crucifixion," for 4,200 pounds (\$22,960) for the city art galleries. The painting is in the traditional style, although it depicts the crucifixion from an unusual angle — from above the head of Christ. It isn't real surrealist, like "Desires of an Automobile Giving a year."

### Birth to a Blind Horse Biting a Telephone

Donald Bruce, representing 200 art students, said "we think it's a shameful waste of money." The eminent British portraitist Augustus John said "it's absolutely, completely mad. It is a fantastic price to pay." Dali was not available for comment.

### HEAVY DUTIES

The medical examiner's office of New York City, which is concerned with the investigation of deaths caused by violence, handles an average of 15,000 cases a year.

### DeMille Got 'Big' Ideas From His Father, A Writer

By SAUL PETT  
NEW YORK — (AP) — Cecil DeMille, producer and director of extravagant spectacles, opened our interview by discussing some new lighting techniques developed for his latest film, "The Greatest Show on Earth." "Very interesting, I said. When I asked, does the picture open DeMille's secretary became rigid. His press agent couldn't have looked more pained if he had been stabbed. Only DeMille weathered the faux pas with poise. For a fraction of a second, his eyes reflected pain and bewilderment. But they quickly warmed as the sensitive artist all the world took over. He quieted the picture already things at "Paradise," his 1,000 had opened and had received, as a matter of fact, good notices. "It's only 55 minutes from the Surviving that near miss, the studio," he said. "When I drive in, wild deer come bounding over DeMille is a short, bald man and line up for a handout of 70, with gentle eyes, a soft voice and a courteous manner, from the big house. It's a wonderful place to be alone and think." DeMille probably is best known for sweeping epics. What accounts for his penchant for bigness in movies, for painting on a broad historic canvas? "Father probably influenced me the most," DeMille said. "He used to read to us, every night, a chapter from the Bible and one from American history. Father studied for the ministry but never persuaded him he would have a larger congregation by writing for the theater. "So, he became a playwright and carried his message of one God and love by neighbor through the theater. He was confined by the walls of the stage and reached only thousands. "In the movies, I've been able to reach audiences all around the world with the same message. As a matter of fact, I have the figures from Paramount accounts. From 1913 to 1949, my pictures played to a total of 3,214,000,000 admissions, a most one and a half times the population of the earth." Read The Pampa News Want Ads

# Pampa Harvesters Control Odessa Bronchos To Win 35-27

## District Thrown Into Triple Tie

By WARREN HASSE  
Pampa News Sports Editor

Control basketball, something most basketball fans haven't seen for nearly 20 years, occupied the minds of over 1200 Pampa fans at the fieldhouse last night as the Harvesters defeated the visiting Odessa Bronchos, 35-27.

The Bronchos started it all off, Coach John Malaise figuring his only chance of stopping the high-scoring Harvesters was in making his shots count and not giving the Pampans many opportunities.

And make their shots count the Bronchos did! They hit their first five attempts and held the lead on the Harvesters until only 3:17 remained in the first half.

The win throws the 1-AAAA race into a tie among Pampa, Borger, and Abilene.

It was a seesaw game from there on until early in the third quarter. The Harvesters came back the second half and started to play the slow deliberate game employ-up to then by the Bronchos.

But the Harvesters had one advantage. They had speed to use when their tall men were in the game, something the Bronchos couldn't find. They used that speed to score six points in the third period while holding the visitors scoreless. The fourth period, ahead by five points, the Pampans started a stalling game, shooting only when two points seemed certain.

When that started, Malaise had to switch his lineup to employ ballhawks instead of height, and the Harvester tall men paid off on the boards and in other action.

It was an extremely smooth game, only four fouls being charged against the Harvesters and but ten against the Bronchos.

At the end of the first quarter the Bronchos led 11-9. With 3:17 left in the first half the Harvesters tied it up for the first time, when Jimmy Dulaney potted a push shot. The Harvesters finally went ahead 17-5 and then the lead see-sawed out to 20-19 at halftime for the Bronchos.

Tommy Smith raced in with a crisp shot shortly after the third period began to put the Harvesters ahead to stay. Dulaney added two more push shots during the third period to complete the scoring for both sides during that stalling, ball-handling, eight minutes.

Dulaney led the scoring for the night with 12 points, followed closely by Jimmy Bond with 10. Frank Gee led the Bronchos with 10 points, all scored the first half.

In a preliminary game the Pampa Harvesters defeated the Odessa Bronchos, 35-27.

# High School Team Crown Won By Pampa District Golden Glovers

BACK AGAIN — The regional High School Division team championship was captured again this year by the Pampa District Golden Glovers at last night's Golden Gloves tournament at Amarillo. Shown holding the trophy emblematic of the crown is Oran James, president of the Pampa Boys Club, Inc. He is flanked by the coaches of the team, John Lee of Wellington (left) and T. J. Watt of Pampa. The Pampa district lost the crown by one point last year but regained it with eight champions being crowned last night. News photo by Don Duncan

DICK MURRAY

## Bobby Wilhelm Is Winner Of Special Hamilton Award

By BOB DIXON  
Pampa News Sports Writer

AUDITORIUM, Amarillo — The Pampa District Golden Gloves mittmen captured the high school division championship here Saturday night and turned in eight regional champions in doing so. Two of the title-holders were repeat crown-bearers from the 1951 tournament Bobby Wilhelm and Dick Murray both mastered their opponents to retain their crowns.

Bobby Wilhelm was signified for special honors when he received the "Hamilton Award," a special award to go to the outstanding fighter in the tournament. The award is named in honor of the two Hamilton brothers, Amarillo Marines, who were both killed in action in Korea last summer. The Hamilton brothers were both former Golden Gloves.

Another Pampans, Eugene Cooper, captured the 160-pound open division crown with a decision over fellow townsman and Air Force partner, Buddy Sawyer. Sawyer was originally due to enter the 147-pound class, but inability to make the weight moved him into Cooper's class.

In the opening fight of the night in the high school division Gary Phillips of Wellington, representing the Pampa District, decided Johnny Cruz of Amarillo. Both Phillips put on a fast first round, Phillips landing the more solid punches. The second round was the same with no one getting badly hurt. In the third, Cruz came

out with all he had but it wasn't enough and Phillips took the decision in the 105 pound class.

Two boys from the Pampa District met for the 112-pound crown with Eddy Clemmons of Lefors and decisionist Billy Ezarck of Wellington. Clemmons worked a good right uppercut to advantage the entire fight to keep Branch on the defense. Branch tried to salvage the bout in the third round, but couldn't, the decision going to the Lefors puncher.

DAVEY UPSET

The upset of the evening in many eyes came in the 118-pound weight. Scotty Davey, who had punched his way to the regional finals with knockouts, was the victim of a first round KO at the hands of curly-headed Kenneth Woods of Shamrock, also representing the Pampa District. Davey was knocked completely out of the ring at the 1:21 mark of the first canto.

A pair of good boxers met in the 125-pound class, with Jimmy Thompson of Wellington, representing the Pampa District, gaining the decision over Don Poindecker of Borger. Thompson landed good lefts to the midsection of Poindecker to keep him wary. In the second round Thompson dropped his opponent with a hard left. Poindecker came back hard in the third but couldn't outpoint the Wellington mittman.

KENNETH WOOD — Regional: Decided Roger Yates, Buck's; decided Howard Milsap, Sudan; KO'd Scotty Davey, Pampa.

JIMMY THOMPSON — District: Decided Sammy Gaffney, Pampa. Regional: TKO'd Johnny Perkins, Buck's; TKO'd Mack Spencer, Buck's; decided Don Poindecker, Borger.

BOBBY WILHELM — District: No opposition. Regional: TKO'd Glenn McLeod, Plainview; decided Robert George, Kress; decided Bobby Davis, Plainview.

GENE BAIRD — District: Decided J. N. Wright, Pampa. Regional: TKO'd Bill Sparks, Buck's; decided Bill Young, Kress; decided J. N. Wright, Pampa.

FLOYD HOOD — District: Decided Oscar Sargent, Pampa. Regional: TKO'd T. A. Cariker, Dumas; TKO'd Laron Lee, Sudan; KO'd Oscar Sargent, Pampa.

DICK MURRAY — District: No opposition. Regional: decided Durward Lynch, Plainview.

REPEATER

Bobby Wilhelm, defending 135-pound champion of Pampa, successfully held his crown for the second straight year against a hard man to hit, Bobby Davis of Plainview. Wilhelm managed to land enough blows, however, to gain the close decision. Both boys were careful of the other, fearing the knockout punch, and consequently the fight was slow at times.

Gene Baird of Wellington gained the 147-pound crown by outpointing J. N. Wright of Pampa, who represented the Borger district. Wright scored heavily in the first two rounds, but Baird managed to maintain enough points and put on a good third round to gain the decision. Wright led the offense most of the way against the lankier Baird.

Floyd Hood of Wellington, representing the Pampa district, disposed of Oscar Sargent, Borger district representative of Pampa, in quick fashion. Sargent, who had scored a pair of knockouts in earlier fights, caught a hard blow at the 20 second mark of the first round and hit the canvas. He tried to get back up, but groggily fell to the mat and couldn't get up. The Wellington slugger won the 155-pound crown by a clean knockout.

ONLY LOSER

The only loser in the entire tournament from the Pampa district came in the 160-pound weight when Dan Jameson of Wellington could not rack up enough points to gain the decision over Harvey Stoner of Amarillo. Stoner stayed well protected, the husky Jameson being unable to find any place to do any damage. Stoner received a bad cut on the face in the second round that almost stopped the fight, but the referee allowed it to continue, and the blood-covered Amarilloan gained the decision.

In the semi-final high school division, Pampa's Dick Murray retained his 175-pound crown by outpointing Durward Lynch of Plainview, who last year fought for the Pampa team out of Panhandle. It was a slugfest all the way with Murray connecting with the harder and faster blows. It looked as if Lynch might not be able to make it back for the third round, but he did and had Murray in trouble at times. But Murray weathered the storm and repeated as 175-pound king of the high school division.

CHERRY UNINTERESTED

LUBBOCK — (AP) — Blair Cherry, former Amarillo Sandstorm and Texas Longhorn coach, said Friday he was "not interested" in a coaching job with the professional Frangers of the National Football League at Dallas. Cherry added he had not been contacted by Dallas officials.

