

Farm Bureau To Start Membership Campaign

Members of the Runnels County Farm Bureau will launch their annual membership drive on Monday, October 6. This year they hope to secure 700 members for Runnels County which is an increase over the 587 for the past year.

In the early 1930's, due to some unfortunate business ventures, both the county and state organizations of farm bureau passed out of existence.

Some ten years ago a group of some 20 farmers and John Barton, county agent, met with a representative of the State Farm Bureau and reorganized the county organization.

All those present felt the need of a farm organization because the farm population had shrunk from 85 per cent of the total population in Colonial days to about 15 per cent at that time and since another 3 per cent has been lost. Those attending the meeting felt that it was best to try a new approach to the farm program.

The farm bureau is a free, independent, non-governmental, voluntary organization of farm and ranch families united for the purpose of analyzing their problems and formulating action to achieve educational improvement, economic opportunity and social advancement, thereby promoting the national welfare. The Farm Bureau is local, national and international in its scope and influence and is non-partisan, non-sectarian and non-secret in character.

The Runnels County organization successfully sponsored our present farm license pick-up law which was passed by the last legislature in cooperation with our county agent and the Runnels County Water Improvement District. They met with the State Water Board and other state agencies for a discussion of the salt water pollution in this area. Much good was accomplished by the meeting.

In August, when it seemed that cotton allotments would be decreased about 20 to 30 per cent in the farm program, the county organization joined with other bureaus in sending 150 telegrams to Senator Johnson urging passage of a bill that would increase allotments approximately 40 per cent with a decrease in price supports. Other telegrams had to be sent to get the bill through the House of Representatives. The farm bureau members do not think that this bill is a cure-all for the farm problems but believe that it is a step in the right direction with the ultimate goal, the removal of all federal restrictions.

The Farm Bureau successfully sponsored the federal tax refund on farm gasoline. The county bureau is now in the process of getting the mileage of school bus routes, mail routes, both paved and unpaved, to determine how many farm-to-market roads are needed in the county.

The county organization has a full service agent, John Droll of Rowena, who offers to members only, various kinds of insurance at cost. This includes Blue Cross and Blue Shield hospitalization.

The county also has a full time office secretary, Mrs. Chris Brimer, who will be glad to help with the farm problems or insurance.

ENLARGEMENT PLANNED FOR DOWNTOWN CLASS

There were 47 members present at the meeting of the Downtown Bible Class last Sunday. Members voted to use the remainder of October and all of November in an enlargement contest. O. L. Huddleston and Dock Wilson will serve as team captains in the membership drive with a goal of 80 members set for the end of November.

Rev. J. B. Fowler will be the speaker Sunday morning and Rev. and Mrs. O. D. Carpenter will bring the special music.

The fellowship hour with coffee and doughnuts will start at 9 a. m.

Continuous Cover Crops Are Needed To Improve Soil

A continuous cover of dead or living plants, or both, cannot be surpassed for the protection of cultivated land from erosion by wind and water.

In the Runnels Soil Conservation District, the need for plant cover grows more important during dry seasons. At this time getting good cover becomes a tougher job, says Cecil Drake, technician for the Soil Conservation Service.

The job is two-sided: First, a crop must be grown that will yield good amounts of residues. Second, the residues must be managed in a way that will protect the soil until a new crop covers it.

Experience of farmers and ranchers and research work have taught this important lesson. Too much tillage wears out the residues and therefore should be held to the minimum.

Stubble and straw burning is more costly than many farmers realize, according to Extension specialists. To prove the point, they say that the straw from an acre that produced 50 bushels of oats contains 20 pounds of nitrogen, 6 pounds of phosphorus, 30 pounds of potassium, and 40 pounds of humus. The same is true they say, of 25 bushels per acre of wheat or 25 bushels of barley. Burning fields can mean a drop in yield of 7 to 10 bushels per acre in next year's oat crop, or 3 to 5 bushels per acre of wheat. When the plow chokes up and you lose your temper, think of the cost before you set fire to that stubble.

Leaving stubble and other crop residues on the surface has proved especially valuable in this district. One way of leaving such cover and disturbing the soil surface as little as possible is by using equipment having sweeps or blades 32 inches wide or wider. Chisel type implements are also good. This practice is known as stubble mulching. All tillage, planting, cultivating and harvesting operations are done in a way to keep crop residues on the surface to protect the soil. By conserving the residues during the critical periods, we protect the soil against wind, runoff and splash erosion. This practice helps develop a soil condition that will take in moisture faster and keep it longer.

Local Students To Attend Fair; Choir Will Sing

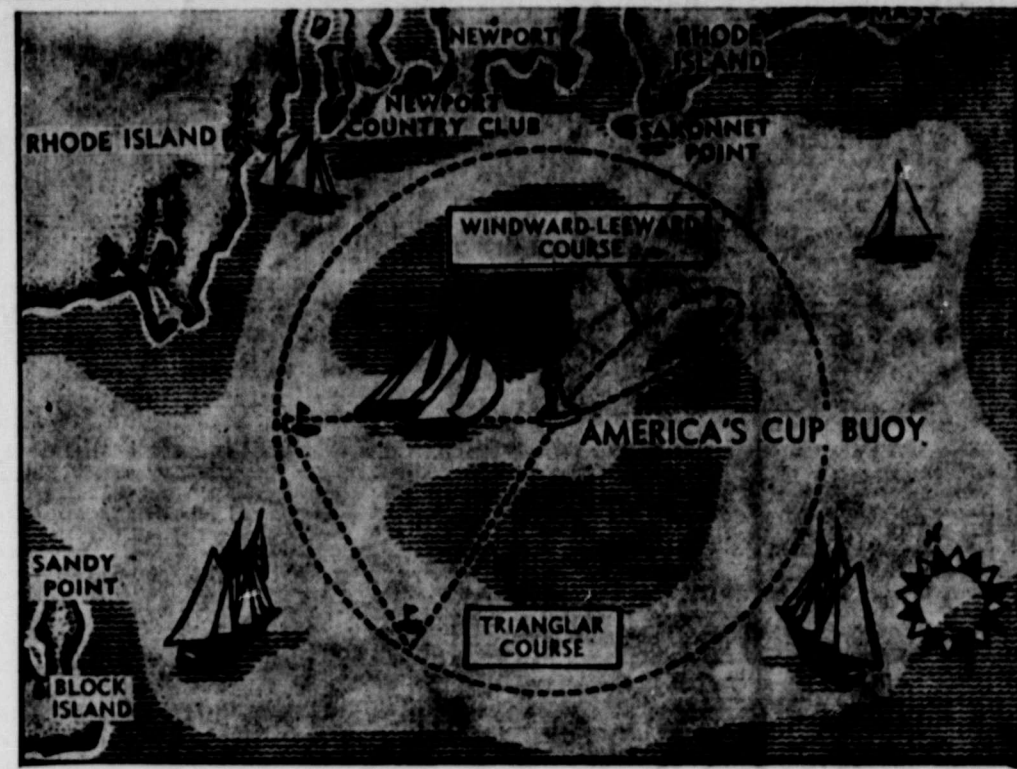

A large number of students from the Ballinger High School will be in Dallas this week-end and next week for various features at the State Fair of Texas.

Homemaking girls will leave Saturday morning at 4 a. m. by chartered bus for Dallas and will attend youth day at the fair. A number of PFA and shop boys are also to be in Dallas this week-end and attend youth day.

Monday the high school choir of some 35 voices will go to Dallas to take part in a program on Tuesday night. They will be quartered at the Ledo Motel while in Dallas and will be accompanied by Mrs. W. F. Postlethwaite and a number of parents.

The choir was selected to sing at Dallas after the area contests held last spring.

In other school activities, the student body heard the first Southern Assembly program of the year Monday afternoon. Members of the sophomore class were in charge of the regular assembly program Wednesday.

WHERE RACE WILL BE STAGED—Newspaper shows area south of Newport, R.I., where Britain's Scythe and the American defender will race for the America's Cup, prize trophy of yachting. Two alternate courses, one triangular, the other windward-leeward, are marked. The starting point will depend on the direction of the wind. Map based on one drawn for Sports Illustrated magazine.

Frances Greger Named 1958 Gold Star Girl

As a recognition of outstanding achievement in her 4-H club work, Frances Greger, 17 year old daughter of Mr. and Mrs. Frank Greger of Norton, has been chosen the Gold Star Girl for Runnels County.

