CATHOLIC MEET IN SIDNEY 1928

(By Associated Press)
CHICAGO, June 17.—Official announcement was made this afternoon that the twenty-ninth international Eucharistic Congress would be held in Sydney, Australia, in 1928.

CHICAGO, June 17.—The Red special, bearing Cardinal Bonzano, papal legate, eight other princes of the church, and sixty prelates of the Catholic hierarchy to the Eucharistic ceremonies, arrived here today. They were welcomed at the Holy Name Cathedral by Cardinal Mundelein of Chicago.

HIGHEST TEMPERATURE HERE SO FAR 98 DEGREES

It has been rather hot here for the past few days but not as hot as it seemed to be according to Mrs. E. M. Eubank, 905 Sixth Street, who keeps the government report of the temperature and rainfall.

According to the government thermometer the highest the mercury has been this year is 98 degrees. It reached this level two days this week and also about two weeks ago.

The mercury gauge in the business district, however, is believed to have climbed a little higher. The temperature on the sidewalk in front of The Ledger building on Hutchings Avenue Wednesday afternoon went to 120 degrees about 3:30 o'clock. A rain coming from the South Thursday afternoon about 3:00 o'clock cooled off the city considerably.

Mrs. W. H. Weeks, age 81 years, who resides at 705 Eighth Street, has been seriously ill for the past few weeks and is reported no better. Her death is expected momentarily.

The king can do no wrong, unless somebody holds an ace.

Associated Press News Bulletins

(By Associated Press)

PARIS, June 17.—Aristide Briand is having such a difficulty in recruiting his tenth cabinet that his failure to form a ministry is being considered in the Chamber of Deputies today, where it was said that former Premier Herriot would be most likely called upon, if Briand should renounce the task.

WASHINGTON, June 17.—The methods and policies of the Anti-Saloon League were debated hotly before the Senate campaign committee today with Wayne B. Wheeler in the witness chair and Senator James A. Reed of Missouri, democrat, as interrogator.

Wheeler was called because of his public assertions that liquor interests had contributed to the expenditures of Pennsylvania's recent \$2,000,000 republican primary.

UNDATED—Dan Moody in an address at Sweetwater Wednesday, took issue with James E. Ferguson's statement in Wichita Falls, regarding the special session to validate road bonds. Moody declared that the payment of the bonds is a moral obligation which the people do not wish to escape. Moody's next scheduled address is for Amarillo on Thursday night.

James E. Ferguson continued his attack on Dan Moody in an address at Breckenridge, Wednesday. Thursday, he will speak in Midland.

Lynch Davidson was entertained Wednesday in Breckenridge. He warned that growing taxes were a menace to national life. He will speak in Gore, Stamford and Haskell on Thursday.

WINTERSMAN 105 VISITS CAPITOL

AUSTIN, June 17.—A man 105 years of age and spry as "a lad of 75" was introduced in the State House Monday by A. W. Taber, superintendent of the State Confederate Home, who had with him T. M. Mayo, readmitted to the home from Winters.

Mr. Mayo was born in Warren county, Tennessee, on July 10, 1821, and came to Texas in 1867. He is the oldest soldier in the home, the veteran next to him in age being 96 years old. Mr. Mayo served four years under Gen. Bedford Forrest in the Army of Tennessee.

As a boy Mr. Mayo knew Gen. Sam Houston and he says he was about 12 years of age when "the stars fell," which he remembers distinctly. He also has an intimate personal knowledge of early history and prominent characters of the preceding generation.

While being introduced to different State officials Mr. Mayo showed no sign of deafness and his eyesight was good. He walked spryly and needed no assistance to get around. Questions of the early days were answered quickly and clearly, showing his mind to be active. He is considered a most remarkable man of his age.

With a sly wink Mr. Mayo admitted that he both smoked and chewed tobacco and said he did not believe it had curtailed his age much. "But did you ever drink?" someone asked, and with a broad smile he answered: "Certainly I did; you know they made good stuff back in the mountains of Tennessee," and the crowd laughed.

At all places visited in the Capitol Mr. Mayo was the center of attraction and of much tender solicitude by those who crowded around for an introduction and conversation with him. It was a guess as to who had the best time, the centenarian soldier or his host, Superintendent Taber. The latter appeared to be very proud of his charge and happy in his spryness and enjoyment of life.

