NOTICE—File Copy. After checking, please return.

WPA District Employees Hold Conference Here

District WPA workers were in Ballinger Monday for a school of instruction. Doyle T. Brooks, head of the Brownwood district office, was in charge of the meeting at the city hall. Miss Viola Perkins, district case supervisor, was in charge of the school and besides talks on various phases of the work, answered questions relative to the organization.

Mr. Brooks stated that similar meetings were being held in every county in the district to acquaint relief workers with general information regarding the WPA set-up which will handle all relief work from now on.

Commenting on the general situation at this time Mr. Brooks said "relief clients generally are in better shape now than for many months due to the large amount of seasonal labor which has been available for all members of the family." He further asserted there was more work in sight in this county than in any other in the district because of the large cotton crop.

When queried regarding the prospects for WPA projects here, the official said one man's guess was as good as another's in that regard but added "when seasonal work is over, WPA will absorb all labor that must have relief."

He explained that the tardiness in launching projects had been because the new set-up did not want to conflict with farm and ranch operations in any respect. In the past several months, Mr. Brooks pointed out, many farmers complained that it was difficult to hire hands because all available were engaged in relief work, and that only imperatively needed projects were being commenced until farm and ranch work slackens and there is a surplus of labor.

Approximately 50 people attended the meeting here Monday. The local chamber of commerce served the workers a chicken barbecue dinner in the fire station.

TAX FREE ALLOTMENT OFFERED ON POTATOES

County Agent Elmo V. Cook calls attention to the federal act putting a tax on potatoes which will be in effect in 1936 and Runnels county farmers who raise Irish potatoes for sale are entitled to a tax free allotment, providing application is made for same.

Any grower who would like to get this tax free allotment is asked to see the county agent and make application.

LIONS CLUB TO HAVE WILL ROGERS PROGRAM

The Ballinger Lions Club will have a Will Rogers program at its regular meeting tomorrow (Friday) noon at the Central Hotel, and will assist in the memorial fund being raised.

A tribute to Rogers will be paid by one of the speakers, a cowboy song will be dedicated to him, and a reading of tribute will be given. J. A. Schnable, president of the club, is urging 100 per cent attendance for this meeting.

Want ads are economical and bring results.

Better Weather Conditions Help Road Builders

Good progress is being made on highway work in this section this week which for the past two months had been slowed down greatly by rains.

The L. E. Whitam Company, contractors on the six-mile stretch south of Winters on highway No. 4, will soon complete the grading and drainage structures and with good working weather will be able to put down the caliche base some time in December. After the base is finished the contractors will wait until spring to apply the rock-asphalt surface.

H. B. Zachery is moving equipment to highway No. 9 between Eden and the McCulloch county line, a lap of 13.7 miles. Grading and drainage on this section have been finished and the work to start at once, will be rock and asphalt surfacing. The base on this road is 22 feet wide and the surface will be 20 feet wide.

A crew is grading between the Concho county line and Brady at this time and a contract was recently let for surfacing south of Brady on highway 9.

When these jobs are completed the route from here to San Antonio and other points in South Texas will be surfaced with the exception of a strip between Paint Rock and Eden in Concho county, on highway 4.

Winters and Norton Farm Meetings Set For November 29

Two farmers' meetings will be held in Runnels county on Friday of next week, November 29. County Agent Elmo V. Cook announced Wednesday that one meeting was being called by J. D. Sowell, chairman of the Winters agricultural council, to begin at 4 p. m. in the old theater building at Winters. J. D. Good is calling a similar meeting at the Norton school house for farmers in the western part of the county, at 7:30 o'clock the same evening.

The discussion at these meetings will be relative to the AAA and the Bankhead program and an announcement will be made of new features.

Walter J. Hammond, district agricultural worker, will lead the discussion, and will bring much information to those who are participating in the Bankhead program. Following this talk a round-table discussion will be held in which Mr. Cook and T. B. Hill, of the county agent's office, will take part.

Farmers who reside in the Winters or Norton areas are requested to attend these important meetings.

The average daily vehicle density per mile of state highways in California is 1,572 cars.

Vast Throng Sees Iowan Cop U. S. Husking Crown

Out in the midwest, where husking contests draw spectators from far and wide, a huge throng of 100,000, pictured above, at Newtown, Ind., watched Elmer Carlson, right, 26-year-old Iowan, hit the bangboards with a record-breaking load of 41.52 bushels of corn, to win the national corn husking championship. The old record of 38.9 bushels for the one hour and 20 minute period was shattered early in the contest, in which Carlson defeated 18 of the nation's best huskers.

Ballinger Hunters Have Plenty Luck In Deer Country

Most of the Ballinger hunters who went into the field on the opening day of the deer season have reported excellent luck. A number of them have already returned and others have been heard from and all but two have reported success, getting one or more bucks and some a gobbler on the side.

One of the large ice vaults at the West Texas Ice Company plant is practically filled with deer, belonging to local people. One woman accompanied her husband on a two-day trip and killed the limit while her "better half" was only able to bag one small one.

Several other parties will leave here this week-end for their favored haunts and will return Monday or Tuesday of next week.

Hunters declare that deer are fatter this year than for many seasons due to the excellent ranges in the hill country.

Jack Carroll returned home Sunday from his annual deer hunt in Mason county and brought home an 11-point buck and a big gobbler. He was with a party of seven, the others all from Brady. The men were successful in getting four deer and four gobblers.

Russell Henry and Cicero Smith returned from Mason county Monday after a two days' hunt. They were unlucky this trip, returning home empty handed.

Tom Caudle, C. E. Jones and O. K. Morgan returned from Gil-

(Continued on page 9)

Inspections Ended In Rural Schools; Good Reports Made

Deputy State Superintendent S. G. Boynton and County Superintendent E. C. Grindstaff completed their inspections of the common district schools in Runnels county last Friday with the exception of a few which will not be visited until after Christmas. Mr. Grindstaff stated that there would be about two days' work after the term begins in January.

Mr. Boynton found schools in this county in excellent condition and believes practically all will be granted standardization. About four schools in the county are not in line for such credit but all others have an opportunity to meet the requirements this year.

During the two weeks of inspection calls the officials found excellent attendance in all schools, complete facilities employed, and good work being done.

Mr. Grindstaff stated that many school would dismiss on November 28 and 29 in order to allow teachers to attend the Texas State Teachers' Association convention at San Antonio. He is expecting large attendance at this meeting by the rural teachers.

Mr. Boynton was very complimentary of the schools visited in Runnels county on this trip.

Mr. and Mrs. R. E. White visited their daughter, Mrs. Clarence McCarver, of Brownwood, Saturday.

George Hill, of Winters, transacted business in Ballinger Tuesday.

Sales Books at Ledger office.

Five Cars Turkeys Shipped from Here In Closing Season

Turkey shipments from Ballinger to eastern centers for the Thanksgiving season totalled approximately five carloads. Most of the fowls were shipped from here already dressed in refrigerator cars, but Western Produce Company shipped two cars to Winters on foot. They were dressed in the Winters plant for eastern markets.

Potter Produce Company shipped about a car and a half to other points, Western shipped two cars and the balance of the estimated five cars was shipped out by the Farmers Produce Company.

Managers of local produce concerns stated that further shipments for the Thanksgiving season would be very small and no great activity in the turkey market is expected until the Christmas season opens.

England's largest railway car has fifty-six wheels and can carry 150 tons.

Mrs. Gertrude Dawson, of Fenton, is visiting friends here this week.

13 Convictions Obtained In Court Here This Week

Compress Handles More Than 32,000 Bales This Season

W. B. Woody, local manager of the Texas Compress Company, said Wednesday that more than 32,000 bales of 1935 cotton had been received at the Ballinger plant to date. This brings receipts for the year to approximately 32,000 bales, including government cotton pressed and shipped in September.

Mr. Woody stated that practically all the cotton is moving through regular channels this year and very little being held. Most of the producers are selling their cotton as fast as it is ginned and taking the sales receipts when it brings less than 12 cents and will file applications for subsidy payments.

The local compress has been operating from two to four days a week and all cotton is being handled as fast as orders are received for shipping. Mr. Woody said less than 2,500 bales are being held in storage at this time and he thinks these will move in a short time.

County Agent Elmo V. Cook stated that a number of growers were bringing sales slips to his office where cotton sold for more than 12 cents. These slips will not be accepted by the subsidy department of the AAA as long as the spot market is 12 cents or above, but in case of a decline below 12 cents it will take the sales records.

Mr. Woody estimated total ginnings in Runnels county Wednesday at 20,000 bales or a little more, but would not venture a guess on the percentage of the crop picked.

Pickers are not so plentiful now as many left during the recent rainy period for other sections.

BALLINGER STORES WILL CLOSE FOR THANKSGIVING

Business will be suspended in Ballinger next Thursday in observing Thanksgiving. No petitions were circulated for the closing, but the annual custom of taking the day off will be followed.

No special programs are to be presented in Ballinger on the holiday and the biggest out-of-town drawing card will be the annual dinner and celebration at Offen.

Drug stores, cafes and filling stations here will observe regular Sunday hours Thursday.

A record was set in 119th district court here this week, thirteen cases being tried the first three days of the week and thirteen convictions obtained. The petit jury venire was dismissed Wednesday afternoon and another venire has been subpoenaed for next Monday morning. District Judge O. L. Parish said a number of civil cases would be taken up next week and the criminal docket resumed December 2.

District Attorney W. A. Stroman and County Attorney C. C. Sessions prosecuted all cases for the state this week.

The second week's sessions began Monday morning with a petit jury venire of 36 called. Excuses were heard, jurors sworn in, and work started with few formalities.

The case of the state vs. Paul Frederickson was the only contested trial heard Monday. The defendant was charged with stealing an electric drill from A. T. Jobe, of Winters, and the jury returned a verdict of guilty, the punishment being set at two years in the penitentiary.

Three Miles youth charged with burglary, entered pleas of guilty and received five-year suspended sentences. The defendants are

Queen Special Prescription Wave
The Talk of the Town

Every few seasons there is a new permanent wave method introduced. Some prove good, others not so satisfactory. This season there are several new features introduced, but to all reports this new method introduced by the Queen Beauty Shop and styled

Queen's Special Prescription Wave is the most satisfactory of all, and I know it is the "Talk of the Town."

It certainly sounds like the last word in wave perfection. It stands to reason that a specific solution should be used for each type of hair. No one solution could possibly suit every kind of hair. Yet that is what the average shop gives you. This Queen Special Prescription means that at the Queen they analyze your hair, determine the type, then they blend right before you the solution that YOUR kind of hair calls for. Coarse hair requires one kind of mixture, fine hair another, blonde hair calls for a certain solution, brunette another kind, gray hair has a specific preparation, and that is as it should be. Then they give you a wave with your own type prescription, and you get a finer, a lovelier, a more lasting, a more satisfactory permanent. The Queen has the exclusive rights to this Special Prescription Method and is featuring this wave at \$3.45 to \$10.00. I would certainly advise anyone who has had unsatisfactory waves elsewhere, who have hair they think difficult to wave, folks with gray or bleached hair, to BY ALL MEANS go to the QUEEN for their next permanent and have this SPECIAL PRESCRIPTION WAVE.

Standard Waves all the year 'round at popular prices \$2.00, \$3.45 and \$4.00

HARMONY HERALDS

Rev. N. A. Moore, of Abilene, preached at the morning service Sunday at the Baptist church. An ordination service was held in the afternoon.

Mrs. F. L. Seals is in a hospital at San Angelo, where she underwent an operation.

Mr. and Mrs. W. T. Billups accompanied Mr. and Mrs. F. L. Seals to San Angelo Wednesday.

Miss Esther Dickens, of Hardin-Simmons University, visited relatives in the community Sunday.

Mrs. Lee Seals and Mrs. C. E. Branham visited in Ballinger Tuesday.

Mrs. E. A. Meadows, of Winters, visited in the community Wednesday.

Frank Laird and W. O. Bains attended to business at Glen Rose this week.

Cull Summeour is in the hospital at Santa Anna. He is reported as improving.

CREWS CHATTER

The Parent-Teacher Association sponsored an entertaining program Thursday night of the previous week. The next meeting will be a social gathering Thursday night, November 28.

The numerous friends of Rev. Morton are glad to learn he will be pastor of the Methodist church here again next year.

Mr. and Mrs. Irven Phipps, Miss Alma Phipps and Mr. Dial attended the singing convention at Wilmeth Sunday.

Mr. and Mrs. Sid Dietz, Mrs. J. W. Wood and Mrs. J. G. Phipps visited their sister and sister-in-law, Mrs. Enoch Phipps, of Drasco, at the Abilene Baptist hospital Friday of the previous week. Mrs. Phipps was reported as well as could be expected from a serious operation. Mrs. Sid Dietz remained in Abilene for medical treatment.

There will be services at the Baptist church this week-end. Services have been irregular lately as the church has had no pastor since August. Bro. J. E. Raneau, of Louisiana, has been called and will conduct the series of services, and accept or reject the year's work as he sees fit.

A little baby girl arrived at the home of Mr. and Mrs. Thad Traylor November 17.

