## President Says Free Nations Need U.S. Aid

WASHINGTON — (AP) — President Truman forecast today the "ultimate decay of the Soviet slave world," provided free nations build up their military strength.

But, he told Congress, the free world cannot rearm adequately without continued American help.

Submitting to Congress the first report on the \$2,000,000,000 mutual security program, President Truman made his third plea in 24 hours for the plan's approval.

He told Congress, still flailing about scaling down the program despite his 7,000-word special message to Congress yesterday, followed by a direct radio-TV plea to the nation last night.

"The ultimate decision between free world and slave world lies in the balance."

"For the safety of western Europe, the year 1952 may well be the critical time in the defense buildup, bridging the period between extreme vulnerability and effective preparedness."

Today's report went far beyond his message to Congress and the address to the nation in supporting arguments for the Mutual Security program, the official name for the combined foreign military and economic aid programs.

The President outlined the things already accomplished in the joint rearmament drive touched off by the outbreak of the Korean war as well as outlining how new funds will be spent, and what can be expected. But even administration supporters conceded that the program faces a tough time in this election-year Congress.

The President said "neutrality," which he defined as the "ostrich-like disposition to ignore the reality of the Soviet threat," has steadily declined as confidence in the free world's defense has grown.

## 275 Injured When Bleachers Collapse

BALTIMORE — (AP) — A huge section of ice show bleachers, "not even nailed down," collapsed like a giant game of jack-straws and injured more than 275 persons last night. Thirty-two of them were reported in "serious condition."

As 10 hospitals continued treating the bruised and battered victims, the city revealed it hadn't issued the Sonja Henie show a permit for the temporary stands in Baltimore's Fifth Regiment armory.

Though none was required by law, the show had asked for one and had been refused, according to Building Inspector Paul Cohen.

The massive section shattered and gave way about 8:25 p.m., five minutes before the show was scheduled to begin.

The heavy beams and planks went down with a roar, pinning men, women and children under a mass of heavy splinters. Men tore at the tangled beams to

rescue screaming children and crying women.

There was no panic among others in the crowd, and the rescue operation carried on by police, firemen and national guardsmen was completed within 20 minutes.

Cohen said the show was refused a request for a permit because all stands were not up at the time inspectors called yesterday afternoon.

He added that none would have been issued anyway since the section which would seat about 700 persons was "of temporary construction and not even nailed down."

Manzer insisted he had okay for withdrawal of bank funds.

Wellington's former bank president, Leiford Ashton Manzer, charged with embezzling \$80,000 and making false entries in bank records, testified in court Thursday that he had had permission to draw on depositions.

On trial in federal court in Amarillo, Manzer testified he did not have direct authority to draw on two accounts of Mrs. Hattie May Sims, Wellington and Dee McDowell, Shamrock, but said he had talked previously with the two people and assumed he had authority to handle their accounts.

Mrs. Sims and McDowell testified that Manzer was not authorized to draw on their accounts. They said withdrawals, \$30,000 in each case, were made without their knowledge or consent.

Manzer claimed he had been authorized to draw on the account of D. D. McDowell, former president of the bank, prior to McDowell's death, and assumed that the authority extended to Mrs. Sims' children, D. D. McDowell, when their father's money was left to them.

Questioned about a note payable to Mrs. Sims, which was introduced as evidence by Manzer's attorneys, Manzer admitted the interest on the note was not paid.

Asked how he paid back the money, Manzer said, "I withdrew margin accounts with Bennett & Co. and Merrill Lynch, Fenner and Beane."

Manzer testified he had been buying and selling grain and cotton.

Hearing of testimony in the case began Thursday morning and the government rested its case yesterday afternoon.

Manzer is represented by Jimmy Martin and Joe H. Jones, Dallas attorneys.

## Bandits Escape In Green Sedan

NAVAL AIR STATION, QUONSET POINT, R. I. — (AP) — Two masked men carrying short, stubby revolvers held up the Quonset Point Naval Air Station Credit union today and escaped with \$100,000 in cash.

Naval station officers said the bandits fled in a green sedan, racing through the air station gate at 50 miles an hour. Three Marines were on duty at the gate.

Government funds were not involved.

Gerald Lynch, Apponaug, R. I., the credit union manager, and Thomas Smith, civilian guard, were about to carry the funds — in canvas sacks — from their parked cars at the rear of the building when the bandits drove up.

Lynch said the gunmen jumped out of their car, waved the guns at them and one of them said: "We're not kidding."

Lynch said the two men grabbed the money sacks, jumped into their green sedan and fled.

One of the Marines at the gate jumped into a car and gave chase but was unable to overtake the bandits. The bandits' car later was found abandoned about five miles from the air station.

The bandits were wearing green Navy fatigue clothes and Halloween masks, Lynch said.

Lynch received the money a few minutes earlier from the naval disbursing department to cash pay checks for Civil Service employees.

The credit union is an organization composed largely of civilian employees. Its assets are listed at \$1,500,000.

The air station is in the southern part of Rhode Island, on Narragansett bay.

FBI agents arrived. State police threw up road blocks.

A safe in the credit union's office was broken into in January, 1951, and \$60,000 taken.

Area Officers Stage Crackdown On Crime

CANADIAN — (Special) — Panhandle officers declared war on safecrackers and hijackers yesterday as Amarillo officials arrested two youths who have admitted the safe-cracking attempt at Held Chevrolet in Canadian last week, along with 14 other jobs in three states, and a Hutchinson county deputy sheriff bagged a pair of youths charged here with the hijacking of an Air Force corporal on the highway a few miles south of Canadian Wednesday afternoon.

The Berger pair was brought to Canadian this morning by Sheriff Clyde Riskey and Deputy Tom Newton, and lodged in Hemphill County jail with preliminary hearing slated this afternoon.

The safecrackers are being turned over to Kansas officers for a face trial on a number of prior charges in that state, and probably will not be tried in this county, Riskey said.

Amarillo sheriff's officers bagged Maurice Webb, 21, and Robert Lincoln Jones, 25, both Amarillo youths, Tuesday afternoon, but missed a third member of the safe-cracking trio, ex-convict Billy Dendy, rated as one of the top safe-peers in the state. Dendy is being sought in three states in connection with a series of robberies.

Webb and Jones admitted the Held Chevrolet job here last week, and said they had bungled the safe-cracking because Dendy was asleep in their car at the time and didn't help out.

They also confessed to fourteen other recent burglaries, including a Spearman school robbery, a Booker service station, three laundries in El Reno, Oklahoma; an implement house in Hooker; a lumberyard in Miami; and robberies in Wichita, Liberal, Emporia, and Newton, Kansas, and Amarillo, Texas.

Two youthful hitchhikers who hijacked an Air Force corporal, Dean Richard Fairchild, 20, near Canadian Wednesday afternoon, were nabbed in a Borger bar-

## Beautiful 'Oilboat Olga' A Strain On Senators' Dignity

WASHINGTON — (AP) — Beautiful Olga "Oilboat Olga" Konow, the New Yorker who had to tell a Senate committee about her surprisingly lucrative business, really became a ship-owner and broker because her handsome Norwegian husband, Magnus Konow, used to say, "shipping is for men, Olga."

"Dis cannot be so," said she to herself in a Marlene Dietrich voice which comes natural. Mrs. Konow was born in old Austria-Hungary, in Selvau, which is now in Czechoslovakia.

She was a distinct strain on senatorial dignity, and a joy to the press box, as she told a Senate committee how she made half a million dollars in a sale of surplus U.S. tankers to a company heavily financed by wealthy Chinese. The committee is investigating several tanker deals which made tremendous profits for a star-studded list, including former Congressman Joseph E. Casey, now a Washington lawyer.

Mrs. Konow is tall, with big green eyes, and a halo of silvery hair, but nary a line in her soft, round face.

"Dis is so surprising the Senator want to hear from me," she said. "My husband and I think it such an honor. I may be the only woman ship-owner today.

But I am such a little one. You say, that, please. The men know."

"So I get on the plane. And half way I think maybe I should have a lawyer. So I turn to the man next to me, and he say, 'I take you to my friend.' So we take a taxi from the airport and Mr. Kelly' (Roy Kelly, a Washington lawyer).

"He was so busy," she continues. "He wants to read through all that transcript, I say, 'no, no, just find out where I fit in, and how I can help the Senator.' So he find out."

