Pines Burn As Drought In Texas Spreads

By The Associated Press Tall pines burned in eight Southeast Texas counties Saturday. Tired fire fighters, scanning the sky for rain clouds, saw only smoke. There was no sign of rain anywhere in the state. Cities with drying lakes continued their appeals for water conservation and a new town was added to the dry list. Engineers estimated Mineral Wells, about 50 miles west of Fort Worth, had enough water left in the city reservoir to supply its 5,000 people for only 30 days. Greenville, 50 miles north of Dallas, asked citizens to make further cuts in water use. Dallas' 450,000 citizens still weren't meeting the conservation goal set after the Army engineers reported only four months' supply was left in Lake Dallas.

Fires To Increase Southern Texas firefighters figured wearily their 24-hour-a-day job would get even tougher after week-end picnickers and hunters got through tossing cigarettes and walking away from camp fires. They fought 13 fires Saturday in the eight counties in the Texas Forest Service districts 4 and 5. One Hardin County fire had been burning since Friday. Three of Saturday's fires raged through pine stands west of Vidor in Orange County.

Full Staff Busy Mason Cloud, district forecaster at Woodville, said week-end carelessness was expected to cause enough fires to keep a 35-man staff and 60 extra fire fighters busy around the clock in each Texas Forest Service district.

Fires burned over nearly 700 acres in Tyler and Hardin counties Friday. The Forest Service said nearly 30,000 acres of timber had been burned this month. Fires have destroyed nearly 63,000 acres for the year to date.

Prayer services asking for rain were scheduled Sunday in Dallas Baptist and Catholic churches. The city's water consumption continued to run three to eight million gallons a day over the goal. Dallas has started taking water from two small lakes, and is preparing a settling basin at White Rock Lake.

Contract Let For Paving On Airport Road

A contract for paving the 4.6-mile airport road was finally awarded by the County Commissioners Saturday, a few seconds after noon.

The job went to Ernest Lloyd of Fort Worth at \$59,950 — just \$30 under the only other bidder, Cooper and Woodruff, Amarillo.

Bids on paving the road, which runs from the Loop to Texas Drive in Theater to Perry LeFors Drive were first opened three weeks ago but typographical omissions on Lloyd's bid resulted in rejection of the five bids entered.

The court re-advised for bids on the job. Only Lloyd and the Amarillo firm submitted bids. They were the two low bidders on the first go-round. The Amarillo firm submitted the same bid it had before, \$59,950 — but Lloyd came through with a bid \$2,450 under his original.

Construction on the road is expected to get underway this year, but will not be topped until the warm months of 1963.

During the special meeting the court also confirmed appointment of Mrs. Lucille Hite as office secretary to County Atty. Bill Walters. Mrs. Hite replaces Miss Mildred Banta who resigned Oct. 15 to accept a government clerical job in Chicago.

Absentee Balloting Continues To Rise

Absentee voting continued to rise rapidly as the week drew to a close Saturday with more ballots being returned through the mails and additional requests for ballots received by the county clerk's office.

By noon Saturday 124 persons voted absentee in County Clerk Charlie Thut's office. That counted a total of 284 requests for ballots which have been mailed. Of those 46 have been returned.

Friday Thut said absentee voting in Potter County has been just as heavy. He quoted County Clerk Loren Jones as saying 847 ballots returned through the mails and an additional 487 Potter County voters had voted absentee.

Only five days remain for absentee balloting; the deadline set at midnight, Oct. 31. Ballots returned through the mails must be in the clerk's office by 1:30 p. m., election day.

Roosevelt, on his arrival in Texas. Roosevelt will deliver speeches for the Republican candidate in the Democratic stronghold of East Texas. (NEA TELEPHOTO)

Halliburton Begins Monday On \$40,000 Plant In Pampa

Halliburton Cement Co. of Duncan, Okla., disclosed Saturday afternoon it will start construction of a \$40,000 plant, employing at least 20 men, in Pampa this week.

Oscar Bell, assistant district manager, in Amarillo, told The Pampa Daily News workmen from the Duncan office are scheduled to arrive in Pampa Monday to start construction of the plant along the Santa Fe right-of-way, just north of the Pampa Oiler baseball park.

Bell said he did not remember the exact figures on the building's size, but described it as "a pretty good size" capable of holding at least four freight cars. The plant will be used primarily to service oil wells in and around Gray County. It should be in operation within 15 to 20 days after construction, Bell said.

Who the Pampa manager will be has yet to be decided, he added, saying many of the organizational details are still in the drafting stage.

Perfumed Note Raises A Stink

AUSTIN (AP) — Georgia postal inspectors were asked Saturday to check on the sender of a "highly scented" letter which may have caused hospitalization of four persons.

While State Toxicologist Round E. Tullis said he had not yet found evidence of poison in the letter, Postoffice Inspector J. P. Colman said he had asked the inspector's office at Atlanta to investigate in Oelchertown, Ga.

Colman said a representative of the International Life Insurance Co., four of whose employees became extremely nauseated while the letter was being handled in their office, had said the letter was written by a "disgruntled person."

"We've just checked for some of the more common obvious poisons and haven't got anything yet, but there are a thousand and one things it could be," Tullis told The Associated Press.

Four life insurance company employees who were hospitalized Friday, possibly as a result of handling the letter were reported in satisfactory condition. All suffered extreme nausea, headaches and pain in the back of their necks.

U. S. Must Have Integrity . . . Kiwanis Head Wants Return To The Christian Way Of Life

The United States needs to get back to the fundamental principles of the Christian way of life, the district Kiwanis governor told a Ladies Night gathering of about 300 Saturday night in the high school cafeteria.

Lewis Fouts, Lawton, Okla., accompanied by his wife, was in Pampa for his annual visit. His district includes all of Texas and Oklahoma. He has been a member of Kiwanis for 10 years.

The governor told Kiwanians that our forefathers left us two of the greatest instruments that "God let man create"—the U. S. Constitution and the Declaration of Independence. And, he added, he is not so sure that "God did not have a hand in it."

The United States, he continued, must get back to the "old-time religion," including "loving thy neighbor" and the practice of the Golden Rule.

America, he insisted, "must not be a half-hearted and half-baked nation." She must have men of integrity to govern her, he went on, and "the cleanup must begin at home before going higher up."

The way to do it, Fouts maintained, is to go to the polls and vote. In a letter of the Kiwanis organization, itself, Fouts emphasized that the line going was a "char-

Candidates Exchange 'Aid To Red' Charges

Results The Same . . . Governor Says Reds Like Way Ike Votes

BOSTON (AP) — Gov. Adlai E. Stevenson declared Saturday night that "Old Guard" Republicans in Congress — men he said Dwight D. Eisenhower endorsed — "vote the way our enemies like to see them vote" in the fight against communism.

In a speech prepared for delivery at Mechanics Hall with nation-wide radio and TV coverage, Stevenson said that on issue after issue the "Old Guard" has voted for policies which "would encourage Soviet aggression, and against the policies which would check it."

And he added pointedly: "On crucial issues of foreign policy in short, the Old Guard has voted the straight party line and I don't mean the Republican party."

"Of course," he added, "they don't mean to aid and abet our enemies; but the results are the same."

And Stevenson contended as he has repeatedly during the campaign that Eisenhower's GOP opponent for presidency is the captive of the "Old Guard."

The governor's new attack on Eisenhower and the men he says the general is backing came after the chairman of the Democratic National Committee, Stephen A. Mitchell — traveling aboard Stevenson's campaign train — had labeled Eisenhower's statement he would go to Korea if elected "a big grandstand play" in a bid for votes.

Youth Charged In Kidnaping

NASHVILLE, Tenn. (AP) — A tearful 15-year-old boy with a reform school record was captured Saturday and charged with taking part in a three-state kidnaping and auto theft spree.

Virgil LeMay sent to the State Reformatory at Jordan in three years ago, was charged. The others, both ex-convicts, are James Francis Hill, 29, of Framingham, Mass., and Charles Hopkins, 19, of Jacksonville, Fla. Both were released after serving sentences for armed robbery at the Florida State Prison, at Raiford.

The youngster almost broke down crying while talking to federal officers, and apparently did not understand the seriousness of the charge against him.

"I was forced all the way by Hill," LeMay said. He threw the gun on us first when we met him in Miami and later showed us his neat business in Valdosta, Ga.

"When we first met him he said he would pay our expenses for the trip north if he could ride with us. He claimed he was a maniac bandit and would kill all of us if we didn't do what he said."

Robbery Suspect Is Shotgun Victim

OKLAHOMA CITY (AP) — A suspect in the \$248,000 robbery of two Cuban counter revolutionists at Ft. Worth, Tex., earlier this month, was seriously wounded shortly before midnight Friday night by an unknown assailant.

Orville Lindsay Chambliss, currently free on \$5,000 bond on a federal charge of transporting stolen money across state lines, was injured in his home when a double-barreled shotgun was poked through a window and fired. He was taken to a city hospital in serious condition.

Citizens For Ike Planning Big Push For Homestretch

Citizens for Eisenhower will be putting on a big push by radio for the remainder of the campaign with at least a seven short talks per day by local citizens and several other 15-minute broadcasts.

The short-talks, running about one minute each, are known as the "Why I Like Ike Series" and will be put on by various citizens of Pampa and the rural areas.

The action was approved Saturday morning during the weekly meeting of the Citizens for Eisenhower in their headquarters, 304 W. Foster.

Representatives of the Junior League, Wilma Griffin and others.

General Says Adlai Favors Appeasing

NEW YORK (AP) — Gen. Dwight D. Eisenhower accused Gov. Adlai Stevenson Saturday night of favoring a policy of appeasement toward the Soviet Union and the Communist world.

Eisenhower said such a policy "would invite on a wider scale the kind of tragedy that now afflicts us in Korea."

His charges were contained in a statement given to newsmen covering his presidential campaign.

It was based, he said, on a speech delivered by Stevenson in San Francisco last May.

Eisenhower quoted Stevenson as saying: "Unless and until Americans are prepared by prolonged public discussion of what it will be necessary to concede, negotiations with Soviet Russia can make little progress."

"There has been so much emphasis on keeping Congress quiet, getting appropriations approved, and showing a stern, tough face to the Russians that there has been little useful discussion of the bargaining alternatives."

"The difficulties . . . can be resolved only with great care and persistence by a president and a leadership which keeps insisting against people's emotional reactions, that they must be reasonable and must give as well as take."

Eisenhower called this pronouncement a "soothing and appeasing formula."

He added that Stevenson has not placed himself on record as differing with the policies of the Truman administration as they have been applied to Asia in the past seven years.

"I believe that both the tone and the substance of his words, which I have quoted above, bespeak a foreign policy of uncertain purpose and feeble will," the general's statement said.

"I believe that such a policy — with its beguiling panacea of placating international deals and implied appeasement would encourage aggression. Furthermore, I believe that it would invite on a wider scale the kind of tragedy that now afflicts us in Korea."

Eisenhower called the problem of war and peace the most important issue of next month's presidential election.

He said that bringing an end to the Korean fighting and "the defense of freedom throughout the world" depend on unity among the American people and "the steady firmness of America's leadership."

He called for "a leadership working with clear and confident purpose," and added: "Such a clear and confident purpose requires firmness but never belligerence. Such a real peace is my true objective above all else in this campaign."

Friday night, in Detroit, Eisenhower discussed foreign policy and the Korean War.

He said he would go to Korea if elected, in an effort to find an honorable formula for ending the war.

Conley Is Named To Auto Safety Group

Don M. Conley was appointed last week by Gov. Allan Shivers to the newly created State Traffic Safety Committee.

Conley, who heads the safety and insurance departments for Cabot and is also an active member of the Texas Safety Council, said Saturday he will attend the first meeting of the committee on Oct. 30 in the State Senate chamber in Austin.

The meeting, Conley added, will be held to discuss Texas' high traffic accident rate and death toll, and to determine whether traffic regulations should be revised in an attempt to reduce the toll.

Better Hurry . . . Soldiers Need Simple Things

SOMEWHERE IN KOREA, Sunday (AP) — If you are sending a gift to a soldier in Korea there are only 18 more shopping days before Christmas.

Nov. 15 is the postoffice mailing deadline for Christmas parcels for Korea. The air mail deadline is a little later, but it's more expensive and you can't send more than two pounds.

For regular parcel post you are allowed up to 70 pounds — just so the length plus the distance around the middle of the package doesn't add up to more than 100 inches. Guns, ammunition, whisky and live animals are against the law. What to send? A few days ago, the U. S. Eighth Army Public Information Office polled U. S. divisions to find out what the men are asking for. The humorists listed: 1. An honorable discharge. 2. A girl. 3. A bottle of good whisky.

The first is a matter of time and the second is too heavy or banned by that live animal regulation. Same for whisky.

Among the serious, the Army found that on the top of the list were photos from the girl friend or the folks at home, after that came food, candy, paper-backed books, toilet articles, flashlights, envelopes and small cameras with plenty of film.

A few wistful and forgotten notions (See SOLDIERS, Page 2)

Russ Deaf To Secret U.S. Plea For Peace

UNITED NATIONS, N. Y. (AP) — Russia has turned a deaf ear to behind-the-scenes U. S. pleas for an understanding on a Korean armistice, American sources in the U. N. reported Saturday as the Korean conflict entered its 29th month.

Debates on the Korean question were recessed in the Assembly Political Committee, but American sources said that approaches were made to the Russians here during the last eight months as well as through diplomatic channels in Moscow.

They had no results, these sources said. While the entire U. N. waited to head the Russian answer to Secretary of State Dean Acheson's de-

Thompson To Install Chamber Officers At Banquet Tuesday

Newly elected officers of the Pampa Chamber of Commerce will be installed by Fritz Thompson, Chamber president, at a banquet Tuesday afternoon.

E. O. (Red) Wedgworth, manager of the chamber said a few tickets are still available for the annual meeting to be held Tuesday in the high school cafeteria.

Principal speaker will be Alfred P. Haake, nationally known economist and business consultant to General Motors.

Entertainment for the meeting will be furnished by the Senior High School A Cappella Choir.

Wedgworth said representatives from surrounding chambers of commerce have also accepted invitations to the dinner-meeting.

SANTA ON THE HIGH SEAS — Mrs. Jack Foster, Red Cross service chairman (right) and Mrs. F. W. Showell, Pampa Chapter executive secretary, prepare gifts bound for service men who will spend Christmas on ships at sea. The gifts, this area's contribution to the National Red Cross project, will first go to a headquarters in San Francisco where volunteer workers will put them in cartons of six presents for each service man. Petition Protests Rail Move

CANADIAN — More than 100 railroad employees, living in Canadian have signed a protest against a Santa Fe Railway Co. proposal to eliminate Canadian as a freight terminal point on the railroad.

The protest held last week in Amarillo to representatives of the four major operating unions of railroad employees, the proposal indicates the company wants to run all freight through the Canadian terminal. This would eliminate the change of crews and all maintenance and inspection services at the local yards.

The local chamber of commerce is making a survey among Canadian railroad workers. Between 170 and 175 men are employed by the Santa Fe here.

