

# THE BALLINGER LEDGER

VOLUME 55.

BALLINGER, TEXAS, THURSDAY, OCTOBER 24, 1935.

NUMBER 7.

## Red Cross Roll Call Chiefs For Communities Named

The annual Red Cross roll call is gaining momentum in Runnels county daily with more persons being appointed to assist in the drive for memberships. More than 40 community chairmen were appointed Tuesday by County Chairman Jack Nixon and Roll Call Chairman E. C. Grindstaff. These officials made a thorough canvass of the entire county and in each community designated a man or a woman to supervise the campaign.

It will be the duty of each of the community chairmen to organize the movement in his particular section and solicit memberships to the Red Cross. The funds collected will then be sent to the county chairman and division made for the national and county organizations.

Community chairmen appointed Tuesday were: Ballinger, W. O. Wallace; Winters, J. D. Coupland; Miles, Mrs. J. H. Herndon; Crews, W. T. Gassiot; Content, W. B. Williams; Harmony, W. T. Knowles; Victory, Ben Featherstone; Baldwin, Dale Buckley; Drasco, E. Sears; Pumphrey, Chester Collinsworth; Independence, C. R. Lowe; Mazeland, J. W. Dickson, Jr.; Wingate, E. J. Criswell; Poe, Ray Stark; Cochran, Spence Chambers; Mann, Mrs. Ermabelle Mason; Oak Creek, W. N. Gaddy; Marie, J. Black; Dale, Eula Mae Crews; Franklin, Alma Ryan; Kristoff, Lucille Stokes; Dry Ridge, B. N. Batts; Blanton, W. C. Bryan; Bethel, H. R. Gassiot; Olfen, W. J. Halfmann; Greenwald, H. H. Shiller; Cross Roads, Louise Wardlaw; Sweet Home, Clarence Matejovsky; Bell, C. H. Ray, Jr.; Brookshier, M. N. Turley; Maverick, Gordon Griggs; Norton, T. J. McCaughan; Barnett, D. C. Camp; Hagan, Clarence Jaeggli; Runnels, Lucy Taylor; Hatchel, R. S. Glaze; Eagle Branch, Anna Belle Hash; Spring Hill, Lynette Stokes; Millar, Belle Russell; Benoit, H. C. Funderburk; North Norton, Daisy Ruth Sebastian.

## City Statement Of September 30 Is Good Report

The financial statement of the city of Ballinger on September 30 showed a balance in all accounts of \$45,512.07. During the month one street bond was bought from the 1922 street bond sinking fund which brings the total amount of securities held by the city funds to \$32,017.69.

The reminder of the balance was shown in cash in the Farmers & Merchant State Bank of \$13,233.92 and cash in the city hall vault amounting to \$260.46.

Collections during September showed a total received in the water department of \$1,908.27. Cash disbursements from this fund for the month were \$827.59 which left a nice profit from water revenue. Collections in the sanitary department was \$169.82 and in the general fund \$252.88.

The balance in the general fund will be increased as soon as new tax collections begin. The tax rolls have been completed already and the valuation for the year will be about the same as a year ago.

The merchant who advertises wants your business.

## G. W. Wilson, 94, Honored At Birthday Party Sunday

G. W. Wilson celebrated his 94th anniversary Sunday with a big birthday party in the home of his daughter, Mrs. Joe McKenzie. His daughters, Mrs. J. A. McKenzie, of Waco; and Mrs. J. L. Evans, of Aspermont, were present for the occasion as well as his sons, M. C. and C. A. Wilson and their families, of Ballinger. A large number of grandchildren and great grandchildren were also present for the festivities.

## Special Home-Coming Services Arranged By Local Methodists

The First Methodist church at Ballinger, is closing up the year's work and Rev. and Mrs. W. H. Vanderpool will leave on November 11 for the annual meeting of the Central Texas Conference at Brownwood.

Next Sunday the local congregation will take part in an all day service at the church, which will feature an old time basket dinner at noon. An afternoon service will be held, soon after the dinner is served, which will take the place of the regular evening service.

Sunday morning, the pastor named a number of committees to assist with the service Sunday. A transportation committee composed of C. P. Shepherd, U. E. Hartman and W. B. Woody will provide rides for all persons needing a way to the church Sunday morning and will see that they are delivered home after the service in the afternoon. The ladies of the Missionary Society will attend to the registering of the membership Sunday morning and will have charge of serving the dinner.

The following Sunday, November 3, Dr. J. T. McClure of Brownwood will be here to conduct the worship service beginning at 10:30 Sunday morning. Following his message he will hold the fourth quarterly conference for the Ballinger church.

Rev. W. H. Vanderpool in speaking of the all day service scheduled for next Sunday said, "It is the desire of the pastor and officials of the church that we have a real home-coming, with every member of the Ballinger church present Sunday morning. There will be plenty of dinner for any who do not have a way to prepare a basket and everybody is welcome."

Badges will be pinned on each member Sunday, showing the number of years they have been a member of the local church.

## FINAL WHEAT PAYMENTS RECEIVED TOTAL \$542.19

County Agent Elmo V. Cook has received 13 checks amounting to \$542.91 for the final payment on wheat contracts of 1934-35. This is all but five checks due to farmers in this county who signed the wheat contracts for 1934-35. The others will possibly arrive within a few days. They were returned for minor corrections and will be ready in a short time.

Farmers having checks coming to them on the wheat contracts have been notified and Mr. Cook urges them to come after them as quickly as possible.

## BALLINGERITES ATTEND GRAND CHAPTER MEETING

Dr. and Mrs. W. B. Halley, Mrs. C. G. Jennings and Mrs. E. A. Saunders left Sunday for San Antonio to attend the grand chapter meeting of the order of Eastern Star. Miss Loyce Fowler, worthy matron of the Ballinger chapter, was unable to attend. Mrs. Jennings is associate matron of the local chapter.

Mrs. Halley will appear on the program in a group of organ selections.

## This Affection Is One-Sided

Little Patricia O'Brien of Los Angeles thinks kissing is all wet — at least the brand displayed by her pet terrier. Anyway, this seems a clear case of unrequited affection.

## Band Well Received At Junction, Menard

The Ballinger Cherry Band were special entertainers for the dedication services and cornerstone laying ceremonies at Junction High School's new gymnasium last Saturday afternoon.

The band left here Saturday morning and was met about 11 miles from Junction by a delegation from that city, which was composed of about 40 automobile loads of Junctionites. They were escorted into town and played a short concert at the large square and then enjoyed a dinner supplied by the Chamber of Commerce at one of the cafes. Following their meal they went to the new gymnasium and took part in the dedication services conducted by the Masonic Lodge.

Immediately after the ceremonies they were taken to the athletic field, where they played a short concert preceding the football game between Junction and Ozona. During the game and at half the band received a great deal of attention each time a number was played. After the game the band was treated to drinks and candy by one of Junction's business men.

On their way to Junction they stopped at Menard and promised they would play a short concert there on their return trip. Upon their arrival in Menard in the late afternoon they were greeted by a crowd of about 3,000 gathered at the square waiting for them.

After about twenty minutes of playing for this large gathering the band received another "treat" from Menard business men and left for home.

Chester Cherry, "Godfather" of the band, stated that no trouble of any kind was experienced during the day and that it was by far the biggest day the band ever had.

## Money is Posted For 2 WPA Jobs In This County

Money was posted by the United States treasury Monday for many works progress administration projects. Two Runnels county jobs and one in Coke county of interest here were included in the list.

An allotment was made for the construction of a new high school building at Miles to cost \$54,546. The Winters school district was granted \$4,545 to be used in installing lights at the football field. Both projects had been approved at Washington several weeks ago and with funds now made available work is expected to begin soon.

The other project of interest here was an allotment to Coke county for clearing right-of-way and building fences on four miles of highway from Bronte towards Ballinger. This project was submitted by Coke county authorities several months ago, representing that county's part of the work on Ballinger-Bronte state highway No. 109. The allocation of funds will speed improvement of the road to the Runnels county line.

Projects to be launched in Texas following the posting of funds Monday included practically every county in the state.

## Dan Moser Killed In Auto Accident Near Sweetwater

Dan Moser, 60, was killed in an automobile accident 17 miles south of Sweetwater Tuesday morning. News of the tragedy was received here a few hours after the accident by shocked friends.

For several weeks Mr. Moser had been working on the Jimmy Maddox ranch near Maryneal. He spent Monday in Ballinger, visiting friends and attending to business, leaving here about 3:30 Tuesday morning for Maryneal to meet his brother-in-law, Price Maddox.

His car struck a concrete culvert 17 miles south of Sweetwater on the Sweetwater-Blackwell highway, just before he reached the turn-off from the highway to Maryneal. J. S. Alexander, of Maryneal, found Mr. Moser's body pinned under the automobile some time after daylight and remained at the scene of the wreck while Charlie Scott, a passerby, returned to his home at Sweetwater and sent help. An examination revealed the decedent had a badly crushed chest and an ugly wound on his head. The examining physician asserted he had been dead several hours when found.

Mr. Moser came to Ballinger in 1901 and resided here until a few weeks ago when he went to assist Mr. Maddox in ranch work. Decedent, a well known cotton buyer, was widely known in this part of the state. Mrs. Moser died about seven years ago.

Funeral services were held at the Jennings Funeral Home Wednesday afternoon at 2:30 and interment was made in Evergreen Cemetery. Rev. Irye L. Townsend, pastor of the First Christian Church of Sweetwater, officiated.

Survivors include one sister, Mrs. Price Maddox, of Colorado; and four brothers, Ward Moser, of Colorado; Wallace Moser, of Hubbard; Perry Moser, of Waco; and Willard Moser, of San Angelo.

Funeral bearers were: E. R. Griffin, A. B. Stobaugh, M. B. Wardlaw, Owen Dorsey, Claude Stone and W. R. Clark.

Jennings Funeral Home undertakers were in charge of arrangements.

Calling Cards printed on short notice. Phone 27, we do the rest.

## Utilities Company Employees Attend Safety Meeting Here

The quarterly safety meeting for employees in district G of the West Texas Utilities Company was held in Ballinger last Friday in the company's office on Eighth Street. More than 50 attended the meeting which commenced in the afternoon, adjourned during the Santa Anna-Ballinger football game, and was concluded at night.

P. W. Campbell, of Abilene, delivered the principal address at the night session, when safety was discussed by all present. Managers, clerks and salesmen met in the afternoon, at which time the various departments were represented in service programs. G. A. Swann had charge of the program for the ice department, Joe Eubank for the appliance department, A. J. McDaniel for the

## 10 Per Cent Reserve Certificates Issued

Ten percent Reserve Certificates were received at the office of the county agent last week and distribution was started Saturday, after all farmers in the county, who had 10 percent certificates coming to them, had received notices of their arrival.

The ten percent certificates were issued only under three circumstances. If the farmer had a low yield year of 1-3 less than the 5 year base average, if cotton acreage on farm has average of less than 1-3 of the total cultivated acreage during 1930-32; if average acreage in cotton was less than 60 percent of acreage in cotton in 1929.

The certificates received amounted to 1,616,306 pounds and were issued to 2,549 different producers.

Tom Caudle, Felton Wright, Estes Lynn and W. C. Rhoden attended the Brady-Winters football game in Brady Friday night.

## Ginnings for This County Estimated at 13,000 Bales

### New Tax Exemption Certificates are Here For Cotton Growers

The county agent's office here has received replacement tax exemption certificates amounting to \$20,279 pounds of cotton. Two weeks ago replacement certificates were received amounting to approximately 840 bales and the new batch brings the total to 1,850 bales. There were 1,955 farmers who turned in books of unused 1934 tax exemption certificates for reissues of 1935 certificates. To date 1,438 farmers have received the new issue.

Runnels county's quota of 35,745 bales of tax free cotton is based on the 1935 contract. Replacement certificates will account for about 2,900 bales and an additional 3,400 bales were added by the 10 percent reserve clause which brings the total of tax free cotton for this county to date to about 41,145 bales.

In the national pool of 1934 31 percent of the exemption certificates were not sold. Most of these were reissued in 1935 certificates, swelling the amount of cotton to be ginned in this county free of the assessment of 50 percent of its value.

All farmers who have additional certificates here for delivery have been notified by card and can get the books by signing for them at the county agent's office.

County Agent Elmo V. Cook announced Wednesday that 109 checks amounting to \$3,512.36 had been received for cotton growers. This sum represents first rental payments on 1935 cotton contracts.

There are still about 60 contracts in the county upon which no payments have been received this year. Notices have been mailed to all those included in the shipment of checks this week, asking them to call at the county agent's office for them.

Subsidy application blanks have been received and are being distributed to gins and cotton buyers. Producers are asked to get these blanks and have them filled out when each bale of cotton is sold so that the difference between the selling price and the 12-cent government guarantee may be obtained later in the year.

R. P. Canady attended the Howard Payne-Austin College football game in Brownwood Friday evening.

Cotton ginnings in Runnels county to Tuesday night when the rains stopped picking were estimated to total about 13,000 bales. No precise count was tabulated but the principal gins in the county furnished reports and with estimates by experienced cotton men on the remainder the total was set at the above figure.

Guesses among local cotton men varied on the percentage of the 1935 crop already gathered. It was estimated at not less than 30 percent nor more than 35 percent of the county's production in sight at this time.

Most cotton men interviewed were of the opinion that little damage would be done by the rain, unless it should develop into a protracted wet spell. Some cotton was beaten out and left on the ground but modern gin machinery will clean it.

Ginners will have little to do until it is dry enough for picking to be resumed.

### ANALYSIS OF CITY WATER REVEALS NO CONTAMINATION

A bacteriological analysis of the water supply for the city of Ballinger was received this week from Austin and the report stated the water was entirely free of contamination.

Many housewives have been complaining recently about the "hardness" of the water. It is said to be almost impossible to get suds to stay in the water. K. V. Northington, city secretary, explains that this condition is due to "gyp" water from Coyote Creek, tributary to Elm Creek, and "hard" water springs at the watershed. The rains Tuesday night and Wednesday will probably remedy this condition to some extent, he asserted.

