The Ballinger city commission and members of the fire department met Friday night and placed an order for a new fire truck, fully equipped. The contract was let to Howe Fire Fighting Equipment Co. to build the truck on an International chassis. Total cost will be \$19,200 and includes all hose, nozzles and other equipment necessary.

The new 750-gallon pumper will be delivered here in January, according to terms of the contract. It will replace the American LaFrance truck which has been in service since 1930. The city commission will offer

the old truck for sale when the new pumper is delivered here, tried out and accepted.

After the new truck is put in service local firemen will work over a Ford truck and put it in good condition. Other equipment will be added until the local department meets all requirements.

In recent months a number of pieces of equipment have been made available, including a truck on which large floodlights are mounted. Also acquired is a motor boat for flood rescue work and drownings and a safety car with cot and oxygen tank.

## Farm Bureau Member Campaign Underway

The Runnels County Farm Bureau will conduct a membership drive starting October 3 and continuing through October 8. During the five days committees will seek to sign up all present members and secure as many new ones as possible.

"Legislative work carried on by the Farm Bureau at Austin and Washington is worth many times more to each farmer than his membership dues cost," Marion Hays, president of the county organization, pointed out.

## F. F. A. Chapter Starts Projects For 55-56 Term

The Future Farmers of America chapter of the Ballinger high school has held several meetings since the beginning of the school term and is perfecting plans for operation this year.

Meetings of the chapter are being held once a month. The executive committee, composed of Wallace Walther, Dwayne Patton, Rodney Finagan, Hugh Campbell, Jimmy Smith and Ralph Dankworth, has been appointed. This group is meeting once a week to plan work programs.

Starting with the beginning of the 1955-56 term, colored slides are being made of all projects. These will be shown at the annual parent-son banquet next May to reveal first hand the program made in livestock and other projects.

Four boys have been designated to represent the chapter in the stock show at the state fair, Dallas, in October. Dwayne Patton is to show an Angus steer and Bert Witt a Hereford steer. These animals average about 900 pounds each. Jimmy Stubbledill will show three registered ewes and a buck. Francis Fischer will show three Yorkshire pigs which average about 190 pounds each.

## Chamber Board Meeting Monday To Plan Projects

Directors of the Ballinger Chamber of Commerce will hold their regular October business meeting at 7:30 p. m. Monday. This will be the first meeting since employing a manager and a large number of projects will be up for consideration.

One of the main topics will be delegated to the special activities committee, of which Bob McGarvey is chairman. He will present a plan Monday night for approval of the directors and a budget will be set for the program.

Foy Farmer, new manager, will report on the school he attended at Abilene and discuss some of the main items of business taken up at that meeting.

The method of electing directors also will be discussed. In the past a post card ballot has been sent to the membership bearing 22 names, 11 to be elected. This plan has met with some objections and directors will consider a different method, which has to be approved before December.

## CUB LEADERS, MOTHERS HOLD BUSINESS MEETING

Ballinger den mothers and cub executives Jack Fry, J. W. Bahlman and O. K. Reynolds met at the Acapulco Cafe at 9:30 p. m. Tuesday. Reports disclosed seven dens organized at this time.

Mr. Bahlman, new cubmaster, stated that more den mothers were needed and urged that anyone who will serve contact them as soon as possible. The leaders hope to secure enough mothers to provide for every boy who desires to join.

## HANDICAPS DON'T STOP THESE BOY SCOUTS

Members of Boy Scout Troop 28 in Dallas are celebrating a big event this Fall—the 10th anniversary of the troop at the Scottish Rite Hospital for Crippled Children, where a youngster with the desire to be a Scout is likely to become a reality regardless of the handicaps that might be involved. More than 1,500 Texas boys have started or continued their Scout work despite the fact they are patients at the hospital. Taking their Scout oath before starting their weekly meeting are some of the dozen members. Left to right, are 11-year-old Ronnie Vaughn of Weimert; Garry McCarty of Sherman, and Jim Kitchen, 15, of Carrollton. Standing (left to right): Hospital President John McKee, Dallas; Scoutmaster Dave Morton of the Dallas Jaycees, and C. Russell Smith, Jr., of the Scottish Rite and Jaycees, sponsors of the troop.

## Barton Resigns Office Of County Agent Here

John A. Barton has revealed that he will resign as Runnels County farm agent and from the extension service on October 31 this year. He will complete 31 years of extension service work on that date, 19 of these years being in this county.

One of his main objectives has been to make 4-H club work so worthwhile and interesting that boys would remain on the farm and be eligible for some of the high awards and rewards. During Mr. Barton's service here seven 4-H boys have won expense paid trips to the international exposition at Chicago. Another accomplishment has been the winning of scholarships and seven of these have been awarded to six Runnels County boys for a grand total of \$3,680. Three of these boys attended A. & M. College, one graduating and receiving his master's degree, and another will finish in engineering in 1956.

This county's 4-H club boys have won the award for the grand champion steer at Fort Worth and many other special and top awards in livestock. They have taken honors in state, district and county shows. Training boys in judging wool and mohair, crops, poultry and soil has been a program that has paid dividends. Recently tractor maintenance training was started and more than 50 boys have received this special instruction. Insect reporting by the boys and their dads has been another valuable project. During Mr. Barton's stay in Runnels County 5,000 to 6,000 boys have received training.

"Water Makes the Difference" has been a slogan developed through the agent's office. In the dry years the importance of holding water on the land has been a major emphasis.

A new program advocated by Mr. Barton at the beginning of 1955 has received the cooperation of the commissioners' court. Knapsack sprayers were purchased for killing mesquite trees and those have been loaned to many farmers and ranchmen for mesquite eradication. Some 3,000 acres have been cleared this year and will release the land for grass.

During Mr. Barton's tenure of office here there have been many special programs in which he assisted. Drought relief, special loans and other benefits for farmers have been given by government agencies through his office.

Mr. Barton has looked after all of his regular work and special projects and still found time to serve in numerous civic and fraternal posts. He is a member of the Ballinger Rotary Club and serves on the farm committee. He is an ex-officio member of the board of directors of the Ballinger Chamber of Commerce and has served on numerous important committees. He is an associate member of the Runnels County soil and water conservation district board. He assists directors of the Runnels County Farm Bureau in much of their work.

In May, 1951, Mr. Barton received the highest award accorded men of his profession. He and Mrs. Barton were called to Washington, D. C., where he received the superior service award given by the department of agriculture.

Since 1951 he has been fortunate in having assistant

agents assigned to his office and has helped to train five young men starting in this field.

Mr. Barton graduated from Texas A. & M. College in 1917. At that time World War I was underway and he served with the armed forces until the end of the war, when he entered the extension service and was assigned to Comanche County, where he made a fine record.

Coming to Runnels County on March 1, 1937, he started work which brought him the highest awards made to county agents. His first efforts here were centered on diversification, soil conservation and 4-H clubs. This county has become one of the most diversified in the state and he has made much progress with new varieties of field crops, securing enough seeds of these for demonstrations.

He worked hard for soil conservation and supervised terracing, tank building and other beneficial projects until a soil conservation office was established here and technicians assigned to this work.