Aim of the survey is to get signature of every man, giving his union affiliation and his opinion on the proposal to move the terminal point. "If the railroad men are behind us, we'll make a fight for it," one chamber member said.

Other factors involved in the controversy, businessmen say, are possible unemployment for estimated 50 men might lose their jobs and the real estate market.

63 Santa Fe employees own their own homes in Canadian. While union members living in Canadian are opposed to the company plan, there is believed to be a difference of opinion among union members in other cities in the division.

Five years ago a similar proposal was submitted, but unions then were solidly against it and the company dropped the matter. Canadian railroad men belong to four unions — the Brotherhood of Railroad Trainmen, Order of Railway Conductors, Brotherhood of Locomotive Engineers and Brotherhood of Locomotive Firemen and Engineers.

REDS WON'T PERMIT HELP BY RED CROSS
SAIGON, Indo-China (AP) — The International Red Cross is meeting only stony silence in its efforts to send representatives into prisoner-of-war camps of the Communist led Vietnam in Indo-China.

Repeated appeals have been made to permit the organization to deliver much-needed medicines to French Union soldiers held by the Vietnam.

French Union captives of the Vietnam long have been reported suffering because of a shortage of food and medicines.

Laying Groundwork...

Present Phase Of Telephone Work Estimated \$710,550

Additional facilities and preparation for dial service in Pampa by Southwestern Bell Telephone Co. are developing rapidly with present phases of the overall job reaching a total cost of \$710,550, George Newberry, manager of the local exchange disclosed Saturday.

Most of the current work is expansion of wires, cables and underground conduit besides construction of the new dial building and spracial changeover of old phones to dial phones.

An 8,500-foot conduit system costing \$38,000, is now being laid while other crews are spider-webbing the city with new overhead cable, costing the company \$235,000.

One of the cables being thrown up now will hold 1,800 pairs of wires feeding into the main building from the alley where the other incoming cables converge. This short cable is one of the smaller projects.

Another separate project, costing \$45,500, will send telephone service into the rural area surrounding Perry LeFors Field and is tied in directly with what

Hess Calves Win

Second In KC Royal

McLEAN (Special) — Calves owned by J. L. Hess, McLean, took second place in the recent Kansas City Royal Livestock Show. Hess was kept out of first place by a man who was showing his stock for the 45th consecutive year.

It was the first time that a McLean man had taken his stock to the show. Hess' calves sold for 41 cents per pound, eight cents higher than any offer he had received in McLean. And he had one offer in Kansas City for 60 cents per pound, but the prospective buyer wanted only one head.

The McLean man owns 25-30 sections in the area. Installation of dial equipment in the new building will be started immediately after the building is finished, Newberry said, adding: "We hope to have dial phones in use sometime during the last quarter of 1953."

In the meantime those phones equipped with dials will still have to be operated manually, Newberry said. A lot of people are giving telephone operators trouble by trying to dial a number instead of waiting for "number please," resulting in cut-offs every time the dial is flicked, he added.

High Demo Official

To Vote For Ike

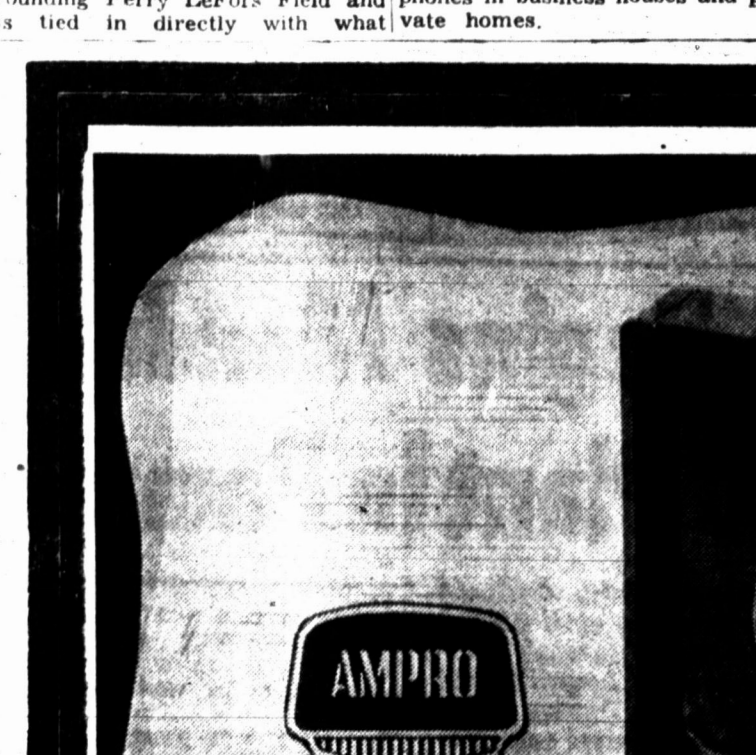

HOUSTON (AP) — The National Democratic Committeeman, Wright Morrow, declares he will vote for Gen. Dwight Eisenhower.

He charged that President Truman is "running" the campaign of Gov. Adlai Stevenson, the Democratic nominee. "I cannot condone this course of conduct," Morrow said in a prepared statement. "I cannot put loyalty to party name above loyalty to truth and principle."

Morrow submitted his resignation as a national committeeman Sept. 20.

Pitcher Herm Wehmeier of the City and All-State fullback at Cincinnati Western Hills High School.

Additional facilities and preparation for dial service in Pampa by Southwestern Bell Telephone Co. are developing rapidly with present phases of the overall job reaching a total cost of \$710,550, George Newberry, manager of the local exchange disclosed Saturday.

How to Operate MODEL 731
AMPRO-TAPE Recorder

Records Anything... Plays Back Instantly!
Only Tape Recorder Giving These 3 Advantages

- LOWEST FIRST COST. Now at last with the AMPRO-TAPE Recorder, professional-quality recordings are easily within the budget of everyone. This precision-built tape recorder matches the performance of recorders selling for as much as 50% more.
- GREATEST OPERATING ECONOMY. New, slow-speed double track recording allows you to record TWICE as much on a single reel as conventional models. Tape can be used over and over again on your AMPRO-TAPE Recorder. Will use either plastic or paper tape.
- LIGHTEST WEIGHT—MOST COMPACT. AMPRO engineering has created the lightest, most compact, complete recorder and playback on the market. New electronic circuit has cut weight to 17 pounds — has cut bulk to only 8"x11"x12"!
- SIMPLICITY OF THREADING OPERATION. The AMPRO-TAPE Recorder is so simple to operate and thread a child can learn to make an excellent recording in 5 minutes.
- BIG 5"x7" SPEAKER INSTANT STOP SWITCH NO ACCIDENTAL ERASING EXTERNAL SPEAKER OUTLET

X-Ray Unit In Canadian

CANADIAN (Special) — An X-ray unit of the State Department of Health is in Canadian for two days. The unit set up for free chest X-rays Saturday and will continue operations through Monday.

The Parent-Teachers Association is the sponsoring organization. Mrs. Leslie Webb serves as chairman of the hostesses and clerks committee and Mrs. Frank Shaller is chairman of the telephone committee.

Allan Thompson heads a group to unload and load the equipment set up in city hall; The Lions Club will furnish transportation; and County Agent Walter Crist will handle the campaign in the rural communities in an effort to have every person 15 years old or older to have the X-ray.

Hostess Saturday morning was Mrs. Arthur Webb. Clerks were Mrs. Bob Cochran, Mrs. Sam Morse, Mrs. Bob Ward, Mrs. Eustor Walker and Mrs. R. T. Kelly.

Hostesses in the afternoon were Mrs. Bruce Graham and Mrs. Tom Price; and clerks were Mrs. H. L. Owens, Mrs. Mary Bennett, M. Sam Waters, Mrs. Vera Forrest, and Mrs. R. T. Kelly.

Monday morning Mrs. Chris Schaeck will be hostess; and clerks will be Mrs. Calvin Isaacs, Mrs. Harry Wilbur, Mrs. Weldon Webb, Mrs. G. L. Mitchell and Mrs. Lee George.

Hostess Monday afternoon will be Mrs. Malouf Abraham. Clerks will be Mrs. Harry Haines, Mrs. Tom Abraham, Mrs. G. E. Mather, Mrs. Tom Hill and Mrs. Bill Job. The X-ray unit was here in October 1950 at which time 1,020 persons — only 34.9 per cent of the county's eligible population — had X-rays. Of this number eight showed positive chest disorders and were enabled to seek early treatment.

PAMPA'S YOUNGEST — square dance group, the Tots and Dots at one of their local appearances. Organized a year and a half ago with Harold Turner, 1823 N. Coffee instructing and calling the sets, the children "dance because they like it" and show the grown-ups how. From left to right are Mrs. J. W. Kidwell (substituting for Judy Baer), Jackie Kidwell, 9, Ann Kennedy, 11, Frank Pryor, 9, Jan Hall, 9, ay Followell, 9, Judy NeNeF, 10, and Bob Followell, 10. At right is Jimmy Enloe, 705 N. Wells, who called for the Tots and Dots at this performance in the absence of Harold Turner. (News Photo)

Tots And Dots Pampa's Youngest Square Set On Honor Roll

By DOLORES DAVIS
Pampa's youngest "squares" are going "round 'n' round."
It's the Tots and Dots, youngest organized square dance group in the city who more or less slipped into being about a year and a half ago.
All of the youngsters' parents were members of local clubs and got the kids enthused with the idea. The fathers began teaching them and when they realized the

Speaks To Rocky Mountain Builders . . . Hughes Says 'Do-Gooders' Out To Kill U. S. Building Industry

Pampa's Dick Hughes this week told Rocky Mountain Regional Home Builders Conference "do-gooders are out to kill private home building in the United States."

Hughes, treasurer of the National Association of Home Builders, spoke before a conference of the Rocky Mountain Regional Home Builders in the Broadmoor Hotel in Colorado Springs, Colo., Wednesday.

"There is in America a powerful, well-organized force which believes that Americans should be housed in quarters provided by the government," Hughes told industry leaders.

"That force," he said, "is fighting every day put us out of business. They don't have to worry about making a living as we do before they get and everything they do."
"For 30 years we have fought for survival, with our backs against the wall. Every day was a crisis, and I firmly believe that the business of building homes for individuals in America would have been extinct long ago had it not been for the National Association of Home Builders. Had we not fought so constantly, so diligently every day on local, state and national levels we would have been licked long before now."

"Many people feel that we have done a good job. I say that the record is a tribute to the guts and ingenuity of the American home builder. But today we face another crisis. Or perhaps it is the same old crisis clothed in a different armor."
"We face the Tearue and Raines congressional report, which criticizes home builders in general" and recommends the imposition of more government controls on the industry as a whole because of the indiscriminate acts of a very small minority.

"We face a soft sales market in many sections."
"We face the worst mortgage market in current home building history, created by a general change in demand for mortgage worth of money."
"What are we going to do about it? How can we keep an industry

Winegar, Gwendolyn Thurmond, and David Bronner, freshmen. Jimmy Roberts and Philip Kimbley.

153 Red-Run Farms

SAN FRANCISCO (AP) — The Peiping radio heard here says 153 government-run farms will be opened next year in Northwest China.

Pampan Is Editor Of Wayland Annual

PLAINVIEW — Mary Ellen Barker, Pampa, is junior editor of the Wayland College yearbook, The Traveler, and of the Student Government Association section.

She is a member of the English Club, a council member at Pioneer Hall, and on the Baptist Student Union Greater Council. She sings with the BSU Choir and is secretary of her Training Union.

The English Club nominated her as a candidate for "homecoming queen." Homecoming activities are scheduled for November 21 and 22 and will be climaxed by the queen's coronation, November 22, at a basketball game.

She is the daughter of Mr. and Mrs. H. B. Barker, 633 W. Kingsmill, Pampa.

Don Sampson and Ed Spangler were the speakers.

advance the group "was making called in an instructor and called. Harold Turner, 1823 N. Coffee. "Now," Turner says, "they could dance without a caller. If I stop in the middle of a number, they go right ahead — it's a good show."
The group made its first appearance dancing for the adult clubs on the slab in Hobart park. Since that time the children have performed at several exhibitions and are often guests of other clubs. They appeared in the Jeanne Willingham Dance Studio review, May 29, in the Junior High School Auditorium and recently danced at the American Legion Hall and old-timers dance in the Junior High Gymnasium during Gray County 50th Birthday Celebration.
Costumes are made by their mothers. First outfits were polka dot dresses and shirts and levis. Now they are using pastel dresses, levis and white shirts.
Members of the Tots and Dots are Ann Kennedy, 11, 6th grade; Barbara Mather, 12, 6th grade; and Mrs. Russell Kennedy, 215 N. Sumner; Jan Hall, 9, 4th grade; Woodrow Wilson, daughter of Mr. and Mrs. Scott Hall Jr.; Jay Followell, 9, 4th grade; Woodrow Wilson, son of Mr. and Mrs. Clem L. Brown; Bob Followell, 9, 4th grade; Woodrow Wilson, son of Mr. and Mrs. Dale Followell, 516 N. Carr; Frank Pryor, 9, 4th grade; son of Mr. and Mrs. Ned Pryor, 633 Sloan; Judy Baer, 11, 6th grade; Sam Houston, daughter of Mr. and Mrs. Harold Baer, 1208 Williston; Jackie Kidwell, 9, 4th grade; Holy Souls, son of Mr. and Mrs. J. W. Kidwell, west of city; and Judy Neef, 10, 5th, Horace Mann, daughter of Mr. and Mrs. George Neef, 1320 Alcock.
So far the Tots and Dots haven't entered any competitions but tentative plans are to enter local and area contests in the future. Their leader, Harold Turner, has contemplated entering them in the national square dance and caller contests in April-Nov. 4-8.
But with or without ribbons and awards, the youngsters are doing something they like and it's been pretty smooth doo-do-ing for the group. The main problem is an age-old complaint. The boys "are at that 'cowboy' age when they are hesitant over that "dancing with girls" idea. Only the fact that square dancing is so far removed from the patent leather shoes-white shirt and tie implication of dancing classes keep the boys gentlemanly — and dancing.
Then too, when they doff their six-shooters or football pads, they admit that they like it. And the girls aren't admitting anything — they LIKE it.

Accidental Deaths Rise In New York
NEW YORK (AP) — There were 1,946 accidental deaths in New York City in the first eight months of 1952, reports the Greater New York Safety Council. This was an increase of 103 deaths over the figure for the same period last year.
Home accidents claimed 995 victims while 282 were killed in motor vehicle accidents. The unusual heat wave in June and July caused 80 deaths from sunstroke and heat prostration, an increase of more than 60 over 1951 figures.

Deficit Spending Not New On Capitol Hill

Deficit spending is nothing new to Capitol Hill. Irrespective of the emphasis placed on such indulgences by the Washington sports today, it seems some of their political forbears over-extended themselves too — Republicans as well as Democrats.

In fact, the infant Republic started merrily on its way by spending money it didn't have under the two administrations of our first president, George Washington, a Federalist.

In the beginning, government costs were figured in the millions, but soon jumped to the tens of millions. That, too, was during Washington's administration when the baby nation began to crawl.

