## Farm Machinery

Freezing of farm machinery was necessary to allow the government time to establish quotas, B. F. Vance chairman, Texas USDA War Board, explained in commenting on the or-

der temporarily freezing farm machinery as of November 1.

The freeze order applies to most farm machinery, but some particular types, such as peanut pickers may be sold by retail dealers out of stocks on hand, although the deal-

rationing of machinery would get underway as soon as possible.

Inventories of more than 100 different types of machinery and equipment will get underway in Texas next week. Working with 'Texas' 254 county farm machinery rationing committees, dealers, distributors and manufacturers are being asked to take stock of their supplies and Peanuts Bring Extra

make final report by Nov. 10.
Included in the inventories are various types of planting, seeding and fertilizing equipment, plows and listers, harrows and pulverizers, cultivators and weeders, gain and

### **Cotton Farmers Must** Vote December 12th

A complete vote of cotton farmers will be necessary on Dec. 12 to assure a representative choice of farmers regarding their wishes in con-nection with maintaining a fair price for cotton. Without quotas there will be no Government Loan on cotton. Without a loan we are advised producers cannot expect a fair price. Farmers must execise their patriotic duty and vote in or-der that the decision will be thor-

ers will not be able to restock during the duration of the freeze.

Vance said quotas would be established in a short time and actual during the duration of the freeze.

Voting boxes will be open all day on Dec. 12, and Clay County producers will be privileged to yote at the county producers. ducers will be privileged to vote at any of the following places:

Doss, Halsell, Stanfield, Riverland, Deer Creek, Shannon, Byers, Charlie Joy, Bluegrove, Thornberry, New-port, Dean Dale, Vashti, Petrolia, Buffalo Springs, Henrietta Bellevue.

COFFEE RATIONING WILL BEGIN ON NOV. 29TH

Coffee rationing starts on Nov. 29, but the bugaboo which has frightened many persons into hoarding and overbuying has been over-empha-

over when sugar rationing started last May, it was announced, but it will work out slightly more than one cup a day. It will be possible to get a cup in a restaurant, regardless of how much you get at home.

## What's worse: 35 miles an hour or 00 miles an hour?

Don't flunk an easy one!...This is worth thought...The prize at stake is your car!

... Today's sensible top speed of 35 for patriots is a cinch for your engine, compared to unlubricated cold startingway down at 00 miles an hour!

People in dead earnest to battle wear from the very start, are having their engines OIL-PLATED. Without using up extra moments or money, they simply change to Conoco Nth motor oilpatented. And this oil's added modern synthetic-with apparent "magnetic attraction"-closely bonds lubricant to inner engine parts. That's called oil-PLATING because it resembles any good protective plating in not all "going elsewhere" while the car stands cold.

OIL-PLATING doesn't all quickly go draining off down to the crankcase. Oil down there in the depths is still trying to "get a move on" as the engine starts, while OIL-PLATING is already faithfully fastened clear up to the topmost piston rings. Simply because OIL-PLATING doesn't all go away, it's there ahead of

time, to get ahead of rampant wear in starting cold. It's there the rest of the time, too. And so the strong liquid-type film of Conoco Nth oil is sliding between OIL-PLATED surfaces. Not much look-in for wartime wear. Better change to an OIL-PLATED engine, at Your Mileage Merchant's Conoco station. He knows your correct Winter grade of Conoco Nth oil. Continental Oil Company

They Serve America by Keeping Our Cars and Trucks Serving for Victory

Why America's Cars and Trucks Are **VEHICLES OF VICTORY\*** 

- Sole transportation for war workers in many communities.
- Sole transportation for war materials in many communities.
- Six out of every ten farms use one car or more. • 67 per cent of all farm
- car mileage is necessity driving. Many war plants depend on trucks to haul all
- "Victory" freight. Trucks alone serve 54,000 communities not reached by railroads.

All signs tell you-MORE PEOPLE GO TO CHEVROLET DEALERS FOR SERVICE than to any other dealer organization

The automotive mechanics of yesterday are the Victory Service Men of today. . . . For it's up to them to maintain the - motorized transportation system which carries men and materials to and from America's war plants, America's farms, America's other essential industries.... They know their job, and they're doing their job! . . . Help them to keep your car or truck serving for Victory by getting skilled service now and regularly.