During her eight years of 4-H club work, Frances has been a most active member. In her club she has held offices of president, secretary, treasurer and recreation leader. She has also been bedroom, clothing and food demonstrator for her club.

Frances has attended district camp and district electrical school. She has attended county camp each year since she moved to Runnels County in 1951. Frances has assisted with the plans for county camp and had a part in planning and directing camp activities each year.

As food demonstrator, Frances has put into practice all the principles of food production, preparation and preservation that she has learned in her 4-H work. Each year she assists with the home garden where the family raises the vegetables for their home use, and usually there is a surplus to freeze. Frances says, "Our freezer always has a supply of frozen food, and usually includes beef, venison, turkey, quail, dove, chicken and vegetables such as corn, beans and squash. There are also many containers of fruits, as well as others not mentioned."

In addition to helping her mother with preparing foods for the freezer, Frances also prepares much of the food for family meals, assisted by her younger sister, Patty. She plans and serves at least one meal a day, and has tried all recipes the agent has demonstrated.

In her clothing program, Frances plans and makes most of her dresses. In her 4-H clothing work she has learned how to select patterns, materials and colors that are becoming to her. She learned to place the pattern on the material to cut and fit the garment, and also the seam finishes that are suitable for each particular fabric. She has modeled in four county dress revues. She won third place in 1955 and second place in 1958. During her years in 4-H work, Frances has made 71 garments, 50 cup towels, 4 scarfs and many other articles.

As a recreation leader, Frances has been very active. She not only assists with 4-H recreation but has been named

Contract Awarded First Five Miles Area FM Highway

The Texas Highway Department has awarded a contract for five miles of new construction in Runnels County. The contract went to F. A. Seidel of Ballinger on a bid of \$58,126.

The location of the job on Farm-to-Market road No. 1111 will be from a junction with FM 53 and FM 384 west of Winters and will run south for 5 miles along what is known as the old Ballinger-Wingate road.

W. B. Hoppe, resident engineer at Ballinger, will have charge of the job and it is estimated that 70 days will be required to complete the work.

This is the first work to be done on FM 2111 and eventually it will be extended further south to a connection with the Ballinger-Bronte Highway just west of Ballinger. The road when completed will serve a thickly settled community and will also provide a paved highway to Wingate and a number of important connections with other roads in this area.

Right-of-way on the first five miles has been secured and the job can be started as soon as the work order is issued.

Future Farmers District Meeting Coleman Oct. 7

H. B. Edmondson, teacher of vocational agriculture in the Ballinger High School, along with Bill Routh and Jerry Beaver, will attend a district meeting of vocational agriculture teachers and students to be held at the Coleman High School on October 7.

The meetings are sponsored by the Texas Education Agency. J. B. Payne, area supervisor of vocational agriculture, will have charge of the meeting. The purpose is to organize the district FFA, install officers, set up district programs and make plans for district leadership contests. Such meetings will be held for the purpose of providing in-service training for teachers and students in the district. The meetings will also serve as a means by which teachers may keep up to date on the latest professional and technical information.

Good Record

Gordon Hays made a good record on Houston scramble calf according to a report recently received from the Houston scramble office. Hays is a member of the Ballinger FFA chapter and the son of Mr. and Mrs. Blair Hays. He is doing an excellent job of economically feeding his calf. He purchased the calf from H. F. Tickle, Ballinger Hereford breeder, in the spring of this year. The calf has been on feed five-months and has gained 406 pounds. Hays, through his feeding experience, has put on this gain at a little over 10 cents per pound, not including nurse cow or pasture.

Checking Cases Filed Past Week In Local Courts

Local officers had a rather quiet week with only a few cases handled and most of them for check violations.

C. Pena was apprehended for running a red light and a fine assessed.

One wet-back was arrested and turned over to the border patrol Monday.

John H. Cook was filed on for checking but no arrest has been made.

Manuel Juana was fined \$20.50 for having no driver's license.

Rickard Temple was charged with non-support and a warrant sent to officers at Odessa.

Carl R. O'Connell was arrested at San Antonio and officers will bring him here to face forgery charges as soon as the prisoner is available. Numerous other charges come before the ones in Runnels County.

Raymond R. Bolt was transferred from San Angelo to Ballinger to face forgery charges. Raymond Vittitow was charged with checking at San Angelo and paid a fine here. Ballerino Rodriguez was tried in district court Saturday on a charge of driving while intoxicated, second offense, and received a fine of \$139.50.

Tommy Windham, Gene Taylor, Dan Worthington and Billy Ray Howard were charged with checking but have not been apprehended.

C. W. Carpenter was charged with checking and a warrant sent to officers at Waco.

General Election Tickets Include Nine Amendments

The copy for the general election tickets has been certified and is now in the hands of the printers and will be ready for absentee balloting which will start on October 15. The ticket will be large this year and will include five columns for candidates. This will include the Democrats, Republicans, Conservatives, Independents and one column for write-ins.

It will include all national, state, district, county and precinct nominees. At the bottom of the ticket will be nine constitutional amendments to the Texas constitution. The printing of the nine amendments will require considerable room on the ballot and will make it about 24 inches long.

All election supplies have been purchased and boxes will be prepared in advance so that election managers can call for them several days before the election on November 4. Election managers for the general election were named early this year by the county commissioners' court.

Seniors Planning Annual Carnival Here October 25

Members of the senior class of the Ballinger High School are working hard at this time getting ready for the staging of the annual carnival on October 25. The one day program will again be held in the library building and will include all of the best features from the past shows plus some new attractions.

Posters advertising the event are being completed by class members and within a short time sale of tickets on various features will be started.

A highlight of the carnival each year is the selection of the queen. Classes will make their nominations within a short time and candidates will be eliminated until only one from each class remains. The girl receiving the largest number of votes will be declared queen, just a short time before the coronation which is the climax of the carnival program. The seniors invite the public to keep October 25 open and to make plans now to attend the carnival. This is the one big money raising event for the class and in the past they have raised enough money for their annual trip which is taken just before graduation.

Use of Poison Advised To Fight Rats and Mice

Council Meeting Is Held Friday; Programs Planned

The Runnels County Home Demonstration Council met Friday afternoon in the conference room at the court house with Miss Ollie Chenoweth, county agent, present.

Mrs. Clyde Simmons, president, was in charge of the business and read the "Thought for the Day." Mrs. W. J. Curtis read the THDA Creed. Following the treasurer's report by Mrs. Alvin Spreen, representatives from ten H. D. Clubs in the county reported that programs on "Agriculture and the Bible" and "Beverages and Nutrition" had been given.

It was announced that a training school for food leaders would be held Tuesday, September 30, at 2:30 p. m. in the home of Mrs. J. L. Ohlhausen, with Miss Chenoweth giving the training. A nominating committee was elected, consisting of Mrs. Marvin Hale, Mrs. L. C. Hill and Mrs. B. M. Batts, to select council officers, who will be elected at the October meeting. The council voted to have the annual Christmas luncheon on December 11, with members of Friendly Neighbors Club selected to prepare and serve the luncheon.

The council voted to invite District 7 home demonstration clubs to hold its meeting in Ballinger next April. Mrs. B. M. Batts, finance committee chairman, quoted prices on candy and fruit cake which the council plans to sell for Christmas holidays. The fruit cake was served with coffee by Miss Chenoweth at the close of the meeting.

Posey Presides For State Meet Veterans Group

D. G. Posey, Veterans County Service Officer for Runnels County, has returned to Ballinger after presiding at the 11th annual meeting of the Veterans County Service Officers Association of Texas, held in Waco on September 23. Posey has served as president of the association for the past year and was honored at the recent meeting by being elected to the board of trustees.

The meeting was held in connection with the 11th annual state-wide rehabilitation school and training conference for veterans service officers, which was sponsored by the Texas Veterans Affairs Commission in conjunction with the major veterans service organizations. During the four day conference, panel discussions were conducted on such topics as compensation and pension, death compensation and pension, veterans employment and re-employment rights, insurance, vocational rehabilitation and education, dependent's Medicare, social security, loan guaranty, hospitalization and domiciliary care, civil service and the Texas veterans land program. Also elected were Charlie W. Burkett, Andrews, vice president; Percy A. Hartman, Sinton, secretary; H. D. Siniard, Llano, treasurer; Rhea Smith, Amarillo, judge advocate; and John W. Pauling, Hillsboro, sergeant at arms.