During Washington's first term the government collected \$8,089,000 and spent \$9,349,000 — an average, roughly of \$2,250,000 per year. Federal financing seems somewhat better between 1793 and 1797 when the treasury went in the hole \$102,000 by spending \$24,740,000 and collecting only \$24,578,000 to cover it.

The one term of John Adams, a Federalist, saw things tighten up a bit with the treasury paying out \$34,263,000 but pulling in \$34,985,000.

(Democrat-Republican Thomas Jefferson's two administrations followed some pretty good penny-pinching methods. Even with the \$15,000,000 Louisiana purchase in 1803 the government collected \$26,993,000 more than it spent over that four-year period.

By 1812 we were back to operating in the red again. But there was a war on — our second battle with England, brought on by the English practice of impressing our merchant seamen into their navy.

America took a dim view of the English habit and set about spreading a bit more than it collected in revenues to impress the King.

The King was impressed. So was our treasury. During the first term of James Madison, a Democrat-Republican, \$41,582,000 was collected and \$46,777,000 paid out. During his second term we spent in the hole \$129,008,000, but collected only \$88,929,000.

We next hit the hundreds-of-millions class under Democrat Andrew Jackson. But that much-criticized President collected \$17,182,000 more than he spent during his first four years and spent \$51,870,000 less than his income the next four years.

During his first term the federal income, \$3,302,381,000 before Appomattox ended the war between the states.

We never went below the billion-dollar level again. From there on, through the administrations of Andrew Johnson, Ulysses S. Grant, Rutherford B. Hayes, James A. Garfield, (all Republicans) Chester A. Arthur, Grover Cleveland, a Democrat, and Republican Benjamin Harrison, Washington operated on the black side of the ledger, managing to remain in the one-billion-dollar class.

However, Cleveland hit a depression in his second term and his treasury hit a deficit at the same time to the tune of \$124,725,000.

We grew a bit, took a swing at the opagiso in 1898, after they were credited with sinking the Maine, and a bit bated their main fleet, that is — at Manila Bay, but the whole account put Uncle Sam only \$14,711 in the red between 1891 and 1901.

However, it was during that term of William McKinley, a Republican, when we eased into the two-billion-dollar level. The treasury received \$2,076,208,000 and passed out \$2,093,919,000.

Clinging to the two-billion bracket under Republican Theodore Roosevelt for eight years, we had one four-year period of a balanced budget followed by four years of "in-the-red" operations.

Although William Howard Taft's one term remained within the two-billion figure, the corpulent president's administration spent \$4,144 more than it received from the various revenues.

In 1915 Ambassador Franz Ferdinand of Austria stopped a bullet, giving cause for the excuse he wanted to get frisky in Europe.

As a result, we really went into the red the next six years to fill the German song "Deutschland über Alles," and of our notes, not to mention helping Britain and France pay for their share of the fighting (which wasn't won until the United States Marines and the Doughboys blazed through Cantebau Thierry, Belleau Woods and a few other places.)

We tried to feed Europe then, and the war loans of those years, still look as if they were more of a gift than a loan.

Just the same, the second administration of Woodrow Wilson, a Democrat, showed total receipts of \$21,136,338,000 while the government spent \$42,730,854.

We had only two presidential terms of balanced spending. The ill-fated Harding (filled out by Calvin Coolidge) administration which pulled \$15908,433,000 into the public coffers and spent \$12,779,019,000.

During Coolidge's full term the budget remained balanced over the 1925-29 span when we spent \$12,475,766,000 against a total income of \$16,167,748,000.

Herbert Hoover, between 1929 and 1933, spent \$4,037,474,000 more than his treasury received.

Came the New Deal, and things really began to happen in the

IT'S NOT ALL WAR — The whole nation and part of the world are sure that Mr. and Mrs. W. B. Cox, 1710 Alcock will receive Christmas gifts from son S.F.C. Billy Joe Cox. A roving reporter in Korea for a world distributed magazine caught Cox doing some early shopping at a mobile PX which tours the front lines with samples. Orders are then filled, gift-wrapped and sent in Tokyo. Cox has been in the Army two years, the last six months in Korea. (Life Magazine Photo)

budget remained balanced over the 1925-29 span when we spent \$12,475,766,000 against a total income of \$16,167,748,000.

Herbert Hoover, between 1929 and 1933, spent \$4,037,474,000 more than his treasury received.

Came the New Deal, and things really began to happen in the

way of deficit spending. Franklin D. Roosevelt through three terms, and part of a fourth, put us in the big money class — hundreds-of-billions instead of mere hundreds-of-millions. His first term saw \$16,060,815,900 tumble into the treasury and \$29,865,012,000 tumble out. The next four years, 1937-40, we spent \$37,654,734,000 but took in only \$24,013,822,000.

The next year Japan had some ideas of her own on how the world should be run. Adolf Hitler and Benito Mussolini were riding high, and drunk with victory.

Japan made a slight error on Dec. 7, 1941 and we went about spending \$304,723,000 during the next four years to shut her up along with Adolf & Benito. But when the income was counted out we had only \$125,686,157,000 on the income side of the books.

Roosevelt died and America had a new president — the one we still have today, Harry Truman. The war was over. Deficit spending wasn't it's still in vogue today, vogue today.

The Fair Deal boasted an income of \$169,255,933,000 a ten

If You Want Steak, Why Not Drink It?

COLUMBUS, O. (AP) — That human meal, steak smothered with onions and mushrooms, can now be poured into a glass and sipped like a drug-store fountain drink.

H. Ned Draudt, graduate student at Ohio State University and returned around and dealt out \$173,840,288,000 from 1945 to 1949. The next four years 1948-52 the boys spent \$32,259,102,000 that wasn't there to smoke out the Reds in Korea.

search chemist for Kingan and Co. of Indianapolis, Ind., is the man who turned the trick.

The liquid steak is made to order for persons with dietary problems or persons having difficulty chewing. It can be drunk either like a cocktail or spooned like soup.

It is an ideal solution to persons having waistline worries. Draudt said, for it is high in protein and low in calories. He said the steak would retail for 59 cents a can.

The poisonous bite of the black widow kills about 5 per cent of its known victims.

Invite Pampa To Ft. Worth Stock Show

Pampa has been invited to have a special exhibit at the Southwest Exposition and Fat Stock Show. The letter received by the Chamber of Commerce was written by W. R. Watt, president-manager of the Fort Worth exposition. The invitation says:

"Our hope at the Will Rogers Memorial Coliseum we are busy with plans for the 1953 Southwestern Exposition and Fat Stock Show. The '52 show was, in many ways, a record-breaker. This was made possible only through your splendid cooperation.

"We hope to present a still better show, Jan. 30 through Feb. 8, and to do this we need your help. Your city is invited to have a special 'day'. Name a Cowgirl Sweetheart, bring the band and a whooping entourage, a parade of citizens displaying badges and hat-bands to publicize your city and your own rodeo, fair or other civic enterprise. You will all enjoy the trip and the publicity department will do its best to give advance publicity to your plans."

"We hope to present a still better show, Jan. 30 through Feb. 8, and to do this we need your help. Your city is invited to have a special 'day'. You will all enjoy the trip and the publicity department will do its best to give advance publicity to your plans."

New Machine Makes A Hit In Vienna

VIENNA (AP) — A gleaming chromium-plated coffee-making machine has caused a minor revolution in the sleepy coffee houses of Vienna.

The gadget is the Italian "expresso" machine-old to Italy, but a postwar "shocker" for Vienna's conservative coffee-house proprietors. It forces steam through minutely-ground coffee and produces a strong, syrup-thick brew served demitasse.

Quiet Reputation Vienna's 1,245 coffee houses were among the most famous in Europe. For years, they lived on the reputation of the quiet pace of their parlors and on their multiple ways of serving coffee. Coffee-making was looked upon as an art, to be passed from father to son.

The war reduced many of the middle-class to the ranks of the poor. The tradition and skill of the coffee-makers failed to attract customers.

About two years ago, a coffee-house owner rebuilding his store imported an expresso machine. He set it atop a glass bar with colored lights and substituted high, steel stools for the customary, dignified plush chairs.

A Violation It was a violation of all traditions. But the coffee was quick and tasty and the expresso bar was jammed.

The expresso machine has now taken the city by storm. Backalley coffee-houses where curtains haven't been changed for decades are beginning to sport the device.

"And business is better," reported a Chamber of Trade official. "The coffee-house owners report that people drop into their places and ask for a quick cup of expresso and then go out again without hardly a stop."

"In the old days, person who went to a coffee-house stayed there to read the newspapers, to talk, to discuss business, to play chess, to have a game of billiards."

Voters' Guide ... Commission Candidates Outline Aims

Below are the verbatim answers given by the Republican and Democratic nominees for county commissioner, Pct. 2 to a questionnaire sent them by the Pampa League of Women Voters.

A similar questionnaire was sent all candidates in the July Democratic primaries. Since all state office candidates, with the exception of John C. White, commissioner of Agriculture, are cross-filed and all district and county candidates unopposed, the county commissioner candidates only are represented below.

Office — County Commissioner Pct. 2.

Term of Office — two years

Salary — \$312.50 per month

Filing fee — None. Republicans do not have primaries in Texas.

Name and Address — C. A. Hustel, Box 1672, Pampa.

Occupation — grading contractor

Education — High School — two years night college

What particular training have you had that would qualify you for this office?

Twelve years as purchasing agent for major oil company. Application of their methods to county purchasing would tend toward efficiency. Ten years in road building and grading in the oilfield.

What do you consider the most important problem facing the county commissioners this year?

Operating the county with inflated money without increasing taxes.

What are your suggestions for increasing the efficiency of this office?

Without a careful study of the office with its duties and responsibilities I cannot promise any drastic changes. We have had some capable men and I would not presume to be able to tell them how to run the county without even looking into how it has been run in the past.

Office — County Commissioner Pct. 2.

Salary — \$3,468.60 (in year 1950)

Filing Fee — \$65.10

Name and Address — W. E. (Bill) Jarvis, 1900 Christine

Mailing Address P. O. Box 714

Occupation — Farming and School Bus Operator

Education — High School

What particular training have you had that would qualify you for this office?

Having 19 years operating with the school buses and operating on the farm with machinery. These two occupations see the need of good roads, and need of each dollar spent where benefits most.

What do you consider the most important problem facing the county commissioners this year?

To keep our standard of operation without a tax raise. With labor and facilities on a high level will be a problem for the commissioners in the future.

What are your suggestions for increasing the efficiency of this office?

To use our available time, money and facilities when and where needed most. With all working together for a better Gray County. Roads we need to be safe for our school buses. A hospital to serve us operating on a pay-

Receives Wide Acclaim ... Spanish Ballet Troupe Slates Performance In Pampa Nov. 1

The company will present Manuel de Falla's "The Three-Cornered Hat" during the second half of the program, while the first half will be devoted to classical, folk and flamenco dances. Chosen from the ensemble's extensive repertoire of more than 60 works, De Falla's brilliant and witty ballet will have sets and costumes by the famous artist, Salvadoro Dali.

Ana Maria, who had not been in her native land for several years, made a triumphant homecoming tour of all the major Spanish cities last year. Her schedule in North and South America had made a return to Spain impossible until that time. Critics in every city joined in welcoming the dancer. The reviewer of Madrid's newspaper A.B.C. wrote: "Only those who, like Ana Maria, carry in their blood the genius of the Spanish dance can maintain the purity of their art through extended absence from this country."

The first Spanish ballet company to tour the United States, the troupe made its debut in 1941.

Seek Ordinance For 1-Way Alley Traffic

Recommendations that one-way traffic be provided by ordinance for the alleys flanking Cuyler will be presented to the city commission Tuesday following a meeting Friday between city officials and local truckers.

About 15 businessmen who make deliveries to mid-town stores met with Chief of Police J. B. Conner and City Manager B. H. Cruce to discuss alley problems. After lengthy discussions on parking, making left turns into and out of alleys, the group asked that the following recommendations be presented to the commission.

1. The alley west of Cuyler be changed to one-way, going south. The alley east of Cuyler changed to one-way, going north.
2. Outlaw parking in alleys except for delivery trucks, and allow them to park on the left side because the majority of deliveries are made from that side.
3. That left-hand turns in and out of alleys be permitted and that trucks be permitted to cross streets from alley to alley.

Rev. Sam Choy At First Baptist

Rev. Sam Choy, director of activities and foreign students in Baptist Wayland College, Plainview, will be guest minister in both morning and evening services today.

Choy is a Hawaiian-born Korean well known in the church for his work with colleges and high school students.

He is a graduate of Wayland College and did post graduate work in the Baptist Theological Seminary, Fort Worth.

Choy will appear in the absence of Rev. Douglas E. Carver who is attending dedication services for the new First Baptist Church in McPherson, Kans., a former pastorate of his.

Club Told Children Should Be Taught Citizenship Early

Mrs. S. M. Culberson, president of the Gray County League of Women Voters believes citizenship training should begin early.

Mrs. Culberson, in an address to the Wayside Club Friday, suggested in her talk in Wayside Community House that young mothers of today could make better citizens of their children by stressing the value of citizenship daily. She said also voters must study all facts relative to the two primary parties before making a decision on their party preference.

"Then," said Mrs. Culberson, "to the polls on election day and vote."

Mrs. Clint Caylor, president, presided at a business meeting. Plans were made to pack a Thanksgiving box for Girls Ranch at the next meeting. Following the business meeting an election of officers for 1952-53 year was held. Elected were: Mrs. Clint Caylor, president; Irene Osborne, vice president; Mrs. W. A. Greene, secretary; Mrs. W. R. Dunn, reporter. Hostesses were Mrs. W. E. Taylor, Mrs. Bob Montgomery, Mrs. Homer Taylor, and Mrs. J. S. Fuqua. Others present were Mrs. Culberson, Mrs.

Long Asleep Volcano Scheduled To Erupt

TOKYO (AP) — Japan's cone-shaped Mt. Fuji volcano, dormant for almost eight and a half centuries, probably will erupt in four or five years, says a Japanese geologist.

Professor Teruhiko Samejima of Shizuoka University based his forecast on a study of more than 90 major eruptions in Japanese islands over the past 1,300 years.

A spokesman of the government's Central Meteorological Observatory called Samejima's theory "interesting" without giving it full support. Fuji, south of Tokyo, is regarded by many Japanese as sacred. Thousands of pilgrims climb it every year.

Roses Can Be Wild

HALIFAX, Canada (AP) — Mrs. Henry Brown went to her garden to pick a bunch of roses and found, instead, a wildcat. City policemen called to the scene killed the 30-pound cat.

Cage Teams On Rise

AUSTIN (AP) — The Interscholastic League today tallied its competing basketball teams this year at 1,098, the highest since the 1941-42 season.

There are 48 teams in conference 4-A, 53 in 3-A, 159 in AA, 209 in A, and 629 in B. The all-time high was 1,213 in 1941-42. Last year there were 1,096.

FIRST CHRISTIAN CHURCH

500 East Kingsmill

Taj Mahal Repaired

AGRA, India (AP) — They're repairing the Taj Mahal, India's 320-year old architectural gem.