One of the biggest jobs ever to be handed to Mr. Barton as county agent was in 1933 when the first government farm program was established. During the early days of the AAA many acres of cotton were plowed up and many head of livestock killed. The county agent's office looked after this tremendous program as well as conducting the farm sign-ups when the acreage allotment plan was launched. In addition he received and distributed all checks to farmers in payment for meeting government requirements. He looked after this work for four years until an agency was set up for this purpose.

## Scout Camporee Set at Sol Mayer October 1 and 2

Boy Scout troops and Explorer posts along with units throughout the Tri-River district will participate in a camporee and emergency service training camp at Camp Sol Mayer on Saturday and Sunday, October 1 and 2.

Events will begin at 2:00 p. m. Saturday and close at 9:00 a. m. Sunday following the religious service.

District committees are to attend the council operating committee at Sonora on the evening of Tuesday, October 11.

A training course will be offered for explorer advisors, their assistants and anyone interested in exploring at Camp Sol Mayer on October 14, 15 and 16.

Joe A. King and the assistant district commissioner will conduct the regular round table meeting beginning at 3:00 p. m. Sunday, October 16, at the Painted Rocks near Paint Rock.

Mr. and Mrs. Edgar Ellis, of Wichita Falls, were here Sunday to attend the funeral services for Mrs. Alma Jones.

Mrs. J. S. Merrifield returned home Monday from a visit with relatives in California.

## Big Gasser Completed; Deep Wildcat Projected

Murray Petroleum Co. and R. D. Sterling No. 1-Nitsche, six miles northwest of Winters, has been finalized for an absolute open flow of 8,400,000 cubic feet of gas a day, plus 42 barrels of oil. Gas was topped at 4,330 feet. The well was reentered and drilled to probe the Gardner sand, where only water was recovered.

Wes-Tex Drilling Co. has drilled a deep wildcat, to be drilled on the W. W. Curry place, four miles north of Miles. The application for a permit calls for a 5,800-foot hole, calculated to reach the Cambrian. Operations are to start at once.

Humble Oil & Refining Co. No. 1-Walter Lange, southwestern offset to the one-well Hatchel (Strawn) field on the Zappe place, logged gas and a showing of oil in the Cappe lime. The project is slated for a 4,500-foot bottom and is being drilled ahead.

Sinclair Oil & Gas Co. No. 3-Tennie Wilson, five miles west of Winters, flowed oil from the King sand and the Cisco reef and the Breckenridge lime is to be tested. Sixty-six barrels of 40.1 gravity oil flowed in a 17-hour run.

Warren Petroleum Co. No. 1-C. R. Kendrick has been completed for a daily flowing potential of 114 barrels of oil a day. Gravity has not been reported. The location is two miles northeast of Winters.

## Picture of English Life Today Given Club by Liverpool Man

Herbert Allmon, of Liverpool, England, was guest speaker at the Ballinger Lions Club meeting Friday night, giving the club first hand information on life in his country.

Mr. and Mrs. Allmon are visiting here in the home of Mr. and Mrs. Harry Paschal. Their daughter married Dennis Paschal during World War II and the couple now live at San Antonio. The Allmons were here eight years ago and this is their second trip to the United States.

In Liverpool, they operate two fish and chip eating places and have been very successful with their business.

Mr. Allmon gave an account of the school system in England, reporting that children started at the age of 5 and graduated from public schools at 15. He stated that athletics were not a part of the curriculum and this gave more time for study. He told the Lions that every child through the age of 11 receives free milk every day, which is a government program in all schools.

Speaking of rationing, he told his audience that it ended about a year ago and that people could buy anything in the stores now without rationing books. He said the price of gasoline was 65 cents a gallon

## District Voters Defeat Highway Bond Issue

Road bonds in the election held Saturday in road district No. 3 of Runnels County lacked only 37 votes of getting two-thirds majority. Voting was heavier than in the election held on July 2 when two proposals were defeated.

Ballinger and Miles voters gave big majorities to the issue but citizens of other voting boxes registered heavily against the issue.

Final tabulations showed a total of 713 in favor of the bonds while 411 opposed.

Voting by boxes was as follows:

Ballinger No. 1, 119 for, 36 against

Ballinger No. 24, 190 for, 61 against  
Ballinger No. 28, 178 for, 62 against  
Ballinger No. 29, 77 for, 25 against  
Bethel, 6 for, 20 against  
Benoit, 1 for, 14 against  
Brookshier, 2 for, 18 against  
Miles, 99 for, 51 against  
Rowena, 28 for, 93 against

The state highway department has been informed of the action of the voters but no comment has been received by local authorities. Those who sponsored the two petitions which resulted in the calling of the elections, believe that the issue is settled and that there is no way of securing the proposed highway projects at this time.

## Week-End Rains Cover County, Other Sections

Rains in Runnels County ranging from 6 of an inch to more than 8 inches were received the past week-end. The moisture ranged from small showers to downpours which gauged up to as much as five inches in a short period.

Ballinger received about 4 inches in the three days but only a short distance south of Ballinger the precipitation was light, less than an inch being reported. The hardest fall was east of Winters where up to 8 inches were gauged, most of that falling Friday morning.

Elm Creek and the Colorado River rose enough to run through and Valley Creek got bank full but put only a small amount of water in the Ballinger city lake.

South of Bethel the rain was light. Wingate reported only 8 of an inch and south of the local airport the fall was from one inch up.

In most places little damage was reported. In the area which received the most some cotton on terraced land was submerged and expected to be damaged. The moisture came with little wind and very little cotton was washed out. A large part of the maize had already been combined and was in storage. Most of the range has been benefited and surface tanks replenished.

It was voted to set dues for 1956 at \$4.50 and an effort will be made to complete the membership campaign by November 11.

It also was voted to hold the annual Veterans' Day breakfast on November 11 and committees will be appointed to look after arrangements.

Commander Crockett stated that all standing committees would be named by the next regular meeting.

**Auxiliary Elects**  
Mrs. David Halliburton was elected president of the auxiliary and will serve with the following other officers: Mrs. D. B. Crockett, vice-president; Mrs. Sim Cottle, secretary-treasurer; Mrs. Price Middleton, historian; Mrs. Alex McGregor, chaplain; Mrs. Eugene Loika, sergeant-at-arms.

Committees were appointed, as follows:  
Membership—Mrs. Troy Simpson and Mrs. Sim Cottle  
Poppy Sale—Mmes. Dalton Crockett, Price Middleton, Guy Swann, Tom Agnew, W. B. May  
Child Welfare and Rehabilitation—Mmes. D. G. Posey, Tom Caudle, Tom McEntire  
Christmas Gifts—Mmes. Jack Seales and A. J. Thorp, Jr.  
Legislation—Mmes. Tom Epling, A. McGreer, W. O. Wallace  
Social—Mmes. D. B. Crockett, W. B. Woody, Eugene Loika.

The fall poppy sale will be held on November 5. Articles for the gift shop at Legion will be assembled and sent there by November 1. The gifts will be assembled at Stone's store.

A check for \$25 was sent to state headquarters as the Christmas assessment on the local auxiliary.