### MISS TANKERSLEY TO JUDGE AT MELVIN COMMUNITY FAIR

Miss Myra Tankersley, Runnels county home demonstration agent, will go to Melvin tomorrow (Friday) to judge the women's exhibits in the community fair there. She will judge club displays and individual entries in the textile, culinary and food departments.

The Melvin fair is considered one of the best community fairs in the state.

Mr. and Mrs. Paul Gibbs attended the Coleman-Bangs game in Coleman Friday night. Mr. Gibbs scouting the game for the Ballinger bearcats.

## New 1936 V-8 Ford Is Exhibited Here

The first 1936 V-8 Ford cars were shown here for the first time Saturday by the Harwell Motor Company. Many people visited the show rooms during the day to inspect the latest creation by Ford and note the changes over the 1935 model.

R. L. Harwell was pleased with the crowd Saturday and stated that he had never heard so many complimentary remarks about a new Ford showing as this year.

A new front-end treatment gives added distinction to the body lines. The hood is longer, extending gracefully over the attractive new radiator grille. With its vertical slots and more accentuated "Vee," as well as its smoothly rounded lower edge which blends with the streamlined curve of the inner portion of the fenders, the grille contributes a new note of smartness.

Fenders are streamlined, a wide inward flare giving them an imposing appearance. Louvres are of new design. Horns are now recessed in the fender aprons back of small round grilles beneath the streamlined headlamps.

The welded steel body is low and wide, with flowing rear quarter lines. Finish is a Ford-developed baked enamel. There are five body colors, Washington blue, gray vineyard green, Cordova tan, gunmetal black, of which the first two are new. De luxe body types are available in any of the five colors, with fenders matching and wheels of new design, in a harmonizing color. Cars without de luxe equipment come in black or gunmetal, with fenders matching the body color and black wheels.

Thirteen body types are available, ten with de luxe appointments and three without. These are:

De Luxe: three window coupe, five-window coupe, roadster with rumble seat, phaeton, cabriolet with rumble seat, convertible sedan, Tudor sedan, Fordor sedan, Tudor touring sedan and Fordor touring sedan.

Without deluxe equipment: five-window coupe, Tudor and Fordor sedans.

## TALPA SCHOOL NEWS

By Mary Fuller

The high school has moved into the new high school building. It is one of the nicest high schools in Coleman county. Desks from the old study hall have been moved to the new study hall. There are drinking faucets and 96 lockers in the hall which leads from the north side door to the south. There are six classrooms, a study hall, library, laboratory, superintendent's office, and gymnasium. A large stage occupies the space across the north of the gym. The gym is one of the largest in the county. We are proud of our building and shall try to keep it looking new.

Talpa football boys won their first game of the season from Content last Friday. The Talpa players were in good condition and did very good playing. The Tigers did not play but seemed not to be lucky as they never scored. Coleman Parker, Bunn Jefferies, and Emmitt Branscum gained yard after yard. The linemen held the Ows, making it possible for these backfield men to make long gains. Roy Foreman and J. P. Thompson were outstanding defensive players.

In the last part of the first quarter Ewing Fuller took Winston Brown's position as left tackle. Brown went back in the last of the second quarter as left tackle. Lowell Maxwell took Adrell Fischer's place at right tackle and Russell Bennett went in for Girvin Norris as left guard.

The starting line-up for Talpa was: Thompson, Jefferies, Parker, Branscum, King, Fischer, Norris, Grounds, Foreman, Mercer and Brown.

The final score was 27-0.

If you lost something in the math room Wednesday see James McClure. We fear that it will be too late.

Examinations are over and we heard of only one hundred. Rowena Courtney made a perfect score on advanced arithmetic.

The junior football team defeated the Content juniors Friday after-

## 1936 Ford Makes Early Debut

In this, one of the first pictures of the 1936 Ford, is evidence that, beyond longer hood, horns recessed in fender aprons and more graceful lines, the new model features no radical changes. This particular model is the five-window, V-8 coupe.

noon. The Ows two touchdowns were made by Carlton Terry. The Content crew failed to score but did fine playing. The grammar school girls organized a pep squad and yelled for the boys. Joine Herring and Willeen Bragg were leaders of about twenty-five or thirty girls.

The junior class is to have a picnic at Pecan Spring Tuesday night. The class has ordered pins and wristlets which are expected in a few days.

The seniors have ordered their rings and are anxiously awaiting their arrival.

The girls who play tennis wonder what will happen to their court next. One morning there were two deep holes dug on it. In a few days the girls went to the court to play tennis and a tall post was on the court. Mr. Mitchell has promised them a new court in the near future.

## \$20,000.00 WORTH OF TYPEWRITERS

Nearly twenty thousand dollars worth of typewriters alone have been purchased by Draughon's Business Colleges at Dallas, Wichita Falls, Abilene, and Lubbock during 1935—showing the bigness of these institutions brought about by the outstanding success of many of their graduates. Many more thousands are invested in other facilities for giving ambitious young people practical education in the shortest time and in creating a demand for their services when they are ready for positions. Clip and mail, with name and address, to nearest Draughon's College above, for Special money-saving and time-saving plan, or see this paper about a Special Scholarship. 17-11

## HOWARD PAYNE EXES TO MEET AT SAN ANGELO

The annual gathering of former students of Howard Payne College, Brownwood, will be held at the Cactus Hotel, San Angelo, on the evening of November 2. A number of the local exes will attend and Ernest Nance of this city will be on the program.

Last year 125 attended the annual meeting and indications this year point to a larger attendance. Assistant State Superintendent S. G. Boynton will be the principal speaker.

## Runnels Students File Applications For \$6 Monthly Aid

Supt. E. C. Grindstaff has filed 20 applications from Runnels county, for high school students to receive aid from the National Youth Administration. This county received a quota of 45 who would be eligible for this aid under certain conditions. The amount any one student may receive is \$6 per month and this will be paid for doing some kind of part-time work for the school which they are attending.

This employment was offered to 8,547 students in Texas on September 12. Those receiving this work must be members of families on relief rolls or members of rural settlement families. The state was allotted \$51,282 with which to pay this program.

The announcement was made in Runnels county in September but few have sought applications and the state officials are anxious to fill the state quota in order to give those eligible for student aid the full sum of cash due them. Lyndon Johnson is state director of this work and is urging all school superintendents to cooperate with him.

Students between the ages of 16 and 25, who for lack of financial assistance are unable to attend school, should make application directly to the principal of their school, Johnson said. The principal then submits to the county superintendent a project application in affidavit form asking for his quota of jobs, together with students' applications properly executed. Applications should then be forwarded to the National Youth Administration, Littlefield Building, Austin, Texas.

## MELVIN'S LARGEST STORE IS DESTROYED BY FIRE

The Noyes Company store at Melvin was destroyed by fire Monday night with an estimated loss of \$40,000. The store, the largest in Melvin, conducted a general mercantile business.

A call for help was sent to the Brady fire department and trucks were dispatched to the scene but arrived too late to be of assistance, the building having burned to the ground.

The Noyes Company was established in 1909 by Gus Noyes, deceased husband of Mrs. Lula Noyes, of Orlando, Florida. C. H. Westbrook, manager of the store, was out of town and the cause of the fire has not been determined.

R. G. Erwin, of Ballinger, was notified of the fire by telephone Tuesday morning. The information received by him was that the building and contents were entirely destroyed.

## DON'T GET UP NIGHTS

**This 25c Bladder Laxative Free**  
If it fails to flush out impurities and excess acids which cause the irregularity that wakes you up. Get Buchu, juniper oil, etc., in little green tablets called Bukets, the bladder laxative. Works on the bladder similar to castor oil on the bowels. Poorly acting bladder can cause scanty flow, frequent desire, burning or backache. In four days if not pleased any drugist will refund your 25c. City Drug Store.

Mr. and Mrs. Horace Sessions of Austin spent the week-end here visiting with relatives and attending the Zappa-Trail wedding.

Harry Lynn and James Skinner went to San Angelo Monday morning to serve as jurors in federal court this week.

## Health Committee To Meet October 29

A meeting of the Runnels County Public Health Nursing committee has been called to meet at the city hall in Ballinger on Tuesday, October 29 at 2:30 p. m. Mrs. George Stephens, county health nurse, stated that the meeting was very important and that every member was urged to attend and help with plans for the work program.

This week Mrs. Stephens will continue her work in the schools of the county. She has completed a number of schools already and has made hundreds of health inspections this year.

Mrs. Stephens spent last week in Waco attending the state meeting of public health nurses. Following this meeting she attended a meeting of county and city health officers, sanitary engineers, milk, food, and drug inspectors and others interested in the public health movement.

# THE NEW FORD V-8 FOR 1936

Why do we say The New Ford V-8 for 1936?

What is new about it?

Of course, the newest engine in the low-price car field is still the V-8 engine. Since Ford made it available to all car users (keeping it as economical as cars with fewer cylinders) the Ford V-8 has been the newest engine on the market, and remains the newest for 1936.

You may buy a car on minor "talking points"—some specially advertised feature "with the car thrown in"—but, after all, it is the engine you buy when you buy a car. Hence we put the engine first.

Other new points about the car make a long list.

Its lines are much more beautiful. The hood is longer and sweeps forward over the distinctive new radiator grille, giving the car a length and grace that are instantly impressive. The fenders are larger, with a wide flare. Horns are concealed behind circular grilles beneath the headlamps. New steel wheels.

Ford upholstery—always of sterling quality and excellent taste—is rich and enduring. The appointments of the car have a new touch of refinement. There

is no question about the increased beauty of the Ford V-8 for 1936.

In more practical matters, many improvements have been made—Steering is made easier by a new steering gear ratio. The cooling system circulates 5 1/2 gallons of water through a new, larger radiator. Natural thermosiphon action is assisted by two centrifugal water pumps. New style hood louvres permit a rapid air-flow around the engine.

Easier, quieter shifting of Ford gears—The gear shift lever now travels a shorter distance.

The two qualities you want in brakes—Brakes that stop the car with ease and certainty. Ford Super-Safety Brakes of the long-tested, fool-proof, mechanical design.

Safety—as always—in the electrically welded genuine steel body. Safety Glass all around at no extra cost. Hundreds have written grateful letters because this glass has protected the safety of their families.

A car you can drive without strain all day, if you like, in city or country. Steady, holds the road, responds to the

driver's touch like a well-trained horse. You don't have to "push" or "fight" the Ford V-8—driver and car easily get on terms of good understanding with each other.

An engine has much to do with the roominess of a car. Very much indeed. A long engine uses up car space. The compact V-8 engine permits much of the ordinary engine space to be used by passengers.

It really is a great car in every way. This 1936 Ford V-8—the finest, safest, most dependable Ford car ever built. Now on display by Ford dealers.

## LOW FORD V-8 PRICES

## HARMONY HERALDS

Rev. Wallace Stark, of Abilene, preached at the Baptist church Saturday night. Bro. Cole preached at both services Sunday.

Grandpa Pumphrey, of Winters, is visiting in the home of his son, R. L. Pumphrey.

Mr. and Mrs. J. W. Seals, Mrs. Lee Seals, Mrs. W. T. Billups and Bro. F. R. Cole called in the home of Mrs. T. H. Hill, of Ballinger, Sunday afternoon.

Mr. and Mrs. Lute Petrie, of Tuscola, were dinner guests of Mr. and Mrs. H. M. Burleson Sunday.

Mrs. Oren Mathis, Mrs. F. L. Seals, Laverne Seals and Mrs. E. A. Meadows visited Mrs. T. H. Hill, of Ballinger, Monday.

Mr. and Mrs. E. D. Hawkins and daughters, Jewel and Doris Gene, of Victory, attended church here Sunday night.

Mrs. W. J. Worthington, of Winters, visited her daughter, Mrs. Bob Green, Saturday night, and Joe Worthington Sunday.

Miss Esther Dickens, of Hardin-Simmons University, visited in the community over the week-end.

Mr. and Mrs. Hughlen Yeager and children were guests of Mr. and Mrs. W. J. Wood, of Cochran, Sunday.

Mrs. Oren Mathis is suffering with an infected hand.

Little Joe Hale Stubblefield had the misfortune to get a painful cut on his forehead Sunday afternoon. He was rushed to Ballinger for medical treatment.

Mr. and Mrs. W. T. Billups and H. C. Eubank were attending to business in Ballinger Wednesday.

## BETHEL BEAMS

Everyone is overjoyed to see the cooler weather we are having.

Conference was held at the Baptist church Friday night.

Misses Lois, Maurine and Johnnie Faye Batts were dinner guests of Misses Elsie Gilkerson and Iola Clayton Sunday.

Lillian Mae McShan spent Sunday night with her cousin, Naomi Marland, of near Ballinger.

Mr. and Mrs. Earl Conley and sons, Mr. and Mrs. J. O. Nunley and sons, and Earl Yancey, of Concho, Misses Mary, Corene and Juanis Nunley, and Morris and Bobby Nunley and Hugh Tankersley, of Bethel, took basket lunch to the park Sunday for a picnic. The day was enjoyed by both old

and young.

Mr. and Mrs. J. M. Nunley, of Bethel, and Mr. and Mrs. J. S. Greenhill, Jr., and daughter, of Concho, will go to Fort Worth and Dallas Thursday morning to visit relatives. Mr. and Mrs. G. W. Johnson, of Fort Worth, who have been visiting relatives here, will return home with them.

Frank Overman, of Rockdale, is visiting in the home of his aunt, Mrs. J. M. Nunley.

Quite a number of people from our community attended the show, "Curley Top," Sunday afternoon, at Ballinger.

Mr. and Mrs. J. M. Nunley, Mr. and Mrs. J. S. Greenhill, Jr., and daughter, and Mr. and Mrs. G. W. Johnson, of Fort Worth, visited relatives at Bronte over the week-end.

Rev. J. W. Leggett, of Paint Rock, preached Sunday morning and night with a large crowd attending both services. This was Rev. Leggett's last sermon here for this conference year.

Mr. and Mrs. George Crockett and small son, David, and Mr. and Mrs. Rupert Crockett, of Los Angeles, California, visited with relatives here and at Norton and Winters the past week.