Basketball Teams Active
Members of the Crews girls' basketball team met November 5 for the purpose of organizing a club. The following officers were elected: captain, Evelyn Payne; treasurer, Lela Mae Berry; and reporter, Lorena Bradley.

The coach, Miss Beth Stiles, issued suits to 14 girls. The prospects for a good team are in view with everyone training nicely.

The Crews girls' basketball team went to Novice November 14 and played a very interesting game with the Novice girls. Crews won by the small margin of 16 to 10.

The boys also played a winning game with a score of 17 to 10 in their favor.

Due to bad weather the girls have not been in training, but are now training hard to be in condition for the tournament at Blackwell December 7.

The only other game the girls have played this year was with Valera. They lost by a small margin.

NORTH NORTON NEWS

Mr. and Mrs. R. N. Ensor and children, James Ellis and Nelda Juanice, of near Tahoka, spent Friday night in the home of Mr. Ensor's daughter, Mrs. G. P. Wilson.

Mrs. G. P. Wilson and children, Wade, Onelta Faye and Joyce, and Mr. and Mrs. Paul Barfield left Sunday for Lubbock, where Mr. and Mrs. Barfield will be at home since their wedding recently. Mrs. Barfield was formerly Miss Zaola Mae Wilson, daughter of Mr. and Mrs. G. P. Wilson.

T. W. Gobel and son, Willie, of Big Spring, Edward Watkins and Miss Bessie Watkins, both of Waco, were guests of Mr. and Mrs. F. E. Lawler Saturday night.

Mr. and Mrs. F. E. Lawler and daughters attended the birthday celebration for Mrs. M. J. Emmert at Winters Sunday. Mrs. Emmert was 81 years old on that date and all of her children that could were with her on that date. They are: Mrs. J. E. Watkins, Waco; Mrs. R. N. Ensor, Tahoka; Mrs. T. W. Gobel, Big Spring; Mrs. F. E. Lawler, North Norton; and J. G. Emmert, Winters. Two daughters, Mrs. Fred Infanger, of Hueneme, California; and Mrs. P. J. Busby, of Lawrenceburg, Tennessee, were unable to attend. Those helping Mrs. Emmert celebrate were: Mr. and Mrs. J. E. Watkins and chil-

dren, Miss Bessie and Edward, of Waco; Mr. and Mrs. T. W. Gobel and sons, Willie and Eugene, Big Spring; Mr. and Mrs. R. N. Ensor and children, Nelda Juanice and James Ellis, Tahoka; Mr. and Mrs. F. E. Lawler and daughters, Misses Hazel and Uva Dell, North Norton; Mr. and Mrs. Lewis Bell and sons, Foy and Bobbie Lewis, Littlefield; Mr. and Mrs. Ben Bell and children, Woodrow and Miss Lillian, Drasco; Mr. and Mrs. Bill Ballew and daughter, Billie Jean, Winters; and Mr. and Mrs. J. G. Emmert and children, Billie Joe, J. G., Jr., Weldon and Earl, of Winters. All of the above are relatives of Mrs. Emmert. Friends attending were: Mr. and Mrs. Sam Hemmeline, Wingate, Mrs. Mollie Cummings, Ben Spill and Will McCaughan, Winters; Shelby Horn, Drasco; and Rev. and Mrs. Leslie Mickey, Winters. All wished Mrs. Emmert many more pleasant birthdays.

Mr. and Mrs. R. N. Ensor and children, of Tahoka, spent Sunday night with Mrs. Ensor's sister, Mrs. F. E. Lawler, and family.

Quite a few from this community attended the Runnels county singing convention at Wilmeth Sunday.

Mr. and Mrs. Claud Eubank and son were guests in the home of Mr. and Mrs. F. E. Lawler Tuesday.

BENOIT BEATS

We are glad to see the sunshine and pretty weather again. It will be very beneficial to all the farmers in our community.

We are sorry to report that Milton Gibson underwent an operation for appendicitis Friday afternoon. He is doing nicely at this writing. We wish him a speedy recovery.

C. M. Gibson and Laura Bee and Mrs. O. C. Cox visited in Brownwood Sunday. Mrs. Gibson returned home, having been there several days at the bedside of her daughter, Mrs. Henry Moody, and Mr. Moody, who have been very ill. They are both improving at this writing.

The women's home demonstration club met with Mrs. Arch Brookshier Tuesday afternoon. The afternoon was spent in crystallizing fruit.

Mr. and Mrs. W. T. Hill, Mrs. Milton Gibson and son, Mr. and Mrs. C. M. Gibson and Laura Bee, and Buster Gibson of Brownwood, visited Milton Gibson at the hos-

pital Tuesday night.

Mr. and Mrs. L. B. Elam, of Miles, spent Tuesday with Mr. and Mrs. W. T. Hill.

Mr. and Mrs. Arthur Pullin and family attended church at Ballinger Sunday morning and visited Mr. and Mrs. Joe Hoffman that afternoon.

Mrs. Dolores Dichman is visiting Mr. and Mrs. W. T. Hill this week. Miss Addie Ruth Cox spent Friday night with Miss Laura Bee Gibson.

BARNETT BELL RINGERS

Sunday school was fairly well attended Sunday morning. We urge everyone to come and help us and not let the Sunday school die down during the winter. Come on young people. We see no reason why our class shouldn't have the largest attendance and best report of any class in the Sunday school. Rev. Gilbert W. Wilson will fill his regular appointment next Sunday morning at 10 o'clock. Every-body is cordially invited to attend both services.

Mr. and Mrs. Ed Dorsey and family, of Plains, visited Mr. and Mrs. J. B. Dorsey and family part of last week.

Miss Hollis Camp, who has been sick for two weeks with a severe cold and cough, is reported improving. We hope she will soon be well and strong again.

Mr. and Mrs. Roy Tyree and son, Bobbie, Mrs. J. B. Dorsey and daughter, Mary, and Miss Minnie Lea Camp visited in the J. M. Laxton home Sunday afternoon.

Mr. and Mrs. Calvin Fuller, of Blanton, spent last week with the latter's parents, Mr. and Mrs. J. B. Dorsey.

Mr. and Mrs. Leo Spann and Mrs. Arlet Spann, of Eden, and Mrs. Otis Harber, of Ballinger, spent Wednesday with Mr. and Mrs. W. B. Thompson.

Mr. and Mrs. Will Tyree visited in the home of Mr. and Mrs. Patterson, of Hagan, Sunday afternoon.

Mr. and Mrs. Pat Tyree and son and Mr. and Mrs. E. A. Norman spent Sunday afternoon with Mr. and Mrs. W. D. Frost and family.

Mr. and Mrs. Frank and children, of Hagan, visited Mr. and Mrs. H. E. Ellis Friday afternoon. Misses Thresa and Clemmie Lee Laxton and Minnie Lea Camp visited in the home of Mr. and Mrs. Allen Patterson Friday night.

Mrs. A. W. Tyree entertained the junior Sunday school class of which she is the teacher with a social Friday night. Prizes in the games went to Mary Dorsey and Rosemary Camp. Refreshments of coconut cookies and hot chocolate with marshmallows were served. Everyone reported a good time.

Mr. and Mrs. "Red" Branham,

Sage of Potato Hill in South

Not as chipper, perhaps, as he was in his younger days, and with sight growing dimmer, Ed Howe, 81, former Atchison, Kan., editor whose clear-visioned writings in the past won him the title, "Sage of Potato Hill," continues to enjoy life. Here he is pictured after arrival at Miami Fla., where he will spend his winter months.

of Ballinger, visited Mr. and Mrs. Lee Howell Sunday.

Mr. and Mrs. John Duke and daughter visited Mr. and Mrs. E. A. Norman Sunday night.

SOUTH BALLINGER SAND-COLUMN

Milton Harris and family, of Lon, New Mexico, have recently moved back to this country and will live another year on the A. J. Nichols ranch.

Mr. and Mrs. Wallace have moved to the Henry Leach residence in this community.

Raleigh Christian is visiting his parents at Denton this week.

Mrs. Lynn Metcalf, of San Angelo, visited her parents, Mr. and Mrs. C. D. Harris, the past week-end and attended the funeral of a cousin, Joe Cotton, whose body was brought here for burial from Lampasas. Mr. and Mrs. Jack Nichols, Mrs. Ross Welch, and Mr. and Mrs. Marston Cotton and son, Mac, also of San Angelo, attended the funeral.

Home Demonstration Club News
The South Ballinger home demonstration club met with Mrs. Joe Thomas November 19 with the new president, Mrs. B. M. Batts, presiding. The subject for discussion at the meeting was "Checking

Reports." Mrs. W. B. Holland was elected secretary and treasurer to fill the place left vacant by the resignation of Mrs. Ed Farley, who found it impossible to serve in this capacity.

The next club meeting will be held December 3 in the home of Mrs. Wallace. The program will consist of exchanging recipes for Christmas candies and cookies.

Refreshments were served at Tuesday's meeting to Meses Batts, Holland, Virgil McShan, Wallace, Sam Hutchison, Jim Barrow, J. C. Reese, George McMillan, Henry Leach and Joe Thomas.

PEANUT FARMERS WILL MAKE \$100 MORE EACH THIS YEAR

COLLEGE STATION, Nov. 20.—Peanut farms in Texas will average around \$100 more income this year due to the peanut program which includes the important feature of diverting surplus peanuts into oil, E. A. Miller, extension agronomist in charge of the Texas peanut program, estimated recently.

"This should bring about \$1,000,000 more into Texas this year," Miller declared. "It is estimated that Texas growers are receiving at least one cent a pound more for their peanuts as a result of the program." Texas producers raise one-tenth of all the peanuts in the United States or about 100,000,000 pounds a year. This year's estimate of Texas peanuts is 117,000,000 pounds.

Miller explained that peanut adjustment payments, including the diversion payments to peanut oil mills are having a strong effect in maintaining a fair price for peanuts in spite of the fact that commercial estimates place this year's total United States crop at 200,000,000 pounds more than the 1934 crop.

"Last year the peanut market opened at 60 cents a bushel, but when diversion plan became effective, the market price immediately jumped to 80 cents a bushel and even higher," the extension agronomist said. "The market opened this year with a much better price."

According to Miller, details are now being prepared by the AAA for a production control program for 1936 to 1939 similar to the 1935 adjustment program. He pointed out that the peanut program is based more on acreage stabilization than on reduction of acreage. The contract signers of 1935 were allowed to plant a total of 5,000 more acres in Texas than in 1934.

Health Association Hears an Interesting Program on Nursing

A regular meeting of the Runnels County Public Health Association was held Tuesday afternoon in the office of County Superintendent E. C. Grindstaff. About 20 members were present. Mrs. Rothal O'Kelly was elected secretary of the group following the resignation of Mrs. Harry Lynn.

The program theme was "Public Health Nursing." A round-table discussion was held on this subject and the following phases were presented:

"What is Public Health Nursing?" Mrs. W. W. Mitchell, Norton.

"What are the General Objectives of Public Health Nursing in Your City?" R. E. White, Ballinger.

"What are the Minimum Qualifications for Public Health Nursing as Worked Out by the N. O. P. H. N.?" Mrs. Georgie

Stephens, county health nurse. "Is Public Health Nursing a Community Asset?" Mrs. O'Kelly. At the next regular meeting, the third Tuesday in December, the subject will be "Tuberculosis."

NORTH NORTON HOME DEMONSTRATION CLUB

The North Norton home demonstration club met Friday afternoon in the home of Mrs. Lawrence Bryan.

A candlewick bedspread was started, which will be disposed of in some way to raise money for the club. Characters were also selected for a play to be put on in the near future.

Mrs. Bryan served refreshments of hot chocolate and cake to Mrs. Bob Murphy, Mrs. Boyd Murphy, Mrs. Kirby Robinson, Mrs. D. W. Turner, Jr., and Mrs. Ira McNeill.

The next meeting will be in the home of Mrs. George Cope December 6. Miss Myra Tankersley, county home demonstration agent, will be with us at this meeting.

TALPA SCHOOL NEWS

By Mary Fuller

A certain freshman has added a new word to his vocabulary. Last Saturday he walked into a Ballinger store and a clerk asked him what he wanted. He replied, "A pair of shoes."

"Oxfords?" the clerk inquired.

"No, I want slippers!"

Although the weather was very unsettled last Thursday night a large crowd attended "Beads on a String." The play was enjoyed by everyone. The choral club sang two songs between the first and second acts and Misses Juanita and Ethel Martin, Laura Fox and Marjorie Morton sang "Old Faithful" between the second and third acts. Quite a sum of money was made on candy and pop corn that was sold before the play began.

The new tennis courts have been started. We will be very glad when they are completed and we can start to playing tennis again. There will probably be one doubles team, Ruth Beaver and Marjorie Morton, and two to try out for singles. Juanita Martin and Mary Fuller. We have been told that we will have another tennis player with us in a few weeks. He is to be Ted Bradford from Coleman. If we can get one more player we will be able to play doubles and singles all the time.

The seniors have selected their invitations and will order them next March.