**COURT OF HONOR TO BE HELD FOR SCOUT TROOP**  
Scoutmaster Sim Ledford and assistant, H. M. Dossar, have announced a special court of honor for scout troop 30, to be held October 15 at the American Legion hall.

There will be 8 eagle awards made to troop members at the court of honor. This troop last year certified 10 members for eagle awards, the highest rank in scouting, and will add 8 more to the list this year.

The affair will open with a pot-luck supper and parents and a number of others will be invited. There are 42 boys in the troop at this time.

Mrs. J. P. Flynt, who had been hospitalized in the Ballinger Clinic-Hospital for more than three months after breaking a hip, was moved to her home on Fourth Street Friday.

Cal Adair has let a contract for the construction of a modern station at the corner of Thirtieth Street and Hutching Avenue. Cost of the location building and fixtures will be approximately \$40,000.

Ivey Bros., of San Angelo, was low bidder and was awarded the contract. The Ballinger Electric Co. will do the electrical work. C. L. Armstrong the plumbing and Seidel Construction Co. will prepare the grounds.

Work will get underway next week and the contractor expects to complete the job within 90 days.

The structure will be of porcelain and glass and will include every modern lighting effect. Ultra modern rest rooms and other conveniences will be a part of the building.

Mr. Adair purchased a building on this location two years ago and has operated a station there since. The old building has been razed and the lot is being prepared for the contractor this week.

Anything less is an old-fashioned truck!

New Chevrolet Task-Force Trucks

They're the most modern trucks on the road. If you don't get all the advantages they offer, you stand to lose money on the job today... and again at trade-in-time!

It stands to reason, when you think about it, that the most modern trucks are the trucks that'll save you the most. They're the trucks that'll move your loads most efficiently and quickly. They're the trucks that offer the most comfort and convenience for the driver so that his efficiency goes up, too. They're the trucks that have the most modern and efficient engines—and you know what that means in terms of lower ton-mile costs!

Shortest stroke V8's... most advanced sizes. In most new Chevrolet truck models, you have your choice of V8\* or 6. Chevrolet's new truck V8's have the shortest stroke of any V8 in any leading truck! That

means less friction and wear per mile. And all Chevrolet truck engines have a modern 12-volt electrical system for quicker starting, better ignition, and a greater electrical reserve.

## Study Club Opens Year

The Fannie Stephens Study Club opened its 20th year with a chuck wagon supper at the rural home of Mr. and Mrs. E. C. Grindstaff Tuesday evening.

Following the barbecued chicken menu, the new president, Mrs. B. J. Williams, Jr., extended a welcome to new members, Mrs. Doyle St. John, Mrs. John W. Cody and Mrs. E. B. Davidson, and to club members and their husbands.

Mrs. Grindstaff, program chairman, gave a preview of the year's programs on the course of study, "The Better You." She then introduced Joe Perry, highway patrolman, of San Angelo, who delivered a talk on safety. He told of automobile accidents caused from drinking and showed a chart on how alcohol affects the brain. He stated that the alcohol test given a driver following an accident would produce evidence in court.

Those present were: Messrs. and Meses. Grindstaff, St. John, Cody, Williams, H. G. Agnew, E. Y. Bailey, T. L. Epting, W. E. Moss, M. E. McClenny, W. O. Irby, H. B. Edmondson, Ted Tidwell, Rev. and Mrs. Felix Keys, Dr. and Mrs. J. Dexter Roff, and Mrs. W. E. Elkins.

## NEW BAPTIST PASTOR WILL PREACH SUNDAY

Dr. W. LeRay Fowler, new pastor of the First Baptist Church, moved here this week and he and his family are occupying the parsonage on Broadway. Rev. Fowler will begin his ministry in Ballinger Sunday morning when he will deliver his first sermon at the 11:00 o'clock service.

This being the first Sunday in the new Sunday school year and the first Sunday for the new pastor, attendance goals have been set. Leaders will strive for 500 at Sunday school, 9:45 a. m., and 150 at the B. T. U. in the evening.

Special music has been prepared and large congregations are expected at all worship services.

## Greenland Will Trial Underway

A jury was secured and testimony began Monday in a trial contesting the will of Mrs. Mary Greenland, of Miles, in which some \$293,720 is at stake. The Masonic Home and School, Fort Worth, is the main beneficiary in the will, which heirs are contesting. The case will require several more days in which to present all witnesses.

Judge O. L. Parish, of 119th district court, disqualified himself in the case and Judge James K. Everts, of Belton, is here to preside at the trial.

## DEMONSTRATION CLUBS' YEARBOOK GROUP MEETS

The yearbook committee for home demonstration clubs of the county held an all-day meeting Friday at the home of Miss Ollie Chenoweth.

Twenty-one women, representing the various clubs of the county, and members of the county council yearbook committee attended. Plans for programs were made and copy for the book will be assembled soon.

Visitors in the home of Mr. and Mrs. Devan Reynolds the past week-end were Mrs. Reynolds' father, R. E. Sheffield, of Brooksmith, and her brother-in-law and sister, Mr. and Mrs. Orman Means, of Brownwood.

## SERVING UNCLE SAM

2nd Lieut. Walter R. Hill, son of Mr. and Mrs. Roy L. Hill, of

Ballinger, has been promoted to the rank of first-lieutenant, the air force announced last week. Lieut. Hill is assigned to personnel and administrative section, management service branch, directorate of procurement and production headquarters, air material command, which is the world-wide procurement, supply and maintenance source for the entire air force at the Wright-Patterson AFB, Ohio.

A graduate of the Ballinger high school and A. & M. College, where he received his bachelor of business administration and his master's degrees, Lt. Hill was commissioned in the reserves in September, 1953, and entered active duty with the air force in February, 1954.

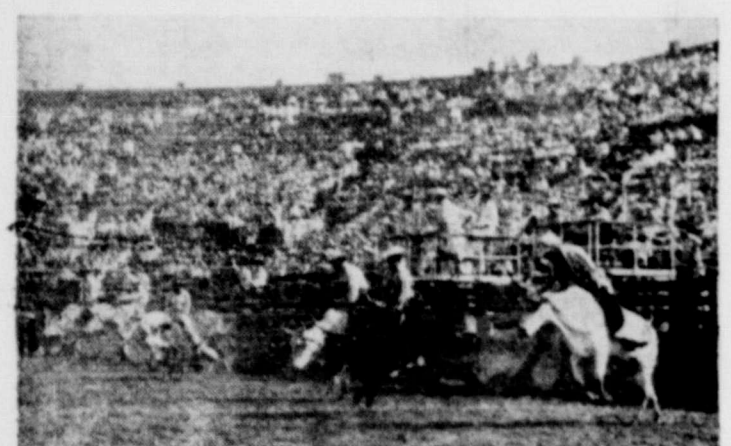

He is married to the Jacqueline Bishop, of Rock, and they with their children live near the base at Dayton, Ohio.

Pfc. Bobby J. Sharp, son of Mr. and Mrs. Roy C. Sharp, of Ballinger, was among those who reported at Cherry Point, North Carolina, in September and will be on duty with the second marine aircraft wing. Before entering the service in March, 1954, he attended the Ballinger high school.

Let's take a walk around the NEW '56 FORD!