Officials announced that the government has already spent \$712,470 to repair pillars and walls spoiled by rainwater. Planned repair work won't end until 1954.

The Emperor Shah Jehan built the Taj in gleaming marble as a monument of his love for Mumtaz Mahal. Roof leaks were first discovered in the Taj in 1936.

Eye-opener for the hard-to-please

WHAT IS THE CHURCH OF CHRIST?

The church is composed of human beings. It is, and will be, as to conduct, morals and influence in this generation, what erring mortals make it. The word church is used first in Matthew 16:18. In a general sense it designates all of God's people. It is so used in the previous reference. It is used in a local sense in the following passages: 1 Cor. 1:2; Rev. 2:1, 8, 12, 18.

The church is not a material building. What is commonly termed "the church" is just a place where the church meets. The church is not a Jewish order; the Church of Christ was not an addition to the Jewish religion. The church is not a political government or kingdom. The church is not a denomination. They were formed by adding to what God ordained or by a subtraction or substitution. The church had its beginning long before any denomination was ever heard of.

The church is the family of God. "These things write I unto thee that thou mayest know how men ought to behave themselves in the house of God, which is the church of the living God." 1 Tim. 3:15. "We are children of God." Rom. 8:16. Each child entered this family by birth. We "were born, not of the flesh, nor of the will of man, but of God." "born of water and the Spirit." Jno. 1:13; 3:5.

The church is the kingdom of God. We were in the sinful world, under the power of Satan. We became citizens by the grace of God who "delivered us from the power of Satan and translated us into the kingdom of the Son of His love." Col. 1:13. Having been taught we made the kingdom of God our choice, having learned of its superior advantages over all other powers. We are immigrants into the kingdom of heaven by choice. It is under the law of Christ, Gal. 6:2; Jas. 4:12; Mt. 28:18. It is the final institution that will stand forever, Dan. 2:44; Heb. 12:28. These are the "last days" and Christ is the last teacher, Heb. 1:1,2; 2:1-3.

If you would like to know more about the Church of Christ, write to the Church of Christ, Box 737, Lefors, Texas.

This is an invitation to a new experience.

It is an invitation to people who demand something more than the usual automobile can deliver—an invitation to try a ROADMASTER.

And let us assure you, when this big, roomy, sweet-riding thrill-maker starts taking its orders from you—mister, you're a new man.

You get a tremendous kick from the power you command here—more power than you will ever need or wish for—the highest horsepower in Fireball history. And it is power made even thrifter by Airpower carburetion.

You get a lift in spirit from the ride here—a ride so extraordinary, even a million dollars couldn't cover the cost of its engineering alone.

You find a new serenity in Dynaflo Drive as it silks your way and frees you from driving strain and tension.

You feel a sumptuous satisfaction in the handling ease that goes with this eager traveler—a superb ease that traces to a host of exclusive Buick engineering advances, and to Power Steering,* plus the shortest turning radius of any car of ROADMASTER size.

Above all, you know a very special excitement at the helm of a ROADMASTER—a sense of commanding something alive and eager and tremendously able.

May we seat you at the wheel and let you judge things for yourself?

Equipment, accessories, trim and models are subject to change without notice. *Optional at extra cost on Roadmaster and Super only.

Fighting Harvesters Conquer Midland Bulldogs, 38-26

Victory Makes Situation Same As In 1951 Season

By WARREN L. HASSE
Pampa News Sports Editor

Football fans were calling it the greatest football game they ever saw, and they probably weren't far wrong. Nearly 7,500 of them stood and cheered and cheered a Fighting Harvester gridiron machine that was not to be denied in a game it wasn't supposed to win.

But with the youngsters did as they played their greatest game to defeat the previously unbeaten and fourth-ranked Midland Bulldogs at Harvester Park Friday night, 38-26.

It was a game that would turn the mildest fan into a rabid rooster. Nearly everything happened. And the fact that it was nearly a purely offensive game made it a fan's delight. Long runs, long passes, goal line stands, and just 45 solid minutes of hard play moved the Harvesters into position for next Saturday's battle with the Lubbock Westerners, defending state champions and nearly unanimous choices to repeat that victory.

Midland came to Pampa as the near-sold favorite. But the Harvesters, preferring a home winning streak, extending back to 1949, played alert, hard ball to upset the visitors. And while the brilliant running of a couple of small backs, 145-pound David Enloe and 149-pound John Darby played a major portion, it took the extra team effort to win.

Eddy Cockeril, sifting sides of the line from his tackle slot to always be on the strong side of the Midland single wing, protected the line of scrimmage from sideline to sideline. He got plenty of help on the defense from running back Richard Qualls, end Jimmy Martindale, guard Bill Pinnen and all the rest of the line men, some of whom were playing defense for the first time in their lives against a single wing.

Swap Touchdowns
What really kept the crowd on edge was the manner in which the two clubs kept swapping touchdowns. It was 13-13 at halftime and 26-26 with nine and a half minutes left to play. Most fans were afraid that what they had been fearing all season, the missed extra point, would prove the Harvesters' downfall. But not so.

The Bulldogs' started right off like they meant business. Scott Mack Jesse Hatfield took the Pampa kickoff and returned it 63 yards to the Pampa 32. Four plays later Dick Spencer roared 23 yards over right guard to score. He was hit by several tacklers, but managed to get free to pounce after only 1:58.

Leading the drive was fullback Jimmy Keel, who contributed a 31-yard punt that carried to the 12.

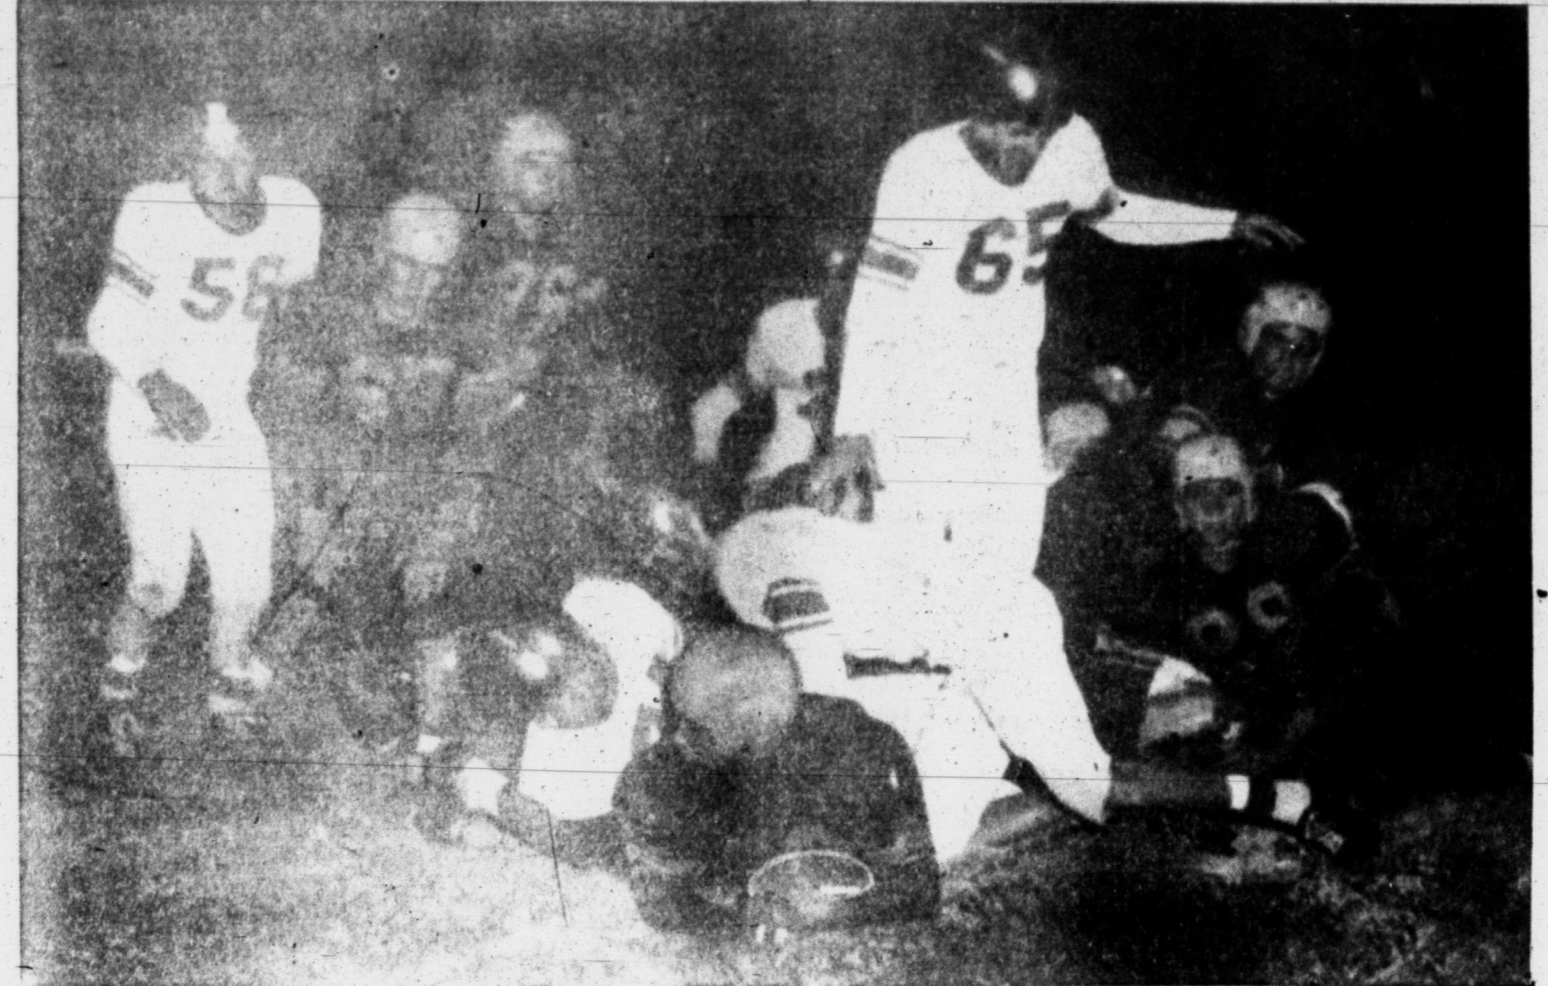

Pampa regained possession on the Midland 38 after an exchange of punts that saw Cockeril nearly block a boot by Friday. Enloe picked up nine at the Midland 22. After an incomplete pass and an offside penalty against the Does, Darby, who played brilliantly despite being badly shaken up early in the game, romped 16 yards around right end to the six. Dudley went up the middle for five and then over for the touchdown. Wilhelm's extra point attempt sailed wide to the left and it was 7-6 Midland with 58 seconds left in the first period.

Fumbles Aids Score
Alert ball-hawking by Bill Pinnen set up the lead touchdown for the Harvesters early in the second period. Enloe punted from the Pampa 42 to the Midland 21 where Hatfield fumbled and Pinnen snuggled around on the ball. On two plays Enloe made 10. Lewis picked up two. Enloe added two more and Dudley made it a first down on the Bulldog one. Then it was Enloe's signal, and the little fullback slithered into the pile and into the end zone to put Pampa ahead. Wilhelm converted and it was 13-7 Pampa, with 8:22 left in the half.

Midland tied it late in the period. The ogs took over on the Pampa 46. On the first play the hard-running Dick Kinsey roared around his own left end for 21 yards. Hatfield lost one, but on the next play he passed to Robert Ketchum, left end, for 26 yards and the tying touchdown. Friday's attempted placement was partially blocked by end Lee Fraser and it was 13-13 with 1:50 left to play in the half.

There was no scoring in the third period until it was nine minutes old, then it came fast. Friday got off a 44-yard punt from his own 10 and Dudley returned it 25 yards to the Midland 25. Six plays later one of which saw Enloe again breaking away for 21 yards, halfback Harold Lewis dove over from the one to put Pampa back in front, 19-13. Wilhelm's attempted placement was wide to the left and 3:05 was left in the period.

Regain The Lead
But that was enough time for the visitors to regain the lead. They took the kickoff, and after Hatfield had gone 40 yards on two plays, Kinsey circled left end for 13 more and the tying touchdown. This time Friday again split the uprights, and it was 20-19 Midland, with 1:03 left in the quarter.

YOU'RE OVER — Ed Dudley, Harvester fullback, looks around to see if he has crossed the goal line in the first quarter of Friday night's game at Harvester Park. He did, and it was the first touch-down of the evening for the Pampans as they went on to defeat Midland, 38-26. (News photo)

Rematch Set On Mat Card Pampa - Lubbock Game To Be Schoolboy Card Feature Again

Pampa wrestling fans are going to get just what they want after seeing last week's bouts at the Southern Club sports arena. Promoter Howard Vineyard has announced the rescheduling of popular Tommy Martindale of Milwaukee against Senae Ovama of Yokohama, Japan, in a 50-minute winner-take-all main event next Wednesday night. Last week the two fought in the main event, and the barefooted Japanese used every means available to defeat Martindale, leaving him a bleeding mess in the ring after a disqualification by the referee. Ovama had rubbed resin in Martindale's eyes to blind him then pinned a head open with a sharp instrument. When Martindale did regain his composure he came back fighting mad, floored the Jap and was choking him when referee Chico Bonales tried to intervene. Martindale floored Bonales with a hard right, and brought on the disqualification.

Martindale immediately sought a rematch and got one, on a week-to-week basis, the game was announced by promoter Vineyard. The remainder of the card will be as follows: Tickets will be placed on sale Wednesday afternoon at the Sportsman's Store.

Dudley slipped trying to run the extra point across. For all practical purposes the game was over and the Harvesters had their sixth straight win.

The Bulldogs came back with a desperate aerial attack, but could do no good, finishing in possession of the ball on the 15 when the final whistle sounded.

In the dressing room fans awaited with eager arms the exhausted red-faced and wet-eyed Harvesters. They had played the game of their young lives, and their shouts of "Get a Westerner," emphasized the fact that they were planning on another such performance the next week end.

And to prove it was a team victory, players capped off their return to the dressing room with a "15-rahs for the coaches."

This was all in the scoring department as Coach Leach sent his reserves who gained some experience but were pretty well pushed around by about 1:40. McLean 19 when the first string was sent in to put out the Groom fire.

McLean Juniors Lose Last Game
McLean (Special) — The McLean Junior Tigers, the little Tigers, wound up their schedule Thursday night here with a loss to Panhandle, the score being 40 to 7. The little Tigers were out-weighted and out-played all of the way. No weights were available but the Panhandle team looked like they might play any senior high team on even terms.

McLean is the only team playing a junior high schedule that does not carry the 9th grade as juniors. As severe as the beating was that they took, the Junior Tigers played good football and it can never be said that they did not try or that much bigger team frightened them. Panhandle made 12 first downs to 9 for McLean.

The Junior Tigers played a five game schedule, winning one, tying one and losing three. In all of the games, Joe Cooke, Paul Garvin, and Glenn Guthrie were outstanding backs with Bob Stubblefield, Harry Smith, Henry Norval and E. W. Riley doing yeoman work in the line.