BROADWAY PARKWAY IS BEING BEAUTIFIED

Announcement was made Thursday afternoon by Estess Lynn, of McCarver & Lynn, that a contract had been entered into between the City of Ballinger, and Hail Hardware Company, King-Holt Furniture Company, and McCarver & Lynn, whereby the parkway on Broadway will be beautified.

Mr. Lynn said that M. C. Falls, caretaker of the court house park, had been employed to spend a part of his time keeping the parkway clean from weeds and wild grass. Bermuda grass is being planted on the parkway at the present time and next season it will be planted in flowers.

H. W. Lynn, of Winters, passed thru Ballinger Thursday en route to his home from Houston, where he had been on business.

Events in the Lives of Little Men

15 DIE AS 2 TRAINS HAVE REAR COLLISION

CHIROPRACTOR MUST PAY FINE

C. L. Andrus, of Miles, convicted by a jury of six men in the county court here on September 2, 1925, charged with the unlawful practice of medicine, must pay his fine of \$100 and serve one minute in jail, according to the Court of Criminal Appeals in Austin.

Andrus was brought to trial in the county court, with Judge Paul Trimmer presiding. A jury of six men were selected and the case was heard by this jury.

After testimony was presented and the attorneys argued the case, a verdict was returned in favor of the State.

The defendant appealed the case to the Court of Criminal Appeals which body reversed and remanded the verdict.

Later, Judge Lee P. Pierson, of Dallas, counsel for the State Medical Society, filed a motion for a rehearing before the higher court, and sought to show that the error on which the body reversed the case was in no way harmful to the defendant. The court then affirmed the sentence as given in the county court here.

County Attorney C. P. Shepherd and Judge A. K. Doss were the prosecutors.

PAYS FINE FOR DRIVING TRACTOR OVER PAVING

A farmer paid a fine of \$16.75 in the city court this week for driving a tractor over the paved streets of Ballinger.

The farmer was politely "skipping thru the dew" on Hutchings Avenue when arrested by Chief of Police B. W. Pilcher.

Mr. and Mrs. T. M. Osteen and son, Luther, of Vernon, are here visiting relatives.

DROUTH CAUSED 4,000 FOOT JUMP SCHOLASTIC DROP SAVES 2 FLYERS

(By Associated Press)
AUSTIN, June 17.—The drouth in fifty Central Texas counties in 1925 reduced the scholastics of this section by many thousands, it was announced by the Department of Education today.

Ellis county reported a loss of 1,300 scholastics with Bell and Williamson counties reporting more than 1,000 each.

SOUTH PLAINS RAIL ARGUMENT, JULY 19

(By Associated Press)
WASHINGTON, June 17.—Five applications for the construction of a new railroad in the South Plains section of Texas were assigned by the Interstate Commerce Commission today for oral argument here on July 19.

One good friend is worth about a hundred fairly good ones.

(By Associated Press)
DAYTON, June 17.—Lieutenant James Hutchinson and P. H. Stanley, army air service observers, today made leaps to safety from a burning McCook Field airplane, 4,000 feet above the village of Osborn.

BRITAIN WILL NOT WITHDRAW RUSSIAN TREATY

(By Associated Press)
LONDON, June 17.—The British government is satisfied that the Soviet government had waived regulations concerning the export of money to be transmitted to England during the recent general strike, Sir William Hicks, home secretary, said today in the House of Commons. The government, however, has no intention at all events at the present time of withdrawing recognition of the Soviet government, he said.

"At peace with the world"

Here's a new Irving Berlin waltz, superbly played, that is certain to be a big favorite. You will be captivated by its languorous, melting melody. And there are some fine new fox trots and vocal numbers too. Come in—let us play them for you—today!

- At Peace with the World—Waltz—With Vocal Refrain
- I'd Climb the Highest Mountain If I Knew I'd Find You—Fox Trot
- I'm in Love with You, That's Why—Fox Trot
- Sweet Southern Breeze—Fox Trot
- Honeybunch—Fox Trot
- I Found A Round-A-Bout Way to Heaven—Fox Trot
- Ya Gotta Know How to Love—With Violin, Cello and Piano
- Bye Bye Blackbird—With Violin, Cello and Piano

of all news dispatches credited to it
or not otherwise credited in this
column and also to local news pub-
lished herein.

