## SWEDONIA.

Editor Eagle:  
Some time ago when I wrote a letter to the Eagle I promised my Mills county friends that I would write again when crops were gathered. I guess you will not believe me when I say that some of the people are still picking cotton.

This is the finest country I ever saw. You just have to plant a crop ever two years, for it takes two years to gather it. The corn, cotton, maize and all crops that have been planted looks fine.

We are having a fine rain at this writing. Horses and cattle are fat and sleek. And to help the boom of our country the Texas Central railroad is being constructed through the north-eastern part of the county. The road is graded thirty miles and steel is being laid. So you see we have no lack of railroads.

People are moving here from all parts of Texas and the Territories.

We find a ready sale for all our milk, butter, chickens and eggs and get a good price.

Last summer McCaulley was a little one horse town of not more than a half dozen business houses and now it has forty. Who says this isn't growing? The Texas Central railroad is four miles north of McCaulley, (which is on the Orient.) We have plenty good churches and schools. In fact this county and surrounding counties are much better than old Mills county rocks. Land is selling from \$15 to \$25 per acre and some think it will soon sell from \$75 to \$100. We also have as fine fruit as could be wished for; although we are not going to have as much as usual on account of hail, which beat the fruit off the trees. And you may talk about your sand storms. I have been living here seventeen months and have got my first sand storm to ever be in yet.

Well, I guess I had better ring off. Come again, Tenderfoot and School Boy, as I like to hear from you.

Wishing all my Mills county friends success,

THOMAS E. JOHNSON.

MULLIN.

Editor Eagle:  
Thursday, the 31st of May was  
a gala day in Mullin. The occa-  
sion was the Woodman picnic.  
At 7:52 a. m. the Mullin Silver  
Cornet band marched to the  
depot playing in most exquisite  
strains, "The Star Spangled  
Banner" to meet the east bound  
train and receive the visitors;  
again at 8:37 they met the west  
bound train sending forth the  
joyous notes of "Dixie Land."  
Visitors were conducted to the  
picnic grounds where everything  
was in readiness for their enter-  
tainment. The Woodmen proved  
themselves equal to the occasion  
and the entire community co-  
operated with them in making  
the picnic a success. At 10 a. m.  
Z. D. Kemp introduced to the  
audience M. C. Kirkpatrick, who  
addressed them in a forceful and  
appropriate manner, subject:  
"Woodcraft." R. L. H. Will-  
iams of Goldthwaite was then  
called and responded in a brief  
impromptu speech, after which  
D. R. McCormick, master of  
ceremonies, announced the con-  
tinued program, viz: Music by  
the Silver Cornet band, dinner  
at 2 p. m., music by Silver Cor-  
net band. At the appointed hour  
the table was spread with a  
bountiful and delicious repast.  
H. T. White, a connoisseur of  
the culinary art and good things  
of life, pronounced the dinner  
transcendent and the whole af-  
fair one of the finest he had ever  
attended. Candidates were num-  
erous and each performed their  
duties factorily. I am grati-  
fied to know that we have in our  
county excellent candidates for  
various offices and that so many  
first class men can be found who  
are willing to serve in the inter-  
est of the people. One sugges-  
tion, please. Let the campaign  
now be for the educational in-  
terest of the country; for better  
equipped schools and longer  
school terms. This country has suf-  
ficiently to do this without  
taxing to any one. You  
are in children and they are  
not wealth. If you take the  
care of them. Do not  
fight them against a paltry

White and A. C. Compton drove  
out Wednesday afternoon to  
view the waters.  
I failed to mention last week  
that Mr. Taylor had added greatly  
to the appearance of his resi-  
dence by having it painted, and  
painted white; my favorite color.  
The members of Mullin Silver  
Cornet band will make their ap-  
pearance in a handsome uniform.  
We are proud of our band and  
justly so.  
Clarence Douglas has accepted  
a position with H. F. Butts in  
the store.  
Miss Erma Harrison and Miss  
Eiva Fletcher came in Saturday  
morning to meet Mrs. Alpha  
Fletcher, niece of Mrs. Bennett  
Wood. G. V. M.

CRYER.

