BORDEN COUNTY COYOTES LOSES LONG TIME FAN

K.T. REDDELL

1911 - 1990

Graveside services were held for Kimball Tuscola (K.T.) Reddell, 79, of Gail at 10:30 a.m. Saturday at Hillside Memorial Gardens. The Rev. L.W. (Buck) Hatfield of Faith Baptist Church officiated.

Mr. Reddell died Tuesday evening at St. John's Hospital in San Angelo after a brief illness.

He was born June 27, 1911 in Tuscola and had been a resident of Borden County and Gail

since 1940. He married Winonah Claiborne in 1934 at Happy. He was a farmer and had worked for the State Highway Dept. for approximately 12 years. The last 10 years before his retirement, he owned and operated a Texaco station in Gail.

Two brothers and one sister preceded him in death.

He is survived by his wife, Winonah; one daughter and son-in-law Kemma and Bobby Nolan

of Snyder; two sons and daughters-in-law, Jerry and Betty Reddell of Elk Ridge, Md., and Don and Minnie Reddell of Bryan; one sister, Edith Stevenson of Lubbock; nine grandchildren and six great-grandchildren.

Pallbearers were Stephen Reddell, James P. Reddell, George Reddell, Earl Reddell, James D. Sturdivant, Robbie Nolan, Kenneth Marsh and Jesse Nelson.

JAPANESE MEAT EXTRAVAGANZA

Beef checkoff dollars spent to provide beef safety information to a Japanese fact-finding group 18 months ago paid big dividends in Japan.

A U.S. beef industry delegation visiting Japan Aug. 28 to Sept. 8 for Japan Meat Month heard food safety autho-

rity Tohsio Hayashi assure 340 Japanese nutrition professionals that imported American beef will meet his country's strict expectations for safety and quality. Hayashi used information provided to him and 13 other Japanese food safety experts at College Station in spring 1988.

Hayashi explained that U.S. industry efforts, backed up by government assurances, result in a top quality product for import to Japan.

"The government and (U.S.) producers do not try to meet food safety standards with a passive

approach," Hayashi told audiences in Asaka and Tokyo. "They have a positive attitude and want to please their customers. The (U.S.) beef industry has a very strong interest to provide consumers with a healthy product."

Hayashi, executive director of the Institute of Food Sciences for the Japan Medical Food Association, was a speaker on two American Beef Nutrition Seminars that launched Japan's Meat Month. The U.S. Meat Export Federation sponsored both seminars. "Hayashi's statement to his audience are dividends to Texas beef

COYOTE FOOTBALL

COYOTES FALL SHORT IN A 26-8 LOSS TO GRADY

The Borden Coyotes put only one score on the board despite totaling 219 yards total offense. Shane Kemper completed 9 of 17 passes for 128 yards. John Paul Harris caught 3 for 47 yards, and J.J. Kincheloe caught 3 for 43 yards. Cole Vestal, Paul Sturdivant, and Rod Jeter each caught one pass.

Rushing leaders for the night were Rod Jeter with 8 carries for 36 yards, Brandon Adcock with 7 carries for 23 yards, and John Paul Harris with 4 carries for 17

yards. Klint Kemper carried only 4 times for 3 yards and a one yard plunge for a touch down. Jimmy Rios carried 2 times for 17 yards before suffering a sprained ankle.

The Coyotes kicked off to the Wildcats to start the game, and the Coyotes held them on downs. Borden County took over at the Grady 32. Jimmy Rios took the ball to the Grady 20. On 4th down the Coyotes fumbled, and Grady took over. In this possession on 4th down Grady threw for a 60 yard touchdown pass.

In the second quarter, Grady was driving to the Borden 7 yard line when Paul Sturdivant tackled the Grady quarterback for a 8 yard loss. The Coyotes held Grady on downs, but punted the ball back to the Wildcats. The Wildcats again were threatening to score and this time they were successful with an 18 yard run. After the extra point was ruled good the score was 14-0. On the kick off Juve Balaque returned the ball from the 5 yard line to the Coyotes 15 yard line. John Paul Harris made a 14 yard catch and Rod Jeter made a 10 yard run to the Grady 30. However, the Wildcats still held the Coyotes on downs. Grady Quarter back passed for 7 yards when Klint Kemper made a great hit on the reception.