The San Angelo baseball fans
are maintaining a Sunday school
baseball league, but the schedule
does not include Sunday games.

The Texas League of Women
Veterans has launched a campaign
to arouse the eligible women
voters in going to the polls on
July 24. This will, no doubt,
help bring about a record break-
ing vote, and many women will
poll their first ballot.

An Ozona merchant recently
filed a petition in bankruptcy,
listing his liabilities at more than
\$27,000, and his assets consisted
of a home and furniture valued
at \$3,500, all of which was
exempt. That is what you might
call being "flat broke."

The Tom Green county agent
reports more than twice the acre-
age of 1925 has been planted in
watermelons in that county for
commercial purposes. This being
true it will not be long before
South Ballinger melons will be

on sale in San Angelo, marked
"Concho Grown."

In accepting the secretaryship
of the San Antonio Chamber of
Commerce, Porter Whaley named
as one of the most important
items on the program, the build-
ing of a railroad Northwest from
the Alamo City. This is a propo-
sition Ballinger should keep its
eyes on. Rail connections will
be made some day between San
Antonio and the best part of
West Texas and Ballinger should
not be asleep on the job.

The Runnels County Demo-
cratic Executive Committee will
meet next Monday, as provided
for by the primary election law,
and make up the official ticket.
In addition to assigning candi-
dates places on the ticket, the
committee will determine whether
or not a second primary shall be
held in Runnels county. With
the exception of one or two pre-
cinct races, there are only two
candidates offering for the same
office and it looks unjust to
assess the candidates for the cost
of holding a second primary
when their fate will be deter-
mined by the first balloting. If
the state officers want a second
primary in Runnels county, they
should pay for it.

**Mississippi Lady Says She Took
Black-Draught for These
Symptoms and Was
"Greatly Relieved."**

Starkville, Miss.—"I have been a
user of Black-Draught for about
twenty years," says Mrs. C. T. Bun-
tin, of R. F. D. 5, this city.
"I used Black-Draught first for
constipation," continues Mrs. Bun-
tin. "I would feel dull, stupid, and
have severe headaches, even fever-
ish. I had an uneasy, tight feeling
in my stomach.
"I read quite a bit about Black-
Draught. I began using it and soon
my bowels acted regularly and I was
greatly relieved. I used it every once
in a while for about eighteen years.
"About two years ago I found I
was having indigestion, a tight
smothering in my chest, then severe
pain, especially after eating sweets.
I commenced taking just a pinch of
Black-Draught after meals and by
doing this I could eat about any-
thing.
"I gave Black-Draught to my chil-
dren for colds and headaches. I can
certainly recommend it."
Theford's Black-Draught is re-
commended by thousands of others
for the relief of indigestion, bilious-
ness and simple ailments due to
constipation. Safe, easy to take.
Costs only 1 cent a dose. NC-171

the Italian Royal family, when
travelling, will be certain of good
seats for grand opera.
By a new decree the special
Royal boxes have been renovated
in the Scala Opera House of
Milan, the San Carlo of Naples,
the Fenice of Venice, and the
Carlo Felice of Genoa. They are
paid for permanently by the min-
istries of finance and public in-
struction.

**WORK ON NEW CHURCH
PROGRESSING NICELY**

The work on the new Methodist
church is progressive nicely. The
foundation work is always slow
but one of the most important
features of any building. The
latest report from the contractor
is that all the trenches are dug
and the concrete footing in, and
that by the close of today the
forms will all be in place ready to
receive the concrete for finishing
the foundation. The foundation
is not of piers but is a continuous
foundation resting on solid rock
almost all the way around.
Mr. Mills, the contractor, says
it is one of the best if not the
best foundation he ever saw
under a building. The building
committee and contractor would
be glad to have anyone interested
to drive out late this afternoon
and look over the foundation. It
would be a good time to see just
what it is before the final con-
crete is run.

**REVIVAL GROWING
IN INTEREST DAILY**

The revival which is in progress
at the Eighth Street Presbyterian
Church is growing in interest and
number. The singing by the
choir and congregation is both
devotional and inspiring.
Rev. J. L. Cleveland, of Lewis-
ville, Texas, is doing the preach-
ing. He brought a soul-searching
sermon last evening on "Four
Square Christianity." This even-
ing he will discuss "Has Chris-
tianity Failed in Ballinger?"
A young people's organization
was perfected last evening. Its
purpose is to promote the inter-
est of the meeting. This organ-
ization will meet each evening at

7:45 in the auditorium of the
church and check up on the def-
inite work done.