West Virginia University football players believe Jack Rabbits, a halfback, is the fastest man on the squad.

Irish Gambles Bring 34-14 Win
SOUTH BEND (AP) — Fourth down gambles by Ralph Guglielmi, sophomore quarterback, paid off on a game-turning touchdown Saturday that opened the flood gates for a 34-14 Notre Dame sweep over North Carolina.

With the score tied 7-7, Guglielmi began an aerial race with the clock just before the first half ended. He completed six tosses in a 75 yard scoring surge capped by a spectacular 10 yard touchdown toss to Eend Art Hunter.

During the drive he aroused rounds of cheers from 54,338 fans as he twice decided to gamble on fourth down with one yard to go. Fullback Neil Worden made good on one try and Guglielmi sneaked to another to keep the thrust sharpened.

Harvesters Figured As Last Block For Westerners

By BRUCE HENDERSON
Associated Press Staff Writer
An ambitious Pampa team looming Saturday as the possible stumbling block in Lubbock's drive to keep its Class AAAA crown in the ever-toughening high school football race.

The Harvesters Friday night rolled on undefeated and untied as they blasted Midland from the unbeaten ranks 38-26, in a wild District 1 conference game. That contest matched two of the four undefeated - untied Class AAAA teams. Its winner is considered the major challenger to Lubbock in the district championship fight.

The Pampa - Midland tussle, a hard-fought one, sounded the warning knell to Lubbock that the pressure was on in this 1952 campaign.

Ray Blasts Jefferson
Whiten unbeaten untied Lubbock notched a not-overly-impressive 32-29 win over Borger in a conference clash, another AAAA contender. Ray of Corpus Christi, blasted Thomas Jefferson of San Antonio, 39-13, in an important District 6 conference game. The win kept once-tied Ray among the undefeated.

And still another AAAA powerhouse, Baytown, crushed Beaumont, 41-0. It was a game that counted in District 8 competition. A loss last week to seemingly invincible AAA Temple knocked Baytown from the undefeated ranks. But the Ganders are still regarded as dangerous.

Seminole Upsets Pecos
The big upset of the night in Class AA was unbeaten - untied Seminole's 34-13 victory over previously unbeaten and untied Pecos. The loss was a tough one for Pecos, long a title favorite, because it came in a crucial District 8 conference match.

In another AA conference headliner, matching unbeaten - untied teams, Humble whipped Cleveland, 14-6. Defending AA champion Arlington edged Diamond Hill, 6-0, in a game that counted in District 11.

At Amarillo, the Abilene Eagles topped the Sandies, 7-6. Neither team could score in the first half, but the Eagles recovered a Sandie fumble on the Amarillo 26 in the third period, and drove from there for their touchdown. Bobby Jack Oliver was the real hero, booting the extra point that eventually won the game. The Sandies scored their touchdown with two and a half minutes left. They recovered an Eagle fumble on the Abilene 36 and drove from there to score. Eugene Booth was the boy who missed the important extra point.

In the other district game, Odessa's great defensive ball club had little trouble mastering the hapless San Angelo Bobcats at San Angelo, 26-0. The Bronchos scored in every quarter and were never in trouble. All scoring plays were over 20 yards as the Bobcat defenders were as impotent as the San Angelo offense against the strong Odessa line.

Two of the games this week-end are on Friday night and the other two on Saturday. Many Pampa fans will journey to Borger Friday night to see the Odessa-Borger struggle. The Harvesters must meet both yet. Saturday afternoon is the date for the big Pampa-Lubbock contest.

Neither team (Midland nor Pampa) can beat Lubbock," Phil Lum Collier, sports writer for the Star-Telegram said while viewing the game here Friday night. Collier, sports writer for the state, and despite the fact that he had Midland rated above the Harvesters, he took Pampa by a touchdown last week.

District Standings

P. E. AT PHS

The intramural flag tag program shifted into high gear this week on Tuesday and Thursday nights when two of the six competing teams were eliminated from the championship race.

The Team Two "Pack Rats" marked up their second win of the season at the expense of the Team Three "Sneaky Beakies" in the opening game Tuesday night. "Pack Rat" Darrell Godfrey registered the initial score of the game by way of a pass interception on the second play of the second quarter and scored the extra point for his team. Not satisfied with this slim lead, the "Pack Rats" later gave Godfrey fine blocking off right tackle clearing the way into the secondary where he reversed his aid and went 40 yards for his second T.D. The try for extra point failed. "Sneaky Beakie" Ray Lake put his team back in the game with a short scoring plunge following a long Bob Patterson pass to Glenn Hensell. Patterson added the extra point. The "Pack Rats" bounced right back to ice the game with Capt. David Cartwright scoring on a 30 yard run through left guard on the final play of the game. Final score: Pack Rats - 19, Sneaky Beakies - 0.

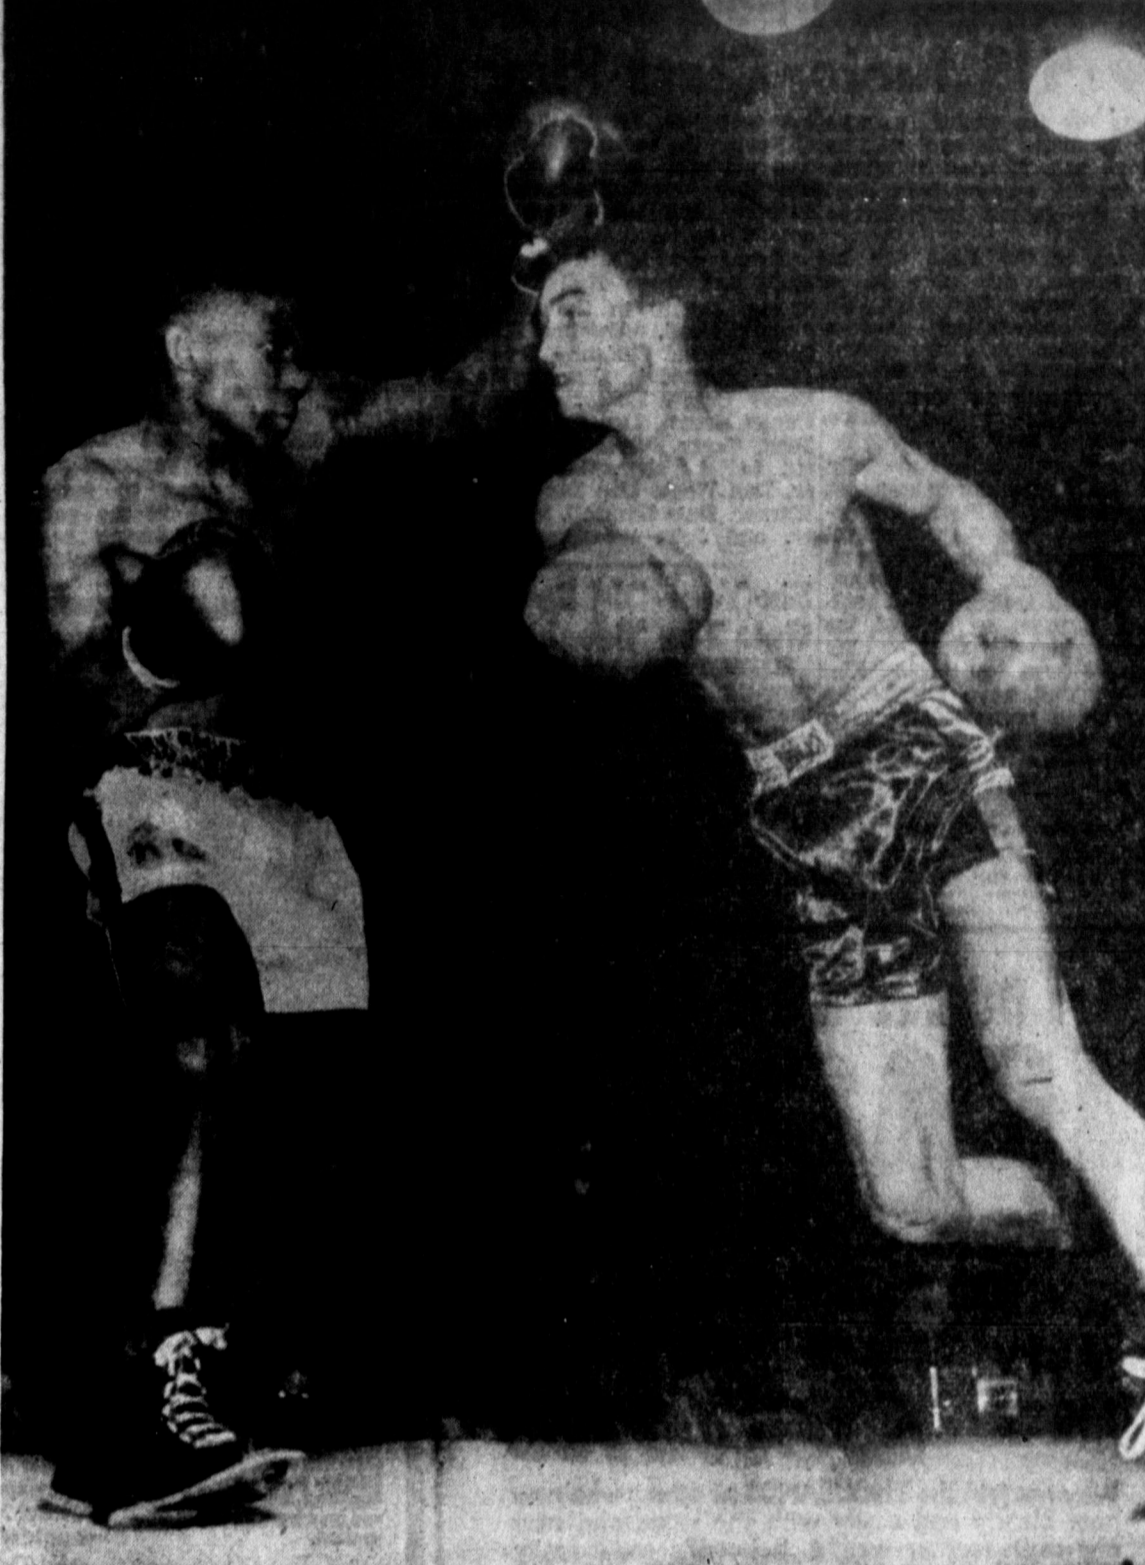

In the second game of the evening, it was the Team Four "Anythings" all the way as they smothered the Team Six "Thrashers" 25-0. Charles Holloway opened the hostilities in the early minutes of the game with a pass interception which rang up six points. The "Thrashers" took the following kick off on their own twenty, moved back 15 yards on a penalty, and then fumbled to the "Anythings" on the one. Holloway scored on the first play from that point and Buddy Simpson added the point and a tie score. In the 3rd quarter, Capt. Max Scott blocked and intercepted an attempted "Thrasher" pass to add six more to the scoreboard but his "Anythings" were off side on the play. Not to be denied, Scott rounded his own left end the next time he got the ball to score from the mid-stripe. Carroll Welch broke into the scoring column and broke up the game in the final period with a beautiful fake and keep play around right end that netted 40 yards and the last T.D. Score: "Anythings" - 25, "Thrashers" - 0.

The Thursday night games produced the most thrills of the flag tag series thus far. Leon Raketta intercepted a Team One "Knuckle Head" pass for the Team Four "Anythings" on the third play from scrimmage. Charles Holloway went over the top on the next play to score from the five yard line. Donnie Webb added the extra point. Another "Knuckle Head" aerial went astray in the third period and into the waiting arms of Jimmy Bond who gathered it in on the mid mark and deposited it on the "Knuckle Head's" nine yard line. A penalty moved the ball to the one and then Holloway again dived over guard for his second T.D. of the game. The pass for extra point was blocked. The "Anythings" took to the air in the fourth quarter with Donnie Webb losing a perfect strike to Max Scott in the end zone to end the scoring. Final score: "Anythings" - 19, "Knuckle Head" - 0.

The issue was very seriously in doubt from the very beginning for the Team Five "Whirlwinds" as Darrell Godfrey took the opening kick off for the Team Two "Pack Rats" and returned to the "Whirlwind" 25 yard line. On the first play from scrimmage, Jack Gillpatrick took a hand off around right end and out raced the secondary to the goal line, putting the "Pack Rats" ahead 4-0. Godfrey added the extra point and that was the game, as far as "Pack Rat" scoring was concerned. They put together one other threat which netted them a last down on the "Whirlwind" one yard line, but a brilliant goal line defense led by Dale Kelley refused to give for four downs.

THE CLARENDON CLUBBER - Kenny Davis, right, the Texas Panhandle's fightingest native son, is pictured above throwing a roundhouse right that nearly turned out the lights for William Morton, Kansas City, in the finals of the Tournament of Champions at Chicago last March. Davis went on to win the decision, and his third national 126-pound championship. He will fight Tuesday night at Clarendon in his fourth professional bout. (Pampa News photo)

Ken Davis, Panhandle's Top Fighting Son, Back Tuesday

The Texas Panhandle's fightingest native son, Kenny Davis, returns to his home town of Clarendon Tuesday night to display his prowess as a professional boxer. A two-time international Golden Gloves champion, Davis turned professional Aug. 7 after his discharge from the Marines. Since then he has fought three times, and is unbeaten.

His first fight he met Louis Adame of Tijuana, Mexico, at San Diego, Calif., Coliseum, and won a split decision in a 10-round main event. His second bout was also a split decision over Mickey Northrup of Los Angeles at San Diego. His last win was over veteran Bobby Gardner of San Antonio, and it was a unanimous win.

Jimmy Rivera of Nuevo Laredo, Mexico, will furnish the opposition for the Clarendon clipper Tuesday night. It will be a 10-rounder and will be, naturally, the main event of a five-bout fight program. Rivera, who hails from a fighting Mexican family, has over 30 pro fights behind him, and should offer Davis his toughest opposition.

Clarendon has turned the day into "Kenny Davis Day," in honor of the featherweight who won the national championship three times and was top man in last season's San Diego Marine Corps Recruit-Deput's title squad. He won 108 of 115 amateur bouts, over 70 of the wins by knockouts. He was all-Navy champion in 1930. The Los Angeles Times named him the top amateur boxer of the year at their December 1931 National Sports Award dinner.

Davis is married. His parents are Mr. and Mrs. Kennard Davis, who live in Clarendon. Bill Bentley, who coached Davis at the start of his amateur career, has become his professional manager.

On the supporting card will be a six-round semi-welterweight bout between Armand Goetters of Los Angeles and Johnnie Lovett of San Antonio, a pair of lightweight. Goetters was a teammate of Davis in the Marine Corps.

In another six-round special event, Sporty Harvey, San Antonio heavyweight, meets Johnny Hollins of Austin.

A pair of four-rounders will open the night's action. Cookie Jarillo, 123, Austin, meets Baby Baypan, 128, San Antonio and Lefty Perez, 130, San Antonio meets Bobby Jones, 129, Austin.