Herman Wehmeier, Cincinnati righthander, issued the most bases on balls, 135, during the 1956 National League season. He also allowed the most runs, 157, and the most earned runs, 145, in the senior circuit.

BULLDOGS EDGE BY WESTERNERS, 59-55

BORGER — (Special) — The Lubbock Westerners gave the Borger Bulldogs a valiant fight here Saturday night before falling, 59-55. The Bulldogs were never behind the entire game, but were pressed often.

Mack (Snake) Carter led the winners with 28 points, followed by teammate Jimmie Bishard with 11. Bishard turned in a brilliant defensive game.

The Bulldogs led at the end of the first quarter, 14-12, and at halftime by the same margin, 27-25.

The win moved Borger into a triple tie for the District 1-AAAA lead along with Pampa and Abilene.

## Sandies Outshoot Bobcats, 57-45

SAN ANGELO — The Amarillo Sandies outshot the San Angelo Bobcats here Saturday night to rack up their second District 1-AAAA victory, 57-45.

The Bobcats, attempting a pressing defense such as employed by Abilene Friday night in beating the Sandies, found it didn't work as they rapidly fell behind the sharpshooting Panhandle kids.

The Bobcats hit only 18 of 75 shots attempted.

NOSEY FELLOW — Oscar Sargent lands a stiff right to the nose of Floyd Hood of Wellington during their 155-pound championship fight last night at Amarillo. The fight lasted but 20 seconds, Sargent being KO'd at that time. But during the brief scrap, the Pampa Harvester "Fighting Heart" winner got in his own licks. (News photo by Don Duncan)

## Dallas Eagles Play Negroes

DALLAS — (AP) — Dick Burnett, owner of the Dallas club of the Texas League, said Saturday he would use Negro ball players next season if any are found with sufficient ability to make his club.

He has returned from a trip to Cleveland with his Dallas manager, L. D. Meyer, where they conferred at length with officials of the Cleveland Indians, the major league club with which Dallas has a working agreement.

Burnett said in view of the fact that the color line had been broken by the Dallas professional football club, which announced it would not bar any player because of race, color or creed, he thought the color line also should be removed in professional baseball.

Burnett said he felt that it would only be a matter of time before the color line is withdrawn throughout the Texas League.

Cleveland officials said they would be looked over in spring training in Florida and if any are capable of playing in the Texas League they would be obtained.

RUNNERS-UP — Runners-up from Pampa in the regional Golden Gloves tournament at Amarillo last night are shown above holding their second place trophies. They are Oscar Sargent, 135 pounds, J. N. Wright, 147 pounds and Scotty Davey, 118 pounds. Davey represented the Pampa district while the other two fighters represented the Borger district. (News Photo by Don Duncan)

FIRING — Jimmy Bond, Harvester sophomore forward, sends a push-shot toward the basket during last night's game against the Odessa Bronchos at the fieldhouse. Bond scored 10 points during the game as the Harvesters downed the visitors, 35-27. Brother Marvin Bond (33) watches expectantly as Jimmy shoots. Attempting to guard Jimmy is Bill Harville (18), while Frank Gee (20) and Lonnie Muss (12) watch. (News photo by Ken Harbin)

Senator George Smathers (D-Fla.) captained the University of Florida basketball team during the 1936 season.

# WARREN'S ARMUP

By Warren Hesse—Free Sports Editor

QUESTION: Who is the new field manager of the St. Louis Browns?

CONGRATULATIONS to the Pampa District Golden Glovers. They did an excellent job at the regional Golden Gloves tournament this past week, winning the tournament high school division crown. Much of the credit must go to the Wellington High school fighters, and their lanky, raw-boned coach, John Lee.

Without the presence of the Wellington fighters, the Pampa district wouldn't have had much to offer. Shamrock's football season lagged too long for the Irish to compete, and Lefors was having its own difficulties, and could enter but four boys.

Congratulations also to the champions from this district. We have followed you all the way. Never have we seen a better conditioned group of boys than those representing the Pampa District. And the champions know full well how important that conditioning was in their victory.

And so now, for another year, the high school and Golden Gloves is put away. But the Boys Clubbers will continue to fight team matches, having scheduled three-way tournaments with Wellington and Shamrock at later dates. The Boys Club will also fight other dual meets, possibly with Lockney, Clovis and Roswell.

AND CONGRATULATIONS also to the new executive professional football team, the Dallas Rangers. The board of directors made an almost unprecedented move last week when they announced that they would play Negroes on their ball club. And they have acquired some of the top colored football stars in the country, along with the NFL franchise, in Buddy Young and Elm Tunnell.

The Lamasa Lobos moved across the color line last spring when they signed and used several Negro ballplayers. In fact, they have actually been doing that for several years, using "Cuban Negroes" without complaint. But they used colored shortstop for two months without being hurt at the gate. But he wasn't good enough to hold down the post and was finally replaced by the Lobo's regular shortstop, one of the two previous seasons.

Panhandle fans have had the opportunity of seeing Negro fighters in action at Amarillo in the past two months. They have seen them fight each other, which doesn't break the law, and they have seen them in mixed bouts, which would break the law had they not been on a military reservation.

We talked this question over with Eugene Cooper, pasha of Pampa's most illustrious ring star. Cooper, who has been fighting Golden Gloves for years and captured two state crowns, has fought against Negroes in many inter-base bouts while serving in the Air Force. His opinion should carry some weight.

Gene says that he is for breaking the color line and permitting mixed competition. And he was accompanied along this line of thinking by another fellow who has fought mixed bouts, Buddy Sawyer, also of Pampa. Both think it would be a benefit to not only sports, but to the world from the standpoint of human relationship.

Negroes have been permitted into almost every other state in mixed competition. Jackie Robinson met no opposition playing in Texas; Arizona has a colored lad on its basketball team, and the situation has raised a problem about a game with Tech this week. But there shouldn't be that problem.

The Professional Golfers Association finally eased its color line rule, by voting almost unanimously to amend its rules to give Negroes a chance to compete in PGA co-sponsored events. Recent California tournament upon the insistence and invitation of the tournament sponsor over the protests of the PGA, the reason being because of his Negro appeal. But another Negro, Bill Spiller, whom we have watched play in the Tam O' Shanter meet at Chicago, was kept out. Spiller was denied the right to enter, not because he was a Negro, but because he wasn't a member of the PGA, which he could not enter because of his race. The new PGA amendment would change that.

All fans will get to see one of the finest aggregations of colored athletes on March 3, when the Harlem Globetrotters play the Noblitt-Coffey Chiefs in the Sports Arena in Amarillo. The Trotters have been spreading good-will for the colored race for years.

It is going to take a long while yet, but the color line should and will be knocked down. Speaking of the Chiefs, they cannot compete in the Panhandle AU cage tournament because of the local ruling passed against coaches playing on the teams. The Chiefs have several who fall in this category. But in an attempt to make the Denver AAU event, the top amateur cage tournament in the country, Jim Arndt, manager of kids might enter the TAAF meet. Chiefs, said that the car in east Texas this spring. The winner there usually gets into the Denver tournament without question. Whether or not the Chiefs can make the TAAF tourney is questionable or whether they could win it again. But one thing is certain, they have a fine ball club. Undoubtedly the best in

# Pampa Glovers Sweep Into Finals

By BOB DIXON  
Pampa News Sports Staff  
AUDITORIUM, Amarillo — The Pampa Golden Glovers again made a clean sweep of their regional Golden Glove fights Friday night by sending in four mitters and coming out with two technical knockouts and two decisions.

J. N. Wright, also of Pampa but representing the Borger District, was reinstated after being beaten Thursday when it was discovered that Larry Prater of Buck's was ineligible for the high school division.

The Pampa District again drew the opening fight, Eddy Clemmons of Lefors, battling Gary Sandlin of Lockney in the 125-pound class. Clemmons had Sandlin hurt in the first round with a solid right to the face on the first blow of the fight. From there on it was just a question of time as to when referee Willis Hawkins would stop it. He finally did early in the second round, awarding the TKO to Clemmons.

TKO'S  
Jimmy Thompson of Wellington, representing Pampa in the 126-pound class, didn't have long to wait for his victory. He tagged Mack Spencer of Amarillo's Borden-Manchus club in the first 30 seconds of the bout to send him rolling to the canvas. Spencer didn't regain his senses after he got up and Referee Willis Hawkins stopped the bout, seeing that Spencer was helpless, awarding the TKO to Thompson.

In one of the best fights of the night, Gene Baird of Wellington, representing the Pampa District in the 147-pound class, decisively Billy Young of Kreas. After a slow first round, both boys opened up in the second. Baird landed a blow that cut Young's mouth. From then on every blow Baird landed brought more blood until Young's face was completely covered. Baird, however, didn't have enough strength left to finish him off. Young's seconds got him in condition for the last round so that he was able to appear. But Baird again worked him over and gained the decision.

In another popular bout, Dan Jameson of Wellington also representing the Pampa District in the 160-pound class, decisively Max Luedtke of Plainview. It looked as though Luedtke was going to win by the way he started out. However, he soon wilted under constant onslaught of rights. Luedtke couldn't cover up well enough to protect his left side, and Jameson used this for an advantage to cut him down and gain the decision.

WRIGHT REVERNS  
J. N. Wright, apparently happy to be back in the tournament after losing a decision to an ineligible fighter Thursday night, came back and gave Calvin Costley of Canyon a going over in the 147-pound class. Costley found a habit of stepping and turning away from his opponent costly. Each time he did, Wright landed blows that counted heavily in the decision. Wright was representing the Borger District.

In other high school division bouts of the evening, Don Poinexter of Borger decisively Lewis Palmer of Buck's in the 128-pound class; Harvey Stover of Buck's TKO'd Jackie Hall of Borger in the 160-pound class; Durward Lynch of Plainview decisively Bob Lynch of Borger in the 175-pound class.

In the open division, Bill Chandler of Borden's, TKO'd Olevio Gonzalez of Plainview in the 135-pound class; Perez of Borden's decisively Bob Torres of the Amarillo Air Force base in the 135-pound class; James Forbes of Brownfield KO'd Luis Vargar of Plainview in 27 seconds of the first round; and William Poland of Amarillo KO'd Tommy Sharp of Floydada in the 147-pound class after 59 seconds of the first round.