1. We would like to show you some of the things that make the new 1956 Ford one of America's finest cars—despite the fact it is one of America's lowest-priced cars. Let's start with these long, low lines. Looks like it hates to stand still, doesn't it?

2. Here, on your left, is the inspiration for the styling of the '56 Ford—the famous Ford Thunderbird. You can see the similarity from any angle. Look at those broad, flat hoods, those visored headlights, for example. Here is styling that will stay in style.

It's the fine car at half the fine car price!

3. Here's what you ride on. This frame has five cross-members including a K-bar member up front. It can take it! And Ford's Ball-Joint Front Suspension really blots out bumps.

4. Here's the new 202-h.p. Thunderbird Y-8 and we assure you, it will give you new driving enjoyment. It's available in Fordomatic Fairlane and Station Wagon models... the 176-h.p. Y-8 in Fordomatic Mainline and Customline models... the 137-h.p. Six in all models.

5. Note the deep-center design of this new Lifeguard steering wheel. The wheel rim is over three inches above the post to help cushion the driver in case of an accident.

6. This Lifeguard cushioning for instrument panel and sun visors is optional. It gives you extra protection against serious injuries when thrown forward in an accident. You may also have optional seat belts to help keep occupants securely in their seats.

7. Here's Ford's new Lifeguard door latch. A double-grip locking engagement reduces the chance of doors springing open under impact. Chances of serious injury in accidents are less when passengers remain in the car.

Well, that covers the important points. But there's a lot more. So we'd like to invite you to come in and see the new '56 Ford for yourself. Then you'll see the colorful new exteriors and interiors, the quality workmanship that is evident everywhere. Then you'll learn the full story. You'll know that Ford is the fine car at half the fine car price.

## Officer Installation Ceremony Held by Mary-Martha Class

Mrs. Fred Holliday were hostesses to the First Baptist Mary-Martha Class Tuesday evening, entertaining in the Hathaway home on Fourth Street, which was decorated with bouquets of gladioli and asters.

Mrs. Paul Best, outgoing president, conducted the business and heard reports from officers. Mr. Hathaway brought the devotional.

Mrs. Foy Farmer, installing officer, used an hour glass theme in installing the following officers: Mrs. Huby Clarke, president; Mrs. B. M. Batts, secretary; Mrs. George S. Owens, secretary-treasurer; Mrs. Otto Wood, assistant secretary; Mrs. Jim Golden, class

ministry; Mrs. Best, social chairman.

After officers were installed, Mrs. Clarke presided and named Mrs. Wood, Mrs. Odie Barrington and Mrs. William Hill as yearbook committee. Mrs. Golden, Mrs. Wood and Mrs. David Duke, visitation committee. Gifts were presented Mrs. Best, the retiring president; Mrs. Farmer, installing officer; and the class teacher, Mrs. W. E. Elkins. A remembrance gift from the class also was presented Mrs. O. L. Britton, who is moving with her family to Grandview.

The hostesses served a sandwich plate with cookies and punch. Others present besides those previously mentioned were: Meses I. M. Turner, Alda Mae Hirschfeld, L. R. Tigner, J.

**HEAVY "DOUGH" KNEADED FOR BREAD OF KNOWLEDGE**—Importance of endowment and gift funds in financing the college student's education is checked by Dale Conley, Oberlin College, Ohio, center, as he hands freshmen Daphne Michaelides, center, and Carol King a reminder of the debt their class of 560 would have to assume if the gift monies were not available. The whopping \$1,040,000 represents about half the academic expense of putting the class through a four-year course, according to college acturaries.

### Mrs. Blackmon New President of Fidelis Class

Mmes. Rodgers Jones, Charles Sawyer, Earl Cope, Bill Johnson, D. O. Kennedy, Willie Smith and Melvin Patterson were hostesses Tuesday evening to the First Baptist Fidelis Class for the regular meeting and the installation service.

Following the business period, 1955-56 officers were installed by Mrs. Edgar Boelsche. "The Weaving of a Cord" was the installation theme. Mrs. Boelsche emphasizing the three main parts in weaving—love, labor and giving. Officers installed

were: Mrs. Cam Blackmon, president; Mrs. Joe Flynt, vice-president; Mrs. Dan R. Gard, secretary-treasurer; Miss Ruth Morgan, teacher; group captains, Meses S. L. Ferguson, Sim Ledford, Tony Queen and Patterson. In closing, Mrs. Boelsche placed leis on the officers and pinned a flower on each of the group captains.

The meeting was held in the church parlors, which were decorated with arrangements of queen's wreath and dahlias. At the social hour the hostesses served angel food and ice cream.

Others present were: Meses H. B. Scoggins, Eula Moseley, Fred Harwell, W. A. McDonald,

E. D. Lovelady, H. H. Hamner, Rollin Campbell, Zuehke, Sid Chapman, Johnny Wiesepape and Malcolm Morgan.

### G. G. Club Elects New Officers

The G. G. Club met at the home of Barbara Reynolds on Ninth Street Monday of last week. New members were nominated and officers were elected to serve for three months. Officers are: Barbara Reynolds, president; Dee Ann Saylor, vice-president; Gwen Laxton, secretary; Sue Herring, treasurer; and Betty Hennecke, reporter.

The new officers began their duties Monday when the club met at the home of Ruth Hen-

niger. New members who were present at this meeting were: Mary Ruth Watkins, Deonaus Lindemann, Gienna Cook, Sue Bishop and Linda Saylor. Old members attending were: Barbara Reynolds, Gwen Laxton, Linda Darby, Irene Piel, Betty Hennecke, Ruth Ann Henniger and Lynn Herring.

Refreshments were served at the conclusion of the meeting.

### "Rush Week" Plans Completed at Beta Sigma Phi Meeting

The regular meeting of Beta Sigma Phi Sorority was held Monday night in the home of Mrs. T. L. Epting. Mrs. J. D. Reneau conducted the business in the absence of the president, Mrs. E. Y. Bailey.

The meeting opened with the ritual. Plans were completed for "Rush Week" to be held October 9 through October 16. A bake sale will be held on October 8 at the Lone Star Gas Co. office.

Mrs. Clarence Wiedenfeld presented a program on "Your Radio and TV Voice." Papers were read and recorded, and the recordings were played to the group. The closing ritual was repeated in unison by Meses B. J. Williams, H. B. Edmondson, Wiedenfeld, C. F. Bailey, Dick Owens, Jack Moore, John E. Green, Velma Lee, J. D. Reneau, and Miss Betty Middleton. Refreshments were served to the group.

**WEST TEXAS  
NOTES**

Three tax collecting offices in Ballinger will be open Saturday to begin receiving payments on the current rolls. County and state levies settled in October will take a 3 per cent discount and this will bring early payments of many of the larger accounts. This county will collect taxes on rolls of about \$35,000,000 this year, the highest in history here. Much of this is caused by oil development in the county and is subject to change yearly. Receipts have been made out in all the offices, the amount being figured for every property owner. It will require only a very few minutes to calculate the discount and issue the receipt.