In the third quarter Grady scored on the first possession to make the score 20-0. On the kick off Juve Balaque returned the ball from the end zone

to the Borden County 2 yard line. On third down Shane Kemper hit J.J. Kincheloe for a first down. Grady held Borden on the next set of downs. The Wildcats were barking up the Coyote's tree again from the Coyotes 15 yard line, when Rod Jeter tackled a wildcat for a 3 yard loss. On fourth and goal John Paul Harris broke up a would be Grady touchdown in the end zone, and it was the Coyotes' ball.

The Coyotes took over on their own 13 early in the fourth quarter. Shane Kemper hit J.J. Kincheloe to the Borden County 33. A personal foul aided the Coyotes to the Grady 27 yard line. From the 19 yard line John Paul Harris caught a Shane Kemper pass to the one yard line. The next play

Klint Kemper plunged on yard for the Coyotes touchdown. Shannon Smithie kicked the extra point to make it 20-8 with 7:25 left in the game. At this point the Coyotes were behind only 2 touchdowns.

On the kick off, a slippery wildcat returned the ball 78 yards for a Wildcat touchdown. The score was 26-8. Borden County had two chances to score but a fumble on one 4th down and a incomplete pass on the 4th down added to the Coyotes misfortune to produce a score.

The Coyotes played hard and never gave up the fight. It was simply a night that everything did not go well for the Coyotes.

The Coyotes will meet Wellman at Wellman this Friday night at 7:30 p.m.

ORDER MUMS EARLY!

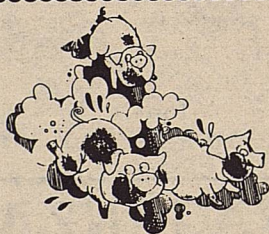

The members of the Junior class are selling Mums and Garters for Homecoming.

If you would like one for your wife, husband, daughter son, mom or sweetie please contact a member of the Jr. class or sponsor.

Prices range from \$9.00 to \$30.00 for mums and \$8.50 to \$16.00 for garters.

All orders must be turned in by Oct. 2nd.

Kelly Jo Ogden-Reporter
Kristin Monger-V. Pres.

It is once again time for our annual FFA sausage sales. The proceeds from these sales will go to the Gail FFA Chapter for various activities and trips.

SELLING DATES:

September 11th thru September 25th

Call in orders can be made by contacting Buddy Wallace at:

856-4313 work
856-4478 home

He will either take the order or send over an FFA member to take it.

PRICES:

Patties - \$8.50/box
Links - \$8.50/box
Pan Sausage - \$6.50/box

We thank you all for the successful sales in the past and for your support this year.

REGULAR SCHOOL BOARD MEETING SEPT. 17, 1990

The Board of Trustees of the Borden County Independent School District met in regular session on Monday, September 17, 1990 at 12:30 P.M. in the Board Room of Borden County School.

Board members present were Jack McPhaul, Joel Dennis, Jon Monger, Kenny Hensley, Scott Clayton and Randy Adcock. Tom Ed Vestal was absent.

Administrator present was Jimmy Thomas, Superintendent.

