OUR 36TH YEAR THURSDAY, NOVEMBER 9, 1967 NUMBER 46

Cowboys Blast Springlake 41-0

The Plains Cowboys ran their season record 8-1 with a 41-0 victory over the Springlake squad of Wolverines.

Greg Jones started the scoring with a three yard burst and John Lowe kicked the pat. Early in the second quarter Billy Spencer raced 16 yards on a trap for the second touchdown, and Lowe converted. Again in the second quarter Gregg Jones went 40 yards on another trap play. Lowe converted 21-0 at the half.

Just before the half, Dan Field almost scored in a tackle around play.

In the third quarter, Joe Pierce went nine yards on an inside play. Lowe's conversion made it 41-0.

The Cowboys rushed for 363 yards against the Wolverines. They passed for 35 more for 398 total offense. The Cowboys returned three punts for 110 yards and one kickoff for 21 yards for 529 yards against the Wolverines.

The rugged Cowboy defense yielded 119 yards against the Wolverines. Springlake's total offensive punch was 162 yards.

The Cowboys kicking game yielded only 21 yards. Springlake's total offensive punch was 162 yards.

Mike DeVries led the Cowboy defense with 10 tackles. Dan Field, Billy Taylor and Richard Tagle were also outstanding.

Plains travels to Tahoka this Friday for their final contest of the season. Tahoka has an outstanding ball club with losses to Seagraves, 13-10, Comhoma, 16-14, and Hamlin 21-7. All three of the defeats could have been bulldog victories.

On paper Plains looks like a solid favorite, but the Bulldogs may have other ideas.

They are led mainly by Cliff Thomas, a 190-pound half-back who is perhaps the finest football player Plains has faced this year. He has ample help from three other fine backs and a very strong line.

A Cowboy victory would place Plains in the runner-up slot for the district championship with only one loss to the number one ranking Seagraves Eagles.

Let's us all back the Cowboys in their final outing and show our appreciation for their outstanding season.

The Plains B-team will go to Tahoka tonight for a 7:30 ballgame with the Bull pups. Plains Junior High plays Tahoka here this afternoon about 4 p. m. Let's end the season with four victories over Tahoka this weekend.

Texas Number One In Cattle Livestock

Every Texas takes pride in the position of his state as the nation's number one cattle and livestock producer. The legend of the great Texas ranches and trail drives is no fiction--it is a cornerstone in the historical and economic development of the state and the nation.

Yet how many Texans of today realize the great diversity of the agricultural economy of modern, twentieth-century Texas? How many of us are aware that the state presently produces over two hundred different crops and agricultural products, all the way from peanuts (of which Texas produces the largest annual crop) to mohair (97% of national production, 50% of the world's)?

These facts and others about the quality, availability, and uses of the products of Texas agriculture will be made available to the people of the state during November, which has been designated Texas Agricultural Products (TAP) month by John C. White, Commissioner of Agriculture.

The TAP month program will take the form of a vigorous informational campaign which will utilize all news media as well as direct consumer contact by representatives of the Marketing Division of the Department of Agriculture. The program will include the following informational services:

A four minute film on Texas Agricultural Products has been produced by Viecom of Dallas. This entertaining and informative film ("Products of Life") will be shown throughout the state at schools, clubs, and on television. Also on television will be a series of ten-second spot announcements which will help inform the public as to the availability of answers to agri-related questions.

A Texas Agri-Tour will take a long journey from one end of the state to the other starting at El Paso and ending up in Texarkana, and stopping at 22 major cities along the way. The trailer contains an exhibit of Texas Agricultural Products and will feature demonstrations and slide shows concerning the uses and availability of these products.

In addition to these programs, supermarkets around the state will be sent information posters and counter strips, which will inform the shopper about recipes for delicious meals which can be made from the agricultural products of Texas. These recipes are available from the Texas Department of Agriculture.

SATURDAY, NOVEMBER 11--

Nation Will Honor 26 Million Veterans

Once again we celebrate an observance of significance to all Americans, and honor the memory of veterans of all wars.

We should reaffirm our pledge not to forget the dead who have served this great Nation. Their contributions can never be forgotten. And may the citizens of America remember the sacrifices and contributions of all living veterans who conducted themselves with gallantry and courage in wartime to preserve our heritage of freedom, and further that we pay tribute to those valiant soldiers who are still striving to attain the ultimate goal of world peace.

In the last week, fifteen thousand servicemen and women

have become veterans, swelling the number of living veterans we honor today to more than twenty six million.

