Numerous Locations Highlight Oil Picture

Runnels county oil activities moved along apace the past week with the normal number of producers reported and a large number of new locations.

Humble No. 38B-Sallie Odum was finished this week for a 24-hour flow of 470.28 barrels of 46.3 gravity oil. Total depth of the hole is 5,370 feet.

Mid-Continent No. 7-W. T. Billups, in the Sykes Morris sand field, flowed 433.25 barrels of pipeline oil on a 24-hour gauge. Total depth is 3,652 feet.

Murray Petroleum Co. No. 3-Cathy, in the Jim Adams field, has been completed for a flow of 99.63 barrels of 42.4 gravity oil in 24 hours.

Murray No. 2-P. M. Davis, in the Davis Palo Pinto field, upon completion made 110.80 barrels of 42.2 gravity oil in 24 hours. Total depth is 3,642 feet.

Three locations have been drilled and one well started on the I. M. Turner place near the Ballinger city lake, four miles west of town. The wells, to be known as the Davis 5-, 6- and 7-Turner, will be drilled by C. O. Davis, formerly Davis & King. All are slated to go to 3,700 feet with rotary equipment.

In the Cree-Sykes field, Union has staked two 4,500-foot locations. No. 8-J. M. Giles will get underway at once and equipment is being moved to No. 12B-O. C. Sykes.

Humble Oil & Refining Co. has staked locations for five 4,500-foot holes. They will be Nos. 41-, 42-, 43-, 44- and 45-Sallie Odum.

Geophysical Surveys, of Abilene, has filed applications for five 4,300-foot wells to be drilled at once in the Vander Laan-

Freedman field. All locations are on the John W. Harris place and are designated as 1L-, 1H-, 1M-, 2I- and 3I-Harris.

C. B. Cree No. 1-H. A. Stephens, in the Cree-Sykes field, has been located for drilling to 4,500 feet.

T. W. Murray and Skiles Oil Co. have staked two locations for half a mile west outposts in the Nora Gardner field. Both are contracted to 5,000 feet. No. 1-J. O. Phelps and No. 1-C. R. Hightower are the designations.

G. W. Strake No. 2-Harris Davenport will be a 5,000 foot well four miles northeast of Crews.

J. W. King No. 1-Workman, 1 mile west of the Elm Creek field, is being drilled at 3,400 feet in shale.

Lydebel Aaron, of Dallas, has filed an application to drill a wildcat on the Benda Deschamps place, 8 miles southeast of Winters. It will go to 4,400 feet.

Stanolind No. 4-Irene Morrow in the Fort Chaddbourne field, has been approved for a 5,600 feet.

Humble No. 33-Sallie Odum flowed 452.24 barrels of 45.2 gravity oil on a 24-hour gauge. Depth is 5,471 feet.

Humble No. 44B-Sallie Odum was completed for a daily flow of 484.17 barrels of 46.6 gravity oil. Total depth is 5,360 feet.

Union Sulphur & Oil has completed two producers from the lower Gardner in the Cree-Sykes field. No. 4-J. M. Giles made 144.09 barrels of 40.4 gravity oil on a 24-hour run from a depth of 4,041 feet. The company's No. 12T-Giles was finished on pump and good for 95.86 barrels of 41.9 gravity oil.

YANKEE'S TEASE WHITE SON... In Chicago, the world champion New York Yankees bow in mock reverence to a Chicago White Sox relief pitcher as he is tossed from the ball pen to the mound in a system designed to speed up the game. The Yankees preferred to walk back and forth to the mound, and each time a White Sox pitcher was knocked out of the box, his relief would be greeted with loud taunts as he drove by the Yankee dugout. At the time of this byplay, the White Sox were leading the American League, and the Yanks were hard pressed to keep up with them.

Refunds Being Given Local Phone Patrons

The Southwestern States Telephone Co. started making refunds to Ballinger customers on the bills sent out on July 11.

These refunds are being made after an agreement with the city commission in regard to local rates. The refund covers a period from September 11, 1950, through May 10, 1951.

Last year the company was granted a rate increase with the understanding that the same increase would apply to patrons at Coleman. Because of agreements there, the increase was not made at that time and the Ballinger city commission asked the company to refund the increase to all Ballinger patrons.

This the company agreed to do with the understanding that the rate which had been in force here since September, 1950, would become permanent.

All telephones numbered from 3,000 through 6,199 began receiving credits on the July bills. Those numbered from 6,200 to 9,999 will receive credits on bills sent out on August 11.

In cases where the credit amounted to more than the monthly bill, the remainder will be credited the next month. No cash refunds are being made but bills for July on the phones included for refunds show the amount of the total credit and the remainder of credit coming after service charges for the month were deducted.

The company expresses thanks to the patrons for their cooperation and kindness during the period for which the rate adjustment covers.

Bethel Co-op Gin Holds Barbecue, Annual Meeting

Between 500 and 600 people attended the annual stockholders' meeting of the Bethel Co-op Gin last Thursday evening. Festivities included a barbecue for members and their families and a number of visiting co-op officials.

Charles Dankworth presided at the business period and Henry Todd, of Abilene, auditor, gave the financial report. It was revealed that four years ago the gin property was purchased after the subscribing of \$19,000 in stock. During the 1950 season, 1,912 bales of cotton were ginned. As of March 31, 1951, it was shown that the gin had made a net profit of \$10,803.54. A six per cent dividend was paid and \$1,918 in stock issued.

A new board of directors was elected, as follows: H. G. Wilde, Charles Dankworth, J. J. Puchs, Walter Eggenmeyer, A. T. Halfmann. Former directors were: Charles Dankworth, L. W. Rohmfeld, Claude Simmons, A. T. Halfmann and H. G. Wilde.

L. T. Allen is manager of the gin, serving in this capacity ever since it was organized.

State Representative W. H. Rumpy was presented and talked on state affairs, to the large gathering.

The Rhythm Wranglers provided music for the occasion.

County's Delegates For Annual THDA Convention Named

The Texas Home Demonstration Association's 1951 convention will be held at College Station on August 29, 30 and 31. Runnels county delegates have been elected and in addition, the county home demonstration agent and the county agent-in-training will attend. A number of others in the county probably will witness the programs.

It will be the 25th anniversary convention of the state organization and the largest attendance in the association's history is expected.

Elected Runnels county delegates are Mrs. Bob Fowler, Bethel, THDA chairman for the county; Mrs. Calton Smith, South Ballinger; Mrs. H. O. Abbott, Drasco. Alternates are: Mrs. Tom Egan, Rowena; Mrs. Homer Tubbs, Wilmet; and Mrs. A. B. Spill, Winters.

Miss Ollie Chenoweth, county home demonstration agent, stated that agents have been asked to attend the 1951 meeting and that she and Miss Sue Millican, agent-in-training, would be present.

Earlier in the year a large delegation from this county attended the district THDA meeting at Brady.

Jimmy Williams, a 1951 Ballinger high school graduate, left Sunday for Lubbock, where he will be a student at Texas Technological College the last semester.

Ballinger Listed For Safety Award

City officials have been advised that Capt. Ray Butler, of San Angelo, will be here Friday of next week to present the city a safety plaque for its fine record on traffic during the past year.

The plaque is presented to towns of 5,000 population or more who have not had a traffic death within the corporate limits in the past twelve months. Four towns in the San Angelo district will be given the safety plaques within the next few weeks.

The presentation will be made by Capt. Butler at the meeting of the Ballinger Lions Club. Members of the Jaycees and Rotary Clubs will be invited to attend this meeting. Mayor Bill Moore will receive the plaque and he will request that all service club members join officials in striving for a similar award a year later.

While a number of traffic fatalities have occurred in Runnels county, none have been within the city limits of Ballinger.

Mr. and Mrs. Curtis Bryan spent several days at Dallas the past week-end. They were accompanied as far as Stephenville by their daughter, Miss Grace Ann Bryan; Misses Faye Bonn, Betty Middleton and Paula Lasater, who attended a classmate reunion.

PMA Committee Will Name Head In Near Future

The Runnels county PMA committee will meet this week-end to consider the selection of an administrative officer for the office here. Following a meeting of the state committee this week, some three or four men are available for this position and the local committee will give them serious consideration.

S. E. Clominger, who resigned the office here, left Friday for Gorman and will be associated with the Southwest Peanut Growers' Association.

The Ballinger office at the present time is checking on losses of crops covered by the 400 multiple insurance policies. Of this total, 208 farmers had crops and oats planted this year and these have been approved as total losses. Many have reported losses on cotton from hail and insect damage, and these are being checked. It was estimated in the local office that an 8 to 10 per cent loss from blow sand and insects was apparent in the insured cotton and that stands had been thinned by about 25 per cent.