1. **Call To Order:**
Board President Jack McPhaul called the meeting to order.
2. **Community Input:**
There were no visitors present.
3. **Minutes:**
Minutes of the August 20, board meetings were read. A motion was made by Scott Clayton and seconded by Joel Dennis to approve the minutes. Motion carried unanimously.
4. **Bills:**
Bills for September were reviewed for payment. A motion was made by Randy Adcock and seconded by Jon Monger to approve the bills. Motion carried unanimously.
5. **Budget Amendments:**
Budget amendments for the 1989-1990 school year were discussed. Kenny Hensley made a motion to approve the budget amendments as completed during August, 1990. The motion was seconded by Jon Monger. Motion carried unanimously.
6. **Teacher Appraiser and Appraisal Calendar:**
The District's Appraisal System, Appraisers and Appraisal Calendar were discussed by the Board. A motion was made by Randy Adcock to accept the Appraisal Calendar and the Certified Teacher Appraisers as presented by Superintendent Thomas. The motion was seconded by Randy Hensley. Motion carried unanimously.
7. **District Early Dismissal Days:**
Superintendent Thomas presented a Schedule of Early Dismissal Days in accordance with Texas State Board of Education guidelines for Board approval. A motion was made by Jon Monger and seconded by Joel Dennis to accept the schedule as presented. Motion carried unanimously.
8. **Employee Health Insurance:**
The school district's Employee Health Insurance Program was discussed. The Motion was made by Kenny Hensley to and seconded by Scott Clayton to place the school district's employees insurance with Blue Cross-Blue Shield for the 1990-1991 school year with the effective date being September 15, 1990. Motion carried unanimously.
9. **Superintendent's Report:**
 - a. **Financial Report**
Superintendent Thomas gave a year-to-date financial report for the 1989-90 and 90-91 school years.
 - b. **Attendance Report:**
The attendance was reported as 186 in grades K-12.
 - c. **Personnel Report:**
It was reported that Phillip Benavidez had been hired to assist in the school transportation and maintenance departments.
 - d. **Texas Education Agency Report**
The response letter and actions concerning the 1989-90 accreditation visit were discussed. It was reported that a Texas Education Agency attendance audit was conducted on September 13, 1990 and that the District was found to be in substantial compliance with the state attendance rules and regulations.
 - e. **Texas Association of School Board Convention Report:**
It was reported that there would be four members of the Borden County I.S.D. that would be attending the annual TASB convention in Houston on September 21st, 22nd, 23rd, and 24th.
 - f. **Superintendent's Vehicle:**
It was reported that Bob Brown Oldsmobile of Lamesa was presently attempting to sell the 1987 Chevrolet Caprice that was the former Superintendent's vehicle and that this vehicle was presently on the Bob Brown Oldsmobile lot in Lamesa.
 - g. **Band Uniforms:**
It was reported that the parents of the students participating in band were concerned that the band uniforms were becoming quite old and worn. It was also discussed that this would be an item that would need to be given consideration at a later date since this was something that was not allowed for in the budget that had been adopted for the 1990-1991 school year.
 - h. **Texas Tech Football Game:**
It was discussed that plans were currently being made to acquire tickets for the November 3, 1990 Texas Tech vs University of Texas Football game for students in grades 7-12.
 - i. **Rental of School Teacherages:**
Recent requests of patrons to rent vacant school teacherages were discussed and previous policy prohibiting this practice was discussed.

In conclusion, Mr. Thomas reported that the school year was off to a wonderful start.

Adjournment
There being no further business, the meeting was adjourned.

JAPANESE MEAT EXTRAVAGANZA

cont. from pg. 1

how beef checkoff dollars work for the long-term benefit of the beef industry. Although we could have provided this same information to the Japanese audience through one of our speakers, it is much more credible coming from one of their own experts. The pro-U.S. beef industry stance that he took at that meeting will spread through Japan by the opinion of the 360 nutritionists who intently listened to his address."

In April 1991, Japan is liberalizing its market structure to

permit purchases of more U.S. produced beef. Approximately two-thirds of Japanese consumers have never eaten imported beef, Hayashi said. Of this two-thirds, 90 percent said they have not purchased imported beef because of concerns about its safety.

Hayashi assured his audience that these concerns are unfounded. He noted that beef industry efforts have resulted in safe and healthy beef.

"We should not be concerned about their production practices," he said.

The program also

featured Dr. RoseAnn Kutschke, head of the University of Texas at Austin nutrition department. Kutschke's main message was that although Japanese consumers are not presently concerned with fat consumption, studies show their levels are rapidly rising. She advised the Japanese to adopt dietary practices that include lean beef.