The juniors gave a very good program in chapel Monday morning. Juanita Martin read a paper on "Hobbies." Evelyn Ruth Moore gave the class history. The class prophesy was given by Bertha Marrs and Dolores Mae Broyles. Others on the program were: Bunn Jefferson, Ira Grounds, Marjorie Morton, Grafton Brookshier, and Ben McWilliams.

There is to be a carnival Saturday night at the high school auditorium. Volley ball will be played as well as beans and other games. Refreshments will be sold and at the end of the carnival some high school girl will be crowned queen. Everybody is invited.

The Ballinger freshman team came to Talpa Monday afternoon and defeated the Talpa junior team 13-0. The game was played after school and the buses stayed for the game.

The next game is to be played Friday afternoon at Miles. It will be the last game of the season and we want everyone who can to go and support the Owls.

The girls who were elected to run for carnival queen are: Marjorie Morton, first; Carrie Herring, second; Marjorie Mayes Beck, third; Maurine Bradley, fourth; and Joann Herring, fifth.

The seniors expect their rings Thursday. Those to receive rings are: James King, James McClure, Orestis Taylor, Roy Foreman, Leroy Pearce, Maurine Bradley, Adrell Parker, Inez Hisey, J. P. Thompson, St. Courtney, Skipper Hallinger and Mary Fuller.

Couch Head entertained the football boys and their girls with a party Monday night in the gym. Those present were: Adrell Fischer and Frances Norris, Gilvin Norris and Ruth Beaver, Coleman Parker and Pearl Lopez, Bunn Jefferson and Carrie Herring, Dixie Mercer and Melba Marrs, James King and Inez Hisey, Ira Grounds and Ethel Martin, Russell Bennett, Couch Head and Miss Stobough, Mr. and Mrs. Mitchell, Ernest Thompson and Edith Tombs, Clarence A. Cole and Lewis Parker, and Captain J. O. Thompson and Maurine Bradley. Lowell Maxwell, Emmitt Brancum, Swing Falzer, Roy Foreman and Winston Brown were the only boys who were not present.

Miss St. Courtney and Dusty Rhodes enjoyed a show at Ballinger Saturday night.

100 NO. 2 CANS BEANS FROM IRRIGATED FLOT

SIERRA BLANCA, Tex., Nov. 20.—More than 100 No. 2 cans of string beans have been canned by Mrs. Gordon McAdoo, who is food supply demonstrator for the All-home demonstration club of Hudspeth county, which was started in May, according to Miss Gladys Young, home demonstration agent.

Mr. and Mrs. McAdoo have worked together and have irrigated a small garden spot from their stock tank and have had fresh beans, squash, corn, pepper, onions, turnip greens, and spinach. They also canned a few each day for their winter pantry. There are four children in the McAdoo family.

A Flowery Welcome for Hubby

Wreathed in smiles and Hawaii's traditional lei, James Cromwell, New York Senator, and his wife, the former Doris Duke, world's richest girl, are shown smiling on a Honolulu beach shortly after Cromwell's return to Hawaii from a New York business trip. Mrs. Cromwell evidently has recovered from injuries suffered recently in a sailboat accident.

"Hell's Angels" Cost Over \$1,000,000 to Produce

"Hell's Angels," one of the most lavish screen enterprises ever produced, will be shown at the Palace Theatre here Sunday and Monday next.

The spectacular air thriller was personally directed by Howard Hughes, native Texan, at a cost of \$4,000,000, and took three years to complete.

"Hell's Angels," a supreme sensation of the film industry, has broken house records wherever shown.

Filming of "Hell's Angels" followed six months preliminary research and preparation. Shooting proceeded steadily for nearly three years, with 18 months alone devoted to aviation and Zeppelin sequences.

Ben Lyon and James Hall, principal players in this stupendous drama of air-war, are supported in the feminine department by Jean Harlow.

Other supporting players include John Darrow, Lucien Prival, Jane Winton, Evelyn Hall, Douglas Gilmore, Stephen Carr, Lena Malena and Wyndham Standing.

Producer-Director Hughes, himself an expert licensed pilot, has established a record for all time in motion picture extravagance in the filming of his air classic. On air scenes alone he has expended nearly \$2,000,000, and the total distances covered in the sky battles was exactly 227,000 miles.

More than 30,000 extras were employed in the various mob scenes of the picture.

The largest air fleet ever assembled, except by governments, participated in the picture. The aerial squadron comprised 37 planes, including more than 40 true war-type ships. The air fleet included German Fokkers, British T. M. S. E. 5's, Avons, De Havillands, Sophas, a German Gotha bomber and a Zeppelin.

A total of 127 pilots, and as many mechanics, were employed during the 18 months filming of action above the clouds. The pilots included nearly every stunt flyer and former war ace in the United States.

New George O'Brien Picture, "Hard Rock Harrigan," Teems With Thrills

What is said to be George O'Brien's outstanding screen achievement opens a two-day run at the Palace Theatre tomorrow

Friday, closing Saturday. The film, "Hard Rock Harrigan," has the Colorado River aqueduct as a background and tells a brand new type of story in a brand new way, crammed with action and alive with thrills and plenty of excitement.

The story deals with a feud between a husky hard rock drifter, portrayed by George O'Brien, and his tunnel boss, played by Fred Kohler. The men are engaged in drilling a tunnel through a mountainside to complete a gigantic aqueduct project. The action occurs principally in a construction camp, deep in the interior of the tunnel.

The talented Irene Hervey appears as O'Brien's leading lady who operates the camp commissary. Miss Hervey's charm and beauty lend a welcome contrast to the rugged and untamed background, where the "hard rock" men fight nature in the raw.

"Orchids to You" Has Powerful Theme With Unusual Background

One of the most unusual romantic dramas ever to come out of Hollywood is Fox Film's "Orchids to You," which comes to the Palace Theatre Tuesday and Wednesday of next week. With a brilliant cast, sparkling dialogue and a most novel setting, the picture has been declared a smash-hit by previewers.

In "Orchids to You," John Boles, the screen's most popular singing star, plays the role of a clever society lawyer. He thrills audiences with his fight to oust a pretty girl florist from her prosperous business. The way he wounds her—and then wins her—is the best post-graduate course in love that can be imagined!

Jean Muir, one of the foremost of filmdom's leading women, has the part of the beautiful florist, Charles Butterworth, the comedy favorite of millions of movie-

goers, has the role of a "deadpan" cowboy, who proposes every Tuesday—just for practice.

Ruthelma Stevens, Arthur Lake and Harvey Stephens are the other featured favorites in the cast.

CROP PLANTED FOR GRAZING PAYS EXCELLENT DIVIDENDS

ALICE, Tex., Nov. 20.—F. L. Jennings on Charles Mull's pure-bred Hereford ranch near Alice in Jim Wells county, planted eight pounds of Rhodes grass per acre on 50 acres of additional land in February, 1935, and has grazed it for two periods and also secured two cuttings of hay.

In the spring of 1935, about 60 head of cattle grazed this pasture down, thus causing the grass to spread. In the summer, a cutting of hay was made and stacked loose without weighing. Cattle were grazed during the summer again and removed later to allow a hay crop to develop. In early October, one and a half tons per acre of bright hay were cured.

"I was well repaid for planting this crop for grazing," Jennings said, "and in addition I secured

two hay crops." This ranch has several fields of Rhodes grass and will have more next spring.

THE DOCTORS ARE RIGHT

Women should take only liquid laxatives

Many believe any laxative they might take only makes constipation worse. And that isn't true. Do what doctors do to relieve this condition. Doctors use liquid laxatives.

THREE STEPS TO RELIEVING CONSTIPATION

I II III

A cleansing dose today, a smaller quantity tomorrow, less each time, until bowel's need no help at all.

laxatives, and keep reducing the dose until the bowels need no help at all.

Residual damage is the secret of aiding Na-Care in restoring regularity. You must use a little less laxative each time, and that's why your laxative should be in liquid form. A liquid dose can be regulated to the drop.

The liquid laxative generally used is Dr. Caldwell's Syrup Pepsin. It contains senna and cascara—both natural laxatives that form no habit even with children. Syrup Pepsin is the nicest tasting, nicest acting laxative you ever tried.

SPORTS

And now comes the big game of the year. Tomorrow (Friday) the Ballinger Bearcats will go to Winters to meet the Blizzards in the closing game of the season. The championship is not at stake but the teams will meet as the same bitter foes as in previous encounters.

The San Saba Armadillos showed Ballinger fans last Friday that they are a team of real championship calibre and for 60 minutes "poured it on" the Bearcats to clinch the championship title for the first time. The Armadillos begin their bi-district games Thanksgiving week.

The Winters Blizzards perhaps rate as the strongest team in the district, not excluding the San Saba champions. The Blizzards are the heaviest aggregation in the district and have a raft of reserve material. They are rated about 4 touchdowns better than the Bearcats, but there is no hope on the Bearcat-Blizzard games and on many occasions the underdog has whipped the favorite.

The Ballinger schools will be dismissed at noon tomorrow so the pep squad, band and students can attend the game. Much transportation is needed and fans are requested to assist in taking the students to Winters.

Captain "Bull" McMillan will end his high school football career tomorrow (Friday). He has played four years and for the past two years has been a triple-threat man of all-district merit. This year he has played with an inexperienced team. He has had much of the offense and defense to do as well as the passing and kicking, and in the last two games directed the play. He deserves a place on the all-district honor roll this season and will be the choice of many coaches and sports writers for a berth in the back-field.

Tickets for the Winters-Ballinger game are on sale here and local fans should secure them before going to Winters. It will save waiting in line at the box office at Blizzard Field. Adult tickets may be bought at Weeks Drug Store and student tickets at the senior high school. Regular admission prices of 25 and 50 cents are charged.

BUS LINE MANAGER IS VISITOR HERE

L. C. Eastland, vice-president and general manager of the Bowen Motor Coaches, which operate the Robertson Bus Lines, attended to business in Ballinger Monday. He will operate a bus through here Thursday to pick up citizens between Brownwood and San Angelo to assist in a hearing at San Angelo to show why three busses each way a day are needed on the line. If the request is granted by the state railroad commission this extra service will be incorporated by Bowen.

Red Cross Roll Call In Business Section Gets Total of \$229

The first check-up on the local Red Cross roll call, made Tuesday afternoon, revealed a total of \$229.75 collected in the business district. Committees from the Lions and Rotary clubs took charge of the solicitation and while they had not completed the drive the downtown district had been canvassed one time. These committees will make another canvass to see those who were not in on the first call.

W. O. Wallace, roll call chairman for Ballinger, met with members of the local Parent-Teacher associations Tuesday and appointed women to make a canvass of the residential sections of the city. One committee will take from Tenth Street west, another from Tenth Street through Seventh Street to the east, and the third from Broadway to Fourth Street.

Mr. Wallace believes the quota of 300 memberships will be obtained by the end of the week and urges everyone who has not joined to see some member of the committees and enlist as soon as possible.

It has been difficult to secure workers who could spare enough time to make a person-to-person canvass of the city and for this reason those who have not been contacted are urged to mail their checks or hand their fees to committee members.

The roll call ends on Thanksgiving Day but it is hoped to conclude the campaign here before that date.

Coughs Go-

Often Overnight When You Take the Right Thing

But adults can't expect real results from the sweet syrupy concoctions that you'd give to a child.

As a matter of fact, that powerful yet smooth, creamy creosote emulsion known to druggists as Bron-chu-line Emulsion is not loved by children; it's a medicine for grown-ups, but it sure gives results and speedily, too. Get a bottle at Weeks Drug Store tonight and put it to work at once—it strikes right at the source of the trouble—satisfaction guaranteed.

Mr. and Mrs. H. T. Forson left Tuesday noon for Clifton to attend the funeral of Mr. Forson's grandfather.

Mr. and Mrs. George Golightly attended the Simmons-Howard Payne football game at Brownwood Saturday.

Hardly the Proper Holiday Spirit

Can you imagine that! Thomas Turkey sulking after millions of people have invited him and his feathered friends to their Thanksgiving dinners!

That's gratitude for you. While this bird in the hand means a hearty holiday dinner for Nedra Christensen, the turkey seems to have a dark suspicion he's going to get it in the neck, somehow.

San Saba Takes District Crown by 32-0 Score

The San Saba Armadillos became the champions of district 18-B here Friday afternoon with the decisive win of 32 to 0 over the Ballinger Bearcats. The light but fast aggregation from San Saba took an early lead and continued to sew up the play for four quarters, exhibiting a championship brand of football.

Coach Andrew Locklear turned his boys loose to show everything they had and it was the first Armadillos came back to drive time in many years that four backs, all capable of carrying the ball, blocking, and with a flash of speed, have been seen on the local gridiron.

A goal line drive was started early in the game which carried the ball to the 5-yard line where it went over to Ballinger on blocked and Perry was through the line and recovered it behind his boys' heads to show everything they had and it was the first Armadillos came back to drive time in many years that four backs, all capable of carrying the ball, blocking, and with a flash of speed, have been seen on the local gridiron.

ton, was good for the second counter.

The Bearcats were driving hard at the Armadillos' goal line when a Bearcat pass on his own 10-yard line and raced 90 yards for the third touchdown of the game. The visitors scored two other touchdowns in the second half, one on line bucks and the other on a pass to Ponton.