Have you ever counted up to twenty six million? Of course not. Undoubtedly, no human has. Someone has estimated it would take twenty six weeks of eight-hour days,

Then how do you honor twenty six million veterans? Obviously not individually, much as we might like to salute each veteran personally, from the youngest veteran of Vietnam to the oldest campaigner of the Spanish American War, and give him our share of the Nation's gratitude for patriotic services rendered.

We must never allow the figure of twenty six million living veterans to become commonplace.

Our very democracy pulses with the stout hearts of the veterans who fought that it might endure. We owe them far more than this Day of tribute. We owe them this day, which we ourselves are living, and enjoying!

There is no typical veteran. He is a young man who perhaps has not voted yet, just back from his tour of duty in Vietnam. Or he is in his eighties, sitting on the front porch, dreaming of long-ago gas lights and horse drawn carriages. He is a World War I veteran, citizen-extraordinary, now retired.

He is a doctor, lawyer, engineer, merchant, salesman, policeman, statesman, mechanic, farmer, construction superintendent, teacher, social worker, barber. He is president of the U. S., member of Congress, Supreme Court Justice. He delivers your mail and paints your house. He lives, as we have seen, in the East, West, North, & South.

Our veterans are preparing themselves for ever greater responsibility... on scores of civil life fronts. They are making their young but experienced voices felt in the deliberations of great national veterans' organizations, demanding peace with honor and a stronger America, too. They will yet see to it that their fallen brother, of every conflict shall not have died in vain... that their comrades among the twenty six million shall not have lived in vain.

Together, young and old, veterans are the stout heart of our democracy. Their hearts beat with the pulse of freedom fought and maintained. They are very special citizens indeed.

Yoakum Soil and Water Conservation Dist News

By C. Murrell Thompson

This week, the remainder of the new signs were erected which means there is a new District sign on every paved highway leading into the Yoakum District. These signs were established with the cooperation of the adjoining Soil and Water Conservation Districts, Gaines-Andrews, Terry, Cochran and Lea County New Mexico, each paying one-half the cost.

Thousands of acres of grain sorghum are being harvested and good residue is being left to protect our top soil and moisture. A few are already shredding and plowing this excellent soil protection under. Some are giving the excuse that they have a hand that needs a job. Others are saying the land just needs to be plowed. We are not against plowing in all instances but to plow just to be plowing is too expensive, too wasteful, and is not good farming regardless of what the man selling the plow or grandfather says. Some people who farm are spending good money doing necessary plowing and are eroding precious top soil and losing moisture that could be held with the good crop residue that is already on the land.

Soil and Water Conservation must not be overlooked in our farming operations less we

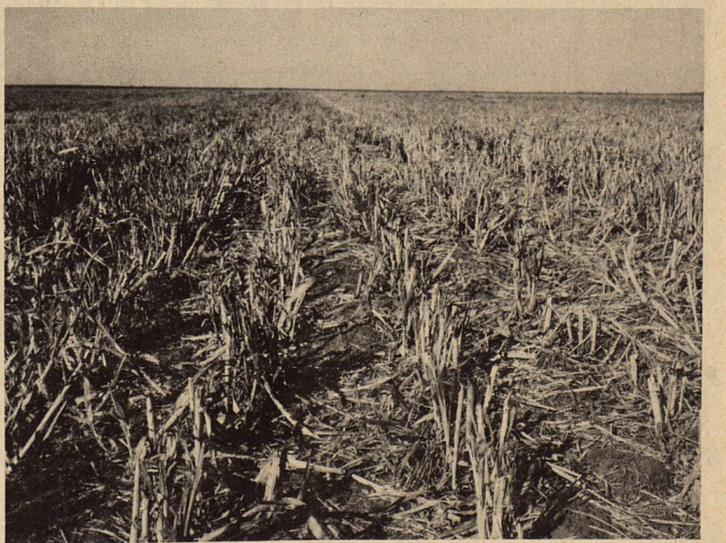

Storyhour Volunteers Are Needed

If you are interested in puppets or some form of hobby that would be of interest to young children, the library would welcome guests each Thursday morning. Anyone wishing to entertain children with some form of educational program or fun-time program, please contact Latrell McDonnell at the Yoakum County Library.

This week, 25 young listeners visited the story hour. The readers were Denise Newsome and Yolanda Salas. The sixth grade reading class help us each week during story hour. They read stories to the young listeners, and are appreciated by the library staff and children very much.

may not have an operation. Sure, you may increase production for a time, but all too soon, the top soil will be gone as it has on so many

farms in the past. When the top soil is gone, so are the farmers, the schools, the churches, the business houses and all of us.

CHEST O' PLENTY--which is now being displayed in Moore & Odens Window will be awarded to some lucky winner at the Tsa Mo Ga Annual Bazaar November 13th.