Editor Eagle:  
"Trust in the Lord and do  
good, so shalt thou dwell in the  
land and verily thou shalt be  
fed." It seems at present that  
this is literally true of this part  
of Mills county. Every one  
seems to be prosperous and it  
would be hard to find a better  
neighborhood than the Cryer  
neighborhood.  
W. E. Wiggins has bought a  
new binder and is very busy cut-  
ting grain for his neighbors,  
J. W. Allen and wife of this  
part were visiting at Mr. Gilpen's  
in the Rock Springs community  
last Sunday.  
Dick Jackson of Hopkins  
county is visiting at the home of  
M. A. Ritchie of this part.  
Say, when you come to the  
election don't forget your poll  
tax receipt.  
We note there is a movement  
originated by the Farmers Union  
to build a warehouse to store  
cotton in at Goldthwaite. I am  
not a Union man, but I think  
this is one of the best moves the  
Farmers Union of Mills county  
has made. The man with the  
hoe is absolutely master of his  
own destiny if he only knew it.  
"Tis the man with the hoe and  
monarchs of earth pay homage  
to manliness, honesty, worth;  
but 'tis gold that they pay for  
his product we know, a recom-  
pense meet for the man with the  
hoe." (Farm and Ranch)

Editor Eagle:

Despite the numerous errands I find to perform I must gain time to send a few "bits" to the best of papers, so here I am.

Since the bountiful rain fall of last week farmers are progressing nicely with their work. The beautiful grain fields will soon be ready for the harvest.

Some sickness in our community at this writing. Mrs. J. F. Priddy is on the sick list and some of Mr. Joe Cunningham's children are reported ill.

The picnic was a grand success. A large crowd was present to partake of the bounteous dinner and delicious refreshments. The hobby horse was the most conspicuous feature of the day. The ball game in the afternoon was also quite interesting.

The relatives here of Mrs. Sarah Yoes of Taylor county will be sorry to hear that some of her family are very sick with the measles.

Grandpa Daizon, who was reported very ill a few days since, was able to attend the picnic.

Brother Smith delivered an interesting discourse to an attentive congregation here a few nights ago. We are exceedingly proud of our missionary and trust that much and everlasting good will be done through his faithful labor.

J. C. Street of Goldthwaite was in our midst last week inspecting some of the farmers' cotton.

Mrs. Lee Pfluger of Eden is here on an extended visit to relatives and friends.

Since my last writing Messrs. Tom Christian and N. J. Tyson of Mullin have been pleasant visitors in our neighborhood.

Claud Christian, who accompanied Ed Willie to his home at San Angelo, returned in time to attend the picnic.

Joe Ellis of Democrat was mingling with his friends at Priddy Saturday.

The young folks enjoyed a pleasant singing at the home of

Mr. and Mrs. Joe Cunningham the third Sunday evening.

Miss Nellie Chancellor, who has been attending the Baylor Female college at Belton, passed thru our vicinity Sunday en route to her home near Newburg.

Rev. L. L. Hays of Trigger Mountain filled his regular appointment here the third Sunday.

Rabe Calaway, who has been working for I. H. Davis, will leave the first of the week for Goldthwaite.

A number of our German friends enjoyed a social gathering at the home of Mr. and Mrs. Libby Saturday night.

Jno. Priddy, jr., and sister, Miss Clarissa, visited near Caradan the first of last week.

Prof. T. F. Eaton of Mullin attended our literary Saturday night and stayed in our community until after the picnic.

Dr. G. L. Lewis, who has been attending school at Galveston, returned home Monday.

Many thanks to you Mrs. Mason for your complimentary remarks concerning my letters. I, for one, certainly did appreciate your nice letters. Come again.

A social given at the hospitable home of Mr. and Mrs. Chas. Pfluger Monday night was enjoyed by all who were present.

Geo. Priddy was around a few days since taking the school census.

I wish to correct a slight mistake made in my last letter. Wm. Tate and Jeff Priddy visited Comanche instead of Cameron.

The services at the New Hope Baptist church Sunday were largely attended. Dinner on the ground, and an excellent sermon was preached by Rev. Moore in the morning and in the evening an interesting discourse was delivered by Rev. McCurdy.

Rev. T. J. Priddy attended church services at Big Valley the third Saturday and Sunday.

Miss Edrei Davis was at home from Comanche and attended the picnic.

Jeff Priddy and little daughter, Blanche, visited Goldthwaite Saturday.

Maid o' Washboard I was glad to see your smiling face at the picnic. I agree with you in opposing ball games on the Sabbath.

Thanks to the Plainview writer for his invitation to write. Was indeed glad to see a letter from you.

Misses Mary Lou and Lillie Grundy were among those from Goldthwaite who attended the picnic.

Chas. Pfluger and Rev. T. J. Priddy had business in Goldthwaite the first of the week.

### WASHBOARD.

Editor Eagle:

Sunny May has smiled itself to death and now lies with the vast "by-gones," June is here hot and sultry. The sun displays its uncomfortable rays with the intensity of its regard, seemingly unaware of lighting up the frigid climes as well as the torrid on this June day.

We are having an abundance of rain and the farmers are considerably behind with their work.