The Pampa District fighters virtually sewed up the high school division crown after their semifinal night work.

Eight of the 18 men on the Notre Dame basketball squad hall from the state of Illinois.

HOOKING TWO — Jimmy Bond lets loose of a 16-foot hook shot for two points during last night's game at the fieldhouse against Odessa's Bronch os. The Earvesters won a well-played contest, 35-27. Attempting to guard Bond is Bill Harville (19) while Frank Gee (20) looks on. Duane Jeter (24), Harvester center, get ready to rebound if necessary. (News photo by Ken Hardin)

## Players Start Inking Pacts

(By The Associated Press)  
St. Louis — St. Louis Browns have acquired shortstop Stan Rojek from the St. Louis Cardinals on waivers.

The Cincinnati Reds optioned left handed pitcher Kent Peterson to their Tulsa farm club in the Texas League. Signed: Cincinnati outfielder Wally Post and pitcher Rudy Minarcin.

St. Louis Cardinals — shortstop Joe De Maestri and pitcher Dick Littlefield. Chicago White Sox, pitcher Howie Judson, outfielders Bill Higdon and George Wilson and infielder Mel Hoderlein.

Brooklyn pitcher Johnny Schmitz and infielder Bobby Morgan. New York Giants, third baseman Hank Thompson, first baseman Vince Di Lorenzo, shortstop Tommie Gilbert and pitcher Cleveland. — Catcher Jim Hegan, shortstop Ray Boone, and Birdie Tebbets.

Philadelphia Athletics, rookie first baseman Tom Hamilton. Chicago Cubs, pitchers Walt Dubiel and Dutch Leonard, rookie outfielder Harvey Gentry, pitcher Warren Hacker and outfielder Hal Jeffcoat.

St. Louis Cardinals, pitcher Cliff Chambers, infielders Ed Kazak and Earl Weaver and outfielder Vince Moreci.

Eight of the 18 men on the Notre Dame basketball squad hall from the state of Illinois.

# Wash Job Hangs In Balance Of March Of Dimes Contest

Did you ever see a fellow washing a 'B-42 jet bomber? You may, if the Noblitt-Coffey Chiefs can't beat the Amarillo Air Force Base Am-Jets next Thursday night.

Ivan Noblitt, sponsor of the Chiefs has had no word from Col. Ray Clark of AAFB in regard to his challenge on the outcome of the game. Noblitt wagered a wash job for the colonel's plane against a wash job for Noblitt's car on the outcome. So far the information office at AAFB has been silent.

But regardless of who wins that bet, the real winner will be the March of Dimes. All proceeds from the game (tickets are \$1 for adults and fifty cents for students) go to the March of Dimes, which will be wrapping up its drive that night. The game will be played in the fieldhouse starting at 8:15.

STARS APLENTY  
Stars galore will sprinkle both lineups. The Am-Jets carry a host of collegiate cagers who have worn the nation's headlines. Three of them come as a unit from Oklahoma A&M. They are Gayle McArthur, Keith Smith and Bud McLean.

The Chiefs carry J. W. Malone, Cliff McNeely, Garland Head, Bob Clark, Billy Boark and many others who have sparked various college clubs at one time or another. The Am-Jets latest victory was a 75-58 beating of the Frank Phillips College cagers at Frank Phillips Wednesday night. Leading the scoring that night was Dick Bowen, former U. of Arizona 6-2 star, who looped 19 points against the Plainsman. Friday night they bowed to Wayland College, 84-43.

The Chiefs have battled two opponents thus far, burying both the Lefors Independents and the Philrich Rubber Co. five of Buna-vista under one-sided scores. They rolled over a Pampa Independent

1952 MERCURY — Completely new body styles are offered by Mercury for 1952, including the custom sport coupe with "hardtop" body illustrated here. Distinctive styling is achieved by a high prominent fender line, low flat hood contour with aircoop-like projection and a massive wrap-around double front bumper. The attractive appearance of the 1952 Mercury is further enhanced by a one-piece curved windshield, an extra-large rear window and luxurious interior upholstery and trim. A more powerful V-8 engine developing 135 horse power and a stronger chassis is featured. Local distributor for Mercury and Lincoln is J. C. Daniels Motor Co., 219 W. Tyng.

### Braniff International Airways Becomes World's 12th Largest

DALLAS — Braniff International Airways becomes the world's 12th largest airline on the basis of route mileage acquired in its merger with Mid-Continent Airlines.

The Braniff name and Dallas headquarters will be retained, the merger announcement said.

The two lines have a combined domestic route mileage of 7,552. Added to Braniff's international routes which reach through the length of South America, this makes the line the 12th largest in the world's 250 scheduled airlines.

Both airlines have been prosperous in recent years. In the year ending last Sept. 30, Braniff's domestic operating revenues totaled \$17,111,132 and Mid-Continent's \$8,729,789.

Both also merged at a time when large additions to their fleets had been contracted for. Twenty new model Convair "340's" have been ordered by Braniff. Mid-Continent has ordered six of the 300-mile-an-hour "340's." The first are scheduled for delivery in April.

Stockholders of both firms, as well as the Civil Aeronautics board, must approve the merger.

general manager of Mid-Continent, will become a vice president and a director of Braniff. One of his tasks will be to integrate Mid-Continent employees into the Braniff staff to the maximum extent consistent with proper business management.

Braniff operations are concentrated in the central and southern part of the midwest and the southwest. Mid-Continent serves the central and northern part of the midwest. Both have Kansas City, Tulsa, Houston and Chicago as principal junction points. The merger will make possible a new Chicago-Kansas City-Tulsa-Houston service, a Minneapolis, St. Paul-Kansas City-

### WHY STARVE TO TAKE OFF FAT?

There is an answer to how people take off unwanted weight and keep it off. It's not a matter of dieting and counting calories. It's a matter of taking a few simple steps to get your metabolism going again. You can lose weight and keep it off by taking a few simple steps to get your metabolism going again. You can lose weight and keep it off by taking a few simple steps to get your metabolism going again.

### Shamrock Scouts Plan Open House

SHAMROCK — (Special) — Boy Scouts are planning an open house at the First Methodist church basement here Feb. 18.

Aims and methods of scouting and programs for individual advancement will be explained to parents and interested people, with Roy Sims, Scoutmaster, and T. M. Daniel, assistant in charge.

Rev. S. M. Dunnam, Methodist pastor, will give a welcome address. Others participating will be Gerald Mayfield, Murray Davis, B. F. Risinger and H. C. Weatherly.

Dallas and Texas points operation, a Denver-New Orleans through service and many non-stop services not now available," the announcement said.

### Coleman Is State-Line Fair-Leader

SHAMROCK — (Special) — Wood Coleman, Collingsworth county farmer, is the new president of the State Line Free Fair association. He succeeds Dusan Pagan.

Bill Knoll succeeds Coleman in the vice-presidency, and Henderson Coffman succeeds Ben Parks as treasurer. Parks left to assume a bank vice-presidency at Memphis. Miss Mary Charles Nunn continues as secretary.

Shamrock holds the State-Line fair every September, the second or third week-end. It was almost cancelled last fall because of war conditions, but plans are now being made for 1952.

### Hurt Announces For Office In Shamrock

SHAMROCK — (Special) — Local candidates are not waiting for the President to announce his intentions. They are announcing for offices in no coy manner.

Harry Hurt, Shamrock, will be a candidate for Justice of the Peace in Precincts 2 and 4, he reported last week.

Hurt pointed to his bookkeeping experience as a qualifying factor and said he had no enmity toward any other candidate.

NEW WORLD NOBLEMAN — First title of English nobility issued in America was to the Indian Manteo, who was named Lord of Roanoke, on Roanoke Island, N.C., in 1587.

# WORLD NEWS IN PICTURES

The Newschart above compares federal income and outgo from 1940 through the President's proposed budget for fiscal year 1953. Note how the growing deficit for this year and next compares with skyrocketing indebtedness that led into the World War II years.

**FAITH AND A HELPING HAND**—A group of Manhattan College students makes possible this scene each Sunday at the chapel at Veterans' Hospital, Bronx, N. Y. The chapel is filled with wheelchair and bedridden-paraplegic veterans, who probably wouldn't be able to attend divine services if the students didn't pitch in and help move them from the hospital. A shortage of help at the hospital makes volunteer help necessary.

**"SNOWSHOVELING, ANYONE?"**—So you think you had trouble digging YOUR car out of the snow! Weep for the plight of the Emigrant Gap, Calif., car owner whose auto is buried under this 12-foot-high snowdrift. It's not far from where the streamliner City of San Francisco was snowbound for three days.

**FLOP OF THE FOURTH ESTATE**—Allied newspapermen covering the truce talks at Janmum-jom, North Korea, find time to try out the ice on a small lake. At left, the correspondents seem to be holding up their ends fairly well. But, at right, an unnamed reporter takes a spill that shows what years of sitting behind a typewriter can do to a man.

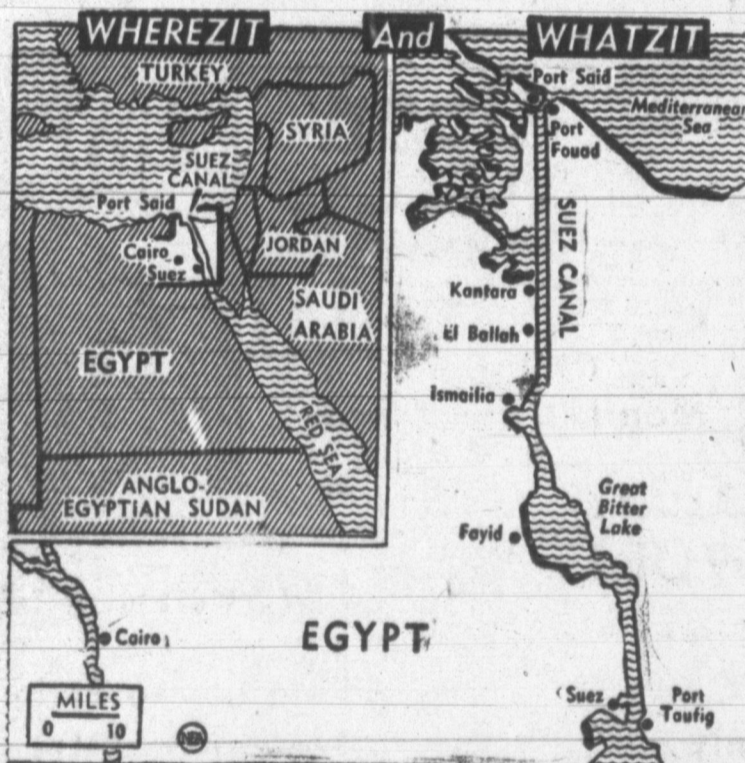

**WINTER SCENE**—Fighter planes, both jet and conventional, wait with wings folded on the snow-covered flight deck of the carrier U. S. S. Essex at sea off Korea. Loaded for action, the planes and pilots are waiting for a lull in the driving snowstorm to take off on strikes against the enemy in Korea.