Mr. and Mrs. John Bigby and family had as their guests Sunday Rev. and Mrs. J. W. Leggett and family, Tom Crockett and family, Mr. and Mrs. Hedrick Shelburne, Mr. and Mrs. Claude Simmons, Mrs. W. A. Hall and daughter, Miss Mary Emma, and Vernon Webb. A very pleasant visit was enjoyed. Mr. and Mrs. Bigby and family are now happily located in their new modern home, which has been completed recently.

Mrs. Winans and daughter, Vera Mae, and Mr. and Mrs. Tom Moreland and family, of Ballinger, visited in the home of Mr. and Mrs. Mead McShan Sunday.

Members of the school board met Wednesday night of last week and made plans for the purchase of a new cook stove for the home economics room, new seats for the auditorium, and improvements at the teacherage. All of these things are badly needed.

T. A. Crockett made a business trip to Levelland the first of last week.

The continued rain this week has delayed cotton picking but will be fine on fall grain.

Mrs. D. E. Sims and Miss Emma Kanter, of Paint Rock, called on friends here Friday afternoon.

## Club Meets

The Bethel home demonstration club met Thursday afternoon, October 17, with Mrs. Adam Hennecke. Tufted bedspreads and crocheted purses were discussed. Some are making plans to enter their bedspreads in the San Angelo show in November.

Achievement Day will be observed at the next regular meeting, November 7, by going on a tour and visiting the demonstration of the club meeting with Mrs. Robert Wood, first year yard demonstrator. Then the club will go to Miss Annie Shelburne's, bed room demonstrator; Mrs. Claude Simmons', yard cooper; and finally to the home of Mrs. W. A. Hall, third year yard demonstrator. Short stops will be made at each of the above named homes.

Each club member is urged to be present to make the tour. Anyone who is not a club member is also invited to go along.

Mrs. Hennecke served sandwiches and punch to those attending the meeting last Thursday.

Patronize our advertisers.

## BENOIT BEATS

Mr. and Mrs. O. C. Cox and Addie Ruth and Mr. and Mrs. J. L. Green attended an entertainment at the Methodist church at Talpa Friday night.

Mr. and Mrs. A. J. Pullin and family attended church at Ballinger Sunday morning.

Mr. and Mrs. Bryan Clayton had as their guests Sunday, Mr. and Mrs. E. T. Branham and Evelyn, of Ballinger, and Mr. and Mrs. C. M. Gibson.

Mr. and Mrs. Edgar Martin recently moved into their new home. We are glad to welcome them to our community.

Miss Leota Odum, of Ballinger, spent Thursday night with Miss Laura Bee Gibson.

Mr. and Mrs. Roy Clack and family spent Sunday with Mr. and Mrs. H. C. Woods, of Blanton.

Mr. and Mrs. Arch Brookshier and Lurline spent Sunday with Mr. and Mrs. A. N. Hoffman.

Mr. and Mrs. Milton Gibson were San Angelo visitors Saturday afternoon.

We are glad to report that Miss Clara Werner, who recently underwent a tonsil operation, is doing nicely. We wish her a speedy recovery.

Mrs. O. C. Cox spent Monday with Mrs. W. T. Hill.

Mr. and Mrs. Joe Hoffman and family spent Sunday with Mr. and Mrs. Cless Howell, of Ballinger.

Mr. and Mrs. Frank Hoffman and family were guests of Mr. and Mrs. Greenwood Sunday.

**FORMER BALLINGER WOMAN IS BURIED AT GATESVILLE**

Funeral services were held at Gatesville Sunday afternoon for

Mrs. Jap N. Adams, former Ballinger citizen. Mr. and Mrs. Adams resided in Ballinger for 20 years but left here about ten years ago and made home at Gatesville and Hamilton ever since.

The Adamses are pioneers of the Hamilton section, having moved there in 1875. While in Ballinger Mr. Adams was employed by the Higginbotham store most of the time.

Survivors include the husband and four children: Jap Adams, Jr., Cross Plains; Tull V. Adams and Mrs. A. L. Weiser, Houston; and Mrs. Clarence A. Morton, Gatesville.

## STUDENT BAKERS START WELL

BUDAPEST, Oct. 23.—Hard up, a group of students recently started a bakery in Budapest, and the opening of their shop was made a gala occasion by professors and undergraduates who gathered in carnival costumes. Samples of the first bread baked were presented to the governor. A sympathetic Budapest merchant advanced the funds to start the shop. The baker students expect to not only supply cheap bread for students' dining rooms, but to also distribute loaves among the poor.

## Cannery Will Open Soon if Possible To Obtain Produce

Mrs. Hulda Mullins, supervisor of the Runnels county relief cannery, announced today (Thursday) that present plans were to open the cannery for runs by November 1. However, she stated that it would not be possible to start the work at that time unless enough products were booked to occupy the operators' time for at least a month.

It was requested that those having products they intend to have canned this fall and winter inform Mrs. Mullins how much they have and when they will be ready to turn the products over to her. In this way if a sufficient amount of vegetables and meats are booked ahead of time the cannery can open on time. After operating a month it is hoped that enough work will be booked to operate at least until the first of the year, it was stated.

Citizens of Columbia, Tenn., call their city "the mule capital of the world" because of the great number of mules bred in the surrounding countryside and sold there.

## Rains Cover West Texas As First Cold Wave Hits

### City Ordinance Gives Protection To Business Here

A new city ordinance which became effective this week gives protection to established business institutions against "fly-by-night" individuals and concerns who come to town for a few boom months and then move on without paying taxes or helping the town in any way.

Many West Texas cities have passed a similar ordinance within recent months and since transients are barred from these, local city officials believed Ballinger business men needed protection more than ever.

The ordinance requires that any person or firm leasing property to conduct a business must pay the city \$200 for a license to operate, make a bond of \$1,000 with a good surety company and one individual in the city, and to pay the city monthly \$10 as a deposit for taxes.

If the concern remains in Ballinger as long as a year and renders its property and merchandise for taxes the entire amount of the license and fees will be refunded.

Any violation of this ordinance will be deemed a misdemeanor and a fine assessed not to exceed \$200 each day such person or firm does business.

Towns in this section have experienced much trouble with used car dealers who lease a lot and move in a stock of second-hand machines which they offer for sale a few months during the busy season. Other types of business move into a community which has prospects for a good crop, operate during the fall while the harvest is underway, then pack up and move on before their merchandise is assessed for taxes.

City officials think Ballinger merchants are entitled to protection from this competition and the ordinance was passed for this reason.

So-called "peddlers" and house-to-house solicitors are not affected by the new ordinance.

To Thursday morning Ballinger had received a total of two inches of rain and the slow drizzle was continuing. A light "norther" struck here late Tuesday and rain began during the night, continuing Wednesday and Thursday. The mercury went to a low of 40 degrees Wednesday night.

Following unusually warm temperatures the sudden change was the signal for putting stoves to work and overcoats were in evidence on the streets Wednesday and Thursday.

Following is the rain report compiled Thursday morning by the district office of the Southwestern States Telephone Company here:

- Abilene, good rain
- Ballinger 2.00
- Benoit 1.50
- Bethel 1.50
- Blackwell 1.50
- Bradshaw, good rain
- Brady, good rain
- Bronte, shower
- Brownwood, big rain
- Coleman 2.25
- Concho 1.00
- Content 1.00
- Crows 2.50
- Eden, shower
- Eola 1.50
- Hatchel 1.50
- Leaday 2.50
- Maverick 2.00
- Menard 1.00
- Miles 2.00
- Millersview 1.50
- Norton 1.50
- Often 1.00
- Ovalo 1.00
- Paint Rock, good rain
- Pony 1.00
- Rowena 1.25
- San Angelo, good rain
- Santa Anna, good rain
- Talpa 1.50
- Wimeth 1.50
- Wingate 1.12
- Winters, good rain.

In the pasteurization of milk, many dairies employ electric machines that automatically keep the milk at 143 degrees Fahrenheit for 30 minutes.

World rubber shipments in the last year amounted to 1,010,000 tons, exceeding all previous years.

the First Christian Church.

Mrs. Westbrook had been a resident of Runnels county for 32 years. She would have been 85 years of age tomorrow, October 25. Survivors include the husband; three daughters, Mrs. C. S. Holcomb, Spafford; Mrs. Percy Willis, Waco; and Miss Florence Westbrook, Ballinger; four sons, Thos. W. Westbrook, Chinook, Montana; and R. L. D. and B. Westbrook, all of Clearmont, Wyoming; and one sister, Mrs. J. R. Foster, Fort Worth, who is the only living child of a family of 19 children, 8 grandchildren, and 7 great grandchildren.

Interment will be made in Evergreen Cemetery.

King-Holt Funeral Home undertakers are in charge of arrangements.

## DEATHS

Mrs. B. B. Westbrook  
Funeral services will be held tomorrow (Friday) at 10 a. m. at the King-Holt Funeral Home for Mrs. B. B. Westbrook, 84, who died at 12:15 o'clock this (Thursday) morning.

Decedent had been in poor health for several months. She was a member of the Christian Church but had not been active for some time. Rev. E. W. McLaurin, pastor of the First Presbyterian Church, will officiate at the rites, assisted by Rev. Wallace Jones, pastor of

**Citation by Publication**  
 THE STATE OF TEXAS  
 To the Sheriff or any Constable of  
 Runnels County—Greeting:  
 You are hereby commanded to  
 summon Frank F. Weber by  
 making publication of this Citation  
 once in each week for four con-  
 secutive weeks previous to the  
 return day hereof, in some news-  
 paper published in your County, if  
 there be a newspaper published  
 therein, but if not, then in the  
 nearest County where a newspaper  
 is published, to appear at the next  
 regular term of the District Court  
 of Runnels County, to be holden  
 at the Court House thereof, in  
 Ballinger, Texas, on the second  
 Monday in November, A. D. 1935,  
 the same being the 11th day of  
 November, A. D. 1935, then and  
 there to answer a petition filed  
 in said Court on the 2nd day of  
 October, A. D. 1935, in a suit,  
 numbered on the docket of said  
 Court No. 4143, wherein T. P.  
 Childers is Plaintiff, and Frank F.  
 Weber is Defendant, and a brief  
 statement of plaintiff's cause of  
 action, being as follows:

Suit by plaintiff T. P. Childers  
 against defendant Frank F. Weber,  
 in which plaintiff alleges that  
 defendant is a non-resident of the  
 State of Texas, for the sum of  
 \$6,436.46, principal, interest, and  
 attorney's fees, alleged to be due  
 upon four certain promissory ven-  
 dor's lien notes, being notes Nos.  
 2, 3, 4, and 5, all dated September  
 6th, 1933, each note for the prin-  
 cipal sum of \$1,000.00, all payable  
 to plaintiff at the office of Security  
 State Bank, Wingate, Texas, all  
 bearing interest at the rate of six  
 per cent. per annum from date  
 until maturity and thereafter at  
 the rate of ten per cent. per  
 annum on all past due interest, all  
 notes providing for waiver of  
 grace, protest, notice and present-  
 ment for payment, all notes pro-  
 viding that they are given to  
 evidence the unpaid purchase price  
 due by defendant to plaintiff for  
 14.47 acres of land out of Lot 47-3  
 of the West Addition to Sharyland,  
 in Hidalgo County, Texas, con-  
 veyed to defendant by plaintiff, all  
 notes providing that each of such  
 notes with interest and attorney's  
 fees which may accrue thereon  
 are secured by a vendor's lien  
 expressly reserved and retained  
 upon said lands and premises, all  
 notes further reciting that they  
 are secured by a deed of trust on  
 the land above described, all notes  
 providing that in the event of the  
 failure of defendant, who signed  
 said notes, to pay same when due  
 or in case of default in payment  
 of any one of said notes or any  
 interest thereon the owner and  
 holder might at his option declare  
 the same due and payable without  
 notice, and said notes further  
 providing for the usual attorney's  
 fee clause of Ten per cent of amount  
 of principal and interest if the  
 notes were not paid when due and  
 were placed in the hands of an  
 attorney for collection. Notes Nos.  
 2, 3, 4, and 5, due, respectively, on  
 or before September 6th, 1935,  
 1936, 1937, and 1938. That plain-  
 tiff has declared all of said notes  
 due because of failure of defendant  
 to pay note No. 2 when same was  
 due. Plaintiff further alleges  
 that on or about the 23rd day  
 of November, A. D. 1933, defendant  
 made, executed, and delivered to  
 plaintiff a certain deed of trust  
 whereby said defendant granted,  
 sold and conveyed to one Duncan  
 Hensley, the following described  
 land:

The north fourteen and 47-100  
 (14.47) acres of the South 25.42  
 acres of Lot 47-3 of the West Addi-  
 tion to Sharyland in Hidalgo  
 County, Texas, being a resubdivi-  
 sion of porciones 53, 54, 55, 56 and  
 57, according to map or plat  
 thereof on file and of record in  
 the office of the County Clerk of  
 Hidalgo County, Texas, for the  
 purpose of securing payment of  
 the notes above described and sued  
 on herein. That such deed of  
 trust created a valid and subsisting  
 lien on said land and all amounts  
 due on same, which lien is still  
 valid and subsisting for such pur-  
 pose. Plaintiff prays for judgment  
 against said defendant in the sum  
 of \$6,436.46, interest, attorney's  
 fees and costs, for foreclosure of such  
 deed of trust and the lien created  
 thereby, and for an order of sale  
 and for general relief.

Herein fall not but have before  
 said Court, at its next regular term,  
 this writ with your return thereon,  
 showing how you have executed  
 the same.