It is too early to determine the total loss to the 400 insured farms but office employees stated that if no rain fell within the next three weeks it probably would exceed \$200,000. With rain the payments are expected to run \$75,000 or more.

Multiple insurance will be sold again this year during August and September with September 30 the deadline for signing applications.

BALLINGER PEOPLE IN THREE HOSPITALS

Mrs. Levy Lee is reported in a very critical condition at Scott & White Hospital, Temple. She underwent brain surgery Wednesday and little hope was held for her recovery last night. At present this morning there was no change in her condition.

Mr. and Mrs. E. C. Grindstaff and Mr. and Mrs. Ernest Caskey left this morning to be with Mr. Lee.

W. A. Forgey is improving after major surgery in a Dallas hospital. For a time his condition was critical but relatives here have been advised that he is recovering.

J. W. Barr, in Shannon Memorial Hospital, San Angelo, is improving after major surgery last week.

GRAND JURY SESSIONS TO BE RESUMED MONDAY

The grand jury venire is being recalled for Monday at 9:00 a. m. to serve in 119th district court here. The inquisitors were in session in March and recessed pending a later call.

During the past week several criminal charges were filed and are awaiting action of the grand jury. District Attorney W. E. (Bill) Hall will be here to work with the grand jury as will other local court officials.

Veniremen notified to be present Monday are: J. Milton Clayton, M. S. Hale, L. A. Faulbion, L. C. Adair, R. H. Allen, Bobby Albritton, Sid Anderson, E. T. Balkum, Arthur Giesecke, W. J. Halfmann, Wayne Roberts and R. K. Russell.

Baptists Extend Call to Pastor, Now at Houston

The membership of the First Baptist Church voted Sunday to extend a call to Rev. Joe L. Emery, of Houston, to become pastor of the local church.

Judge O. L. Parish, chairman of the pulpit committee, received a telegram from Rev. Emery Wednesday afternoon in which he accepted the call and stated that he would be here to begin his pastorate on September 1.

Rev. Emery was in Ballinger Wednesday of last week at the invitation of the pulpit committee and members heard him that evening. Sunday morning at a church meeting the call was authorized and he was notified at once.

Rev. Emery is married, is 26 years of age and has been a pastor the past 7½ years. At present he is pastor of the Riverside Baptist Church, of Houston, and prior to going there served the church at Goldthwaite several years.

He is a graduate of Baylor University, Waco, and of Southwestern Seminary, Fort Worth. It probably will be several weeks before he can come to Ballinger to take over the local pastorate. He is already engaged for two revivals which he will conduct before coming here.

W.T.C.C. Manager Conducts Special Conference Here

Fred H. Husbands, executive vice-president and general manager of the West Texas Chamber of Commerce, accompanied by Wendell Bedick, director of information, was in Ballinger Friday afternoon for a meeting with local members of the organization and other business men.

The called meeting was held at the Ballinger Chamber of Commerce offices with a considerable number present. Mr. Husbands discussed the work of the W.T.C.C., pointing out some of the 1951 accomplishments and talked at length on some of the proposed work for the future.

He told of plans to send a special train to the industrial centers of the United States with a delegation to advertise the advantages of this section of Texas.

The new general manager made a plea for community cooperation and asked for suggestions on the specific needs of this particular area.

Joe Satterwhite stated that a farm and ranch experimental station was needed in Runnels county to show scientific ways of farming and ranching peculiar to this region. He stated that conditions were different here than in other sections and for that reason an experiment station was badly needed.

Mr. Husbands made note of the request and stated he would make inquiries to see if there were possibilities of securing such a service.

W. O. Wallace, Ballinger W.T.C.C. director, presided at the meeting.

Local Ministers Elect Officers; Plan for Census

A called meeting of the Ballinger Ministerial Alliance was held Sunday afternoon in the First Methodist Church. Retiring president, Rev. C. D. Wooten, called the meeting and the following were present: Rev. W. E. Gruener, Grace Baptist; Rev. A. O. Rue, First Presbyterian, U.S.A.; Rev. C. R. Dunaway, Poursquare Gospel; Rev. J. M. Harrison, Church of the Nazarene; Rev. E. V. Brooks, Seventh Street Baptist; Rev. J. H. Shell, Church of God; Dr. L. A. Eisenhuth, First Christian; Rev. C. D. Wooten, First Methodist.

The main purpose of the meeting was to elect officers for the ensuing year. Elected were: Rev. A. O. Rue, president and publicity; Dr. Conway T. Wharton, secretary-treasurer.

A resolution was adopted that the alliance conduct a religious census in Ballinger on September 9. Detailed plans for the census will be made later and workers selected from all the churches are to be trained.

Bruce Field Not Part Of Air Force Training

Information received from Senator Lyndon B. Johnson by the aviation committee of the Ballinger Chamber of Commerce indicates that Bruce Field will not be reactivated unless the program for such fields is greatly expanded.

The Ballinger group recently asked information of Senator Johnson in regard to the progress of the training schools and he requested data from the department of the air force in Washington.

Brigadier General E. L. Eaton, of the air force, sent the following letter to Senator Johnson which explains the position of Bruce Field.

"Dear Senator Johnson: This is in further response to your expressed interest in the possible air force utilization of Bruce Field at Ballinger.

"The facilities at Ballinger were given full consideration along with hundreds of bases throughout the United States. Ballinger was not selected under the 95 Wing Program as there were other bases which

more nearly fulfilled air force requirements.

"All contracts under the Contract Flying Training Program of the current expansion program have been negotiated. Should this program be increased at some future date, careful consideration will be given to any bids involving use of the facilities at Ballinger.

"I appreciate your interest in the air force use of this installation. As additional facilities are required in that general area, every consideration will be given to the utilization of Bruce Field."

The city commission, aviation committee and citizens working with Fred Harman have given every assurance to the authorities of full cooperation here. Ballinger property owners voted a \$100,000 bond issue to be used in construction of runways to meet training requirements.

This latest information indicates that Bruce Field will remain as it is at present and that no military interest will be shown there unless the training program is greatly expanded.

County, City Officers Have Busy Week-End

Grady Louis Williams, 25, charged with the rape of his 9-year-old step-daughter, is in the Runnels county jail awaiting investigation by the grand jury at the next term of 19th district court. Bond was denied by Justice of the Peace B. J. Sharp at a hearing this week.

Two novice young men are being held on charges of burglarizing the Crews store on July 8. They are Ralph Kincaid, 22, and John Joseph Kincaid, 18. Their arrest followed a statement by Reese Blackburn which identified the two with the burglary. Blackburn was released after it was shown he had not been with the pair when the Crews store was entered. Stolen was approximately \$24 in cash from a juke box and a small amount of merchandise. Bond for each has been set at \$3,000.

City officers arrested Tommy Wright, negro, Monday night and Tuesday morning he pleaded guilty to a charge of transportation of liquor. He

was fined \$200 and costs.

Bob Lee has been released on \$1,000 bond on charges by the sheriff's office alleging sale of whiskey.

Sometime ago, two city officers, Bob Richardson and Dewey Burger, found three men prowling in the alleys and arrested them. The next day the men were turned over to a state ranger and one of the men was held at Big Spring for automobile theft.

Two of the men were involved in the \$6,700 robbery of a tourist court in Arizona Monday. When apprehended here, the men had burglary tools in the car, but were discovered before any local stores were entered. Local police officers believe the city police prevented a burglary by being alert and locating the prowlers before they started to work.

Local officers filed on a number of other complaints involving drunks and disturbing the peace and assisted in looking for men wanted in other cities.

Soil Conservation Unit Ready to Give Service

New technical services to farmers and ranchmen participating in the agricultural conservation program in Runnels county were available this week as the soil conservation service began operations here coincident with the reorganization of conservation activities in the department of agriculture.

This action was taken in response to a recent directive of the secretary of agriculture aimed at coordinating the conservation work of the production and marketing administration and the soil conservation service. Meade W. McShan, county PMA committeeman, explained.

The soil conservation service has opened an office in the NYA building, next door to the PMA office, with a work unit staff under the direction of Ben Osborn. Besides furnishing engineering services in connection with the ACP practices, the work will also assist the Runnels soil conservation district in its operations.

Under the joint arrangement by the two agencies, the soil conservation service will provide technical assistance and the PMA will make payments on approved practices which are regarded as permanent improvements on the land. In the 1951 program in Runnels county, these include the construction of complete terrace systems, diversion terraces, earthen dams. Other ACP practices are not affected by the consolidation.