Last week the state fish and game commission distributed a shipment of fish in this sec-

The Bronte city council adopted a budget of \$32,877 for the next year following a public hearing last week. The budget is based on a \$1 tax rate on city valuations of \$1,009,229. This includes all items except the water department. The most of the fingerlings went to farmers and ranchmen to stock their tanks and included bass and catfish of good size. Those who had made application for fish had been notified of the arrival date and instructed as to containers necessary to transport them to the tanks.

Contractors for the new school building here will get work underway in October and rush the job as much as possible until completed. August 15, 1956, has been set as the completion date and this will give school authorities time to furnish the

water budget will be taken care of by the monthly minimum charge of \$4 for 4,000 gallons plus 25 cents for each 1,000 gallons additional. The council appointed Billy Gene Thomas fire chief to succeed A. E. Bell, who had asked to be relieved. Mr. Bell resigned because of business reasons but stated he would remain as a member of the department.

The Comanche fire department will be host to the annual meeting of the North Central Texas Firemen's Association on October 4. A full day's program has been arranged which will be climaxed with pumper races in the afternoon. The association includes 15 towns and each is expected to be represented by a large delegation and take part in all events. A banquet to conclude the program will be open to the public.

Miles schools have a complete facility with the contracting of Bryan Yarbrough, of Robert Lee, as grade school principal. There are 15 teachers employed for the year and the enrollment is slightly larger than last year's. The football team opened the season last week by losing to the Christoval eleven. James Pennington, coach, states a complete schedule is to be played in the district this year.

W. O. Middleton has been named to head the Boy Scout fund campaign at Rowena in October. Mr. Middleton, Dr. J. Shiller, Henry Teplick and Ralph Kettler attended a training meeting at Eden last week and secured all information on the drive. The first troop was organized at Rowena last summer and all members have made excellent progress during the few months.

Alton Moody, who lives near Melvin, has started a check-up on his place to determine the amount of uranium to be found there. Recently he has observed airplanes flying low over his place with instruments dangling just above the ground. He has also found excavations and other tests made along a creek but has given no one permission to make surveys. He has secured equipment and will determine if his soil has enough uranium to be used for health purposes similar to that in Comanche County.

The Paint Rock Parent-Teacher Association has been completely organized and is ready for a full year of work. At the next meeting there will be a social function at which all teachers will be given a special welcome and all new parents in the school district will be honored guests. Mrs. William McIver is president and other officers and committees have been named.

The Brady city council has ordered work on a labor camp and will give publicity to the building and otherwise get it ready for the opening of the 1956 term next September. The construction will employ a large number of men, providing jobs during the winter when work is scarce. An office will be set up on the location in the near future and a member of the contracting firm will be found there.

The Ballinger Chamber of Commerce has employed a manager and is making plans to launch expanded activities this fall and winter. Directors are making a plea for the support of citizens in both finances and time. During the period the chamber was without a manager, revenue decreased and in order to carry on a full program it will be necessary to secure more members, increase the monthly budget and boost general interest. The new manager is asking for ideas from all local business men. He will visit in every store soon and will welcome any project the store manager believes would be good for Ballinger. These ideas will be submitted to the board of directors for action. Ballingerites are urged to feel free to discuss the work of the chamber with the new manager, to criticize in a constructive way and offer anything which might improve local conditions.

When you pay your property taxes, don't forget to obtain a poll tax receipt for each adult in the family and make them eligible to vote in 1956, when state and some county and district officials will be elected. A number of elections are to be held next year and every citizen should be eligible to cast a ballot.

fact in an effort to bring Latin-American laborers through the area. A large building will be erected on a desirable location and baths and cooking arrangements will be provided. Signs will be erected on all highways entering Brady directing the workers to the camp. State labor officials estimate that about 20,000 workers pass through Brady each year en route to West Texas cotton fields and for other harvest work.

The Concho County home demonstration council has made plans for a county-wide tour on November 8 and 9. All club members are invited to join the caravan and all clubs will be visited and the main demonstrations of the past year inspected. The council is planning for the next twelve months and Miss Laura Sharp, county home demonstration agent, states that every club will have two important demonstrations—wool and lamb. At the end of the year members will select a homemaker of the year to be honored by the council.

The Stephenville Junior Chamber of Commerce has named a committee to meet with the school board in an effort to secure a building for the youth center. For some time the American Legion hall has been used for this purpose but this agreement has terminated and another location must be found if the project is continued. It is hoped to have the center in operation soon to take care of many school functions.

Directors of the Winters Livestock and Agriculture Association met last week and planned a membership campaign, to start on October 1. Mrs. R. P. Penney was named chairman for the drive and all directors will assist. The board hopes to secure a large membership this year as dues are used for holding the annual livestock show and other special events during the year. The 1956 show for 4-H and F. F. Brown County civic workers have reached the two-thirds mark in raising the annual budget for the community chest. With a budget of \$41,212 for the year, one-third must be obtained in the final week. A special appeal has been made to the women of Brownwood to aid in the campaign and it is probable that a door-to-door canvass will be conducted for contributions of housewives. The chest provides for regular organizations that depend on donations for their support.

Hundreds of boys and girls from toddlers to bicycle age assembled at Colorado City last Saturday for the annual Kid Day, a program sponsored annually by the Kiwanis Club. Some of the events of the day included rides on fire department and national guard equipment, free ice cream, free picture shows, a parade with cash prizes for the best entry and a pet show offering cash prizes.

**Seventeen-County  
Recreation School  
Being Held Here**

Home demonstration club women assembled in Ballinger this morning for a two-day recreational training school at the American Legion hall. Delegates from seventeen West Texas counties were present for the opening and will remain through tomorrow.

Miss Ollie Chenoweth, home demonstration agent for this arrangement. After the first lunch, picnic style, today at noon, the South Ballinger club will serve the meals for the remainder of the two-day period. More than 50 women are expected at the opening session.

Miss Lucille Moore, recrea-

tion specialist of the extension service, is in charge of classes and demonstrations.

**O. K. JACOB & SON  
OFFER TWO SERVICES**

O. K. Jacob & Son, located across the street from the commissary, announce that the firm is again ready to take care of the needs of the cotton farmers in this area. As in the past, in addition to buying cotton at market values, O. K. Jacob & Son have maintained additional office help to take care of cotton loans readily. In some instances they find it possible to purchase outright at figures equal to and some above the loan, but in other cases they find it to the purchaser's advantage to place it in the loan. They can take care of loans in all warehouses and at all West Texas banks.

**FIVE GENERATIONS**—Mrs. J. S. Smith Jr. of Littlefield, left, a former student of Bangs schools, and Mrs. M. M. Hodges, right, who lived in Brown County until moving to Littlefield a few years ago, are shown in this five-generation picture taken the past week in Littlefield. Mrs. Sarah Aly of Ballinger, great-great-grandmother, holds month-old Darla Smith, whose father, Elwood Smith is shown with the group.

**Local Men Attend  
Abilene Meeting  
For Little League**

Foy Farmer, Clayton Jay and Jim Williamson, of Ballinger; and Robert Walker, of Winters, went to Abilene last Thursday night to attend a Little League meeting. Discussed was operation of the boys' baseball league in 1936 and securing all information possible in regard to meeting all requirements of the national association.

If the Little League is continued here next year under national affiliation, it will be necessary to secure a franchise

and register by December 31 this year. Under rules of the association, inter-city games are prohibited until the championship play-offs at the end of a season.