The matches will be held in the Clarendon Junior College gym with the first bout starting at 8:30. Radio station KPDN will carry the broadcast of the entire night's action starting at that time.

Ringside tickets, selling for \$3.00, may be obtained in Pampa at Nobilit Coffey Pontiac. Reserved seats are \$2.40 and general admission \$1.80. Clyde Wilson of Clarendon is promoting the evening's fighting.

Maryland Routs LSU Tigers

COLLEGE PARK, Md. (AP) - Three touchdowns passed by the incomparable Jack Scarbath took the early stubbornness out of Louisiana State Saturday as Maryland rolled to another 24-6 rout and its 21st game without defeat.

The aggressive visitors were giving the country's second-ranked team hard going on the ground before Scarbath unlimbered his pitching arm.

The blond senior from Baltimore completed 11 out of 18 passes for 181 yards before leaving the game with the score 34-0 after eight minutes of the third quarter.

Big and rough Louisiana State looked Maryland squarely in the eye for the first period to trail 6-0. But Scarbath laced up his Sugar Bowl champions to null away to a 20-0 halftime lead and then add two quick touchdowns

Field Trial Dates Set In November

The annual fall field trials of the Panhandle Bird Dog Club, Inc., have been scheduled for Nov. 2, and Nov. 7, 8 and 9. The tests will be in two phases. On Nov. 2 at the Buffalo Lake reservation near Umbarger, the amateur puppy stakes will be held. Entry fee is \$3. Entries close and drawing of braces will be held in the board of directors room on the second floor of the Globe-News Building on Saturday, Nov. 1, at 8 p.m. No horses are furnished for these events. Trophies will be given for the first three places.

Part two is the amateur derby stake with entry fee \$5, multiple course; and amateur all-age stake, entry fee \$15, multiple course. These will be held at the Hemphill County Game Demonstration area near Canadian on Nov. 7, 8 and 9. All entries close and drawing of braces in all stakes will be held in Canadian at 8 p.m. Nov. 6. These stakes will be handled by horses, but handling on foot will be permitted.

Nationally famous judges will judge all three stakes. The courses will be staked and flagged. Although it has been dry this year, reports are that there will be plenty of birds on all courses.

The club will make every effort to have horses available, but saddles will likely be scarce. Extra tractor-pulled wagons for the benefit of the gallery unable to secure horses.

A special "dog wagon" will be available to take care of the dogs.

All inquiries pertaining to horses and reservations should be addressed to Vice-President Joe Knittel, 400 Washita, Canadian, Texas.

Nineteen Bidding For Cage Posts

Nineteen cagers have been working Coach Clifford McNeel, with the aid of assistant coach Terry Culling out the past two weeks as he prepares the Hustling Harvesters for the onrushing basketball season.

Working out are Gavly Trolinger, Dwayne Kuntz, Jimmy Bond, George Depe, Buster Carter, Billy Webb, Jim Oden, Red Carroll, Fred Woods, Don Pagan, E. J. McElvain, Gary Griffin, Dale Hensell, Larry Larsen, Ray Cooper, Doug Randolph, Gene Doggett, Jerry Greene and Doug Thompson.

The basketballers are working out every afternoon at the field-house.

Lone returning letterman is Bond, who led the Harvesters in scoring last season and was a unanimous all-district choice. Returning squadmen are Webb, Oden, and Woods.

Expected to provide strong help McElvain and Griffin, both up from junior high, and several boys from the B squad.

Warriors Sneak By Booker, 39-38

MIAMI (Special) - The Miami Warriors defeated the Booker six-man football team in a District 1-B game at Booker Friday night, 39-38.

Clayton Meyer, who scored 40 points for Booker in their previous game, tallied all 38 of his points Friday night. But his one-man show wasn't enough to overcome the scoring punch of the Warriors.

Bill Russell led the Miami scoring with 19 points, while Eldon Flowers and Carl Williamson each tallied seven and David Bean added the other six. It was Miami's fourth conference win against one defeat.

Miami lays its last game of the season next Friday against Darrouzet at Miami. Follett is leading the league, and only a Follett loss could boost Miami into a tie for the league lead.

In another district game, Mobbette swamped Sunray at Sunray Thursday, 80-20.

(Read The News Classified Ads)

Bucks Strengthen Championship Bid

The White Deer Bucks further strengthened their position as the favorites in District 1-A Friday night when they downed the Panhandle Panthers, 25-20, in the annual bitter struggle between the two clubs.

Over 3,000 fans packed Buck Stadium to see the clash. It was the first loss of the year for the Panthers after five straight wins. The clinching touchdown was scored by Ronald Mills on a 25-yard scamper in the fourth period. It brought the Bucks from behind to win.

The Bucks were paced by the hard running of Cordell Pugh and Max Jordan along with Mills, it was a 13-13 game at halftime but the Panthers took the lead in the third period and held the 20-19 advantage until Mills' fourth quarter dash.

Meanwhile, the McLean Tigers, not considered too serious a threat earlier in the season, bounced the Groom Tigers at McLean, 32-0, in a non-conference game.

The defending district champion Canadian Wildcats, having a mediocre season, dumped the Clarendon Broncos, 20-13, in a conference game. A poor Broncho punt, that went out of bounds on the Clarendon 11, set up the winning touchdown in the fourth period. Dean Hoover scored the winning touchdown for the Cats.

It was a quiet game until the fourth quarter. At the end of three periods it was knotted at 7-7. But then the offenses started to move to grind out 19 points in the last period. It was the fourth win for Canadian against three defeats and six straight losses for Clarendon.

The other District 1-A team, Leifers, took a severe 32-0 trouncing from the big and powerful Price College Cardinals of Amarillo.

Syracuse University, in 58 games under Coach Floyd (Ben) Schwartzwalder, never has played a tie.

Revival To Begin Tuesday In Local Nazarene Church

Rev. T. H. Stanley, Oakland, Calif., will be speaker at a revival at the Church of the Nazarene, 500 N. West, beginning Tuesday evening and continuing through Sunday.

Stanley has served as full-time evangelist in the Church of the Nazarene the last 10 years. He stresses personal work, prayer and fasting and is an exponent of the Wesleyan doctrine. His campaigns have taken him throughout the United States. Stanley formerly held pastorate in Mississippi, Alabama, Iowa and Washington.

REV. T. H. STANLEY

McLean Officer Home On Leave

McLEAN (Special) — Ensign Claude Mounce, on leave from duty aboard the USS Neches, is spending a few days with his parents Mr. and Mrs. Hal Mounce.

A 1952 graduate of Texas University and member of the Navy ROTC there, Mounce, received his commission as ensign upon graduation last June. He will attend a radar school in Austin before returning to duty aboard ship. He expects to complete his studies about the time the ship returns to port, and at that time he will rejoin the crew for a tour of duty in the Pacific.

Curious Goat Butts Into Man's Project

COLUMBIA FALLS, Mont. (AP) — A wild, Rocky Mountain billy-goat apparently decided to butt into the progress of civilization near here recently when he came down from his elevated den for a two-day visit.

The billy watched construction

DR. J. B. DURKEE, D.O.
FORMER MEDICAL DIRECTOR OF
HOXSEY CANCER CLINIC
announces removal of his office from
4507 Gaston to Capital Clinic 5119
Capital Ave., Dallas, Texas, phone
VI-4362, for continuation of his practice.

MEDITERRANEAN BOUND — Metalsmith Robert E. Morris, United States Navy, son of Mr. and Mrs. R. D. Morris, 1417 N. Charles, has left the U.S. on a six-month cruise aboard auxiliary repair ship USS Everglades. From its first port of call in France, the Everglades will visit Italy, Greece, Morocco and Egypt. Sworn into the Navy in 1950 in Albuquerque, N. M., Morris went through boot camp in San Diego, Calif., and remained there for eight months afterwards. In September, 1951, he was transferred via the Panama Canal to Norfolk, Va., where he has been stationed till this time. Overseas he expects to be assigned to shore patrol or the motor patrol. Morris was graduated from Pampa High School in 1950 and attended Texas Tech one semester before entering the Navy.

Plan McLean Carnival

McLEAN (Special) — Superintendent Paul Kennedy has announced Oct. 30 as the date for the Halloween carnival held annually by McLean schools.

The affair will be held in the Municipal Building beginning at 7:30 p.m. and all grades from 1st through the 12th will have booths.

Highlight of the evening's activities will be the crowning of the High School Queen, whose identity will not be known until a few minutes before the ceremonies begin.

Queen Nominees are LaJone Chilton, senior; Gail McPherson, junior; Mavis Medley, sophomore; and Leona Gossett, freshman. Each of grade school classes will elect a princess who together with the High school candidates and their escorts will form the Queen's Court.

The purpose of the carnival is to raise funds for school activities. Each class is permitted to keep a portion of the funds which it raises. The remainder is used to buy additional books and equipment for the school library.

workers building a 125-foot tower on a new 250,000-volt power line to Hungry Horse Dam.

For reasons known only to himself, the goat grew so curious that he inched his way up to within 15 feet of the workers at one point before turning tail and heading for his home grounds.

Stars and Stripes

(Readers are invited to mail or telephone news of men in the Armed Forces. Write or Call Stars and Stripes Editor, Pampa News.)

P. F. C. James Robert Braly, "E" Company, 2nd Bn. 1st Marine Division, is now serving with a 66mm mortar group in Korea. Braly sailed for Korea Sept. 15.

He received basic training at Camp Matthews, Calif., and advanced training at Camp Pendleton, Calif.

Serving aboard the aircraft carrier USS Essex in the Far East, James E. Britton, seaman, USN, son of Mr. and Mrs. E. M. Grouse 725 E. Frederic, and Raymond L. Marney, 203 E. Francis, and husband of the former Miss Pat Chewing, all of Pampa.

The Essex, famous since World War II as the "fighting ship in the fleet", has been in almost continual combat operation since her recommissioning Jan. 15, 1951.

Pvt. Robert L. Merrell, son of Mrs. May Merrell, 1008 E. Denver, was awarded the Combat Infantryman Badge recently for excellent performance of duty under enemy fire in Korea.

He is a member of the 2nd Infantry Division, which gained fame in two of the hardest fought battles of the Korean war. It captured "Heartbreak Ridge" in October, 1951, and took "Old Baldy Hill" this summer.

Pvt. Merrell, who joined the division in Korea last May, has been serving as a 50-cal. machine gunner in the division.

He also has been awarded the Korean and United Nations Service Ribbons.

PRIVATE GETS COMMISSION — James A. Kinzer won a direct commission from private to first lieutenant this month in the Judge Advocate's section. The promotion was made at Camp Roberts, Calif. He is to be assigned to the Judge Advocate's section at Camp Cooke, Calif. (U. S. Army Photo)

Philippines Waive Tourist Visa Fees

MANILA (AP) — The Philippines government has approved a foreign office proposal to exempt tourists from \$15 visa fees to encourage its tourist trade with the United States.

The recommendation was made after a survey showed 39 countries required no visas for Americans, 14 did not require passports, while seven others issued visas free of charge.

Tickets Go On Sale Monday For PHS Junior Class Play

Tickets for the junior class play, "My Sister Eileen," will be placed on sale Monday in preparation for the opening here Nov. 10 and the second performance Nov. 11.

Members of the class will be selling tickets. This play is a comedy of errors that ensues when two unsuspecting sisters from Columbus, Ohio, are caught in a nonsensical web of circumstances centering in their basement apartment in New York's Greenwich Village.

Broadway audiences gleefully howled for 866 performances at the predicament of Ruth, the aspiring writer, and her beautiful sister, Eileen, the hopeful actress. If Mr. Appopolous, the mercenary though artistic landlord, had rented them a room on one of the building's higher floors, life might have been less hectic. The sisters wouldn't have heard the blasting for a new subway going on under their basement, and Jimmie might have missed the riotous goings-on right outside their window.

But if Ruth and Eileen had lived upstairs, "My Sister Eileen" wouldn't be the rollicking laugh-bit that has regaled audiences all over the country. The play was not seen only on Broadway but was toured throughout the country, and made into a successful movie.

Norma Qualls will be seen as Ruth and Gayle Nell Carter as Eileen. Others in the play are Jimmy Bond, Dwaine Kuntz, Judy Nance, Christine Pierce, Jean Martindale, Jimmy Hash Baerv Oates, Robert Perkins, Nancy Brown, Don Sprinkle, John Teed, Terry Forrester, Ora Tackett, LeRoy Baker, Gayle Trolinger, Dan Webb, Don Duenkel, John Warner, Dale Hensell, Mack Carter, and John Weathered.

White Deer Council Elects New Officers

WHITE DEER (Special) — High School student council held its first meeting recently to elect officers and to make plans for the coming year.

Officers elected were Carl McCabe, Vice-president; Nancy Ford, secretary; treasurer; Pauline Cantrell, Reporter; Philip Rapstine was named president in last spring's election.

David Grayson was elected to serve with Principal Lawson Shaw as the two sponsors.

The Council voted to install soft drink machine in the patio and to sell candy during each noon period as a money-making project.

Folks Should Slow Down And Enjoy Life

ST. LOUIS (AP) — "People nowadays don't slow down enough to really enjoy themselves."

That's the opinion of August F. (Gus) Kuhn who ought to know. He has retired after 29 years as head waiter at the Statler Hotel here. "The old times were the good times," Kuhn says. "Now everything's a hurry. People ain't use to do that. They didn't have as much money to spend, so they took more time about spending it."

The 70-year-old Kuhn who came to the United States from Saxony, Germany, in 1905, also observes "people are less polite today than they used to be because they're always in such a hurry."

National Girl Scout Week

Dreams of becoming a Girl Scout are coming true for many young girls in Pampa because of volunteer leaders and workers like those pictured on this page. Being a Scout is a big thing to a little girl—an important thing. And with interest in Scouting growing so, it has been necessary for many volunteers to double-up on their duties. There's always a demand for more leaders, a need for meeting places, and a use for cash contributions. Mrs. Dorothy Statton, Scout executive, and Mrs. Fern Dawson, co-ordinate the work of the volunteer leaders and handle office details necessary to the organization. Ed Wyatt, Sam Malone and Floyd Watson, volunteer workers, have been in charge of the 1952 Girl Scout fund raising campaign, and their efforts help make Scouting possible. Scouting offers a young girl many things — association, recreation, nature study, arts and crafts, and many other worthwhile phases adding to her personality development. Mrs. Bob Andis and Mrs. Ed Barnes are instructing their Scouts in leather craft at the weekly meetings in the Andis home, a part of which has been set aside for Scout meetings. Several troops, like Troop 24, however, do not have regular meeting places. Mrs. Mildred Barker and Mrs. James Scott, leaders, have held fall meetings in the Horace Mann park, unable to find another meeting place. Holidays are sure signs of parties in Girl Scouting, and J. D. Wright and Mrs. John Sexton are among the leaders planning special when you're a Girl Scout!

But then, as Judy Roming explains, "There's always something special when you're a girl Scout!"