When financial assistance on one or more of the permanent practices is requested from PMA, a soil conservation service technician will visit the farm or ranch to plan the work on the ground with the operator and determine the need and practicability of the proposed job. Decisions will be guided by the basic soil conservation objective of the department of agriculture, as set forth in the secretary's memorandum co-ordinating the two agencies.

This objective is "the use of each acre of agricultural land within its capabilities and the treatment of each acre of agricultural land in accordance with its needs for protection and improvement."

Prior approval by the PMA for the work will be issued on the basis of the SCS technician's report. As in the past, this approval must be issued before the work is started if conservation payments are to be made, McShan emphasized.

Farmers desiring PMA assistance on the conservation practices affected should make their requests to the county PMA office several days in advance to allow time for scheduling the SCS planning visit and layout work, which must be done before the prior approval is issued, he pointed out.

Square Dancers to Meet At Bruce Field July 28

Ballinger square dancers are preparing to play hosts to the annual meeting of the West-Texas Square Dance Association at Bruce Field on July 28. The program is expected to attract large attendance from a wide area of west Texas.

Dancing will be on the concrete floor in the open at Bruce Field and lights will be erected, loudspeakers installed and other details arranged by the local club. Music will be furnished by the Farren Twins and dancing will get underway at 8:30 p. m.

The program folders have been printed and a large number will be mailed to clubs in the association. Callers from West Texas and other sections have accepted invitations and many of the most popular dances and tunes are to be presented.

Callers to appear on the program will come from Sweetwater, Abilene, Bangs, Brownwood, San Angelo, Comanche, Truscott, Roscoe, Abernathy, Water Valley, Lubbock, Dallas, Cisco.

Masters of ceremonies for the four sections of the program are Allen Davis, Buster Parrish, Eugene Loika and Sam Conner, all of Ballinger. Other callers will be presented as time permits.

County's Club Women Plan Encampment on August 7, 8

Home demonstration club members in a meeting here Friday afternoon set the date for the annual county encampment as August 7 and 8. The group voted for a two-day meeting this year after having only one day for the past five years.

The group will meet in the American Legion clubhouse at Bruce Field, where all programs and special features will be held. Indications are that about 50 women will spend the first night and that attendance for the second day will be 200 or more.

Each club will be asked to present one entertainment number during the two days and recreation will be featured in the afternoon. Highlight of the entire program will be the noon dinner on August 8 when barbecued chicken will be served to all members attending and a number of special guests.

Miss Thelma Casey, district agent, was here for the planning meeting Friday and is expected to return for the encampment.

Plans were recently completed for holding the girls' 4-H club encampment at Bruce Field on August 13, 14 and 15. This program is being arranged now.

Jack Fridgen is in Dallas this week, attending the southwestern school for chamber of commerce managers. He will return home Saturday.

Williams Renamed Commander Local American Legion

Members of the Pat Williams post, American Legion, re-elected Jack Williams commander to serve for another year. The annual election of officers was held Tuesday night at the post club house in Bruce Field, a large number attending.

Other officers re-elected included Dalton Crockett, adjutant; Troy Simpson, finance officer; and D. G. Posey, service officer. New officers elected Tuesday were: Jack Nixon, Jr., first vice-commander; Eugene Loika, second vice-commander; Hugo A. Braden, third vice-commander; O. C. Sykes, chaplain; Sim Ledford, sergeant-at-arms; Frankie Berryman, child welfare officer.

The post voted to send the commander and adjutant, Williams and Crockett, to the state convention, which is to be held at San Antonio on August 17, 18 and 19.

Members voted to loan the club house to the home demonstration club women and to the 4-H club girls of Runnels county for their annual encampments, scheduled in August.

Lanny Maedgen left this week for Austin, where he will enroll as a summer student at the University of Texas.

IN SOCIETY

Miss Woody, Albert C. Purifoy
Marry in Church Rites

In a candlelight ceremony performed at 5:30 o'clock Thursday afternoon, Miss Mary Brian Woody became the bride of Albert Caleb Purifoy. The Rev. Clifford W. Williams, pastor of the Ridgley Presbyterian Church in Fort Worth, life long friend of the bridegroom, read the double-ring ceremony in the First Presbyterian Church on Broadway.

The bride is the only daughter of Mr. and Mrs. William Brian Woody, and Mr. Purifoy's parents are Mr. and Mrs. Rosser Purifoy, of Dallas.

Standards of commodore and lemon leaves banked the church altar and were placed before a background of palms. Aqua tapers burned in branched cathedral candelabra of graduated heights. Greenery and aqua tapers in candelabra were placed on the organ and chancel, and pews were marked by white and aqua satin ribbons and clusters of greenery.

Soft music filled the church as the couple recited their vows, with Mrs. Charles Hambrick, organist, playing "The Indian Love Call," throughout the reading of the service. She also gave the accompaniment for Mrs. Jack Nixon, Jr., to sing

"All For You," (Bertrand Brown), and "Andante Cantabile," (Tchaikowsky) as the candles were lighted. Mrs. Hambrick played a program of organ numbers appropriate to the nuptial hour as guests assembled in the little stone church. She also played traditional wedding marches.

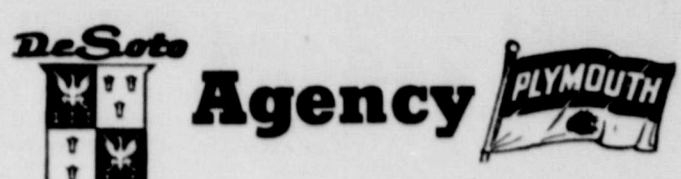

With the bride and her flower girl, Susan Middleton, wearing all white, the only color note introduced was that of the costuming of the bride's attendants, who wore aqua.

Miss Sally Bailey was maid of honor, and Mrs. Edgar Payne was matron of honor. Bridesmaids were Miss Elizabeth Wear, Miss Joyce Pimber, of Slaton, and Miss Mary Rowland, of San Angelo.

They were identically gowned in bouffant dresses of imported Swiss organdy over matched taffeta. Scalloped berthas outlined the off-shoulder necklines, and aqua velvet sashes fell to the hems of the demitasse-length skirts. Their headdresses were aqua net nose veils enhanced with blue forget-me-nots. They wore matching linen pumps and carried Colonial bouquets of gardenias.

Candlelighters were Judith and Jane Hampton, twin daughters of Mr. and Mrs. Hill Hampton.

ton. They wore identical frocks of aqua organdy, styled with round necklines, bouffant skirts, and velvet sashes. Susan Middleton, daughter of Mr. and Mrs. Orland Middleton, was flower girl, and wore a white organdy dress with a gardenia wristlet.

Escorted to the altar by her father, the bride wore a gown of antique ivory silk satin, styled with a shepherdess basque. The bateau neckline traced with crushed bias band, gracefully framed her face and complimented her filagree lavallier set with a diamond, a gift from the bridegroom. Small self covered buttons extended down the back of the bodice and fastened the petal point sleeves; edged with Rosepoint lace. Matching lace was used for the feathered ruffle godet which extended the length of the skirt in front. The sweeping train was of chapel length.

Her veil of Illusion fell in tiers from a Juliet cap of satin. She carried a Bible used by her father during World War I. It was topped with a Colonial bouquet of calla lilies and lace-trimmed ribbon. She also carried a point-lace handkerchief which her mother had carried in her wedding.

William Rosser Purifoy, of Biloxi, Mississippi, attended his brother as best man. Groomsman were Edgar Boaz, of Anson, Dr. Troy Taylor, Henry D. Hughes, of Dallas, and Bill Wright, of Cisco. Jeff Stobaugh son of Mr. and Mrs. Wylie Stobaugh, of Odessa, was ring bearer.

For her daughter's wedding, Mrs. Woody chose a gown of aqua crepe. Her small pink velvet hat was enhanced with a veil and tiny seed pearls. She wore a corsage of pink gardenias. Mrs. Purifoy, the bridegroom's mother, was attired in a chiffon crepe dress of ashes of roses, and matching hat. Her flowers were gardenias.

The reception, following the ceremony, was held at the home of Dr. and Mrs. Charles F. Bailey on Fifth Street. In the receiving line with the bridal couple were their parents, and Dr. and Mrs. Bailey.

The colors of aqua and white were used to decorate reception rooms with floral arrangements of calla lilies and gardenias. The attendant's bouquets were placed throughout the living room. Mrs. W. B. Halley played musical selections during the reception.

The dining table was laid with an imported lace cloth, and was centered with a silver bowl holding calla lilies and a sheath of gardenias. Ruffles of sheer plastic and tulle outlined the base of the heart-shaped wedding cake. Lilies of the valley and gardenias were interspersed with loops of aqua festoons on the cake.