MILES HOMECOMING PLANS BEING MADE

The Parent-Teacher Association at Miles is perfecting plans for their second annual homecoming which will be held on November 1. The affair last year drew a large crowd of former students and a bigger attendance is expected this year.

Registration will start at the high school auditorium at 1:30 in the afternoon and the barbecue dinner will be served from 4 to 7 p. m. Those registering will attend the football game between the Miles Bulldogs and Bola at night. Following the game, the crowd will assemble at high school for a program. Those who wish to attend the barbecue must make reservations with Mrs. Ernest Schwertner by October 25.

The plan to order rat poison scheduled last Saturday was called off because there was no poison available from that source and the orders would not be accepted.

In the meantime, C. T. Parker, county agent, stated that most of the dealers here at feed stores and drug stores have good poison and that people should start using every kind obtainable.

Rats are expected to start moving from the fields into shelter with the cold weather and unless they are poisoned they may do great damage. Merchants have reported a number of rats sighted in local stores this week and most of them have placed poison baits where they can be found by the animals. Home owners have reported finding dead rats in their yards, showing the poison is effective.

If a poison is available on the plan which had been perfected, at a later date, it will be ordered and sold at cost to the people. In the meantime, local stores have a good amount of poison on hand with complete instructions for its use.

Mr. Parker advised using every type of poison, traps and even the old yellow cat to stop the rats and mice.

Election Called Name Supervisor In Division Five

H. Giesecke Jr., vice-chairman of the Runnels Soil Conservation District, announced that a supervisor election will be held for sub-division No. 5. This election will be held at 8:00 p. m. Saturday, October 4.

C. T. Parker, county agent, will be in charge of the election. He urges every landowner in zone 5 to come out and vote for a fellow landowner to represent them on the local board of district supervisors. Parker reports that a district is not a federal agency but is a local sub-division of the State of Texas. What it does and how, rests entirely with the elected supervisors except as they are limited by Texas law.

Subdivision 5, of the Runnels Soil Conservation District, is all that land that lies east of the Ballinger-Winters Highway, south of the Winters-Notice Farm-to-Market Road, and north of the Ballinger-Coleman Highway. Anyone who owns land in this area is eligible to vote in this election.

Jake Presley, chairman of the board, is the incumbent supervisor for the landowners of this zone.

County Council Invites District Meeting In 1959

Mrs. Thomas Egan, vice-president of District 7, accepted the invitation of the Runnels County Home Demonstration Council to hold the 1959 district meeting in Ballinger. The meeting will be in the spring at the First Methodist Church, the exact date to be announced later.

Mrs. M. S. Hale, Mrs. L. C. Hill and Mrs. B. M. Batts were elected to serve on the nominating committee for council officers.

The Friendly Neighbors Club members will serve the Christmas Luncheon to the Council and guests on Thursday, December 11. The place will be announced at the next meeting.

Finance chairman, Mrs. B. M. Batts, discussed possible means of raising funds by clubs selling candy and fruit cakes for Christmas. The next council meeting will start at 2 p. m. October 10 in the conference room at the court house. Mrs. Ralph Kettler, president of the Rowena Club, announced that Miss Ollie Chenoweth will conduct an upholstery school in Rowena on October 2 at 2 p. m. in the public school lunchroom building.

Ballinger Ledger

Published Every Thursday by The Ballinger Printing Co.

Publication Offices 711 Hutchings Ballinger, Texas

Second-class postage paid at Ballinger, Texas

Subscriptions for the year In the County \$1.50 Out of County \$2.00 (Subscriptions payable in advance)

The Ballinger Parents Club, sponsors of the youth center, Teen Haven, have named their new officers and directors for the year and are calling upon the parents and interested adults of Ballinger to pay their dues and become members of the organization. The entire program of entertainment and recreation for the young people is provided from the money paid in by dues. The students are also members of their organization and pay \$1 annually for their membership cards. There can be no doubt in regard to the worth of the proper operation of Teen Haven. Young people in Ballinger have very little planned entertainment and the after-school affairs plus the regular programs provided each week end have been well attended and have always been staged without any trouble. If such a place as Teen Haven is to be continued, and on an improved basis, it is necessary that funds be raised from interested parents who are willing to belong to the adult sponsoring group and pay their dues and offer assistance in committee work. Do not neglect this, but send in a check for the annual dues of \$5 per couple.

The city of Ballinger has a number of paving projects which they are rushing to complete before the middle of October and cold weather. One of these projects will be important to the entire town and will complete pavement on Crosson Avenue from Broadway to the City Park. This will provide pavement in front of the National Guard Armory and on a street which has about as heavy traffic as any in Ballinger. There are a number of other blocks on which property owners have placed their part of the cost in escrow and the city has prepared base for pavement. Time is short to complete these jobs and the city commission has authorized over-time to members of the street department in order that the jobs can be finished before the final date for starting asphalt surfacing work.

IF THERE WERE NO OIL

Suppose—just suppose—that tomorrow not a single drop of oil or any oil product was available.

All transportation would stop—every automobile, every train, every plane, every truck in oil-fueled electric plants throughout the country the dynamos would fall silent. Work on the farms, dependent as it is on oil-burning machines, would slow to a crawl. Homes would grow cold, and factories would close their doors. Without oil total paralysis

WEST TEXAS NOTES

The Colorado City schools are staging a big home-coming Friday night with a large crowd of ex-students expected to be on hand for the features and the football game between Colorado City and Kermit. The feature of the program will be a downtown parade with cash prizes for the best decorated floats. A number of classes will compete in this event along with some of the classes of the past. Ten floats had been secured last week and others are to be placed in the parade later. The Quarterback Club will have a special float in the parade and will assist in other ways with the home-coming.

Dr. Raymond Cavness, president of San Angelo College, was guest speaker at a meeting of the Miles Lions Club last week. He talked on junior colleges and gave the Lions much information in regard to the place of the junior college in the plan of education. Lions also heard a report on the fire extinguisher sale held there recently. The club is starting its annual membership campaign and have extended an invitation to every civic minded man of that community to join.

The Eden Chamber of Commerce met last week to discuss a large number of business items. Highways were discussed and a committee will meet with the county commissioners' court at their next session to discuss the securing of needed right-of-way for widening roads in the area. The chamber secured a number of volunteer workers to help with the ticket sales at football games to be played in Eden. They discussed the trade-at-home program and heard reports of similar campaigns being staged in other towns. A welcoming committee was named to assist the Lions in welcoming new people to Eden.

Hundreds of school students and adults were in Bronte on Thursday of last week when the old Butterfield Stage Coach arrived there. Bronte and Blackwell students were dis-

would descend upon the nation. This little flight of fantasy may serve to help emphasize the significance of Oil Progress Week, which is to be observed during October 12-18 period. It is an annual observance, in which the oil industry reports to the nation. Its purpose is to tell oil's own particular story—and also the story of the competitive, free enterprise system that makes possible the existence of the industry.

The Week's slogan reads: "Today—oil builds for your tomorrow." It will be a tomorrow in which more and better oil products will make this country a finer place to live.

missed from classes to see the caravan and inspect the old coach. The caravan was enroute from Tipton, Mo., to San Francisco, California, and is traveling as nearly as possible the route of the old Butterfield Trail of the Overland Mail Co. More than 550 pieces of mail were put aboard the caravan at Bronte.

John Q. McAdams, president of the Winters State Bank, has been named to a 29-member area committee for the West Texas Rehabilitation Center. The appointment was made at a recent banquet celebrating five years of service in West Texas. The new committee is made up of members from 17 counties in the Abilene area. The center is an out-patient rehabilitation center treating all kinds of physically handicapped free of charge. Funds for operating the center are received from the United Chest at Abilene, the Easter seal sale and contributions from individuals.

Announcement was made at Stephenville last week that the Community Fund campaign would be started in Erath County on October 14. The planning committee was in session last week to select the participating organizations and set up a budget for the next twelve months. Workers will be organized in each community of the county to make the all-out campaign to raise the quota set at \$18,000. Erath County has operated on the Community Fund plan for a number of years very successfully.

The water resources committee of the Brady Chamber of Commerce has agreed that the proposed lake above Brady on Brady Creek is too expensive. The cost estimate for the lake was placed at \$2,123,000 and it was considered more than could be paid by the tax payers of that area. Even a lake costing one-half the estimated amount would have increased the city tax rate by about \$1 on the \$100 and would also have raised the cost of water more than double the present rate.