The Priddy picnic was quite an attractive affair. Mr. Editor, I expected to meet your pleasant countenance there, but failed to see you. I shall send you and Editor Berger of Mullin a special "invite" to a picnic to be held near Indian Gap on the 30th of June. Of course, everybody is invited, but you know editors are, as a rule, so wide-hearted and can think of so many interesting things to say their presence is always appreciated.

The citizens of Indian Gap met last Sunday week and organized a singing class. They are to meet every other Sunday.

E. E. and W. F. Swindle have bought Mr. Bishop's place on Washboard. Mr. Bishop and family will move to Rising Star, where they recently bought land. We regret to lose this good family from our midst.

The reapers are in full sway.

Clarence Rea returned last week from Brownwood, where he has been a student in the Daniel Baker college for the past term.

Little Barnerd Swindle is on the sick list.

Master Clyde McKimney, one of our very finest little men, spent a few days with his brother, Ralph at Newberg this week.

Robert Swindle has returned from the west.

Miss Anzie Price returned Wednesday from the Belton Baylor college.

Mrs. Stoddard left this week for Denton to attend the commencement exercises of the Girls' Industrial school.

Miss Ada Busbee visited in Goldthwaite last week.

W. T. Swindle and wife visited relatives at Mullin Wednesday and Thursday and attended the picnic.

Walter McCaleb, jr., has returned from Fort Worth business college.

Mrs. M. H. Germany and daughter, Miss Emma are spending the week with relatives at Mullin.

Rev. Huclie is expected to preach at the Gap next Sunday.

John Fortune and Master Robert had business in Comanche one day last week.

Little Barnerd and Bernerd Swindle spent a few days last week with their grandparents, Mr. and Mrs. J. M. Boler.

I extend my heartiest congratulations to my friends Dr. Geo. Lewis and wife.

Melam Rea, accompanied by his sister, Miss Alma visited at Brownwood last week.

P. D. Windsor, your letter was nice, why not write oftener? Accept my thanks for your invitation to the Washboard writer.

I understand that the Gap has appointed a committee to order books for the public library. The citizens of the Gap have raised money sufficient to secure a very nice lot of books. Not only the members of the W. C. T. U., but most all who live in the limits of the Gap administered to this collection and deserve thanks for their kindeess.

Miss Ada Busbee has accepted a position in the Rising Star public school for the coming session.

I know Mr. Editor and all the readers will sympathize with me. One day this week, while engaged in training vines to run over a window one of those little truants, a wasp, lit on my hand and fairly stung, leaving everything as it was, the place was alarmed for help, but of no avail for the wasp was gone when I recovered myself again and my hand and arm were swollen quite beyond my own recognition.

MAID O' WASHBOARD.

Newt Irwin and daughter, Carrie of Pleasant Grove were shopping in Lometa Tuesday.... Earl and Ruth Powers of Goldthwaite, cousins of Mrs. Jno. T. McC Carson and Mrs. Harry L. Mitchell, attended the funeral of little Frank McC Carson Saturday.... R. S. Stokes and wife have received a letter this week from their nephew, Thomas Gooch, of Big Springs stating that on the 5th of June he will be married to Miss Wilmer Kennon of that place.... On last Friday morning at 5 o'clock in the silent hours, just at break of day, the angels from heaven visited the happy home of Mr. and Mrs. Jno. T. McC Carson and bore away on wings of love the spirit of their little son, and only child, to glory, where he has taken his place in that brilliant galaxy of purity and love from which none may return; but where an absolute welcome and eternal happiness await the loved ones left behind—Lometa Reporter.

### TELL THE TRUTH.

It has been told me several times since quite a number of my father's friends have solicited his allowing his name mentioned for mayor, that some uninformed persons were making much ado of an idea that to elect my father would amount to electing, or having me to act as such officer. Now in the first place my father is not seeking such a place and since I can remember, I never heard such an accusation before of him. He has not and will not ask a man to vote for him; he only agreed to accept and "serve" the best he could upon the solicitation of friends (not his family) if elected. The statement that I or any one else would dictate his action can only be made by a person wholly ignorant of the style of man he is talking about or by some one who would prefer a lie to the truth to try and influence a vote his way. At first glance it would seem that such statements suggests to the stranger great calamity or corruption should I advise in municipal offices, for the reason that I have always advocated every public advancement and voted for what I believed was for the best interest of Goldthwaite (not myself) It is known that such statement can only be intended to create prejudice among personal opposition and is false I am still ready to push every interest of our town religiously, morally, socially, municipally and financially. We need men of force that are willing to act and make our town better by making a success of our corporation—and above all things lets not play along like boys and put in a set of aldermen just to suit a certain displeased few, who will make every effort to kill it by doing nothing.

