Retired Teachers News

Members of the Parmer County unit of the Texas Retired Teachers Association conducted a community service project on January 22nd and 23rd by making voter registration forms available to potential voters. Thanks to Bi-Wize and to Lowe's for their hospitality.

On January 26th, all school employees were invited to join the retired teachers for refreshments at the Redeemer Literacy Center, where voter registration forms were also available.

Registered voters will be able to vote in the March 6th primary, in local elections for hospital, city, and school boards in May, and in state and national elections in November. Over sixty potential voters took registration forms as a result of these three events. This effort was part of a statewide movement, "Texas Educators Vote."

Ready for Service

On February 1st, the Texas Department of State Health Services informed the City of Friona that they were clear to begin using the new second ambulance. That same evening, Friona EMS personnel received an instructional class, above, on how to use the new power Lift/Power Load System from Stryker representative, Ashley Robertson, before taking calls for service.

Band State Solo and Ensemble

Front row: Jackie Legarreta, Nathan Flores, Damian Rodriguez, Nancy Rocha, Andrea Chavez, Angelica Molina, Middle row: Briana Padilla, Katricia Delacruz, Eric Gonzalez, Lydia Alexander, Brooklynn Johnston, Back row: Sloan Dominguez, Alan Lechuga, Jr. Reyes, Hadley White, Edvin Tzunux, Angel Mills. UIL Realignment Brings New Teams and Long Road Trips

The University Interscholastic League issued the District Assignments and Reclassification Information for the 2018-19 and 2019-20 school years on Thursday, February 1, 2018. Friona will see some new teams in district play as well as get acquainted with old district foes. To the best of our knowledge, Friona has never been in a district with Canadian or Spearman.

Friona will compete in football in Region 1, Conference 3A, Division 2, District 3. The Chiefs will be joined in the district by Canadian, Childress, Dimmitt, Spearman, and Tulia. Friona drops from the "large school" division to the "small school" division. Coach Jimmy Arias, athletic director and head football coach, says he feels good about competing at a high level in this classification. He said "Friona will no longer be the smallest school in the state in 3A like we have been the last two years."

The Friona Squaws will play volleyball in Region 1, Conference 3A, District 1. Amarillo River Road, Bushland, Dimmitt, and Tulia join Friona in the district. Bushland is a perennial powerhouse in the sport but Friona should do well in this district and would not have to face Bushland in the first round of any playoffs.

Friona teams will once again be in a crowded district for basketball. Region 1, Conference 3A, District 1 will be comprised of Amarillo River Road, Bushland, Canadian, Dimmitt, Friona, Muleshoe, Spearman, and Tulia. There are many good teams in this district and the competition will be tough. There will be some long road trips and most of the travel will be to the north.

What Friona Means To Me

"What Friona Means to Me"

By Patsy Bandy

In 1908, Frank and Martha Reed moved from Iowa to the Star Ranch in Parmer County, Texas, close to where Lazbuddie is now. They had eight children while living there and two more after moving about three miles north of Friona. Their children were Mabel, Bud (my Daddy), Faye, Minnie, Edna, Lena, Nellie, Grace, George and Frank Jr. All of the last nine children went to Friona schools and several graduated. Bud Reed, Minnie Knight and Lena Stokes spent all of their lives in Parmer County, most of that in Friona. All of the family is deceased with Frank Jr. dying in November 2017 and Grace in January 2018.

In 1928 Ed & Bessie Boggess moved from Oklahoma to five miles southeast of Friona with their five children: Juanita (my Mother), Irene, Eugene, Geneiva and Thelma. They all attended Friona schools. Juanita married before her senior year and the other four graduated from Friona. All of the family is deceased.

Bud Reed and Juanita Boggess married in 1931 and had three children: Ralph Reed, Patsy (Reed) Bandy and Roberta (Reed) Klapper. The kids started school at Black and

moved to Friona in January 1943. Ralph and Patsy both graduated from Friona and Roberta married.

Eugene Bandy and his family moved to Friona in 1946, when he was a freshman. He finished school and graduated from FHS in 1949. He had worked for Ed and Eugene Boggess while in school and continued after he graduated.