Mrs. Lanham Flynt, Mrs. Pat Richards Davis, Mrs. Joe L. Thompson and Mrs. Tim Hatch, the latter two of Lubbock, and Miss Anna Sue Hembree, of Quanah, presided at the cake and punch service, assisted by the bridal attendants. Martha Kay Northington and Susan Herring were at the register. Others in the house

party were Mrs. R. T. Williams, Mrs. F. M. Pearce and Mrs. Ray Fuqua.

When the couple left on a wedding trip to Colorado, the bride was wearing a navy shantung suit with chartreuse ascot. On returning they will be at home in Wilke Terrace. Mr. Purifoy is in insurance business with his uncle, John Purifoy.

Mrs. Purifoy is a June graduate of Texas Technological College, Lubbock, where she was a member of the Ko-Shari Social Club. She attended McMurry College, Abilene, and her graduation from Ballinger High School. Her husband attended Southern Methodist University, Dallas, where he was a member of Kappa Sigma fraternity. He served three years with United States airborne forces during World War II.

Out-of-town guests included Mr. and Mrs. W. E. Hall, Jr., Mr. and Mrs. J. C. Sturges, of San Angelo; Miss Connie Hopping, of Littlefield; Mrs. Joe L. Thompson and Mrs. Tim Hatch, of Lubbock; Mr. and Mrs. Bill Wright, of Cisco; Mr. and Mrs. Ed Boaz, of Anson; and Mrs. Harvey Martin, of El Paso.

Mack Home Scene of Rehearsal Dinner
Mr. and Mrs. Bailey Mack entertained the wedding party of Miss Mary Brian Woody and Albert C. Purifoy with a rehearsal dinner on Wednesday evening in their home on McCarter Drive.

Linen laid tables were placed on the back terrace and in the reception rooms. The dining table, laid with linen, was centered with an arrangement of majestic daisies flanked with aqua tapers placed in crystal holders. Aqua tapers in double crystal holders were used on the buffet, which was centered with white floral arrangements.

Mrs. Lee Wilborn, of Austin, who is a house guest of her sister, Mrs. Mack, and Mrs. Ray Fuqua and Mrs. C. F. Bailey were in the house party.

The couple presented gifts to the attendants.

Attending were: the bridal couple, Mr. and Mrs. W. B. Woody, Mr. and Mrs. Rosser Purifoy, of Dallas; William Rosser Purifoy, of Biloxi, Mississippi; Rev. and Mrs. Clifford Williams, of Fort Worth; Mr. and Mrs. Edgar Boaz, of Anson; Mrs. Harvey Martin, of El Paso; Mr. and Mrs. W. E. Hall and Miss Mary Rowland, of San Angelo; Mr. and Mrs. Edgar Payne, of Abilene; Mr. and Mrs. I. N. Wilkinson, of Tuscola; Mr. and Mrs. Wylie Stobaugh, of Odessa; Mr. and Mrs. Bill Wright, of Cisco; Miss Joyce Pimber, of Slaton; and Lucian Wilborn, of Austin.

Others from Ballinger were: Dr. C. F. Bailey, Miss Sally Bailey, Ray Fuqua, Miss Elizabeth Wear, Dr. Troy Taylor, Mr. and Mrs. John Purifoy, Mr. and Mrs. Charles Hambrick, Mr. and Mrs. Orland Middleton, Mr. and Mrs. Jack Nixon, Jr., and Mr. and Mrs. Hill Hampton.

NOTICE
 In answer to notice appearing in The Ballinger Ledger on July 12 in regard to one package of fire policies and one of automobile policies being lost or misplaced.
 On April 19, 1950, I insured a car sold by Blackie Smith to Richard T. Fowler. I insured the car for Blackie Smith when he sold it to Fowler and fin-

anced it through the Farmers & Merchants State Bank of Ballinger. We received notice of loss and I notified the insurance company. This is their answer to my report dated August 7, 1950.

 Policy No. 29847 Richard Fowler, Assured
 This will acknowledge receipt of your letter dated August 3,

YOUTH WILL BE SERVED... Tete-a-tete here are probably the youngest platoon leader and the youngest regimental commander in Korea. They are Sgt. 1st Class Joseph R. Nelson (left), 18, of Washington, Ohio, who found himself in charge of a platoon when casualties took the senior officers, and Col. Charles M. Mount, College Park, Ga., who at 35 commands the 32nd regiment of the seventh division. Col. Mount is a West Point graduate and a veteran of World War II. His wife and two children live in Tokyo. Both he and Sgt. Nelson made their first visit to Korea in the Inchon invasion last September.

with reference to the above.
 "This is the first notice that we have received of an accident under this policy. We note that the assured has already authorized repairs to the car and the total amount of the bill of \$288.00. For this reason it has become necessary that we deny any and all liability as the assured did not comply with rules and regulations of the policy contract."
 For that reason and others, I gave them notice to take up their supplies which they did. I told the special agent that in over 20 years of writing insurance, that was the first time I had had total liability denied. I also told them I would not represent any company that did not properly take care of their losses.
 The company did not ever order an inventory of the loss or attempt a settlement. The policy which they claimed lost or misplaced has never been used by anybody and was an old, obsolete policy.

 ROWENA HOME DEMONSTRATION CLUB
 Safety precautions and first aid rules were discussed when the Rowena home demonstration club met Wednesday afternoon in the parish hall at Rowena. Mrs. Freddie Gallas presided for the business session.
 Roll call was answered by saying something nice about the person on the right. The club voted to have their annual picnic on August 23 in Ballinger city park. Plans were made for the club members to attend the county rally day at Bruce Field, in Ballinger, when it meets in August.
 Mrs. Gallas gave a script and demonstration on safety precautions in the home. Mrs. Tom Egan discussed fainting, giving the symptoms, cause, precautions and how to give first aid. Mrs. E. H. Voelkel talked on sunburn, poisons, heat cramps and correct first aid procedure to use in each case.
 Refreshments were served by Mrs. Earl Crockett and Mrs. Egan.

Ladd Blasts Million Dollar Robbery In Latest Paramount Thrill Picture

Alan Ladd's latest adventure drama is "Appointment with Danger," Paramount thriller to be presented at the Texas Theatre Sunday and Monday, July 22, 23. Based on the daring exploits of the postal inspection service, the film has been described by advance critics as an exciting and brilliantly mounted production which spins out a breath-taking story of a million dollar mail robbery.

Phyllis Calvert co-stars with Ladd, and Paul Stewart, Jan Sterling and Jack Webb head a large and talented roster of feature players. In addition to the histrionic contributions of a top flight cast, the picture is enhanced by a polished and fast-paced script that bristles with taut dialogue and dramatic situations, and the post office department has generously assisted in the production.

Postal inspectors are a small but hard-hitting band of agents who are responsible for the safety of the U. S. mail. Swindling, forgery, robbery and murder are all in the day's work for these tough operatives, and from the actual accounts of their heroic adventures, comes a film which is reportedly shot through with action, suspense, violence and realism of the most memorable sort.

Ladd, who knows a thing or two about portraying trouble-shooters, is cast as a postal inspector who investigates the death of a fellow agent and then stumbles into a daring scheme for a million dollar mail robbery.

"The Flying Missile," Columbia's spectacular new production starring Glenn Ford and Viveca Lindfors, is being shown today, tomorrow and Saturday at the Texas. Henry O'Neill, Carl Benton Reid and Joe Sawyer head the supporting players.

Boasting an action-filled plot and a cast of sterling young actors, "Rogue River," also at the Texas today through Saturday, is declared one of the most exciting adventure dramas to come out of Hollywood in quite a spell. In the starring role is Rory Calhoun, while impressive support is supplied by Peter Graves, Elyse Marshall and Jane Liddel.

'Cuz' Herald Goodman's Stage Show Booked at Hillcrest Tomorrow Night

At the Hillcrest Drive-In Theatre tomorrow (Friday) night only, the "Cuz" Herald Goodman stage show will be the big attraction. With Good-

man is "Georgia Slim" Rutland, famous old-time fiddler.

"Cuz" Herald Goodman, veteran of 27 years in radio, was born in the village known as Central City, Illinois, which was absorbed by Centra, Illinois. As a singer of folk songs Goodman is said to have no peer. He has been heard by countless thousands in person, on the radio, stage, movies and recently, television. Besides presenting programs on many of the big-time radio stations, he has been in demand by the NBC and CBS chains, presenting such well-known programs as the "Yeastfoamers," "The Vagabonds," "Grand Ole Opry," "Hillbilly Circus," etc. He has written several internationally-known and loved folk songs, including "When It's Lamplight-in' Time in the Valley," "Little Mother of the Hills," and "Little Shoes." "Cuz" Goodman also has waxed numerous records,

which have proved popular the country over.