Given under my hand and seal  
 of said Court, at office in Ballinger,  
 Texas, on the 2nd day of  
 October, A. D. 1935.  
 (Seal)

JOHN B. RAYBURN, Clerk,  
 District Court, Runnels County,  
 Texas. 3-10-17-24

**Citation by Publication**  
 THE STATE OF TEXAS,  
 To the Sheriff or any Constable of  
 Runnels County, Greeting:  
 You are hereby commanded to  
 summon Robert Lee Jonas, who is  
 a non resident of this state by  
 making publication of this Citation  
 once in each week for four consecu-  
 tive weeks previous to the return  
 day hereof, in some newspaper  
 published in your County, if there  
 be a newspaper published therein,  
 but if not, then in the nearest

county where a newspaper is pub-  
 lished, to appear at the next  
 regular term of the District Court  
 of Runnels County, Texas, to be  
 holden at the Court House thereof,  
 in Ballinger, Texas, on the Second  
 Monday in November, A. D. 1935,  
 the same being the eleventh day  
 of November, A. D. 1935, then and  
 there to answer a petition filed  
 in said Court on the 19th day of  
 September, A. D. 1935, in a suit  
 numbered on the docket of said  
 Court No. 4139, wherein Wilma  
 Jonas is Plaintiff, and Robert Lee  
 Jonas is Defendant, and said peti-  
 tion alleging that plaintiff is a  
 resident of Runnels County, Texas,  
 and that the defendant resides in  
 the State of New Mexico, and that  
 plaintiff has been a bona fide  
 inhabitant of the State of Texas  
 for twelve months, and has resided  
 continuously in the said county  
 of Runnels for at least six months  
 next to and prior to and at the  
 time of filing of this suit, that on  
 or about March 3rd, 1928, plaintiff,  
 then a single woman by the name  
 of Wilma Straley was legally and  
 lawfully married to defendant in  
 Coleman, Texas, that during said  
 marriage relation one child, a  
 girl by the name of Mayme Sue  
 Jonas, was born, now six years of  
 age, that plaintiff continued to  
 live with defendant as his wife  
 until on or about December 31st,  
 1934, when by reason of the  
 excesses, cruel treatment, outrage-  
 ous and improper conduct of  
 defendant towards plaintiff, plain-  
 tiff permanently abandoned the  
 defendant, since which time they  
 have not lived or cohabited together,  
 nor has the plaintiff received sup-  
 port from him. That the plaintiff  
 was kind and affectionate toward  
 the defendant at all times while  
 living together as husband and  
 wife, and at all times treated him  
 with kindness and attention and  
 performed all of the household  
 duties of her said husband and  
 cared for his every want and need  
 and that plaintiff has been guilty  
 of no act or omission on her part  
 causing such ill treatment on part  
 of defendant towards her, alleging  
 that without cause or provocation  
 defendant has been guilty of  
 excesses, cruel treatment, outrages  
 and improper conduct of such a  
 nature towards plaintiff as to  
 render their further living together  
 insupportable as husband and wife,  
 and alleging that there are no  
 property rights to be administered,  
 alleging that plaintiff is the  
 proper person to have the care and  
 custody of their said child, and  
 that the court should adjudicate  
 the said child, praying for divorce  
 for the care and custody of the  
 said child, Mayme Sue Jonas.  
 Plaintiff's petition is on file in this  
 cause, to which petition reference is  
 here made for more complete  
 detail of said cause of action.

Herein fall not, but have before  
 said Court, at its aforesaid next  
 regular term, this writ with your  
 return thereon, showing how you  
 have executed the same.

Witness, John B. Rayburn, Clerk  
 of the District Court of Runnels  
 County, Texas.  
 Given under my Hand and the  
 Seal of said Court, at office, in  
 Ballinger, Texas, this first day  
 of October, A. D. 1935.  
 (Seal)

JOHN B. RAYBURN, Clerk,  
 District Court, Runnels County,  
 Texas. 3-10-17-24

**Notice of Execution Sale**  
 THE STATE OF TEXAS,  
 County of Runnels:

By virtue of an alias execution  
 issued out of the District Court of  
 Johnson County, Texas, on a  
 judgment rendered in said court  
 on the 20th day of June, 1931, in  
 favor of T. B. Crutcher, and  
 against J. J. Hinkle and L. M.  
 Hinkle et al, No. 14147, on the  
 docket of said court, I did on the  
 10th day of October, A. D. 1935, at  
 11 o'clock a. m., levy upon the  
 following interests in and to the  
 following described tracts and  
 parcels of land situated in the  
 County of Runnels, State of Texas,  
 as the property of the defendants,  
 L. M. Hinkle and J. J. Hinkle,  
 to-wit:

All those certain undivided  
 interests inherited by said L. M.  
 Hinkle and J. J. Hinkle and each  
 of them from M. E. Hinkle, now  
 deceased, and L. A. Hinkle, now  
 deceased, in and to the following  
 described tract or parcel of land,  
 to-wit, situated in Runnels County,  
 Texas, to-wit:

The southwest quarter and the  
 south half of the northwest quar-  
 ter of Section 81, Certificate No. 61,  
 C. T. & R. R. Company Survey,  
 and beginning at the southwest  
 corner of this survey, the same  
 being the southeast corner of a  
 tract conveyed to C. T. Skidmore;  
 thence east, 950 varas, the south-  
 east corner of this tract; thence  
 north 1,425 varas; thence west 950  
 varas to the west line of the  
 survey and the east line of the  
 Skidmore tract; thence south,  
 1,425 varas to the place of begin-  
 ning, containing 240 acres more  
 or less, located about four miles  
 southeast of Wingate, Runnels  
 County, Texas, and known and  
 called the Hinkle farm;  
 and on the 5th day of November,  
 A. D. 1935, being the First Tuesday  
 of said month, between the hours  
 of 10 o'clock, a. m. and 4 o'clock  
 p. m., on said day at the court-  
 house door of said county, I will  
 offer for sale and sell at public  
 auction for cash, all the right,  
 title and interest of the said L. M.  
 Hinkle and J. J. Hinkle so inherited  
 by them and each of them from  
 each said M. E. Hinkle, deceased,  
 and L. A. Hinkle, deceased.

Dated at Ballinger, Texas, this  
 10th day of October, A. D. 1935.  
 W. A. HOLT,  
 Sheriff, Runnels County, Texas.  
 10-17-24

**Warsaw Physician  
 Has Plan to Inject  
 Alcohol into Veins**

WARSAW, Poland, Oct. 23.—  
 Injection of pure alcohol into a  
 vein so that it goes directly to the  
 heart or lung instead of being  
 stopped and filtered out by the  
 ever-watchful liver is a new treat-  
 ment for lung abscesses and similar  
 conditions proposed by Dr. Ana-  
 stase Landau, of Warsaw, and  
 which has been approved by many  
 European physicians.

Doctors always have known that  
 alcohol is an excellent germ killer,  
 especially for the kind of germs  
 which sometimes linger after an  
 attack of pneumonia and cause  
 more or less severe lung abscesses.  
 The trouble has been to get the  
 alcohol to the tissues where the  
 germs are lurking. It obviously is  
 impossible to pour it into lungs  
 themselves, and if the needed dose  
 of alcohol is swallowed in the  
 form of things like beer, wine or  
 spirits most of the alcohol is  
 extracted from the blood immedi-  
 ately by the liver.

Blood coming from the digestive  
 system goes through the liver  
 before it joins the general circula-  
 tion or can reach such parts of  
 the body as the lungs. By acting  
 in this way as a filter for poisons,  
 such as alcohol absorbed from the  
 stomach or other digestive organs,  
 the liver often damages itself  
 severely, but it usually does suc-  
 ceed in keeping most of the  
 alcohol from getting anywhere  
 else.

Several years ago a surgeon of  
 Mexico City, Dr. M. G. Marin,  
 experimented with alcohol in-  
 jected directly into the veins to  
 act as an anaesthetic. Following  
 up this method, Dr. Landau finds  
 that such injections often cause  
 prompt cures of lung abscesses  
 which had resisted every other  
 kind of treatment. Encouraging  
 results also have been obtained  
 with several other germ infections.

**BALLOONISTS LAND IN TREE**  
 DALLINGTON, England, Oct. 23.—  
 Three Belgian balloonists who  
 had drifted all the way from  
 Brussels passed an exciting night  
 in a wood near Dallington. Their  
 craft became entangled in the  
 branches of the trees, and they  
 had a lucky escape from injury.  
 After climbing down from the bal-  
 loon, the occupants tramped to  
 this village and informed their  
 friends by telephone of their plight.  
 Then they went back to the bal-  
 loon and spent the rest of the  
 night guarding it.

**Where War Rages in East Africa**

In the African war theater, shown in map above, where Ethiopians are defending their homeland from invading Italians. It has been reported that the Italians are seeking to cut off munitions shipments and aid from bordering nations. Note that two sections of the Italian army are headed for Dire-dawa, important junction of the railway that is Addis Ababa's only outlet to the sea. The main forces of the Italians are massed near the Eritrea and Italian Somaliland borders; the Ethiopians in the mountain fastnesses between Addis Ababa and the front. Below are pictured an entrenched Italian soldier, and a typical Ethiopian soldier.

**AFRICAN STEEL WORKS  
 GOES OVER ESTIMATES**

PRETORIA, Union of South Africa, Oct. 23.—After costing 27,500,000 the Union of South Africa's new steel works may require further improvements which will require \$4,500,000, and the government may ask parliament to appropriate this amount. The government is maintaining a discreet silence, but it is known the directorate is working on such a plan.

The reason given for the need of the additional expenditure is the anticipated increase in the demand for heavy types of steel products, and it is suggested that a heavy rolling mill should be

**PARTY TO EXPLORE CANYON**

CHIHUAHUA, Chio., Oct. 23.—To explore a canyon discovered several months ago and reported to be 6,500 feet deep, 15 miles wide and over 100 miles long, an expedition has arrived in the state of Chihuahua.

**RAILING OUR FLAG TO THE MASTHEAD**  
 —In the largest single self-contained motor car factory in the world, thousands of veteran Buick workmen have focused for two years on perfecting four new series of phenomenal automobiles, and now they offer these to the public in full confidence that they dramatically verify the traditional Buick pledge: "When better automobiles are built, Buick will build them!"

**County Teachers' Group Reorganizes And Hears Program**

The first meeting of the Runnels County Teachers' association was held in Ballinger Saturday morning at the high school auditorium to organize for the current school year. O. L. Conger, superintendent at Norton, was named president of the organization and Supt. H. C. Lyon of Ballinger was made director general of the Interscholastic league in this county.

E. D. Stringer, retiring president, was in charge of the program, which he had arranged. Visiting speakers were Dr. R. N. Richardson, vice-president of Hardin-Simmons University at Abilene; Dr. R. A. Collins, head of the department of education at Hardin-Simmons, and Mrs. Irene Trapp from Danial Baker College at Brownwood.

There were 175 teachers from the county present at the meeting and all became members of the organization. They will hold regular meetings during the year, with a general session and sectional meetings at each conference.

Other association officers elected Saturday were Gen. Stowe, Ballinger; J. I. Warren, Miles, and Clarence Jaeggli, Haran, vice-presidents; Miss Gladys Ishman, Norton, secretary; J. H. McCroskey, Miles, chairman of high school section; Jack McKay, Ballinger, chairman of intermediate section, and Miss Eunice Lilly, Norton, chairman of the primary section.

The complete list of officers for the interscholastic league were: Supt. Lyon, director general; director of athletics, F. T. Wright, Ballinger; director of debate, J. I. Warren, Miles; director of declamation, J. H. McCroskey, Miles; director of extemporaneous speaking, O. L. Conger, Norton; director of ready writing, Miss Irene Brown, Winters; director of rural schools, E. C. Grindstaff, Ballinger; director of music memory, Miss Louise Stephens, Wingate; director of music memory, Mrs. C. C. Robinson, Dry Ridge; director of spelling, Miss Maggie Herring, Ballinger.

The county meet will be held in Ballinger this year, sometime in March. The exact date will be set for the various events when the county executive committee is in session for their winter meeting.

Rev. J. H. McClain will go to Brownwood tomorrow (Friday) to attend the semi-annual meeting of the board of trustees of Howard Payne College.

We meet prices.—Freeman's 8-11

**EDEN DENTIST ACQUITTED ON DRUG SALE CHARGE**

Dr. B. Henry Eden dentist, was acquitted in federal district court at San Angelo Monday on a charge of selling narcotics and the secret service agent who obtained the evidence was criticised for the methods employed in securing the information on which the indictment was based.

The case, the first called Monday morning, was heard by Judge William H. Atwell. According to the evidence presented at the non-jury trial, federal agents represented to Dr. Henry that they were sick, could not get morphine in San Angelo and doubted if they could drive to Austin without it.

**AUCTION LEADS IN CLUBS**

LONDON, Oct. 23.—Contract bridge has not displaced auction in leading men's clubs of London. One man who belongs to several exclusive, but not reactionary, organizations, said that if he could not play auction he could not play at all for the members still prefer the older game.

**Do You Ever Wonder**  
 Whether the "Pain" Remedy You Use is SAFE?  
 Ask Your Doctor and Find Out

Don't Entrust Your Own or Your Family's Well-Being to Unknown Preparations

THE person to ask whether the preparation you use for your family is taking for the relief of headaches is SAFE, is your family doctor. Ask him particularly about Genuine BAYER ASPHRIN. He will tell you that before the discovery of Bayer Aspirin, most "pain" remedies were advised against by physicians as bad for the stomach and, often, for the heart. Which is food for thought if you seek quick, safe relief.

Scientists rate Bayer Aspirin among the latest methods yet discovered for the relief of headaches and the pains of rheumatism, neuritis and neuralgia. And the experience of millions of users has proved it safe for the average person to use regularly. In your own interest remember this:

You can get Genuine Bayer Aspirin at any drug store—simply by asking for it by its full name, BAYER ASPHRIN. Make it a point to do this—and see that you get what you want.

## Miss Frances Trail and Hubert Zappe Are Married

Miss Frances Elizabeth Trail became the bride of Hubert J. Zappe Saturday morning, October 19, at eight-thirty o'clock. The service was solemnized at St. Mary's Catholic Church with the Rev. Father H. M. Janvier, local pastor, being assisted by the Rev. Father Francis L. Ledwig of San Angelo. Only relatives and a few very close friends witnessed the double ring ceremony.