"Then the zero hour. She says, 'It is not easy, you know. I have fine butterflies in my tum-tum. But those senators are so handsome, and they are so-o well-dressed. I sat down. But those lights. Those cameras. Can you believe it? I never saw a real movie camera before."

"I have told Kelly I just tell the truth."

She said her interest in the shipping business is just profit. She has little or no interest in international complications.

# Congress Is Asked \$450,000 On Repair Of McClellan Dam

A McClellan Creek dam spillway appropriation of \$450,000 has been asked of Congress, according to Washington news sources.

The money for the dam spillway, south of Pampa, was requested in the third supplemental appropriations bill which the House Appropriations committee acted on yesterday.

The amount was recommended for appropriation by the budget bureau following a request by Rep. Walter Rogers.

J. C. Dykes, Soil Conservation service deputy chief, told the congressional group that the structure is in "critical condition."

He pointed out that heavy rains last May caused damage estimated at \$105,000 to privately owned property below the spillway.

Dykes and Rogers agreed that another large storm on the watershed could cause damage up to \$350,000 of private property below the dam. Dykes pointed out that some 17 persons live in the flood area of the dam.

Opposition was voiced by Rep. H. Carl Anderson, Minn., who suggested the 17 families move from the area.

Mississippi's Rep. Jamie Whitten pointed out that some 50,000 people in the Panhandle use the recreation facilities yearly and "tremendous amounts are spent on recreational projects by other agencies, while we have been much lighter on agricultural recreation projects than most committees."

By-laws of the newly organized association were adopted and membership cards ordered, Wedgeworth said.

"The last stretch of unpaved highway on 60 is now under construction in Eastern Oklahoma," Wedgeworth said, "and we are going to cooperate with the National Hwy 60 association in promoting and encouraging traffic over this route from the Atlantic to the Pacific."

Minimum membership in the association is \$5, Wedgeworth pointed out. This also entitles the member an affiliation with the national group.

## Chipper Krause Dies In Oklahoma

Chipper Krause, five-year-old son of Mr. and Mrs. Walter R. Krause, Jr., former residents of Pampa, died this morning in Wirt, Okla., following a lengthy illness.

Mr. Krause is a former Pampa Division employe of Kewanee oil Co. Mrs. Krause is the former Betty Lou Archer, daughter of Mr. and Mrs. Roy Archer.

Funeral services for the child are pending.

## Red Cross Donations Near \$3000

Red Cross contributions from residential, rural and business persons started rolling in on Gray County Red Cross Drive workers today, Executive Secretary Mildred Hill said.

"Contributions amounting to about \$3000 from mail donations have already been turned in," Mrs. Hill added.

County workers hope to wind up Gray county's drive within two weeks and already are off to a better start than in 1951.

Drive Chairman Howard Buckingham said the response from the 4500 letters mailed by Red Cross workers had been fairly good.

"With a little more hard work, I think we may get the remaining \$8000 we need to meet our county quota of \$12,326," Buckingham said.

## Minstrel Practice To Get Underway By Lions Tonight

First rehearsals for the annual Lions club minstrel show to be held April 24 and 25 will be held today at 8 p. m. at the Helen Madeira school of dancing.

Steering Committee Chairman Ed Myatt announced.

The committee met last night and agreed on dates to hold the annual show. It will be presented in the Junior High school Auditorium.

Myatt stressed that all Lions and their wives were expected to attend the rehearsal tonight so that plans can be completed and actual rehearsals get underway.

In Thursday night's meeting, program arrangements, advertising and other details were ironed out by steering committee members.

## Hwy. 60 Group Plans Drive For Members

A membership drive was planned by directors of the Texas Branch of Hwy. 60 association which met at a luncheon yesterday in Amarillo.

Presidents of local associations are to head the drive in the 17 individual areas from the Oklahoma line to New Mexico. The drive will continue until the next meeting of directors April 7 in the Herring hotel, Amarillo.

Howard Buckingham, president of the Texas Branch of the association, will head this area's drive.

Buckingham, Frank and director and E. O. Wedgeworth, chamber of commerce manager, attended the Thursday meeting representing Pampa.

By-laws of the newly organized association were adopted and membership cards ordered, Wedgeworth said.

"The last stretch of unpaved highway on 60 is now under construction in Eastern Oklahoma," Wedgeworth said, "and we are going to cooperate with the National Hwy 60 association in promoting and encouraging traffic over this route from the Atlantic to the Pacific."

## Girl Scout Plans Completed For Fair

The Girl Scout Friendship fair will get underway tomorrow at 6:30 p. m. in the junior high auditorium.

First on the agenda will be the grand entry in which all troops will be represented. The flag ceremony will be given by Troop 22, and a song, "O Beautiful Banner," will be sung by all troops.

The welcome will be given by Mrs. Du'ny Steele, program chairman. Mrs. Rufe Jordan, president of the Girl Scout Association will give the devotional and Mrs. Gene Fatheree, Juliette Low chairman, will speak on the Juliette Low fund.

The various troops participating in the program and their themes are: Australian Cowboys, Troop 9, under the leadership of Mrs. Bob Andis; "Comin' Through the Rye" by Troop 6 and 10; "The Texas Square Dance" by Troop 26; a military drill, Troop 2; a singing game, Troop 23; The Brava's Women's league, Troop 28; and a candle-light service with Troop 22, under the direction of Mrs. Harold Osborne. The program will close with Taps.

## Girl Scout Leader Resigns Position

Girl Scout Day Camp Chairman Mrs. John McNeil resigned at a board meeting of the Pampa Girl Scout Assn. this morning.

Day camp training will be held in Dallas March 31 through April 5 and the council voted to send two delegates this year. Joyce Massa, nominating chairman, will handle Mrs. McNeil's resignation. Her successor will be announced later.

At this morning's meeting Waldon Moore gave a report on the Dallas camp training. Mrs. Gene Fatheree reported plans were completed for the Friendship fair Saturday.

Olga Schropky will conduct the dramatics workshop in Amarillo at the Episcopal Parish house March 28 from 10 a. m. to 3:30. It was announced at the meeting.

Council members made up a Juliette Low fund to be added to the fund collected at Saturday's fair.

Office secretary Mrs. Fern Dawson was presented with a thank-you present.

### Challenges President To Run Again

WASHINGTON (AP) — Sen. Brewster (R-Mo.) today challenged President Truman to seek reelection, saying it's time to call his bluff.

Brewster, a supporter of Sen. Taft of Ohio for the Republican presidential nomination, made the statement in commenting on remarks attributed to Truman by Rep. Bryson (D-S.C.).

Bryson and Rep. Rivers (D-S.C.) conferred with the President yesterday and Bryson said afterward: "The President said that if he were sure that Taft would not get the Republican nomination and would not get elected if he got it, he (Truman) would know what to do himself about running. He indicated he would support any Democrat to beat Taft."

The President previously has said Taft is his favorite candidate for the Republican nomination. Taft has said he would rather run against Truman than any other Democrat.

Brewster said the statement Bryson attributed to Truman represented an obvious attempt by the President to influence the Republican nomination at a critical time.

### Armour Runs Tests On Chemical For Fattening Up Hogs

CHICAGO (AP) — Armour & Co. has announced it is testing a low-cost chemical for putting weight on hogs.

The chemical is called by the firm name Ethomid and is manufactured from fatty acids.

Tests are being conducted at Michigan State college.

Researchers worked with four sets of young Yorkshire hogs. One set was fed a standard ration of corn, meat, and bone scraps, soy meal, minerals and vitamins. A second was fed the same ration plus small amounts of Ethomid.

A third got the standard ration plus autogenin. The fourth got the ration plus both Ethomid and Autogenin.

An Armour & Co. statement said the first group gained 1.1 pounds a day per hog, and the Ethomid and the Autogenin groups both gained 1.29 pounds a day. The remaining group with two chemicals ranged somewhere in between, the company said.

The company said Ethomid can be fed at "much lower cost" than autogenin.

#### Watch Your Raise Of Partner's Suit

By OSWALD JACOBY  
Written for NEA Service

It's unusual to raise your partner's suit with just a single small trump, and it's even more unusual if that raise takes your partner from a game to a slam.

Such a raise was quite properly made by North in today's hand.

South's jump takeout to three diamonds was a force to game and a hint at slam. His next bid, a jump to five diamonds,

indicated that his suit needed no support from his partner.