"Georgia Slim" Rutland has appeared with Goodman at WSM, Nashville, in "Grand Ole Opry," and at Tulsa on Goodman's "Saddle H Round-up," later made into a movie. He is a Mercury records star and a regular radio, television and stage performer.

Patrons are advised to drive out early, get a good spot, kick off their shoes, loosen their collars, lean back in the soft car seats and let real music sink into their souls like a mud turtle, basking on a log in mid-summer, absorbs the violet rays sent forth by old sol.

'Lullaby of Broadway' Stars Singer Doris Day

"Lullaby of Broadway," Warner's Technicolor musical production, brings together lovely singing star Doris Day and nimble hooper Gene Nelson to the Texas Theatre Tuesday and Wednesday, July 24, 25.

The comedy aspect of the film is well provided with the performances of Billy DeWolfe and S. K. Sakall. Ann Triola, fresh from exclusive nightclub engagements, teams up in the role of DeWolfe's foil. Also in the cast are Gladys George, Florence Bates, Hanley Stafford and the Page Cavanaugh Trio.

NOTICE TO BIDDERS

The City of Ballinger is offering twenty acres of land for oil and gas lease. This adjoins the I. M. Turner place on Valley Creek along the east shore of the city lake. Sealed bids will be opened on July 30 at 9:30 a. m. The city reserves the right to reject all bids. Other information is on file in the office of the city secretary.

Comedies and Action Films will Highlight Week at the Hillcrest

Ronald Reagan and Diana Lynn conduct a hilarious experiment in the interest of science when they raise Bonzo, 5-year-old chimp star, as a child in the Universal laugh riot, "Bedtime for Bonzo." This comedy is scheduled at the Hillcrest Drive-In Theatre Sunday, Monday and Tuesday, July 22, 23, 24.

There are said to be plenty of laughs pending for patrons of the Hillcrest Wednesday, July 25, in Universal's "Free for All." This new offering is a hilarious girl-meets-screwball-inventor situation and co-stars Robert Cummings and Ann Blyth. Able support is forthcoming from Percy Kilbride, Donald Woods, Ray Collins, Mikhail Rasumny and Dooley Wilson.

Robert Preston, who alternates in portraying heroes and heavies on the screen, is cast as an unscrupulous detective

with political ambitions in "Best of the Badmen," RKO Radio western in Technicolor, to be shown at the Hillcrest Thursday, Friday and Saturday, July 26, 27, 28. The spectacular action picture also stars Claire Trevor, Robert Ryan and Jack Buetel. Featured players are Walter Brennan, Bruce Cabot, John Archer, Lawrence Tierney and Barton MacLane.

Good Repors Heard by County Home Demonstration Council

The Runnels county home demonstration club council met Friday afternoon in the office of Miss Ollie Chenoweth, county home demonstration agent, Mrs. Calton Smith, vice-chairman presiding.

Joe Satterwhite spoke to the council on the need of securing scrap iron to purchase a rural fire truck for this county. He stated that the rural fire loss for the southern part of the county alone amounted to \$25,000 last year. Less than 3 per cent of the rural homes are covered with sufficient insurance, he told the council members. He asked that home demonstration clubs take the lead in the collection of scrap iron in their communities.

Mrs. Claude Simmons reported for the finance committee and discussed the club calendars for 1952.

The 3-E report was given by Mrs. B. M. Batts, who said a gold star 4-H club girl would be selected in the near future. She asked that clubs be planning for the fall tour and to be getting exhibits ready, especially hooked rugs. Mrs. H. O. Abbot gave the marketing report. She said that good material for stunts and programs may be had by writing the Country Gentleman, Independence Square, Philadelphia 5, Pennsylvania, giving the name and address of the club.

Mrs. Bob Fowler told of the recreation training school conducted at Bruce Field by Coleman county club women.

Mrs. H. Shelburne stated that the 4-H club rally would be held on August 13, 14 and 15, with recreational leaders meeting on the 13th and the other club members attending the other two days.

Miss Thelma Casey, district agent, and Miss Sue Milligan, agent-in-training, were visitors at the council meeting.

The club reports showed all busy with gardening, sewing, cooking and in used the demonstration on master mixes for quick breads, muffins and cookies. Several clubs had the demonstrations given by Miss Chenoweth and Miss Milligan on storage in their homes.

Reports of new furniture

added and home improvements were given. The demonstration on safety in the home had been given in most of the clubs. Dates were announced for the club rally, to be held at Bruce Field.

Miss Chenoweth said a letter had been received from Mrs. Audrey Duffey, thanking the council for the pink and blue shower. It was reported that 13 pounds of comic books had been received by a children's hospital in England and were appreciated very much. The council plans to send more comic books as soon as they are collected.

The council has made plans to send birthday packages to the state hospital, Abilene, soon.

Mrs. Bob Fowler presided for the election of delegates to the state association meeting at College Station in August.

1st Lt. Robert L. Thompson has been awarded the bronze star medal for bravery in action on January 15 in the vicinity of Pungui, South Korea. He has another bronze star with oak leaf cluster and purple heart that were awarded in Korea on February 15. Now in the hospital at Fort Sam Houston, his condition is reported as fair.

Staff Sergeant Jimmie M. Turner, son of Mr. and Mrs. William M. Turner, of Ballinger, recently received his promotion. He is with the 2143rd air weather wing in Japan. He has been a member of this unit since arriving overseas in February, 1950. S-Sgt. Turner is a graduate of the State Orphans Home School, Corsicana.

Pfc. Bill Hart, who has been stationed at March Field, California, came in Monday for a visit with his parents, Mr. and Mrs. O. L. Hart.

Cleo Burk, who has been stationed at Barstow, California, is here for a visit with his mother, Mrs. S. W. Burk.

Rotary Officers Guests of Jones; Colonel Speaker

Ewell Jones was host to 14 officers and members of the Ballinger Rotary Club Monday night at his home on Sixth Street. President and Mrs. Jones served the fourteen members with a ham dinner and all the trimmings in the attractive yard.

Officers for the ensuing year and a number of committee chairmen were present. They included Mr. Jones, president; Max McCrary, vice-president; Weyman B. Mason, secretary-treasurer; Elmer Shepperd, sergeant-at-arms; Max McCrary, club service; Allen Davis, community service; Herman Price, vocational service; Raymond Berryhill, international service; Frank Pearce, attendance; Dr. L. A. Eisenhuth, publicity.

The regular meeting Tuesday noon was highlighted by an outstanding speaker in the person of Lt.-Col. Steve Nance, of Abilene. The speaker gave interesting information on our Far Eastern situation. He was in charge of five Japanese states for the rehabilitation of the people. His talk was received with praise and admiration by those present.

SCHOOL TAX EQUALIZATION BOARD WILL MEET FRIDAY

The equalization board for the Ballinger independent school district will be in session tomorrow (Friday) to meet with property owners who have received notices that tax valuations have been raised.

A number of notices have been sent out to inform property owners of the date of the meeting and invite them to come before the board to show reasons why property rendered for school taxes should not be increased.

CHURCH COUNCIL MEETING SLATED MONDAY, JULY 30

The council of church women will hold its regular fifth Monday meeting at the First Methodist Church on July 30. All members and other church women are urged to attend.

I always admire the wisdom of those who come to me for advice.

TAKE A JUMP... An obvious invitation for Great Britain to leave Iran is seen in this newspaper cartoon published in Teheran showing a character, presumed to be John Bull, being heaved into the sea. Cartoon is tagged "THE ONLY SOLUTION" and the label on the sleeve of the heaver reads: "NATIONAL WILL." British cabinet and military officers have been planning measures to protect British lives in Iran.

Building Permits Approved by City For Large Amount

The city commission approved five building permits Monday for one of the largest totals of any month this year.

A permit issued to E. M. Lambert & Son for the construction of 48 housing units brought the total to the peak for the year. This permit was issued in the amount of \$317,440.

Wylie Hearne received a permit for a \$10,000 home to be constructed on Largent Avenue between Second and Third streets.

Doyle St. John was given a permit for \$1,500 for enlarging and improving a place recently purchased on Eighth Street between Sharp and Harris avenues.

Logan Wilson was issued a permit for \$200 for an addition to a laundry building on Hutchings Avenue.

Mrs. Melvin Holt is in Roswell, New Mexico, visiting Capt. and Mrs. Richard Baker. Mrs. Baker is the former Miss Eulalia Nicholson, of this city.