The Menard County Historical Society has been named to carry out the work of restoring the old San Saba Mission near the outskirts of that city. The immediate aims of the society is to make the mission ruins presentable to visitors by a general clean up campaign. The long range aim is to completely restore the mission, look after the up-keep and also to restore other historical points of interest in Menard County. A series of meetings have been held and the entire citizenship of Menard will be asked to help with the project.

Construction crews are at

OLDSMOBILE ON DISPLAY OCTOBER 3-4

Oldsmobile's distinctively styled and attractively different Dynamic '88' Holiday SportSedan for 1959 represents "family-sized" transportation styling for 1959. Recessed in the smart grille, luxury in sports-car design. The thin roofline and rakish wrap-around rear window serve to accentuate the mobile appearance of Oldsmobile's "Linear Look" for 1959. Sleeping full-length along the body, the sculptured twin booms give

the car a look of mobility even when parked. They also highlight Oldsmobile's unique two-tone body. The four-beam headlamps are located closer-to-the-road for improved nighttime visibility. The SportSedan body style also is available in the "88" and Super "88" series. Increased interior roominess is a feature of all 1959 Oldsmobiles.

Frank Flynt Olds-Cadillac represents the most outstanding product in Oldsmobile's history in styling, quality and value", Wolfram stated. "And our two new Holiday hardtops introduce an entirely different trend in passenger car design", he added.

Total glass area in all models has been increased up to 36 per cent to give increased visibility in all directions. The new "Vista-Panoramic" windshield has up to 570 square inches more glass area and contours deep into the roofline offering an unobstructed view of overhanging traffic signals. Electric windshield wipers, with a wider cleaning area, are standard equipment.

For 1959 Oldsmobile is offering 15 body styles in its Dynamic "88", Super "88" and "98" series. In each series are the Holiday SportSedan, a four-door sedan and a convertible. In the

work in Comanche laying the master cable for the new Community Television Service. Four 80-foot poles, complete with the latest type of antennas and most modern electric devices,

have been installed on Reservoir Hill in the northwest part of Comanche. Television sets can be tied in with the new service to give them a better selection of stations and better

reception on their sets. Rates have been established by the company and many people have signed to be connected with the service.

Plans have been announced at Coleman to improve and open the bottom floor of the Morris building as an annex to the Overall Memorial Hospital there. The work is progressing well and the administrator hopes to be able to open the new section by November 1. The two buildings will be connected on the first floor level. X-ray equipment will be housed in larger quarters in the new section along with several emergency rooms and other needed space. The hospital laboratory will also be installed on the new floor.

The Correct Solution

A famous engineer once said that real engineering skill was to do a difficult job so simply that after it was done some bystander might remark: "That's easy, how else could you do it?"

Many financial problems seem easy after they have been solved, but the correct and only real solution may have been arrived at only after consultation with someone who has had specialized experience in money management. Modern society is so organized that one can profit, if he will, by utilizing the experience of others.

Our job is to be helpful in finding a solution to difficult financial problems.

Loving-Cariton Wedding In Bronte Church

Before an altar decorated with baskets of white gladioli and candelabrum set with blue tapers, Miss Frances Ann Cariton became the bride of Malcolm Loving. The Rev. David Hamblin of Fair Park Methodist Church of Abilene

performed the evening double ring ceremony in the First Methodist Church of Bronte, Friday.

Mrs. Walter Phillips, organist, provided traditional wedding music and accompanied June and Jean Moore of Bronte who sang "Because," "I Love You Truly" and "The Wedding

Prayer."

The bride is the daughter of Mr. and Mrs. Leslie Carlton Sr. of Maverick, and the groom is the son of Mr. and Mrs. Clarence H. Loving of Lubbock. The bride, given in marriage by her father, wore a gown of Swiss embroidered organdy over taffeta. The bodice was fashioned with short sleeves, a V neckline, and came to a point at the waistline in both front and back. The gathered bouffant skirt, tapering from ankle-length into a chapel

train, featured two tiers of embroidered organdy and was completed with plain Swiss organdy. The organdy tiers extended into points in front and back, the back points extending into the train. Her veil of illusion was held in place by a small seed pearl crown. She carried a white Bible covered with gardenias surrounded with blue carnations with blue lily of the valley and ribbon streamers. Her only jewelry was a cameo and pearl lavalier, belonging to

her aunt, the late Miss Elsa Schumm, which hung from a gold and cultured pearl chain, a gift from the bridegroom. Miss Betty Jo Loving, sister of the groom, was maid of honor; Miss Lavern Loving, another sister of the groom, was bridesmaid, and Miss Susan Sandlin of Abilene was junior bridesmaid. Jan Brock of Abilene was flower girl. Jerry Hopkins of Lubbock was best man, Phil Byers of El Paso and Ronnie Cariton of Maverick were groomsmen.

Ushers were Ronnie Robertson of Lubbock and Leland Cariton of Maverick. Candlelighters were Sandy Sandlin of Abilene and Wayne Cariton of Maverick. The reception was held in the church parlors following the wedding. The couple will be at home in Abilene where he is employed by the Abilene Glass and Mirror Co.

NORTON HOME DEMONSTRATION CLUB
Mrs. Joe Crockett was hostess to the Norton Home Demonstration Club in her home last week. Mrs. Robinson, club president, was in charge of the business session. The club voted to help the Norton Lions Club with their project of constructing a new ball park. Mrs. Lawrence Bryan, Mrs. Frank Greger, Mrs. Harvie Bryan, Mrs. Clarence Sharpes

and Mrs. Kirby Robinson gave a program on agriculture and the Bible. All officers were re-elected to serve another year. After a buffet luncheon, the club adjourned to meet next with Mrs. Greger.

SERVING UNCLE SAM

Jack Powell Hirschfeld, AM1, USN, of Ballinger, has been signally honored at Norfolk, Virginia, by being selected Sailor of the Week. Hirschfeld went into the navy back in 1946 and has seen service in many parts of the work. His present enlistment will run until 1963.

Hirschfeld has traveled widely with the navy and had a variety of experiences. Notable among these was his service with the Naval Air Force during the Berlin Airlift in 1948-49 where he served as structural mechanic in Rhine Main, Germany.

His most outstanding

achievement is the invention of a R6D-C118A landing gear ground lock which serves to prevent the accidental retraction of the landing gear during ground use of the plane. This safety device is being tested and may possibly become standard equipment on other types of planes.

Perhaps even this achievement in service is dismissed by his achievement in private life. Hirschfeld has been married seven years and is the proud father of four children—Janet 6, Kenneth 4, Susan 2 and Jan 1. He and his family reside at 588 Woodford Street, Norfolk. He states that he has thoroughly enjoyed his tour of duty in Norfolk.

JUNIOR COUNCIL HAS INSTALLATION MONDAY
The student council of Junior High School held installation of officers on September 24. The officers are: Dave Hall, president; Archie Gallant, vice-president; Janice Bisbee, secretary; Jerry Brunson, treasurer and Mary Lou Middleton, reporter. Other members of the council are: Shirley Tounget, Jim Slaughter, Rex Stultz, Suzanne Middleton, Tommy Jacob, Peggy Belcher, Wilton Simmons, Jimmy Bilhrey, Johnny Parks, Nedra Thompson, Millie Stultz, Brookie Hogue, Mike Tisdale and Grant Lee.

Sponsors of the council are: Alton Patterson, Mrs. Frances Wagner and Mrs. R. E. Ruble. Other members will join when the clubs are organized. At the assembly on October 1, the guest speaker was Rev.

Carroll Thompson.

The office of the county clerk issued seven marriage licenses during the month of September. Those receiving them were: Ellie Burton Underwood and Miss Patsy Lou Ashton; Howard Erwin Coulom and Mrs. Doris Christine Coulom; Curtis Junior Wixon and Miss Fay Christine Stewart Graham; Floyd Andrew Robertson and Mrs. Lela Jane Eschberger; James Marchbanks and Mrs.

Norma Jean Harris
Randell Dudley Lusk and Miss Patricia Ann Wiley
J. W. Wallace and Mrs. Annie Crump.

ANDERSON ATTENDING SCHOOL IN MICHIGAN

Ronald Anderson, son of Mr. and Mrs. F. H. Anderson, left Friday morning for Flint, Michigan, to attend General Motors Institute. He flew from Dallas to Flint.

He will attend school for two months at General Motors Institute, and then will return to Arlington, Texas where he will be employed at the Buick-Oldsmobile-Pontiac Assembly Plant at Arlington for 2 months. He will alternate this procedure for the duration of 4 years.