Eugene and Patsy married August 30, 1951 and he continued to work for the Boggess' until he went into the service in October 1952. Patsy was going to school and graduated in 1953. When Eugene got out of the service in October 1954, he came back to the farm and worked for Grandpa Boggess. In November, we moved to the farm and into the house Grandpa had built in the late 1920s. The house was built onto a few times and we lived there and raised our family. They grew up and left home and we stayed there until we bought a house on the highway and moved into it December of 2015.

We have four boys, Johnny, Clay, Todd and Chad. They were all born in the hospital in Friona and delivered by Dr. Paul Spring. Johnny, Clay and Todd all attended Friona

schools and graduated from FHS. Chad was born a special needs child and spent all but the first three years of his life in a State Home where he died in 2006. Johnny went to Angelo State after graduation and started teaching and coaching at Roosevelt. He met and married Carla Searcy in 1981. They moved to Terrell, Texas where he taught and coached for three years. Their son Brandon was born there. They moved to Plano, he taught and coached at Plano East for ten years, then at Richardson Lake Highlands for six years, to Richardson High School for five years, and then to Plano West for nine years where he retired two years ago. Their daughter, Kaci, was born in Plano. They have two granddaughters and they all live in Plano.

Clay went to Abilene Christian for a semester and then came back to Texas Tech after graduating from Friona High School. He married Tamela Hassenpflug, a graduate of FHS, in 1978. They moved back to Friona where they still live. He farmed for a number of years and has worked for other businesses, including his current job at Kendrick. They have three children, all raised in Fri-

ona and graduated from FHS. Joseph graduated in 2000, Valerie in 2001, and Adam in 2003. They have two grandsons and one granddaughter.

Todd went to Lubbock Christian for two years after graduating from FHS. He had met Lori Thomas from Tucson, Arizona at school and fell in love and in August 1980, they were married. They moved to Friona where he farmed for several years before deciding farming was not what he needed to be doing. They had a daughter, Chelsey, and a son, Levi, while in Friona. He went to WT while still farming and got his degree in teaching and coaching and has been doing this since 1991. He is now at Floydada, this being his 9th year there. They have a granddaughter and a grandson.

We attend Sixth St. Church of Christ; we have been members there since July 1951. We have many friends who are a part of our church family that we love and so many who have left this home for a new one. We also have many other friends, family, and loved ones in Friona.

I have been here all of my 82 plus years and plan to stay here until God has other plans for me.

Well, the groundhog Punxsutawney Phil saw his shadow this year, meaning we get another six weeks of winter. Since 1887, Phil has predicted a longer winter 104 times, including this year. He has forecast an early spring just 18 times, according to records.

Friona Student Selected as Texas All-State Musician

Friona High School student Brooklynn Johnston has been selected to perform with the Texas All-State Small School Mixed Choir in San Antonio on Saturday, February 17, 2018 at the Henry B. Gonzalez Convention Center as part of the 2018 Texas Music Educators Association Clinic/Convention. She was chosen for this prestigious honor through a competitive process held this year across the state at District, Region, and Area levels. Brooklynn is a student of Mary Jane Johnson and sings at school under the direction of John Lee Bonner, who is a member of the Texas Music Educators Association, a 19,000+-member organization headquartered in Austin. This is Brooklynn's fourth time to perform as a member of a TMEA All-State organization. Brooklynn is the daughter of Bryan and Allison Johnston.

Brooklynn Johnston

High school students selected to perform in the All-State concerts have competed through auditions to qualify at the state level. All-State is the highest honor a Texas music student can receive. A total of 1,780 students are selected through a process that begins with over 70,000 students from around the state vying for this honor to perform in one of 15 ensembles (bands, orchestras, and choirs). Texas Music Educators Association sponsors the Texas All-State competition. This competitive process begins throughout the state in auditions

hosted by 33 TMEA Regions. Individual musicians perform selected music for a panel of judges who rank each instrument or voice part. From this ranking, a select group of musicians advances from their Region to compete against musicians from other areas in eight different TMEA Area competitions. The highest-ranking musicians judged at the TMEA Area competitions qualify to perform in a TMEA All-State music group. Only the top 2.5% of musicians who initially audition become All-State musicians.