Since South also declined to show support for either spades or hearts, North reasoned that South must have three or four clubs and that he needed reassurance about that suit before he could venture to slam. Since North had the ace of clubs, he could afford to carry on to slam.

West opened the three of clubs,

and declarer won in dummy with the ace. He expected to draw trumps and then give up a club trick rather than risk a club finesse and a possible ruff.

Unfortunately, the second round of trumps revealed the bad news. East had five of the missing six trumps, and was bound to get a trump trick.

"I thought your suit was solid," the dummy said reproachfully, seeing declarer's discomfiture. "So did I," muttered South, as he looked for a way to recover. A few seconds later he set out on a wide-open play for the slam.

Abandoning the trumps, he led his singleton spade and finessed dummy's queen. When that held, he discarded the ten of clubs on the ace of spades and ruffed a spade with the three of diamonds. He next cashed the three top hearts, discarding the jack of clubs, and led the fourth heart from dummy.

By this time East had three trumps and the king of clubs, while South had three trumps and the queen of clubs. If East discarded, South would ruff with the five of diamonds and give up his queen of clubs at the end.

If East ruffed, South would discard the queen of clubs at once and would make the rest of the tricks with good trumps. In either case declarer was bound to telescope his losing club and his losing trump into just one losing trick.

### OFFICERS

(Continued From Page 1) picked up the two boys near Vernon yesterday, and had reached a point about three miles north of "Y" intersection of Highways 60 and 83 south of Canadian when they jumped him. He said Dodson took the wheel, and Jarvis held a pocket knife and a sharp-pointed chisel at his side. Fairchild said he was robbed of \$91 in bills from his wallet.

Dodson and Jarvis then drove Fairchild to Borger, started to put him out of the car south of Borger, then changed their minds, drove into town, bought gasoline and left him with the car in mid-town Borger after cautioning Fairchild not to notify officers.

"They said if I wouldn't squeal they would give an IOU for the money," the Corporal reported.

Fairchild drove to Stinnett where he reported to the Hutchinson county sheriff, and accompanied by Deputy Buck Griffin, went back to Borger where he located the two hijackers in a barber shop and identified them. Fairchild, who had been stationed at Sheppard field, Wichita Falls, said he was being transferred to Chanute Field, Ill., and was going by way of Scott City, Kan., to visit his parents, Mr. and Mrs. H. R. Fairchild. The Fairchilds arrived in Canadian this morning to accompany their son to the hearing, where he will testify against the two hitchhikers.

Dodson and Jarvis's bond was set at \$3500 each, and they are being held in the Hemphill County Jail, since they had not furnished the bond Thursday afternoon.

# House Of David Cagers Are Measured By Chiefs 68 - 46

**HOOK DELUXE** — Harry McLaughlin, center for the house of David, starts to send a hook shot toward the basket with Johnny Clark of the Noblitt-Coffey Chiefs guarding against it. The Chiefs routed the Davids by a score of 68 to 46 in a game played in the high school fieldhouse last night. (News Photo)

By **BOB DIXON**  
News Sports Writer

In a sudden explosion, Noblitt-Coffey Chiefs cagers roared from behind in the second period last night to crush the highly vaunted House of David team by a score of 68 to 46.

With the Chiefs playing under the handicap of having two regulars missing from the lineup, they came from behind to score 24 points in the second period to take a commanding lead which they never relinquished from that moment on.

Missing from the Chiefs lineup were Clifton McNeely and J.W. Malone. Filling in was Coby Kitchens. Sharing the spotlight were Don Loyd and Ken Simpson who controlled the back boards.

Leading the Davids in the first period was Tom Gatzek who canned 10 points from the field with long set shots. Gatzek would bring the ball across the center stripe, stop and shoot with little or no delay. The Davids scored three more points while the Chiefs hit the bucket for 10. Score at the end of the initial frame was 13 to 10 in favor of the visitors.

Second period scoring for the Chiefs had Simpson garnering eight, Loyd getting five, Gariand Head also sinking five, Kitchens getting four and Lyon accounting for two. Kitchens guarded Gatzek the second period and held him to two points from the field.

The Chiefs went into a semi-stall the last quarter, shooting only when they had a perfect shot. Trailing by 17 points, the Davids tried desperately to gain possession of the ball by pressing their men. When they did capture the ball they only threw it away by shooting wildly. Final analysis of the last frame had the Pampans accounting for 17 points while holding the Davids to only nine, thus gaining their final 22 point margin for the win.

The game was played in the fieldhouse and was sponsored by the Kiwanis club.

### Class B Hoopsters Head Into Finals At State Tourney

**AUSTIN** — (AP) — Laneville and Big Sandy were favored to advance into the class B finals of the State Schoolboy Basketball tournament today.

Laneville met the Slidell Greyhounds at 8:45 a.m. in the opening game of the giant tourney.

The tall Laneville quint beat a good Samnorwood five, 54-47, in first round play, while Slidell was walloping Belmorhea, 44-19.

Big Sandy, pre-tournament favorite, faced a smooth-working Hempstead five in the second semi-final tilt at 10:10 a.m.

Hempstead had to stave off a last half rally to beat Woodshoro, 40-37, yesterday.

The sharp shooting Big Sandy five lost none of its luster in trouncing Hawley, 61-35. Renny Glenn Fields, the only returning all-tournament performer of last year, led their scoring with 20 points.

Mighty Dimmitt met the Plano Wildcats in the class A finals in the last clash of the morning.

Dimmitt won its 34th game without a defeat when it shelved the foe by a score of 65-44. With the best high school record in the state, the West Texans were odds-on favorites to win the class A championship and enter the Division II (class A and AA) play-off.

Plano had to come from behind in the last 10 seconds to beat Lovelady, 40-38. Red Braden hit a lay-up to tie the count then Ronnie Dunn got a tip-in. Lovelland's Lobos and the defending class A champion Bowie Jackrabbits opened fire at 1:45 in the finals of class AA.

Loveland got to the final round when it edged classy French of Beaumont in yesterday's first round, 44-40.

Little Harold Phelan paced the Lobos, hitting seven field goals and two free throws for 28 points. His free toss mark wiped out a tournament record of 10 set last year.

Bowie's Jackrabbits staged a final period comeback to beat Madisonville 49-41, and go into the final round with Lovelland.

Temple Tucker, 6-8, Bowie's stringbean, led the Jackrabbits scoring with 19 points. Joe Lindsey was high scorer for Madisonville and for the game with 20 points.

Division I (class AAA and AAAAA) gets underway at 3:10 p.m. when Brownwood (15 - 7) squares off against Gladewater (19-11) in a class AAA clash.

Brownwood marked its ninth appearance in the big tournament, while Gladewater is here for the first time.

In the other class AAA tilt, Alamo Heights-San Antonio (30-4), went up against Bryan's Broncos (19-7). Alamo Heights finished second in the City Conference division in 1951. Bryan made the tournament for the eighth time.

In tonight's class AAAAA begins play with Poly-Fort Worth, (26-4) going against Sam Houston, Houston (25-4). Poly eliminated previously unbeaten Sunset of Dallas in bi-district play, while Sam Houston was ousting Port Arthur.

Class AAAAA favorite Borger paces a tough Waco five in the final game tonight. Borger, loser but once this season, finished third last year after losing a narrow one-point verdict to Austin in the semifinal round.

Class AAAA returns to the tournament after a year's absence. It will be the eleventh time Waco has played in the annual tourney.

### Two Irish Fighters To Graduate

**SHAMROCK** — (Special) — Only two Irish boxers will be lost to the green-and-white aggregation through graduation this spring.

Billy Frank Pavlovsky and Clarence Jones are the fighters who will accept diplomas at the May 26 convocation ceremonies here.

Pavlovsky, a Golden Gloves winner at 160 pounds in the 1951 campaign, now fights in the 175-pound class. He was winner of the Irish tourney by default, as no 75-pound opponent appeared. He was known all three seasons under Coach H. Q. Callan as a tough fighter whose defenses were difficult to solve.

Jones, a classy fighter at 112, was a Gloves winner in 1950 and 1951, but slipped in his only appearance of 1952 thus far, losing to Eddie Clemmons of Lefors on a decision at Shamrock Feb. 16.

Pavlovsky is the son of a former professional boxer.

### Burke Tied For First In Tourney

**ST. PETERSBURGH, Fla.** — (AP) — The marked man of the winter golf circuit, Jack Burke Jr., Houston, showed no signs today of wilting under the pressure applied by his fellow professionals.