Water Loading Equipment Used By Rural People

The city of Ballinger has completed paving on the south side of the city hall, making it possible for water trucks to circle the building and prevent traffic congestion. The water loading facilities have been improved for loading large tank trucks or filling small containers.

A number of rural people are getting drinking and household water from the city and others have made inquiries in regard to water in case the dry spell continues. Before the rains last spring a large number of tank trucks were loading daily at the city hall, hauling water for livestock in this section. Several oil well crews also secured water here, hauling it to locations where drilling was underway.

The city supplies water to all at the regular rate of 40 cents per 1,000 gallons.

Samples of city water are sent each week to the state health department for analysis and local water officials are

notified of the findings. It has been pure on every test, but the filtration and treatment plant leaves little chance for contamination.

Mrs. A. M. Powell and children, of Fort Worth, visited her mother, Mrs. Emma Lowry, the past two weeks. Mr. Powell joined them here Sunday and they left Tuesday for the Carlsbad Caverns.

Mrs. and Mrs. Simeon M. Cottele and daughter, Carolyn, left Wednesday for their home at Oxnard, California, after a four weeks visit in Ballinger and Comfort. They will return home via Carlsbad Caverns, New Mexico.

Chester Atterbach and son, Charlie, are in Dallas this week. Mr. Atterbach is buying fall merchandise for the Atterbach store. Mrs. Atterbach and daughters, Dina and Sharon, are spending several days at San Angelo, visiting in the home of Mr. and Mrs. Maurice Nixon.

Dorsey Read, who underwent surgery in an Abilene hospital July 5, has returned home and is recuperating nicely. Mr. Read was injured in an automobile accident near Brady several months ago while on a trip with Mrs. Read.

Henry Flippen, of Eden, is a patient in the Brady hospital and reported seriously ill. Mrs.

Lucille Smith, of Ballinger, a daughter, returned Monday after several days visit at his bedside.

Joe Flynt returned home the first of the week after major surgery at Dallas recently. He is reported greatly improved.

Methodist Friendship Class Has Pot Luck Supper

Mmes. Joe Freeman, Wayne Swift and E. L. Hardeman were co-hostesses to members of the Friendship Class of the First Methodist Church Tuesday evening, entertaining in the church parlors.

Arrangements of summer flowers were used for table decorations where the pot luck supper was served. Mrs. Jack Pridden conducted the business routine which was followed by an informal get-together.

Others present were: Messrs. and Mmes. W. N. Selby, W. E. Keel, Guy Radley, Lyman Yoder, Clyde Simmons, Ernest Caskey, R. A. Hanson, Willie Hearne, Ed Curry; Mmes. Willie Belle Middleton and Charles Webb; Messrs. Hardeman and Wayne Swift.

Gift Tea is Compliment for Mrs. Neely

Mrs. Bill Neely, who before her recent marriage was Miss Patsy Bell, was complimented Monday afternoon when Mrs. C. D. Harris, Mrs. C. L. Howell, and Mrs. Wood Gleghorn were hostesses at a pretty gift tea in the home of Mrs. Harris on Sixth Street, including 160 friends of the honoree.

The honoree's chosen colors, aqua and white, were given attractive emphasis in a details with white gladioli and baby breath being used to decorate the living room where Mrs. Harris extended greetings and presented Mrs. Neely and her mother, Mrs. Leamon Bell, and her mother-in-law, Mrs. W. I. Neely, of Winters.

Mrs. Clarence Richard directed guests to the dining room, where the refreshment table was laid with lace and centered with a reflective arrangement of white and aqua flowers. Mrs. Bill Bell and Mr. Deardal Beddo presided at the service where cake squares, ice in white and decorated with aqua florals were served with punch. Mrs. Howell and Mrs. Rene Carter, of Odessa, assisted in serving.

Mrs. Bill Goetz registered guests in the bride's book and gifts were displayed by Mrs. Gleghorn and Mrs. Leon Russell.

Mrs. Holliday Complimented on Birthday Anniversary

Children of Mrs. Mattie Holliday met in her home last Saturday for a birthday dinner honoring Mrs. Holliday, this being an annual affair. This was her 89th birthday anniversary. Mrs. Holliday expressed the wish that all her children and their families be present for her next birthday for a celebration in the Ballinger city park.

Those attending the dinner were: Robert Holliday, Houston; Mrs. Hilliard Watson, Lufkin; Mrs. E. V. Grantland and Vaughn, Colorado City; Mrs. John Hoffer, Dallas; Mr. and Mrs. Fred Holliday, Fred, Jr., and Robert, and Mrs. Nannie Ueckert.

Lowell Longenette Honor Guest on Birthday Anniversary

Lowell Longenette was named honor guest on his fourth birthday anniversary last Saturday afternoon when his mother, Mrs. J. W. Longenette, entertained a group of friends of the honoree in the back garden at their Eleventh Street home.

Mrs. Ed Curry and Mrs. John McDonald assisted with games after gifts were opened by the program, presented with vocal numbers presented by another Colemanite, Olen Nalley, who was accompanied by James McGaughey.

Lion John Purifoy of the Ballinger club made a short report on the recent international convention held at Atlantic City, emphasizing the large number of activities carried on by Lions clubs in 31 nations of the world and the tremendous growth of the organization during the past year.

Mrs. Gabbert Hostess to Sewing Club

The Busy Hour Sewing Club met with Mrs. Buster Gabbert, 706 Harris, on Thursday of last week.

After an hour of fancy work, a refreshment course of sandwiches and other dainties was served with cokes.

Gifts were exchanged and pairs were revealed. Present were: Mmes. Clyde Gabbert, A. E. Graham, Max Setser, B. B. Unsell; Misses Demma Barron and Anna B. Hash.

Mmes. Behringer and Barton Hostesses to Philathea Class

Mrs. Sam Behringer and Mrs. John A. Barton were hostesses to First Methodist Philathea Class members Monday evening, entertaining in the Behringer home on Tenth Street.

Arrangements of pink and lemon colored zinnias gave added beauty to rooms where Mrs. Emmett Williamson conducted the business routine and heard reports from officers.

Mrs. George M. Beard, secretary, read resolutions of respect for Miss Thelma Midgley, a deceased member of the class.

Mrs. Paul Richardson gave the devotional taken from Matthew 22 and Luke 10, "The Road to Jerico," and closed with a prayer.

Birthday celebrants for the month were Mmes. Felix H. R. D. Midgley, M. B. Webb, Fred Parker, Ernest Caskey and Augusta Bethany. The program was concluded by repeating the class motto.

Hostesses served lemon sherbet and cake. Others were: Mmes. Robert Bruce, C. R. Stone, Cal Adair, W. M. Hays, R. D. Midgley, Tom Caudie, O. R. Lasater, A. M. Smith, O. R. O'Neill, C. D. Wooten, Elizabeth Coleman, and Miss Ollie Chenoweth.

Mrs. Bryan Entertains Friends at Bridge

Mrs. Curtis Bryan entertained a group of friends at a bridge party Wednesday afternoon in her Seventh Street home, which was decorated with arrangements of garden flowers.

In contract games the high award went to Mrs. Walter Presson, the traveling prize to Mrs. S. E. Cloninger, and bingo awards to Mrs. Tom Agnew and Mrs. Herman Price.

A salad plate was served with iced tea. Others present were: Mmes. Ernest Caskey, Ted Thadde, E. C. Grindstaff, W. O. Irby, Price Middleton, Lloyd Johnson, Sam Conner, W. K. Wheatly, H. G. Agnew, Alex McGregor, Edgar Boelsche, and Miss Marryatt Smith.

SOUTH BALLINGER HOME DEMONSTRATION CLUB

Mrs. Ed Farley was hostess when the South Ballinger home demonstration club met in her home Tuesday afternoon of this week. Roll call was answered by saying something nice about the person on the right.

Suggestions for material for the 1952 year book were given by members. Mrs. Neuman Smith gave a report on the last county council meeting.

All club members were requested to bring scrap iron which they wish to donate to the fire department, to the home of Mrs. Tom Crockett. A committee was appointed to solicit advertising for the 1952 calendars which the council is to have printed.

Club members and their families will have a picnic at Ballinger city park on August 17, at 7 p. m.

Mrs. V. L. McShan and Mrs. J. P. Boothe gave a program of safety in the home.

The hostess served a salad plate with cookies and iced tea to fourteen members and one visitor.

The next meeting will be held in the home of Mrs. Dick Holstead on September 4.

Mrs. J. F. Currie, Mr. and Mrs. C. H. Wylie and Miss Bonnie Clark have returned from a vacation trip to Florida and a visit with Mr. and Mrs. Ed Richards at Claremont, Florida.