Central Baptist DOW Class Elects New Officers At Meeting

Mrs. Kenneth Osborne was hostess to the Central Baptist DOW class when the group met to elect new officers.
 This year's leaders include Mrs. Hubert L. Lam, president; Mrs. Ray Babb, vice-president; and Mrs. June Durham, secretary.
 A Halloween social was planned during the business meeting. Attending were Meses Charles Broxson, Carrol Walters, Gene McClendon, Wendell Wardlow, Jim Johnston, George Long, Bill Speice, Bob Culpepper, Harvey Rochelle, George Iblson Babb, V. C. Moore, Ietta Armstrong, Marth Bevel, Lam, Jack McNeil, Wayne Cobb,

MISS SHARON CHAPMAN

Mr. and Mrs. Frank Chapman, 124 N. Sumner, announcing the engagement of their daughter to Mr. Clarence C. Teague, Jr., son of Mrs. Clarence C. Teague, 864 S. Sumner, and Clarence C. Teague of Borger. The wedding is to be an event of the Christmas season. Miss Chapman is a graduate of Pampa High School and attended Draughn's Business College in Amarillo. Mr. Teague attended Pampa High School and Texas Technological College, before serving in the Air Force. Both are employed by the Cabot Company here.

Mrs. W. D. Waters Feted At Coffee, Post-Nuptial Shower At Country Club

Autumn decorations were carried out at a recent coffee and post-nuptial shower complimenting Mrs. W. D. Waters, the former Miss Elise Donaldson. Hostesses were Mrs. Malcolm Brown and Mrs. Chester Thomson.
 The courtesy was held at the Pampa Country Club. The table was laid with an imported cut-work cloth featuring an arrangement of bronze chrysanthemums backed with autumn leaves, and an arrangement of fruit in antique china.
 Matching floral decorations were used throughout the entertaining rooms.
 Mrs. Rex Rose and Mrs. E. S. Williams presided at the silver coffee services, and Mrs. Aubrey Steele and Mrs. Dovie Osborne secured names for the register.
 Participating in the shower were Meses Joe Gordon, Paul Schneider, Lester Jones, Ray Duncan, Harry Burden, Lilly Hartsfield, H. A. Yoder, Mae Tom Johnston, Hampton Waddell, Foreman Carr, Clifford Jones, Frank Yealy, Lovise Caldwell, Dow King, W. F. Yeager, Clyde Fatheree, Hugh Burdette, Charles Cook, Louis Burns, Greely Warner, F. E. Hoffman, Edgar Ethridge, Ted McGuire, E. O. Wedgeworth, Harold Osborne, M. V. Ward, F. W. Osborne, Dan Glax-

Martha Class Has Installation Service

Mrs. Myron Spencer was installed president of the First Baptist Church Martha Class at a "pot luck" luncheon held recently at the church.
 Other officers include Mrs. Ellen Shipp, teacher; Mrs. M. L. Epps, membership vice-president and Mrs. W. A. Phippen, assistant; Mrs. John Wheeler, fellowship vice-president and Mrs. James Hopkins, assistant; Mrs. Bob Clements, ministries vice-president and Mrs. Ray Barnard, assistant; Mrs. Bob Alford, stewardship vice-president and Mrs. E. L. Glenn, assistant; Mrs. O. B. Schiffman, secretary and Mrs. Dean Cason, assistant; Mrs. Fannie Griffiths, Mrs. Parker Mangham, Mrs. Boyd Brown, Mrs. Bob Montgomery, Mrs. C. B. Rogers and Mrs. Clella Clay, group captains.
 Attending, other than new officers, were Meses Homer Doggett, Lee Garrison, C. L. Coonrod, W. E. Jordan, A. J. Hindman, Clarence Hill, and two guests, Mrs. R. W. Tucker and Mrs. James Salsbury.

Mrs. Myron Spencer was hostess to the First Baptist church Martha class at a recent meeting held to plan yearbooks and a social calendar for the year.
 Refreshments were served to Meses Ray Barnard, W. A. Phippen, John Wheeler, E. L. Glenn, Bob Montgomery, Ellen Shipp, O. B. Schiffman, Parker Mangham, Boyd Brown, M. L. Epps, and one guest, Mrs. Glenn McConnell.

Local OES To Attend Amarillo Grand Chapter Meet

Plans to attend the grand Chapter meeting of the Order of The Eastern Star, in Amarillo Oct. 27, were made by the Gavel Club at their dinner meeting Thursday evening in the home of Mrs. R. A. Hankhouse. Mrs. J. S. Fugua was co-hostess.
 Gifts were exchanged and games played by the following members and guests: Meses Guy Andis, Ethel Alexander, W. M. Murphy, W. S. Kiser, Otto Rice, Katie Vincent, W. R. Morrison, Otis Nace, J. G. Crinklaw, Oscar Shearer, A. J. Baxdman, Lucy Line, Nellie Ralston, L. B. Hale, W. B. Murphy, W. M. Doyles, G. C. Crocker, W. L. Parker, Artie Reber, Hal Suttle, Ed Railsback, Roy Sewell, Hankhouse and Fugua.
 The next meeting will be in the home of Mrs. Lucy Line, 1805 N. Williston with Mrs. W. S. Kiser co-hostess.

ner, H. O. Darby, Harold Wright, Tom Rose, Sr., C. B. Homer, and L. R. Miller.
 Frank Carter, J. L. Wheatly, Herbert Walker, John O. Miller, W. R. Ewing, R. J. Bradley, Roy S. GIRL SCOUT NOTES

Troop 22
 Girl Scout Troop 22 opened their meeting around the bedside of Judy Neslage, who is ill at her home at 1324 N. Russell. The Troop gave the Promise and sang the Promise Song, then presented Judy with the Pioneer and Child Care Badges she had previously earned. October 22 was Judy's birthday so the Troop sang "Happy Birthday" and presented a gift. Mrs. Neslage served root beer to the Troop.

The Troop then went to the Perry Lefors Air Terminal as guests of the Central Airlines. Various types of planes were explained to the girls, also the weather instruments and the tele-type. The Central Airlines 5:30 flight came in while the Troop was there and the girls were shown the inside of a larger passenger plane. The Troop is working on their Aviation badge and are all excited about a plane trip to Amarillo in the near future.

Attending the meeting were: Barbara Arney, Phyllis Burns, Darlene Darnell, Celia Fowler, Sherry Hyatt, Eileen Moore, Vicki Osborne, Ann Price, Jenene Price, Sandra Sullins, Sandra Williams, Sue Reynolds, Shirley Epps, Judy Neslage, and the Leaders, Mrs. Harold Osborne, Waldon Moore, Walter Hyatt, and H. R. Jeter.

Troop 41
 Election of officers was held at the first meeting of the Brownie Troop 41, in the home of the leader, Mrs. J. R. Abbott.

Officers elected were Barbara Jean Abbott, president, Betty Jo Powell, secretary; Clara Lumsford, treasurer; Helen Payne and Sue Adams, song leaders, and Sandra Ballard and Kay Hubbard, housekeepers.

Other members registered are Betty Gail Richardson and Paul Rav Mullens. Also present were the other leaders, Mrs. Payne and Mrs. Powell.

Brownie Troop 5
 Halloween tray treats for the hospital are to be distributed by Brownie Troop 5. It was decided at the group's last meeting in the St. Paul's Methodist Church, Miami Scouts.

Miami Girl Scouts Troop 7 had a Candlelight Investiture Ceremony and received their Scout pins at the last meeting.

The girls were invested by Mrs. Harold Osborne, training chairman of the Pampa Girl Scout Association, Inc. and the leader, Mrs. Clyde Hodges. The promise and laws were repeated and the "Promise Song" was sung by the group. The investiture was closed by singing "Taps."

Refreshments of punch and cookies were served to 25 friends and parents and to the following Girl Scouts: Sammie Jo Bowers, Bonnie Bright, Deniece Burneth, Charlotte Christopher, Jo Davis, Karen Faegard, Laurel Gracey, Darlene Harris, Kathryn Harris, Caroline Hodges, Mary Hosler, Jennie Hosler, Vickie Jackson, Belva Lawson, Margarite Lopez, Jeannie Mathers and Beverly Poore.

Leaders receiving pins were: Mrs. Clyde Hodges, Barbara Keehn and Doris Laflin.

Poarch - Dickerson Vows Exchanged In Double - Ring Services In Lefors

Miss Elaine Poarch, daughter of Mr. and Mrs. Frank Poarch, west of Lefors, became the bride of Ray Dickerson, son of Mr. and Mrs. A. M. Dickerson, Lefors, at 6:30 p.m. Oct. 18 in a double ring ceremony read in the home of the bride's parents by Rev. Truman Upshaw.

Baskets of bronze and yellow mums and yellow candles in candelabra decorated the home.

Miss Shirley Perkins sang "Always" and "The Lord's Prayer" with piano accompaniment by Geraldine Dunn.

Frankie Quarles and Mrs. Donna Sims lighted the candles. Both wore white carnation corsages.

Mrs. R. E. Warren Jr. served as matron of honor and wore a red carnation corsage.

The bride wore a navy blue suit with red accessories and carried a white Bible topped with a white mum with red rosebud center.

For her daughter's wedding, Mrs. Poarch chose a black crepe with black accessories and a white gardenia corsage.

Mrs. Dickerson wore a grey suit trimmed with black velvet with black accessories and a white gardenia corsage.

A reception in the home of the bride's parents followed the wedding.

The serving table was covered with a white lace cloth over green. Green punch was served and a traditional wedding cake was cut. Mrs. Alan Fay, Elk City, Okla., and Mrs. Richard Kiser, Lefors, performed hostess duties.

The bride attended Lefors High School where she was a member of the football team, serving as captain his junior and senior year.

Orange Shortcake

You needn't fret that the shortcake season is over. Keep the recipe handy for a different and tasty Orange Shortcake. To make the Orange Sauce, sprinkle 1-4 cup sugar over 1 cup of orange sections. In a small saucepan, combine 1-2 tablespoons cornstarch, 1-4 cup sugar and a dash of salt. Add 2 tablespoons of grated orange rind, 1 cup of orange juice and 1-2 cup water. Cook over a low heat, stirring constantly until thickened. Cool and pour over orange sections. This topping is enough for 6 shortcakes.

'SAY'

WHAT IS THE MATTER?
 WHY DIDN'T SOMEONE BUY THIS SOFA-BED!!

... we thought sure, that someone would take this Red Sofa Bed off our hands, when we told you last Sunday about the predicament we were in ... honestly folks ... we aren't kidding we need the room (35" x 72") that this Sofa Bed is taking up. The mattress (we looked up the correct spelling this week) upholstering is very chic ... and besides the trim that is easy for picking it also has an innerspring mattress.

WHAT'S COOKIN' IN GRAY COUNTY HD CLUB WORK

By HELEN DUNLAP.
Home Demonstration Agent Merlen Home Demonstration women made a tour last week of their members' homes on achievement day. They made it an all-day event, and at noon served lunch in the home of their president, Mrs. J. C. Steward. After arriving at her home they cooked wieners; made sauce and heated buns for the lunch. Pickles and potato chips and cherry pie and ice cream and coffee completed the lunch.

Two members, Mrs. D. A. Rife and Mrs. A. M. Nash, showed their new homes to the group. Mrs. Rife had moved to these homes during the summer. They were both very proud of their kitchens. Mrs. Rife showed how she had saved time and energy in preparing a meal by turning the refrigerator to face her cabinet and the working space. Mrs. Nash had made over her cabinet for more convenience and she finished it in natural wood. Mrs. Rife is especially proud of her express wood shades that help to keep out glare, but the room is light. Her out-door living room is a source of much pleasure to her family and friends. It was used by them many times during the summer for out door picnics. This living room is the laundry, which is convenient to the clothes lines. It is especially useful because it keeps all the laundry work outside the house.

By painting the kitchen linoleum, Mrs. Steward said she would be able to get quite a few more months wear from it. She used a neutral gray green which will be able to take wear and cleaning. After dinner, the Merten Club worked on some handwork which they started earlier. Some of this hand work is the making of plastic purses and gloves. So far they have made seven purses, six pairs of fabric and six pair of leather gloves. These things have been done in addition to their regular programs. The leather gloves were made of pig skin and doe skin. The fabric gloves are made of a heavy knit material.

First Baptist WMU Circles Hold Study

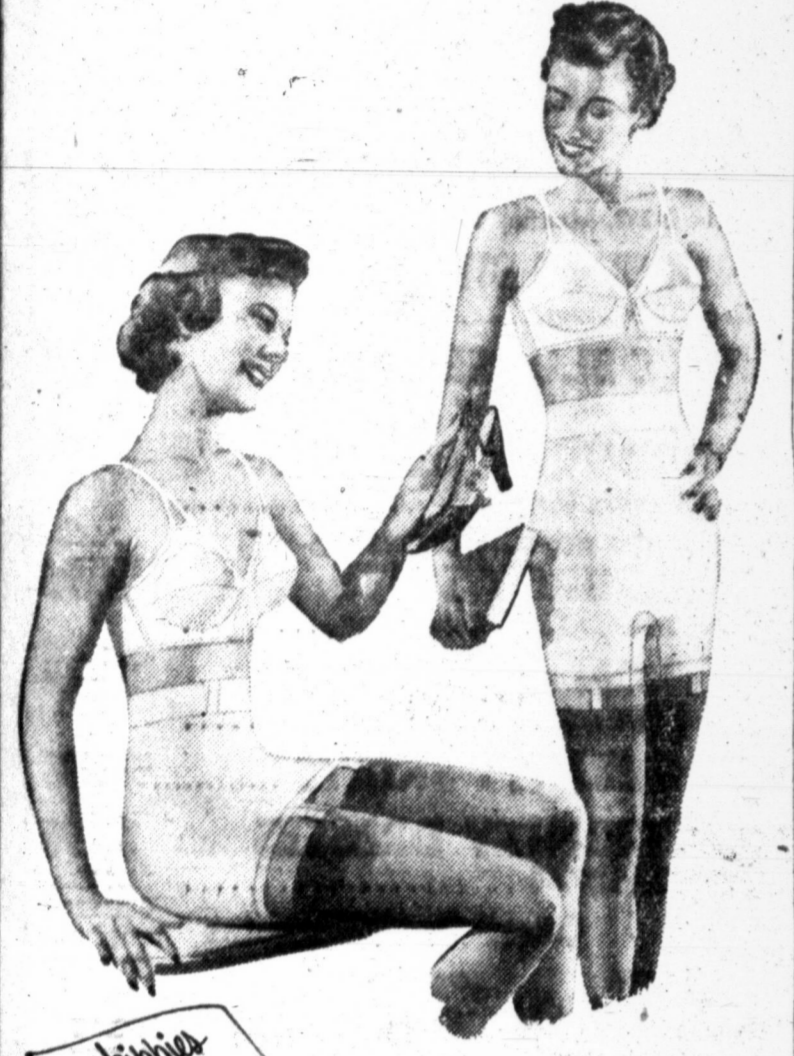

Among the outstanding programs presented at First Baptist Church weekly circle meetings, Mrs. Eunice Leach study of China and Japan conducted in the home of Mrs. Edwin Finson. Mrs. Hulle Beard was in charge of the program. Attending were Mrs. E. Stidum, R. W. Tucker, Joe Foster, J. B. O'Gannon, O. E. Schifano, Fred Caver, Paul Turner, A. McClendon, J. C. Smith, M. K. Gurley, and one visitor, Mrs. Sam Finson.