The locals kept their fight up all through the game and put up a much better front than indicated by the score. First downs were nine for the Armadillos and eight for the Bearcats, and twice the Ballinger lads carried the ball in the shadow of their opponents' goal only to lose it a few feet short of a counter.

The Ballinger passing attack was well smothered and while McMillan rained the air full of passes, there was seldom a man in the open for his throw.

McMillan played his greatest game of the year and often ripped good gains through the San Saba line or around end. His defensive work was even more outstanding. He did all the passing and kicking and acted as field general for the afternoon.

The San Saba club completed its schedule Friday with one tie game checked against its record. The Armadillos will rest until ordered into the bi-district play Thanksgiving week.

The Bearcats and the Winters Blizzards will meet at Winters tomorrow (Friday) afternoon in the last game of the season. The Blizzards hold a big edge over the Bearcats this year, according to the dope, but the local coaches and boys will attempt to again make the underdog the victor.

The line-up of the Ballinger-San Saba game follows:

San Saba	Pos.	Ballinger
Perry	left end	Mallah
Gunter	left tackle	Allen
Walker	left guard	Brookshier

Moore	center	Thorp
M. L. Bagley	right guard	Chapman
Oliver	right tackle	Reese
Ponton	right end	Holt
Watkins	quarterback	Sheffy
Whitt	left halfback	Korenok
Williams	right halfback	Routh
D. Bagley	fullback	McMillan

Substitutes used by Ballinger were West, end, and Byler, guard;

San Saba substitutes were Odom, back; Owen, guard; Melton, guard; and Wells, tackle.

Officials were: Hale (Howard-Payne), referee; Harry Taylor (T. C. U.), umpire; and N. Taylor, head linesman.

Score by quarters:
San Saba 7 13 12 0-32
Ballinger 0 0 0 0-0

Earl Schuhmann went to Brownwood Saturday to witness the Simmons-Howard Payne football game.

R. W. Earnshaw attended to business at Abilene Tuesday.

Mother, I can't Study—My head hurts!

As a usual thing, he is "such a regular guy." He comes home from school full of pep and energy. Of course you want him that way always. But are you protecting his health and safety during the few short months of winter when he must spend his evenings indoors?

That uncomfortable "stuffy" feeling... dullness... lowered vitality... headache—these are some of nature's ways of complaining against improper heating and insufficient ventilation. These are the warning signals that America's Public Health Enemy Number One, the common cold germ, has found another fertile field in which to attack. For your health's sake and that of your loved ones do not wait for these definite signs of warning that the air indoors has become stale. Keep the air you breathe constantly purified with fresh oxygen through adequate ventilation in every room in the house.

Without oxygen man cannot live. Without oxygen, fuel cannot burn. Therefore, if your family "huddles" in one or two rooms around an open flame heater during cold weather with the doors and windows tightly closed, you are violating all the rules of nature, good health and good heating. Sooner or later the occupants of the room and the burning fuel reduce the oxygen content to the point where the room air becomes stale. Without adequate ventilation and circulation the air indoors may become as foul and unhealthy as that of the tenement slums of large cities, even though your home may be the most beautiful in the neighborhood.

A simple and easy method of providing a constant circulation of fresh air is found by opening a window in each room a few inches from the top and bottom. Connecting doors left open between adjoining rooms when the entire house is adequately heated provide a natural circulation of pure warm air from one room to another. Incidentally, fresh, pure air is easier and more economical to heat than "stale" air.

Guard the health of your loved ones with adequate heat and proper ventilation of pure air in every room in the house.

... Community Natural Gas Co.

Tune in each Thursday night at 6:30, WFAA-WBAP, for vital facts to help you guard your family against the common cold germ.

DEATHS

Florence Smith
Miss Florence Smith, 25, daughter of Mr. and Mrs. A. M. Smith, of Maverick, died at the Halley & Love Sanitarium Tuesday evening at 7 o'clock after serious illness of two weeks' duration. Miss Smith had been an employee of the Southwestern States Telephone Company here for the past eight months and was making home with Mr. and Mrs. Gerald Black on Broadway.

Soon after she became ill the young woman was taken to the hospital for treatment but her condition became worse until death relieved her suffering.

Funeral services were held at the First Methodist Church Wednesday afternoon at 2 o'clock. Rev. E. W. Swearingin officiating, assisted by Rev. M. C. Golden and Rev. W. E. Fisher. Interment was made in the Ruppels cemetery.

Survivors include the parents, and three sisters, Mrs. Albert Jackson, Drasco, Mrs. Dabney Tomlinson, Pumphrey, and Mrs. Roy Frazier, Maverick. A number of other relatives attended the funeral.

Funeral services were held at the graveside Monday afternoon for Joe Cotton, 43, who died at 3 o'clock as a result of an automobile accident. Services were conducted by Rev. Harry Moore, pastor of the Lampasas Methodist church.

Decedent was well known in Ballinger and Ruppels county having been reared here and resided here most of his life. Survivors include the widow, who is a niece of M. B. Webb, of Ballinger. Mr. Cotton was a nephew of W. T. Nichols, pioneer resident of this county.

The body arrived at the King-Holt Funeral Home Monday afternoon at 1 o'clock and was held there until time for the funeral services. Interment was made in Evergreen Cemetery.

Funeral services were held at 2 o'clock Monday afternoon for Darby Fox, E. F. Krc, Frank Krc, Fred Mapes, Otto Spreen and Lottie Farris. King-Holt Funeral Home undertakers were in charge of arrangements.

Seat Sale Begins For Benefit Show By Legion Players

Seats go on sale tomorrow (Friday) for the Parent-Teacher Association show, "Dollar Down," produced by the American Legion players. Reserved seats will be on sale at Weeks Drug Store at 50 cents each.

The ticket sales committee announces four prices for the comedy and to be presented matinee and night, Monday, December 2. A matinee will be staged at 4 p. m. for students with the admission set at 10 cents.

At night balcony tickets will be sold at 25 cents, general admission will be 35 cents and reserves 50 cents. The reserved seats will include the first twelve rows and those who desire can have these seats checked and get them any time before 7 p. m. on the day of the show. Members of the P. T. A. will also conduct a downtown ticket sale, making a canvass of the business district.

The play is a vivid picture of the modern American home, featuring a mother and father and their son and daughter who are about grown. It depicts the well-known story of the installment plan of living and the jans which such a procedure may cause in some instances. "Dollar Down," a successful road show for the past two seasons, is presented by the Legion players for the first time in Ballinger.

In addition to the play, good vaudeville, an orchestra and a regular tent show candy sale will be added entertainment.

HUNTERS BOMBARD DUCKS AS SEASON OPENS IN ZONE

The duck season opened Wednesday morning in this zone and a number of hunters hit the tanks and streams in this section looking for game. For the past three weeks there have been many ducks in this vicinity but hunters expect them to move on now that the bombardment has commenced.

Hunters are cautioned that the bag limit is ten this year and that hours are fixed from sunup until 4 p. m.

STORE AIDS MARRIAGES

OSAKA, Japan, Nov. 20.—A department store in Osaka has opened a free "marriage inquiry office."

Rural

BETHEL BEAMS

Everyone is taking advantage of the dry weather and pulling cotton and cutting late feed.

Mr. and Mrs. Shuttlesworth took the basketball girls' team to Valera Friday for a game. The Bethel team was defeated.

Mary Dallas Fox and Tonita Causey, of the first year home economics class, served a three-course breakfast Monday to the other class members, Mrs. H. E. Gassiot, and Bill Mapes, president of the sophomore class, as guest of honor.

Mr. and Mrs. Jerrel McMurray visited Mr. and Mrs. Weldon Doherty over the week-end.

Mr. and Mrs. W. P. Johnson and son, of Bronie, visited in the J. M. Nunley home Saturday night and Sunday. Mr. and Mrs. J. S. Greenhill, Sr., and son, Leon, of Winters, spent Sunday in the Nunley home.

TWELVE BAPTIZED AT OLD-FASHIONED BAPTIST CHURCH

Twelve candidates were baptized by the pastor of the Old Fashioned Baptist Church of Ballinger at the close of the service last Sunday evening. The church has recently completed a new baptistry which will be used at regular intervals during the winter. There will be another baptizing next Sunday at 11 a. m.

The pastor, Rev. Gilbert W. Wilson, will preach at the Barnett school house at 10 o'clock Sunday morning, and at 3 o'clock Sunday afternoon will speak in the American Legion Hall, Winters. He will preach from his own pulpit in Ballinger at 7:15 Sunday evening. At this service he will explain why one woman was baptized twice.

The Bible school has recently completed the book of Acts, and next Sunday morning all departments will study the first chapter of the book of Romans. The Old Fashioned Missionary Baptist Church studies the Bible only because it knows of no better book that could be used. The Bible school begins at 9:45 o'clock each Sunday morning.

Dr. C. P. Stealy, preacher and missionary from Oklahoma City, will preach here at 11 o'clock next Sunday morning. The pastor will be present but gives the hour to Dr. Stealy. Visitors from other churches and the unsaved are cordially invited to attend.

MACLEAN CLAN MAY HAVE GIRL AS ITS CHIEFTAIN

GLASGOW, Nov. 20.—Whether a girl shall be its chieftain is a question threatening to split the famous MacLean clan of Scotland.

Five years ago Colonel Alexander Hew MacLean, chieftain of the MacLeans of Ardgour, Argyllshire, died, leaving no male heir. He was said to have been the best-loved chieftain in the Highlands. He willed his estate of Ardgour to his eldest daughter, Cairiona. Cairiona shortly will be 16. Her mother, the Hon. Mrs. MacLean, assumed that Cairiona, as her father's eldest daughter, would be chieftain of the MacLeans of Ardgour.

The clan association has chosen Commander H. H. MacLean of Burleson, England, as chieftain. Many members favor the girl. The Hon. Mrs. MacLean has opposed the move and has placed the matter in the hands of an attorney.

**SERB RIP VAN WINKLE
ENDS HIS LONG SLEEP**

BELGRADE, Nov. 20.—Vilimir
Yokitch, Serbia's Rip Van Winkle,
has awakened and is enjoying
life among his people once more.
Becoming depressed after the
Christmas festivities of 1931 he
went to bed and slept for three
years. The only sign of an awak-
ening in that time was that he
roused himself to take his meals
when his family insisted on it.
Last October they awakened
him to tell him of the assassina-
tion of King Alexander. This
tragic announcement reduced him
to a depression only to be com-
pared with that at the beginning
of his slumbers. After long weep-
ing he woke up completely, made
a pilgrimage, still weeping, to the
king's burial place, and has now
become not only his own man
again, but an admirer of the new
King Peter.

MESSAGE FLOATS 25 YEARS

ABERDEEN, Scotland, Nov. 20.—
After apparently floating for 25
years a bottle containing a mes-
sage has been picked up by the
trawler Shandwick and delivered
to a fishery board official in
Aberdeen. The glass messenger
was covered with seaweed and
barnacles. The wording on the
paper inside read: "Drifter M. E.
620 Vine, August 5, 1910. Latitude
N. 56.40 longitude E. 2.43. All well."
The bottle was found a short dis-
tance from the Scottish coast.

Calling Cards on short notice.

Methodist Pastor Begins Work Here

REV. W. E. FISHER

Rev. W. E. Fisher assumed the
pastorate of the First Methodist
Church of Ballinger Sunday,
preaching for the congregation at
the morning and evening worship
hours. He comes to Ballinger
from the Denver Heights Church,
San Antonio, where he had been
pastor for several years.

At the last annual conference
Rev. Fisher requested a transfer
into the Central Texas conference
in order to be in the same con-
ference with his son who is also
a Methodist preacher.

Large congregations greeted the
new pastor Sunday and heard
fine sermons delivered both morn-
ing and evening. Rev. Fisher took
time at each service to express
appreciation for the cordial wel-
come extended him by Ballinger
people and also to compliment
them on their church and Sunday
school plant.

Rev. and Mrs. Fisher, accom-
panied by a number of members
of the local church, went to
Brownwood Tuesday morning to
attend a district meeting of pas-
tors and laymen called by the
presiding elder, Dr. J. T. McClure.

The Ballinger church is making
preparations for the visit of
Bishop Hiram Boaz on the first
Sunday in December.

13 Convictions—

(Continued from page 1)

Claud Seals, Floyd Seals and Dar-
rell Slaton.

Wayne Morgan, charged with
driving while intoxicated, was
fined \$50 and costs, totaling
\$73.70, and had his right to drive
a motor vehicle taken away for
six months. John Zak, who
pleaded guilty to a similar charge,
was fined a total of \$123.70 and
deprived of his right to drive an
automobile for 10 days. Arch
Alexander was assessed the same
fine on a drunken driving charge
and will not be permitted to drive
again for six months.

J. W. Jones, charged with for-
gery, was tried before a jury and
given a two-year suspended sen-
tence.

I. E. Gilmore received a two-
year suspended sentence on a
charge of swindling by bogus
check.

Stanley Reed was tried by a
jury on a charge of theft of an
automobile and given a sentence
of two years in the penitentiary.