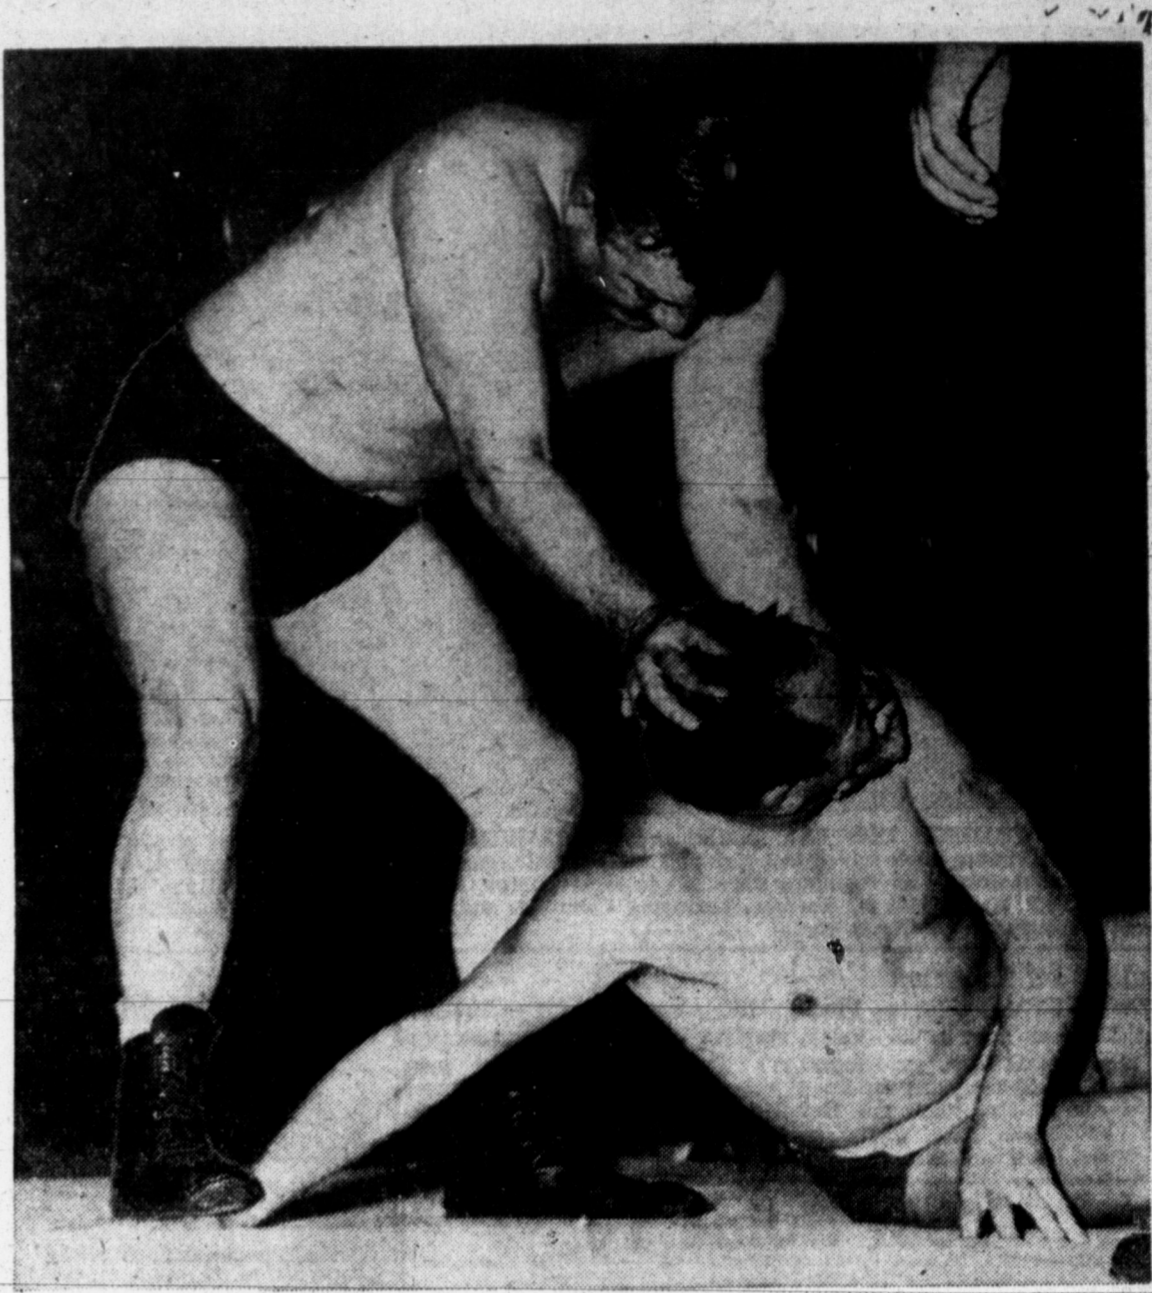

Jack, winner of three straight tournaments and the top money-maker of the 1952 season, definitely is the man to beat in the \$10,000 Petersburgh open.

The Texas was right up there in the lead again, deadlocked with three other pros, as the bulky field of 171 teed off for today's second round. They joined him yesterday in shooting sizzling rounds of 66, six under par.

The way Burke earned his first place tie as he finished in a drizzling rain indicates the guy, instead of weakening from the red hot pace, intends to go on winning tournaments indefinitely.

Clayton Heafner, Charlotte, N. C.; Al Bessellik, Chicago and Skee Riegel, Tulsa, Okla., had come in ahead of him over a dry course with 66's.

Burke, 29, won the Texas open, Houston Open and Baton Rouge

"IT'S YOUR HEAD" — "Give up or I'll yank it off and give it to you." This seems to be what "Big Train" Clements is telling Frankie Hart in the main wrestling event in the Southern club last night. "Big Train" won the event and the right to meet Dory Funk next week for the Southwest Junior Heavyweight championship. (News Photo)

### Big Train Steams Over Hart For Shot At Junior Champion

By **KENNETH HARDIN**

Ray "Big Train" Clements won a chance for the Southwest Jr. Heavyweight championship by stomping out a two fall decision over Frankie Hart in the main go in the Southern club last night.

Clements used his arm stomp with a surf-board effect to win the first fall in 26 minutes. After losing the second fall in 7 minutes he repeated the favorite hold in 5 minutes to end the event.

Hart's only show came with the use of his drop toe hold which was successful in taking the second fall and gave the "Big Train" something to worry about.

When Clements returned to the ring for the third fall he was facing a foe eager to work him over, but the story changed as Hart became the receiver of right fists to the forehead and nose while being held in the head lock.

Big Train then powered up and tossed Frankie into the corner turnbuckles on three consecutive occasions making Hart easy prey for another arm stomp.

The semi-final between Billy Hicks and Pat O'Dowdy went the limit with neither taking a fall. It was 45 minutes of the "you hit me and I'll hit you." One belligerent spectator at the end of the event said, "it was a good old country fight with ropes around it."

Sessue Oyama applied the Japanese arm bar to Whitey Walberg to finish the preliminary in 16 minutes.

Next Thursday night Clements will go up against Dory Funk who now holds the Southwest Jr. Heavyweight championship. This will be a title match and promoter Howard Vineyard says Funk is a tough cowboy, who wrestles bulls in his spare time to keep in shape.

### Red River Valley Basketball Tourney Starts Here Today

The Red River Valley Athletic Conference of Colored Schools start district basketball tournament today. The event continues through tomorrow evening in the Carver High school gym.

This evening's action will have the Deeplake girls playing the Shamrock girls. After this contest, the boys from Deeplake will go against Shamrock. Following this will be another girls game between Hollis and Memphis. The boys team from these two towns will then play each other. For the championship of Friday night the two girl team victors will clash at 8 p.m., while the boys winners will go at 9 p.m.

The tourney will get underway again Saturday at 11 a.m. with teams from Borger and Pampa playing each other.

Teams in the tourney are Deeplake, Memphis, Shamrock, Hollis, Childress, Wellington, Borger, Paducah and Pampa.

### 12 Lettermen Announced

**ABILENE** — Twelve Hardin-Simmons University basketball lettermen have been announced by E. W. (Bill) Ledbetter, athletic director.

Coach Bill Scott made the recommendation for letters for the Cowboys, who won 17 and lost 15 games during the season.