All information has been requested from the national association's office and as soon as it arrives a meeting will be called of sponsors, managers and all others interested in the boys' summer baseball program. It is hoped to organize for next year with "farm" clubs so that every boy who desires may play. A fund is already being raised to purchase uniforms and other equipment for next season.

**CREWS**

Several from the Baptist Church attended the district W.M.U. meeting at the First Baptist Church of Talpa Thursday of last week. They reported a good meeting.

Several members of the Crews Methodist Church attended the quarterly conference at Talpa Sunday and heard a sermon by the district superintendent, Dr. J. W. Whitefield, of Brownwood.

The people of this community are rejoicing over the good rains of the past week-end. About five inches fell here.

The Willing Workers' Club enjoyed a good meeting with Mrs. R. E. Burrus Wednesday. The next meeting will be in the home of Mrs. C. L. Carroll on October 5.

Miss Elda Faye McDaniel was honored Thursday with a bridal shower at the Hopewell Baptist Church. Hostesses were members of the church. The decorations and refreshments featured the bride-elect's chosen colors of pink and white. Approximately 40 guests registered.

All former students are urged to remember the Crews school reunion on October 9.

Mr. and Mrs. James E. Hale, of Dallas, en route to San Angelo Wednesday, stopped here for a short visit with Mr. and Mrs. Arthur Allcorn.

Mr. and Mrs. Quincy Traylor attended the funeral of the latter's uncle, A. W. Head, at Goldthwaite, last Thursday.

Mrs. E. N. Phipps and Mr. and Mrs. John Couch and daughters, of Big Spring, visited relatives in this vicinity last week.

Mr. and Mrs. Sam Mathis attended a reunion of the Carter family at Cross Plains Sunday.

Mrs. Connie Gibbs and children spent Saturday with her parents, Mr. and Mrs. McCutchen, at Bronte.

Bark is used in manufacture of twine, sacks, nets, hammocks and cloth. Hairlike fruit fiber, lighter than cotton, is used for stuffing floats, life preservers, cushions. Seed fiber, very elastic, far exceeds cork in flotation qualities and is used in lifesaving devices, clothing and upholstery. Seed also yields oil for soap making and feed cake for livestock. Tree is said to be both rain and drought resistant.

**CREWS HOME DEMONSTRATION CLUB**

Mrs. E. W. Bridwell was hostess at the meeting of the Crews home demonstration club last week, when the following officers were elected:

Mrs. Junior Fuller, president; Mrs. Marion Wood, vice-president;

Mrs. P. R. Dietz, secretary-treasurer; Mrs. Walter Pape, reporter; Mrs. E. W. Bridwell, council delegate.

The next meeting will be held in the home of Mrs. W. L. Porter and red baskets will be made.

Lincoln was nominated for the presidency at Chicago on May 18, 1860.

## SPORTS

The Ballinger Bearcats will get around to opening the home stand tomorrow (Friday) night when the rough Del Rio Wildcats come to town for a non-conference tilt. The Wildcats kept the powerful Brady team in the hole most of their game last week, the Bulldogs managing to score in the last quarter to take a 14-12 lead.

The Bearcats were unfortunate when the Colorado City opener here was cancelled two weeks ago. Not only did the players miss a game which was badly needed, the athletic fund lost a good money attraction which would have helped financially.

The Bearcats have not looked as potent as in past years in their first two starts of the season. The squad has plenty of size but lacks experience, especially in the calling of games. They are improving with each contest and will show the fans plenty of that old time spirit and fight. When the offense starts clicking they may be the team to be watched in this district.

General admission tickets will be on sale at all local drug stores through Friday. Those who bought season reserved seats must secure general admission tickets to enter the stadium.

Tonight the junior high boys will meet the Lake View juniors

on the local field. Game time is 7:30 o'clock.

The B team will go to Winters Saturday night for a tussle with the Blizzard squadmen.

All three local teams turned in victories for a perfect week-end of football for Ballinger.

**SENIOR CLASS RECEIVES RINGS PAST WEEK-END**

Ballinger high school seniors received their class rings the past week-end and most of the students are wearing them this week.

The student council will have the school handbook ready for distribution this week-end and each student will be given one. These books contain much information, including the full name, address and telephone number of each student in the high school.

The sophomore class had charge of the assembly program Wednesday.

The social event of the week will be an after-game party at the Acapulco Cafe following the game with the Del Rio Wildcats. All students are invited to attend this affair, which is sponsored by the student council.

**YOUNG WILLINGHAM INJURED IN COLLISION**

Arthur Louis Willingham, 19, son of Mr. and Mrs. Leonard Willingham, of Ballinger route 2, was seriously injured in a car-truck collision near Abilene at 7:40 p. m. Monday. He sustained a compound fracture of the left arm, multiple cuts and bruises and other possible undetermined injuries.

A graduate of the Ballinger high school, young Willingham has been employed by the M. System Stores at Abilene. He was driving a 1949 Ford, which was completely demolished. The empty gasoline transport also was badly damaged and caught fire and burned. The collision occurred on highway 80 just west of the Abilene city limits. A member of the nation guard, the Ballinger youth was en route to a meeting.

## Zane Grey Western Has 2 Villains, Taciturn Hero in Actionful Drama

"Robbers' Roost," 100th translation of a Zane Grey work to the screen, rated a good western of the standard design, is to be presented at the Texas Theatre Sunday, Monday and Tuesday, October 2, 3, 4. Preview critics say it has movement, pace, good scenery, two major villains and a taciturn hero out to right a wrong committed years and years ago.

George Montgomery stars as the close-mouthed hero and the two villains are ably played by Richard Boone and Peter Graves, leaders of rival gangs of outlaws. Sylvia Findley is the feminine lead and Bruce Bennett, Warren Stevens, William Hopper, Tony Romano, Stanley Clements, Leo Gordon, Leonard Geer, Joe Bassett, Boyd Morgan and Al Wyatt are in important supporting parts.

The climax is a blazing gun-battle with Boone after turncoat Montgomery and Graves after Boone.

In Eastman Color, "Robbers' Roost" is released by United Artists.

"The Dam Busters," Warner Bros. release, to be shown at the Texas next Wednesday and Thursday, October 5, 6, is the story about men dedicated to country, but without obvious heroics. It relates how the Royal Air Force's squadron 617 wiped out Germany's Moehne and Eder dams. The feat—tremendous technically—flooded the Ruhr area's steel mills and to that extent in the year 1943 hampered Hitler's war production. Michael Redgrave and Richard Todd essay the leading roles as scientist and squadron commander.

**SOIL SUPERVISOR TO BE ELECTED ON OCTOBER 4**

A supervisor for subdivision No. 2 of the Runnels County soil conservation district, will be elected at 7:00 p. m. Tuesday, October 4. The election will be held on the second floor of the First National Bank of Rowena.

John Barton, county agent, who will have charge of the election, stated that a motion picture will be presented for the program. This picture was made by Kirby Robinson, vice-chairman of the board, while

visiting the Clint Harbor farm at West Point.

To be eligible in this election the voter must be a resident landowner of the subdivision. Subdivision 2 comprises all the area in the southwestern part of Runnels County south of the Colorado River and west of the Paint Rock highway.

