The crowd saw the Wolverines defeat Mullen in their first conference game of the season last Thursday night on the local field by the score of 22-12, for their second victory in a row. Mullen had a fast and scrappy ball club. Charles Little led scoring in the game for Carbon, scoring twice and kicking an extra point. James Wyatt scored the other Carbon TD and Robert Norris tozed a 10 yard pass to Little on one of the scoring plays.

Richard Smith and Ross Rowlett scored for Mullen. Defensive standouts were John Grace, Kenneth Tucker and Daryl Phelps for Carbon and Richard Smith for Mullen.

Ike Can't Make It Rain, But He's Still Best Man

The other day I asked a farmer if it was dry out his way. He said it sure was. "Looks like we just can't get any rain," he said. "Why, when Noah had his 40-day flood, we didn't get over half an inch."

There's no mistake about it, Texas is having itself a real drouth. Some of the farmers and ranchers in our county are in such bad shape that they may vote for Stevenson.

Old Man Jones, from across the river, said he wasn't going to go to any such extreme. He said he needed rain as bad as anybody else. He claimed water was so scarce in his community that the preacher was baptizing new members with a wet handkerchief. But he was holding out awhile longer, anyway.

"I may be stubborn," said Old Man Jones, "but I just ain't been convinced that President Eisenhower is keeping it from raining."

He said he knew that Stevenson and Kefauver acted like they thought so, and they had a right to their opinion. Lyndon Johnson, he figured, knew better, but he was sticking with Adlai and Estes for the sake of unity. He said he didn't figure Mr. Sam Rayburn had known whether it was raining or not for the last 25 years.

"I hate not to go along with such a widely known crowd of weather observers," Old Man Jones said. "If there's anybody

who keeps up with which way the wind is blowing, generally speaking, it's Stevenson, Kefauver and Johnson."

Then he went on to say that he realized the national farm program hadn't pleased everybody — including himself if he was in the White House — but he would do things different, at least in our county. He followed that the \$81,000,000 spent by the Eisenhower administration for drought relief in Texas could have been doubled and still not made all the farmers happy and prosperous.

"But," said Old Man Jones, "I keep remembering that the main reason for our troubles, besides the drouth, is the fact that we are not at war. Now, if Adlai and Estes really want to jump on President Eisenhower, there is a real issue. They've sure got the goods on Ike in that respect. If he hadn't stopped that Korean War, farm prices would be higher, no doubt. I wonder why they never mention that."

Old Man Jones was kidding a little, of course, in his usual way, but I think he had something there. We have got to adjust to peace-time, which is taking awhile but President Eisenhower is working at it. And meanwhile our boys aren't fighting and dying on foreign soil. It's worth thinking about.

Yours truly,

Tex

Seven 4-H Youths Enter Turkeys In Fair Competition

The seven club boys are among those who received poultts last March under the Kincaid turkey plan. The Kincaid brothers and their father are among the largest turkey growers in the county and in this section of the state.

The turkeys were trucked to Dallas on Thursday and entered in the show after passing a very careful examination by poultry officials at the Fair. They were taken by Don Kincaid, Cisco; Billy Charles Caraway, Carbon; Ray Woodall, Gorman; Mike Herrington, Ranger; C. L. Boase, assistant county agent, and County Agent J. M. Cooper.

Besides Caraway and Woodall other club boys who will have the big birds on exhibit include Larry Campbell, Gene Snider and Roger Woodall all of Gorman; Jack Callaway of Rising Star and Kurt Clark of Morton Valley. The turkeys will be auctioned at the end of the show.