Two players, Bill Preston of Abernathy and Jack Ball of Abilene, have won three letters. Both are seniors.

Earning letters for the second time are Bill (Hank) Green, Aragon; Ray Hibler, Bertram, Jim Covert, Texarkana; Durrard Smith, Cisco; Larry Roberts, Levelland; and Dick Burris, Van Nuys, Calif.

First year lettermen are Doyle Reunson, Sweetwater; Tom Burks, Hot Springs, Ark.; Wade Burroughs, Burkett; and Joe Simpson, Spur.

### Basketball Game Slated Between School Faculties

Pampa high school faculty will meet the faculty of the Junior high in a basketball game Tuesday night in the high school fieldhouse.

Basketball coaches will not be allowed to participate in the contest.

"Schoolmarm's" will act as cheerleaders.

Expected to lead Senior High will be Principals, Jack Edmondson and Assistant Principal Archie Roberts. Others expected to lend support are John Pfister, B. G. Gordon, Kenneth Walters, Cameron Marsh, Orland Butler and Kenneth Baumgardner.

Leading the Junior High squad will be Principal McHenry Lane, Herman Jones, Weldon Trice and Marvin Bowman. The Junior High is short of man - power and will have to do some recruiting.

Game time is 8 p.m.

### Young Favored To Defeat Durando

**NEW YORK** — (AP) — Left-hooping Paddy Young, New York, was rated a 7 to 5 favorite to whip Ernie (The Rock) Durando, Bayonne, N. J., at Madison Square garden tonight and earn a middle-weight, title shot.

This fourth meeting of the two power-punchers has aroused the interest of fight fanciers. A good crowd of 10,000 and a gate of close to \$40,000 — big money in these television days — was anticipated.

The 19-rounder will be broadcast on the nation.

Young, 23, and Durando, 25, are all even after three clashes. Paddy won the first one, Sept. 15, 1950, by a wide margin. Durando, a terrific right hand clouter, the second by split decision, Nov. 2, 1951, and 28 days later fought to a draw.

### Stokes Leaves Oklahoma U.

**LEFORS** — Don Stokes, all-regional football tackle in 1950 who captained the Oklahoma university freshman team in 1951, has withdrawn from the university and returned home.

Stokes, whose father died recently, has not announced his plans for the future.

### Hardin-Simmons To Meet Tulsa

**ABILENE** — University of Tulsa and Hardin-Simmons University will meet for the second time on the gridiron this fall. E. W. (Bill) Ledbetter, Cowboy athletic director, has announced. The game will be played Sept. 27 at Tulsa.

**IT TAKES GOD EVERYTIME**

*A robust man you are today, Full of vigor, vitality and vim; But through some common stroke of fate, Now, you must only depend on Him. Yes, when your stretcher rolls into your ward, The great physicians will do their best; Their skills and tools will work in rhyme, But remember friend, 'It Takes God Every Time.'*

When Jesus was upon the earth the ancients believed 'demons' and 'unclean spirits' caused our ills. Today we name the causes 'germs' and 'microbes' and 'bacilli.' The ancients and we both believe that *only a Great Power for good can make men well and drive out these evil things.* Our hats are off to the physicians, surgeons, nurses and all the wonderful healing fraternity. They have done much. They are God's assistants. But they would be the first to join with the Psalmist of old that *it is God "who healeth all my diseases."*

The Son of God was the normal individual. His thoughts and feelings led to beautiful living. We must spend time in His company and 'catch' from Him the strength we need. *We may find Him in the little church on the corner. Have you tried?* Though we have many ills of body, unrighteousness is our greatest sickness. God now has millions of highly trained helpers and they are at work in hospital rooms and elsewhere all over the world, but *"It Takes God Every Time."*

**YOU IN THE CHURCH**

**THE CHURCH IN YOU**

Character is a by-product of the church. It is here that young and old alike are showered with benedictions that fortify and influence for a better citizenship and a stronger democracy. In the church the ministerial and molding religious character. Statesmen today declare that the church alone can furnish leadership to handle the affairs of state in these perilous times. Then we with our children should go to the church at our choice on Sunday. "You in the church and the church in you" form a combination for good. Be a regular CHURCH-GOER and a daily BIBLE READER.

We believe that one truth is always consistent with another truth. We endeavor to be consistent with the truths expressed in such great moral guides as the Golden Rule, the Ten Commandments and the Declaration of Independence.

Should we, at any time, be inconsistent with these truths, we would appreciate anyone pointing out to us how we are inconsistent with these moral guides.

### Socialism Has To Win Only Once

In recent months it has often been said the socialized medicine movement in this country has been stopped. That idea is largely based on the fact that Congress has given the Administration-sponsored government compulsory health insurance bill the complete deep-freeze treatment.

It would be a grave danger however, if we came to believe that this is the end of the matter and that there's nothing more to worry about so far as organized or politically dominated medicine is concerned. It is probably true that the socialists have given up hope of achieving their goal at one fell swoop, as was done in England. But they undoubtedly plan making progress through subtle, little-by-little-step technique.

As an example, the President recently announced the creation of a "Commission on the Health Needs of the Nation," to be financed from emergency funds which were allocated for the national health program.

### Proud Record

Everyone is used to the king-sized figures that are used to describe typical American industries. Oil can offer some especially big ones.

### Baxter's Views

BY DAVID BAXTER  
TWO LETTERS

By some coincidence I recently received a letter from a medical doctor of Odessa, Texas and a chiropractor of Colorado Springs. The M.D. strongly endorsed my writings on freedom of practice in the health field and freedom from monopoly, including the equal rights of chiropractors and osteopaths to practice in areas long reserved to M.D.'s.

That's certainly a good sign, it seems to me. It demonstrates a get-together attitude between rival practitioners on GREAT PRINCIPLES which is applicable to one as well as the other.

Rivalry and competition are good, sound practices in a free enterprise system, but only too often one of the rivals seeks to gain an unfair advantage by forming a powerful union which, in turn, runs to government in order to secure a tight monopoly.

That's certainly a good sign, it seems to me. It demonstrates a get-together attitude between rival practitioners on GREAT PRINCIPLES which is applicable to one as well as the other.

### Bid For A Smile

An old woman solemnly approached the earthly remains of her husband, who had been buried in the ground for some time.

Amateur Gardener—How has your potato crop turned out, old chap?  
Neighbor—Splendid, old man. Some are big as mat's head, and some as big as peas, and, of course, quite a lot of little ones.

#### Communism In Government

The Committee on Un-American Activities of the House of Representatives issued pamphlets on their activities. I have before me the one they issued May 14, 1951, under the heading of "100 Things You Should Know About Communism."

"Our Government is under attack. The enemy is Communism. If Communism were to win, there would be no United States Constitution, Courts, President, or Congress.

"The American Republic would be wiped out, and in its place there would be a system with which freedom cannot live.

"Here in this fifth and final one of a series of pamphlets, are the facts on what Communism has already done, and aims to do, to the Government of the United States:

"1. Are Communists traitors?  
"This whole pamphlet is to help you make up your own mind on that. The facts speak louder than words.

"2. Are Communists loyal?  
"To Stalin, the Soviet Union, S. A. U. S. A., and to Communism.

"3. Why do Communists want to capture our Government?  
"Communists believe in Communism. Nothing else. They mean to enslave the world under Communist command.

"4. How do they still bleed that way?  
"Look at the roll call of conquered nations across Europe and Asia. See how Communism rule has grown in thirty-three years, until now it commands the people of every other system of government on earth, more than any ever has before in the history of the world.

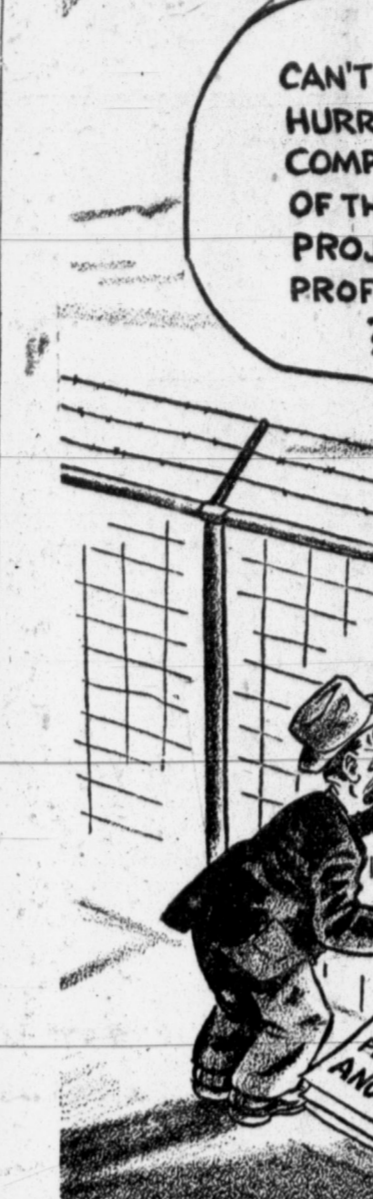

"5. What's the secret of its success?  
"The carelessness and indifference of other people.