All landowners are urged to attend the meeting and help select the supervisor.

## Methodist W.S.C.S. Circles Start New Program Study

As regular circle meetings of the Methodist Woman's Society of Christian Service, held Monday afternoon in homes, the new study, "To the End of the Earth," was begun.

Mrs. J. C. Reese and Mrs. C. E. Howell were hostesses to the Sally Odom Circle in the Reese home in South Ballinger. Mrs. D. L. Vestal, chairman, presided for the business. Mrs. A. O. Brothier gave the opening prayer. The devotional, "The Spread of the Kingdom in Perilous Times," was given by John Loveless, and the lesson, "Paying the Price of Discipleship," was read by Mrs. J. W. Guynes.

The social hour Mrs. J. W. Guynes assisted in serving cake and ice cream in rooms decor-

ated with red roses to those previously mentioned and: Mmes. O. L. McDaniel, Oliver Cochran, Troy Simpson, J. L. Davis, E. L. Rampy, B. C. Colom, C. H. Midgley, and Miss Ann Midgley.

Ida Campbell Circle members were entertained in the home of Mrs. C. D. Harris on Sixth Street with Mrs. T. J. Forgy co-hostess.

Mrs. Tom Agnew, chairman, conducted the business. Mrs. Marion Hays gave the devotional, and Mrs. E. L. Williamson the lesson.

A profusion of garden flowers decorated rooms where angel food squares, iced in pastel shades, were served with coffee. Others were: Mmes. Sam Conner, Raymond Smith, Hatton Laxson, Sam Behringer, J. W. Moore, George Beard, L. T.

## RESERVE AIR FLIGHT MEETING HELD HERE

The same devotional, given by Mrs. Tom Crockett, and the lesson by Mrs. Tom Caudle, were presented when the Ettie Gressett Circle was entertained in the home of Mrs. T. L. Hebert on Eighth Street.

Arrangements of gladioli and other flowers were used to decorate rooms where the chairman, Mrs. C. P. Shepherd, directed the business. Mrs. O. R. Lasater was named to fill a vacancy. The meeting was opened with the Lord's Prayer and closed with the circle motto.

The hostesses served apple pie a la mode and coffee. Others present were: Mmes. R. A. Dickinson, Grady Richards, E. C. Tinsley, Lee Evans, C. R. Stone, Bob Crockett, Herbert Tickle and W. E. Midgley.

## Music Club Meeting Opens Year

"Beethoven's Fifth Symphony" will be the topic for the first meeting of the year of the Ballinger Music Club, to be held in the home of Mrs. Arthur Giesecke on Broadway next Tuesday evening, October 4.

Mrs. A. B. Stobaugh, president, will be in charge of the business. Mrs. Giesecke, program chairman, will discuss the yearbook, featuring the theme, "Music Appreciation," and also will distribute yearbooks to the members. Serving on the committee with Mrs. Giesecke were Mrs. J. O. Satterwhite and Mrs. E. A. Saunders.

Other programs will be the discussion of Beethoven's "Fifth Symphony," "Symphony in G Major," by Haydn, Chopin's "Dance Forms," Wagner's "Overtures." A book review will be presented at the December meeting, and a guest artist will be heard in March. An open forum is to be held at the May meeting, when officers will be installed.

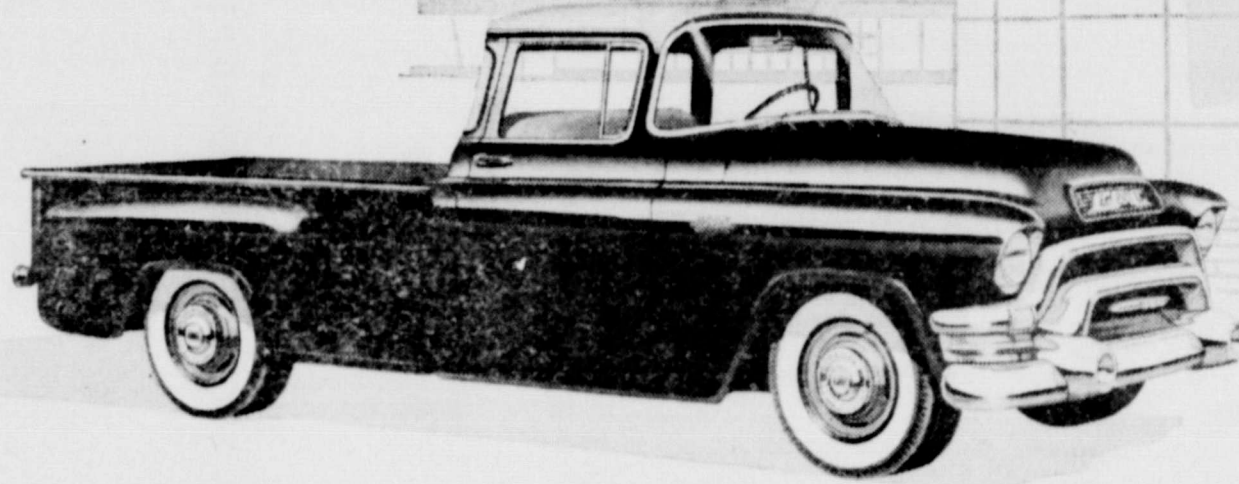

Other officers for the 1955-56 year are: Mrs. Saunders, vice-president; Mrs. Bob Bartlett, secretary; Mrs. H. H. Wagner, treasurer; Mrs. C. B. Orshood, parliamentarian; and Mrs. Slim Cottelle, historian.

Mrs. Edgar Payne and children, of Abilene, are here for a visit with her parents, Mr. and Mrs. Alex Saunders.

lar meeting Monday night at the Ballinger high school, Capt. M. E. Sweeney presiding.

A picture was shown and it was pointed out that all veterans of the air force are eligible for membership. The local flight is not on a paying status at present but is earning points towards retirement. Any airman interested is advised to contact Capt. Sweeney or any member of the flight.

The next meeting will be held at the high school Monday evening, October 10.

**Barton Resigns--**

(Continued from page 1)

He is a member of the Winters Livestock Association and helps in staging the boy's livestock shows at Winters and Ballinger. He holds 20- and 30-year certificates presented by the national honorary extension fraternity, the Epsilon Sigma Phi. He is a member of the Ballinger American Legion post and is active in church work.

In announcing his retirement Mr. Barton said: "It is with deep regret and reluctance that I must come to the end of working with so many fine people and active leaders; that I must leave so many cooperative organizations as it has been my pleasure to work with."

"Again comes the thought of leaving a pioneer organization, the Texas and United States extension service. This organization has through the past 51 years worked for improved rural areas, toward a more prosperous and contented people. The service has pioneered farm and home development that all goes to making a more satisfied way of living on the farms and ranches of America and especially in Runnels County."

Mr. Barton has made many friends in Runnels County who will wish for him the best of everything in whatever he does or wherever he goes.

**Mrs. Alma Jones**

Mrs. Alma Jones, 61, died at 9:30 p. m. Friday in a Wichita Falls hospital following illness of considerable duration.