W. A. Newton received five years
in the penitentiary on a charge
of burglary.

J. D. Echols, charged with
burglary, was assessed a three-
year sentence.

Taylor Williamson, tried on a
driving while intoxicated charge,
was fined \$100 and costs and had
his driving privilege revoked for
six months.

The grand jury reported last
Friday afternoon after four days'
work, returning 26 felony indict-
ments. Twenty-two of these cases
were docketed in district court
and four were transferred to
county court. The grand jury
recessed after making its report
until November 26.

Another venire of 36 men is
called for petit jury service next
Monday at 10 a. m. The venire
for next week follows:

Winters V. A. Class Sponsors Successful Father-Son Banquet

The father-and-son banquet
sponsored by the Winters voca-
tional agriculture class, Future
Farmers of America, was held
Tuesday night in the vocational
building at the Winters high
school. Plates were prepared
for 100.

The dinner was prepared and
served by the girls of the home
economics division of the Winters
school and consisted of three
courses. Those present praised
highly the excellence of the food
and the manner in which it was
served.

Erskine Davis, president of the
class, presided as toastmaster for
the delightful occasion. The main
speaker of the evening was Con-
gressman Charles L. South. Short
talks were made by Fred Bedford,
Carl Henies, County Agent Elmo
V. Cook, County Superintendent
E. C. Grindstaff, Lyle Deffebach,
Harris Mullins, J. M. Williams; J.
I. Moore, vocational agriculture
teacher of Abilene; and E. D.
Stringer, superintendent of the
Winters school.

Mr. Mullins pledged his support
to a vocational project show next
March and donated \$10 toward
starting a premium list fund.

J. M. Williams is the instructor
of the Winters vocational agricul-
ture class and much credit for the
success of the work done by
students in V. A. classes in Run-
nels county is attributed to him.
He was also largely responsible
for the success of the father-and-
son banquet at Winters Tuesday
evening.

ROGERS' MEMORIAL FUND LAGS AS DRIVE NEARS END

The Will Rogers memorial fund
campaign gained interest this
week when local leaders carried it
into the schools and met with
approval by the pupils. Large
posters have been put up in every
room in the local school system
and children will give small sums
to the fund to erect a memorial
to the great humorist.

Other contributions were made
this week by organizations and
individuals but the total amount
received here is small compared
with that reported from other
towns in this section.

Leaders in the movement for
Ballinger and Runnels county
request those who intend to con-
tribute to make their donations
at once so the campaign can be
closed next week and a report
made to the state committee.

MRS. JOE SIMMONS IS REPORTED NO BETTER

The condition of Mrs. Joe Sim-
mons, in a San Angelo hospital,
was reported Wednesday after-
noon to be no better. Physicians
said pneumonia had lessened its
attack but other ailments were
not improved. Mrs. Simmons has
been critically ill for the past four
weeks.

Eighty-nine per cent of the
farm products marketed in this
country are produced by approxi-
mately 3,000,000 farmers; the
other 11 per cent is contributed by
3,000,000 other farmers.

Wingate, J. W. Roach, Miles, J.
A. Morrison, Talpa route 2.

Money Subscribed To Pay Expenses Of Xmas Programs

The finance committee for the
special Christmas programs here
began its canvass Tuesday morn-
ing and after working only a short
time met with such excellent
response that there was enough
money subscribed or in sight to
assure the special campaign. The
committee is composed of Joel
Massie, Clarence Richards, O. C.
Sykes and R. P. Tunnell.

The funds being raised will pay
cash premiums for the best show
windows in two classes, prizes for
the best three entries in the baby
parade, a cash award for the best
yard decoration, and other
expenses connected with the visit
of Santa Claus to Ballinger
December 14.

The other committees will begin
at once lining up entries for the
above window contest, the baby
parade and other special events
included in the series to be pre-
sented in Ballinger between
December 6 and Christmas Day.

On December 6 the formal initia-
tion of Christmas campaign will
be held. Show windows reflecting
the Yuletide spirit will be opened
at 7 p. m. and stores will show
great displays of gift wares.

J. D. Motley, chairman of the
Santa Claus visit committee,
stated that most of the arrange-
ments had been perfected and
that December 14 would be the
date the jolly old gent arrived
here, leading a procession down
the streets at 1:30 p. m.

The baby parade, the big fea-
ture which climaxes the Christ-
mas programs, will be held on the
evening of December 22. The
streets will be lighted as bright as
day for this occasion and more
than 100 kiddies, decked out in
Christmas regalia and riding
decorated toys, will pass in review
along Hutchings Avenue. They
will then be assembled for a
pageant to be presented on a
large stage on the court house
lawn where out-of-town judges
will select the winners.

HOSTILE CANNIBALS MET BY EXPLORERS

CANBERRA, Australia, Nov. 20.—
Harrowing experiences are
related by the exhausted and
half-starved explorers who arrived
recently at Canberra after an
eight-month trip through totally
unknown lands in Northern Papua.

In their journey through a
"wonderland" along the Fly,
Strickland and Carrington rivers,
they found the natives, who are
excellent farmers, friendly and
helpful, but in the cannibal
country the going was rough.

J. G. Hides, who headed the
expedition, describes the cannibals
as tall, strong and formid-
able. They were armed with
stone battle-axes and daggers
made out of human thigh bones.
They were exceedingly hostile and
everywhere refused to give the
explorers food.

The American continent has
expanded in breadth about 40
feet in the last nine years.

Construction Begins On Bridge Project In Winters Precinct

Construction was started Tues-
day on the Bluff Creek bridge,
one mile east of Winters on the
Winters-Crews road. This WPA
project will employ 65 men for 4
months. Approval of the contract
was for an expenditure of \$15,365
with the federal government pay-
ing \$10,658.50 and the county
\$4,697.50.

The bridge, to be 200 feet long,
will have six rock piers and the
rest of the structure will be rein-
forced concrete consisting of five
spans. Included in the project is
an allowance to change the chan-
nel of the creek and construct
1,200 feet of road.

The bridge will tie into a road
job being done by the state which
will build six miles of highway
leading into Winters.

The work to be done will be in
precinct 3 and Joe Mapes, com-
missioner, will supervise with the
aid of the county engineer, Towne
Dickinson, who drew the plans
and filed the application.

One WPA job is under construc-
tion in Ballinger. Several stone
underground storm sewers have
been completed and two others
have been started.

The project here to construct
storm sewers on Hutchings
Avenue from Tenth Street to the
Colorado River has been given
final approval and will be started
as soon as labor is available. The
job will require 35 men for several
months and one starting date has
already been set and postponed
because of lack of labor.

Thanksgiving Dinner and Supper

With Turkey and all the trim-
mings, only 35c per plate.
MRS. EMMA NASH
21-21

Union Thanks Service to be Held at Baptist Church

Citizens of Ballinger will join in
a union Thanksgiving service at
7:30 next Sunday evening at the
Ballinger Baptist Church. The
Sunday evening service is replac-
ing the Wednesday night service,
customary in the recent past, and
local churches will dismiss their
evening service to join in the
union meeting.

A combination service of music
and sermon will be held this year.
The Ballinger Music Club is to
have charge of the first part of
the program, presenting a Thank-
sgiving cantata. A group of singers
from this organization will be
supplemented by a number of
local men's voices. The cantata
will be under the direction of
Mrs. O. L. Sims, of Paint Rock,
with Mrs. L. Schermerhorn at the
console.

Presentation of the cantata,
"Thanksgiving and Praise," will
require about 40 minutes. A chorus
of 25 voices has been practicing
on the script for the past week.
Mrs. Sims, Mrs. Arthur Giesecke,

Mrs. Troy Simpson, Rev. Wallace
Jones, Jack McKay and Troy
Simpson singing the solo parts.

The Thanksgiving message will
be delivered by Rev. Wallace
Jones, pastor of the First Chris-
tian Church. All other preliminary
parts of the usual program will be
eliminated.

Jack Nixon, chairman of the
Red Cross chapter and the charity
board, will make a statement
which will require only a few
minutes.

The church auditorium will be
opened to handle a capacity con-
gregation and the public is invited
to attend this service. There will
be no other special service held in
connection with Thanksgiving
here.

A California winery sent a
"sample" of wine to the Utah
liquor commission weighing a ton,
but the commission declined to
accept it as a sample because of
its quantity and lack of storage
space.

WILL ROGERS MEMORIAL FUND

Local Committee for Runnels County

Date

TO THE BALLINGER LEDGER:

Wishing to have a part in perpetuating the memory of
one of our most beloved and useful citizens, I enclose here-
with my contribution of _____ to the
Will Rogers Memorial Fund. I understand that this gift will
be added to others from Runnels county and will go without
any deductions, whatsoever, to the national fund to be
expended, also without any deduction, as the memorial
committee may determine.

HAS YOUR ADDRESS CHANGED RECENTLY?
 Ledger subscribers are requested to notify the publisher of any change in their addresses promptly.
 Under the new postal laws newspapers and periodicals must pay postage due for notices of any change in addresses furnished by the postoffice. Besides, there is always the probability that your paper will be delayed or fail to reach you altogether if you do not give immediate notification when you move.
 The best plan for all concerned is send the change of address in advance.

The cotton picking season in this county will be prolonged because many pickers left here during the recent rainy "spell." For over three weeks pickers got in only about half time and many of those here for the season own farms in South Texas and returned to do their fall plowing. Much of the cotton remaining in the field will be gathered by local people.

Shipments of dressed turkeys from this county were much lighter this fall than in previous Thanksgiving seasons. Growers profited, however, because of good prices and because it has been an ideal year for raising turkeys. The range was good all summer, the birds required very little attention, and were in excellent condition when the market opened. Practically all birds sold on the Thanksgiving market were classed as No. 1s.

Merchants are beginning to unpack and display their Christmas merchandise. It is just about one month before the annual gift giving time and the age-old slogan of "shop early" is again invoked. Few heed this advice, however, and at the last moment wish they had bought before the final rush. Local merchants will feature the largest variety of gift goods stocked here for years.

The annual Thanksgiving observance here has been changed this year and citizens are bidden to attend a union service on the Sunday evening before the holiday. In previous years attendance at the service on Wednesday evening preceding Thanksgiving has become smaller and smaller until last year only the ministers of the city and a few others were present. The program for this year's service will be made as brief and attractive as possible and those in charge are hoping a great throng will be present.

Citizens of the Offen community for years have staged a great program and dinner on Thanksgiving Day. This year they began plans for the annual event weeks before time so that nothing would be overlooked to make the occasion successful. They will feature a dinner which has become famous and are expecting heavy patronage. This is an attraction that is looked forward to with pleasant anticipation by many people in this section. In the afternoon the auction sale will be held and an entertainment program presented and supper will be served late in the afternoon. An invitation is extended to the public to enjoy this holiday with the Offen people.

WOMEN MAKE CHEESE FROM SURPLUS MILK

GEORGETOWN, Tex., Nov. 20.—From surplus milk, Mrs. R. S. Caskey, farm food supply demonstrator for the Center Point home demonstration club in Williamson county, and her daughter, Merle Caskey, have made more than 100 pounds of American cheese, according to Miss Beattie L. Vogt, home demonstration agent.

Mrs. Caskey says that the home-made cheese helps out with the protein requirement in her food budget, as cheese takes the place of meat and can be easily prepared at home. She has her own cheese press and prepares a good product. Five gallons of whole sweet milk make about four and one-fourth pounds of American cheese, she states.

WEST TEXAS NEWS NOTES

Plans are being perfected at Junction for reorganization of a retail merchants' credit association. The charter and by-laws for the new set-up are being drafted and it is expected that the organization will begin functioning soon. The new association will probably be called the Credit Rating Bureau and charter members are to include most of the leading merchants of the city.

Work will commence within the next 30 or 40 days on a second WPA project of nine blocks of street paving in Coleman. Funds for financing the project are being supplied by the federal government and the city. The federal appropriation will be over \$18,000 and the city will pay \$4,182.

One of the heaviest rigs in the state is being constructed for a wildcat test on the Murchison ranch in Menard county. The promoters state that all new equipment is to be used and that at any time necessary they can drill to a depth of 6,000 feet. It was announced if necessary they might spend as much as \$100,000 in developing the surrounding territory.

A two-story brick and tile fire station is slated for Brownwood under recent approval from WPA headquarters. The building will cost approximately \$9,000. Work will begin at once with 33 laborers being employed until February 15, date set for completion.

Brady business men intend to revive interest in their city as a turkey center. For several years Brady was famous for its turkey trot, but the producers lost money on the attraction and next year the Brady Chamber of Commerce will sponsor a turkey show with prizes of \$250 offered to winners in various classes. Complete details have not been worked out yet, but city officials promise the producers a real show with lots of advertising and interest.

While most West Texas counties show a decrease in the number of bales of cotton ginned to date as compared with last year, Concho county gins have turned out more bales. The latest census report reveals that from the 1935 crop 7,852 bales were ginned prior to November 1, as compared with 6,363 bales to the same date last year.