"6. How do you mean?  
"Communism is a terrible international organization of spies, wreckers of civilization, and destroyers of nations.

### National Whirligig... Solons Prod Witnesses To Learn Facts Of Korean War

By RAY TUCKER  
WASHINGTON — The heavy disparity in American and Russian losses in the Korean War...

"We hate to say it, but nobody knows whether there are 3 or 3,000, even though millions have been spent by the President in the last four years to find out. Read on for details.

"7. Well, what do they want?  
"To capture our Government any way they can, in order to use it against the rest of the world.

"8. Are there any Communists in our Government now?  
"Yes, there are. They are in the Senate and House of Representatives. They are in the Armed Services committees. It is far greater than the public appreciates.

"9. How do they still bleed that way?  
"Look at the roll call of conquered nations across Europe and Asia. See how Communism rule has grown in thirty-three years, until now it commands the people of every other system of government on earth, more than any ever has before in the history of the world.

"10. And they're still bleeding that way?  
"Look at the roll call of conquered nations across Europe and Asia. See how Communism rule has grown in thirty-three years, until now it commands the people of every other system of government on earth, more than any ever has before in the history of the world.

The longer I live the more difficult I find it to understand the didoes of the comedy young women of drama, screen and/or television, a restless collection of babes with a scorching ambition to exhibit the worst possible taste in public behavior.

Miss Taylor is the exceedingly handsome young actress who whisked into and out of a marriage to a hotel heir with the speed of a woman bound through a revolving door to a fire sale.

When she arrived in London the other day, for example, bound for marriage to an actor, she took a stand for the microphones and said: "I shall wear a gray suit. We are going to be very happy."

### Fair Enough'.... Vatican Official Surprised At The Truth About Unions

By WESTBROOK PEGLER

#### Rome — I had an interview with an official of the Vatican who may be described as "the highest authority on labor, in which he expressed surprise on being told the truth about American unions.

In Italy there were, so to speak, two kinds of Catholics, the kind who have abandoned their religion, so to speak, becoming Communists, and the kind who have kept their faith.

My informant asked if the American individuals whom I had in mind, who put up with criminal practice, were not, perhaps, the first kind.

"No, Murray is a practicing Catholic endorsed by some priests. Daniel Tobin, the president of the Teamsters union, with a million subjects, who are not to be regarded as 'members,' is another."

I did not have an opportunity to inform him that in all his years in both the AF of L and the CIO, Murray had never taken offensive against gangsters, extortioners and terrorists imposing on both labor and the community. Or that Tobin's union was the licensing authority whose charter protected the brigands in the infamous but typical racketeering case in which criminals collected extortion from food trucks entering New York from Jersey—and the south.

"It is my opinion," my informant said, "that the union leaders should not be the owners but proprietors of the unions but servants of the workers. Even in declaring strikes they should know the exact wishes of the working people."

I assured him that this was seldom so in American unions and that strikes often were called on the decision of one man affecting vast numbers of workers. I did not mention the fact that union crooks for many years have exploited our workers to threaten strikes as a method of extorting bribes from employers.

I did not pretend to be surprised to learn that this high authority who advises the Pope on such matters did not know the sordid truth about unions in this country.

I asked whether the conditions of Italian labor under the Fascist unions had been good.

"They were good," my informant said, "but they were not democratic. Under the state they were autocratic."

IMPORTANCE OF GOOD TASTE was the subject of the special creative design workshop conducted Wednesday and Thursday in the American Legion hall. Mrs. Ed Barnes, pictured right, above, directed the class. She stressed the value of design, harmony, proportion, balance, rhythm and emphasis in the all-day meetings in the American Legion hall. The group of home demonstration women pictured above are learning the art of finger painting. (News Photo)

### Adventist Youth Plans Prayer Week

Youth of the local Seventh-day Adventist church will suspend regular evening activities and entertain next week to unite in daily devotional studies and prayer meetings at the church. They will begin observance of their annual Missionary Volunteer week, Saturday, March 8, and continue through Saturday, March 15. Non-member friends of the youth and some adult members of the congregation will also attend the special services.

The character of tomorrow's leadership depends upon the guidance given our youth today, Elder Lowe, pastor, said in announcing the annual services. "Secular activities and entertainments cannot be allowed to monopolize the attention of today's young people if they are to develop the integrity necessary for the world crisis we face."

Roy E. Brooks, assistant secretary treasurer of the Texico Conference, foreign mission born and reared in Argentina, and an enthusiastic supporter of the Missionary Volunteer program of Seventh-day Adventist youth, will be guest speaker in the local Adventist church's Sabbath morning service to open the week of special meetings.

The program series will feature devotional readings, talks, and activities outlining the responsibilities and privileges offered young people by the church, and types of service in which they can engage through the remainder of the year.

According to church leaders, nearly a quarter of a million Adventist young people will participate in this international week of prayer, along with those of the local church.

### Dr. M. H. Wyatt Jaycee-Ette Speaker

Dr. M. H. Wyatt discussed the importance of the heart drive when he spoke before the Jaycee-Ettes this week in the City Club room. He explained the three main causes of heart trouble as being overweight, overwork and worry.

"Everyone should have a heart check at least once a year," he told the group.

During the business session three new members, Mrs. Floyd Watson, Mrs. James Roring and Mrs. Bill Waggoner, were welcomed into the club. Mrs. J. E. Thompson was welcomed back after a leave of absence.

Bill Braly and Mrs. Roy Taylor, hostesses, served cherry pie and coffee to the following: Mmes. Bob Quick, Creel Grady, Jack Vaughn, Elmer Francis, Art Aftergut, Jim Arndt, Bud Johnson, Tom Tipps, Ivan Noblitt, Frank Hata, Ed Myatt and Mmes. Roring, Waggoner, Watson and Thompson.

### CHRISTIAN SCIENCE

Strength with which to face present-day problems is found in the assurance of God's love for man, stresses the Lesson-Sermon on the subject "Man" to be read in all Christian Science churches on Sunday. These words from Daniel are in the Golden Text: "O man greatly beloved fear not peace be unto thee, be strong, yea, be strong" (10:19).

This theme is continued in the following verses from Psa 113 (113:1, 17): "The Lord is my strength and song, and is become my salvation. I shall not die, but live, and declare the works of the Lord."

Christian Scientists base their freedom from fear on words such as these from the Christian Science textbook asserting: "God's love for man: 'Man reflects infinity, and this reflection is the true idea of God. God expresses in man the infinite idea forever developing itself, broadening and rising higher and higher from a boundless basis' (Science and Health with Key to the Scriptures, by Mary Baker Eddy, p. 356).

### Technicolor Sound Film To Be Shown Sunday In Assembly Of God

Rev. Dean Duncan will be guest speaker at the First Assembly of God church Sunday night. He will show the film, "Mission to Mexico," as a part of the program.

Rev. Duncan is field representative for the Latin American orphanage in Acapulco, Mexico. The special film in technicolor, is 42 minutes long and portrays the story of the beginning of the Latin American orphanage in Acapulco. It shows the development of the project, the present buildings, stories of some of the children, interesting places and people in Mexico, and it also presents a challenging missionary appeal.

The film was taken by Rev. Hal Herman, former press photo chief on General MacArthur's staff, and was edited and produced by top-rate technicians at Moody Institute of Science in Hollywood.

The service begins at 7 p.m. and the public is invited to attend. The church is located on the corner of Cuyler and Brown streets.

### Glimpses Of Yesteryear

FIVE YEARS AGO  
C. P. Buckler presented the program at the Lions club. In reviewing the early history of Pampa, he said in 1908 there was only one bathtub in Pampa—that was in the White Deer land office building.