Runnels countians are being asked to help in a scrap iron drive which will serve a double purpose. In the first place the steel mills need scrap as they gear for the defense program. In the second place Ballinger firemen have a plan which should be favored by every citizen of the county. They are asking for a carload of scrap, proceeds from which will purchase a tank truck, pump, hose and other equipment to answer rural fire alarms. A rural fire truck would be of great benefit to every farmer in this county and to a number of small communities that do not have fire fighting equipment. The 1,000-gallon tanker could be used to snuff out fires where no water connections are available. The campaign has been on for about a month, but the scrap has come in slowly. Firemen will pick up the metal and all you have to do to help in this worthy project is to notify them that you have a contribution.

PEDDLER ORDINANCES

The whole picture of house-to-house selling has become confused by a recent U. S. supreme court decision validating municipal ordinances to stop this kind of selling. Many cities have ordinances modeled after the one enacted at Alexandria, Louisiana, which was tested in the appeal litigation. It forbids canvassers to call except by permission of the householder.

The housewife's willingness to listen to a door-to-door salesman depends upon many things. She may be in the bathtub; she may be in the kitchen with her hands in the dough; she may have the baby asleep or taking a nap herself when the bell clangs. The visitor may be very unwelcome, or he may be received as a relief from the boredom of housework.

Local merchants, of course, who see the peddler as a competitor who pays no taxes and whose profits do not stay in the community, favor restricting him.

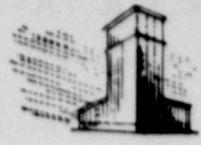

The court decision will not entirely banish the door bell ringer. Many towns do not have the restricted ordinance and others which do make no serious effort to enforce it. There will be door-to-door peddlers so long as there are customers for their merchandise, customers who do not summon a policeman to enforce the law. The important part of the court's decision is that cities have the right to ban the peddler if they wish to do so. The Alexandria ordinance has been studied in Ballinger but civic groups have opposed it because it seems too rigid. Newsboys could not solicit subscriptions for the local newspaper, Red Cross solicitors would not be permitted to call and other local sales would be halted.

Ballinger authorities are trying to enforce a regulation which requires a solicitor to have a letter from the city commission and chamber of commerce. This is a good plan and can be workable if citizens demand authorization before patronizing bell ringers.

Treason is the only crime mentioned in the constitution of the United States.

WEST TEXAS NOTES

The Coleman county commissioners' court is advertising for bids on its largest construction job in history, the erection of an estimated \$265,000 court house. Bids will be received until 2:00 p. m. on August 13 and opened at the regular August meeting of the court. They will be received in four different parts: for general construction; plumbing, heating, ventilation and air-conditioning; architectural work.

Bronte Camp No. 665, Woodmen of the World, is participating in a nationwide project of the fraternal order to secure funds to purchase and present to the American Red Cross, a number of mobile units for collecting blood for men in service and for civilian needs. The plan calls for the 65,000 fraternal beneficiary lodges throughout the United States and Canada to contribute cash and enroll blood donors from their nine million members. The Bronte camp has sent its contribution to the national headquarters.

Unofficial tabulations of the ballots in the special election held in McCulloch county June 30, reveal that the reallocation of tax levies by the commissioners' court was approved by the voters. The authorization of the court to reallocate the tax monies does not change the total tax levy, County Judge W. M. Deans explained prior to the election. It gives the commissioners the authority to boost the levies for funds in need of additional revenue and to decrease levies where they are least needed.

Very little was accomplished Friday night at the meeting of the Winters Chamber of Commerce when several citizens met to discuss the probability of a swimming pool and a city park. Detailed matters, including purchasing of material, getting labor, cost of building, permits and other phases of the project were aired. Much investigating has to be done before plans are mapped.

THE EARLY GREEK PHYSICIANS believed that it was not possible for a man to enjoy perfect health unless he carefully organized his life to accomplish this single objective. This meant the meticulous ordering of each day. Proper nutrition, exercise, and rest were perfectly balanced. Physical constitution, age, and even the seasons of the year were considered. For a man of affairs, such a regimen is out of the question. When your work is done, you play and exercise when you can. But this little you can do. See your family physician at least once a year. Follow his advice. In case medication is required, we are prepared to serve you, promptly and economically.

Britain's Scrambled Eggs

Great Britain invested an amount equal to \$2,300,000 in a poultry farm in West Africa. The idea was to supply the people of England with more eggs and poultry which have long been an expensive luxury, if available at any price.

Poultry and eggs to the value of about \$27,639 were sent to Britain before the farm was finally abandoned. Thousands of acres were cleared but enough feed could not be raised. Pests and disease reduced the flocks. Climate was unsuitable. The manager was a made up dreamer who thought the poultry the people were purchasing was too high.

Another plan which looked fine on paper proved to be an expensive failure. There is still no substitute for the American Way of individual enterprise—ownership—and management.

Colemanite Gives History of Rodeo At Lions Meeting

The 15-year history of the Coleman Rodeo Association was the topic of a talk made Friday to the Ballinger Lions Club by Sam Cobb, president of the Coleman organization. The speaker stated that in the beginning a few civic minded persons contributed a sufficient amount to get it started and obligated themselves for the balance necessary to stage the first show. Since its inception in 1936 the annual show has been a success each year and the entire rodeo area, grandstand, recreation building, stock show pens and other improvements now belong to the association with practically no indebtedness against any of the plant.

In a question and answer period, following Mr. Cobb's informative talk, it was shown that the facilities of the organization are used practically twelve months a year. The recreation building is used several times a week, livestock shows are presented, the annual fall festival, horse shows and other special events utilize the entire plant. The speaker issued an invitation to the Lions to attend the annual rodeo which closed Saturday night.

The speaker was introduced by Nathan Clyde, manager of the Coleman Board of Community Development. Also on the program was a group of vocal numbers presented by another Colemanite, Olen Nalley, who was accompanied by James McGaughy.

Lion John Purifoy of the Ballinger club made a short report on the recent international convention, held at Atlantic City, emphasizing the large number of activities carried on by Lions clubs in 31 nations of the world and the tremendous growth of the organization during the past year.

Yes, Pembroke, but note this! Actually, MOPAR Power Punch Piston Rings are used to restore power and peak performance in Dodge and Plymouth cars and Dodge "Job-Rated" trucks. They save owners money on oil and gas, too!

So... if your Dodge or Plymouth car or Dodge truck has reached the "oil-burning age," let us inspect it. If needed we can install...

YANK CHOW BETTER THAN RED RICE . . . These four marines line up for first American food in six months shortly after they got back to U.S. lines after being held captive by the Chinese Communists. They were captured in the now historic Chosin reservoir action. They are, left to right, Sgt. Charles Dickerson, Savannah; unidentified man; P.F.C. Theron Hilburn, San Diego; and Cpl. Ernest Hayton, Julian, Calif. They marched 800 miles as tide of battle changed.

It's hard for some people to turn a cold shoulder to a hot spot. One thing can be said for people who live in the past. They can do it cheaper.

The Lazy J Ranch's 1950 Ford F-3 Express with POWER PILOT was one of more than 100 Fords in the nationwide, 50-million-mile Ford Truck Economy Run.

George Stephens of the Lazy J Ranch says: "The low cost my Ford Truck showed in the Economy Run speaks for itself. I got regular service checkups from my Ford Dealer."

"My ranch 'workhorse' runs for only 2 1/2¢ a mile!"

Ranch owner George Stephens proved for himself, in the big Economy Run, just how little it costs to run his Ford Truck!

"The Lazy J's Ford Express did itself proud in the Ford Truck Economy Run," says Stephens. "Daily records kept during the entire six months show that our Ford Truck ran up a total of 5,109 miles. My out-of-pocket expense for gas, oil, main-

tenance and repairs was exactly \$123.51 . . . about a \$20 bill each month . . . only 2 1/2 cents a mile!"

The Ford Truck POWER PILOT carburetion-ignition system is one reason why Ford Trucks cost so little to run, in ranch work or any work. The POWER PILOT gives you the most power from the least gas. In the low-price field, only Ford has it!

Woody-Purifoy Wedding Party Entertained

Mrs. E. A. Saunders and daughter, Mrs. Edgar Payne, of Abilene, were hostesses at a luncheon in the home of Mrs. Jewel Cooper on Thursday preceding the wedding of Miss Mary Brian Woody to Mr. Albert Purifoy on Thursday afternoon which included the bride-elect and her attendants.