Referring again to my father, personally, I would rather his name not appear on ticket, but if his friends put it there kindly have respect enough for the situation to vote for who you please, but don't make such unwarranted, false statements until you know what and who you are talking about. Yours,

M. L. BROWN, M.D.

## THE COUNTRY DRUG STORE

Goldthwaite, Texas, June 9, 1906.

Now is the time to paint your house, wagon or buggy. The hot summer sun is very injurious to all lumber exposed and painting is cheaper than buying lumber. The fact is, if you paint your house and keep it well-painted, there is hardly any end to the lasting of it, besides it looks better and even adds to appearance as well as the value of your property. I have one of the best paints, my prices are reasonable. When you go to buy paint remember I have one of the best at \$1.50 per gallon and I want you to read the guarantee below by manufacturers and I make it good to you.

M. L. BROWN, M. D., Proprietor.

### GUARANTEE.

NOTE—This guarantee is void if our suggestions for painting are not followed. The Crescent Cottage Paints are composed of the best and most durable paint pigments known, including best Oxide of Zinc, Pure Carbonate of Lead, and such coloring matter as is required to produce the various shades.

We guarantee that this paint, if properly applied, will not peel, crack or blister, will cover as much surface and equal in appearance and durability any paint made.

We authorize all dealers handling this paint to make good any complaint at our expense.

### SONS AND DAUGHTERS

OF CONFEDERATE VETERANS PERMANENTLY ORGANIZED.

A number of the young people met with the Confederate camp last Saturday afternoon to decide about the organization of a camp of Sons and Daughters of Veterans. They were addressed by Mr. S. J. Cockrell, who was enthusiastic on the subject of the organization. The young people were very favorable to the idea, but owing to the limited number present, it was decided to delay organizing until Thursday night, when another meeting was to be held.

### THURSDAY NIGHT'S MEETING.

What was lacking in interest at Saturday's meeting was made up in enthusiasm Thursday night. Mr. Hancock of Mullin stated the object of the meeting and Mr. Hopkins was chosen to fill the office.

Officers were elected and the camp was permanently organized with 23 members enrolled, it being designated as Jeff Davis camp in commemoration of the Confederate veteran camp of the same name.

A committee was appointed to draft constitution and by-laws, it being composed of Misses Mildred Baird, Annie McAuley, Lida Thompson and Capt. Sexton, S. J. Cockrell, R. L. H. Williams and Dr. Taylor; the committee to report at next meeting.

Capt. Sexton, in a few well chosen words, addressed the camp on the aims, objects and duties of the organization and appealed to younger generations to perpetuate the memory of those who bled, fought and died for the cause they loved, and especially did he pay tribute to the women of the South. Mr. Cockrell also very enthusiastically addressed them as an organization, and his remarks were suggestive and were greatly appreciated. There were also other talks and the meeting was a profitable one.

It was decided to meet twice weekly, Monday and Thursday nights being selected as regular meeting nights until after July emancipation. The camp is composed of enthusiastic members and there will probably be a creditable entertainment gotten up for Sons and Daughters' day at the reunion, Saturday, July 7, being the day assigned the younger people.

The following officers were elected: S. J. Brock, commander; R. E. Downey, lieutenant; S. J. Cockrell, adjutant and Miss Mildred Baird, secretary.

### AN OPEN LETTER.

DEAR SIR: We are in the buggy business for keeps. We sell Tebbetts buggies because they look and wear better than anything on the market. Tebbetts buggies are chock full of catchy features that makes everybody want them—we want say everybody either, because some people have no eye for the beautiful and a donkey looks as good to them as a thousand dollar horse. We are not looking for the donkey trade. Our buggies are differently constructed from anything on the market and these differences are always appreciated by sensible buyers and for reasons mentioned above. The usual cry of dealers that "ours is the best" is no argument and sounds silly to wise people. The intent of this letter is to let you know we are in the business and we are mailing this letter to people who we think are too smart to buy without seeing the Tebbetts buggy. We make terms to suit the buyers. We trade for anything—even "Tom cats" Yours truly, COCKRUM & ROSS BROS.

It is no longer Benjamin Franklin Smolinsky, but it is shorter B. Frank Small. Ben Smolinsky decided that there was no use for an American born citizen to be forever encumbered with a long unpronounceable Polish name, and as Small and Smolinsky mean the same thing, he went before the district court and asked to have his name Americanized by a change to B. Frank Small, and hereafter it will be Mr. Small. If other Polish descendants would do the same thing, life's troubles would be less.