The state of Texas is a major producer of high quality, lean beef.

People believe if a spider swings down in front of you, you will hear good news.

TURNER - LIGHTFOOT WEDDING

MRS. STEVE ALAN LIGHTFOOT
nee: Kimberly Suzanne Turner

Kimberly Suzanne Turner and Steve Alan Lightfoot exchanged wedding vows in an afternoon ceremony on Aug. 18 at Second Baptist Church in Lamesa.

Officiating was Phillip Stroud, cousin of the groom, of the Clarendon Church of Christ in Clarendon.

The bride is the daughter of Mr. and Mrs. John Mitchell of Lamesa and the late Blaine Turner. She is the granddaughter of Mr. and Mrs. Dan Turner of Borden County and Mr. and Mrs. Delois Scitern of Lamesa. Her great-grandparents are Mrs. Jackie Turner of Borden County and Mrs. Edna Chapman of Lamesa.

Parents of the groom are Mr. and Mrs. Jim Lightfoot of Lamesa. The groom is the grandson of Mrs. Connie Lightfoot and Mr. and Mrs. Harry Taylor, all of Lamesa.

Within the church sanctuary, the pews were accented by

She sang "Love Will Be Our Home" as the couple was lighting the unity candle.

Escorted by her brother, Bric Turner of Lubbock, the bride wore a formal gown of imported white satin with a Basque waistline. It featured a sweetheart neckline with off-the-shoulder puffs and long sleeves. The bodice was embellished with re-embroidered Alencon lace, iridescent sequins and pearls. The full skirt and chapel-length train were bordered with re-embroidered Alencon lace, iridescent sequins and pearls.

The bride's headpiece created by family friend Patty Hensley, was a floral wreath accented with pearls and sequins. Featuring cascades of lily of the valley and long white ribbons on each side, it held a three-tiered veil which was highlighted by elaborate puffs of iridescent tulle.

She carried a red rose bouquet with magnolia leaf backing on one side and fantasy greenery on the other, all cascading down with the roses. It was accented with an onion grass spray at the top and a red satin ribbon bow with streamers.

Following tradition, as something old the bride wore a diamond engagement ring belonging to her paternal great-grandmother, Jackie Turner. As something borrowed, she wore pearl earrings belonging to her mother. Something new was her wedding attire and something blue was her garter. Two pennies minted in 1969, the year of the couple's births, were placed in her shoes for luck.

Nearing the altar, the bride presented her mother with a single long-stemmed rose. Upon leaving, she presented the groom's mother with an

identical rose.

Julie Lightfoot of Lamesa, sister of the groom, served as maid of honor. Other bridal attendants were Wendy Watson of Midland Kace Gillespie of Denton; Laurie Lightfoot of Lamesa, sister of the groom and Denise Turner of Lubbock, sister-in-law of the bride.

The bridal attendants each wore a red taffeta dress with a sweetheart neckline, fitted bodice and slightly off-the-shoulder short sleeves accented with bows. Each dress featured a Basque waistline and a court-length full shirt.

Each bridal attendant carried a round nosegay of red and white roses. The floral arrangement was accented with a white lace backing and red satin ribbon bows and streamers. The streamers were accented with miniature wedding bands and white doves.

The groom wore a black designer full-dress tuxedo with white shirt, white bow tie and cummerbund. His boutonniere featured two large red rosebuds accented with an onion grass spray to match the bride's bouquet.

Mark Mixon of Jasper served as best man. Groomsmen were Brian Hardesty of College Station, Pat Miller of Bryan and Johnnie Ellis and Brad Stokes, both of Lamesa.

Ushers were Jeff Pierce of Benjamin, Jim Horton of Lubbock and Cary Wood of Lamesa, cousin of the bride.

The male attendants were each attired in a black designer full-dress tuxedo with red tie and cummerbund. They each wore a boutonniere consisting of two red satin sweetheart rosebuds with rose leaf backing and gypsophila.