Mrs. Sim Cottle was at the organ for the nuptial music, using the "Wedding March" from Wagner's "Lohengrin" as the processional and Mendelssohn's March as recessional. She also played the accompaniment for Mrs. Alex McGregor, who gave "I Love You Truly," by Carrie Jacobs Bond, as a vocal solo. Preceding the service the Rev. Father Ledwig gave instructions. During the nuptial mass, which followed the wedding rites, Rev. Father Janvier was assisted by Simeon Cottle, Jr., as acolyte. Hymns sung by Mrs. Albert Afflerbach of Winters, sister of the bridegroom, Miss Adda Ward and Mrs. Hilmer Wagner of Rowena, were "O, Jesu Mi," "Mary, Star of the Sea," and "Jesus, My Lord, My God."

O. O. Zappe, of Pampa, only brother of the groom, best man, and Mrs. Neil McAlpine, matron of honor, followed the bridal couple to the altar, which was banked with pink and white roses and queen's wreath with fern and lighted with twelve white cathedral tapers. Pink roses in tall floor baskets decorated side altars and the sanctuary while queen's wreath and ferns were used at the communion rail on either side of the center aisle.

The bride wore a plum colored suit of alpaca crepe with gold trim. The coat was finger-tip length with full length lapels and deep cuffs gold-stitched. Her hat of plum color had as only trimming a velvet bow of the same color. She wore a shower corsage of white swansonia and carried a white satin prayer book from which fell long white satin markers with swansonia on the showers.

Mrs. McAlpine wore a brown crepe suit with a standing collar of pleated taffeta. Her corsage was also of swansonia.

Chester Afflerbach served as usher.

Following a short honeymoon trip Mr. and Mrs. Zappe will be at home on Broadway.

Mrs. Zappe is the daughter of Mrs. R. T. Trail and is a graduate of the Ballinger high school and of Hardin-Simmons University.

Mr. Zappe is the elder son of Mrs. A. J. Zappe and has lived his whole life here. Since his father's death in 1918, he has taken over the management of his mother's affairs, consisting of real estate and local property. He is a former district deputy of the sixteenth district, Knights of Columbus.

Out-of-town guests for the wedding were: Mr. and Mrs. J. W. McGill, of Austin; James Kemp, of Austin; James Trail, the bride's brother, of College Station; Mr. and Mrs. Craig Chumley, of Menard; Mrs. D. P. Wilbanks, of Paint Rock; Mr. and Mrs. J. M. Patton, of Paint Rock; and Mr. and Mrs. A. L. Afflerbach, of Winters.

**Mrs. Payette Entertains Club**  
Mrs. Ralph Payette was hostess to her bridge club last Friday afternoon in her home on Tenth Street.

The Halloween colors and symbols were given elaborate emphasis. Yellow cosmos and rosebuds decked rooms where game accessories were in Halloween design as were prize wrappings and Denison covers used at the tea hour. The plate contained apricot salad, spook sandwiches and hot spiced tea.

Prizes for high and second high scores went to Mrs. Edward Sommer and Mrs. Henry Doss in games with Mmes. Herbert Peeples, Rothal O'Kelly, Cleo Smith, Sam Dunlap, W. D. Hooper and W. A. Green.

## Many a Friend Recommends BLACK-DRAUGHT

People who have taken Black-Draught naturally are enthusiastic about it because of the refreshing relief it has brought them. No wonder they urge others to try it. . . . Mrs. Joe G. Roberts, of Fortsville, Ala., writes: "A friend recommended Black-Draught to me a long time ago, and it has proved its worth to me. Black-Draught is good for constipation. I find that taking Black-Draught prevents the bilious headaches which I used to have." . . . A purely vegetable medicine for the relief of

CONSTIPATION, BILIOUSNESS

## Miss Jacob is Hostess

On Monday evening Miss Maola Jacob entertained two tables of friends in her home on Ninth Street.

The Halloween season was suggested in all party details. Marigolds and cosmos gave floral color to rooms where Mrs. Rothal O'Kelly received high score award and Miss Lucy Scarborough low.

Ice cream was served with cake with marigold favors to Mrs. O'Kelly, Mrs. Everett Jacob, Misses Scarborough, Lucy Deen Harber, Merna Sue Clark and Annie Davis.

## Dessert Luncheon Given by Mrs. Holman

Pink was the color note chosen by Mrs. George Holman last Thursday when Dessert Luncheon Club members and substitutes for absentees were her guests.

Lovely fall roses, all in pink, decorated the living room suite where pink lilies denoted places at contract tables. Pink tinted stuffed angel food was served with rosebud plate favors.

Mrs. Holman was assisted by Miss Virginia Holman.

Included were: Mmes. Joe Simmons, Victor Miller, Bruce Cressy, Ralph Erwin, Malcolm McGregor, Frank Pearce, Estes Lynn, Alex McGregor, K. W. Gregg, R. L. Harwell and Miss Winnie Trail.

## Bachelor Girls in Atkins Home

Miss Oriffie Atkins complimented the newly reorganized Bachelor Girls contract club on Tuesday evening in her home on Broadway.

Yellow cosmos, marigolds, chrysanthemums and dahlias were given vantage placings about the rooms where places were found at three tables by means of pumpkin tapers with names written backward. The dining room table was laid in lace and centered with a black pot of yellow chrysanthemums on a reflector. Orange

candles in black holders were used effectively to give supplementary light to the center fixtures which had been covered in black crepe paper.

In the unique plan of games a skeleton ash tray went to the player holding no face cards the greatest number of times.

At the tea hour a salad course with tea was served by the hostess assisted by Mrs. Jack Nixon Jr., and Miss Ellouise Walker.

Other guests were: Misses Fay Clark, Geneva Carr, Jeffie Bell, Vernie Downing, Lucile Williamson, Elizabeth Parker, Louise Batts, Eugenia Baskin, Maggie Herring, Vhelma Parrish, Margaret New and Maurine Tipton.

## Mrs. Watson is Honor Guest

Mrs. M. H. Watson, of Lufkin, was guest of honor at an informal afternoon affair given by Mrs. C. W. Cheatham last Thursday afternoon in her home on Eighth Street.

Mrs. Watson received a gift of lingerie from the hostess. Cake and coffee was served to the following: Mmes. Watson, J. N. Ogbourne of Abilene, Homer Carney, W. B. Woody, Leslie Baker, Jack Nixon, Jr., Ernest Nance, Ross Murehison, George Kirk, Loyd Herring, Alex McGregor, Misses Adda Ward and Maggie Herring.

## Three Are Hostesses

Mmes. J. E. Hays, G. A. Swann and W. A. Green were hostesses to a group of friends of Mrs. Lawrence Grier Tuesday afternoon, entertaining in the pretty home of Mrs. Green in Wilke Terrace.

Varied fall blooms were used to give floral adornment to rooms where guests assembled for an afternoon of informal entertainment. Halloween was suggested in the plate of pumpkin pie and coffee served at the tea hour.

A shower of gifts was presented Mrs. Grier.

Guests were: Mmes. Grier, Fred Holiday, Edward Sommer, Guy Middleton, Willard Wooden, B. C. Kirk, Cleo Smith, Henry Doss, Corrie Simmons, L. W. Browning, Gerald Bolton, Etta Bolton of Dallas, W. C. McCarver, J. G. Tuckey, Felton Wright, O. C. Sykes, J. W. Moore, John Potter, Turner Dickinson, Lee Sykes, Jack

## Beach At-tire

A deft hand and an old inner tube are all that are necessary to make a fashionable bathing suit for the winter season. The two young ladies shown above made their suits from one inner tube. The raw material is shown in the foreground. Now they're ready for a swim, at Miami, Fla.

Hampton, Robert Lowery, W. E. Branch, T. H. Crockett, E. F. Cox, P. J. Harris, and Miss Edna Mae Lowery.

Tires on easy payments at Freeman's. 8-1f

**Card of Thanks**  
We desire to thank our many friends who were so kind and thoughtful of us during the recent illness and at the death of our mother, Mrs. Sarah Tunnell. The deeds of kindness and beautiful flowers were a real comfort to us in this sorrow.

The Tunnell Children 24-1f

Miss Earlene Cox returned Tuesday from a week-end visit with Mr. and Mrs. T. F. Goodson, of Brownwood.

## Local Men Attend Boy Scout Parley

H. W. Lynn, Joe Baxter and O. L. Parish attended the Boy Scout conference at San Angelo Monday night. Committeemen from over the entire Concho valley council were present to discuss coming events for Scouts in this area.

No definite date was set for the annual meeting but those present were of the opinion it should be held at San Angelo in January and it was voted to invite Gov. James V. Allred to be the banquet speaker.

Plans are being made for the Scout fair which will be held at San Angelo on November 2. All troops in this area will participate in the events and will enter tents, bird houses, knot boards and airplanes in the contests.

A number of training courses will be started this fall and winter to train adult leaders in scouting. Troops over the council are very active this year with activities increasing since the opening of schools.

Those interested in youth work for ages from 17 to 24 will be called to a meeting at San Angelo soon to launch this new type of work. The work will take in those who are just being promoted from the Scout ranks on account of age.

## PHARMACY WEEK WINDOW AT PEACE DRUG STORE IS INTERESTING EXHIBIT

This week is National Pharmacy Week and in observing this occasion Peace Drug Company has an interesting display of drugs in one of its show windows. The window was dressed by H. B. Johnson, pharmacist at the store.

The window contains over 100 crude drugs, many of which are used daily in compounding prescriptions. The drugs in their crude state come from all parts of the world and are refined and made ready for use by American chemical companies. However, many of the drugs used in everyday prescriptions are used in their crude form, Mr. Johnson explained.

## County Fair Shows Profit After All Premiums Are Paid

The 1936 Runnels County fair operated at a profit. This was revealed Monday by J. D. Motley, secretary-manager of the fair association, after he had paid all operating expenses, leases, insurance and premiums. Every exhibitor who won a ribbon this year has been mailed a check for the cash premium.

Mr. Motley is salvaging some lumber and other materials at Fair Park this week and will be ready within a few days to make a complete financial statement to the executive board. A sale has been found for all material left over from the rodeo arena, dance platform and booths and this part of the work will be closed as soon as the materials can be delivered and collections made.

All inflammable material and decorations are being removed from the buildings and they will be locked up until another fair.

This year much work was done in repairing the buildings and all the fair association's property is in much better condition than prior to the fair. A large crew of men were used for two weeks making these needed improvements. Mr. Motley estimated that approximately \$500 was used in the improvement and repair program.

In case anyone has an unpaid bill against the organization, they are requested to file same at once with the secretary.

## MAVERICK CHURCH WILL HOLD PIE SUPPER FRIDAY

The Methodist church at Maverick will stage a pie supper Friday evening, October 23. The entertainment will be held at the church and everybody is invited to attend, take part in the supper and the short program which will follow. All money raised from the sale of pies will be applied on the conference collections.

## OLD FASHIONED BAPTIST PASTOR HAS BUSY DAY

Sunday was another busy day for Pastor-Evangelist Gilbert W. Wilson and the Old Fashioned Baptist Church of Ballinger. The pastor, with Ray Hash, took two cars to Winters early Sunday morning to furnish conveyance for the new converts who were eager to tell over radio station KGKL how the Lord saved them in the Winters revival.

Attendance, the Bible school, and every phase of the church was unusually good Sunday—proving that the best way to help the situation at home is to carry out our Lord's command to preach the gospel in Jerusalem, Judea, Samaria and unto the uttermost parts of the earth.

The Winters revival will continue indefinitely, but the pastor is always with his congregation in Ballinger Sunday mornings. Recently he has taken charge of the young people's Bible class and hopes to soon have the largest attendance in the Bible school. There were thirty-one young people in this class Sunday morning.

The gospel truck made the trip to Winters Sunday night, carrying a large crowd of workers to the revival service.

Tune in on radio station KGKL each Sunday morning 8:45 to 9:15 to hear the program by this group.

**Inspection Tour  
Made by Content  
Class at Abilene**

Making small bales out of large bales of cotton is no mystery to the vocational agriculture class of the Content High School. In an inspection tour of the major industrial institutions of Abilene Tuesday, October 15, the class visited the cotton compress and observed the machines and operations necessary to reduce the size of an ordinary bale of cotton by two-thirds. Cotton thus pressed, it was learned, is as hard as wood.

After a visit to the compress, the students made a thorough trip through the press rooms and news rooms of the Abilene Reporter. They saw how news from all over the world is gathered, set into type and printed into a complete newspaper.

The city power plant and the ice plant were also visited by the students. Special attention was given the huge generators and machinery necessary to provide power and ice to the city of Abilene. Other places visited were the Wooten Hotel and Draughon's Business College.

Members of the class who made the trip were Robbie Lou Foreman, Helen Hutchens, Zuma Brown, Mildred Frierson, Grace Ray, Pauline Jones, Gertrude Pierce, Mozelle Pumphrey, Dorothy Dean, Wilson Boynton, Alfred Ray, Minnie Mathis, Roy Lafoon, Leroy Coats, J. D. Hudson, Jack Shelton, Thurman England, Buford Goode and Garland Baines.

The group was accompanied by the vocational agriculture instructor, W. F. Muller, and Harold Burleson, the bus driver.

**MISSION STUDY HELD  
BY PRESBYTERIAN GROUP**

Missions in Alaska and India were studied when the Woman's Auxiliary met at the Eighth Street Presbyterian Church Monday afternoon. Mrs. U. S. Daniels was the leader.

Mrs. R. M. McMillan discussed missionary work in India. A dialogue, "A Missionary Doctor in India," was presented by Miss Lillian McMillan and Mrs. McMillan. Mrs. W. H. F. Moore gave an interesting description of "Kinnard College" in India. Mrs. Gene Crawford read letters from missionaries in Alaska.

Missionaries in the two lands were remembered in a prayer led by Mrs. W. A. Taylor.

A social hour followed the study with Miss Ada Allen, Mrs. E. V. Bateman, Mrs. Holloway and Mrs. Sam Malone as hostesses.

**Rotary Club Hears  
Talk by Minister  
On Future of Youth**

The Ballinger Rotary Club enjoyed a program Tuesday on the "new youth" movement which has been incorporated in the club's annual activities. Rev. W. H. Vanderpool talked on this movement and the part adults are playing in making opportunities for young people.

Rev. Vanderpool asked numerous questions regarding the attitude of adults towards youngsters. He said he did not believe young people were any different today from those of previous generations and that they were doing what the examples of older people led them to do.