**FIGHTING THE ELEMENTS**—Tons of water surge upward as bow of USS Wisconsin plunges through heavy seas during a rainstorm off East coast of Korea where big battleship, as part of a U. N. force, has been blasting Red-held ports.

**BLASTS D. C.**—Evangelist Billy Graham, seen with Bible in hand on the steps of the Capitol, says he is "disgusted and ennauseated" by the moral corruption he has discovered during his spiritual crusade in Washington. The 33-year-old revivalist, now preaching to 10,000-plus audiences there, calls the capital the most sinful city he has ever seen.

**THE SUEZ CANAL**, "jugular vein of the British Empire," doesn't belong to Britain at all, but to a private British and French firm, the Suez Canal Co. But, the Suez has been controlled by Britain since the time of Victoria. The "big ditch"—in effect a toll road between the Mediterranean and the Red Sea, gateway to the Indies—was dug in 1859-69 by a great French engineer, Count Ferdinand de Lesseps. De Lesseps viewed the 104-mile, sea-level waterway as his contribution to "peace and progress." Recently, the Suez has contributed heavily to world tension, as Egypt, acting in the feverish new tradition of Moslem "nationalism," tore up the 1936 treaty under which Britain keeps troops in the Canal Zone. The British stood firm, and when ugly riots broke out, bringing threats of a "holy war," rushed heavy reinforcements to the area. Frequent bloody clashes between British forces and Arabs have occurred. Prime Minister Churchill's recent proposal that the U. S., France and Turkey send troops to the Suez was greeted by Egypt with cries of "aggression" and threats to invoke the Arab League's seven-nation defense pact. Though the British Empire has shrunk, the Suez Canal remains a vital "lifeline" for the western world. The Canal allows rapid shift of troops and supplies and, until recently, carried half of Europe's oil. Suez is the hub of the Middle East area that affords us land and air bases in one of the world's most strategic locations. Loss of the Suez Canal would be a severe blow to the west, a great victory for Russia.

**NO PUZZLE TO ANNA**—Italian soprano Anna Maria Alberghetti (left) shows her knowledge of English by reading labels to her mother during visit to a Hollywood food market.

**NOW, IT'S "SNOWVIEW LODGE"**—Most of the view at Lakeview Lodge at Emigrant Gap, Calif., is covered by 30-foot drifts of snow. The three-story building is almost buried in high drifts near the site where the streamliner City of San Francisco was snowbound for three days.

**CAST MEMBER REPORTS**—James Mason, Murray Matheson and Patricia Medina meet a Koala bear which makes its "big debut" with them in "Botany Bay," a story of 1790 Australia.

**A CHILD'S THANKS**—Anjinh Chhatari, 5, displays authentically-costumed dolls presented by Pakistani women to U. N. International Children's Emergency Fund for aid given.

**SKI SCHOOL FOR SMALL FRY**—Instructor Hannes Schneider demonstrates ski step for youngsters attending Eastern Slope Ski Club Junior program at North Conway, N. H.

# Smith Calf Wins Miami Beef Show

**GRAND CHAMPION CALF** — Grand champion calf in the Miami baby beef show Saturday was Oscar A, shown by Doyle Smith, son of Mr. and Mrs. Horace Smith of Miami. The calf shown by Doyle's brother, John, was selected reserve champion. The show was judged by Martin Gossett, Moore county farm agent. (News Photo)

## Reserve Calf Shown By Brother

MIAMI — (Special) — Doyle Smith, son of Mr. and Mrs. Horace Smith, showed the grand champion calf, in the Miami baby beef show Saturday.

His brother, John Smith, showed the reserve champion, Doyle's champion, Oscar A, is from the Gossett herd of Clayton, N. M., while the reserve champion, Half and Half, is from the Buck Breeding herd of McLean.

**GOT A DOG TAG FOR ME, MRS. PARKS?** — Mister, fire department mascot, doesn't want to be in the dog house come Feb. 1. So Saturday, he turned up in the police station for his license. But Marian Parks, desk clerk, had to turn him down — he needs a vaccination. It shouldn't happen to a cat. Anyway, Mister is going to get his vaccination and try again. (News Photo)

### Ancient Craft

BROCKVILLE, Ont. — (P) — William Haas, native of Denmark now living here, is believed to be the only silver smith in Ontario. There are only a few experts in Canada in the ancient art of producing hand-made sterling silver flatware.

**MARTIN - TURNER INSURANCE**  
Fire, Auto, Comprehensive  
Liability and Bonds  
107 N. Frost Phone 772

### Dog Rescued

CHICAGO — (P) — A man and a machine teamed up to rescue a dog from the Chicago River. The dog, wet and shivering, clung to a tiny speck of land at the bottom of a 25-foot bank.

Arnold Glisch, a humane officer of the Animal Welfare League, arrived on the scene. A tow truck was backed up to the bank. Glisch fastened a steel cable about his waist, as the line was paid out by the truck. He slid to the water's edge. Then the cable, operating in reverse, hauled up Glisch and the dog.

### Runaway Auto Chases Boy

NEW YORK — (P) — Thanks to quick thinking and a speedy pair of legs, 13-year-old Kenneth Sherman eluded a runaway automobile that chased him all over his Brooklyn neighborhood.

It started with a routine intersection collision of an auto and a bus. Kenneth and a group of youngsters were playing touch football when the crash came nearby. All scattered.

The others took off eastward. Kenneth ran westward — toward home. The now-decontrolled auto jumped the curb, took after Kenneth.

The surprised lad took note quickly reversed his field and headed south. The car struck a cellar grating, determinedly started across the street in hot pursuit — all the while with the upset driver struggling unsuccessfully with the wheel.

Panic-stricken Kenneth tried hiding. The runaway next bounced off a parked car and rammed a pole. Kenneth, hiding behind the same pole, was only slightly injured.

### Old Ship Retires

SINGAPORE — (P) — Known to thousands of travelers as the "Grand Old Lady" of the Eastern seas, the three-funnelled liner Taira sailed recently on her last journey. She is bound for a British scrap heap.

Built 27 years ago, the 7,500-ton vessel has been operating between Calcutta, Singapore and Hong Kong. During the war she served as a hospital ship in the Mediterranean theatre, taking part in a number of amphibious operations. From the end of the war until 1948, when she resumed her regular Calcutta-Hongkong run, she had been serving between Bombay and South Africa.

**DR. ROBERT A. COOK**

## Shamrock Mothers To March Jan. 31 For 'Dimes' Drive

SHAMROCK — (Special) — From 75 to 100 Shamrock club women will make an intensified drive for March of Dimes funds in Shamrock residential areas Jan. 31.

Mrs. P. T. Boston will direct the women's drive, which will include a house-to-house canvass.

It is part of a big drive which will also include contacting every business house in the city to ask for funds to fight polio.

Glynn Bell, local rancher and bus line owner, is chairman for the drive in southern Wheeler county. He has set \$4000 as the goal for 1952. The drive ends Jan. 31 with the Bill Mac show at the Clark auditorium.

Abner Doubleday, credited with being the inventor of baseball, was graduated from West Point in 1842.

## Youth For Christ Leader To Speak At High School

Dr. Robert A. Cook of Chicago, president of Youth for Christ International and a prime mover in the youth revival movement which now has reached 76 countries of the world, will speak in the Pampa High school Wednesday.

From Jan. 28 to Feb. 1 Dr. Cook will be speaking in the Wayland college auditorium each day in connection with a city-wide youth revival, under the auspices of the civic clubs, pastors and other youth leaders of Plainview.

Dr. Cook is in demand around the world as a speaker, author, song leader, director and pastor. In 1918 he visited the Orient as captain of a three-man Youth for Christ team which did much to expand the work in the Far East. He has been to Europe five times in the past three years, serving as director of World Congresses on Evangelism at Cannes, France, Brussels, Belgium and will serve as director of the coming World Congress on Evangelism to be held August 10-17, 1952 in Belfast, Ireland.

It has been reported that the year 1951 saw Dr. Bob Cook as one of the country's leading evangelists. In November a city-wide effort in Duluth, Minn., is said to have been the greatest revival in that town since Billy Sunday's in 1915.

A sparkling sense of humor as endeared him to the youth of the world. To Youth for Christ leaders he is known as "Pastor Bob." Administratively, he heads 2000 rallies which reach at least a million young people each week. However, Bob Cook lives and breathes this challenge that "our best is not good enough for God. He must work a miracle in our lives daily to get that great task, set before us individually, accomplished in the span of your life."

## Emma Sing Heads College Committee

Miss Emma Sing, daughter of Lee Sing, Pampa, has been appointed member of the planning committee for an all-school square dance to be given at the College of Emporia, Emporia, Kan., Feb. 2.

Miss Sing, a sophomore student at the college, is a literature major who is also the college's candidate for Emporia's "Queen of the March of Dimes Ball."

## Shamrockers Pay Dime For Coffee

SHAMROCK — (Special) — Shamrockers paid a dime for coffee here Friday.

Four drug stores and a local cafe donated all the proceeds from 10-cent coffee to the March of Dimes campaign. No announcement was made of the total received.

## Seek Death Reprieve

SINGAPORE — (P) — Leading Moslems and thousands of their followers in this British Colony have sent a petition to the governor asking for the reprieve of a Pakistani sentenced to death for killing a British soldier in the December riots of 1950.

The petition, addressed to Governor Sir Franklin Gimson, requests that A.K.S. Othman Ghany be spared for execution for the murder of Cpl. Peter Hugh Bell. Ghany's appeals were rejected earlier in the year by two courts.