Flower girl was Roxie Lee Turner of Lamesa, sister of the bride. She wore a

red, tea-length taffeta dress with sweetheart neckline, short pouf sleeves and three tiers of ruffles accenting the back. She scattered red rose petals from a white basket decorated with red bows and streamers and red lace.

Ringbearer was Ryan Curry of Tahoka, cousin of the bride. Attired identically to the groomsmen, he carried a white lace satin pillow topped by

cont. to pg. 7

PUBLIC NOTICE

Texas Utilities Electric Company ("TU Electric") hereby publishes NOTICE that, pursuant to the provisions of the Public Utility Regulatory Act and the Public Utility Commission's Substantive Rule 23.23(b)(2), it has filed an application on September 14, 1990, with the Public Utility Commission of Texas seeking authority to refund to its customers a prior over-recovery of fuel cost revenues in the amount of \$68,084,944 as of July 31, 1990, including applicable interest.

TU Electric has proposed that the refund be made effective with customer billings beginning in the first billing month following five days after entry of a Commission Order authorizing such refund. All customers and classes of customers whose electric service rates include charges for fuel cost pursuant to TU Electric Rider FC, entitled "Base Rate Fuel Component", and all territories in which TU Electric provides electric service will be affected if the application is granted.

A complete copy of said application is on file with the Public Utility Commission of Texas.

Persons who wish to intervene or otherwise participate in these proceedings should notify the Public Utility Commission of Texas as soon as possible. A request to intervene, participate, or for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N, Austin, Texas 78757. Further information may also be obtained by calling the Public Utility Commission Consumer Affairs Division at (512) 458-0223 or (512) 458-0227, or (512) 458-0221 teletypewriter for the deaf.

 TUELECTRIC

LET ME GET MY HAT

BY DENNIS POOLE

Boll Weevil News

newsletter of the Texas High Plains boll weevil diapause control program
September 4th, 1990

The contract for aerial spraying in the 1990 High Plains Boll Weevil Control Program has been awarded to Perryton Aviation of Perryton, Texas.

Larry Schickedanz, owner of Perryton Aviation Inc, submitted a two-tier bid at a bidders meeting held at Lubbock Civic Center August 29. Schickedanz's low bid, of \$8.80 per gallon for the first 5,000 gallons applied and \$7.09 per gallon on subsequent applications, was chosen from eight bids presented at the meeting. Lubbock based Plains Cotton Growers Inc. let the 1989 contract for \$5.93 per gallon. The 27-year-old program is conducted in cooperation with U.S. Department of Agriculture from PCG's field office in Spur, Texas.

Before making the contract award Program Coordinator for PCG, Roger Haldenby commented to bidders that the 1990 weevil suppression program is expected to be much smaller than in recent years. an early freeze in October 1989 and low temperatures in December helped to minimize the numbers of boll weevils that were able to survive the winter. The hot, dry conditions of May and June of this year have further reduced populations.

The contract calls for applying ultra low volume malathion, a the rate of 12 ounces per acre, to an estimated 50,000 to 150,000 acres of cotton. Four aircraft will be used. the control zone lies along and below the Caprock on the eastern edge of the High

Plains from Silverton, Briscoe county, in the North to Vealmoor, Howard county, in the South.

Pheromone traps set out below and along the Caprock since May have caught 98% less boll weevils this year than during the same period in 1989, added Johnny Anderson Program Manager. Anderson explained that the early indications are for this to be a light year but that treatment decisions are based on a field-by-field manual survey of boll weevil populations. this survey, using 32-two-person teams, will start September 5.

The first spray application to infested fields will be made September 24. Treatments will be repeated, as necessary, at ten-day intervals until the first area freeze.

Since its inception in 1963 the program has successfully prevented the spread of boll weevil into the cotton acreage above the Caprock and on into New Mexico.

The program is funded 70% by High Plains cotton producers and 30% USDA, with a small contribution from Texas Department of Agriculture. Producer funds for the program are collected as a part of the receiving charge at area compresses and are administered by PCG's Boll Weevil Steering Committee, chaired by Borden County farmer Jarrell Edwards of Route 1, O'Donnell.