CHICKEN SUPPER SET AT OLDFEN OCTOBER 5

The Court of St. Monica of the Catholic Daughters of America and the Christian Mother's Society of Oldfen are having a fried chicken supper on Sunday, October 5 from 5 to 7 p. m. at the Oldfen Hall. Plates are 75 cents for adults and 50 cents for children. There will be games for young and old and later there will be a dance with music by the Western Playboys.

BIRTHS

Staff-Sgt. and Mrs. Edmond D. Hale of Camp Pendleton, California, are parents of a son born on September 30. He weighed 8½ pounds and has been named, Marc Edmond. Paternal grandparents are Mr. and Mrs. Sidney W. Hale of Harlingen, formerly of Ballinger.

FOOD ASSOCIATION MEETING AT MILES

The Funnels County Food Association met at Miles last week with members from Ballinger, Miles and Winters attending.

A report of the state convention, held at Waco this summer, was heard and Mrs. J. B. Whitlow gave a report on the workshop held at Lubbock.

The group will hold their next meeting on October 25 at the West Ward Cafeteria in Ballinger.

Card of Thanks
We wish to express our sincere appreciation and thanks to our many friends for the beautiful floral offerings, the food that was brought in and the many other kindnesses that were shown us during the illness and death of our loved one, John Henry Scales.

His wife and children and their families

Card of Thanks
The family of Elmer C. Simpson of San Angelo express appreciation for every kindness shown during their recent sorrow.

Jefferson County is top refining county in Texas with capacity of 886,000 barrels per day.

TROUBLE IN THE EAST—Newsmag shows the area where Nationalist and Communist Chinese are lobbing shells at one another in an action that some fear may develop into World War III. The tiny offshore island of Quemoy is heavily garrisoned by the Nationalists for prestige purposes and to blockade Red China's important port of Amoy. The United States has "definitely" decided to help the Nationalists in the event the Reds try to invade the islands. The Communists have spent three years building up forces on the nearby mainland.

SOCIETY

Ballinger Music Club Opening Program

The opening meeting of the season for the Ballinger Music Club will be held in the home of Mrs. L. E. Tigner next Tuesday evening at 7:30 o'clock.

"Listening to Music," by Winthrop Sargent will be the study for 1958-59. "The Story of Van Cliburn" will be presented at the opening meeting by Mrs. Alex McGregor, and highlights of Van Cliburn's Concert in Hollywood Bowl will be given by Miss Olga Schawe. Miss Harriett Magruder will sing "Pilgrim Song" by Tschalkowsky, with Mrs. Bob Bartlett playing the accompaniment.

New members are Mrs. Kenneth Newton, Mrs. James Palmer, Mrs. Carroll Thompson, Mrs. H. H. Wagner and Miss Harriett Magruder.

Club officers include Mrs. Earl Cope, president; Mrs. Alex McGregor, vice-president; Mrs. E. A. Saunders, secretary; Mrs. Troy Simpson, treasurer; Mrs. Sim Cottle, parliamentarian and Miss Hattie Mae Dunlap, historian.

Fidels Class Officers Installed In Frank Flynt Home

Installation ceremony for the Fidels Class of the First Baptist Church was held Tuesday evening in the home of Mrs. Frank Flynt. Hostesses with Mrs. Flynt were Miss Curtis Gregory, Mrs. Bill Johnson, Mrs. Raleigh Reese, Mrs. Willis B. Smith and Mrs. John Wiesepape.

Reports were heard by Mrs. Fred Harwell after the opening prayer was given by Mrs. Cam Blackmon.

Mrs. W. E. Elkins, the installing officer, used the theme, "Faithful Stewards," when she installed Mrs. Ray Summers, president; Mrs. M. A. Davidson, vice-president; Mrs. Carl Florence, secretary; Mrs. Joe Hambright, assistant secretary; and group captains—Mrs. Boyd Laquey, Mrs. Joe Flynt, Mrs.

SCHOOL OF MISSIONS AT CHRISTIAN CHURCH

The First Christian Church will begin its annual School of Missions Sunday, October 5, with the 10:40 a. m. worship service. Guest speaker for the service will be Dr. E. G. Luna, director of the Mexican Christian Institute in San Antonio. A Fellowship Supper will be held at 5:30 p. m. after which Van Wyck Brinkerhoff of San Antonio will present a program on "The Mission in Africa." Mr. Brinkerhoff has recently returned from a trip to Africa where he visited the mission stations of the Disciples of Christ.

Sessions for all ages will be conducted on Wednesday and Thursday nights beginning at 6:30 p. m. and concluding at 8:00 p. m. Presentations on these nights will be made by local personnel. Refreshments will be provided each evening by the Christian Women's Fellowship.

The school will close on Sunday, October 12, with Rev. Parr Armstrong of Fort Worth as guest leader. Rev. Armstrong took an around-the-world tour in recent months and will share his experiences at the morning worship hour and at afternoon and evening meetings.

Mrs. A. B. Stobaugh, World Outreach chairman, and Mrs. C. F. Bailey, Education chairman, are in charge of arrangements. Herman Price will be dean of the school and Miss Giorianna Crawford will serve as registrar. The nursery will be open, and an attendant in charge, for all sessions of the school.

Biggest Livestock Sale Is Held Monday

The biggest livestock sale since before the drought was held here Monday afternoon at the Ballinger Auction and Commission Co. A large crowd was on hand before the sale started and remained until the final sale was made. Pens were full of livestock with a heavy run of cattle. The market was strong in all divisions.

Hogs brought \$20.50 per hundred, stocker lambs \$24.50 per hundred, bulls \$22.50 per hundred, fat calves \$27.75 per hundred, fat cows \$18.00 per hundred and cows and calves brought from \$200 to \$235 per pair.

LEGAL NOTICE NOTICE TO BIDDERS

Sealed proposals addressed to W. H. Rappy, County Judge of Rannels County, Texas, will be received at the Commissioners' Court Room in the Courthouse at Ballinger, Texas, until 10:00 o'clock A. M. on the 17th day of October, 1958, for the purchase of the following road machinery:

TWO (2)—NEW MOTOR GRADERS, tandem drive, diesel powered, 115 H. P. minimum, power control, equipped with electric starter, hour meter, muffler, fully enclosed cab, cab heater, 14.00 x 24 8-ply tires on all six wheels, power sliding moldboard, hydraulic power controls for all operations, and with power steering.

The County will offer as part payment on the above described machinery the following used machinery:

ONE (1)—Caterpillar Motor Grader, No. 12, Serial No. 9K4543, 1942.

ONE (1)—Allis Chalmers HD 10W-5635, crawler type tractor with Garwood, No. 26, six cu. yd. two wheel, Ser. No. 21389 scraper.

A certified or cashier's check on a bank in the State of Texas, or a Bidder's bond from a reliable Surety Company, payable without recourse to W. H. Rappy, County Judge of Rannels County, Texas, in an amount not less than five percent (5%) of the bid, must accompany each bid as a guarantee that, if awarded the contract, the bidder will promptly enter into contract.

The County reserves the right to reject any and all bids, and to waive any or all formalities.

NOTICE IS ALSO GIVEN THAT it is the intention of the Commissioners' Court of Rannels County, Texas, to pay all or a part of the contract price in interest-bearing time warrants, and it is the intention of the Commissioners' Court to pass an order on October 17, 1958, authorizing the issuance of interest-bearing time warrants against the Road and Bridge Fund of said County in an amount not to exceed Forty Thousand Dollars (\$40,000.00) bearing interest at a rate not to exceed four per cent (4%) per annum, and maturing at such time or times as may be fixed by the Commissioners' Court, serially or otherwise, with a maximum maturity not to exceed ten (10) years from their date, for the purpose of evidencing the indebtedness of Rannels County to be incurred in purchasing road machinery for use on the roads of said County.

The County will make arrangements for the Contractor to dispose of the warrants here-in mentioned at not less than par, and the Contractor must agree to deliver the warrants at such price to the party with whom the County has made such arrangements.

W. H. RAPPY
County Judge
Rannels County, Texas

AL JENNINGS DIES AT KERRVILLE MON.

C. G. Al Jennings died in the Sid Peterson Memorial Hospital at Kerrville Wednesday and funeral services will be held Friday morning at 10 o'clock.

Decedent was in the funeral home business in Ballinger for many years and is well known throughout this area. He left here 19 years ago to become associated with a funeral home in the insurance business. He was a member of the Methodist Church and Masonic Lodge.