**Lions Club Sees Film**  
McLEAN — (Special) — C. H. Cobb, Gray county health officer, had charge of a program for McLean Lions again last week. He showed a film "Insects, Carriers of Disease."

**FOUNDED FIRM**  
Lewis Tappan founded Dun and Bradstreet, famous credit rating firm, in 1841. Abraham Lincoln, a friend of Tappan, served as a Dun and Bradstreet correspondent for a time.

## DO YOU KNOW?

— the last names of the folks at TEXAS FURNITURE CO.? Vera, Ruth, Stella, Bob, Glen, Yvonne and Chas. B.?

Play the "count 'em game" to yourself: for one week — just "keep track" of the men and women, boys and girls, whom you see whom you do NOT know. The "counted total" may surprise you.

GET ACQUAINTED WEEK . . . to be the occasion for all of us to get to know more of us!

# FORD SCORES ANOTHER ENGINEERING TRIUMPH

Watch this car change the industry!

With the greatest car ever introduced in the low-price field!

**COMING NEXT FRIDAY**

**THE MOST POWERFUL CAR IN ITS CLASS!**

**Now! 101-h.p. high-compression MILEAGE MAKER SIX**

This great six-cylinder power plant is completely new! It's the only new, only high-compression, low-friction Six built for a low-priced car today. Many new features, such as new free-turning overhead valves, new short stroke design, new special alloy precision-molded crankshaft . . . plus the economical Automatic Power Pilot . . . assure you that this engine will have a long and savingful life.

**Now! 110-h.p. high-compression STRATO-STAR V-8**

The only V-8 engine in the low-price field . . . Features like new high-lift, free-turning valves, super-fitted aluminum pistons and power-contoured combustion chambers combine with other engineering advances to make it the most powerful engine ever built for a low-priced car. And it, too, has the Automatic Power Pilot to squeeze high-compression "go" from regular gas!

ON FRIDAY, when you see this big, new '52 Ford, you'll see automotive history in the making.

You'll see how farsighted, long-range planning by the largest single engineering department in the motor car industry has made it possible for Ford to bring you an all-new car for '52. You'll see a car that has taken greater strides forward for '52 than any other in its field.

The '52 Ford, you'll find, outpowers any low-priced car ever built — with a choice of the two great engines described at the right. It gives you greater length and wider tread — with a brand-new kind of smooth, level ride that lets you take curves with a minimum of outward sway. It brings you new Ford Coachcraft Bodies that are styled to stay beautiful and quality-built-to-stay-young.

Yes, when you inspect this new Ford Friday, you'll learn why it will do more things for more people at lower cost than any other car today. And when you "Test Drive" it, you'll agree that it meets the widest range of motorists' needs . . . that it's the ablest car on the American road!

It's built for keeps **'52 FORD** "Test Drive" it at your Ford Dealer's Friday!

# Crouch Rogers Engagement Announced At Country Club

Miss Barbara Crouch  
Bride-Elect  
Of  
Charles David Rogers

The engagement of Miss Barbara Crouch, daughter of Mr. Paul Crouch, and Mr. Charles David Rogers, son of Mrs. Paul Rogers of Childress, was announced at a tea Sunday at the Pampa Country Club. The wedding date, February 17, was announced on miniature wedding invitations which were distributed by Miss Elizabeth Jones of Amarillo, a cousin of the bride-elect.

Hostesses for the event were Mmes. A. E. Hickman, John O. Pitts, Wade Thomason and Herman Gantz, Rex Rose and Tom Rose.

Miss Crouch, her mother and Mrs. Rogers were in the receiving line. Miss Phoebe Carter and Miss Jeanie Morris registered guests.

# The Pampa Daily News Women's Activities

**WANT TO PRACTICE UP** making a dream of a Valentine cake? With that idea in mind, Peg searched through all her recipes and found this old family favorite. Thought you might like it too. Like all the ones I use, it's fool-proof. (Mine have to be!) You might switch the pineapple to cherry for the Valentine motif.

Cake calls for one cup shortening; two cups sugar; three cups sifted flour; two level teaspoons baking powder; four eggs separated; one-half teaspoon salt; one cup milk and one teaspoon vanilla.

Mix in the traditional manner, creaming shortening and sugar, adding egg yolks; then milk and sifted dry ingredients alternately. Fold in beaten egg whites last. Pour into prepared layer pans. (Fills two nine-inch ones.) Bake in moderate oven (375 degrees) until done.

For icing place in top of double boiler one egg white, one cup sugar, four tablespoons of water, milk or pineapple juice and 1-3 teaspoon of cream of tartar. Before placing this over the boiling water in the bottom of the double boiler and cooking it as you would any other seven-minute frosting, beating constantly until it forms peaks, make filling from one No. 2 can of crushed pineapple cooked until thick with one-fourth cup sugar and one teaspoon lemon juice. Spread this on layers — heart shaped of course, come Feb. 14 — and then cover with the white icing.

**TODAY'S BIT OF PHILOSOPHY** comes from an unknown author — it's called "Be a Good Forgetter"

"Be a good forgetter. Life is too short to remember all that which prevents one from doing his best. 'Forgetting the things that are behind, I press forward,' said a brave old man in the first century. The successful man forgets.

"He knows the past is irrevocable. He lets the dead past bury its dead. He is running a race. He cannot afford to look behind. His eye is on the winning post. The magnanimous man forgets. He is too big to let little things disturb him. He forgets quickly, and forgets easily. If anyone does him wrong, he keeps sweet.

"It is only the small man who cherishes a low revenge: Be a good forgetter. Business dictates it and success demands it."

**WILL SOMEONE WHO KNOWS** the Bible better than I help me find the source of one of my favorite scriptures? It goes something like this: "For in so much as within me lies, I will try to be at peace with all men." I've been hunting it for several weeks.

**DRIVING AROUND THE OTHER DAY** saw a cute little tot out in the yard of the Walter Rogers home. Found out later the house is being occupied now by a new family in Pampa, the Sam Pruett, from Central Texas. He's with the Hughes Development Co. May Peg extend them a hearty welcome to our fair city and assure them that Monday's fierce wind and sand aren't typical — well, not all of the time anyway. We've had some perfectly beautiful weather this winter, don't you think, folks?

**"A THING OF BEAUTY** is a joy forever . . ." Something that strikes me as being a beautiful idea is the planning of benefit dances by so many organizations, as a means of upping the March of Dimes contributions . . . **WE ARE GOING TO BEAT AMARILLO, AREN'T WE?** . . . Seems typical of American democracy and us lucky enough to have healthy straight limbs — actually help heal the afflicted. Bet no other country in the world does things like that.

**IF YOU'RE NOT HAVING MUCH LUCK** with your Christmas camera, we'd suggest you see Mrs. Emmett Osborne, who's becoming quite an authority on the subject, with her visual education work in the home department of the Community Center. She would pick up the ball on the Community Center idea. Haven't heard anything about that or enlarging and renovating the library in a long time. In addition to all the high-sounding motives usually mentioned in connection with the Community Center project, Peg must admit her biggest interest is purely selfish. She wants an indoor swimming pool like crazy. Wouldn't it be fun to take a dip in the middle of winter?

**SIGNS OF THE TIMES** . . . Election of officers and installation banquets . . . Flunkers' dances and new courses full of brand new opportunities to flunk . . . Medical and legal accents all over the place: so many discussions of polio (we always go home with all the symptoms!) Still, gotta congratulate the pluck and determination of the people like the Clinton Evanses and enough for him to be Gray county chairman of the March of Dimes) . . . Mrs. Evans' club turns up with one of the biggest benefits we've heard about yet! . . . Parent Education ladies sold almost all of their 200 tickets to the March of Dimes but we know a party on that scale was lots of work to the busy young mothers involved . . . Kinda makes my back ache to think of carrying all those car loads up all those steps to the club room and that remark to come out of the March of Dimes campaign was Clinton's idea of picking Tom Tipps to head the March of Dimes basketball game, "Because Tom has had more experience beating Amarillo than anyone we know!" . . . To pick up the legal thread, spied Charles Hart out in the middle of the Mile of Dimes Saturday selling poll taxes . . . Also got a glimpse of Mrs. J. L. Benson at the same sale . . . The Hubs building . . . Noticed broad grins on the faces of all the Kefauver boosters when he announced his candidacy Wednesday . . . Spied Pinky Vineyard drumming up trade for Price Daniel enthusiasts . . . Everyone is a little tired of the flu bug . . .

**PANORAMICALLY** . . . "A Pretty Girl is Like a Melody" . . . You're apt to start humming something like that when you see victorious Gene Walker, one of the active workers in "The Call new religious youth movement" . . . Wish I could excel in any of Mrs. W. L. Heakew's hobbies! . . . Here Peg thought her adept skill covering her novel plate collection, and her beautiful stained glass Christmas windows were laurels enough for any woman, when she reads in The News of her outstanding cuisine, a Yugoslavienne, not to mention her mastery of the native embroidery . . . A cheer-woman of the J. L. Mitchells on the birth of their first son . . . Bet one of the Baggerman boys will take a visit at the forthcoming livestock show . . . Envy the gracious telephone manners of Mrs. Roy McKee . . . The wide-awake interest in everything which Mrs. John Plaster exhibits . . . the perfect grooming of Mrs. Jimmy Massa . . . or Helen Hainsell . . . Oh, to play the flute like Charlotte Call! . . . Spied Mrs. M. C. Overton in an exquisite beige crepe blouse and brown skirt, mailing a package a few weeks ago . . .

**PEG'S PROVERBS** . . . We are too prone to blame our shortcomings on circumstances . . . A genuinely kind and considerate nature is not apt to be soured by adversity . . . Illness, hardship, sorrow — anything which detracts our attention from our own behavior — does not change that behavior (only our attitude towards our circumstances can change us); it merely reveals our true selves more clearly.

Few of life's relationships are as sincere as a child's love, especially when there is a fresh supply of carbohydrates in the house.

The desirability of doors as places to hang bits of wardrobes from time to time might never occur to us if it weren't for the wonderful inventiveness of husbands.

**THANKS TO THE READER** who sent in the idea of calling Peg's Panorama "Pamparama" or "Pamparamically" something like that. Good idea and will try to start using that.