The speaker urged examples for boys and girls in government, in schools, on the streets, in the church, and most of all in the home. He favored more planned entertainment and said he hoped for sufficient interest in youth that would guard it against every act that might tear down character.

Sam Behringer is chairman of the youth committee and the club is working on a program to aid local young men and women.

Mr. and Mrs. Elzie Cox spent Sunday in Brownwood, visiting relatives.

Miss Samantha McElroy and her house guests, Mrs. C. A. Howard, of Bronson, and Miss Winnie Howard, of Beaumont, left Tuesday for a visit to the Carlsbad Caverns.

Oscar Zappe has returned to his home at Pampa after a week's visit with his mother, Mrs. A. J. Zappe.

Dr. and Mrs. W. B. Halley left Monday morning for San Antonio where they will attend the grand chapter meeting of the Eastern Star.

Dr. Chas. F. Bailey left Tuesday afternoon for Brady to attend the Heart of Texas medical society meeting. Dr. Bailey is president of the association and presided at the sessions held in Brady.

**HAS YOUR ADDRESS CHANGED RECENTLY?**

Ledger subscribers are requested to notify the publisher of any change in their addresses promptly. Under the new postal laws newspapers and periodicals must pay postage due for notices of any change in addresses furnished by the postoffice. Besides, there always is the probability that your paper will be delayed or fail to reach you altogether if you do not give immediate notification when you move. The best plan for all concerned is send the change of address in advance.

The San Antonio office of the WPA issued orders the past week for 190 men to start work in this district on projects. Counties receiving work orders on jobs were San Saba, Concho, McCulloch, Coleman and Kimble. Runnels county has many approved projects but to date has no work started. The federal works authorities allotted \$38,579.32 to the projects in this district and state officials expect more work to be started as soon as funds are available from Washington.

A large number of farmers in Runnels county started gathering their first 1933 cotton this week. The crop is approximately 45 days late this year and no signs have had rushes so far this season. Cotton men state that many fields are now providing good picking and with the young army of Mexicans here, ginning should increase rapidly for the next two weeks. Little business improvement has been realized from the cotton crop so far. The first bales sold, went to take care of production loans and floating notes owed by the farmers. After these are taken care of the producers will begin to spend their part of the profits and business will improve. The price of seed is helping this year and is taking care of the picking, ginning and leaving a small amount for the farmer.

The Ballinger band did a good turn for the town Saturday when they went to Junction to assist in the program there. Their music was a feature during the entire day and at the football game in the afternoon. Junction people were loud in their praise of the visit by the Ballinger musicians. Returning home the band was stopped at Menard for a concert and greeted by a great throng of people. The boys were already popular in Menard because of their recent visit there to play for the opening of the new football stadium. Such friendly visits are good for a town, and the people of the Hill country will feel friendlier to this town because the band has accommodated them on these occasions.

**ON TEXAS FARMS**  
 By Minnie Fisher Cunningham  
 Extension Service Editor

Using well developed wood six or eight inches long, Louise Lowe, 4-H club girl of Glen Paxon in Rusk county has rooted 30 rose cuttings for her yard improvement demonstration. She put them out about a year ago. Planting close together in a small space made the cuttings easy to care for.

Louise Lann, 4-H club girl of Jarrell, in Williamson county, planted 11,998 feet to 21 varieties of vegetables in her work as garden demonstrator. She estimates the value of the produce used fresh and canned for home use to be \$127.32. The expense of the garden was \$11.21.

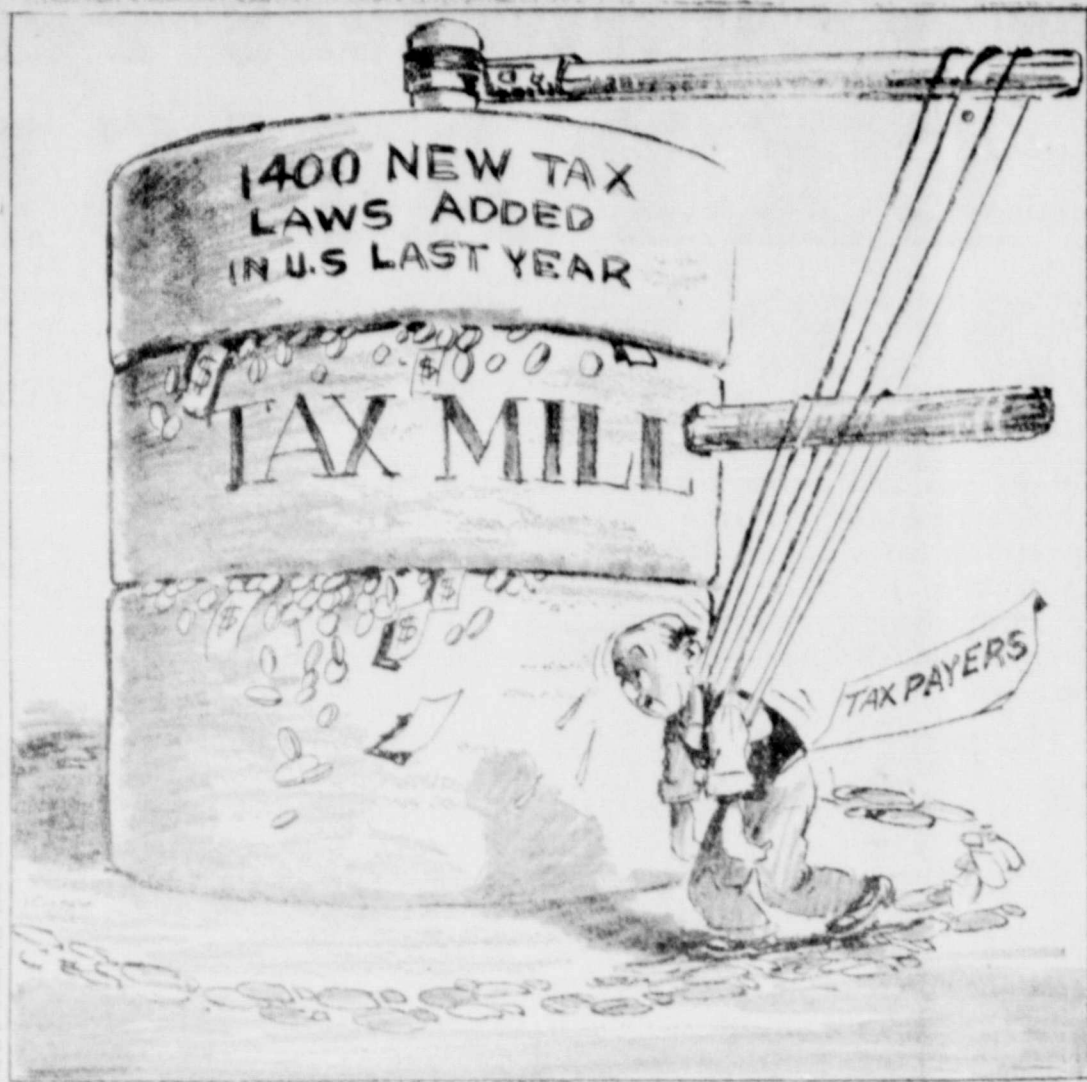

F. J. Smith, 4-H club boy of Stonewall county, bought 2 Hereford calves in May weighing 190 and 205 pounds. The calves now weigh 430 and 465 pounds. They were not started on feed until the latter part of August.

Sixty bushels of yellow dent corn is the harvest from one acre of land worked by George Huffman, 4-H club boy of Brannon community in Hopkins county. In the same field his father's harvest ran about 15 bushels less per acre. Young Huffman attributes his success to methods of cultivation.

**WEST TEXAS NEWS NOTES**

The first WPA project in Kimble county scheduled to begin last Wednesday did not begin and was postponed for 30 days due to the fact that relief labor was not available. The wage scale is so low it seems that relief workers are able to get better jobs.

A three day rodeo is slated for November 9, 10, and 11 at Bronte, according to reports from there this week. Hearn park is being put into condition and everything promise to be in tip-top shape by the date announced for the opening. Performers from all over the southwest are expected to compete for the large prizes offered.

Pecos county's newest industry, salt production, completed its first year recently, with a total output for the period of one million pounds. It was announced last week. The entire output has found a ready market from local ranchmen and much more could have been marketed if production facilities had been ample. The salt is flowed from the underground deposits through regular well casing, the solution then being placed in vats for evaporation of the moisture. Improvements are being planned for the coming year, it was asserted.

The mayor and city commissioners of Coleman went to Austin last week to appear before the Centennial Committee of Control to try to get the final allocation of money for construction of a replica of Camp Colorado at Coleman municipal park. Coleman has already received promise of money to finance a centennial structure at the park.

The Brownwood Police Department is checking and testing a new radio broadcast system for use in that department. The system will be put into use immediately upon receiving an okay by authorities. Police headquarters are being remodeled to make room for the broadcasting apparatus.

This addition to the department brings it up to the standard set by police divisions in much larger cities.

Many thousand fish have been placed in the Llano river during the past week or two. Two shipments of fish were received at Mason from the State Fish Hatchery near Kerrville, which were released at various points along the Llano river. The shipments consisted mostly of bass, bream, crappie, and a few catfish.

This week-end will be a big one for Melvin and the surrounding community. A community exhibit will be held October 25 and 26 with many attractions planned. One of the main features will be the two-day rodeo, which will include all the regular rodeo events and a horse show, the latter being sponsored by the ladies interested in the show.

Students of Hunt Hall, McMurry College, Abilene, have formed plans to erect a bronze tablet in memory of Buford Brian, who died July 22, son of Mr. and Mrs. Walter Brian of Winters. The one to be honored was All-Conference center at McMurry in 1934. The tablet will be placed just to the east of the main entrance to Hunt Hall and above it will be hung a picture of the former football star.

More than 150 members of the Trail Blazers Association of Eastland county met at Rising Star last week for the annual reunion of the group. The meeting was presided over by George W. Plummer, 91, president of the association. A big barbecue dinner was the feature of the meeting.

The city council of Menard recently passed an order that suit would be brought against all persons owing delinquent city taxes for 1933 and prior years, subject to certain provisions. The collection of delinquent taxes last week reached a total of more than \$3,000.

**CANYON**—I strained my fruit juices through milk filter pads and strainer to obtain clear jelly. Mrs. J. E. Park, cooper of the Park Home Demonstration Club of Randall county, stated recently. Mrs. Park explained that this method makes clearer jelly and is much faster than when jelly bags are used.

**DICKENS**—Mrs. T. D. Hale, yard demonstrator in the Prairie Chapel Home Demonstration Club of Dickens county, believes in grassed front yards.

We have solid turf in our front yard," she said, "and it doesn't seem possible since we only put out the grass the latter part of March." She kept putting soil over the runners or setting runners in the bare or thin places until the yard was completely covered. Bermuda grass was used. "The grass has made the house much cooler this summer and it has kept sand and dust out," Mrs. Hale commented, "but best of all, the grass has made the yard an ideal place for the grandchildren to play."

**KINGSVILLE**—If the seeds of the native evergreen shrub, mountain laurel, are planted soon after maturity, but before they have time to become hard and dry, they will sprout more quickly.

That is the opinion of Mrs. A. Folts, yard cooper of the Suburb Home Demonstration Club of Kleberg county. "The seeds should be soaked a few days in water and then planted in tin buckets. When they come up as young sprouts, they can be taken care of through the summer and easily transplanted at the end of the year," Mrs. Folts said.

She explained that transplanting this shrub from the woods is often disappointing because small plants are hard to find and the root systems of the older plants are very limited.

100. The deadline for payment will be soon. With a single exception, all projects submitted by the city of Brady to the WPA have received approval of both the Brownwood and San Antonio offices. Final approval now awaits the raising of the required share of the funds by the sponsors of each project and the submission of plans and specifications. A new incinerator, 96 blocks of paving, flood control and flood repair projects make up the approved list. Today (Thursday) and tomorrow are being celebrated in Robert Lee with a big rodeo. Steer bulldogging, wild bronc riding, wild cow milking and other regular rodeo features will provide entertainment for the two days. Liberal prizes will be offered in the various divisions. A charter was officially presented to the Miles Lions Club last week when a large crowd attended the special dinner program. The principal speaker for the occasion was Congressman Charles L. South, Coleman H. V. Stokes of Sonora, district governor, made the presentation. Featured on the program was the San Angelo Lions club Cowboy Band, which is the official Lions International band. A stunt night, bringing before the audience the best talent to be found in Sutton county, is being planned by the Lions Club and the P-T-A, as a benefit production to secure funds for hot lunches for underprivileged school children. Tentative date set for the

**HIGHWAY MAINTENANCE CREWS IN AREA REDUCED**  
 Max Wilson, maintenance superintendent for the state highway department for Runnels, Tom Green and Coke counties, is reducing his force this week for the first time since the heavy rains several weeks ago.

Mr. Wilson stated Tuesday that a check-up revealed only 17 men employed whereas he had been listing 83. Large crews were hired to repair roads damaged by high water, open drain lines by the side of grades, and do blading and grading. Practically all highways under Mr. Wilson's care are in good condition and nothing but routine work is being done.

## Dick Powell and Joan Blondell Starred in 'Broadway Gondolier'

"Broadway Gondolier," Warner Bros. sensational new musical-comedy, which reunites the popular stars of "Gold Diggers of 1933," Dick Powell and Joan Blondell, is to be shown at the Palace Theatre Sunday and Monday next.

The picture, heralded as one of the most humorous as well as romantic productions of the year, is based on a story by Sig Herzig, E. V. Harburg and Hans Kraly. In the all star cast besides Dick Powell and Joan Blondell, are Adolph Menjou, Louise Fazenda, William Gargan, George Barbier and Grant Mitchell.

The story concerns the romance of a New York taxicab driver, who aspires to be a singer, and the secretary of a big broadcasting concern, who falls in love with him and arranges an audition.

A series of mix-ups prevents his appearance, and his teacher, a former singer and impoverished Italian aristocrat, sings for him. But his voice has gone sour and the taxi driver loses out. It is not until he gets to Venice that he makes good, first as a singing gondolier, and later in opera. He returns to New York and success in one of the most unusual climaxes imaginable.