Although out of the generally defined limits of West Texas, an item in an Alamo Hidalgo county newspaper states that a farmer of that county is experimenting with

Nervous, Weak Woman Soon All Right

"I had regular shaking spells from nervousness," writes Mrs. Cora Sanders, of Paragould, Ark. "I was all run-down and cramped at my time until I would have to go to bed. After my first bottle of Cardui, I was better. I kept taking Cardui and soon I was all right. The shaking quit and I did not cramp. I felt worlds better. I gave Cardui to my daughter who was in about the same condition and she was soon all right."

CARDUI
 Thousands of women testify Cardui benefited them. If it does not benefit YOU, consult a physician.

Hints for the Farm
 Extension Service A. & M. College

CROCKETT—In addition to supplying her own pantry with 1,091 containers of food, Mrs. Bill Milwee, 4-H pantry demonstrator for the Center Hill home demonstration club in Houston county, has helped 16 non-member families and two club families to can 2,500 cans of fruits and vegetables. She charged a small toll for her services and helped to fill her own pantry.

Mrs. Milwee, with the help of her husband, has solved the storage problem by building a small log house about 8 by 10 feet. It is lined with shelves spaced ten and one-half inches apart on which the products are stored. Mrs. Milwee also has 250 pounds of dried peas and beans stored and treated to prevent weevils.

CLEBURNE—Chicken feed sacks, a slab of thin pine for buttons, thread, an old belt, and red lacquer were used by Miss Lovada Bishop, of Johnson county, in making a dress at the cost of 10 cents for thread and enamel, according to Miss Agnes Roberts, home demonstration agent.

The sacks were bleached and resembled a rough crash weave. The buttons were covered in two inch discs, large eyes bored in them, and the buttons lacquered in red. The belt was also given a coat of the red lacquer.

WEATHERFORD—Good soil preparation is responsible for the remarkable growth of the shrubs in my yard this year," Mrs. A. J. Davis, of Parker county, told Miss Janie Parks, home demonstration agent.

Early last fall the beds were dug all around the house. They are three feet deep and about four and one-half feet wide. The clay was removed and the bed was filled with good soil and barnyard manure.

\$20,000.00 WORTH OF TYPEWRITERS

Nearly twenty thousand dollars worth of typewriters alone have been purchased by Draughon's Business Colleges at Dallas, Wichita Falls, Abilene, and Lubbock during 1935—showing the bigness of these institutions brought about by the outstanding success of many of their graduates. Many more thousands are invested in other facilities for giving ambitious young people practical education in the shortest time and in creating a demand for their services when they are ready for positions. Clip and mail, with name and address, to nearest Draughon's College above, for Special money-saving and time-saving plan; or see this paper about a Special Scholarship.

VILLAGE IS FOR SALE

BERLIN, Nov. 20.—The entire village of Weerhof is to be placed on sale by the public receiver. A few years ago the forty persons in the district, who make their living by weaving, formed a cooperative society. The officials absconded, leaving debts of \$50,000. Creditors have obtained a court order for the sale of all land, houses and goods in the village.

For the first time in a number of years, a McCulloch county turkey will be served at the Thanksgiving dinner of President and Mrs. Franklin D. Roosevelt. Through arrangements made by the Brady Chamber of Commerce a select gobbler is on its way to the White House for the chief executive's dinner November 28.

ON TEXAS FARMS
 By Minnie Fisher Cunningham
 Extension Service Editor

Harry Lee Beakley, 4-H club member of Northwest in San Saba county, reports a yield of 38 bushels of corn per acre. "This," says his father, E. C. Beakley, "is much above the community normal production where 25 bushels is considered good." He attributes Harry Lee's good crop to good seed, use of fertilizer, and proper cultivation.

Lowell Echols, president of the Rangerville 4-H club, in a speech to the San Benito Rotary Club said, "I had 20 acres, of which I rented nine to the government and planted 11 to cotton in 1934. On the 11 acres of cotton I made \$602.35, and from the rented acres \$54.83."

"Last year, I also had a flock of 150 hens which averaged in 11 months' time 129 eggs per hen. This spring I culled the flock and in the eight months since then the flock has averaged 196 eggs per hen. Culling alone is not responsible for this difference but better feeding methods and flock management have helped."

Marie Mertz, first year 4-H club girl of San Gabriel, planted 3,008 feet of 28 varieties of vegetables which produced 2,992 pounds. "My pantry contains 1,128 containers and 582 I canned with the help of mother. I brined 15 gallons of cucumbers. I did this with my school work, but many times I stayed up until 11:30 at night waiting to take the cooker off," Marie states. From her garden she sold \$14.07 worth of vegetables and earned 256 containers for non-club members.

TEXAS COTTON PRODUCERS RECEIVE CERTIFICATES

COLLEGE STATION, Nov. 20.—Approximately 3,000,000 cotton sales certificates have been distributed in Texas to extension service county agricultural agents' offices.

According to F. E. Lichte, assistant chairman of the state allotment board at College Station, the county agricultural agents are busy identifying these sales certificates with Bankhead allotments on the cotton crop of 1935.

Cotton adjustment payments are figured as the difference between the average price of the 10 spot markets on the date of sale and 12 cents. The check will be made to the producer who made the Bankhead application and he in turn will distribute tenant and cropper their share.

Lichte said that many producers were asking that, if they put their cotton in a 10 cent loan, would they get their cotton adjustment payment. He explained that producers would receive payment as claimed on cotton sold prior to July 31, 1936.

"If a producer doesn't clear his

loan and it runs beyond July 31, 1936, he will receive payment on quotation of July 31, 1936, and will be paid the amount of claim less carrying charges," Lichte further explained.

After November 8, 1935, all sales certificates must be filed in the county agricultural agent's office within seven days from the date of sale.

As a note of interest, the assistant chairman of the state allotment board said that approximately 500,000 second rental cotton checks have been received in Texas.

CLEANING OUT UNDERBRUSH IMPROVES WOODS PASTURE

KOUNTZE, Tex., Nov. 20.—By burning out stumps and clearing out underbrush, Judge A. L. Bevil, of Hardin county, has doubled the carrying capacity of a 20 acre pine woods pasture, according to W. P. Barrett, county agricultural agent. The pasture is seeded with white Dutch and Persian clover and lespedeza.

Five years ago the pasture was covered with scrub pine and undergrowth but today half of the 20 acres can be mowed, and is mowed regularly to keep down weeds.

Are YOU HAPPY After Meals
 Or Do Gas on Stomach and Sour Stomach make you Miserable?
 Too much food, or the wrong kind of food, too much smoking, too much beer, make your body over-acid. Then you have distress after eating, gas on stomach, heartburn, sour stomach.
ALKA-SELTZER relieves these troubles promptly, effectively.
 Use Alka-Seltzer for Headache, Colds, Fatigue, "Morning After Feeling," Muscular, Sciatic and Rheumatic Pains.
 Alka-Seltzer makes a sparkling alkaline drink. As it contains an analgesic (Acetyl-Salicylate) it first relieves the pain of everyday ailments and then by restoring the alkaline balance corrects the cause when due to excess acid.
 Alka-Seltzer tastes like carbonated mineral spring water—works like magic. Contains no dangerous drugs... does not depress the heart... is not laxative.
 Get a drink of your Drug Store Soda Fountain. Keep a package in your home medicine cabinet.

SOCIETY.

Two Are Hostesses to Workers' Class

On Tuesday afternoon of last week Mrs. W. W. Chastain and Mrs. Corrie Simmons were joint hostesses to the Workers' Class of the Methodist church school, entertaining in the home of the former on Seventh Street.

Chrysanthemums graced rooms where members assembled for the business meeting and the informal entertainment which followed.

A salad course with coffee was served by the hostesses to: Mmes. John Weeks, J. S. Jones, R. W. Bruce, John Currie, Ed O'Kelly, E. C. Baskin, C. P. Shepherd, Henry, E. L. Hagan, Hamp Byler, T. M. Marsh, John Loveless, H. C. Lyon, I. Vancil, W. H. Vanderpool, W. E. Midgley, and Miss Alice Morgan.

Miss Batts Hostess to Bachelor Girls

The Bachelor Girls Club was entertained by Miss Louise Batts Tuesday evening in her home on Ninth Street.

Turkeys in miniature were used in room decorations and in art adorned all game accessories. With games bid and won, partners drew for high and received awards.

A molded salad course with a spiced fruit drink was served to: Misses Maurine Tipton, Griffie Atkins, Fay Clark, Eugenia Baskin, Vernie Downing, Jeffie Bell, Nadyne Sonricker, Lucille Williamson, Elizabeth Parker, Maggie Herring, Vhelma Parrish and Margaret New.

Virginia Baker is Six

Due recognition was given the sixth birthday anniversary of Virginia Baker Wednesday afternoon when Mrs. Earl Baker was assisted by her mother, Mrs. R. A. Nicholson, and aunt, Mrs. Willie Stephens, in entertaining a group of children in her home on Seventh Street.

Suckers and balloons were favors and the pretty birthday cake led in white, with decorations and rose holders in yellow was cut and served with ice cream.

Included were: Virginia and Earl Joe Baker, Brookste Anne Rhoden, Natham and Betty Jean Ryan, Mary Brian Woody, Richard Harris, Betty Joe and Mary Catharine Jones, Bobby Parr, Catherine Clampitt, Martha Saunders, Mary Frances Clark, Mary Belle and Jimmy Richards, Guy Middleton, Jr., Dorothy Ann Holliday, June Wright, Travis Daniels, Mary Catharine Sturges, Elizabeth Wear, Mary Jo Forman, Dorothy Bruce, Bonnie and Mary Lou Davis, Mary Elizabeth and Dean Albright, Clifford Orr, Jr., Mary Gladys Armstrong, Charles Bailey, Shirley Anne Brown and Edna Mae Duncan.

No-Host Affair for Club

A no-host supper followed by games of contract was given by club members in the home of Mr. and Mrs. Ralph Payette on Tenth Street last Friday evening. Guests were: Messrs. and Mmes. Payette, Rothal O'Kelly, W. D. Hooper, Henry Doss, Sam Dunlap, Pete McKenzie, Cicero Smith, and Mr. Edward Sommer.

Philathea Class in Social

Mmes. R. W. Earnshaw, M. S. Patrick, M. L. Forgey, C. G. Jennings and Sam Behringer, and Miss Zadie Royalty were hostesses on Tuesday evening to Methodist Philathea Class members in the Earnshaw home on Eighth Street.

Roses and chrysanthemums decked reception rooms where Mrs. Cal Adair presided over the business session during which the class voted to make a donation to the Will Rogers memorial fund and to provide a Thanksgiving meal for a needy family. Christmas packages for the orphan boy at the Methodist orphanage at Waco were brought. The class has supported this same boy for several years.

Ambrosia and cake was served to twenty-five.

Luncheon for Rev. and Mrs. Fisher

Rev. and Mrs. W. E. Fisher were named honor guests by Mr. and Mrs. R. W. Bruce Wednesday when they included a group of close friends in a luncheon given

For Bad Feeling Due to Constipation

Get rid of constipation by taking Black-Draught as soon as you notice that bowel activity has slowed up or you begin to feel sluggish. Thousands prefer Black-Draught for the refreshing relief it has brought them. Mrs. Ray Mullins, of Lufe, Ark., writes: "My husband and I both take Theford's Black-Draught and find it splendid for constipation, biliousness, and the disagreeable, aching, tired feeling that comes from this condition." With reference to Syrup of Black-Draught, which this mother gives her children, she says: "They like the taste and it gave such good results."

BLACK-DRAUGHT

Takes Sand, but It's Great Fun!

There are no chilling, wintry blasts to spoil Cecilia Parker's fun while sled riding. All this pretty film player does is grease the runners of her sand sled and any sloping California beach provides a good place to go coasting.

in the Central Hotel banquet room.

Late fall blooms were used to decorate the large room and a beautiful arrangement in rich autumn shades centered the long table where colonial cards marked places.

The turkey menu was served in four courses to: Rev. and Mrs. Fisher, Mr. and Mrs. Bruce, Dr. and Mrs. J. G. Douglass, Mr. and Mrs. C. P. Shepherd, Mr. and Mrs. John Weeks, Mrs. Ed O'Kelly, Mrs. John Currie, Mrs. H. J. Luckett, Mr. and Mrs. R. W. Earnshaw, Mr. and Mrs. Robert E. Bruce, John Weeks Earnshaw, Dorothy and Bobby Bruce.

Birthday Party for Gwendolyn Morgan

Mrs. Malcolm Morgan entertained Monday night in honor of her daughter, Gwendolyn, who was celebrating her eighth birthday. After several games and contests the gifts were opened and refreshments of cake and ice cream were served.

Invited to this delightful affair were: Patricia Ann Richards, Elaine Green, Peggy Ann McGregor, Virginia Bagby, Frances Hammond, Winnie Merle Adair, Eloise Dankworth, Milton Dankworth, John A. Kilough, Jimmie Allison, Ben Sims Parrish, Willis Dell Ransberger, and the honoree. Mrs. Morgan was assisted in hostess duties by Mrs. Paul Gregory.

Mrs. Lynn Hostess to Triple-Four

Mrs. Harry Lynn was hostess at a prettily appointed party Wednesday afternoon to her contract club and a group of added friends, entertaining in her home on

Seventh Street.