These All-State students participate in three days of rehearsals directed by nationally recognized conductors during the TMEA Clinic/Convention. Thousands of attendees come to see the performances, which is the grand finale of this extraordinary event. For the All-State concert schedule and conductor information, go to the Performances section of www.tmea.org/convention.

Friona Flashbacks

News from the Friona Star archives in 2006

February 16 – Chieftain Ryan Schwab was the hero of the moment in a Tuesday night basketball game against Tulia, where Friona won by one point (68-67). Ryan scored the winning basket with four seconds left in the game to give Friona the win and its first trip to the playoffs since 1974.

March 23 – An ace was scored at the Friona Country Club Tuesday afternoon. Dave Thompson recorded the hole-in-one using a 7-wood on the 7th hole. He said he had been on the green at the hole before but never got close to a hole-in-one. Playing partners and witnesses to the event were Von Edelson and Junior Renner.

April 13 – At the Friona track meet on March 3-4, Juan Reyes set a new school record in the 100m dash, posting a blazing 10.52 seconds. The previous school record was held by Andy Kendrick who set the record of 10.71 in 1997.

June 15 – Sheriff Randy Gerries reported that on June 7, just before midnight, smoke and heat detectors at the Parmer County De-

tention Center signaled a fire in the jail's laundry area. Jailers responding to the alarm discovered a small fire inside a dryer. Gerries said a single load of laundry burned inside the tumbler compartment of the dryer.

August 10 – FHS teacher and former coach Kevin Cooper and a group of volunteer students removed all the panels from the Friona bleachers and painted them with Chieftain red, giving the home stands a fresh new look.

November 30 – Former Friona student Lacye Presley is a combat medic in the U.S. Army. She was awarded the Bronze Star medal for heroics in Operation Iraqi Freedom in May 2006. She is the granddaughter of Dean and Carolyn Shipp of Friona.

December 21 – Glenn Reeve Jr. has served Friona as a member of the volunteer fire department for 50 years. At the annual Christmas party, Glenn was presented with an inscribed gold axe by his fellow firefighters in honor of and appreciation for his 50 years of dedication and service to the Friona volunteer fire department.

Xcel Energy crews make progress in first week of Puerto Rico restoration effort

Texas and New Mexico Xcel Energy employees helping with the Puerto Rico power restoration effort received their first work assignments on Wednesday, and successfully restored service to more than 70 customers on Thursday.

The 16 employees arrived early Tuesday morning in Puerto Rico as part of a larger, 65-person deployment from Xcel Energy's eight-state service area. They are working a 21-day mission alongside linemen from several other U.S. mainland utility companies. A second group of roughly the same number of employees is scheduled to travel to the island once the first group's deployment is complete, and that group will also work for about 21 days.

The Texas-New Mexico crews have worked safely under overcast skies and high humidity. They report that the local people are excited to see the help from other parts of the United States, and have been warm and gracious. The biggest challenge so far has been moving through narrow streets where there is little to no traffic control, but local police are assisting where they can.

On Thursday the Texas-New Mexico crews energized the first two miles of a feeder line they have been assigned to repair, and successfully restored power to 73 customers. Most of this work involved setting poles and rehangng cable that has been in disrepair since the September hurricane.

Psalm 63—Satisfied and Secure

Brett Hoyle, Pastor, First Baptist Church

Don't you love that feeling after a huge Thanksgiving meal? Your belly is satisfied, the Cowboys are winning (hopefully), your family is around and you enjoy all this from the warmth and security at you or a family member's house. The feeling of being satisfied and secure, surrounded by the Lord's blessings is downright delightful. We expect this during times of peace and prosperity, but the reality of being satisfied and secure is something the child of God can experience even during difficulty.

