Who could want a better country than West Texas.

If the weather clerk would send us a good rain, wouldn't many a farmer and ranchman smile?

Green sprigs of grass are peeping up, and if we should get a good rain anyways soon wouldn't this be the greenest country you ever seen.

Send the Voice to your friends and let them know the inducements Terry County has for homeseekers. We have a fine country and lets let the outside world know it.

All communications must reach us on Tuesday and Wednesday night's mail, or else they will be too late for publication. They must also be signed by the writer's name, and then you may sign any name you wish for us to sign.

A certain magazine writer recently ask the question: What are the four sweetest words in the English language? After a close study of the definition of words we have come to the conclusion there are more sweetness and real satisfaction in the four words: "Enclose please find check."

The Big Springs leading merchants don't know that the Voice reaches almost every home in Terry and adjoining counties, and that it has a circulation second to none on the plains, or else an ad in the Voice would be seen from them. We guess they have for got that a good portion of their trade is from Terry and her adjoining counties.

We announce in this issue, Paul Konz for County Clerk of Martin and attached counties. Mr. Konz is our present county clerk and has made a good clerk. He promises if elected to serve the people as he has heretofore, and asks the support and influence of the voters.

In the announcement column you will find J. H. Epley announced for Tax Assessor of Martin and attached counties. Mr. Epley is our present assessor, and as he has made the public a good officer, he needs no recommendation at our hands. He solisits your vote and influence.

Time and space forbids us to make mention of each and every prospector that are here this week looking at our beautiful plains country. As we have only one printer and he plays all the parts and sometimes sweeps the floor, it is no easy job to make mention of everything that's said or done, and besides if we did, more than likely would come up missing when we should be on hands.

**Announcements**

**RATES.**

Congress ..... \$25.00

All political matter, of whatever nature, will be charged for at the rate of ten cents per line.

Cash in advance is required for political matter—whether it be announcement, notices or cards.

We have nothing to do with making up the ticket and the fee paid us only covers the announcement.

All the announcements below for county office are subject to the general election, Nov. 8, in Martin, Andrews, Gaines, Terry and Youkum counties.

For County Judge—  
**A. C. EIDSON**  
**G. L. CAUDLE.**

For Tax Assessor—  
**H. M. DAVIS,**  
**J. H. EPLEY,**  
Re-election.

For County Clerk—  
**PAUL KONZ.**  
Re-election.

We have the liberty of announcing H. M. Davis for Tax Assessor of Martin and attached counties. Mr. Davis is recommended to us as a gentleman of a good reputation, and he asks you to remember him at the election with your vote.

We are authorized to announce the name of G. L. Caudle for County Judge of Martin and attached counties. Mr. Caudle is in every respect worthy of the office he is seeking. He is a gentleman of high standing and is qualified to fill the office for which his name is announced. If you can, he would be pleased to have the black mark left off of his name at the ballot box.

**A. W. Long, Gomez, Texas.**

In this issue you will find A. C. Eidson announced for County Judge of Martin and attached counties. Mr. Eidson is a gentleman, whose character is of a high grade, and he is qualified in every respect. He needs no recommendation as to his worthiness for the office. He assures you if elected to ever appreciate the favors that you have shown him.

**Lamesa Happenings.**

Dear Editor:—As I have seen nothing from our little town in some time. But as your new way the paper seems to be just what the people need, I will give you a few of our happenings.

J. W. McCann opened his new store last Friday, and trade was good Friday and Saturday.

S. K. Bynum, J. D. Garner and J. C. Whisten, three prominent citizens, from the south part of the county, were in town shopping Saturday.

Our old friend, G. W. Mabray, the jolly hotel man, of Chicago, came over Saturday and supplied his house with cheap fresh Lamesa groceries.

Our merchant is only carrying stock for retail trade I understand.

Mr. Bert Belcher, spent part of Saturday in our city.

W. S. Crow and W. E. Anderson, were here shopping Saturday.

J. I. Reding, from the north part of the county, was here last week, and will immediately move here. He wants to be near a good school. He knows that knowledge is power, and that is the legacy of which no one can rob his children.

Success to the Voice,  
PLUG.

Come again "Plug." We are always glad to have the local happenings of our neighbor towns and would be glad to have a correspondent from all the adjoining counties.—[Ed.]

**Sligo Cullings.**

Delayed from last week.  
Mr. Editor Voice:—As I have not heard anything from the Kid for the past few weeks, I will fill out his space in the most reliable paper in the state of Texas, the (Terry County Voice)

We have had a mild winter so far and cattle are doing well. If the weather still continues through March as it has through February, people will go through the winter without any loss.

The people of Sligo would like to have a good warm rain so they could begin a 1904 crop. Most of the people of Yoakum are going to raise their own feed another year, and not depend on their Terry county friends, which they have been doing for the past few years, so you see this will give the Terry county people more time to diversify and raise more cotton.

We Sligo people would like for Terry county to organize so we could attach ourselves to Terry and stop going so far through the sand to court.

Mr. Ellinwood, and Billie Connell, two of our ranchmans, left for Midland the 28, where they will board the train for Ft. Worth to attend the convention.

John Winburn, who has been working on the Ellinwood ranch for the past four years has quit, and Cliff Patton will take his place.

Mr. Chief made a flying trip to Siam Thursday.

G. T. Gainer and son Bruce, left his ranch Wednesday for Stanton.

Mr. Weffer carried the Sligo and Siam mail this week.

Walter Gainer is tanking this week, guess the old man give him a few dots while he was down there.

Chief and Tom of the Connel ranch have been winmilking for the past week.

Mr. Callahan spent a few days on the Connell ranch this week.

George Lee is spending a few days with Cliff Patton on the Ellinwood ranch.