We realize that the weather is
extremely hot but let us remem-
ber that the Bible speaks of a
hotter place than Ballinger. The
church is well ventilated and
equipped with fans. The public
is cordially invited to attend all
services. Mornings at 10:00;
evenings at 8:15. Hear the above
timely subject discussed this
evening.

**I'll say P.A. makes
a bang-up cigarette**

IF YOU have never made a cigarette
with Prince Albert, I'd like to register
right here that you've been missing some-
thing mighty good. You can quote me
on this: a cigarette made with good old
P. A. has 'em all stopped in the home-
rolled line. It's the tobacco!

Prince Albert needs no paper-weight
or pot-lid to keep it from blowing away
when you roll it. You know what I mean
... stays put in the papers. But that
isn't the big point. It's the wonderful
taste of a P. A.-rolled cigarette that bangs
your smoke-spot for high score.

Cool as a parachute-jumper. Sweet
as a stolen kiss. Fragrant as a pine-grove
on a damp morning. I'd like to bet that
you'll be rolling one right after another
when you try P. A. Which will be soon,
if I have made myself clear! Try rolling
'em with P. A. on my say-so.

If you're a pipe-smoker, Prince Albert
will give you more pleasure that way too.
I smoke it both ways—a few home-rolled
cigarettes and then a pipe-load. A couple
more cigarettes and then a pipe-load.
And so on. Either way, P. A. is won-
derful tobacco. It sure is, Men.

P. A. is sold everywhere in tidy red
tins and tippy red bags. And always
with every bit of bite and punch re-
served by the Prince Albert process.

PRINCE ALBERT

—no other tobacco is like it!

GIRLHOOD TO MOTHERHOOD

Iowa Woman Found Lydia E. Pinkham's Vegetable Compound Always Helpful

Vinton, Iowa.—"When I was seventeen years old I had to stay at home from school. I finally had to quit school. I was so weak. I suffered for about two years before I took Lydia E. Pinkham's Vegetable Compound, then I picked up one of your books and read it. I began taking the medicine. Now I am a housekeeper with six children, and I have taken it before each one was born. I cannot tell you all the good I have received from it. When I am not as well as can be I take it. I have been doing this for over thirteen years and it always helps me. I read all of your little books I can get and I tell everyone I know what the Vegetable Compound does for me."—Mrs. FAYNE SULLANS, 510 7th Avenue, Vinton, Iowa.

Many girls in the fourth generation are learning through their own personal experiences the beneficial effects of Lydia E. Pinkham's Vegetable Compound. Mothers who took it when they were young are glad to recommend it to their daughters.

For over half a century, women have praised this reliable medicine.

"Rustling for Cupid" Swings from Heart Throbs to Laughter

Anita Stewart is to be seen at the Queen Theatre tomorrow and Saturday. She is cast as Sybil Hamilton in "Rustling for Cupid," Fox Films' latest production to reach the screen. George O'Brien has the masculine lead as Brad Blatchford, in this Peter B. Kyne drama of ranch life.

Miss Stewart and O'Brien give the picture a good laugh at the start as they are just across the aisle in a Pullman bound for Sycamore Creek, New Mexico, where she is to teach school, and near which O'Brien's father owns the famous Swastika Ranch.

The porter exchanges their grips and starts the romance, which runs through a lot of heart throb vicissitudes to an "all's well that ends well" finish.

Others in the cast are Russell Simpson, Herbert Prior, Edith Yorke, Sid Jordan and Frank McGlynn Jr.

Calloused Feet

When calluses are sore and painful; when soft corns hurt; when feet are sore, tired, burning; when toes are raw, inflamed, irritated and sealy—just rub in this pleasant, soothing, healing vanishing cream, Pedisan. This remarkable new foot remedy contains a super-efficient healing and antiseptic agent discovered by one of the world's greatest research laboratories. It gives sure relief because it neutralizes the acid in perspiration which is now known as the common cause of foot trouble. In a second, Pedisan vanishes into the pores, and starts to relieve the painful burning and soreness and to heal the raw, irritated parts. Pedisan banishes offensive odors and leaves the feet dry, cool and comfortable. Guaranteed to give satisfying relief in all cases, even where foot trouble is torture. 50c tube; all druggists. Always at Weeks Drug Store.