THOUGHTS

Mind is not necessarily dependent upon education processes. It possesses of itself all beauty and poetry; and the power of expressing them. — Mary Baker Eddy
Poetry comes nearer to vital truth than history. — Plato
He who is an enlightened and literary society, aspires to be a great poet, must first become a little child. — Thomas Macaulay

DON'T STARVE TO TAKE OFF FAT

Here is an inexpensive home recipe to take off ungainly weight and help bring back siluring curves and graceful slenderness. Just get from any drugist, four ounces of liquid Barcontrate. Pour into pint bottle and add grapefruit juice to fill bottle. Then take just two tablespoonsful twice a day. Wonderful results may be obtained quickly. Now you may slim down your figure and lose pounds of ugly fat without harsh-laxating exercise or starvation diet. It's easy to make and easy to take. Contains nothing harmful. If the very first bottle doesn't show you the simple, easy way to lose bulky weight and help regain slender, more graceful curves, return the empty bottle for your money back.
LOST 20 POUNDS
"I have lost 20 pounds taking Barcontrate," writes Lucile Campbell, Route 1, Grandview, Texas. "I feel so much better and am losing weight right along. No more bloating and puffed up feeling, since taking Barcontrate."
And Vera Baicher, Route 2, Box 167, Bowie, Texas, writes to say: "I am well pleased with Barcontrate. It not only took off 15 pounds around my hips and abdomen, but it has made me feel so much better."

...the light way to a pert and perky figure

So light you scarcely know you're wearing 'em. Yet so firm in dealing with unruly curves! No heavy bones in Skippies. Nothing to pinch, poke or bind. Formfit tailors them its own special way, to give you a whisper of control, a world of freedom. Girdles and panties in your length—a variety of elastics and styles. All easy to wash—quick drying. Come get your Skippies in a wardrobe for every daytime and date-time need.

Girdles and Panties from \$5.00
P. S. If Grandma's a slimmer, tell her she can wear Skippies, too. They're for "juniors" of all ages!

"They never had it so good!"

THE order is, "Forward march"—and off they go, feet sucking against the Korean mud, every bone crying, "I'm tired!"
The order is flop and eat—and they flop and try to eat, no matter how little they like the food.
The order is, "Take hill number 63!"—and they fight forward, not ready for death, but expecting it with every splatter of bullet.
Then, in the quiet moments, one soldier will turn to another and half grin and say, "You never had it so good"
A joke—a classic Army joke—but these days it has a real bitter note to it. Because at the same time everyone is wondering and saying:
"Did it have to come to this?"
"Couldn't the shooting have been stopped before it began?"
"What's the matter with our foreign policy?"
"Why didn't the Administration see this coming?"

"Must we keep paying for their mistakes?"
"WHAT? We've never had it so good? COME INTO MY FOXHOLE AND SAY THAT!"
All right—the damage is done—and we all know what has been badly begun must be well ended.
BUT—shall we forget or forgive those who blundered? Will YOU? Do you DARE? Will you trust America's future foreign policy to those responsible for Korea? Is this official fumbling what you want for America? You know it isn't!
Not if you value the lives of your sons. Not if you value your own life and welfare and that of your family. Not if you value the peace and prosperity of America.
No—you will want to clean house. You will want to sweep out of power and into the ash can the Administration that brought your country to this. You will run, not walk, to the polls. You will vote eagerly, glad that you can make a change. You will

It Was A Sad Night, Indeed, When Reporter Saw A Saucer

By SAUL PETT For HAL BOYLE
NEW YORK (AP) — If the first space ship from Mars were to land in my backyard, I'd beg the little men to go away.

This is one big news story I want to avoid. It's not that I'm afraid of people from another world. I'm more afraid of the people of this one.

You see, a few months ago, when lots of folks were seeing "flying saucers" in the sky, I happened to see something. Until now, I've been unable to tell the whole story. I needed time to regain my perspective, to develop some protective scar tissue.

Anyway, while minding my own business at home one night, I saw this orange ball in the sky. It was about the size of a quarter, made no sound and was clearly visible as it moved from horizon to horizon.

see your flying saucer, Mr. Jones? Cautiously turning left and right, like a pitchman watching for a cop, he whispered, in a subway, pal, in a subway at 86th St.

That night the Air Force announced that Washington radar had picked up certain peculiar objects at the same time I had seen my orange ball over New Jersey. For awhile, I felt like a vindicated hero. Now they quoted me in the news stories.

Kids Cross - Examined
But the next day I discovered something I never really had appreciated before. When your name appears over a news story, few people notice it. When it appears in the story, as part of the news, you are suddenly swept up in public momentum completely beyond you. Nothing you can say or do will slow it down.

The delicatessen man, ordinarily quite solicitous, cracked to my wife "Your husband is quite a publicity hound, isn't he?"

In another town, friends phoned my mother and asked if I were sick. For awhile, it seemed like my mother might have to close up, his law office or change his name to avoid identification with an hallucinating relative.

At school, kids cross-examined my children about what their father saw. I had visions of the teachers giving my scarred-for-life heirs puzzled, side-long looks.

Victim Of Humor
Like a good little newsboy, I immediately called my city desk. The next day I ran into a barrage of office humor. Didn't I think complete bed rest was indicated? someone asked. Relax and those spots before your eyes will go away, a lay doctor advised. Could it have been the olive in the martini? someone asked.

A poker-faced photographer cornered me near the water cooler and said he had seen one, too. Seen what? I asked. A flying saucer, he said. Au revoir and goodbye, I said. No kidding, he said. You of all people shouldn't be skeptical, too. All right, I said, where did you

Regrets TV Show
A local paper wrote an editorial saying I should have had better sense reporting what I did. The editorial suggested either I had been suffering from too much heat or too much alcohol.

Just when the furor seemed to be dying down, I came home one night to find my wife waiting breathlessly.

"They want you on television," she said.

"Nuts," I said. "I've looked silly enough."

"They mentioned money," she said.

So I appeared on television and regretted that, too. I was nervous throughout and later when I got paid, I was not allowed to enjoy the dough. Not a seminar on what to do with my wife and kids had a long the money. A lady in Kiel, Germany, who had read the news

Rectal Troubles

FREE BOOK on Chronic Ailments

49-page FREE BOOK tells facts about Piles, Rectal Abscess, Fistula and other rectal and colon disorders; also related ailments and latest corrective treatments. Thornton & Minor Hospital, Suite 235, 911 E. Lohwood, Kansas City 5, Mo.

The Only Watch of Its Kind in the World!

the new ETERNA-MATIC

self • winding • on • ball • bearings

EVERY MOVEMENT OF YOUR HAND WINDS YOUR WATCH

A dramatic new development in watchmaking! The brilliant new self-winding mechanism rides on 5 amazingly small ball bearings. It responds instantly to the slightest motion of your hand... winds itself more smoothly than any other watch. Designed by perfectionists—the ETERNA-MATIC is the nearest thing to perpetual motion in a watch... the most modern timepiece you can own or give!

for men: in stainless steel, water-resistant 71.50. Also in 14K gold-filled, 71.50

for women: the smallest ball bearing self-winding watch in the world. Cord or strap model, gold-filled, 71.50. Cord model, 14K gold, 100.00. All prices include Federal tax.

Despite Legends, It Still Takes Drilling Bit To Uncover Oil

TULSA, Okla. (AP) — Industry legend has it that early in this century, one Oklahoma oil man chose to drill a well at the exact spot where he met his lady love.

The story says his venture proved successful. But if there's any truth to the tale, he owed his thanks to luck alone.

The old saying, "only the bit probes the presence of oil," is as true today as when oil men drilled on hunches. Modern techniques of scientific oil exploration have increased the success ratio in finding producers.

Statistics show non-technical drilling fruitful but once in 30 times. With modern geological and geophysical procedures, however, the success-failure ratio is one to six.

Scientists Help Out
When an oil man wants to know the crude potential of an area, he sometimes sends out a crew of "rock hounds," or geologists, to study the strata. They seek rock formations in the earth which may hold oil.

Seismograph crews determine the depth and direction of the strata by boring shot holes of varying depths at precisely determined locations.

A dynamite charge is placed in one of the holes, and carefully spaced geophones, or microphones, are buried nearby.

The charge is exploded, and the rebounding sound waves are picked up by the geophones from the underground rock bed which may be as far as two miles below.

Core-Drilling Used
Repetition of the process at different locations enables the oil hunter to chart a sub-surface map.

In other instances, core drilling stories, wrote me that she and her six children could use cash, too.

And even now there are still people who come up and whisper: "Look, I'm your friend. You can tell me. Did you really see anything that night?"

NATO Partners Argue On Fish

ISTANBUL (AP) — Turkey and Greece — close military partners in NATO — are trying to patch up a neighborly quarrel over fishing rights in the historic Aegean Sea.

Every now and then the Turkish coast guard fires on and captures a Greek fishing trawler on charges of poaching in Turkish coastal waters. Sometimes a fisherman is wounded. Small fines or

a month's imprisonment may follow.

The bickering goes on despite a recently signed agreement between the two countries regulating fishing off the Turkish coast. Neither the Turkish nor Greek parliament has ratified this as yet, and it's likely to be revised at further talks.

It's not openly admitted by either side but in the background is a Turkish attempt to control widespread smuggling including drug traffic, carried on by well-organized groups. The smugglers, informants say, use high-speed fishing trawlers.

Police Help Doctor Race To Save Life

LOGANSPORT, Ind. (AP) — A Peru, Ind., man raced through towns the other day from Logansport to Ft. Wayne and returned at 80 miles an hour and went even faster in the country. And instead of stopping him, police escorted him part of the trip.

Doctors credit the man, Lewis G. Sharp, with probably saving the life of his niece, who needed

Hawk Fells Bat

FRANKFORT, Ind. (AP) — Bats swooped into the Frankfort Times composing room and unnerved the compositors for several nights in a row.

A rare type of blood for a transfusion in an emergency.

Sharp drove the 137-mile round trip in two hours. His niece, Mrs. Katherine Shearer of Winamac, Ind., is recovering in a Logansport hospital.

JUST 7 CENTS A DAY!

TO COOK THE MODERN — THE TRULY ECONOMICAL — ELECTRIC WAY

When it comes to all-around economy — you can't beat electric cooking. In addition to the low cost of electric service — the average family can do all their cooking for 7 cents a day or less — you get the true economy of cleanliness when you cook electrically. Walls and curtains, pots and pans — the whole house, for that matter — stays cleaner longer when you cook electrically.

Truly economical electric cooking — yours for just seven cents a day — brings added pleasure, added economy, with its cleanliness. Try it and see.

Activity Remains Slow In Field As Area Operators Stake 7; Final 8

Operators logged another slow week in the Panhandle oil field as they staked but seven new locations and completed but eight.

There was no new wildcat activity reported by the District 10 Railroad Commission. Of the completions, five were new oilers for 738 barrels of new oil and three were gasers for an increased potential of 14,020 MCF. There were no plugged wells reported.

Cow Infertility Is Being Studied

RALEIGH, N. C. (AP) - The North Carolina State College school of agriculture is conducting experiments aimed at reducing infertility in cows.

Dr. J. Clark Osborne of the department of animal industry says that infertile cows cost the American cattle industry 500 million dollars a year in lost calves and reduced milk production. A bacterial disease, vibriosis, caused by the germ vibrio fetus, causes affected cows to abort during the first six months of gestation or give birth to weak calves.

Looking for a Business Investment?
 I Have a Hardware & Implement Store for sale in a developing irrigation district. The owner has made plenty of money out of this business and wants to quit. This is a good opportunity for some one to buy an established business with nationally advertised appliances and implements already franchised. The stock will invoice about \$20,000, but if you have about \$10,000 we will try to trade with you.

ACREAGE
 I also have 960 acres near the Haggard wells that some one with some investing money should buy. The land is worth the asking price and there is some royalty there that looks mighty interesting.

I Need Some Listings...
 on Pampa property, worth the money. Whatever you have for sale or wish to buy, call me. I'll give your interests my personal attention.

FOR SALE by owner: 2 bedroom modern home. Low down payment. Ph. 2071-W.

BUY...SELL...TRADE
 A pretty good 2 bedroom home located at 416 N. Purviance at... As big a light as Im in would consider any kind of a swap... Would prefer trading for a smaller house at down payment, and me financing the rest.

To be moved... A great big old farm house located 8 of Kingsmill... Would sell you this for less than a thousand... Would make a good rent house with a little fixing. This is a bargain.

146 acres just east of Pampa 4 miles on the Miami Highway... Good improvements, with a great big modern 2-bedroom house, carpeted from wall to wall... Everything goes but the furniture for \$2,500... This is cheap with leases in that vicinity going to the Gulf for a hundred an acre, and royalty priced at \$50...

60 Acres with all the mineral... Creek run thru the place... 400 peach trees, 200 apple, and a few apricot and pear... 19 acres of alfalfa land... windmill etc, etc... Located in Wheeler country and as dry as it is, it looks awful... Will sell the hole thing for 12,000, and finance half.

114 Trailer Houses 114
SPECIAL ANNOUNCEMENT
 M. C. (Ernie) Jordan, owner of the Jordan Trailer Company, with established firms situated in Midland, Texas; Wichita Falls, Texas; Lawton, Oklahoma, and Oklahoma City wishes to announce the recent purchase of the entire stock of trailers and supplies from Dalley Trailer Sales, 1208-10 North East 4th, Amarillo, Texas.
 Mr. and Mrs. Vern Dalley are leaving Amarillo to seek a better climate for their health.
 The Jordan Trailer Company is going to try to continue in the same manner in which the Dalleys have earned a highly regarded reputation.
 Jordan Trailer Co.
 1. Is the largest distributor of the famous Spartan Aircraft Mobile Homes in the world today.
 2. Is beginning its tenth year in the trailer business.
 3. Gives the most liberal trade-in allowance in the world today.
 4. Has earned the reputation of being a fair and square dealer.
 5. Offers the best finance and insurance plan available today.
 6. Offers the best service in the trailer business.

Spartan Aircraft Co.
 1. Has the largest trailer factory in the world today.
 2. Builds the best Mobile Home made in the world today.
 3. Offers the best finance and insurance plan in the world today.
 4. Sells more dollar volume than any other trailer factory in the world today.
 5. Little known facts about Spartan Aircraft Company:
 SPARTAN factory employs 1,450 people in a plant which has over 450,000 square feet of floor space. SPARTAN uses six million square feet of glass fiber insulation per year, enough to cover 140 acres. SPARTAN trailer coaches use 60,000 square feet of glass and 250,000 square feet of polished plate glass mirrors per year. SPARTAN factory is the largest user of high grade birch plywood in the world. SPARTAN uses 40,000 yards of cloth per month, or enough yard goods in one year to reach Chicago to Dallas, Texas. It takes twelve looms working continuously to supply SPARTAN with upholstery cloth for sofas and chairs alone.