Decedent was born December 8, 1893, at Gonzales and moved to Ballinger with her parents, the late Mr. and Mrs. Zack Snel, when she was a small girl. She continued to make Ballinger home until 1939, when she moved to Lubbock. She was married in 1917 in Ballinger to A. R. Jones, who died here in 1931. Mrs. Jones was associated with Ballinger dry goods stores for a number of years, being employed by Higdon-Melton-Jackson Co. Higginbotham's and Stone's. A member of the First Baptist Church for many years, she was active in church work until her health failed.

Funeral services were held at 3:00 p. m. Sunday at the Newby-Davis chapel, Rev. Wayne Reynolds officiating. Burial was in the family lot in Evergreen Cemetery.

Survivors include a sister, Mrs. Abby Stephenson, Lubbock; and a niece, Mrs. Britt May, Albuquerque, New Mexico.

**Willard Wooden**

Willard Wooden, 62, member of a pioneer Ballinger family, was found dead in his bed at 10:00 a. m. Sunday at the family home at the corner of South Tenth Street and Strong Avenue. Physicians said a heart attack caused death.

Decedent was born November 27, 1892, in Ballinger and except for a few years lived here all his life. He was a veteran of World War I, serving in the 36th division. He was a graduate of the Ballinger high school and Howard Payne College, Brownwood. He was a member of the First Christian Church and for many years was employed by the Texas Compress Co.

In his younger days Mr. Wooden was widely known as a baseball pitcher. He started his career on Ballinger sand lots as a boy and later was a star performer at Howard Payne College. After graduating from college he played professional baseball for a number of years until he injured his arm in a series of games at Fort Smith, Arkansas.

Funeral services were held at 4:00 p. m. Tuesday at Newby-Davis Funeral Home chapel, Rev. C. B. Orahod officiating. Burial followed in Evergreen Cemetery.

**W. A. Forgey**

W. A. Forgey, 71, died at 10:50 Tuesday night at the Ballinger Clinic-Hospital. He had been ill only two days, suffering a heart attack from which he did not recover.

Decedent was born in Dallas County on May 16, 1884. He resided at Coleman for a number of years and moved to Runnels County in 1909. He was married to Miss Mattie Davis at Winters in 1912 and the couple farmed until 1920.

Mr. Forgey was elected county tax assessor-collector in 1930 and remained in this office until 1948. He was associated with others in the automobile business several years and was bookkeeper for the Ballinger Butane Gas Co. at the time of his death. He was an active member of the First Baptist Church and of the I. O. O. F. Lodge.

Funeral services will be held at 3:30 p. m. today at the First Baptist Church, Rev. B. J. Martin, Rev. LeRay Fowler and Rev. Wayne Reynolds to officiate. Interment will follow in Evergreen Cemetery.

Survivors besides the wife include a daughter, Mrs. A. J. Thorp, Jr.; four brothers, W. M. Forgey, Greenville; D. H. Forgey, Fort Worth; D. E. Forgey, Ballinger; and Joe Forgey, Brownwood.

**BIRTHS**

Mr. and Mrs. Bernie Michalewicz, of Offen, are parents of a daughter, Barbara Ann, born September 26, at 3:30 a. m. in the Ballinger Clinic-Hospital. Her weight upon arrival was 6 pounds 5 ounces. The maternal grandparents are Mr. and Mrs. Ben J. Halfmann and the paternal grandparents are Mr. and Mrs. Andrew Michalewicz, all of Offen.

## Bearcats Overcome Breaks and Miscues To Conquer Tigers

The Ballinger Bearcats overcame a series of bad breaks and a stubborn Anson line to win their non-conference game with the Tigers by the score of 18 to 0. The game was played at Anson before a crowd of about 2,000 fans. A wet field caused a number of fumbles which both teams on

The Tigers took a quick first quarter lead when the Bearcats fumbled on their own four-yard line and lost the ball. A. H. Roberts went into the pay zone on the first play. The try for the extra point was wide.

In the closing minutes of the first quarter, a Tiger punt was blocked and recovered by the

Ballinger boys on the Anson 12-yard line. Charles Holloway hit the line twice to cross the goal and tie the score. The try for the extra point fizzled.

Midway in the second quarter, Grider Hays passed to Ronnie Maedgen, who took the ball and turned in a fine run to the Anson four-yard stripe. It was Holloway who packed the pigskin across for the score. The try for the point after the touchdown failed.

The most beautiful run of the night came in the third quarter when Dwayne Patton intercepted a Tiger pass and raced 45 yards for a touchdown. This ended the scoring for the night, but the Bearcats had other opportunities. A pass into the arms of Wesley Stokes was good for about 50 yards and a run to the five-yard line, but two penalties and a stiff defensive line stopped the scoring threat. Patton also turned in a

broken field run for 50 yards into the end zone only to have the play nullified because of a clipping penalty. The Bearcat and Tiger bands gave excellent shows at half-time.

### REV. NIXON RESIGNS YOAKUM PASTORATE

Mr. and Mrs. Jack Nixon spent the past week-end at Yoakum, where their son, Rev. Lloyd Nixon, delivered his farewell message to the First Presbyterian Church.

Rev. Nixon was in his fourth year at the Yoakum church when he tendered his resignation to move to El Campo and become pastor. Before entering the ministry he was with the J. C. Penney store at Yoakum. Members of other churches of the city attended the service Sunday morning and later in the day an open house was held for Rev. and Mrs. Nixon.

During his pastorate at Yoakum the church doubled in size and the sanctuary was redecorated and air-conditioned. Alaska's easternmost point is 600 miles west of San Francisco.

**LOSE UGLY FAT**  
**IN TEN DAYS**  
**OR MONEY BACK**

If you are overweight, here is the  
first really thrilling news to come  
along in years. A new and con-  
venient way to get rid of extra  
pounds easier than ever, so you  
can be as slim and trim as you  
want. This new product called  
DIATRON curbs both hunger and  
appetite. No drugs, no diet, no  
exercise. Absolutely harmless. When  
you take DIATRON you still enjoy  
your meals, still eat the foods you  
like but you simply don't have the  
urge for extra portions and auto-  
matically your weight must come  
down, because, as your doctor will  
tell you, when you eat less, you  
weigh less. Excess weight endangers  
your heart, kidneys. So no matter  
what you have tried before, get  
DIATRON and prove to yourself  
what it can do. DIATRON is sold  
on this GUARANTEE: You must  
lose weight with the first package  
you use or the package costs you  
nothing. Just return the bottle to  
your druggist and get your money  
back. DIATRON costs \$3.99 and is  
sold with this strict money back  
guarantee by Pearce-Bailey Drug  
Store, Ballinger. Mail orders filled.

**FALSE TEETH**  
**That Loosen**  
**Need Not Embarrass**

Many wearers of false teeth have  
suffered real embarrassment because  
their plate dropped, slipped or wob-  
bled at just the wrong time. Do not  
live in fear of this happening to you.  
Just sprinkle a little PASTRETH, the  
alkaline (non-acid) powder, on your  
plates. Hold false teeth more firmly,  
so they feel more comfortable. Does  
not sour. Checks "plate odor" (den-  
ture breath). Get PASTRETH at any  
drug counter. 1-1f