**ALL THIS TALK OF PLATFORM** . . . where does this candidate stand on domestic issues? How does that one feel about the national budget? Foreign policy, etc.? . . . It all has poor Peg confused. All she knows is: domestic issues are still a bit dirty from Monday's thorough coating of sand; the budget is getting more and more hopeless with the coming encroachment of income tax; and as for foreign policy . . . Well, I don't know, exactly, cause you're it, you beauty. For without readers who are somewhat satisfied, there can be no . . .

### PEG O' PAMPA

**Canyon Professor Speaks Before Shamrock Group**

SHAMROCK — (Special) — Mrs. Mary Eliger, Canyon professor of child psychology and mental hygiene, discussed children's problems before Shamrock mothers at the Clay chapel here Tuesday.

An expert, educated at the University of Maryland child study center, Mrs. Eliger teaches various area classes in her field, with credit from the Canyon college.

She has conducted classes for Shamrock school teachers for the past two years.

# Pursley-Parker Wedding Vows Exchanged In Home

MRS. JOHN PARKER

In an impressive candlelight ceremony read Thursday evening at 8 o'clock, Miss Mary Pursley, daughter of Mr. and Mrs. Ervin Pursley, became the bride of Mr. John Parker, son of Mr. and Mrs. T. B. Parker. Vows were exchanged in the home of the bride's parents before the fireplace which was covered with white carnations and gladioli. White tapers were used on the mantel, and large baskets of gladioli were placed on either side of the fireplace.

The stairway, from which the bride descended, was decorated with white roses white mums and carnations. The white flowers were entwined in the stair railing and accented with white ribbon streamers.

J. P. Crenshaw, minister of the Church of Christ, officiated at the double-ring ceremony.

Miss Charlotte Allston played traditional wedding marches and accompanied Mr. Bill Hutchinson who sang "Always" and "I Love You Truly."

Miss Mary Pursley, sister of the bride, was candlelighter. She wore a pink net dress over tulle and wore a wristlet of pink carnations.

Miss Dona Airhart was maid of honor, and Miss Clarice Parks was bridesmaid. They wore matching orchid lace dresses over tulle and carried white and orchid carnations.

Bob Rogers was best man.

The bride, given in marriage by her father, wore a ballerina length gown of white lace over satin. The tight-fitting bodice culminated in a full, gathered skirt and was closed in front with small buttons. The neckline was accented with a Peter Pan collar. The short net bridal veil fell from a small sash cap over only jewelry was a bracelet, given to her by her grandmother, Miss P. L. Pursley, and which was given to Mrs. Pursley before her marriage.

The bride carried a single white orchid surrounded with clusters of split white carnations on a white Bible.

The bride's mother wore a navy blue dress with a white rose corsage. The bridesmaid's mother wore a peacock blue dress and a white rose corsage.

A reception was held in the home following the ceremony. The bride's table was covered with a hand-made cut-work linen cloth and centered with a white wedding cake decorated with orchid wedding bells. Orchid gladioli were used on the table.

Miss Ann Berry served the cake and Miss Sarah Parker, sister of the bridegroom, served punch.

When the couple left for a wedding trip to Oklahoma City, the bride wore a beige suit complemented with rhinestone buttons. She wore black patent accessories and the orchid from her bridal bouquet.

Mr. Parker is attending Frank Phillips college in Borger and Mrs. Parker is a senior student in the local high school.

Out-of-town guests for the wedding were Mr. and Mrs. A. V. Maxwell, Greenville; Mr. and Mrs. George Ralphs and family, Happy; Mrs. Mary Wilmyth Dial, Amarillo; Mrs. Ivy Pursley, the bride's great-grandmother, and Mr. and Mrs. Frank Pursley, Miami; Miss Belsie, Lubbock; Mr. and Mrs. L. G. Airhart and family, Happy; Mr. and Mrs. J. Q. Russell and Mr. and Mrs. Keith Bohrer of Skellytown; Mr. and Mrs. L. L. Airhart and Jimmie of Down; Mrs. Sam Strader, Fort Worth; Mrs. Mary McCrary, Mrs. C. L. Dial and Mr. Guss Dial of Loan Oak; Mr. Robert Dial, Phillips; Miss Nettie Beth Hagins, Amarillo; and Mrs. Tommy Airhart of Canyon.

Among the parties honoring Mrs. Parker, was a shower in the home of Mrs. Alfred Cowan this week. Assisting were Mrs. John Hamley, Wayne Robinson, Orville Thornburg and Tommy Hill.

Orchid and white corsages were presented the honoree, her mother, Mrs. Ervin Pursley, and to Mrs. T. B. Parker, mother of the bridegroom.

The table was centered with a miniature bride and bridegroom, surrounded with an arrangement of orchid and white gladioli, and flanked by white candles. The table was covered with a white cloth over orchid.

Mrs. Jim Cornutt, aunt of the bride, presided at the silver coffee service.

Mrs. Alfred Cowan presented special music during the evening. About 75 persons participated in the shower. Among those present were Mmes. Joe Wells, E. W. Southard, F. N. Beiser, Jack Wilkinson, R. B. Dial, C. P. Pursley, Paul Bowers, Sherman White, H. T. Hampton, Jim White, Frank Foster, C. L. Thomas, E. H. Eaton, Frank Yealy, Henry Butler, Loula Timmons; Fred Meyers, and Misses Molly Cornutt, Sarah Parker, Clarice Parks, Dona Marie Airhart and Sara Lou Harney.

Out-of-town guests include Mmes. L. L. Airhart, Dawn Mrs. Keith Bohrer of Skellytown and Mrs. J. Q. Russell of Skellytown; Mrs. A. V. Maxwell of Greenville; and Mrs. A. V. Maxwell, Mrs. Mary McCrary and Mrs. C. L. Dial of Lone Oak.

## WHAT'S COOKIN' IN GRAY COUNTY HD CLUB WORK

By HELEN DUNLAP  
Home Demonstration Agent

If you want shade trees for your home in years to come now is the time to be planting them. As you plan the planting to realize that some of them will spread over a large area. Some of them will be planted for shade, while others can be used to screen barns or other out-buildings, or help in windbreaks.

For appearance, at least trees are needed on the front house. Remember, the front yard should be left smooth and broken. Trees with trimmings will not break the contour of the lawn.

For a background, plant at least one large tree to shade above the roof. This will help to soften those long hard lines. Use two, four, six, eight or even more trees in the back. If the house faces south or west, plant trees that will make heavy shade or side front for framing the north side of the house do not need shade.

Plant the trees close enough to the house to make shade but far enough away that limbs will not scrape. Large trees should be twenty to thirty more feet away from the building. Small trees may be ten to fifteen feet away.

Trees are the most important and most permanent of all planned in the landscape. Even though they require the initial room and cost, they more than pay for themselves in shade and beauty.

With good care, which includes watering and fertilizing, trees will grow and be a pleasure forever.

The Texas Forest Service now offering small trees in windbreak plantings. The trees they still have are cottonwood, orange, red cedar, Chinese elm, parvifolia elm, Chinese Russian mulberry and thorned honey locust. Anyone interested in these plantings may contact the Home Demonstration Agent for more details.

# Miss Tarrant Becomes Bride Of R. E. French

In a single-ring ceremony read in the First Baptist church parlor, Miss Frances Florine Tarrant, daughter of Mr. and Mrs. E. L. Tarrant, became the bride of Mr. Robert Eldredge French, son of Mr. and Mrs. J. H. French of Fort Worth. The parlor was decorated with baskets of white gladioli.

Rev. N. C. Danner of Selma, Calif., an uncle of the bride, officiated at the ceremony.

Miss Doris Mitchell was maid of honor. She wore an eggshell faille suit with light blue accessories and blue carnation corsage.

Gene George of Amarillo, a cousin of the bridegroom, was best man.

The bride wore a white faille

suit with aqua accessories. She carried a white Bible covered with gardenias with aqua streamers tied with sweet peas. She carried out the traditions of something old, something new, borrowed and blue, and a lucky penny in her shoe.

The bride's mother wore a navy blue suit with pink accessories and a rose corsage.

The ceremony was followed by a reception. The table was covered with a lace cloth and centered with a three-tiered wedding cake topped with an arch in which two wedding bells were tied. White gladioli and aqua candles were used.

Mrs. Robert Hodges of Hereford, an aunt of the bride, presided at the punch bowl and Miss Mitchell served the wedding cake.

Out-of-town guests included Rev. and Mrs. N. C. Danner, Mr. and Mrs. Robert Hodges, Terry and Sherry of Hereford; Mr. and Mrs. Gene George of Amarillo; Mr. and Mrs. Myron Gillman, Mr. and Mrs. V. R. Goodenough and Georgeann, Mr. and Mrs. Jim Braden and Cecilia Ann, all of Borger.

The couple is now at home at 219 Sunset Drive. Mrs. French is employed by the Hughes Investment Co., and Mr. French is with the Bell Telephone Co.

Mrs. French was honored last week with a shower in the First Baptist church parlor. Hostesses were Mmes. Hattie Holt, O. S. Schiffman, G. H. Anderson, S. E. Waters, Jim Hopkins, W. H. Lewis, Elizabeth Doggett, Emmett Forester, Louis Tarpley, J. H. Tucker, Oscar Shillings, Ernest Aray and Miss Doris Mitchell.

Small white chrysanthemum corsages were presented the honoree and her mother, Mrs. E. L. Tarrant.

The bride's chosen colors, aqua and white, were carried out in table decorations. The table was centered with an arrangement of small chrysanthemums, flanked by aqua candles in crystal holders. Mrs. Anderson presided at the tea service and Mrs. Doggett served individual cakes decorated in aqua and white.

Miss Mitchell presided at the guest register.

Gifts were displayed on a table covered with a cut-work cloth.

MR. AND MRS. ROBERT ELDREDGE FRENCH

**Slemmer-Jeter Engagement Is Announced Here**

SHAMROCK — (Special) — Mr. and Mrs. Charles Slemmer, Shamrock, announce the engagement and approaching marriage of their daughter, Carol Jane, to Basal Jeter.

Wedding is slated for March 1 at the First Baptist church, with Rev. James Todd, pastor, officiating in a double-ring ceremony.

Miss Slemmer, a high school junior here, is a leader in the Irish High school band and a member of the Rainbow girls.

Mr. Jeter, son of Mr. and Mrs. J. M. Jeter, Twitty, is a 1951 graduate of Shamrock High school and is employed by the Phillips Co. at Phillips.