Survivors include his wife; two daughters, Mrs. Robert Sleker of Kerrville and Mrs. Earl Willbern of Garland; a son, Fred Jennings of New York City; a sister, Mrs. C. O. Goddard of Norman, Oklahoma;

Mrs. E. C. Grindstaff Installs Alathean Class Officers

Arrangements of spider lilies and roses gave added beauty to rooms in the Ninth Street home of Mrs. J. E. Jones Tuesday evening when 1958-59 officers for the First Baptist Alathean Class were installed. Co-hostesses with Mrs. Jones were Mrs. E. P. Talbott and Mrs. Owen Aycock.

Following the devotion given by Mrs. R. E. Rubie, class teacher, Mrs. E. C. Grindstaff installed officers. As each officer was presented she was admonished of the duties of her particular office.

The following were installed: Mrs. E. P. Talbott, president; Mrs. Owen Aycock, vice-president; Mrs. R. E. Truly, secretary-treasurer; Mrs. W. A. Nance, assistant secretary; group captains—Mrs. W. A. Forgye, Mrs. M. S. Karmony, Mrs. A. E. Lowery and Mrs. R. P. Canady; Mrs. R. E. Rubie, class teacher.

Mrs. Owen Aycock, retiring president, was in charge of the business and Mrs. James A. Wear gave the opening prayer.

Angel food cake and ice cream was served to those previously mentioned and to: Mmes. Joe Jones, Lee Sykes, A. O. Bartlett, J. A. Williams, M. R. Brown, L. L. Dupre, A. F. Kemp, J. M. Garlington, Rae Whiteaker, C. G. Cape, L. A. Faubion and Annie Morrison.

NORTON HOME COMING IS SET FOR NOV. 1

Announcement has been made at Norton that the annual homecoming will be held on Saturday, Nov. 1. A pep rally will be held at 3 p. m. in the gymnasium. After the rally, the ex-students will meet for a business session.

The Norton Eagles will play Wall in a conference game at 4:30 and as soon as the game is over the Parent-Teacher Association will sponsor the annual Harvest Carnival. Food will be sold at the luncheon and everyone interested is invited to be present.

COMMUNITY CHAIRMEN FOR 1958 SEAL SALE

At a meeting last week of special workers for the Rannels County Tuberculosis Association, plans were made for the handling of the annual seal sale in this county. Rev. Felix Keys is county seal sale chairman and has named the following community chairmen:

Derward Bissett, Ballinger
Clifford Daniel, Miles
Joe Dierschke, Rowena
W. I. Dixon, Rev. Henry Plathmann, Winters.

The educational committee has planned a number of special programs in connection with the seal sale and the first of these will be given at Miles on October 2.

The public education committee is composed of Frankie Berryman, Frank Jernigan and Mrs. A. H. Alvarez. Anyone who wishes a movie for a program should contact them and make arrangements.

three brothers, J. M. Jennings of Sweetwater, H. C. Jennings of Fort Worth and J. W. Jennings of Whitney, and four grandchildren.

BAPTISTS TO START REVIVAL SERVICES

Revival services at the First Baptist Church will start Sunday morning and will continue through Sunday, October 12. Week day hours have been announced at 10 a. m. and 7:30 p. m. with regular hours observed at the Sunday services.

Rev. J. B. Fowler Jr., church pastor, will do the preaching at all services and the music will be under the direction of Bob Allford Jr.

Plans for the revival have been underway for some time and many members of the congregation are cooperating with special work. The public is cordially invited to attend the services and everyone will be welcome.

AROUND THE WORLD—Arkansas' Gov. Orval Faubus, as ever a controversial figure in the integration question, gives his views on a world-wide hook-up, the biggest ever attempted by the British Broadcasting Corp. Newsmen from France, South Africa, the Netherlands, Brazil and Australia questioned the governor during his 45-minute session in Little Rock. Commented Faubus, "They threw the book at me."

The Texas production tax rate at well: 7 per cent on natural gas. 46 per cent of value.

OLFEN HOME DEMONSTRATION CLUB

The Olfen Home Demonstration Club held their September meeting in San Angelo at the home of Mrs. W. J. Halfmann. The meeting was opened with a prayer led by Lydia Halfmann. Members answered roll call with "A way home demonstration club work has helped me."

The finance committee reported selling Christmas cards and each member was asked to help in the selling job.

The following officers were elected:

- Mrs. Erwin Halfmann, president
- Mrs. Edward Hoelscher, vice-president
- Mrs. Theo Halfmann, secretary-treasurer
- Mrs. Thomas Halfmann, reporter
- Mrs. Ben Gully, council delegate

Mrs. J. J. Fuchs, home improvement demonstrator
 Mrs. J. J. Hoelscher, home improvement demonstrator
 Mrs. Paul Halfmann, food demonstrator

Mrs. Walter Eggemeyer, food demonstrator

A program on beverages and nutrition was presented.

The next meeting will be held in the home of Mrs. Alfred Multer and visitors are welcome.

The hostess served a salad

BALLINGER HOME DEMONSTRATION CLUB

At the regular meeting of the Ballinger Home Demonstration Club, which was held Thursday afternoon in the home of Mrs. Barney Wright, a demonstration on making plastic flowers and plants was given by Mrs. W. T. Smith.

Mrs. Alvin Spreen, president, was in charge of the business when special committee reports were heard. The club voted to hold a Bake Sale along with a sale on handmade gift items.

The sale will be held October 18, at Bell's Grocery. Mrs. Herman Hulsey was welcomed as a new member.

Mrs. Spreen gave the "Thought for the Day" and members answered roll by naming "What I Have Done to Help My Neighbor This Month." Secret pals were revealed.

A snack plate was served with cake and coffee. Others present were: Mmes. Felix Itz, Hatton Laxson, E. L. Williamson, E. F. Vogelsang, L. C. Hill, Rufus Allen, Bill Witter, R. D. Midgley, Hulsey and C. C. Wood.

The next regular meeting will be held on October 9 in the home of Mrs. Herbert Tickie.

plate to Mmes. Joe H. Halfmann, John Gerngross, Alfred Multer, Erwin Halfmann, B. J. Gully, J. J. Hoelscher, L. A. Halfmann, W. J. Eggemeyer and Lydia Halfmann.

CREWS

The Homecoming will be October 11 in the gymnasium.

Mr. and Mrs. M. R. Petrie returned home Tuesday of last week from Lubbock where he had been harvesting maize. Mr. and Mrs. Cecil Hambright accompanied them home. The four of them spent the previous week-end seeing points of interest at Colorado Springs, Colorado, which included a trip to Pikes Peak and to the Garden of the Gods.

On Wednesday of last week Mrs. Marvin Hale and Mrs. A. S. Allcorn visited Mrs. Ira Klutts in the Clinic-Hospital in San Angelo. She had been a patient there for about two weeks and was improving satisfactorily.

The community meeting will be held in the gymnasium Saturday night, October 4, with a supper being served at 6:30, followed by a short program. Each family is to bring a small labeled jar of their drinking water to be sent off for testing.

Mrs. J. E. Hale and her mother, Mrs. Hentchel of Ballinger were luncheon guests of Mr. and Mrs. A. S. Allcorn Saturday. It was the birthday of Mrs. Hale.

Mr. and Mrs. Orville Pearce were in Lubbock for the week-end with their daughter and family, Mr. and Mrs. George Swann and son.

Mr. and Mrs. Jess Jenkins of

the Dale community were in Crews a short while Sunday morning. They were enroute to the Queen reunion at Brownwood and to visit their daughter, Mr. and Mrs. F. L. Gerhart and family of Dublin.

Some men from this community were included in the group that broke land for Bunn Jeffries Monday. Bunn has been ill for several days but seems to be improving at this time.

Good rains have fallen here in the past few weeks and the farmers are busy getting their grain sowed.

Jim McMillan passed away at the Winters Hospital at 4:20 p. m. Sunday after a six-weeks illness.

Services were held at 10:00 a. m. Tuesday in the Hopewell Baptist Church with burial in Wilmeth Cemetery.

He had been ill for about six weeks with a heart condition.

Sympathy is extended the family.

REVIVAL ANNOUNCED FOR BETHEL CHURCH

A revival has been announced at the Bethel Methodist Church starting on October 9 and running through October 12. Evening services will be held at 7 p. m. and regular services on Sunday. The revival messages will be brought by Rev. E. B. Robertson, church pastor.

Everyone is invited to attend.