No accidents were reported to local police though streets and highways were covered with ice and snow.

### First Christian Groups Study Varied Programs

Among the Christian Women's Fellowship meetings this week was the Nelson group which met with Mrs. John Brandon for a lesson on Argentina. Mrs. Helen Groninger opened the meeting with prayer.

The April meeting will be with Mrs. Muncy.

The Smiley group met in the home of Mrs. Edna King for a lesson by Mrs. N. E. Dulaney, assisted by Mrs. Ora Wagner, Mrs. Bert Kiser, Roy Williams and H. G. Roberts. Mrs. C. H. Darling gave the devotional.

The group voted to help serve the layman's league luncheon and the quarterly luncheons at the church.

Refreshments were served to those mentioned and Mmes. Mollie Hedcock, C. E. Carey, A. D. Wilson, H. C. Cockrell, Emory Noblitt, and one guest, Mrs. H. C. Groninger.

Mrs. H. G. Roberts will be hostess for the April meeting.

### Miami Club Entertains With Friend's Party

MIAMI (Special) — Saint Patrick's day theme was carried out in all appointments, when the members of the Child Study club entertained with a friend's party, recently in the home of Mrs. R. J. Bean.

Each member introduced her guest and then all enjoyed games of canasta. Mrs. Jack Sloan and Mrs. James Flowers were awarded travel prizes.

A refreshment plate was served to guests, Mmes. Bryant Flowers, J. W. Thompson, Wilford Jackson, Bill Gill, Bob Ford, Jack Sloan, Red Snyder, Horace Smith, Frank Heare, H. H. Hardin, W. R. Holland, R. W. Beck, A. H. Gordon, Miss Juanita Haynes, and members, Mmes. Theo Jenkins, J. D. Paris, Eldon Saul, G. A. Jackson, John Pennington, D. J. Faggard, J. W. McCormick, Willis Clark, Ray Manning, Ralph Byrum, Randall Gill, Clyde Loper, James Flowers, and R. J. Bean.

### Briscoe Club Lists Food Sale Among Recent Activities

The Briscoe Home Demonstration club women served lunch at the Bert Davis farm auction recently.

A part of the proceeds will likely be contributed to the house in Briscoe which the club is furnishing. Other projects of the club include donations to the March of Dimes, purchase of one band uniform for a student, donation of dishes and a lunch caddy to the school lunch room, and books to the library.

### St. Pat's Dance Scheduled In Parish Hall March 17

### Cook's Nook

Here's the answer for those little extra special treats coming on St. Patrick's day exped on next week.

Try this Irishman salad for an eye-catching as well as a delicious treat. Each one is a banana man with cherry mouth, whole clove eyes, and a pineapple hat. Serve these Irishmen on crisp lettuce leaves.

IRISHMEN SALAD  
4 small bananas  
1/2 cup banana juice  
4 slices pineapple (from No. 2 can)  
8 whole cloves  
Maraschino cherries  
Lettuce leaves

Peel bananas and brush with lemon juice. Slip end of banana into pineapple slice. Place cloves for eyes and cherry wedge for mouth. Serve on lettuce leaves. Makes 4 servings.

Custard cups filled with chocolate pudding top off the meal. Use packaged pudding to which you simply add milk and heat. Place the cups in Irish top-hats. You can make these hats quickly by covering empty No. 1 cans with green foil from the florist. Cut hat brims from the foil. Then cut hat bands and shamrocks from stiff white paper and tape them around the brims in place on the hats.

### Mrs. C. A. Gallin Gives Demonstration At Hobby Club Meeting

Mrs. C. A. Gallin demonstrated making hair lace at the Hobby club meeting this week in the home of Mrs. E. V. Brummett. Frames for the lace varied in size from two inches to one-half inch.

"You may use any width of frame for any article," Mrs. Gallin said, "but the size of the thread determines the correct lace to use on different materials. Fine thread is used for handkerchiefs or any dainty article, while heavier thread is used for table cloths or articles of heavier material," she explained.

Materials for a social evening in the home of Mrs. Elmer Melton were discussed during the business session.

Refreshments of date nut loaf and tea were served to members present.

### Ruth Millett

A daughter writes me that her elderly parents are soon to go to live with one of their sons and working wife.

The arrangement has been worked out by all of the children and the parents' living expenses contributed by all of the children.

What the daughter who wrote wanted was a suggestion for some "rules" whereby both parents and children would know just what was expected of them. I'm not offering any. The quickest way in the world to make a painful duty out of what might be a gracious, happy one would be to lay down a set of rules to govern their work, responsibilities, rights, privileges, etc., of persons of different generations who must live together.

The only rule for that kind of living is the Golden Rule. If the parents will think of the children's happiness and strive to put it first, and if

### Youth Can Find Way To Beauty

By ALICIA HART  
NEA, Beauty Editor

If you teenagers are going through what is commonly referred to as "the awkward age," don't despair. There are solutions to your problem, and happily enough, they are pleasant ones.

Learn how to dance first. You'll be surprised to find what it will do for your social standing and your posture. Dancing will give you new ideas about what to do with your hands and feet. You may discover, through dancing, how to relax.

To help your poise and grace, indulge in some sports. Bowling is excellent as an overall exercise, and will improve your posture. Play some tennis and go swimming whenever you have the opportunity. Both will make a difference in your physical status.

Make yourself stand up before your class when you are called on for a recitation. You can only learn to be self-assured by practicing. Don't be afraid to make mistakes.

Get into the habit of holding yourself straight when you are waiting for a bus or standing in a crowd. Slumping into a seat isn't half as comfortable as you may think. It not only ruins your posture, but you're sure to have a cramp in your back before many minutes have passed.

And the nicest thing about being a teenager is that you will be grown-up and poised when you least expect to be.

### Texas Music Is Study At Canadian Woman's Club Meet

CANADIAN (Special) — "Texas Music" was the theme used for the recent meeting of the Canadian Woman's club, with musical numbers featuring the harp and piano played by visiting artists.

Three visitors from Perryton, Mrs. Gus Henshaw, Mrs. James Anderson and Mrs. Jacout, were present to assist in the evening's entertainment.

Mrs. Henshaw played harp solos of Brahms' Waltz, "Londonderry Air" and Barcarole, by Hoffman. Piano duets were played by Mrs. Jacout and Mrs. Henshaw. They chose a medley of Victor Herbert's, "Scarlet Cape," and "Spanish Dance," by Maskowski, for their duet numbers.

Mrs. Emery Vignal spoke on "Texas Women in Music" and Mrs. H. H. Marks gave a paper on the first organ in Texas. Roll call was answered with "What I Like About Texas."

The 26 members and four guests were entertained in the H.S. Wilbur, Sr., home, with Mrs. Russell Carver as hostess. Assisting Mrs. Carver were Mmes. Taft Holloway and Charles Douglass.

The St. Patrick day motif was carried out in the party appointments and refreshments served during the evening.

At the close of the evening an informal request musical was enjoyed, with members joining in with the singing of religious and popular songs, accompanied by Mrs. Henshaw playing the harp.

### Mrs. Paul Goertz Complimented With Pink And Blue Shower

MOBETTIE (Special) — Mrs. Paul Goertz was honored at a pink and blue shower Thursday afternoon in the Baptist church basement. It was sponsored by a group of women who are members of the Dorcas class of which she is also a member.

Mrs. Goertz, accompanied by her husband and daughter, arrived in America last August, from a displaced persons camp in Austria, and are employed on the Grady Harris farm. They are natives of Germany, their birthplace being near Hamburg, and until their arrival in America were not able to speak any language except their native tongue.

Mr. and Mrs. Harris have taught them the American way of life which they are eager to learn. They know much of the hardships experienced by people in the aftermath of war, having spent several years in concentration camps, and know first hand the suffering that comes from the lack of the necessities of life. They lost several members of their families during and after the war.

The people of this community gave them a miscellaneous shower at the school gymnasium soon after their arrival in which they received both clothing and household equipment, as they arrived here with few personal belongings. The establishment of their own home and their naturalization as citizens of a free country, is what they desire most, and they are looking forward to that time.

### Local Girl Wins Scholastic Honor

Miss Nina Spearman, sophomore at Texas Technological college in Lubbock, received a gold cup award for her high scholastic achievements last semester. Miss Spearman had the highest grade point average in the DFD sorority.

The award was presented at a formal banquet in the Hilton hotel.