Psalm 63 comes from a time of difficulty during David's life, and vividly displays the truth that even in the wilderness, one can be satisfied and secure. David's satisfaction, though, did not come from turkey or sports, but was found in the Lord's steadfast love, which he proclaimed in verse 3, "Because your steadfast love is better than life, my lips will praise you." People were trying to kill him and he had fled to the wilderness, yet his focus stayed on the truth that God trumps any trial, enemy or problem you encounter. You can experience the satisfaction and security that comes from the Lord as well if you are His child. This begins with the truth in Psalm 63:1, "O God, you are my God; earnestly I seek you; my soul thirsts for you; my flesh faints for you, as in a dry and weary land where there is no water."

If the gift of satisfaction and security from the Lord seems to be light years away from you, it may be time to look at what you are seeking earnestly in your life. Have self-pleasure and comfort, idols or money, relationships or religion become what you pursue in place of Jesus Christ? If that is so, then repent quickly and seek the Lord to change your heart and mind to be able to say and believe that, "Your (God's) steadfast love is better than life."

Friona Para Cristo Llamados a Conocerle:

By Pastor Aurelio & Cynthia Silva

"Hay Poder en su Presencia", Y cosas poderosas suceden in su presencia!! 2 Corintios 3:17 Porque el Señor es el Espíritu; y donde esta el Espíritu del Señor, allí hay libertad!!

Primero hay arrepentimiento y limpieza. En Isaias 6:1-7 vemos que Isaias se encontro en la misma presencia del Señor. Lo cual hizo a Isaias reconocer su condicion; que era un hombre inmundo de labios y vivía en medio de un pueblo inmundo de labios. Pero en la presencia del Señor allí hay libertad. Cuando el angel vino y toco los labios de Isaias con el carbon encendido declaro que su culpa era quitada y limpio su pecado. Tambien en Lucas 5:4-10 Pedro se encuentra en la presencia del Señor. Y por el milagro de la gran pesca arrepentido cae de rodillas Y dice apartate de mi Señor porque soy hombre pecador. En el verso 10 de lucas 5 vemos que fue perdonado por el Señor que le dice no temas porque de hoy en adelante seras pescador de hombres. Lo mismo sucedio conmigo!! Un dia al escuchar su palabra fue convencido por el Espíritu Santo que yo tambien era pecador. Y en su presencia caigo de rodillas pidiendo perdon al igual que Isaias y Pedro. Y en ese mismo instante El Señor Jesus me perdonó y me limpio de mis pecados. Y El Señor en este mismo instante lo puede hacer contigo si se lo pides!!

"There is Power in his Presence"; And powerful things happen in his presence!! 2Corinthians 3:17 Now the Lord is the Spirit; and where the Spirit of the Lord is there is freedom!!

First, there is repentance and then cleansing. In Isaiah 6:1-7 Isaiah finds himself in the very presence of the Lord. This in turn made Isaiah recognize his condition; that he was a man of unclean lips living amongst a people of unclean lips. But in the presence of the Lord there is freedom. When the angel of the Lord comes and touches the lips of Isaiah with the burning coal, he declares to Isaiah that his wickedness is removed and his sins are atoned for. Also, in Luke 5:5-10, Peter finds himself in the presence of the Lord. Because of the miracle of the fish, Peter falls at Jesus's knees and says, "Go away from me, I am a sinful man, Lord. In Luke 5:10 we see that the Lord forgives him and tells him not to be afraid, that from now on he would be a fisher of men. The same has happened to me. One day as I was hearing the word of the Lord, I was convinced by the Holy Spirit that I too was a sinner. And in the presence of the Lord I fall to my knees asking for the Lord to forgive me just like Isaiah and Peter. And in that very moment the Lord forgave me and cleansed me of ALL my sins. Right now the Lord can do the same for you if you would just ask!

They Knew His Voice

By Jeff Procter, Minister, 6th Street Church of Christ

Back in the mid-90's, I lived in Nebraska and worked for an animal health company for a while. One of the families that I met at church had a cow/calf operation of about 200 pairs. About mid-summer, we rounded up the cattle to give them wormer.

The pasture was roughly 1200 acres and Drew sent me in one direction on horseback. After going up and down the rolling hills, I eased in on them and we were off. The only problem was I had circled several times, and could not have told you which hill I had gone up or which I had come down.