Tsa Mo Ga Bazaar Nov. 13

The Tsa Mo Ga Club will have its annual bazaar this year on November 13. Beside selling pies and soft drinks, the members will have handmade items including things for the Thanksgiving and Christmas holidays.

A Lane cedar 'treasure' chest will be given away. Tickets for \$1.00 can be bought from any Tsa Mo Ga member. The chest, containing linens,

will be given away at 9:00 p.m. on November 13.

The highlight of the evening will be a square dance entitled 'The Good Old Days'. It will be called by 'Doc' McCargo and will feature the J. W. Moores, the Garland Swanns, the Tom Warrens and the Casey Jones'.

The public is urged to remember the Veterans Box which will be donated to the

Veteran's Hospital in Big Spring.

The theme of this year's bazaar will be 'Pioneer Days'. The Tsa Mo Ga members will be dressed in Pioneer clothes.

The public is cordially invited to attend this annual event. The club members have worked hard all year to make the bazaar a success and with the support of all, this it will be.

Lowboy Corral

Last Friday was a cold night but it didn't affect the Cowboys playing. They decimated the Springlake Wolverines by a victory of 41 to 0.

This Friday the Cowboys plan to bring home another victory when they travel to Tahoka for the last football game of the season. They, the No. 1 team, plan to cage the Bulldogs.

The B-squad game will be at Tahoka and the kick off will be at 7:30. Last week they lost by only one TD. Good game!!

The loud mouth seniors won the Spirit Stick for the fourth time in a row.

The Band has started working on their show for marching contest which will be on November 18th. This show will be presented at half-time at the Plains-Tahoka game this Friday. The Band won a first place trophy last year at Crane's marching contest. We wish them the same luck this year.

Another No. 1 team is the State Volleyball girls. The Volleyball team has won State seven consecutive years and these girls plan to make this year the eighth.

Most of the 13 girls will travel to Lubbock Saturday to put in a order for their blazers. This is for all the hard work they will put out. These girls are: Sharon Tarkington, Linda Blair, Jo Ann Kerrick, Debbie Tompson, Louella Turner, Janie Hamm, Joyce Warren, Suzahn St. Romain, Kathy Anderson, Phyllis Krieg, Marilyn Gohrey, Dianne Fitzgerald, and Charlene Gayle. These girls will go with the best manager, Sheila Sealy and the best coach.

The F. H. A. girls met last Monday night. They had a skit on morals and discussed their future banquet. This was to be New Years but has been changed to a Christmas Banquet, December 16 is the new date.

The F. F. A. Chapter also met last Monday. During this meeting the new members were initiated.

The Student Body elected Class Favorites and Personalities. This is so pictures can be taken in preparation of the Cowboy Annual.

Happiness is sometimes found in postponing some of the things we want long enough to appreciate some of the things we have.

WHERE IN THE WORLD

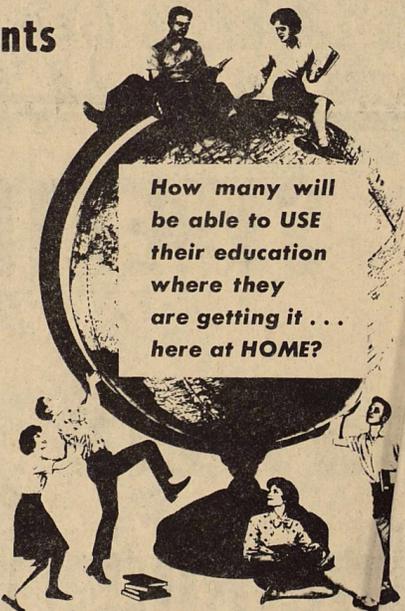

will our school students go to build careers for themselves?

(WHAT PART CAN YOU PLAY IN) (ANSWERING THIS QUESTION?)

Right now it's back-to-school for the book-toters of our town. Before you know it, they'll be graduating! Many will go on to higher learning. Ultimately all of them will have a decision to make, as to WHERE they can best build their careers.

You have a definite stake in the future of these young people. Your taxes help pay for their education. The more of them who stay HERE to contribute to the progress of THIS community, the better for all of us!

It takes a GROWING community to provide adequate scope for the rightful ambitions of young people. What can YOU do about this? One very important thing: You can spend MORE of your shopping dollars at home, where they will stimulate local trade and business, spark expansion, help create more employment opportunities, help maintain first class schools and other civic services that will attract new residents and new industries. You help our young people, our town, and YOURSELF, when you...

How many will be able to USE their education where they are getting it... here at HOME?