ASCS NEWS

POSSIBLE OFFICE CLOSING

There is a possibility that this office will be closed for two days a week beginning October 1. This closing and the furlough of employees is being proposed because the agency is under a sequestering order pursuant to the Balanced Budget and Emergency deficit Control Act of 1985 (P.L. 99-177) (commonly known as the Gramm-Rudman-Hollings Act), as amended. Should this possibility become reality, all County ASCS offices will be closed on Mondays and Fridays.

FAILED ACREAGE

Before you destroy an acreage of a crop that has failed: you must come in; report this to us; and revise your certification.

LATE FILED CERTIFICATION

Any certification that we take now will be considered a late filed certification and certain requirements will have to be met. You will have to pay a late filed certification fee and the farm will be required spot-check. Failure to certify results in the farm having no crop history and will result in the loss or reduction of any crop acreage bases on the farm. If you want to have the history for a planted crop or want to protect a crop acreage base, you must certify the farm.

ACR MAINTENANCE

Weeds are not an approved cover on ACR (setaside). One of your responsibilities for program participation is to control weeds on ACR. Failure to control weeds will result in the reduction or loss of program benefits. We are spot-checking farms for ACR maintenance at this time, so it is to

your advantage to take weed control measures now.

CRP MAINTENANCE

As a CRP participant, you are required to control weeds on your CRP acreage. This is not only a program requirement, but should also be done out of consideration for your neighbor who has spent a lot of money getting a crop

to the state that it is now in. If we or the Soil Conservation Service find a CRP Farm with excessive noxious weeds, we are authorized to WITHHOLD THE ANNUAL PAYMENT until the weeds are controlled. Please contact the Soil Conservation Service for their recommendation of the weed control measures to be carried out.

PUBLIC NOTICE BRIEF EXPLANATORY STATEMENT OF PROPOSED CONSTITUTIONAL AMENDMENT GENERAL ELECTION NOVEMBER 6, 1990

PROPOSITION NO. 1 ON THE BALLOT

Senate Joint Resolution 2, Sixth Called Session, 71st Legislature, proposes a constitutional amendment to provide that if the Senate, at any special session, does not take final action to confirm or reject an appointee of the Governor made during a recess of the Senate, the appointee is entitled to continue in office until the Senate rejects the appointee at a subsequent session or until the Governor appoints another person to fill the vacancy, but such a nominee whom the Senate does not act to confirm or reject at a subsequent regular session is considered to be rejected when the session ends.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to clarify the authority of the senate to consider certain nominees to state and district offices and to provide for filling vacancies in those offices."

Este es el informe explicatorio sobre la enmienda propuesta a la constitución que aparecerá en la boleta el día 6 de noviembre de 1990. Si usted no ha recibido una copia del informe en español, podrá obtener una gratis por llamar al 1/800/252/8683 o por escribir al Secretario de Estado, P.O. Box 12060, Austin, Texas 78711.

Wedding

cont. from pg. 5

two red rosebuds, a red bow and two gold rings with doves on them.

Rachel Curry of Tahoka, cousin of the bride, registered guests at a round table covered by a white lace cloth. The table held the bride's red rose throw-away bouquet, and engagement photograph of the couple in a red satin frame, a red feather pen, the bridal book and a three-branched, sterling silver candelabrum.

RECEPTION

Following the wedding ceremony a reception was held in the Activity Building at the church, where the newlyweds were assisted in the receiving line by their parents.

The bride's table was covered with a white lace overlay cloth and held a silver punch bowl. A large white wicker basket was filled with red silk barrel roses, white baby's breath, miniature sweetheart rosebuds and silk English ivy with a large bow of white iridescent tulle and red satin ribbon streamers. Also featured was a five-branched, sterling silver candelabrum and silver and crystal appointments.