Brightly colored autumn leaves and redwood berries were used for room decorations and centered madeira-laid tea tables where a chicken salad course was served with coffee. Game accessories stressed the same colors.

Included were: Mmes. K. V. Northington, R. W. Earnshaw, J. A. Schnable, Ross Murchison, Estes Lynn, E. W. Stasney, H. G. Agnew, Claude Stone, J. H. Stripplin, Alex McGregor, J. C. Sturges, Jr., W. B. Woody, J. C. Richards, Ralph Erwin, Bruce Creasy, Paul Trimmer, F. M. Pearce, Albert Fryar, Elmo Cook, George Holman, Alex Saunders, L. R. Tigner, Troy Simpson, Miss Virginia Holman. Misses Dorothy Lynn and Marcella Fryar assisted Mrs. Lynn.

"DITCH" SILAGE IS CHEAPER AND BETTER, SAYS FARMER

CANYON, Tex., Nov. 20.—Silage in a "ditch" silo is cheap cow feed according to R. O. Allison, a dairy farmer who lives west of Canyon in Randall county.

Mr. Allison has just finished filling a 100 ton ditch with grain sorghum at a total cost of \$2 per ton. This included 40 cents a ton paid for the operation of a cutter. He estimates the cost of filling the silo at about the same as the cost of cutting, shocking and stacking the same acreage of feed in the dry state.

Last winter, Allison paid \$17 a ton for poor quality roughage to feed his cows. He says this silage will be better as well as cheaper.

Mr. and Mrs. Robert Lusk attended the football game at Brownwood Saturday and visited their son, Robert, Jr.

Local Hunters—

(Continued from page 1)

lespie county Tuesday morning, bring home "the bacon." Each man got two deer each, a total of six big bucks, and one turkey gobbler was killed by Mr. Morgan. The men hunted on a ranch where they have been going for several years and reported conditions there ideal.

H. C. Lyon and C. L. Howell returned Tuesday from Mason county after hunting for three days with a party on a private lease. Other members of the group, including Hamp Byler and Hugh Campbell of Ballinger, and a Brady man, remained two more days. Mr. Howell brought in two fine bucks and Mr. Lyon got a 7-pointer. The party had killed six deer Monday afternoon.

W. O. Wallace and O. C. Sykes of Ballinger, E. O. Sykes and Mr. Mitchell of Quanah, left Wednesday afternoon for Mason county to spend the remainder of the week hunting deer and turkey. They took a complete camping outfit and will enter one of the largest ranches in that section.

Mr. and Mrs. Elmo V. Cook returned Monday evening from Llano county, where they spent two days hunting deer. Mrs. Cook bagged a 3-point and an 8-point buck while Mr. Cook succeeded in killing a 6-pointer to make a very successful trip for the couple.

H. B. O'Kelly spent a few days hunting in Mason county recently and returned home with a big buck. Hammond was with a party of hunters from another section and all had fair luck.

Mrs. A. B. Stobaugh has received a card from her husband, who is hunting in the Chisos Mountains, saying that he had one buck and would remain to hunt a few days more.

Rev. W. H. Doss, chaplain of the state Senate, returned home Friday after a two months' stay in Austin.

Miss Geneva Karr, teacher in the local schools, has been called to Brownwood to be at the bedside of her mother, Mrs. J. L. Karr, who is critically ill with pneumonia.

Christmas Seal Sale Drive Gets Underway

Letters are being sent out this week to teachers, trustees and patrons of all the schools in the county by the Runnels County Public Health Association as the first move in the drive for the sale of Christmas seals. Each year this organization conducts a campaign to raise money to use in the county and state for the fight against this disease.

County Chairman E. C. Grindstaff stated Wednesday that it is hoped that 75,000 Christmas seals will be sold in Runnels county this year. The little stickers sell for 1 cent each. The sale commences November 27 and continues until Christmas. If all the seals are sold which were allotted to Runnels county this county will get \$487.50 which will be used to further the fight against tuberculosis in the county and the balance will go to the Texas Tuberculosis Association.

Some facts concerning tuberculosis and the work of the state units in its fight against the disease are given below in an address made recently by Dr. Elva Wright, president of the Texas Tuberculosis Association, at a conference of workers:

"Death stalked into 4,000 homes in Texas last year and claimed in each a victim for tuberculosis.

"If the same number of people were killed by hurricane or flood or some spectacular disaster the news would be blazoned across the pages of every newspaper in the country and money from every available source would pour in to aid the stricken families. A smallpox or yellow fever epidemic of the same proportions would cause concern throughout the nation. How long it is asked, will Texas citizens remain indifferent to this yearly loss of life in our state from a disease that is both preventable and curable?"

"The seal sale in Texas in 1934 amounted to \$60,000. This money was used for the tuberculin testing and X-raying of school children to discover early infection in

time to prevent disease, for clinics, nursing, hospitalization and education. Texas' quota this year is \$65,000.

"Much more than that amount is needed for an adequate program to control tuberculosis in this state, however, an increase of \$5,000 in the seal sale will enable us to extend our work to cover a few more counties and help, we hope, to reduce further the number of deaths from tuberculosis in Texas.

"One Christmas seal dollar usually does the work of two expended under ordinary circumstances. This is because so many doctors, nurses and lay leaders in the campaign against tuberculosis donate their services to the cause. None of the officers or members of the board of directors receives a salary or monetary recompense. X-ray laboratories, drug and hospital supply houses ordinarily sell to the tuberculosis association at cost, or below, many of the supplies used. Newspapers give free space. In many Texas cities the tuberculosis association is given free quarters, heat and light. All this enables us to do with \$60,000 approximately \$120,000 worth of work in the campaign.

against tuberculosis. It is sound economy, in my opinion, for the citizens of Texas to purchase Christmas seals."

BETTER PROFIT MADE WITH HOGS ON CORN-HOG CONTRACT

DENTON, Tex., Nov. 20.—E. H. Tatum, Denton county farmer, has profited greatly through his corn-hog contract and has entered into the extension service feed saving program in a big way on his 580-acre farm, according to G. R. Warren, county agricultural agent.

"I fattened 153 home produced shoats in 1933, but made very little profit on them," Tatum said. "Since making my corn-hog contract I have reduced the number of my brood sows and this year fattened only 56 pigs. These 56 pigs at an average weight of 225 pounds and a top market price of \$11.25 have made me much more profit than my 153 head fattened in 1933."

Tatum produced barley, wheat, corn and grain sorghum for grain, and uses grain sorghum and Johnson grass for pasture. He buys only a little protein feed to balance his ration.

Rev. E. W. McLaurin returned home Saturday night from Elysian Fields, where he had been at the bedside of his father, who is reported to be greatly improved.

The Texas state penitentiary received 252 prisoners on murder convictions during 1934.

Historian Gives Reasons For Italo-Ethiopian War

AUSTIN, Nov. 20.—A compromise settlement between Great Britain, France and Italy, giving Italy a mandate over Ethiopia and another German aggression within two years were predicted by Dr. Thad W. Riker, professor of modern European history at the University of Texas in an address before the international relations group of the Austin chapter, American Association of University Women.

Dr. Riker's analysis of the modern European situation is regarded with respect among academicians, since he is recognized in this country and abroad as an authority in this field. Following publication of his book "The Making of Rumania" a few years ago, he was accorded corresponding membership in the Rumanian Academy, an honor bestowed in acknowledgement of his service to that country. Last summer he was awarded the honorary degree of doctor of letters by Oxford University, likewise for distinguished research in modern European history. His latest publication is a textbook, "A Short History of Modern Europe."

Italy's motives for starting this Ethiopia conquest, it seems to me, are two-fold, Dr. Riker said. In the first place, Ethiopia is a rich country, with resources that are unknown but are certainly valuable. There is a fertile plateau which may be colonized. Italy needs more room for her overflow population. As has often been pointed out, Mussolini has visions of another Roman Empire. But above all, Italy wants the raw materials she thinks she can find in Ethiopia. She imports practically all the coal and iron she uses, and these commodities are supposed to exist in Ethiopia. She also imports most of her cotton. She wants to be economically independent, as any great nation naturally would want to be.

"But my own opinion is that the powers would be willing to do all they could to obtain concessions from Ethiopia for most of the things she wants, while Italy, on the other hand, as a second motive, wants a spectacular military triumph which will accentuate Mussolini's and Italy's prestige, and will blot out the memory of the Italian defeat at Adowa. Italy is willing to have a peaceful settlement. Mussolini wants war. He knows the League of Nations—of which, incidentally, Ethiopia is a member, and, ironically enough, by reason of Italy's efforts—would try to be fair. He doesn't want equity.

"Mussolini—and this is of extreme importance—probably thinks he has only about two years in which to make his conquest, because Germany is expected to make war in about two years, and Mussolini wants to beat Hitler!

"The situation is serious from the standpoint of European relations. No matter how Italy comes out—and she will likely win—she will be weakened and will not be able to remain in the 'iron ring' that the nations form around Germany, or at best, she will be a weakened link. The League has already lost prestige over the Japanese conflict. Whether or not the League can effectively bring Italy into line is uncertain, since there are so many subtle international relationships in existence and so many delicate balances to be maintained in exerting League authority.

"There was one way, I believe, in which war might have been averted: If, after Mussolini refused to let the League decide the question, France and Great Britain had told him they would close the Suez Canal unless he desisted, he would have been forced to accede. They could have done this by legal subterfuge, if necessary, by suspending the Suez Canal treaty of 1888.

"But the real reason why France and Great Britain did not present a united and a strong front in the beginning was, I think, due entirely to the fact that Great Britain had signed a naval pact with Germany in August, instead of waiting for her representatives and those of France to work out a scheme of common defense. Previously, Great Britain, France, Germany and Russia had stood united. France feared the British-German pact, and felt that she could not afford to break definitely and irrevocably with Italy, lest she fail to have any defense against Germany. Great Britain was unfair to France, and France has naturally suspected Great Britain of going over to the enemy, and she hesitated to lose Italy's regard.

"In the last analysis, France really has got to back up the League against Germany. Actually, Italy has been allowed to persist in her war against Ethiopia because there was not sufficient unity of the other forces in the beginning.

"Now what remains is to save the face of the League. That really is about as much as can be done. It must be confessed that

France and Great Britain will get out of the present situation as gracefully as they can. But we can expect to hear of a deal between Great Britain and France and Italy giving Italy a mandate over Ethiopia.

"The sanctions go into effect on November 18. We must not expect the sanctions to be effective, but undoubtedly France and Great Britain will wait for some time to see whether they will deter Mussolini in any way. Then a compromise will be reached.

"Germany naturally is interested in the outcome of this situation. If the League fails to press Italy into line, Germany will be in a position to ignore the League in her forthcoming aggressions. Already the League has lost much of its dignity in its failure to chastise Japan. Its real power has been challenged in the Italo-Ethiopian conflict, and found wanting, due to England's impulsive step in forming a naval pact with Germany and to France's natural hesitancy to jeopardize her own safety by speaking out too strongly against Italy.

"The United States, too, has not come out of the situation with too much grace. Italy is still able to get most of the commodities she needs from the United States, despite the embargo on 'contraband.' There are many commodities which Italy uses in making ammunition that are not strictly so labeled—crude oil, for instance—and these the United States can continue to send her. The real test of the United States' sincerity in preserving peace would have been to declare an embargo on all commodities which the League considers contraband.

"Italy has considered the League failure to act decisively as the Japanese invasion of Manchuria as a precedent of her aggression in Ethiopia. She has cited the cases of both France and England in historic colonization programs and conquests of smaller countries. What she has failed to note, however, is the fact that the World War was a war to end war that the world is supposed to have grown more enlightened and to possess more international and interracial understanding. An aggression today, since the World War, is much more serious an offense, than it was considered in the days before the Great War. The League was organized to promote peace and to insure international integrity and international safety, and Mussolini's aggression, and Hitler's imminent plans for another war, are not in keeping with the spirit that motivated the 'war to end wars.'

SOVIET IS ENCOURAGING CHILDREN TO USE TOYS

MOSCOW, Nov. 20.—The committee of toys has been very busy since it was established last January. It now publishes, in collaboration with the Scientific Institute of Toys, a special review called the "Soviet Toy" and has a toy depot at the central park of culture and repose where children may borrow toys for the day, mostly fat pigs from the collective farm, tractors or factory hands in wood.

"These playthings have, of course, a purpose. They are meant to 'incubate the spirit of initiative and enterprise' and to encourage children to 'act collectively.'

TOMATO HOT RED BEING USED TO WINTER GREENS

GAINESVILLE, Tex., Nov. 20.—The mother's day last February by Pauline Lappiman, garden demonstrator of the Callisburg girls I-H club in Cooke county, for growing tomato plants is being used now to grow winter salad greens for the family, according to Miss Nette Shultz, home demonstration agent.

Pauline is planting lettuce and parsley now. She plans to re-plant lettuce as fast as it matures and is used. The parsley bed will supply a sufficient amount without replanting.

Approximately 800 tomato plants were set out from the bed in the spring.

COMMERCIAL FERTILIZER MAKES PRIZEWINNING CORN

PEARSALL, Tex., Nov. 20.—One hundred pounds of commercial fertilizer won C. W. Crawford, of Frio county, the first prize on corn against a field of 90 competitors at a local fair this fall, he reports to N. H. Hunt, county agricultural agent.