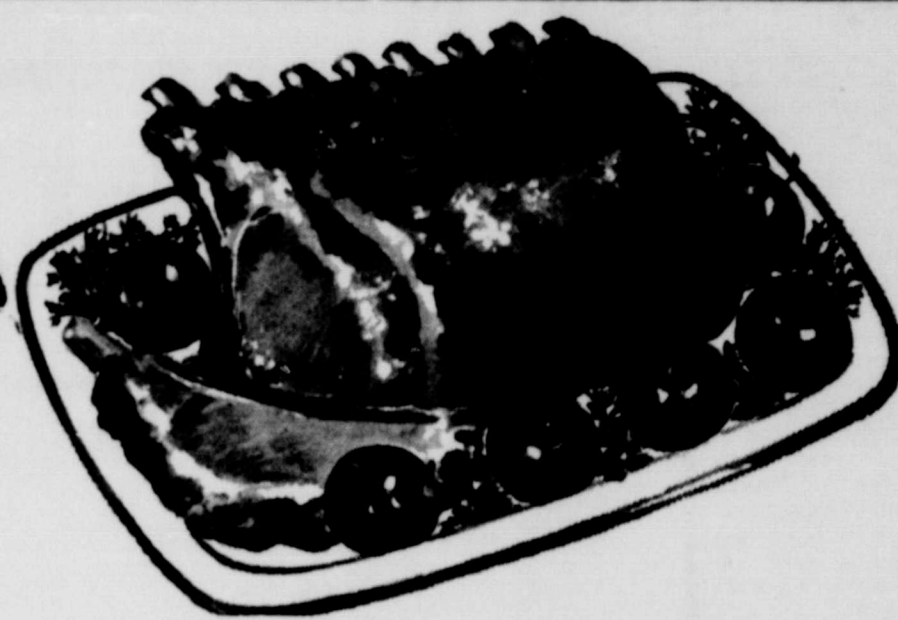

AUDIENCE PARTICIPATION—Kitty Hughes, 15, a student at Little Rock's Hall High School, watches her daily English lesson on television. "It's a good idea when they haven't got anything else," Kitty said, referring to the closed schools. "There's one good thing about it, you don't have to get up and get dressed so early."

Texas petroleum industry business and property taxes account for 69 per cent of total state taxes and licenses. Texas petroleum industry taxes account for 33 per cent of all state taxes and licenses.

"NO LONG WAIT - NO SHORT WEIGHT"
BALLINGER, TEXAS

1959 CADILLAC HERE OCTOBER 3 - 4

The sweeping elegance of the newly created silhouette of the 1959 Cadillac Series Sixty-Two six-window Sedan is more than matched by a powerful new engine. The popular six-window Sedan features all of the advanced engineering and design characteristics of the new models.

Completely new concepts of traditional Cadillac engineering and design were emphasized by James M. Roche, general manager of the Cadillac Motor Car Division and vice president of General Motors, as he announced the division's 1959 models.

"Extensive changes throughout the entire line of new Cadillac cars gave us the opportunity to bring together majestic new styling and brilliant performance to exceed even further the standards for which Cadillac has been so renowned.

"In appearance, these new Cadillacs—from the exquisitely wrought grille and hood to the beautifully sculptured rear fins, will set a new style note," Roche predicted.

The sweeping elegance of Cadillac's newly created silhouette is more than matched by the youthful surge of the tremendously powerful new engine. This 1959 Cadillac engine, Roche said, "is the result of engineering development based on Cadillac's 45 years of expert knowledge in the crea-

tion of the V-8 type. In our new models, the power plant incorporates advanced principles of design permitting extremely smooth operation while delivering vigorous maximum power for all occasions.

Describing the 1959 Cadillac line, Roche said the 13 models include an additional Sedan not available last year. Offering the most complete array of hardtop styling ever produced by Cadillac, the new models will be on display in Dealers' showrooms tomorrow.

SPORTS

The Lake View Chiefs, Class AAA, will be in town Friday night to throw their full strength against the Ballinger Bearcats in a game with kick-off time at 8 o'clock. This is due to be one of the better games of the season and should attract a large crowd from both schools.

The Bearcats have been improving fast since getting off to losses to two of the best high school teams in the state. In their last two outings they have showed good line play plus a hard running and passing game. They have now lost two, won two and pulled their pre-conference play up to .500 per cent.

The passing combination of Wiginton-Candler has both men throwing and receiving and makes it hard for the opponents to tell when a pass play is coming. The combination worked fine against Sonora but the plays were well scouted by Lake View and will be watched closely by the Chiefs' defense.

General admission tickets are on sale at all downtown drug stores and local people will save a lot of time at the gate if they buy in advance. All reserve seat holders must have general admission tickets to enter the park.

The Juniors will be in Coleman tonight for games with the teams there. Saturday night the B team will go to Lake View to meet the Chiefs' B team.

CREW OLD TOGETHER—A couple of old-timers get together near Jarbalo, Kan. Hattie Higgins, 75, holds a 100-year-old wheat cradle. The crude but graceful implement was common on farms a century ago, before wheat was harvested by combines.

NOTICE TO BIDDERS
The County Judge has been authorized by the Commissioners' Court to advertise for bids for painting the second and third floors of the County Jail.

Specifications may be had by contacting the County Judge. Bids will be opened at ten o'clock, Monday, October 13, 1958. The Court reserves the right to reject any and all bids.

Bearcats Sock Sonora Friday Night 41 to 8

The Ballinger Bearcats used a hard running ground game and also a devastating aerial combination to crush the Sonora Bronchos last Friday night by a score of 41 to 8. The Bearcats were in command most of the night against their Class A opponents and scored at will during the game. The Ballinger line completely outplayed their opponents and opened big holes for the ground game of Jerry Candler, Calvin Kirk and Kenneth Wiginton.

The Bearcats started scoring early in the game when Ralph Dankworth recovered a fumble on the Sonora 36. Wiginton and Candler made a first down and Wiginton pitched a pass to Candler for the score. Wiginton skirted left end for the two extra points.

A short time later Wiginton intercepted a Sonora pass and raced 46 yards for a score. Kirk hit the line for the extra points. On the next scoring spree, Candler raced from mid-field to the Sonora 15, then

after a punt on the Sonora 21. They lost 8 yards and on the next play Candler passed for a touchdown to Billy Jones. The extra point try again failed.

Paul Price received a blocked punt on the Sonora 28. Wiginton immediately went over left end for the score. Bobby Power kicked the extra point to make it 41 for the Bearcats.

The entire team played good football throughout the evening. Sonora scored in the second quarter after recovering a fumble on the Ballinger 21 yard line.

Cadillac

PROUDLY PRESENTS FOR 1959 A DRAMATIC NEW REALM OF

Motoring Majesty

A single glance tells you, beyond any question, that these are the newest and most magnificent Cadillac cars ever created. Dazzling in their beauty, enchanting in their grace and elegance, and inspiring in their Fleetwood luxury and appointments—they introduce a new realm of motoring majesty. And a single journey at the wheel will reveal another unquestionable fact—that these are the finest performing Cadillacs ever produced. With a spectacular new engine, with a more responsive Hydra-Matic drive, and with improved qualities of ride and handling, they provide a totally new sense of mastery over time and distance.

This brilliant new Cadillac beauty and performance are offered in thirteen individual body styles. To see and drive any of them is to recognize a new dimension in automotive quality and goodness. Why not do both—soon? Your Cadillac dealer invites you to visit his showroom at your earliest opportunity.

SOCIETY

G. G. Club Introduces New Members

Twelve new members were introduced at a meeting of G. G. Club Monday evening in the home of Lee Brookshier on Broadway.

The new members are: Sue Thompson, Helen Davidson, Lynda Kirby, Susie McDonald, Brookie Hague, Frances Kay Reese, Deanna Foreman, Grace Ann Parrish, Alice Piel, Suzanne Witter, Barbara Hampton and Lenna Parker.

Jimbeth Flynt, president, was in charge of the business. Means of making money for the club were discussed and the club decided to sell ball point pen sets. Club rules and its activities were explained to the new members.

The hostess served refreshments to the twelve new members and to Miss Harriette Magruder, club sponsor, and to Dorothy Smith, Glenda Cook, Beth Corder, Dorothy Piel, Rose Legg, Dolores and Linda Proffett, Shirley Kurtz, Bobbie McDaniel, Bettye Dixon, Mary Bagwell, Sarah Meador, Judy Brown, Linda Wright and Jereia Summers.