The bride's cake was a four-tiered strawberry cream confection covered with white decorators icing. Hundreds of tiny red and white flowers flowed down the sides of the the classic round tiers. The cake was topped with red satin bells framed by a white heart and accented with white lace and red satin ribbon.

The groom's table was draped with a red cloth and overlaid with a white lace cloth. It held a five-branched, gold candelabrum and gold coffee service with

gold and silver appointments. The centerpiece consisted of an arrangement of leather leaf, lemon leaf, baby's breath and culy willow in a contemporary foliage design. Because the groom is a member of the Texas A&M pistol team, his competition pistol was used as the focal point of the arrangement.

The groom's cake, made by his aunt Betty Scott, was a carrot cake with maroon and white icing and a Texas A&M symbol in the center. A variety of hors d' oeuvres also were served.

Additional guest tables were covered with red tablecloths and accented on each end by balloons with red and white steamers attached to red and white honeycomb wedding bells. The bridesmaids bouquets served as centerpieces.

Rebekah Curry of Tahoka, cousin of the bride, presented the guests with miniature red wedding bells filled with birdseed. Assisting at the tables were Jennifer Scitern of Colorado City, Adrienne McGarvey of Lubbock, Sue Gideon of Benjamin and Stacie Seely and Crista Chiles, both of Lamesa.

Following a wedding trip to Tennessee, the couple will reside in Bryan.

The bride is a 1988 graduate of Lamesa High School and attended Texas Woman's University in Denton.

The groom also graduated from Lamesa High School in 1988 and is attending Texas A&M University.

The grooms' parents hosted a rehearsal dinner at the Ranch House restaurant in Lamesa on the eve of the wedding.

Ag Facility Work Day Planned

There will be a workday held this Saturday, Sept. 22nd at the new Ag. facility which is located west of Coyote Stadium.

The facility was begun after the school purchased 4 acres for the purpose of developing an area for town students to feed their projects. The area will consist of a 14'X90' barn which will accomodate some 15 feeding pens and feed rooms.

Two of the Ag. Science classes are working each day on the construction of the project as part of their class instruction.

The Gail FFA and 4-H organizations are excited about the project as it will open a nice outlet for several of the students to house their animals.

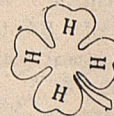

Anyone wishing to

help on Saturday is welcome. The work will begin at 8:00 a.m.

Tools needed will be:

- Welders and Cutting units
- Post hole diggers
- Shovels and rakes
- Ladders
- String line

Anyone who has questions can contact Buddy Wallace (Ag Science teacher) at: 856-4478 - Home 856-4314 - Work

BORDEN COUNTY JUNIOR LIVESTOCK

The annual General Membership meeting of the Borden County Jr. Livestock Association, Inc. was held on September 11, 1990 in the District courthouse of the Borden County Courthouse.

MINUTES:

Minutes of the September 14, 1989 General Membership meeting were read. John Anderson move to approve the minutes as read. Monte Smith seconded the motion. Motion carried.

TREASURER'S REPORT:

Jerry Stone presented the treasurer's report. Dennis Poole moved to accept the treasurer's report. D.M. Parks seconded the motion. Motion carried.

REPORTS:

a.) Turf Fund Report: Dennis Poole presented a brief history of the origination of the Turf Fund as well as a financial outline from it's beginning in June 1987 to present. Dennis also explained that donations to the Turf Fund from this year's Coyote Opry will be used to build portable pens for use in the county show barn.

b.) 1990 COYOTE OPRY: Ben Miller reported that this year's Coyote Opry will be held on Sept. 29, 1990. Ben stated that the entertainment will be the same as in the past, but there will also be a fish fry and "county fair" type contests for adults and children.

c.) WASHING OF ANIMALS: Dennis Poole stated that there will be no washing of animals in the wash rack in the breezeway between the county barn and the show arena while the judging of barrows, lambs, or steers are being held or the premium sale is in progress during the 1991 Borden County Junior Livestock Show.