**Canyon Professor Speaks Before Shamrock Group**

SHAMROCK — (Special) — Mrs. Mary Eliger, Canyon professor of child psychology and mental hygiene, discussed children's problems before Shamrock mothers at the Clay chapel here Tuesday.

An expert, educated at the University of Maryland child study center, Mrs. Eliger teaches various area classes in her field, with credit from the Canyon college.

She has conducted classes for Shamrock school teachers for the past two years.

### Sam Allen Of Wayland College To Present Sacred Music Concert In First Baptist Church Tonight

A group of artists from Wayland college will present a concert of sacred music at 8 p. m. Sunday in the First Baptist church here. Mr. Sam Allen will sing several selections, including "The Holy City."

SAM ALLEN

### Put On Make-Up By Right Light

Every time you apply your make-up under poor lighting conditions, you risk color distortions. As you know, even the slightest over- or under application of rouge or powder can spoil your appearance.

NEEDED FOR SKELETONS Crayfish can live only in waters that supply enough calcium carbonate for the formation of their skeletons, according to the Encyclopedia Britannica.

### Teen Topics

Valentine day is that special day for someone who is "the one and only." Let your sweetheart know he or she is The One, but also let the other sweethearts know you appreciate the tender love and unselfish service they express every day.

### Price Talks Slated Here

Two trade meetings for separate groups of Pampa and Gray country businessmen will be held this week to acquaint them with new ceiling price regulations, the local chamber of commerce and Lubbock district office of price stabilization have announced.

Merchants who sell farm machinery and parts, automotive parts and consumer services related to these fields will meet at 8 p. m., Wednesday, in the Palm room, city hall, to hear S. R. Blake, price specialist, discuss price regulations as they apply to farm machinery and automotive parts.

The following night at the same place retail liquor dealers will meet to hear an explanation of ceiling prices pertaining to them. Alton Taylor, price specialist in foods section will conduct the meeting.

E. O. Wedgworth, manager of the Pampa Chamber of Commerce, pointed out the meeting is for all merchants in this area.

### Perryton Show Is Scheduled Feb. 12

The sixth annual sale of the North Plains Hereford Breeders Assn. will be held in Perryton Feb. 12, with 41 bulls and 29 females consigned from some of the outstanding registered Hereford herds in the North Plains area.

The sale will follow the annual show, to be held Monday afternoon, Feb. 11. Prize ribbons will be given in ten classes.

Don Good, head of the animal husbandry department of Kansas State college at Manhattan will judge the Herefords.

### Oscar L. Tibbets Seeks McLean Post

McLEAN — (Special) — Oscar L. Tibbets has announced his candidacy for commissioner of Precinct No. 4.

Tibbets has been a resident of this area for the past 33 years.

Locally, the political situation outside of Tibbets' announcement, remains the same. Commissioner Ernest Beck, Constable Luke Henley and Justice of the Peace C. S. Rice have announced for re-election. So far, Beck is the only one who has drawn any opposition.

### Irish Weatherman Setting Good Record For Accuracy

By GEORGE BURRIS News Correspondent  
SHAMROCK — (Special) — Shamrock's weather expert is seldom wrong, and that's why

Burl Golson has so much faith in Burl Golson.

Burl has attained the status of a sage in the Irish city. Each morning he comes on the local radio station, KEVA, with a report on the day's weather, with reports of temperatures at various times the preceding day and up to radio time.

Golson allows himself a margin of four degrees each way in predicting highs and lows and misses very seldom. He has had many laughs at the expense of the government forecasters in larger cities, because he's had the last laugh.

One of the top football fans in the area, Golson goes along with Jim Abbott, KEVA sports-caster, to help broadcast the Irish grid clashes. He knows every player on sight and comes up with who did what in spectacular fashion.

Golson predicted the temperature would be 27 degrees at the Delhart football game kicked here Nov. 2. It was 28. Last week he said a cold front would move in at 7:36 p. m. It was not more than four minutes off.

For the Dumas football game last fall he purchased a green top hat with a white band around it, inscribed, "Shamrock 14, Dumas 0." He wore it at the game, too. If you want the weather, just listen to Burl Golson. If you want to know when a cold front will move in, listen. You can just about set your watch by the opening gusts.

Helen Heen Helen Helen Helen Sports Fillers for AMs and PMs Crosley Field in Cincinnati was dedicated on Saturday afternoon May 18, 1912.

SHAMROCK — (Special) — Mrs. Lillie Harris, 63, who died in an Amarillo hospital Friday, were held at the Assembly of God church here at 3:30 p. m. Saturday with Rev. J. J. Grubbs, pastor, officiating.

She had been in ill health for two years and in the hospital for the past five months.

Survivors include her husband, Jack Harris, Shamrock; two daughters, Mrs. Helen Hill, Texola, and Mrs. Imogene Jaraman, Fresno, Calif.; five sons, Clarence, Herbert, Cheyenne, Wyo.; Mammoth and C. B., both of Shamrock; nine grandchildren and one great-granddaughter; two sisters, Mrs. Louisa McCullars, Fall City, Ala.; and Mrs. Lucy Curtis, LeCombe, Minn.; and two brothers, C. C. Shipman, Shamrock, and John Shipman, California.

Mrs. Harris was born in Double Springs, Ala., June 24, 1888, and married Jack Harris, Dec. 25, 1902, in Double Springs. She had been a member of the Shamrock Assembly of God church since 1929. Burial was in the Shamrock cemetery with Clay Funeral home in charge.

DR. H. C. SIVELLS  
Dr. H. C. Sivelles, associate secretary of the State Baptist Brotherhood Dept., will lead the Palo Duro Association Brotherhood conference which opens in Skellytown Monday.

The session will be held in the First Baptist church there and is slated to hold through Wednesday. Dr. Sivelles is expected to be in the area about a week.

Also participating in the programs will be C. J. Humphrey, past associational Brotherhood president who will be a speaker and provide special music. C. C. Kelly of White Deer is present associational president.

Dr. Sivelles will discuss the Brotherhood Guidebook and other phases of Brotherhood work during the three-day session.

WTSC Graduate Joins McLean School Staff  
McLEAN — (Special) — Joe Walker, a graduate of West Texas State college in Canyon, has joined the staff of McLean High school.

Walker replaces Mrs. Vernone Day who resigned at the end of the first semester because of ill health. The new teacher is from Floydada. He will teach 8th grade, freshman and sophomore English classes.

### Korea Vet Speaks For Legion Meet

Capt Eugene Cook, veteran of the Korean war, will tell Panhandle American Legion members of his experiences in flying raids against the Communists at a meeting to be held here Monday.

Capt. Cook, a veteran of seven-months' duty on the Korean front, piloted a B-26 in strafing and bombing raids against Red troops. He was in Korea from Jan. 6, 1951, until Nov. 29.

The meeting here will open at 8 p. m. in American Legion hall with the Legion auxiliary, wives of members and veteran guests invited, according to Ray Salmon, post commander. There will be refreshments.

Capt. Cook's talk will be informal with a question-and-answer period slated. The Korean veteran is now stationed at Amarillo Air Force base.

### Mrs. Lillie Harris Services Saturday In Shamrock

SHAMROCK — (Special) — Services for Mrs. Lillie Harris, 63, who died in an Amarillo hospital Friday, were held at the Assembly of God church here at 3:30 p. m. Saturday with Rev. J. J. Grubbs, pastor, officiating.

She had been in ill health for two years and in the hospital for the past five months.

Survivors include her husband, Jack Harris, Shamrock; two daughters, Mrs. Helen Hill, Texola, and Mrs. Imogene Jaraman, Fresno, Calif.; five sons, Clarence, Herbert, Cheyenne, Wyo.; Mammoth and C. B., both of Shamrock; nine grandchildren and one great-granddaughter; two sisters, Mrs. Louisa McCullars, Fall City, Ala.; and Mrs. Lucy Curtis, LeCombe, Minn.; and two brothers, C. C. Shipman, Shamrock, and John Shipman, California.

Mrs. Harris was born in Double Springs, Ala., June 24, 1888, and married Jack Harris, Dec. 25, 1902, in Double Springs. She had been a member of the Shamrock Assembly of God church since 1929. Burial was in the Shamrock cemetery with Clay Funeral home in charge.

### Irish Booster Club Names President

SHAMROCK — (Special) — Perry Bear is the new head of the Shamrock Boosters' club, succeeding Ben Parks, who moved to Memphis.

Bear was vice-president of the organization and moved up with Park's departure. He has served as secretary-treasurer of the club, a director of the chamber of commerce, director of the Shamrock Golf club and former member of the local hospital board. At one time he was president of the Irish Rotary club.

### Local Student Is Practice Teacher

ABILENE — Sussie Huff, senior student at McMurtry college from Pampa is among the 21 students named by Dr. Andrew W. Hunt, head of the Education Department to a practice teaching appointment for the spring term.

Miss Huff, the daughter of Mr. and Mrs. C. H. Huff, is practicing teaching physical education at South Junior High School.

### Takes Engineering

SHAMROCK — (Special) — Jim Abbott, manager of local station KEVA, is attending radio engineering school at Burbank, California. He is taking a six-week course and will return in February to assume his managerial duties. While Abbott is in California, Ray Boyd Kilman, former KEVA employee, is back on the air.

GIRL SCOUT LEADERS DISCUSS FRIENDSHIP AFFAIR — Pampa Girl Scouts will hold the Juliette Low World-Wide Friendship fair in Pampa March 8 and leaders, shown above, already are making plans for the event. Shown are Mrs. Gene Fathore, Juliette Low chairman; Mrs. Ruth Jordan, president of the Pampa Girl Scout Assn., and Mrs. Dudley Steele, chairman of the program committee for the Girl Scout association. Last year's fair was held at the Junior High school gymnasium but leaders will seek permission to use the new field house at the high school. (News Photo)

### Shepherd Named British Envoy To Poland

LONDON — (AP) — Sir Francis Shepherd, Britain's envoy to Iran since the Iranian oil crisis exploded, was named ambassador to Poland.

The 59-year-old career diplomat will go to Warsaw to replace Ambassador Sir Charles Bateman, who is retiring.

No replacement of ambassador "has" is in sight for Iran. After Shepherd's departure from Tehran, the British embassy there will be headed by charge d'affaires George H. Middleton.