FIRE BOAT TO LOWER PORT INSURANCE RATES

(By Associated Press)

HOUSTON, June 17.—Water-front interests here are anticipating substantial lowering of fire insurance rates since the arrival of the Port Houston, said to be the most modern fire-fighting craft in existence. The vessel, designed by Cox and Stevens, generally acknowledged leaders in marine architecture in this country, 120 feet, 10 inches long, has a beam of 27 feet, and a draft of 8 feet six inches.

The Port Houston bears a striking resemblance to vessels used during the war to protect harbor shipping from air raids. Fore and aft she is fitted with high pressure nozzles mounted atop the cabin and on towers. Along the sides are two nozzles permanently fixed and so hinged that fires underneath piers can be reached with ease.

In addition to fixed connections, numerous hose outlets are provided. Water is sucked up from beneath the vessel by high pressure pumps.

The vessel is powered with two 500 horsepower Diesel motors which drive electric generators. This method of powering was adapted from late types of battleships, where it is claimed electric drive is conducive of economy, besides giving greater flexibility in operation.

The vessel was built at the yards of the Bethlehem Shipbuilding Corporation, Philadelphia, at approximate cost of \$300,000. Although not designed as an ocean going craft, she came on her own power from Philadelphia to Houston without difficulty.

Wheat Farmers Pooling Crop; to Delay Selling

(By Associated Press)

WICHITA, Kans., June 17.—Thousands of farmers in Kansas, Oklahoma, Nebraska and Colorado will market their 1926 wheat crop co-operatively this fall and winter.

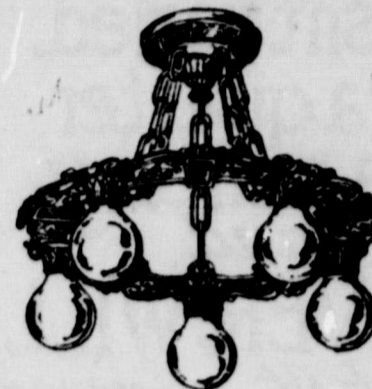

State selling units in these states have combined their membership and resources into the Southwest Cooperative Wheat Growers Association, which will act as the selling agency. The organization has taken over the sales equipment of the Kansas pool, which includes a 400,000 bushel terminal elevator in Leavenworth and another of 1,000,000 bushels at Kansas City.

It is planned to obtain control of wheat, store it in the terminal elevators and slowly feed it into the market.

SAN ANTONIO, TEXAS

IS 1926 TO BE A "COLD YEAR"?

(By Associated Press)

HOUSTON, June 17. — The United States weather bureau continues to confirm predictions in other quarters that 1926 is to be a "cold year" according to the May weather survey just issued by the bureau.

Temperatures throughout Texas averaged a full degree below normal for May, the report states, with West Texas points looming large in the freakish weather column. At Big Spring on the twenty first, the mercury touched 105 degrees, while at Dalhart, in the far Panhandle, it was only three degrees above freezing on the 15th. Ballinger had a range of 52 degrees in temperature on the 21st.

McKinney, the report says, was the wettest spot in Texas for the month with 9.61 inches. Clint had 47 for the month and Corpus Christi in 24 hours had a heavy rain of 6.60 inches on May 5-6.

The wind record for the month was established at Houston with a registration of 54 miles per hour.

ELIMINATE YELLOW FEVER AT BORDER; NOW TO MOVE

(By Associated Press)

LAREDO, June 17.—Sanitary inspectors of the United States Public Health Service in charge of sanitary inspection and extermination of the stegomyia facia (yellow fever mosquito) on the Texas border, have been ordered to abolish their stations at Laredo, Brownsville and Corpus Christi on June 30 and report to headquarters for assignment elsewhere to do malaria elimination work. J. M. Billingslea, who has made his headquarters in Laredo for the past five years doing sanitary work, and W. J. Hardy, who has been here the past year, will leave Laredo after June 30, the date their duties cease here.

The fight against the yellow fever mosquito in Laredo, made by the United States Public Health inspectors in co-operation with the city sanitary inspectors, has been most effective, and at this time there is no yellow fever reported in Mexico, due to similar effective work done there. The inspection service along the Texas border is no longer needed.