Drew thought it was taking me a long time, so he came looking for me and found me on the fifth hill herdin' them doggies in the opposite direction of the pens. I heard, "Bosssssssooooo" don't have any idea how it is spelled but it ended up sounding like "Boss So." The cattle stopped in their tracks looked at me and turned and in an organized stampede headed to the voice. Sheepishly, I followed all the way back to Drew's pickup where he was standing in the back surround by thirty head of cattle that knew his voice. We laughed about me pushing them in the wrong direction and how at the sound of his voice they dropped me like a hot potato and headed home.

They knew his voice, and followed immediately. Whom are you following? I want to encourage you for a moment to take out your Bible, read John 10:1-10. If Jesus has come to "give life to the full" is this true of you? Regardless of circumstance, life is full when life is following Christ. So back to the original question, whom are you following? When the owner of your soul calls, will you immediately turn and follow? Remember, even a cow can do that because they knew his voice!

Gorge on His Word

By Teena Hughs

Well, it is nearly midnight. I am tired and should be in bed asleep. I tried to sleep, but I can't, because I am too full. I made a new recipe tonight, and I literally gorged myself on it, to the point that I am still miserable, and I don't have any desire to eat this dish ever again! I have been "stuffed" before, but I don't ever remember being this miserable!

As I was getting ready for bed tonight, totally ashamed of what I had done to myself, I thought, "I bet God wishes I would gorge myself on His Word like I did on that food tonight." Had I done that, I would feel so much better; I would have done something productive and not counter-productive for myself; I know God would be laughing at me for being such an idiot!

Seriously though, you can't ever make yourself miserable or sick by "gorging" on God's Word. It will teach you, it may make you think, it may help you realize you need to make changes in your life, but it won't make you sick or miserable. You may be ashamed of some of the things you have done in your life, but Jesus will forgive you for those things, taking away that feeling of being miserable.

If we are ever going to "gorge" ourselves on something, God's Word is the best thing we can gorge ourselves on. We need a steady daily diet of His Word, but unlike eating too much food, we never have to worry about getting too much of God's Word. Have a great week and be filled with His Word!

Sharon May Running for Parmer County Treasurer

Hi, my name is Sharon May, and I am running for Parmer County Treasurer.

Let me tell you a little about myself to help you make a decision on March 6th.

I live in Farwell with my husband Billy and daughter Abi.

I grew up just south of Farwell with my family, Dad (Wilbert), Mom (Mary) along with my sister Donna (Ratke) and brother Allen Kalbas. This is where I learned my work ethic. My parents grew vegetables and I worked right along with my dad. I can't even count the amount of pipe I moved so the fields could get watered, or the vegetables I have picked. I attended Farwell School all years and graduated in 1982. I furthered my education at Concordia Lutheran in Austin and then later at WTA&M in Canyon.

A little later I began working for Caprock, Ind. (owned by Cargill), in the office at Amarillo, Texas. I had the opportunity to work in different departments and for managers in the company that taught me so much about the business of cattle and cattle feeding. After I married Billy, I had the opportunity to move home and continue my career at Cargill Cattle Feeders just west of Bovina. I am still here today, but under the Division of Friona Industries since November 2016, in which it changed ownership. I have been with the combined companies for over 25 years.

Here at Bovina Cattle Company, my duties include being the office manager with some HR responsibilities. I take care of payroll and orientation of new hires about their opportunities with company insurance and other benefits. I love what I do, but I would like to spend more time with my family now at this stage of our lives.

I would love to experience the opportunity to become the Parmer County Treasurer to assist my friends, family and neighbors. You can count on me to get the job done and get it done right the first time. I am completely committed to this County. There a few things you will never have to worry about with me:

COMMITMENT, HONESTY, INTEGRITY, HARD WORKING.

After so many years of working for the same company, this is not an easy decision, but I feel it is the right one for me. Please reach out to me if you have any questions. You will always have my ear.

Like us on Facebook - Sharon May for Parmer County Treasurer.