Premier Mohammed Mosaddegh's government rejected Robert Hankey as new British ambassador to Iran because he had served in the country as first secretary of the British embassy from 1942 to 1944. An Iranian spokesman said an envoy without previous experience in Iran would better facilitate a settlement.

The British appeared in a hurry to put up a second choice for Tehran.

The British foreign office emphasized that Shepherd's transfer is in no way a reprimand for his action in Iran nor a reprisal for Iran's closing of nine British consulates Monday. The diplomat's career has been studied with service in hot spots — in Barcelona during the Spanish Civil War, in Germany during the 1938 Munich crisis, in the Danzig consulate when German troops moved into the town at the outbreak of World War II and in Java during postwar troubles there between Indonesian Nationalists and the Dutch.

### Water, Gas Rates In McLean Boosted About 20 Percent

McLEAN — (Special) — Members of the city council have announced an increase of approximately 20 percent in gas and water rates for customers of utilities in McLean.

The new rates will be placed in effect on the bills which are mailed to customers Feb. 1.

Higher costs of all phases of operation were cited as reason for the increase. The council states that rates for McLean will still be lower than 90 percent of other towns and cities in Texas.

### Completion Near On Appraisal Of Shamrock School

SHAMROCK — (Special) — Pritchard and Abbott, valuation appraisers, expect to complete their determination of the Shamrock school area within the next few days, E. S. Pritchard, firm member, told Supt. Elmer J. Moore last week.

Those last fall to determine correct evaluations of all district and city property, the firm has been working on the program. They are sending in their evaluations for a final, clean-up check before issuing a report.

One of the major purposes of the survey is to correct inequities of evaluation. Every home in the area has been measured for overall size and evaluators are now determining value complete with internal fixtures and equipment.

Officials point out that the purpose is not to raise anyone's taxes, but to determine the correct value and apply the same percentage of tax to everyone's property, thus establishing equality in this field.

An Open Letter To Price Daniel

Mr. Price Daniel, Attorney General, Austin, Texas

Dear Mr. Daniel: In your radio address of Jan. 21 you appealed for voters to agree with the principles for which I stand and are willing to accept me.

Well, sir, let's talk about it. This is not a simple or casual observation, but I think you can appreciate the fact that I am a "new broom" and "throw the rascals out" is likely to meet with a heated reaction among the gentry of the city.

There is a strangely familiar ring to the phrase, an echo from the caves, from Greece and Rome and from our own United States history. The problem, it seems, is not so much to throw out the existing group of rogues but to make certain a new group does not succeed them.

To put it on another basis — a man is not too interested in getting rid of the crooked fox if he expects it to be replaced by the whopping cough.

On a number of points, Mr. Attorney General, we can go down the road with you. There is no doubt that taxation has become confiscatory and government control undesirable; and we can throw in with anyone who shows an honest desire and ability to deliver us from bondage and eternal debt.

We most heartily approve your declaration against socialized medicine "as well as every other scheme toward further socialization of this country."

Baxter's Views

BY DAVID BAXTER

LOYALTY — An Odessa, Texas man who doesn't want to be quoted believes this column to be "Fascistic" and "jingoistic" because it has often stressed nationalism and "America first," as far as earthly nations go.

In this connection it may be recalled that I have never thought much of these so-called "loyalty oaths" because, for one thing, no one can be forced to be loyal to anything. Loyalty is a process of moving a thing, signing a paper or saying words doesn't make anyone loyal.

Consequently, when I speak of being loyal to the United States, I mean I want to know how you are loyal to an image or a flag or to something that majority says is right, whether it is or not, or to a name?

I hardly think so. In my case, I mean I want to know how you are loyal to a cause or principal, as well as faithfulness to an obligation or duty.

It is obvious, then, that I cannot serve God and mammon at one and the same time. I cannot be loyal to certain Divine precepts and loyal to immoral laws passed by immoral men at one and the same time.

It takes individualists who do their own believing to make loyal Americans — people who understand and believe in the principles which the word "American" implies.

U. S. Pennies Scarce — NEW YORK — (AP) — There was a scarcity of pennies in the United States in 1951 despite a double shift in operations by the Bureau of the Mint to meet demand.

It is our hope that we can, in good conscience, support your candidacy for the United States Senate. And we shall be watching with great interest as you explain and enlarge upon your political philosophy.

Better Jobs

By R. C. HOILES

Spoiled, A Good Truck Driver — When one reads Governor Warren's statement that social progress is not socialism, one sees how public "education" has spoiled a good truck driver and made a bad governor.

Warren is big and strong and would make an ideal truck driver. He has a nice smile that would please the recipients when he delivered merchandise.

How Arbitrary Can Public Schools Become? — A recent act of a public school teacher in Antioch, California is certainly evidence of the truth of Lord Acton's statement that "All power (political) corrupts, absolute power absolutely corrupts."

A 15 year old girl by the name of Theola Barton came to the Antioch school with her hair done up in pin curls. The teacher, Mrs. Arney, was so shocked that the majority had a legal right to send the girl home.

It is of mighty little importance how a girl wears her hair compared with the socialistic poison indoctrinated into the minds of the youth.

The American people have permitted an unspeakable host of predators to prey on us in the heart of old Europe — a new and infinitely worse, and more ingenious version of the reconstruction of the South.

The Doctor Says — By EDGAR P. JORDAN M. D. — When one considers that the mouth is exposed to all the irritating substances contained in the air, it is not surprising that it is the best of form of government thus far seen on earth.

Excessive salivation can be present in Parkinson's Disease and other conditions of the nervous system. Irritating foods or drinks may cause salivation. In a few people, the trouble seems to be in their constitutions, and little can be done about this annoying symptom.

Pyrethrum, an insect powder used in killing plant lice on chrysanthemums, is made from the dried florets of a species of chrysanthemum.

Or So It Seems

Political Mischief, Waste Being Carried Out In Germany — The American people have permitted an unspeakable host of predators to prey on us in the heart of old Europe — a new and infinitely worse, and more ingenious version of the reconstruction of the South.

National Whirligig....

Can Taft-Byrd Combination Defeat Truman And Barkley?

Once each week, this veteran Washington newspaper correspondent devotes his column to answering readers' questions of general interest on national and international politics, and personalities.

By RAY TUCKER — "Senator Taft," writes H. O. of Brooklyn, N. Y., "has said that he would welcome a running-mate from the South, assuming that he wins the GOP presidential nomination."

They have a definite philosophy of government, and though it is not widely popular in these days, they stick to it. They don't hedge, trim or violate convictions for the sake of votes.

WEEK — However, I believe that such a ticket would be politically weak and vulnerable for several reasons. I might note, too, that I doubt if the senator from Virginia would accept nomination on a Republican ticket.

HANDICAP — The Ohioan and the Virginian, in my opinion, would be dismally weak in cities like Boston, New York, Philadelphia, Chicago, Cleveland, St. Louis and so on to the Pacific Coast.

# Need an Apartment? Read Classification 95

Here's how the President's \$85.4 billion budget for fiscal year 1953 breaks down, in comparison with same breakdown for 1951 and 1952. Outstanding feature of the new budget is, of course, tremendous rise in spending for the military (\$31.2 billion) and for aid to foreign countries and other international affairs (\$10.8 billion). Note that veterans will get somewhat less in fiscal 1953, because of reduced spending for readjustment benefits and insurance; however, with armed forces rapidly expanding, the downward trend is expected to be halted and perhaps reversed in future.

**BOMBHELLS AWAY**—French bombshell Corrine Calvet, left, and Hungarian bombshell Zsa Zsa Gabor, above, are bombarding each other via the Hollywood columns. Erskine Johnson, Hollywood reporter for NEA and The Register, reports a brisk round that finds Corrine accusing Zsa Zsa of acting like "a countess from a mediocre light opera" with her low-cut gowns. "There's more to glamor than sticking your chest..."

## Corrine Leads In Third Round Of Verbal Battle With Zsa Zsa

Out of \$10.8 billion requested in budget for International Security and Foreign Relations:

**FOREIGN AID'S BITE**—Military and economic assistance to foreign nations eats up almost all the funds for International Security and Foreign Aid requested in President Truman's budget for fiscal 1953. The total of \$10.8 billion is \$3.6 billion more than the fiscal 1952 budget item and the \$10.4 billion for military aid is \$3.9 billion more than was allocated for fiscal 1952.

**DOWN ON THE FARM**—Colwell Dickson, 15, of Millbrook, N. Y., built this working scale-model farm with a cash outlay of about \$40, plus plenty of patience and long hours of after-school work. Dickson's farm, with completely wired barn and shed, includes model tractors, loaders, wagons, silo filler and many other labor-saving devices.

## CARNIVAL

**HAS MODEL PLAN**—Model June King has thrown her shapely frame behind efforts of a New York state assemblyman to equip all models with special identification cards. June is tired of hearing how some shady ladies try to pass themselves off as models. Says she: "I think the profession deserves to be considered as dignified as selling insurance."

Well, there's no more wash... but there's not much of YOU left either! Better call us for next week's laundry. Prompt pick-up and delivery service. Call 205.

**SUMMERTIME SOUTH OF EQUATOR**—Spacious promenade with view of the Pacific at Vina del Mar, Chile, is lure for those wishing to escape rigors of a northern winter.

**PLASTIC CLOTHING IN GERMANY**—Models display clothing made of plastic fabrics with silk-like texture, styled by Heinz Oestergaard at Dusseldorf fashion show.

## MILITARY SPENDING

Here's what the \$51.2 billion which the President wants for military spending in fiscal year 1953 means in terms of actual combat strength. Lion's share of the breakdown goes to the Air Force, with \$11 billion to be spent for planes to build U. S. airpower to more than 100 wings, toward an eventual goal of 143 wings. The Navy gets the second of 10 planned super-aircraft carriers, and the Army expands to 3,700,000 men, up 2,100,000 since the Reds attacked Korea. President Truman warned Congress future military budgets will carry the same astronomical figures, with no cuts in sight before fiscal 1955.

## ONE HALF SECTION WHEAT LAND

250 Acres in Wheat and 70 Acres in Good Grass. 1/2 Royalty on all but 80 Acres, Gas Check Amounts to Over \$50, per Month. This Farm is Level and we Don't Believe you will Find a Better Farm in the State. Price Reduced to \$105 per Acre.