Powell, in the role of the singing gondolier, renders several songs in the production. Miss Blondell, as the secretary to the radio magnate, sings a comedy song in the picture.

Adolphe Menjou has the role of Dick's teacher, and the actor said to be the best dressed man on the screen appears in the worst clothes he has ever worn.

Louise Fazenda has a strong comedy role and Grant Mitchell is the radio manager.

There are many novelty features in the picture. One is a complete broadcasting station in which Powell, Blondell and Menjou sing. The Four Mills Brothers also do their act and Ted Fio Rito and his famous orchestra play.

The Canova Family also appear at the radio station.

The music and lyrics for the six original songs in the picture were written by Al Dubin and Harry Warren.

Among the prominent players in the cast are Hobart Cavanaugh, Joseph Sauer, Rafael Storm, Bob Murphy and James Burke.

Dick Powell

### Laughter and Drama Combined in Warner Hit, "Don't Bet on Blondes"

Laughter and drama, combined with a real love story, characterize the new Warner Bros. comedy, "Don't Bet on Blondes," which will be the feature production at the Palace Theatre Tuesday and Wednesday, October 29-30.

Warren William, for the first time cast in a light comedy role, and Guy Kibbee, have the principal parts. They are supported by a big cast of film favorites which includes Claire Dodd, William Gargan, Vince Barnett and Hobart Cavanaugh.

"Don't Bet on Blondes" is the story of a big time gambler, Warren William, who discovers that the insurance business not only offers all the thrills of his old profession, but is entirely respectable. So he opens a miniature "Lloyd's," and undertakes to write insurance on or against anything presented to him.

One of his customers is Guy Kibbee, portraying a lovable, but worthless only scamp who is supported by his daughter, Claire Dodd. Guy insures her against marriage for \$50,000, and William, to protect his investment, adopts racketeer methods to scare off her suitors.

How he failed to frighten one of them away, and how he was compelled to pay \$50,000 to his father-in-law, form but a few of the many strange and laughable situations

## Texas Sportsmen Planning Annual Football Classic

R. N. ("Bud") Price, Jr., manager of the Bluebonnet Bowl, Dallas, spent most of Wednesday in Ballinger, visiting football fans and local coaches.

Mr. Price and other football fans of the state are planning to stage annual games in the Bluebonnet Bowl which will attract the interest of the entire nation. "There is no occasion for Texas people to have to visit the Rose Bowl in Pasadena to see the foremost teams of the nation in contest," Mr. Price asserted. He pointed out that the Southwestern conference is furnishing some of the best elevens in the United States and a game arranged with the conference champion, or the best team in Texas, against some outstanding team in the East or South would attract interest all over the country.

Those interested in the arrangement for a contest of this nature believe December 25 would be the proper date this year, and hereafter on the Saturday after Christmas.

Local gridiron enthusiasts interviewed pledged themselves to purchase tickets and attend in case a game is arranged this year.

Mrs. C. A. Howard of Bronson and her daughter, Miss Winnie Howard of Beaumont, are here for a visit with Mr. and Mrs. R. E. George and other relatives.

Mrs. W. C. Rhoden and daughter returned from Merkel Sunday after a ten days' visit with relatives.

Louis Baca of Miles was transacting business in Ballinger Saturday and called at the Ledger office to renew his paper for another year.

J. T. Preston of Pearsall spent the week-end here visiting in the home of Dr. and Mrs. A. S. Love.

which feature the plot of the story. Claire Dodd, heretofore a screen menace, is said to reveal new and delightful talents in a sympathetic "good woman" role. Others in the cast are Mary Treen, Herman Bing, Spencer Charters, Clay Clement, Errol Flynn, Maude Eburne, Walter Byron, Jack Norton and Eddie Shubert.

## A Ploughman Plods His Busy Way

A pair of sturdy horses patiently tug through a field the plow held by their master--this country's pastoral spectacle takes on a symbolic quality in the annual plowing, snapped at Middlesex, Eng., during countryside plowing matches.

## Referendum Will Determine Future Swine Production

College Station, Oct. 24.—A considerable increase in pork production over that of 1934-35 is desirable during the next three years but nothing in the present outlook for domestic pork markets warrants an uncontrolled expansion, according to E. M. Regenbrecht, chairman of the State Corn-Hog Review Board.

"With the opening of another hog marketing season the trend which the hog industry shall take within the next few years is now squarely up to the farmers themselves," he said.

In the nation-wide referendum to be held Saturday, Oct. 25, farmers will be called upon to decide whether they want controlled or uncontrolled production.

Regenbrecht pointed out that while Texas is not a major corn

and hog producing state, yet Texas corn and hog producers no doubt will have considerable interest in the coming referendum. A total of approximately 36,000 corn-hog contracts were signed by Texas farmers in 1935 which brought into the State about \$3,750,000 on corn-hog payments, in addition to other benefits in form of stabilized production and improved prices.

Feed supplies, livestock numbers and the market outlook are now such that the next three years may see a greater increase in hog production than has ever taken place in any similar period in the country's history, according to recognized economists.

"Some increase from the present low level of production is desirable, but there is a real danger that the expansion will become excessive if the producers revert back to an uncontrolled method of production," Regenbrecht commented.

He explained that ten such production cycles occurring since 1890 have created periodic gluts and

shortages and that these excessive swings in production have been harmful to both consumer and producer.

### Zoar Church Get-Together Postponed to Later Date

Because of inclement weather the all-day get-together at O. D. H. S. Hall, Rowena, announced for Saturday elsewhere in this paper, has been postponed until a later date. The women of Zoar Evangelical Church are sponsoring the affair.

Mr. and Mrs. Webb Casey and little daughter, of Abilene, were guests of Mr. and Mrs. O. C. Harber Sunday.

...but, after all is said and done, it's the cigarette itself that counts

... the question is, does it suit you?

Now, when it comes to a cigarette that will suit you... you want to think whether it's mild, you want to think about the taste

That Chesterfields are milder and taste better is no accident...

The farmer who grows the tobacco, the warehouseman who sells it at auction to the highest bidder, every man who knows about leaf tobacco will tell you that it takes mild, ripe tobaccos to make a good cigarette.

In making Chesterfields we use mild ripe home-grown and Turkish tobaccos.

Outstanding  
.. for mildness  
.. for better taste

## Highway Contract For Concho County Is Let This Week

The state highway department let two contracts for work on highway No. 9 this week. One contract will complete the road from Eden to the McCulloch county line and the other is for work south of Brady to the San Saba River.

Both contracts are for caliche base with triple asphalt surfacing and will complete these sections of the state road. The job in Concho county is under the supervision of the state resident highway engineer's office in Ballinger. Right-of-way was secured and cleared and grading and drainage structures were finished on the 8 miles last spring and the grade is sufficiently settled now for top-ping, which will start in a few days. The contract for the Concho county job went to the H. E. Zachry Company for a bid of \$91,388.

Fair progress was being made on the Winters precinct section of highway 4 until rains this week halted the work. The Winters job is the only one in this immediate vicinity under construction at this time.

### Notice of Application to Lease Number 1963

Guardianship of Marguerite Allen and Scharline Allen, both Minors.

In the County Court of Runnels County, Texas.

To All Persons Interested in the above Minors or Their Estate:

You are notified that I have on this the 24th day of October, 1935, filed with the Judge of the County Court of Runnels County, Texas, an application for authority to make to SUN OIL COMPANY, as Lessee, an Oil, Gas and Mineral Lease on that certain land belonging to said Minors described as an undivided 1-5th interest in and to the following described land in Willacy County, Texas:

Lots Four (4) and Five (5), in Block Thirty-one (31), out of the Harding-Lindahl Subdivision, located in Willacy County, Texas, more fully described by deed dated May 7th, 1926, from C. J. Evans et al to W. G. Allen, recorded in Volume 4, Pages 603-604 of the Deed Records of Willacy County, Texas, to which reference is here made for a more particular description of said land.

And also, in addition to the above described land, any and all other land owned or claimed by said Minors in said survey or surveys in which the above described land is situated or in adjoining surveys, and adjoining the above described land, and that such application will be heard in the County Court room in the Court house of such County at 10 o'clock a. m. on the 4th day of November, 1935.

Witness my hand this the 24th day of October, A. D. 1935.

TENNIE ALLEN,  
Guardian of the Estate of Marguerite Allen and Scharline Allen, both Minors. 24-1

### JUNIOR FOOTBALL GAME POSTPONED TO MONDAY

The football game scheduled for tomorrow (Friday) afternoon at 4 o'clock between the Ballinger junior high school team and the Paint Rock juniors has been postponed until Monday afternoon on account of the weather. The football field is very soggy and would not be suitable for a game this week.

Mrs. Mamie Howlett, of Memphis, Tennessee, is visiting in the homes of Mr. and Mrs. Sam Behringer and Mr. and Mrs. Hutton Laxson.

## Sleeping Sickness Epidemic Menaces Content Livestock

An outbreak of "sleeping sickness" among horses and mules in the Content community of this county is causing considerable alarm. Several horses were stricken last week and community meetings were called at once to consider plans for curbing the epidemic.

A mass meeting held at the Content school auditorium Monday evening was attended by many farmers of the vicinity. C. V. Robertson, Coleman county agent, was the principal speaker. Mr. Robertson has had much experience in dealing with sleeping sickness and is very well informed on the subject. Elmo V. Cook, Runnels county agent, also spoke during the evening.

J. M. Williams, vocational agriculture teacher in the Winters high school, has been assisting farmers in that section this week and asks anyone with animals showing symptoms of the disease to report to him at once. Mr. Williams made the following statement regarding the symptoms and treatment:

"Encephalomyelitis, commonly called sleeping sickness, is an infectious disease of horses and mules which is carried from one animal to another by flies or mosquitoes. It is believed that the disease is not spread through direct contact with affected animals. Due to the peculiar symptoms of this ailment, causing the horse to appear sleepy, it has come to be called 'sleeping sickness.' First, the affected animal will begin to walk about with the head down. He will continue to walk but after some time will walk in a circle. Having lost control of his senses the animal will run into any object that happens to be in the way. A portion of the body becomes paralyzed, causing the horse to circle toward the side thus affected. The loss of muscle control will cause the bottom lip to drop or sag and yawning may begin. In a short time the animal will drop from fatigue and is usually unable to rise hereafter. Once the disease reaches this stage, it becomes highly fatal unless correct treatment is given immediately.

"It is much easier to cure the animal in the early stages. Anti-sleeping sickness serum, 100 c. c., given intravenously, will usually suffice without any further treatment if injected at the first signs of the malady. However, if it gets into the later stages the time and money spent on the animal may be more than it is worth. All feed must be given by hand or through blood transfusions. Body wastes must be removed by use of soapy water enemas and the bladder emptied with a rubber tube. If impossible to give water by mouth it may be put into the back bowels through enemas. Horses must always be placed in a sling if treatment is delayed until the animal is down. A congestion of the lungs may result and the horse die of pneumonia if the sling is not used.

"No doubt you realize the necessity of treatment in the early stages of sleeping sickness. One hundred c. c. of the serum will cost approximately \$3 and will usually bring about recovery, whereas \$6 in serum may be used in the later stage plus constant care for a week or ten days and still recovery is very uncertain. "Horses and mules may be vaccinated to prevent the disease but the time of protective immunity is somewhat uncertain. The serum is recommended as protection for 20 days but leading veterinarians say they have never seen a case of occur within a year after immunization. Fifty c. c. are used

Small, but mighty, Percy Neville, Jr., astounds the fans over the Texas conference as he matches his 138 pounds against the best linemen in the circuit, and outplays many of them. Only five feet, four inches, he looks like a high school boy on the field, but there is nothing high school about his playing. He is shown here between two of his team mates, Joe Grimes on the left, and Douglas Jackson on the right. Grimes plays center, and Jackson tackle. Neville is variously known as the "Mighty Mite," the pint-size guard, and the "Midget Marvel." Jackson is from Ballinger, Neville from Henrietta and Grimes from Longview.

as a preventative. "As flies and mosquitoes are carriers of the disease germ, it is likely that the disease will play out as soon as cold weather kills the carrier."

### Notice of Application to Lease No. 1053

Guardianship of Rufus Cathey et al, Minors.

In the County Court of Runnels County, Texas.

To All Persons Interested in George Cathey or His Estate:

You are notified that I have on this the 24th day of October, 1935, filed with the Judge of the County Court of Runnels County, Texas, an application for authority to make to SUN OIL COMPANY, as Lessee, an oil, gas and mineral lease on that certain land belonging to said minor described as an undivided 1-15 interest in and to the following described land in Willacy County, Texas:

Lots Four (4) and Five (5), in Block Thirty-one (31), out of the Harding-Lindahl Subdivision, located in Willacy County, Texas, more fully described by deed dated May 7th, 1926, from C. J. Evans et al to W. G. Allen, recorded in Vol. 4, Pages 603-604 of the Deed Records of Willacy County, Texas, to which reference is here made for a more particular description of said land.

And also, in addition to the above described land, any and all other land owned or claimed by said minor in said survey or surveys in which the above described land is situated or in adjoining surveys, and adjoining

the above described land.

And that such application will be heard in the County Court room in the Court House of such County at 10 o'clock a. m. on the 4th day of November, 1935.

Witness my hand this the 24th day of October, 1935.

E. M. CATHEY,  
Guardian of the Estate of George Cathey, a Minor. 24-11

George Burk has returned from Abilene, where he had been for the past eight months in the Weeks drug store. He began working in the local Weeks' drug store Monday morning.

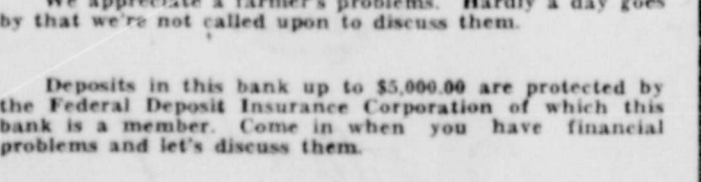

Approximately 34,672,125 people visited national forests of the United States in 1934.