- PARK and SHOP** ONE stop is all it takes.
- FREE PARKING** Always lots of space available.
- GREATER VARIETY** New merchandise gets here fast.
- DEEPER RANGE** Savings to suit budgets.
- BETTER VALUES** All your favorite brands here.
- FAMOUS BRANDS** Trade with stores you KNOW!
- SHOP with CONFIDENCE** You're a favored customer here!

TAXPAYERS QUESTIONS ANSWERED BY IRS

This column of questions and answers of federal tax matters is provided by the local office U. S. Internal Revenue Service and is published as a public service to taxpayers. The column answers questions most frequently asked by taxpayers.

Q - Where can I get the forms I need to report tip income?

A - Your employer should have copies of Form 4070 which

you should use. If he does not have them or can't obtain them for you, send a post card to your district director requesting copies.

Q - Do you have anything that explains what a taxpayer can do if he disagrees with the agent auditing his return?

A - Yes. An explanation of the audit procedure and the taxpayer's rights of appeal are contained in IRS Document

No. 5202. Send a post card to your district director for a free copy.

Q - I made a mistake on my 1040 and filed an amended return some time ago. What's holding up the refund?

A - It usually takes a little longer to process amended returns. The original return has to be compared with the amended return before processing can be completed.

Q - If I take a job overseas will I have to pay both a foreign income tax as well as a U. S. one?

A - It depends on where you work and the circumstances of your employment. The U. S. has agreements with many countries to ease the problem of double taxation. A U. S. Citizen may also, in many cases be able to take a credit or a deduction on his U. S. income tax return for the foreign income taxes he pays.

Under certain conditions all or part of the income earned abroad may be exempt from Federal taxation. For details

on this, send a post card to your district director and ask for a free copy of Publication No. 54, "Tax Guide for U. S. Citizens Abroad."

Q - My daughter has a small scholarship which covers part of her tuition costs. Will that have to be counted as taxable income for her? If not, will I have to pay tax on it since she is my dependent?

A - Most scholarships are not taxable. If your daughter's scholarship happens to be taxable, however, it will be counted as her income, not yours.

A taxpayer is not liable for the tax on income earned by his dependent.

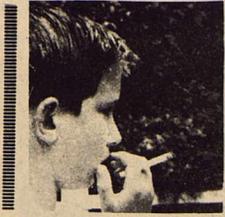

To find out whether your daughter's scholarship is taxable or not, check with the person or organization granting it. You can also obtain information on the tax status of scholarships by sending a post card to your IRS district director and requesting Document No. 5045, "What is Income?"

Q - I pay social security taxes where I work. Do I also have to pay self-employment tax on what I earn in a part-

time business?

A - You may be liable for both social security and self-employment taxes.

The maximum earnings on which social security taxes must be paid is \$6,600. If your salary or wages subject to social security tax is \$6,600 or over, then you do not have to pay self-employment tax on any earnings from another source. But if you earned less than \$6,600 on your regular job on which social security was withheld, then you should pay self-employment tax on the difference up to \$6,600 if the net income from your part-time business amounts to \$400 or more. For details on this send a post card to your district director and ask for a free copy of Document No. 5047, "Self-employment Tax."

Don't fool yourself. They'll follow your example. You certainly don't want your kids to smoke. Then see our new film "Who, Me?" It's available through the local unit of your American Cancer Society. It's about people like you. And kids like yours. And cigarettes. After that, maybe you'll give up smoking...if not for yourself, for the kids.

"Cures" Persist By Coincidence

Coincidence played a large part in establishing the reputed effectiveness of traditional remedies in medical folklore, points out TODAY'S HEALTH GUIDE, the American Medical Association's manual of health information for the American family.

Warts, which come apparently from nowhere and often disappear for no apparent reason, gave undeserved reputations to innumerable remedies which happened to be used just preceding the spontaneous disappearance of a wart. The self-limiting character of many diseases, such as the milder sore throats and colds, also caused simple herbs and other home methods to gain a curative reputation which they did not merit, the health book says.

eration or for being afraid to take anesthetics.

Flowers absorb some oxygen, but the principal reason they are removed from the sick room at night is because they keep better in the open air.

Insulin does not cure diabetes; it substitutes for the insulin which the body is unable to provide for itself.

A JOHNNY HARTFORD SCHOOL SAFETY TIP

Walking Safely—Plan the safest way to walk to school. Always walk on the left side of the road facing traffic if there are no sidewalks. Look out at corners for turning cars. When it gets dark early, wear something white so you can be seen easily. Don't run into the street between parked cars. (This safety panel, one of a series for JUNIOR FIRE MARSHAL, has been prepared as a public service of The Hartford Insurance Group.)