When the work of extermination began five years ago in

Laredo, there were 7,500 water barrels, and 540 cisterns and wells exposed to infection by the yellow fever mosquito, and now there are only 74 water barrels and 160 cisterns, the others having been abandoned, and being either filled in or sealed.

Infection of 26.50 per cent was reported five years ago and now there is no infection to be found.

Mr. and Mrs. Asa Cordill, and two daughters and son have returned from a trip to Dallas, Ft. Worth and other points in North Texas.

Mr. and Mrs. A. F. Hubbard, of Seguin, who had been visiting in the home of Mr. and Mrs. E. M. Eubank, returned to their home Thursday.

DR. W. B. CALDWELL AT THE AGE OF 83

Women Need a Mild Laxative—Not a "Physic"

Counties: girls and women now know how foolish and needless it is to "purge" and "physic" themselves to avoid sick headache, dizziness, biliousness, sallow skin, colds, or sour, gassy stomach.

They have found that Dr. Caldwell's Syrup Pepsin helps to establish natural bowel "regularity" even for those heretofore chronically constipated. Dr. Caldwell's Syrup Pepsin not only causes a gentle, easy bowel movement but, best of all, it never gripes, sickens or upsets the most delicate girl or woman. Besides, it is absolutely harmless and so pleasant that even a

cross, feverish, bilious, sick child gladly takes it.

Buy a large 60-cent bottle at any store that sells medicine and just see for yourself.

Party for Little Friends

Little Miss Gladys Spann gave a very happy hour to a number of her young friends Saturday mother, Mrs. A. L. Spann, and when she was assisted by her sister, Mrs. Ralph Vancil, in celebrating her eighth birthday. Romping on the pretty lawn at the Spann home on Eighth Street was the happy entertainment of the afternoon with the crowning event being, as usual, the cutting of the birthday cake iced in pink, and holding eight lighted pink candles. In the late and cool afternoon hours ice cream cones were served with cake to the youngsters.

Those included in this pleasant event were: Myrtle Jean, Doris and Eleanor Gressett, Mary Ruth Moore, Camille Behringer, Mary Simpson, Nell Shepperd, Mary Lou Creasy, Eleanor Williams, Jack Brown, Powell Wear, Scott Strain, Ralph James Erwin, Irene Ludwig, Estelle and Orland Middleton, Hartman Penn, Mary and Ted Bradford, A. K., Evelyn and Ann Katherine Doss, Joe Simmons Jr., Victor Miller Jr., J. T. and Janie Anderson, Billy Jack Connelley, Kathleen and Wilmer

Wilson, Juanita Farris, Juanita Averitt, June Marie and Waldeen Esmond, Charlotte Fulcher, Mildred and Gladys Fulcher, Evelyn, Billy and Dorothy Teague, Marjorie and Dorothy Ruth Lynn, Ann Williams, Rosemary Lasater, Laura Edith Miller, Jodie Loraine and Lolita Morrison, Frances Gustavus, Allene and Frances Straley, Bettie Sue and Johnnie Barnett, and Genevieve Tunnell.

Cecil Thorp has returned from Dallas and Fort Worth, where he went on business.

Arthur Giesecke has returned from Houston, where he had been on business.

G. M. Mason has returned to Ballinger after a trip through the Plains country.

Saffron Skin from Sour Bile

South Georgian Drives Out Enormous Quantity Sour Bile with Dodson's Liver Tone

After a long period of the worst form of weakness and the terrible feeling of sickness that comes from a system loaded with sour bile, Mr. Sam Puckett says: "When I kept getting those bilious attacks reckon I took enough calomel to kill a mule. Got worse all the time. Finally I turned saffron color all over. My wife happened to read about Dodson's Liver Tone in the Weekly Constitution, so we drove to town and got a bottle. It was like magic. It drove quarts of sour bile out of me as black as ink. From that day I have felt as if I had a new liver, and whenever I begin to feel weary and bilious, with no appetite, a dose of Dodson's Liver Tone puts me to rights."

This wonderful, quick action, liver starter ought to be in every household, if for no other reason than to stop the use of dangerous calomel. Dodson's Liver Tone is pleasant to take, even for children, and never makes you sick.

Dodson's Liver Tone is personally guaranteed by every druggist who sells it. A large bottle costs but a few cents, and if it fails to give easy relief in every case of liver sluggishness and constipation, you have only to ask for your money back.