The next meeting will be held in the home of Mary Bagwell, 1101 Seventh Street, at 7 p. m., Monday, October 6.

Mrs. L. Velle Foy Honored at Stork Shower

A pink and white theme was featured in decorations for a stork shower at an informal coffee in the home of Mrs. Ross Smith on Tenth Street, at which Mrs. LaVelle Foy was honored.

Other coffee hostesses with Mrs. Ross Smith were Mrs. R. D. Travis Jr., Mrs. Ellis Lee and Mrs. Roy Smith.

The dining table was laid with a white cutwork linen cloth and entered with an arrangement of pink roses and Queen's wreath trailers. Mrs. Travis presided at the silver service and Mrs. Lee served hot sweet rolls.

Mrs. Roy Smith registered guests. Around fifty friends of the honoree were included.

District 7 Texas State Chiropractors Meet

District 7 meeting of the Texas State Chiropractic Association met Sunday in the Town House at San Angelo for an educational program following a luncheon.

Reports were heard on the State Officers meeting in Austin by Dr. R. E. Capshaw of San Angelo and Dr. Joe Busby of Abilene. Two educational films were shown.

Dr. J. L. Ohlhausen of Ballinger attended the meeting. Representatives attended from Sweetwater, Abilene, San Angelo, Eden, Goldthwaite and Ballinger.

Student Council Members Installed at Assembly

In a candlelight ceremony,

officers and new members of the Ballinger High School Student Council were installed at the assembly meeting last week in the high school auditorium.

Leon (Skeet) Pearce, president, led the council in its pledge to the faculty and student body, followed by individual members affirming their support to the council.

The singing of the school Alma Mater, "Toast to the Bearcats," concluded the impressive annual installation service.

FRIENDLY NEIGHBORS HOME DEMONSTRATION CLUB

The entire membership of the Friendly Neighbors Home Demonstration Club participated in presenting the program theme, "Agriculture and the Bible," at the regular meeting held in the home of Mrs. Ralph Russell.

Mrs. Russell, club president, was in charge of the business. Mrs. Charles Stubblefield read the "Club Women's Alms" and led the group in singing.

Mrs. J. J. Wessels directed the recreation period. Ice cream and cookies were served with tea.

Mrs. Roy Tyree will be hostess at the next regular meeting at 2 p. m. on October 8.

Texas Highway Department Notice to Building Contractors

Sealed proposals addressed to the State Highway Engineer of Texas, for the construction of a Resident Engineer's Office and Laboratory Building to be located at Ballinger, Runnels County, Texas, will be received at the Office of the State Highway Engineer, Austin, Texas, until 2:00 p. m. October 9, 1936, and then publicly opened and read. State Project MC-7-K-7.

This is a "Public Works" Project, as defined in House Bill No. 54 of the 43rd Legislature of the State of Texas and House Bill No. 113 of the 44th Legislature of the State of Texas, and as such is subject to the provisions of said House Bills. No provisions herein are intended to be in conflict with the provisions of said Acts.

In accordance with the provisions of said House Bills, the State Highway Commission has ascertained and set forth in the proposal the wage rates, for each craft or type of workmen or mechanic needed to execute the work on above named project, now prevailing in the locality in which the work is to

be performed, and the Contractor shall pay not less than these wage rates as shown in proposal for each craft or type of laborer, workman or mechanic employed on this project.

Legal holiday work shall be paid for at the regular governing rates.

Plans and specifications for the work may be examined at the following locations: State Highway Building, 11th and Brazos, Austin, Texas; District Office Building, Texas Highway Dept., San Angelo, Texas; F. W. Dodge Corporation, 109 Lexington Ave., Rm. 208, San Antonio, Texas; San Antonio Builders Exchange.

OPTOMETRY: The Art and Science of Visual Care

You can be SURE . . .

that there is a never-ending research into the problems of vision. For instance, research conducted at Purdue University shows that some nearsightedness comes from too much visual tension, in reading and studying, in the early school years. And, that temporary preventive bifocal or training lenses can, in many cases, reduce that tension. Thus, nearsightedness may be halted or even prevented. Cooperate with your professional optometrist if he prescribes preventive bifocals for your child. He is practicing preventive vision care.

THIS MESSAGE PRESENTED IN THE INTEREST OF BETTER VISION BY

The West Central Texas Optometric Society

City Property

This lovely home is in an ideal location and close to schools. Has 2 bedrooms, large living room and dining area, plenty of closets and the yard is fenced.

Close to town is this attractive and well built 2 bedroom home. Ideal for couple and priced right.

This 2 bedroom home, with dining room, has two floor furnaces and partly insulated. Nice location and walking distance to all schools. Take up the equity with \$47 per mo. payments—total price is only \$5200. This is worth seeing.

This corner lot, 3 bedroom home, with large kitchen is close to grocery stores, is a bargain. Only \$4500 and it will be yours.

Ideal location for schools. This home has plenty of closets and storage space and 4 bedrooms. This is a lovely home and priced right.

Farms

Good, well located farm—approximately 184 acres—with a 45 acre cotton allotment. This is a good black land farm and pasture is excellent for sheep. Plenty of water and a nice 5 room house.

We have farms in the Rowena-Miles vicinity, the Norton vicinity and also close to Ballinger.

Come by the office and we will be glad to discuss either city property or farms with you. We do have farm loans with low rate interest.

Elliot Kemp, Frank Gregor, Cone Robinson, LeRoy Halfmann and W. Kellermeier have just returned from a tour of Ralston's Purina Research Farm at St. Louis, Missouri. The research farm takes the latest feed discoveries and tries them for economy and practical use on the average farm. When you feed PURINA, you eliminate guess work. Use the services offered by Kemp and Barr, phone 2-7327. 2-1*

WANTED AT ONCE—Man or woman to supply Rawleigh household necessities to consumers in Rannels Co. or Ballinger. Full or part time. For full details without obligation see J. E. Bouldin, 1713 Second, Brownwood, or write Rawleigh's, Dept. TXJ-1240-271, Memphis, Tenn. 2-31*

their respective families, should be carefully considered in view of the following:

- It would permit continuous sessions of the Legislature, which would not be good for either the members or the State.
- It authorizes an unlimited per diem, in amount, to each member, in addition to the annual salary.
- It authorizes unlimited "expenses of office," which might well include board and washing, transportation, publications, rent, secretarial help, clerk hire, stationery and supplies, telephone and telegraph, postage, etc. "In amount and manner as determined" by the Legislature, itself. "It is not unlikely that it would deal generously with itself—the only restraint being the "next election," provided there is a record vote.)
- It is wholly unnecessary from the standpoint of either results contemplated or expenses involved.
- It includes a provision relating to the occupancy of living quarters in the Capitol building, by certain officials, now determined by statute.
- It appears to be in conflict with other provisions of the Constitution.
- It is poorly written and, if adopted, will likely entail extensive litigation and require judicial interpretation.
- I opposed the submission of the resolution in the 1957 session of the Legislature, and subsequent study has confirmed the soundness of my action.
- Annual sessions neither assure a more accurate financial picture nor greater economy. The results of the Congress attest to this.
- The absence of deficits, generally, in State spending, since appropriations in excess of cash and anticipated revenue have been prohibited, except in case of emergency, is ample justification of the present system. The loose language of the proposal leaves it doubtful whether this restraint would be applicable to appropriations made by the "Second Regular Session."
- Also, it is doubtful whether appropriations at such sessions,

BEARDED FRIENDS—Capt. De Vere Baker, Redondo Beach, Calif., skipper of the Raft Levi IV, seems to be comparing beards with his mascot dog, Tangara, following a landing in Honolulu after his voyage.

for other than "the general operation of the State government," would be valid.

The "freeing" into the organic law of a provision authorizing the occupancy of a portion of the Capitol building as living quarters by the President of the Senate and the Speaker of the House, and their respective families, is highly undesirable as to practice, as well as procedure. There is no more compelling reason for furnishing elaborately equipped and expensively decorated residence apartments in the Capitol building for these two officials, and their families, than for any number of others. The Capitol building was dedicated by Temple Houston to be "the habitation of the Government of Texas." Obviously, this did not include bedroom and kitchen privileges.

Since its provisions may not be voted upon separately, however desirable one or more features might be, which is rather doubtful, the amendment should be rejected.

Respectfully submitted,
Dorsey B. Hardeman
State Senator—25th District
San Angelo, Tex.