d.) DONATION BOX: Kenny Hensley discussed the possibility of having a donation box at the bargeque dinner which is served at the Borden County Jr. Livestock Show. The donations would be used to defray the expense of the meat which is purchased by the Borden County Jr. Livestock Assn. Debbie Parks moved to have a donation box at the barbeque dinner at the 1991 Borden County Junior Livestock Show. Doug Isaacs seconded the motion. Motion carried.

e.) 1991 BORDEN COUNTY JR. LIVESTOCK SHOW:

Kenny Hensley reported that the schedule for the 1991 stock show will be as follows:
 January 17 - Lamb show
 January 18 - Barrow Show
 January 19 - Steer show, Goat Show, Bar-B-Que Dinner and Premium Sale.

NEW RULES:

These new rules were reviewed and amended as necessary:

1.) Any of the four lamb breeds (finewool, medium wool, southdown and fine wool cross) recognized by the Borden Co. Jr. Livestock Assn., with less than four entries in a class will be placed in the Medium Wool class or another class at the discretion of the classifier.

2.) Change in Lamb classes regarding to number of entries:

4-8 entries = 1 class
 9-16 entries = 2 classes
 17 and over entries = 3 classes.

3.) BARROWS - Change the minimum number of entries needed to make a class from one entry to four entries of the four recognized breeds (hampshire, cross,

duroc, and other pure breeds) of the Borden County Jr. Livestock Assn. Any less than four entries will go to the other pure breeds class.

4-9 entries = 1 class
 10-17 entries = 2 classes
 18 and over entries = 3 classes

4.) If there are at least ten (10) entries in the O.P.B. division of a particular breed, they may be separated as a breed division, when there is a minimum of 10 entries left in the O.P.B. division.

5.) In a breed division with two or more classes of lambs, barrows, or steers, all Breed Champions and Reserve Breed

Champions will sell provided the exhibitor has not sold two animals. previously.

Introducing the Number One Killer of Young Americans

Improve Your Odds. Wear Your Safety Belt.

The 13th National Golden Spur Award Weekend, September 21st & 22nd, 1990, Expect Exceptional Entertainment!!!

Friday - 9 a.m. to 4 p.m.

City dwellers and ranchers alike will enjoy the remarkable exhibits of beef cattle by the Department of Animal Science on the campus of Texas Tech University. Jo Ann Smith, Assistant Secretary of Agriculture; Glen Klippenstein, President of National Cattlemen's Association Beef Board; Paul Engler, President of Cactus Feeders; Dr. Rod Bowling, Vice President of Montford, Colorado; Dr. Robert Lawless, President of Texas Tech University; and Charles Stenholm, Texas Congressman, are among the distinguished speakers for the day. They will discuss the problems of the beef industry with particular attention to value based marketing. A prime rib lunch will be served.*

Friday Evening - 6:30 p.m.

The irresistible Prairie Party* begins at the Lubbock Memorial Civic Center at 6:30 p.m. with a reception to introduce the honored recipient of the National Golden Spur Award. This year the theme is Western! So - get out your favorite going-to-town Western duds, shine your boots and come to the party! There will be plenty of authentic Western "grub" to munch on while you visit with the honoree and other distinguished guests. At 8 p.m. steak and shrimp will be served and then another treat is in store for you! To keep you abreast of one of today's leaders in the ranching industry, a presentation will be made of the achievements of the nationally known National Golden Spur recipient.

Saturday - 10:00 a.m. to 4:30 p.m.

Activities begin at the Ranching Heritage Center when the 4th Memorial Cavalry presents a mounted drill to raise the U.S. and Texas flags. After this historic and colorful event, you are invited to tour the unique outdoor museum. Costumed Ranch Host volunteers in each house/structure will show you how life really was in those early Western ranching days. You can smell the campfires, taste the donuts cooked over them; you can see various authentic demonstrations such as calf branding, bronc breaking, quilt making, children's games and much, much more - And for your enjoyment and convenience, a barbecue lunch* will be catered.

*For prices and further information contact the RHA

YOU JUST HAVE TO BE THERE TO ENJOY ALL OF IT!!