Miss Spearman is the daughter of Mrs. J. R. Spearman, 1707 Mary Ellen.

## Scoring Is Clue For Gin Play

By OSWALD JACOBY and ALFRED SHENWOLD  
Written for NEA Service

Everybody uses his own method of playing gin rummy, and the chances are that you've hit upon the system that suits you best. Your method, whatever it is, has a bearing on the way you should play certain hands.

Let's suppose you happen to fancy the "25 points for every-thing" schedule that is very popular with a great number of gin players. This means that you get 25 points for each box, 25 points as a bonus for gin, and 25 points as a bonus for an undercut. When you use this schedule, it doesn't pay to go for gin.

For example, suppose you have three melds and one extra card. Should you knock or should you go for gin? It practically always pays to knock.

If you wait for gin, you'll get a bonus of 25 points. In the meantime you're opponent has a chance to reduce his count. Very often, he will reduce more than the 25 points that you are aiming for.

Sometimes an early knock will produce 40 or 50 points; while if you play the hand for gin you get only 30 or 40 — including the bonus.

The worst danger of playing gin is that the opponent may win the hand while you are waiting. Sometimes he goes gin, but more often he just wins a few points. But now you've lost a box instead of winning it.

That alone costs you 50 points. If you add the points you lose on fancy the "25 points for every-thing" schedule (including an undercut), the average loss is well over 60 points.

Let's suppose that when you go for gin the odds are 3 to 1 in your favor to win the hand. Your opponent still wins 1 hand but you win about 60 points. If he wins 60 points every four hands, it is logical to say he averages 15 points per hand. In other words, it costs you 15 points per hand to play for gin.

You can't give up 15 points per hand just to play for a doubtful 25 points. It's good fun to speculate when you stand to win something worth while; but it's foolish to speculate when there's no profit in it even if you win.

The situation is altered if you happen to play one of the scoring schedules that gives a large

## Dr. Logan's Wife

THREE MONTHS ago Janet Logan, young wife of the old and failing Dr. Gus Logan, thought that her life, which she believed to be secure and well-regulated, was almost over. This realization comes after she meets Peter Surkov, charming young biochemist who is being discharged. While Dr. Logan is a sensible person and she will remain faithful to her husband, Maxwell Cota, lawyer head of the hospital, suspects Peter, who is of Russian extraction, of being a Communist because Peter objected to the loyalty oath.

Dr. Logan and Dr. Peffer, his friend, are trying to save Peter from being discharged. While Dr. Logan is attending a meeting, Janet meets Peter on the street and he asks her to go with him to a forum on civic unity, which will discuss the housing situation. Cota, it seems, is a large holder of real estate, especially in the slums.

THE auditorium was large and cool and dim. Janet followed Peter down the aisle, leaning backward to resist the incline which sucked at her feet. About 50 people were scattered like salt through the front rows of the vaulted hall. Janet's quick survey of the heads told her that more than half were students, the rest, mostly respectable oldsters of the lecture-hoond variety.

Peter showed her to the front row, said in a lowered voice, "You don't mind sitting way up front, do you? We can sit here on the side."

Peter mounted the steps to the podium. He looked at the hands which clapped at a pasture fence, and his face took the stone-clean bones, the ruddy coloring, the hair shocked as by a wind—seemed to belong to the outdoors. The acoustics gave his deep voice an echoing ring which had theatrical value. He explained about the Banning Club

## Files For Mayor In Shamrock

SHAMROCK — (Special) — R. F. Douglas is the first candidate to announce for mayor in the April 8 city election.

Douglas is a former member of the city council and was in the hardware business for years. by numerous people to become a candidate for the top city position and was persuaded by friends to file.

Mayor Jack Montgomery is not running, nor is Norman Patrick, mayor pro tempore.

Several have filed for the city council, but few are expected to get in the major's race.

## Investigation Is Asked In Marine Corps Private's Death

JUMP 2-34 INVESTIGATION WASHINGTON — (AP) — Sen. Ferguson (R-Ore.) has asked Gen. Lemuel Shepherd, Marine Corps commandant, to look into the death of a Marine private whose mother says he died after being mistreated.

A Ferguson aide today told a reporter the senator asked for an investigation of the death at the San Diego, Calif., Marine base Feb. 12, of Pvt. Richard J. Harlan, 19, Hillsdale, Mich.

A Marine court of inquiry found Harlan died of acute rheumatic fever and bronchial pneumonia.

Mrs. Gertrude Harlan, Hillsdale, who visited her son in a hospital before his death, said he told her of being hit in the chest with a rifle butt while undergoing discipline.

The discipline, Mrs. Harlan has told Ferguson, consisted of the youth being forced to hold a rifle over his head while standing at attention.

She said that while her son was in this position a sergeant hit him with another rifle and kicked him in the stomach.

The Marine Public Information office in San Diego said the court of inquiry considers mistreatment as a possible cause of death but decided all the evidence to the contrary.

## Gulf Honors Safety Teams

Gulf Oil Corp. Panhandle zone, held its annual safety award banquet in the Hotel Berger, Berger, Thursday evening. Wes Izzard, editor and publisher of the Amarillo Daily News, and radio commentator, was the principal speaker for the occasion.

The annual banquet honors the members of the winning teams of the accident prevention contest. E. A. Weichert, zone superintendent of production, presented the members of the winning teams with fountain pens.

The two winning teams were captained by Ralph Willis and B. P. Wray.

## Canadian Official Attends LA Meeting For Administrators

CANADIAN — (Special) — Supt. A. H. Breazeale left this morning for Los Angeles where he will attend the regional convention of the American Assn. of School Administrators.

Breazeale will join a group of other school administrators from this area at Amarillo. The group will travel in two Pullman cars from there to Los Angeles and return.

The association is holding three regional conventions this year instead of one national convention as was formerly done. The Los Angeles convention is for this part of Texas and the states to the West. It is to be held in Shrine Convention hall, beginning Saturday and ending Wednesday, March 12.

Many national figures in the educational field are slated to appear on the program.

## It's The Law In Texas: Wrong Signature On Legal Papers May Cause Trouble

Should a married woman sign important documents with her own given name or use her husband's first name? Is "Junior" or "Senior" legally part of your name? Should you sign your middle name or initial? Is "Mr." or "Mrs." part of a legal signature? Lawyers find that people are often at a loss to know how to sign their names to legal documents. And, while signature discrepancies ultimately may be straightened out, the process can be expensive.

In legal effect, a name is used merely as one method of distinguishing one person from another. Under the Common law, since very early times, a legal name has consisted of one Christian or given name, and one surname which is the family name. Generally, use of both names is necessary for legal identification.

The law does not pay too much attention to the middle name or initial. However, although the use of the middle name or initial is not required, it is wise to use it since it may be important for identification in some cases.

According to attorneys, married women have more difficulty with their signatures than most other people. When a girl marries she, of course, takes her husband's surname. Thus Mary Lou Jones legally becomes Mary E. Brown. But in practice, she usually does not stop there — she uses her full name as her own, signing herself as Mrs. James E. Brown, instead of Mary L. Brown (or Mary Lou Brown) which is correct.

Can this apparently minor error in Mrs. Brown's signature cause any trouble? Let us assume that the Browns decide to sell their home, which they have owned fifteen years, and move to Oregon. Five years pass, and their former home is now owned by George Smith, who has made a deal to sell it at a nice profit. In checking the title of the property, the name "Mrs. James E. Brown" turns up in Smith's abstract, as it appears on the deed by which James and Mary sold their home.

For records to be clear, the land records must show that the Mrs. James E. Brown who sold the house and lot was the same identical person as the Mary L. Brown or Mrs. James E. Brown whose name appears on the deed conveying the property to George Browns many years before.

In order that the purchaser may be safe, lawyers and courts must not overlook the possibility that they may be two different persons. If so, the first Mrs. Brown may have died leaving

## Irish Band Will Open St. Pat Fete

SHAMROCK — (Special) — Shamrock Irish band will open the St. Pat's day celebration here with a concert tentatively scheduled for 8:30 a.m. March 17, Norman Patrick, celebration chairman, announced this week.

Robert Reeves' musical organization will appear on a street platform for a thirty - minute concert.

One of the feature bands of the region, director Reeves took his organization to all 12 of the Irish football games last fall. They have won numerous parade prizes within the past year.

Official opening will come an hour later from the same stand, with Irish officials welcoming the expected large crowds.