"The fertilizer put the finishing touches on my corn which enabled it to surpass corn from unfertilized fields. It also increased my corn yield about 15 bushels per acre," Crawford said.

"On this same farm, Crawford reports that he ran a test on a six acre plot of maize. One acre was fertilized and this acre made more maize than all of the other five acres.

This Patient's in High Spirits

Of all her patients, her the limit. But even if Nurse Elpha Morse reaches the limit of her patience with Johan Aasen, shown playfully taking a bottle of water from her, what can she do about it? He's 8 feet 9 1/2 inches tall, weighs some 230 pounds, and is a former film and circus performer. He is now in a Los Angeles hospital suffering from a glandular ailment.

Local Couple Wed On Palace Stage

Clifford Smith and Miss Eunice Fay O'Bryan, both of Ballinger, were married Monday night in quite an unusual ceremony, spoken under unusual circumstances. The couple were united in marriage by County Judge Paul Trimmer at the Palace Theatre before a capacity audience.

Immediately after the first show Monday night the young couple appeared on the stage with Judge Trimmer and said their vows. An unusually large crowd was present for the occasion because it had been announced previously that a local couple would be married on the stage at that time. The names of the contracting parties were not revealed until time for the ceremony.

As a gift from the management of the theatre the young couple received a beautiful bedroom suite purchased from King-Holt Furniture Company. Ballinger Floral Company provided flowers for the occasion.

Mr. Smith is employed by E. J. Carroll Maytag Shop. The Smiths are at home at 309 Seventh Street.

We meet prices—Freeman's.

Successful Campaign For Cottonseed Oils Pushed by Safeway

The cottonseed oil producer-consumer campaign, recently conducted by the entire Safeway Stores organization, was one of the most successful efforts of its kind ever initiated. M. V. Witbeck, district manager, announced.

Increased consumption ranged upward to 489 per cent for shortening and 335 per cent in oils for the various districts in the system.

Thirty-nine districts with 2,339 stores furnished reports on the campaign. The campaign was effective for five days but the major part of the business was concentrated into the last two days following the week-end advertising.

During the campaign Safeway sold 453,017 pounds of domestic shortening and 57,363 quarts of oil. The tonnage was accompanied with an average percentage of sales increase of 56 in shortenings and 47 in oils. The volume equals twenty-four carloads of domestic oils and shortening products moved in practically two days.

Leadership in district increases directly attributed to the campaign on oils was taken by Eureka with 335 per cent. The other nine leading districts were Omaha, 198 per cent; Tacoma, 163 per cent; Little Rock, 132 per cent; Tucson, 120 per cent; Hutchinson, 116 per cent; El Paso, 110 per cent; Flagstaff, 101 per cent; Dallas, 95 per cent; and Abilene, 88 per cent.

The lead in shortening increased sales was taken by the Riverside district with 489 per cent. Other leaders were Wenatchee, 284 per cent; Eureka, 224 per cent; Kansas City, 214 per cent; Tacoma, 179 per cent; Tucson, 169 per cent; El Paso, 127 per cent; Abilene, 126 per cent; Bakersfield, 117 per cent; and Boise, 102 per cent.

The campaign was launched in Dallas at a banquet for industrial and financial leaders, newspaper men, state officials, and officials of producer organizations. President F. O. Burns presided at the banquet and Rilea W. Doc, vice-president of Safeway, explained the purpose and organization back of their views. An unusually large crowd was present for the occasion because it had been announced previously that a local couple would be married on the stage at that time. The names of the contracting parties were not revealed until time for the ceremony.

"The splendid cooperation of all parties, added to the steadily growing recognition of the value of cotton oil products as a part of the daily menu made possible this unusual showing during the campaign," Mr. Burns said. "The nation's housewives recognized that it was an effort in behalf of the consumer and the producer and literally swamped us with calls for products of the cotton seed."

Sheriff's Sale

STATE OF TEXAS
County of Runnels:
By virtue of an order of sale issued out of the Honorable District Court of Bell County on the 5th day of November, 1935, by the Clerk thereof, in the case of H. C. Glenn, as Receiver for Temple Trust Company, a private corporation, versus C. G. Smith, Winnie Smith, E. A. Shepperd, No. 21,617, and to me, as Sheriff, directed and delivered, I will proceed to sell, within the hours prescribed by law for Sheriff's Sales, on the First Tuesday in December, A. D. 1935, it being the 3rd day of said month, before the Court House door of said Runnels County, in the town of Ballinger, the following described property, to-wit:

All of Lots 4 and 5, Block 2, of Vanell's Addition to the town of Winters, Runnels County, Texas, together with all improvements thereon situated.

Levied on as the property of C. G. Smith and Winnie Smith to satisfy a judgment amounting to \$1,097.16 in favor of H. C. Glenn, as Receiver for Temple Trust Company, a private corporation, and cost of suit.

Given under my hand, this 6th day of November, 1935.

W. A. HOLT,
Sheriff, Runnels County, Texas

BILL WOODS APPOINTED TO IMPORTANT COMMITTEE

Bill Woods, son of Mrs. Gertrude Woods of Ballinger, was recently elected to the students' assembly at the University of Texas. Last week he was appointed on a committee by this organization to investigate the copying of the song, "The Eyes of Texas." In addition to the extra-curricula activities, Bill is making a fine scholastic record at the university.

BALLINGER SCHOOL NEWS

By Genevieve King

A meeting of the senior class was called for Thursday, November 14, at the chapel hour. Dorothy Lynn, chairman of the committee to select class flowers and colors, offered suggestions for the seniors to vote upon. Gold and purple as colors, and the calendula as flower, were selected. Plans were begun for a senior reception to be given at the Country Club December 13. Miss Dena Meyer, sponsor, appointed the following committees to make preparations for the reception: Invitation committee: Margaret Burk, chairman; Lois B. Evans, Winnie Lee Jones, Genevieve King, and Catharine Wilson; refreshment committee: Dorothy Lynn, chairman; Marcella Fryar, Teddy Wardlaw, Jessie Rose Wallace, Wanda Lane and Jewel Fulton; decoration committee: Juanita Paris and Sidney Hale, chairmen; Eula May Clark, Annie Davis, W. L. McMillan, Raymond White, Luther Reese, Louis Ruhman, and Leonard Seales. Gilbert Behrend, senior president, appointed a committee to select the senior motto consisting of Dorothea Fowler Gladys Lee Morgan, and Freda Lampe.

Miss Dena Meyer and Miss Genevieve Green sponsored a short western play given in chapel Friday. The cast was as follows: Dale Cook, Runnels Smith, Alva Davis, Lloyd Jenkins, Park Kemp, and Margaret Bean. The scene was laid on the Smith ranch in 1941. Newspaper reports given in the play showed prophesied events in the lives of some of our present juniors and seniors.

The Ballinger Bearcats were defeated, for the first time this season, last Friday by the San Saba Armadillos. Although San Saba defeated the Bearcats, they did not defeat their spirit. The spirit of the Bearcats is still high, and we are looking forward to a victory over Winters Friday.

Captain Lampe, in charge of a whale exhibition, gave an interesting discussion of whales and the methods of capturing them for the Monday chapel program. Following this, the regular Monday devotional was conducted by Rev. Wallace Jones, of the First Christian Church. His was a helpful address on "What the Dynamics of a Great Life Really Are."

The Dramatic Club met for the first time Wednesday, November 13. Mr. Sublett, director, appointed Rosemary Lasater, Dorothy Lynn, and Tony Nixon to serve as a committee to nominate officers for the new year. Each old member is permitted to ask two new members for this year. The second meeting of the club was called for Wednesday, November 20, at which time new members will be initiated and officers elected for the year.

The junior class enjoyed a class party given at the Country Club last Friday night. Miss Elizabeth Parker, junior sponsor, Mrs. Harry Lynn, Miss Lucile Williamson, and Mr. Jack McKay, as well as a large number of

Clipper to Begin U. S.-China Run

Reputed to be the most advanced aircraft of its type in the world, this giant China Clipper soon will inaugurate a regular commercial trans-Pacific schedule between Pacific coast cities and the Orient. With the most modern equipment for safety and comfort in flying, this 25-ton flying ship and others of the trans-oceanic air fleet will make it possible to travel to China in several days, instead of weeks.

juniors were present. After ring games were played, refreshments of buns, weiners, olives, pickles, and marshmallows were served to those present.

Miss Maryarrat Smith, who is in charge of interscholastic league spelling, wants all students interested in spelling to see her as soon as possible. Twelve students have registered, but they have not yet begun work. There is still time for other students to enter.

Senior Highlights

Lois B. Evans lives at 991 Tenth Street. She has been in the pep squad every year since she has been in high school. She was a member of the Glee Club in 1932-33, and was a member of the Literary Club in 1933-34. She entered declamation in 1933 for interscholastic league work. Lois B. is at present a member of the Spanish club, "Los Amigos." Juanita Paris lives at 906 Twelfth Street. She has attended Ballinger high school for the past three years. She has been a member of the pep squad each year since

she has been in high school. She was one of the pep leaders last year and is also one now. She was a member of the Glee Club in 1932-33, and also a member of the Ballinger Band that year. Juanita was in the Ballinger Operetta Club in 1933-34 and 1934-35. She was in the Literary Club last year, and is at present the society editor of "The Bearcats' Roar."

Jewel Fulton lives at 909 Tenth Street. She has been attending Ballinger high school for the past three years. She was a member of the Glee Club in 1932-33, and was in the school quartet in 1934-35. She studied music under Miss Marguerite Parish in 1933-34. She was a member of Miss Edith Miller's Voice Club last year, and was in the Ballinger Operetta Club in 1933-34 and 1934-35. Jewel was in the Literary Club last year. She is at present a member of the pep squad and the Spanish club, "La Mano Lista." She is the song leader of the latter organization.

J. T. McElroy Enjoys Ninth Street Property Owners to Discuss Paving

J. T. McElroy celebrated his birthday last Sunday, and it was one of the most enjoyable of the 86 he has experienced. He was surprised when all his children, several relatives and a host of friends began arriving at the home Sunday morning and within a short time cars were parked all around the place. He still did not realize what was happening until Mrs. Stanley Gray presented him with a gift and remarked "happy birthday."

At noon and again in the evening those present enjoyed a delicious meal which had been planned the day before, the guests bringing the eats in baskets. The guests lingered with their honored host until late in the evening when they bid him good night and extended all the good wishes that could be expressed.

His children declared they had never seen their father so happy as he was Sunday, and that he had more fun than anyone present during the day. Mr. McElroy enjoys splendid health for a man of his age, and was in Ballinger Tuesday afternoon to see the marine exhibition here.

Those attending the surprise party were: Mr. and Mrs. R. E. George, Mr. and Mrs. Stanley Gray, Mr. and Mrs. S. L. McElroy of Baird, W. W. McElroy, Misses Samantha and Lula McElroy, Mr. and Mrs. R. F. Lane and children, Wanda and Dora; a brother, J. A. McElroy, and his wife, Mrs. M. E. Cooper and Mr. and Mrs. H. T. Fosson.

Members of the city commission will meet Ninth Street property owners tomorrow (Friday) at 7 p. m. to discuss plans for paving the entire street. The meeting was called in response to a petition filed by the property owners in September asking that a project be filed with the WPA for the paving, the property owners to share in the cost.

In the meantime the city engineer has been drawing plans for the pavement which would include an 8-inch caliche base and a two-course treatment of crushed rock and asphalt with concrete gutters and curbs. All the details have been completed and at the meeting tomorrow evening the entire plan will be presented, showing the total cost of the project and the cost to each property owner.

If the plans meet the approval of those living on this street the commission will take steps to secure aid for the construction. Three years ago the property

owners had gravel and caliche spread on Ninth Street and temporarily made the thoroughfare fairly good for motor traffic. Deep drainage ditches make it impossible to use the street much, however, and housekeepers have complained of dust. The petition filed two months ago was signed by practically all who own property on the street.

OLD JOHN DON'T GET UP NIGHTS He Made This 25c Test

Old John says, "I had to get up 5 or 6 times every night. This bladder irregularity was accompanied with scanty flow, burning and backache. I flushed out excessive acids with little green tablets containing buchu leaves, juniper oil, etc., called BUKETS. They work on the bladder similar to castor oil on the bowels. After four days if not pleased any druggist will refund your 25c. I sleep good now." City Drug Store.

How Calotabs Help Nature To Throw Off a Bad Cold

Millions have found in Calotabs a most valuable aid in the treatment of colds. They take one or two tablets the first night and repeat the third or fifth night if needed.

How do Calotabs help Nature throw off a cold? First, Calotabs are made of all intestinal eliminators, thus cleaning the intestinal tract of the germ-laden mucus and toxins.

Second, Calotabs are diuretic to the kidneys, promoting the elimination of cold poisons from the system. Thus Calotabs serve the double purpose of a purgative and diuretic, both of which are needed in the treatment of colds.

Calotabs are quite economical; only twenty-five cents for the family package, ten cents for the trial package. (Adv.)