### Try CARDUI For Functional Monthly Pains

Women from the 'teen age to the change of life have found Cardui genuinely helpful for the relief of functional monthly pains due to lack of just the right strength from the food they eat. Mrs. Crit Haynes, of Essex, Mo., writes: "I used Cardui when a girl for cramps and found it very beneficial. I have recently taken Cardui during the change of life. I was very nervous, had head and back pains and was in a generally run-down condition. Cardui has helped me greatly."

Thousands of women testify Cardui benefited them. If it does not benefit YOU, consult a physician.

## FARMERS LIKE THIS BANK

Farmers need the services of a good bank more than any other group of people. They have many problems and little time to deal with them. And so we're especially proud of the fact that a great many of our depositors are farmers.

We appreciate a farmer's problems. Hardly a day goes by that we're not called upon to discuss them.

Deposits in this bank up to \$5,000.00 are protected by the Federal Deposit Insurance Corporation of which this bank is a member. Come in when you have financial problems and let's discuss them.

**BALLINGER SCHOOL NEWS**  
By Genevieve King

The sophomore class was organized last Wednesday at the chapel period. The following officers were elected: president, Vernon Boswell; vice-president, Sid Reese; secretary-treasurer, Edith Jones; and reporter, Fred Jennings.

Miss Lucille Williamson and Mr. Ernest Sublett were chosen as sponsors.

Monday morning the students were pleased to find in the library a new set of reference books, The Britannica Junior Encyclopaedia. There are twelve volumes in the set. The library room has also a new magazine and paper shelves, with new reference books, standard magazines, and current newspapers the students of Ballinger high school can find profitable reading material during every library period.

Superintendent H. C. Lyon addressed the student body at the Friday morning chapel period. At the address, Dale Cook and Lloyd Jenkins rendered a number of popular songs on the guitar and violin.

Reverend Moore, of the Eighth Street Presbyterian Church, gave an instructive devotional address on the subject, "The Car and the Man," at the Monday morning chapel exercises.

"La Mano Lista," the club of the seventh period Spanish class, gave their first program Monday afternoon. The program consisted of songs by the club led by Jewel Fulton, and a chapter of a continued story told by Margaret Burk. The club motto, "Adelante siempre adelante," which means "Forward always forward," was chosen. Following the program, the critic's report was given by Miss Dena Meyer.

The Ballinger Bearcats showed us what they could do last Friday in the Ballinger-Santa Anna football game when they defeated the Santa Anna Mountaineers with a score of 19-7. The team did some playing that renewed the confidence of Coaches Wright and Gibbs in the hope that Ballinger might still win the championship. The boys will have to do some real playing to defeat Coleman Friday evening but we believe that the Bearcats have a good chance to win.

The Spanish club of the third period class, "Los Amigos," had their first real meeting Monday at the class period. The program was opened by songs sung by the club and led by Eula Mea Clark. Two chapters of a continued story, told by Lois B. Evans and Philip Evans, constituted the program. "Quien mucho duerme poco aprende," which means "who sleeps much learns little," was chosen by the club for the motto.

The boys will have to do some real playing to defeat Coleman Friday evening but we believe that the Bearcats have a good chance to win.

**Senior Highlights**

Zona Baker resides at 303 Broadway. She attended school at Pittsburg, Texas, for the school term 1932-33 and part of the term 1933-34. For the remainder of that term and beginning of the next, she attended the Odessa high school. In 1934, she moved to Ballinger and started to Ballinger high. Among the various schools that Zona has attended, Ballinger high is her favorite. She tried out for volleyball last year, and it is her intention to enter it again this year.

Margaret Burk lives at 1000 Tenth Street. She has attended Ballinger high for the past three years. Margaret has been a member of the Ballinger high school pep squad every year since she has been in high school. Although she has never taken part in any special sport, Margaret is an enthusiastic lover of sports. She intends to join the literary club for the term 1935-36, and she is now a member of the Spanish club, "La Mano Lista."

Mollinda Brown lives at 1309 Broadway. She has been attending Ballinger high for the past three years. For the first three years that she was in high school, she was a member of the pep squad. During the school terms 1932-33 and 1933-34, Mollinda was in the volleyball club. This year she is librarian for the chapel period and the third period. Mollinda is also bookkeeper for the school paper, "The Bearcats' Roar."

**RING FOUND AFTER 21 YEARS**

MILLFIELD, Scotland, Oct. 23.—A wedding ring which was lost nearly twenty-one years ago has been found by a worker harrowing in a field on a farm near Millfield. In 1914, Mrs. M. Anderson, then a young married woman, was assisting with the harvest on her mother's farm when she lost her treasure.

**Mae's Gunning for a (Bad) Man!**

If any "tall, dark, and handsome" man tries any underhanded game on Mae West after this, he's inviting hot lead. After receiving a letter demanding \$1000 on pain of being disfigured with acid, the sinuous cinema siren decided to learn how to handle a machine gun.

**Bearcats Hold to Top With Conference Win Over Mountaineers**

The Ballinger Bearcats took their third straight conference victory from the Santa Anna mountaineers here Friday afternoon before the largest crowd that has seen a football game at the new high school field. The Bearcats, sluggish so far this season, snapped into it Friday and looked like a real football team. The Mountaineers were the first hard competition they have met so far this year, and McMillan, Sheffy and Korenek slashed their way to one first down after another to cross the opponent's goal line three times during the game.

The spirit of the Bearcats was different as they entered the game Friday. Plays clicked, blocking was better, tackling cleaner and the entire team showed decided improvement over other games this year. Reese, Hale and Thorp were outstanding line performers while McMillan, Sheffy and Korenek were outstanding backfield men. Korenek flashed time and time again on defense as he intercepted Santa Anna passes and made nice returns.

The scoring started in the second quarter when Holt recovered a fumble on Santa Anna's 17 yard line. Sheffy hit off tackle for 4 yards, lost 4 on an end run, Korenek picked up 2 yards through the line and a pass. Sheffy to McMillan was good for the remaining distance and the first touch-

down of the game. McMillan failed to kick goal.

Santa Anna came back in the second half with a driving attack which ended in a 39 yard pass to Price for a touchdown. A pass was good for the extra point and the Mountaineers were leading 7 to 6.

The Bearcats took the ball up the field on end runs and passes to within striking distance and a beautiful lateral from McMillan to Sheffy sent the ball over for the second counter McMillan passed to Holt for the extra point.

The third and last touchdown for the Bearcats came after a 25-yard pass, Sheffy to McMillan. Sheffy picked up 3 yards and McMillan took the ball on a sweeping end run across the line standing up. An attempted kick by McMillan failed.

Santa Anna resorted to long passes in the last few minutes of play with no success and the game ended 19 to 7.

**INDIAN ARROW HEAD COLLECTION SHOWN**

A fine display of Indian arrow heads is being shown in a window of the Security State Bank here. The collection was gathered by Amos Floyd, of Junction, and is one of the most extensive and best arranged ever seen here.

Mr. Floyd has been picking up the points for a number of years, most of them having been found in West Texas. The exhibit will remain here for several more days and those interested in Indian lore are invited to inspect it.

High quality Tires at low prices at Freeman's. 8-11

**SPORTS**

The Ballinger Bearcats will go to Coleman Friday night, to meet the Coleman Bluecats, in their first game under lights. These arrangements were announced Monday morning after Coleman school officials offered Ballinger the use of the field Wednesday night for practice, places to dress and bathe and other assistance. The game will be played at Hufford field starting at 7:45 promptly. Supt. H. C. Lyon requests that an appeal be made for transportation. The Ballinger Band and the pep squad will attend the game, and many of them will need rides. Notify the school how many you can take and they will assign certain ones to your car.

Practically all the Bearcats are eligible this week and the team will be greatly strengthened by the return of several husky players. A big help will be the return of Routh and Malish to the lineup.

Injuries last week included Hale and Holt, however both may be ready for duty Friday night.

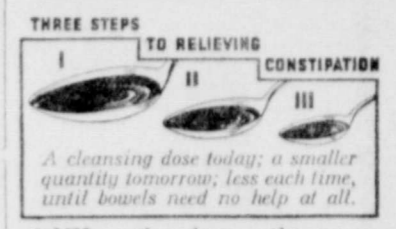

The junior team will play their first game of the season Friday afternoon at 4 o'clock with a team from Paint Rock. Paint Rock will use players below the 9th grade and Coach Phil Nolan will send his junior eleven against them. Fans are urged to attend this game. A small admission will be charged to help pay for the special equipment bought for the junior team.

The bearcat win over the Santa

Anna Mountaineers Friday gave the Ballinger team undisputed lead in the district race with three conference wins. Winters and San Saba still loom as the championship contenders however, and Winters is the favorite with their smashing defeat of the powerful Brady bulldogs. San Saba handed Mozelle a bad whipping 52 to 0. Coleman did not show much to beat Bangs 25 to 6 on their home field Friday night.

**NO UPSETS**

The proper treatment for a bilious child

Practically all the Bearcats are eligible this week and the team will be greatly strengthened by the return of several husky players. A big help will be the return of Routh and Malish to the lineup.

ANY mother knows the reason when her child stops playing, eats little, is hard to manage. Constipation. But what a pity so few know the sensible way to set things right! The ordinary laxatives, of even ordinary strength, must be carefully regulated as to dosage. A liquid laxative is the answer, mothers. The answer to all your worries over constipation. A liquid can be measured. The dose can be exactly suited to any age or need. Just reduce the dose each time, until the bowels are moving of their own accord and need no help. This treatment will succeed with any child and with any adult. The doctors use liquid laxatives. Hospitals use the liquid form. If it is best for their use, it is best for home use. The liquid laxative most families use is Dr. Caldwell's Syrup Pepsin. Any druggist has it.

**Blackleg Hazardous Disease Affecting Cattle and Sheep**

By J. M. Williams, V. A. Instructor, Winters High School

Blackleg probably causes more losses in cattle than all other diseases combined. The cause of this disease is a germ which affects cattle and sheep. Calves from six months up to eighteen are highly susceptible to blackleg and older cattle and sheep. Calves from six months up to eighteen are highly susceptible to blackleg and older cattle and sheep. Calves from six months up to eighteen are highly susceptible to blackleg and older cattle and sheep. The disease is peculiar in that calves picking up or falling off in weight are more susceptible. Young milk-pen calves are less liable to attack and heifers heavy with calf are practically immune. Williams states that a two-dose vaccinating syringe with needle can be purchased for \$1.75. The vaccine will cost from .05 to .08 cents per dose, depending on the amount purchased. "Neglect is the cause for blackleg losses, so vaccinate and be safe," concludes Williams.

**ALL DAY GET-TOGETHER ANNOUNCED FOR SATURDAY AT O. D. H. S. HALL, ROWENA**

The ladies of the Zoar Evangelical Church of Rowena will sponsor a big all day get-together Saturday, October 26, according to Mrs. W. A. Schuhmann, one of the leaders of the group. The affair will be at the O. D. H. S. Hall in Rowena. At noon and at 6 p. m. meals will be served for a small price. During the afternoon an auction sale will be held and other attractions offered, for the many visitors expected. All proceeds from the social will be for the benefit of the church.

**Colder this Sunday?**

SIT IN PEACE, IF YOUR ENGINE OUT THERE

When your car's in cold storage at the curb this winter, don't have misgivings. Simply do what no oiling system can do by itself... make your engine stay oiled at a standstill, by changing to Conoco Germ Processed Oil.

Then when the thermometer slides, so will every part of your engine. You can come out calmly, as late as you like, to an engine that's oiled IN ADVANCE—clear to the top—before you've touched door-latch or starter. No more cruel, scraping starts, without half enough lubrication. And right there, you know, is where engineers lay more than half the blame for worn-out motors.

But the Conoco Germ Process... patented... spares you all that. How? By giving this oil the startling power to COMBINE with metal. That's what gives you the famous Hidden Quart, which won't drain down. It's up there for starting, and then while you're running it backs up the high-durability Germ Processed Oil film.

You may have one of the newest cars—with their copper-lead, high-lead, or cadmium-alloy bearings. Or you may have an older model—with habbit bearings. But you can be sure that any bearing—or any other moving part—is safer with Germ Processed Oil.

This season don't merely change your oil... change your car's whole future... all for the better. Get to your helpful Conoco man before Sunday comes. Continental Oil Company, Established 1875.

**CONOCO GERM PROCESSED MOTOR OIL**

Head in at this sign today and head off Winter damage. Your correct grade always available—including 10W or 20W

**FIRST WORD**  
FROM Printzess  
IS THE  
**LAST WORD IN COATS!**

Silhouette . . . sleek and slightly flaring to the hem. Sleeves . . . full below the elbow. Collars . . . proud frames for the face . . . of squirrel, wolf, sealine. Such fabrics as diagonal suedes and cords in Italian Renaissance colors. These are just three. You'll want to see them all, so come in soon

## Swagger Suit

They can stand the nip of football weather . . . for they have cozy fur collars, and are warmly interlined. Two and three piece styles in woollens that are as handsome as imports!

Swagger Suits special price **\$5.95**

Swagger Suits special price **\$7.95**

Swagger Suits special price **\$10**

THE LADIES' STORE  
BALLINGER, TEXAS

Brighten your Wardrobe with "The Stockings the Stars wear"

Worn by GLENDA FARRELL in Warner Bros. picture "Little Big Shot"

*Mojud Clari-phane*  
SILK STOCKINGS

No. 334 and 389—1 thread, Fine Gauge

**89c**

or 3 Pair

**\$2.35**

Clari-phanes are made to give consistently good wear, yet they cost no more than ordinary stockings.

No. 143 2-thread, 45 guage \$1.00  
3 pairs \$2.75

No. 295 3-thread, 45 guage \$1.00  
3 Pairs \$2.75

Mojud Clari-phane stockings star in your wardrobe . . .

Because they're knitted by the ringless process which makes them clearer than stockings ever were before . . .

Because Orry-Kelly, Hollywood's fashion genius, created their *Screenette* Shades to blend with fashion's new fall colors . . .

Because they're the stockings worn by Hollywood's best dressed stars!