Mrs. Payne served as matron of honor at the wedding. Majestic daisies and fern, and streamers of aqua laceron ribbons formed the centerpiece for the linen laid table. Places were marked by cards designed with bridal motifs where the three course menu was served. The guest list included the honoree and Misses Sally Bailey, Elizabeth Wear, Mary Rowland, of San Angelo, Joyce Pember, of Slaton, Arlene Miller, and Anna Sue Hembree, of Quanah; Mmes. Lanham Flynt, William Wright, Edgar Boaz and Bob Sykes, of San Antonio.

Mr. and Mrs. John Purifoy were hosts at a luncheon on Thursday in their home on Broadway complimenting their nephew, Albert Caleb Purifoy and his attendants.

A bowl of crushed ice outlined with ripe and green olives and topped with a bunch of radishes which rested on a reflector and flanked by small bowls of crepe myrtle formed the dining table centerpiece where the luncheon was served.

Other guests besides the bridegroom-to-be were Edgar Boaz, of Anson, Bill Wright, of Cisco, Henry D. Hughes, of Dallas, William Rosser Purifoy, of Biloxi, Mississippi, Rosser Purifoy, of Dallas, W. B. Woody, Dr. Troy Taylor and Frankie Berryman.

Cottelles Honored at Picnic in City Park

Mr. and Mrs. Simeon M. Cottelle and daughter, Carolyn, of Oxnard, California, who are house guests of Mr. Cottelle's mother, Mrs. Sim Cottelle, were complimented at a picnic in City Park Friday evening.

Mr. and Mrs. Chester Afflerbach and Mr. and Mrs. V. O. Wade were hosts at the affair, at which about thirty guests were included.

The Cottelles were also complimented at a barbecue in the Walter Adami home at Winters Wednesday evening at which Mr. and Mrs. Adami were hosts

and approximately 100 guests attended.

Bill Russell, Miss Johnson Wed in Arkansas

Mr. and Mrs. Bill Russell, who were married on June 30, at the First Baptist Church in Greenwood, Arkansas, are at home at 2705 Hardie Avenue, Fort Smith, Arkansas.

The bride, the former Miss Patsy Johnson, is the daughter of Mr. and Mrs. E. F. Johnson, of Greenwood. Mr. Russell's parents are Mr. and Mrs. Ralph Russell, of Ballinger.

Mrs. Russell is a graduate of Greenwood High School, and Mr. Russell is a graduate of Ballinger High School and Texas Technological College, Lubbock. He has been in the armed service the past nine months, and is stationed at Camp Chaffee, Arkansas.

Mr. and Mrs. Ralph Russell, parents of the bridegroom, and his grandparents, Mr. and Mrs. D. R. Russell, and Mr. and Mrs. W. S. Caudle, of Abilene, and Mr. and Mrs. Merle Taff were in Greenwood for the wedding.

Triple-Four Members Guests in Stasney Home

Mrs. E. W. Stasney included Mmes. John Bradley, W. E. Moss, Herman Price, R. T. Williams and Worth Claunch when she was hostess to members of the Triple-Four Contract Club Wednesday of last week.

The Stasney home on Eighth Street was decorated with arrangements of garden flowers where bingo awards went to Mmes. F. M. Pearce, Alex McGregor and Moss.

Ice cream and cake were refreshments following games. Others were: Mmes. L. R. Tigner, Harry Lynn, K. V. Northington, Ross Murchison, Claude Stone, Troy Simpson, Delbert Vancil, Edgar Boelsche and Tom Agnew.

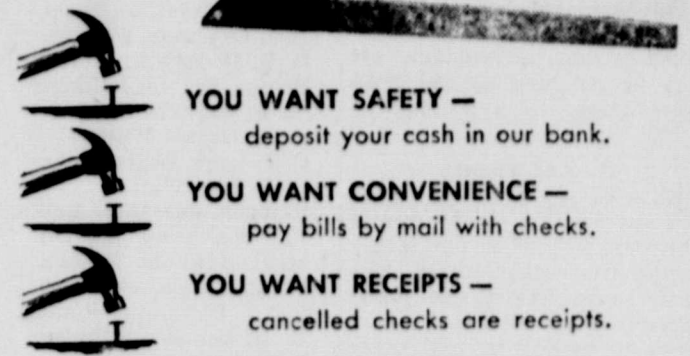

Fancy Doers Have Watermelon Feast at City Park

Mr. and Mrs. O. L. Hart sponsored a watermelon feast at City Park Friday evening which included members of Fancy Doers Club and dates.

Following the party the group enjoyed a theatre party. Those present were: Margaret Ann Hampton and Lynn Neill, Barbara Stuart and Grayham Hart, Dian Tuckey and Curtis Fletcher, Carolyn Bigby and Terry Yoder, Cordelia Flanagan and Lavelle Foy, Norma Jack-

'DODGE CITY'

ERROL FLYNN faces Bruce Cabot's threats in this scene from Warner Bros. fast-paced film, "Dodge City," to be shown at the Horseshoe Drive-In tomorrow and Saturday, July 20, 21.

'Dodge City,' First Run 'Soldiers 3,' 'Belvedere' Comedy to Horseshoe

The brawling, turbulent, sudden-death era of a tough pioneer town in the cattle country of the 1870s is the background against which Errol Flynn projects his personality in "Dodge City." Warner Bros. outdoor production to be presented at the Horseshoe Drive-In Theatre tomorrow and Saturday, July 20, 21.

Flynn's leading women, Ann Sheridan and Olivia DeHavilland, two of Hollywood's top female stars, are cast as a dance hall hostess and a girl reporter, respectively.

Flynn has the post of sheriff of the wicked town who sets about cleaning it up amidst cattle stampedes, rousing saloon brawls and a climactic pistol battle in a railway mail car.

Bruce Cabot, Alan Hale, Victor Jory and Frank McHugh are featured.

On the same program is "South of Tahiti," a natural color film.

"Soldiers Three," to be shown at the Horseshoe for its first run in Ballinger, on Sunday, Monday and Tuesday, July 22 through 24, is declared Rudyard Kipling at his rollicking and adventurous best; a double-barreled action story of three fun-loving soldiers and their officers in His Majesty's army. Their adventures, varying from the hilarious to the dramatic in

This one says You've Arrived

HERE pictured is an automobile that may well be the fulfillment of any man's dream of a fine motorcar.

For you've a right to expect, when you pay a fine-car price, that your money will buy more distinction, more comfort, more performance than are to be found in vehicles of lesser worth.

No other car on the American scene has a prouder bearing.

No other automobile has more spacious dimensions, more luxurious comfort, or finer appointments.

No other car has a ride more serenely smooth on curve or straightaway, highway or byway.

And no other car, at ROADMASTER's price or above, has Dynaflo, and the supreme command of every traffic condition which it provides.

So you, at the wheel of Buick's biggest and best, have a right to feel distinguished.

But there's a joy of possession which goes deeper than visible things.

There's the feel of a power plant as brilliantly eager as this great car's valve-in-head Fireball Engine — and the satisfying com-

panionship of a brawny traveler instantly responsive to your every wish.

And there's one thing more, which only ROADMASTER can give you in such generous measure. That is the pride of a wise investment, based on the fact that this car stands alone in price per pound, among fine cars similarly equipped.

So why not take that very important first step—and come in and see us soon?

Equipment, accessories, tires and motor are subject to change without notice.

County's Farmers Generally Favor Sub-Soiling Practice

Runnels county farmers have received assistance from the production and marketing administration for sub-soiling the past two years.

In 1950 only three farmers participated in this program. They were A. E. Schwertner, R. G. Vancil and J. E. Patton. Other producers in the county watched these farms with interest to see what results were obtained. Approval of the practice was evidenced in the fact that in 1951, 45 producers have carried out sub-soiling on 3,773 acres.

One of the producers, Arthur L. Newby, of Bradshaw, who sub-soiled 34 acres 12 inches deep, has informed the county PMA office that in his opinion, sub-soiling is the most beneficial program available to the farmers of this county.

Another well satisfied producer in this program is V. L. McShan, of Ballinger, who carried out the practice on 76 acres, using chisels made by C. W. Jennings, of Ballinger. Members of the Runnels county committee point out that sub-soiling not only

increases water penetration but also increases the soil's consumption of water and production on the land. Farmers of this area are becoming more conscious of the benefits of sub-soiling and are closely watching the results of the 1951 program. The local PMA committee is anticipating a much larger program in 1952.

For those who would like to observe the production on sub-soiled farms, a complete list may be obtained at the PMA office here.

Card of Thanks
We wish to express our thanks and appreciation to the friends who were so kind to our family during the recent illness. The food, cards, letters and many expressions of kindness meant much to us and we will never forget the interest of our friends.
